ARTICLE 1

PROPERTY TAX AIDS, CREDITS, AND REFUNDS

Section 1. [69.022] VOLUNTEER RETENTION STIPEND AID PILOT.

Subdivision 1. Definitions. (a) For purposes of this section, the following terms
have the meanings given them.
(b) "Emergency medical services provider" means a licensee as defined under section 144E.001, subdivision 8.

c) "Independent nonprofit firefighting corporation" has the same meaning as used in chapter 424A.

d) "Municipality" has the meaning given in section 69.011, but only if the municipality uses one or more qualified volunteers to provide service.

e) "Qualified entity" means an emergency medical services provider, independent nonprofit firefighting corporation, or municipality.

(f) "Qualified volunteer" means one of the following types of volunteers who has provided service for the entire prior calendar year to a qualified entity:

1. a volunteer firefighter as defined in section 424A.001, subdivision 10;

2. a volunteer ambulance attendant as defined in section 144E.001, subdivision 15; or

3. an emergency medical responder as defined in section 144E.001, subdivision 6, who provides emergency medical services as a volunteer.

(g) "Pilot area" means the counties of Blue Earth, Faribault, Freeborn, Martin, Steele, Waseca, and Watonwan.

Subd. 2. **Aid payment and calculation.** The commissioner of revenue shall pay aid to qualified entities located in the pilot area to provide funds for the qualified entities to pay annual volunteer retention stipends to qualified volunteers who provide services to the qualified entities. A qualified entity is located in the pilot area if it is a municipality located in whole or in part in the pilot area, or if it is an emergency medical services provider or independent nonprofit firefighting corporation with its main office located in the pilot area. The amount of the aid equals $500 multiplied by the number of qualified volunteers. For purposes of calculating this aid, each individual providing volunteer service, regardless of the different types of service provided, is one qualified volunteer.

The commissioner shall pay the aid to qualified entities by July 31 of the calendar year following the year in which the qualified volunteer provided service.

Subd. 3. **Application.** Each year each qualified entity in the pilot area may apply to the commissioner for aid under this section. The application must be made at the time and in the form prescribed by the commissioner and must provide sufficient information to permit the commissioner to determine the applicant's entitlement to aid under this section.

Subd. 4. **Payment of stipends.** A qualified entity receiving state aid under this section must pay the aid as retention stipends to qualified volunteers no later than September 15 of the year in which the aid was received.

Subd. 5. **Report.** No later than January 15, 2018, the commissioner of revenue must report to the chairs and ranking minority members of the legislative committees having
jurisdiction over public safety and taxes in the senate and the house of representatives, in compliance with sections 3.195 and 3.197, on aid paid under this section. The report must include:

(1) for each county in the pilot area, a listing of the qualified entities that received aid in each of the three years of the pilot;

(2) the amount of aid paid to each qualified entity that received aid in each of the three years of the pilot; and

(3) for each qualified entity that received aid, the number of qualified volunteers who were paid stipends in each of the three years of the pilot.

The report must also provide information on the number of qualified volunteers providing service to qualified entities in each of the counties adjacent to the pilot area in each of the three years of the pilot, and must summarize changes in the number of qualified volunteers during the three years of the pilot both within the pilot area and in the adjacent counties. For purposes of this subdivision "counties adjacent to the pilot area" means the counties of Brown, Cottonwood, Dodge, Jackson, Le Sueur, Mower, Nicollet, and Rice. Qualified entities in counties adjacent to the pilot area must provide information to the commissioner necessary to the report in this subdivision in the form and manner required by the commissioner.

Subd. 6. Appropriation. An amount sufficient to pay the state aid under this section in fiscal years 2016, 2017, and 2018 is appropriated from the general fund to the commissioner of revenue. This appropriation does not become part of the agency's base budget and expires after fiscal year 2018.

EFFECTIVE DATE. This section is effective the day following final enactment and applies for volunteer service provided beginning in calendar years 2014, 2015, and 2016, and for aid payable in calendar years 2015, 2016, and 2017.

Sec. 2. Minnesota Statutes 2012, section 273.138, subdivision 2, is amended to read:

Subd. 2. Agricultural homestead market value credit. Property classified as agricultural homestead under section 273.13, subdivision 23, paragraph (a), is eligible for an agricultural credit. The credit is computed using the property's agricultural credit market value, defined for this purpose as the property's market value excluding the market value of the house, garage, and immediately surrounding one acre of land. The credit is equal to 0.3 percent of the first $115,000 of the property's agricultural credit market value minus 0.1 percent of the property's agricultural credit market value in excess of $115,000, subject to a maximum reduction of $490. In the case of property that is classified as part homestead and part nonhomestead solely because not all the owners occupy or
farm the property, not all the owners have qualifying relatives occupying or farming the property, or solely because not all the spouses of owners occupy the property, the credit must be initially computed as if that nonhomestead agricultural land was also classified as agricultural homestead and then prorated to the owner-occupant's percentage of ownership.

**EFFECTIVE DATE.** This section is effective beginning with taxes payable in 2015.

Sec. 3. Minnesota Statutes 2013 Supplement, section 273.1398, subdivision 4, is amended to read:

Subd. 4. **Disparity reduction credit.** (a) Beginning with taxes payable in 1980, class 4a and class 3a property qualifies for a disparity reduction credit if: (1) the property is located in a border city that has an enterprise zone, as defined in section 469.166; (2) the property is located in a city with a population greater than 2,500 and less than 35,000 according to the 1980 decennial census; (3) the city is adjacent to a city in another state or immediately adjacent to a city adjacent to a city in another state; and (4) the adjacent city in the other state has a population of greater than 5,000 and less than 75,000 according to the 1980 decennial census.

(b) The credit is an amount sufficient to reduce (i) the taxes levied on class 4a property to +9 1.7 percent of the property's taxable market value and (ii) the tax on class 3a property to +9 1.7 percent of taxable market value.

(c) The county auditor shall annually certify the costs of the credits to the Department of Revenue. The department shall reimburse local governments for the property taxes forgone as the result of the credits in proportion to their total levies.

**EFFECTIVE DATE.** This section is effective beginning with taxes payable in 2015.

Sec. 4. Minnesota Statutes 2013 Supplement, section 423A.022, subdivision 2, is amended to read:

Subd. 2. **Allocation.** (a) Of the total amount appropriated as supplemental state aid:

(1) $8.065 58.064 percent must be paid to the executive director of the Public Employees Retirement Association for deposit in the public employees police and fire retirement fund established by section 353.65, subdivision 1;

(2) 35.484 percent must be paid to municipalities other than municipalities solely employing firefighters with retirement coverage provided by the public employees police and fire retirement plan which qualified to receive fire state aid in that calendar year, allocated in proportion to the most recent amount of fire state aid paid under section 69.021, subdivision 7, for the municipality bears to the most recent total fire state aid
for all municipalities other than the municipalities solely employing firefighters with
retirement coverage provided by the public employees police and fire retirement plan
paid under section 69.021, subdivision 7, with the allocated amount for fire departments
participating in the voluntary statewide lump-sum volunteer firefighter retirement plan
paid to the executive director of the Public Employees Retirement Association for deposit
in the fund established by section 353G.02, subdivision 3, and credited to the respective
account and with the balance paid to the treasurer of each municipality for transmittal
within 30 days of receipt to the treasurer of the applicable volunteer firefighter relief
association for deposit in its special fund; and

(3) 6.452 percent must be paid to the executive director of the Minnesota State
Retirement System for deposit in the state patrol retirement fund.

(b) For purposes of this section, the term "municipalities" includes independent
nonprofit firefighting corporations that participate in the voluntary statewide lump-sum
volunteer firefighter retirement plan under chapter 356G or with subsidiary volunteer
firefighter relief associations operating under chapter 424A.

Sec. 5. Minnesota Statutes 2013 Supplement, section 477A.013, subdivision 8, is
amended to read:

Subd. 8. **City formula aid.** (a) For aids payable in 2014 only, the formula aid for a
city is equal to the sum of (1) its 2013 certified aid, and (2) the product of (i) the difference
between its unmet need and its 2013 certified aid, and (ii) the aid gap percentage.

(b) For aids payable in 2015 and thereafter, the formula aid for a city is equal to the
sum of (1) its formula aid in the previous year and (2) the product of (i) the difference
between its unmet need and its **certified formula aid in the previous year** under subdivision
9, and (ii) the aid gap percentage.

(c) For aids payable in 2015 and thereafter, if a city's certified aid from the previous
year is greater than the sum of its unmet need plus its aid adjustment under subdivision 13,
its formula aid is adjusted to equal its unmet need.

(d) No city may have a formula aid amount less than zero. The aid gap percentage
must be the same for all cities subject to paragraph (b).

(e) The applicable aid gap percentage must be calculated by the Department of
Revenue so that the total of the aid under subdivision 9 equals the total amount available
for aid under section 477A.03. Data used in calculating aids to cities under sections
477A.011 to 477A.013 shall be the most recently available data as of January 1 in the
year in which the aid is calculated.
EFFECTIVE DATE. This section is effective for aids payable in calendar year 2015 and thereafter.

Sec. 6. Minnesota Statutes 2013 Supplement, section 477A.03, subdivision 2a, is amended to read:

Subd. 2a. *Cities.* For aids payable in 2014, the total aid paid under section 477A.013, subdivision 9, is $507,598,012. The total aid paid under section 477A.013, subdivision 9, is $509,098,012 for aids payable in 2015 and thereafter, the total aid paid under section 477A.013, subdivision 9, is $511,598,012 and thereafter, the total aid paid under section 477A.013, subdivision 9, is $514,098,012. The amount certified under that section in the previous year, multiplied by the inflation adjustment under subdivision 6.

EFFECTIVE DATE. This section is effective for aids payable in calendar year 2015 and thereafter.

Sec. 7. Minnesota Statutes 2012, section 477A.03, is amended by adding a subdivision to read:

Subd. 6. *Inflation adjustment.* In 2015 and thereafter, the amount paid under subdivision 2a shall be multiplied by an amount equal to one plus the sum of (1) the percentage increase in the implicit price deflator for government expenditures and gross investment for state and local government purchases as prepared by the United States Department of Commerce, for the 12-month period ending March 31 of the previous calendar year, and (2) the percentage increase in total city population for the most recently available years as of January 15 of the current year. The percentage increase in this subdivision shall not be greater than five percent.

EFFECTIVE DATE. This section is effective for aids payable in calendar year 2015 and thereafter.

Sec. 8. [477A.18] *PRODUCTION PROPERTY TRANSITION AID.*

Subdivision 1. *Definitions.* (a) When used in this section, the following terms have the meanings indicated in this subdivision.

(b) "Local unit" means a home rule charter or statutory city, or a town.

(c) "Net tax capacity differential" means the positive difference, if any, by which the local unit’s net tax capacity was reduced from assessment year 2014 to assessment year 2015 due to the change in the definition of real property in section 272.03, subdivision 1, enacted by article 2, section 1, of this act. For purposes of determining the net tax capacity...
differential, any property in a job opportunity building zone under section 469.314 may
not be included when calculating a local unit's net tax capacity.

Subd. 2. Aid eligibility; payment. (a) If the net tax capacity differential of the local
unit exceeds five percent of its 2015 net tax capacity, the local unit is eligible for transition
aid computed under paragraphs (b) to (f).

(b) For aids payable in 2016, transition aid under this section for an eligible local
unit equals (1) the net tax capacity differential, times (2) the jurisdiction's tax rate for
taxes payable in 2015.

(c) For aids payable in 2017, transition aid under this section for an eligible local
unit equals 80 percent of (1) the net tax capacity differential, times (2) the jurisdiction's
tax rate for taxes payable in 2016.

(d) For aids payable in 2018, transition aid under this section for an eligible local
unit equals 60 percent of (1) the net tax capacity differential, times (2) the jurisdiction's
tax rate for taxes payable in 2017.

(e) For aids payable in 2019, transition aid under this section for an eligible local
unit equals 40 percent of (1) the net tax capacity differential, times (2) the jurisdiction's
tax rate for taxes payable in 2018.

(f) For aids payable in 2020, transition aid under this section for an eligible local
unit equals 20 percent of (1) the net tax capacity differential, times (2) the jurisdiction's
tax rate for taxes payable in 2019.

(g) No aids shall be payable under this section in 2021 and thereafter.

(h) The commissioner of revenue shall compute the amount of transition aid payable
to each local unit under this section. On or before August 1 of each year, the commissioner
shall certify the amount of transition aid computed for aids payable in the following year
for each recipient local unit. The commissioner shall pay transition aid to local units
annually at the times provided in section 477A.015.

(i) The commissioner of revenue may require counties to provide any data that the
commissioner deems necessary to administer this section.

Subd. 3. Appropriation. An amount sufficient to pay transition aid under this
section is annually appropriated to the commissioner of revenue from the general fund.

EFFECTIVE DATE. This section is effective beginning with assessment year 2015.

Sec. 9. SUPPLEMENTAL COUNTY PROGRAM AID FOR 2014.

(a) Each county whose certified aid for 2014 under Minnesota Statutes, section
477A.0124, is less than the aid it received under that section in 2013 shall be eligible for
supplemental aid in 2014 equal to the difference between the amount received in 2013
and the amount certified for 2014.

(b) The aid under this section shall be paid in the same manner and at the same time
as the regular aid payments under Minnesota Statutes, section 477A.0124.

(c) The amount necessary to pay supplemental aid under this section is appropriated

the property, excluding the taxes attributable to the house, garage, and surrounding one acre
of land. A supplemental credit must not be paid to any property that has delinquent property
taxes. By August 15, 2014, the county auditor must notify the commissioner of revenue of
the name and address of the property owner of each homestead that received an agricultural

**EFFECTIVE DATE.** This section is effective for refund claims based on taxes payable in 2014 and rent paid in 2013 only.

Sec. 12. **2013 CITY AID PENALTY FORGIVENESS; CITY OF BLUFFTON.**

Notwithstanding Minnesota Statutes, section 477A.017, subdivision 3, the city of Bluffton shall receive the half of its aid payments for calendar years 2011, 2012, and 2013 under Minnesota Statutes, section 477A.013, that were withheld under Minnesota Statutes, section 477A.017, subdivision 3, provided that the state auditor certifies to the commissioner of revenue that it received audited financial statements from the city for calendar years 2010, 2011, and 2012 by December 31, 2013, and for calendar year 2013 by June 30, 2014. The commissioner of revenue shall make a payment of $20,000 with the first payment of aids under Minnesota Statutes, section 477A.015, in calendar year 2014. The commissioner shall pay the remaining amount, totaling $28,151.50, with the first payment of aids under Minnesota Statutes, section 477A.015, in calendar year 2015. $20,000 in fiscal year 2015 and $28,151.50 in fiscal year 2016 are appropriated from the general fund to the commissioner of revenue to make payments under this section.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 13. **ADDITIONAL SUPPLEMENTAL AID REVISION FOR OMITTED 2013 INDEPENDENT NONPROFIT FIREFIGHTING CORPORATIONS.**

(a) Notwithstanding any provision of Minnesota Statutes, chapter 423A, to the contrary, this section modifies the allocation of the police and fire supplemental retirement state aid under Minnesota Statutes 2013 Supplement, section 423A.022, for October 1, 2014.
(b) Before the allocation of the police and fire supplemental retirement state aid is made for October 1, 2014, the commissioner of revenue shall:

(1) determine those fire departments that qualified for fire state aid under Minnesota Statutes 2012, section 69.021, subdivision 7, on October 1, 2013, did not receive a 2013 allocation of police and fire supplemental retirement state aid, and were an independent nonprofit firefighting corporation; and

(2) determine the amount of police and fire supplemental retirement state aid under Minnesota Statutes 2013 Supplement, section 423A.022, that the fire departments described in clause (1) would have received on October 1, 2013, if the fire departments had been included in that allocation.

(c) The total amount determined in paragraph (b), clause (2), must be deducted from the amount available for allocation under Minnesota Statutes 2013 Supplement, section 423A.022, subdivision 2, clause (2), and the commissioner of revenue shall pay to the fire departments determined in paragraph (b), clause (1), their respective portion of the total as an additional payment on October 1, 2014.

(d) The remaining amount after the deduction of the total amount under paragraph (c) must be allocated as provided in section 1.

