the plan. If the commissioner receives no acceptable responses to a request for proposals

for an administrator for the plan by November 1, 2009, the commissioner may enter into agreements with state-chartered or federally chartered banks, savings banks, building and loan associations, savings and loan associations, or credit unions, or a subsidiary of any such entity, to receive contributions in the form of account deposits. The commissioner may adopt and promulgate rules and regulations to carry out the duties under this subdivision.

(b) If an administrator is selected, participants shall enter into participation agreements with the commissioner, and if an administrator is not selected, participants may make contributions to an account with a financial institution with which the commissioner has an agreement under paragraph (a). A lifetime maximum of \$175,000 may be contributed by a participant. The commissioner must adjust the dollar limitation annually for inflation as provided in section 151 of the Internal Revenue Code of 1986, as amended.

(c) Each participation agreement must provide that the agreement may be canceled or transferred to a spouse upon the terms and conditions set by the commissioner. If the participation agreement is canceled or the Minnesota long-term care savings plan is terminated, a participant may receive the principal amount of all contributions made by the participant or on behalf of the participant plus the actual investment earnings on the contributions, less any losses incurred on the contributions. A participant shall not receive more than the fair market value of the account under the participation agreement on the applicable liquidation date.

(d) A participant retains ownership of all contributions up to the date of use.

(e) State income tax treatment of contributions and investment earnings is as provided in section 290.01, subdivisions 19a and 19b.

Subd. 3. **Long-term care savings plan trust.** If an administrator for the Minnesota long-term care savings plan is selected under subdivision 2, the Minnesota long-term care savings plan trust shall be created. The commissioner may adopt and promulgate rules for the efficient administration, operation, and maintenance of the trust. The commissioner shall not adopt and promulgate rules

and regulations that in any way interfere with the fiduciary responsibility of the state investment officer to make all decisions regarding the investment of money in the trust. The State Board of Investment may adopt and promulgate rules and regulations to provide for the prudent investment of the assets of the trust. The State Board of Investment or its designee also has the authority to select and enter into agreements with individuals and entities to provide investment advice and management of the assets held by the trust, establish investment guidelines, objectives, and performance standards with respect to the assets held by the trust; and approve any fees, commissions, and expenses which directly or indirectly affect the return on assets.

Subd. 4. **Authorized withdrawals.** A qualified individual may make withdrawals as a participant in the Minnesota long-term care savings plan to pay or reimburse long-term care expenses. A qualified individual may make withdrawals to pay or reimburse long-term care insurance premiums. Any participant who is not a qualified individual or who makes a withdrawal for any reason other than transfer of funds to a spouse, payment of long-term care expenses or long-term care insurance premiums, or death of the participant is subject to a ten percent penalty on the amount withdrawn. The commissioner shall collect the penalty.
