Sec. 2. Minnesota Statutes 2010, section 3.739, subdivision 2, is amended to read:

Subd. 2. **Evaluation and payment of claims.** Claims of ~~\$500~~ \$1,000 or less subject to this section shall be investigated by the state or local agency responsible for supervising the work to determine if the claim is valid and if the loss is covered by the claimant's insurance. The investigating agency shall submit all appropriate claims to the Department of Corrections. Subject to the limitations contained in subdivision 2a, the department shall pay the portion of an approved claim that is not covered by the claimant's insurance.

This payment shall be made within a reasonable time. On or before the first day of each legislative session, the department shall submit to the appropriate committees of the senate and the house of representatives a list of the claims paid by it during the preceding calendar year and shall be reimbursed by legislative appropriation for the claims paid.

For the purposes of this paragraph, in the case of a juvenile claimant the term "claimant's insurance" includes the insurance of the juvenile's parents if the juvenile is covered by the insurance.

A claim in excess of ~~\$500~~ \$1,000, and a claim that was not paid by the department may be presented to, heard, and determined by the appropriate committees of the senate and the house of representatives and, if approved, shall be paid pursuant to legislative claims procedure.

No juvenile claimant receiving payment under this section may be identified by name either in the list of claimants submitted by the department or in the legislative appropriation.

A claimant who is successful in obtaining an award from the subcommittee shall be reimbursed for the fee paid.
