6.29 **Sec. 7. [473J.01] PURPOSE.**

6.30 The purpose of this chapter is to provide for the construction, financing, and
 6.31 long-term use of a stadium and related stadium infrastructure as a venue for professional
 6.32 football and a broad range of other civic, community, athletic, educational, cultural,
 6.33 and commercial activities. The legislature finds and declares that the expenditure of
 6.34 public money for this purpose is necessary and serves a public purpose, and that property
 6.35 acquired by the Minnesota Stadium Authority for the construction of the stadium and

7.1 related stadium infrastructure is acquired for a public use or public purpose under chapter
7.2 117. The legislature further finds and declares that any provision in a lease or use
7.3 agreement with a professional football team that requires the team to play all of its home
7.4 games in a publicly funded stadium for the duration of the lease or use agreement, with the
7.5 occasional exception of a game played elsewhere as set forth in such agreement, serves
7.6 a unique public purpose for which the remedies of specific performance and injunctive
7.7 relief are essential to its enforcement. The legislature further finds and declares that
7.8 government assistance to facilitate the presence of professional football provides to the
7.9 state of Minnesota and its citizens highly valued intangible benefits that are virtually
7.10 impossible to quantify and, therefore, not recoverable even if the government receives
7.11 monetary damages in the event of a team's breach of contract. Minnesota courts are,
7.12 therefore, charged with protecting those benefits through the use of specific performance
7.13 and injunctive relief as provided in this chapter and in the lease and use agreements.

7.14 Sec. 8. **[473J.03] DEFINITIONS.**

7.15 Subdivision 1. **Application.** For the purposes of this chapter, the terms defined in

8.15 appointment. Thereafter, members appointed by the governor shall serve four-year terms,
8.16 beginning January 1. Each member serves until a successor is appointed and takes office.

9.1 Subd. 5. **Removal.** A member, other than the chair, may be removed by the
9.2 appointing authority only for misfeasance, malfeasance, or nonfeasance in office, upon
9.3 written charges, and after an opportunity to be heard in defense of the charges.

9.6 authority and the exercise of its powers. Except as provided in this section, the bylaws

9.27 facsimile numbers for public comments.

9.28 Subd. 10. **Quorum; approvals.** Any three members shall constitute a quorum for
9.29 the conduct of business and action may be taken upon the vote of a majority of members
9.30 present at a meeting duly called and held. During the design and construction stages of the

10.32 Subd. 7. **Gifts, grants, loans.** The authority may accept monetary contributions,
10.33 property, services, and grants or loans of money or other property from the United States,
10.34 the state, any subdivision of the state, any agency of those entities, or any person for any
10.35 of its purposes, and may enter into any agreement required in connection with the gifts,

11.1 grants, or loans. The authority shall hold, use, and dispose of the money, property, or
11.2 services according to the terms of the monetary contributions, grant, loan, or agreement.

11.3 Subd. 8. **Use agreements.** The authority may lease, license, or enter into use
11.4 agreements and may fix, alter, charge, and collect rents, fees, and charges for the use,
11.5 occupation, and availability of part or all of any premises, property, or facilities under
11.6 its ownership, operation, or control for purposes that will provide athletic, educational,
11.7 cultural, commercial, or other entertainment, instruction, or activity for the citizens of
11.8 Minnesota and visitors. The use agreements may provide that the other contracting party
11.9 has exclusive use of the premises at the times agreed upon, as well as the right to retain
11.10 some or all revenues from ticket sales, suite licenses, concessions, advertising, naming
11.11 rights, NFL team designated broadcast/media, club seats, signage, and other revenues
11.12 derived from the stadium. The lease or use agreement with an NFL team must provide for
11.13 the payment by the NFL team of an agreed-upon portion of operating and maintenance
11.14 costs and expenses and provide other terms in which the authority and NFL team agree. In
11.15 no case may a lease or use agreement permit smoking in the stadium.

11.16 Subd. 9. **Research.** The authority may conduct research studies and programs;
11.17 collect and analyze data; prepare reports, maps, charts, and tables; and conduct all
11.18 necessary hearings and investigations in connection with its functions.

11.19 Subd. 10. **Insurance.** The authority may require any employee to obtain and file
11.20 with the authority an individual bond or fidelity insurance policy. The authority may
11.21 procure insurance in the amounts the authority considers necessary against liability of the
11.22 authority or its officers and employees for personal injury or death and property damage or
11.23 destruction, consistent with chapter 466, and against risks of damage to or destruction of
11.24 any of its facilities, equipment, or other property.

11.25 Subd. 11. **Exemption from Metropolitan Council review; Business Subsidy Act.**
11.26 The acquisition and betterment of a stadium and stadium infrastructure by the authority
11.27 must be conducted pursuant to this chapter and are not subject to sections 473.165 and
11.28 473.173. Section 116J.994 does not apply to any transactions of the authority or other
11.29 governmental entity related to the stadium or stadium infrastructure or to any tenant or
11.30 other users of the stadium or stadium infrastructure. The Metropolitan Council shall waive
11.31 any sewer access charges or similar fees and charges customarily imposed attributable to
11.32 the design and construction of the stadium and stadium infrastructure.

11.33 Subd. 12. **Incidental powers.** In addition to the powers expressly granted in this
11.34 chapter, the authority has all powers necessary or incidental thereto.

11.35 Subd. 13. **Transfers to the authority.** In addition to any other payments required
11.36 under this act, for operating years 2016 to 2020, the NFL team shall annually transfer to

12.1 the authority amounts equal to the city of Minneapolis share of operating costs and capital
12.2 reserves. These amounts shall be repaid to the NFL team by the state on behalf of the city
12.3 of Minneapolis through a repayment schedule to be specified in law, and agreed to in all
12.4 subsequent agreements between the city and the NFL team.

12.5 Sec. 12. **[473J.11] STADIUM DESIGN AND CONSTRUCTION.**

12.6 Subdivision 1. **Contracts.** (a) The design, development, and construction of the
12.7 stadium shall be a collaborative process between the authority and the NFL team. The
12.8 authority and the NFL team shall establish a process to reach consensus on key elements
12.9 of the stadium program and design, development, and construction.

12.10 (b) Unless the authority and the NFL team agree otherwise:

12.11 (1) the authority shall create a stadium design and construction group, including
12.12 representatives of the authority and the NFL team, to manage the design of the stadium
12.13 and oversee construction;

12.14 (2) this group shall engage an owner's representative to act on behalf of the group.
12.15 The cost of the owner's representative shall be a stadium cost; and

12.16 (3) the authority and the NFL team shall enter into a development administration
12.17 agreement providing for rights and responsibilities of the authority and the NFL team, the
12.18 design and construction group, and the owner's representative for design and construction
12.19 of the stadium, including but not limited to establishment of minimum design standards.
12.20 This development administration agreement shall provide for binding arbitration in
12.21 the event that the authority and the NFL team are unable to agree on minimum design
12.22 standards or other material aspects of the design.

12.23 (c) The authority may enter into an agreement with the NFL team and any other
12.24 entity relating to the design, construction, financing, operation, maintenance, and use of
12.25 the stadium and related facilities and stadium infrastructure. The authority may contract
12.26 for materials, supplies, and equipment in accordance with section 471.345, except that
12.27 the authority may employ or contract with persons, firms, or corporations to perform one
12.28 or more or all of the functions of architect, engineer, construction manager, or program
12.29 manager with respect to all or any part of the design, construction, financing, operation,
12.30 maintenance, and use of the stadium and stadium infrastructure under the traditional
12.31 separate design and build, integrated design-build, construction manager at risk, or
12.32 public/private partnership (P3) structures, or a combination thereof.

12.33 (d) The authority and the NFL team shall prepare a request for proposals for one or
12.34 more of the functions described in paragraph (c). The request must be published in the
12.35 State Register and shall include, at a minimum, such requirements that are agreed to by

13.1 the authority and the NFL team. The authority and the NFL team may prequalify offerors
13.2 by issuing a request for qualifications, in advance of the request for proposals, and select a
13.3 short list of responsible offerors prior to discussions and evaluations.

13.4 (e) As provided in the request for proposals, the authority, and the NFL team, may
13.5 conduct discussions and negotiations with responsible offerors in order to determine
13.6 which proposal is most advantageous to the authority and the NFL team and to negotiate
13.7 the terms of an agreement. In conducting discussions, there shall be no disclosure of any
13.8 information derived from proposals submitted by competing offerors and the content of all
13.9 proposals is nonpublic data under chapter 13 until such time as a notice to award a contract
13.10 is given by the authority. The agreement shall be subject to the approval of the NFL team.

13.11 (f) Prior to the time the authority enters into a construction contract with a
13.12 construction manager or program manager certifying a maximum price and a completion
13.13 date as provided in paragraph (h), at the request of the NFL team, the authority may
13.14 authorize, such authorization not to be unreasonably withheld or delayed, the NFL team
13.15 to provide for management of the construction of the stadium and related stadium
13.16 infrastructure, in which event the NFL team must assume the role and responsibilities
13.17 of the authority for completion of construction in a manner consistent with the agreed
13.18 minimum design standards and design documents, subject to the terms of this act,
13.19 including responsibility for cost overruns.

13.20 (g) The construction manager or program manager may enter into contracts with
13.21 contractors for labor, materials, supplies, and equipment for the construction of the
13.22 stadium and related stadium infrastructure through the process of public bidding, except
13.23 that the construction manager or program manager may, with the consent of the authority
13.24 or the NFL team if the NFL team has assumed responsibility for construction:

13.25 (1) narrow the listing of eligible bidders to those which the construction manager
13.26 or program manager determines to possess sufficient expertise to perform the intended
13.27 functions;

13.28 (2) award contracts to the contractors that the construction manager or program
13.29 manager determines provide the best value under a request for proposals as described in
13.30 section 16C.28, subdivision 1, paragraphs (a), clause (2), and (c), which are not required
13.31 to be the lowest responsible bidder; and

13.32 (3) for work the construction manager or program manager determines to be critical
13.33 to the completion schedule, award contracts on the basis of competitive proposals, or
13.34 perform work with its own forces without soliciting competitive bids if the construction
13.35 manager or program manager provides evidence of competitive pricing.

14.1 (h) The authority and the NFL team shall require that the construction manager or
14.2 program manager certify, before the contract is signed, a fixed and stipulated construction
14.3 price and completion date to the authority and post a performance bond in an amount
14.4 at least equal to 100 percent of the certified price or such other security satisfactory to
14.5 the authority, to cover any costs which may be incurred in excess of the certified price
14.6 including, but not limited to, costs incurred by the authority or loss of revenues resulting
14.7 from incomplete construction on the completion date. The authority may secure surety
14.8 bonds as provided in section 574.26, securing payment of just claims in connection with
14.9 all public work undertaken by the authority. Persons entitled to the protection of the
14.10 bonds may enforce them as provided in sections 574.28 to 574.32 and are not entitled to a
14.11 lien on any property of the authority under the provisions of sections 514.01 to 514.16.
14.12 The construction of the stadium is a project as that term is defined in section 177.42,
14.13 subdivision 2, and is subject to the prevailing wage law under sections 177.41 to 177.43.

14.14 Subd. 2. **Changes.** Unless otherwise agreed to by the authority and the NFL team,
14.15 if either party requests an agreed upon change in minimum design standards, and this
14.16 change is responsible for requiring the project to exceed the stated budget, the requesting
14.17 party is liable for any cost overruns or associated liabilities.

14.18 Subd. 3. **Stadium design.** The stadium and stadium infrastructure shall be designed
14.19 and constructed incorporating the following general program and design elements:

14.20 (1) Unless otherwise agreed to by the authority and the NFL team, the stadium
14.21 shall comprise approximately 1,500,000 square feet with approximately 65,000 seats,
14.22 expandable to 72,000, shall meet or exceed NFL program requirements, and include
14.23 approximately 150 suites and approximately 7,500 club seats or other such components as
14.24 agreed to by the authority and the NFL team;

14.25 (2) space for NFL team-related exhibitions and sales, which shall include the
14.26 following: NFL team museum and Hall of Fame, retail merchandise and gift shop retail
14.27 venues, and themed concessions and restaurants;

14.28 (3) year-round space for the NFL team administrative operations, sales, and
14.29 marketing, including a ticket office, team meeting space, locker, and training rooms;

14.30 (4) space for administrative offices of the authority;

14.31 (5) 2,000 parking spaces within one block of the stadium, connected by skyway or
14.32 tunnel to the stadium, and 500 parking spaces within two blocks of the stadium, with a
14.33 dedicated walkway on game days;

14.34 (6) elements sufficient to provide community and civic uses as determined by the
14.35 authority; and

15.1 (7) a roof that is fixed or retractable, provided that if the roof is retractable, it is
15.2 accomplished without any increase to the funding provided by the state or the city.

15.3 Subd. 4. **Cost overruns, savings.** The authority may accept financial obligations
15.4 relating to cost overruns associated with acquisition of the stadium site, stadium
15.5 infrastructure, and stadium design, development, and construction, provided that the
15.6 authority shall not accept responsibility for cost overruns and shall not be responsible for
15.7 cost overruns if the authority has authorized the NFL team to provide for management
15.8 of construction of the stadium under section 473J.11, subdivision 1. Cost savings or
15.9 additional funds obtained by the authority or the NFL team for the stadium or stadium
15.10 infrastructure may be used first to fund additional stadium or stadium infrastructure, as
15.11 agreed to by the authority and the NFL team, if any, and then to fund capital reserves.

15.12 Sec. 13. **[473J.112] COMMEMORATIVE BRICKS.**

15.13 The authority shall sell commemorative bricks to be displayed at a prominent
15.14 location in the new stadium, for an amount to be determined by the authority. The
15.15 authority shall work with the commissioner to ensure that purchase of a brick is a tax
15.16 deductible donation on the part of the donating person or organization. Funds raised
15.17 through this section shall be appropriated to the commissioner of management and budget
15.18 for a grant to the Minnesota Stadium Authority.

15.19 **EFFECTIVE DATE.** This section is effective the day following final enactment.

15.20 Sec. 14. **[473J.12] EMPLOYMENT.**

15.21 Subdivision 1. **Hiring and recruitment.** In the design, development, construction,
15.22 management, operation, maintenance and capital repair, replacement and improvement of
15.23 the stadium and stadium infrastructure, the authority shall make every effort to employ,
15.24 and cause the NFL team, the construction manager and other subcontractors, vendors, and
15.25 concessionaires to employ women and members of minority communities when hiring.
15.26 Further, goals for construction contracts to be awarded to women- and minority-owned
15.27 businesses will be in a percentage at least equal to the minimum used for city of
15.28 Minneapolis development projects, and the other construction workforce will establish
15.29 workforce utilization goals at least equal to current city goals and include workers from
15.30 city zip codes that have high rates of poverty and unemployment.

15.31 Subd. 2. **Other required agreements.** The NFL team or the authority shall give
15.32 food, beverage, retail, and concession workers presently employed by the NFL team or
15.33 the Metropolitan Sports Facilities Commission or its vendors at the existing football
15.34 stadium the opportunity to continue their employment in comparable positions at the new

16.1 stadium. Workers who are presently represented under a collective bargaining agreement
16.2 may seek to continue such representation in the facility and designate such, or another
16.3 collective bargaining unit, as their representative.

16.4 Sec. 15. **[473J.13] STADIUM OPERATIONS; CAPITAL IMPROVEMENTS.**

16.5 Subdivision 1. Stadium operation. The stadium shall be operated in a first-class
16.6 manner, similar to and consistent with other comparable NFL stadiums, such as the
16.7 stadium currently known as Lucas Oil Field. The authority and the team will mutually
16.8 agree on a third-party management company or individual to manage the stadium and on
16.9 certain major vendors to the stadium. The authority, with the approval of the NFL team,
16.10 may enter into an agreement with a program manager for management of the stadium, for
16.11 a maximum of 30 years.

