6.15 of whether the complaint or charge resulted in a disciplinary action;

6.16 (5) the final disposition of any disciplinary action together with the specific reasons for  
6.17 the action and data documenting the basis of the action, excluding data that would identify  
6.18 confidential sources who are employees of the public body;

6.19 (6) the complete terms of any agreement settling any dispute arising out of an employment  
6.20 relationship, including a buyout agreement as defined in section 123B.143, subdivision 2,

7.4 sustains a grievance and reverses all aspects of any disciplinary action.

7.5 (c) The government entity may display a photograph of a current or former employee  
7.6 to a prospective witness as part of the government entity's investigation of any complaint  
7.7 or charge against the employee.

7.8 (d) A complainant has access to a statement provided by the complainant to a government

7.11 completion of an investigation of a complaint or charge against a public official, or if a  
7.12 public official resigns or is terminated from employment while the complaint or charge is  
7.13 pending, all data relating to the complaint or charge are public, unless access to the data

8.8 executive heads of divisions, including the general managers and executive directors; the  
8.9 executive head responsible for compliance with Equal Employment Opportunity provisions  
8.10 of federal law; and the chief law enforcement officer of the Metropolitan Transit Police  
8.11 appointed by the regional administrator under section 473.407, subdivision 4.

8.12 (f) Data relating to a complaint or charge against an employee identified under paragraph  
8.13 (e), clause (5), are public only if:

8.21 read:

8.22 Subd. 1a. **Payment information requests.** (a) Upon written request from a contractor  
8.23 or subcontractor of any tier that can provide documentation of participating in the public  
8.24 improvement project, a public contracting agency must provide information regarding any  
8.25 progress payment, retainage payment, final payment, or other payment made by the  
8.26 contracting agency.

8.27 (b) The information provided under paragraph (a) must include:

8.28 (1) the amount of the payment;

8.29 (2) the date the payment was made or approved; and

8.30 (3) a copy of the payment application submitted by the contractor.

8.31 For highway construction contracts, a copy of the estimate or voucher generated by the  
8.32 public contracting agency meets this requirement.

9.1 (c) The public contracting agency must provide the requested information within seven  
 9.2 calendar days of receipt of the request.

9.3 (d) The public contracting agency must make available to subcontractors the contact

 9.17 effect on July 1 of the next year and July 1 of the subsequent even-numbered year, unless  
 9.18 the legislature by law provides otherwise. The salary recommendations take effect if an  
 9.19 appropriation of money to pay the recommended salaries is enacted after the  
 9.20 recommendations are submitted and before their effective date. Recommendations may be  
 9.21 expressly modified or rejected.

9.22 (b) By ~~April~~ May 1 in each odd-numbered year, the Compensation Council must prescribe

 9.25 1 of that year and July 1 of the subsequent even-numbered year and at whatever interval  
 9.26 the council determines thereafter, unless the legislature by law provides otherwise. An

 10.5 2030 energy performance standards required under section 216B.241, subdivision 9,  
 10.6 cost-effective renewable energy sources or solar thermal energy systems, or both, must be  
 10.7 deployed to achieve those standards.

10.8 (b) The commissioners of administration and commerce shall review compliance of  
 10.9 building designs and plans subject to this section with Sustainable Building 2030 performance  
 10.10 standards developed under section 216B.241, subdivision 9, and shall make recommendations  
 10.11 to the legislature as necessary to ensure that those performance standards are met.