ARTICLE 2

PROPERTY TAXES

Section 1. Minnesota Statutes 2012, section 272.02, subdivision 10, is amended to read:

Subd. 10. **Personal property used for pollution control.** Personal property used primarily for the abatement and control of air, water, or land pollution is exempt to the extent that it is so used, and real property is exempt if it is used primarily for abatement and control of air, water, or land pollution as part of an agricultural operation, as a part of a centralized treatment and recovery facility operating under a permit issued by the Minnesota Pollution Control Agency pursuant to chapters 115 and 116 and Minnesota Rules, parts 7001.0500 to 7001.0730, and 7045.0020 to 7045.1260, as a wastewater treatment facility and for the treatment, recovery, and stabilization of metals, oils, chemicals, water, sludges, or inorganic materials from hazardous industrial wastes, or as part of an electric generation system. For purposes of this subdivision, personal property includes ponderous machinery and equipment used in a business or production activity that at common law is considered real property.

Any taxpayer requesting exemption of all or a portion of any real property or any equipment or device, or part thereof, operated primarily for the control or abatement of air, water, or land pollution shall file an application with the commissioner of revenue. If the
property is an electric power generation facility located in a city, then the commissioner shall notify the county assessor and city finance officer of the jurisdictions that host the facility that the application has been received. The Minnesota Pollution Control Agency shall upon request of the commissioner furnish information and advice to the commissioner. The information and advice furnished by the Minnesota Pollution Control Agency must include statements as to whether the equipment, device, or real property meets a standard, rule, criteria, guideline, policy, or order of the Minnesota Pollution Control Agency, and whether the equipment, device, or real property is installed or operated in accordance with it. On determining that property qualifies for exemption, the commissioner shall issue an order exempting the property from taxation. If the property is an electric power generation facility located in a city, then the commissioner shall provide notification of the order to the county assessor and city finance officer of the jurisdictions that host the facility. The equipment, device, or real property shall continue to be exempt from taxation as long as the order issued by the commissioner remains in effect.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 2. Minnesota Statutes 2012, section 272.02, subdivision 24, is amended to read:

Subd. 24. **Electric power photovoltaic devices Solar energy-generating systems.** Photovoltaic devices. Personal property consisting of solar energy-generating systems, as defined in section 216C.06, subdivision 16, 272.0295, installed after January 1, 1992, and used to produce or store electric power are is exempt. The value of the real property on which the solar energy-generating system is located shall be valued in the same manner as similar real property that has not been improved with a solar energy-generating system. The real property shall be classified based on the most probable use of the property if it was not improved with a solar energy-generating system.

**EFFECTIVE DATE.** This section is effective beginning with taxes payable in 2015.

Sec. 3. Minnesota Statutes 2012, section 272.0211, subdivision 1, is amended to read:

Subdivision 1. **Efficiency determination and certification.** An owner or operator of a new or existing electric power generation facility, excluding wind energy conversion systems, may apply to the commissioner of revenue for a market value exclusion on the property as provided for in this section. This exclusion shall apply only to the market value of the equipment of the facility, and shall not apply to the structures and the land upon which the facility is located. The commissioner of revenue shall prescribe the forms and procedures for this application. Upon receiving the application, the commissioner of
revenue shall: (1) request the commissioner of commerce to make a determination of the
efficiency of the applicant's electric power generation facility; and (2), if the facility is
in a city, notify the county assessor and city finance officer of the jurisdictions that host
the facility that an application for an exclusion is being processed. The commissioner
of commerce shall calculate efficiency as the ratio of useful energy outputs to energy
inputs, expressed as a percentage, based on the performance of the facility's equipment
during normal full load operation. The commissioner must include in this formula the
energy used in any on-site preparation of materials necessary to convert the materials
into the fuel used to generate electricity, such as a process to gasify petroleum coke.
The commissioner shall use the Higher Heating Value (HHV) for all substances in the
commissioner's efficiency calculations, except for wood for fuel in a biomass-eligible
project under section 216B.2424; for these instances, the commissioner shall adjust the
heating value to allow for energy consumed for evaporation of the moisture in the wood.
The applicant shall provide the commissioner of commerce with whatever information the
commissioner deems necessary to make the determination. Within 30 days of the receipt
of the necessary information, the commissioner of commerce shall certify the findings of
the efficiency determination to the commissioner of revenue and to the applicant. The
commissioner of commerce shall determine the efficiency of the facility and certify the
findings of that determination to the commissioner of revenue every two years thereafter
from the date of the original certification.

EFFECTIVE DATE. This section is effective beginning with assessment year 2014.

Sec. 4. Minnesota Statutes 2012, section 272.0211, subdivision 2, is amended to read:

Subd. 2. Sliding scale exclusion. Based upon the efficiency determination provided
by the commissioner of commerce as described in subdivision 1, the commissioner of
revenue shall subtract eight percent of the taxable market value of the qualifying property
for each percentage point that the efficiency of the specific facility, as determined by the
commissioner of commerce, is above 40 percent. The reduction in taxable market value
shall be reflected in the taxable market value of the facility beginning with the assessment
year immediately following the determination. For a facility that is assessed by the county
in which the facility is located, the commissioner of revenue shall certify to the assessor
of that county and, if located in a city, the finance officer of that city the percentage of the
taxable market value of the facility to be excluded.

EFFECTIVE DATE. This section is effective beginning with assessment year 2014.
Sec. 5. [272.0295] SOLAR ENERGY PRODUCTION TAX.

Subdivision 1. Production tax. A tax is imposed on the production of electricity from a solar energy-generating system used as an electric power source.

Subd. 2. Definitions. (a) For the purposes of this section, the term "solar energy-generating system" means a set of devices whose primary purpose is to produce electricity by means of any combination of collecting, transferring, or converting solar-generated energy.

(b) The total size of a solar energy-generating system under this subdivision shall be determined according to this paragraph. Unless the systems are interconnected with different distribution systems, the nameplate capacity of a solar energy-generating system shall be combined with the nameplate capacity of any other solar energy-generating system that is:

1. constructed within the same 12-month period as the solar energy-generating system; and
2. exhibits characteristics of being a single development, including but not limited to ownership structure, an umbrella sales arrangement, shared interconnection, revenue-sharing arrangements, and common debt or equity financing.

In the case of a dispute, the commissioner of commerce shall determine the total size of the system and shall draw all reasonable inferences in favor of combining the systems.

(c) In making a determination under paragraph (b), the commissioner of commerce may determine that two solar energy-generating systems are under common ownership when the underlying ownership structure contains similar persons or entities, even if the ownership shares differ between the two systems. Solar energy-generating systems are not under common ownership solely because the same person or entity provided equity financing for the systems.

Subd. 3. Rate of tax. (a) For a solar energy-generating system with a capacity exceeding one megawatt alternating current, the tax is $1.20 per megawatt-hour.

(b) A solar energy-generating system with a capacity of one megawatt alternating current or less is exempt from the tax imposed under this section.

Subd. 4. Reports. An owner of a solar energy-generating system subject to tax under this section shall file a report with the commissioner of revenue annually on or before January 15 detailing the amount of electricity in megawatt-hours that was produced by the system in the previous calendar year. The commissioner shall prescribe the form of the report. The report must contain the information required by the commissioner to determine the tax due to each county under this section for the current year. If an owner of a solar energy-generating system subject to taxation under this section fails to file the
report by the due date, the commissioner of revenue shall determine the tax based upon the nameplate capacity of the system multiplied by a capacity factor of 30 percent.

Subd. 5. Notification of tax. (a) On or before February 28, the commissioner of revenue shall notify the owner of each solar energy-generating system of the tax due to each county for the current year and shall certify to the county auditor of each county in which the system is located the tax due from each owner for the current year.

(b) If the commissioner of revenue determines that the amount of production tax has been erroneously calculated, the commissioner may correct the error. The commissioner must notify the owner of the solar energy-generating system of the correction and the amount of tax due to each county and must certify the correction to the county auditor of each county in which the system is located on or before April 1 of the current year.

Subd. 6. Payment of tax; collection. The amount of production tax determined under subdivision 5 must be paid to the county treasurer at the time and in the manner provided for payment of property taxes under section 277.01, subdivision 3, and, if unpaid, is subject to the same enforcement, collection, and interest and penalties as delinquent personal property taxes. Except to the extent inconsistent with this section, the provisions of sections 277.01 to 277.24 and 278.01 to 278.14 apply to the taxes imposed under this section, and for purposes of those provisions, the taxes imposed under this section are considered personal property taxes.

Subd. 7. Distribution of revenues. Revenues from the taxes imposed under this section must be part of the settlement between the county treasurer and the county auditor under section 276.09. The revenue must be distributed by the county auditor or the county treasurer to local taxing jurisdictions in which the solar energy-generating system is located as follows: 80 percent to counties; and 20 percent to cities and townships.

EFFECTIVE DATE. This section is effective beginning with taxes payable in 2015.

Sec. 6. Minnesota Statutes 2012, section 272.03, subdivision 1, is amended to read:

Subdivision 1. Real property. (a) For the purposes of taxation, "real property" includes the land itself, rails, ties, and other track materials annexed to the land, and all buildings, structures, and improvements or other fixtures on it, bridges of bridge companies, and all rights and privileges belonging or appertaining to the land, and all mines, iron ore and taconite minerals not otherwise exempt, quarries, fossils, and trees on or under it.

(b) A building or structure shall include the building or structure itself, together with all improvements or fixtures annexed to the building or structure, which are integrated with and of permanent benefit to the building or structure, regardless of the present use
of the building, and which cannot be removed without substantial damage to itself or to
the building or structure.

(c)(i) Real property does not include tools, implements, machinery, and equipment
attached to or installed in real property for use in the business or production activity
conducted thereon, regardless of size, weight or method of attachment, and mine shafts,
tunnels, and other underground openings used to extract ores and minerals taxed under
chapter 298 together with steel, concrete, and other materials used to support such openings.

(ii) The exclusion provided in clause (i) shall not apply to machinery and equipment
includable as real estate by paragraphs (a) and (b) even though such machinery and
equipment is used in the business or production activity conducted on the real property if
and to the extent such business or production activity consists of furnishing services or
products to other buildings or structures which are subject to taxation under this chapter.

(iii) The exclusion provided in clause (i) does not apply to the exterior shell of a
structure which constitutes walls, ceilings, roofs, or floors if the shell of the structure has
structural, insulation, or temperature control functions or provides protection from the
elements, unless the structure is primarily used in the production of biofuels, wine, beer,
distilled beverages, or dairy products. Such an exterior shell is included in the definition
of real property even if it also has special functions distinct from that of a building, or if
such an exterior shell is primarily used for the storage of ingredients or materials used in
the production of biofuels, wine, beer, distilled beverages, or dairy products, or for the
storage of finished biofuels, wine, beer, distilled beverages, or dairy products.

(d) The term real property does not include tools, implements, machinery,
equipment, poles, lines, cables, wires, conduit, and station connections which are part of a
telephone communications system, regardless of attachment to or installation in real
property and regardless of size, weight, or method of attachment or installation.

**EFFECTIVE DATE.** This section is effective beginning with assessment year 2015.

Sec. 7. Minnesota Statutes 2012, section 273.13, subdivision 22, is amended to read:

Subd. 22. **Class 1.** (a) Except as provided in subdivision 23 and in paragraphs (b)
and (c), real estate which is residential and used for homestead purposes is class 1a. In the
case of a duplex or triplex in which one of the units is used for homestead purposes, the
entire property is deemed to be used for homestead purposes. The market value of class 1a
property must be determined based upon the value of the house, garage, and land.

The first $500,000 of market value of class 1a property has a net class rate of
one percent of its market value; and the market value of class 1a property that exceeds
$500,000 has a class rate of 1.25 percent of its market value.
(b) Class 1b property includes homestead real estate or homestead manufactured homes used for the purposes of a homestead by:

(1) any person who is blind as defined in section 256D.35, or the blind person and the blind person's spouse;
(2) any person who is permanently and totally disabled or by the disabled person and the disabled person's spouse; or
(3) the surviving spouse of a permanently and totally disabled veteran homesteading a property classified under this paragraph for taxes payable in 2008.

Property is classified and assessed under clause (2) only if the government agency or income-providing source certifies, upon the request of the homestead occupant, that the homestead occupant satisfies the disability requirements of this paragraph, and that the property is not eligible for the valuation exclusion under subdivision 34.

Property is classified and assessed under paragraph (b) only if the commissioner of revenue or the county assessor certifies that the homestead occupant satisfies the requirements of this paragraph.

Permanently and totally disabled for the purpose of this subdivision means a condition which is permanent in nature and totally incapacitates the person from working at an occupation which brings the person an income. The first $50,000 market value of class 1b property has a net class rate of .45 percent of its market value. The remaining market value of class 1b property has a class rate using the rates for class 1a or class 2a property, whichever is appropriate, of similar market value.

(c) Class 1c property is commercial use real and personal property that abuts public water as defined in section 103G.005, subdivision 15, and is devoted to temporary and seasonal residential occupancy for recreational purposes but not devoted to commercial purposes for more than 250 days in the year preceding the year of assessment, and that includes a portion used as a homestead by the owner, which includes a dwelling occupied as a homestead by a shareholder of a corporation that owns the resort, a partner in a partnership that owns the resort, or a member of a limited liability company that owns the resort even if the title to the homestead is held by the corporation, partnership, or limited liability company. For purposes of this paragraph, property is devoted to a commercial purpose on a specific day if any portion of the property, excluding the portion used exclusively as a homestead, is used for residential occupancy and a fee is charged for residential occupancy. Class 1c property must contain three or more rental units. A "rental unit" is defined as a cabin, condominium, townhouse, sleeping room, or individual camping site equipped with water and electrical hookups for recreational vehicles. Class 1c property must provide recreational activities such as the rental of ice fishing houses,
boats and motors, snowmobiles, downhill or cross-country ski equipment; provide marina services, launch services, or guide services; or sell bait and fishing tackle. Any unit in which the right to use the property is transferred to an individual or entity by deed interest, or the sale of shares or stock, no longer qualifies for class 1c even though it may remain available for rent. A camping pad offered for rent by a property that otherwise qualifies for class 1c is also class 1c, regardless of the term of the rental agreement, as long as the use of the camping pad does not exceed 250 days. If the same owner owns two separate parcels that are located in the same township, and one of those properties is classified as a class 1c property and the other would be eligible to be classified as a class 1c property if it was used as the homestead of the owner, both properties will be assessed as a single class 1c property; for purposes of this sentence, properties are deemed to be owned by the same owner if each of them is owned by a limited liability company, and both limited liability companies have the same membership. The portion of the property used as a homestead is class 1a property under paragraph (a). The remainder of the property is classified as follows: the first $600,000 of market value is tier I, the next $1,700,000 of market value is tier II, and any remaining market value is tier III. The class rates for class 1c are: tier I, 0.50 percent; tier II, 1.0 percent; and tier III, 1.25 percent. Owners of real and personal property devoted to temporary and seasonal residential occupancy for recreation purposes in which all or a portion of the property was devoted to commercial purposes for not more than 250 days in the year preceding the year of assessment desiring classification as class 1c, must submit a declaration to the assessor designating the cabins or units occupied for 250 days or less in the year preceding the year of assessment by January 15 of the assessment year. Those cabins or units and a proportionate share of the land on which they are located must be designated as class 1c as otherwise provided. The remainder of the cabins or units and a proportionate share of the land on which they are located must be designated as class 3a commercial. The owner of property desiring designation as class 1c property must provide guest registers or other records demonstrating that the units for which class 1c designation is sought were not occupied for more than 250 days in the year preceding the assessment if so requested. The portion of a property operated as a 
(1) restaurant, (2) bar, (3) gift shop, (4) conference center or meeting room, and (5) other nonresidential facility operated on a commercial basis not directly related to temporary and seasonal residential occupancy for recreation purposes does not qualify for class 1c. 
(d) Class 1d property includes structures that meet all of the following criteria: 
(1) the structure is located on property that is classified as agricultural property under section 273.12, subdivision 22;
(2) the structure is occupied exclusively by seasonal farm workers during the time when they work on that farm, and the occupants are not charged rent for the privilege of occupying the property, provided that use of the structure for storage of farm equipment and produce does not disqualify the property from classification under this paragraph;

(3) the structure meets all applicable health and safety requirements for the appropriate season; and

(4) the structure is not salable as residential property because it does not comply with local ordinances relating to location in relation to streets or roads.

