Introduction and first reading Referred to Human Services

relating to human services; directing the commissioner of human services to 1 2 authorize indirect billing for individualized home supports. 1.3

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

## Section 1. DIRECTION TO COMMISSIONER; BILLABLE INDIRECT TIME AUTHORIZATION FOR INDIVIDUALIZED HOME SUPPORTS.

A bill for an act

- (a) No later than December 1, 2025, the commissioner of human services must submit to the federal Centers for Medicare and Medicaid Services all necessary amendments to home and community-based services waiver plans to allow providers of individualized home supports with training, individualized home supports without training, and individualized home supports with family training to bill for the indirect provision of services described in paragraph (c), provided:
- (1) the services are necessary to ensure continuity of other necessary services and supports 1.13 for the service recipient; 1.14
- (2) reasonable attempts have been made to directly involve the service recipient in the 1.15 service, or the recipient is not able to be directly involved due to illness, injury, or other 1.16 factors; or 1.17
- (3) the service recipient has made an informed choice to allow for services to be provided 1.18 without the service recipient's direct contact. 1.19
- (b) For the purposes of this section, "indirect provision of services" means services 1.20 provided without direct contact as defined in Minnesota Statutes, section 245C.02, 1.21 subdivision 11, and not through remote support as defined in the relevant waiver plan. 1.22

Section 1. 1
