7.9 written approval of the office unless the license holder has not received a final site inspection  
7.10 or the license holder is a social equity applicant.

7.11 (b) Licenses issued as social equity licenses pursuant to either section 342.14, subdivision  
7.12 1b, paragraph (b), or section 342.175, paragraph (b), may only be transferred to another  
7.13 social equity applicant for three years after the date on which the office issues the license.  
7.14 Three years after the date of issuance, a license holder may transfer a license to any entity.  
7.15 Transfer of a license that was issued as a social equity license must be reviewed by the  
7.16 Division of Social Equity and is subject to the prior written approval of the office.

7.17 (c) Preliminary license approval issued pursuant to section 342.14, subdivision 5, may  
7.18 not be transferred.

7.19 (d) A new license must be obtained when:

7.21 to a different type of legal business structure; or

7.30 another type of business, either as a cannabis mezzobusiness or cannabis macrobusiness.  
7.31 Applicants for cannabis macrobusiness licenses are subject to the requirements of section

 8.2 subdivision 1a, the office must announce the number of available cannabis mezzobusiness  
 8.3 licenses and cannabis macrobusiness licenses and the date on which the office will begin  
 8.4 accepting petitions from applicants seeking reclassification. When approving reclassification  
 8.5 of a license, the office must give priority to: (1) any cannabis microbusiness with a medical

 8.10 license as a cannabis mezzobusiness or cannabis macrobusiness must include in its application  
 8.11 a transition plan that describes how the license holder will comply with all statutes and rules

8.22 **342.13 LOCAL CONTROL.**

 8.30 manner of the operation of a cannabis business provided that such restrictions do not prohibit  
 8.31 the establishment or operation of cannabis businesses. A local unit of government may  
 8.32 prohibit the operation of a cannabis business within 1,000 feet of a school, or 500 feet of a  
 8.33 day care, residential treatment facility, or an attraction within a public park that is regularly  
 8.34 used by minors, including a playground or athletic field.

9.1 (d) The office shall work with local units of government to:

9.2 (1) develop model ordinances for reasonable restrictions on the time, place, and manner

9.9 conducted or has held or has scheduled a hearing for the purpose of considering adoption

9.11 a cannabis business, the governing body of the local unit of government may adopt an  
9.12 interim ordinance applicable to all or part of its jurisdiction for the purpose of protecting  
9.13 the planning process and the health, safety, and welfare of its citizens. Before adopting the  
9.14 interim ordinance, the governing body must hold a public hearing. The interim ordinance  
9.15 may regulate, restrict, or prohibit the operation of a cannabis business within the jurisdiction  
9.16 or a portion thereof until January 1, 2025.

9.17 (f) Within 30 days of receiving a copy of an application from the office, a local unit of  
9.18 government shall certify on a form provided by the office whether a proposed cannabis  
9.19 business complies with local zoning ordinances and, if applicable, whether the proposed  
9.20 business complies with the state fire code and building code. The office may not issue a  
9.21 license if the local unit of government informs the office that the cannabis business does  
9.22 not meet local zoning and land use laws. If the local unit of government does not provide  
9.23 the certification to the office within 30 days of receiving a copy of an application from the  
9.24 office, the office may issue a license.

9.25 (g) The office by rule shall establish an expedited complaint process to receive, review,  
9.26 and respond to complaints made by a local unit of government about a cannabis business.  
9.27 At a minimum, the expedited complaint process shall require the office to provide an initial  
9.28 response to the complaint within seven days and perform any necessary inspections within  
9.29 30 days. Nothing in this paragraph prohibits a local unit of government from enforcing a  
9.30 local ordinance. If a local unit of government notifies the office that a cannabis business  
9.31 other than a cannabis retailer, cannabis microbusiness, cannabis mezzobusiness, cannabis  
9.32 macrobusiness, or lower-potency hemp edible retailer with a retail operations endorsement;  
9.33 ~~or medical cannabis combination business operating a retail location~~ poses an immediate

10.1 threat to the health or safety of the public, the office must respond within one business day  
10.2 and may take any action described in section 342.19 or 342.21.

10.3 (h) A local government unit that issues a cannabis retailer registration under section  
10.4 342.22 may, by ordinance, limit the number of licensed cannabis retailers, cannabis  
10.5 mezzobusinesses with a retail operations endorsement, and cannabis microbusinesses with  
10.6 a retail operations endorsement to no fewer than one registration for every 12,500 residents.

10.7 (i) If a county has one active registration for every 12,500 residents, a city or town within  
10.8 the county is not obligated to register a cannabis business.

10.9 (j) Nothing in this section shall prohibit a local government unit from allowing licensed  
10.10 cannabis retailers in excess of the minimums set in paragraph (h).

10.11 (k) Notwithstanding the foregoing provisions, the state shall not issue a license to any  
10.12 cannabis business to operate in Indian country, as defined in United States Code, title 18,  
10.13 section 1151, of a Minnesota Tribal government without the consent of the Tribal  
10.14 government.

10.17 (a) The office must classify licenses listed in section 342.10, clauses (1) to (10) and ~~(13)~~  
10.18 (14) as:

10.19 (1) available to social equity applicants who meet the requirements of section 342.17;

10.27 in this subdivision, the office shall not issue licenses to a single applicant that would result  
10.28 in the applicant being vertically integrated in violation of the provisions of this chapter.

10.30 mezzobusiness licenses, or ~~medical cannabis combination business~~ macrobusiness licenses,

11.1 or the issuance of lower-potency hemp edible manufacturer, lower-potency hemp edible  
11.2 wholesaler, and lower-potency hemp edible retailer licenses to the same person or entity.

 12.7 of government may suspend the retail registration of the cannabis business or hemp business.  
 12.8 The local unit of government must immediately notify the office of the suspension and shall