10.12 (c) For the purposes of this section:

10.13 (1) "benchmark" has the meaning given in section 216C.331, subdivision 1, paragraph

10.16 (3) "energy conservation" has the meaning given in section 216B.2402, subdivision 5,  
 10.17 and for energy sources identified in section 216C.331, subdivision 1, paragraph (h);

10.18 (4) "energy conservation improvement" has the meaning given in section 216B.2402,  
 10.19 subdivision 6;

10.20 ~~(4)~~ (5) "energy efficiency" has the meaning given for energy in section 216B.2402,  
 10.21 subdivision 7;

10.22 ~~(2)~~ (6) "renewable energy" has the meaning given in section 216B.2422, subdivision 1,  
 10.23 paragraph (c), and includes hydrogen generated from wind, solar, or hydroelectric; and

10.24 ~~(3)~~ (7) "solar thermal energy systems" has the meaning given to "qualifying solar thermal  
 10.25 project" in section 216B.2411, subdivision 2, paragraph (e);

10.26 (8) "water conservation" means an action that results in the net reduction of water  
 10.27 consumption;

10.28 (9) "water conservation improvement" means a project or program that results in the

10.30 (10) "water efficiency" means measures or programs designed to use less water to  
 10.31 accomplish the same outcome, including reducing input or wastewater.

 11.7 with appropriate state agencies to implement energy efficiency improvements in the selected  
 11.8 buildings. A contract must require the public utility or energy services provider to include  
 11.9 all energy efficiency improvements in selected buildings that are calculated to achieve a  
 11.10 cost payback within ten years. The contract must require that the public utility or energy  
 11.11 services provider be repaid solely from energy cost savings and only to the extent of energy  
 11.12 cost savings. Repayments must be interest-free. The goal of the program in this paragraph  
 11.13 is to demonstrate that through effective energy conservation the total energy consumption  
 11.14 per square foot of state-owned and wholly state-leased buildings could exceed existing  
 11.15 energy code by at least 30 percent. ~~All agencies must report to the commissioner of~~  
 11.16 ~~administration their monthly energy usage, building schedules, inventory of~~  
 11.17 ~~energy-consuming equipment, and other information as needed by the commissioner to~~  
 11.18 ~~manage and evaluate the program.~~

11.19 Sec. 14. Minnesota Statutes 2024, section 16B.32, is amended by adding a subdivision to  
 11.20 read:

11.21 Subd. 4. **Energy and water data collection.** An agency with the custodial control for  
 11.22 a facility must report the material energy and water consumption and cost data for the facility  
 11.23 to the commissioner on a basis determined by the commissioner.

11.24 Sec. 15. Minnesota Statutes 2024, section 16B.32, is amended by adding a subdivision to  
 11.25 read:

 11.27 maintain energy and water benchmarks and goals, developed in partnership with the  
 11.28 commissioner, for buildings under the agency's custodial control. Each state agency must  
 11.29 maintain a plan to implement energy and water conservation improvements, the cost of  
 11.30 which can be recuperated within 15 years from the energy savings achieved by the  
 11.31 improvements, for each facility for which the agency has custodial control.

12.1 Sec. 16. Minnesota Statutes 2024, section 16B.372, subdivision 1, is amended to read:

12.2 Subdivision 1. **Enterprise sustainability.** The Office of Enterprise Sustainability is  
12.3 established to assist all state agencies in making measurable progress toward improving the  
12.4 sustainability of government operations by reducing the impact on the environment,  
12.5 controlling unnecessary waste of natural resources and public funds, and spurring innovation.  
12.6 The office shall create new tools and share best practices, assist state agencies to plan for  
12.7 and implement improvements, and monitor progress toward achieving intended outcomes.  
12.8 Specific duties include but are not limited to:

12.11 progress and that is updated annually;

12.12 (2) assisting agencies in developing and executing sustainability plans; and

12.13 (3) implementing the state building energy conservation improvement revolving loan

12.16 Subd. 4. **Duties.** (a) The commissioner shall:

12.17 (1) create general grants management policies and procedures that are applicable to all  
12.18 executive agencies. The commissioner may approve exceptions to these policies and  
12.19 procedures ~~for particular grant programs~~. Exceptions shall expire or be renewed after five  
12.20 years. Executive agencies shall retain management of individual grants programs;

12.21 (2) provide a central point of contact concerning statewide grants management policies  
12.22 and procedures;

