(b) The statement required to be furnished by paragraph (a) with respect to any
remuneration must be furnished at those times, must contain the information required, and

(c) The commissioner may prescribe rules providing for reasonable extensions of time,
not in excess of 30 days, to employers or payers required to give the statements to their
employees or payees under this subdivision.

(d) A duplicate of any statement made under this subdivision and in accordance with
rules prescribed by the commissioner, along with a reconciliation in the form the
commissioner prescribes of the statements for the calendar year, including a reconciliation
of the quarterly returns required to be filed under subdivision 1, must be filed with the

(f) The employer must submit the statements required to be sent to the commissioner in
the same manner required to satisfy the federal reporting requirements of section 6011(e)
of the Internal Revenue Code and the regulations issued under it. An employer must submit
statements to the commissioner required by this section by electronic means, if the employer

is not required to submit the returns federally by electronic means. For statements issued
for wages paid in 2011 and after, the threshold is ten. All statements issued for withholding
required under section 290.92 are aggregated for purposes of determining whether the
electronic submission threshold is met. The commissioner shall prescribe the content, format,

(g) A "third-party bulk filer" as defined in section 290.92, subdivision 30, paragraph

Sec. 4. Minnesota Statutes 2016, section 289A.12, subdivision 14, is amended to read:

Subd. 14. Regulated investment companies; Reporting exempt interest and exempt-interest dividends. (a) A regulated investment company paying $10 or more in exempt-interest dividends to an individual who is a resident of Minnesota, or any person receiving $10 or more of exempt interest or exempt-interest dividends and paying as nominee to an individual who is a resident of Minnesota, must make a return indicating the amount of the exempt interest or exempt-interest dividends, the name, address, and Social Security number of the recipient, and any other information that the commissioner specifies. The return must be provided to the shareholder recipient by February 15 of the year following the year of the payment. The return provided to the shareholder recipient must include a clear statement, in the form prescribed by the commissioner, that the exempt interest or exempt-interest dividends must be included in the computation of Minnesota taxable income. By June 1 of each year, the regulated investment company payor must file a copy of the return with the commissioner.

(b) For purposes of this subdivision, the following definitions apply.

1) "Exempt-interest dividends" mean exempt-interest dividends as defined in section 852(b)(5) of the Internal Revenue Code, but does not include the portion of exempt-interest dividends that are not required to be added to federal taxable income under section 290.0131, subdivision 2, paragraph (b).

2) "Regulated investment company" means regulated investment company as defined in section 851(a) of the Internal Revenue Code or a fund of the regulated investment company as defined in section 851(g) of the Internal Revenue Code.

3) "Exempt interest" means income on obligations of any state other than Minnesota, or a political or governmental subdivision, municipality, or governmental agency or instrumentality of any state other than Minnesota, and exempt from federal income taxes under the Internal Revenue Code or any other federal statute.

EFFECTIVE DATE. This section is effective for reports required to be filed after December 31, 2017.
Sec. 5. Minnesota Statutes 2016, section 289A.18, is amended by adding a subdivision to read:

Subd. 2a. Annual withholding returns; eligible employers. (a) An employer who deducts and withheld an amount required to be withheld by section 290.92 may file an annual return and make an annual payment of the amount required to be deducted and withheld for that calendar year if the employer has received a notification under paragraph (b). The ability to elect to file an annual return continues through the year following the year where an employer is required to deduct and withhold more than $500.

(b) The commissioner is authorized to determine which employers are eligible to file an annual return and to notify employers who newly qualify to file an annual return because the amount an employer is required to deduct and withhold for that calendar year is $500 or less based on the most recent period of four consecutive quarters for which the commissioner has compiled data on that employer's withholding tax for that period. At the time of notification, eligible employers may still decide to file returns and make deposits quarterly. An employer who decides to file returns and make deposits quarterly is required to make all returns and deposits required by this chapter and, notwithstanding paragraph (a), is subject to all applicable penalties for failing to do so.

(c) If, at the end of any calendar month other than the last month of the calendar year, the aggregate amount of undeposited tax withheld by an employer who has elected to file an annual return exceeds $500, the employer must deposit the aggregate amount with the commissioner within 30 days of the end of the calendar month.

(d) If an employer who has elected to file an annual return ceases to pay wages for which withholding is required, the employer must file a final return and deposit any undeposited tax within 30 days of the end of the calendar month following the month in which the employer ceased paying wages.

(e) An employer not subject to paragraph (c) or (d) who elects to file an annual return must file the return and pay the tax not previously deposited before February 1 of the year following the year in which the tax was withheld.

(f) A notification to an employer regarding eligibility to file an annual return under Minnesota Rules, part 8092.1400, is considered a notification under paragraph (a).

EFFECTIVE DATE. This section is effective for taxable years beginning after December 31, 2016.
Sec. 6. Minnesota Statutes 2016, section 289A.20, subdivision 2, is amended to read:

Subd. 2. Withholding from wages, entertainer withholding, withholding from payments to out-of-state contractors, and withholding by partnerships, small business corporations, trusts. (a) Except as provided in section 289A.18, subdivision 2a, a tax required to be deducted and withheld during the quarterly period must be paid on or before the last day of the month following the close of the quarterly period, unless an earlier time for payment is provided. A tax required to be deducted and withheld from compensation of an entertainer and from a payment to an out-of-state contractor must be paid on or before the date the return for such tax must be filed under section 289A.18, subdivision 2. Taxes required to be deducted and withheld by partnerships, S corporations, and trusts must be paid on a quarterly basis as estimated taxes under section 289A.25 for partnerships and trusts and under section 289A.26 for S corporations.

(b) An employer who, during the previous quarter, withheld more than $1,500 of tax under section 290.92, subdivision 2a or 3, or 290.923, subdivision 2, must deposit tax withheld under those sections with the commissioner within the time allowed to deposit the employer’s federal withheld employment taxes under Code of Federal Regulations, title 26, section 31.6302-1, as amended through December 31, 2001, without regard to the safe harbor or de minimis rules in paragraph (f) or the one-day rule in paragraph (c)(3). Taxpayers must submit a copy of their federal notice of deposit status to the commissioner upon request by the commissioner.

(c) The commissioner may prescribe by rule other return periods or deposit requirements. In prescribing the reporting period, the commissioner may classify payors according to the amount of their tax liability and may adopt an appropriate reporting period for the class that the commissioner judges to be consistent with efficient tax collection. In no event will the duration of the reporting period be more than one year.

(d) If less than the correct amount of tax is paid to the commissioner, proper adjustments with respect to both the tax and the amount to be deducted must be made, without interest, in the manner and at the times the commissioner prescribes. If the underpayment cannot be adjusted, the amount of the underpayment will be assessed and collected in the manner and at the times the commissioner prescribes.