The market value of class 1d property has the same class rates as class 1a property under paragraph (a).

EFFECTIVE DATE. This section is effective beginning with taxes payable in 2016 and thereafter.

Sec. 8. Minnesota Statutes 2013 Supplement, section 273.13, subdivision 23, is amended to read:

Subd. 23. Class 2. (a) An agricultural homestead consists of class 2a agricultural land that is homesteaded, along with any class 2b rural vacant land that is contiguous to the class 2a land under the same ownership. The market value of the house and garage and immediately surrounding one acre of land has the same class rates as class 1a or 1b property under subdivision 22. The value of the remaining land including improvements up to the first tier valuation limit of agricultural homestead property has a net class rate of 0.5 percent of market value. The remaining property over the first tier has a class rate of one percent of market value. For purposes of this subdivision, the "first tier valuation limit of agricultural homestead property" and "first tier" means the limit certified under section 273.11, subdivision 23.

(b) Class 2a agricultural land consists of parcels of property, or portions thereof, that are agricultural land and buildings. Class 2a property has a net class rate of one percent of market value, unless it is part of an agricultural homestead under paragraph (a). Class 2a property must also include any property that would otherwise be classified as 2b, but is interspersed with class 2a property, including but not limited to sloughs, wooded wind shelters, acreage abutting ditches, ravines, rock piles, land subject to a setback requirement, and other similar land that is impractical for the assessor to value separately from the rest of the property or that is unlikely to be able to be sold separately from the rest of the property.

An assessor may classify the part of a parcel described in this subdivision that is used for agricultural purposes as class 2a and the remainder in the class appropriate to its use.
(c) Class 2b rural vacant land consists of parcels of property, or portions thereof, that are unplatted real estate, rural in character and not used for agricultural purposes, including land used for growing trees for timber, lumber, and wood and wood products, that is not improved with a structure. The presence of a minor, ancillary nonresidential structure as defined by the commissioner of revenue does not disqualify the property from classification under this paragraph. Any parcel of 20 acres or more improved with a structure that is not a minor, ancillary nonresidential structure must be split-classified, and ten acres must be assigned to the split parcel containing the structure. Class 2b property has a net class rate of one percent of market value unless it is part of an agricultural homestead under paragraph (a), or qualifies as class 2c under paragraph (d).

(d) Class 2c managed forest land consists of no less than 20 and no more than 1,920 acres statewide per taxpayer that is being managed under a forest management plan that meets the requirements of chapter 290C, but is not enrolled in the sustainable forest resource management incentive program. It has a class rate of .65 percent, provided that the owner of the property must apply to the assessor in order for the property to initially qualify for the reduced rate and provide the information required by the assessor to verify that the property qualifies for the reduced rate. If the assessor receives the application and information before May 1 in an assessment year, the property qualifies beginning with that assessment year. If the assessor receives the application and information after April 30 in an assessment year, the property may not qualify until the next assessment year. The commissioner of natural resources must concur that the land is qualified. The commissioner of natural resources shall annually provide county assessors verification information on a timely basis. The presence of a minor, ancillary nonresidential structure as defined by the commissioner of revenue does not disqualify the property from classification under this paragraph.

(e) Agricultural land as used in this section means:

1. contiguous acreage of ten acres or more, used during the preceding year for agricultural purposes; or

2. contiguous acreage used during the preceding year for an intensive livestock or poultry confinement operation, provided that land used only for pasturing or grazing does not qualify under this clause.

"Agricultural purposes" as used in this section means the raising, cultivation, drying, or storage of agricultural products for sale, or the storage of machinery or equipment used in support of agricultural production by the same farm entity. For a property to be classified as agricultural based only on the drying or storage of agricultural products, the products being dried or stored must have been produced by the same farm entity as
the entity operating the drying or storage facility. "Agricultural purposes" also includes
enrollment in the Reinvest in Minnesota program under sections 103F.501 to 103F.535
or the federal Conservation Reserve Program as contained in Public Law 99-198 or a
similar state or federal conservation program if the property was classified as agricultural
(i) under this subdivision for taxes payable in 2003 because of its enrollment in a
qualifying program and the land remains enrolled or (ii) in the year prior to its enrollment.
Agricultural classification shall not be based upon the market value of any residential
structures on the parcel or contiguous parcels under the same ownership.
"Contiguous acreage," for purposes of this paragraph, means all of, or a contiguous
portion of, a tax parcel as described in section 272.193, or all of, or a contiguous portion
of, a set of contiguous tax parcels under that section that are owned by the same person.
(f) Agricultural land under this section also includes:
(1) contiguous acreage that is less than ten acres in size and exclusively used in the
preceding year for raising or cultivating agricultural products; or
(2) contiguous acreage that contains a residence and is less than 11 acres in size, if
the contiguous acreage exclusive of the house, garage, and surrounding one acre of land
was used in the preceding year for one or more of the following three uses:
(i) for an intensive grain drying or storage operation, or for intensive machinery or
equipment storage activities used to support agricultural activities on other parcels of
property operated by the same farming entity;
(ii) as a nursery, provided that only those acres used intensively to produce nursery
stock are considered agricultural land; or
(iii) for intensive market farming; for purposes of this paragraph, "market farming"
means the cultivation of one or more fruits or vegetables or production of animal or other
agricultural products for sale to local markets by the farmer or an organization with which
the farmer is affiliated.
"Contiguous acreage," for purposes of this paragraph, means all of a tax parcel as
described in section 272.193, or all of a set of contiguous tax parcels under that section
that are owned by the same person.
(g) Land shall be classified as agricultural even if all or a portion of the agricultural
use of that property is the leasing to, or use by another person for agricultural purposes.
Classification under this subdivision is not determinative for qualifying under
section 273.111.
(h) The property classification under this section supersedes, for property tax
purposes only, any locally administered agricultural policies or land use restrictions that
define minimum or maximum farm acreage.
(i) The term "agricultural products" as used in this subdivision includes production for sale of:

(1) livestock, dairy animals, dairy products, poultry and poultry products, fur-bearing animals, horticultural and nursery stock, fruit of all kinds, vegetables, forage, grains, bees, and apiary products by the owner;

(2) fish bred for sale and consumption if the fish breeding occurs on land zoned for agricultural use;

(3) the commercial boarding of horses, which may include related horse training and riding instruction, if the boarding is done on property that is also used for raising pasture to graze horses or raising or cultivating other agricultural products as defined in clause (1);

(4) property which is owned and operated by nonprofit organizations used for equestrian activities, excluding racing;

(5) game birds and waterfowl bred and raised (i) on a game farm licensed under section 97A.105, provided that the annual licensing report to the Department of Natural Resources, which must be submitted annually by March 30 to the assessor, indicates that at least 500 birds were raised or used for breeding stock on the property during the preceding year and that the owner provides a copy of the owner's most recent schedule F; or (ii) for use on a shooting preserve licensed under section 97A.115;

(6) insects primarily bred to be used as food for animals;

(7) trees, grown for sale as a crop, including short rotation woody crops, and not sold for timber, lumber, wood, or wood products; and

(8) maple syrup taken from trees grown by a person licensed by the Minnesota Department of Agriculture under chapter 28A as a food processor.

(j) If a parcel used for agricultural purposes is also used for commercial or industrial purposes, including but not limited to:

(1) wholesale and retail sales;

(2) processing of raw agricultural products or other goods;

(3) warehousing or storage of processed goods; and

(4) office facilities for the support of the activities enumerated in clauses (1), (2), and (3),

the assessor shall classify the part of the parcel used for agricultural purposes as class 1b, 2a, or 2b, whichever is appropriate, and the remainder in the class appropriate to its use. The grading, sorting, and packaging of raw agricultural products for first sale is considered an agricultural purpose. A greenhouse or other building where horticultural or nursery products are grown that is also used for the conduct of retail sales must be classified as agricultural if it is primarily used for the growing of horticultural or nursery...
products from seed, cuttings, or roots and occasionally as a showroom for the retail sale of
those products. Use of a greenhouse or building only for the display of already grown
horticultural or nursery products does not qualify as an agricultural purpose.

(k) The assessor shall determine and list separately on the records the market value
of the homestead dwelling and the one acre of land on which that dwelling is located. If
any farm buildings or structures are located on this homesteaded acre of land, their market
value shall not be included in this separate determination.

(i) Class 2d airport landing area consists of a landing area or public access area of
a privately owned public use airport. It has a class rate of one percent of market value.
To qualify for classification under this paragraph, a privately owned public use airport
must be licensed as a public airport under section 360.018. For purposes of this paragraph,
"landing area" means that part of a privately owned public use airport properly cleared,
regularly maintained, and made available to the public for use by aircraft and includes
runways, taxiways, aprons, and sites upon which are situated landing or navigational aids.
A landing area also includes land underlying both the primary surface and the approach
surfaces that comply with all of the following:

(i) the land is properly cleared and regularly maintained for the primary purposes of
the landing, taking off, and taxiing of aircraft; but that portion of the land that contains
facilities for servicing, repair, or maintenance of aircraft is not included as a landing area;

(ii) the land is part of the airport property; and

(iii) the land is not used for commercial or residential purposes:

The land contained in a landing area under this paragraph must be described and certified
by the commissioner of transportation. The certification is effective until it is modified,
or until the airport or landing area no longer meets the requirements of this paragraph.
For purposes of this paragraph, "public access area" means property used as an aircraft
parking ramp, apron, or storage hangar, or an arrival and departure building in connection
with the airport.

(m) Class 2e consists of land with a commercial aggregate deposit that is not actively
being mined and is not otherwise classified as class 2a or 2b, provided that the land is not
located in a county that has elected to opt-out of the aggregate preservation program as
provided in section 273.1115, subdivision 6. It has a class rate of one percent of market
value. To qualify for classification under this paragraph, the property must be at least
ten contiguous acres in size and the owner of the property must record with the county
recorder of the county in which the property is located an affidavit containing:

(1) a legal description of the property;
(2) A disclosure that the property contains a commercial aggregate deposit that is not actively being mined but is present on the entire parcel enrolled;

(3) Documentation that the conditional use under the county or local zoning ordinance of this property is for mining; and

(4) Documentation that a permit has been issued by the local unit of government or the mining activity is allowed under local ordinance. The disclosure must include a statement from a registered professional geologist, engineer, or soil scientist delineating the deposit and certifying that it is a commercial aggregate deposit.

For purposes of this section and section 273.1115, "commercial aggregate deposit" means a deposit that will yield crushed stone or sand and gravel that is suitable for use as a construction aggregate; and "actively mined" means the removal of top soil and overburden in preparation for excavation or excavation of a commercial deposit.

(n) When any portion of the property under this subdivision or subdivision 22 begins to be actively mined, the owner must file a supplemental affidavit within 60 days from the day any aggregate is removed stating the number of acres of the property that is actively being mined. The acres actively being mined must be (1) valued and classified under subdivision 24 in the next subsequent assessment year, and (2) removed from the aggregate resource preservation property tax program under section 273.1115, if the land was enrolled in that program. Copies of the original affidavit and all supplemental affidavits must be filed with the county assessor, the local zoning administrator, and the Department of Natural Resources, Division of Land and Minerals. A supplemental affidavit must be filed each time a subsequent portion of the property is actively mined, provided that the minimum acreage change is five acres, even if the actual mining activity constitutes less than five acres.

(o) (l) The definitions prescribed by the commissioner under paragraphs (c) and (d) are not rules and are exempt from the rulemaking provisions of chapter 14, and the provisions in section 14.386 concerning exempt rules do not apply.

**EFFECTIVE DATE.** This section is effective beginning with taxes payable in 2016 and thereafter.
than hospitals exempt under section 272.02, and contiguous property used for hospital purposes, without regard to whether the property has been platted or subdivided. The market value of class 4a property has a class rate of 1.25 percent.

(b) Class 4b includes:

(1) residential real estate containing less than four units, including property on a nonhomestead farm, that does not qualify as class 4bb, other than seasonal residential recreational property;

(2) manufactured homes not classified under any other provision; and

(3) a dwelling, garage, and surrounding one acre of property on a nonhomestead farm classified under subdivision 23, paragraph (b) containing two or three units; and

(4) unimproved property that is classified residential as determined under subdivision 33.

The market value of class 4b property has a class rate of 1.25 percent.

(c) Class 4bb includes nonhomestead residential real estate containing one unit, other than seasonal residential recreational property, and a single family dwelling, garage, and surrounding one acre of property on a nonhomestead farm classified under subdivision 23, paragraph (b).

Class 4bb property has the same class rates as class 1a property under subdivision 22. Property that has been classified as seasonal residential recreational property at any time during which it has been owned by the current owner or spouse of the current owner does not qualify for class 4bb.

(d) Class 4c property includes:

(1) except as provided in subdivision 22, paragraph (c), real and personal property devoted to commercial temporary and seasonal residential occupancy for recreation purposes, for not more than 250 days in the year preceding the year of assessment. For purposes of this clause, property is devoted to a commercial purpose on a specific day if any portion of the property is used for residential occupancy, and a fee is charged for residential occupancy. Class 4c property under this clause must contain three or more rental units. A “rental unit” is defined as a cabin, condominium, townhouse, sleeping room, or individual camping site equipped with water and electrical hookups for recreational vehicles. A camping pad offered for rent by a property that otherwise qualifies for class 4c under this clause is also class 4c under this clause regardless of the term of the rental agreement, as long as the use of the camping pad does not exceed 250 days. In order for a property to be classified under this clause, either (i) the business located on the property must provide recreational activities, at least 40 percent of the annual gross lodging receipts related to the property must be from business conducted during 90 consecutive days,
and either (A) at least 60 percent of all paid bookings by lodging guests during the year
must be for periods of at least two consecutive nights; or (B) at least 20 percent of the
annual gross receipts must be from charges for providing recreational activities, or (ii) the
business must contain 20 or fewer rental units, and must be located in a township or a city
with a population of 2,500 or less located outside the metropolitan area, as defined under
section 473.121, subdivision 2, that contains a portion of a state trail administered by the
Department of Natural Resources. For purposes of item (i)(A), a paid booking of five or
more nights shall be counted as two bookings. Class 4c property also includes commercial
use real property used exclusively for recreational purposes in conjunction with other class
4c property classified under this clause and devoted to temporary and seasonal residential
occupancy for recreational purposes, up to a total of two acres, provided the property is
not devoted to commercial recreational use for more than 250 days in the year preceding
the year of assessment and is located within two miles of the class 4c property with which
it is used. In order for a property to qualify for classification under this clause, the owner
must submit a declaration to the assessor designating the cabins or units occupied for 250
days or less in the year preceding the year of assessment by January 15 of the assessment
year. Those cabins or units and a proportionate share of the land on which they are located
must be designated class 4c under this clause as otherwise provided. The remainder of the
cabins or units and a proportionate share of the land on which they are located will be
designated as class 3a. The owner of property desiring designation as class 4c property
under this clause must provide guest registers or other records demonstrating that the units
for which class 4c designation is sought were not occupied for more than 250 days in the
year preceding the assessment if so requested. The portion of a property operated as a
(1) restaurant, (2) bar, (3) gift shop, (4) conference center or meeting room, and (5) other
nonresidential facility operated on a commercial basis not directly related to temporary and
seasonal residential occupancy for recreation purposes does not qualify for class 4c. For
the purposes of this paragraph, "recreational activities" means renting ice fishing houses,
boats and motors, snowmobiles, downhill or cross-country ski equipment; providing
marina services, launch services, or guide services; or selling bait and fishing tackle;
(2) qualified property used as a golf course if:
(i) it is open to the public on a daily fee basis. It may charge membership fees or
dues, but a membership fee may not be required in order to use the property for golfing,
and its green fees for golfing must be comparable to green fees typically charged by
municipal courses; and
(ii) it meets the requirements of section 273.112, subdivision 3, paragraph (d).
A structure used as a clubhouse, restaurant, or place of refreshment in conjunction with the golf course is classified as class 3a property;

(3) real property up to a maximum of three acres of land owned and used by a nonprofit community service oriented organization and not used for residential purposes on either a temporary or permanent basis, provided that:

(i) the property is not used for a revenue-producing activity for more than six days in the calendar year preceding the year of assessment; or

(ii) the organization makes annual charitable contributions and donations at least equal to the property's previous year's property taxes and the property is allowed to be used for public and community meetings or events for no charge, as appropriate to the size of the facility.

