1.1 A bill for an act

1.2 relating to education; clarifying milk offerings for participants in the national

1.3 school lunch program; amending Minnesota Statutes 2024, section 124D.114.

1.4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

1.5 Section 1. Minnesota Statutes 2024, section 124D.114, is amended to read:

1.6 **124D.114 FLUID MILK; LACTOSE REDUCED MILK.**

1.7 Subdivision 1. Milk offerings. A national school lunch program participant or school

1.8 breakfast program participant must offer a variety of fluid milk. A school may offer options

1.9 that include flavored and unflavored organic or nonorganic whole, reduced-fat, low-fat, and

1.10 fat-free fluid milk and nondairy beverages that are nutritionally equivalent to fluid milk and

1.11 meet the nutritional standards established by the United States Secretary of Agriculture.

1.12 Subd. 2. Lactose-reduced milk. (a) If a nonpublic school or district receives school

1.13 lunch aid under section 124D.111 or participates in the school breakfast program and receives

1.14 a written request from the parent of a pupil who is lactose intolerant, then the nonpublic

1.15 school or district must make available lactose reduced milk; milk fortified with lactase in

1.16 liquid, tablet, granular, or other form; or milk to which lactobacillus acidophilus has been

1.17 added for the pupil.

1.18 (b) Notwithstanding any law, local ordinance, or local regulation to the contrary, a school

1.19 may pour or serve portions of any product required by this section from a large container

1.20 of the product at the time and place the pupil is being served.