(e) If the aggregate amount of the tax withheld is $10,000 or more in a fiscal year ending June 30, the employer must remit each required deposit for wages paid in all subsequent calendar years by electronic means.
(f) A third-party bulk filer as defined in section 290.92, subdivision 30, paragraph (a), clause (2), who remits withholding deposits must remit all deposits by electronic means as provided in paragraph (e), regardless of the aggregate amount of tax withheld during a fiscal year for all of the employers.

**EFFECTIVE DATE.** This section is effective for taxable years beginning after December 31, 2016.

(b) Entertainment taxes are the joint and several liability of the entertainer and the entertainment entity. The payor is liable to the state for the payment of the tax required to be deducted and withheld under section 290.9201, subdivision 7, and is not liable to the entertainer for the amount of the payment.

(a)(1) Subject to paragraphs (a)(2) and (a)(3), income from wages as defined in section 3401(a) and (f) of the Internal Revenue Code is assigned to this state if, and to the extent that, the work of the employee is performed within it; all other income from such sources is treated as income from sources without this state.

Severance pay shall be considered income from labor or personal or professional services.

(2) In the case of an individual who is a nonresident of Minnesota and who is an athlete or entertainer, income from compensation for labor or personal services performed within this state shall be determined in the following manner:

(i) The amount of income to be assigned to Minnesota for an individual who is a nonresident salaried athletic team employee shall be determined by using a fraction in which the denominator contains the total number of days in which the individual is under a duty to perform for the employer, and the numerator is the total number of those days spent in Minnesota. For purposes of this paragraph, off-season training activities, unless conducted at the team's facilities as part of a team imposed program, are not included in the total number of duty days. Bonuses earned as a result of play during the regular season or for participation in championship, play-off, or all-star games must be allocated under the formula. Signing bonuses are not subject to allocation under the formula if they are not conditional on playing any games for the team, are payable separately from any other compensation, and are nonrefundable; and

(ii) The amount of income to be assigned to Minnesota for an individual who is a nonresident, and who is an athlete or entertainer not listed in clause (i), for that person's

tangible property everywhere, determined at the time of the sale. If more than 50 percent
of the value of the partnership's assets consists of intangibles, gain or loss from the sale of
the partnership interest is allocated to this state in accordance with the sales factor of the
partnership for its first full tax period immediately preceding the tax period of the partnership
during which the partnership interest was sold.

disregarded for federal income tax purposes is allocable to this state as if the single member
limited liability company did not exist and the assets of the limited liability company are
personally owned by the sole member.

with a business operating all or partially in Minnesota is allocated to this state to the extent
that the income from the business in the year preceding the year of sale was assignable

preceding leaving the employment of the employer over the total services performed by the
employee for the employer in that year.

Sec. 13. Minnesota Statutes 2016, section 297H.06, subdivision 2, is amended to read:

Subd. 2. **Materials.** The tax is not imposed upon charges to generators of mixed municipal
solid waste or upon the volume of nonmixed municipal solid waste for waste management
services to manage the following materials:

1. mixed municipal solid waste and nonmixed municipal solid waste generated outside
   of Minnesota;
2. recyclable materials that are separated for recycling by the generator, collected
   separately from other waste, and recycled, to the extent the price of the service for handling
   recyclable material is separately itemized on a bill to the generator;
3. recyclable nonmixed municipal solid waste that is separated for recycling by the
   generator, collected separately from other waste, delivered to a waste facility for the purpose
   of recycling, and recycled;
4. industrial waste, when it is transported to a facility owned and operated by the same
   person that generated it;
5. mixed municipal solid waste from a recycling facility that separates or processes
   recyclable materials and reduces the volume of the waste by at least 85 percent, provided
   that the exempted waste is managed separately from other waste;
6. recyclable materials that are separated from mixed municipal solid waste by the
   generator, collected and delivered to a waste facility that recycles at least 85 percent of its
   waste, and are collected with mixed municipal solid waste that is segregated in leakproof
   bags, provided that the mixed municipal solid waste does not exceed five percent of the
   total weight of the materials delivered to the facility and is ultimately delivered to a waste
   facility identified as a preferred waste management facility in county solid waste plans
   under section 115A.46;
7. source-separated compostable waste materials, if the waste materials are delivered
   to a facility exempted as described in this clause. To initially qualify for an exemption, a
   facility must apply for an exemption in its application for a new or amended solid waste
permit to the Pollution Control Agency. The first time a facility applies to the agency it
must certify in its application that it will comply with the criteria in items (i) to (v) and the
commissioner of the agency shall so certify to the commissioner of revenue who must grant
the exemption. The facility must annually apply to the agency for certification to renew its
exemption for the following year. The application must be filed according to the procedures
of, and contain the information required by, the agency. The commissioner of revenue shall
grant the exemption if the commissioner of the Pollution Control Agency finds and certifies
to the commissioner of revenue that based on an evaluation of the composition of incoming
waste and residuals and the quality and use of the product:

- (i) generators separate materials at the source;
- (ii) the separation is performed in a manner appropriate to the technology specific to the
  facility that:
  - (A) maximizes the quality of the product;
  - (B) minimizes the toxicity and quantity of residuals rejects; and
  - (C) provides an opportunity for significant improvement in the environmental efficiency
    of the operation;
- (iii) the operator of the facility educates generators, in coordination with each county
  using the facility, about separating the waste to maximize the quality of the waste stream
  for technology specific to the facility;
- (iv) process residuals rejects do not exceed 15 percent of the weight of the total material
  delivered to the facility; and
- (v) the final product is accepted for use;
- (8) waste and waste by-products for which the tax has been paid; and
- (9) daily cover for landfills that has been approved in writing by the Minnesota Pollution
  Control Agency.

(c) In making a determination under paragraph (b), the commissioner of commerce may determine that two wind energy conversion systems are under common ownership when the underlying ownership structure contains similar persons or entities, even if the ownership shares differ between the two systems. **EFFECTIVE DATE.** This section is effective for valuation notices sent in 2018 and thereafter.

Sec. 17. Minnesota Statutes 2016, section 273.13, subdivision 22, is amended to read:

Subd. 22. **Class 1.** (a) Except as provided in subdivision 23 and in paragraphs (b) and (c), real estate which is residential and used for homestead purposes is class 1a. In the case of a duplex or triplex in which one of the units is used for homestead purposes, the entire property is deemed to be used for homestead purposes. The market value of class 1a property must be determined based upon the value of the house, garage, and land.

The first $500,000 of market value of class 1a property has a net classification rate of one percent of its market value; and the market value of class 1a property that exceeds $500,000 has a classification rate of 1.25 percent of its market value.

(b) Class 1b property includes homestead real estate or homestead manufactured homes used for the purposes of a homestead by:

(1) any person who is blind as defined in section 256D.35, or the blind person and the blind person's spouse;

(2) any person who is permanently and totally disabled or by the disabled person and the disabled person's spouse; or

(3) the surviving spouse of a permanently and totally disabled veteran homesteading a property classified under this paragraph for taxes payable in 2008.

