38.5 the intention of receiving those services without making the agreed or reasonably expected
38.6 payment of money or other consideration; or

38.31 (b) Proof that the driver of a motor vehicle into which motor fuel was dispensed drove

The final order must provide the office's rationale for determining that the filing is not fraudulent or that insufficient information is available to make a determination.

Sec. 11. **[300.77] JUDICIAL REVIEW.**

(a) Any party who is aggrieved by a final order under section 300.76 may appeal the order to the district court of the Minnesota county where the business that is the subject of the final order is registered or was registered before the business's dissolution or, if the business is not registered in Minnesota, to the district court of Ramsey County. The aggrieved party may also appeal the final order as part of any district court action between the filer and complainant where the filing at issue is relevant to the issues in the case.

(b) The aggrieved party must serve a written copy of a notice of appeal upon the office and any adverse party of record within 30 calendar days after the date the final order was issued and must also file the original notice and proof of service with the court administrator of the district court. Service may be made in person or by mail. Service by mail is complete upon mailing. The court administrator is prohibited from requiring a filing fee for appeals taken pursuant to this section.

(c) The office may elect to become a party to the proceedings in the district court.

(d) The court may order that the office furnish the court and all parties to the proceedings with a copy of the decision, the filing that is the subject of the decision, and any materials or information submitted to the office. Any materials provided under this section that are filed with the court must be done so under restricted access unless the court orders otherwise.

(e) A party may obtain a hearing at a special term of the district court by serving a written notice of the hearing's time and place at least ten days before the date of the hearing.

(2) the clerk has given the county auditor of that county notice of intention to administer them.

The designation or notice must specify whether the clerk will be responsible for the administration of a ballot board as provided in section 203B.121 and whether the municipality's office will be designated an absentee voting location pursuant to section 203B.081, subdivision 1, or only for early voting pursuant to section 203B.081, subdivision 1a.

A clerk of a city that is located in more than one county may only administer the provisions of sections 203B.04 to 203B.15 and 203B.30 if the clerk has been designated by each of the county auditors or has provided notice to each of the county auditors that the city will administer absentee voting. A clerk may only administer the provisions of sections 203B.04 to 203B.15 and 203B.30 if the clerk has technical capacity to access the statewide voter registration system in the secure manner prescribed by the secretary of state. The secretary of state must identify hardware, software, security, or other technical prerequisites necessary to ensure the security, access controls, and performance of the statewide voter registration system. A clerk must receive training approved by the secretary of state on the use of the statewide voter registration system before administering this section. A clerk may not use the statewide voter registration system until the clerk has received the required training. The county auditor must notify the secretary of state of any municipal clerk who will be administering the provisions of this section and the duties that the clerk will administer.

EFFECTIVE DATE. This section is effective upon the revisor of statutes' receipt of the early voting certification and applies to elections held on or after the 85th day after the revisor of statutes receives the certification.

Sec. 10. Minnesota Statutes 2024, section 203B.08, subdivision 1, is amended to read:

Subdivision 1. **Marking and return by voter.** (a) An eligible voter who receives absentee ballots as provided in this chapter shall mark them in the manner specified in the directions for casting the absentee ballots. The ~~return~~ signature envelope containing marked ballots

may be mailed as provided in the directions for casting the absentee ballots, may be left with the county auditor or municipal clerk who transmitted the absentee ballots to the voter, or may be left in a drop box as provided in section 203B.082. If delivered in person, the ~~return~~ signature envelope must be submitted to the county auditor or municipal clerk by ~~8:00 p.m.~~ 5:00 p.m. on election day.

(b) The voter may designate an agent to deliver in person the sealed ~~absentee ballot~~ return signature envelope to the county auditor or municipal clerk or to deposit the ~~return~~ signature envelope in the mail. An agent may deliver or mail the ~~return~~ signature envelopes of not more than three voters in any election. Any person designated as an agent who tampers with either the ~~return~~ signature envelope or the voted ballots or does not immediately mail or deliver the ~~return~~ signature envelope to the county auditor or municipal clerk is guilty of a misdemeanor.

Sec. 11. Minnesota Statutes 2024, section 203B.08, subdivision 3, is amended to read:

Subd. 3. **Procedures on receipt of ballots.** When absentee ballots are returned to a county auditor or municipal clerk, that official shall stamp or initial and date the ~~return~~ signature envelope and place it in a locked ballot container or other secured and locked space with other ~~return~~ signature envelopes received by that office. Within five days after receipt, the county auditor or municipal clerk shall deliver to the ballot board all ~~ballots~~ signature envelopes received, except that during the 14 days immediately preceding an election, the county auditor or municipal clerk shall deliver all ~~ballots~~ signature envelopes received to the ballot board within three days. ~~Ballots~~ Signature envelopes received on election day after 8:00 p.m. shall be marked as received late by the county auditor or municipal clerk, and must not be delivered to the ballot board.

