20.7 (2) whom the commissioner of public safety, the commissioner's delegate, the Metro
 20.8 Transit general manager, or the general manager's delegate, as applicable, certifies, in the
 20.9 manner prescribed by the executive director, as having substantial responsibility for:

20.10 (i) receiving, processing, transmitting, or dispatching emergency and nonemergency
 20.11 calls for law enforcement, fire, emergency medical, or other public safety services; or

20.12 (ii) supervising employees eligible under item (i).

20.13 (k) "Vesting" or "vested" means obtaining or having obtained a nonforfeitable entitlement
 20.14 to an annuity or benefit under this section by having earned credit for not less than three
 20.15 years of allowable service covered by this section or the general plan.

20.16 Subd. 3. **Eligibility.** This section applies to probation officers and public safety
 20.17 telecommunicators, unless the probation officer or public safety telecommunicator is age
 20.18 60 or older with at least three years of allowable service in the general plan on January 1,
 20.19 2027.

20.20 Subd. 4. **Retirement annuity.** (a) After separation from state service, a member who
 20.21 has attained at least normal retirement age and is vested is entitled, upon application, to a
 20.22 normal retirement annuity. The normal retirement annuity is equal to the member's average
 20.23 salary multiplied by 1.9 percent for each year of allowable service.

20.24 (b) After separation from state service, a member who has reached the age of 55 and is
 20.25 vested is entitled, upon application, to an early retirement annuity that is actuarially equivalent
 20.26 to the normal retirement annuity.

20.27 (c) Allowable service credited to a member under this section is credited in lieu of service
 20.28 credited to the general plan.

20.29 Subd. 5. **Additional contributions.** (a) A member must make an additional employee
 20.30 contribution of 2.71 percent of salary.

21.1 (b) The employer of a member must make an additional employer contribution of two
21.2 percent of salary.

21.3 (c) Contributions under paragraphs (a) and (b) are in addition to the contributions required
21.4 by section 352.04, subdivisions 2 and 3.

21.5 (d) Contributions under paragraphs (a) and (b) must be made in the manner provided in
21.6 section 352.04, subdivisions 4 to 6.

21.7 Subd. 6. **Purchase of credit for past service.** (a) A member is entitled to elect a onetime
21.8 purchase of credit for periods of past service to be added to the member's allowable service
21.9 covered by this section and used in calculating the member's retirement annuity. The member
21.10 must repay any refunds of employee contributions previously received from the general
21.11 plan before purchasing past service credit under this section.

21.12 (b) A member may request an estimate of the cost of a service credit purchase under
21.13 this paragraph.

21.14 (1) A member may file a request with the executive director for an estimate of the
21.15 purchase price for up to three different periods of past service by filing an application on a
21.16 form approved by the executive director.

21.17 (2) The member must file the request for an estimate before filing an election to purchase
21.18 past service under paragraph (c).

21.19 (3) The member must submit with the estimate request payment of the administrative
21.20 fee in the amount of \$250 to cover the cost of preparing the estimates. If the member proceeds
21.21 with the purchase, the executive director must credit the administrative fee toward the
21.22 purchase price.

21.23 (4) The executive director must estimate the purchase price using the assumptions and
21.24 applying any offset amount as directed under subdivision 7 for the periods of past service
21.25 requested by the member and provide the estimates to the member.

21.26 (c) To purchase credit for past service, a member must file an application with the
21.27 executive director on a form approved by the executive director before the annuity starting
21.28 date of the member's retirement annuity or benefit. The application must:

21.29 (1) include documentation of the member's eligibility to make the purchase, signed
21.30 written permission to allow the executive director to request and receive verification of
21.31 applicable facts and eligibility requirements from the member's employer, and any other
21.32 relevant information that the executive director may require;

22.1 (2) state the amount of credit for past service the member plans to purchase and be
22.2 accompanied by a certification from one or more employers that the past service fulfills the
22.3 requirements under subdivision 2, paragraph (h); and

22.4 (3) if the member did not previously pay the administrative fee under paragraph (b),
22.5 include payment of the administrative fee of \$250 to cover the cost of calculating the purchase
22.6 price. If the member proceeds with the purchase, the executive director must credit the
22.7 administrative fee toward the purchase price.

22.8 (d) The executive director must apply the assumptions and any offset amount under
22.9 subdivision 7 to calculate the purchase price and notify the member. If the member elects
22.10 to make the purchase of credit for past service, the member must arrange for the transfer of
22.11 pretax money from another retirement plan. Payment must be made in one lump sum prior
22.12 to the annuity starting date of the member's retirement annuity or benefit.

22.13 (e) Upon receipt of payment, the executive director must grant the member service credit
22.14 for the period of past service for which credit was purchased.

22.15 Subd. 7. **Determination of past service purchase price.** (a) The executive director
22.16 must calculate the purchase price for the period of past service elected by the member. The
22.17 purchase price is an amount equal to the actuarial present value, on the date of payment, of
22.18 the amount of the additional retirement annuity obtained by the additional service credit
22.19 being purchased minus any offset amount.

22.20 (b) The executive director must calculate the purchase price by:

22.21 (1) using the investment return assumption specified in section 356.215, subdivision 8,
22.22 and the mortality table in effect for the general plan;

22.23 (2) assuming continuous future service in the plan until the plan's minimum requirements
22.24 for normal retirement or retirement with an annuity unreduced for retirement at an early
22.25 age are met with the additional service credit purchased;

22.26 (3) assuming a full-time equivalent salary or actual salary, whichever is greater, and a
22.27 future salary history that includes annual salary increases at the applicable salary increase
22.28 rate for the plan; and

22.29 (4) reducing the amount determined under clauses (1) to (3) by any offset amount.

23.1 **Sec. 3. [352.881] SUBPLAN COVERAGE CHANGES.**

23.2 **Subdivision 1. Standing review committees.** (a) The commissioner of corrections must

23.4 the Department of Corrections that should be covered by section 352.88. The commissioner
23.5 of public safety must appoint a standing review committee to review and determine positions
23.6 or employees of the Department of Public Safety that should be covered by section 352.88.
23.7 The Metro Transit general manager must appoint a standing review committee to review
23.8 and determine positions or employees of the Metropolitan Council that should be covered
23.9 by section 352.88.

23.10 (b) The Department of Corrections, Department of Public Safety, and Metropolitan
23.11 Council must each establish a procedure for the department's or agency's respective
23.12 committee to evaluate coverage by section 352.88. Each committee must follow:

23.13 (1) subdivision 2 when evaluating a change in the title of an employment position listed
23.14 in section 352.88, subdivision 2, paragraph (i), clause (1), or (j), clause (1); and

23.15 (2) subdivision 3 when evaluating requests for starting or ceasing coverage by section
23.16 352.88.

23.17 (c) If a committee has received one or more requests for changes to the title of an
23.18 employment position or the commencement or cessation of coverage of an employee by
23.19 section 352.88, the committee must convene at least as frequently as once every three
23.20 months. If a committee has not received any requests during a three-month period, the
23.21 review committee is not required to convene a meeting.

23.22 (d) Each committee must retain each request to the committee and the related
23.23 documentation and final determination for an employee or employment position in the
23.24 committee's respective department or agency.

23.25 (e) Meetings of a standing review committee are not subject to chapter 13D.

23.28 **Subd. 2. Procedures for changing employment titles.** (a) The applicable standing
23.29 review committee must review a change in the title of an employment position listed in

23.31 whether the responsibilities of the employment position satisfy the requirements under
23.32 section 352.88, subdivision 2, paragraph (i) or (j).

24.1 (b) If the committee determines that the responsibilities of the employment position
24.2 have not changed, or the responsibilities of the employment position have changed but the
24.3 changes do not affect the eligibility of the employment position for coverage by section
24.4 352.88, the department or agency affected by the determination must:

24.5 (1) submit the title change to the executive director of the Legislative Commission on
24.6 Pensions and Retirement before the start of the next legislative session and request legislation
24.7 to replace the title in section 352.88, subdivision 2, paragraph (i) or (j), as applicable, with
24.8 the new title; and

24.9 (2) notify each employee in the employment position no later than 30 days after the
24.10 effective date of the title change that the title change will not affect the continued coverage
24.11 of the employee by section 352.88 and that the department or agency, as applicable, has
24.12 submitted a request to the legislature to change the title in section 352.88, subdivision 2,
24.13 paragraph (i) or (j), as applicable.

24.14 (c) If the committee determines that the responsibilities of the employment position have
24.15 changed and the changes result in the employment position no longer being qualified for
24.16 coverage by section 352.88, the department or agency affected by the determination must
24.17 communicate the committee's determination to all affected employees no later than 10 days
24.18 after the date of the meeting at which the determination was made and inform the employees
24.19 of the right to appeal the determination under subdivision 4.

24.20 (d) The department or agency affected by the determination to remove a title must contact
24.21 the executive director of the Legislative Commission on Pensions and Retirement before
24.22 the start of the next legislative session and request legislation to remove the title in section
24.23 352.88, subdivision 2, paragraph (i) or (j), as applicable, if:

24.24 (1) an employee appeals the determination and the determination is upheld; or

24.25 (2) an employee does not appeal the determination.

24.26 (e) The committee must include an effective date in any determination to change or
24.27 remove an employment position from the lists in section 352.88, subdivision 2, paragraph
24.28 (i) or (j). The effective date may be retroactive for a determination to change an employment
24.29 position.

24.30 **Subd. 3. Procedures for starting or ceasing coverage.** (a) The applicable standing
24.31 review committee must consider requests to provide coverage by section 352.88 to an
24.32 employee who satisfies the requirements of section 352.88, subdivision 2, paragraph (i),

25.3 (b) An employee, an employee's employee organization, or an employee's manager may
25.4 submit a request to the committee to provide coverage to an employee who satisfies the
25.5 requirements of section 352.88, subdivision 2, paragraph (i), clause (2), or (j), clause (2).

