2.5 **ARTICLE 1**

2.6 **CONTINUITY OF CARE**

2.7 Section 1. **[256B.045] CONTINUITY OF CARE.**

2.8 Subdivision 1. **Definitions.** (a) For the purposes of this section, the following terms have  
 2.9 the meanings given.

2.10 (b) "Lead agency" means a county, Tribe, or managed care organization.

2.11 (c) "Residential services and supports" means any of the following services as defined  
 2.12 in the brain injury, community alternative care, community access for disability inclusion,  
 2.13 developmental disabilities, or elderly waiver plans:

2.14 (1) 24-hour customized living services;

2.15 (2) community residential services;

2.16 (3) customized living services;

2.17 (4) family residential services; and

2.18 (5) integrated community supports.

2.19 Subd. 2. **Department of Human Services continuity of care team; establishment.** To  
 2.20 ensure the continuity of care of older adults and people with disabilities receiving residential  
 2.21 services and supports following the imposition of a payment withhold under section  
 2.22 256B.064, subdivision 2, the commissioner must establish and maintain a continuity of care  
 2.23 team. The commissioner must ensure the continuity of care team always has sufficient staff  
 2.24 capacity and resources for timely compliance with the requirements of this section.

2.25 Subd. 3. **Department of Human Services continuity of care team; duties.** (a) Upon  
 2.26 notice from the commissioner under section 256B.064, subdivision 2, paragraph (i), that  
 2.27 the commissioner intends to impose a payment withhold on a provider of residential services  
 2.28 and supports, the continuity of care team must:

2.29 (1) identify all the provider's clients whose services might be affected by the payment  
 2.30 withhold the commissioner intends to impose, including but not limited to all clients paying  
 2.31 for services from a source other than medical assistance;

3.1 (2) for each identified client, identify the lead agency responsible for providing case  
 3.2 management or care coordination to the client;

3.3 (3) for each identified client, identify the client's case manager or care coordinator; and

3.4 (4) for each identified client, develop an initial profile of the client containing the team's  
 3.5 expectations regarding the services and supports the client is likely to require if the  
 3.6 commissioner's imposition of a payment withhold upon the provider puts the continuity of  
 3.7 care of the provider's client at risk or poses a risk that the provider's client will need to  
 3.8 transition to a new service provider or setting.

3.9 (b) After the team has completed the tasks identified in paragraph (a), clauses (1) to (4),  
 3.10 the team must inform the commissioner that the team is prepared to intervene on behalf of  
 3.11 each identified client immediately upon imposition of the payment withhold.

3.12 (c) Upon imposition of the payment withhold, for each identified client, the continuity  
 3.13 of care team must:

3.14 (1) inform the Office of the Ombudsman for Long-Term Care, the Office of the  
 3.15 Ombudsman for Mental Health and Developmental Disabilities, the Office of the  
 3.16 Ombudsperson for Public Managed Care Health Care Programs, and the lead agency that  
 3.17 the client's services may be disrupted by actions taken by the commissioner under section  
 3.18 256B.064, subdivision 2, and that the lead agency must comply with the requirements of  
 3.19 subdivision 4;

3.20 (2) directly inform each identified client's case manager or care coordinator that the  
 3.21 client's services may be disrupted by actions taken by the commissioner under section  
 3.22 256B.064, subdivision 2; that the continuity of care team is prepared to offer assistance to  
 3.23 ensure the client's continuity of care; and that the case manager must comply with the  
 3.24 requirements of subdivision 4; and

3.25 (3) directly inform each identified client that the client's services may be disrupted by  
 3.26 actions taken by the commissioner under section 256B.064, subdivision 2, and that the lead  
 3.27 agency, the client's case manager, and the continuity of care team are already taking steps  
 3.28 to develop contingency plans in the event the client's services are disrupted.

3.29 **Subd. 4. Continuity of care team and lead agency shared duties.** (a) This subdivision  
 3.30 applies to all lead agencies regardless of whether a lead agency provides case management  
 3.31 directly or under contract.

