BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

Section 1. Minnesota Statutes 2012, section 289A.02, subdivision 7, is amended to read:

Subd. 7. **Internal Revenue Code.** Unless specifically defined otherwise, "Internal
Revenue Code" means the Internal Revenue Code of 1986, as amended through ~~April 14,~~
~~2011~~ December 20, 2013.

EFFECTIVE DATE. This section is effective retroactively for taxable years
beginning after December 31, 2012.

Sec. 2. Minnesota Statutes 2012, section 289A.08, subdivision 7, is amended to read:

Subd. 7. **Composite income tax returns for nonresident partners, shareholders,**
and beneficiaries. (a) The commissioner may allow a partnership with nonresident
partners to file a composite return and to pay the tax on behalf of nonresident partners who
have no other Minnesota source income. This composite return must include the names,
addresses, Social Security numbers, income allocation, and tax liability for the nonresident
partners electing to be covered by the composite return.

(b) The computation of a partner's tax liability must be determined by multiplying
the income allocated to that partner by the highest rate used to determine the tax liability

for individuals under section 290.06, subdivision 2c. Nonbusiness deductions, standard deductions, or personal exemptions are not allowed.

(c) The partnership must submit a request to use this composite return filing method for nonresident partners. The requesting partnership must file a composite return in the form prescribed by the commissioner of revenue. The filing of a composite return is considered a request to use the composite return filing method.

(d) The electing partner must not have any Minnesota source income other than the income from the partnership and other electing partnerships. If it is determined that the electing partner has other Minnesota source income, the inclusion of the income and tax liability for that partner under this provision will not constitute a return to satisfy the requirements of subdivision 1. The tax paid for the individual as part of the composite return is allowed as a payment of the tax by the individual on the date on which the composite return payment was made. If the electing nonresident partner has no other Minnesota source income, filing of the composite return is a return for purposes of subdivision 1.

(e) This subdivision does not negate the requirement that an individual pay estimated tax if the individual's liability would exceed the requirements set forth in section 289A.25. The individual's liability to pay estimated tax is, however, satisfied when the partnership pays composite estimated tax in the manner prescribed in section 289A.25.

(f) If an electing partner's share of the partnership's gross income from Minnesota sources is less than the filing requirements for a nonresident under this subdivision, the tax liability is zero. However, a statement showing the partner's share of gross income must be included as part of the composite return.

(g) The election provided in this subdivision is only available to a partner who has no other Minnesota source income and who is either (1) a full-year nonresident individual or (2) a trust or estate that does not claim a deduction under either section 651 or 661 of the Internal Revenue Code.

(h) A corporation defined in section 290.9725 and its nonresident shareholders may make an election under this paragraph. The provisions covering the partnership apply to the corporation and the provisions applying to the partner apply to the shareholder.

(i) Estates and trusts distributing current income only and the nonresident individual beneficiaries of the estates or trusts may make an election under this paragraph. The provisions covering the partnership apply to the estate or trust. The provisions applying to the partner apply to the beneficiary.

(j) For the purposes of this subdivision, "income" means the partner's share of federal adjusted gross income from the partnership modified by the additions provided in section 290.01, subdivision 19a, clauses (6) to ~~(10)~~ (9), and the subtractions provided in:

(i) section 290.01, subdivision 19b, clause (8), to the extent the amount is assignable or allocable to Minnesota under section 290.17; and (ii) section 290.01, subdivision 19b, clause (13). The subtraction allowed under section 290.01, subdivision 19b, clause (8), is only allowed on the composite tax computation to the extent the electing partner would have been allowed the subtraction.

EFFECTIVE DATE. This section is effective retroactively for taxable years beginning after December 31, 2012.

Sec. 3. Minnesota Statutes 2013 Supplement, section 290.01, subdivision 19, is amended to read:

Subd. 19. **Net income.** The term "net income" means the federal taxable income, as defined in section 63 of the Internal Revenue Code of 1986, as amended through the date named in this subdivision, incorporating the federal effective dates of changes to the Internal Revenue Code and any elections made by the taxpayer in accordance with the Internal Revenue Code in determining federal taxable income for federal income tax purposes, and with the modifications provided in subdivisions 19a to 19f.

In the case of a regulated investment company or a fund thereof, as defined in section 851(a) or 851(g) of the Internal Revenue Code, federal taxable income means investment company taxable income as defined in section 852(b)(2) of the Internal Revenue Code, except that:

(1) the exclusion of net capital gain provided in section 852(b)(2)(A) of the Internal Revenue Code does not apply;

(2) the deduction for dividends paid under section 852(b)(2)(D) of the Internal Revenue Code must be applied by allowing a deduction for capital gain dividends and exempt-interest dividends as defined in sections 852(b)(3)(C) and 852(b)(5) of the Internal Revenue Code; and

(3) the deduction for dividends paid must also be applied in the amount of any undistributed capital gains which the regulated investment company elects to have treated as provided in section 852(b)(3)(D) of the Internal Revenue Code.

