If the chief law enforcement officer denies a request under this paragraph, the involved officer’s agency must issue a prompt, written denial and provide notice to the deceased individual’s next of kin, legal representative of the next of kin, or other parent of the deceased individual’s children that relief may be sought from the district court.

(c) Notwithstanding section 13.82, subdivision 7, an involved officer’s agency shall release to the public no later than 14 business days after an incident all body-worn camera recordings of the incident where a peace officer used deadly force and an individual died, except that a chief law enforcement officer shall not release the video if the investigating agency asserts in writing that allowing the public to view the recordings would interfere with the ongoing investigation.

(e) Section 13.04, subdivision 2, does not apply to collection of data classified by this subdivision.
Any person may bring an action in the district court located in the county where portable recording system data are being maintained to authorize disclosure of data that are private or nonpublic under this section or to challenge a determination under paragraph (b) to redact or withhold access to portions of data because the data are clearly offensive to common sensibilities. The court may order that all or part of the data be released to the public or to the person bringing the action. The data in dispute must be examined by the court in camera. Subd. 3a. Commissioner, powers and duties. The commissioner of corrections has the following powers and duties:

(a) To accept persons committed to the commissioner by the courts of this state for care, custody, and rehabilitation;

(b) To determine the place of confinement of committed persons in a correctional facility or other facility of the Department of Corrections and to prescribe reasonable conditions and rules for their employment, conduct, instruction, and discipline within or outside the facility; Inmates shall not exercise custodial functions or have authority over other inmates;

(c) To administer the money and property of the department;

(d) To administer, maintain, and inspect all state correctional facilities;

(e) To transfer authorized positions and personnel between state correctional facilities as necessary to properly staff facilities and programs;

(f) To utilize state correctional facilities in the manner deemed to be most efficient and beneficial to accomplish the purposes of this section; but not to close the Minnesota Correctional Facility-St. Cloud or the Minnesota Correctional Facility-St. Cloud without legislative approval. The commissioner may place juveniles and adults at the same state minimum security correctional facilities, if there is total separation of and no regular contact between juveniles and adults, except contact incidental to admission, classification, and mental and physical health care;

(g) To organize the department and employ personnel the commissioner deems necessary to discharge the functions of the department, including a chief executive officer for each
facility under the commissioner's control who shall serve in the unclassified civil service
and may, under the provisions of section 43A.33, be removed only for cause.

(h) To define the duties of these employees and to delegate to them any of the
commissioner's powers, duties and responsibilities, subject to the commissioner's control
and the conditions the commissioner prescribes.

(i) To annually develop a comprehensive set of goals and objectives designed to clearly
establish the priorities of the Department of Corrections. This report shall be submitted to
the governor commencing January 1, 1976. The commissioner may establish ad hoc advisory
committees.

(j) To perform these duties with the goal of promoting public safety. Promoting public
safety includes the promotion of human rights. “Public safety” means reducing or preventing
crime while maintaining the basic rights, freedoms, and privileges that belong to every
person, including the right to dignity, fairness, equality, respect, and freedom from
discrimination, and is achieved by diverting people away from the criminal justice system
whenever possible, imposing sanctions that are the least restrictive necessary to achieve
accountability for the offense, preferring the use of community services to imprisonment
or other confinement unless confinement is necessary to protect the public, and promoting
the rehabilitation of those convicted through the provision of evidence-based programming
and services.

Sec. 4. Minnesota Statutes 2020, section 244.09, subdivision 5, is amended to read:

Subd. 5. Promulgation of Sentencing Guidelines. The commission shall promulgate
Sentencing Guidelines for the district court. The guidelines shall be based on reasonable
offense and offender characteristics. The guidelines promulgated by the commission shall
be advisory to the district court and shall establish:

(1) the circumstances under which imprisonment of an offender is proper; and
(2) a presumptive, fixed sentence for offenders for whom imprisonment is proper, based
on each appropriate combination of reasonable offense and offender characteristics. The
guidelines shall provide for an increase of 20 percent and a decrease of 15 percent in the
presumptive, fixed sentence.

The Sentencing Guidelines promulgated by the commission may also establish appropriate
sanctions for offenders for whom imprisonment is not proper. Any guidelines promulgated
by the commission establishing sanctions for offenders for whom imprisonment is not proper
shall make specific reference to noninstitutional sanctions, including but not limited to the
following: payment of fines, day fines, restitution, community work orders, work release
programs in local facilities, community based residential and nonresidential programs;
incarceration in a local correctional facility; and probation and the conditions thereof.
Although the Sentencing Guidelines are advisory to the district court, the court shall follow the procedures of the guidelines when it pronounces sentence in a proceeding to which the guidelines apply by operation of statute. Sentencing pursuant to the Sentencing Guidelines is not a right that accrues to a person convicted of a felony; it is a procedure based on state public policy to maintain uniformity, proportionality, rationality, and predictability in sentencing.

In establishing and modifying the Sentencing Guidelines, the primary consideration of the commission shall be public safety. "Public safety" means reducing or preventing crime while maintaining the basic rights, freedoms, and privileges that belong to every person, including the right to dignity, fairness, equality, respect, and freedom from discrimination, and is achieved by diverting people away from the criminal justice system whenever possible; imposing sanctions that are the least restrictive necessary to achieve accountability for the offense; preferring the use of community services to imprisonment or other confinement unless confinement is necessary to protect the public, and promoting the rehabilitation of those convicted through the provision of evidence-based programming and services. Promoting public safety includes the promotion of human rights. The commission shall also consider current sentencing and release practices; correctional resources, including but not limited to the capacities of local and state correctional facilities; and the long-term negative impact of the crime on the community.

The provisions of sections 14.001 to 14.69 do not apply to the promulgation of the Sentencing Guidelines; and the Sentencing Guidelines, including severity levels and criminal history scores, are not subject to review by the legislative commission to review administrative rules. However, the commission shall adopt rules pursuant to sections 14.001 to 14.69 which establish procedures for the promulgation of the Sentencing Guidelines, including procedures for the promulgation of severity levels and criminal history scores, and these rules shall be subject to review by the Legislative Coordinating Commission.

the least restrictive necessary to protect the public, and promoting the rehabilitation of those

The rules of evidence promulgated pursuant to section 480.0591 and the law of evidence shall apply in adjudicatory proceedings involving a child alleged to be delinquent, an extended jurisdiction juvenile, or a juvenile petty offender, and hearings

EFFECTIVE DATE. This section is effective August 1, 2022, and applies to crimes committed on or after that date.
conducted pursuant to section 260B.125 except to the extent that the rules themselves provide
that they do not apply:

(b) When a continuance or adjournment is ordered in any proceeding, the court may
make any interim orders as it deems in the best interests of the minor in accordance with
the provisions of sections 260B.001 to 260B.421:

(c) Except as otherwise provided in this paragraph, the court shall exclude the general
public from hearings under this chapter and shall admit only those persons who, in the
discretion of the court, have a direct interest in the case or in the work of the court. The
court shall permit the victim of a child's delinquent act to attend any related delinquency
proceeding, except that the court may exclude the victim:

(1) as a witness under the Rules of Criminal Procedure; and

(2) from portions of a certification hearing to discuss psychological material or other

The court shall open the hearings to the public in delinquency or extended jurisdiction
juvenile proceedings where the child is alleged to have committed an offense or has been

exclude the public from portions of a certification hearing to discuss psychological material
or other evidence that would not be accessible to the public in an adult proceeding;

(d) In all delinquency cases a person named in the charging clause of the petition as a
person directly damaged in person or property shall be entitled, upon request, to be notified
by the court administrator in writing, at the named person's last known address: (1) the

Sec. 14. Minnesota Statutes 2020, section 260B.176, is amended by adding a subdivision
to read:

Subd. 1a. Risk assessment instrument. If a peace officer or probation or parole officer
who took a child into custody does not release the child as provided in subdivision 1, the
peace officer or probation or parole officer shall communicate with or deliver the child to
a juvenile secure detention facility to determine whether the child should be released or
detained. Before detaining a child, the supervisor of the facility shall use an objective and
racially, ethnically, and gender-responsive juvenile detention risk assessment instrument
developed by the commissioner of corrections, county, group of counties, or judicial district,
in consultation with the state coordinator or coordinators of the Minnesota Juvenile Detention
Alternatives Initiative. The risk assessment instrument must assess the likelihood that a
child released from preadjudication detention under this section or section 260B.178 would
endanger others or not return for a court hearing. The instrument must identify the appropriate
setting for a child who might endanger others or not return for a court hearing pending
adjudication, with either continued detention or placement in a noncustodial community-based supervision setting. The instrument must also identify the type of noncustodial community-based supervision setting necessary to minimize the risk that a child who is released from custody will endanger others or not return for a court hearing.

If, after using the instrument, a determination is made that the child should be released, the person taking the child into custody or the supervisor of the facility shall release the child as provided in subdivision 1.

**EFFECTIVE DATE.** This section is effective August 15, 2022.

Sec. 15. Minnesota Statutes 2020, section 260B.176, subdivision 2, is amended to read:

Subd. 2. Reasons for detention. (a) If the child is not released as provided in subdivision 1, the person taking the child into custody shall notify the court as soon as possible of the detention of the child and the reasons for detention.

(b) No child may be detained in a secure detention facility after being taken into custody for a delinquent act as defined in section 260B.007, subdivision 6, unless the child is over the age of 12.

(c) No child may be detained in a juvenile secure detention facility or shelter care facility longer than 36 hours, excluding Saturdays, Sundays, and holidays, after being taken into custody for a delinquent act as defined in section 260B.007, subdivision 6, unless a petition has been filed and the judge or referee determines pursuant to section 260B.178 that the child shall remain in detention.

(d) No child may be detained in an adult jail or municipal lockup longer than 24 hours, excluding Saturdays, Sundays, and holidays, or longer than six hours in an adult jail or municipal lockup in a standard metropolitan statistical area, after being taken into custody for a delinquent act as defined in section 260B.007, subdivision 6, unless:

1. a petition has been filed under section 260B.141; and
2. a judge or referee has determined under section 260B.178 that the child shall remain in detention.

After August 1, 1991, no child described in this paragraph may be detained in an adult jail or municipal lockup longer than 24 hours, excluding Saturdays, Sundays, and holidays, or longer than six hours in an adult jail or municipal lockup in a standard metropolitan statistical area, unless the requirements of this paragraph have been met and, in addition, a motion to refer the child for adult prosecution has been made under section 260B.125.

Notwithstanding this paragraph, continued detention of a child in an adult detention facility outside of a standard metropolitan statistical area county is permissible if
(i) the facility in which the child is detained is located where conditions of distance to be traveled or other ground transportation do not allow for court appearances within 24 hours. A delay not to exceed 48 hours may be made under this clause; or

(ii) the facility is located where conditions of safety exist. Time for an appearance may be delayed until 24 hours after the time that conditions allow for reasonably safe travel. "Conditions of safety" include adverse life-threatening weather conditions that do not allow for reasonably safe travel.

The continued detention of a child under clause (i) or (ii) must be reported to the commissioner of corrections.

(d)

If a child described in paragraph (c) is to be detained in a jail beyond 24 hours, excluding Saturdays, Sundays, and holidays, the judge or referee, in accordance with rules and procedures established by the commissioner of corrections, shall notify the commissioner of the place of the detention and the reasons therefor. The commissioner shall thereupon assist the court in the relocation of the child in an appropriate juvenile secure detention facility or approved jail within the county or elsewhere in the state, or in determining suitable alternatives. The commissioner shall direct that a child detained in a jail be detained after eight days from and including the date of the original detention order in an approved juvenile secure detention facility with the approval of the administrative authority of the facility. If the court refers the matter to the prosecuting authority pursuant to section 260B.125, notice to the commissioner shall not be required.

(e)

When a child is detained for an alleged delinquent act in a state licensed juvenile facility or program, or when a child is detained in an adult jail or municipal lockup as provided in paragraph (d), the supervisor of the facility shall, if the child's parent or legal guardian consents, have a children's mental health screening conducted with a screening instrument approved by the commissioner of human services, unless a screening has been performed within the previous 180 days or the child is currently under the care of a mental health professional. The screening shall be conducted by a mental health practitioner as defined in section 245.4871, subdivision 26, or a probation officer who is trained in the use of the screening instrument. The screening shall be conducted after the initial detention hearing has been held and the court has ordered the child continued in detention. The results of the screening may only be presented to the court at the dispositional phase of the court proceedings on the matter unless the parent or legal guardian consents to presentation at a different time. If the screening indicates a need for assessment, the local social services agency or probation officer, with the approval of the child's parent or legal guardian, shall have a diagnostic assessment conducted, including a functional assessment, as defined in section 245.4871.

Sec. 16. Minnesota Statutes 2020, section 260C.007, subdivision 6, is amended to read:

Subd. 6. Child in need of protection or services. "Child in need of protection or services" means a child who is in need of protection or services because the child:
(1) is abandoned or without parent, guardian, or custodian;

(2)(i) has been a victim of physical or sexual abuse as defined in section 260E.03;

subdivision 18 or 20, (ii) resides with or has resided with a victim of child abuse as defined in subdivision 5 or domestic child abuse as defined in subdivision 13, (iii) resides with or would reside with a perpetrator of domestic child abuse as defined in subdivision 13 or child abuse as defined in subdivision 5 or 13, or (iv) is a victim of emotional maltreatment as defined in subdivision 15;

(4) is without the special care made necessary by a physical, mental, or emotional condition because the child's parent, guardian, or custodian is unable or unwilling to provide that care;

(5) is medically neglected, which includes, but is not limited to, the withholding of medically indicated treatment from an infant with a disability with a life-threatening condition. The term "withholding of medically indicated treatment" means the failure to respond to the infant's life-threatening conditions by providing treatment, including appropriate nutrition, hydration, and medication which, in the treating physician's or advanced practice registered nurse's reasonable medical judgment, will be most likely to be effective in ameliorating or correcting all conditions, except that the term does not include the failure to provide treatment other than appropriate nutrition, hydration, or medication to an infant when, in the treating physician's or advanced practice registered nurse's reasonable medical judgment:

(i) the infant is chronically and irreversibly comatose;

(ii) the provision of the treatment would merely prolong dying, not be effective in ameliorating or correcting all of the infant's life-threatening conditions, or otherwise be futile in terms of the survival of the infant; or

(iii) the provision of the treatment would be virtually futile in terms of the survival of the infant and the treatment itself under the circumstances would be inhumane;

(6) is one whose parent, guardian, or other custodian for good cause desires to be relieved of the child's care and custody, including a child who entered foster care under a voluntary placement agreement between the parent and the responsible social services agency under section 260C.227;

(7) has been placed for adoption or care in violation of law;

(8) is without proper parental care because of the emotional, mental, or physical disability, or state of immaturity of the child's parent, guardian, or other custodian;
(9) is one whose behavior, condition, or environment is such as to be injurious or
dangerous to the child or others. An injurious or dangerous environment may include, but
is not limited to, the exposure of a child to criminal activity in the child’s home;
(10) is experiencing growth delays, which may be referred to as failure to thrive, that
have been diagnosed by a physician and are due to parental neglect;
(11) is a sexually exploited youth;
(12) has committed a delinquent act or a juvenile petty offense before becoming 13
years old;
(13) is a runaway;
(14) is a habitual truant;
(15) has been found incompetent to proceed or has been found not guilty by reason of
mental illness or mental deficiency in connection with a delinquency proceeding, a
certification under section 260B.125, an extended jurisdiction juvenile prosecution, or a
proceeding involving a juvenile petty offense; or
(16) has a parent whose parental rights to one or more other children were involuntarily
terminated or whose custodial rights to another child have been involuntarily transferred to
a relative and there is a case plan prepared by the responsible social services agency
documenting a compelling reason why filing the termination of parental rights petition under
section 260C.503, subdivision 2, is not in the best interests of the child.
Sec. 17. [299C.097] DATABASE FOR IDENTIFYING INDIVIDUALS ELIGIBLE
FOR EXPUNGEMENT.
(a) The superintendent of the Bureau of Criminal Apprehension shall maintain a
computerized data system relating to petty misdemeanor and misdemeanor offenses that
may become eligible for expungement pursuant to section 609A.015, do not require
fingerprinting pursuant to section 299C.10, and are not linked to an arrest record in the
criminal history system.
(b) This data is private data on individuals under section 13.02, subdivision 12.
EFFECTIVE DATE. This section is effective January 1, 2024.
Sec. 18. Minnesota Statutes 2020, section 299C.10, subdivision 1, is amended to read:
Subdivision 1. Required fingerprinting: (a) Sheriffs, peace officers, and community
corrections agencies operating secure juvenile detention facilities shall take or cause to be
taken immediately finger and thumb prints; photographs; distinctive physical mark
identification data; information on any known aliases or street names; and other identification
data requested or required by the superintendent of the bureau of the following:
persons arrested for, appearing in court on a charge of, or convicted of a felony, gross misdemeanor, or targeted misdemeanor;

(2) juveniles arrested for, appearing in court on a charge of, adjudicated delinquent for, or alleged to have committed felonies or gross misdemeanors as distinguished from those committed by adult offenders;

(3) adults and juveniles admitted to jails or detention facilities;

(4) persons reasonably believed by the arresting officer to be fugitives from justice;

(5) persons in whose possession, when arrested, are found concealed firearms or other dangerous weapons, burglar tools or outfits, high-power explosives, or articles, machines, or appliances usable for an unlawful purpose and reasonably believed by the arresting officer to be intended for such purposes;

(6) juveniles referred by a law enforcement agency to a diversion program for a felony or gross misdemeanor offense; and

(7) persons currently involved in the criminal justice process, on probation, on parole, or in custody for any offense whom the superintendent of the bureau identifies as being the subject of a court disposition record which cannot be linked to an arrest record, and whose fingerprints are necessary to reduce the number of suspense files, or to comply with the mandates of section 299C.111, relating to the reduction of the number of suspense files.

