33.14 accepted into the course or program.

33.15 Sec. 49. Minnesota Statutes 2024, section 136A.827, subdivision 4, is amended to read:

33.16 Subd. 4. **Proration.** (a) When a student has been accepted by a private career school
33.17 and gives notice of cancellation after the program of instruction has begun, the student is
33.18 entitled to a refund if, at the last documented date of attendance, the student has not completed
33.19 at least 75 percent of the entire program of instruction. For purposes of this subdivision,
33.20 program of instruction is calculated under paragraph (c) or (d). Program of instruction does
33.21 not mean one term, a payment period, a module, or any other portion of the entire
33.22 instructional program.

33.23 (b) A notice of cancellation from a student under this subdivision must be confirmed in
33.24 writing by the private career school and mailed to the student's last known address. The
33.25 confirmation from the school must state that the school has withdrawn the student from
33.26 enrollment, ~~and if this action was not the student's intent, the student must contact the school.~~

33.27 (c) The length of a program of instruction for a program that has a defined calendar start
33.28 and end date that does not change after the program has begun equals the number of days
33.29 from the first scheduled date of the program through the last scheduled date of the program.
33.30 To calculate the completion percentage, divide the number of calendar days from the first
33.31 date of the program through the student's last documented date of attendance by the length
33.32 of the program of instruction, and truncate the result after the second digit following the

34.1 decimal point. If the completion percentage is less than 75 percent, the private career school
34.2 may retain:

34.3 (1) tuition, fees, and charges equal to the total of tuition, fees, and charges multiplied
34.4 by the completion percentage; plus

34.5 (2) the initial program application fees, not to exceed \$50; plus

34.6 (3) the lesser of (i) 25 percent of the total tuition, or (ii) \$100.

34.7 (d) The length of a program of instruction for a program that is measured in clock hours
34.8 equals the number of clock hours the student was scheduled to attend. To calculate the
34.9 completion percentage, divide the number of clock hours that the student actually attended
34.10 by the length of the program of instruction, and truncate the result after the second digit
34.11 following the decimal point. If the completion percentage is less than 75 percent, the private
34.12 career school may retain:

34.13 (1) tuition, fees, and charges equal to the total of tuition, fees, and charges multiplied
34.14 by the completion percentage; plus

34.15 (2) the initial program application fees, not to exceed \$50; plus

34.16 (3) the lesser of (i) 25 percent of the total tuition, or (ii) \$100.

34.17 Sec. 50. Minnesota Statutes 2024, section 136A.828, subdivision 6, is amended to read:

34.20 ~~in this subdivision.~~

34.21 ~~(b) Student loans or other financial aid funds received from federal, state, or local~~
34.22 ~~governments or administered in accordance with federal student financial assistance programs~~
34.23 ~~under title IV of the Higher Education Act of 1965, as amended, United States Code, title~~
34.24 ~~20, chapter 28, must be collected and applied as provided by applicable federal, state, or~~
34.25 ~~local law or regulation.~~

34.26 ~~(c) Student loans or other financial aid assistance received from a bank, finance or credit~~
34.27 ~~card company, or other private lender must be collected or disbursed as provided in~~
34.28 ~~paragraphs (d) and (e).~~

34.29 ~~(d) Loans or other financial aid payments for amounts greater than \$3,000 must be~~
34.30 ~~disbursed:~~

35.1 ~~(1) in two equal disbursements, if the term length is more than four months. The loan~~
35.2 ~~or payment amounts may be disbursed no earlier than the first day the student attends class~~
35.3 ~~with the remainder to be disbursed halfway through the term; or~~

35.4 ~~(2) in three equal disbursements, if the term length is more than six months. The loan~~
35.5 ~~or payment amounts may be disbursed no earlier than the first day the student attends class,~~
35.6 ~~one-third of the way through the term, and two-thirds of the way through the term.~~

35.7 ~~(e) Loans or other financial aid payments for amounts less than \$3,000 may be disbursed~~
35.8 ~~as a single disbursement on the first day a student attends class, regardless of term length.~~

35.9 ~~(f) No private career school may enter into a contract or agreement with, or receive any~~
35.10 ~~money from, a bank, finance or credit card company, or other private lender, unless the~~
35.11 ~~private lender follows the requirements for disbursements provided in paragraphs (d) and~~
35.12 ~~(e).~~

35.13 ~~(g) No private career school may withhold an official transcript for arrears or default on~~
35.14 ~~any loan made by the private career school to a student if the loan qualifies as an institutional~~
35.15 ~~loan under United States Code, title 11, section 523(a)(8)(b).~~

35.16 Sec. 51. Minnesota Statutes 2024, section 136A.829, subdivision 1, is amended to read:

35.29 to have committed fraud or any other material violation of law involving federal, state, or
35.30 local government funds;

35.31 (6) the existence of any circumstance that would be grounds for the refusal of an initial
35.32 or renewal license under section 136A.822; or

36.1 (7) using fraudulent or coercive practices, whether in the course of business in this state
36.2 or elsewhere.

36.3 Sec. 52. Minnesota Statutes 2024, section 136A.829, subdivision 3, is amended to read:

36.7 in other states, if in the judgment of the office such agreements are or will be helpful in
36.8 effectuating the purposes of Laws 1973, chapter 714;

36.9 (b) To grant conditional private career school license ~~for periods of less than one year~~
36.10 if in the judgment of the office correctable deficiencies exist at the time of application and
36.11 when ~~refusal to issue private career school license would adversely affect currently enrolled~~
36.12 ~~students~~ the risk of harm to students can be minimized through the use of restrictions and
36.13 requirements as conditions of the license. Conditional licenses may include requirements
36.14 and restrictions for:

37.4 person or persons holding or claiming to hold a license or permit. However, before proceeding
37.5 to a hearing on the question of whether a license or permit shall be refused, revoked or
37.6 suspended for any cause enumerated in subdivision 1, the office shall grant a reasonable
37.7 time to the holder of or applicant for a license or permit to correct the situation. If within
37.8 such time the situation is corrected and the private career school is in compliance with the
37.9 provisions of sections 136A.82 to 136A.834, no further action leading to refusal, revocation,
37.10 or suspension shall be taken.

37.11 ~~(d) To grant a private career school a probationary license for periods of less than three~~
37.12 ~~years if, in the judgment of the office, correctable deficiencies exist at the time of application~~