The net income of a real estate investment trust as defined and limited by section 856(a), (b), and (c) of the Internal Revenue Code means the real estate investment trust taxable income as defined in section 857(b)(2) of the Internal Revenue Code.

The net income of a designated settlement fund as defined in section 468B(d) of the Internal Revenue Code means the gross income as defined in section 468B(b) of the Internal Revenue Code.

The Internal Revenue Code of 1986, as amended through ~~April 14, 2011~~ December 20, 2013, shall be in effect for taxable years beginning after December 31, 1996, ~~and before January 1, 2012, and for taxable years beginning after December 31, 2012.~~ The Internal Revenue Code of 1986, as amended through January 3, 2013, is in effect for taxable years beginning after December 31, 2011, and before January 1, 2013.

Except as otherwise provided, references to the Internal Revenue Code in subdivisions 19 to 19f mean the code in effect for purposes of determining net income for the applicable year.

EFFECTIVE DATE. This section is effective the day following final enactment, except the changes incorporated by federal changes are effective retroactively at the same time as the changes were effective for federal purposes.

Sec. 4. Minnesota Statutes 2012, section 290.01, subdivision 19a, is amended to read:

Subd. 19a. **Additions to federal taxable income.** For individuals, estates, and trusts, there shall be added to federal taxable income:

(1)(i) interest income on obligations of any state other than Minnesota or a political or governmental subdivision, municipality, or governmental agency or instrumentality of any state other than Minnesota exempt from federal income taxes under the Internal Revenue Code or any other federal statute; and

(ii) exempt-interest dividends as defined in section 852(b)(5) of the Internal Revenue Code, except:

(A) the portion of the exempt-interest dividends exempt from state taxation under the laws of the United States; and

(B) the portion of the exempt-interest dividends derived from interest income on obligations of the state of Minnesota or its political or governmental subdivisions, municipalities, governmental agencies or instrumentalities, but only if the portion of the exempt-interest dividends from such Minnesota sources paid to all shareholders represents 95 percent or more of the exempt-interest dividends, including any dividends exempt under subitem (A), that are paid by the regulated investment company as defined in section 851(a) of the Internal Revenue Code, or the fund of the regulated investment company as defined in section 851(g) of the Internal Revenue Code, making the payment; and

For the purpose of this paragraph, the disallowance of itemized deductions under section 68 of the Internal Revenue Code of 1986, income, sales and use, motor vehicle sales, or excise taxes are the last itemized deductions disallowed.~~ For purposes of this clause, income, sales and use, motor vehicle sales, and excise taxes are the last itemized deductions disallowed under clause (13);

(7) 80 percent of the depreciation deduction allowed under section 168(k) of the Internal Revenue Code. For purposes of this clause, if the taxpayer has an activity that in the taxable year generates a deduction for depreciation under section 168(k) and the activity generates a loss for the taxable year that the taxpayer is not allowed to claim for

the taxable year, "the depreciation allowed under section 168(k)" for the taxable year is limited to excess of the depreciation claimed by the activity under section 168(k) over the amount of the loss from the activity that is not allowed in the taxable year. In succeeding taxable years when the losses not allowed in the taxable year are allowed, the depreciation under section 168(k) is allowed;

(8) 80 percent of the amount by which the deduction allowed by section 179 of the Internal Revenue Code exceeds the deduction allowable by section 179 of the Internal Revenue Code of 1986, as amended through December 31, 2003;

As used in this clause, "textbooks" includes books and other instructional materials and equipment purchased or leased for use in elementary and secondary schools in teaching only those subjects legally and commonly taught in public elementary and secondary schools in this state. Equipment expenses qualifying for deduction includes expenses as defined and limited in section 290.0674, subdivision 1, clause (3). "Textbooks" does not include instructional books and materials used in the teaching of religious tenets, doctrines, or worship, the purpose of which is to instill such tenets, doctrines, or worship, nor does it include books or materials for, or transportation to, extracurricular activities including sporting events, musical or dramatic events, speech activities, driver's education, or similar programs. (7) for individuals who are allowed a federal foreign tax credit for taxes that do not qualify for a credit under section 290.06, subdivision 22, an amount equal to the carryover of subnational foreign taxes for the taxable year, but not to exceed the total subnational foreign taxes reported in claiming the foreign tax credit. For purposes of this clause, "federal foreign tax credit" means the credit allowed under section 27 of the Internal Revenue Code, and "carryover of subnational foreign taxes" equals the carryover allowed under section 904(c) of the Internal Revenue Code minus national level foreign taxes to the extent they exceed the federal foreign tax credit;

For purposes of this clause, "organ" means all or part of an individual's liver, pancreas, kidney, intestine, lung, or bone marrow; "human organ transplantation" means the medical procedure by which transfer of a human organ is made from the body of one person to the body of another person; "qualified expenses" means unreimbursed expenses for both the individual and the qualified donor for (i) travel, (ii) lodging, and (iii) lost wages net of sick pay, except that such expenses may be subtracted under this clause only once; and "qualified donor" means the individual or the individual's dependent, as defined in section 152 of the Internal Revenue Code. (16) to the extent included in federal taxable income, discharge of indebtedness income resulting from reacquisition of business indebtedness included in federal taxable income under section 108(i) of the Internal Revenue Code. This subtraction applies only to the extent that the income was included in net income in a prior year as a result of the addition under section 290.01, subdivision 19a, clause (16);