This duty to obtain fingerprints for the offenses in suspense at the request of the bureau shall include the requirement that fingerprints be taken in post-arrest interviews, while making court appearances, while in custody, or while on any form of probation, diversion, or supervised release.

(b) Unless the superintendent of the bureau requires a shorter period, within 24 hours of taking the fingerprints and data, the fingerprint records and other identification data specified under paragraph (a) must be electronically entered into a bureau-managed searchable database in a manner as may be prescribed by the superintendent.

(c) Prosecutors, courts, and probation officers and their agents, employees, and subordinates shall attempt to ensure that the required identification data is taken on a person described in paragraph (a). Law enforcement may take fingerprints of an individual who is presently on probation.

(d) Finger and thumb prints must be obtained no later than:

(1) release from booking; or

(2) if not booked prior to acceptance of a plea of guilty or not guilty.
Prior to acceptance of a plea of guilty or not guilty, an individual's finger and thumb prints must be submitted to the Bureau of Criminal Apprehension for the offense. If finger and thumb prints have not been successfully received by the bureau, an individual may, upon order of the court, be taken into custody for no more than eight hours so that the taking of prints can be completed. Upon notice and motion of the prosecuting attorney, this time period may be extended upon a showing that additional time in custody is essential for the successful taking of prints.

(e) For purposes of this section, a targeted misdemeanor is a misdemeanor violation of section 169A.20 (driving while impaired), 518B.01 (order for protection violation), 609.224 (fifth-degree assault), 609.2242 (domestic assault), 609.746 (interference with privacy), 609.748 (harassment or restraining order violation), 609.749 (obscene or harassing telephone calls), 617.23 (indecent exposure), or 629.75 (domestic abuse no contact order).

A copy of the report shall be kept on file in the office of the court administrator.

EFFECTIVE DATE. This section is effective January 1, 2024.

Sec. 21. Minnesota Statutes 2020, section 609A.01, is amended to read:

609A.01 EXPUNGEMENT OF CRIMINAL RECORDS.

This chapter provides the grounds and procedures for expungement of criminal records under section 13.82, 152.18, subdivision 1; 299C.11, where expungement is automatic under section 609A.015; or a petition is authorized under section 609A.02, subdivision 3; or other applicable law. The remedy available is limited to a court order sealing the records and
prohibiting the disclosure of their existence or their opening except under court order or statutory authority. Nothing in this chapter authorizes the destruction of records or their return to the subject of the records.

EFFECTIVE DATE. This section is effective January 1, 2024.

Sec. 22. [609A.015] AUTOMATIC EXPUNGEMENT OF RECORDS.

Subdivision 1. Eligibility; dismissal; exoneration. A person who is the subject of a criminal record or delinquency record is eligible for a grant of expungement relief without the filing of a petition:

1. if the person was arrested and all charges were dismissed after a case was filed unless dismissal was based on a finding that the defendant was incompetent to proceed; or
2. if all pending actions or proceedings were resolved in favor of the person.

For purposes of this chapter, a verdict of not guilty by reason of mental illness is not a resolution in favor of the person. For purposes of this chapter, an action or proceeding is resolved in favor of the person if the petitioner received an order under section 590.11 determining that the person is eligible for compensation based on exoneration.

Subd. 2. Eligibility; diversion and stay of adjudication. A person is eligible for a grant of expungement relief if the person has successfully completed the terms of a diversion program or stay of adjudication for an offense that is not a felony or a gross misdemeanor violation of section 609.3451, subdivision 1a, and has not been petitioned or charged with a new offense, other than an offense that would be a petty misdemeanor, for one year immediately following completion of the diversion program or stay of adjudication.

Subd. 3. Eligibility; certain criminal and delinquency proceedings. (a) A person is eligible for a grant of expungement relief if the person:

1. was adjudicated delinquent for, convicted of, or received a stayed sentence for a qualifying offense;
2. has not been convicted of a new offense, other than an offense that would be a petty misdemeanor, in Minnesota during the applicable waiting period immediately following discharge of the disposition or sentence for the crime; and
3. is not charged with an offense in Minnesota at the time the person reaches the end of the applicable waiting period.

(b) As used in this subdivision, "qualifying offense" means an adjudication, conviction, or stayed sentence for:
(1) any petty misdemeanor offense other than a violation of a traffic regulation relating to the operation or parking of motor vehicles;

(2) any misdemeanor offense other than:

(i) section 169A.20 under the terms described in section 169A.27 (fourth-degree driving while impaired);

(iv) section 609.2242 (domestic assault);

(v) section 609.78 (violation of a harassment restraining order);

(vi) section 609.78 (interference with emergency call);

(vii) section 609.79 (obscene or harassing phone calls);

(viii) section 617.23 (indecent exposure);

(ix) section 609.746 (interference with privacy); or

(x) section 629.75 (violation of domestic abuse no contact order); or

(3) any gross misdemeanor offense other than:

(i) section 169A.25 (second-degree driving while impaired);

(ii) section 169A.26 (third-degree driving while impaired);

(iii) section 518B.01, subdivision 14 (violation of an order for protection);

(iv) section 609.2231 (assault in the fourth degree);

(v) section 609.224 (assault in the fifth degree);

(vi) section 609.2242 (domestic assault);

(d) Felony offenses deemed to be a gross misdemeanor or misdemeanor pursuant to
section 609.13, subdivision 1, remain ineligible for expungement under this section. Gross
misdemeanor offenses ineligible for a grant of expungement under this section remain
ineligible if deemed to be for a misdemeanor pursuant to section 609.13, subdivision 2.

Subd. 4. Notice. (a) The court shall notify a person who may become eligible for an
automatic expungement under this section of that eligibility at any hearing where the court
dismisses and discharges proceedings against a person under section 152.18, subdivision
1, for violation of section 152.024, 152.025, or 152.027 for possession of a controlled
substance; concludes that all pending actions or proceedings were resolved in favor of the

otherwise imposes a consequence for a qualifying offense.

(b) To the extent possible, prosecutors, defense counsel, supervising agents, and
coordinators or supervisors of a diversion program shall notify a person who may become
eligible for an automatic expungement under this section of that eligibility.

(c) If any party gives notification under this subdivision, the notification shall inform
the person that:
(1) an expunged record of a conviction may be opened for purposes of a background
study by the Department of Human Services under section 245C.08 and for purposes of a
background check by the Professional Educator Licensing and Standards Board as required under section 122A.18, subdivision 8.

(2) an expunged record of conviction does not restore the right to ship, transport, possess, or receive a firearm, but the person may seek a relief of disability under United States Code, title 18, section 925, or restoration of the ability to possess firearms under section 609.165, subdivision 1d; and

(3) the person can file a petition pursuant to section 609A.03 to expunge the record and request that it be directed to the commissioner of human services and the Professional Educator Licensing and Standards Board.

Subd. 5. Bureau of Criminal Apprehension to identify eligible persons and grant expungement relief. (a) The Bureau of Criminal Apprehension shall identify adjudications and convictions that qualify for a grant of expungement relief pursuant to this subdivision or subdivision 1, 2, or 3.

(b) In making the determination under paragraph (a), the Bureau of Criminal Apprehension shall identify individuals who are the subject of relevant records through the use of fingerprints and thumbprints where fingerprints and thumbprints are available. Where fingerprints and thumbprints are not available, the Bureau of Criminal Apprehension shall identify individuals through the use of the person's name and date of birth. Records containing the same name and date of birth shall be presumed to refer to the same individual unless other evidence establishes, by a preponderance of the evidence, that they do not refer to the same individual. The Bureau of Criminal Apprehension is not required to review any other evidence in making its determination.

(c) The Bureau of Criminal Apprehension shall grant expungement relief to qualifying persons and seal the bureau's records without requiring an application, petition, or motion. Records shall be sealed 60 days after notice is sent to the judicial branch pursuant to paragraph (e) unless an order of the judicial branch prohibits sealing the records or additional information establishes that the records are not eligible for expungement.

(d) Nonpublic criminal records maintained by the Bureau of Criminal Apprehension and subject to a grant of expungement relief shall display a notation stating "expungement relief granted pursuant to section 609A.015."

(e) The Bureau of Criminal Apprehension shall inform the judicial branch of all cases for which expungement relief was granted pursuant to this section. Notification may be through electronic means and may be made in real time or in the form of a monthly report. Upon receipt of notice, the judicial branch shall seal all records relating to an arrest, indictment or information, trial, verdict, or dismissal and discharge for any case in which expungement relief was granted and shall issue any order deemed necessary to achieve this purpose.
(f) Unless an order issued under paragraph (e) notifies the law enforcement agency that
made the arrest or issued the citation, the Bureau of Criminal Apprehension shall inform
each arresting or citing law enforcement agency whose records are affected by the grant of
expungement relief that expungement has been granted. Notification shall be made at the
time and under the conditions described in paragraph (c), except that notice may be sent in
real time or in the form of a monthly report sent no more than 30 days after the expiration
of the deadline established in paragraph (c). Notification may be through electronic means.
Each notified law enforcement agency shall seal all records relating to an arrest, indictment
or information, trial, verdict, or dismissal and discharge for any case in which expungement
relief was granted.

(g) Data on the person whose offense has been expunged under this subdivision, including
any notice sent pursuant to paragraph (f), are private data on individuals as defined in section
13.02, subdivision 12.

(h) The prosecuting attorney shall notify the victim that an offense qualifies for automatic
expungement under this section in the manner provided in section 611A.03, subdivisions
1 and 2.

(i) In any subsequent prosecution of a person granted expungement relief, the expunged
criminal record may be pleaded and has the same effect as if the relief had not been granted.

(j) The Bureau of Criminal Apprehension is directed to develop, modify, or update a
system to provide criminal justice agencies with uniform statewide access to criminal records
sealed by expungement.

(k) A grant of expungement under this section does not entitle a person to ship, transport,
possess, or receive a firearm. A person whose conviction is expunged under this section
may seek a relief of disability under United States Code, title 18, section 925, or restoration
of the ability to possess firearms under section 609.165, subdivision 1d.

Subd. 6. Immunity from civil liability. Employees of the Bureau of Criminal
Apprehension shall not be held civilly liable for the exercise or the failure to exercise, or
the decision to exercise or the decision to decline to exercise, the powers granted by this
section or for any act or omission occurring within the scope of the performance of their
duties under this section.

EFFECTIVE DATE. This section is effective January 1, 2024, and applies to offenses
that meet the eligibility criteria on or after that date and retroactively to offenses that met
those qualifications before January 1, 2024, and are stored in the Bureau of Criminal
Apprehension's criminal history system as of January 1, 2024.

Sec. 23. Minnesota Statutes 2020, section 609A.03, subdivision 5, is amended to read:

Subd. 5. Nature of remedy; standard. (a) Except as otherwise provided by paragraph
(b), expungement of a criminal record under this section is an extraordinary remedy to be
granted only upon clear and convincing evidence that it would yield a benefit to the petitioner
commensurate with the disadvantages to the public and public safety of:

(1) sealing the record; and

(2) burdening the court and public authorities to issue, enforce, and monitor an
expungement order.

(b) Except as otherwise provided by this paragraph, if the petitioner is petitioning for
the sealing of a criminal record under section 609A.02, subdivision 3, paragraph (a), clause
(1) or (2), the court shall grant the petition to seal the record unless the agency or jurisdiction
whose records would be affected establishes by clear and convincing evidence that the
interests of the public and public safety outweigh the disadvantages to the petitioner of not
sealing the record.

(c) In making a determination under this subdivision, the court shall consider:

(1) the nature and severity of the underlying crime, the record of which would be sealed;

(2) the risk, if any, the petitioner poses to individuals or society;

(3) the length of time since the crime occurred;

(4) the steps taken by the petitioner toward rehabilitation following the crime;

(5) aggravating or mitigating factors relating to the underlying crime, including the
petitioner's level of participation and context and circumstances of the underlying crime;

(6) the reasons for the expungement, including the petitioner's attempts to obtain
employment, housing, or other necessities;

(7) the petitioner's criminal record;

(8) the petitioner's record of employment and community involvement;

(9) the recommendations of interested law enforcement, prosecutorial, and corrections
officials;

(10) the recommendations of victims or whether victims of the underlying crime were
minors;

(11) the amount, if any, of restitution outstanding, past efforts made by the petitioner
toward payment, and the measures in place to help ensure completion of restitution payment
after expungement of the record if granted; and

(12) other factors deemed relevant by the court;
(d) Notwithstanding section 13.82, 13.87, or any other law to the contrary, if the court issues an expungement order it may require that the criminal record be sealed, the existence of the record not be revealed, and the record not be opened except as required under subdivision 7. Records must not be destroyed or returned to the subject of the record.

(e) Information relating to a criminal history record of an employee, former employee, or tenant that has been expunged before the occurrence of the act giving rise to the civil action may not be introduced as evidence in a civil action against a private employer or landlord or its employees or agents that is based on the conduct of the employee, former employee, or tenant.

**EFFECTIVE DATE.** This section is effective January 1, 2024.

Sec. 24. Minnesota Statutes 2021 Supplement, section 609A.03, subdivision 7a, is amended to read:

Subd. 7a. Limitations of order effective January 1, 2015, and later.

(a) Upon issuance of an expungement order related to a charge supported by probable cause, the DNA samples and DNA records held by the Bureau of Criminal Apprehension and collected under authority shall not be sealed, returned to the subject of the record, or destroyed.

(b) Notwithstanding the issuance of an expungement order:

(1) except as provided in clause (2), an expunged record may be opened, used, or exchanged between criminal justice agencies without a court order for the purposes of initiating, furthering, or completing a criminal investigation or prosecution or for sentencing purposes or providing probation or other correctional services;

(2) when a criminal justice agency seeks access to a record that was sealed under section 609A.02, subdivision 3, paragraph (a), clause (1); after an acquittal or a court order dismissing for lack of probable cause; for purposes of a criminal investigation, prosecution, or sentencing the requesting agency must obtain an ex parte court order after stating a good-faith basis to believe that opening the record may lead to relevant information;

(3) an expunged record of a conviction may be opened for purposes of evaluating a prospective employee in a criminal justice agency without a court order;

(4) an expunged record of a conviction may be opened for purposes of a background study under section 245C.08 unless the commissioner had been properly served with notice of the petition for expungement and the court order for expungement is directed specifically to the commissioner of human services.
(5) an expunged record of a conviction may be opened for purposes of a background check required under section 122A.18, subdivision 8, unless the court order for expungement is directed specifically to the Professional Educator Licensing and Standards Board;

(6) the court may order an expunged record opened upon request by the victim of the underlying offense if the court determines that the record is substantially related to a matter for which the victim is before the court;

(7) a prosecutor may request and the district court shall provide certified records of conviction for a record expunged pursuant to sections 609A.015, 609A.02, and 609A.025, and the certified records of conviction may be disclosed and introduced in criminal court proceedings as provided by the rules of court and applicable law; and

(8) the subject of an expunged record may request and the court shall provide certified or uncertified records of conviction for a record expunged pursuant to sections 609A.015, 609A.02, and 609A.025.

(c) An agency or jurisdiction subject to an expungement order shall maintain the record in a manner that provides access to the record by a criminal justice agency under paragraph (b), clause (1) or (2), but notifies the recipient that the record has been sealed. The Bureau of Criminal Apprehension shall notify the commissioner of human services or the Professional Educator Licensing and Standards Board of the existence of a sealed record and of the right to obtain access under paragraph (b), clause (4) or (5). Upon request, the agency or jurisdiction subject to the expungement order shall provide access to the record to the commissioner of human services or the Professional Educator Licensing and Standards Board under paragraph (b), clause (4) or (5).

(d) An expunged record that is opened or exchanged under this subdivision remains subject to the expungement order in the hands of the person receiving the record.

(e) A criminal justice agency that receives an expunged record under paragraph (b), clause (1) or (2), must maintain and store the record in a manner that restricts the use of the record to the investigation, prosecution, or sentencing for which it was obtained.

(f) For purposes of this section, a "criminal justice agency" means a court or government agency that performs the administration of criminal justice under statutory authority.

(g) This subdivision applies to expungement orders subject to its limitations and effective on or after January 1, 2015, and grants of expungement relief issued on or after January 1, 2024.

EFFECTIVE DATE. This section is effective January 1, 2024.

Subd. 9. Stay of order; appeal. An expungement order issued under this section shall be stayed automatically for 60 days after the order is filed and, if the order is appealed, during the appeal period. A person or an agency or jurisdiction whose records would be affected by the order may appeal the order within 60 days of service of notice of filing of the order. An agency or jurisdiction or its officials or employees need not file a cost bond or supersedeas bond in order to further stay the proceedings or file an appeal.  