16.12 Subd. 2. Operating expenses. (a) The authority must pay or cause to be paid
16.13 all operating expenses of the stadium. The authority must require in the lease or use
16.14 agreement with the NFL team that the NFL team pay the authority, beginning January 1,
16.15 2016, or other date as mutually agreed upon by the parties, toward operating costs of the
16.16 stadium, \$8,500,000 each year, increased by a three percent annual inflation rate.

16.17 (b) Beginning January 1, 2016, or other date as mutually agreed upon by the
16.18 parties, and continuing through 2020, the NFL team shall pay the authority operating
16.19 expenses, \$6,000,000 each year, increased by an annual adjustment factor. The payment
16.20 of \$6,000,000 per year beginning in 2016 is a payment by the team, which shall be repaid
16.21 to the team by the state, using funds as provided under section 297A.994, subdivision 4,
16.22 clause (4). After 2020, the state shall assume this payment, using funds generated in
16.23 accordance with the city of Minneapolis as specified under section 287A.994.

16.24 (c) The authority may establish an operating reserve to cover operating expense
16.25 shortfalls and may accept funds from any source for deposit in the operating reserve. The
16.26 establishment or funding of an authority operating reserve must not decrease the amounts
16.27 required to be paid to the authority toward operating costs under this subdivision unless
16.28 agreed to by the authority.

16.29 (d) The authority will be responsible for operating cost overruns.

16.30 (e) After the joint selection of the third-party manager or program manager, the
16.31 authority may agree with a program manager or other third-party manager of the stadium
16.32 on a fixed cost operating, management, or employment agreement with operating
16.33 cost protections under which the program manager or third-party manager assumes
16.34 responsibility for stadium operating costs and shortfalls. The agreement with the manager
16.35 must require the manager to prepare an initial and ongoing operating plan and operating

17.1 budgets for approval by the authority in consultation with the NFL team. The manager
17.2 must agree to operate the stadium in accordance with the approved operating plan and
17.3 operating budget.

17.4 Subd. 3. **Public access.** The authority will work to maximize access for public and
17.5 amateur sports, community, and civic events, and other public events in type and on terms
17.6 consistent with those currently held at the existing football stadium, as defined in section
17.7 473.551, subdivision 9. The authority may provide that these events have exclusive use
17.8 of the premises at agreed-upon times subject to the scheduling rights of the NFL team
17.9 under the lease or use agreement.

17.10 Subd. 4. **Capital improvements.** (a) The authority shall establish a capital
17.11 reserve fund. The authority shall be responsible for making, or for causing others to
17.12 make, all capital repairs, replacements, and improvements for the stadium and stadium
17.13 infrastructure. The authority shall maintain, or cause others to maintain, the stadium and
17.14 stadium infrastructure in a safe, clean, attractive, and first-class manner so as to cause
17.15 them to remain in a condition comparable to that of other comparable NFL facilities of
17.16 similar design and age. The authority shall make, or cause others to make, all necessary
17.17 or appropriate repairs, renewals, and replacements, whether structural or nonstructural,
17.18 interior or exterior, ordinary or extraordinary, foreseen or unforeseen, in a prompt and
17.19 timely manner. In addition, the authority, with approval of the NFL team, may enter into
17.20 an agreement with a program manager to perform some or all of the responsibilities of the
17.21 authority in this subdivision and to assume and accept financial liability for the cost of
17.22 performing the responsibilities.

17.23 (b) The NFL team must contribute \$1,500,000 each year, beginning in 2016 or as
17.24 otherwise determined for the term of the lease or use agreement to the operating reserve
17.25 fund, increased by a three percent annual inflation rate.

17.26 (c) The state shall contribute \$1,500,000 each year, beginning in 2016 or as otherwise
17.27 determined for the term of the lease to the operating reserve fund. The contributions of the
17.28 state are subject to increase by an annual adjustment factor. The contribution under this
17.29 paragraph shall be assumed by the team from 2016 through 2020, and repaid to the team
17.30 by the state using funds in accordance with section 297A.994, subdivision 4, clause (4).

17.31 (d) The authority with input from the NFL team shall develop short-term and
17.32 long-term capital funding plans and shall use those plans to guide the future capital needs
17.33 of the stadium and stadium infrastructure. The authority shall make the final determination
17.34 with respect to funding capital needs. Any capital improvement proposed by the NFL
17.35 team intended primarily to provide revenue enhancements to the NFL team shall be paid
17.36 for by the NFL team, unless otherwise agreed to with the authority.

18.1 Subd. 5. **Game-day payments.** In addition to operating expense contributions
18.2 of the NFL team under subdivision 2, the NFL team shall pay all NFL game day, NFL
18.3 team-owned major league soccer, as provided in section 473J.15, subdivision 15, and
18.4 other NFL team-sponsored event expenses within the stadium and stadium plaza areas.

18.5 Subd. 6. **Cooperation with financing.** The authority will cooperate with the
18.6 NFL team to facilitate the financing of the NFL team's contribution. Such agreement to
18.7 cooperate shall not require the authority to incur any additional costs or provide conduit
18.8 financing. The lease, license, and other transaction documents shall include provisions
18.9 customarily required by lenders in stadium financings.

18.10 **Sec. 16. [473J.15] CRITERIA AND CONDITIONS.**

18.11 Subdivision 1. **Binding and enforceable.** In developing the stadium and entering
18.12 into related contracts, the authority must follow and enforce the criteria and conditions in
18.13 this section, provided that a determination by the authority that those criteria or conditions
18.14 have been met under any agreement or otherwise shall be conclusive.

18.15 Subd. 2. **NFL team/private contribution; timing of expenditures.** (a) The NFL
18.16 team/private contribution, including stadium builder license proceeds, for stadium costs
18.17 must be made in cash in the amount of at least \$427,000,000.

18.18 (b) Prior to the initial deposit of funds under this section, the team must provide
18.19 security or other credit worthiness in the amount of \$50,000,000, subject to the satisfaction
18.20 of the authority. Prior to the first issuance of bonds under section 16A.965, the first portion
18.21 of the NFL team/private contribution in the amount of \$50,000,000 must be deposited as
18.22 costs are incurred to the construction fund to pay for the initial stadium costs.

18.23 (c) After the first \$50,000,000 of stadium costs have been paid from the initial
18.24 NFL team/private contribution, state funds shall be deposited as costs are incurred to the
18.25 construction fund to pay for the next \$50,000,000 of costs of the project. Prior to any state
18.26 funds being deposited in the construction fund, the NFL team must provide security or a
18.27 financing commitment reasonably satisfactory to the authority for the balance of the
18.28 required NFL team/private contribution and for payment of cost overruns if the NFL
18.29 team assumes responsibility for stadium construction under section 473J.11. Thereafter,
18.30 budgeted project costs shall be borne by the authority and the NFL team/private
18.31 contributions in amounts proportionate to their remaining funding commitments.

18.32 (d) In the event the project terminates before the initial \$100,000,000 in contributions
18.33 are expended by the parties under this subdivision, the parties shall be reimbursed in the
18.34 amounts they have deposited to the construction fund proportionate to project funding

19.1 percentages, in the amounts of 56 percent by the authority and 44 percent by the NFL
19.2 team/private contributions.

19.3 Subd. 3. **Lease or use agreements; 30-year term.** The authority must enter into
19.4 a long-term lease or use agreement with the NFL team for the NFL team's use of the
19.5 stadium. The NFL team must agree to play all preseason, regular season, and postseason
19.6 home games at the stadium. Training facilities must remain in Minnesota during the term
19.7 of the lease or use agreement. The lease or use agreement must be for a term of at least
19.8 30 years from the date of substantial completion of the stadium for professional football
19.9 games. The lease or use agreement may provide options for the NFL team to extend the
19.10 term for up to four additional periods of five years. The lease or use agreement must
19.11 include terms for default, termination, and breach of the agreement. Recognizing that
19.12 the presence of professional football provides to the state of Minnesota and its citizens
19.13 highly valued, intangible benefits that are virtually impossible to quantify and, therefore,
19.14 not recoverable in the event of the NFL team owner's breach of contract, the lease and
19.15 use agreements must provide for specific performance and injunctive relief to enforce
19.16 provisions relating to use of the stadium for professional football and must not include
19.17 escape clauses or buyout provisions. The NFL team must not enter into or accept any
19.18 agreement or requirement with or from any entity that is inconsistent with the NFL team's
19.19 binding commitment to the 30-year term of the lease or use agreement or that would in
19.20 any manner dilute, interfere with, or negate the provisions of the lease or use agreement,
19.21 providing for specific performance or injunctive relief. The legislature conclusively
19.22 determines, as a matter of public policy, that the lease or use agreement, and any grant
19.23 agreement under this chapter that includes a specific performance clause:

19.24 (1) explicitly authorizes specific performance as a remedy for breach;

19.25 (2) is made for adequate consideration and upon terms which are otherwise fair
19.26 and reasonable;

19.27 (3) has not been included through sharp practice, misrepresentation, or mistake;

19.28 (4) if specifically enforced, does not cause unreasonable or disproportionate hardship
19.29 or loss to the NFL team or to third parties; and

19.30 (5) involves performance in a manner and the rendering of services of a nature and
19.31 under circumstances that the beneficiary cannot be adequately compensated in damages.

19.32 Subd. 4. **Lease or use agreements; revenues, payments.** A lease or use agreement
19.33 shall include rent and other fees and expenses to be paid by the NFL team. The authority
19.34 shall agree to provide in the lease or use agreement for the NFL team to receive all NFL
19.35 and team event related revenues, including but not limited to, suite revenues, advertising,
19.36 concessions, signage, broadcast and media, and club seat revenue. The agreement shall

20.1 also provide that all naming rights to the stadium are retained by the NFL team, subject to
20.2 the approval of the name or names by the authority consistent with those criteria set out
20.3 in the lease or use agreement. The agreement shall provide for the authority to receive
20.4 all general ticket revenues and other event revenues other than from NFL team games,
20.5 NFL team-owned major league soccer games, and other NFL team events agreed to by
20.6 the authority. The stadium authority, or any company managing the stadium facilities on
20.7 behalf of the authority, shall provide a public notice and seek a formal solicitation for
20.8 requests for proposals for any contracts for goods, services, sponsorships, or advertising
20.9 or signage rights at the stadium in excess of \$25,000 in accordance with the definitions
20.10 and terms set forth in chapter 16C, with the stadium authority acting as the responsible
20.11 authority for seeking any such formal solicitations and awarding any such contracts
20.12 pursuant to such solicitations.

20.13 Subd. 5. **Notice of breach or default.** Until 30 years from the date of stadium
20.14 completion, the NFL team must provide written notice to the authority not less than 180
20.15 days prior to any action, including any action imposed upon the NFL team by the NFL,
20.16 which would result in a breach or default of provisions of the lease or use agreements
20.17 required to be included under subdivision 3. If this notice provision is violated and the
20.18 NFL team has already breached or been in default under the required provisions, the
20.19 authority or the state of Minnesota may specifically enforce the lease or use agreement
20.20 and Minnesota courts shall fashion equitable remedies so that the NFL team fulfills the
20.21 conditions of the lease and use agreements.

20.22 Subd. 6. **Enforceable financial commitments.** The authority must determine before
20.23 stadium construction begins that all public and private funding sources for construction,
20.24 operating expenses, and capital improvements and repairs of the stadium are included in
20.25 written agreements. The committed funds must be adequate to design, construct, furnish,
20.26 and equip the stadium, and pay projected operating expenses and the costs of capital
20.27 improvements and repairs during the term of the lease or use agreement with the NFL
20.28 team. The NFL team must provide the authority access to NFL team financial or other
20.29 information, which the authority deems necessary for such determination. Any financial
20.30 information obtained by the authority under this subdivision is nonpublic data under
20.31 section 13.02, subdivision 9.

20.32 Subd. 7. **Environmental requirements.** The authority must comply with all
20.33 environmental requirements imposed by regulatory agencies for the stadium, site, and
20.34 structure, except as provided by section 473J.09, subdivision 11, or by section 473J.17.

20.35 Subd. 8. **Public share on sale of NFL team.** The lease or use agreement must
20.36 provide that, if the NFL team is sold or an interest in the NFL team is sold after the

21.1 effective date of this chapter, a portion of the sale price must be paid to the authority and
21.2 deposited in a reserve fund for improvements to the stadium or expended as the authority
21.3 may otherwise direct. The portion required to be so paid to the authority is 18 percent
21.4 of the amount in excess of the purchase price of the NFL team by the selling owner or
21.5 owners, declining to zero 15 years after commencement of stadium construction in
21.6 increments of 1.2 percent each year. The agreement must provide exceptions for sales
21.7 to members of the owners' family and entities and trusts beneficially owned by family
21.8 members, sales to employees of equity interests aggregating up to ten percent, sales related
21.9 to capital infusions not distributed to the owners, and sales amongst existing owners not
21.10 exceeding 20 percent equity interest in the NFL team.

21.11 Subd. 9. **Authority's access to NFL team financial information.** A notice
21.12 provision for a material breach shall be agreed to between the authority and the NFL team.
21.13 In the event there is a material breach by the NFL team under the lease or use agreement,
21.14 the lease or use agreement must provide the authority access to audited financial statements
21.15 of the NFL team and other financial information that the authority deems necessary to
21.16 enforce the terms of any lease or use agreements. Any financial information obtained by
21.17 the authority under this subdivision is nonpublic data under section 13.02, subdivision 9.

21.18 Subd. 10. **NFL team name retained.** The lease or use agreement must provide
21.19 that the NFL team and NFL will transfer to the state of Minnesota the Minnesota Vikings'
21.20 heritage and records, including the name, logo, colors, history, playing records, trophies,
21.21 and memorabilia in the event of relocation of the NFL team is in violation of the lease
21.22 or use agreement.

21.23 Subd. 11. **Stadium design.** (a) The authority and the NFL team will strive to build a
21.24 stadium that is environmentally and energy efficient and will make an effort to build a
21.25 stadium that is eligible to receive the Leadership in Energy and Environmental Design
21.26 (LEED) certification for environmental design, and to the extent practicable, will strive to
21.27 make the stadium design architecturally significant.

21.28 (b) The stadium design must, to the extent feasible, follow sustainable building
21.29 guidelines established under section 16B.325.

21.30 (c) The authority and the team must ensure that the stadium be, to the greatest extent
21.31 practicable, constructed of American-made steel.

21.32 Subd. 12. **Necessary approvals.** The authority and the NFL team must secure
21.33 any necessary approvals to the terms of the lease and use agreement and the design and
21.34 construction plans for the stadium, including prior approval of the NFL.

22.1 Subd. 13. **Affordable access.** The lease or use agreement must provide for an
22.2 agreed-upon number of affordable tickets to the professional sporting events held in the
22.3 stadium.

22.4 Subd. 14. **Stadium builder's licenses.** The authority shall own and retain the
22.5 exclusive right to sell stadium builder's licenses in the stadium. The authority will retain
22.6 the NFL team to act as the authority's agent in marketing and selling such licenses.

22.7 Subd. 15. **Major league soccer.** The authority shall, for five years after the first
22.8 NFL team home game is played in the stadium, grant the NFL team the exclusive right to
22.9 establish major league soccer at the stadium. The authority and the NFL team may enter
22.10 into an agreement providing the terms and conditions of such an arrangement, provided:

22.11 (1) if any of the NFL team owners whose family owns at least three percent of
22.12 the NFL team purchases full or partial ownership in a major league soccer franchise,
22.13 such franchise may play in the stadium under a use agreement with similar terms as are
22.14 applicable to the NFL team at no additional rent, but including a provision of payment
22.15 of game-day costs and reasonable marginal costs incurred by the authority as a result of
22.16 the major league soccer team; and

22.17 (2) capital improvements required by a major league soccer franchise must be
22.18 financed by the owners of the major league soccer team, unless otherwise agreed to by
22.19 the authority.