3.32 (b) The continuity of care team and the lead agency must cooperate and coordinate with  
 3.33 the client's case manager to:

4.1 (1) closely monitor services delivered to a client of a provider subject to a payment  
4.2 withhold; and

4.3 (2) develop a person-centered contingency plan for alternative services or an alternative  
4.4 service provider or setting in the event a client's services are disrupted.

4.5 (c) If a lead agency fails to develop or implement a person-centered contingency plan  
4.6 that ensures timely transition to alternative services or to an alternative service provider or  
4.7 setting, the continuity of care team must directly intervene and provide case management  
4.8 directly to the client. The lead agency and the client's case manager must fully cooperate  
4.9 and assist the continuity of care team in the provision of case management services. The  
4.10 lead agency is responsible for the state share of case management services provided by the  
4.11 continuity of care team.

4.12 (d) If the lead agency or the continuity of care team does not identify alternative services  
4.13 or an alternative service provider or setting, the continuity of care team must notify the  
4.14 commissioner and the commissioner of health, if applicable, and recommend:

4.15 (1) the commissioner of human services either determine there is a good cause under  
4.16 Code of Federal Regulations, title 42, section 455.23(e) or (f), to not suspend payments  
4.17 under section 256B.064, subdivision 2, or petition the district court of Ramsey County under  
4.18 section 245A.13 to be appointed receiver to operate the residential program; or

4.19 (2) the commissioner of health bring an action under section 144G.20, subdivision 21,  
4.20 against the provider subject to the withhold for violations of section 144G.52 or 144G.53.

4.21 (e) If the commissioner does not follow the recommendations of the continuity of care  
4.22 team identified in paragraph (d), within 30 days of receipt of the recommendations, the  
4.23 commissioner must notify the chairs and ranking minority members of the legislative  
4.24 committees with jurisdiction over human services of the commissioner's decision and include  
4.25 in the notice an explanation of the commissioner's rejection of the recommendations, the  
4.26 number of clients who will lose services as a result of the commissioner's decision, and the  
4.27 likely outcomes for the clients who will lose services.

4.28 Subd. 5. **Provider duties.** (a) The provider must fully cooperate with the lead agency  
4.29 and the continuity of care team to effectuate a coordinated transfer or coordinated move for  
4.30 each client who requires a new provider.

4.31 (b) Nothing in this section absolves a provider of its obligations under chapters 144G,  
4.32 245A, and 245D with respect to service suspensions, service terminations, contract  
4.33 terminations, and coordinated moves. The commissioners of health and human services

5.1 may impose any sanctions available under law for violations of a licensing requirement  
5.2 even if the provider complies with paragraph (a).

5.3 Sec. 2. Minnesota Statutes 2024, section 256B.064, subdivision 2, is amended to read:

5.4 Subd. 2. **Imposition of monetary recovery and sanctions.** (a) The commissioner shall  
5.5 determine any monetary amounts to be recovered and sanctions to be imposed upon an  
5.6 individual or entity under this section. Except as provided in paragraphs (b) and (d), neither  
5.7 a monetary recovery nor a sanction will be imposed by the commissioner without prior  
5.8 notice and an opportunity for a hearing, according to chapter 14, on the commissioner's  
5.9 proposed action, provided that the commissioner may suspend or reduce payment to an  
5.10 individual or entity, except a nursing home or convalescent care facility, after notice and  
5.11 prior to the hearing if in the commissioner's opinion that action is necessary to protect the  
5.12 public welfare and the interests of the program.

5.13 (b) Except when the commissioner finds good cause not to suspend payments under  
5.14 Code of Federal Regulations, title 42, section 455.23(e) or (f), the commissioner shall  
5.15 withhold or reduce payments to an individual or entity without providing advance notice  
5.16 of such withholding or reduction if either of the following occurs:

5.17 (1) the individual or entity is convicted of a crime involving the conduct described in  
5.18 subdivision 1a; or

5.19 (2) the commissioner determines there is a credible allegation of fraud for which an  
5.20 investigation is pending under the program. Allegations are considered credible when they  
5.21 have an indicium of reliability and the state agency has reviewed all allegations, facts, and  
5.22 evidence carefully and acts judiciously on a case-by-case basis. A credible allegation of  
5.23 fraud is an allegation which has been verified by the state, from any source, including but  
5.24 not limited to:

5.25 (i) fraud hotline complaints;

5.26 (ii) claims data mining; and

5.27 (iii) patterns identified through provider audits, civil false claims cases, and law  
5.28 enforcement investigations.