Property is classified and assessed under clause (2) only if the government agency or income-providing source certifies, upon the request of the homestead occupant, that the homestead occupant satisfies the disability requirements of this paragraph, and that the property is not eligible for the valuation exclusion under subdivision 34.

Property is classified and assessed under paragraph (b) only if the commissioner of revenue or the county assessor certifies that the homestead occupant satisfies the requirements of this paragraph.

Permanently and totally disabled for the purpose of this subdivision means a condition which is permanent in nature and totally incapacitates the person from working at an
occupation which brings the person an income. The first $50,000 market value of class 1b
property has a net classification rate of .45 percent of its market value. The remaining market
value of class 1b property has a classification rate using the rates for is classified as class
1a or class 2a property, whichever is appropriate, of similar market value.

(c) Class 1c property is commercial use real and personal property that abuts public
water as defined in section 103G.005, subdivision 15, and is devoted to temporary and
seasonal residential occupancy for recreational purposes but not devoted to commercial
purposes for more than 250 days in the year preceding the year of assessment, and that
includes a portion used as a homestead by the owner, which includes a dwelling occupied
as a homestead by a shareholder of a corporation that owns the resort, a partner in a
partnership that owns the resort, or a member of a limited liability company that owns the
resort even if the title to the homestead is held by the corporation, partnership, or limited
liability company. For purposes of this paragraph, property is devoted to a commercial
purpose on a specific day if any portion of the property, excluding the portion used
exclusively as a homestead, is used for residential occupancy. Class 1c property must contain three or more rental units. A "rental
unit" is defined as a cabin, condominium, townhouse, sleeping room, or individual camping
site equipped with water and electrical hookups for recreational vehicles. Class 1c property
must provide recreational activities such as the rental of ice fishing houses, boats and motors,
snowmobiles, downhill or cross-country ski equipment; provide marina services, launch
services, or guide services; or sell bait and fishing tackle. Any unit in which the right to use
the property is transferred to an individual or entity by deeded interest, or the sale of shares
or stock, no longer qualifies for class 1c even though it may remain available for rent. A
camping pad offered for rent by a property that otherwise qualifies for class 1c is also class
1c, regardless of the term of the rental agreement, as long as the use of the camping pad
does not exceed 250 days. If the same owner owns two separate parcels that are located in
the same township, and one of those properties is classified as a class 1c property and the
other would be eligible to be classified as a class 1c property if it was used as the homestead
of the owner, both properties will be assessed as a single class 1c property; for purposes of
this sentence, properties are deemed to be owned by the same owner if each of them is
owned by a limited liability company, and both limited liability companies have the same
membership. The portion of the property used as a homestead is class 1a property under
paragraph (a). The remainder of the property is classified as follows: the first $600,000 of
market value is tier I, the next $1,700,000 of market value is tier II, and any remaining
market value is tier III. The classification rates for class 1c are: tier I, 0.50 percent; tier II,
1.0 percent; and tier III, 1.25 percent. Owners of real and personal property devoted to
temporary and seasonal residential occupancy for recreation purposes in which all or a portion of the property was devoted to commercial purposes for not more than 250 days in the year preceding the year of assessment desiring classification as class 1c, must submit a declaration to the assessor designating the cabins or units occupied for 250 days or less in the year preceding the year of assessment by January 15 of the assessment year. Those cabins or units and a proportionate share of the land on which they are located must be designated as class 1c as otherwise provided. The remainder of the cabins or units and a proportionate share of the land on which they are located must be designated as class 3a commercial. The owner of property desiring designation as class 1c property must provide guest registers or other records demonstrating that the units for which class 1c designation is sought were not occupied for more than 250 days in the year preceding the assessment if so requested. The portion of a property operated as a (1) restaurant, (2) bar, (3) gift shop, (4) conference center or meeting room, and (5) other nonresidential facility operated on a commercial basis not directly related to temporary and seasonal residential occupancy for recreation purposes does not qualify for class 1c.

(d) Class 1d property includes structures that meet all of the following criteria:

(1) the structure is located on property that is classified as agricultural property under section 273.13, subdivision 23;

(2) the structure is occupied exclusively by seasonal farm workers during the time when they work on that farm, and the occupants are not charged rent for the privilege of occupying the property, provided that use of the structure for storage of farm equipment and produce does not disqualify the property from classification under this paragraph;

(3) the structure meets all applicable health and safety requirements for the appropriate season; and

(4) the structure is not salable as residential property because it does not comply with local ordinances relating to location in relation to streets or roads.

The market value of class 1d property has the same classification rates as class 1a property under paragraph (a).

**EFFECTIVE DATE.** This section is effective for assessment year 2018 and thereafter.

Sec. 18. Minnesota Statutes 2016, section 273.33, subdivision 1, is amended to read:

Subdivision 1. **Listing and assessment in county.** The personal property of express, stage and transportation companies, and of pipeline companies engaged in the business of transporting natural gas, gasoline, crude oil, or other petroleum products, except as otherwise
provided by law, shall be listed and assessed in the county, town or district where the same
is usually kept.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 19. Minnesota Statutes 2016, section 273.33, subdivision 2, is amended to read:

Subd. 2. **Listing and assessment by commissioner.** The personal property, consisting
of the pipeline system of mains, pipes, and equipment attached thereto, of pipeline companies
and others engaged in the operations or business of transporting natural gas, gasoline, crude
oil, or other petroleum products by pipelines, shall be listed with and assessed by the
commissioner of revenue and the values provided to the city or county assessor by order.
This subdivision shall not apply to the assessment of the products transported through the
pipelines nor to the lines of local commercial gas companies engaged primarily in the
business of distributing gas products to consumers at retail nor to pipelines used by the
owner thereof to supply natural gas or other petroleum products exclusively for such owner's
own consumption and not for resale to others. If more than 85 percent of the natural gas or
other petroleum products actually transported over the pipeline is used for the owner's own
consumption and not for resale to others, then this subdivision shall not apply; provided,
however, that in that event, the pipeline shall be assessed in proportion to the percentage
of gas products actually transported over such pipeline that is not used for the owner's own
consumption. On or before August 1, the commissioner shall certify to the auditor of each
county, the amount of such personal property assessment against each company in each
district in which such property is located. If the commissioner determines that the amount
of personal property assessment certified on or before August 1 is in error, the commissioner
may issue a corrected certification on or before October 1. The commissioner may correct
errors that are merely clerical in nature until December 31.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 20. Minnesota Statutes 2016, section 273.372, subdivision 2, is amended to read:

Subd. 2. **Contents and filing of petition.** (a) In all appeals to court that are required to
be brought against the commissioner under this section, the petition initiating the appeal
must be served on the commissioner and must be filed with the Tax Court in Ramsey County,
as provided in paragraph (b) or (c).