EFFECTIVE DATE. This section is effective January 1, 2024.

Sec. 26. Minnesota Statutes 2020, section 611A.03, subdivision 1, is amended to read:  

Subdivision 1. Plea agreements; notification of victim. Prior to the entry of the factual basis for a plea pursuant to a plea agreement recommendation, a prosecuting attorney shall make a reasonable and good faith effort to inform the victim of:  

(1) the contents of the plea agreement recommendation, including the amount of time recommended for the defendant to serve in jail or prison if the court accepts the agreement; and  

(2) the right to be present at the sentencing hearing and at the hearing during which the plea is presented to the court and to express orally or in writing, at the victim's option, any objection to the agreement or to the proposed disposition. If the victim is not present when the court considers the recommendation, but has communicated objections to the prosecuting attorney, the prosecuting attorney shall make these objections known to the court; and  

(3) the eligibility of the offense for automatic expungement pursuant to section 609A.015.  

EFFECTIVE DATE. This section is effective January 1, 2024, and applies to plea agreements entered into on or after that date.

Sec. 27. Minnesota Statutes 2020, section 638.01, is amended to read:  

638.01 BOARD OF PARDONS; HOW CONSTITUTED; POWERS.  

The Board of Pardons shall consist of the governor, the chief justice of the supreme court, and the attorney general. The governor, in conjunction with the board, may grant pardons and commutes and commute the sentence of any person convicted of any offense against the laws of the this state, in the manner and under the conditions and rules herein prescribed, but not otherwise in this chapter. A majority vote of the board is required for pardons and commutations with the governor in that majority.

Sec. 28. [638.09] CLEMENCY REVIEW COMMISSION.  

(a) Notwithstanding the provisions of chapter 15, the Clemency Review Commission is established to review applications for pardons or commutations before they are considered
by the Board of Pardons. By majority vote, the commission shall make a recommendation on each eligible application as to whether it should be granted or denied. The commission shall provide its recommendations to the board with the vote of each commission member reported in writing.

(b) The commission shall consist of nine members, each serving a four-year term. The governor, the attorney general, and the chief justice of the supreme court shall each appoint three members and replace members upon expiration of the members' terms. In the event of a vacancy, the board member who selected the previous incumbent shall make an interim appointment to expire at the end of the prior incumbent’s four-year term. A person may serve no more than two terms on the commission, excluding interim appointments.

c) The commission shall biennially elect one of its members as chair and one as vice-chair. The chair of the commission shall serve as secretary of the board.

d) Each member of the commission shall be compensated at the rate of $55 for each day or part thereof spent on commission activities. Each member shall be reimbursed for all reasonable expenses actually paid or incurred by that member in the performance of official duties.

e) The commission may obtain office space and supplies and hire administrative staff to carry out the commission's official functions.

(f) At least six members of the commission shall constitute a quorum for official administrative business.

Sec. 29. [638.10] PARDONS AND COMMUTATIONS.

Subdivision 1. Pardons and commutations. (a) The Board of Pardons may pardon a criminal conviction imposed under the laws of this state or commute a criminal sentence imposed by a court of this state to time served or a lesser sentence. Every pardon or commutation shall be in writing and shall have no force or effect unless granted by a majority vote of the board with the governor in that majority. Every conditional pardon shall state the terms and conditions upon which it was granted and every commutation shall specify the terms of the commuted sentence.

(b) When granted, a pardon has the effect of setting aside the conviction and purging the conviction from the person's record. The person then is not required to disclose the conviction at any time or place other than in a judicial proceeding or as part of the licensing process for peace officers.

Subd. 2. Eligibility for a pardon. (a) Any person convicted of a crime in any court of this state may apply for a pardon of the person's conviction on or after five years from the date of the expiration of the person's sentence or the date of the person's discharge. Upon
a showing of unusual circumstances and special need, the board may waive the required
waiting period by a majority vote with the governor in that majority.

(b) The Clemency Review Commission shall review all requests for a waiver of the
waiting period and make recommendations by majority vote to the board. Consideration of
requests to waive the waiting period are exempt from the meeting requirements of this
chapter.

Subd. 3. Eligibility for a commutation. (a) Any person may apply for a commutation
of an unexpired criminal sentence imposed by a court of this state, including those confined
in a correctional facility or on probation, parole, supervised release, or conditional release.
An application for commutation may not be filed until the date that the person has served
at least one-half of the sentence imposed or on or after five years from the date of the
conviction, whichever is less. Upon a showing of unusual circumstances and special need,
the board may waive the required waiting period by a majority vote with the governor in
that majority.

(b) The commission shall review all requests for a waiver of the waiting period and
make recommendations by majority vote to the board. Consideration of requests to waive
the waiting period are exempt from the meeting requirements of this chapter.

Subd. 4. Filing of a pardon or commutation. After granting a pardon or commutation,
the board shall file a copy of the pardon or commutation with the district court of the county
in which the conviction and sentence were imposed. In the case of a pardon, the court shall
order the conviction set aside, include a copy of the pardon in the court file, and send copies
of the order and the pardon to the Bureau of Criminal Apprehension. In the case of a
commutation, the court shall amend the sentence to reflect the specific relief granted by the
board, include a copy of the commutation in the court file, and send copies of the amended
sentencing order and commutation to the commissioner of corrections and the Bureau of
Criminal Apprehension.

Subd. 5. Reapplication. (a) Once an application for a pardon or commutation has been
considered and denied on the merits, no subsequent application may be filed for five years
after the date of the most recent denial unless permission is granted from at least two board
members. A person may request permission to reapply prior to the expiration of the five-year
period based only on new and substantial information that was not and could not have been
previously considered by the board or the commission. If a request to reapply contains new
and substantial information, the commission shall review the request and make a
recommendation by majority vote to the board. Consideration of requests to reapply are
exempt from the meeting requirements under this chapter.

(b) The denial or grant of an application for a commutation of sentence does not preclude
a person from later seeking a pardon of the criminal conviction once the eligibility
requirements of subdivision 2 have been satisfied.
Sec. 30. APPLICATIONS.

(a) Each application for a pardon or commutation shall be in writing, signed under oath by the applicant, and contain a brief statement of the relief sought and the reasons why it should be granted. The application shall also contain the following information and any additional information that the commission or board requires:

(1) the applicant's name, address, date of birth, place of birth, and every alias by which the applicant is or has been known;

(2) the name of the offense for which relief is requested, the date and county of conviction, the sentence imposed, and the expiration or discharge date of the sentence;

(3) the names of the sentencing judge, prosecuting attorney, and any victims of the offense;

(4) a brief description of the offense;

(5) the date and outcome of any prior applications for a pardon or commutation;

(6) a statement of other felony or gross misdemeanor convictions and any pending criminal charges or investigations; and

(7) a statement by the applicant consenting to the disclosure to the commission and the board of any private data concerning the applicant contained in the application or in any other record relating to the grounds on which the relief is sought, including conviction and arrest records.

(b) Applications shall be made on forms approved by the commission or the board and shall be filed with the commission by the deadlines set by the commission or the board. The commission shall review applications for completeness. Any application that is considered incomplete shall be returned to the applicant who may then provide the missing information and resubmit the application within a time period prescribed by the commission.

Sec. 31. NOTIFICATIONS.

Subdivision 1. Notice to victim. After receiving an application for a pardon or commutation, the Clemency Review Commission shall make all reasonable efforts to locate any victim of the applicant's crime. At least 30 days before the date of the commission meeting at which the application shall be heard, the commission shall notify any located victim of the application, the time and place of the meeting, and the victim's right to attend the meeting and submit an oral or written statement to the commission.

Subd. 2. Notice to sentencing judge and prosecuting attorney. At least 30 days before the date of the commission meeting at which the application shall be heard, the commission shall notify the sentencing judge and prosecuting attorney or their successors of the
application and solicit the judge's and attorney's views on whether clemency should be

granted.

138.1 Subd. 3. Notice to applicant. Following its initial investigation of an application for a

pardon or commutation, the commission shall notify the applicant of the scheduled date,
time, and location that the applicant shall appear before the commission for consideration;

138.2 Sec. 32. [638.13] MEETINGS.

138.3 Subdivision 1. Commission meetings. (a) The Clemency Review Commission shall

meet at least four times each year for one or more days each meeting to hear eligible

applications of pardons or commutations and make recommendations to the board on each

application. One or more of the meetings may be held at facilities operated by the Department

of Corrections. All commission meetings shall be open to the public as provided in chapter

138.4 13D.

138.5 (b) Applicants for pardons or commutations must appear before the commission either

in person or through any available form of telecommunication. The victim of an applicant's

crime may appear and speak at the commission's meeting or submit a written statement to

the commission. The commission may treat a victim's statement as confidential and not

disclose the statement to the applicant or the public if there is or has been a recent order for

protection, restraining order, or other no contact order prohibiting the applicant from

contacting the victim. In addition, any law enforcement agency may appear and speak at

the meeting or submit a written statement to the commission, giving the agency’s

recommendation on whether clemency should be granted or denied;

138.6 (c) The commission must consider any statement provided by a victim or law enforcement

agency when making its recommendation on an application. Whenever possible, the

commission shall record its meetings by audio or audiovisual means. Any recordings and

statements from victims or law enforcement agencies shall be provided to the board along

with the commission’s recommendations;

138.7 (d) Not later than ten working days after the date of its decision, the commission shall

notify the applicant in writing of its decision to recommend a grant or denial of clemency

to the board.

138.8 Subd. 2. Board meetings. (a) The board shall meet at least two times each year to

consider applications for pardons or commutations that have received a favorable

recommendation from the commission and any other applications that have received further

consideration from at least one board member. Whenever the commission recommends

denial of an application and the board does not disapprove or take other action with respect

to that recommendation, it shall be presumed that the board concurs with the adverse

recommendation and that the application has been considered and denied on the merits. All

board meetings shall be open to the public as provided in chapter 13D.
(b) Applicants, victims, and law enforcement agencies may not submit oral or written statements at a board meeting, unless the board requests additional testimony. The board shall consider any statements provided to the commission when making a decision on an application for a pardon or commutation.

c) The commission shall notify the applicant in writing of the board's decision to grant or deny clemency not later than ten working days from the date of the board's decision.

Sec. 33. [638.14] GROUNDS FOR RECOMMENDING CLEMENCY.

Subdivision 1. Factors. When making recommendations on applications for pardons or commutations, the Clemency Review Commission shall consider any factors the commission deems appropriate, including but not limited to:

1. the nature, seriousness, circumstances, and age of the applicant's offense;

2. the successful completion or revocation of previous probation, parole, supervised release, or conditional release;

3. the number, nature, and circumstances of the applicant's other criminal convictions;

4. the extent to which the applicant has demonstrated rehabilitation through postconviction conduct, character, and reputation;

5. the extent to which the applicant has accepted responsibility, demonstrated remorse, and made restitution to victims;

6. whether the sentence is clearly excessive in light of the applicant's offense, criminal history, and any sentence received by an accomplice, with due regard given to any plea agreement, the sentencing judge's views, and the sentencing ranges established by law;

7. whether the applicant's age or medical status indicates that it is in the best interest of society that the applicant receive clemency;

8. recommendations from victims, sentencing judges, and prosecuting attorneys;

9. the applicant's asserted need for a pardon or commutation, including family needs and barriers to housing or employment created by the conviction; and

10. the amount of time already served by the applicant and the availability of other forms of judicial or administrative relief.

Subd. 2. Denial recommendation. The commission may recommend denial without a hearing of an application for a commutation when the applicant is presently challenging the conviction or sentence through court proceedings, has failed to exhaust all available state
court remedies for challenging the sentence, or the matter should first be considered by the parole authority.

Sec. 34. [638.15] ACCESS TO RECORDS; ISSUANCE OF PROCESS.

Subdivision 1. Access to records. Upon receipt of an application for a pardon or commutation, the Board of Pardons or Clemency Review Commission may request and obtain any relevant reports, data, and other information from a district court, law enforcement agency, or state agency. The commission and board shall have access to sealed court records, presentence investigation reports, police reports, criminal history reports, prison records, and any other relevant information. District courts, law enforcement agencies, and state agencies shall promptly respond to record requests from the commission and the board.

Subd. 2. Legal process. The commission and the board may issue process requiring the presence of any person before the commission or board and the production of papers, records, and exhibits in any pending matter. When any person is summoned before the commission or the board, the person may be allowed compensation for travel and attendance as the commission or the board may deem reasonable.

Sec. 35. [638.16] RULES.

The Board of Pardons and the Clemency Review Commission may adopt rules under chapter 14 for the effective enforcement of their powers and duties.

Sec. 36. [638.17] RECORDS.

The Clemency Review Commission shall keep a record of every application received, its recommendation on each application, and the final disposition of each application by the Board of Pardons. The records and files shall be kept by the commission and shall be open to public inspection at all reasonable times, except for sealed court records, presentence investigation reports, Social Security numbers, financial account numbers, driver's license information, medical records, confidential Bureau of Criminal Apprehension records, and confidential victim statements as provided in section 638.12.

Sec. 37. [638.18] REPORT TO LEGISLATURE.

By February 15 of each year, the Clemency Review Commission shall submit a written report to the chairs and ranking minority members of the house of representatives and senate committees with jurisdiction over public safety, corrections, and judiciary containing at a minimum the following information:

1) the number of applications for pardons and commutations received by the commission during the preceding calendar year;

2) the number of favorable and adverse recommendations made by the commission for each category.
(3) the number of applications granted and denied by the Board of Pardons for each category; and

(4) the crimes for which the applications were granted by the board, the year of each conviction, and the age of the offender at the time of the offense.

Sec. 38. Minnesota Statutes 2020, section 641.15, subdivision 2, is amended to read:

Subd. 2. Medical aid. Except as provided in section 466.101, the county board shall pay the costs of medical services provided to prisoners pursuant to this section. The amount paid by the county board for a medical service shall not exceed the maximum allowed medical assistance payment rate for the service, as determined by the commissioner of human services. In the absence of a health or medical insurance or health plan that has a contractual obligation with the provider or the prisoner, medical providers shall charge no higher than the rate negotiated between the county and the provider. In the absence of an agreement between the county and the provider, the provider may not charge an amount that exceeds the maximum allowed medical assistance payment rate for the service, as determined by the commissioner of human services. The county is entitled to reimbursement from the prisoner for payment of medical bills to the extent that the prisoner to whom the medical aid was provided has the ability to pay the bills. The prisoner shall, at a minimum, incur co-payment obligations for health care services provided by a county correctional facility. The county board shall determine the co-payment amount. Notwithstanding any law to the contrary, the co-payment shall be deducted from any of the prisoner's funds held by the county, to the extent possible. If there is a disagreement between the county and a prisoner concerning the prisoner's ability to pay, the court with jurisdiction over the defendant shall determine the extent, if any, of the prisoner's ability to pay for the medical services.

If a prisoner is covered by health or medical insurance or other health plan when medical services are provided, the medical provider shall bill that health or medical insurance or other plan. 260.515 INTERSTATE COMPACT FOR JUVENILES.

The Interstate Compact for Juveniles is enacted into law and entered into with all other states legally joining in it in substantially the following form:

ARTICLE I

PURPOSE

The compacting states to this Interstate Compact recognize that each state is responsible for the proper supervision or return of juveniles, delinquents, and status offenders who are on probation or parole and who have absconded, escaped, or run away from supervision and control and in so doing have endangered their own safety and the safety of others. The compacting states also recognize that each state is responsible for the safe return of juveniles who have run away from home and in doing so have left their state of residence. The compacting states also recognize that Congress, by enacting the Crime Control Act, United States Code, title 4, section 112 (1965), has authorized and encouraged compacts for cooperative efforts and mutual assistance in the prevention of crime.

It is the purpose of this compact, through means of joint and cooperative action among the compacting states to:

(A) ensure that the adjudicated juveniles and status offenders subject to this compact are provided adequate supervision and services in the receiving state as ordered by the adjudicating judge or parole authority in the sending state;

(B) ensure that the public safety interests of the citizens, including the victims of juvenile offenders, in both the sending and receiving states are adequately protected;

(C) return juveniles who have run away, absconded, or escaped from supervision or control or have been accused of an offense to the state requesting their return;

(D) make contracts for the cooperative institutionalization in public facilities in member states for delinquent youth needing special services;

(E) provide for the effective tracking and supervision of juveniles;

(F) equitably allocate the costs, benefits, and obligations of the compact states;

(G) establish procedures to manage the movement between states of juvenile offenders released to the community under the jurisdiction of courts, juvenile departments, or any other criminal or juvenile justice agency which has jurisdiction over juvenile offenders;

(H) insure immediate notice to jurisdictions where defined juvenile offenders are authorized to travel or to relocate across state lines;
(I) establish procedures to resolve pending charges (detainers) against juvenile offenders prior to transfer or release to the community under the terms of this compact;

(J) establish a system of uniform data collection on information pertaining to juveniles subject to this compact that allows access by authorized juvenile justice and criminal justice officials, and regular reporting of compact activities to heads of state; executive, judicial, and legislative branches; and juvenile criminal justice administrators;

(K) monitor compliance with rules governing interstate movement of juveniles and initiate interventions to address and correct noncompliance;

(L) coordinate training and education regarding the regulation of interstate movement of juveniles for officials involved in such activity; and

(M) coordinate the implementation and operation of the compact with the Interstate Compact for the Placement of Children, the Interstate Compact for Adult Offender Supervision, and other compacts affecting juveniles particularly in those cases where concurrent or overlapping supervision issues arise.