12.23 (3) serve as a resource to executive agencies in such areas as training, evaluation,  
12.24 collaboration, and best practices in grants management;

12.25 (4) ensure grants management needs are considered in the development, upgrade, and  
12.26 use of statewide administrative systems and leverage existing technology wherever possible;

12.27 (5) oversee and approve future professional and technical service contracts and other  
12.28 information technology spending related to executive agency grants management systems  
12.29 and activities;

12.30 (6) provide a central point of contact for comments about executive agencies violating  
12.31 statewide grants governance policies and about fraud and waste in grants processes;

13.1 (7) forward received comments to the appropriate agency for further action, and may

 13.4 opportunities and resulting grant recipients;

13.5 (9) selectively review development and implementation of executive agency grants,  
 13.6 policies, and practices; and

13.7 (10) selectively review executive agency compliance with best practices.

13.8 (b) The commissioner may determine that it is cost-effective for agencies to develop  
 13.9 and use shared grants management technology systems. This system would be governed  
 13.10 under section 16E.01, subdivision 3, paragraph (b).

13.11 Sec. 18. Minnesota Statutes 2024, section 16B.97, subdivision 5, is amended to read:

13.12 Subd. 5. **Data classification.** Data maintained by the commissioner that identify a person  
 13.13 providing comments to the commissioner under subdivision 4, paragraph (a), clauses (6)  
 13.14 and (7), are private and nonpublic data ~~but may be shared with the executive agency that is~~  
 13.15 ~~the subject of the comments.~~

13.16 Sec. 19. Minnesota Statutes 2024, section 16B.98, subdivision 11, is amended to read:

13.17 Subd. 11. **Encumbrance exception.** Notwithstanding subdivision 5, paragraph (a),  
 13.18 clause ~~(2)~~ (3), or section 16C.05, subdivision 2, paragraph (a), clause (3), agencies may  
 13.19 permit a specifically named, legislatively appropriated, noncompetitive grant recipient to  
 13.20 incur eligible expenses based on an agreed upon work plan and budget for up to 60 days  
 13.21 prior to an encumbrance being established in the accounting system.

 13.25 is convicted of a criminal offense relating to a state grant agreement. "Recipient" includes  
 13.26 individuals, entities, and key personnel of entities, including board members, officers,  
 13.27 executives, employees, or agents with authority over or access to grant funds, and any  
 13.28 individual in a position of fiduciary responsibility related to the grant.

14.1 Sec. 21. **[43A.205] TRAINING EMPLOYEES ON PREVENTING, RECOGNIZING,**  
14.2 **AND REACTING TO FRAUD.**

14.3 The commissioner of management and budget must provide annual training to state  
14.4 employees on preventing, recognizing, and reacting to suspected fraud or misuse of state  
14.5 funds. The training must highlight the legal requirements of the employee to report fraud  
14.6 and must require each employee to sign an acknowledgment that the employee has completed  
14.7 the annual training, and that the employee is aware of the consequences for failing to report  
14.8 fraud and to make a payment on a claim or demand in violation of section 609.455.

14.9 Sec. 22. Minnesota Statutes 2024, section 43A.231, subdivision 5, is amended to read:

14.10 Subd. 5. **Report; savings determination; process for selecting successor pharmacy**  
14.11 **benefit manager.** (a) The commissioner of management and budget, with the assistance of  
14.12 an actuarial consultant, shall compare the following: (1) actual, electronically adjudicated  
14.13 prescription drug costs under the first two years of the contract that begins on January 1,  
14.14 2023, with a pharmacy benefit manager that was selected by the reverse auction; and (2) a  
14.15 projection of what prescription drug costs would have been for those same two years under  
14.16 the pharmacy benefit manager contract in effect from 2018 to 2022, with appropriate  
14.17 adjustment for any adopted formulary or beneficiary utilization changes. The projection  
14.18 must use industry-recognized data sources. The commissioner of management and budget  
14.19 shall report the results of the comparison to the legislative auditor and to the chairs and  
14.20 ranking minority members of the committees in the senate and house of representatives  
14.21 with jurisdiction over state government finance and policy by March 1, 2025.