Sec. 12. Minnesota Statutes 2024, section 203B.081, subdivision 4, is amended to read:

Subd. 4. **Temporary locations.** (a) A county auditor or municipal clerk authorized under section 203B.05 to administer voting before election day may designate additional polling places with days and hours that differ from those required by section 203B.085. A designation authorized by this subdivision must be made at least 47 days before the election. The county auditor or municipal clerk must provide notice to the secretary of state at the time that the designations are made.

(b) At the request of a federally recognized Indian Tribe with a reservation or off-reservation Tribal Lands in the county, the county auditor must establish an additional polling place for at least one day on the Indian reservation or off-reservation Tribal Lands

62.1 on a site agreed upon by the Tribe and the county auditor that is accessible to the county
62.2 auditor by a public road.

62.3 (c) At the request of a postsecondary institution or the student government organization
62.4 of a postsecondary institution in the county or municipality, the county auditor or a municipal
62.5 clerk authorized to administer absentee voting under section 203B.05 must establish an
62.6 additional temporary polling place for the state general election or the odd-year city general
62.7 election for at least one day at a location agreed upon by the institution and the county
62.8 auditor or municipal clerk that:

62.9 (1) is accessible to the public;

62.10 (2) satisfies the requirements of state and federal law; and

62.11 (3) is on the institution's campus or is within one-half mile of the institution's campus
62.12 and is reasonably accessible to the institution's students.

62.13 A request must be made no later than May 31 before an election and the request is valid
62.14 only for that election. This paragraph only applies to a postsecondary institution that provides
62.15 on-campus student housing to 100 or more students. Nothing in this paragraph prevents the
62.16 county auditor or municipal clerk from engaging in a dialogue with the entity that made the
62.17 request regarding potential alternative locations for a temporary polling place that does not
62.18 meet the requirements of clause (3). An entity that made a request for a temporary polling
62.19 place may withdraw its request by notifying the county auditor or municipal clerk.

62.20 (d) Within five business days of designating an additional polling place under this
62.21 subdivision, the county auditor or municipal clerk must post on the county's or municipality's
62.22 website the address of the polling place and the dates and times the polling place will be
62.23 available for voting. Within five business days of receiving the notice described in paragraph
62.24 (a), the secretary of state must post on the secretary of state's website the address of the
62.25 polling place and the dates and times the polling place will be available for voting. If a
62.26 designation applies to both a primary and general election, a separate notice must be provided
62.27 for each election, and the notice for the general election may not be posted until after the
62.28 date of the primary election.

62.29 Sec. 13. Minnesota Statutes 2024, section 203B.12, subdivision 10, is amended to read:

62.30 Subd. 10. **Names of persons; absentee ballot applications.** The names of voters who
62.31 have submitted an absentee ballot application to the county auditor or municipal clerk, the
62.32 date on which the application was signed, the date on which the application was accepted,

63.1 and the method of submission must be available to the public in the same manner as public
63.2 information lists in section 201.091, subdivisions 4, 5, and 9.

63.3 Sec. 14. Minnesota Statutes 2024, section 203B.121, subdivision 4, is amended to read:

63.4 Subd. 4. **Opening of envelopes.** (a) After the close of business on the 19th day before
63.5 the election, the ballots from ~~secrecy~~ ballot envelopes within the signature envelopes marked
63.6 "Accepted" may be opened, duplicated as needed in the manner provided in section 206.86,
63.7 subdivision 5, initialed by the members of the ballot board, and deposited in the appropriate
63.8 ballot box. If more than one voted ballot is enclosed in the ballot envelope, the ballots must
63.9 be returned in the manner provided by section 204C.25 for return of spoiled ballots, and
63.10 may not be counted.

63.11 (b) Accepted signature envelopes must be segregated by precinct and processed in
63.12 accordance with this subdivision on a precinct-by-precinct basis. Precincts within a
63.13 combination polling place established in section 205A.11, subdivision 2, may be processed
63.14 together. At each step, members of the ballot board must notify the official responsible for
63.15 the ballot board if there is a discrepancy in any count required by paragraphs (c) to (e) and
63.16 note it in the ballot board incident log.

63.17 (c) Before opening accepted signature envelopes, two members of the ballot board must
63.18 count and record the number of envelopes and ensure that the count matches either the
63.19 number of accepted signature envelopes provided by the official responsible for the ballot
63.20 board or the number of signature envelopes accepted by the ballot board that day.

63.21 (d) Two members of the ballot board must remove the ballots from the ballot envelopes.
63.22 The governing body responsible for the ballot board must not dispose of or destroy any
63.23 ballot envelopes until 30 days after the deadline for bringing an election contest expires or,
63.24 if a contest is filed, 30 days after completion of the contest and any related appeals, whichever
63.25 is later.