It is the policy of the compacting states that the activities conducted by the Interstate Commission created herein are the information of public policies and therefore are public business. Furthermore, the compacting states shall cooperate and observe their individual and collective duties and responsibilities for the prompt return and acceptance of juveniles subject to the provisions of this compact. The provisions of this compact shall be reasonably and liberally construed to accomplish the purpose and policies of the compact.

All rules and amendments shall become binding as of the date specified, as published with the final version of the rule as approved by the commission.

3. When promulgating a rule, the Interstate Commission shall, at a minimum:
   a. publish the proposed rule's entire text stating the reasons for that proposed rule;
   b. allow and invite any and all persons to submit written data, facts, opinions, and arguments, which information shall be added to the record, and be made publicly available;
   c. provide an opportunity for an informal hearing if petitioned by ten or more persons;
   and
d. promulgate a final rule and its effective date, if appropriate, based on input from state or local officials, or interested parties;

4. The Interstate Commission shall allow, not later than 60 days after a rule is promulgated, any interested person to file a petition in the United States District Court for the District of Columbia or in the federal District Court where the Interstate Commission's principal office is located for judicial review of such rule. If the court finds that the Interstate Commission's action is not supported by substantial evidence in the rulemaking record, the court shall hold the rule unlawful and set it aside. For purposes of this subsection, evidence is substantial if it would be considered substantial evidence under the Model (State) Administrative Procedures Act.

5. If a majority of the legislatures of the compacting states rejects a rule, those states may, by enactment of a statute or resolution in the same manner used to adopt the compact, cause such rule shall have no further force and effect in any compacting state.

6. The existing rules governing the operation of the Interstate Compact on Juveniles superseded by this act shall be null and void 12 months after the first meeting of the Interstate Commission created hereunder.

7. Upon determination by the Interstate Commission that a state of emergency exists, it may promulgate an emergency rule which shall become effective immediately upon adoption, provided that the usual rulemaking procedures provided hereunder shall be retroactively applied to said rule as soon as reasonably possible, but no later than 90 days after the effective date of the emergency rule.

ARTICLE VII
Oversight, Enforcement, and Dispute Resolution by the Interstate Commission

Section A. Oversight

1. The Interstate Commission shall oversee the administration and operations of the interstate movement of juveniles subject to this compact in the compacting states and shall monitor such activities being administered in noncompacting states which may significantly affect compacting states.

2. The courts and executive agencies in each compacting state shall enforce this compact and shall take all actions necessary and appropriate to effectuate the compact's purposes and intent. The provisions of this compact and the rules promulgated hereunder shall be received by all the judges, public officers, commissions, and departments of the state government as evidence of the authorized statute and administrative rules. All courts shall take judicial notice of the compact and the rules. In any judicial or administrative proceeding in a compacting state pertaining to the subject matter of this compact which may affect the powers, responsibilities, or actions of the Interstate Commission, it shall be entitled to receive all service of process in any such proceeding, and shall have standing to intervene in the proceeding for all purposes.

3. The compact administrator shall assess and collect fines, fees, and costs from any state or local entity deemed responsible by the compact administrator for a default as determined by the Interstate Commission under Article XI.

Section B. Dispute resolution

1. The compacting states shall report to the Interstate Commission on all issues and activities necessary for the administration of the compact as well as issues and activities pertaining to compliance with the provisions of the compact and its bylaws and rules.

2. The Interstate Commission shall attempt, upon the request of a compacting state, to resolve any disputes or other issues which are subject to the compact and which may arise among compacting states and between compacting and noncompacting states. The commission shall promulgate a rule providing for both mediation and binding dispute resolution for disputes among the compacting states.

3. The Interstate Commission, in the reasonable exercise of its discretion, shall enforce the provisions and rules of this compact using any or all means set forth in Article XI of this compact.

ARTICLE VIII

FINANCE
1. The Interstate Commission shall pay or provide for the payment of the reasonable expenses of its establishment, organization, and ongoing activities.

2. The Interstate Commission shall levy on and collect an annual assessment from each compacting state to cover the cost of the internal operations and activities of the Interstate Commission and its staff which must be in a total amount sufficient to cover the Interstate Commission’s annual budget as approved each year. The aggregate annual assessment amount shall be allocated based upon a formula to be determined by the Interstate Commission; taking into consideration the population of each compacting state and the volume of interstate movement of juveniles in each compacting state, and shall promulgate a rule binding upon all compacting states which governs said assessment.

3. The Interstate Commission shall not incur any obligations of any kind prior to securing the funds adequate to meet the same; nor shall the Interstate Commission pledge the credit of any of the compacting states, except by and with the authority of the compacting state.

4. The Interstate Commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the Interstate Commission shall be subject to the audit and accounting procedures established under its bylaws. However, all receipts and disbursements of funds handled by the Interstate Commission shall be audited yearly by a certified or licensed public accountant and the report of the audit shall be included in and become part of the annual report of the Interstate Commission.

5. Minnesota's annual assessment shall not exceed $30,000. The Interstate Compact for Juveniles fund is established as a special fund in the Department of Corrections. The fund consists of money appropriated for the purpose of meeting financial obligations imposed on the state as a result of Minnesota's participation in this compact. An assessment levied or any other financial obligation imposed under this compact is effective against the state only to the extent that money to pay the assessment or meet the financial obligation has been appropriated and deposited in the fund established in this paragraph.

ARTICLE IX

(16) other members as appointed by the commissioner of corrections.

The council may elect a chair from among its members.

The council shall oversee and administer the state's participation in the compact as described in Article III. The council shall appoint the compact administrator as the state's commissioner.

The state advisory council will advise and exercise advocacy concerning that state's participation in Interstate Commission activities and other duties as may be determined by that state, including, but not limited to, development of policy concerning operations and procedures of the compact within that state.

The compact shall become effective and binding upon legislative enactment of the compact into law by no less than 35 of the states. The initial effective date shall be the later of July 1, 2004, or upon enactment into law by the 35th jurisdiction. Thereafter, it shall become effective and binding as to any other compacting state upon enactment of the compact into law by that state. The governors of nonmember states or their designees shall be invited to participate in the activities of the Interstate Commission on a nonvoting basis prior to adoption of the compact by all states and territories of the United States.

The Interstate Commission may propose amendments to the compact for enactment by the compacting states. No amendment shall become effective and binding upon the Interstate Commission and the compacting states unless and until it is enacted into law by unanimous consent of the compacting states.

ARTICLE XI
WITHDRAWAL, DEFAULT, TERMINATION, AND JUDICIAL ENFORCEMENT

Section A. Withdrawal.

1. Once effective, the compact shall continue in force and remain binding upon each and every compacting state; provided that a compacting state may withdraw from the compact specifically repealing the statute, which enacted the compact into law;

2. The effective date of withdrawal is the effective date of the repeal;

3. The withdrawing state shall immediately notify the chair of the Interstate Commission in writing upon the introduction of legislation repealing this compact in the withdrawing state. The Interstate Commission shall notify the other compacting states of the withdrawing state's intent to withdraw within 60 days of its receipt thereof;

4. The withdrawing state is responsible for all assessments, obligations, and liabilities incurred through the effective date of withdrawal, including any obligations, the performance of which extend beyond the effective date of withdrawal;

5. Reinstatement following withdrawal of any compacting state shall occur upon the withdrawing state enacting the compact or upon such later date as determined by the Interstate Commission.

Section B. Technical assistance, fines, suspension, termination, and default.
1. If the Interstate Commission determines that any compacting state has at any time defaulted in the performance of any of its obligations or responsibilities under this compact, or the bylaws or duly promulgated rules, the Interstate Commission may impose any or all of the following penalties:

a. remedial training and technical assistance as directed by the Interstate Commission;

b. alternative dispute resolution;

c. fines, fees, and costs in such amounts as are deemed to be reasonable as fixed by the Interstate Commission;

d. suspension or termination of membership in the compact, which shall be imposed only after all other reasonable means of securing compliance under the bylaws and rules have been exhausted and the Interstate Commission has therefore determined that the offending state is in default. Immediate notice of suspension shall be given by the Interstate Commission to the governor, the chief justice, or the chief judicial officer of the state; the majority and minority leaders of the defaulting state's legislature; and the state council. The grounds for default include, but are not limited to, failure of a compacting state to perform such obligations or responsibilities imposed upon it by this compact, the bylaws, or duly promulgated rules and any other grounds designated in commission bylaws and rules. The Interstate Commission shall immediately notify the defaulting state in writing of the penalty imposed by the Interstate Commission and of the default pending a cure of the default. The commission shall stipulate the conditions and the time period within which the defaulting state must cure its default. If the defaulting state fails to cure the default within the time period specified by the commission; the defaulting state shall be terminated from the compact upon an affirmative vote of a majority of the compacting states and all rights, privileges, and benefits conferred by this compact shall be terminated from the effective date of termination.

2. Within 60 days of the effective date of termination of a defaulting state, the commission shall notify the governor, the chief justice or chief judicial officer, the majority and minority leaders of the defaulting state's legislature; and the state council of such termination.

3. The defaulting state is responsible for all assessments, obligations, and liabilities incurred through the effective date of termination including any obligations, the performance of which extends beyond the effective date of termination.

4. The Interstate Commission shall not bear any costs relating to the defaulting state unless otherwise mutually agreed upon in writing between the Interstate Commission and the defaulting state.

5. Reinstatement following termination of any compacting state requires both a reenactment of the compact by the defaulting state and the approval of the Interstate Commission pursuant to the rules.
Section C. Judicial enforcement.

The Interstate Commission may, by majority vote of the members, initiate legal action in the United States District Court for the District of Columbia or, at the discretion of the Interstate Commission, in the federal district where the Interstate Commission has its offices, to enforce compliance with the provisions of the compact, its duly promulgated rules and bylaws, against any compacting state in default. In the event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation, including reasonable attorney fees.

Section D. Dissolution of compact.

1. The compact dissolves effective upon the date of the withdrawal or default of the compacting state, which reduces membership in the compact to one compacting state.

2. Upon the dissolution of this compact, the compact becomes null and void and shall be of no further force or effect, and the business and affairs of the Interstate Commission shall be concluded and any surplus funds shall be distributed in accordance with the bylaws.

ARTICLE XII

SEVERABILITY AND CONSTRUCTION

1. The provisions of this compact shall be severable, and if any phrase, clause, sentence, or provision is deemed unenforceable, the remaining provisions of this compact shall be enforceable.

2. The provisions of this compact shall be liberally constructed to effectuate its purposes.

ARTICLE XIII

BINDING EFFECT OF COMPACT AND OTHER LAWS

Section A. Other laws.

1. Nothing herein prevents the enforcement of any other law of a compacting state that is not inconsistent with this compact.

2. All compacting states' laws other than state constitutions and other interstate compacts conflicting with this compact are superseded to the extent of the conflict.

Section B. Binding effect of the compact.

1. All lawful actions of the Interstate Commission, including all rules and bylaws promulgated by the Interstate Commission, are binding upon the compacting state.
2. All agreements between the Interstate Commission and the compacting states are binding in accordance with their terms.

3. Upon the request of a party to a conflict over meaning or interpretation of Interstate Commission actions, and upon a majority vote of the compacting states, the Interstate Commission may issue advisory opinions regarding such meaning or interpretation.

4. In the event any provision of this compact exceeds the constitutional limits imposed on the legislature of any compacting state, the obligations, duties, powers, or jurisdiction sought to be conferred by such provision upon the Interstate Commission shall be ineffective and such obligations, duties, powers, or jurisdiction shall remain in the compacting state and shall be exercised by the agency thereof to which such obligations, duties, powers, or jurisdiction are delegated by law in effect at the time this compact becomes effective.

ARTICLE 7

COMMUNITY SUPERVISION REFORM

Section 1. Minnesota Statutes 2020, section 241.272, is amended to read:

241.272 FEE COLLECTION; PROHIBITED.

Subdivision 1. Definition. As used in this section, the following terms have the meanings given them:

(b) "Correctional fees" include fees for the following correctional services:

(1) community service work placement and supervision;

(2) restitution collection;

(3) supervision;

(4) court-ordered investigations; or

(5) any other service provided by a probation officer or parole agency for offenders supervised by the commissioner of corrections, a local unit of government, or a community corrections agency.

(c) "Probation" has the meaning given in section 609.02, subdivision 15;

(d) "Supervised release" has the meaning given in section 244.01, subdivision 7.

Subd. 2. Correctional fees established. To defray costs associated with correctional services, the commissioner of corrections may establish a schedule of correctional fees to charge persons convicted of a crime and supervised by the commissioner. The corrections
fees on the schedule must be reasonably related to offenders' abilities to pay and the actual
cost of correctional services.

Subd. 2a. Prohibition. The commissioner of corrections, local units of government, and
community corrections agencies are prohibited from assessing and collecting correctional
fees from persons on probation, parole, supervised release, or conditional release except as
otherwise provided in this section.

Subd. 2. Fee collection. (a) The commissioner of corrections may impose and collect
fees from individuals on probation and supervised release at any time while the offender is
under sentence or after the sentence has been discharged.

(b) The commissioner may use any available civil means of debt collection in collecting
a correctional fee.

Subd. 3. Exemption from fee. The commissioner of corrections may waive payment
of the fee if the commissioner determines that the offender does not have the ability to pay
the fee, the prospects for payment are poor, or there are extenuating circumstances justifying
waiver of the fee. Instead of waiving the fee, the commissioner may require the offender to
perform community work service as a means of paying the fee.

Subd. 4. Restitution payment priority. If an offender has been ordered by a court to
pay restitution, the offender shall be obligated to pay the restitution ordered before paying
the correctional fee. However, if the offender is making reasonable payments to satisfy the
restitution obligation, the commissioner may also collect a correctional fee.

Subd. 5. Use of fees. Excluding correctional fees collected from offenders supervised
by department agents under the authority of section 244.19, subdivision 1, paragraph (a),
clause (3), all correctional fees collected under this section go to the general fund. Fees
collected by agents under the authority of section 244.19, subdivision 1, paragraph (a),
clause (3), shall go to the county treasurer in the county where supervision is provided.
These fees may only be used in accordance with section 244.18, subdivision 6.

Subd. 6. Annual report. Beginning January 15, 2001, the commissioner shall submit
an annual report on the implementation of this section to the chair and ranking minority
members of the senate and house of representatives committees and divisions with jurisdiction
over criminal justice funding and policy. At a minimum, the report shall include information
on the types of correctional services for which fees were imposed, the aggregate amount of
fees imposed, and the amount of fees collected.

Subd. 7. Sex offender treatment fee. The commissioner of corrections may authorize
sex offender treatment providers to charge and collect treatment co-pays from all offenders
in their treatment program. The amount of treatment co-pay assessed to each offender is
based upon a fee schedule approved by the commissioner. Fees collected under this authority
are used by the treatment provider to fund the cost of treatment.
EFFECTIVE DATE. This section is effective July 1, 2023.

Sec. 2. Minnesota Statutes 2020, section 243.05, subdivision 1, is amended to read:

Subdivision 1. Conditional release. (a) The commissioner of corrections may parole any person sentenced to confinement in any state correctional facility for adults under the control of the commissioner of corrections, provided that:

1. No inmate serving a life sentence for committing murder before May 1, 1980, other than murder committed in violation of clause (1) of section 609.185 who has not been previously convicted of a felony shall be paroled without having served 20 years, less the diminution that would have been allowed for good conduct had the sentence been for 20 years;

2. No inmate serving a life sentence for committing murder before May 1, 1980, who has been previously convicted of a felony or though not previously convicted of a felony is serving a life sentence for murder in the first degree committed in violation of clause (1) of section 609.185 shall be paroled without having served 25 years, less the diminution which would have been allowed for good conduct had the sentence been for 25 years;

3. Any inmate sentenced prior to September 1, 1963, who would be eligible for parole had the inmate been sentenced after September 1, 1963, shall be eligible for parole; and

4. Any new rule or policy or change of rule or policy adopted by the commissioner of corrections which has the effect of postponing eligibility for parole has prospective effect only and applies only with respect to persons committing offenses after the effective date of the new rule or policy or change.

(b) Upon being paroled and released, an inmate is and remains in the legal custody and under the control of the commissioner, subject at any time to be returned to a facility of the Department of Corrections established by law for the confinement or treatment of convicted persons and the parole rescinded by the commissioner.

(c) The written order of the commissioner of corrections, is sufficient authority for any peace officer, state correctional investigator, or state parole and probation agent to retake and place in actual custody any person on parole or supervised release. In addition, when it appears necessary in order to prevent escape or enforce discipline, any state parole and probation agent or state correctional investigator may, without order of warrant, take and detain a parolee or person on supervised release or work release and bring the person to the commissioner for action.