25.6 The request must include:

25.7 (1) a signed and dated position description for the employee's position; and

25.8 (2) a statement signed by the employee that describes the extent to which the employee's
25.9 job duties meet the requirements of section 352.88, subdivision 2, paragraph (i), clause (2),
25.10 or (j), clause (2).

25.11 (c) An employer may submit a request to the committee to cease coverage of an employee
25.12 who no longer satisfies the requirements of section 352.88, subdivision 2, paragraph (i),

25.14 (1) a signed and dated position description for the employee's position; and

25.15 (2) a statement signed by the employee's employer describing how the employee no
25.16 longer meets the requirements of section 352.88, subdivision 2, paragraph (i), clause (2),
25.17 or (j), clause (2).

25.18 (d) After making a determination of coverage or no coverage for an employee, the
25.19 department or agency affected by the determination must communicate the committee's
25.20 determination to the affected employee no later than ten days after the date of the meeting
25.21 at which the determination was made and inform the employee of the right to appeal the
25.22 determination under subdivision 4.

25.23 (e) If after making a determination of coverage, the committee determines that an
25.24 employment position should be added to the list of employment positions in section 352.88,
25.25 subdivision 2, paragraph (i) or (j), as applicable, the department or agency affected by the
25.26 determination must submit the employment position addition to the executive director of
25.27 the Legislative Commission on Pensions and Retirement before the start of the next legislative
25.28 session and request legislation to make the change.

25.29 (f) The committee must include an effective date in any determination that an employee
25.30 must begin to receive coverage under section 352.88 or that coverage must cease. The
25.31 effective date may be retroactive to the date on which the coverage requirements were first
25.32 satisfied or were no longer met.

26.1 Subd. 4. **Right to appeal.** (a) No later than 30 days after receiving a determination under
 26.2 subdivision 2 or 3, the affected employee may appeal the determination from a standing
 26.3 review committee by filing an appeal with the human resources director or the chief human
 26.4 resources director of the department or agency, as applicable, in which the employee is
 26.5 employed. The appeal must include:

26.6 (1) the reasons for the appeal, including the reasons the determination should be reversed;
 26.7 and

26.8 (2) new or additional information, if any, not previously submitted or considered by the
 26.9 committee, including a new or revised position description.

26.10 (b) The appeal must be decided by the commissioner of corrections if the employee is
 26.11 an employee of the Department of Corrections, by the commissioner of public safety if the
 26.12 employee is an employee of the Department of Public Safety, or by the Metro Transit general
 26.13 manager if the employee is an employee of the Metropolitan Council. The decision of the
 26.14 commissioners or general manager, as applicable, is final.

26.15 (c) A determination not timely appealed under paragraph (a) is not entitled to further
 26.16 administrative or judicial review. A determination under subdivision 2 or 3 or an appeal
 26.17 decided under paragraph (b) may not be appealed under section 356.96.

37.13 (e) Where the medical evidence supports the expectation that at some point in time the
37.14 applicant will no longer be disabled, any decision granting disability may provide for a
37.15 termination date upon which disability can be expected to no longer exist. In the event a
37.16 termination date is made part of the decision granting benefits, prior to the actual termination

37.25 perform in the applicant's disabled condition and that all reasonable accommodations have
37.26 been considered. Upon request of the executive director, an employer shall provide evidence

38.1 (h) An applicant for disability benefits may file a retirement annuity application under

 38.29 subsequent payroll withholdings from the wages of the employee. Payment of shortages in
 38.30 employee contributions and associated employer contributions, if applicable, must include

39.2 to the association a salary deduction report in the format prescribed by the executive director.
39.3 The report must be received by the association within 14 calendar days after each pay date

39.28 changes, on an ongoing basis for the payroll cycle in which they occur. If an employer fails
39.29 to comply with the reporting requirements under this paragraph, the executive director may
39.30 assess a fine of \$25 for each failure if the association staff has notified the employer of the
39.31 noncompliance and attempted to obtain the missing data or form from the employer for a
39.32 period of more than three months.

39.33 (d) The employer shall furnish data, forms, and reports as may be required by the
39.34 executive director for proper administration of the retirement system. Before implementing

40.20 probation and telecommunicator retirement plan is the result of invalid salary included in
40.21 the average salary used to calculate the payment amount must be recovered, the association
40.22 must determine the amount of the employee deductions taken in error on the invalid salary,
40.23 with interest determined in the manner provided for a former member under subdivision 7,
40.24 paragraph (e), clause (2), item (i), and must subtract that amount from the total annuity or
40.25 benefit overpayment, and the remaining balance of the overpaid annuity or benefit, if any,
40.26 must be recovered.

40.27 (b) If the invalid employee deductions plus interest exceed the amount of the overpaid
40.28 benefits, the balance must be refunded to the person to whom the benefit or annuity is being
40.29 paid.

40.30 (c) Any invalid employer contributions reported on the invalid salary must be credited
40.31 to the employer as provided in subdivision 7, paragraph (e).

40.32 (d) If a member or former member, who is receiving a retirement annuity or disability
40.33 benefit for which an overpayment is being recovered, dies before recovery of the overpayment

41.1 is completed and a joint and survivor optional annuity is payable, the remaining balance of
 41.2 the overpaid annuity or benefit must continue to be recovered from the payment to the
 41.3 optional annuity beneficiary.

41.4 (e) If the association finds that a refund has been overpaid to a former member,
 41.5 beneficiary or other person, the amount of the overpayment must be recovered for the benefit
 41.6 of the respective retirement fund or account.

41.7 (f) The board of trustees shall adopt policies directing the period of time and manner
 41.8 for the collection of any overpaid retirement or optional annuity, and survivor or disability
 41.9 benefit, or a refund that the executive director determines must be recovered as provided
 41.10 under this section.

41.11 Sec. 12. Minnesota Statutes 2024, section 353.27, subdivision 11, is amended to read:

41.12 Subd. 11. **Employers; required to furnish requested information.** (a) All governmental
 41.13 subdivisions shall furnish promptly such other information relative to the employment status
 41.14 of all employees or former employees, including, but not limited to, payroll abstracts
 41.15 pertaining to all past and present employees, as may be requested by the executive director,
 41.16 including schedules of salaries applicable to various categories of employment.

41.17 (b) In the event payroll abstract records have been lost or destroyed, for whatever reason
 41.18 or in whatever manner, so that such schedules of salaries cannot be furnished therefrom,
 41.19 the employing governmental subdivision, in lieu thereof, shall furnish to the association an
 41.20 estimate of the earnings of any employee or former employee for any period as may be
 41.21 requested by the executive director. If the association is provided a schedule of estimated
 41.22 earnings, the executive director is authorized to use the same as a basis for making whatever
 41.23 computations might be necessary for determining obligations of the employee and employer
 41.24 to the general employees retirement plan, the public employees police and fire retirement
 41.25 plan, ~~or the local government correctional employees retirement plan, or the local government~~
 41.26 probation and telecommunicator retirement plan. If estimates are not furnished by the
 41.27 employer at the request of the executive director, the executive director may estimate the
 41.28 obligations of the employee and employer to the general employees retirement fund, the
 41.29 public employees police and fire retirement plan, ~~or the local government correctional~~
 41.30 employees retirement plan, or the local government probation and telecommunicator
 41.31 retirement plan based upon those records that are in its possession.

42.1 Sec. 13. Minnesota Statutes 2024, section 353.27, subdivision 12, is amended to read:

42.2 Subd. 12. **Omitted salary deductions; obligations.** (a) In the case of omission of
42.3 required deductions for the general employees retirement plan, the public employees police
42.4 and fire retirement plan, ~~or~~ the local government correctional employees retirement plan,
42.5 or the local government probation and telecommunicator retirement plan from the salary
42.6 of an employee, the department head or designee shall immediately, upon discovery, report
42.7 the employee for membership and deduct the employee deductions under subdivision 4
42.8 during the current pay period or during the pay period immediately following the discovery
42.9 of the omission. Payment for the omitted obligations may only be made in accordance with
42.10 reporting procedures and methods established by the executive director.

42.11 (b) When the entire omission period of an employee does not exceed 60 days, the
42.12 governmental subdivision may report and submit payment of the omitted employee
42.13 deductions and the omitted employer contributions through the reporting processes under
42.14 subdivision 4.

42.15 (c) When the omission period of an employee exceeds 60 days, the governmental
42.16 subdivision shall furnish to the association sufficient data and documentation upon which
42.17 the obligation for omitted employee and employer contributions can be calculated. The
42.18 omitted employee deductions must be deducted from the employee's subsequent salary
42.19 payment or payments and remitted to the association for deposit in the applicable retirement
42.20 fund. The employee shall pay omitted employee deductions due for the 60 days prior to the
42.21 end of the last pay period in the omission period during which salary was earned. The
42.22 employer shall pay any remaining omitted employee deductions and any omitted employer
42.23 contributions, plus interest at the applicable rate or rates specified in section 356.59,
42.24 subdivision 3, compounded annually, from the date or dates each omitted employee
42.25 contribution was first payable.