63.26 (e) After ballots have been removed from the ballot envelopes, two members of the
63.27 ballot board must count and record the number of ballots to ensure the count matches the
63.28 number of accepted signature envelopes, accounting for any empty envelopes or spoiled
63.29 ballots, which must be noted on the ballot board incident log.

63.30 Sec. 15. Minnesota Statutes 2024, section 203B.121, subdivision 5, is amended to read:

63.31 Subd. 5. **Storage and counting of absentee ballots.** (a) On a day on which absentee
63.32 ballots are inserted into a ballot box, two members of the ballot board must:

64.1 (1) remove the ballots from the ballot box at the end of the day;

64.2 (2) without inspecting the ballots, ensure that the number of ballots removed from the
64.3 ballot box is equal to the number of ~~voters whose absentee ballots were accepted~~ from the
64.4 tally in subdivision 4 that were to be inserted into the ballot box that day; and

64.5 (3) seal and secure all voted and unvoted ballots present in that location at the end of
64.6 the day.

64.7 (b) After the polls have closed on election day, two members of the ballot board must
64.8 count the ballots, tabulating the vote in a manner that indicates each vote of the voter and
64.9 the total votes cast for each candidate or question. In state primary and state general elections,
64.10 the results must indicate the total votes cast for each candidate or question in each precinct
64.11 and report the vote totals tabulated for each precinct. The count must be recorded on a
64.12 summary statement in substantially the same format as provided in section 204C.26. The
64.13 ballot board ~~shall~~ must submit at least one completed summary statement to the county
64.14 auditor or municipal clerk. The county auditor or municipal clerk may require the ballot
64.15 board to submit a sufficient number of completed summary statements to comply with the
64.16 provisions of section 204C.27, or the county auditor or municipal clerk may certify reports
64.17 containing the details of the ballot board summary statement to the recipients of the summary
64.18 statements designated in section 204C.27.

64.19 ~~In state primary and state general elections, These vote totals shall~~ must be added to the
64.20 vote totals on the summary statements of the returns for the appropriate precinct. ~~In other~~
64.21 ~~elections, these vote totals may be added to the vote totals on the summary statement of~~
64.22 ~~returns for the appropriate precinct or may be reported as a separate total.~~

64.23 The count ~~shall~~ must be public. No vote totals from ballots may be made public before
64.24 the close of voting on election day.

64.25 (c) In addition to the requirements of paragraphs (a) and (b), if the task has not been
64.26 completed previously, the members of the ballot board must verify as soon as possible, but
64.27 no later than 24 hours after the end of the hours for voting, that voters whose absentee ballots
64.28 arrived after the rosters were marked or supplemental reports were generated and whose
64.29 ballots were accepted did not vote in person on election day. An absentee ballot submitted
64.30 by a voter who has voted in person on election day must be rejected. All other accepted
64.31 absentee ballots must be opened in accordance with the procedures outlined in subdivision
64.32 4, except for the absentee ballots cast using the alternative procedure in section 203B.081,
64.33 subdivision 3, duplicated if necessary, and counted by members of the ballot board. The

65.1 vote totals from these ballots must be incorporated into the totals with the other absentee
65.2 ballots and handled according to paragraph (b).

65.3 Sec. 16. Minnesota Statutes 2024, section 203B.29, subdivision 1, is amended to read:

65.4 Subdivision 1. **Emergency response providers.** Any eligible Minnesota voter who is
65.5 a trained or certified emergency response provider or utility worker who is deployed in
65.6 response to any state of emergency declared by the President of the United States or any
65.7 governor of any state within the United States during the time period authorized by law for
65.8 absentee voting or on election day may request that ballots, instructions, and a certificate
65.9 of voter eligibility be transmitted to the voter electronically. Upon receipt of a properly
65.10 completed application requesting electronic transmission, the county auditor must
65.11 electronically transmit the requested materials to the voter. The absentee ballot application
65.12 deadlines in section 203B.04, subdivision 1, do not apply to this subdivision. The county
65.13 auditor is not required to provide return postage to voters to whom ballots are transmitted
65.14 electronically.

65.15 Sec. 17. Minnesota Statutes 2024, section 203B.29, subdivision 2, is amended to read:

65.16 Subd. 2. **Reasonable accommodation for voter with disability.** Any eligible Minnesota
65.17 voter with a print disability, including any voter with disabilities that interfere with the
65.18 effective reading, writing, or use of printed materials, may request that ballots, instructions,
65.19 and a certificate of voter eligibility be transmitted to the voter electronically in an accessible
65.20 format that meets Election Assistance Commission minimum accessibility requirements.
65.21 Upon receipt of a properly completed application requesting electronic transmission, the
65.22 county auditor shall electronically transmit the requested materials to the voter. The absentee
65.23 ballot application deadlines in section 203B.04, subdivision 1, do not apply to this
65.24 subdivision. The county auditor must also mail the voter materials required under section
65.25 203B.07.