22.20 Subd. 16. **NFL team-related entities.** Subject to the prior approval of the authority,
22.21 which shall not be unreasonably withheld, any of the obligations by the NFL team may
22.22 be performed by the NFL team, a related entity, or a third party, and the NFL team, any
22.23 entity related to the NFL team or third party may receive any revenues to which the NFL
22.24 team is entitled hereunder; provided, however, the NFL team shall remain liable if any
22.25 obligations are assigned to a related entity or third party.

22.26 Sec. 17. **[473J.17] MUNICIPAL ACTIVITIES.**

22.27 Subdivision 1. **Property acquisition and disposition.** The city may, to the extent
22.28 legally permissible, acquire land, air rights, and other property interests within the
22.29 development area for the stadium site and stadium infrastructure and convey it to the
22.30 authority with or without consideration, prepare a site for development as a stadium, and
22.31 acquire and construct any related stadium infrastructure. To the extent property parcels or
22.32 interests acquired are more extensive than the stadium infrastructure requirements, the city
22.33 may sell or otherwise dispose of the excess.

22.34 Subd. 2. **Claims.** Except as may be mutually agreed to by the city and the authority,
22.35 the city has no interest in or claim to any assets or revenues of the authority.

23.1 Subd. 3. **Environmental; planning and zoning.** The authority is the responsible
23.2 governmental unit for an environmental impact statement for the stadium prepared under
23.3 section 116D.04, if an environmental impact statement is necessary. Notwithstanding
23.4 section 116D.04, subdivision 2b, and implementing rules: (1) the environmental
23.5 impact statement shall not be required to consider alternative stadium sites; and (2) the
23.6 environmental impact statement must be determined to be adequate before commencing
23.7 work on the foundation of the stadium, but the stadium and stadium infrastructure may
23.8 otherwise be started and all preliminary and final government decisions and actions may
23.9 be made and taken including, but not limited to, acquiring land; obtaining financing;
23.10 granting permits or other land use approvals; entering into grant, lease, or use agreements;
23.11 or preparing the site or related stadium infrastructure prior to a determination of the
23.12 adequacy of the environmental impact statement.

23.13 Subd. 4. **Local government expenditure.** The city may make expenditures or
23.14 grants for other costs incidental and necessary to further the purposes of this chapter and
23.15 may, by agreement, reimburse in whole or in part, any entity that has granted, loaned, or
23.16 advanced funds to the city to further the purposes of this chapter. The city may reimburse
23.17 the authority or a local governmental entity or make a grant to the authority or such a
23.18 governmental unit or be reimbursed by the authority or local governmental entity for site
23.19 acquisition, preparation of the site for stadium development, and stadium infrastructure.

23.20 Subd. 5. **Municipal authority.** The legislature intends that, except as expressly
23.21 limited herein, the city may acquire and develop stadium infrastructure, enter into contracts
23.22 with the authority and other governmental or nongovernmental entities, appropriate funds,
23.23 and make employees, consultants, and other revenues available for those purposes.

23.24 Subd. 6. **Stadium Implementation Committee; city review.** In order to accomplish
23.25 the objectives of this act within the required time frame, it is necessary to establish an
23.26 alternative process for municipal land use and development review. It is hereby found
23.27 and declared that the construction of a stadium within the development area is consistent
23.28 with the adopted area plan, is the preferred stadium location, and is a permitted land use.
23.29 This subdivision establishes a procedure for all land use and development reviews and
23.30 approvals by the city of Minneapolis for the stadium and related stadium infrastructure
23.31 and supersedes all land use and development rules and restrictions and procedures
23.32 imposed by other law, charter, or ordinance, including without limitation section 15.99.
23.33 No later than 30 days after timely compliance of the city as provided in article 4, section 5,
23.34 of this act, the city of Minneapolis shall establish a stadium implementation committee
23.35 to make recommendations on the design plans submitted for the stadium, and stadium
23.36 infrastructure, and related improvements. The implementation committee must take

24.1 action to issue its recommendations within the time frames established in the planning
24.2 and construction timetable issued by the authority which shall provide for no less than 60
24.3 days for the committee's review. The recommendations of the implementation committee
24.4 shall be forwarded to the city of Minneapolis Planning Commission for an advisory
24.5 recommendation and then to the city council for final action in a single resolution, which
24.6 final action must be taken within 45 days of the submission of the recommendations to the
24.7 planning commission. The city council shall not impose any unreasonable conditions on
24.8 the recommendations of the implementation committee, nor take any action or impose
24.9 any conditions that will result in delay from the time frames established in the planning
24.10 and construction timetable or in additional overall costs. Failure of the city council to act
24.11 within the 45-day period shall be deemed to be approval. The authority may seek de novo
24.12 review in the district court of any city council action. The district court or any appellate
24.13 court shall expedite review to the maximum extent possible and timely issue relief, orders,
24.14 or opinions as necessary to give effect to the provisions and objectives in this act.

24.15 Sec. 18. **[473J.19] PROPERTY TAX EXEMPTION; SPECIAL ASSESSMENTS.**

24.16 Any real or personal property acquired, owned, leased, controlled, used, or occupied
24.17 by the authority for any of the purposes of this chapter, is acquired, owned, leased,
24.18 controlled, used, and occupied for public, governmental, and municipal purposes. The
24.19 stadium and stadium infrastructure are exempt from ad valorem taxation by the state
24.20 or any political subdivision of the state provided that the properties are subject to
24.21 special assessments levied by a political subdivision for a local improvement in amounts
24.22 proportionate to and not exceeding the special benefit received by the properties from the
24.23 improvement. No possible use of any of the properties in any manner different from their
24.24 use under this chapter may be considered in determining the special benefit received by
24.25 the properties. Notwithstanding section 272.01, subdivision 2, or 273.19, real or personal
24.26 property which is subject to a lease or use agreement between the authority and another
24.27 person for uses related to the purposes of this chapter, including the operation of the
24.28 stadium and related parking facilities, is exempt from taxation regardless of the length of
24.29 the lease or use agreement or the characteristics of the entity leasing or using the property.
24.30 This section, insofar as it provides an exemption or special treatment, does not apply to
24.31 any real property that is leased for residential, business, or commercial development or to
24.32 a restaurant that is open for general business more than 200 days a year, or other purposes
24.33 different from those contemplated in this chapter.

24.34 Sec. 19. **[473J.21] LIQUOR LICENSES.**

25.1 At the request of the authority, the city may issue intoxicating liquor licenses that are
25.2 reasonably requested for the premises of the stadium site. These licenses are in addition to
25.3 the number authorized by law. All provisions of chapter 340A not inconsistent with this
25.4 section apply to the licenses authorized under this section.

25.5 Sec. 20. **[473J.23] LOCAL TAXES.**

25.6 No new or additional local sales or use tax shall be imposed on sales at the stadium
25.7 site unless the tax is applicable throughout the taxing jurisdiction. Except for a tax
25.8 imposed under article 7, no new or additional local tax shall be imposed on sales of tickets
25.9 and admissions to NFL team, NFL team-owned major league soccer, or other team related
25.10 events at the stadium, notwithstanding any law or ordinance, unless the tax is applicable
25.11 throughout the taxing jurisdiction. The admissions and amusements tax currently imposed
25.12 by the city of Minneapolis pursuant to Laws 1969, chapter 1092, may apply to admissions
25.13 for football and NFL team related events, including NFL team-owned major league soccer,
25.14 as provided in section 473J.15, subdivision 15, at the stadium.

25.15 Sec. 21. **[473J.25] METROPOLITAN SPORTS FACILITIES COMMISSION**
25.16 **ASSETS; LIABILITIES TO AUTHORITY.**

25.17 Subdivision 1. **Authority expenses.** The Metropolitan Sports Facilities Commission
25.18 shall pay the operating expenses of the authority including salaries, compensation, and
25.19 other personnel, office, equipment, consultant and any other costs, until the commission is
25.20 abolished pursuant to subdivision 3.

25.21 Subd. 2. **Transfer.** Within 90 days of the enactment of this chapter, the Metropolitan
25.22 Sports Facilities Commission shall pay its outstanding obligations, settle its accounts, and
25.23 transfer its remaining assets, liabilities, and obligations to the authority, for its purposes.

25.24 Subd. 3. **Metropolitan Sports Facilities Commission abolished; interim powers**
25.25 **conferred on authority.** Upon transfer to the authority of all remaining assets, liabilities,
25.26 and obligations of the Metropolitan Sports Facilities Commission, in subdivision 2, the
25.27 Metropolitan Sports Facilities Commission is abolished. When the remaining assets,
25.28 liabilities, and obligations of the Metropolitan Sports Facilities Commission have been
25.29 transferred to the authority and the commission has been abolished, the powers and duties
25.30 of the commission under sections 473.551 to 473.599, and any other law shall devolve
25.31 upon the authority, in addition to the powers and duties of the authority under chapter
25.32 473J, until the first NFL home game is played at the stadium.

25.33 Subd. 4. **Employees.** Upon transfer of ownership all persons employed by the
25.34 Metropolitan Sports Facilities Commission shall be transferred to the Minnesota Stadium

26.1 Authority without loss of right or privilege. Nothing in this section shall be construed to
 26.2 give any such person the right or privilege to continue in the same level or classification
 26.3 of employment previously held. The Minnesota Stadium Authority may assign any such
 26.4 person to an employment level and classification which it deems appropriate and desirable
 26.5 in accordance with its personnel code.

26.6 Sec. 22. **EFFECTIVE DATE.**

26.7 Except as otherwise provided, this article is effective the day following final
 26.8 enactment.

26.9 **ARTICLE 2**

26.10 **STATE STADIUM FUNDING**

26.11 Section 1. **[16A.965] STADIUM APPROPRIATION BONDS.**

26.12 Subdivision 1. **Definitions.** (a) The definitions in this subdivision and in chapter
 26.13 473J apply to this section.

26.14 (b) "Appropriation bond" means a bond, note, or other similar instrument of the state
 26.15 payable during a biennium from one or more of the following sources:

26.16 (1) money appropriated by law from the general fund, including, without limitation,
 26.17 revenues deposited in the general fund as provided in articles 4 and 5, in any biennium for
 26.18 debt service due with respect to obligations described in subdivision 2, paragraph (b);

26.19 (2) proceeds of the sale of obligations described in subdivision 2, paragraph (b);

26.20 (3) payments received for that purpose under agreements and ancillary arrangements
 26.21 described in subdivision 2, paragraph (d); and

26.22 (4) investment earnings on amounts in clauses (1) to (3).

26.23 (c) "Debt service" means the amount payable in any biennium of principal, premium,
 26.24 if any, and interest on appropriation bonds.

26.25 Subd. 2. **Authorization to issue appropriation bonds.** (a) Subject to the limitations
 26.26 of this subdivision, the commissioner may sell and issue appropriation bonds of the state
 26.27 under this section for public purposes as provided by law, including, in particular, the
 26.28 financing of all or a portion of the acquisition, construction, improving, and equipping
 26.29 of the stadium project of the Minnesota Stadium Authority as provided by chapter 473J.
 26.30 Proceeds of the appropriation bonds must be credited to a special appropriation stadium
 26.31 bond proceeds fund in the state treasury. Net income from investment of the proceeds,
 26.32 as estimated by the commissioner, must be credited to the special appropriation stadium
 26.33 bond proceeds fund.

27.1 (b) Appropriation bonds may be sold and issued in amounts that, in the opinion of
27.2 the commissioner, are necessary to provide sufficient funds, not to exceed \$548,000,000
27.3 net of costs of issuance, deposits for debt service reserve funds, and costs of credit
27.4 enhancement for achieving the purposes authorized as provided under paragraph (a), and
27.5 pay debt service, pay costs of issuance, make deposits to reserve funds, pay the costs
27.6 of credit enhancement, or make payments under other agreements entered into under
27.7 paragraph (d); provided, however, that appropriation bonds issued and unpaid shall not
27.8 exceed \$650,000,000 in principal amount, excluding refunding bonds sold and issued
27.9 under subdivision 4.

27.10 (c) Appropriation bonds may be issued from time to time in one or more series on
27.11 the terms and conditions the commissioner determines to be in the best interests of the
27.12 state, but the term on any series of appropriation bonds may not exceed 30 years. The
27.13 appropriation bonds of each issue and series thereof shall be dated and bear interest,
27.14 and may be includable in or excludable from the gross income of the owners for federal
27.15 income tax purposes.

27.16 (d) At the time of, or in anticipation of, issuing the appropriation bonds, and at any
27.17 time thereafter, so long as the appropriation bonds are outstanding, the commissioner may
27.18 enter into agreements and ancillary arrangements relating to the appropriation bonds,
27.19 including but not limited to trust indentures, grant agreements, lease or use agreements,
27.20 operating agreements, management agreements, liquidity facilities, remarketing or
27.21 dealer agreements, letter of credit agreements, insurance policies, guaranty agreements,
27.22 reimbursement agreements, indexing agreements, or interest exchange agreements. Any
27.23 payments made or received according to the agreement or ancillary arrangement shall be
27.24 made from or deposited as provided in the agreement or ancillary arrangement. The
27.25 determination of the commissioner included in an interest exchange agreement that the
27.26 agreement relates to an appropriation bond shall be conclusive.

27.27 (e) The commissioner may enter into written agreements or contracts relating to the
27.28 continuing disclosure of information necessary to comply with, or facilitate the issuance
27.29 of appropriation bonds in accordance with federal securities laws, rules, and regulations,
27.30 including Securities and Exchange Commission rules and regulations in Code of Federal
27.31 Regulations, title 17, section 240.15c 2-12. An agreement may be in the form of covenants
27.32 with purchasers and holders of appropriation bonds set forth in the order or resolution
27.33 authorizing the issuance of the appropriation bonds, or a separate document authorized
27.34 by the order or resolution.

27.35 (f) The appropriation bonds are not subject to chapter 16C.

28.1 Subd. 3. **Form; procedure.** (a) Appropriation bonds may be issued in the form
28.2 of bonds, notes, or other similar instruments, and in the manner provided in section
28.3 16A.672. In the event that any provision of section 16A.672 conflicts with this section,
28.4 this section shall control.

28.5 (b) Every appropriation bond shall include a conspicuous statement of the limitation
28.6 established in subdivision 6.

28.7 (c) Appropriation bonds may be sold at either public or private sale upon such terms
28.8 as the commissioner shall determine are not inconsistent with this section and may be sold
28.9 at any price or percentage of par value. Any bid received may be rejected.

28.10 (d) Appropriation bonds must bear interest at a fixed or variable rate.

28.11 (e) Notwithstanding any other law, appropriation bonds issued under this section
28.12 shall be fully negotiable.

28.13 Subd. 4. **Refunding bonds.** The commissioner from time to time may issue
28.14 appropriation bonds for the purpose of refunding any appropriation bonds then
28.15 outstanding, including the payment of any redemption premiums on the bonds, any
28.16 interest accrued or to accrue to the redemption date, and costs related to the issuance and
28.17 sale of the refunding bonds. The proceeds of any refunding bonds may, in the discretion of
28.18 the commissioner, be applied to the purchase or payment at maturity of the appropriation
28.19 bonds to be refunded, to the redemption of the outstanding appropriation bonds on any
28.20 redemption date, or to pay interest on the refunding bonds and may, pending application,
28.21 be placed in escrow to be applied to the purchase, payment, retirement, or redemption. Any
28.22 escrowed proceeds, pending such use, may be invested and reinvested in obligations that
28.23 are authorized investments under section 11A.24. The income earned or realized on the
28.24 investment may also be applied to the payment of the appropriation bonds to be refunded
28.25 or interest or premiums on the refunded appropriation bonds, or to pay interest on the
28.26 refunding bonds. After the terms of the escrow have been fully satisfied, any balance of the
28.27 proceeds and any investment income may be returned to the general fund or, if applicable,
28.28 the special appropriation stadium bond proceeds fund for use in any lawful manner. All
28.29 refunding bonds issued under this subdivision must be prepared, executed, delivered, and
28.30 secured by appropriations in the same manner as the appropriation bonds to be refunded.