For purposes of this clause:

(A) "charitable contributions and donations" has the same meaning as lawful gambling purposes under section 349.12, subdivision 25, excluding those purposes relating to the payment of taxes, assessments, fees, auditing costs, and utility payments;

(B) "property taxes" excludes the state general tax;

(C) a "nonprofit community service oriented organization" means any corporation, society, association, foundation, or institution organized and operated exclusively for charitable, religious, fraternal, civic, or educational purposes, and which is exempt from federal income taxation pursuant to section 501(c)(3), (8), (10), or (19) of the Internal Revenue Code; and

(D) "revenue-producing activities" shall include but not be limited to property or that portion of the property that is used as an on-sale intoxicating liquor or 3.2 percent malt liquor establishment licensed under chapter 340A, a restaurant open to the public, bowling alley, a retail store, gambling conducted by organizations licensed under chapter 349, an insurance business, or office or other space leased or rented to a lessee who conducts a for-profit enterprise on the premises.

Any portion of the property not qualifying under either item (i) or (ii) is class 3a. The use of the property for social events open exclusively to members and their guests for periods of less than 24 hours, when an admission is not charged nor any revenues are received by the organization shall not be considered a revenue-producing activity.

The organization shall maintain records of its charitable contributions and donations and of public meetings and events held on the property and make them available upon request any time to the assessor to ensure eligibility. An organization meeting the requirement under item (ii) must file an application by May 1 with the assessor for
eligibility for the current year's assessment. The commissioner shall prescribe a uniform
application form and instructions;

(4) postsecondary student housing of not more than one acre of land that is owned by
a nonprofit corporation organized under chapter 317A and is used exclusively by a student
cooperative, sorority, or fraternity for on-campus housing or housing located within two
miles of the border of a college campus;

(5)(i) manufactured home parks as defined in section 327.14, subdivision 3,
excluding manufactured home parks described in section 273.124, subdivision 3a, and (ii)
manufactured home parks as defined in section 327.14, subdivision 3, that are described in
section 273.124, subdivision 3a;

(6) real property that is actively and exclusively devoted to indoor fitness, health,
social, recreational, and related uses, is owned and operated by a not-for-profit corporation,
and is located within the metropolitan area as defined in section 473.121, subdivision 2; and

(7) a leased or privately owned noncommercial aircraft storage hangar not exempt
under section 272.01, subdivision 2, and the land on which it is located, provided that:

(i) the land is on an airport owned or operated by a city, town, county, Metropolitan
Airports Commission, or group thereof; and

(ii) the land lease, or any ordinance or signed agreement restricting the use of the
leased premise, prohibits commercial activity performed at the hangar.

If a hangar classified under this clause is sold after June 30, 2000, a bill of sale must
be filed by the new owner with the assessor of the county where the property is located
within 60 days of the sale;

(8) a privately owned noncommercial aircraft storage hangar not exempt under
section 272.01, subdivision 2, and the land on which it is located, provided that:

(i) the land abuts a public airport; and

(ii) the owner of the aircraft storage-hangar provides the assessor with a signed
agreement restricting the use of the premises, prohibiting commercial use or activity
performed at the hangar; and

(9) residential real estate, a portion of which is used by the owner for homestead
purposes, and that is also a place of lodging, if all of the following criteria are met:

(i) rooms are provided for rent to transient guests that generally stay for periods
of 14 or fewer days;

(ii) meals are provided to persons who rent rooms, the cost of which is incorporated
in the basic room rate;

(iii) meals are not provided to the general public except for special events on fewer
than seven days in the calendar year preceding the year of the assessment; and

Article 2 Sec. 9.
(iv) the owner is the operator of the property.

The market value subject to the 4e classification under this clause is limited to five rental units. Any rental units on the property in excess of five, must be valued and assessed as class 3a. The portion of the property used for purposes of a homestead-by-the-owner must be classified as class 1a property under subdivision 22;

(10) real property, up to a maximum of three acres and operated as a restaurant as defined under section 157.15, subdivision 12, provided it: (A) is located on a lake as defined under section 103G.005, subdivision 15, paragraph (a), clause (3); and (B) is either devoted to commercial purposes for not more than 250 consecutive days, or receives at least 60 percent of its annual gross receipts from business conducted during four consecutive months. Gross receipts from the sale of alcoholic beverages must be included in determining the property's qualification under subitem (B). The property's primary business must be as a restaurant and not as a bar. Gross receipts from gift shop sales located on the premises must be excluded. Owners of real property desiring 4e classification under this clause must submit an annual declaration to the assessor by February 1 of the current assessment year, based on the property's relevant information for the preceding assessment year;

(11) lakeshore and riparian property and adjacent land, not to exceed six acres, used as a marina, as defined in section 86A.20, subdivision 5, which is made accessible to the public and devoted to recreational use for marina services. The marina owner must annually provide evidence to the assessor that it provides services, including lake or river access to the public by means of an access ramp or other facility that is either located on the property of the marina or at a publicly owned site that abuts the property of the marina. No more than 800 feet of lakeshore may be included in this classification. Buildings used in conjunction with a marina for marina services, including but not limited to buildings used to provide food and beverage services, fuel, boat repairs, or the sale of bait or fishing tackle, are classified as class 3a property; and

(12) (7) real and personal property devoted to noncommercial temporary and seasonal residential occupancy for recreation purposes.

Class 4c property has a class rate of 1.5 percent of market value, except that (i) each parcel of noncommercial seasonal residential recreational property under clause (12) (7) has the same class rates as class 4bb property, (ii) manufactured home parks assessed under clause (5), item (i), have the same class rate as class 4b property, and the market value of manufactured home parks assessed under clause (5), item (ii), has the same class rate as class 4d property a classification rate of 0.75 percent if more than 50 percent of the lots in the park are occupied by shareholders in the cooperative corporation or
association and a class rate of one percent if 50 percent or less of the lots are so occupied,

(iii) commercial-use seasonal residential recreational property and marina recreational

land as described in clause (11), has a class rate of one percent for the first $500,000 of

market value, and 1.25 percent for the remaining market value, (iv) the market value of

property described in clause (4) has a class rate of one percent, and (v) the market value

of property described in clauses (2), (6), and (10) has a class rate of 1.25 percent,

and (vi) that portion of the market value of property in clause (9) qualifying for class 4e

property has a class rate of 1.25 percent.

(e) Class 4d property is qualifying low-income rental housing certified to the assessor

by the Housing Finance Agency under section 273.128, subdivision 3. If only a portion

of the units in the building qualify as low-income rental housing units as certified under

section 273.128, subdivision 3, only the proportion of qualifying units to the total number

of units in the building qualify for class 4d. The remaining portion of the building shall be

classified by the assessor based upon its use. Class 4d also includes the same proportion of

land as the qualifying low-income rental housing units are to the total units in the building.

For all properties qualifying as class 4d, the market value determined by the assessor must

be based on the normal approach to value using normal unrestricted rents.

(f) The first tier of market value of class 4d property has a class rate of 0.75 percent.

The remaining value of class 4d property has a class rate of 0.25 percent. For the purposes

of this paragraph, the "first tier of market value of class 4d property" means the market

value of each housing unit up to the first tier limit. For the purposes of this paragraph, all

class 4d property value must be assigned to individual housing units. The first tier limit is

$100,000 for assessment year 2014. For subsequent years, the limit is adjusted each year

by the average statewide change in estimated market value of property classified as class 4a

and 4d under this section for the previous assessment year, excluding valuation change due

to new construction, rounded to the nearest $1,000, provided, however, that the limit may

never be less than $100,000. Beginning with assessment year 2015, the commissioner of

revenue must certify the limit for each assessment year by November 1 of the previous year.

**EFFECTIVE DATE.** This section is effective beginning with taxes payable in

2016 and thereafter.

Sec. 10. Minnesota Statutes 2012, section 273.13, subdivision 34, is amended to read:

Subd. 34. **Homestead of disabled veteran or family caregiver.** (a) All or a

portion of the market value of property owned by a veteran and serving as the veteran's

homestead under this section is excluded in determining the property's taxable market

value if the veteran has a service-connected disability of 70 percent or more as certified
by the United States Department of Veterans Affairs. To qualify for exclusion under this
subdivision, the veteran must have been honorably discharged from the United States
armed forces, as indicated by United States Government Form DD214 or other official
military discharge papers.

(b)(1) For a disability rating of 70 percent or more, $150,000 of market value is
excluded, except as provided in clause (2); and

(2) for a total (100 percent) and permanent disability, $300,000 of market value is
excluded.

(c) If a disabled veteran qualifying for a valuation exclusion under paragraph (b),
clause (2), predeceases the veteran's spouse, and if upon the death of the veteran the spouse
holds the legal or beneficial title to the homestead and permanently resides there, the
exclusion shall carry over to the benefit of the veteran's spouse for the current taxes payable
year and for five eight additional taxes payable years or until such time as the spouse
remarries, or sells, transfers, or otherwise disposes of the property, whichever comes first.

Qualification under this paragraph requires an annual application under paragraph (h).

(d) If the spouse of a member of any branch or unit of the United States armed
forces who dies due to a service-connected cause while serving honorably in active
service, as indicated on United States Government Form DD1300 or DD2064, holds the
legal or beneficial title to a homestead and permanently resides there, the spouse is entitled
to the benefit described in paragraph (b), clause (2), for five eight taxes payable years,
or until such time as the spouse remarries or sells, transfers, or otherwise disposes of the
property, whichever comes first.

(e) If a veteran meets the disability criteria of paragraph (a) but does not own
property classified as homestead in the state of Minnesota, then the homestead of the
veteran's primary family caregiver, if any, is eligible for the exclusion that the veteran
would otherwise qualify for under paragraph (b).

(f) In the case of an agricultural homestead, only the portion of the property
consisting of the house and garage and immediately surrounding one acre of land qualifies
for the valuation exclusion under this subdivision.

(g) A property qualifying for a valuation exclusion under this subdivision is not
eligible for the market value exclusion under subdivision 35, or classification under
subdivision 22, paragraph (b).

(h) To qualify for a valuation exclusion under this subdivision a property owner
must apply to the assessor by July 1 of each assessment year, except that an annual
reapplication is not required once a property has been accepted for a valuation exclusion
under paragraph (a) and qualifies for the benefit described in paragraph (b), clause (2), and
the property continues to qualify until there is a change in ownership. For an application
received after July 1 of any calendar year, the exclusion shall become effective for the
following assessment year.

(i) A first-time application by a qualifying spouse for the market value exclusion under
paragraph (d) must be made any time within two years of the death of the service member.
(j) For purposes of this subdivision:
(1) "active service" has the meaning given in section 190.05;
(2) "own" means that the person's name is present as an owner on the property deed;
(3) "primary family caregiver" means a person who is approved by the secretary of
the United States Department of Veterans Affairs for assistance as the primary provider
of personal care services for an eligible veteran under the Program of Comprehensive
Assistance for Family Caregivers, codified as United States Code, title 38, section 1720G;
and
(4) "veteran" has the meaning given the term in section 197.447.

(k) The purpose of this provision of law providing a level of homestead property tax
relief for gravely disabled veterans, their primary family caregivers, and their surviving
spouses is to help ease the burdens of war for those among our state's citizens who bear
those burdens most heavily.

EFFECTIVE DATE. This section is effective for taxes payable in 2015, and
applies to homesteads that initially qualified for the exclusion for taxes payable in 2009
and thereafter.

Sec. 3. Minnesota Statutes 2013 Supplement, section 116J.8738, subdivision 4, is
amended to read:

Subd. 4. **Available tax incentives.** A qualified business is entitled to a sales tax
exemption, up to $2,000,000 annually and $10,000,000 during the total period of the
agreement, as provided in section 297A.68, subdivision 44, for purchases made during
the period the business was certified as a qualified business under this section. The
commissioner has discretion to set the maximum amounts of the annual and total sales tax
exemption allowed for each qualifying business as part of the business subsidy agreement.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 4. **[168A.125] TRANSFER-ON-DEATH OF TITLE TO MOTOR VEHICLE.**

Subdivision 1. **Titled as transfer-on-death.** A motor vehicle may be titled in
transfer-on-death or TOD form by a natural person by including in the certificate of title a
designation of a beneficiary or beneficiaries who are natural persons to whom the motor
vehicle must be transferred on death of the owner or the last survivor of joint owners with
rights of survivorship, subject to the rights of all secured parties.

Subd. 2. **Designation of beneficiary.** A motor vehicle is registered in
transfer-on-death form by designating on the certificate of title the name of the owner
and the names of joint owners with identification of rights of survivorship, followed by
the words "transfer-on-death to (name of beneficiary or beneficiaries)." The designation
"TOD" may be used instead of "transfer-on-death." A title in transfer-on-death form is
not required to be supported by consideration, and the certificate of title in which the
designation is made is not required to be delivered to the beneficiary or beneficiaries in
order for the designation to be effective.

Subd. 3. Interest of beneficiary. The transfer-on-death beneficiary or beneficiaries
shall have no interest in the motor vehicle until the death of the owner or the last survivor
of the joint owners with right of survivorship. A beneficiary designation may be changed at
any time by the owner or by all joint owners with rights of survivorship, without the consent
of the beneficiary or beneficiaries, by filing an application for a new certificate of title.

Subd. 4. Vesting of ownership in beneficiary. Ownership of a motor vehicle
titled in transfer-on-death form shall vest in the designated beneficiary or beneficiaries on
the death of the owner or the last of the joint owners with right of survivorship, subject
to the rights of all secured parties. The transfer-on-death beneficiary or beneficiaries
who survive the owner may apply for a new certificate of title to the motor vehicle upon
submitting proof of the death of the owner of the motor vehicle. If no transfer-on-death
beneficiary or beneficiaries survive the owner of a motor vehicle, the motor vehicle must
be included in the probate estate of the deceased owner. A transfer of a motor vehicle to a
transfer-on-death beneficiary or beneficiaries is not a testamentary transfer.

Subd. 5. Rights of creditors. This section does not limit the rights of any secured
party or creditor of the owner of a motor vehicle against a transfer-on-death beneficiary or
beneficiaries.

Sec. 5. Minnesota Statutes 2013 Supplement, section 289A.20, subdivision 4, is

and fiscal years thereafter, must remit by electronic means all liabilities in the manner

(d) Notwithstanding paragraph (b) or (c), a person prohibited by the person's
religious beliefs from paying electronically shall be allowed to remit the payment by mail.
The filer must notify the commissioner of revenue of the intent to pay by mail before
doing so on a form prescribed by the commissioner. No extra fee may be charged to a

required by law to submit an estimation of June sales tax liabilities and 90 82 percent
payment by a certain date, the vendor shall pay a penalty equal to ten percent of the
amount of actual June liability required to be paid in June less the amount remitted in
June. The penalty must not be imposed, however, if the amount remitted in June equals
the lesser of 90 82 percent of the preceding May's liability or 90 82 percent of the average
monthly liability for the previous calendar year.

When the city council determines that the taxes imposed under this subdivision and under Laws 1998, chapter 389, article 8, section 26, at a
52.1 rate of one-half of one percent have produced revenue sufficient to pay (1) the debt service on bonds in a principal amount of $8,000,000 issued for capital improvements to the Duluth Entertainment and Convention Center, and (2) debt service on outstanding bonds originally issued in the principal amount of $4,970,000 to finance capital improvements to the Great Lakes Aquarium since the imposition of the taxes at the rate of one and one half percent, the rate of the tax under this subdivision is reduced by one-half of one percent.

52.7 The imposition of this tax shall not be subject to voter referendum under either state law or city charter provisions. When the city council determines that the taxes imposed under this subdivision paragraph at a rate of three-quarters of one percent and other sources of revenue produce revenue sufficient to pay debt service on bonds in the principal amount of $40,285,000 plus issuance and discount costs, issued for capital improvements at the Duluth Entertainment and Convention Center, which include a new arena, the rate of tax under this subdivision must be reduced by three-quarters of one percent.