65.26 Sec. 18. Minnesota Statutes 2024, section 203B.30, subdivision 3, is amended to read:

65.27 Subd. 3. **Processing of ballots.** Each day when early voting occurs, the early voting
65.28 officials must:

65.29 (1) remove and secure ballots cast during the early voting period following the procedures
65.30 in section 203B.121, subdivision 5, paragraph (a), noting the date, voting location, and
65.31 number of ballots cast;

(2) without inspecting the ballots, ensure that the number of ballots removed from the ballot box is equal to the number of voter certificates that were signed by voters in subdivision 2, paragraph (b); and

(3) seal and secure all voted and unvoted ballots present in that location at the end of the day.

The absentee ballot board must count the ballots after the polls have closed on election day following the procedures in section 203B.121, subdivision 5, paragraph (b).

EFFECTIVE DATE. This section is effective upon the revisor of statutes' receipt of the early voting certification and applies to elections held on or after the 85th day after the revisor of statutes receives the certification.

Sec. 19. Minnesota Statutes 2024, section 204B.06, subdivision 1b, is amended to read:

Subd. 1b. **Address, electronic mail address, and telephone number.** (a) An affidavit of candidacy must state a telephone number where the candidate can be contacted. An affidavit must also state the candidate's or campaign's nongovernment issued electronic mail address or an attestation that the candidate and the candidate's campaign do not possess an electronic mail address. Except for affidavits of candidacy for (1) judicial office, (2) the office of county attorney, or (3) county sheriff, an affidavit must also state the candidate's current address of residence as determined under section 200.031, or at the candidate's request in accordance with paragraph (c), the candidate's campaign contact address. When filing the affidavit, the candidate must present the filing officer with the candidate's valid driver's license or state identification card that contains the candidate's current address of residence, or documentation of proof of residence authorized for election day registration in section 201.061, subdivision 3, paragraph (a), clause (2); clause (3), ~~item (ii)~~; or paragraph (d). If an original bill is shown, the due date on the bill must be within 30 days before or after the beginning of the filing period or, for bills without a due date, dated within 30 days before the beginning of the filing period. If the address on the affidavit and the documentation do not match, the filing officer must not accept the affidavit. The form for the affidavit of candidacy must allow the candidate to request, if eligible, that the candidate's address of residence be classified as private data, and to provide the certification required under paragraph (c) for classification of that address.

(b) If an affidavit for an office where a residency requirement must be satisfied by the close of the filing period is filed as provided by paragraph (c), the filing officer must, within one business day of receiving the filing, determine whether the address provided in the affidavit of candidacy is within the area represented by the office the candidate is seeking.

For all other candidates who filed for an office whose residency requirement must be satisfied by the close of the filing period, a registered voter in this state may request in writing that the filing officer receiving the affidavit of candidacy review the address as provided in this paragraph, at any time up to one day after the last day for filing for office. If requested, the filing officer must determine whether the address provided in the affidavit of candidacy is within the area represented by the office the candidate is seeking. If the filing officer determines that the address is not within the area represented by the office, the filing officer must immediately notify the candidate and the candidate's name must be removed from the ballot for that office. A determination made by a filing officer under this paragraph is subject to judicial review under section 204B.44.

(c) If the candidate requests that the candidate's address of residence be classified as private data, the candidate must list the candidate's address of residence on a separate form to be attached to the affidavit. The candidate must also certify on the affidavit that either: (1) a police report has been submitted, an order for protection has been issued, or the candidate has a reasonable fear in regard to the safety of the candidate or the candidate's family; or (2) the candidate's address is otherwise private pursuant to Minnesota law. The address of residence provided by a candidate who makes a request for classification on the candidate's affidavit of candidacy and provides the certification required by this paragraph is classified as private data, as defined in section 13.02, subdivision 12, but may be reviewed by the filing officer as provided in this subdivision.

~~(d) The requirements of this subdivision do not apply to affidavits of candidacy for a candidate for: (1) judicial office; (2) the office of county attorney; or (3) county sheriff.~~

Sec. 20. Minnesota Statutes 2024, section 204B.09, subdivision 1a, is amended to read:

Subd. 1a. **Absent candidates.** (a) A candidate for special district, county, state, or federal office who will be absent from the state during the filing period may submit a properly executed affidavit of candidacy, the appropriate filing fee, and any necessary petitions in person to the filing officer. The candidate shall state in writing the reason for being unable to submit the affidavit during the filing period. The affidavit, filing fee, if any, and petitions must be submitted to the filing officer during the seven days immediately preceding the candidate's absence from the state. Nominating petitions may be signed during the 14 days immediately preceding the date when the affidavit of candidacy is filed.

