

A bill for an act

relating to transportation; directing commissioner of transportation to enter into agreements with radio and television media for public service announcements in exchange for traffic information; proposing coding for new law in Minnesota Statutes, chapter 174.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

Section 1. **[174.032] TRAFFIC DATA FOR RADIO AND TELEVISION MEDIA.**

The commissioner of transportation shall negotiate with radio and television media organizations to supply traffic information from its regional transportation management center, or other feasible sources, in exchange for brief public service announcements concerning, for example, new traffic regulations, driving in adverse weather conditions or in proximity to snowplows, and other transportation safety-related items of interest to the public.