28.31 Subd. 5. **Appropriation bonds as legal investments.** Any of the following entities
28.32 may legally invest any sinking funds, money, or other funds belonging to them or under
28.33 their control in any appropriation bonds issued under this section:

28.34 (1) the state, the investment board, public officers, municipal corporations, political
28.35 subdivisions, and public bodies;

29.1 (2) banks and bankers, savings and loan associations, credit unions, trust companies,
29.2 savings banks and institutions, investment companies, insurance companies, insurance
29.3 associations, and other persons carrying on a banking or insurance business; and

29.4 (3) personal representatives, guardians, trustees, and other fiduciaries.

29.5 **Subd. 6. No full faith and credit; state not required to make appropriations.**

29.6 The appropriation bonds are not public debt of the state, and the full faith, credit, and
29.7 taxing powers of the state are not pledged to the payment of the appropriation bonds or to
29.8 any payment that the state agrees to make under this section. Appropriation bonds shall
29.9 not be obligations paid directly, in whole or in part, from a tax of statewide application
29.10 on any class of property, income, transaction, or privilege. Appropriation bonds shall be
29.11 payable in each fiscal year only from amounts that the legislature may appropriate for debt
29.12 service for any fiscal year, provided that nothing in this section shall be construed to
29.13 require the state to appropriate funds sufficient to make debt service payments with respect
29.14 to the appropriation bonds in any fiscal year. Appropriation bonds shall be canceled and
29.15 shall no longer be outstanding on the earlier of (1) the first day of a fiscal year for which
29.16 the legislature shall not have appropriated amounts sufficient for debt service, or (2) the
29.17 date of final payment of the principal of and interest on the appropriation bonds.

29.18 **Subd. 7. Appropriation of proceeds.** The proceeds of appropriation bonds and
29.19 interest credited to the special appropriation stadium bond proceeds fund are appropriated
29.20 to the commissioner for payment of capital expenses, debt service on outstanding
29.21 indebtedness of the state, operating and capital reserves of the authority, and the funding
29.22 of debt service reserves for the appropriation bonds, each as permitted by state and federal
29.23 law, and nonsalary expenses incurred in conjunction with the sale of the appropriation
29.24 bonds, and such proceeds may be granted, loaned, or otherwise provided to the authority
29.25 for the public purpose provided by subdivision 2, paragraph (a).

29.26 **Subd. 8. Commissioner; determination of available revenues.** (a) By March 15
29.27 of each fiscal year, the commissioner, in consultation with the commissioner of revenue,
29.28 shall determine the estimated increase in revenues received from taxes imposed under
29.29 chapter 297E over the estimated revenues under the February 2012 revenue forecast for
29.30 that fiscal year. For fiscal years after fiscal year 2015, the commissioner shall use the
29.31 February 2012 revenue forecast for fiscal year 2015 as the baseline. All calculations under
29.32 this paragraph must be made net of estimated refunds of the taxes required to be paid.

29.33 (b) Available revenues for purposes of subdivision 9, equal the amount determined
29.34 under paragraph (a), less the following amounts for the fiscal year:

29.35 (1) the appropriation to principal and interest on appropriation bonds under
29.36 subdivision 9, paragraph (a);

30.1 (2) the appropriations under article 5, section 44, paragraph (a), for administration
30.2 and any successor appropriation;

30.3 (3) the reduction in revenues resulting from the sales tax exemptions under section
30.4 297A.71, subdivisions 43 and 44;

30.5 (4) reimbursements authorized by section 473J.15, subdivision 2; and

30.6 (5) payment of compulsive gambling appropriations under article 5, section 44,
30.7 paragraph (b), and any successor appropriation.

30.8 (c) If the estimated increase in revenues under paragraph (a) for the fiscal year are
30.9 less than or equal to \$52,000,000, then available revenues, as determined under paragraph
30.10 (b), are allocated:

30.11 (1) 50 percent to be used for appropriations under subdivision 9, paragraph (a); and

30.12 (2) 50 percent to be used for appropriations under subdivision 9, paragraph (b)

30.13 (d) If the estimated increase in revenues under paragraph (a) for the fiscal year are
30.14 greater than \$52,000,000, the first \$16,000,000 of any available revenues, as determined
30.15 under paragraph (b), is allocated for payment of gambling tax rebates under section
30.16 297E.02, subdivision 12, and the remainder is allocated as provided under paragraph

31.5 validated in the manner provided by this subdivision. If comparable appropriation bonds
31.6 are judicially determined to be valid, nothing in this subdivision shall be construed
31.7 to prevent the sale or delivery of any appropriation bonds or notes without entry of a
31.8 judgment of validation by the Minnesota Supreme Court pursuant to this subdivision with
31.9 respect to the appropriation bonds authorized under this section.

31.10 (b) Any appropriation bonds issued under this section that are validated shall be

31.32 least 20 days before the time fixed for hearing. The attorney general shall examine the
31.33 complaint, and, if it appears or there is reason to believe that it is defective, insufficient, or
31.34 untrue, or if in the opinion of the attorney general the issuance of the appropriation bonds
31.35 in question has not been duly authorized, defense shall be made by the attorney general as
31.36 the attorney general deems appropriate.

 32.2 either the clerk of the Minnesota appellate courts or the commissioner shall publish a copy
 32.3 of the order in a legal newspaper of general circulation in Ramsey County and the state, at
 32.4 least once each week for two consecutive weeks, commencing with the first publication,

 32.7 state, are made parties defendant to the action and the Minnesota Supreme Court has
 32.8 jurisdiction of them to the same extent as if named as defendants in the complaint and
 32.9 personally served with process.

32.10 (i) Any taxpayer, citizen, or person interested may become a party to the action by
 32.11 moving against or pleading to the complaint at or before the time set for hearing. The
 32.12 Minnesota Supreme Court shall determine all questions of law and fact and make orders
 32.13 that will enable it to properly try and determine the action and render a final judgment
 32.14 within 30 days of the hearing with the least possible delay.

32.15 (j) If the judgment validates appropriation bonds, the judgment is forever conclusive
 32.16 as to all matters adjudicated and as against all parties affected and all others having or
 32.17 claiming any right, title, or interest affected by the issuance of appropriation bonds, or to
 32.18 be affected in any way by issuing the bonds, and the validity of appropriation bonds or of
 32.19 any revenues pledged for the payment of the bonds, or of the proceedings authorizing the
 32.20 issuance of the bonds, including any remedies provided for their collection, shall never
 32.21 be called in question in any court by any person or party.

 32.33 action because the justice is a landowner or taxpayer of the state.

33.1 If state appropriation bonds have not been issued under Minnesota Statutes, section
 33.2 16A.965, amounts not to exceed the increased revenues estimated by the commissioner

37.25 taxes imposed by the city of Minneapolis under the special law.

37.26 Subd. 2. **Definitions.** (a) For purposes of this section, the following definitions
37.27 apply.

37.28 (b) "City" means the city of Minneapolis.

38.2 revenues from the taxes as follows:

38.3 (1) the commissioner must deduct the costs of collecting and administering the taxes,
38.4 according to the applicable law and agreements between the commissioner and the city.
38.5 For revenues from the general sales tax, the commissioner must deduct a proportionate
38.6 share of the cost of collection, as described in section 297A.99, subdivision 11;

38.7 (2) after deducting the costs in clause (1), the commissioner must deduct refunds of
38.8 any of these taxes due to taxpayers, if any;

38.10 provisions of any agreement between the commissioner and the city providing for
38.11 collection and remittance of these taxes, the commissioner must deposit to the general
38.12 fund the amounts specified in subdivision 4; and

38.13 (4) after depositing to the general fund under clause (3) as specified in subdivision
38.14 4, the commissioner must remit the remainder to the city for the uses provided in the
38.15 special law.

38.16 Subd. 4. General fund allocations. (a) The commissioner must deposit to the
38.17 general fund the following amounts, as required by subdivision 3, clause (3):

38.18 (1) for state bond debt service support beginning in calendar year 2021, and for each
38.19 calendar year thereafter through calendar year 2046, proportionate amounts periodically
38.20 so that not later than December 31, 2046, an aggregate annual amount equal to a present
38.21 value of \$150,000,000 has been deposited in the general fund. To determine aggregate
38.22 present value, the commissioner must consult with the commissioner of management and
38.23 budget regarding the present value dates, discount rate or rates, and schedules of annual
38.24 amounts. The present value date or dates must be based on the date or dates bonds are
38.25 sold under section 16A.965, or the date or dates other state funds, if any, are deposited
38.26 into the construction fund. The discount rate or rates must be based on the true interest
38.27 cost of the bonds issued under section 16A.965, or an equivalent 30-year bond index, as
38.28 determined by the commissioner of management and budget. The schedule of annual
38.29 amounts must be certified to the commissioner by the commissioner of management and
38.30 budget and the finance officer of the city;

38.31 (2) for the capital improvement reserve appropriation to stadium authority beginning
38.32 in calendar year 2021, and for each calendar year thereafter through calendar year 2046,

38.35 under section 473J.13, subdivision 4, increased each year by an annual adjustment factor;

39.1 (3) for the operating expense appropriation to stadium authority beginning in
39.2 calendar year 2021, and for each calendar year thereafter through calendar year 2046,
39.3 so that not later than January 1, 2022, and as of January 1 of each following year, an

39.6 (4) for recapture of NFL team advances for capital improvements and operating
39.7 expenses for calendar years 2016 through 2020 beginning in calendar year 2021, and
39.8 for each calendar year thereafter until all amounts under this clause have been paid,
39.9 proportionate amounts periodically until an aggregate amount equal to the present value of
39.10 all amounts paid by the NFL team have been deposited in the general fund. To determine
39.11 the present value of the amounts paid by the NFL team to the authority and the present
39.12 value of amounts deposited to the general fund under this clause, the commissioner shall
39.13 consult with the commissioner of management and budget and the NFL team regarding the
39.14 present value dates, discount rate or rates, and schedule of annual amounts. The present
39.15 value dates must be based on the dates NFL team funds are paid to the authority, or the
39.16 dates the commissioner of revenue deposits taxes for purposes of this clause to the general
39.17 fund. The discount rates must be based on the reasonably equivalent cost of NFL team
39.18 funds as determined by the commissioner of management and budget after consulting with
39.19 the NFL team. The schedule of annual amounts must be revised to reflect amounts paid
39.20 under section 473J.09, subdivision 13, and taxes deposited to the general fund from time

39.22 commissioner by the commissioner of management and budget and the finance officer
39.23 of the city, and are transferred as accrued from the general fund to the NFL team, for
39.24 repayment of advances made by the NFL team to the city of Minneapolis; and

39.25 (5) to capture increases in taxes imposed under the special law, for the benefit
39.26 of the stadium authority, beginning in calendar year 2013 and for each calendar year
39.27 thereafter through 2046, there shall be deposited to the general fund by February 15 of
39.28 each following year, amounts calculated by the commissioner under this clause. For
39.29 each year, the commissioner shall determine the excess, if any, of the taxes received
39.30 by the commissioner over the benchmark scheduled amounts of the taxes, as described
39.31 in this section. The benchmark scheduled amounts for each year must be based on the
39.32 actual amount of the taxes for calendar year 2011 inflated for each subsequent year at an
39.33 annual rate of two percent, according to a schedule certified to the commissioner by the
39.34 commissioner of management and budget and the finance officer of the city. The amounts
39.35 to be deposited to the general fund by the commissioner for each year equal:

40.1 (i) zero for the amount of the taxes for the year up to a scheduled benchmark of
 40.2 \$1,000,000, inflated at two percent per year, in excess of the taxes for calendar year 2011;

40.3 (ii) 50 percent times the difference, if any, by which the amount of the taxes for
 40.4 the year exceeds the scheduled benchmark in item (i), as inflated, but not greater than a
 40.5 scheduled benchmark of \$3,000,000, inflated at two percent per year, in excess of the
 40.6 taxes for calendar year 2011; and

40.7 (iii) 25 percent times the difference, if any, by which the amount of the taxes for the
 40.8 year exceeds the scheduled benchmark of \$3,000,000, inflated at two percent per year, in
 40.9 excess of the taxes for calendar year 2011.

40.10 (b) The annual adjustment factor for purposes of this section and the special law
 40.11 for any year equals the increase, if any, in the amount of these taxes received by the
 40.12 commissioner in the preceding year over the amount received in the year prior to the

53.2 oversight, or management of the revoked organization's lawful gambling activity is
53.3 permanent; and

53.4 (2) a revocation or suspension will remain in effect until any taxes, fees, and fines
53.5 that are delinquent have been paid by the organization to the satisfaction of the board.

53.6 Sec. 22. Minnesota Statutes 2010, section 349.161, subdivision 1, is amended to read:

53.7 Subdivision 1. **Prohibited acts; licenses required.** (a) No person may:

54.5 compensation, gift, gratuity, premium, or other thing of value.

54.6 (d) No distributor, distributor salesperson, or any representative, agent, affiliate, or
54.7 other employee of a distributor may provide an employee or agent of the organization
54.8 any compensation, gift, gratuity, premium, or other thing of value greater than \$25 per
54.9 organization in a calendar year.

54.10 (e) No distributor, distributor salesperson, or any representative, agent, affiliate, or
54.11 other employee of a distributor may participate in any gambling activity at any gambling
54.12 site or premises where gambling equipment purchased or leased from that distributor or
54.13 distributor salesperson is being used in the conduct of lawful gambling.

54.14 (f) No distributor, distributor salesperson, or any representative, agent, affiliate, or
54.15 other employee of a distributor may alter or modify any gambling equipment, except to
54.16 add a "last ticket sold" prize sticker for a paper pull-tab game.

54.17 (g) No distributor, distributor salesperson, or any representative, agent, affiliate, or
54.18 other employee of a distributor may: (1) recruit a person to become a gambling manager
54.19 of an organization or identify to an organization a person as a candidate to become
54.20 gambling manager for the organization; or (2) identify for an organization a potential
54.21 gambling location.

54.22 (h) No distributor or distributor salesperson may purchase or lease gambling
54.23 equipment for resale or lease to a person for use within the state from any person not
54.24 licensed as a manufacturer under section 349.163, except for gambling equipment
54.25 returned from an organization licensed under section 349.16, or exempt or excluded from
54.26 licensing under section 349.166.

54.27 (i) No distributor or distributor salesperson may sell gambling equipment, except
54.28 gambling equipment identified as a promotional ticket, to any person for use in Minnesota
54.29 other than (i) a licensed organization or organization excluded or exempt from licensing,
54.30 or (ii) the governing body of an Indian tribe.

54.31 (j) No distributor or distributor salesperson may sell or otherwise provide a paper
54.32 pull-tab or tipboard deal with the symbol required by section 349.163, subdivision 5,
54.33 paragraph (d), visible on the flare to any person other than in Minnesota to a licensed
54.34 organization or organization exempt from licensing.

54.35 Sec. 24. Minnesota Statutes 2010, section 349.162, subdivision 5, is amended to read:

55.1 Subd. 5. **Sales from facilities.** (a) All gambling equipment purchased or possessed
55.2 by a licensed distributor for resale or lease to any person for use in Minnesota must, prior
55.3 to the equipment's resale or lease, be unloaded into a storage facility located in Minnesota
55.4 which the distributor owns or leases; and which has been registered, in advance and in
55.5 writing, with the Division of Alcohol and Gambling Enforcement as a storage facility of
55.6 the distributor. All unregistered gambling equipment and all unaffixed registration stamps
55.7 owned by, or in the possession of, a licensed distributor in the state of Minnesota shall be
55.8 stored at a storage facility which has been registered with the Division of Alcohol and
55.9 Gambling Enforcement. No gambling equipment may be moved from the facility unless
55.10 the gambling equipment has been first registered with the board or the Department of
55.11 Revenue. A distributor must notify the board of the method that it will use to sell and
55.12 transfer electronic pull-tab games to licensed organizations, and must receive approval of
55.13 the board before implementing or making changes to the approved method.