5.29 (c) The commissioner must send notice of the withholding or reduction of payments  
5.30 under paragraph (b) within five days of taking such action unless requested in writing by a  
5.31 law enforcement agency to temporarily withhold the notice. The notice must:

5.32 (1) state that payments are being withheld according to paragraph (b);

6.1 (2) set forth the general allegations as to the nature of the withholding action, but need  
6.2 not disclose any specific information concerning an ongoing investigation;

6.3 (3) except in the case of a conviction for conduct described in subdivision 1a, state that  
6.4 the withholding is for a temporary period and cite the circumstances under which withholding  
6.5 will be terminated;

6.6 (4) identify the types of claims to which the withholding applies; and

6.7 (5) inform the individual or entity of the right to submit written evidence for consideration  
6.8 by the commissioner.

6.9 (d) ~~The withholding or reduction of payments will not continue after~~ The commissioner  
6.10 ~~determines~~ must cease the withholding or reduction of payments after determining there is  
6.11 insufficient evidence of fraud by the individual or entity; after finding good cause not to  
6.12 continue withholding or reducing payments under Code of Federal Regulations, title 42,  
6.13 section 455.23(e) or (f); or after legal proceedings relating to the alleged fraud are completed,  
6.14 unless the commissioner has sent notice of intention to impose monetary recovery or  
6.15 sanctions under paragraph (a). Upon conviction for a crime related to the provision,  
6.16 management, or administration of a health service under medical assistance, a payment held  
6.17 pursuant to this section by the commissioner or a managed care organization that contracts  
6.18 with the commissioner under section 256B.035 is forfeited to the commissioner or managed  
6.19 care organization, regardless of the amount charged in the criminal complaint or the amount  
6.20 of criminal restitution ordered.

6.21 (e) The commissioner shall suspend or terminate an individual's or entity's participation  
6.22 in the program without providing advance notice and an opportunity for a hearing when the  
6.23 suspension or termination is required because of the individual's or entity's exclusion from  
6.24 participation in Medicare. Within five days of taking such action, the commissioner must  
6.25 send notice of the suspension or termination. The notice must:

6.26 (1) state that suspension or termination is the result of the individual's or entity's exclusion  
6.27 from Medicare;

6.28 (2) identify the effective date of the suspension or termination; and

6.29 (3) inform the individual or entity of the need to be reinstated to Medicare before  
6.30 reapplying for participation in the program.

6.31 (f) Upon receipt of a notice under paragraph (a) that a monetary recovery or sanction is  
6.32 to be imposed, an individual or entity may request a contested case, as defined in section  
6.33 14.02, subdivision 3, by filing with the commissioner a written request of appeal. The appeal

7.1 request must be received by the commissioner no later than 30 days after the date the  
7.2 notification of monetary recovery or sanction was mailed to the individual or entity. The  
7.3 appeal request must specify:

7.4 (1) each disputed item, the reason for the dispute, and an estimate of the dollar amount  
7.5 involved for each disputed item;

7.6 (2) the computation that the individual or entity believes is correct;

7.7 (3) the authority in statute or rule upon which the individual or entity relies for each  
7.8 disputed item;

7.9 (4) the name and address of the person or entity with whom contacts may be made  
7.10 regarding the appeal; and

7.11 (5) other information required by the commissioner.

7.12 (g) The commissioner may order an individual or entity to forfeit a fine for failure to  
7.13 fully document services according to standards in this chapter and Minnesota Rules, chapter  
7.14 9505. The commissioner may assess fines if specific required components of documentation  
7.15 are missing. The fine for incomplete documentation shall equal 20 percent of the amount  
7.16 paid on the claims for reimbursement submitted by the individual or entity, or up to \$5,000,  
7.17 whichever is less. If the commissioner determines that an individual or entity repeatedly  
7.18 violated this chapter, chapter 254B or 245G, or Minnesota Rules, chapter 9505, related to  
7.19 the provision of services to program recipients and the submission of claims for payment,  
7.20 the commissioner may order an individual or entity to forfeit a fine based on the nature,  
7.21 severity, and chronicity of the violations, in an amount of up to \$5,000 or 20 percent of the  
7.22 value of the claims, whichever is greater.

