State of Minnesota
HOUSE OF REPRESENTATIVES

EIGHTY-SEVENTH SESSION

H. F. No. 3052

05/09/2012 Authored by Erickson

The bill was read for the first time and referred to the Committee on Education Reform

1.1 A bill for an act
1.2 relating to education; requiring the Minnesota State Colleges and Universities
1.3 Board of Trustees to consider student performance on an Armed Services
1.4 Vocational Aptitude Battery as a means to determine eligibility for admission;
1.5 including career readiness assessment in planning for students' successful
1.6 transition to postsecondary education and employment; amending Minnesota
1.7 Statutes 2010, sections 120B.125, as amended; 136F.06, by adding a subdivision.

1.8 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

1.9 Section 1. Minnesota Statutes 2010, section 120B.125, as amended by Laws 2012,
1.10 chapter 207, section 1, is amended to read:

1.11 **120B.125 PLANNING FOR STUDENTS' SUCCESSFUL TRANSITION**
1.12 **TO POSTSECONDARY EDUCATION AND EMPLOYMENT; INVOLUNTARY**
1.13 **CAREER TRACKING PROHIBITED.**

1.14 (a) Consistent with sections 120B.128, 120B.13, 120B.131, 120B.132, 120B.14,
1.15 120B.15, 125A.08, and other related sections, school districts are strongly encouraged to
1.16 assist all students by no later than grade 9 to explore their college and career interests and
1.17 aspirations and develop a plan for a smooth and successful transition to postsecondary
1.18 education or employment. All students' plans must be designed to:

1.19 (1) provide a comprehensive academic plan for completing a college and
1.20 career-ready curriculum premised on meeting state and local academic standards and
1.21 developing 21st century skills such as team work, collaboration, and good work habits;

1.22 (2) emphasize academic rigor and high expectations;

1.23 (3) help students identify personal learning styles that may affect their postsecondary
1.24 education and employment choices;

(4) help students succeed at gaining access to postsecondary education and career options;

(5) integrate strong academic content into career-focused courses and integrate relevant career-focused courses into strong academic content;

(6) help students and families identify and gain access to appropriate counseling and other supports, tools related to career readiness assessment including the Armed Services Vocational Aptitude Battery-Career Exploration Program, and assistance that enable students to complete required coursework, prepare for postsecondary education and careers, and obtain information about postsecondary education costs and eligibility for financial aid and scholarship;

(7) help students and families identify collaborative partnerships of kindergarten through grade 12 schools, postsecondary institutions, economic development agencies, armed forces, and employers that support students' transition to postsecondary education and employment and provide students with experiential learning opportunities; and

(8) be reviewed and revised at least annually by the student, the student's parent or guardian, and the school or district to ensure that the student's course-taking schedule keeps the student "on track" to meet state and local high school graduation requirements and with a reasonable chance to succeed with employment or postsecondary education without the need to first complete remedial course work.

(b) A school district may develop grade-level curricula or provide instruction that introduces students to various careers, but must not require any curriculum, instruction, or employment-related activity that obligates an elementary or secondary student to involuntarily select a career, career interest, employment goals, or related job training.

(c) School districts are encouraged to seek and use revenue and in-kind contributions from nonstate sources and to seek administrative cost savings through innovative local funding arrangements, such as the Collaboration Among Rochester Educators (CARE) model for funding postsecondary enrollment options, among other sources, for purposes of implementing this section.

Sec. 2. Minnesota Statutes 2010, section 136F.06, is amended by adding a subdivision to read:

Subd. 6. Conditions for admission; Armed Services Vocational Aptitude Battery. The board must consider using student performance on the Armed Services Vocational Aptitude Battery as a means to determine eligibility for admission.