(17) the amount of the net operating loss allowed under section 290.095, subdivision 11, paragraph (c); ~~and~~

15.28 Sec. 10. Minnesota Statutes 2012, section 290.0671, subdivision 1, is amended to read:

15.29 Subdivision 1. **Credit allowed.** (a) An individual is allowed a credit against the tax
15.30 imposed by this chapter equal to a percentage of earned income. To receive a credit, a
15.31 taxpayer must be eligible for a credit under section 32 of the Internal Revenue Code.

15.32 (b) For individuals with no qualifying children, the credit equals 1.9125 percent of
15.33 the first \$4,620 of earned income. The credit is reduced by 1.9125 percent of earned
15.34 income or adjusted gross income, whichever is greater, in excess of \$5,770, but in no
15.35 case is the credit less than zero.

(c) For individuals with one qualifying child, the credit equals 8.5 percent of the first \$6,920 of earned income and 8.5 percent of earned income over \$12,080 but less than \$13,450. The credit is reduced by 5.73 percent of earned income or adjusted gross income, whichever is greater, in excess of \$15,080, but in no case is the credit less than zero.

(d) For individuals with two or more qualifying children, the credit equals ten percent of the first \$9,720 of earned income and 20 percent of earned income over \$14,860 but less than \$16,800. The credit is reduced by 10.3 percent of earned income or adjusted gross income, whichever is greater, in excess of \$17,890, but in no case is the credit less than zero.

(e) For a nonresident or part-year resident, the credit must be allocated based on the percentage calculated under section 290.06, subdivision 2c, paragraph (e).

(f) For a person who was a resident for the entire tax year and has earned income not subject to tax under this chapter, including income excluded under section 290.01, subdivision 19b, clause (9), the credit must be allocated based on the ratio of federal adjusted gross income reduced by the earned income not subject to tax under this chapter over federal adjusted gross income. For purposes of this paragraph, the subtractions for military pay under section 290.01, subdivision 19b, clauses (10) and (11), are not considered "earned income not subject to tax under this chapter."

For the purposes of this paragraph, the exclusion of combat pay under section 112 of the Internal Revenue Code is not considered "earned income not subject to tax under this chapter."

(g) For tax years beginning after December 31, 2007, and before December 31, 2010, and for tax years beginning after December 31, 2017, the \$5,770 in paragraph (b), the \$15,080 in paragraph (c), and the \$17,890 in paragraph (d), after being adjusted for inflation under subdivision 7, are each increased by \$3,000 for married taxpayers filing joint returns. For tax years beginning after December 31, 2008, the commissioner shall annually adjust the \$3,000 by the percentage determined pursuant to the provisions of section 1(f) of the Internal Revenue Code, except that in section 1(f)(3)(B), the word "2007" shall be substituted for the word "1992." For 2009, the commissioner shall then determine the percent change from the 12 months ending on August 31, 2007, to the 12 months ending on August 31, 2008, and in each subsequent year, from the 12 months ending on August 31, 2007, to the 12 months ending on August 31 of the year preceding the taxable year. The earned income thresholds as adjusted for inflation must be rounded to the nearest \$10. If the amount ends in \$5, the amount is rounded up to the nearest \$10. The determination of the commissioner under this subdivision is not a rule under the Administrative Procedure Act.

(h) For tax years beginning after December 31, 2010, and before January 1, 2012, and for tax years beginning after December 31, 2012, and before January 1, 2018, the

\$5,770 in paragraph (b), the \$15,080 in paragraph (c), and the \$17,890 in paragraph (d), after being adjusted for inflation under subdivision 7, are each increased by \$5,000 for married taxpayers filing joint returns. For tax years beginning after December 31, 2010, and before January 1, 2012, and for tax years beginning after December 31, 2012, and before January 1, 2018, the commissioner shall annually adjust the \$5,000 by the percentage determined pursuant to the provisions of section 1(f) of the Internal Revenue Code, except that in section 1(f)(3)(B), the word "2008" shall be substituted for the word "1992." For 2011, the commissioner shall then determine the percent change from the 12 months ending on August 31, 2008, to the 12 months ending on August 31, 2010, and in each subsequent year, from the 12 months ending on August 31, 2008, to the 12 months ending on August 31 of the year preceding the taxable year. The earned income thresholds as adjusted for inflation must be rounded to the nearest \$10. If the amount ends in \$5, the amount is rounded up to the nearest \$10. The determination of the commissioner under this subdivision is not a rule under the Administrative Procedure Act.

(i) The commissioner shall construct tables showing the amount of the credit at various income levels and make them available to taxpayers. The tables shall follow the schedule contained in this subdivision, except that the commissioner may graduate the transition between income brackets.