14.22 (b) The commissioner of management and budget must require the actuarial consultant  
14.23 to take appropriate measures to ensure that the consultant's work is not compromised by a  
14.24 conflict of interest.

14.25 (c) By April 1, 2025, the legislative auditor shall provide a report to the commissioner  
14.26 of management and budget and to the chairs and ranking minority members of the committees  
14.27 in the senate and house of representatives with jurisdiction over state government finance  
14.28 and policy. The legislative auditor's report must make a determination as to whether the  
14.29 commissioner's report accurately performs the comparison required under paragraph (a).

14.30 (d) The technology platform vendor shall provide to the commissioner of management  
14.31 and budget and to the legislative auditor the electronically adjudicated prescription drug  
14.32 data and any other support or assistance required by the commissioner of management and  
14.33 budget to prepare a report and for the legislative auditor to validate the accuracy of the  
14.34 commissioner's results of the comparison, by deadlines established by the commissioner of

15.1 management and budget and the legislative auditor. Individual-identifying data received  
 15.2 from the technology platform vendor is private data on individuals, as defined by section  
 15.3 13.02, subdivision 12.

15.4 (e) If the commissioner of management and budget determines that savings on  
 15.5 prescription drug costs were not achieved, based on the comparison required under paragraph  
 15.6 (a), with appropriate adjustment for any adopted formulary or beneficiary utilization changes,  
 15.7 the commissioner may forego the use of a reverse auction for procurement of a successor  
 15.8 pharmacy benefit manager contract. If the commissioner of management and budget  
 15.9 determines that savings have been achieved, the commissioner must select the successor  
 15.10 pharmacy benefit manager contract using the reverse auction process described in this  
 15.11 section. If the commissioner's comparison in paragraph (a) finds that savings are not achieved,  
 15.12 the commissioner's report under paragraph (a) must include the commissioner's findings  
 15.13 that support a determination that savings were not achieved, analysis of the factors that  
 15.14 caused a failure to achieve savings, and recommendations for how savings could be achieved  
 15.15 in the next contract with a pharmacy benefit manager. If the commissioner's comparison in  
 15.16 paragraph (a) is inconclusive, the commissioner may forego the use of a reverse auction for  
 15.17 procurement of a successor pharmacy benefit manager contract.

15.18 Sec. 23. Minnesota Statutes 2024, section 129D.13, subdivision 1, is amended to read:

15.19 Subdivision 1. **Distribution.** The commissioner shall distribute the money provided by  
 15.20 sections 129D.11 to 129D.13. Annually the commissioner shall make block grants which  
 15.21 shall be distributed in equal amounts to public stations for operational costs. The  
 15.22 commissioner shall allocate money appropriated for the purposes of sections 129D.11 to  
 15.23 129D.13 in such a manner that each eligible public station receives a block grant. In addition,  
 15.24 the commissioner shall make matching grants to public stations. Matching grants shall be  
 15.25 used for operational costs and shall be allocated using the procedure developed for  
 15.26 distribution of state money under this section for grants made in fiscal year 1979. No station's  
 15.27 matching grant in any fiscal year shall exceed the amount of Minnesota-based contributions  
 15.28 received by that station in the previous fiscal year. Grants made pursuant to this subdivision  
 15.29 may only be given to those federally licensed stations that ~~are~~ were certified as eligible for  
 15.30 community service grants through the Corporation for Public Broadcasting in 2024. Grant  
 15.31 funds not expended by a station during the first year of the biennium do not cancel and may  
 15.32 be carried over into the second fiscal year.