MINERALS TAXES

Section 1. Minnesota Statutes 2012, section 298.75, subdivision 2, is amended to read:

Subd. 2. Tax imposed. (a) Except as provided in paragraph (e), a county that imposes the aggregate production tax shall impose upon every operator a production tax of 21.5 cents per cubic yard or 15 cents per ton of aggregate material excavated in the county except that the county board may decide not to impose this tax if it determines that in the previous year operators removed less than 20,000 tons or 14,000 cubic yards of aggregate material from that county. The tax shall not be imposed on aggregate material excavated in the county until the aggregate material is transported from the extraction site or sold, whichever occurs first. When aggregate material is stored in a stockpile within the state of Minnesota and a public highway, road or street is not used for transporting the aggregate material, the tax shall not be imposed until either when the aggregate material is sold, or when it is transported from the stockpile site, or when it is used from the stockpile, whichever occurs first.

(b) Except as provided in paragraph (e), a county that imposes the aggregate production tax under paragraph (a) shall impose upon every importer a production tax of 21.5 cents per cubic yard or 15 cents per ton of aggregate material imported into the county. The tax shall be imposed when the aggregate material is imported from the extraction site or sold. When imported aggregate material is stored in a stockpile within the state of Minnesota and a public highway, road, or street is not used for transporting the aggregate material, the tax shall be imposed either when the aggregate material is sold, when it is transported from the stockpile site, or when it is used from the stockpile, whichever occurs first. The tax shall be imposed on an importer when the aggregate material is imported into the county that imposes the tax.

(c) If the aggregate material is transported directly from the extraction site to a waterway, railway, or another mode of transportation other than a highway, road or street, the tax imposed by this section shall be apportioned equally between the county where the aggregate material is extracted and the county to which the aggregate material is originally transported. If that destination is not located in Minnesota, then the county where the aggregate material was extracted shall receive all of the proceeds of the tax.
(d) A county, city, or town that receives revenue under this section is prohibited from imposing any additional host community fees on aggregate production within that county, city, or town.

e) A county that borders two other states and that is not contiguous to a county that imposes a tax under this section may impose the taxes under paragraphs (a) and (b) at the rate of ten cents per cubic yard or seven cents per ton. This paragraph expires December 31, 2014.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 4. Minnesota Statutes 2012, section 469.177, subdivision 3, is amended to read:

Subd. 3. **Tax increment, relationship to chapters 276A and 473F.** (a) Unless the governing body elects pursuant to paragraph (b) the following method of computation shall apply to a district other than an economic development district for which the request for certification was made after June 30, 1997:

1) The original net tax capacity and the current net tax capacity shall be determined before the application of the fiscal disparity provisions of chapter 276A or 473F. Where the original net tax capacity is equal to or greater than the current net tax capacity, there is no captured net tax capacity and no tax increment determination. Where the original net tax capacity is less than the current net tax capacity, the difference between the original net tax capacity and the current net tax capacity is the captured net tax capacity. This amount less any portion thereof which the authority has designated, in its tax increment financing plan, to share with the local taxing districts is the retained captured net tax capacity of the authority.
(2) The county auditor shall exclude the retained captured net tax capacity of the authority from the net tax capacity of the local taxing districts in determining local taxing district tax rates. The local tax rates so determined are to be extended against the retained captured net tax capacity of the authority as well as the net tax capacity of the local taxing districts. The tax generated by the extension of the lesser of (A) the local taxing district tax rates or (B) the original local tax rate to the retained captured net tax capacity of the authority is the tax increment of the authority.

(b) The following method of computation applies to any economic development district for which the request for certification was made after June 30, 1997, and to any other district for which the governing body, by resolution approving the tax increment financing plan pursuant to section 469.175, subdivision 3, elects:

(1) The original net tax capacity shall be determined before the application of the fiscal disparity provisions of chapter 276A or 473F. The current net tax capacity shall exclude any fiscal disparity commercial-industrial net tax capacity increase between the original year and the current year multiplied by the fiscal disparity ratio determined pursuant to section 276A.06, subdivision 7, or 473F.08, subdivision 6. Where the original net tax capacity is equal to or greater than the current net tax capacity, there is no captured net tax capacity and no tax increment determination. Where the original net tax capacity is less than the current net tax capacity, the difference between the original net tax capacity and the current net tax capacity is the captured net tax capacity. This amount less any portion thereof which the authority has designated, in its tax increment financing plan, to share with the local taxing districts is the retained captured net tax capacity of the authority.

(2) The county auditor shall exclude the retained captured net tax capacity of the authority from the net tax capacity of the local taxing districts in determining local taxing district tax rates. The local tax rates so determined are to be extended against the retained captured net tax capacity of the authority as well as the net tax capacity of the local taxing districts. The tax generated by the extension of the lesser of (A) the local taxing district tax rates or (B) the original local tax rate to the retained captured net tax capacity of the authority is the tax increment of the authority.

(3) An election by the governing body pursuant to paragraph (b) shall be submitted to the county auditor by the authority at the time of the request for certification pursuant to subdivision 1.

(c) The method of computation of tax increment applied to a district pursuant to paragraph (a) or (b) shall remain the same for the duration of the district, except that the governing body may elect to change its election from the method of computation in paragraph (a) to the method in paragraph (b).
**EFFECTIVE DATE.** This section is effective for districts for which the request for certification is made after June 30, 2014.

Subdivision 1. **Tax clearance required.** (a) The state or a political subdivision of the state may not issue, transfer, or renew, and must revoke, a license for the conduct of a profession, occupation, trade, or business, if the commissioner notifies the licensing authority that the applicant owes the state delinquent taxes payable to the commissioner, penalties, or interest. 86.22 The commissioner is under no obligation to list a taxpayer whose business is inactive. At least ten days before notifying the commissioner of public safety, the commissioner shall notify the taxpayer of the intended action.

86.31 The commissioner of public safety shall post the list in the same manner as provided in section 340A.318, subdivision 3. The list will prominently show the date of posting. If a taxpayer previously listed files all returns and pays all taxes specified in this subdivision then due, the commissioner shall notify the commissioner of public safety within two business days.

Any failure to make a payment under the written schedule, or a delinquency of more than ten days in other taxes listed in subdivision 1, or in other payments of taxes due under section 297A.62, or local sales and use taxes collected by the commissioner that are not covered by the written repayment schedule shall result in the taxpayer being included in the list required in subdivision 1.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 5. Minnesota Statutes 2012, section 279.03, subdivision 2, is amended to read:

  Subd. 2. **Composite judgment.** Amounts included in composite judgments authorized by section 279.37, subdivision 1, and confessed on or after July 1, 1982, are subject to interest at the rate determined pursuant to section 549.09. Amounts confessed under this authority after December 31, 1990; (a) Except as provided in paragraph (b), amounts included in composite judgments authorized by section 279.37, subdivision 1, are subject to interest at the rate calculated under subdivision 1a. During each calendar year, interest shall accrue on the unpaid balance of the composite judgment from the time it is confessed until it is paid. The rate of interest is subject to change each year in the same manner that section 549.09 or subdivision 1a, whichever is applicable, for rate changes. Interest on the unpaid contract balance on judgments confessed before July 1, 1982, is payable at the rate applicable to the judgment at the time that it was confessed. By filing the offer, the owner waives all irregularities in connection with the tax proceedings affecting the parcel and any defense or objection which the owner may have to the proceedings, and also waives the requirements of any notice of default in the payment of any installment or interest to become due pursuant to the composite judgment to be so entered. Unless the property is subject to subdivision 1a, with the offer, the owner shall (i) tender one-tenth of the amount of the delinquent taxes, costs, penalty, and interest, and (ii) tender all current year taxes and penalty due at the time the confession of judgment is entered. In the offer, the owner shall agree to pay the balance in nine equal installments, with interest as provided in section 279.03, payable annually on installments remaining unpaid from time to time, on or before December 31 of each year following the year in which judgment was confessed.

Subd. 2. Meeting dates; duties. The board shall meet annually between April 15 and June 30 at the office of the commissioner of revenue and examine and compare the returns of the assessment of the property in the several counties, and equalize the same so that all the taxable property in the state shall be assessed at its market value, subject to the following rules:
(1) The board shall add to or deduct from the aggregate valuation of the real property of every county, which the board believes to be valued below or above its market value in money, such percent as will bring the same to its market value in money;

(2) The board shall deduct from the aggregate valuation of the real property of every county, which the board believes to be valued above its market value in money, such percent as will reduce the same to its market value in money;

(3) If the board believes the valuation for a part of a class determined by a range of market value under clause (8) (6) or otherwise, a class, or classes of the real property of any town or district in any county, or the valuation for a part of a class, a class, or classes of the real property of any county not in towns or cities, should be raised or reduced, without raising or reducing the other real property of such county, or without raising or reducing it in the same ratio, the board may add to, or take from, the valuation of a part of a class, a class, or classes in any one or more of such towns or cities, or of the property not in towns or cities, such percent as the board believes will raise or reduce the same to its market value in money;

(4) The board shall add to or take from the aggregate valuation of any part of a class, a class, or classes of personal property of any county, town, or city, which the board believes to be valued below or above the market value thereof, such percent as will raise the same to its market value in money;

(5) The board shall take from the aggregate valuation of any part of a class, a class, or classes of personal property in any county, town or city, which the board believes to be valued above the market value thereof, such percent as will reduce the same to its market value in money;

(6) The board shall not reduce the aggregate valuation of all the property of the state, as returned by the several county auditors, more than one percent on the whole valuation thereof;

(7) When it would be of assistance in equalizing values the board may require any county auditor to furnish statements showing assessments of real and personal property of any individuals, firms, or corporations within the county. The board shall consider and equalize such assessments and may increase the assessment of individuals, firms, or corporations above the amount returned by the county board of equalization when it shall appear to be undervalued, first giving notice to such persons of the intention of the board so to do, which notice shall fix a time and place of hearing. The board shall not decrease any such assessment below the valuation placed by the county board of equalization;

(8) In equalizing values pursuant to this section, the board shall utilize a 12-month assessment/sales ratio study conducted by the Department of Revenue containing only
sales that are filed in the county auditor's office under section 272.115, by November 1 of
the previous year and that occurred between October 1 of the year immediately preceding
the previous year and September 30 of the previous year.

The assessment/sales ratio study may separate the values of residential property
into market value categories. The board may adjust the market value categories and the
number of categories as necessary to create an adequate sample size for each market value
category. The board may determine the adequate sample size. To the extent practicable,
the methodology used in preparing the assessment/sales ratio study must be consistent
with the most recent Standard on Assessment Sales Ratio Studies published by the
Assessment Standards Committee of the International Association of Assessing Officers.
The board may determine the geographic area used in preparing the study to accurately
equalize values. A sales ratio study separating residential property into market value
categories may not be used as the basis for a petition under chapter 278.

The sales prices used in the study must be discounted for terms of financing. The
board shall use the median ratio as the statistical measure of the level of assessment for
any particular category of property; and

The board shall receive from each county the estimated market values on the
assessment date falling within the study period for all parcels by magnetic tape or other a
medium as prescribed by the commissioner of revenue.

Sec. 15. Minnesota Statutes 2012, section 270.12, subdivision 4, is amended to read:

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 17. Minnesota Statutes 2012, section 270B.14, subdivision 3, is amended to read:

Subd. 3. **Administration of enterprise, and job opportunity, and biotechnology and health sciences industry zone programs.** The commissioner may disclose return information relating to the taxes imposed by chapters 290 and 297A to the Department of Employment and Economic Development or a municipality with a border city enterprise zone as defined under section 469.166, but only as necessary to administer the funding limitations under section 469.169, or to the Department of Employment and Economic Development and appropriate officials from the local government units in which a qualified business is located but only as necessary to enforce the job opportunity building zone benefits under section 469.315, or biotechnology and health sciences industry zone benefits under section 469.236.

Sec. 18. Minnesota Statutes 2012, section 270C.085, is amended to read:

**270C.085 NOTIFICATION REQUIREMENTS; SALES AND USE TAXES.**

The commissioner of revenue shall establish a means of electronically notifying persons holding a sales tax permit under section 297A.84 of any statutory change in chapter 297A and any issuance or change in any administrative rule, revenue notice, or sales tax fact sheet or other written information provided by the department explaining the interpretation or administration of the tax imposed under that chapter. The notification must indicate the basic subject of the statute, rule, fact sheet, or other material and provide an electronic link to the material. Any person holding a sales tax permit that provides an electronic address to the department must receive these notifications unless they specifically request electronically, or in writing, to be removed from the notification list. This requirement does not replace traditional means of notifying the general public or persons without access to electronic communications of changes in the sales tax law. The electronic notification must begin no later than December 31, 2009.

**EFFECTIVE DATE.** This section is effective the day following final enactment.
Sec. 19. Minnesota Statutes 2012, section 270C.52, subdivision 2, is amended to read:

Subd. 2. Payment agreements. (a) When any portion of any tax payable to the commissioner together with interest and penalty thereon, if any, has not been paid, the commissioner may extend the time for payment for a further period. When the authority of this section is invoked, the extension shall be evidenced by written agreement signed by the taxpayer and the commissioner, stating the amount of the tax with penalty and interest, if any, and providing for the payment of the amount in installments.

(b) The agreement may contain a confession of judgment for the amount and for any unpaid portion thereof. If the agreement contains a confession of judgment, the confession of judgment must provide that the commissioner may enter judgment against the taxpayer in the district court of the county of residence as shown upon the taxpayer’s tax return for the unpaid portion of the amount specified in the extension agreement.

(c) The agreement shall provide that it can be terminated, after notice by the commissioner, if information provided by the taxpayer prior to the agreement was inaccurate or incomplete, collection of the tax covered by the agreement is in jeopardy, there is a subsequent change in the taxpayer’s financial condition, the taxpayer has failed to make a payment due under the agreement, or the taxpayer has failed to pay any other tax or file a tax return coming due after the agreement.

(d) The notice must be given at least 14 calendar days prior to termination, and shall advise the taxpayer of the right to request a reconsideration from the commissioner of whether termination is reasonable and appropriate under the circumstances. A request for reconsideration does not stay collection action beyond the 14-day notice period. If the commissioner has reason to believe that collection of the tax covered by the agreement is in jeopardy, the commissioner may proceed under section 270C.36 and terminate the agreement without regard to the 14-day period.

(e) The commissioner may accept other collateral the commissioner considers appropriate to secure satisfaction of the tax liability. The principal sum specified in the agreement shall bear interest at the rate specified in section 270C.40 on all unpaid portions thereof until the same has been fully paid or the unpaid portion thereof has been entered as a judgment. The judgment shall bear interest at the rate specified in section 270C.40.

(f) If it appears to the commissioner that the tax reported by the taxpayer is in excess of the amount actually owing by the taxpayer, the extension agreement or the judgment entered pursuant thereto shall be corrected. If after making the extension agreement or entering judgment with respect thereto, the commissioner determines that the tax as reported by the taxpayer is less than the amount actually due, the commissioner shall assess a further tax in accordance with the provisions of law applicable to the tax.
(g) The authority granted to the commissioner by this section is in addition to any other authority granted to the commissioner by law to extend the time of payment or the time for filing a return and shall not be construed in limitation thereof.

(h) The commissioner shall charge a fee for entering into payment agreements that reflects the commissioner's costs for entering into payment agreements. The fee is set at $50 and is charged for entering into a payment agreement, for entering into a new payment agreement after the taxpayer has defaulted on a prior agreement, and for entering into a new payment agreement as a result of renegotiation of the terms of an existing agreement.