(d) The written order of the commissioner of corrections is sufficient authority for any peace officer, state correctional investigator, or state parole and probation agent to retake and place in actual custody any person on probation under the supervision of the commissioner pursuant to section 609.135. Additionally, when it appears necessary in order to prevent escape or enforce discipline, any state parole and probation agent or state
correctional investigator may, without an order, retake and detain a probationer and bring
the probationer before the court for further proceedings under section 609.14.

(e) The written order of the commissioner of corrections is sufficient authority for any
peace officer, state correctional investigator, or state parole and probation agent to detain
any person on pretrial release who absconds from pretrial release or fails to abide by the
conditions of pretrial release.

(f) Persons conditionally released, and those on probation under the supervision of the
commissioner of corrections pursuant to section 609.135 may be placed within or outside
the boundaries of the state at the discretion of the commissioner of corrections or the court,
and the limits fixed for these persons may be enlarged or reduced according to their conduct.

(g) Except as otherwise provided in subdivision 1b, in considering applications for
conditional release or discharge, the commissioner is not required to hear oral argument
from any attorney or other person not connected with an adult correctional facility of the
Department of Corrections in favor of or against the parole or release of any inmates. The
commissioner may institute inquiries by correspondence, taking testimony, or otherwise;
as to the previous history, physical or mental condition, and character of the inmate and, to
that end, has the authority to require the attendance of the chief executive officer of any
state adult correctional facility and the production of the records of these facilities; and to
compel the attendance of witnesses. The commissioner is authorized to administer oaths to
witnesses for these purposes.

(h) Unless the district court directs otherwise, state parole and probation agents may
require a person who is under the supervision of the commissioner of corrections to perform
community work service for violating a condition of probation imposed by the court.
Community work service may be imposed for the purpose of protecting the public, to aid
the offender’s rehabilitation, or both. Agents may impose up to eight hours of community
work service for each violation and up to a total of 24 hours per offender per 12-month
period, beginning with the date on which community work service is first imposed. The
commissioner may authorize an additional 40 hours of community work service, for a total
of 64 hours per offender per 12-month period, beginning with the date on which community
work service is first imposed. At the time community work service is imposed, parole and
probation agents are required to provide written notice to the offender that states:

(1) the condition of probation that has been violated;
(2) the number of hours of community work service imposed for the violation; and

(3) the total number of hours of community work service imposed to date in the 12-month
period.

An offender may challenge the imposition of community work service by filing a petition
in district court. An offender must file the petition within five days of receiving written
notice that community work service is being imposed. If the offender challenges the
imposition of community work service, the state bears the burden of showing, by a
preponderance of the evidence, that the imposition of community work service is reasonable
under the circumstances.

Community work service includes sentencing to service.

(i) Prior to revoking a nonviolent controlled substance offender’s parole or probation
based on a technical violation, when the offender does not present a risk to the public and
the offender is amenable to continued supervision in the community, a parole or probation
agent must identify community options to address and correct the violation including, but
not limited to, inpatient chemical dependency treatment. If a probation or parole agent
determines that community options are appropriate, the agent shall seek to restructure the
offender’s terms of release to incorporate those options. If an offender on probation stipulates
in writing to restructure the terms of release, a probation agent must forward a report to the
district court containing:

(1) the specific nature of the technical violation of probation;
(2) the recommended restructure to the terms of probation; and
(3) a copy of the offender’s signed stipulation indicating that the offender consents to
the restructuring of probation.

The recommended restructuring of probation becomes effective when confirmed by a
judge. The order of the court shall be proof of such confirmation and amend the terms of
the sentence imposed by the court under section 609.135. If a nonviolent controlled substance
offender’s parole or probation is revoked, the offender’s agent must first attempt to place
the offender in a local jail. For purposes of this paragraph, "nonviolent controlled substance
offender" is a person who meets the criteria described under section 244.0513, subdivision
2, clauses (1), (2), and (5), and "technical violation" means any violation of a court order
of probation or a condition of parole, except an allegation of a subsequent criminal act that
is alleged in a formal complaint, citation, or petition.

Sec. 3. Minnesota Statutes 2020, section 244.05, subdivision 3, is amended to read:

Subd. 3. Sanctions for violation. If an inmate violates the conditions of the inmate’s
supervised release imposed by the commissioner, the commissioner may:

(1) continue the inmate’s supervised release term, with or without modifying or enlarging
the conditions imposed on the inmate, or transferring the inmate’s case to a specialized
caseload; or

(2) revoke the inmate’s supervised release and reimprison the inmate for the appropriate
period of time.
Prior to revoking a nonviolent controlled substance offender's supervised release based on a technical violation, when the offender does not present a risk to the public and the offender is amenable to continued supervision in the community, the commissioner must identify community options to address and correct the violation including, but not limited to, inpatient chemical dependency treatment. If the commissioner determines that community options are appropriate, the commissioner shall restructure the inmate's terms of release to incorporate those options. If a nonviolent controlled substance offender's supervised release is revoked, the offender's agent must first attempt to place the offender in a least apt. For purposes of this subdivision, "nonviolent controlled substance offender" is a person who meets the criteria described under section 244.0513, subdivision 2, clauses (1), (2), and (5), and "technical violation" means a violation of a condition of supervised release, except an allegation of a subsequent criminal act that is alleged in a formal complaint, citation, or petition.

The period of time for which a supervised release may be revoked may not exceed the period of time remaining in the inmate's sentence, except that if a sex offender is sentenced and conditionally released under Minnesota Statutes 2004, section 609.108, subdivision 5, the period of time for which conditional release may be revoked may not exceed the balance of the conditional release term.

Sec. 4. Minnesota Statutes 2020, section 244.19, subdivision 1, is amended to read:

Subdivision 1. Appointment; joint services; state services. (a) If a county or group of counties has established a human services board pursuant to chapter 402, the district court may appoint one or more county probation officers as necessary to perform court services, and the human services board shall appoint persons as necessary to provide correctional services within the authority granted in chapter 402. In all counties of more than 200,000 population, which have not organized pursuant to chapter 402, the district court shall appoint one or more persons of good character to serve as county probation officers during the pleasure of the court. All other counties shall provide adult misdemeanant and juvenile probation services to district courts in one of the following ways:

(1) the court, with the approval of the county boards, may appoint one or more salaried county probation officers to serve during the pleasure of the court;

(2) when two or more counties offer probation services the district court through the county boards may appoint common salaried county probation officers to serve in the several counties;

(3) a county or a district court may request the commissioner of corrections to furnish probation services in accordance with the provisions of this section, and the commissioner of corrections shall furnish such services to any county or court that fails to provide its own probation officer by one of the two procedures listed above;
(4) if a county or district court providing probation services under clause (1) or (2) asks
the commissioner of corrections or the legislative body for the state of Minnesota mandates
the commissioner of corrections to furnish probation services to the district court, the
probation officers and other employees displaced by the changeover shall be employed by
the commissioner of corrections. Years of service in the county probation department are
to be given full credit for future sick leave and vacation accrual purposes;

(5) all probation officers serving the juvenile courts on July 1, 1972, shall continue to
serve in the county or counties they are now serving if a county receiving probation services
under clause (3) decides to provide those services under clause (1) or (2), the probation
officers and other employees displaced by the changeover shall be employed by the county
at no loss in salary. Years of service in the state are to be given full credit for future sick
leave and vacation accrual purposes;

(b) A county or counties providing probation services under paragraph (a), clause (1)
or (2), is designated a CPO county for purposes of receiving a grant under chapter 401. A
county or counties receiving probation services under paragraph (a), clause (3), is not eligible
for a grant under chapter 401, and the commissioner of corrections is appropriated the
county's share of funding for the purpose of providing probation services, and authority to
seek reimbursement from the county under subdivision 5;

(c) A county that requests the commissioner of corrections to provide probation services
under paragraph (a), clause (3), shall collaborate with the commissioner to develop a
comprehensive plan as described in section 401.06;

(b) (d) The commissioner of management and budget shall place employees transferred
to state service under paragraph (a), clause (4), in the proper classifications in the classified
service. Each employee is appointed without examination at no loss in salary or accrued
vacation or sick leave benefits, but no additional accrual of vacation or sick leave benefits
may occur until the employee's total accrued vacation or sick leave benefits fall below the
maximum permitted by the state for the employee's position. An employee appointed under
paragraph (a), clause (4), shall serve a probationary period of six months. After exhausting
labor contract remedies, a noncertified employee may appeal for a hearing within ten days
to the commissioner of management and budget, who may uphold the decision, extend the
probation period, or certify the employee. The decision of the commissioner of management
and budget is final. The state shall negotiate with the exclusive representative for the
bargaining unit to which the employees are transferred regarding their seniority. For purposes
of computing seniority among those employees transferring from one county unit only, a
transferred employee retains the same seniority position as the employee had within that
county's probation office;

Sec. 5. Minnesota Statutes 2020, section 244.19, subdivision 5, is amended to read:

**Subd. 5. Compensation.** In counties of more than 200,000 population, a majority of the
judges of the district court may direct the payment of such salary to probation officers as
may be approved by the county board, and in addition thereto shall be reimbursed for all
necessary expenses incurred in the performance of their official duties. In all counties which
obtain probation services from the commissioner of corrections the commissioner shall, out
of appropriations provided therefor, pay probation officers the salary and all benefits fixed
by the state law or applicable bargaining unit and all necessary expenses, including secretarial
service, office equipment and supplies, postage, telephone and telegraph services, and travel
and subsistence. Each county receiving probation services from the commissioner of
corrections shall reimburse the department of corrections for the total cost and expenses of
such services as incurred by the commissioner of corrections, excluding the cost and expense
of services provided under the state's obligation in section 244.20. Total annual costs for
each county shall be that portion of the total costs and expenses for the services of one
probation officer represented by the ratio which the county's population bears to the total
population served by one officer. For the purpose of this section, the population of any
county shall be the most recent estimate made by the Department of Health.  At least every
six months the commissioner of corrections shall bill for the total cost and expenses incurred
by the commissioner on behalf of each county which has received probation services. The
commissioner of corrections shall notify each county of the cost and expenses and the county
shall pay to the commissioner the amount due for reimbursement. All such reimbursements
shall be deposited in the general fund used to provide services for each county according
to their reimbursement amount. Objections by a county to all allocation of such cost and
expenses shall be presented to and determined by the commissioner of corrections. Each
county providing probation services under this section is hereby authorized to use unexpended
funds and to levy additional taxes for this purpose.

The county commissioners of any county of not more than 200,000 population shall,
when requested to do so by the juvenile judge, provide probation officers with suitable
offices, and may provide equipment, and secretarial help needed to render the required
services.

Sec. 6. Minnesota Statutes 2020, section 244.195, subdivision 1, is amended to read:

Community work service may be imposed for the purpose of protecting the public, to aid the person's rehabilitation, or both. A probation officer may impose up to eight hours of community work service for each violation and up to a total of 24 hours per person per 12-month period, beginning on the date on which community work service is first imposed.

The court services director or probation agency may authorize an additional 40 hours of community work service, for a total of 64 hours per person per 12-month period, beginning with the date on which community work service is first imposed. At the time community work service is imposed, probation officers are required to provide written notice to the person that states:

3. the total number of hours of community work service imposed to date in the 12-month period.

(b) A person on supervision may challenge the imposition of community work service by filing a petition in district court within five days of receiving written notice that community work service is being imposed. If the person challenges the imposition of community work service, the state bears the burden of showing, by a preponderance of the evidence, that the imposition of community work service is reasonable under the circumstances.
Sec. 8. Minnesota Statutes 2020, section 244.195, is amended by adding a subdivision to read:

Sec. 10. Minnesota Statutes 2020, section 244.21, is amended to read:

Subdivision 1. Collection of information by probation service providers; report required. (a) By January 1, 1998, probation service providers shall begin collecting and maintaining information on offenders under supervision. The commissioner of corrections shall specify the nature and extent of the information to be collected. By April 1 of every year, each probation service provider shall report a summary of the information collected to the commissioner as a condition of state grant funding under chapter 401.

(b) Beginning August 1, 2023, and each year thereafter, each entity required to submit a report under paragraph (a) must include in their report the total number of days in the previous fiscal year that offenders supervised by the entity had their probation or supervised release revoked.

Subd. 2. Commissioner of corrections report. By January 15, 2023, the commissioner of corrections shall report to the chairs of the senate crime prevention and house of representatives judiciary committees with jurisdiction over public safety and finance on recommended methods of coordinating the exchange of information collected on offenders under subdivision 1: (1) between probation service providers; and (2) between probation service providers and the Department of Corrections, without requiring service providers to acquire uniform computer software.
Sec. 11. Minnesota Statutes 2020, section 401.01, is amended to read:

401.01 PURPOSE AND DEFINITION; ASSISTANCE GRANTS.

Subdivision 1. Grants. For the purpose of more effectively protecting society and to promote efficiency and economy in the delivery of correctional services, the commissioner is authorized to make grants to assist counties in the development, implementation, and operation of community-based corrections programs including preventive or diversionary correctional programs, conditional release programs, community corrections centers, and facilities for the detention or confinement, care and treatment of persons convicted of crime or adjudicated delinquent. The commissioner may authorize the use of a percentage of a grant for the operation of an emergency shelter or make a separate grant for the rehabilitation of a facility owned by the grantee and used as a shelter to bring the facility into compliance with state and local laws pertaining to health, fire, and safety, and to provide security.

Subd. 1a. Credit for early discharge. In calculating grants authorized under subdivision 1, the commissioner must not reduce the amount of a grant based on offenders being discharged from community supervision prior to the sentence expiration date imposed by the sentencing court.

(h) "Joint board" means the board provided in section 471.59;
(i) "Local correctional facility" has the meaning given in section 241.021, subdivision 1.
Sec. 12. Minnesota Statutes 2020, section 401.02, is amended to read:

401.02 COUNTIES OR REGIONS; SERVICES INCLUDABLE.

Subdivision 1. Qualification of counties or Tribal governments. (a) One or more counties, having an aggregate population of 30,000 or more persons, or Tribal governments may qualify for a grant as provided in section 401.01 by the enactment of appropriate resolutions creating and establishing a corrections advisory board, designating the officer or agency to be responsible for administering grant funds, and providing for the preparation of a comprehensive plan for the development, implementation and operation of the correctional services described in section 401.01 and 401.11; including the assumption of those correctional services, other than the operation of state facilities, presently provided in such counties by the Department of Corrections; and providing for centralized administration and control of those correctional services described in section 401.01. Counties participating as a CCA county must also enact the appropriate resolutions creating and establishing a corrections advisory board.

Where counties or Tribal governments combine as authorized in this section, they shall comply with the provisions of section 471.59.

(b) A county that has participated in the Community Corrections Act for five or more years is eligible to continue to participate in the Community Corrections Act.

(c) If a county or Tribal government withdraws from the grant program as outlined in subdivision 1 of this section and asks the commissioner of corrections, or the legislative body or the state of Minnesota mandates the commissioner of corrections to furnish probation services to the county, the probation officers and other employees displaced by the changeover shall be employed by the commissioner of corrections. Years of service in the county probation department are to be given full credit for future sick leave and vacation accrual purposes.

Subd. 2. Planning counties; advisory board members expenses. To assist counties which have complied with the provisions of subdivision 1 and require financial aid to defray all or a part of the expenses incurred by corrections advisory board members in discharging their official duties pursuant to section 401.08, the commissioner may designate counties as “planning counties”, and, upon receipt of resolutions by the governing boards of the counties certifying the need for and inability to pay the expenses described in this subdivision, advance to the counties an amount not to exceed five percent of the maximum quarterly
Subsidy grant for which the counties are eligible. The expenses described in this subdivision shall be paid in the same manner and amount as for state employees.

Subd. 3. Establishment and reorganization of administrative structure. Any county or group of counties which have qualified for participation in the community corrections subsidy program provided by this chapter may establish, organize, and reorganize an administrative structure and provide for the budgeting, staffing, and operation of court services and probation, construction or improvement to juvenile detention and juvenile correctional facilities and adult detention and correctional facilities, and other activities required to conform to the purposes of this chapter. No contrary general or special statute divests any county or group of counties of the authority granted by this subdivision.

Subd. 5. Intermediate sanctions. Unless the district court directs otherwise, county probation officers may require a person committed to the officer's care by the court to perform community work service for violating a condition of probation imposed by the court. Community work service may be imposed for the purpose of protecting the public, to aid the offender's rehabilitation, or both. Probation officers may impose up to eight hours of community work service for each violation and up to a total of 24 hours per offender per 12-month period, beginning on the date on which community work service is first imposed. The chief executive officer of a community corrections agency may authorize an additional 40 hours of community work service, for a total of 64 hours per offender per 12-month period, beginning with the date on which community work service is first imposed. At the time community work service is imposed, probation officers are required to provide written notice to the offender that states:

1. the condition of probation that has been violated;
2. the number of hours of community work service imposed for the violation; and
3. the total number of hours of community work service imposed to date in the 12-month period.

An offender may challenge the imposition of community work service by filing a petition in district court. An offender must file the petition within five days of receiving written notice that community work service is being imposed. If the offender challenges the imposition of community work service, the state bears the burden of showing, by a preponderance of the evidence, that the imposition of community work service is reasonable under the circumstances.