7.23 (h) The individual or entity shall pay the fine assessed on or before the payment date  
7.24 specified. If the individual or entity fails to pay the fine, the commissioner may withhold  
7.25 or reduce payments and recover the amount of the fine. A timely appeal shall stay payment  
7.26 of the fine until the commissioner issues a final order.

7.27 (i) Prior to suspending or withholding payments to an entity providing residential services  
7.28 and supports to an older adult or person with a disability, or suspending or terminating the  
7.29 entity's participation in medical assistance, the commissioner must notify the Department  
7.30 of Human Services continuity of care team established under section 256B.045. The  
7.31 commissioner must not suspend or withhold payments to an entity providing residential  
7.32 services and supports to an older adult or person with a disability, or suspend or terminate  
7.33 the entity's participation in the program, until the continuity of care team notifies the

8.1 commissioner that the team is prepared to immediately intervene and comply with its duties  
 8.2 under section 256B.045 upon imposition of the commissioner's sanction. For the purposes  
 8.3 of this paragraph, "residential services and supports" has the meaning given in section  
 8.4 256B.045, subdivision 1.

20.18 Subd. 11. **Loan program expiration.** This section expires after the commissioner collects  
 20.19 all loan repayments incurred on or before June 30, 2026. The commissioner must notify the  
 20.20 revisor of statutes once all loan repayments under this section are collected.

20.21 Sec. 15. Minnesota Statutes 2024, section 256B.04, is amended by adding a subdivision  
 20.22 to read:

20.23 Subd. 28. **Interpretive guidelines for disability waiver regulation.** (a) The  
 20.24 commissioner must develop and publish interpretive guidelines within 120 calendar days  
 20.25 of the effective date of any statutory changes, waiver plan amendments, state or federal  
 20.26 administrative rulings, or state or federal court decisions that affect policies or reimbursement  
 20.27 for services licensed under chapter 245D, authorized under section 256B.092 or 256B.49,  
 20.28 or reimbursed under section 256B.4914.

20.29 (b) Interpretive guidelines issued by the commissioner under this subdivision do not  
 20.30 have the force and effect of law and have no precedential effect but may be relied on by  
 20.31 consumers, providers of service, county agencies, the Department of Human Services, and  
 20.32 others concerned until revoked or modified. An interpretive guideline may be expressly

21.1 revoked or modified by the commissioner or by the issuance of another interpretive guideline  
 21.2 but may not be revoked or modified retroactively to the detriment of consumers, providers  
 21.3 of service, county agencies, the Department of Human Services, or others concerned. A  
 21.4 change in the law or an interpretation of the law occurring after the interpretive guidelines  
 21.5 are issued, whether in the form of a statute, court decision, administrative ruling, or  
 21.6 subsequent interpretive guideline, results in the revocation or modification of the previously  
 21.7 adopted guidelines to the extent that the change affects the guidelines.

21.8 **EFFECTIVE DATE.** This section is effective the day following final enactment and  
 21.9 applies to statutory changes, waiver plan amendments, state or federal administrative rulings,  
 21.10 or state or federal court decisions effective or issued on or after that date.

21.11 Sec. 16. Minnesota Statutes 2024, section 256B.04, is amended by adding a subdivision

 21.14 within the department to conduct assessments under section 256B.0911 on behalf of lead  
 21.15 agencies under conditions and circumstances determined by the commissioner. Certified  
 21.16 assessors employed by the commissioner may conduct assessments in addition to other  
 21.17 duties as assigned, except the certified assessors employed by the commissioner must not  
 21.18 perform any responsibilities of a lead agency described in section 256B.0911 other than  
 21.19 assessments. Nothing in this subdivision creates an obligation for the commissioner to  
 21.20 provide the department's certified assessors to conduct assessments on behalf of a lead  
 21.21 agency.