55.14 (b) Notwithstanding section 349.163, subdivisions 5, 6, and 8, a licensed
55.15 manufacturer may ship into Minnesota approved or unapproved gambling equipment if the
55.16 licensed manufacturer ships the gambling equipment to a Minnesota storage facility that
55.17 is: (1) owned or leased by the licensed manufacturer; and (2) registered, in advance and
55.18 in writing, with the Division of Alcohol and Gambling Enforcement as a manufacturer's
55.19 storage facility. No gambling equipment may be shipped into Minnesota to the
55.20 manufacturer's registered storage facility unless the shipment of the gambling equipment
55.21 is reported to the Department of Revenue in a manner prescribed by the department.
55.22 No gambling equipment may be moved from the storage facility unless the gambling
55.23 equipment is sold to a licensed distributor and is otherwise in conformity with this chapter,
55.24 is shipped to an out-of-state site and the shipment is reported to the Department of
55.25 Revenue in a manner prescribed by the department, or is otherwise sold and shipped as
55.26 permitted by board rule. A manufacturer must notify the board of the method that it will
55.27 use to sell and transfer electronic pull-tab games to licensed distributors, and must receive
55.28 approval of the board before implementing or making changes to the approved method.

55.29 (c) All storage facilities owned, leased, used, or operated by a licensed distributor
55.30 or manufacturer may be entered upon and inspected by the employees of the Division of
55.31 Alcohol and Gambling Enforcement, the Division of Alcohol and Gambling Enforcement
55.32 director's authorized representatives, employees of the Gambling Control Board or its
55.33 authorized representatives, employees of the Department of Revenue, or authorized
55.34 representatives of the director of the Division of Special Taxes of the Department of
55.35 Revenue during reasonable and regular business hours. Obstruction of, or failure to

56.1 permit, entry and inspection is cause for revocation or suspension of a manufacturer's or
56.2 distributor's licenses and permits issued under this chapter.

56.3 (d) Unregistered gambling equipment found at any location in Minnesota other than
56.4 the manufacturing plant of a licensed manufacturer or a registered storage facility are
56.5 contraband under section 349.2125. This paragraph does not apply:

56.6 (1) to unregistered gambling equipment being transported in interstate commerce
56.7 between locations outside this state, if the interstate shipment is verified by a bill of lading
56.8 or other valid shipping document; and

56.9 (2) to gambling equipment registered with the Department of Revenue for
56.10 distribution to the tribal casinos.

56.11 Sec. 25. Minnesota Statutes 2010, section 349.163, subdivision 1, is amended to read:

56.12 Subdivision 1. **License required.** No manufacturer of gambling equipment may
56.13 sell any gambling equipment to any person for use or resale within the state, unless the
56.14 manufacturer has a current and valid license issued by the board under this section and has
56.15 satisfied other criteria prescribed by the board by rule. A manufacturer licensed under this
56.16 section may also be licensed as a linked bingo game provider under section 349.1635.

56.17 A manufacturer licensed under this section may not also be directly or indirectly
56.18 licensed as a distributor under section 349.161.

56.19 Sec. 26. Minnesota Statutes 2010, section 349.163, subdivision 5, is amended to read:

56.20 Subd. 5. **Paper pull-tab and tipboard flares.** (a) A manufacturer may not ship or
56.21 cause to be shipped into this state or sell for use or resale in this state any deal of paper
56.22 pull-tabs or tipboards that does not have its own individual flare as required for that deal
56.23 by this subdivision and rule of the board. A person other than a manufacturer may not
56.24 manufacture, alter, modify, or otherwise change a flare for a deal of paper pull-tabs or
56.25 tipboards except as allowed by this chapter or board rules.

56.26 (b) The flare of each paper pull-tab and tipboard game must have affixed to
56.27 or imprinted at the bottom a bar code that provides all information required by the
56.28 commissioner of revenue under section 297E.04, subdivision 2.

56.29 The serial number included in the bar code must be the same as the serial number
56.30 of the tickets included in the deal. A manufacturer who manufactures a deal of paper
56.31 pull-tabs must affix to the outside of the box containing that game the same bar code that
56.32 is affixed to or imprinted at the bottom of a flare for that deal.

56.33 (c) No person may alter the bar code that appears on the outside of a box containing
56.34 a deal of paper pull-tabs and tipboards. Possession of a box containing a deal of paper

57.1 pull-tabs and tipboards that has a bar code different from the bar code of the deal inside
57.2 the box is prima facie evidence that the possessor has altered the bar code on the box.

57.3 (d) The flare of each deal of paper pull-tabs and tipboards sold by a manufacturer for
57.4 use or resale in Minnesota must have imprinted on it a symbol that is at least one inch high
57.5 and one inch wide consisting of an outline of the geographic boundaries of Minnesota
57.6 with the letters "MN" inside the outline. The flare must be placed inside the wrapping of
57.7 the deal which the flare describes.

57.8 (e) Each paper pull-tab and tipboard flare must bear the following statement printed
57.9 in letters large enough to be clearly legible:

57.10 "Pull-tab (or tipboard) purchasers – This pull-tab (or tipboard) game is not legal in
57.11 Minnesota unless:

57.12 – an outline of Minnesota with letters "MN" inside it is imprinted on this sheet, and
57.13 – the serial number imprinted on the bar code at the bottom of this sheet is the same
57.14 as the serial number on the pull-tab (or tipboard) ticket you have purchased."

57.15 (f) The flare of each paper pull-tab and tipboard game must have the serial number
57.16 of the game imprinted on the bar code at the bottom of the flare in numerals at least
57.17 one-half inch high.

57.18 Sec. 27. Minnesota Statutes 2010, section 349.163, subdivision 6, is amended to read:

57.19 Subd. 6. **Samples of gambling equipment.** (a) The board shall require each
57.20 licensed manufacturer to submit to the board one or more samples of each item of gambling
57.21 equipment ~~the manufacturer manufactures~~ manufactured for use or resale in this state.
57.22 For purposes of this subdivision, a manufacturer is also required to submit the applicable
57.23 version of any software necessary to operate electronic devices and related systems.

57.24 (b) The board shall inspect and test all the equipment, including software and
57.25 software upgrades, it deems necessary to determine the equipment's compliance with
57.26 law and board rules. Samples required under this subdivision must be approved by the
57.27 board before the equipment being sampled is shipped into or sold for use or resale in this
57.28 state. The board shall impose a fee of \$25 for each item of gambling equipment that the
57.29 manufacturer submits for approval or for which the manufacturer requests approval. The
57.30 board shall impose a fee of \$100 for each sample of gambling equipment that it tests.

57.31 (c) The board may require samples of gambling equipment to be tested by an
57.32 independent testing laboratory prior to submission to the board for approval. All costs
57.33 of testing by an independent testing laboratory must be borne by the manufacturer. An
57.34 independent testing laboratory used by a manufacturer to test samples of gambling

58.1 equipment must be approved by the board before the equipment is submitted to the
58.2 laboratory for testing.

58.3 (d) The board may request the assistance of the commissioner of public safety and
58.4 the director of the State Lottery in performing the tests.

58.5 Sec. 28. Minnesota Statutes 2010, section 349.1635, subdivision 2, is amended to read:

58.6 Subd. 2. **License application.** The board may issue a license to a linked bingo game
58.7 provider or to a manufacturer licensed under section 349.163 who meets the qualifications
58.8 of this chapter and the rules promulgated by the board. The application shall be on a form
58.9 prescribed by the board. The license is valid for two years and the fee for a linked bingo
58.10 game provider license is \$5,000 per year.

58.11 Sec. 29. Minnesota Statutes 2010, section 349.1635, subdivision 3, is amended to read:

58.12 Subd. 3. **Attachments to application.** An applicant for a linked bingo game
58.13 provider license must attach to its application:

58.14 (1) evidence of a bond in the principal amount of \$100,000 payable to the state of
58.15 Minnesota conditioned on the payment of all linked bingo prizes and any other money due
58.16 and payable under this chapter;

58.17 (2) detailed plans and specifications for the operation of the linked bingo game and
58.18 the linked bingo system, along with a proposed fee schedule for the cost of providing
58.19 services and equipment to licensed organizations which may not exceed 15 percent of
58.20 gross profits, unless a higher percentage, not to exceed 20 percent, is authorized by the
58.21 board. The fee schedule must incorporate costs paid to distributors for services provided
58.22 under subdivision 5; and

58.23 (3) any other information required by the board by rule.

58.24 Sec. 30. Minnesota Statutes 2010, section 349.1635, is amended by adding a
58.25 subdivision to read:

58.26 Subd. 5. **Linked bingo game services requirements.** (a) A linked bingo game
58.27 provider must contract with licensed distributors for linked bingo game services including,
58.28 but not limited to, the solicitation of agreements with licensed organizations, and
58.29 installation, repair, or maintenance of the linked bingo game system.

58.30 (b) A distributor may not charge a fee to licensed organizations for services
58.31 authorized and rendered under paragraph (a).

58.32 (c) A linked bingo game provider may not contract with any distributor on an
58.33 exclusive basis.

59.1 (d) A linked bingo game provider may refuse to contract with a licensed distributor
 59.2 if the linked bingo game provider demonstrates that the licensed distributor is not capable
 59.3 of performing the services under the contract.

59.4 Sec. 31. Minnesota Statutes 2010, section 349.165, subdivision 2, is amended to read:

59.5 Subd. 2. **Contents of application.** An application for a premises permit must
 59.6 contain:

59.7 (1) the name and address of the applying organization;

59.8 (2) a description of the site for which the permit is sought, including its address and,
 59.9 where applicable, its placement within another premises or establishment;

59.10 (3) if the site is leased, the name and address of the lessor and information about the
 59.11 lease the board requires, including all rents and other charges for the use of the site. The
 59.12 lease term is concurrent with the term of the premises permit. The lease must contain a
 59.13 ~~30-day~~ termination clause. No lease is required for the conduct of a raffle; and

59.14 (4) other information the board deems necessary to carry out its purposes.

59.15 An organization holding a premises permit must notify the board in writing within
 59.16 ten days whenever any material change is made in the above information.

59.17 Sec. 32. Minnesota Statutes 2010, section 349.17, subdivision 6, is amended to read:

59.18 Subd. 6. **Conduct of bingo.** The price of a face played on an electronic bingo
 59.19 device may not be less than the price of a face on a bingo paper sheet sold for the same
 59.20 game at the same occasion. A game of bingo begins with the first letter and number called
 59.21 or displayed. Each player must cover, mark, or activate the numbers when bingo numbers
 59.22 are randomly selected, ~~and announced, and or displayed to the players, either manually~~
 59.23 ~~or with a flashboard and monitor.~~ The game is won when a player, using bingo paper,
 59.24 bingo hard card, or a facsimile of a bingo paper sheet, has completed, as described in the
 59.25 bingo program, a previously designated pattern or previously determined requirements
 59.26 of the game and declared bingo. The game is completed when a winning card, sheet, or
 59.27 facsimile is verified and a prize awarded pursuant to subdivision 3.

59.28 Sec. 33. Minnesota Statutes 2010, section 349.17, subdivision 7, is amended to read:

59.29 Subd. 7. **Bar bingo.** An organization may conduct bar bingo subject to the
 59.30 following restrictions:

 59.32 license for the sale of intoxicating beverages on the premises under chapter 340A; and

60.1 (2) the bingo is conducted using only bingo paper sheets or facsimiles of bingo paper
 60.2 sheets purchased from a licensed distributor or licensed linked bingo game provider; ~~and~~
 60.3 ~~(3) no rent may be paid for a bar bingo occasion.~~

82.4 Subd. 34. **Tipboard.** "Tipboard" means a board, placard or other device containing
82.5 a seal that conceals the winning number or symbol, and that serves as the game flare for a
82.6 tipboard game. A sports-themed tipboard is a board, placard, or other device that contains a
82.7 grid of predesignated numbers for which the winning numbers are determined in whole or
82.8 in part by the numerical outcome of one or more professional sporting events, serves as the
82.9 game flare for player registration, but is not required to contain a seal. For a sports-themed
82.10 tipboard, the winning numbers must be determined solely by the numerical outcome.

82.11 Sec. 2. Minnesota Statutes 2010, section 349.12, subdivision 35, is amended to read:

82.12 Subd. 35. **Tipboard ticket.** "Tipboard ticket" is a single folded or banded ticket,
82.13 or multi-ply card, the face of which is initially covered or otherwise hidden from view
82.14 to conceal a number, symbol, or set of symbols, some of which have been designated in
82.15 advance and at random as prize winners. For a sports-themed tipboard, the tipboard
82.16 ticket contains a set of numbers used to determine the winner based on the outcome of a
82.17 professional sporting event.

82.18 Sec. 3. Minnesota Statutes 2010, section 349.151, is amended by adding a subdivision
82.19 to read:

82.20 Subd. 4e. **Sports-themed tipboard rules.** The board may adopt rules for the
82.21 conduct of tipboards for which the winning numbers are determined in whole or in part
82.22 by the numerical outcome of one or more professional sporting events. The rules must
82.23 provide for operation procedures, internal control standards, posted information, records,
82.24 and reports. The rules must provide for the award of prizes, method of payout, wagers,
82.25 determination of winners, and the specifications of these tipboards.

82.26 Sec. 4. Minnesota Statutes 2010, section 349.1711, subdivision 1, is amended to read:

82.27 Subdivision 1. **Sale of tickets.** (a) Tipboard games must be played using only
82.28 tipboard tickets that are either (1) attached to a placard and arranged in columns or rows,
82.29 or (2) separate from the placard and contained in a receptacle while the game is in play.
82.30 The placard serves as the game flare.

82.31 (b) Except for a sports-themed tipboard, the placard must contain a seal that conceals
82.32 the winning number or symbol. When a tipboard ticket is purchased and opened from a

83.1 game containing more than 32 tickets, each player having a tipboard ticket with one or
83.2 more predesignated numbers or symbols must sign the placard at the line indicated by the
83.3 number or symbol on the tipboard ticket.

83.4 Sec. 5. Minnesota Statutes 2010, section 349.1711, subdivision 2, is amended to read:

83.5 Subd. 2. **Determination of winners.** When the predesignated numbers or symbols
83.6 have all been purchased, or all of the tipboard tickets for that game have been sold,
83.7 the seal must be removed to reveal a number or symbol that determines which of the
83.8 predesignated numbers or symbols is the winning number or symbol. A tipboard may also
83.9 contain consolation winners, or winning chances that are determined in whole or in part
83.10 by the numerical outcome of one or more professional sporting events, that need not be
83.11 determined by the use of the seal.

83.12 Sec. 6. Minnesota Statutes 2010, section 349.211, subdivision 2c, is amended to read:

83.13 Subd. 2c. **Tipboard prizes.** (a) The maximum prize which may be awarded for
83.14 a tipboard ticket is \$599 for \$2 and under tipboard tickets, \$899 for \$3 tipboard tickets,
83.15 \$1,199 for \$4 tipboard tickets, and \$1,499 for \$5 tipboard tickets, not including any
83.16 cumulative or carryover prizes. Cumulative or carryover prizes in tipboard games shall
83.17 not exceed \$2,500. An organization may not sell any tipboard ticket for more than \$5.

83.18 (b) For sports-themed tipboards, the total prize payout may not exceed the amount in
83.19 section 349.2113, and each chance or ticket may not be sold for more than \$10.

297E.02 TAX IMPOSED.

Subd. 4. **Pull-tab and tipboard tax.** (a) A tax is imposed on the sale of each deal of pull-tabs and tipboards sold by a distributor. The rate of the tax is 1.7 percent of the ideal gross of the pull-tab or tipboard deal. The sales tax imposed by chapter 297A on the sale of the pull-tabs and tipboards by the distributor is imposed on the retail sales price less the tax imposed by this subdivision. The retail sale of pull-tabs or tipboards by the organization is exempt from taxes imposed by chapter 297A and is exempt from all local taxes and license fees except a fee authorized under section 349.16, subdivision 8.

(b) The liability for the tax imposed by this section is incurred when the pull-tabs and tipboards are delivered by the distributor to the customer or to a common or contract carrier for delivery to the customer, or when received by the customer's authorized representative at the distributor's place of business, regardless of the distributor's method of accounting or the terms of the sale.