Community work service includes sentencing to service.
Sec. 13. Minnesota Statutes 2020, section 401.04, is amended to read:

401.04 ACQUISITION OF PROPERTY; SELECTION OF ADMINISTRATIVE STRUCTURE; EMPLOYEES.

Any county or group of counties electing to come within the provisions of sections 401.01 to 401.16 may (a) acquire by any lawful means, including purchase, lease or transfer of custodial control, the lands, buildings and equipment necessary and incident to the accomplishment of the purposes of sections 401.01 to 401.16, (b) determine and establish the administrative structure best suited to the efficient administration and delivery of the correctional services described in section 401.01; and (c) employ a director and other officers, employees and agents as deemed necessary to carry out the provisions of sections 401.01 to 401.16. To the extent that participating counties shall assume and take over state and local correctional services presently provided in counties, employment shall be given to those state and local officers, employees and agents thus displaced; if hired by a county, employment shall, to the extent possible and notwithstanding the provisions of any other law or ordinance to the contrary, be deemed a transfer in grade with all of the benefits enjoyed by such officer, employee or agent while in the service of the state or local correctional service.

State or local employees displaced by county participation in the subsidy grant program provided by this chapter are on layoff status and, if not hired by a participating county as provided herein, may exercise their rights under layoff procedures established by law or union agreement whichever is applicable.

State or local officers and employees displaced by a county's participation in the Community Corrections Act and hired by the participating county shall retain all fringe benefits and recall from layoff benefits accrued by seniority and enjoyed by them while in the service of the state.

Sec. 14. Minnesota Statutes 2021 Supplement, section 401.06, is amended to read:

401.06 COMPREHENSIVE PLAN; STANDARDS OF ELIGIBILITY; COMPLIANCE.

No county or group of counties or Tribal government or group of Tribal governments electing to provide correctional services pursuant to sections 401.01 to 401.16 shall be eligible for the subsidy grant herein provided unless and until its comprehensive plan shall have been approved by the commissioner. The commissioner shall, pursuant to the Administrative Procedure Act, promulgate rules establishing standards of eligibility for CCA and CPQ counties and Tribal governments to receive subsidy grants under sections 401.01 to 401.16. To remain eligible for subsidy grants counties and Tribal governments shall maintain substantial compliance with the minimum standards established pursuant to sections 401.01 to 401.16 and the policies and procedures governing the services described in section 401.025 as prescribed by the commissioner. Counties shall also be in substantial compliance with other correctional operating standards permitted by law and established.
by the commissioner and shall report statistics required by the commissioner including but not limited to information on individuals convicted as an extended jurisdiction juvenile identified in section 241.016, subdivision 1, paragraph (c). The commissioner shall review annually the comprehensive plans submitted by participating counties and Tribal governments, including the facilities and programs operated under the plans. The commissioner is hereby authorized to enter upon any facility operated under the plan; and inspect books and records, for purposes of recommending needed changes or improvements. When the commissioner provides supervision to a county that elects not to provide the supervision, the commissioner shall prepare a comprehensive plan for the county and shall present it to the local county board of commissioners. The Department of Corrections shall be subject to all the standards and requirements established in sections 401.01 to 401.16 and promulgated rules.

When the commissioner shall determine that there are reasonable grounds to believe that a county or group of counties or Tribal government or group of Tribal governments is not in substantial compliance with minimum standards, at least 30 days' notice shall be given the county or counties or Tribal government or group of Tribal governments and a hearing conducted by the commissioner to ascertain whether there is substantial compliance or satisfactory progress being made toward compliance. The commissioner may suspend all or a portion of any subsidy grant until the required standard of operation has been met.

Sec. 15. Minnesota Statutes 2020, section 401.09, is amended to read:

401.09 OTHER SUBSIDY PROGRAMS; PURCHASE OF STATE SERVICES.

Failure of a county or group of counties to elect to come within the provisions of sections 401.01 to 401.16 shall not affect their eligibility for any other state grant or subsidy for correctional purposes otherwise provided by law. Any comprehensive plan submitted pursuant to sections 401.01 to 401.16 may include the purchase of selected correctional services from the state by contract, including the temporary detention and confinement of persons convicted of crime or adjudicated delinquent; confinement to be in an appropriate state facility as otherwise provided by law. The commissioner shall annually determine the costs of the purchase of services under this section and deduct them from the subsidy grant due and payable to the county or counties concerned; provided that no contract shall exceed in cost the amount of subsidy grant to which the participating county or counties are eligible.

Sec. 16. Minnesota Statutes 2020, section 401.10, is amended to read:

401.10 COMMUNITY CORRECTIONS AID.

Subdivision 1. Aid calculations Funding formula. To determine the community corrections aid amount to be paid to each participating county, the commissioner of corrections must apply the following formula.
For each of the 87 counties in the state, a percent score must be calculated for each of the following five factors:

(i) percent of the total state population aged ten to 24 residing within the county according to the most recent federal census, and, in the intervening years between the taking of the federal census, according to the most recent estimate of the state demographer;

(ii) percent of the statewide total number of felony case filings occurring within the county, as determined by the state court administrator;

(iii) percent of the statewide total number of juvenile case filings occurring within the county, as determined by the state court administrator;

(iv) percent of the statewide total number of gross misdemeanor case filings occurring within the county, as determined by the state court administrator; and

(v) percent of the total statewide number of convicted felony offenders who did not receive an executed prison sentence, as monitored and reported by the Sentencing Guidelines Commission.

The percents in items (ii) to (v) must be calculated by combining the most recent three-year period of available data. The percents in items (i) to (v) each must sum to 100 percent across the 87 counties.

For each of the 87 counties, the county’s percents in clause (1), items (i) to (v), must be weighted, summed, and divided by the sum of the weights to yield an average percent for each county, referred to as the county’s “composite need percent.” When performing this calculation, the weight for each of the percents in clause (1), items (i) to (v), is 1.0. The composite need percent must sum to 100 percent across the 87 counties.

For each of the 87 counties, the county’s “adjusted net tax capacity percent” is the county’s adjusted net tax capacity amount, defined in the same manner as it is defined for cities in section 477A.011, subdivision 20, divided by the statewide total adjusted net tax capacity amount. The adjusted net tax capacity percent must sum to 100 percent across the 87 counties.

For each of the 87 counties, the county’s composite need percent must be divided by the county’s adjusted net tax capacity percent to produce a ratio that, when multiplied by the county’s composite need percent, results in the county’s “tax base adjusted need percent.”

For each of the 87 counties, the county’s tax base adjusted need percent must be added to twice the composite need percent, and the sum must be divided by 3, to yield the county’s “weighted need percent.”
Each participating county’s weighted need percent must be added to the weighted need percent of each other participating county to yield the “total weighted need percent for participating counties.”

Each participating county’s weighted need percent must be divided by the total weighted need percent for participating counties to yield the county’s “share percent.” The share percents for participating counties must sum to 100 percent.

Each participating county’s “base funding amount” is the aid amount that the county received under this section for fiscal year 1995 plus the amount received in caseload or workload reduction, felony caseload reduction, and sex offender supervision grants in fiscal year 2015, as reported by the commissioner of corrections. In fiscal year 1997 and thereafter, no county’s aid amount under this section may be less than its base funding amount, provided that the total amount appropriated for this purpose is at least as much as the aggregate base funding amount defined in clause (9).

The “aggregate base funding amount” is equal to the sum of the base funding amounts for all participating counties. If a county that participated under this section chooses not to participate in any given year, then the aggregate base funding amount must be reduced by that county’s base funding amount. If a county that did not participate under this section in fiscal year 1995 chooses to participate on or after July 1, 2015, then the aggregate base funding amount must be increased by the amount of aid that the county would have received had it participated in fiscal year 1995 plus the estimated amount it would have received in caseload or workload reduction, felony caseload reduction, and sex offender supervision grants in fiscal year 2015, as reported by the commissioner of corrections, and the amount of increase shall be that county’s base funding amount.

In any given year, the total amount appropriated for this purpose first must be allocated to participating counties in accordance with each county’s base funding amount. Then, any remaining amount in excess of the aggregate base funding amount must be allocated to participating counties in proportion to each county’s share percent, and is referred to as the county’s “formula amount.”

Each participating county’s “community corrections aid amount” equals the sum of (i) the county’s base funding amount, and (ii) the county’s formula amount.

However, if in any year the total amount appropriated for the purpose of this section is less than the aggregate base funding amount, then each participating county’s community corrections aid amount is the product of (i) the county’s base funding amount multiplied by (ii) the rate of the total amount appropriated to the aggregate base funding amount.

For each participating county, the county’s community corrections aid amount calculated in this subdivision is the total amount of subsidy to which the county is entitled under sections 401.01 to 401.16.
(a) The state shall institute one funding formula for supervising people in the community. For fiscal year 2023, the commissioner shall use the following formula to determine each county and Tribal government grant and the department's funding for supervision in counties or Tribal jurisdictions served by the department. Funding and allocations for intensive supervised release are not included in the formula and regardless of the results of the formula, in fiscal year 2023, the commissioner shall provide 50 percent funding to CPO counties as previously required in section 244.19, subdivision 6. The following amounts shall be summed to arrive at the total for a county, Tribal government, or the department:

1. $250,000;
2. ten percent of the total appropriation for community supervision and postrelease services to the department for community supervision in fiscal year 2022 multiplied by the county's or Tribe's percentage of the state's total population;
3. ten percent of the total appropriation to the department for community supervision in fiscal year 2022 multiplied by the county's or Tribe's percentage of the state's total geographic area;
4. the result of the following methodology:
   i. use the county's felony supervision population as reflected in the most recent probation survey by the department and analysis conducted in 2021 by an independent contractor;
   ii. use the hours required to supervise the felony population based on 2,080 hours of full-time equivalent officer time in one year; and
   iii. assume a $100,000 cost for each full-time equivalent officer and multiply that amount by the average full-time equivalent time for the county for one year; and
5. the department may prorate the total amount distributed in clauses (2), (3), and (4), as necessary, so as to not exceed the total appropriation for fiscal year 2023.

(b) For use in fiscal year 2024 and beyond, to replace the methodology in paragraph (a), clause (4), the state shall implement a workload methodology developed by the Supervision Standards Committee to calculate the average per diem costs of supervising people in communities and accounting for people of different risk and need levels who are juveniles, on probation for a misdemeanor, on probation for a gross misdemeanor, on probation for a felony, on supervised or conditional release, or on intensive supervised release. The Department of Corrections and the Supervision Standards Committee shall report the methodology and the calculated fiscal impacts of the formula described in this paragraph estimated for each of fiscal years 2024, 2025, 2026, and 2027 to the chairs and ranking minority members of the legislative committees with jurisdiction over public safety finance and policy, to the governor, and to the Department of Management and Budget by October 15, 2022, for consideration in biennial budget development under section 16A.10, subdivision...
The department may prorate the total amount distributed in fiscal year 2024 and subsequent years as necessary, so as to not exceed the total appropriation for that fiscal year.

(a) The reimbursement formulas developed under paragraphs (a) and (b) must:

1. Limit the weight of a misdemeanor case to no more than one-half of the weight assigned to a felony case with a comparable risk level assessment for purposes of calculating weighted caseloads; and

2. Account for the absence of work performed in an entity’s caseload that occurs when offenders under the entity’s supervision are reincarcerated. The formulas must reduce an entity’s current grant award by the amount of savings that would have been generated in the prior year from supervision that was not performed because of offender reincarceration.

Subd. 2. Transfer of funds. Notwithstanding any law to the contrary, the commissioner of corrections, after notifying the committees on finance of the senate and ways and means of the house of representatives, may, at the end of any fiscal year, transfer any unobligated funds, including funds available due to withdrawal of a county under section 401.16, in any appropriation to the Department of Corrections to the appropriation under sections 401.01 to 401.16, which appropriation shall not cancel but is reappropriated for the purposes of sections 401.01 to 401.16.

Subd. 3. Formula review. Prior to January 16, 2002, the committees with jurisdiction over community corrections funding decisions in the house of representatives and the senate, in consultation with the Department of Corrections and any interested county organizations, must review the formula in subdivision 1 and make recommendations to the legislature for its continuation, modification, replacement, or discontinuation. (a) For fiscal year 2024 and subsequent fiscal years, the commissioner shall make a funding recommendation based upon the following two components:

1. For the first component the following amounts shall be summed to arrive at the total for a county, Tribal government, or the department:

(i) $250,000;

(ii) Ten percent of the total appropriation to the department for community supervision in the previous fiscal year multiplied by the county’s percentage of the state’s total population according to 2020 census data; and

(iii) Ten percent of the total appropriation to the department for community supervision in the previous fiscal year multiplied by the county’s percentage of the state’s total geographic area as reflected in square miles; and

2. For the second component funding shall reflect the results of the workload study in subdivision 1, paragraph (b).
Every six years the workload study shall be repeated and updated by the Department of Corrections in consultation with the Community Supervision Advisory Board if established.

For the purposes of the recommendations required under this section, every six years the $250,000 base amount shall be adjusted to reflect the statewide average cost of 2.5 probation officer full-time equivalent employees.

Sec. 17. Minnesota Statutes 2020, section 401.11, is amended to read:

401.11 COMPREHENSIVE PLAN ITEMS; GRANT REVIEW.

Subdivision 1. Items. The comprehensive plan submitted to the commissioner for approval shall include those items prescribed by rule of the commissioner, which may require the inclusion of the following: (a) the manner in which presentence and postsentence investigations and reports for the district courts and social history reports for the juvenile courts will be made; (b) the manner in which conditional release services to the courts and persons under jurisdiction of the commissioner of corrections will be provided; (c) a program for the detention, supervision, and treatment of persons under pretrial detention or under commitment; (d) delivery of other correctional services defined in section 401.01; (e) proposals for new programs, which proposals must demonstrate a need for the program, its purpose, objective, administrative structure, staffing pattern, staff training, financing, evaluation process, degree of community involvement, client participation, and duration of program.

Subd. 2. Review. In addition to the foregoing requirements made by this section, each participating CCA county or group of counties shall develop and implement a procedure for the review of grant applications made to the corrections advisory board and for the manner in which corrections advisory board action will be taken on them. A description of this procedure must be made available to members of the public upon request.

Sec. 18. Minnesota Statutes 2020, section 401.12, is amended to read:

401.12 CONTINUATION OF CURRENT SPENDING LEVEL BY COUNTIES.

Participating counties shall not diminish their current level of spending for correctional expenses as defined in section 401.01, to the extent of any subsidy grant received pursuant to sections 401.01 to 401.16; rather the subsidy grant herein provided is for the expenditure for correctional purposes in excess of those funds currently being expended. Should a participating county be unable to expend the full amount of the subsidy grant to which it would be entitled in any one year under the provisions of sections 401.01 to 401.16, the commissioner shall retain the surplus, subject to disbursement in the following year wherein such county can demonstrate a need for and ability to expend same for the purposes provided in section 401.01. If in any biennium the subsidy grant is increased by an inflationary adjustment which results in the county receiving more actual subsidy grant than it did in the previous calendar year, the county shall be eligible for that increase only if the current
Sec. 19. Minnesota Statutes 2020, section 401.14, subdivision 1, is amended to read:

Subdivision 1. Payment. Upon compliance by a county or group of counties with the prerequisites for participation in the subsidy grant prescribed by sections 401.01 to 401.16, and approval of the comprehensive plan by the commissioner, the commissioner shall determine whether funds exist for the payment of the subsidy grant and proceed to pay same in accordance with applicable rules.

Sec. 20. Minnesota Statutes 2020, section 401.14, subdivision 3, is amended to read:

Subd. 3. Installment payments. The commissioner of corrections shall make payments for community corrections services to each county in 12 installments per year. The commissioner shall ensure that the pertinent payment of the allotment for each month is made to each county on the first working day after the end of each month of the calendar year, except for the last month of the calendar year. The commissioner shall ensure that each county receives its payment of the allotment for that month no later than the last working day of that month. The payment described in this subdivision for services rendered during June 1985 shall be made on the first working day of July 1985.

Sec. 21. Minnesota Statutes 2020, section 401.15, subdivision 2, is amended to read:

Subd. 2. Ranking review. The commissioner shall biennially review the ranking accorded each county by the equalization formula provided in section 401.10 and compute the subsidy grant rate accordingly.

Sec. 22. Minnesota Statutes 2020, section 401.16, is amended to read:

401.16 WITHDRAWAL FROM PROGRAM.

Any participating county or Tribal government may, at the beginning of any calendar quarter, by resolution of its board of commissioners or Tribal government leaders, notify the commissioner of its intention to withdraw from the subsidy grant program established by sections 401.01 to 401.16, and the withdrawal shall be effective the last day of the last month of the third quarter in which the notice was given. Upon withdrawal, the unexpended balance of moneys allocated to the county, or that amount necessary to reinstate state correctional services displaced by that county’s participation, including complement positions, may, upon approval of the legislative advisory commission, be transferred to the commissioner for the reinstatement of the displaced services and the payment of any other correctional subsidies for which the withdrawing county had previously been eligible.
Sec. 23. SUPERVISION STANDARDS COMMITTEE.

