An annexation to or detachment from the hospital district is effective for taxes payable in the following calendar year if the resolution is adopted, or in the case of an unorganized area the petition submitted to the county auditor, before July 1 of the levy year. A resolution adopted or petition submitted after July 1 of any year is effective for the taxes payable the year following the next levy year.

Subd. 5. **Hospital district board.** The hospital district shall be governed by a hospital board composed of one member of each participating city and town's governing body, appointed by the governing body. If the hospital district only has two members, each member city or town shall appoint two board members. The hospital district board must appoint from among its members a chair, clerk, treasurer, and any other officers the board deems necessary or useful. The St. Louis County Board of Commissioners shall appoint a resident of any unorganized area that is participating in the hospital district. All board members serve at the pleasure of the respective appointing authorities.

Subd. 6. **No compensation; expenses.** Board members shall serve without compensation but shall be eligible for per diem and expenses provided by, and at the discretion of, their respective appointing authorities.