The tax imposed by this subdivision is imposed on all sales of pull-tabs and tipboards, except the following:

(1) sales to the governing body of an Indian tribal organization for use on an Indian reservation;

(2) sales to distributors licensed under the laws of another state or of a province of Canada, as long as all statutory and regulatory requirements are met in the other state or province;

(3) sales of promotional tickets as defined in section 349.12; and

(4) pull-tabs and tipboards sold to an organization that sells pull-tabs and tipboards under the exemption from licensing in section 349.166, subdivision 2. A distributor shall require an organization conducting exempt gambling to show proof of its exempt status before making a tax-exempt sale of pull-tabs or tipboards to the organization. A distributor shall identify, on all reports submitted to the commissioner, all sales of pull-tabs and tipboards that are exempt from tax under this subdivision.

(c) A distributor having a liability of \$10,000 or more during a fiscal year ending June 30 must remit all liabilities in the subsequent calendar year by electronic means.

(d) Any customer who purchases deals of pull-tabs or tipboards from a distributor may file an annual claim for a refund or credit of taxes paid pursuant to this subdivision for unsold pull-tab and tipboard tickets. The claim must be filed with the commissioner on a form prescribed by the commissioner by March 20 of the year following the calendar year for which the refund is claimed. The refund must be filed as part of the customer's February monthly return. The refund or credit is equal to 1.7 percent of the face value of the unsold pull-tab or tipboard tickets, provided that the refund or credit will be 1.75 percent of the face value of the unsold pull-tab or tipboard tickets for claims for a refund or credit of taxes filed on the February 2001 monthly return. The refund claimed will be applied as a credit against tax owing under this chapter on the February monthly return. If the refund claimed exceeds the tax owing on the February monthly return, that amount will be refunded. The amount refunded will bear interest pursuant to section 270C.405 from 90 days after the claim is filed.

The commission, with the advice of the Minnesota Amateur Sports Commission, shall establish standards to provide reasonable assurances to other public bodies owning or operating an entertainment or sports complex or indoor sports arena in the metropolitan area that the agreements between the commission and the Minnesota Amateur Sports Commission with respect to the basketball and hockey arena shall not remove the conduct of amateur sports activities currently and traditionally held at such facilities.

(b) Any long-term lease, use, or other agreement entered into by the Minnesota Amateur Sports Commission with the commission under paragraph (a) must also:

(1) provide for a release of the Minnesota Amateur Sports Commission from its commitment under the agreement if the legislature repeals or amends a standing appropriation or otherwise does not appropriate sufficient money to fund the lease or agreement to the Minnesota Amateur Sports Commission; and

(2) provide for a release of the Minnesota Amateur Sports Commission from its commitment under the agreement and permit it to agree to a per event use fee when the bonds issued for the metro dome under section 473.581 have been retired.

(c) No long-term lease, use, or other agreement entered into by the Minnesota Amateur Sports Commission under paragraph (a) may commit the amateur sports commission to paying more than \$750,000 per year.

(d) Any long-term lease, use, or other agreement entered into under paragraph (a) shall provide that the Minnesota Amateur Sports Commission shall be entitled to use of the basketball and hockey arena for 50 event days per year. In addition, any long-term lease, use, or other agreement entered into under paragraph (a) shall permit the Minnesota Amateur Sports Commission to allow another person or organization to use one or more of its days.

Subd. 17. **Creating a condominium.** The commission may, by itself or together with the Minneapolis Community Development Agency and any other person, as to real or personal property comprising or appurtenant or ancillary to the basketball and hockey arena and the health club, act as a declarant and establish a condominium or leasehold condominium under chapter 515A or a common interest community or leasehold common interest community under chapter 515B, and may grant, establish, create, or join in other or related easements, agreements and similar benefits and burdens that the commission may deem necessary or appropriate, and exercise any and all rights and privileges and assume obligations under them as a declarant, unit owner or otherwise, insofar as practical and consistent with sections 473.551 to 473.599. The commission may be a member of an association and the chair, any commissioners and any

473.564 METROPOLITAN SPORTS AREA.

Subd. 2. **Assumption of obligations.** Nothing herein shall be construed as imposing upon the council or commission an obligation to compensate the cities or the metropolitan sports area commission for all or any part of the metropolitan sports area or to continue to operate and maintain the metropolitan sports area facilities taken over by the commission.

Subd. 3. **Employees.** Upon transfer of ownership all persons then employed by the metropolitan sports area commission shall be transferred to the metropolitan sports facilities commission without loss of right or privilege. Nothing in this section shall be construed to give any such person the right or privilege to continue in the same level or classification of employment previously held. 473.572 REVISED FINAL DETERMINATION.

Subdivision 1. **Determinations before bonds.** The council shall make all determinations required by sections 473.581, subdivision 3, and 473.599 before it authorizes the issuance of bonds.

Subd. 2. **Self-supporting effort.** It is the intent of the legislature that the commission shall, to the maximum extent possible consistent with the provisions of section 473.581, subdivision 3, impose rates, rentals and other charges in the operation of the metrodome which will make the metrodome self supporting so that the taxes imposed under section 473.592 for the metrodome will be at the lowest possible rate consistent with the obligations of the city of Minneapolis as provided in sections 473.551 to 473.595.

473.581 DEBT OBLIGATIONS.

Subdivision 1. **Bonds.** The council may by resolution authorize the sale and issuance of its bonds for any or all of the following purposes:

(a) To provide funds for the acquisition or betterment of the Metrodome by the commission pursuant to sections 473.551 to 473.595;

(b) To refund bonds issued hereunder ; and

(c) To fund judgments entered by any court against the commission or against the council in matters relating to the commission's functions related to the Metrodome and the Met Center.

Subd. 2. **Procedure.** The bonds shall be sold, issued, and secured in the manner provided in chapter 475 for bonds payable solely from revenues, except as otherwise provided in sections 473.551 to 473.595, and the council shall have the same powers and duties as a municipality and its governing body in issuing bonds under that chapter. The bonds may be sold at any price and at public or private sale as determined by the council. They shall be payable solely from tax and other revenues referred to in sections 473.551 to 473.595, excepting only the admissions tax and surcharge related to the basketball and hockey arena provided in section 473.595, subdivision 1a, the taxes for the basketball and hockey arena provided in section 473.592, and other revenues attributable to the basketball and hockey arena. The bonds shall not be a general obligation or debt of the council or of the commission, and shall not be included in the net debt of any city, county, or other subdivision of the state for the purpose of any net debt limitation, provided that nothing herein shall affect the obligation of the city of Minneapolis to levy a tax pursuant to agreements made under the provisions of section 473.592. No election shall be required. The principal amount shall not be limited except as provided in subdivision 3.

Subd. 3. **Limitations.** The principal amount of the bonds issued pursuant to subdivision 1, clause (a), shall not exceed the amounts hereinafter authorized. If the commission's proposal and the construction contracts referred to in clause (g) of this subdivision provide for the construction of a covered multipurpose sports facility, the total cost of constructing the facility under the construction contracts, not including costs paid from funds provided by others, and the principal

Repealed Minnesota Statutes: H2810-1

amount of bonds issued pursuant to subdivision 1, clause (a), shall be limited to \$55,000,000. If the commission's proposal and the construction contracts do not provide for the construction of a cover on a proposed multipurpose sports facility and the commission does not otherwise contract for the construction or acquisition of a cover for the sports facility, the principal amount shall be limited to \$42,000,000. If the commission's proposal and the construction contracts provide for the construction of a new sports facility for football and soccer and for remodeling the existing metropolitan stadium for baseball, the principal amount shall be limited to \$37,500,000. If the commission's proposal and the construction contracts provide for the reconstruction and remodeling of the existing Metropolitan Stadium as an uncovered multipurpose sports facility, the principal amount shall be limited to \$25,000,000. The bonds issued pursuant to subdivision 1, clause (a), shall bear an average annual rate of interest, including discount, not in excess of 7-1/2 percent. The proceeds of the bonds issued pursuant to subdivision 1, clause (a), shall be used only for the acquisition and betterment of sports facilities suitable for baseball, football and soccer, with a seating capacity for football and soccer of approximately 65,000 persons. The council shall issue its bonds and construction of sports facilities may commence when the council has made the following determinations:

(a) The commission has executed agreements with major league professional baseball and football organizations to use the Metrodome for all scheduled regular season home games and play-off home games and, in the case of the football organization, for at least one-half of its exhibition games played each season. The agreements shall be for a period of not more than 30 years nor less than the term of the longest term bonds that in the council's judgment it may find it necessary to issue to finance the acquisition and betterment of the Metrodome. The agreements may contain provisions negotiated between the organizations and the commission which provide for termination upon conditions related and limited to the bankruptcy, insolvency, or financial capability of the organization. The agreements shall provide that, in the event of breach of the agreements, the defaulting organization shall pay damages annually to the commission. The annual payment shall be in an amount equal to the annual average of all revenue derived by the commission from attendance at events and activities of the defaulting organization during the years prior to default, provided that the damages shall not exceed in any year an amount sufficient, with other revenues of the commission but excluding proceeds of the taxes under section 473.592, to pay all expenses of operation, maintenance, administration, and debt service for the use of the Metrodome by the defaulting organization during the same year. The damages shall be payable during the period from the occurrence of the default to the date on which another major league professional baseball or football organization, replacing the defaulting organization, enters into a use agreement with the commission for not less than the then remaining term of the original agreement. The agreements with the teams shall provide that no closed circuit or pay television broadcasting of events in the Metrodome may be allowed without the approval of the commission. The agreements shall include provisions protecting the commission and the council in the event of change in ownership of the professional teams.

(b) The commission has executed agreements with professional baseball and football major leagues which guarantee the continuance of franchises in the metropolitan area for the period of the agreements referred to in clause (a).

(c) The proceeds of bonds provided for in this subdivision will be sufficient, together with other capital funds that may be available to the commission for expenditures on the Metrodome, to construct or remodel and to furnish the Metrodome proposed by the commission, including the appropriate professional fees and charges but excluding, except as otherwise provided in this subdivision, the acquisition, clearance, relocation, and legal costs referred to in clauses (d) and (e).

(d) The commission has acquired, without cost to the commission or the council except as provided in this subdivision, title to all real property including all easements and other appurtenances needed for the construction and operation of the Metrodome or has received a grant of funds or has entered into an agreement or agreements sufficient in the judgment of the council to assure the receipt of funds, at the time and in the amount required, to make any payment upon which the commission's acquisition of title and possession of the real property is conditioned.

(e) The commission has received a grant of funds or entered into an agreement or agreements sufficient in the judgment of the council to assure the receipt of funds, at the time and in the amount required, to pay all costs, except as provided in this subdivision, of clearing the real property needed for the construction and operation of the Metrodome of all buildings, railroad tracks and other structures, including without limitation all relocation costs, all utility relocation costs, and all legal costs.

(f) The commission has executed agreements with appropriate labor organizations and construction contractors which provide that no labor strike or management lockout will halt, delay or impede construction.

APPENDIX

Repealed Minnesota Statutes: H2810-1

(g) The commission has executed agreements which will provide for the construction of the Metrodome for a certified construction price and completion date and which include performance bonds in an amount at least equal to 100 percent of the certified price to cover any costs which may be incurred over and above the certified price, including but not limited to costs incurred by the commission or loss of revenues resulting from incomplete construction on the completion date.

(h) The environmental impact statement for the Metrodome has been accepted by the Environmental Quality Board, and the Pollution Control Agency and any other department, agency, or unit of government have taken the actions necessary to permit the construction of the Metrodome.

(i) At least 50 percent of the private boxes provided for in the commission's proposal for the Metrodome are sold or leased for at least five years.

(j) The anticipated revenue from the operation of the Metrodome plus any additional available revenue of the commission and the revenue from the taxes under section 473.592 will be an amount sufficient to pay when due all debt service plus all administration, operating and maintenance expense.

(k) The commission has studied and considered the needs of the University of Minnesota for athletic facilities for a prospective 20 year period.

(l) The city of Minneapolis has entered into an agreement as contemplated in section 473.592 as security for the Metrodome debt service.

(m) The commission has entered into an agreement or agreements with a purchaser or purchasers of tickets of admission for a period of not less than 20 years which will assure that whenever more than 90 and less than 100 percent of the tickets of admission for seats at any professional football game, which were available for purchase by the general public 120 hours or more before the scheduled beginning time of the game either at the Metrodome where the game is to be played or at the box office closest to the Metrodome, have been purchased 72 hours or more before the beginning time of the game, then all of such tickets which remain unsold will be purchased in sufficient time to permit the telecast to areas within the state which otherwise would not receive the telecast because of the terms of an agreement in which the professional football league has sold or otherwise transferred all or part of the rights of the league's member organizations in the sponsored telecasting of games of the organizations. The party or parties agreeing to the purchase of such unsold tickets shall be obligated for a period of at least 20 years in an amount determined by the council to be sufficient to assure the purchase of all such unsold tickets.

(n) The council has entered into an agreement with the brokerage firm or brokerage firms to be used in connection with the issuance and sale of the bonds guaranteeing that fees and charges payable to the brokerage firm or firms in connection therewith, including any underwriting discounts, shall not exceed fees and charges customarily payable in connection with the issuance and sale of bonds secured by the pledge of the full faith and credit of the city of Minneapolis.

The validity of any bonds issued under subdivision 1, clause (a), and the obligations of the council and commission related thereto, shall not be conditioned upon or impaired by the council's determinations made pursuant to this subdivision. For purposes of issuing the bonds the determinations made by the council shall be deemed conclusive, and the council shall be and remain obligated for the security and payment of the bonds irrespective of determinations which may be erroneous, inaccurate, or otherwise mistaken.

Subd. 4. **Security.** To the extent and in the manner provided in sections 473.592 and 473.595, the taxes described in section 473.592 for the Metrodome, the tax and other revenues of the commission described in section 473.595, subdivision 1, and any other revenues of the commission attributable to the Metrodome shall be and remain pledged and appropriated for the payment of all necessary and reasonable expenses of the operation, administration, maintenance, and debt service of the Metrodome until all bonds and certificates issued pursuant to this section are fully paid or discharged in accordance with law. Bonds issued pursuant to this section may be secured by a bond resolution, or by a trust indenture entered into by the council with a corporate trustee within or outside the state, which shall define the tax and other Metrodome and Met Center revenues pledged for the payment and security of the bonds. The pledge shall be a valid charge on the tax and other revenues referred to in sections 473.551 to 473.595 (excepting only the admissions tax and surcharge related to the basketball and hockey arena provided in section 473.595, subdivision 1a, taxes described in section 473.592 for the basketball and hockey arena, and other revenues attributable to the basketball and hockey arena) from the date when bonds are first issued or secured under the resolution or indenture and shall secure the payment of principal and interest and redemption premiums when due and the maintenance at all times of a reserve securing such payments. No mortgage of or security interest in any tangible real or personal property shall be granted to the bondholders or the trustee, but they shall have a valid

security interest in all tax and other revenues received and accounts receivable by the commission or council hereunder, as against the claims of all other persons in tort, contract, or otherwise, irrespective of whether such parties have notice thereof, and without possession or filing as provided in the Uniform Commercial Code or any other law. In the bond resolution or trust indenture the council may make such covenants, which shall be binding upon the commission, as are determined to be usual and reasonably necessary for the protection of the bondholders. No pledge, mortgage, covenant, or agreement securing bonds may be impaired, revoked, or amended by law or by action of the council, commission, or city, except in accordance with the terms of the resolution or indenture under which the bonds are issued, until the obligations of the council thereunder are fully discharged.