The fee is paid to the commissioner before the payment agreement becomes effective and does not reduce the amount of the liability.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 20. Minnesota Statutes 2012, section 272.01, subdivision 1, is amended to read:

Subdivision 1. Generally taxable. All real and personal property in this state; and all personal property of persons residing therein, including the property of corporations, banks, banking companies, and bankers, is taxable, except Indian lands and such other property as is by law exempt from taxation.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

(c) Property presently owned by any educational institution chartered by the territorial legislature;

(d) Indian lands;

161.431, and acts amendatory thereto;
(g) Real property owned by a seaway port authority on June 1, 1967, upon which
there has been constructed docks, warehouses, tank farms, administrative and maintenance
buildings, railroad and ship terminal facilities and other maritime and transportation
facilities or those directly related thereto, together with facilities for the handling of
passengers and baggage and for the handling of freight and bulk liquids, and personal
property owned by a seaway port authority used or usable in connection therewith, when
said property is leased to a private individual, association or corporation, but only when
such lease provides that the said facilities are available to the public for the loading and
unloading of passengers and their baggage and the handling, storage, care, shipment,
and delivery of merchandise, freight and baggage and other maritime and transportation
activities and functions directly related thereto, but not including property used for grain
elevator facilities; it being the declared policy of this state that such property when
so leased is public property used exclusively for a public purpose, notwithstanding the
one-year limitation in the provisions of section 273.19;
(h) Notwithstanding the provisions of clause (g), when the annual rental received by
a seaway port authority in any calendar year for such leased property exceeds an amount
reasonably required for administrative expense of the authority per year, plus promotional
expense for the authority not to exceed the sum of $100,000 per year, to be expended
when and in the manner decided upon by the commissioners, plus an amount sufficient to
pay all installments of principal and interest due, or to become due, during such calendar
year and the next succeeding year on any revenue bonds issued by the authority, plus
25 percent of the gross annual rental to be retained by the authority for improvement,
development, or other contingencies, the authority shall make a payment in lieu of real
and personal property taxes of a reasonable portion of the remaining annual rental to the
county treasurer of the county in which such seaway port authority is principally located.
Any such payments to the county treasurer shall be disbursed by the treasurer on the same
basis as real estate taxes are divided among the various governmental units, but if such
port authority shall have received funds from the state of Minnesota and funds from any
city and county pursuant to Laws 1957, chapters 648, 831, and 849 and acts amendatory
thereof, then such disbursement by the county treasurer shall be on the same basis as real
estate taxes are divided among the various governmental units, except that the portion of
such payments which would otherwise go to other taxing units shall be divided equally among the state of Minnesota and said county and city.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 22. Minnesota Statutes 2012, section 272.025, subdivision 1, is amended to read:

Subdivision 1. **Statement of exemption.** (a) Except in the case of property owned by the state of Minnesota or any political subdivision thereof, and property exempt from taxation under section 272.02, subdivisions 9, 10, 13, 15, 18, 20, and 22 to 25, and at the times provided in subdivision 3, a taxpayer claiming an exemption from taxation on property described in section 272.02, subdivisions 2 to 33, must file a statement of exemption with the assessor of the assessment district in which the property is located.

Except as provided in subdivisions 2 and 3, the exemption does not apply to property used to produce electric power for sale to others and does not apply to real property. In determining the value subject to tax, a proportionate share of the value of the generating facilities, equal to the proportion that the power sold to others bears to the total generation of the plant, is subject to the general property tax in the same manner as other property. Power generated in such a plant and exchanged for an equivalent amount of power that is used for the manufacture or production of goods, products, or services other than electric power by the owner of the generating plant is considered to be used by the owner of the plant.

Sec. 28. Minnesota Statutes 2012, section 273.11, subdivision 13, is amended to read:

Subd. 13. **Valuation of income-producing property.** Beginning with the 1995
assessment. Only accredited assessors or senior accredited assessors or other licensed
assessors who have successfully completed at least two income-producing property
appraisal courses may value income-producing property for ad valorem tax purposes.
"Income-producing property" as used in this subdivision means the taxable property in
class 3a and 3b in section 273.13, subdivision 24; class 4a and 4c, except for seasonal
recreational property not used for commercial purposes; and class 5 in section 273.13,
subdivision 31. "Income-producing property" includes any property in class 4e in section
273.13, subdivision 25, that would be income-producing property under the definition in
this subdivision if it were not substandard. "Income-producing property appraisal course"
as used in this subdivision means a course of study of approximately 30 instructional
hours, with a final comprehensive test. An assessor must successfully complete the final
examination for each of the two required courses. The course must be approved by the

Sec. 30. Minnesota Statutes 2013 Supplement, section 273.1325, subdivision 2,
is amended to read:

Subd. 2. Methodology. In making its annual assessment/sales ratio studies, the
Department of Revenue must use a methodology consistent with the most recent Standard
on Assessment Ratio Studies published by the assessment standards committee of the
International Association of Assessing Officers. The commissioner of revenue shall
supplement this general methodology with specific procedures necessary for execution of
the study in accordance with other Minnesota laws impacting the assessment/sales ratio
study. The commissioner shall document these specific procedures in writing and shall
publish the procedures in the State Register, but these procedures will not be considered
"rules" pursuant to the Minnesota Administrative Procedure Act. When property is sold and
the purchaser changes its use in a manner that would result in a change of classification of
the property, the assessment sales ratio study under this subdivision must take into account
that changed classification as soon as practicable. A change in status from homestead to
nonhomestead or from nonhomestead to homestead is not a change under this subdivision.
For purposes of this section, sections 270.12, subdivision 2, clause (8) (6), and 278.05,
subdivision 4, the commissioner of revenue shall exclude from the assessment/sales ratio
study the sale of any nonagricultural property which does not contain an improvement,
if (1) the statutory basis on which the property's taxable value as most recently assessed
is less than market value as defined in section 273.11, or (2) the property has undergone
significant physical change or a change of use since the most recent assessment.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 31. Minnesota Statutes 2013 Supplement, section 273.1398, subdivision 3,
is amended to read:
Subd. 3. Disparity reduction aid. The amount of disparity aid certified for each taxing district within each unique taxing jurisdiction is the amount certified for taxes payable in the prior year shall be multiplied by the ratio of (1) the jurisdiction's tax capacity using the class rates for taxes payable in the year for which aid is being computed, to (2) its tax capacity using the class rates for taxes payable in the year prior to that for which aid is being computed, both based upon taxable market values for taxes payable in the year prior to that for which aid is being computed. If the commissioner determines that insufficient information is available to reasonably and timely calculate the numerator in this ratio for the first taxes payable year that a class rate change or new class rate is effective, the commissioner shall omit the effects of that class rate change or new class rate when calculating this ratio for aid payable in that taxes payable year. For aid payable in the year following a year for which such omission was made, the commissioner shall use in the denominator for the class that was changed or created, the tax capacity for taxes payable two years prior to that in which the aid is payable, based on taxable market values for taxes payable in the year prior to that for which aid is being computed.

**EFFECTIVE DATE.** This section is effective beginning for taxes payable in 2015.

Sec. 32. Minnesota Statutes 2012, section 273.18, is amended to read:

**273.18 LISTING, VALUATION, AND ASSESSMENT OF EXEMPT PROPERTY BY COUNTY AUDITORS.**

(a) In every sixth year after the year 2010, the county auditor shall enter, in a separate place in the real estate assessment books, the description of each tract of real property exempt by law from taxation, with the name of the owner, if known, and the assessor shall value and assess the same in the same manner that other real property is valued and assessed, and shall designate in each case the purpose for which the property is used.

(b) For purposes of the apportionment of fire state aid under section 69.021, subdivision 7, the county auditor shall include on the abstract of assessment of exempt real property filed under this section, the total number of acres of all natural resources lands for which in lieu payments are made under sections 477A.11 to 477A.14. The assessor shall estimate its market value, provided that if the assessor is not able to estimate the market value of the land on a per parcel basis, the assessor shall furnish the commissioner of revenue with an estimate of the average value per acre of this land within the county.

**EFFECTIVE DATE.** This section is effective the day following final enactment.
Sec. 33. Minnesota Statutes 2012, section 274.01, subdivision 1, is amended to read:

Subdivision 1. **Ordinary board; meetings, deadlines, grievances.** (a) The town board of a town, or the council or other governing body of a city, is the board of appeal and equalization except (1) in cities whose charters provide for a board of equalization or (2) in any city or town that has transferred its local board of review power and duties to the county board as provided in subdivision 3. The county assessor shall fix a day and time when the board or the board of equalization shall meet in the assessment districts of the county. Notwithstanding any law or city charter to the contrary, a city board of equalization shall be referred to as a board of appeal and equalization. On or before February 15 of each year the assessor shall give written notice of the time to the city or town clerk. Notwithstanding the provisions of any charter to the contrary, the meetings must be held between April 1 and May 31 each year. The clerk shall give published and posted notice of the meeting at least ten days before the date of the meeting.

The board shall meet at the office of the clerk to review the assessment and classification of property in the town or city. No changes in valuation or classification which are intended to correct errors in judgment by the county assessor may be made by the county assessor after the board has adjourned in those cities or towns that hold a local board of review; however, corrections of errors that are merely clerical in nature or changes that extend homestead treatment to property are permitted after adjournment until the tax extension date for that assessment year. The changes must be fully documented and maintained in the assessor's office and must be available for review by any person. A copy of the changes made during this period in those cities or towns that hold a local board of review must be sent to the county board no later than December 31 of the assessment year.

(b) The board shall determine whether the taxable property in the town or city has been properly placed on the list and properly valued by the assessor. If real or personal property has been omitted, the board shall place it on the list with its market value, and correct the assessment so that each tract or lot of real property, and each article, parcel, or class of personal property, is entered on the assessment list at its market value. No assessment of the property of any person may be raised unless the person has been duly notified of the intent of the board to do so. On application of any person feeling aggrieved, the board shall review the assessment or classification, or both, and correct it as appears just. The board may not make an individual market value adjustment or classification change that would benefit the property if the owner or other person having control over the property has refused the assessor access to inspect the property and the interior of any buildings or structures as provided in section 273.20. A board member shall not participate in any actions of the board which result in market value adjustments.
or classification changes to property owned by the board member, the spouse, parent,
stepparent, child, stepchild, grandparent, grandchild, brother, sister, uncle, aunt, nephew,
or niece of a board member, or property in which a board member has a financial interest.
The relationship may be by blood or marriage.

(c) A local board may reduce assessments upon petition of the taxpayer but the total
reductions must not reduce the aggregate assessment made by the county assessor by more
than one percent. If the total reductions would lower the aggregate assessments made by
the county assessor by more than one percent, none of the adjustments may be made. The
assessor shall correct any clerical errors or double assessments discovered by the board
without regard to the one percent limitation.

(d) A local board does not have authority to grant an exemption or to order property
removed from the tax rolls.

(e) A majority of the members may act at the meeting, and adjourn from day to day
until they finish hearing the cases presented. The assessor shall attend, with the assessment
books and papers, and take part in the proceedings, but must not vote. The county assessor,
or an assistant delegated by the county assessor shall attend the meetings. The board shall
list separately, on a form appended to the assessment book, all omitted property added
to the list by the board and all items of property increased or decreased, with the market
value of each item of property, added or changed by the board, placed opposite the item.
The county assessor shall enter all changes made by the board in the assessment book.

(f) Except as provided in subdivision 3, if a person fails to appear in person, by
counsel, or by written communication before the board after being duly notified of the
board's intent to raise the assessment of the property, or if a person feeling aggrieved by an
assessment or classification fails to apply for a review of the assessment or classification,
the person may not appear before the county board of appeal and equalization for a review
of the assessment or classification. This paragraph does not apply if an assessment was
made after the local board meeting, as provided in section 273.01, or if the person can
establish not having received notice of market value at least five days before the local
board meeting.

(g) The local board must complete its work and adjourn within 20 days from the
time of convening stated in the notice of the clerk, unless a longer period is approved by
the commissioner of revenue. No action taken after that date is valid. All complaints
about an assessment or classification made after the meeting of the board must be heard
and determined by the county board of equalization. A nonresident may, at any time,
before the meeting of the board file written objections to an assessment or classification
with the county assessor. The objections must be presented to the board at its meeting by
the county assessor for its consideration.

Sec. 34. Minnesota Statutes 2012, section 274.01, subdivision 2, is amended to read:

Subd. 2. Special board; duties delegated. The governing body of a city— including
a city whose charter provides for a board of equalization, may appoint a special board of
review. The city may delegate to the special board of review all of the powers and duties
in subdivision 1. The special board of review shall serve at the direction and discretion
of the appointing body, subject to the restrictions imposed by law. The appointing body
shall determine the number of members of the board, the compensation and expenses to be
paid, and the term of office of each member. At least one member of the special board
of review must be an appraiser, realtor, or other person familiar with property valuations
in the assessment district.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 35. Minnesota Statutes 2012, section 275.08, subdivision 1a, is amended to read:

Subd. 1a. Computation of tax capacity. For taxes payable in 1989, the county
auditor shall compute the gross tax capacity for each parcel according to the class rates
specified in section 273.13. The gross tax capacity will be the appropriate class rate
multiplied by the parcel's market value. For taxes payable in 1990 and subsequent years,
The county auditor shall compute the net tax capacity for each parcel according to the
class rates specified in section 273.13. The net tax capacity will be the appropriate class
rate multiplied by the parcel's market value.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 36. Minnesota Statutes 2012, section 275.08, subdivision 1d, is amended to read:

Subd. 1d. Additional adjustment. If, after computing each local government's
adjusted local tax rate within a unique taxing jurisdiction pursuant to subdivision 1c, the
auditor finds that the total adjusted local tax rate of all local governments combined is
less than 90 percent of gross tax capacity for taxes payable in 1989 and 90 percent of net
tax capacity for taxes payable in 1990 and thereafter, the auditor shall increase each local
government's adjusted local tax rate proportionately so the total adjusted local tax rate of
all local governments combined equals 90 percent. The total amount of the increase in
tax resulting from the increased local tax rates must not exceed the amount of disparity
aid allocated to the unique taxing district under section 273.1398. The auditor shall
certify to the Department of Revenue the difference between the disparity aid originally
allocated under section 273.1398, subdivision 3, and the amount necessary to reduce
the total adjusted local tax rate of all local governments combined to 90 percent. Each
local government's disparity reduction aid payment under section 273.1398, subdivision
6, must be reduced accordingly.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 37. Minnesota Statutes 2013 Supplement, section 275.70, subdivision 5, is
amended to read:

Subd. 5. Special levies. "Special levies" means those portions of ad valorem taxes
levied by a local governmental unit for the following purposes or in the following manner:
(1) to pay the costs of the principal and interest on bonded indebtedness or to
reimburse for the amount of liquor store revenues used to pay the principal and interest
due on municipal liquor store bonds in the year preceding the year for which the levy
limit is calculated;
(2) to pay the costs of principal and interest on certificates of indebtedness issued for
any corporate purpose except for the following:
(i) tax anticipation or aid anticipation certificates of indebtedness;
(ii) certificates of indebtedness issued under sections 298.28 and 298.282;
(iii) certificates of indebtedness used to fund current expenses or to pay the costs of
extraordinary expenditures that result from a public emergency; or
(iv) certificates of indebtedness used to fund an insufficiency in tax receipts or an
insufficiency in other revenue sources, provided that nothing in this subdivision limits the
special levy authorized under section 475.755;
(3) to provide for the bonded indebtedness portion of payments made to another
political subdivision of the state of Minnesota;
(4) to fund payments made to the Minnesota State Armory Building Commission

construction bonds;
(5) property taxes approved by voters which are levied against the referendum
market value as provided under section 275.61;
(6) to fund matching requirements needed to qualify for federal or state grants or
programs to the extent that either (i) the matching requirement exceeds the matching
requirement in calendar year 2001, or (ii) it is a new matching requirement that did not
exist prior to 2002;
(7) to pay the expenses reasonably and necessarily incurred in preparing for or repairing the effects of natural disaster including the occurrence or threat of widespread or severe damage, injury, or loss of life or property resulting from natural causes, in accordance with standards formulated by the Emergency Services Division of the state Department of Public Safety, as allowed by the commissioner of revenue under section 275.74, subdivision 2;

(8) pay amounts required to correct an error in the levy certified to the county auditor by a city or county in a levy year, but only to the extent that when added to the preceding year's levy it is not in excess of an applicable statutory, special law or charter limitation, or the limitation imposed on the governmental subdivision by sections 275.70 to 275.74 in the preceding levy year;

(9) to pay an abatement under section 469.1815;

(10) to pay any costs attributable to increases in the employer contribution rates under chapter 353, or locally administered pension plans, that are effective after June 30, 2001;

(11) to pay the operating or maintenance costs of a county jail as authorized in section 641.01 or 641.262, or of a correctional facility as defined in section 241.021, subdivision 1, paragraph (f), to the extent that the county can demonstrate to the commissioner of revenue that the amount has been included in the county budget as a direct result of a rule, minimum requirement, minimum standard, or directive of the Department of Corrections, or to pay the operating or maintenance costs of a regional jail as authorized in section 641.262. For purposes of this clause, a district court order is not a rule, minimum requirement, minimum standard, or directive of the Department of Corrections. If the county utilizes this special levy, except to pay operating or maintenance costs of a new regional jail facility under sections 641.262 to 641.264 which will not replace an existing jail facility, any amount levied by the county in the previous levy year for the purposes specified under this clause and included in the county's previous year's levy limitation computed under section 275.71, shall be deducted from the levy limit base under section 275.71, subdivision 2, when determining the county's current year levy limitation. The county shall provide the necessary information to the commissioner of revenue for making this determination;