Subdivision 1. Establishment; members. (a) The commissioner of corrections shall establish a supervision standards committee to develop standards for probation, supervised release, and community supervision. The committee consists of 13 members as follows:

1. two directors appointed by the Minnesota Association of Community Corrections Act Counties;
2. two probation directors appointed by the Minnesota Association of County Probation Officers;
3. two county commissioner representatives appointed by the Association of Minnesota Counties;
4. two behavioral health, treatment, or programming providers who work directly with individuals on correctional supervision, one appointed by the Department of Human Services and one appointed by the Minnesota Association of County Social Service Administrators;
5. two representatives appointed by the Minnesota Indian Affairs Council;

EFFECTIVE DATE. This section is effective August 1, 2022, and applies to crimes committed on or after that date.

Sec. 19. Minnesota Statutes 2020, section 609.1095, is amended by adding a subdivision to read:

(a) Except as otherwise provided in paragraphs (c) and (d), prior to the time of sentencing, the prosecutor may file a motion to have the defendant sentenced without regard to the mandatory minimum sentence established in subdivision 5 for a case in which the basis for the mandatory sentence is that the defendant's accomplice had a firearm in possession at the time of the offense. The motion may be made only if the defendant was unaware that the accomplice possessed the firearm.

(b) The court may not, on its own motion or the prosecutor's motion, sentence a defendant without regard to the mandatory minimum sentence established by subdivision 5 if the defendant was convicted of a crime under section 152.062, subdivision 1, or 152.0625, subdivision 1, and the person or an accomplice possessed on that person or within immediate reach, or used, whether by brandishing, displaying, threatening with, or otherwise employing, a firearm.
No motion to sentence a defendant without regard to the mandatory sentence applicable in subdivision 5 may be made or granted for any other reason or in any other situation.

(b) The motion under paragraph (a) shall be accompanied by a statement on the record of the reasons for the motion. When presented with the motion, or on its own motion, the court may sentence the defendant without regard to the mandatory minimum sentence established in subdivision 5 if the court finds that the criteria in paragraph (a) have been met and there are substantial and compelling reasons to do so. A sentence imposed under this subdivision is a departure from the Sentencing Guidelines.

c) The court may not, on its own motion or the prosecutor's motion, sentence a defendant described in paragraph (a) without regard to the mandatory minimum sentence established in subdivision 5 if the defendant previously had been convicted of an offense listed in subdivision 9 in which the defendant used or possessed a firearm or other dangerous weapon.

d) The court may not, on its own motion or the prosecutor's motion, sentence a defendant described in paragraph (a) without regard to the mandatory minimum sentence established by subdivision 5 if the defendant was convicted of a crime under section 152.021, subdivision 1, or 152.022, subdivision 1, and the person or an accomplice possessed on their person or within immediate reach, or used, whether by brandishing, displaying, threatening with, or otherwise employing, a firearm.

**EFFECTIVE DATE.** This section is effective August 1, 2022, and applies to crimes committed on or after that date.

Sec. 22. Minnesota Statutes 2020, section 609.115, subdivision 2a, is amended to read:

Subd. 2a. **Sentencing worksheet; sentencing guidelines commission.** If the defendant has been convicted of a felony, including a felony for which a mandatory life sentence is required by law, the court shall cause a sentencing worksheet as provided in subdivision 1 to be completed and forwarded to the Sentencing Guidelines Commission.

For the purpose of this section, "mandatory life sentence" means a sentence under section 609.106, subdivision 2; 609.185; 609.2661; 609.3455; or 609.385, subdivision 2; or Minnesota Statutes 2004, section 609.109; subdivision 3, and governed by section 244.05.

**EFFECTIVE DATE.** This section is effective August 1, 2022, and applies to crimes committed on or after that date.

Sec. 23. Minnesota Statutes 2021 Supplement, section 609.135, subdivision 2, is amended to read:

Subd. 2. **Stay of sentence maximum periods.** (a) If the conviction is for a felony other than section 609.2113, subdivision 1 or 2; 609.2114; subdivision 2, or section 609.3451; subdivision 1 or 1a; or Minnesota Statutes 2012, section 609.21; subdivision 1a, paragraph
(b) or (c), the stay shall be for not more than four years or the maximum period for which
the sentence of imprisonment might have been imposed, whichever is longer.

(b) If the conviction is for a gross misdemeanor violation of section 169A.20; 609.2113;
subdivision 3, or 609.3451; or for a felony described in section 609.2113; subdivision 1 or
2; 609.2114; subdivision 2, or 609.3451; subdivision 1 or 1a; the stay shall be for not more
than six years. The court shall provide for unsupervised probation for the last year of the
stay unless the court finds that the defendant needs supervised probation for all or part of
the last year.

(c) If the conviction is for a gross misdemeanor not specified in paragraph (b), the stay
shall be for not more than two years.

(d) If the conviction is for any misdemeanor under section 169A.20; 609.746; subdivision
1; 609.79; or 617.23; or for a misdemeanor under section 609.2242 or 609.224; subdivision
1, in which the victim of the crime was a family or household member as defined in section
518B.01, the stay shall be for not more than two years. The court shall provide for
unsupervised probation for the second year of the stay unless the court finds that the
defendant needs supervised probation for all or part of the second year.

(e) If the conviction is for a misdemeanor not specified in paragraph (d), the stay shall
be for not more than one year.

(f) The defendant shall be discharged six months after the term of the stay expires, unless
the stay has been revoked or extended under paragraph (g), or the defendant has already
been discharged.

(g) Notwithstanding the maximum periods specified for stays of sentences under
paragraphs (a) to (f), a court may extend a defendant's term of probation for up to one year
if it finds, at a hearing conducted under subdivision 1a, that:

(1) the defendant has not paid court-ordered restitution in accordance with the payment
schedule or structure; and

(2) the defendant is likely to not pay the restitution the defendant owes before the term
of probation expires.

This one-year extension of probation for failure to pay restitution may be extended by the
court for up to one additional year if the court finds, at another hearing conducted under
subdivision 1a, that the defendant still has not paid the court-ordered restitution that the
defendant owes.

Nothing in this subdivision limits the court's ability to refer the case to collections under
section 609.104.
Notwithstanding the maximum periods specified for stays of sentences under paragraphs (a) to (f), a court may extend a defendant's term of probation for up to three years if it finds, at a hearing conducted under subdivision 1c, that:

1. The defendant has failed to complete court-ordered treatment successfully; and
2. The defendant is likely not to complete court-ordered treatment before the term of probation expires.

Notwithstanding any law or provision of the Sentencing Guidelines to the contrary, when ordering a stay of imposition or execution of sentence for a felony offense described in this paragraph, the maximum length of the stay and the process for pronouncing it are governed exclusively by this section. This paragraph applies to violations of the following:

tax records in that county, and if the recipient of the real property notice is the county
recorder, the county recorder shall notify the county's responsible authority and provide a
copy to the secretary of state at the address specified in the notice. If the recipient of the
notice is the responsible authority, the responsible authority shall provide a copy to the

the same real property created or recorded subsequent to the county government entity's
receipt of the real property notice.
(d) The prohibition on disclosure in paragraph (a) continues until:

1. The program participant has consented to the termination of the real property notice in writing acknowledged by the program participant. Notification under this paragraph must be given by the government entity to the secretary of state within 90 days of the termination;

2. The real property notice is terminated pursuant to a court order. Notification under this paragraph must be given by the government entity to the secretary of state within 90 days of the termination;

3. The program participant no longer holds a record interest in the real property identified in the real property notice. Notification under this paragraph must be given by the government entity to the secretary of state within 90 days of the termination; or

4. The secretary of state has given written notice to the county recorder government entity who provided the secretary of state with a copy of a participant's real property notice that the program participant's certification has terminated. Notification under this paragraph must be given by the secretary of state within 90 days of the termination.

(a) Not later than 30 days after notice under section 548.69 is served, the person against
whom the judgment was registered may petition the court to vacate the registration. The
court for cause may provide for a shorter or longer time for filing the petition.

(b) A petition under this section may assert only:

(1) a ground that could be asserted to deny recognition of the judgment under sections
548.54 to 548.63; or

(2) a failure to comply with a requirement of sections 548.64 to 548.74 for registration
of the judgment.

(c) A petition filed under this section does not itself stay enforcement of the registered
judgment.

(d) If the court grants a petition under this section, the registration is vacated, and any
act under the registration to enforce the registered judgment is void.

(e) If the court grants a petition under this section on a ground under paragraph (b),
clause (1), the court also shall render a judgment denying recognition of the Canadian
judgment. A judgment rendered under this section has the same effect as a judgment denying
recognition to a judgment on the same ground under sections 548.54 to 548.63.

Sec. 8. [548.71] STAY OF ENFORCEMENT OF JUDGMENT PENDING
DETERMINATION OF PETITION.

A person that files a petition under section 548.70, paragraph (a), to vacate registration
of a Canadian judgment may request the court to stay enforcement of the judgment pending
determination of the petition. The court shall grant the stay if the person establishes a
likelihood of success on the merits with regard to a ground listed in section 548.70, paragraph
(b), for vacating a registration. The court may require the person to provide security in an
amount determined by the court as a condition of granting the stay.

Sec. 9. [548.72] RELATIONSHIP TO UNIFORM FOREIGN-COUNTRY MONEY
JUDGMENTS RECOGNITION ACT.

(a) Sections 548.64 to 548.74 supplement the Uniform Foreign-Country Money
Judgments Recognition Act, and sections 548.54 to 548.63, other than section 548.59, apply
to a registration under sections 548.64 to 548.74.

(b) A person may seek recognition of a Canadian judgment described in section 548.66
either:

(1) by registration under sections 548.64 to 548.74; or
(2) under section 548.59.

(c) Subject to paragraph (d), a person may not seek recognition in this state of the same judgment or part of a judgment described in section 548.66, paragraph (b) or (c), with regard to the same person under both sections 548.59 and 548.64 to 548.74.

(d) If the court grants a petition to vacate a registration solely on a ground under section 548.70, paragraph (b), clause (2), the person seeking registration may:

(1) if the defect in the registration can be cured, file a new registration under sections 548.64 to 548.74; or

(2) seek recognition of the judgment under section 548.59.

Sec. 10. [548.73] UNIFORMITY OF APPLICATION AND INTERPRETATION.

In applying and construing this uniform act, consideration must be given to the need to promote uniformity of the law with respect to its subject matter among states that enact it.

Sec. 11. [548.74] TRANSITIONAL PROVISION.

Sections 548.64 to 548.74 apply to the registration of a Canadian judgment entered in a proceeding that is commenced in Canada on or after the effective date of sections 548.64 to 548.74.

Sec. 12. EFFECTIVE DATE.

Sections 1 to 11 are effective January 1, 2023.

ARTICLE 12

HUMAN RIGHTS

Section 1. Minnesota Statutes 2020, section 363A.03, is amended by adding a subdivision to read:

Subd. 36a. Race.

"Race" is inclusive of traits associated with race, including but not limited to hair texture and hair styles such as braids, locks, and twists.

Sec. 2. Minnesota Statutes 2020, section 363A.08, is amended by adding a subdivision to read:

Subd. 8. Inquiries into pay history prohibited.

(a) "Pay history," as used in this subdivision, means any prior or current wage, salary, earnings, benefits, or any other compensation about an applicant for employment.

(b) An employer, employment agency, or labor organization shall not inquire into consideration from any source the pay history of an applicant for
employment for the purpose of determining wages, salary, earnings, benefits, or other compensation for that applicant. There is a rebuttable presumption that use of pay history received on an applicant for employment to determine the future wages, salary, earnings, benefits, or other compensation for that applicant is an unfair discriminatory employment practice under subdivisions 1 to 3. The general prohibition against inquiring into the pay history of an applicant does not apply if the job applicant's pay history is a matter of public record under federal or state law, unless the employer, employment agency, or labor organization sought access to those public records with the intent of obtaining pay history of the applicant for the purpose of determining wages, salary, earnings, benefits, or other compensation for that applicant.

(c) Nothing in this subdivision shall prevent an applicant for employment from voluntarily and without prompting disclosing pay history for the purposes of negotiating wages, salary, benefits, or other compensation. If an applicant for employment voluntarily and without prompting discloses pay history to a prospective employer, employment agency, or labor organization, nothing in this subdivision shall prohibit that employer, employment agency, or labor organization from considering or acting on that voluntarily disclosed salary history information to support a wage or salary higher than initially offered by the employer, employment agency, or labor organization.

(d) Nothing in this subdivision limits, prohibits, or prevents a person from bringing a charge, grievance, or any other cause of action alleging wage discrimination because of race, color, creed, religion, national origin, sex, gender identity, marital status, status with regard to public assistance, familial status, membership or activity in a local commission, disability, sexual orientation, or age; as otherwise provided in this chapter.

(e) Nothing in this subdivision shall be construed to prevent an employer from:

1. providing information about the wages, benefits, compensation, or salary offered in relation to a position; or

2. inquiring about or otherwise engaging in discussions with an applicant about the applicant's expectations or requests with respect to wages, salary, benefits, or other compensation.

EFFECTIVE DATE. This section is effective January 1, 2023. For employment covered by collective bargaining agreements, this section is not effective until the date of implementation of the applicable collective bargaining agreement that is after January 1, 2023.

Sec. 3. Minnesota Statutes 2020, section 363A.11, subdivision 2, is amended to read:

Subd. 2. General prohibitions. This subdivision lists general prohibitions against discrimination on the basis of disability: For purposes of this subdivision, "individual" or
"class of individuals" refers to the clients or customers of the covered public accommodation that enter into the contractual, licensing, or other arrangement.

(1) It is discriminatory to:

(i) subject an individual or class of individuals on the basis of a disability of that individual or class, directly or through contractual, licensing, or other arrangements, to a denial of the opportunity of the individual or class to participate in or benefit from the goods, services, facilities, privileges, advantages, or accommodations of an entity;

(ii) afford an individual or class of individuals on the basis of the disability of that individual or class, directly or through contractual, licensing, or other arrangements, with the opportunity to participate in or benefit from the goods, services, facilities, privileges, advantages, or accommodations that are not equal to those afforded to other individuals; and

(iii) provide an individual or class of individuals, on the basis of a disability of that individual or class, directly or through contractual, licensing, or other arrangements, with goods, services, facilities, privileges, advantages, or accommodations that are different or separate from those provided to other individuals, unless the action is necessary to provide the individual or class of individuals with goods, services, facilities, privileges, advantages, or accommodations, or other opportunities that are as effective as those provided to others;

(iv) not provide a deaf or hard-of-hearing individual or class of deaf or hard-of-hearing individuals with closed-captioned television when television services are provided to other individuals.

(2) Goods, services, facilities, privileges, advantages, and accommodations must be afforded to an individual with a disability in the most integrated setting appropriate to the needs of the individual.

(3) Notwithstanding the existence of separate or different programs or activities provided in accordance with sections 363A.08 to 363A.19; and 363A.28, subdivision 10, the individual with a disability may not be denied the opportunity to participate in the programs or activities that are not separate or different.

(4) An individual or entity may not, directly or through contractual or other arrangements, use standards or criteria and methods of administration:

(i) that have the effect of discriminating on the basis of disability; or

(ii) that perpetuate the discrimination of others who are subject to common administrative control.
EFFECTIVE DATE. This section is effective August 1, 2023.

Sec. 4. Minnesota Statutes 2020, section 363A.21, subdivision 1, is amended to read:

Subdivision 1. Housing. The provisions of section 363A.09 shall not apply to:

(1) rooms in a temporary or permanent residence home run by a nonprofit organization, if the discrimination is by sex; or

(2) the rental by a resident owner or occupier of a one-family accommodation of a room or rooms in the accommodation to another person or persons if the discrimination is by sex, marital status, status with regard to public assistance, sexual orientation, or disability. Except as provided elsewhere in this chapter or other state or federal law, no person or group of persons selling, renting, or leasing property is required to modify the property in any way, or exercise a higher degree of care for a person having a disability than for a person who does not have a disability; nor shall this chapter be construed to relieve any person or persons of any obligations generally imposed on all persons regardless of any disability in a written lease, rental agreement, or contract of purchase or sale, or to forbid distinctions based on the inability to fulfill the terms and conditions, including financial obligations of the lease, agreement, or contract; or

(3) the rental by a resident owner of a unit in a dwelling containing not more than two units, if the discrimination is on the basis of sexual orientation.

Sec. 5. Minnesota Statutes 2021 Supplement, section 363A.50, is amended to read:

363A.50 NONDISCRIMINATION IN ACCESS TO TRANSPLANTS.

Subdivision 1. Definitions. (a) For purposes of this section, the following terms have the meanings given unless the context clearly requires otherwise:

(b) "Anatomical gift" has the meaning given in section 525A.02, subdivision 4.

(c) "Auxiliary aids and services" include, but are not limited to:

(1) qualified interpreters or other effective methods of making aurally delivered materials available to individuals with hearing impairments and to non-English-speaking individuals;

(2) qualified readers, taped texts, texts in accessible electronic format, or other effective methods of making visually delivered materials available to individuals with visual impairments;

(3) the provision of information in a format that is accessible for individuals with cognitive, neurological, developmental, intellectual, or physical disabilities;

(4) the provision of supported decision-making services; and
(5) the acquisition or modification of equipment or devices.