21.22 Sec. 17. Minnesota Statutes 2024, section 256B.0659, subdivision 12, is amended to read:

 24.10 revenue for shared services" means the difference between the rate paid to a personal care  
 24.11 assistance provider agency for serving a single recipient and the sum of the rates paid to a  
 24.12 personal care assistance provider agency for shared services provided to more than one

26.25 Sec. 21. Minnesota Statutes 2024, section 256B.0911, subdivision 26, is amended to read:

26.26 Subd. 26. **Determination of institutional level of care.** (a) The determination of need  
26.27 for hospital and intermediate care facility levels of care must be made according to criteria  
26.28 developed by the commissioner, and in section 256B.092, using forms developed by the  
26.29 commissioner.

27.1 (b) The determination of need for nursing facility level of care must be made based on  
 27.2 criteria in section 144.0724, subdivision 11. This paragraph expires upon the effective date  
 27.3 of paragraph (c).

27.4 (c) Effective January 1, 2027, or upon federal approval, whichever is later, the  
 27.5 determination of need for nursing facility level of care must be made based on criteria in

27.9 **EFFECTIVE DATE.** This section is effective the day following final enactment.

27.10 Sec. 22. Minnesota Statutes 2024, section 256B.0913, subdivision 4, is amended to read:

27.11 Subd. 4. **Eligibility for funding for services for nonmedical assistance recipients.** (a)  
 27.12 Funding for services under the alternative care program is available to persons who meet  
 27.13 the following criteria:

27.14 (1) the person is a citizen of the United States or a United States national;

27.15 (2) the person has been determined by a community assessment under section 256B.0911  
 27.16 to be a person who would require the level of care provided in a nursing facility, as  
 27.17 determined under section 256B.0911, subdivision 26, but for the provision of services under  
 27.18 the alternative care program;

27.19 (3) the person is age 65 or older;

27.20 (4) the person would be eligible for medical assistance within 135 days of admission to  
 27.21 a nursing facility;

27.22 (5) the person is not ineligible for the payment of long-term care services by the medical  
 27.23 assistance program due to an asset transfer penalty under section 256B.0595 or equity  
 27.24 interest in the home exceeding \$500,000 as stated in section 256B.056;

27.25 (6) the person needs long-term care services that are not funded through other state or  
 27.26 federal funding, or other health insurance or other third-party insurance such as long-term  
 27.27 care insurance. For purposes of this clause, short-term home health and nursing care insurance  
 27.28 under section 62A.70 does not constitute health or other third-party insurance;

27.29 (7) except for individuals described in clause (8), the monthly cost of the alternative  
 27.30 care services funded by the program for this person does not exceed 75 percent of the  
 27.31 monthly limit described under section 256S.18. This monthly limit does not prohibit the  
 27.32 alternative care client from payment for additional services, but in no case may the cost of

28.1 additional services purchased under this section exceed the difference between the client's  
28.2 monthly service limit defined under section 256S.04, and the alternative care program  
28.3 monthly service limit defined in this paragraph. If care-related supplies and equipment or  
28.4 environmental modifications and adaptations are or will be purchased for an alternative  
28.5 care services recipient, the costs may be prorated on a monthly basis for up to 12 consecutive  
28.6 months beginning with the month of purchase. If the monthly cost of a recipient's other  
28.7 alternative care services exceeds the monthly limit established in this paragraph, the annual  
28.8 cost of the alternative care services shall be determined. In this event, the annual cost of  
28.9 alternative care services shall not exceed 12 times the monthly limit described in this  
28.10 paragraph;

