A bill for an act

relating to state government; establishing a commission on government efficiency and waste prevention; requiring reports; proposing coding for new law in Minnesota Statutes, chapter 3.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

Section 1. **[3.28] COMMISSION ON GOVERNMENT EFFICIENCY AND WASTE PREVENTION.**

Subdivision 1. **Establishment.** The commission on government efficiency and waste prevention is established to oversee and promote policies to improve government efficiency and technological advancement. Government efficiency and modernization is needed to ensure public service. Technological advancement will improve management practices and reduce fraud and misuse of public funds and services. The commission shall oversee these efforts across state agencies.

Subd. 2. **Membership; duties.** (a) The commission shall consist of the following 14 members:

(1) two members appointed by the governor;

(2) two members appointed by the speaker of the house, who must be nonelected officials;

(3) two members appointed by the minority leader of the house of representatives, who must be nonelected officials;

(4) two members appointed by the majority leader in the senate, who must be nonelected officials;

(5) two members appointed by the minority leader in the senate, who must be nonelected officials; and

(6) one elected official from each legislative caucus in each house.

(b) The chair shall be elected by the membership. The commission shall meet upon the call of the chair or at the request of two or more members. The commission shall keep a permanent record and minutes of the proceedings.

(c) The commission shall develop proposals to streamline government, cut inefficient spending, offer proposals to identify and eliminate waste and fraud, and find the most efficient way to offer services to the citizens of Minnesota.

(d) Each year the commission shall submit proposals for streamlining government or saving money to the leader in each legislative caucus.

Subd. 3. **Staff support; meeting space; equipment.** The legislative coordinating commission shall provide staff support, meeting space, and access to office equipment and services as needed.

Subd. 4. **Report.** By December 1, 2026, and each December 1 thereafter, the commission must submit a report to the governor and to the chairs and ranking minority members of the legislative committees with jurisdiction over state government. The report must document the commission's activities during the year and report on identification of waste or fraud in state government. The report must include recommendations on technology advancements to improve management practices and improve services.