(d) "Covered entity" means:

(1) any licensed provider of health care services, including licensed health care practitioners, hospitals, nursing facilities, laboratories, intermediate care facilities, psychiatric residential treatment facilities, institutions for individuals with intellectual or developmental disabilities, and prison health centers; or

(2) any entity responsible for matching anatomical gift donors to potential recipients.

(e) "Disability" has the meaning given in section 363A.03, subdivision 12.

(f) "Organ transplant" means the transplantation or infusion of a part of a human body into the body of another for the purpose of treating or curing a medical condition.

(g) "Qualified individual" means an individual who, with or without available support networks, the provision of auxiliary aids and services, or reasonable modifications to policies or practices, meets the essential eligibility requirements for the receipt of an anatomical gift.

(h) "Reasonable modifications" include, but are not limited to:

(1) communication with individuals responsible for supporting an individual with postsurgical and post-transplantation care, including medication; and

(2) consideration of support networks available to the individual, including family, friends, and home and community-based services, including home and community-based services funded through Medicaid, Medicare, another health plan in which the individual is enrolled, or any program or source of funding available to the individual, in determining whether the individual is able to comply with post-transplant medical requirements.

(i) "Supported decision making" has the meaning given in section 524.5-102, subdivision 16a.

Subd. 2. Prohibition of discrimination. (a) A covered entity may not, on the basis of a qualified individual's race, ethnicity, mental disability, or physical disability:

(1) deem an individual ineligible to receive an anatomical gift or organ transplant;

(2) deny medical or related organ transplantation services, including evaluation, surgery, counseling, and postoperative treatment and care;

(3) refuse to refer the individual to a transplant center or other related specialist for the purpose of evaluation or receipt of an anatomical gift or organ transplant;
(4) refuse to place an individual on an organ transplant waiting list or place the individual at a lower-priority position on the list than the position at which the individual would have been placed if not for the individual's race, ethnicity, or disability; or

(5) decline insurance coverage for any procedure associated with the receipt of the anatomical gift or organ transplant, including post-transplantation and postinfusion care.

(b) Notwithstanding paragraph (a), a covered entity may take an individual's disability into account when making treatment or coverage recommendations or decisions, solely to the extent that the physical or mental disability has been found by a physician, following an individualized evaluation of the potential recipient to be medically significant to the provision of the anatomical gift or organ transplant. The provisions of this section may not be deemed to require referrals or recommendations for, or the performance of, organ transplants that are not medically appropriate given the individual's overall health condition.

c) If an individual has the necessary support system to assist the individual in complying with post-transplant medical requirements, an individual's inability to independently comply with those requirements may not be deemed to be medically significant for the purposes of paragraph (b).

d) A covered entity must make reasonable modifications to policies, practices, or procedures, when such modifications are necessary to make services such as transplantation-related counseling, information, coverage, or treatment available to qualified individuals with disabilities, unless the entity can demonstrate that making such modifications would fundamentally alter the nature of such services.

(e) A covered entity must take such steps as may be necessary to ensure that no qualified individual with a disability is denied services such as transplantation-related counseling, information, coverage, or treatment because of the absence of auxiliary aids and services, unless the entity can demonstrate that taking such steps would fundamentally alter the nature of the services being offered or result in an undue burden. A covered entity is not required to provide supported decision-making services.

(g) The provisions of this section apply to each part of the organ transplant process.

Subd. 3. Remedies. In addition to all other remedies available under this chapter, any individual who has been subjected to discrimination in violation of this section may initiate a civil action in a court of competent jurisdiction to enjoin violations of this section.
Sec. 6. REPEALER.

Minnesota Statutes 2020, sections 363A.20, subdivision 3; and 363A.27, are repealed.

ARTICLE 13

OTHER CIVIL LAW POLICY

Section 1. Minnesota Statutes 2021 Supplement, section 169A.63, subdivision 8, is amended to read:

Subd. 8. Administrative forfeiture procedure. (a) A motor vehicle used to commit a designated offense or used in conduct resulting in a designated license revocation is subject to administrative forfeiture under this subdivision.

(b) Within 60 days from when a motor vehicle is seized under subdivision 2, or within a reasonable time after that, all persons known to have an ownership, possessory, or security interest in the vehicle must be notified of the seizure and the intent to forfeit the vehicle. For those vehicles required to be registered under chapter 168, the notification to a person known to have a security interest in the vehicle is required only if the vehicle is registered under chapter 168 and the interest is listed on the vehicle's title. Upon motion by the appropriate agency or prosecuting authority, a court may extend the time period for sending notice for a period not to exceed 90 days for good cause shown. Notice mailed by certified mail to the address shown in Department of Public Safety records is sufficient notice to the registered owner of the vehicle. For motor vehicles not required to be registered under chapter 168, notice mailed by certified mail to the address shown in the applicable filing or registration for the vehicle is sufficient notice to a person known to have an ownership, possessory, or security interest in the vehicle. Otherwise, notice may be given in the manner provided by law for service of a summons in a civil action.

(c) The notice must be in writing and contain:

(1) a description of the vehicle seized;

(2) the date of seizure; and

(3) notice of the right to obtain judicial review of the forfeiture and of the procedure for obtaining that judicial review, printed in English. This requirement does not preclude the appropriate agency from printing the notice in other languages in addition to English.

Substantially the following language must appear conspicuously in the notice:

"WARNING: If you were the person arrested when the property was seized, you will automatically lose the above-described property and the right to be heard in court if you do..."
not file a lawsuit and serve the prosecuting authority within 60 days. You may file your
lawsuit in conciliation court if the property is worth $15,000 or less; otherwise, you must
file in district court. You do not have to pay a filing fee for your lawsuit.

WARNING: If you have an ownership interest in the above-described property and were
not the person arrested when the property was seized, you will automatically lose the
above-described property and the right to be heard in court if you do not notify the
prosecuting authority of your interest in writing within 60 days."

(d) If notice is not sent in accordance with paragraph (b), and no time extension is granted
or the extension period has expired, the appropriate agency shall return the vehicle to the
owner. An agency's return of property due to lack of proper notice does not restrict the
agency's authority to commence a forfeiture proceeding at a later time.

(e) Within 60 days following service of a notice of seizure and forfeiture under this
subdivision, a claimant may file a demand for a judicial determination of the forfeiture. The
demand must be in the form of a civil complaint and must be filed with the court
administrator in the county in which the seizure occurred; together with proof of service of
a copy of the complaint on the prosecuting authority having jurisdiction over the forfeiture.
The claimant may serve the complaint by certified mail or any means permitted by court
rules. If the value of the seized property is $15,000 or less, the claimant may file an action
in conciliation court for recovery of the seized vehicle. A copy of the conciliation court
statement of claim must be served personally or by mail as permitted by the Rules of
Conciliation Court Procedure on the prosecuting authority having jurisdiction over the
forfeiture within 60 days following service of the notice of seizure and forfeiture under this
subdivision. The claimant does not have to pay the court filing fee.

No responsive pleading is required of the prosecuting authority and no court fees may
be charged for the prosecuting authority's appearance in the matter. The prosecuting authority
may appear for the appropriate agency. Pleadings, filings, and methods of service are
governed by the Rules of Civil Procedure and, where applicable, by the Rules of Conciliation
Court Procedure.

(f) The complaint must be captioned in the name of the claimant as plaintiff and the
seized vehicle as defendant, and must state with specificity the grounds on which the claimant
allege the vehicle was improperly seized, the claimant's interest in the vehicle seized, and
any affirmative defenses the claimant may have. Notwithstanding any law to the contrary,
an action for the return of a vehicle seized under this section may not be maintained by or
on behalf of any person who has been served with a notice of seizure and forfeiture unless
the person has complied with this subdivision.

(g) If the claimant makes a timely demand for a judicial determination under this
subdivision, the forfeiture proceedings must be conducted as provided under subdivision
9.
EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 2. Minnesota Statutes 2020, section 259.11, is amended to read:

259.11 ORDER; FILING COPIES.

(a) Upon meeting the requirements of section 259.10, the court shall grant the application unless: (1) it finds that there is an intent to defraud or mislead; (2) section 259.13 prohibits granting the name change; or (3) in the case of the change of a minor child's name, the court finds that such name change is not in the best interests of the child. The court shall set forth in the order the name and age of the applicant's spouse and each child of the applicant, if any, and shall state a description of the lands, if any, in which the applicant and the spouse and children, if any, claim to have an interest. The court administrator shall file such order and record the same in the judgment book. If lands be described therein, a certified copy of the order shall be filed for record, by the applicant, with the county recorder of each county wherein any of the same are situated. Before doing so the court administrator shall present the same to the county auditor who shall enter the change of name in the auditor's official records and note upon the instrument, over an official signature, the words "change of name recorded." Any such order shall not be filed, nor any certified copy thereof be issued, until the applicant shall have paid to the county recorder and court administrator the fee required by law. No application shall be denied on the basis of the marital status of the applicant.

(b) When a person applies for a name change, the court shall determine whether the person has a criminal history in this or any other state. The court may conduct a search of national records through the Federal Bureau of Investigation by submitting a set of fingerprints and the appropriate fee to the Bureau of Criminal Apprehension. If it is determined that the person has a criminal history in this or any other state, the court shall, within ten days after the name change application is granted, report the name change to the Bureau of Criminal Apprehension. The person whose name is changed shall also report the change to the Bureau of Criminal Apprehension within ten days. The court granting the name change application must explain this reporting duty in its order. Any person required to report the person's name change to the Bureau of Criminal Apprehension who fails to report the name change as required under this paragraph is guilty of a gross misdemeanor.

(c) Paragraph (b) does not apply to either:

1. a request for a name change as part of an application for a marriage license under section 517.08;
2. a request for a name change in conjunction with a marriage dissolution under section 518.27; or
3. a request for a name change filed under section 259.14;
Sec. 3. [259.14] POSTDISSOLVATION NAME CHANGE.

(a) A person who has resided in this state for at least six months and obtained the person's most recent final marriage dissolution from a district court in this state may apply to the district court in the county where the person resides to change the person's name to the legal name on the person's birth certificate. A person applying for a name change must submit a certified copy of the certificate of dissolution issued pursuant to section 518.148 and a certified copy of the person's birth certificate.

(b) A court shall not require a person applying for a name change to pay filing fees for an application submitted pursuant to this section. Notwithstanding section 259.10, a court shall not require the person applying for a name change to provide proof of the person's identity by two witnesses unless the proof of identity is necessary to determine whether the person has an intent to defraud or mislead the court.

(c) Upon meeting the requirements of this section, the court shall grant the application for a name change unless the court finds that (1) the person has an intent to defraud or mislead the court; or (2) section 259.13 prohibits granting the name change. The court shall notify the person applying for a name change that using a different surname without complying with section 259.13, if applicable, is a gross misdemeanor.

Sec. 4. [325E.72] DIGITAL FAIR REPAIR:

Subdivision 1. Short title. This act may be cited as the "Digital Fair Repair Act."

Subd. 2. Definitions. (a) For the purposes of this section, the following terms have the meanings given:

(b) "Authorized repair provider" means an individual or business who is unaffiliated with an original equipment manufacturer and who has (1) an arrangement with the original equipment manufacturer, for a definite or indefinite period, under which the original equipment manufacturer grants to the individual or business a license to use a trade name, service mark, or other proprietary identifier to offer the services of diagnosis, maintenance, or repair of digital electronic equipment under the name of the original equipment manufacturer, or (2) other arrangements with the original equipment manufacturer to offer diagnostic, maintenance, or repair services on behalf of the original equipment manufacturer.

An original equipment manufacturer that offers diagnostic, maintenance, or repair services for the original equipment manufacturer's digital electronic equipment is considered an authorized repair provider with respect to the digital electronic equipment if the original equipment manufacturer does not have an arrangement described in this paragraph with an unaffiliated individual or business.
"Digital electronic equipment" or "equipment" means any product that depends for its functioning, in whole or in part, on digital electronics embedded in or attached to the product.

"Documentation" means a manual, diagram, reporting output, service code description, schematic diagram, or similar information provided to an authorized repair provider to affect the services of diagnosis, maintenance, or repair of digital electronic equipment.

"Embedded software" means any programmable instructions provided on firmware delivered with digital electronic equipment or with a part for the equipment to operate equipment. Embedded software includes all relevant patches and fixes made by the manufacturer of the equipment or part for these purposes.

"Firmware" means a software program or set of instructions programmed on digital electronic equipment or on a part for the equipment to allow the equipment or part to communicate with other computer hardware.

"Independent repair provider" means an individual or business operating in Minnesota that (1) does not have an arrangement described in paragraph (b) with an original equipment manufacturer, (2) is not affiliated with any individual or business that has an arrangement described in paragraph (b), and (3) is engaged in the services of diagnosis, maintenance, or repair of digital electronic equipment. An original equipment manufacturer or, with respect to the original equipment manufacturer, an individual or business that has an arrangement with the original equipment manufacturer or is affiliated with an individual or business that has such an arrangement with that original equipment manufacturer is considered an independent repair provider for purposes of the instances it engages in the services of diagnosis, maintenance, or repair of digital electronic equipment that is not manufactured by or sold under the name of the original equipment manufacturer.

"Manufacturer of motor vehicle equipment" means a business engaged in the business of manufacturing or supplying components used to manufacture, maintain, or repair a motor vehicle.

"Motor vehicle" means a vehicle that is designed to transport persons or property on a street or highway and is certified by the manufacturer under all applicable federal safety.
Motor vehicle does not include:

1. a motorcycle; or
2. a recreational vehicle or an auto home equipped for habitation.

(k) "Motor vehicle dealer" means an individual or business that, in the ordinary course of business, (1) is engaged in the business of selling or leasing new motor vehicles to an individual or business pursuant to a franchise agreement, (2) has obtained a license under section 168.27, and (3) is engaged in the services of diagnosis, maintenance, or repair of motor vehicles or motor vehicle engines pursuant to the franchise agreement.

(l) "Motor vehicle manufacturer" means a business engaged in the business of manufacturing or assembling new motor vehicles.

(m) "Original equipment manufacturer" means a business engaged in the business of selling or leasing to any individual or business new digital electronic equipment manufactured by or on behalf of the original equipment manufacturer.

(n) "Owner" means an individual or business that owns or leases digital electronic equipment purchased or used in Minnesota.

(o) "Part" means any replacement part, either new or used, made available by an original equipment manufacturer to affect the services of maintenance or repair of digital electronic equipment manufactured or sold by the original equipment manufacturer.

(p) "Trade secret" has the meaning given in section 325C.01, subdivision 5.

Subd. 3. Requirements. (a) For digital electronic equipment and parts for the equipment sold or used in Minnesota, an original equipment manufacturer must make available on fair and reasonable terms any documentation, parts, and tools, inclusive of any updates to information or embedded software, to any independent repair provider or to the owner of digital electronic equipment manufactured by or on behalf of, or sold by, the original equipment manufacturer for purposes of diagnosis, maintenance, or repair. Nothing in this section requires an original equipment manufacturer to make available a part if the part is no longer available to the original equipment manufacturer.

(b) For equipment that contains an electronic security lock or other security-related function, the original equipment manufacturer must make available to the owner and to independent repair providers, on fair and reasonable terms, any special documentation, tools, and parts needed to reset the lock or function when disabled in the course of diagnosis, maintenance, or repair of the equipment. Documentation, tools, and parts may be made available through appropriate secure release systems.
Subd. 4. Enforcement by attorney general. A violation of this section is unlawful practice under section 325D.44. All remedies, penalties, and authority granted to the attorney general under chapter 8 are available to the attorney general to enforce this section.

Subd. 5. Limitations. (a) Nothing in this section requires an original equipment manufacturer to divulge a trade secret to an owner or an independent service provider, except as necessary to provide documentation, parts, and tools on fair and reasonable terms.

(b) Nothing in this section alters the terms of any arrangement described in subdivision 2, paragraph (b), in force between an authorized repair provider and an original equipment manufacturer, including but not limited to the performance or provision of warranty or recall repair work by an authorized repair provider on behalf of an original equipment manufacturer pursuant to such arrangement. A provision in the terms of an arrangement described in subdivision 2, paragraph (b), that purports to waive, avoid, restrict, or limit the original equipment manufacturer’s obligations to comply with this section is void and unenforceable.

(c) Nothing in this section requires an original equipment manufacturer or an authorized repair provider to provide to an owner or independent repair provider access to information, other than documentation, that is provided by the original equipment manufacturer to an authorized repair provider pursuant to the terms of an arrangement described in subdivision 2, paragraph (b).

Subd. 6. Exclusions. (a) Nothing in this section applies to (1) a motor vehicle manufacturer, manufacturer of motor vehicle equipment, or motor vehicle dealer acting in that capacity, or (2) any product or service of a motor vehicle manufacturer, manufacturer of motor vehicle equipment, or motor vehicle dealer acting in that capacity.

(b) Nothing in this section applies to manufacturers or distributors of a medical device as defined in the Federal Food, Drug, and Cosmetic Act, United States Code, title 21, section 301 et seq., or a digital electronic product or software manufactured for use in a medical setting, including diagnostic, monitoring, or control equipment or any product or service that they offer.

Subd. 7. Applicability. This section applies to equipment sold or in use on or after January 1, 2023.

**EFFECTIVE DATE.** This section is effective January 1, 2023.