(b) If the appeal to court is from an order of the commissioner, it must be brought under
chapter 271 and filed within the time period prescribed in section 271.06, subdivision 2,
except that when the provisions of this section conflict with chapter 271 or 278, this section
prevails. In addition, the petition must include all the parcels encompassed by that order which the petitioner claims have been partially, unfairly, or unequally assessed, assessed at a valuation greater than their real or actual value, misclassified, or are exempt. For this purpose, an order of the commissioner is either (1) a certification or notice of value by the commissioner for property described in subdivision 1, or (2) the final determination by the commissioner of either an administrative appeal conference or informal administrative appeal described in subdivision 4.

(c) If the appeal is from the tax that results from implementation of the commissioner's order, certification, or recommendation, it must be brought under chapter 278, and the provisions in that chapter apply, except that service shall be on the commissioner only and not on the local officials specified in section 278.01, subdivision 1, and if any other provision of this section conflicts with chapter 278, this section prevails. In addition, the petition must include either all the utility parcels or all the railroad parcels in the state in which the petitioner claims an interest and which the petitioner claims have been partially, unfairly, or unequally assessed, assessed at a valuation greater than their real or actual value, misclassified, or are exempt.

EFFECTIVE DATE. This section is effective for assessment year 2018 and thereafter.

Sec. 21. Minnesota Statutes 2016, section 273.372, subdivision 4, is amended to read:

(b) Companies that must submit reports under section 270.82 must submit a written request to the commissioner for a conference within ten days after the notice date of the commissioner's valuation certification or other notice to the company, or by June 15, whichever is earlier. For purposes of this section, "notice date" means the notice date of the valuation certification, commissioner's order, recommendation, or other notice.

(c) Companies that submit reports under section 273.371 must submit a written request to the commissioner for a conference within ten days after the date of the commissioner's valuation certification or notice to the company, or by July 1, whichever is earlier. The appeal need not be in any particular form but must contain the following information:

(1) name and address of the company;
(2) the date;
(3) its Minnesota identification number;
(4) the assessment year or period involved;
(5) the findings in the valuation that the company disputes;
(6) a summary statement specifying its reasons for disputing each item; and
(7) the signature of the company’s duly authorized agent or representative.

(d) When requested in writing and within the time allowed for filing an administrative appeal, the commissioner may extend the time for filing an appeal for a period of not more than 15 days from the expiration of the time for filing the appeal.

Within 60 days 30 days after the conference the commissioner shall make a final determination of the matter and shall notify the company promptly of the determination. The conference is not a contested case hearing subject to chapter 14.

(e) In addition to the opportunity for a conference under paragraph (a), the commissioner shall also provide the railroad and utility companies the opportunity to discuss any questions or concerns relating to the values established by the commissioner through certification or notice in a less formal manner. This does not change or modify the deadline for requesting a conference under paragraph (a), the deadline in section 271.06 for appealing an order of the commissioner, or the deadline in section 278.01 for appealing property taxes in court.

EFFECTIVE DATE. This section is effective for assessment year 2018 and thereafter.

Sec. 22. [273.88] EQUALIZATION OF PUBLIC UTILITY STRUCTURES.

After making the apportionment provided in Minnesota Rules, part 8100.0600, the commissioner must equalize the values of the operating structures to the level accepted by the State Board of Equalization if the appropriate sales ratio for each county, as conducted by the Department of Revenue pursuant to section 270.12, subdivision 2, clause (6), is outside the range accepted by the State Board of Equalization. The commissioner must not equalize the value of the operating structures if the sales ratio determined pursuant to this subdivision is within the range accepted by the State Board of Equalization.
EFFECTIVE DATE. This section is effective beginning with assessment year 2017.

Sec. 23. Minnesota Statutes 2016, section 274.01, subdivision 1, is amended to read:

Subdivision 1. Ordinary board; meetings, deadlines, grievances. (a) The town board of a town, or the council or other governing body of a city, is the local board of appeal and equalization except (1) in cities whose charters provide for a board of equalization or (2) in any city or town that has transferred its local board of review power and duties to the county board as provided in subdivision 3. The county assessor shall fix a day and time when the board or the local board of equalization shall meet in the assessment districts of the county. Notwithstanding any law or city charter to the contrary, a city board of equalization shall be referred to as a local board of appeal and equalization. On or before February 15 of each year the assessor shall give written notice of the time to the city or town clerk. Notwithstanding the provisions of any charter to the contrary, the meetings must be held between April 1 and May 31 each year. The clerk shall give published and posted notice of the meeting at least ten days before the date of the meeting.

(b) The board shall determine whether the taxable property in the town or city has been properly placed on the list and properly valued by the assessor. If real or personal property has been omitted, the board shall place it on the list with its market value, and correct the assessment so that each tract or lot of real property, and each article, parcel, or class of personal property, is entered on the assessment list at its market value. No assessment of the property of any person may be raised unless the person has been duly notified of the intent of the board to do so. On application of any person feeling aggrieved, the board shall review the assessment or classification, or both, and correct it as appears just. The board may not make an individual market value adjustment or classification change that would
benefit the property if the owner or other person having control over the property has refused
the assessor access to inspect the property and the interior of any buildings or structures as
provided in section 273.20. A board member shall not participate in any actions of the board
which result in market value adjustments or classification changes to property owned by
the board member, the spouse, parent, stepparent, child, stepchild, grandparent, grandchild,
brother, sister, uncle, aunt, nephew, or niece of a board member, or property in which a
board member has a financial interest. The relationship may be by blood or marriage.

(c) A local board may reduce assessments upon petition of the taxpayer but the total
reductions must not reduce the aggregate assessment made by the county assessor by more
than one percent. If the total reductions would lower the aggregate assessments made by
the county assessor by more than one percent, none of the adjustments may be made. The
assessor shall correct any clerical errors or double assessments discovered by the board
without regard to the one percent limitation.

(d) A local board does not have authority to grant an exemption or to order property
removed from the tax rolls.

(e) A majority of the members may act at the meeting, and adjourn from day to day until
they finish hearing the cases presented. The assessor shall attend and take part in the
proceedings, but must not vote. The county assessor, or an assistant delegated by the county
assessor shall attend the meetings. The board shall list separately all omitted property added
to the list by the board and all items of property increased or decreased, with the market
value of each item of property, added or changed by the board. The county assessor shall
enter all changes made by the board.

(f) Except as provided in subdivision 3, if a person fails to appear in person, by counsel,
or by written communication before the board after being duly notified of the board's intent
to raise the assessment of the property, or if a person feeling aggrieved by an assessment
or classification fails to apply for a review of the assessment or classification, the person
may not appear before the county board of appeal and equalization for a review. This
paragraph does not apply if an assessment was made after the local board meeting, as
providing in section 273.01, or if the person can establish not having received notice of
market value at least five days before the local board meeting.

