5.4 another agency head has determined there is a credible allegation of fraud under investigation
5.5 and the program participant is a subject of the investigation.

6.10 not on individuals.

6.11 (b) Except for the identity of a complainant, after a determination has been made under
6.12 subdivision 8, paragraph (e), that withholding of payments shall not continue, all data relating
6.13 to a credible allegation of fraud under this section become public unless classified otherwise
6.14 under state or federal law. The identity of a complainant is private.

6.15 (c) Any state agency may disclose any data classified as confidential or protected
6.16 nonpublic under this section to any federal, state, or local government agency, or any law
6.17 enforcement agency, if the state agency determines that access will help prevent fraud
6.18 against public programs or aid the law enforcement process.
