1.1 A bill for an act

1.2 relating to human services; requiring compliance training for high-risk medical

1.3 assistance providers; requiring disclosure of the use of consultants to prepare

1.4 certain license applications; amending Minnesota Statutes 2025 Supplement,

1.5 sections 245A.04, subdivisions 1, 7; 245A.05; 256B.051, subdivision 6; 256B.0701,

1.6 subdivision 9; proposing coding for new law in Minnesota Statutes, chapter 256B;

1.7 repealing Minnesota Statutes 2025 Supplement, sections 256B.051, subdivision

1.8 6b; 256B.0701, subdivision 11.

1.9 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

1.10 Section 1. Minnesota Statutes 2025 Supplement, section 245A.04, subdivision 1, is

1.11 amended to read:

1.12 Subdivision 1. **Application for licensure.** (a) An individual, organization, or government

1.13 entity that is subject to licensure under section 245A.03 must apply for a license. The

1.14 application must be made on the forms and in the manner prescribed by the commissioner.

1.15 The commissioner shall provide the applicant with instruction in completing the application

1.16 and provide information about the rules and requirements of other state agencies that affect

1.17 the applicant. An applicant seeking licensure in Minnesota with headquarters outside of

1.18 Minnesota must have a program office located within 30 miles of the Minnesota border.

1.19 An applicant who intends to buy or otherwise acquire a program or services licensed under

1.20 this chapter that is owned by another license holder must apply for a license under this

1.21 chapter and comply with the application procedures in this section and section 245A.043.

1.22 The commissioner shall act on the application within 90 working days after a complete

1.23 application and any required reports have been received from other state agencies or

1.24 departments, counties, municipalities, or other political subdivisions. The commissioner

1.25 shall not consider an application to be complete until the commissioner receives all of the

2.1 required information. If the applicant or a controlling individual is the subject of a pending
2.2 administrative, civil, or criminal investigation, the application is not complete until the
2.3 investigation has closed or the related legal proceedings are complete.

2.4 When the commissioner receives an application for initial licensure that is incomplete
2.5 because the applicant failed to submit required documents or that is substantially deficient
2.6 because the documents submitted do not meet licensing requirements, the commissioner
2.7 shall provide the applicant written notice that the application is incomplete or substantially
2.8 deficient. In the written notice to the applicant the commissioner shall identify documents
2.9 that are missing or deficient and give the applicant 45 days to resubmit a second application
2.10 that is substantially complete. An applicant's failure to submit a substantially complete
2.11 application after receiving notice from the commissioner is a basis for license denial under
2.12 section 245A.043.

2.13 (b) An application for licensure must identify all controlling individuals as defined in
2.14 section 245A.02, subdivision 5a, and must designate one individual to be the authorized
2.15 agent. The application must be signed by the authorized agent and must include the authorized
2.16 agent's first, middle, and last name; mailing address; and email address. By submitting an
2.17 application for licensure, the authorized agent consents to electronic communication with
2.18 the commissioner throughout the application process. The authorized agent must be
2.19 authorized to accept service on behalf of all of the controlling individuals. A government
2.20 entity that holds multiple licenses under this chapter may designate one authorized agent
2.21 for all licenses issued under this chapter or may designate a different authorized agent for
2.22 each license. Service on the authorized agent is service on all of the controlling individuals.
2.23 It is not a defense to any action arising under this chapter that service was not made on each
2.24 controlling individual. The designation of a controlling individual as the authorized agent
2.25 under this paragraph does not affect the legal responsibility of any other controlling individual
2.26 under this chapter.

2.27 (c) An applicant or license holder must have a policy that prohibits license holders,
2.28 employees, subcontractors, and volunteers, when directly responsible for persons served
2.29 by the program, from abusing prescription medication or being in any manner under the
2.30 influence of a chemical that impairs the individual's ability to provide services or care. The
2.31 license holder must train employees, subcontractors, and volunteers about the program's
2.32 drug and alcohol policy before the employee, subcontractor, or volunteer has direct contact,
2.33 as defined in section 245C.02, subdivision 11, with a person served by the program.

3.1 (d) An applicant and license holder must have a program grievance procedure that permits
3.2 persons served by the program and their authorized representatives to bring a grievance to
3.3 the highest level of authority in the program.

3.4 (e) The commissioner may limit communication during the application process to the
3.5 authorized agent or the controlling individuals identified on the license application and for
3.6 whom a background study was initiated under chapter 245C. Upon implementation of the
3.7 provider licensing and reporting hub, applicants and license holders must use the hub in the
3.8 manner prescribed by the commissioner. The commissioner may require the applicant,
3.9 except for child foster care, to demonstrate competence in the applicable licensing
3.10 requirements by successfully completing a written examination. The commissioner may
3.11 develop a prescribed written examination format.