(g) The local board must complete its work and adjourn within 20 days from the time
of convening stated in the notice of the clerk, unless a longer period is approved by the
commissioner of revenue. No action taken after that date is valid. All complaints about an
assessment or classification made after the meeting of the board must be heard and

Article 5 Sec. 23.
44.1 determined by the county board of equalization. A nonresident may, at any time, before the
44.2 meeting of the board file written objections to an assessment or classification with the county
44.3 assessor. The objections must be presented to the board at its meeting by the county assessor
44.4 for its consideration.

44.5 EFFECTIVE DATE. This section is effective the day following final enactment.

44.6 Sec. 24. Minnesota Statutes 2016, section 274.13, subdivision 1, is amended to read:

44.7 Subdivision 1. Members; meetings; rules for equalizing assessments. The county
44.8 commissioners, or a majority of them, with the county auditor, or, if the auditor cannot be
44.9 present, the deputy county auditor, or, if there is no deputy, the court administrator of the
44.10 district court, shall form a board for the equalization of the assessment of the property of
44.11 the county, including the property of all cities whose charters provide for a board of
44.12 equalization. This board shall be referred to as the county board of appeal and equalization.
44.13 The board shall meet annually, on the date specified in section 274.14, at the office of the
44.14 auditor. Each member shall take an oath to fairly and impartially perform duties as a member.
44.15 Members shall not participate in any actions of the board which result in market value
44.16 adjustments or classification changes to property owned by the board member, the spouse,
44.17 parent, stepparent, child, stepchild, grandparent, grandchild, brother, sister, uncle, aunt,
44.18 nephew, or niece of a board member, or property in which a board member has a financial
44.19 interest. The relationship may be by blood or marriage. The board shall examine and compare
44.20 the returns of the assessment of property of the towns or districts, and equalize them so that
44.21 each tract or lot of real property and each article or class of personal property is entered on
44.22 the assessment list at its market value, subject to the following rules:

44.23 (1) The board shall raise the valuation of each tract or lot of real property which in its
44.24 opinion is returned below its market value to the sum believed to be its market value. The
44.25 board must first give notice of intention to raise the valuation to the person in whose name
44.26 it is assessed, if the person is a resident of the county. The notice must fix a time and place
44.27 for a hearing.

44.28 (2) The board shall reduce the valuation of each tract or lot which in its opinion is returned
44.29 above its market value to the sum believed to be its market value.

44.30 (3) The board shall raise the valuation of each class of personal property which in its
44.31 opinion is returned below its market value to the sum believed to be its market value. It
44.32 shall raise the aggregate value of the personal property of individuals, firms, or corporations,
44.33 when it believes that the aggregate valuation, as returned, is less than the market value of
44.34 the taxable personal property possessed by the individuals, firms, or corporations, to the

Article 5 Sec. 24. 44
sum it believes to be the market value. The board must first give notice to the persons of
intention to do so. The notice must set a time and place for a hearing.

(4) The board shall reduce the valuation of each class of personal property that is returned
above its market value to the sum it believes to be its market value. Upon complaint of a
party aggrieved, the board shall reduce the aggregate valuation of the individual's personal
property, or of any class of personal property for which the individual is assessed, which
in its opinion has been assessed at too large a sum, to the sum it believes was the market
value of the individual's personal property of that class.

(5) The board must not reduce the aggregate value of all the property of its county, as
submitted to the county board of equalization, with the additions made by the auditor under
this chapter, by more than one percent of its whole valuation. The board may raise the
aggregate valuation of real property, and of each class of personal property, of the county,
or of any town or district of the county, when it believes it is below the market value of the
property, or class of property, to the aggregate amount it believes to be its market value.

(6) The board shall change the classification of any property which in its opinion is not
properly classified.

(7) The board does not have the authority to grant an exemption or to order property
removed from the tax rolls.

(8) The board may not make an individual market value adjustment or classification
change that would benefit property if the owner or other person having control over the
property has refused the assessor access to inspect the property and the interior of any
buildings or structures as provided in section 273.20.

**EFFECTIVE DATE.** This section is effective for county board of appeal and
equalization meetings in 2018 and thereafter.
following year's assessment and continuing unless the powers are reinstated under paragraph
(c). A county that does not comply with the requirements of subdivision 2 and has not
appointed a special board of equalization shall appoint a special board of equalization before
the following year's assessment.

(b) The county shall notify the taxpayers when the board of appeal and equalization for
a county has been transferred to the special board of equalization under this subdivision
and, prior to the meeting time of the special board of equalization, the county shall make
available to those taxpayers a procedure for a review of the assessments, including, but not
limited to, open book meetings. This alternate review process must take place in April and
May.

(c) A county board whose powers are transferred to the special board of equalization
under this subdivision may be reinstated by resolution of the county board and upon proof
of compliance with the requirements of subdivision 2. The resolution and proofs must be
provided to the commissioner by December February 1 in order to be effective for the
following current year's assessment.

(d) If a person who was entitled to appeal to the county board of appeal and equalization
or to the county special board of equalization is not able to do so in a particular year because
the county board or special board did not meet the quorum and training requirements in this
section and section 274.13, or because the special board was not appointed, that person may
instead appeal to the commissioner of revenue, provided that the appeal is received by the
commissioner prior to August 1. The appeal is not subject to either chapter 14 or section
270C.92. The commissioner must issue an appropriate order to the county assessor in
response to each timely appeal, either upholding or changing the valuation or classification
of the property. Prior to October 1 of each year, the commissioner must charge and bill the
county where the property is located $500 for each tax parcel covered by an order issued
under this paragraph in that year. Amounts received by the commissioner under this paragraph
must be deposited in the state's general fund. If payment of a billed amount is not received
by the commissioner before December 1 of the year when billed, the commissioner must
deduct that unpaid amount from any state aid the commissioner would otherwise pay to the
county under chapter 477A in the next year. Late payments may either be returned to the
county uncashed and undeposited or may be accepted. If a late payment is accepted, the
state aid paid to the county under chapter 477A must be adjusted within 12 months to
eliminate any reduction that occurred because the payment was late. Amounts needed to
make these adjustments are included in the appropriation under section 477A.03, subdivision
2.
Sec. 26. Minnesota Statutes 2016, section 275.065, subdivision 1, is amended to read:

Subdivision 1. **Proposed levy.** (a) Notwithstanding any law or charter to the contrary, on or before September 30, each county and each home rule charter or statutory city shall certify to the county auditor the proposed property tax levy for taxes payable in the following year.

(b) Notwithstanding any law or charter to the contrary, on or before September 15, each town and each special taxing district shall adopt and certify to the county auditor a proposed property tax levy for taxes payable in the following year. For towns, the final certified levy shall also be considered the proposed levy.