(b) A candidate for special district, county, state, or federal office who will be absent from the state during the entire filing period or who must leave the state for the remainder of the filing period and who certifies to the secretary of state that the circumstances constitute

68.1 an emergency and were unforeseen, may submit a properly executed affidavit of candidacy
68.2 by facsimile device or by transmitting electronically a scanned image of the affidavit and
68.3 proof of residence required in section 204B.06, subdivision 1b, to the secretary of state
68.4 during the filing period. The candidate shall state in writing the specific reason for being
68.5 unable to submit the affidavit by mail or by hand during the filing period or in person prior
68.6 to the start of the filing period. The affidavit of candidacy, filing fee, if any, and any necessary
68.7 petitions must be received by the secretary of state by 5:00 p.m. on the last day for filing.
68.8 If the candidate is filing for a special district or county office, the secretary of state shall
68.9 forward the affidavit of candidacy, filing fee, if any, and any necessary petitions to the
68.10 appropriate filing officer. Copies of a proof of residence submitted under this subdivision
68.11 are private data.

68.12 Sec. 21. Minnesota Statutes 2024, section 204B.09, subdivision 2, is amended to read:

68.13 Subd. 2. **Other elections.** Affidavits of candidacy and nominating petitions for city,
68.14 town or other elective offices shall be filed during the time and with the official specified
68.15 in chapter 205 or other applicable law or charter, except as provided for a special district
68.16 candidate under subdivision 1a. Affidavits of candidacy and applications filed on behalf of
68.17 eligible voters for school board office shall be filed during the time and with the official
68.18 specified in chapter 205A or other applicable law. Affidavits of candidacy, including proof
68.19 of residence required in section 204B.06, subdivision 1b, and nominating petitions filed
68.20 under this subdivision must be submitted by mail or by hand, notwithstanding chapter 325L,
68.21 or any other law to the contrary, and must be received by the appropriate official within the
68.22 specified time for the filing of affidavits and petitions for the office. Copies of a proof of
68.23 residence submitted by mail are private data.

68.24 Sec. 22. Minnesota Statutes 2024, section 204B.14, subdivision 2, is amended to read:

68.25 Subd. 2. **Separate precincts; combined polling place.** (a) The following shall constitute
68.26 at least one election precinct:

68.27 (1) each city ward; and

68.28 (2) each town and each statutory city.

68.29 (b) A single, accessible, combined polling place may be established no later than
68.30 November 1 if a presidential nomination primary is scheduled to occur in the following
68.31 year or May 1 of any other year:

(1) for any city of the third or fourth class, any town, or any city having territory in more than one county, in which all the voters of the city or town shall cast their ballots;

(2) for contiguous precincts in the same municipality;

(3) for up to four contiguous municipalities located entirely outside the metropolitan area, as defined by section 200.02, subdivision 24, that are contained in the same county; or

(4) for noncontiguous precincts located in one or more counties.

Subject to the requirements of paragraph (c), a single, accessible, combined polling place may be established after May 1 of any year in the event of an emergency.

A copy of the ordinance or resolution establishing a combined polling place must be filed with the county auditor within 30 days after approval by the governing body, and the county auditor must provide notice within ten days to the secretary of state, in a manner and including information prescribed by the secretary of state. A polling place combined under clause (3) must be approved by the governing body of each participating municipality. A polling place combined under clause (4) must be approved by the governing body of each participating municipality and the secretary of state and may be located outside any of the noncontiguous precincts. A municipality withdrawing from participation in a combined polling place must do so by filing a resolution of withdrawal with the county auditor no later than October 1 if a presidential nomination primary is scheduled to occur in the following year or April 1 of any other year, and the county auditor must provide notice within ten days to the secretary of state, in a manner and including information prescribed by the secretary of state.

The secretary of state shall provide a separate polling place roster for each precinct served by the combined polling place, except that in a precinct that uses electronic rosters the secretary of state shall provide separate data files for each precinct. The secretary of state and county auditor must provide guidance to the election judges serving in a combined polling place on the procedures to be used to ensure each voter is provided the correct ballot for that voter's precinct. A single set of election judges may be appointed to serve at a combined polling place. The number of election judges required must be based on the total number of persons voting at the last similar election in all precincts to be voting at the combined polling place. Separate ballot boxes must be provided for the ballots from each precinct. The results of the election must be reported separately for each precinct served by the combined polling place, except in a polling place established under clause (2) where one of the precincts has fewer than ten registered voters, in which case the results of that

precinct must be reported in the manner specified by the secretary of state. In addition to other required informational material and notices, a map showing the precincts served by the combined polling place, along with a notice that multiple ballot styles are in use, must be prominently displayed near the entrance to the combined polling place.