Subd. 5. **Revenue anticipation certificates.** At any time or times after approval by the council and final adoption by the commission of an annual budget of the commission for operation, administration, and maintenance of the Metrodome, and in anticipation of the proceeds from the taxes under section 473.592 for the Metrodome and the revenues of the commission provided for in the budget, but subject to any limitation or prohibition in a bond resolution or indenture, the council may authorize the issuance, negotiation, and sale, in such form and manner and upon such terms as it may determine, of revenue anticipation certificates. The principal amount of the certificates outstanding shall at no time exceed 25 percent of the total amount of the tax and other revenues anticipated. The certificates shall mature not later than three months after the close of the budget year. Prior to the approval and final adoption of the first annual budget of the commission, the council may authorize up to \$300,000 in revenue anticipation certificates under this subdivision. So much of the anticipated tax and other revenues as may be needed for the payment of the certificates and interest thereon shall be paid into a special debt service fund established for the certificates in the council's financial records. If for any reason the anticipated tax and other revenues are insufficient, the certificates and interest shall be paid from the first tax and other revenues received, subject to any limitation or prohibition in a bond resolution or indenture. The proceeds of the certificates may be used for any purpose for which the anticipated revenues or taxes may be used or for any purpose for which bond proceeds under subdivision 1 may be used, provided that the proceeds of certificates issued after May 26, 1979, shall not be used to pay capital costs of the Metrodome constructed or remodeled pursuant to sections 473.551 to 473.595.

473.592 TAX REVENUES.

Subdivision 1. **Local sales tax.** The city of Minneapolis may enter into agreements with the Metropolitan Council and the commission which requires the municipality to impose a sales tax, supplemental to the general sales tax imposed in chapter 297A, for the purposes and in accordance with the requirements specified in sections 473.551 to 473.599. The tax may be imposed:

(a) on the gross receipts from all retail on-sales of intoxicating liquor and fermented malt beverages when sold at licensed on-sale liquor establishments and municipal liquor stores located within the municipality,

(b) notwithstanding any limitations of Laws 1986, chapter 396, section 5, clause (2), on the gross receipts from the furnishing for consideration of lodging for a period of less than 30 days at a hotel, motel, rooming house, tourist court, or trailer camp located within the municipality,

(c) on the gross receipts on all sales of food primarily for consumption on or off the premises by restaurants and places of refreshment as defined by resolution of the city, or

(d) on any one or combination of the foregoing.

A tax under this subdivision shall be imposed only within a downtown taxing area to be determined by the council.

The agreement or agreements between the city, the Metropolitan Council, and the commission shall require the municipality to impose the tax or taxes at whatever rate or rates may be necessary to produce revenues which are determined by the council from year to year to be required, together with the revenues available to the commission, to pay when due all debt service on bonds and revenue anticipation certificates issued under section 473.581, all debt service on bonds and revenue anticipation certificates issued under section 473.599, and all expenses of operation, administration, and maintenance of the Metrodome and the basketball and hockey arena. When it is determined that a tax must be imposed under this subdivision after the effective date of Laws 1994, chapter 648, there shall be added to the rate of the tax imposed for the purposes described in the previous sentence a tax at a rate of 0.25 percent for use by the city to fund recreational facilities and programs in the city's neighborhoods for children and youth through the Minneapolis Park and Recreation Board. The agreements shall provide for the suspension, reimposition, reduction, or increase in tax collections upon determination by the Metropolitan Council that such actions are appropriate or necessary for the purposes for which the tax is imposed, provided that

the balance in each of the Metrodome debt service and the basketball and hockey arena debt service fund or funds, including any reserve for debt service, shall be maintained at least at an amount sufficient to pay the principal and interest on bonds which will become due within the next succeeding one year period and, except as otherwise provided by agreement, shall not be maintained at an amount greater than that required to pay principal and interest on bonds which will become due within the next succeeding two-year period. Once the tax is imposed by the city, the tax imposed for the benefit of the Minneapolis Park and Recreation Board shall remain in effect at the rate of 0.25 percent until the bonds issued under section 473.599 have been retired. The agreements shall be executed by the city, after approval by resolution of the city council and before the issuance of the bonds under section 473.581 and commencement of construction of the Metrodome or the issuance of bonds under section 473.599 and acquisition of the basketball and hockey arena and shall constitute a contract or contracts with and for the security of all holders of the bonds and revenue anticipation certificates secured by the tax. The Metrodome shall not be constructed or remodeled in a municipality which has not entered into an agreement for the Metrodome in accordance with this section. A basketball and hockey arena shall not be acquired in the city of Minneapolis unless the city has entered into an agreement in accordance with this section as security for bonds issued pursuant to section 473.599 and expenses of operation, administration, and maintenance of the basketball and hockey arena. The tax shall be reported and paid to the commissioner of revenue with and as part of the state sales and use taxes, and shall be subject to the same penalties, interest, and enforcement provisions. The collections of the tax, less refunds and a proportionate share of the costs of collection, shall be remitted at least quarterly to the Metropolitan Council and the city of Minneapolis for use by the Minneapolis Park and Recreation Board. The commissioner of revenue shall deduct from the proceeds remitted to the council and the city an amount that equals the indirect statewide costs as well as the direct and indirect department costs necessary to administer, audit, and collect this tax. The amount deducted shall be deposited in the general fund of the state. The proceeds remitted with respect to the Metrodome shall be placed, together with the net revenues of the commission attributable to the Metrodome under section 473.595, into the debt service fund or reserve or special funds, established under section 473.581, and any funds established to secure payment of operating deficits of the commission arising from its ownership and operation of the Metrodome. The proceeds may be used for payment of debt service on bonds and revenue anticipation certificates issued under section 473.581, and expenses of operation, administration, and maintenance of the Metrodome. The proceeds shall not be used for any capital costs of the Metrodome, except that the proceeds may be used to pay interest on bonds during the construction period.

The proceeds remitted with respect to the basketball and hockey arena shall be placed, together with the net revenues of the commission attributable to the basketball and hockey arena under section 473.595, subdivision 1a, into the debt service fund or reserve or special funds, established under section 473.599, and any funds established to secure payment of operating deficits of the commission arising from its acquisition, ownership, operation, or maintenance of the basketball and hockey arena. The proceeds may be used for payment of debt service on bonds and revenue anticipation certificates issued under section 473.599, and expenses of operation, administration, and maintenance of the basketball and hockey arena.

473.595 COMMISSION FINANCES.

Subdivision 1. **Metrodome admission tax.** The commission shall by resolution impose and maintain a ten percent admission tax upon the granting, issuance, sale, or distribution, by any private or public person, association, or corporation, of the privilege of admission to activities at the Metrodome. No other tax, surcharge, or governmental imposition, except the taxes imposed by chapter 297A, may be levied by any other unit of government upon any such sale or distribution. The admission tax shall be stated and charged separately from the sales price so far as practicable and shall be collected by the grantor, seller, or distributor from the person admitted and shall be a debt from that person to the grantor, issuer, seller, or distributor, and the tax required to be collected shall constitute a debt owed by the grantor, issuer, seller, or distributor to the commission, which shall be recoverable at law in the same manner as other debts. Every person granting, issuing, selling, or distributing tickets for such admissions may be required, as provided in resolutions of the commission, to secure a permit, to file returns, to deposit security for the payment of the tax, and to pay such penalties for nonpayment and interest on late payments, as shall be deemed necessary or expedient to assure the prompt and uniform collection of the tax.

Notwithstanding any other provisions of this subdivision, the imposition of an admission tax upon a national superbowl football game conducted at the Metrodome is discretionary with the commission.

APPENDIX

Repealed Minnesota Statutes: H2810-1

Subd. 1a. **Arena admission tax.** The commission shall impose a ten percent admission tax on all tickets sold, issued, granted, or distributed for the privilege of admission to the basketball and hockey arena. In addition, the commission shall impose a surcharge in an amount to be determined by the commission, but not less than \$1 per ticket, on all tickets sold, issued, granted, or distributed for the privilege of admission to activities at the basketball and hockey arena. The sales price shall include the price of the ticket and any service or other charge imposed by the grantor, issuer, seller, or distributor upon the reservation, processing, distribution, delivery, or sale of the ticket. No other tax, surcharge, or governmental imposition, except the taxes imposed by chapter 297A, may be levied by any other unit of government upon such a sale or distribution. The admission tax and surcharge for the privilege of admission to activities at the basketball and hockey arena shall be charged and added to the sales price of the ticket, and imposed and collected in the same manner provided for the Metrodome pursuant to subdivision 1. The tax and surcharge provided for in this subdivision shall be effective from and after the date of the commission's acquisition of the basketball and hockey arena.

Subd. 2. **Rentals; fees; charges.** Rentals, fees, and charges provided for in use agreements at the Metrodome and basketball and hockey arena entered into by the commission shall be those estimated by the commission to be necessary and feasible to produce so far as possible, with commission revenues from other sources, the amounts needed for current operation, maintenance, and debt service. The commission shall with respect to the Met Center, the Metrodome, and the basketball and hockey arena meet and confer with any public body, authority, or agency owning or operating an entertainment or sports complex, or indoor sports arena, in the metropolitan area, for the purpose of undertaking measures or agreements maximizing revenues and eliminating unnecessary operational expenditures.

Subd. 3. **Budget preparation; review and approval.** The commission shall prepare a proposed budget by August 1 of each year. The budget shall include operating revenues and expenditures for operation, administration, and maintenance. In addition, the budget must show for each year:

(a) The estimated operating revenues from all sources including funds on hand at the beginning of the year, and estimated expenditures for costs of operation, administration, maintenance, and debt service;

(b) Capital improvement funds estimated to be on hand at the beginning of the year and estimated to be received during the year from all sources and estimated cost of capital improvements to be paid out or expended during the year; all in such detail and form as the council may prescribe; and

(c) The estimated source and use of pass-through funds.

As early as practicable before August 15 of each year, the commission shall hold a public hearing on a draft of the proposed budget. Along with the draft, the commission shall publish a report on user charges. The report must include an estimate and analysis of the changes in user charges, rates, and fees that will be required by the commission's budget. Not less than 14 days before the hearing, the commission shall publish notice of the hearing in a newspaper having general circulation in the metropolitan area, stating the date, time, and place of hearing, and the place where the proposed budget and report on user charges may be examined by any interested person. Following the hearing, the commission shall publish a report of the hearing that summarizes the comments received and the commission's response. The council shall approve or disapprove the entire budget by October 1 of each year. Before December 15 of each year, the commission shall by resolution adopt a final budget. The commission shall file its final budget with the council on or before December 20 of each year. The council shall file the budgets with the secretary of the senate and the clerk of the house of representatives not later than January 1 of each year.

Except in an emergency, for which procedures must be established by the commission, the commission and its officers, agents, and employees may not spend money for any purpose, other than debt service, without an appropriation by the commission, and no obligation to make such an expenditure shall be enforceable except as the obligation of the person or persons incurring it. The creation of any debt obligation or the receipt of any federal or state grant is a sufficient appropriation of the proceeds for the purpose for which it is authorized, and of the tax or other revenues pledged to pay the obligation and interest on it whether or not specifically included in any annual budget. After obtaining approval of the council, the commission may amend the budget at any time by transferring any appropriation from one purpose to another, except appropriations of the proceeds of bonds issued for a specific purpose.

Subd. 4. **Payment of council costs.** The commission shall comply with the provisions of section 473.164.

APPENDIX

Repealed Minnesota Statutes: H2810-1

Subd. 5. **Audit.** The legislative auditor shall make an independent audit of the commission's books and accounts once each year or as often as the legislative auditor's funds and personnel permit. The costs of the audits shall be paid by the commission pursuant to section 3.9741. The council may examine the commission's books and accounts at any time.

Subd. 6. **General.** The commission shall receive and account for all tax and other revenue of the commission and from the revenue shall provide, contract, and pay for proper operation, administration, and maintenance of all of its property and facilities and shall maintain, as authorized by resolutions of the council, reserves for major repairs, replacements, and improvements and for working capital. The commission shall remit to the council for deposit in its Metrodome debt service funds, at the times required by resolution of the council, the net revenue attributable to the Metrodome in excess of these requirements and for deposit in its basketball and hockey arena debt service fund or funds, at the times required by resolution of the council, the net revenue attributable to the basketball and hockey arena in excess of these requirements.

Subd. 7. **Sale of seats.** The commission may sell seats in any multipurpose sports facility constructed after June 30, 1979 at prices and subject to conditions consistent with this section. Ownership of a seat shall give the owner first preference for purchase of a season ticket of admission for professional sports exhibitions with a right to be seated in the owned seat. An owner may sell or otherwise transfer the rights on whatever terms the owner chooses. Rights to a seat may not be divided. No fee may be charged for a transfer of ownership of a seat. The commission may charge a maintenance fee not exceeding \$10 per year for each seat.

473.598 ARENA ACQUISITION.

Subdivision 1. **Commission determination.** The commission shall first determine whether to pursue negotiations to acquire the basketball and hockey arena.

Subd. 2. **Examination and disclosure of loan terms.** Before making a final decision to acquire the basketball and hockey arena, the commission must obtain and examine all the terms, conditions, covenants, and other provisions of any loan agreements between the owners of the arena and third parties that provided financing secured by mortgages on or other security interests in the basketball and hockey arena. These terms specifically include any agreements that require a professional team affiliated with the owner to lease or use the arena or that restrict or limit the authority of the team owners or affiliates to relocate the team. The commission shall make the terms of the agreements available for public inspection.

Subd. 3. **Commission proposal.** (a) If the commission makes a final determination to acquire the basketball and hockey arena, the commission may then submit to the Metropolitan Council a proposal to bond for and acquire the basketball and hockey arena. The commission's proposal shall contain all information deemed appropriate or necessary by the council to its determinations pursuant to section 473.599, subdivision 4. The commission, in preparing the proposal for the council, shall require of the sellers and of the professional teams that are potential lessees or other potential lessees and all of their affiliated entities any and all data relevant to the acquisition, financing, ownership, and operation of the basketball and hockey arena, including, but not limited to, contracts, agreements, profit and loss statements, annual audit statements and balance sheets. The commission shall contract with an independent, nationally recognized firm of certified public accountants to perform due diligence and provide an economic feasibility study or report with regard to the data received by the commission from the sellers, the potential lessees, and affiliated entities. In evaluating whether to acquire the basketball and hockey arena, the commission shall consider among other factors, (a) total capital and operating costs of the basketball and hockey arena to the commission and total commission revenues from the basketball and hockey arena over the expected life of the facility, including any contributions by the state, local units of government or other organizations, (b) the total governmental costs associated with the acquisition and operation of the basketball and hockey arena, including the cost to all units and agencies of government as well as the costs to the commission, (c) the net gain or loss of taxes to the state and all local government units, and (d) economic and other benefits accruing to the public.

That data shall be confidential data on individuals under section 13.02, subdivision 3, or protected nonpublic data under section 13.02, subdivision 13, as the case may be, unless the commission determines that public release of the data would advance the negotiations, or until the potential lessees have executed agreements with the commission or the negotiations are unfavorably concluded.

(c) The following data shall be private data on individuals under section 13.02, subdivision 12, or nonpublic data under section 13.02, subdivision 9, as the case may be:

(1) data received by the commission or council from the present lessees or potential lessees of the basketball and hockey arena which if made public would, due to the disclosure, permit a competitive economic advantage to other persons;

(2) data relating to affiliated entities of the parties referred to in subdivision 3 which is not relevant to the due diligence and economic feasibility study referred to under subdivision 3; and

(3) data on individuals which is not relevant to the finances of the basketball and hockey arena or useful to demonstrate the financial ability of the potential lessees of the arena to perform their agreements with the commission.

(d) For purposes of this subdivision, the terms "commission" and "council" include their members and employees, accountants, counsel, and consultants and the firm of independent certified public accountants to be engaged under subdivision 2.

473.599 DEBT OBLIGATIONS.

Subdivision 1. **Revenues.** It is the intent of the legislature that the commission shall, to the maximum extent possible consistent with the provisions of this section, impose rates, rentals, and other charges in the operation of the basketball and hockey arena which together with the admissions tax and surcharge provided in section 473.595, subdivision 1a, will make the basketball and hockey arena self-supporting so that the taxes imposed under section 473.592 for the basketball and hockey arena will be at the lowest possible rate consistent with the obligations of the city of Minneapolis as provided in sections 473.551 to 473.599.