(c) On or before September 30, each school district that has not mutually agreed with its home county to extend this date shall certify to the county auditor the proposed property tax levy for taxes payable in the following year. Each school district that has agreed with its home county to delay the certification of its proposed property tax levy must certify its proposed property tax levy for the following year no later than October 7. The school district shall certify the proposed levy as:

1. a specific dollar amount by school district fund, broken down between voter-approved and non-voter-approved levies and between referendum market value and tax capacity levies; or
2. the maximum levy limitation certified by the commissioner of education according to section 126C.48, subdivision 1.

(d) If the board of estimate and taxation or any similar board that establishes maximum tax levies for taxing jurisdictions within a first class city certifies the maximum property tax levies for funds under its jurisdiction by charter to the county auditor by the date specified in paragraph (a), the city shall be deemed to have certified its levies for those taxing jurisdictions.

(e) For purposes of this section, "special taxing district" means a special taxing district as defined in section 275.066. Intermediate school districts that levy a tax under chapter 124 or 136D, joint powers boards established under sections 123A.44 to 123A.446, and Common School Districts No. 323, Franconia, and No. 815, Prinsburg, are also special taxing districts for purposes of this section.
At the meeting at which a taxing authority, other than a town, adopts its proposed tax levy under this subdivision, the taxing authority shall announce the time and place of its any subsequent regularly scheduled meetings at which the budget and levy will be discussed and at which the public will be allowed to speak. The time and place of those meetings must be included in the proceedings or summary of proceedings published in the official newspaper of the taxing authority under section 123B.09, 375.12, or 412.191.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 27. Minnesota Statutes 2016, section 275.62, subdivision 2, is amended to read:

**Subd. 2. Local governments required to report.** For purposes of this section, "local governmental unit" means a county, home rule charter or statutory city with a population greater than 2,500, a town with a population greater than 5,000, or a home rule charter or statutory city or town that receives a distribution from the taconite municipal aid account in the levy year.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 28. Minnesota Statutes 2016, section 278.01, subdivision 1, is amended to read:

**Subdivision 1. Determination of validity.** (a) Any person having personal property, or any estate, right, title, or interest in or lien upon any parcel of land, who claims that such property has been partially, unfairly, or unequally assessed in comparison with other property in the (1) city, or (2) county, or (3) in the case of a county containing a city of the first class, the portion of the county excluding the first class city, or that the parcel has been assessed at a valuation greater than its real or actual value, or that the tax levied against the same is illegal, in whole or in part, or has been paid, or that the property is exempt from the tax so levied, may have the validity of the claim, defense, or objection determined by the district court of the county in which the tax is levied or by the Tax Court by serving one copy of a petition for such determination upon the county auditor, one copy on the county attorney, one copy on the county treasurer, and three copies on the county assessor. The county assessor shall immediately forward one copy of the petition to the appropriate governmental authority in a home rule charter or statutory city or town in which the property is located if that city or town employs its own certified assessor. A copy of the petition shall also be forwarded by the assessor to the school board of the school district in which the property is located.

(b) In counties where the office of county treasurer has been combined with the office of county auditor, the county may elect to require the petitioner to serve the number of
copies as determined by the county. The county assessor shall immediately forward one

copy of the petition to the appropriate governmental authority in a home rule charter or

statutory city or town in which the property is located if that city or town employs its own

certified assessor. A list of petitioned properties, including the name of the petitioner, the

identification number of the property, and the estimated market value, shall be sent on or

before the first day of July by the county auditor/treasurer to the school board of the school

district in which the property is located.

(c) For all counties, the petitioner must file the copies with proof of service, in the office

of the court administrator of the district court on or before April 30 of the year in which the
tax becomes payable. A petition for determination under this section may be transferred by

the district court to the Tax Court. An appeal may also be taken to the Tax Court under

chapter 271 at any time following receipt of the valuation notice that county assessors or

city assessors having the powers of a county assessor are required by section 273.121 to

send to persons whose property is to be included on the assessment roll that year, but prior

to May 1 of the year in which the taxes are payable.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 29. Minnesota Statutes 2016, section 282.01, subdivision 1a, is amended to read:

Subd. 1a. Conveyance to public entities. (a) Upon written request from a state agency

or a governmental subdivision of the state, a parcel of unsold tax-forfeited land must be

withheld from sale or lease to others for a maximum of six months. The request must be

submitted to the county auditor. Upon receipt, the county auditor must withhold the parcel

from sale or lease to any other party for six months, and must confirm the starting date of

the six-month withholding period to the requesting agency or subdivision. If the request is

from a governmental subdivision of the state, the governmental subdivision must pay the

maintenance costs incurred by the county during the period the parcel is withheld. The

county board may approve a sale or conveyance to the requesting party during the

withholding period. A conveyance of the property to the requesting party terminates the

withholding period.

A governmental subdivision of the state must not make, and a county auditor must not

act upon, a second request to withhold a parcel from sale or lease within 18 months of a

previous request for that parcel. A county may reject a request made under this paragraph

if the request is made more than 30 days after the county has given notice to the requesting

state agency or governmental subdivision of the state that the county intends to sell or

otherwise dispose of the property.
(b) Nonconservation tax-forfeited lands may be sold by the county board, for their market value as determined by the county board, to an organized or incorporated governmental subdivision of the state for any public purpose for which the subdivision is authorized to acquire property. When the term "market value" is used in this section, it means an estimate of the full and actual market value of the parcel as determined by the county board, but in making this determination, the board and the persons employed by or under contract with the board in order to perform, conduct, or assist in the determination, are exempt from the licensure requirements of chapter 82B.

(c) Nonconservation tax-forfeited lands may be released from the trust in favor of the taxing districts on application to sold by the county board by, for their market value as determined by the county board, to a state agency for an authorized use at not less than their market value as determined by the county board any public purpose for which the agency is authorized to acquire property.

(d) Nonconservation tax-forfeited lands may be sold by the county board to an organized or incorporated governmental subdivision of the state or state agency for less than their market value if:

1. the county board determines that a sale at a reduced price is in the public interest because a reduced price is necessary to provide an incentive to correct the blighted conditions that make the lands undesirable in the open market, or the reduced price will lead to the development of affordable housing; and

2. the governmental subdivision or state agency has documented its specific plans for correcting the blighted conditions or developing affordable housing, and the specific law or laws that empower it to acquire real property in furtherance of the plans.

If the sale under this paragraph is to a governmental subdivision of the state, the commissioner of revenue must convey the property on behalf of the state by quitclaim deed. If the sale under this paragraph is to a state agency, the property is released from the trust in favor of the taxing districts and the commissioner of revenue must issue a conveyance document that releases the property from the trust in favor of the taxing districts convey the property on behalf of the state by quitclaim deed to the agency.