(c) If a local elections official determines that an emergency situation preventing the safe, secure, and full operation of a polling place on election day has occurred or is imminent, the local elections official may combine two or more polling places for that election pursuant to this subdivision. To the extent possible, the polling places must be combined and the election conducted according to the requirements of paragraph (b), except that:

(1) polling places may be combined after May 1 and until the polls close on election day;

(2) any city or town, regardless of size or location, may establish a combined polling place under this paragraph;

(3) the governing body is not required to adopt an ordinance or resolution to establish the combined polling place;

(4) a polling place combined under paragraph (b), clause (3) or (4), must be approved by the local election official of each participating municipality;

(5) the local elections official must immediately notify the county auditor and the secretary of state of the combination, including the reason for the emergency combination and the location of the combined polling place. As soon as possible, the local elections official must also post a notice stating the reason for the combination and the location of the combined polling place. The notice must also be posted on the governing board's website, if one exists. The local elections official must also notify the election judges and request that local media outlets publicly announce the reason for the combination and the location of the combined polling place; and

(6) on election day, the local elections official must post a notice in large print in a conspicuous place at the polling place where the emergency occurred, if practical, stating the location of the combined polling place. The local election official must also post the notice, if practical, in a location visible by voters who vote from their motor vehicles as provided in section 204C.15, subdivision 2. If polling place hours are extended pursuant to section 204C.05, subdivision 2, paragraph (b), the posted notices required by this paragraph must include a statement that the polling place hours at the combined polling place will be extended until the specified time.

71.1 Sec. 23. Minnesota Statutes 2024, section 204B.16, subdivision 1a, is amended to read:

71.2 Subd. 1a. **Notice to voters.** (a) If the location of a polling place has been changed, the
71.3 governing body establishing the polling place shall send to every affected household with
71.4 at least one registered voter in the precinct a nonforwardable mailed notice stating the
71.5 location of the new polling place at least 25 days before the next election. The secretary of
71.6 state shall prepare a sample of this notice. A notice that is returned as undeliverable must
71.7 be forwarded immediately to the county auditor. This ~~subdivision~~ paragraph does not apply
71.8 to a polling place location that is changed on election day under section 204B.175.

71.9 (b) If the location of a polling place has been changed, the local official for the governing
71.10 body establishing the polling place must post a notice in large print and in a conspicuous
71.11 place at the closed polling place, if practicable, stating the location of the new polling place.
71.12 The local election official must also post the notice, if practicable, in a location visible by
71.13 voters who vote from their motor vehicles as provided in section 204C.15, subdivision 2.
71.14 The notice must be in all languages required under section 204B.295 for that precinct. The
71.15 notice must be posted for each special, primary, and general election until a general
71.16 presidential election or redistricting has occurred. The secretary of state shall prepare a
71.17 sample of this notice.

71.18 Sec. 24. Minnesota Statutes 2024, section 204B.16, subdivision 4, is amended to read:

71.19 Subd. 4. **Prohibited locations.** No polling place shall be designated in any place or in
71.20 any adjoining room where intoxicating liquors ~~or~~ nonintoxicating malt beverages; or
71.21 cannabis products, as defined in section 342.01, subdivision 20, are served or in any adjoining
71.22 room sold. No polling place shall be designated in any place in which substantial compliance
71.23 with the requirements of this chapter cannot be attained.

71.24 Sec. 25. [204B.182] CHAIN OF CUSTODY PLANS.

71.25 (a) The county auditor must develop a county elections chain of custody plan to be used
71.26 in all state, county, municipal, school district, and special district elections held in that
71.27 county. If any of the political subdivisions cross county lines, the affected counties must
71.28 make efforts to ensure that the elections chain of custody procedures affecting the local
71.29 jurisdiction are uniform throughout the jurisdiction. County auditors must file the elections
71.30 chain of custody plans with the secretary of state.

71.31 (b) The chain of custody plan must account for both the physical and cyber security of
71.32 elections-related materials. The plan must include sample chain of custody documentation.

72.1 (c) The secretary of state may provide additional guidance to counties on elections chain
72.2 of custody best practices and planning.

72.3 (d) A municipal clerk, school district clerk, or special district clerk may create a local
72.4 chain of custody plan for use in local elections not held in conjunction with federal, state,
72.5 or county elections that meets or exceeds the requirements of the county elections chain of
72.6 custody plan. Any plan adopted under this paragraph must be adopted and filed with the
72.7 secretary of state at least 84 days before the first election in which it will be used.

72.8 (e) Each political subdivision clerk who develops a local elections chain of custody plan

72.13 **EFFECTIVE DATE.** This section is effective the day following final enactment, and

72.16 Sec. 26. Minnesota Statutes 2024, section 204B.19, subdivision 5, is amended to read:

72.17 Subd. 5. **Party balance requirement.** No more than half of the election judges in a
72.18 precinct, or at any location where ballots are being counted, recounted, or reviewed, may
72.19 be members of the same major political party unless the election board consists of an odd
72.20 number of election judges, in which case the number of election judges who are members
72.21 of the same major political party may be one more than half the number of election judges
72.22 in that precinct. Each major political party must be represented by at least one election judge
72.23 in each precinct.