42.26 (d) An employer shall not hold an employee liable for omitted employee deductions
42.27 beyond the pay period dates under paragraph (c), nor attempt to recover from the employee
42.28 those employee deductions paid by the employer on behalf of the employee. Omitted
42.29 deductions due under paragraph (c) which are not paid by the employee constitute a liability
42.30 of the employer that failed to deduct the omitted deductions from the employee's salary.
42.31 The employer shall make payment with interest at the applicable rate or rates specified in
42.32 section 356.59, subdivision 3, compounded annually. Omitted employee deductions are no
42.33 longer due if an employee terminates public service before making payment of omitted
42.34 employee deductions to the association, but the employer remains liable to pay omitted

43.1 employer contributions plus interest at the applicable rate or rates specified in section 356.59,
 43.2 subdivision 3, compounded annually, from the date the contributions were first payable.

43.3 (e) The association may not commence action for the recovery of omitted employee
 43.4 deductions and employer contributions after the expiration of three calendar years after the
 43.5 calendar year in which the contributions and deductions were omitted. Except as provided
 43.6 under paragraph (b), no payment may be made or accepted unless the association has already
 43.7 commenced action for recovery of omitted deductions. An action for recovery commences
 43.8 on the date of the mailing of any written correspondence from the association requesting
 43.9 information from the governmental subdivision upon which to determine whether or not
 43.10 omitted deductions occurred.

43.11 Sec. 14. Minnesota Statutes 2024, section 353.27, subdivision 12a, is amended to read:

43.12 Subd. 12a. **Terminated employees: omitted deductions.** A terminated employee who
 43.13 was a member of the general employees retirement plan of the Public Employees Retirement
 43.14 Association, the public employees police and fire retirement plan, ~~or~~ the local government
 43.15 correctional employees retirement plan, or the local government probation and
 43.16 telecommunicator retirement plan and who has a period of employment in which previously
 43.17 omitted employer contributions were made under subdivision 12 but for whom no, or only
 43.18 partial, omitted employee contributions have been made, or a member who had prior coverage
 43.19 in the association for which previously omitted employer contributions were made under
 43.20 subdivision 12 but who terminated service before required omitted employee deductions
 43.21 could be withheld from salary, may pay the omitted employee deductions for the period on
 43.22 which omitted employer contributions were previously paid plus interest at the applicable
 43.23 rate or rates specified in section 356.59, subdivision 3, compounded annually. A terminated
 43.24 employee may pay the omitted employee deductions plus interest within six months of an
 43.25 initial notification from the association of eligibility to pay those omitted deductions. If a
 43.26 terminated employee is reemployed in a position covered under a public pension fund under
 43.27 section 356.30, subdivision 3, and elects to pay omitted employee deductions, payment
 43.28 must be made no later than six months after a subsequent termination of public service.

43.29 Sec. 15. Minnesota Statutes 2024, section 353.27, subdivision 12b, is amended to read:

43.30 Subd. 12b. **Terminated employees: immediate eligibility.** If deductions were omitted
 43.31 from salary adjustments or final salary of a terminated employee who was a member of the
 43.32 general employees retirement plan, the public employees police and fire retirement plan,
 43.33 ~~or~~ the local government correctional employees retirement plan, or the local government

44.1 probation and telecommunicator retirement plan and who is immediately eligible to draw
 44.2 a monthly benefit, the employer shall pay the omitted employer and employer additional
 44.3 contributions plus interest on both the employer and employee amounts due at the applicable
 44.4 rate or rates specified in section 356.59, subdivision 3, compounded annually. The employee
 44.5 shall pay the employee deductions within six months of an initial notification from the
 44.6 association of eligibility to pay omitted deductions or the employee forfeits the right to
 44.7 make the payment.

44.8 Sec. 16. Minnesota Statutes 2024, section 353.27, subdivision 13, is amended to read:

44.9 Subd. 13. **Certain warrants canceled.** A warrant payable from the general employees
 44.10 retirement fund, the public employees police and fire retirement fund, ~~or~~ the local government
 44.11 correctional retirement fund, or the local government probation and telecommunicator
 44.12 retirement fund remaining unpaid for a period of six months must be canceled into the
 44.13 applicable retirement fund and not canceled into the state's general fund.

44.14 Sec. 17. Minnesota Statutes 2024, section 353.27, subdivision 14, is amended to read:

44.15 Subd. 14. **Periods before initial coverage date.** (a) If an entity is determined to be a
 44.16 governmental subdivision due to receipt of a written notice of eligibility from the association
 44.17 with respect to the general employees retirement plan, the public employees police and fire
 44.18 retirement plan, ~~or~~ the local government correctional retirement plan, or the local government
 44.19 probation and telecommunicator retirement plan, that employer and its employees are subject
 44.20 to the requirements of subdivision 12, effective retroactively to the date that the executive
 44.21 director of the association determines that the entity first met the definition of a governmental
 44.22 subdivision, if that date predates the notice of eligibility.

44.23 (b) If the retroactive time period under paragraph (a) exceeds three years, an employee
 44.24 is authorized to purchase service credit in the applicable Public Employees Retirement
 44.25 Association plan for the portion of the period in excess of three years, by making payment
 44.26 under section 356.551. Notwithstanding any provision of section 356.551, subdivision 2,
 44.27 to the contrary, regarding time limits on purchases, payment of a service credit purchase
 44.28 amount may be made anytime before the termination of public service.

44.29 (c) This subdivision does not apply if the applicable employment under paragraph (a)
 44.30 included coverage by any public or private defined benefit or defined contribution retirement
 44.31 plan, other than a firefighters relief association. If this paragraph applies, an individual is
 44.32 prohibited from purchasing service credit from a Public Employees Retirement Association
 44.33 plan for any period or periods specified in paragraph (a).

45.1 Sec. 18. Minnesota Statutes 2024, section 353.30, subdivision 3, is amended to read:

45.2 Subd. 3. **Optional retirement annuity forms.** (a) The board of trustees shall establish
 45.3 optional annuities which shall take the form of a joint and survivor annuity. Except as
 45.4 provided in subdivision 3a, the optional annuity forms shall be actuarially equivalent to the
 45.5 forms provided in section 353.29 and subdivisions 1, 1a, 1b, 1c, and 5 or section 353H.05,
 45.6 subdivisions 1 and 3. In establishing those optional forms, the board shall obtain the written
 45.7 recommendation of the actuary retained under section 356.214. The recommendations shall
 45.8 be a part of the permanent records of the board. A member or former member may select
 45.9 an optional form of annuity, subject to the provisions of section 356.46, in lieu of accepting
 45.10 any other form of annuity which might otherwise be available.

45.11 (b) For purposes of computing a joint and survivor annuity, the investment return
 45.12 assumption specified in section 356.461 must be used rather than the investment return
 45.13 specified in section 356.215, subdivision 8.

45.14 Sec. 19. Minnesota Statutes 2024, section 353.33, subdivision 3, is amended to read:

45.15 Subd. 3. **Computation of benefits.** (a) This disability benefit is an amount equal to the
 45.16 normal annuity payable to a member who has reached normal retirement age with the same
 45.17 number of years of allowable service and the same average salary, as provided in ~~section~~
 45.18 sections 353.01, subdivision 17a, and ~~section~~ 353.29, subdivision 3, or 353H.05, subdivision
 45.19 1, for members of the local government probation and telecommunicator retirement plan.

45.20 (b) A basic member shall receive a supplementary monthly benefit of \$25 to age 65 or
 45.21 the five-year anniversary of the effective date of the disability benefit, whichever is later.

45.22 (c) If the disability benefits under this subdivision exceed the average salary as defined
 45.23 in section 353.01, subdivision 17a, the disability benefits must be reduced to an amount
 45.24 equal to the average salary.

45.25 Sec. 20. Minnesota Statutes 2024, section 353.33, subdivision 7a, is amended to read:

45.26 Subd. 7a. **Trial work period.** (a) This subdivision applies only to the Public Employees
 45.27 Retirement Association general employees retirement plan and local government probation
 45.28 and telecommunicator retirement plan.

45.29 (b) If, following a work or non-work-related injury or illness, a member receiving
 45.30 disability benefits attempts to return to work for the member's previous public employer or
 45.31 attempts to return to a similar position with another public employer, on a full-time or less
 45.32 than full-time basis, the association must continue paying the disability benefit for a period

46.1 not to exceed six months. The disability benefit must continue in an amount that, when
46.2 added to the subsequent employment earnings, does not exceed the base monthly salary the
46.3 member had been receiving at the date of disability or the base monthly salary rate currently
46.4 paid for similar positions, whichever is higher.

46.5 (c) No deductions for the general employees retirement plan may be taken from the
46.6 salary of a disabled person who is attempting to return to work under this provision unless
46.7 the member waives further disability benefits.

46.8 (d) A member only may return to employment and continue disability benefit payments
46.9 once while receiving disability benefits from the general employees retirement plan.

46.10 Sec. 21. Minnesota Statutes 2024, section 353.33, subdivision 11, is amended to read:

46.11 Subd. 11. **Coordinated member disabilitant transfer to retirement status.** The
46.12 disability benefits paid to a coordinated member must terminate when the person reaches
46.13 normal retirement age. If the coordinated member is still totally and permanently disabled
46.14 upon attaining normal retirement age, the coordinated member is deemed to be on retirement
46.15 status. If an optional annuity is elected under subdivision 3a, the coordinated member shall
46.16 receive an annuity under the terms of the optional annuity previously elected, or, if an
46.17 optional annuity is not elected under subdivision 3a, the coordinated member may elect to
46.18 receive a normal retirement annuity under section 353.29 or 353H.05 or an annuity equal
46.19 to the disability benefit paid before the coordinated member reaches normal retirement age,
46.20 whichever amount is greater, or elect to receive an optional annuity under section 353.30,
46.21 subdivision 3. The annuity of a disabled coordinated member who attains normal retirement
46.22 age must be computed under the law in effect upon attainment of normal retirement age.
46.23 Election of an optional annuity must be made before the coordinated member attains normal
46.24 retirement age. If an optional annuity is elected, the election is effective on the date on
46.25 which the person attains normal retirement age and the optional annuity begins to accrue
46.26 on the first day of the month next following the month in which the person attains that age.