(e) Nonconservation tax-forfeited land held in trust in favor of the taxing districts may be conveyed by the commissioner of revenue in the name of the state to a governmental subdivision for an authorized public use, if an application is submitted to the commissioner which includes a statement of facts as to the use to be made of the tract and the favorable recommendation of the county board. For the purposes of this paragraph, "authorized public
use" means a use that allows an indefinite segment of the public to physically use and enjoy
the property in numbers appropriate to its size and use, or is for a public service facility.

Authorized public uses as defined in this paragraph are limited to:

1. A road, or right-of-way for a road;
2. A park that is both available to, and accessible by, the public that contains
improvements such as campgrounds, playgrounds, athletic fields, trails, or shelters;
3. Trails for walking, bicycling, snowmobiling, or other recreational purposes, along
with a reasonable amount of surrounding land maintained in its natural state;
4. Transit facilities for buses, light rail transit, commuter rail or passenger rail, including
transit ways, park-and-ride lots, transit stations, maintenance and garage facilities, and other
facilities related to a public transit system;
5. Public beaches or boat launches;
6. Public parking;
7. Civic recreation or conference facilities; and
8. Public service facilities such as fire halls, police stations, lift stations, water towers,
sanitation facilities, water treatment facilities, and administrative offices.

No monetary compensation or consideration is required for the conveyance, except as
provided in subdivision 1g, but the conveyance is subject to the conditions provided in law,
including, but not limited to, the reversion provisions of subdivisions 1c and 1d.

The commissioner of revenue shall convey a parcel of nonconservation tax-forfeited
land to a local governmental subdivision of the state by quitclaim deed on behalf of the state
upon the favorable recommendation of the county board if the governmental subdivision
has certified to the board that prior to forfeiture the subdivision was entitled to the parcel
under a written development agreement or instrument, but the conveyance failed to occur
prior to forfeiture. No compensation or consideration is required for, and no conditions
attach to, the conveyance.

The commissioner of revenue shall convey a parcel of nonconservation tax-forfeited
land to the association of a common interest community by quitclaim deed upon the favorable
recommendation of the county board if the association certifies to the board that prior to
forfeiture the association was entitled to the parcel under a written agreement, but the
conveyance failed to occur prior to forfeiture. No compensation or consideration is required
for, and no conditions attach to, the conveyance.
(h) Conservation tax-forfeited land may be sold to a governmental subdivision of the state for less than its market value for either: (1) creation or preservation of wetlands; (2) drainage or storage of storm water under a storm water management plan; or (3) preservation, or restoration and preservation, of the land in its natural state. The deed must contain a restrictive covenant limiting the use of the land to one of these purposes for 30 years or until the property is reconveyed back to the state in trust. At any time, the governmental subdivision may reconvey the property to the state in trust for the taxing districts. The deed of reconveyance is subject to approval by the commissioner of revenue. No part of a purchase price determined under this paragraph shall be refunded upon a reconveyance, but the amount paid for a conveyance under this paragraph may be taken into account by the county board when setting the terms of a future sale of the same property to the same governmental subdivision under paragraph (b) or (d). If the lands are unplatted and located outside of an incorporated municipality and the commissioner of natural resources determines there is a mineral use potential, the sale is subject to the approval of the commissioner of natural resources.

(i) A park and recreation board in a city of the first class is a governmental subdivision for the purposes of this section.

(j) Tax-forfeited land held in trust in favor of the taxing districts may be conveyed by the commissioner of revenue in the name of the state to a governmental subdivision for a school forest under section 89.41. An application that includes a statement of facts as to the use to be made of the tract and the favorable recommendation of the county board and the commissioner of natural resources must be submitted to the commissioner of revenue. No monetary compensation or consideration is required for the conveyance, but the conveyance is subject to the conditional use and reversion provisions of subdivisions 1c and 1d, paragraph (e). At any time, the governmental subdivision may reconvey the property back to the state in trust for the taxing districts. The deed of reconveyance is subject to approval by the commissioner of revenue.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 30. Minnesota Statutes 2016, section 282.01, subdivision 1d, is amended to read:

Subd. 1d. **Reverter for failure to use; conveyance to state.** (a) After three years from the date of any conveyance of tax-forfeited land to a governmental subdivision for an authorized public use as provided in this section, regardless of when the deed for the authorized public use was executed, if the governmental subdivision has failed to put the land to that use, or abandons that use, the governing body of the subdivision must: (1) with
the approval of the county board, purchase the property for an authorized public purpose
at the present market value as determined by the county board, or (2) authorize the proper
officers to convey the land, or the part of the land not required for an authorized public use,
to the state of Minnesota in trust for the taxing districts. If the governing body purchases
the property under clause (1), the commissioner of revenue shall, upon proper application
submitted by the county auditor and upon the reconveyance of the land subject to the
conditional use deed to the state, convey the property on behalf of the state by quitclaim
deed to the subdivision free of a use restriction and the possibility of reversion or
defeasement. If the governing body decides to reconvey the property to the state under this
clause, the officers shall execute a deed of conveyance immediately. The conveyance is
subject to the approval of the commissioner and its form must be approved by the attorney
general. For 15 years from the date of the conveyance, there is no failure to put the land to
the authorized public use and no abandonment of that use if a formal plan of the governmental
subdivision, including, but not limited to, a comprehensive plan or land use plan, shows an
intended future use of the land for the authorized public use.

(b) Property held by a governmental subdivision of the state under a conditional use
deed executed under this section by the commissioner of revenue on or after January 1, 2007,
may be acquired by that governmental subdivision after 15 years from the date of the
conveyance if the commissioner determines upon written application from the subdivision
that the subdivision has in fact put the property to the authorized public use for which it
was conveyed, and the subdivision has made a finding that it has no current plans to change
the use of the lands. Prior to conveying the property, the commissioner shall inquire whether
the county board where the land is located objects to a conveyance of the property to the
subdivision without conditions and without further act by or obligation of the subdivision.
If the county does not object within 60 days, and the commissioner makes a favorable
determination, the commissioner shall issue a quitclaim deed on behalf of the state
unconditionally conveying the property to the governmental subdivision. For purposes of
this paragraph, demonstration of an intended future use for the authorized public use in a
formal plan of the governmental subdivision does not constitute use for that authorized
public use.

(c) Property held by a governmental subdivision of the state under a conditional use
deed executed under this section by the commissioner of revenue before January 1, 2007,
is released from the use restriction and possibility of reversion on January 1, 2022, if the
county board records a resolution describing the land and citing this paragraph. The county
board may authorize the county treasurer to deduct the amount of the recording fees from future settlements of property taxes to the subdivision.

(d) Except for tax-forfeited land conveyed to establish a school forest under section 89.41, property conveyed under a conditional use deed executed under this section by the commissioner of revenue, regardless of when the deed for the authorized public use was executed, is released from the use restriction and reverter, and any use restriction or reverter for which no declaration of reversion has been recorded with the county recorder or registrar of titles, as appropriate, is nullified on the later of: (1) January 1, 2015; (2) 30 years from the date the deed was acknowledged; or (3) final resolution of an appeal to district court under subdivision 1e, if a lis pendens related to the appeal is recorded in the office of the county recorder or registrar of titles, as appropriate, prior to January 1, 2015.