3.12 (f) When an applicant is an individual, the applicant must provide:

3.13 (1) the applicant's taxpayer identification numbers including the Social Security number
3.14 or Minnesota tax identification number, and federal employer identification number if the
3.15 applicant has employees;

3.16 (2) at the request of the commissioner, a copy of the most recent filing with the secretary
3.17 of state that includes the complete business name, if any;

3.18 (3) if doing business under a different name, the doing business as (DBA) name, as
3.19 registered with the secretary of state;

3.20 (4) if applicable, the applicant's National Provider Identifier (NPI) number and Unique
3.21 Minnesota Provider Identifier (UMPI) number; and

3.22 (5) at the request of the commissioner, the notarized signature of the applicant or
3.23 authorized agent.

3.24 (g) When an applicant is an organization, the applicant must provide:

3.25 (1) the applicant's taxpayer identification numbers including the Minnesota tax
3.26 identification number and federal employer identification number;

3.27 (2) at the request of the commissioner, a copy of the most recent filing with the secretary
3.28 of state that includes the complete business name, and if doing business under a different
3.29 name, the doing business as (DBA) name, as registered with the secretary of state;

3.30 (3) the first, middle, and last name, and address for all individuals who will be controlling
3.31 individuals, including all officers, owners, and managerial officials as defined in section

4.1 245A.02, subdivision 5a, and the date that the background study was initiated by the applicant
4.2 for each controlling individual;

4.3 (4) if applicable, the applicant's NPI number and UMPI number;

4.4 (5) the documents that created the organization and that determine the organization's
4.5 internal governance and the relations among the persons that own the organization, have
4.6 an interest in the organization, or are members of the organization, in each case as provided
4.7 or authorized by the organization's governing statute, which may include a partnership
4.8 agreement, bylaws, articles of organization, organizational chart, and operating agreement,
4.9 or comparable documents as provided in the organization's governing statute; and

4.10 (6) the notarized signature of the applicant or authorized agent.

4.11 (h) When the applicant is a government entity, the applicant must provide:

4.12 (1) the name of the government agency, political subdivision, or other unit of government
4.13 seeking the license and the name of the program or services that will be licensed;

4.14 (2) the applicant's taxpayer identification numbers including the Minnesota tax
4.15 identification number and federal employer identification number;

4.16 (3) a letter signed by the manager, administrator, or other executive of the government
4.17 entity authorizing the submission of the license application; and

4.18 (4) if applicable, the applicant's NPI number and UMPI number.

4.19 (i) At the time of application for licensure or renewal of a license under this chapter, the
4.20 applicant or license holder must acknowledge on the form provided by the commissioner
4.21 if the applicant or license holder elects to receive any public funding reimbursement from
4.22 the commissioner for services provided under the license that:

4.23 (1) the applicant's or license holder's compliance with the provider enrollment agreement
4.24 or registration requirements for receipt of public funding may be monitored by the
4.25 commissioner as part of a licensing investigation or licensing inspection; and

4.26 (2) noncompliance with the provider enrollment agreement or registration requirements
4.27 for receipt of public funding that is identified through a licensing investigation or licensing
4.28 inspection, or noncompliance with a licensing requirement that is a basis of enrollment for
4.29 reimbursement for a service, may result in:

4.30 (i) a correction order or a conditional license under section 245A.06, or sanctions under
4.31 section 245A.07;

5.1 (ii) nonpayment of claims submitted by the license holder for public program
5.2 reimbursement;

5.3 (iii) recovery of payments made for the service;

5.4 (iv) disenrollment in the public payment program; or

5.5 (v) other administrative, civil, or criminal penalties as provided by law.

5.6 (j) An applicant or license holder who acknowledges under paragraph (i) that the applicant
5.7 or license holder elects to receive any publicly funded reimbursement from the commissioner
5.8 for services provided under the license that are designated by the commissioner as high-risk
5.9 under section 256B.04, subdivision 21, must provide an attestation with the notarized
5.10 signature of the applicant or authorized agent stating whether the applicant or authorized
5.11 agent received from an unaffiliated business or consultant any assistance preparing:

5.12 (1) the application;

5.13 (2) the renewal;

5.14 (3) any documentation or written policies submitted with the application;

5.15 (4) any documentation or written policies submitted with the renewal; or

5.16 (5) any documentation or written policies maintained as a requirement of licensure or
5.17 enrollment as a medical assistance provider.

5.18 Sec. 2. Minnesota Statutes 2025 Supplement, section 245A.04, subdivision 7, is amended
5.19 to read:

5.20 Subd. 7. **Grant of license; license extension.** (a) If the commissioner determines that
5.21 the program complies with all applicable rules and laws, the commissioner shall issue a
5.22 license consistent with this section or, if applicable, a temporary change of ownership license
5.23 under section 245A.043. At minimum, the license shall state:

5.24 (1) the name of the license holder;

5.25 (2) the address of the program;

5.26 (3) the effective date and expiration date of the license;

5.27 (4) the type of license and the specific service the license holder is licensed to provide;

5.28 (5) the maximum number and ages of persons that may receive services from the program;

5.29 and

5.30 (6) any special conditions of licensure.