46.27 Sec. 22. Minnesota Statutes 2024, section 353.34, subdivision 1, is amended to read:

46.28 Subdivision 1. **Refund or deferred annuity.** (a) A former member is entitled to either
46.29 a refund of accumulated employee deductions under subdivision 2, or to a deferred annuity
46.30 under subdivision 3. Application for a refund may not be made before the date of termination
46.31 of public service. A refund must be paid within 120 days following receipt of the application
46.32 unless the applicant has again become a public employee required to be covered by the
46.33 association.

47.1 (b) If an individual was placed on layoff under section 353.01, subdivision 12 or 12c, a
47.2 refund is not payable before termination of service under section 353.01, subdivision 11a.

47.3 (c) An individual who terminates public service covered by the Public Employees
47.4 Retirement Association general employees retirement plan, except members of the former
47.5 Minneapolis Employees Retirement Fund under section 353.01, subdivision 2b, paragraph
47.6 (d), the Public Employees Retirement Association police and fire retirement plan, ~~or~~ the
47.7 public employees local government correctional service retirement plan, or the local
47.8 government probation and telecommunicator retirement plan, and who is employed by a
47.9 different employer and who becomes an active member covered by one of the other two
47.10 plans, may receive a refund of employee contributions plus annual compound interest from
47.11 the plan from which the member terminated service at the applicable rate specified in
47.12 subdivision 2.

47.13 (d) Refunds payable to members of the former Minneapolis Employees Retirement Fund
47.14 under section 353.01, subdivision 2a, paragraph (d), are governed by Minnesota Statutes
47.15 2008, chapter 422A.

47.16 Sec. 23. Minnesota Statutes 2024, section 353.34, subdivision 3, is amended to read:

47.17 Subd. 3. **Deferred annuity; eligibility; computation.** (a) A member who is partially
47.18 or 100 percent vested under section 353.01, subdivision 47, or 353H.01, subdivision 12, when
47.19 termination of public service or termination of membership occurs has the option of leaving
47.20 the member's accumulated deductions in the fund and being entitled to a deferred retirement
47.21 annuity commencing at normal retirement age or to a deferred early retirement annuity
47.22 under section 353.30, subdivision 1a, 1b, 1c, or 5, or 353H.05, subdivision 3.

47.23 (b) The deferred annuity must be computed under section 353.29, subdivision 3, or
47.24 353H.05, subdivision 1, on the basis of the law in effect on the date of termination of public
47.25 service or termination of membership, whichever is later, and, if the later of termination of
47.26 public service or termination of membership is on or before December 31, 2011, the deferred
47.27 annuity must be augmented as provided in paragraphs (c) to (e).

47.30 to the effective date of retirement or, if earlier, December 31, 2018.

47.31 (d) For a person who became a public employee before July 1, 2006, and who has a
47.32 termination of public service before January 1, 2012, the deferred annuity must be augmented
47.33 at the following rate or rates, compounded annually:

48.1 (1) five percent until January 1, 1981;

48.2 (2) three percent from January 1, 1981, until January 1 of the year following the year in
48.3 which the former member attains age 55 or December 31, 2011, whichever is earlier;

48.4 (3) five percent from January 1 of the year following the year in which the former member
48.5 attains age 55, or December 31, 2011, whichever is earlier;

48.6 (4) one percent from January 1, 2012, until December 31, 2018; and

48.8 (e) For a person who became a public employee after June 30, 2006, and who has a
48.9 termination of public service before January 1, 2012, the deferred annuity must be augmented
48.10 at the following rate or rates, compounded annually:

48.11 (1) 2.5 percent until December 31, 2011;

48.12 (2) one percent from January 1, 2012, until December 31, 2018; and

48.16 (g) The retirement annuity or disability benefit of, or the survivor benefit payable on
48.17 behalf of, a former member who terminated service before July 1, 1997, or the survivor
48.18 benefit payable on behalf of a basic or police and fire member who was receiving disability
48.19 benefits before July 1, 1997, which is first payable after June 30, 1997, must be increased
48.20 on an actuarial equivalent basis to reflect the change in the investment return actuarial
48.21 assumption under section 356.215, subdivision 8, from five percent to six percent under a
48.22 calculation procedure and tables adopted by the board and approved by the actuary retained
48.23 under section 356.214.

48.24 (h) A former member qualified to apply for a deferred retirement annuity may revoke
48.25 this option at any time before the commencement of deferred annuity payments by making
48.26 application for a refund. The person is entitled to a refund of accumulated member
48.27 contributions within 30 days following date of receipt of the application by the executive
48.28 director.

48.29 Sec. 24. Minnesota Statutes 2024, section 353.37, subdivision 5, is amended to read:

48.30 Subd. 5. **Effect on annuity.** Except as provided under this section, public service
48.31 performed by an annuitant described in subdivision 1, paragraph (a), subsequent to retirement

49.1 from the general employees retirement plan, the public employees police and fire retirement
 49.2 plan, ~~or~~ the local government correctional employees retirement plan, or the local government
 49.3 probation and telecommunicator retirement plan does not increase or decrease the amount

 49.12 the person terminated public service is preserved.

49.13 (b) The entitlement of a deferred annuitant or former member of the Minneapolis
 49.14 Employees Retirement Fund, upon merger with the general employees retirement plan of
 49.15 the Public Employees Retirement Association, continues under the provisions of Minnesota
 49.16 Statutes 2008, section 422A.16.

49.17 Sec. 26. **[353H.001] APPLICATION OF CHAPTER 353.**

49.18 The general provisions of chapter 353 apply to the local government probation and
 49.19 telecommunicator retirement plan, except where otherwise specifically provided in this
 49.20 chapter.

49.21 Sec. 27. **[353H.002] POLICY.**

49.22 It is the policy of the legislature that special consideration should be given to the pension
 49.23 benefits for employees of governmental subdivisions who devote their time and skills to
 49.24 assisting the community and the courts as probation officers or serving the public and public
 49.25 safety partners as telecommunicators. Because this work can be hazardous or high stress,
 49.26 special provisions are made by this chapter for earlier retirement and larger retirement
 49.27 annuities than are provided to members of the general employees retirement plan under
 49.28 chapter 353. The additional costs of these benefits are borne initially by the employees.

71.12 work. The actuarial valuation must contain sufficient detail for each participating employer
71.13 to ascertain the actuarial condition of its account in the retirement fund and the amount of
71.14 its required contribution to the account.

71.16 fire department account in the ~~lump-sum division~~ defined benefit plan. The assessment must

71.18 **EFFECTIVE DATE.** This section is effective the day following final enactment.

71.19 Sec. 2. Minnesota Statutes 2024, section 353G.08, subdivision 1, is amended to read:

71.20 Subdivision 1. **~~Biennial~~ Annual funding reports; lump-sum division.** (a) The executive
71.21 director must annually determine the funding requirements for each fire department account
71.22 in the lump-sum division on or before August 1 ~~every other year~~. The funding requirements
71.23 computed under this subdivision must be determined using a mathematical procedure
71.24 developed and certified as accurate by the approved actuary retained by the association and
71.25 must be based on present value factors using a six percent investment return rate, without
71.26 any decrement assumptions. The executive director must provide written notice of the
71.27 funding requirements to the entity or entities associated with the fire department whose
71.28 active firefighters are covered by the plan.

71.29 (b) The overall funding balance of each fire department account for the current calendar
71.30 year must be determined in the following manner:

72.1 (1) The total accrued liability for all active and deferred members of the fire department
72.2 as of December 31 of the current year must be calculated based on the service credit of
72.3 active and deferred members as of that date.

72.4 (2) The assets of the fire department account projected to December 31 of the current
72.5 year, including receipts by and disbursements from the account anticipated to occur on or
72.6 before December 31, must be calculated. The executive director must begin phasing in the
72.7 use of actuarial value of assets in making this calculation beginning with the funding reports
72.8 for 2026.

72.9 (3) The amount of the assets calculated under clause (2) must be subtracted from the
72.10 amount of the total accrued liability calculated under clause (1). If the amount of the assets
72.11 exceeds the amount of the total accrued liability, then the account is considered to have a
72.12 surplus over full funding. If the amount of the assets is less than the amount of the total
72.13 accrued liability, then the account is considered to have a deficit from full funding. If the
72.14 amount of assets is equal to the amount of the total accrued liability, then the account is
72.15 considered to be fully funded.

72.16 (c) The financial requirements of each fire department for the following calendar year
72.17 must be determined in the following manner:

72.18 (1) The total accrued liability for all active and deferred members of the fire department
72.19 as of December 31 of the calendar year next following the current calendar year must be
72.20 calculated based on the service used in the calculation under paragraph (b), clause (1),
72.21 increased by one year.

72.22 (2) The increase in the total accrued liability of the account for the following calendar
72.23 year over the total accrued liability of the account for the current year must be calculated.

72.24 (3) The amount of administrative expenses of the account must be calculated by
72.25 multiplying the per-person dollar amount of the administrative expenses for the most recent
72.26 prior calendar year by the number of active and deferred firefighters reported to the
72.27 association on the most recent service credit certification form for the account.

72.28 (4) If the account is fully funded, the financial requirement of the account for the
72.29 following calendar year is the total of the amounts calculated under clauses (2) and (3).

72.30 (5) If the account has a deficit from full funding, the financial requirement of the account
72.31 for the following calendar year is the total of the amounts calculated under clauses (2) and
72.32 (3) plus an amount equal to one-tenth of the amount of the deficit from full funding of the
72.33 account.