28.11 (8) for individuals assigned a case mix classification A as described under section  
28.12 256S.18, with (i) no dependencies in activities of daily living, or (ii) up to two dependencies  
28.13 in bathing, dressing, grooming, walking, and eating when the dependency score in eating  
28.14 is three or greater as determined by an assessment performed under section 256B.0911, the  
28.15 monthly cost of alternative care services funded by the program cannot exceed \$593 per  
28.16 month for all new participants enrolled in the program on or after July 1, 2011. This monthly  
28.17 limit shall be applied to all other participants who meet this criteria at reassessment. This  
28.18 monthly limit shall be increased annually as described in section 256S.18. This monthly  
28.19 limit does not prohibit the alternative care client from payment for additional services, but  
28.20 in no case may the cost of additional services purchased exceed the difference between the  
28.21 client's monthly service limit defined in this clause and the limit described in clause (7) for  
28.22 case mix classification A;

28.23 (9) the person is making timely payments of the assessed monthly fee. A person is  
28.24 ineligible if payment of the fee is over 60 days past due, unless the person agrees to:

28.25 (i) the appointment of a representative payee;

28.26 (ii) automatic payment from a financial account;

28.27 (iii) the establishment of greater family involvement in the financial management of  
28.28 payments; or

28.29 (iv) another method acceptable to the lead agency to ensure prompt fee payments; and

28.30 (10) for a person participating in consumer-directed community supports, the person's  
28.31 monthly service limit must be equal to the monthly service limits in clause (7), except that  
28.32 a person assigned a case mix classification L must receive the monthly service limit for  
28.33 case mix classification A.

29.1 (b) The lead agency may extend the client's eligibility as necessary while making  
29.2 arrangements to facilitate payment of past-due amounts and future premium payments.  
29.3 Following disenrollment due to nonpayment of a monthly fee, eligibility shall not be  
29.4 reinstated for a period of 30 days.

29.5 (c) Alternative care funding under this subdivision is not available for a person who is  
29.6 a medical assistance recipient or who would be eligible for medical assistance without a  
29.7 spenddown or waiver obligation. A person whose initial application for medical assistance  
29.8 and the elderly waiver program is being processed may be served under the alternative care  
29.9 program for a period up to 60 days. If the individual is found to be eligible for medical  
29.10 assistance, medical assistance must be billed for services payable under the federally  
29.11 approved elderly waiver plan and delivered from the date the individual was found eligible  
29.12 for the federally approved elderly waiver plan. Notwithstanding this provision, alternative  
29.13 care funds may not be used to pay for any service the cost of which: (i) is payable by medical  
29.14 assistance; (ii) is used by a recipient to meet a waiver obligation; or (iii) is used to pay a  
29.15 medical assistance income spenddown for a person who is eligible to participate in the  
29.16 federally approved elderly waiver program under the special income standard provision.

29.17 (d) Alternative care funding is not available for a person who resides in a licensed nursing  
29.18 home, certified boarding care home, hospital, or intermediate care facility, except for case  
29.19 management services which are provided in support of the discharge planning process for  
29.20 a nursing home resident or certified boarding care home resident to assist with a relocation  
29.21 process to a community-based setting.

29.22 (e) Alternative care funding is not available for a person whose income is greater than  
29.23 the maintenance needs allowance under section 256S.05, but equal to or less than 120 percent  
29.24 of the federal poverty guideline effective July 1 in the fiscal year for which alternative care  
29.25 eligibility is determined, who would be eligible for the elderly waiver with a waiver  
29.26 obligation.

29.27 Sec. 23. Minnesota Statutes 2025 Supplement, section 256B.092, subdivision 3b, is  
29.28 amended to read:

29.29 Subd. 3b. **Service authorizations and service agreements.** (a) Recipients must be  
29.30 screened and authorized for services according to the federally approved waiver application  
29.31 and its subsequent amendments.

29.32 (b) The commissioner must require lead agency supervisors to review and accept all  
29.33 service agreements entered by lead agency staff into the Medicaid management information  
29.34 system (MMIS) prior to the commissioner's approval of the service agreement.

30.1 (c) For a service agreement with a proposed total authorized amount that exceeds the  
 30.2 total authorized amount in the recipient's prior service agreement by more than the value  
 30.3 of legislatively enacted rate increases, the commissioner must manually review and manually  
 30.4 approve the service agreement in the MMIS. For purposes of this paragraph, "prior service  
 30.5 agreement" means the service agreement that was in effect 12 months prior to the start date  
 30.6 of the new proposed service agreement.