72.24 Sec. 27. Minnesota Statutes 2024, section 204B.21, subdivision 1, is amended to read:

72.25 Subdivision 1. **Appointment lists; duties of political parties and secretary of state.** (a)
72.26 On ~~May~~ April 1 in a year in which there is an election for a partisan political office, each
72.27 major political party ~~shall~~ must prepare a list of eligible voters who have indicated within
72.28 the last 25 months they are willing to act as election judges in each election precinct. The
72.29 list may also designate certain eligible voters as available to serve as alternates that may be
72.30 appointed in the event of unexpected vacancies or if all positions representing that party
72.31 affiliation are not able to be filled. The list provided by the party must indicate:

73.1 (1) which eligible voters are willing to travel to a precinct outside of their home
73.2 jurisdiction to act as an election judge, and the jurisdictions to which each eligible voter is
73.3 willing to travel for that purpose;

73.4 (2) which eligible voters are willing to serve on an absentee ballot board; and

73.5 (3) each eligible voter's residential address, telephone number, and email address, along
73.6 with the date the eligible voter indicated their willingness to act as an election judge.

73.7 (b) The political parties shall must furnish the lists electronically to the secretary of state,
73.8 in a format specified by the secretary of state. The secretary of state must combine the data
73.9 received from each political party under this subdivision and must process the data to locate
73.10 the precinct in which the address provided for each potential election judge is located. If
73.11 the data submitted by a political party is insufficient for the secretary of state to locate the
73.12 proper precinct or does not include the eligible voter's telephone number, email address,
73.13 and date the eligible voter indicated their willingness to act as an election judge, the
73.14 associated name must not appear in any list forwarded to an appointing authority under this
73.15 subdivision. The secretary of state shall must notify political parties of any proposed election
73.16 judges with addresses that could not be located in a precinct.

73.17 (c) By May April 15, the secretary of state shall must furnish electronically to the county
73.18 auditor a list of the appropriate names for each election precinct and absentee ballot board
73.19 in the jurisdiction of the appointing authority, and a list of the names of individuals residing
73.20 outside of the jurisdiction who indicated a willingness to travel to that jurisdiction to act as
73.21 an election judge, noting the political party affiliation of each individual on the list. The
73.22 county auditor must promptly forward the appropriate names to the appropriate municipal
73.23 clerk within seven days of receipt. If necessary, the county auditor or municipal clerk must
73.24 notify the designated representatives of that party and request that the party provide further
73.25 names, to the extent practicable.

73.26 (d) The secretary of state must provide a form that may be used by a political party to
73.27 recruit individuals willing to serve as election judges. The form must allow an interested
73.28 individual to indicate a willingness to travel to a precinct outside of the individual's home
73.29 jurisdiction or to serve as a member of an absentee ballot board.

73.30 Sec. 28. Minnesota Statutes 2024, section 204B.24, is amended to read:

74.1 (1) I will perform the duties of election judge according to law and the best of my ability
74.2 and will diligently endeavor to prevent fraud, deceit and abuse in conducting this election.

74.3 (2) I will perform my duties in a fair and impartial manner and not attempt to create an
74.4 advantage for my party or for any candidate.

74.5 (3) In the performance of my duties as an election judge, I will not share information
74.6 about voting that I know to be materially false and will not intentionally hinder, interfere
74.7 with, or prevent a person from voting, registering to vote, or aiding another person in casting
74.8 a ballot or registering to vote, except as specifically required by law."

74.9 The oath shall be attached to the summary statement of the election returns of that
74.10 precinct. If there is no individual present who is authorized to administer oaths, the election
74.11 judges may administer the oath to each other.

74.12 Sec. 29. Minnesota Statutes 2024, section 204B.25, subdivision 1, is amended to read:

74.13 Subdivision 1. **Duties of county auditor.** Each county auditor shall provide training for
74.14 all election judges who are appointed to serve at any election to be held in the county. The
74.15 county auditor shall also provide a procedure for emergency training of election judges
74.16 elected to fill vacancies. The county auditor may delegate to a municipal election official
74.17 the duty to provide training of election judges in that municipality or school district. The
74.18 training must be consistent with the training programs established by the secretary of state
74.19 under subdivision 2.

74.20 Sec. 30. Minnesota Statutes 2024, section 204B.27, is amended by adding a subdivision

74.26 Sec. 31. Minnesota Statutes 2024, section 204B.44, is amended to read:

74.27 **204B.44 ERRORS AND OMISSIONS; REMEDY.**

74.28 (a) Any individual may file a petition in the manner provided in this section for the
74.29 correction of any of the following errors, omissions, or wrongful acts which have occurred
74.30 or are about to occur:

(1) an error or omission in the placement or printing of the name or description of any candidate or any question on any official ballot, including the placement of a candidate on the official ballot who is not eligible to hold the office for which the candidate has filed;

(2) any other error in preparing or printing any official ballot;

(3) failure of the chair or secretary of the proper committee of a major political party to execute or file a certificate of nomination;

(4) any wrongful act, omission, or error of any election judge, municipal clerk, county auditor, canvassing board or any of its members, the secretary of state, or any other individual charged with any duty concerning an election.