73.1 (6) If the account has a surplus over full funding, the financial requirement of the account
 73.2 for the following calendar year is the financial requirement of the account calculated as
 73.3 though the account was fully funded under clause (4) and, if the account has also had a
 73.4 surplus over full funding during the prior two years, additionally reduced by an amount
 73.5 equal to one-tenth of the amount of the surplus over full funding of the account.

73.6 (d) The required contribution of the entity or entities associated with the fire department
 73.7 whose active firefighters are covered by the lump-sum division is the annual financial
 73.8 requirements of the fire department account under paragraph (c) reduced by the amount of

 73.24 is not received by the plan by December 31, it is payable with interest at an annual compound
 73.25 rate of six percent from the date due until the date payment is received by the plan. If the
 73.26 entity does not pay the full amount of the required contribution, the executive director shall
 73.27 collect the unpaid amount under section 353.28, subdivision 6.

 74.20 firefighting service.

74.21 **EFFECTIVE DATE.** This section is effective January 1, 2027.

74.22 Sec. 7. **[424A.012] RETURN TO ACTIVE FIREFIGHTING SERVICE.**

74.23 Subdivision 1. **Return to active firefighting without prior receipt of pension or**
 74.24 **benefit.** (a) This subdivision governs the service pension calculation requirements of a
 74.25 firefighter who returns to active service after a break in service and who has not previously
 74.26 been paid a service pension or disability benefit from the relief association. This subdivision
 74.27 applies to all breaks in service, except that the resumption service requirements of this
 74.28 subdivision do not apply to leaves of absence made available by federal or state statute.

75.1 (b) If a firefighter who has a break in service of any duration resumes performing active
75.2 firefighting with the fire department associated with the relief association and if permitted
75.3 in the bylaws of the relief association, the firefighter may again become an active member
75.4 of the relief association, subject to the requirements of this subdivision and the service
75.5 pension calculation requirements under this section.

75.6 (c) A firefighter who has been granted an approved leave of absence not exceeding one
75.7 year by the fire department or the relief association is exempt from any minimum period
75.8 of resumption service requirement established under paragraph (f).

75.9 (d) A firefighter who has a break in service not exceeding one year but has not been
75.10 granted an approved leave of absence may be made exempt from any minimum period of
75.11 resumption service requirement established under paragraph (f).

75.12 (e) A firefighter may qualify to receive a service pension from the relief association for
75.13 the original and resumption service periods if the firefighter:

75.14 (1) is a former firefighter who has not been paid a service pension or disability benefit;

75.15 (2) returns to active relief association membership under paragraph (b); and

75.16 (3) meets the service requirements of section 424A.016, subdivision 3, or 424A.02,
75.17 subdivision 2, as applicable, and as defined in the bylaws in effect on the date of the
75.18 firefighter's separation from active service, based on the original and resumption years of
75.19 service credit.

75.20 (f) A defined benefit relief association may define in the relief association's bylaws a
75.21 minimum period of resumption service requirement that applies to firefighters who return
75.22 to active membership and who have not been paid a service pension or disability benefit
75.23 for their original period of service. The service pension benefit level used to calculate any
75.24 service pension payable for both the original and resumption service periods is:

75.25 (1) the service pension benefit level in effect on the date of the firefighter's separation
75.26 from active resumption service if a minimum period of resumption service requirement is
75.27 defined in the bylaws and is completed prior to a firefighter's cessation of resumption service
75.28 or if no resumption service is defined in the bylaws; or

75.29 (2) the service pension benefit level in effect on the date of the firefighter's termination
75.30 of original service if a minimum period of resumption service requirement is defined in the
75.31 bylaws but is not completed prior to a firefighter's cessation of resumption service.

76.1 (g) Any service pension payable under this subdivision is less any amounts previously
76.2 forfeited under section 424A.016, subdivision 4, or 424A.02, subdivision 3, paragraph (c),
76.3 as applicable.

76.4 Subd. 2. Return to active firefighting after receipt of pension or benefit. (a) This
76.5 subdivision governs the service pension calculation requirements of a firefighter who resumes
76.6 performing active firefighting service with the fire department associated with the relief
76.7 association after being paid a service pension or disability benefit from the relief association.
76.8 The firefighter must wait at least 60 days following receipt of the pension or benefit before
76.9 resuming active firefighting service with the fire department and, if permitted in the bylaws
76.10 of the relief association, active membership in the relief association.

76.11 (b) A firefighter may qualify to receive a service pension from the relief association for
76.12 the resumption service period if the firefighter:

76.13 (1) is a former firefighter who has been paid a service pension or disability benefit or is
76.14 receiving a monthly benefit service pension;

76.15 (2) returns to active relief association membership; and

76.16 (3) meets the service requirements defined in the relief association's bylaws in effect on
76.17 the date of the firefighter's separation from active service and, as applicable:

76.18 (i) paragraph (g);

76.19 (ii) section 424A.016, subdivision 3; or

76.20 (iii) section 424A.02, subdivision 2.

76.21 (c) For defined benefit relief associations, the service pension for the resumption service
76.22 period must be calculated by applying the service pension benefit level in effect on the date
76.23 of the firefighter's termination of resumption service for all years of the resumption service.

76.24 (d) For defined contribution relief associations, the service pension for the resumption
76.25 service period must be calculated to include allocations credited to the firefighter's individual
76.26 account during the resumption period of service and deductions for administrative expenses,
76.27 if applicable.

76.28 (e) If provided in the bylaws, a firefighter who returns to active relief association
76.29 membership may continue to collect a monthly service pension from the relief association,
76.30 notwithstanding the requirement under section 424A.02, subdivision 1, that the firefighter
76.31 has separated from active service.

77.1 (f) If a firefighter receiving a monthly benefit service pension returns to active monthly
 77.2 benefit relief association membership under paragraph (b):

77.3 (1) the firefighter's monthly service pension payments are suspended as of the first day
 77.4 of the month next following the date on which the firefighter returns to active membership
 77.5 if the relief association bylaws prohibit the firefighter from collecting a monthly service
 77.6 pension;

77.7 (2) the firefighter is entitled to an additional monthly benefit service pension upon a
 77.8 subsequent cessation of duties calculated based on the resumption service credit and the
 77.9 service pension accrual amount in effect on the date of the termination of the resumption
 77.10 service; and

77.11 (3) if the monthly service pension payments were suspended under clause (1), the
 77.12 suspended initial service pension resumes as of the first of the month next following the
 77.13 termination of the resumption service.

77.14 (g) A relief association may define in the relief association's bylaws vesting requirements
 77.15 that apply solely to former firefighters who have been paid a service pension or disability
 77.16 benefit and subsequently return to active relief association membership. If a relief association
 77.17 elects to define vesting requirements that are applicable solely to these former firefighters,
 77.18 the requirements may be different than the requirements for all other relief association
 77.19 members and need not comply with the service requirements of section 424A.016, subdivision
 77.20 3, or 424A.02, subdivision 2, as applicable, but cannot require more than 20 years of active
 77.21 service for full vesting.

77.22 (h) No firefighter may be paid a service pension more than once for the same period of
 77.23 service.

77.24 **EFFECTIVE DATE.** This section is effective January 1, 2027.

77.25 Sec. 8. Minnesota Statutes 2024, section 424A.014, subdivision 1, is amended to read:

77.26 Subdivision 1. **Financial report and audit.** (a) An annual financial report and audited
 77.27 financial statements in accordance with paragraphs (c) to (e) must be submitted by the board
 77.28 of trustees of the Bloomington Fire Department Relief Association and the board of trustees
 77.29 of each firefighters relief association with special fund assets of at least ~~\$750,000~~ \$1,000,000
 77.30 or special fund liabilities of at least ~~\$750,000~~ \$1,000,000, according to ~~any~~ the previous
 77.31 year's financial report.

77.32 (b) The board of trustees of a firefighters relief association with special fund assets of
 77.33 less than ~~\$750,000~~ \$1,000,000 and special fund liabilities of less than ~~\$750,000~~ \$1,000,000,

78.1 according to ~~each~~ the previous year's financial report, may submit an annual financial report
78.2 and audited financial statements in accordance with paragraphs (c) to (e). If the special fund
78.3 assets or special fund liabilities of a firefighters relief association to which this paragraph
78.4 applies subsequently exceed \$1,000,000 as of the beginning of a calendar year, then an
78.5 annual financial report and audited financial statements are required under paragraph (a),
78.6 beginning with reports filed with the state auditor in the calendar year following the calendar
78.7 year in which the \$1,000,000 threshold was exceeded.

78.8 (c) The financial report must cover the relief association's special fund and general fund
78.9 and be in the style and form prescribed by the state auditor. The financial report must be
78.10 countersigned by:

78.11 (1) the municipal clerk or clerk-treasurer of the municipality in which the relief
78.12 association is located if the relief association is directly associated with a municipal fire
78.13 department;

78.14 (2) the municipal clerk or clerk-treasurer of the largest municipality in population that
78.15 contracts with the independent nonprofit firefighting corporation if the firefighters relief
78.16 association is a subsidiary of an independent nonprofit firefighting corporation, and by the
78.17 secretary of the independent nonprofit firefighting corporation; or

78.18 (3) the chief financial official of the county in which the firefighters relief association
78.19 is located or primarily located if the relief association is associated with a fire department
78.20 that is not located in or associated with an organized municipality.

78.21 (d) The financial report must be retained in the office of the Bloomington Fire Department
78.22 Relief Association or the firefighters relief association for public inspection and must be
78.23 filed with the governing body of the government subdivision in which the associated fire
78.24 department is located after the close of the fiscal year. One copy of the financial report must
78.25 be furnished to the state auditor on or before June 30 after the close of the fiscal year.