30.7 (d) In a format prescribed by the commissioner, lead agencies must submit the following  
 30.8 information for all service agreements subject to the commissioner's approval in paragraph  
 30.9 (c):

30.10 (1) changes in the number of units authorized;

30.11 (2) new services authorized;

30.12 (3) changes in the values used to calculate service rates under section 256B.4914, except  
 30.13 for automatic adjustments required under section 256B.4914, subdivisions 5 and 5b;

30.14 (4) changes in the person's level of need that require an increase in the amount of services  
 30.15 authorized;

30.16 (5) documentation detailing why the previous amount of services is not sufficient to  
 30.17 meet the person's needs; and

30.18 (6) anticipated impact if the total service amount is not increased to the proposed amount.

30.19 (e) Except for rate increases required under section 256B.4914, subdivisions 5 and 5b,  
 30.20 and rate changes authorized by the 2025 legislature, the commissioner must not approve  
 30.21 service agreements under paragraph (c) that are not the result of either a documented change  
 30.22 in a person's assessed needs or documented evidence that the previous level of service was  
 30.23 insufficient to meet the person's assessed needs.

30.24 ~~(f) This subdivision expires upon full implementation of waiver reimagine. The~~  
 30.25 ~~commissioner must inform the revisor of statutes when waiver reimagine is fully~~  
 30.26 ~~implemented.~~

30.27 Sec. 24. Minnesota Statutes 2024, section 256B.092, subdivision 5, is amended to read:

30.28 Subd. 5. **Federal waivers.** (a) The commissioner shall apply for any federal waivers  
 30.29 necessary to secure, to the extent allowed by law, federal financial participation under United  
 30.30 States Code, title 42, sections 1396 et seq., as amended, for the provision of services to  
 30.31 persons who, in the absence of the services, would need the level of care provided in a  
 30.32 regional treatment center or a community intermediate care facility for persons with

31.1 developmental disabilities. The commissioner may seek amendments to the waivers or apply  
31.2 for additional waivers under United States Code, title 42, sections 1396 et seq., as amended,  
31.3 to contain costs. The commissioner shall ensure that payment for the cost of providing home

 63.30 for maltreatment consisting of sexual assault, death, or abuse resulting in serious injury.

64.1 The fines in clauses (1) to (5) are increased and immediate fine imposition is authorized  
64.2 for both surveys and investigations conducted.

64.3 When a fine is assessed against a facility for substantiated maltreatment, the commissioner  
64.4 shall not also impose an immediate fine under this chapter for the same circumstance.

64.5 (b) Correction orders for violations are categorized by both level and scope and fines  
64.6 shall be assessed as follows:

64.7 (1) level of violation:

64.8 (i) Level 1 is a violation that will cause only minimal impact on the client and does not  
64.9 affect health or safety;

64.10 (ii) Level 2 is a violation that did not harm a client's health or safety but had the potential  
64.11 to have harmed a client's health or safety, but was not likely to cause serious injury,  
64.12 impairment, or death;

64.13 (iii) Level 3 is a violation that harmed a client's health or safety, or a violation that had

64.20 number of staff are involved or the situation has occurred only occasionally;

64.21 (ii) pattern, when more than a limited number of clients are affected, more than a limited  
64.22 number of staff are involved, or the situation has occurred repeatedly but is not found to be  
64.23 pervasive; and

64.25 affected or has the potential to affect a large portion or all of the clients.

64.26 (c) If the commissioner finds that the applicant or a home care provider has not corrected  
64.27 violations by the date specified in the correction order or conditional license resulting from  
64.28 a survey or complaint investigation, the commissioner shall provide a notice of  
64.29 noncompliance with a correction order by email to the applicant's or provider's last known  
64.30 email address. The noncompliance notice must list the violations not corrected.

65.1 (d) For every violation identified by the commissioner, the commissioner shall issue an  
65.2 immediate fine pursuant to paragraph (a). The license holder must still correct the violation  
65.3 in the time specified. The issuance of an immediate fine can occur in addition to any  
65.4 enforcement mechanism authorized under section 144A.475. The immediate fine may be  
65.5 appealed as allowed under this subdivision.