(b) The petition shall describe the error, omission, or wrongful act and the correction sought by the petitioner. The petition shall be filed with any judge of the supreme court in the case of an election for state or federal office or any judge of the district court in that county in the case of an election for county, municipal, or school district office. The petitioner shall serve a copy of the petition on the officer, board or individual charged with the error, omission, or wrongful act, on all candidates for the office in the case of an election for state, federal, county, municipal, or school district office, and on any other party as required by the court. Upon receipt of the petition the court shall immediately set a time for a hearing on the matter and order the officer, board or individual charged with the error, omission or wrongful act to correct the error or wrongful act or perform the duty or show cause for not doing so. In the case of a review of a candidate's eligibility to hold office, the court may order the candidate to appear and present sufficient evidence of the candidate's eligibility. The court shall issue its findings and a final order for appropriate relief as soon as possible after the hearing. Failure to obey the order is contempt of court.

(c) Any service required on a candidate may be accomplished by electronic mail sent to the address the candidate provided on the candidate's affidavit of candidacy pursuant to section 204B.06, subdivision 1b, or by any other means permitted by law.

(d) If the candidate for an office and the officer, board, or individual charged with the error, omission, or wrongful act unanimously agree in writing:

(1) that an error, omission, or wrongful act occurred; and

(2) on the appropriate correction for the error, omission, or wrongful act;

then the officer, board, or individual charged with the error, omission, or wrongful act must correct the error in the manner agreed to without an order from the court.

76.1 The officer, board, or individual must notify the secretary of state in writing of the error
76.2 and proposed correction within one business day of receiving notification of the candidate's
76.3 written agreement and must not distribute any ballots reflecting the proposed correction for
76.4 two business days unless the secretary of state waives the notice period.

76.5 (e) Notwithstanding any other provision of this section, an official may correct any
76.6 official ballot without order from the court if the ballot is not in compliance with sections
76.7 204B.35 to 204B.37 or any rules promulgated under sections 204B.35 to 204B.37.

76.8 Sec. 32. Minnesota Statutes 2024, section 204B.45, subdivision 2, is amended to read:

76.9 Subd. 2. **Procedure; voting prior to election day.** Notice of the election and the special

76.14 later than 14 days before the election, the auditor must make a subsequent mailing of ballots

76.16 the election. Eligible voters not registered at the time the ballots are mailed may apply for
76.17 ballots as provided in chapter 203B. Ballot return envelopes, with return postage provided,
76.18 must be preaddressed to the auditor or clerk and the voter may return the ballot by mail or
76.19 in person to the office of the auditor or clerk. The auditor or clerk must appoint a ballot
76.20 board to examine the mail and absentee ballot return envelopes and mark them "accepted"
76.21 or "rejected" within three days of receipt if there are 14 or fewer days before election day,

76.23 may consist of deputy county auditors or deputy municipal clerks who have received training
76.24 in the processing and counting of mail ballots, who need not be affiliated with a major
76.25 political party. Election judges performing the duties in this section must be of different
76.26 major political parties, unless they are exempt from that requirement under section 205.075,
76.27 subdivision 4, or section 205A.10. If an envelope has been rejected at least five days before
76.28 the election, the ballots in the envelope must remain sealed and the auditor or clerk shall
76.29 provide the voter with a replacement ballot and return envelope in place of the spoiled ballot.
76.30 If the ballot is rejected within five days of the election, the envelope must remain sealed
76.31 and the official in charge of the ballot board must attempt to contact the voter by telephone

76.33 document the attempts made to contact the voter.

77.1 If the ballot is accepted, the county auditor or municipal clerk must mark the roster to
77.2 indicate that the voter has already cast a ballot in that election. After the close of business
77.3 on the 19th day before the election, the ballots from return envelopes marked "Accepted"
77.4 may be opened, duplicated as needed in the manner provided by section 206.86, subdivision
77.5 5, initialed by the members of the ballot board, and deposited in the ballot box.

77.6 In all other respects, the provisions of the Minnesota Election Law governing deposit
77.7 and counting of ballots apply.

77.8 The mail and absentee ballots for a precinct must be counted together and reported as
77.9 one vote total. No vote totals from mail or absentee ballots may be made public before the
77.10 close of voting on election day.

77.11 The costs of the mailing shall be paid by the election jurisdiction in which the voter
77.12 maintains residence. Any ballot received by 8:00 p.m. on the day of the election must be