Subd. 2. **Bonds.** The council shall by resolution authorize the sale and issuance of its bonds for any of the following purposes upon its determination that the conditions of subdivision 4 have been met:

(b) To refund bonds issued under this section; and

(c) To fund judgments entered by any court against the commission or against the council in matters relating to the basketball and hockey arena.

Subd. 3. **Procedure.** The bonds shall be sold, issued, and secured in the manner provided in chapter 475 for bonds payable solely from revenues, except as otherwise provided in sections 473.551 to 473.599, and the council shall have the same powers and duties as a municipality and its governing body in issuing bonds under chapter 475. The council may pledge for the payment of the bonds the net revenues of the commission arising from the commission's operation of the basketball and hockey arena, the tax provided by section 473.592 for the basketball and hockey arena, and the admission tax and surcharge authorized in section 473.595, subdivision 1a. The bonds may be sold at any price and at public or private sale as determined by the council. They shall be payable solely from tax and other revenues referred to in sections 473.551 to 473.599, and shall not be a general obligation or debt of the council or of the commission, and shall not be included in the net debt of any city, county, or other subdivision of the state for the purpose of any net debt limitation, but nothing in this section shall affect the obligation of the city of Minneapolis to levy a tax pursuant to an agreement made under the provisions of section 473.592. No election shall be required. The principal amount shall not be limited except as provided in subdivision 4.

Subd. 4. **Limits.** The principal amount of the bonds issued pursuant to subdivision 2, clause (a), exclusive of any original issue discount, shall not exceed the total amount of \$42,000,000 plus

such amount as the council determines necessary to pay the costs of issuance, fund reserves for operation and debt service, and pay for any bond insurance or other credit enhancement. The bonds may be issued as tax-exempt revenue bonds or as taxable revenue bonds in the proportions that the commission may determine. The proceeds of the bonds issued pursuant to subdivision 2, clause (a), shall be used only for acquisition and betterment of sports facilities suitable for a basketball and hockey arena and the arena land and the related purposes referred to in this subdivision, and for reimbursement of any expenses of the commission related to its determination of whether to acquire the basketball and hockey arena, whenever incurred. The council shall issue its bonds pursuant to subdivision 2, clause (a), and the commission may acquire the basketball and hockey arena and the arena land when the council has made the following determinations:

The agreements shall be for a period of 30 years. The agreements may contain provisions negotiated with the organization which provide for earlier termination of the use of the basketball and hockey arena by the commission upon conditions related to and limited to the bankruptcy or insolvency of the organization. The agreements shall afford to the commission, the city of Minneapolis, or the Minneapolis Community Development Agency, or each or all of them, as the commission deems appropriate, the remedies that are deemed necessary and appropriate to provide reasonable assurances that the major league professional basketball organization or another major league professional basketball organization shall comply with the agreements. The remedies shall include the payment of liquidated damages equivalent to direct and consequential damages incurred by reason of the breach of the agreements and any additional remedies or security arrangements the commission reasonably determines to be effective in accomplishing the purposes of this paragraph. The damages payment may be payable in a lump sum or in installments as the commission may deem appropriate. The commission may require that the agreements include other terms and conditions to provide reasonable assurances that the major league professional basketball team or a successor major league professional basketball team will play the required games at the basketball and hockey arena during the 30-year term of the agreements, or, in the event of a breach, to assure the payment of the required damages. The agreements shall address contingencies that may arise in the event of change of ownership of the professional teams. The agreements with the professional basketball organization for the use of the basketball and hockey arena shall provide for arrangements which the commission may deem necessary or appropriate to accommodate a future agreement between the commission and a professional hockey organization to occupy the basketball and hockey arena, consistent with this section.

(b) The commission has exercised its reasonable efforts to obtain assurances and/or agreements from the professional basketball major league to the extent permitted under applicable federal and state law, that it will not approve the relocation of the major league professional basketball organization if the relocation is in violation of the terms of the agreements referred to in paragraph (a).

(c) The professional basketball team has provided information sufficient to satisfy the council and the commission of the team's ability to comply with the terms of the 30-year lease.

(d) The proceeds of bonds provided for in this subdivision will be sufficient for the purposes for which they are issued.

(e) The commission has acquired, or has contracted to acquire, (i) leasehold title to the arena land together with the estate of the tenant and other rights demised under the ground lease, subject to amendment as provided in clause (o), (ii) ownership of all real and personal property comprising the basketball and hockey arena, and (iii) all easements, appurtenances and other rights, title, or interest deemed by the commission necessary or desirable in connection with the acquisition, financing, ownership, and operation of the basketball and hockey arena.

(f) The percentage of the private boxes provided for in the commission's proposal for the basketball and hockey arena are sold or leased for the period that the commission finds advisable.

(g) The anticipated admission taxes and surcharges and other revenue from the operation of the basketball and hockey arena will be sufficient to pay when due all basketball and hockey arena debt service plus all administration, operating and maintenance expense of the arena.

The validity of any bonds issued under subdivision 2, clause (a), and the obligations of the council and commission related to them, shall not be conditioned upon or impaired by the council's determination made pursuant to this subdivision. For purposes of issuing the bonds the determinations made by the commission and council shall be deemed conclusive, and the council shall be and remain obligated for the security and payment of the bonds irrespective of determinations which may be erroneous, inaccurate, or otherwise mistaken.

(j) The commission has entered into arrangements with any other persons to create a condominium or leasehold condominium, or common interest community or leasehold common interest community, with respect to the building containing the basketball and hockey arena, including the arena playing and spectator areas, and all other portions of the building, and together with the arena land and all other related improvements, easements and other appurtenant and ancillary property and property rights. The Minneapolis Community Development Agency in its capacity as ground lease landlord may be a party to the condominium or common interest community declaration. The condominium or common interest community declaration shall establish the portion of the building containing the health club as a separate unit of the condominium or common interest community, and the commission shall have entered into an agreement or agreements with a private sports and health club organization which shall require that the organization shall purchase or retain ownership of the unit with its own funds and at no cost or expense to the commission, and that the organization shall pay for all utility and other operating costs and expenses including allocated common expenses and pay ad valorem property taxes for the unit. The condominium or common interest community declaration may also establish other units in the condominium or common interest community which shall include the arena playing and spectator areas and may also include office space, restaurant space, locker rooms, private spectator suites or boxes, signage, and other areas, and may also establish common elements, limited common elements and other easements and interests as the commission deems necessary or appropriate. The agreement or agreements between the commission and the private sports and health club organization may also address additional matters which may be the subject of the bylaws or other agreements or arrangements among unit owners of condominiums or common interest communities, either as part of, or separately from, the provisions of chapter 515A or 515B, or any other items as may be ordinarily and customarily negotiated between the commission and the organization.

(k) The private sports and health club organization has executed an assessment agreement pursuant to section 469.177, subdivision 8, obligating payment of ad valorem taxes based on a minimum market value of the health club of at least \$10,000,000 with the city of Minneapolis or the Minneapolis Community Development Agency.

(l) The commission has executed an agreement requiring the commission to remit annually to the Minneapolis Community Development Agency or appropriate agency an amount which together with any ad valorem taxes or other amounts received by the city of Minneapolis or the Minneapolis Community Development Agency from the health club as tax increments equals the debt service required by the tax increment district attributable to the basketball and hockey arena until the current outstanding indebtedness or any refunding thereof has been paid or retired.

(m) The development agreement shall be amended:

(i) so that no payments are due to the city of Minneapolis or the Minneapolis Community Development Agency from the commission or any other person with respect to the sale, ownership or operation of the basketball and hockey arena, except as provided in clauses (k), (l), and (n); and

(ii) to confirm the satisfactory performance of the obligations of the parties to the development agreement on the effective date of the commission's acquisition; provided, that the city of Minneapolis and the Minneapolis Community Development Agency shall not be required to release any claim they may have under the development agreement with respect to the operations or sale of the health club (except as such claim may arise from the commission's acquisition of the basketball and hockey arena and the contemporaneous sale or transfer of the health club to those persons who own the basketball and hockey arena and the health club on the date of the commission's acquisition) or from the operations or sale of the professional basketball organization occupying the basketball and hockey arena or the security they may have under the development agreement or the ground lease to assure its performance, pursuant to the guaranty of the guarantors in the event of any default of the commission under the ground lease, or of the owners of the health club with respect to the payment of ad valorem taxes or any payment due from them under the development agreement as amended in accordance with the provisions of this subdivision.

(n) The commission has executed an agreement with the city of Minneapolis providing that for so long as the commission owns the basketball and hockey arena the city shall not impose any entertainment tax or surcharge on tickets purchased for any and all events at the basketball and hockey arena. The agreement may also provide that the commission shall compensate the city for the forbearance of the entertainment tax in effect on the effective date of Laws 1994, chapter 648, plus accrued interest, after payment of basketball and hockey arena debt service, the necessary and appropriate funding of debt reserve of the basketball and hockey arena and all expenses of operation, administration, and maintenance, and the funding of a capital reserve for the repair, remodeling and renovation of the basketball and hockey arena. The required funding of the capital reserve shall be in an amount mutually agreed to by the commission and the city.

(o) The ground lease shall be amended by the Minneapolis Community Development Agency to the reasonable satisfaction of the commission to provide:

(i) that the commission's sole financial obligation to the landlord shall be to make the payment provided for in clause (1) from the net revenues of the commission attributable to the operation of the basketball and hockey arena;

(ii) that the term of the lease shall be 99 years;

(iii) that the commission shall have the option to purchase the arena land upon the payment of \$10 at any time during the term of the ground lease, but, unless otherwise agreed to by the Minneapolis Community Development Agency, only after the payment or retirement of the general obligation tax increment bonds previously issued by the city of Minneapolis to assist in financing the acquisition of the arena land; and

(iv) other amendments as the commission deems necessary and reasonable to accomplish its purposes as provided in sections 473.598 and 473.599.

(p) The commission has received a report or reports by qualified consultants on the basketball and hockey arena, the health club and the arena land, based on thorough inspection in accordance with generally accepted professional standards and any correction, repair, or remediation disclosed by the reports has been made to the satisfaction of commission.

Subd. 5. **Security.** To the extent and in the manner provided in sections 473.592 and 473.595, the taxes described in section 473.592 for the basketball and hockey arena, the tax, surcharge and other revenues of the commission described in section 473.595, subdivision 1a, attributable to the basketball and hockey arena and any other revenues of the commission attributable to the basketball and hockey arena shall be and remain pledged and appropriated for the purposes specified in Laws 1994, chapter 648, article 1, and for the payment of all necessary and reasonable expenses of the operation, administration, maintenance, and debt service of the basketball and hockey arena until all bonds referred to in section 473.599, subdivision 2, are fully paid or discharged in accordance with law. Bonds issued pursuant to this section may be secured by a bond resolution, or by a trust indenture entered into by the council with a corporate trustee within or outside the state, which shall define the tax and other revenues pledged for the payment and security of the bonds. The pledge shall be a valid charge on the tax, surcharge and other revenues attributable to the basketball and hockey arena referred to in sections 473.592, 473.595, subdivision 1a, 473.598, and 473.599 from the date when bonds are first issued or secured under the resolution or indenture and shall secure the payment of principal and interest and redemption premiums when due and the maintenance at all times of a reserve securing the payments. No mortgage or security interest in any tangible real or personal property shall be granted to the bondholders or the trustee, but they shall have a valid security interest in all tax and other revenues received and accounts receivable by the commission or council under sections 473.592 to the extent of the tax imposed as security for the debt service of the basketball and hockey arena, 473.595, subdivision 1a, 473.598, and 473.599, as against the claims of all other persons in tort, contract, or otherwise, irrespective of whether the parties have notice of them, and without possession or filing as provided in the Uniform Commercial Code or any other law. In the bond resolution or trust indenture the council may make the covenants, which shall be binding upon the commission, as are determined to be usual and reasonably necessary for the protection of the bondholders. No pledge, mortgage, covenant, or agreement securing bonds may be impaired, revoked, or amended by law or by action of the council, commission, or city, except in accordance with the terms of the resolution or indenture under which the bonds are issued, until the obligations of the council under the resolution or indenture are fully discharged.

Subd. 6. **Revenue anticipation certificates.** After approval by the council and final adoption by the commission of an annual budget of the commission for operation, administration, and maintenance of the basketball and hockey arena, and in anticipation of the proceeds from the taxes under section 473.592 and the revenues of the commission provided for in the budget, but subject to any limitation or prohibition in a bond resolution or indenture, the council may authorize the issuance, negotiation, and sale, in the form and manner and upon the terms that it may determine,

APPENDIX

Repealed Minnesota Statutes: H2810-1

of revenue anticipation certificates. The principal amount of the certificates outstanding shall at no time exceed 25 percent of the total amount of the tax and other revenues anticipated. The certificates shall mature not later than three months after the close of the budget year. Prior to the approval and final adoption of the annual budget of the commission, the council may authorize revenue anticipation certificates under this subdivision. So much of the anticipated tax and other revenues as may be needed for the payment of the certificates and interest on them shall be paid into a special debt service fund established for the certificates in the council's financial records. If for any reason the anticipated tax and other revenues are insufficient, the certificates and interest shall be paid from the first tax, surcharge and other revenues received attributable to the basketball and hockey arena, subject to any limitation or prohibition in a bond resolution or indenture. The proceeds of the certificates may be used for any purpose for which the anticipated revenues or taxes may be used or for any purpose for which bond proceeds under subdivision 2 may be used.

Subd. 7. Arena free of mortgages, liens, and obligations. With the exception of the obligations imposed by sections 473.598 and 473.599, the commission shall not assume any notes, pledges, mortgages, liens, encumbrances, contracts, including advertising contracts or marquee agreements, or other obligations upon acquisition of the basketball and hockey arena or the arena land, including but not by way of limitation, management or concession agreements. Upon acquisition by the commission, the basketball and hockey arena and the arena land shall be free of all liens and encumbrances, including the foregoing but excluding the easements and rights-of-way that the commission shall determine do not materially impair or affect its ownership and operation of the basketball and hockey arena. Upon acquisition, the commission shall, through a process involving statewide public participation, select a name for the basketball and hockey arena. In the process of selecting the name, the commission shall consider its obligation under section 473.599, subdivision 1, but that obligation must not be the principal consideration in making the selection.

Subd. 8. Reimbursement to state. The commission shall compensate the state for its contribution from the general fund under Minnesota Statutes 2008, section 240A.08, plus accrued interest, after payment of basketball and hockey arena debt service, the necessary and appropriate funding of debt reserve of the basketball and hockey arena and all expenses of operation, administration, and maintenance and the funding of a capital reserve for the repair, remodeling and renovation of the basketball and hockey arena. Compensation paid to the state shall occur at the same time that compensation is paid to the city of Minneapolis, as provided in paragraph (n) of subdivision 4, on a basis proportionate to the amount of forbearance of the entertainment tax or surcharge as provided in paragraph (n) to that date, and the amount of general fund appropriations paid by the state under Minnesota Statutes 2008, section 240A.08, to that date. No reimbursement will be paid under this subdivision after (1) the aggregate amount of the appropriations granted under Minnesota Statutes 2008, section 240A.08, to that time, plus accrued interest, has been reimbursed under this subdivision, or (2) December 31, 2024, whichever is earlier.

473.76 METROPOLITAN SPORTS FACILITIES COMMISSION.

The Metropolitan Sports Facilities Commission may authorize, by resolution, technical, professional, or financial assistance to the county and authority for the development and operation of the ballpark upon such terms and conditions as the county or authority and the Metropolitan Sports Facilities Commission may agree, including reimbursement of financial assistance from the proceeds of the bonds authorized in this chapter. Without limiting the foregoing permissive powers, the Metropolitan Sports Facilities Commission shall transfer \$300,000 from its cash reserves to the county on or prior to January 1, 2007, for use in connection with preliminary ballpark and public infrastructure costs, which amount shall be repaid by the county from collections of the tax authorized by section 473.757, if any.