65.6 (e) The license holder must pay the fines assessed on or before the payment date specified.  
65.7 If the license holder fails to fully comply with the order, the commissioner may issue a  
65.8 second fine or suspend the license until the license holder complies by paying the fine. A  
65.9 timely appeal shall stay payment of the fine until the commissioner issues a final order.

65.10 (f) A license holder shall promptly notify the commissioner in writing when a violation  
65.11 specified in the order is corrected. If upon reinspection the commissioner determines that  
65.12 a violation has not been corrected as indicated by the order, the commissioner may issue a  
65.13 second fine. The commissioner shall notify the license holder by mail to the last known  
65.14 address in the licensing record that a second fine has been assessed. The license holder may  
65.15 appeal the second fine as provided under this subdivision.

65.16 (g) A home care provider that has been assessed a fine under this subdivision has a right  
65.17 to a reconsideration or a hearing under this section and chapter 14.

65.18 (h) When a fine has been assessed, the license holder may not avoid payment by closing,  
65.19 selling, or otherwise transferring the licensed program to a third party. In such an event, the  
65.20 license holder shall be liable for payment of the fine.

65.21 (i) In addition to any fine imposed under this section, the commissioner may assess a  
65.22 penalty amount based on costs related to an investigation that results in a final order assessing  
65.23 a fine or other enforcement action authorized by this chapter.

65.24 (j) Fines collected under paragraph (a) shall be deposited in a dedicated special revenue  
65.25 account. ~~On an annual basis, the balance in the special revenue account shall be appropriated~~  
65.26 ~~to the commissioner to implement the recommendations of the advisory council established~~  
65.27 ~~in section 144A.4799. Money deposited in the account is appropriated to the commissioner~~  
65.28 on an annual basis for a competitive grant program for special projects for improving home  
65.29 care client quality of care and outcomes in Minnesota, with a specific focus on workforce  
65.30 and clinical outcomes, including projects consistent with criteria in section 144A.4799,  
65.31 subdivision 3, paragraph (c). Grants must be distributed to home care providers licensed  
65.32 under this chapter or organizations with experience in or knowledge of home care operations,  
65.33 compliance, client needs, or best practices. Each grant must be \$1,000 at minimum. A  
65.34 provider with a temporary license under this chapter is not eligible to apply for a grant. The

66.1 commissioner may retain up to ten percent of the amount available to cover costs to  
66.2 administer the grant under this section. The commissioner must publish on the department's  
66.3 website an annual report on the fines assessed and collected, and how the appropriated  
66.4 money was allocated.

 70.9 of health during the period the current license is valid.

70.10 (b) A licensee is not required to apply for a new license solely because the licensee

 70.31 ~~municipality in which the facility is currently located or within the geographic boundaries~~  
 70.32 ~~of a contiguous municipality~~ located in the seven-county metropolitan area may not relocate

 71.13 to relocate the facility to an alternative new location. If the licensee notifies the commissioner  
 71.14 of the licensee's intent to relocate the facility to an alternative new location, ~~paragraph (e)~~  
 71.15 applies, including all provisions of this section apply, including paragraph (c) and the  
 71.16 timelines for approving or denying the license relocation for the alternative new location.

 71.23 final order assessing a fine or other enforcement action authorized by this chapter; and

71.24 (2) increase a fine if the violation results in serious injury or death and the commissioner  
 71.25 determines the licensee's conduct was sufficiently egregious to warrant an increase,  
 71.26 notwithstanding the fine amount provided in subdivision 4, paragraph (a), clause (5).

72.18 amenities; and

72.22 paragraph (a) and approve or disapprove the proposed increase. The commissioner may  
72.23 request from the facility additional documentation or information the commissioner deems  
72.24 necessary to conduct the review. An assisted living facility must not implement a proposed  
72.25 increase described in paragraph (a) unless the commissioner approves the proposed increase.

72.26 (d) If the commissioner approves the proposed increase, approval must be conditioned  
72.27 on the facility maintaining or improving the quality of care it provides, including but not  
72.28 limited to hiring additional staff, improving staff training, updating medical equipment, or