16.1 Sec. 24. Minnesota Statutes 2024, section 138.669, is amended to read:

16.2 **138.669 CONTRACTS FOR HISTORIC SITE MANAGEMENT.**

16.3 The Minnesota Historical Society may contract ~~with a county, municipality, or a county~~  
 16.4 ~~or local historical society~~ for the management and operation of sites in the state historic site  
 16.5 network. Notwithstanding section 138.668, the contract may provide for the retention of  
 16.6 admission fees received by the management unit and for grants-in-aid to the management  
 16.7 unit for use in the site's operation and maintenance.

16.8 **EFFECTIVE DATE.** This section is effective the day following final enactment.

16.9 Sec. 25. Minnesota Statutes 2024, section 268.058, subdivision 1, is amended to read:

16.10 Subdivision 1. **Lien.** (a) Any amount due under this chapter or section 116L.20, from  
 16.11 an applicant or an employer, becomes a lien upon all the property, within this state, both  
 16.12 real and personal, of the person liable, from the date of assessment. The term "date of  
 16.13 assessment" means the date the obligation was due.

16.14 (b) The lien is not enforceable against any purchaser, mortgagee, pledgee, holder of a  
 16.15 Uniform Commercial Code security interest, mechanic's lien, or judgment lien creditor,  
 16.16 until a notice of lien has been filed with the county recorder of the county where the property  
 16.17 is situated, or in the case of personal property belonging to a nonresident person in the Office  
 16.18 of the Secretary of State. When the notice of lien is filed with the county recorder, the fee  
 16.19 for filing and indexing is as provided in sections 272.483 and 272.484.

16.20 (c) Notices of liens, lien renewals, and lien releases, in a form prescribed by the  
 16.21 commissioner, may be filed with the county recorder or the secretary of state by mail, or  
 16.22 ~~personal delivery, or by electronic transmission into the computerized filing system of the~~  
 16.23 ~~secretary of state. The secretary of state must, on any notice filed with that office, transmit~~  
 16.24 ~~the notice electronically to the appropriate county recorder. The filing officer, whether the~~  
 16.25 ~~county recorder or the secretary of state, must endorse and index a printout of the notice as~~  
 16.26 ~~if the notice had been mailed or delivered.~~

16.27 (d) County recorders and the secretary of state must enter information on lien notices,  
 16.28 renewals, and releases into the ~~central database of the secretary of state~~ respective databases  
 16.29 established for lien notices, renewals, and releases. ~~For notices filed electronically with the~~  
 16.30 ~~county recorders, the date and time of receipt of the notice and county recorder's file number,~~  
 16.31 ~~and for notices filed electronically with the secretary of state, the secretary of state's recording~~  
 16.32 ~~information, must be entered into the central database before the close of the working day~~  
 16.33 ~~following the day of the original data entry by the commissioner.~~

17.1 (e) The lien imposed on personal property, even though properly filed, is not enforceable  
17.2 against a purchaser of tangible personal property purchased at retail or personal property  
17.3 listed as exempt in sections 550.37, 550.38, and 550.39.

17.4 (f) A notice of lien filed has priority over any security interest arising under chapter 336,  
17.5 article 9, that is perfected prior in time to the lien imposed by this subdivision, but only if:

17.6 (1) the perfected security interest secures property not in existence at the time the notice  
17.7 of lien is filed; and

17.8 (2) the property comes into existence after the 45th calendar day following the day the  
17.9 notice of lien is filed, or after the secured party has actual notice or knowledge of the lien  
17.10 filing, whichever is earlier.

17.11 (g) The lien is enforceable from the time the lien arises and for ten years from the date  
17.12 of filing the notice of lien. A notice of lien may be renewed before expiration for an additional  
17.13 ten years.

17.14 (h) The lien is enforceable by levy under subdivision 2 or by judgment lien foreclosure  
17.15 under chapter 550.

17.16 (i) The lien may be imposed upon property defined as homestead property in chapter  
17.17 510 but may be enforced only upon the sale, transfer, or conveyance of the homestead  
17.18 property.