78.26 (e) Audited financial statements that present the true financial condition of the relief
78.27 association's special fund and general fund must be attested to by a certified public accountant
78.28 or by the state auditor and must be filed with the state auditor on or before June 30 after the
78.29 close of the fiscal year. Audits must be conducted in compliance with generally accepted
78.30 auditing standards and section 6.65 governing audit procedures. The state auditor may accept
78.31 audited financial statements in lieu of the financial report required in paragraph (a).

78.32 **EFFECTIVE DATE.** This section is effective December 31, 2026, and applies to
78.33 audited financial statements for calendar year 2026 and thereafter. A relief association with
78.34 special fund assets of less than \$1,000,000 and special fund liabilities of less than \$1,000,000

79.1 on December 31, 2026, is not required to submit audited financial statements under Minnesota
79.2 Statutes, section 424A.014, subdivision 1, unless and until the association's special fund
79.3 assets or special fund liabilities exceed \$1,000,000, even if audited financial statements
79.4 were required on the date immediately prior to December 31, 2026.

79.5 Sec. 9. Minnesota Statutes 2024, section 424A.016, subdivision 4, is amended to read:

79.6 Subd. 4. **Individual accounts.** (a) An individual account must be established for each
79.7 firefighter who is a member of the relief association.

79.8 (b) To each individual active member account must be credited an equal share of:

79.9 (1) any amounts of fire state aid and police and firefighter retirement supplemental state
79.10 aid received by the relief association;

79.11 (2) any amounts of municipal contributions to the relief association raised from levies
79.12 on real estate or from other available municipal revenue sources exclusive of fire state aid;
79.13 and

79.14 (3) any amounts equal to the share of the assets of the special fund to the credit of:

79.15 (i) any former member who terminated active service with the fire department to which
79.16 the relief association is associated before meeting the minimum service requirement provided
79.17 for in subdivision 2, paragraph (b), and either has not returned to active service with the
79.18 fire department for a period no shorter than five years or has died and no survivor benefit
79.19 or death benefit is payable; or

79.20 (ii) any member who terminated active service before becoming 100 percent vested in
79.21 the member's account under subdivision 2, paragraph (b), and any applicable provision of
79.22 the bylaws of the relief association.

79.23 (c) In addition, any investment return on the assets of the special fund must be credited
79.24 in proportion to the share of the assets of the special fund to the credit of each individual
79.25 active member account and inactive member account, unless the inactive member is a
79.26 deferred member as defined in subdivision 6.

79.27 (d) Administrative expenses of the relief association payable from the special fund may
79.28 be deducted from individual accounts in a manner specified in the bylaws of the relief
79.29 association.

79.30 (e) Amounts to be credited to individual accounts under paragraph (b) must be allocated
79.31 uniformly for all years of active service and allocations must be made for all years of service,
79.32 except for caps on service credit if so provided in the bylaws of the relief association.

80.1 Amounts forfeited under paragraph (b), clause (3), before a resumption of active service
 80.2 and membership under section ~~424A.01, subdivision 6,~~ 424A.012 remain forfeited and may
 80.3 not be reinstated upon the resumption of active service and membership. The allocation
 80.4 method may utilize monthly proration for fractional years of service, as the bylaws or articles
 80.5 of incorporation of the relief association so provide. The bylaws or articles of incorporation
 80.6 may define a "month," but the definition must require a calendar month to have at least 16
 80.7 days of active service. If the bylaws or articles of incorporation do not define a "month," a
 80.8 "month" is a completed calendar month of active service measured from the member's date
 80.9 of entry to the same date in the subsequent month.

80.10 (f) At the time that the payment of a service pension commences under subdivision 2
 80.11 and any applicable provision of the bylaws of the relief association, a retiring member is
 80.12 entitled to that portion of the assets of the special fund to the credit of the member in the
 80.13 individual member account which is nonforfeitable under subdivision 3 and any applicable
 80.14 provision of the bylaws of the relief association based on the number of years of service to
 80.15 the credit of the retiring member.

80.16 (g) Annually, the secretary of the relief association shall certify the individual account
 80.17 allocations to the state auditor at the same time that the annual financial statement or financial
 80.18 report and audit of the relief association, whichever applies, is due under section 424A.014.

80.19 **EFFECTIVE DATE.** This section is effective January 1, 2027.

80.20 Sec. 10. Minnesota Statutes 2025 Supplement, section 424A.016, subdivision 6, is amended
 80.21 to read:

80.22 **Subd. 6. Deferred service pensions.** (a) A "deferred member" means a member of a
 80.23 relief association who has separated from active service and membership and has completed
 80.24 the minimum service and membership requirements in subdivision 2. The requirement that
 80.25 a member separate from active service and membership is waived for any person who has
 80.26 discontinued volunteer firefighter and paid on-call firefighter duties and is employed on a
 80.27 part-time or full-time basis under section 424A.015, subdivision 1.

80.28 (b) A deferred member is entitled to receive a deferred service pension as soon as
 80.29 practicable after the member submits a valid written application for the distribution and
 80.30 complies with any conditions as to age prescribed by the relief association's bylaws.

80.31 (c) A defined contribution relief association must credit ~~interest or~~ additional investment
 80.32 performance on the deferred lump-sum service pension during the period of deferral for all
 80.33 deferred members on or after January 1, 2021. A defined contribution relief association

81.1 may specify in its bylaws the method by which it will credit ~~interest~~ or additional investment
 81.2 performance to the accounts of deferred members. Such method shall be limited to one of
 81.3 the three methods provided in this paragraph. In the event the bylaws do not specify a
 81.4 method, the ~~interest~~ or additional investment performance must be credited using the method
 81.5 defined in clause (3). The permissible methods are:

81.6 (1) at the investment performance rate actually earned on that portion of the assets if the
 81.7 deferred benefit amount is invested by the relief association in a separate account established
 81.8 and maintained by the relief association;

81.9 (2) at the investment performance rate actually earned on that portion of the assets if the
 81.10 deferred benefit amount is invested in a separate investment vehicle held by the relief
 81.11 association; or

81.12 (3) at the investment return on the assets of the special fund of the defined contribution
 81.13 relief association in proportion to the share of the assets of the special fund to the credit of
 81.14 each individual deferred member account.

81.15 (d) Notwithstanding the requirements of section 424A.015, subdivision 6, bylaw
 81.16 amendments made in accordance with paragraph (c) on or before January 1, 2022, shall
 81.17 apply to members already in deferred status as of January 1, 2021.

81.18 (e) Unless the bylaws provide differently, ~~interest~~ or additional investment performance
 81.19 must be allocated to each deferred member account beginning on the date that the member
 81.20 separates from active service and membership and ending on the last date that the deferred
 81.21 member account is valued before the final distribution of the deferred service pension.

81.22 (f) Notwithstanding the requirements of section 424A.015, subdivision 6, a relief
 81.23 association that amends its bylaws to lower the required minimum retirement age may
 81.24 specify in the bylaws amendment that the lower minimum retirement age applies to members
 81.25 who separated from active service and membership prior to the effective date of the bylaws
 81.26 amendment.

81.27 **EFFECTIVE DATE.** This section is effective the day following final enactment.

81.28 Sec. 11. Minnesota Statutes 2025 Supplement, section 424A.05, subdivision 3, is amended
 81.29 to read:

81.30 Subd. 3. **Authorized disbursements from special fund.** (a) Disbursements from the
 81.31 special fund may not be made for any purpose other than one of the following:

82.1 (1) for the payment or direct rollover under section 356.633 of service pensions to
82.2 members of the relief association if authorized and paid under law and the bylaws governing
82.3 the relief association;

82.25 former spouse of a member or former member of a relief association, if the former spouse
82.26 is an alternate payee designated in a qualified domestic relations order under subdivision
82.27 5.

82.28 (b) Checks or authorizations for electronic fund transfers for disbursements authorized
82.29 by this section must be signed by the relief association treasurer and at least one other elected
82.30 trustee who has been designated by the board of trustees to sign the checks or authorizations.

82.32 fund transfers only if the specific method of payment and internal control policies and
82.33 procedures regarding the method are approved by the board of trustees.

83.1 **EFFECTIVE DATE.** This section is effective the day following final enactment.

83.2 Sec. 12. Minnesota Statutes 2024, section 424B.22, subdivision 5, is amended to read:

83.3 Subd. 5. **Determination of assets and liabilities.** (a) The board of trustees ~~shall~~ must

83.14 (b) The board of trustees ~~shall~~ must compile a schedule that includes the following
83.15 information:

83.16 (1) the name of each participant, including each retiree in pay status, to whom ~~a~~ an
83.17 accrued benefit ~~or pension~~ is or will be owed;

83.18 (2) the name of each other benefit recipient to whom a benefit ~~or pension~~ is or will be
83.19 owed; and

83.20 (3) for each individual described in clauses (1) and (2), the amount of the benefit ~~or~~

127.5 (6) whether the chronic overfunding in relief associations and the SVF can be expected
 127.6 to cover any liabilities under clause (1) or costs under clause (3) and what options are
 127.7 available for relief associations or fire department accounts in the SVF that are not
 127.8 overfunded;

127.9 (7) options for phasing in the shorter vesting schedules and requiring coverage of and
 127.10 past service credit for emergency medical providers; and

 127.14 commission executive director, the work group must prepare proposed legislation that

 127.16 than one approach, the work group must provide alternative bills.

127.17 (b) The commission executive director must submit the recommendations of the work
 127.18 group, along with proposed legislation that implements the recommendations, to the
 127.19 Legislative Commission on Pensions and Retirement by January 29, 2027, or, if later, the

128.5 **EFFECTIVE DATE.** This section is effective the day following final enactment.