(12) to pay for operation of a lake improvement district, as authorized under section 103B.555. If the county utilizes this special levy, any amount levied by the county in the previous levy year for the purposes specified under this clause and included in the county's previous year's levy limitation computed under section 275.71 shall be deducted from the levy limit base under section 275.71, subdivision 2, when determining the county's current year levy limitation. The county shall provide the necessary information to the commissioner of revenue for making this determination;
(13) to repay a state or federal loan used to fund the direct or indirect required
spending by the local government due to a state or federal transportation project or other
state or federal capital project. This authority may only be used if the project is not a
local government initiative;

(14) to pay for court administration costs as required under section 273.1398,
subsection 4b, less the (i) county's share of transferred fines and fees collected by the
district courts in the county for calendar year 2001 and (ii) the aid amount certified to be
paid to the county in 2004 under section 273.1398, subdivision 4e; however, for taxes
levied to pay for these costs in the year in which the court financing is transferred to the
state, the amount under this clause is limited to the amount of aid the county is certified to
receive under section 273.1398, subdivision 4a;

(15) (14) to fund a firefighters relief association as required under Laws 2013,
chapter 111, article 5, sections 31 to 42, to the extent that the required amount exceeds the
amount levied for this purpose in 2001;

(16) (15) for purposes of a storm sewer improvement district under section 444.20;

(17) (16) to pay for the maintenance and support of a city or county society for
the prevention of cruelty to animals under section 343.11, but not to exceed in any year
$4,800 or the sum of $1 per capita based on the county's or city's population as of the most
recent federal census, whichever is greater. If the city or county uses this special levy, any
amount levied by the city or county in the previous levy year for the purposes specified
in this clause and included in the city's or county's previous year's levy limit computed
under section 275.71, must be deducted from the levy limit base under section 275.71,
subsection 2, in determining the city's or county's current year levy limit;

service costs caused by reductions in federal health and human services grants effective
after September 30, 2007;

(19) (18) for a city, for the costs reasonably and necessarily incurred for securing,
maintaining, or demolishing foreclosed or abandoned residential properties, as allowed by
the commissioner of revenue under section 275.74, subdivision 2. A city must have either
(i) a foreclosure rate of at least 1.4 percent in 2007, or (ii) a foreclosure rate in 2007 in
the city or in a zip code area of the city that is at least 50 percent higher than the average
foreclosure rate in the metropolitan area, as defined in section 473.121, subdivision 2,
to use this special levy. For purposes of this paragraph, "foreclosure rate" means the
number of foreclosures, as indicated by sheriff sales records, divided by the number of
households in the city in 2007;
(20) for a city, for the unreimbursed costs of redeployed traffic control agents and
lost traffic citation revenue due to the collapse of the Interstate 35W bridge, as certified
to the Federal Highway Administration;
(21) to pay costs attributable to wages and benefits for sheriff, police, and fire
personnel. If a local governmental unit did not use this special levy in the previous year its

levied for the purposes specified in this clause in the previous year;
(22) an amount equal to any reductions in the certified aids or credit
reimbursements payable under sections 477A.011 to 477A.014, and section 273.1384,
due to unallotment under section 16A.152 or reductions under another provision of law.
The amount of the levy allowed under this clause for each year is limited to the amount
unallotted or reduced from the aids and credit reimbursements certified for payment in the
year following the calendar year in which the tax levy is certified unless the unallotment
or reduction amount is not known by September 1 of the levy certification year, and
the local government has not adjusted its levy under section 275.065, subdivision 6, or
275.07, subdivision 6, in which case that unallotment or reduction amount may be levied
in the following year;
(23) to pay for the difference between one-half of the costs of confining sex
offenders undergoing the civil commitment process and any state payments for this
purpose pursuant to section 253D.12;
(24) for a county to pay the costs of the first year of maintaining and operating
a new facility or new expansion, either of which contains courts, corrections, dispatch,
criminal investigation labs, or other public safety facilities and for which all or a portion
of the funding for the site acquisition, building design, site preparation, construction, and
related equipment was issued or authorized prior to the imposition of levy limits in 2008.
The levy limit base shall then be increased by an amount equal to the new facility's first
full year's operating costs as described in this clause; and
(25) for the estimated amount of reduction to market value credit reimbursements
under section 273.1384 for credits payable in the year in which the levy is payable.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

(b) A city may request authorization to levy for reasonable and necessary costs for securing, maintaining, or demolishing foreclosed or abandoned residential properties under section 275.70, subdivision 5, clause (19) (18). The local governmental unit shall submit a request to levy under section 275.70, subdivision 5, clause (19) (18), to the commissioner of revenue by September 30 of the levy year and the request must include information documenting the estimated costs. For taxes payable in 2009, the amount may include unanticipated costs incurred above the amount budgeted for these purposes in 2008. Costs of securing foreclosed or abandoned residential properties include payment for police and fire department services. The commissioner of revenue may grant levy authority, up to the lesser of (1) the amount requested based on the documentation submitted, or (2) $3,000 multiplied by the number of foreclosed residential properties, as defined by sheriff sales records, in calendar year 2007. When any sale has been made by the county auditor under sections 282.01 to 282.13, the auditor shall immediately certify to the commissioner of revenue such information relating to such sale, on such forms as the commissioner of revenue may prescribe as will enable the commissioner of revenue to prepare an appropriate deed if the sale is for cash, or keep necessary records if the sale is on terms; and not later than October 31 of each year the county auditor shall submit to the commissioner of revenue a statement of all instances wherein any payment of principal, interest, or current taxes on lands held under certificate, due or to be paid during the preceding calendar years, are still outstanding at the time such certificate is made.

Sec. 62. Minnesota Statutes 2012, section 290.01, subdivision 19f, is amended to read:

Subd. 19f. Basis modifications affecting gain or loss on disposition of property.

(a) For individuals, estates, and trusts, the basis of property is its adjusted basis for federal

income tax purposes except as set forth in paragraphs (e) and (f), (g), and (m). For

corporations, the basis of property is its adjusted basis for federal income tax purposes,

without regard to the time when the property became subject to tax under this chapter or to

whether out-of-state losses or items of tax preference with respect to the property were not

deductible under this chapter, except that the modifications to the basis for federal income

tax purposes set forth in paragraphs (b) to (i) are allowed to corporations, and the

resulting modifications to federal taxable income must be made in the year in which gain

or loss on the sale or other disposition of property is recognized.

(b) The basis of property shall not be reduced to reflect federal investment tax credit.

(c) The basis of property subject to the accelerated cost recovery system under

section 168 of the Internal Revenue Code shall be modified to reflect the modifications in

depreciation with respect to the property provided for in subdivision 19c. For certified

pollution control facilities for which amortization deductions were elected under section
169 of the Internal Revenue Code of 1954, the basis of the property must be increased by
the amount of the amortization deduction not previously allowed under this chapter.

(d) For property acquired before January 1, 1933, the basis for computing a gain is
the fair market value of the property as of that date. The basis for determining a loss is
the cost of the property to the taxpayer less any depreciation, amortization, or depletion,
actually sustained before that date. If the adjusted cost exceeds the fair market value of the
property, then the basis is the adjusted cost regardless of whether there is a gain or loss.

(e) (d) The basis is reduced by the allowance for amortization of bond premium if
an election to amortize was made pursuant to Minnesota Statutes 1986, section 290.09,
subdivision 13, and the allowance could have been deducted by the taxpayer under this
chapter during the period of the taxpayer's ownership of the property.

(e) (e) For assets placed in service before January 1, 1987, corporations, partnerships,
or individuals engaged in the business of mining ores other than iron ore or taconite
concentrates subject to the occupation tax under chapter 298 must use the occupation
tax basis of property used in that business.

(f) (f) For assets placed in service before January 1, 1990, corporations, partnerships,
or individuals engaged in the business of mining iron ore or taconite concentrates subject
to the occupation tax under chapter 298 must use the occupation tax basis of property
used in that business.

(g) (g) In applying the provisions of sections 301(c)(3)(B), 312(f) and (g), and
316(a)(1) of the Internal Revenue Code, the dates December 31, 1932, and January 1,
1933, shall be substituted for February 28, 1913, and March 1, 1913, respectively.

(h) (h) In applying the provisions of section 362(a) and (c) of the Internal Revenue
Code, the date December 31, 1956, shall be substituted for June 22, 1954.

(i) (i) The basis of property shall be increased by the amount of intangible drilling
costs not previously allowed due to differences between this chapter and the Internal
Revenue Code.

(j) (j) The adjusted basis of any corporate partner's interest in a partnership is
the same as the adjusted basis for federal income tax purposes modified as required to
reflect the basis modifications set forth in paragraphs (b) to (i) (i). The adjusted basis
of a partnership in which the partner is an individual, estate, or trust is the same as the
adjusted basis for federal income tax purposes modified as required to reflect the basis
modifications set forth in paragraphs (e) and (f) and (g).

(k) (k) The modifications contained in paragraphs (b) to (j) also apply to the basis
of property that is determined by reference to the basis of the same property in the hands
of a different taxpayer or by reference to the basis of different property.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 65. Minnesota Statutes 2012, section 290.07, subdivision 1, is amended to read:

Subdivision 1. **Annual accounting period.** Net income and taxable net income shall be computed upon the basis of the taxpayer's annual accounting period. If a taxpayer has no annual accounting period, or has one other than a fiscal year, as heretofore defined, the net income and taxable net income shall be computed on the basis of the calendar year. Taxpayers shall employ the same accounting period on which they report, or would be required to report, their net income under the Internal Revenue Code. The commissioner shall provide by rule for the determination of the accounting period for taxpayers who file a combined report under section 290.17, subdivision 4, when members of the group use different accounting periods for federal income tax purposes. Unless the taxpayer changes its accounting period for federal purposes, the due date of the return is not changed.

A taxpayer may change accounting periods only with the consent of the commissioner. In case of any such change, the taxpayer shall pay a tax for the period
not included in either the taxpayer's former or newly adopted taxable year, computed as provided in section 290.32.

**EFFECTIVE DATE.** This section is effective for taxable years beginning after December 31, 2013.

Sec. 66. Minnesota Statutes 2012, section 290.07, subdivision 2, is amended to read:

Subd. 2. Accounting methods. Except as specifically provided to the contrary by this chapter, net income and taxable net income shall be computed in accordance with the method of accounting regularly employed in keeping the taxpayer's books. If no such accounting system has been regularly employed, or if that employed does not clearly or fairly reflect income or the income taxable under this chapter, the computation shall be made in accordance with such method as in the opinion of the commissioner does clearly and fairly reflect income and the income taxable under this chapter.

Except as otherwise expressly provided in this chapter, a taxpayer who changes the method of accounting for regularly computing the taxpayer's income in keeping books shall, before computing net income and taxable net income under the new method, secure the consent of the commissioner.

**EFFECTIVE DATE.** This section is effective for taxable years beginning after December 31, 2013.

Sec. 67. Minnesota Statutes 2013 Supplement, section 290.0921, subdivision 3, is amended to read:

Subd. 3. Alternative minimum taxable income. "Alternative minimum taxable income" is Minnesota net income as defined in section 290.01, subdivision 19, and includes the adjustments and tax preference items in sections 56, 57, 58, and 59(d), (e), (f), and (h) of the Internal Revenue Code. If a corporation files a separate Minnesota tax return, the minimum tax must be computed on a separate company basis. If a corporation is part of a tax group filing a unitary return, the minimum tax must be computed on a unitary basis. The following adjustments must be made.

(1) For purposes of the depreciation adjustments under section 56(a)(1) and 56(g)(4)(A) of the Internal Revenue Code, the basis for depreciable property placed in service in a taxable year beginning before January 1, 1990, is the adjusted basis for federal income tax purposes, including any modification made in a taxable year under section 290.01, subdivision 19e, or Minnesota Statutes 1986, section 290.09, subdivision 7, paragraph (e).
For taxable years beginning after December 31, 2000, the amount of any remaining
modification made under section 290.01, subdivision 19e, or Minnesota Statutes 1986,
section 290.09, subdivision 7, paragraph (c), not previously deducted is a depreciation
allowance in the first taxable year after December 31, 2000.

(2) (1) The portion of the depreciation deduction allowed for federal income tax
purposes under section 168(k) of the Internal Revenue Code that is required as an
addition under section 290.01, subdivision 19c, clause (12), is disallowed in determining
alternative minimum taxable income.

(3) (2) The subtraction for depreciation allowed under section 290.01, subdivision
19d, clause (4), (14), is allowed as a depreciation deduction in determining alternative
minimum taxable income.

(4) (3) The alternative tax net operating loss deduction under sections 56(a)(4) and
56(d) of the Internal Revenue Code does not apply.

(5) (4) The special rule for certain dividends under section 56(g)(4)(C)(ii) of the
Internal Revenue Code does not apply.

(6) (5) The tax preference for depletion under section 57(a)(1) of the Internal
Revenue Code does not apply.

(7) The tax preference for intangible drilling costs under section 57(a)(2) of the
Internal Revenue Code must be calculated without regard to subparagraph (E) and the
subtraction under section 290.01, subdivision 19d, clause (4).

(8) (6) The tax preference for tax exempt interest under section 57(a)(5) of the
Internal Revenue Code does not apply.

(9) (7) The tax preference for charitable contributions of appreciated property under
section 57(a)(6) of the Internal Revenue Code does not apply.

(10) For purposes of calculating the tax preference for accelerated depreciation or
amortization on certain property placed in service before January 1, 1987, under section
57(a)(7) of the Internal Revenue Code, the deduction allowable for the taxable year is the
deduction allowed under section 290.01, subdivision 19e.

For taxable years beginning after December 31, 2004, the amount of any remaining
modification made under section 290.01, subdivision 19e, not previously deducted is a
depreciation or amortization allowance in the first taxable year after December 31, 2004.

(11) (8) For purposes of calculating the adjustment for adjusted current earnings
in section 56(g) of the Internal Revenue Code, the term "alternative minimum taxable
income" as it is used in section 56(g) of the Internal Revenue Code, means alternative
minimum taxable income as defined in this subdivision, determined without regard to the
adjustment for adjusted current earnings in section 56(g) of the Internal Revenue Code.
For purposes of determining the amount of adjusted current earnings under section 56(g)(3) of the Internal Revenue Code, no adjustment shall be made under section 56(g)(4) of the Internal Revenue Code with respect to (i) the amount of foreign dividend gross-up subtracted as provided in section 290.01, subdivision 19d, clause (1), or (ii) the amount of refunds of income, excise, or franchise taxes subtracted as provided in section 290.01, subdivision 19d, clause (9).

Alternative minimum taxable income excludes the income from operating in a job opportunity building zone as provided under section 469.317.

Sections 56(g)(3) of the Internal Revenue Code exclude the income from operating in a biotechnology and health sciences industry zone as provided under section 469.337.

Items of tax preference must not be reduced below zero as a result of the modifications in this subdivision.

**EFFECTIVE DATE.** This section is effective for taxable years beginning after December 31, 2013.

Sec. 68. Minnesota Statutes 2012, section 290.0922, subdivision 3, is amended to read:

Subd. 3. **Definitions.** (a) "Minnesota sales or receipts" means the total sales apportioned to Minnesota pursuant to section 290.191, subdivision 5, the total receipts attributed to Minnesota pursuant to section 290.191, subdivisions 6 to 8, and/or the total sales or receipts apportioned or attributed to Minnesota pursuant to any other apportionment formula applicable to the taxpayer.

(b) "Minnesota property" means total Minnesota tangible property as provided in section 290.191, subdivisions 9 to 11, any other tangible property located in Minnesota, but does not include: (1) the property of a qualified business as defined under section 469.310, subdivision 11, that is located in a job opportunity building zone designated under section 469.314 and (2) property of a qualified business located in a biotechnology and health sciences industry zone designated under section 469.334. Intangible property shall not be included in Minnesota property for purposes of this section. Taxpayers who do not utilize tangible property to apportion income shall nevertheless include Minnesota property for purposes of this section. On a return for a short taxable year, the amount of Minnesota property owned, as determined under section 290.191, shall be included in Minnesota property based on a fraction in which the numerator is the number of days in the short taxable year and the denominator is 365.

