6.3 legal custody at the time that the child was placed in foster care; or

6.4 (2) a willing and able relative, according to the requirements of section 260C.515,  
6.5 subdivision 4. When the responsible social services agency is the petitioner, prior to the

6.23 Sec. 6. Minnesota Statutes 2024, section 260C.212, subdivision 4a, is amended to read:

6.24 Subd. 4a. **Monthly caseworker visits.** (a) Every child in foster care or on a trial home  
6.25 visit shall be visited by the child's caseworker or another person who has responsibility for  
6.26 visitation of the child on a monthly basis, with the majority of visits occurring in the child's  
6.27 residence. The responsible social services agency may designate another person responsible  
6.28 for monthly case visits. For the purposes of this section, the following definitions apply:

6.29 (1) "visit" is defined as a face-to-face contact between a child and the child's caseworker.  
6.30 For a youth 18 years of age or older, a visit may be conducted via video conference with  
6.31 the youth's informed consent;

6.32 (2) "visited on a monthly basis" is defined as at least one visit per calendar month;

7.1 (3) "the child's caseworker" is defined as the person who has responsibility for managing  
7.2 the child's foster care placement case as assigned by the responsible social services agency;

7.3 (4) "another person" means the professional staff whom the responsible social services  
7.4 agency has assigned in the out-of-home placement plan or case plan. Another person must  
7.5 be professionally trained to assess the child's safety, permanency, well-being, and case  
7.6 progress. The agency may not designate the guardian ad litem, the child foster care provider,  
7.7 residential facility staff, or a qualified individual as defined in section 260C.007,  
7.8 subdivision 26b, as another person; and

7.9 (5) "the child's residence" is defined as the home where the child is residing, and can  
7.10 include the foster home, child care institution, or the home from which the child was removed  
7.11 if the child is on a trial home visit.

7.12 (b) Caseworker visits shall be of sufficient substance and duration to address issues  
7.13 pertinent to case planning and service delivery to ensure the safety, permanency, and  
7.14 well-being of the child, including whether the child is enrolled and attending school as  
7.15 required by law.

7.16 (c) Every effort shall be made by the responsible social services agency and professional  
7.17 staff to have the monthly visit with the child outside the presence of the child's parents,  
7.18 foster parents, or facility staff. There may be situations related to the child's needs when a  
7.19 caseworker visit cannot occur with the child alone. The reason the caseworker visit occurred  
7.20 in the presence of others must be documented in the case record and may include:

7.21 (1) that the child exhibits intense emotion or behavior indicating that visiting without  
7.22 the presence of the parent, foster parent, or facility staff would be traumatic for the child;

7.23 (2) that despite a caseworker's efforts, the child declines to visit with the caseworker  
7.24 outside the presence of the parent, foster parent, or facility staff; and

7.25 (3) that the child has a specific developmental delay, physical limitation, incapacity,  
7.26 medical device, or significant medical need, such that the parent, foster parent, or facility  
7.27 staff is required to be present with the child during the visit.