128.6 Sec. 2. **WORK GROUP ON DUTY DISABILITY AND THE PUBLIC SAFETY**
128.7 **OFFICER'S BENEFIT ACCOUNT.**

128.8 Subdivision 1. **Definitions.** (a) For purposes of this section, the following terms have
128.9 the meanings given.

128.10 (b) "Commission" means the Legislative Commission on Pensions and Retirement.

128.11 (c) "Executive director" means the executive director of the commission.

128.12 (d) "LCPR account" means the account established in the Legislative Coordinating
128.13 Commission that contains \$26,694, as of April 1, 2026, and was funded in fiscal year 2024
128.14 with a \$100,000 appropriation to the Legislative Coordinating Commission for the Legislative
128.15 Commission on Pensions and Retirement pursuant to Laws 2023, chapter 45, article 6,
128.16 section 3.

128.17 (e) "Maximum benefit" means the duty disability benefit under Minnesota Statutes,
128.18 section 353.656, or the employer's cost to provide the health insurance coverage under
128.19 Minnesota Statutes, section 299A.465.

128.20 (f) "Police and fire plan" means the public employees police and fire plan administered
128.21 by the Public Employees Retirement Association.

128.22 (g) "Public safety officer's benefit account" means the account established under
128.23 Minnesota Statutes, section 299A.42.

128.24 (h) "VA disability schedule" means the schedule for rating disabilities under Code of
128.25 Federal Regulations, title 38, part 4, published by the Veterans Affairs Department and most
128.26 recently amended on March 20, 2024.

128.27 Subd. 2. **Need for a work group.** The commission has identified the following reasons
128.28 for establishing a work group:

128.29 (1) the public safety officer's benefit account is anticipated to be depleted by 2028 based
128.30 on information provided by the Department of Management and Budget;

129.1 (2) the rate of approval by the Public Employees Retirement Association of duty disability
 129.2 applications is approximately 100 percent;

129.3 (3) since only one annual report has been filed by the commissioner of public safety
 129.4 under Minnesota Statutes, section 299A.42, subdivision 2, and the report contains minimal
 129.5 information on reimbursements in the categories for treatment, salary, fringe benefits, and
 129.6 health care insurance, the commission is unable to use this report to determine trends,
 129.7 per-member reimbursements, or related information;

129.8 (4) waiting until May 20, 2027, to receive the report from the executive director of the
 129.9 Public Employees Retirement Association under Minnesota Statutes, section 353.032,
 129.10 subdivision 11, regarding the impact on public safety duty disability trends and costs is too
 129.11 late to allow for a legislative solution if trends indicate psychological condition treatment
 129.12 is not resulting in police and fire plan members being able to return to work rather than take
 129.13 a leave of absence for duty disability;

129.14 (5) minimal information is available regarding whether police officers and firefighters
 129.15 who retire under the police and fire plan before age 65 are able to obtain health insurance
 129.16 coverage at a reasonable cost until age 65 when Medicare is available and whether there
 129.17 are options available to the police officers and firefighters to obtain adequate coverage;

129.18 (6) there has been an increase of over 100 percent in the cost of duty disability benefits
 129.19 as reflected in the change between the 2024 actuarial valuation of the police and fire plan
 129.20 and the 2025 actuarial valuation and the effect of this increase on the overall health of the
 129.21 police and fire plan; and

129.22 (7) to determine how to formulate solutions to the reasons in clauses (1) to (6), legislators
 129.23 and other decision makers need a better understanding of the interaction of workers'
 129.24 compensation, the availability and cost of health insurance coverage upon retirement or
 129.25 reemployment, the application process for and amount of duty disability benefits, the ability
 129.26 of public employers to continue to offer health insurance coverage to duty-disabled and
 129.27 retired employees, and the federally provided benefits for public safety officers.

129.28 Subd. 3. **Work group established; purpose.** The executive director must convene a
 129.29 work group for the purpose of recommending legislation that would:

129.30 (1) reform duty disability for members of the police and fire plan; and

129.31 (2) ensure that members of the police and fire plan who become duty disabled or retire
 129.32 have access to affordable health insurance coverage until Medicare eligibility.

129.33 Subd. 4. **Membership.** (a) The members of the work group are the following:

- 130.1 (1) one representative from the Minnesota Police and Peace Officers Association;
- 130.2 (2) one representative from the Minnesota Professional Fire Fighters Association;
- 130.3 (3) one representative from Law Enforcement Labor Services;
- 130.4 (4) one representative from the League of Minnesota Cities;
- 130.5 (5) one representative from the Association of Minnesota Counties;
- 130.6 (6) one representative from the Minnesota Inter-County Association;
- 130.7 (7) one representative from the Coalition of Greater Minnesota Cities;
- 130.8 (8) one representative from the Minnesota Chiefs of Police Association;
- 130.9 (9) one representative from the Minnesota State Fire Chiefs Association;
- 130.10 (10) one representative from the Minnesota Sheriffs' Association;
- 130.11 (11) the executive director of the Public Employees Retirement Association or the
- 130.12 executive director's designee;
- 130.13 (12) the commissioner of public safety or the commissioner's designee;
- 130.14 (13) the commissioner of labor and industry or the commissioner's designee;
- 130.15 (14) the assistant commissioner of the Workers' Compensation Division of the Department
- 130.16 of Labor and Industry or the assistant commissioner's designee;
- 130.17 (15) one designee of the commissioner of management and budget with expertise in the
- 130.18 public employees insurance program and the state employee group insurance program; and
- 130.19 (16) two members of the senate, one each appointed by the senate majority leader and
- 130.20 the senate minority leader, and two members of the house of representatives, one each
- 130.21 appointed by the speaker and the minority leader of the house of representatives, and who
- 130.22 commit to attending most meetings of the work group.
- 130.23 (b) Each of the organizations or agencies specified in paragraph (a) may designate an
- 130.24 alternate who is entitled to participate in meetings of the work group along with the
- 130.25 designated representative. The co-chairs may establish rules regarding the participation of
- 130.26 alternates in meetings as necessary to ensure that all representatives have the opportunity
- 130.27 to speak.
- 130.28 (c) The executive director may invite others to participate in one or more meetings of
- 130.29 the work group.

131.1 (d) Each organization and agency specified in paragraph (a) must provide the executive
 131.2 director with the names and contact information for the representative and alternate who
 131.3 will serve on the work group by June 19, 2026. Legislators who wish to serve on the work
 131.4 group must notify the executive director by June 19, 2026.

131.5 Subd. 5. **Mandate.** (a) Legislation recommended by the work group must address each
 131.6 topic in paragraphs (b) to (h), or the work group must explain in an accompanying report
 131.7 the consideration given to the topic and the reasons the legislation does not address the
 131.8 topic.

131.9 (b) Benefit adequacy. The work group must address the adequacy of the retirement,
 131.10 medical, and other welfare-related benefits to disabled members of the police and fire plan
 131.11 with the objective of establishing a comprehensive package of benefits.

131.12 (c) Funding of the public safety officer's benefit account. To fund the public safety
 131.13 officer's benefit account established under Minnesota Statutes, section 299A.42, the work
 131.14 group must recommend options, including but not limited to:

131.15 (1) requiring members of the police and fire plan to contribute a percentage of pay on
 131.16 a pre-tax basis to the account;

131.17 (2) requiring the Department of Public Safety to reimburse public employers under
 131.18 Minnesota Statutes, section 299A.465, subdivision 4, if there is not sufficient money in the
 131.19 account to satisfy all requests for reimbursement;

131.20 (3) securing permanent funding for the account; and

131.21 (4) requiring the State Board of Investment to invest the account and credit the account
 131.22 with investment earnings and losses.

131.23 (d) Affordable retiree health insurance coverage. To ensure affordable options for
 131.24 providing health insurance coverage are available to retirees under the police and fire plan
 131.25 during retirement, to age 65, the work group must recommend options, including but not
 131.26 limited to:

131.27 (1) allowing members of the police and fire plan during employment to contribute to an
 131.28 account on a pre-tax basis to pay premiums, co-pays, and other costs of medical care during
 131.29 retirement; and

131.30 (2) allowing retirees to be covered by the state employee group insurance program from
 131.31 retirement to age 65.

132.1 (e) Duty disability definition, assessment, and process reform. To restructure the
132.2 procedures for assessing duty disability under the police and fire plan and continued health
132.3 insurance coverage during the period of disability, the work group must recommend options,
132.4 including but not limited to:

132.5 (1) revising the definition of "duty disability" as defined in Minnesota Statutes, section
132.6 353.01, subdivision 41, as necessary to be consistent with this paragraph;

132.7 (2) assessing the potential for fraudulent applications for duty disability benefits and
132.8 implementing measures that can be implemented to detect fraud;

132.9 (3) requiring that duty disability applications be assessed by referring to the VA disability
132.10 schedule, which indicates the extent to which a disability impairs a member's ability to
132.11 perform the functions of the member's employment position, such that the percentage derived
132.12 from the VA disability schedule would be applied to both maximum benefits and the resulting
132.13 benefits are the duty disability and health insurance continuation benefits to which the
132.14 member is entitled;

132.15 (4) requiring the decision on whether a member has a duty disability be based on a
132.16 medical assessment from a medical professional who is not treating the member for the
132.17 disability; and

132.18 (5) the establishment of a duty disability review board to consider and determine
132.19 eligibility for duty disability benefits and continued health insurance coverage consisting
132.20 of one representative appointed by each of the following organizations:

132.21 (i) Minnesota Chiefs of Police Association;

132.22 (ii) Minnesota State Fire Chiefs Association;

132.23 (iii) Minnesota Sheriffs' Association;

132.28 (viii) Association of Minnesota Counties;

132.29 (ix) Minnesota Board of Psychology; and

132.30 (x) Minnesota Board of Medical Practice.