17.19 (j) The commissioner may sell and assign to a third party the commissioner's right of  
17.20 redemption in specific real property for liens filed under this subdivision. The assignee is  
17.21 limited to the same rights of redemption as the commissioner, except that in a bankruptcy  
17.22 proceeding, the assignee does not obtain the commissioner's priority. Any proceeds from  
17.23 the sale of the right of redemption are credited to the contingent account.

17.24 Sec. 26. [561.015] RACING FACILITIES; IMMUNITY.

17.25 Subdivision 1. Definitions. (a) For purposes of this section, the following terms have  
17.26 the meanings given.

17.27 (b) "Area of the racing facility" means within a three-mile radius of the perimeter of the  
17.28 property or contiguous group of properties where a racing facility is located.

17.29 (c) "Racing facility" means a designated area, facility, or track where competitive vehicle  
17.30 and motorsport races are conducted, including the track, spectator areas, garages, and any  
17.31 associated grounds, buildings, or appurtenances used to operate the races.

18.1 Subd. 2. **Immunity.** A racing facility is immune from any action brought by a surrounding  
 18.2 property owner under any claim of nuisance if the racing facility was built before the  
 18.3 surrounding real property owner either purchased or built the real property in the area of  
 18.4 the racing facility.

18.5 Subd. 3. **Substantial and material expansion.** Subdivision 2 does not apply if the racing  
 18.6 facility makes a substantial and material expansion of operations that results in a significant  
 18.7 increase in the overall intensity of use of the facility, including but not limited to a  
 18.8 demonstrable increase in the number of racing event days beyond historical patterns of  
 18.9 operation existing at the time the person commencing an action acquired or improved the  
 18.10 person's property.

18.11 Subd. 4. **Construction.** Nothing in this section shall be construed to exempt racing  
 18.12 facilities from compliance with state or federal environmental laws or health and safety  
 18.13 regulations.

18.14 Subd. 5. **Preexisting operations; nuisance.** Notwithstanding any other law, a nuisance  
 18.15 action may not be maintained against a lawful preexisting operation based on noise or other  
 18.16 impacts resulting from operations if the use was in existence prior to the claimant acquiring  
 18.17 or improving the affected property. This subdivision does not apply if the operation has  
 18.18 undergone a substantial and material expansion resulting in a significant increase in the  
 18.19 intensity of use relative to historical operations at the time the claimant acquired or improved  
 18.20 the property. Nothing in this subdivision exempts an operation from compliance with  
 18.21 applicable state or federal law.

18.22 **EFFECTIVE DATE.** This section is effective August 1, 2026, and applies to causes  
 18.23 of action commenced on or after that date.

18.24 Sec. 27. **REVISOR INSTRUCTION.**

18.25 The revisor of statutes shall change the section headnote of Minnesota Statutes 2024,  
 18.26 section 16B.32, to "ENERGY AND WATER USE."

18.27 **ARTICLE 2**  
 18.28 **LOCAL GOVERNMENT**

18.29 Section 1. **[15.1711] ATTORNEY GENERAL CIVIL LAW ENFORCEMENT**  
 18.30 **ACTIONS.**

18.31 When the attorney general institutes a civil law enforcement action on behalf of the state  
 18.32 pursuant to any authority granted by common law, the constitution of this state, or any

19.1 provision of law, the attorney general acts in the public interest of the state and not as the  
19.2 legal representative or attorney of any department, agency, board, commission, or other  
19.3 instrumentality of state government, including the executive, legislative, or judicial branches.  
19.4 When the attorney general institutes a civil law enforcement action on behalf of the state,  
19.5 the following apply:

19.6 (1) unless expressly named as a party, other public officers, departments, agencies,  
19.7 boards, commissions, or other instrumentalities of state government are not parties to the  
19.8 civil law enforcement action brought by the attorney general on behalf of the state and are  
19.9 not subject to party discovery in the action;

19.10 (2) the records, documents, data, knowledge, and information of other state departments,  
19.11 agencies, boards, commissions, or other instrumentalities of state government may only be  
19.12 sought by the party adverse to the state in discovery through subpoenas issued to nonparties  
19.13 pursuant to the Rules of Civil Procedure; and

19.14 (3) the records, documents, data, knowledge, and information of other state departments,  
19.15 agencies, boards, commissions, or other instrumentalities of state government are not in the  
19.16 possession, custody, or control of the attorney general except for data collected and retained  
19.17 by the attorney general in anticipation of the civil law enforcement action brought by the  
19.18 attorney general on behalf of the state.