(e) Notwithstanding paragraphs (a) to (d), tax-forfeited land conveyed to establish a school forest under section 89.41 is subject to a perpetual conditional use deed and reverter. The property reverts to the state in trust for the taxing districts by operation of law if the commissioner of natural resources determines and reports to the commissioner of revenue under section 89.41, subdivision 3, that the governmental subdivision has failed to use the land for school forest purposes for three consecutive years. The commissioner of revenue shall record a declaration of reversion for land that has reverted under this paragraph.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 31. Minnesota Statutes 2016, section 477A.013, is amended by adding a subdivision to read:

Subd. 14. Communication by electronic mail. Prior to receiving aid pursuant to this section, a city must register an official electronic mail address with the commissioner, which the commissioner may use as an exclusive means to communicate with the city.

EFFECTIVE DATE. This section is effective for aids payable in 2018 and thereafter.

Sec. 32. Minnesota Statutes 2016, section 477A.19, is amended by adding a subdivision to read:

Subd. 3a. Certification. On or before June 1 of each year, the commissioner of natural resources shall certify to the commissioner of revenue the number of watercraft launches and the number of watercraft trailer parking spaces in each county.

EFFECTIVE DATE. This section is effective for aids payable in 2018 and thereafter.
Sec. 33. Minnesota Statutes 2016, section 477A.19, is amended by adding a subdivision to read:

Sec. 2. Minnesota Statutes 2016, section 270A.03, subdivision 5, is amended to read:

Subd. 5. Debt. (a) "Debt" means a legal obligation of a natural person to pay a fixed and certain amount of money, which equals or exceeds $25 and which is due and payable to a claimant agency. The term includes criminal fines imposed under section 609.10 or 609.125, fines imposed for petty misdemeanors as defined in section 609.02, subdivision 4a, and restitution. A debt may arise under a contractual or statutory obligation, a court order, or other legal obligation, but need not have been reduced to judgment.

A debt includes any legal obligation of a current recipient of assistance which is based on overpayment of an assistance grant where that payment is based on a client waiver or an administrative or judicial finding of an intentional program violation; or where the debt is owed to a program wherein the debtor is not a client at the time notification is provided to initiate recovery under this chapter and the debtor is not a current recipient of food support, transitional child care, or transitional medical assistance.

(b) A debt does not include any legal obligation to pay a claimant agency for medical care, including hospitalization if the income of the debtor at the time when the medical care was rendered does not exceed the following amount:

(6) for a debtor with five or more dependents, an income of $16,630 $23,730 or less.

For purposes of this paragraph, "debtor" means the individual whose income, together with the income of the individual's spouse, other than a separated spouse, brings the individual within the income provisions of this paragraph. For purposes of this paragraph, a spouse, other than a separated spouse, shall be considered a dependent.

12 months ending on August 31 of the year preceding the taxable year. The determination of the commissioner pursuant to this subdivision shall not be considered a "rule" and shall not be subject to the Administrative Procedure Act contained in chapter 14. The income amount as adjusted must be rounded to the nearest $10 amount. If the amount ends in $5, the amount is rounded up to the nearest $10 amount.

(d) Debt also includes an agreement to pay a MinnesotaCare premium, regardless of the dollar amount of the premium authorized under section 256L.15, subdivision 1a.

Sec. 22. Minnesota Statutes 2016, section 273.124, subdivision 13, is amended to read:

Subd. 13. **Homestead application.** (a) A person who meets the homestead requirements under subdivision 1 must file a homestead application with the county assessor to initially obtain homestead classification.

(b) The format and contents of a uniform homestead application shall be prescribed by the commissioner of revenue. The commissioner shall prescribe the content, format, and manner of the homestead application required to be filed under this chapter pursuant to section 270C.30. The application must clearly inform the taxpayer that this application must be signed by all owners who occupy the property or by the qualifying relative and returned to the county assessor in order for the property to receive homestead treatment.

(c) Every property owner applying for homestead classification must furnish to the county assessor the Social Security number of each occupant who is listed as an owner of the property on the deed of record, the name and address of each owner who does not occupy the property, and the name and Social Security number of each owner's spouse who occupies
the property. The application must be signed by each owner who occupies the property and
by each owner's spouse who occupies the property, or, in the case of property that qualifies
as a homestead under subdivision 1, paragraph (c), by the qualifying relative.

If a property owner occupies a homestead, the property owner's spouse may not claim
another property as a homestead unless the property owner and the property owner's spouse
file with the assessor an affidavit or other proof required by the assessor stating that the
property qualifies as a homestead under subdivision 1, paragraph (e).

Owners or spouses occupying residences owned by their spouses and previously occupied
with the other spouse, either of whom fail to include the other spouse's name and Social
Security number on the homestead application or provide the affidavits or other proof
requested, will be deemed to have elected to receive only partial homestead treatment of
their residence. The remainder of the residence will be classified as nonhomestead residential.

When an owner or spouse's name and Social Security number appear on homestead
applications for two separate residences and only one application is signed, the owner or
spouse will be deemed to have elected to homestead the residence for which the application
was signed.

(d) If residential real estate is occupied and used for purposes of a homestead by a relative
of the owner and qualifies for a homestead under subdivision 1, paragraph (c), in order for
the property to receive homestead status, a homestead application must be filed with the
assessor. The Social Security number of each relative and spouse of a relative occupying
the property shall be required on the homestead application filed under this subdivision. If
a different relative of the owner subsequently occupies the property, the owner of the property
must notify the assessor within 30 days of the change in occupancy. The Social Security
number of a relative or relative's spouse occupying the property is private data on individuals
as defined by section 13.02, subdivision 12, but may be disclosed to the commissioner of
revenue, or, for the purposes of proceeding under the Revenue Recapture Act to recover
personal property taxes owing, to the county treasurer.

(e) The homestead application shall also notify the property owners that if the property
is granted homestead status for any assessment year, that same property shall remain
classified as homestead until the property is sold or transferred to another person, or the
owners, the spouse of the owner, or the relatives no longer use the property as their
homestead. Upon the sale or transfer of the homestead property, a certificate of value must
be timely filed with the county auditor as provided under section 272.115. Failure to notify
the assessor within 30 days that the property has been sold, transferred, or that the owner,
the spouse of the owner, or the relative is no longer occupying the property as a homestead,
shall result in the penalty provided under this subdivision and the property will lose its
current homestead status.

(f) If a homestead application has not been filed with the county by December 15, the
assessor shall classify the property as nonhomestead for the current assessment year for
taxes payable in the following year, provided that the owner may be entitled to receive the
homestead classification by proper application under section 375.192.