133.1 The work group must provide a governance structure for the duty disability review board,
 133.2 including its leadership, meeting schedule, voting and procedural rules, and a process for
 133.3 reviewing cases and determine the review board's relationship to the Public Employees
 133.4 Retirement Association, including the association's transfer of application and supporting
 133.5 documentation to the review board on a confidential basis.

133.6 (f) Report assessment. The work group must consider the following reports and address
 133.7 key considerations, challenges, recommendations, and shortcomings identified in the reports
 133.8 in the legislation recommended by the work group:

133.9 (1) "Adequacy of Disability Benefits for Minnesota Police Officers: Final Report,"
 133.10 January 2023, prepared by numerous authors and presented to the Department of Labor and
 133.11 Industry; and

 133.13 and recommendations," October 2025, prepared by numerous authors in collaboration with

133.15 (g) Psychological treatment assessment. The work group must assess the success of the
 133.16 psychological condition treatment required under Minnesota Statutes, section 353.032, in
 133.17 returning members of the police and fire plan to the workforce and whether the requirement
 133.18 should be repealed in favor of other treatment options that are likely to have more success.
 133.19 Options include but are not limited to contracting with resident treatment programs, such
 133.20 as the IAFF Center of Excellence for Behavioral Health Treatment and Recovery.

133.21 (h) Department of Public Safety reporting. The work group must assess the required
 133.22 reporting by the commissioner of public safety under Minnesota Statutes, section 299A.42,

 133.24 and penalties if information is not reported by the due date in section 299A.42, subdivision

133.26 Subd. 6. **Timely response by agencies.** Upon the request of a co-chair of the work group

164.25 applicable, the officer's or firefighter's dependents. Coverage must continue for the officer
164.26 or firefighter and, if applicable, the officer's or firefighter's dependents until the officer or
164.27 firefighter reaches age 65 or, if deceased, would have reached age 65.

164.28 (e) For an officer or firefighter approved to receive benefits under section 353.656 on
164.29 or after ~~the date of enactment~~ May 24, 2025, and who is not approved for total and permanent

165.8 or firefighter and, if applicable, the officer's or firefighter's dependents until the officer or

165.11 person is no longer a dependent.

165.12 (h) An officer or firefighter who has applied for or been approved to receive benefits
165.13 under section 353.656 may affirmatively waive health coverage under this section but must
165.14 not receive any payment or other consideration from the employer in exchange for waiver

Notice must be filed within 90 days of employment. Elected coverage is effective retroactively as of the first day of employment. Amounts that would have been deducted from the employee's salary starting with the first day of employment but were not deducted because the employee had not yet filed the election must be deducted from the employee's future salary in accordance with a schedule of deductions determined by the executive director and the Department of Public Safety. 424A.01 MEMBERSHIP IN A FIREFIGHTERS RELIEF ASSOCIATION.

Subd. 6. **Return to active firefighting after break in service.** (a) This subdivision governs the service pension calculation requirements of a firefighter who returns to active service after a break in service and applies to all breaks in service, except that the resumption service requirements of this subdivision do not apply to leaves of absence made available by federal statute, such as the Family Medical Leave Act, United States Code, title 29, section 2691, and the Uniformed Services Employment and Reemployment Rights Act, United States Code, title 38, section 4301, and do not apply to leaves of absence made available by state statute, such as the Parental Leave Act, section 181.941; the Leave for Organ Donation Act, section 181.9456; the Leave for Civil Air Patrol Service Act, section 181.946; the Leave for Immediate Family Members of Military Personnel Injured or Killed in Active Service Act, section 181.947; or the Protection of Jurors' Employment Act, section 593.50.

(b)(1) If a firefighter who has a break in service of any duration resumes performing active firefighting with the fire department associated with the relief association, and if the bylaws of the relief association so permit, the firefighter may again become an active member of the relief association, subject to the requirements of this paragraph and the service pension calculation requirements under this section.

(2) A firefighter who has been paid a service pension or disability benefit must wait at least 60 days following receipt of the pension or benefit before resuming active firefighting with the fire department and active membership in the relief association.

(3) A firefighter who has been granted an approved leave of absence not exceeding one year by the fire department or by the relief association is exempt from the minimum period of resumption service requirement of this section.

(4) A person who has a break in service not exceeding one year but has not been granted an approved leave of absence may be made exempt from the minimum period of resumption service requirement of this section by the relief association bylaws.

(5) If the bylaws so provide, a firefighter who returns to active relief association membership after a break in service of any duration may continue to collect a monthly service pension from the relief association, notwithstanding the requirement under section 424A.02, subdivision 1, that the firefighter has separated from active service.

(c) If a former firefighter who has been paid a service pension or disability benefit returns to active relief association membership under paragraph (b), the firefighter may qualify for the receipt of a service pension from the relief association for the resumption service period if the firefighter meets the service requirements of section 424A.016, subdivision 3, or 424A.02, subdivision 2, as

applicable, or meets the resumption minimum service requirements specified in the relief association's bylaws. No firefighter may be paid a service pension more than once for the same period of service.

(d) If a former firefighter who has not been paid a service pension or disability benefit returns to active relief association membership under paragraph (b), the firefighter may qualify for the receipt of a service pension from the relief association for the original and resumption service periods if the firefighter meets the service requirements of section 424A.016, subdivision 3, or 424A.02, subdivision 2, based on the original and resumption years of service credit.

(e) A firefighter who returns to active lump-sum relief association membership under paragraph (b) and who qualifies for a service pension under paragraph (c) must have, upon a subsequent cessation of duties, any service pension for the resumption service period calculated as a separate benefit. If a lump-sum service pension had been paid to the firefighter upon the firefighter's previous cessation of duties, a second lump-sum service pension for the resumption service period must be calculated by applying the service pension amount in effect on the date of the firefighter's termination of the resumption service for all years of the resumption service.

(f) A firefighter who had not been paid a lump-sum service pension returns to active relief association membership under paragraph (b), who did not meet the minimum period of resumption service requirement specified in the relief association's bylaws, but who does meet the minimum service requirement of section 424A.02, subdivision 2, based on the firefighter's original and resumption years of active service, must have, upon a subsequent cessation of duties, a service pension for the original and resumption service periods calculated by applying the service pension amount in effect on the date of the firefighter's termination of the resumption service, or, if the bylaws so provide, based on the service pension amount in effect on the date of the firefighter's previous cessation of duties. The service pension for a firefighter who returns to active lump-sum relief association membership under this paragraph, but who had met the minimum period of resumption service requirement specified in the relief association's bylaws, must be calculated by applying the service pension amount in effect on the date of the firefighter's termination of the resumption service.

(g) If a firefighter receiving a monthly benefit service pension returns to active monthly benefit relief association membership under paragraph (b), and if the relief association bylaws do not allow for the firefighter to continue collecting a monthly service pension, any monthly benefit service pension payable to the firefighter is suspended as of the first day of the month next following the date on which the firefighter returns to active membership. If the firefighter was receiving a monthly benefit service pension, and qualifies for a service pension under paragraph (c), the firefighter is entitled to an additional monthly benefit service pension upon a subsequent cessation of duties calculated based on the resumption service credit and the service pension accrual amount in effect on the date of the termination of the resumption service. A suspended initial service pension resumes as of the first of the month next following the termination of the resumption service. If the firefighter was not receiving a monthly benefit service pension and meets the minimum service requirement of section 424A.02, subdivision 2, a service pension must be calculated by applying the service pension amount in effect on the date of the firefighter's termination of the resumption service for all years of service credit.

(h) A firefighter who was not receiving a monthly benefit service pension returns to active relief association membership under paragraph (b), who did not meet the minimum period of resumption service requirement specified in the relief association's bylaws, but who does meet the minimum service requirement of section 424A.02, subdivision 2, based on the firefighter's original and resumption years of active service, must have, upon a subsequent cessation of duties, a service pension for the original and resumption service periods calculated by applying the service pension amount in effect on the date of the firefighter's termination of the resumption service, or, if the bylaws so provide, based on the service pension amount in effect on the date of the firefighter's previous cessation of duties. The service pension for a firefighter who returns to active relief association membership under this paragraph, but who had met the minimum period of resumption service requirement specified in the relief association's bylaws, must be calculated by applying the service pension amount in effect on the date of the firefighter's termination of the resumption service.

(i) For defined contribution plans, a firefighter who returns to active relief association membership under paragraph (b) and who qualifies for a service pension under paragraph (c) or (d) must have, upon a subsequent cessation of duties, any service pension for the resumption service period calculated as a separate benefit. If a service pension had been paid to the firefighter upon the firefighter's previous cessation of duties, and if the firefighter meets the minimum service requirement of section 424A.016, subdivision 3, or meets the resumption minimum service requirements specified in the relief association's bylaws, as applicable, based on the resumption

years of service, a second service pension for the resumption service period must be calculated to include allocations credited to the firefighter's individual account during the resumption period of service and deductions for administrative expenses, if applicable.

(j) For defined contribution plans, if a firefighter who had not been paid a service pension returns to active relief association membership under paragraph (b), and who meets the minimum service requirement of section 424A.016, subdivision 3, based on the firefighter's original and resumption years of service, must have, upon a subsequent cessation of duties, a service pension for the original and resumption service periods calculated to include allocations credited to the firefighter's individual account during the original and resumption periods of service and deductions for administrative expenses, if applicable, less any amounts previously forfeited under section 424A.016, subdivision 4.