19.19 Sec. 2. Minnesota Statutes 2024, section 16B.97, subdivision 4, is amended to read:

19.20 Subd. 4. **Duties.** (a) The commissioner shall:

19.21 (1) create general grants management policies and procedures that are applicable to all  
19.22 executive agencies. The commissioner may approve exceptions to these policies and  
19.23 procedures for particular grant programs. Exceptions shall expire or be renewed after five  
19.24 years. Executive agencies shall retain management of individual grants programs;

19.25 (2) provide a central point of contact concerning statewide grants management policies  
19.26 and procedures;

19.27 (3) serve as a resource to executive agencies in such areas as training, evaluation,  
19.28 collaboration, and best practices in grants management;

19.29 (4) ensure grants management needs are considered in the development, upgrade, and  
19.30 use of statewide administrative systems and leverage existing technology wherever possible;

20.1 (5) oversee and approve future professional and technical service contracts and other  
 20.2 information technology spending related to executive agency grants management systems  
 20.3 and activities;

 20.11 policies, and practices; ~~and~~

20.12 (10) selectively review executive agency compliance with best practices; and

20.13 (11) provide a standard template summary page for requests for proposals (RFP) that  
 20.14 represent key information about the grant opportunity in a clear and accessible format. The  
 20.15 template must include information regarding the purpose of the program, applicant eligibility,  
 20.16 funding availability and award structure, grant administration requirements, and the  
 20.17 application process. The summary page does not replace or supersede any specific  
 20.18 requirement in the full RFP.

20.19 (b) The commissioner may determine that it is cost-effective for agencies to develop  
 20.20 and use shared grants management technology systems. This system would be governed  
 20.21 under section 16E.01, subdivision 3, paragraph (b).

20.22 Sec. 3. Minnesota Statutes 2024, section 118A.09, subdivision 2, is amended to read:

 20.24 amount described in subdivision 3:

20.25 (1) in index mutual funds based in the United States and indexed to a broad market  
 20.26 United States equity index, on the condition that index mutual fund investments must be

20.28 (2) in shares of a company that:

20.29 (i) is registered with the United States Securities and Exchange Commission;

 21.6 amounts as may be adopted by the board.

21.7 **EFFECTIVE DATE.** This section is effective the day following final enactment.

21.8 Sec. 4. Minnesota Statutes 2024, section 118A.09, is amended by adding a subdivision to  
 21.9 read:

21.10 **Subd. 3a. Housing and redevelopment authorities; investment authority.** A housing  
 21.11 and redevelopment authority created in a county or statutory or home rule charter city that  
 21.12 meets the criteria of subdivision 1, paragraph (a), clause (1) or (2), may invest its funds in  
 21.13 investments that meet the criteria of subdivision 2, clause (2), subject to the limitations and  
 21.14 requirements for qualifying governments under subdivisions 3 and 4.

21.22 (2) the governing body understands the type of funds that are being invested and the  
 21.23 specific investment itself; and

21.24 (3) the governing body certifies that all funds designated for investment through the  
 21.25 State Board of Investment meet the requirements of this section and the policies and  
 21.26 procedures established by the State Board of Investment.

21.27 **EFFECTIVE DATE.** This section is effective the day following final enactment.