6.1 (b) The commissioner may issue a license for a period not to exceed two years if:

6.2 (1) the commissioner is unable to conduct the observation required by subdivision 4,
6.3 paragraph (a), clause (3), because the program is not yet operational;

6.4 (2) certain records and documents are not available because persons are not yet receiving
6.5 services from the program; and

6.6 (3) the applicant complies with applicable laws and rules in all other respects.

6.7 (c) A decision by the commissioner to issue a license does not guarantee that any person
6.8 or persons will be placed or cared for in the licensed program.

6.9 (d) Except as provided in paragraphs (i) and (j), the commissioner shall not issue a
6.10 license if the applicant, license holder, or an affiliated controlling individual has:

6.11 (1) been disqualified and the disqualification was not set aside and no variance has been
6.12 granted;

6.13 (2) been denied a license under this chapter or chapter 142B within the past two years;

6.14 (3) had a license issued under this chapter or chapter 142B revoked within the past five
6.15 years; or

6.16 (4) failed to submit the information required of an applicant under subdivision 1,
6.17 paragraph (f), (g), ~~or (h)~~, or (j), after being requested by the commissioner.

6.18 When a license issued under this chapter or chapter 142B is revoked, the license holder
6.19 and each affiliated controlling individual with a revoked license may not hold any license
6.20 under chapter 245A for five years following the revocation, and other licenses held by the
6.21 applicant or license holder or licenses affiliated with each controlling individual shall also
6.22 be revoked.

6.23 (e) Notwithstanding paragraph (d), the commissioner may elect not to revoke a license
6.24 affiliated with a license holder or controlling individual that had a license revoked within
6.25 the past five years if the commissioner determines that (1) the license holder or controlling
6.26 individual is operating the program in substantial compliance with applicable laws and rules
6.27 and (2) the program's continued operation is in the best interests of the community being
6.28 served.

6.29 (f) Notwithstanding paragraph (d), the commissioner may issue a new license in response
6.30 to an application that is affiliated with an applicant, license holder, or controlling individual
6.31 that had an application denied within the past two years or a license revoked within the past
6.32 five years if the commissioner determines that (1) the applicant or controlling individual

7.1 has operated one or more programs in substantial compliance with applicable laws and rules
7.2 and (2) the program's operation would be in the best interests of the community to be served.

7.3 (g) In determining whether a program's operation would be in the best interests of the
7.4 community to be served, the commissioner shall consider factors such as the number of
7.5 persons served, the availability of alternative services available in the surrounding
7.6 community, the management structure of the program, whether the program provides
7.7 culturally specific services, and other relevant factors.

7.8 (h) The commissioner shall not issue or reissue a license under this chapter if an individual
7.9 living in the household where the services will be provided as specified under section
7.10 245C.03, subdivision 1, has been disqualified and the disqualification has not been set aside
7.11 and no variance has been granted.

7.12 (i) Pursuant to section 245A.07, subdivision 1, paragraph (b), when a license issued
7.13 under this chapter has been suspended or revoked and the suspension or revocation is under
7.14 appeal, the program may continue to operate pending a final order from the commissioner.
7.15 If the license under suspension or revocation will expire before a final order is issued, a
7.16 temporary provisional license may be issued provided any applicable license fee is paid
7.17 before the temporary provisional license is issued.

7.18 (j) Notwithstanding paragraph (i), when a revocation is based on the disqualification of
7.19 a controlling individual or license holder, and the controlling individual or license holder
7.20 is ordered under section 245C.17 to be immediately removed from direct contact with
7.21 persons receiving services or is ordered to be under continuous, direct supervision when
7.22 providing direct contact services, the program may continue to operate only if the program
7.23 complies with the order and submits documentation demonstrating compliance with the
7.24 order. If the disqualified individual fails to submit a timely request for reconsideration, or
7.25 if the disqualification is not set aside and no variance is granted, the order to immediately
7.26 remove the individual from direct contact or to be under continuous, direct supervision
7.27 remains in effect pending the outcome of a hearing and final order from the commissioner.

7.28 (k) Unless otherwise specified by statute, all licenses issued under this chapter expire
7.29 at 12:01 a.m. on the day after the expiration date stated on the license. A license holder must
7.30 comply with the requirements in section 245A.10 and be reissued a new license to operate

 8.4 determined that a Tribal licensing authority has established jurisdiction to license the program
 8.5 or service.

 8.7 commissioner of children, youth, and families to enforce this section.