21.28 Sec. 6. **[358.155] TOWN CLERK NOTARIZATION.**

34.19 Sec. 42. [462.3599] DATA CENTERS.

34.20 Subdivision 1. Findings and purpose. The legislature finds that nondisclosure  
 34.21 agreements which prevent the public from receiving sufficient information about data center  
 34.22 projects of significant scope and impact on local communities prior to their approval  
 34.23 constitute a detriment to government transparency. It is therefore in the public interest that  
 34.24 such contracts are limited as to not impair public participation in land use decisions.

 34.26 on or after January 1, 2021.

34.27 Subd. 3. Definitions. (a) For purposes of this section, the following terms have the

 35.6 use permit made for the construction of a data center.

 35.8 be solely for the purpose of informing the public of the petition or application. The  
 35.9 municipality must disclose the following information at least 48 hours before the public  
 35.10 hearing:

35.11 (1) the name of the petitioner or applicant;

35.12 (2) the name of the anticipated end user of the proposed data center;

35.13 (3) the location and size of the proposed data center; and

35.14 (4) the estimated scope of utilities necessary for operation of the proposed data center,  
 35.15 including but not limited to fuel lines, sewer, stormwater, and electricity.

35.16 (b) Forty-eight hours before any public meeting held to vote on approval of a petition  
 35.17 or application, the municipality must disclose the information required under paragraph (a).

35.18 (c) A municipality may make the disclosures required under this subdivision by posting  
 35.19 the information on the municipality's website or by making the same information available  
 35.20 for inspection at a reasonable time and place.

35.21 Subd. 6. **Effect of private agreements.** The disclosure requirements under subdivision  
 35.22 5 apply notwithstanding any nondisclosure agreement or other contract signed by a  
 35.23 municipality or an agent of a municipality.

 36.19 the provision must be severed from the other provisions of the contract to the extent that  
 36.20 the provision is void and unenforceable. The fact that the provision is void and unenforceable  
 36.21 does not affect the other provisions of the contract.

36.22 **EFFECTIVE DATE.** This section is effective the day following final enactment and  
 36.23 applies to agreements entered into, renewed, or extended on or after that date.

37.12 (a), the local government official must publicly disclose the contract or agreement.

37.13 **EFFECTIVE DATE.** This section is effective August 1, 2026, and applies to agreements

**462.357 OFFICIAL CONTROLS: ZONING ORDINANCE.**

Subd. 5. **Amendment; certain cities of the first class.** The provisions of this subdivision apply to the adoption or amendment of any portion of a zoning ordinance which changes all or part of the existing classification of a zoning district from residential to either commercial or industrial of a property located in a city of the first class, except a city of the first class in which a different process is provided through the operation of the city's home rule charter. In a city to which this subdivision applies, amendments to a zoning ordinance shall be made in conformance with this section but only after there shall have been filed in the office of the city clerk a written consent of the owners of two-thirds of the several descriptions of real estate situate within 100 feet of the total contiguous descriptions of real estate held by the same owner or any party purchasing any such contiguous property within one year preceding the request, and after the affirmative vote in favor thereof by a majority of the members of the governing body of any such city. The governing body of such city may, by a two-thirds vote of its members, after hearing, adopt a new zoning ordinance without such written consent whenever the planning commission or planning board of such city shall have made a survey of the whole area of the city or of an area of not less than 40 acres, within which the new ordinance or the amendments or alterations of the existing ordinance would take effect when adopted, and shall have considered whether the number of descriptions of real estate affected by such changes and alterations renders the obtaining of such written consent impractical, and such planning commission or planning board shall report in writing as to whether in its opinion the proposals of the governing body in any case are reasonably related to the overall needs of the community, to existing land use, or to a plan for future land use, and shall have conducted a public hearing on such proposed ordinance, changes or alterations, of which hearing published notice shall have been given in a daily newspaper of general circulation at least once each week for three successive weeks prior to such hearing, which notice shall state the time, place and purpose of such hearing, and shall have reported to the governing body of the city its findings and recommendations in writing.