(c) "Minnesota payrolls" means total Minnesota payrolls as provided in section 290.191, subdivision 12, but does not include: (1) the job opportunity building zone payroll under section 469.310, subdivision 8, of a qualified business as defined under section...
469.310, subdivision 11, and (2) biotechnology and health sciences industry zone payrolls under section 469.330, subdivision 8. Taxpayers who do not utilize payrolls to apportion income shall nevertheless include Minnesota payrolls for purposes of this section.

**EFFECTIVE DATE.** This section is effective for taxable years beginning after December 31, 2013.

Sec. 69. Minnesota Statutes 2012, section 290.095, subdivision 3, is amended to read:

Subd. 3. **Carryover.** (a) A net operating loss incurred in a during the taxable year:

(i) beginning after December 31, 1986, shall be a net operating loss carryover to each of the 15 taxable years following the taxable year of such loss; (ii) beginning before January 1, 1987, shall be a net operating loss carryover to each of the five taxable years following the taxable year of such loss subject to the provisions of Minnesota Statutes 1986, section 290.095; and (iii) beginning before January 1, 1987, shall be a net operating loss carryback to each of the three taxable years preceding the loss year subject to the provisions of Minnesota Statutes 1986, section 290.095.

(b) The entire amount of the net operating loss for any taxable year shall be carried to the earliest of the taxable years to which such loss may be carried. The portion of such loss which shall be carried to each of the other taxable years shall be the excess, if any, of the amount of such loss over the sum of the taxable net income, adjusted by the modifications specified in subdivision 4, for each of the taxable years to which such loss may be carried.

(c) Where a corporation apportions its income under the provisions of section 290.191, the net operating loss deduction incurred in any taxable year shall be allowed to the extent of the apportionment ratio of the loss year.

(d) The provisions of sections 381, 382, and 384 of the Internal Revenue Code apply to carryovers in certain corporate acquisitions and special limitations on net operating loss carryovers. The limitation amount determined under section 382 shall be applied to net income, before apportionment, in each post change year to which a loss is carried.

**EFFECTIVE DATE.** This section is effective for taxable years beginning after December 31, 2013.

Sec. 70. Minnesota Statutes 2013 Supplement, section 290.191, subdivision 5, is amended to read:

Subd. 5. **Determination of sales factor.** For purposes of this section, the following rules apply in determining the sales factor.
(a) The sales factor includes all sales, gross earnings, or receipts received in the ordinary course of the business, except that the following types of income are not included in the sales factor:

(1) interest;

(2) dividends;

(3) sales of capital assets as defined in section 1221 of the Internal Revenue Code;

(4) sales of property used in the trade or business, except sales of leased property of a type which is regularly sold as well as leased; and

(5) sales of debt instruments as defined in section 1275(a)(1) of the Internal Revenue Code or sales of stock.

(b) Sales of tangible personal property are made within this state if the property is received by a purchaser at a point within this state, and the taxpayer is taxable in this state, regardless of the f.o.b. point, other conditions of the sale, or the ultimate destination of the property.

(c) Tangible personal property delivered to a common or contract carrier or foreign vessel for delivery to a purchaser in another state or nation is a sale in that state or nation, regardless of f.o.b. point or other conditions of the sale.

(d) Notwithstanding paragraphs (b) and (c), when intoxicating liquor, wine, fermented malt beverages, cigarettes, or tobacco products are sold to a purchaser who is licensed by a state or political subdivision to resell this property only within the state of ultimate destination, the sale is made in that state.

(e) Sales made by or through a corporation that is qualified as a domestic international sales corporation under section 992 of the Internal Revenue Code are not considered to have been made within this state.

(f) Sales, rents, royalties, and other income in connection with real property is attributed to the state in which the property is located.

(g) Receipts from the lease or rental of tangible personal property, including finance leases and true leases, must be attributed to this state if the property is located in this state and to other states if the property is not located in this state. Receipts from the lease or rental of moving property including, but not limited to, motor vehicles, rolling stock, aircraft, vessels, or mobile equipment are included in the numerator of the receipts factor to the extent that the property is used in this state. The extent of the use of moving property is determined as follows:

(1) A motor vehicle is used wholly in the state in which it is registered.

(2) The extent that rolling stock is used in this state is determined by multiplying the receipts from the lease or rental of the rolling stock by a fraction, the numerator of
which is the miles traveled within this state by the leased or rented rolling stock and the
denominator of which is the total miles traveled by the leased or rented rolling stock.

(3) The extent that an aircraft is used in this state is determined by multiplying the
receipts from the lease or rental of the aircraft by a fraction, the numerator of which is
the number of landings of the aircraft in this state and the denominator of which is the
total number of landings of the aircraft.

(4) The extent that a vessel, mobile equipment, or other mobile property is used in
the state is determined by multiplying the receipts from the lease or rental of the property
by a fraction, the numerator of which is the number of days during the taxable year the
property was in this state and the denominator of which is the total days in the taxable year.

(h) Royalties and other income received for the use of or for the privilege of using
intangible property, including patents, know-how, formulas, designs, processes, patterns,
copyrights, trade names, service names, franchises, licenses, contracts, customer lists, or
similar items, must be attributed to the state in which the property is used by the purchaser.
If the property is used in more than one state, the royalties or other income must be
apportioned to this state pro rata according to the portion of use in this state. If the portion
of use in this state cannot be determined, the royalties or other income must be excluded
from both the numerator and the denominator. Intangible property is used in this state if
the purchaser uses the intangible property or the rights therein in the regular course of its
business operations in this state, regardless of the location of the purchaser's customers.

(i) Sales of intangible property are made within the state in which the property is
used by the purchaser. If the property is used in more than one state, the sales must be
apportioned to this state pro rata according to the portion of use in this state. If the
portion of use in this state cannot be determined, the sale must be excluded from both the
numerator and the denominator of the sales factor. Intangible property is used in this
state if the purchaser used the intangible property in the regular course of its business
operations in this state.

(j) Receipts from the performance of services must be attributed to the state where
the services are received. For the purposes of this section, receipts from the performance
of services provided to a corporation, partnership, or trust may only be attributed to a state
where it has a fixed place of doing business. If the state where the services are received is
not readily determinable or is a state where the corporation, partnership, or trust receiving
the service does not have a fixed place of doing business, the services shall be deemed
to be received at the location of the office of the customer from which the services were
ordered in the regular course of the customer's trade or business. If the ordering office
cannot be determined, the services shall be deemed to be received at the office of the
customer to which the services are billed.

(k) For the purposes of this subdivision and subdivision 6, paragraph (l), receipts
from management, distribution, or administrative services performed by a corporation
or trust for a fund of a corporation or trust regulated under United States Code, title 15,
sections 80a-1 through 80a-64, must be attributed to the state where the shareholder of
the fund resides. Under this paragraph, receipts for services attributed to shareholders are
determined on the basis of the ratio of: (1) the average of the outstanding shares in the
fund owned by shareholders residing within Minnesota at the beginning and end of each
year; and (2) the average of the total number of outstanding shares in the fund at the
beginning and end of each year. Residence of the shareholder, in the case of an individual,
is determined by the mailing address furnished by the shareholder to the fund. Residence
of the shareholder, when the shares are held by an insurance company as a depositor for
the insurance company policyholders, is the mailing address of the policyholders. In
the case of an insurance company holding the shares as a depositor for the insurance
company policyholders, if the mailing address of the policyholders cannot be determined
by the taxpayer, the receipts must be excluded from both the numerator and denominator.
Residence of other shareholders is the mailing address of the shareholder.

EFFECTIVE DATE. This section is effective the day following final enactment.

(c) An action by the authority to waive or decline to accept an increment has no effect for purposes of computing a duration limit based on the receipt of increment under this subdivision or any other provision of law. Sec. 86. Minnesota Statutes 2012, section 469.176, subdivision 3, is amended to read:

Subd. 3. Limitation on administrative expenses. (a) For districts for which certification was requested before August 1, 1979, or after June 30, 1982 and before...

authorized by the tax increment financing plan or the total tax increment expenditures
for the project, whichever is less.

(b) For districts for which certification was requested after July 31, 1979, and before
July 1, 1982, no tax increment shall be used to pay administrative expenses, as defined in

total tax increment expenditures authorized by the tax increment financing plan or the total
estimated tax increment expenditures for the district, whichever is less.

(e) (b) For districts for which certification was requested after July 31, 2001, no tax
increment may be used to pay any administrative expenses for a project which exceed
ten percent of total estimated tax increment expenditures authorized by the tax increment

clause (1), from the district, whichever is less.

(4) (c) Increments used to pay the county's administrative expenses under

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 87. Minnesota Statutes 2013 Supplement, section 469.1763, subdivision 2,
is amended to read:

Subd. 2. Expenditures outside district. (a) For each tax increment financing
district, an amount equal to at least 75 percent of the total revenue derived from tax
increments paid by properties in the district must be expended on activities in the district
or to pay bonds, to the extent that the proceeds of the bonds were used to finance activities
in the district or to pay, or secure payment of, debt service on credit enhanced bonds.

For districts, other than redevelopment districts for which the request for certification
was made after June 30, 1995, the in-district percentage for purposes of the preceding
sentence is 80 percent. Not more than 25 percent of the total revenue derived from tax
increments paid by properties in the district may be expended, through a development fund
or otherwise, on activities outside of the district but within the defined geographic area of
the project except to pay, or secure payment of, debt service on credit enhanced bonds.

For districts, other than redevelopment districts for which the request for certification was
made after June 30, 1995, the pooling percentage for purposes of the preceding sentence is
20 percent. The revenue derived from tax increments for the district that are expended on
costs under section 469.176, subdivision 4h, paragraph (b), may be deducted first before
calculating the percentages that must be expended within and without the district.
(b) In the case of a housing district, a housing project, as defined in section 469.174, subdivision 11, is an activity in the district.

(c) All administrative expenses are for activities outside of the district, except that if the only expenses for activities outside of the district under this subdivision are for the purposes described in paragraph (d), administrative expenses will be considered as expenditures for activities in the district.

(d) The authority may elect, in the tax increment financing plan for the district, to increase by up to ten percentage points the permitted amount of expenditures for activities located outside the geographic area of the district under paragraph (a). As permitted by section 469.176, subdivision 4k, the expenditures, including the permitted expenditures under paragraph (a), need not be made within the geographic area of the project. Expenditures that meet the requirements of this paragraph are legally permitted expenditures of the district, notwithstanding section 469.176, subdivisions 4b, 4c, and 4j.

To qualify for the increase under this paragraph, the expenditures must:

(1) be used exclusively to assist housing that meets the requirement for a qualified low-income building, as that term is used in section 42 of the Internal Revenue Code; and

(2) not exceed the qualified basis of the housing, as defined under section 42(c) of the Internal Revenue Code, less the amount of any credit allowed under section 42 of the Internal Revenue Code; and

(3) be used to:

(i) acquire and prepare the site of the housing;

(ii) acquire, construct, or rehabilitate the housing; or

(iii) make public improvements directly related to the housing; or

(4) be used to develop housing:

(i) if the market value of the housing does not exceed the lesser of:

(A) 150 percent of the average market value of single-family homes in that municipality; or

(B) $200,000 for municipalities located in the metropolitan area, as defined in section 473.121, or $125,000 for all other municipalities; and

(ii) if the expenditures are used to pay the cost of site acquisition, relocation, demolition of existing structures, site preparation, and pollution abatement on one or more parcels, if the parcel contains a residence containing one to four family dwelling units that has been vacant for six or more months and is in foreclosure as defined in section 325N.10, subdivision 7, but without regard to whether the residence is the owner's principal residence, and only after the redemption period has expired.
(e) For a district created within a biotechnology and health sciences industry zone as defined in section 469.330, subdivision 6, or for an existing district located within such a zone, tax increment derived from such a district may be expended outside of the district but within the zone only for expenditures required for the construction of public infrastructure necessary to support the activities of the zone, land acquisition, and other redevelopment costs as defined in section 469.176, subdivision 4j. These expenditures are considered as expenditures for activities within the district. The authority provided by this paragraph expires for expenditures made after the later of (1) December 31, 2015, or (2) the end of the five-year period beginning on the date the district was certified, provided that date was before January 1, 2016.

(f) The authority under paragraph (d), clause (4), expires on December 31, 2016. Increments may continue to be expended under this authority after that date, if they are used to pay bonds or binding contracts that would qualify under subdivision 3, paragraph (a), if December 31, 2016, is considered to be the last date of the five-year period after certification under that provision.

EFFECTIVE DATE. This section is effective the day following final enactment and applies to all districts, regardless of when the request for certification was made.

Sec. 88. Minnesota Statutes 2012, section 473.665, subdivision 5, is amended to read:

Subd. 5. Tax levy; surplus; reduction. The corporation, upon issuing any bonds under the provisions of this section, shall, before the issuance thereof, levy for each year, until the principal and interest are paid in full, a direct annual tax on all the taxable property of the cities in and for which the corporation has been created in an amount not less than five percent in excess of the sum required to pay the principal and interest thereof, when and as such principal and interest matures. After any of such bonds have been delivered to purchasers, such tax shall be irrepealable until all such indebtedness is paid, and after the issuance of such bonds no further action of the corporation shall be necessary to authorize the extensions, assessments, and collection of such tax. The secretary of the corporation shall forthwith furnish a certified copy of such levy to the county auditor or county auditors of the county or counties in which the cities in and for which the corporation has been created are located, together with full information regarding the bonds for which the tax is levied, and such county auditor or such county auditors, as the case may be, shall enter the same in the register provided for in section 475.62, or a similar register, and shall extend and assess the tax so levied. If both cities are located wholly within one county, the county auditor thereof shall annually extend and assess the amount of the tax so levied. If the cities are located in different counties, the county auditor of each such county shall
annually extend and assess such portion of the tax levied as the net tax capacity of the taxable property, not including moneys and credits, located wholly within the city in such county bears to the total net tax capacity of the taxable property, not including moneys and credits, within both cities. Any surplus resulting from the excess levy herein provided for shall be transferred to a sinking fund after the principal and interest for which the tax was levied and collected has been paid; provided, that the corporation may, on or before October 15 in any year, by appropriate action, cause its secretary to certify to the county auditor, or auditors, the amount on hand and available in its treasury from earnings, or otherwise, including the amount in the sinking fund, which it will use to pay principal or interest or both on each specified issue of its bonds, and the county auditor or auditors shall reduce the levy for that year, herein provided for by that amount. The amount of funds so certified shall be set aside by the corporation, and be used for no other purpose than for the payment of the principal and interest of the bonds. All taxes hereunder shall be collected and remitted to the corporation by the county treasurer or county treasurers, in accordance with the provisions of law governing the collection of other taxes, and shall be used solely for the payment of the bonds where due.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

In addition, the commissioner shall notify the authorities of their aid amounts, as well as the computational factors used in making the calculations for their authority, and those statewide total figures that are pertinent, before August 1 of the year preceding the aid distribution year.
(b) For the purposes of this subdivision, aid is determined for a city or town based
on its city or town status as of June 30 of the year preceding the aid distribution year. If
the effective date for a municipal incorporation, consolidation, annexation, detachment,
dissolution, or township organization is on or before June 30 of the year preceding
the aid distribution year, such change in boundaries or form of government shall be
recognized for aid determinations for the aid distribution year. If the effective date for a
municipal incorporation, consolidation, annexation, detachment, dissolution, or township
organization is after June 30 of the year preceding the aid distribution year, such change in
boundaries or form of government shall not be recognized for aid determinations until
the following year.

(c) Changes in boundaries or form of government will only be recognized for the
purposes of this subdivision, to the extent that: (1) changes in market values are included
in market values reported by assessors to the commissioner, and changes in population;
and household size; and the road accidents factor are included in their respective
certifications to the commissioner as referenced in section 477A.011, or (2) an annexation
information report as provided in paragraph (d) is received by the commissioner on
or before July 15 of the aid calculation year. Revisions to estimates or data for use in
recognizing changes in boundaries or form of government are not effective for purposes
of this subdivision unless received by the commissioner on or before July 15 of the aid
calculation year. Clerical errors in the certification or use of estimates and data established

allowed under subdivision 3.

by the annexing jurisdiction and submitted to the commissioner for purposes of this
subdivision if the net tax capacity of annexed area for the assessment year preceding the
effective date of the annexation exceeds five percent of the city's net tax capacity for the
same year. The form and contents of the annexation information report shall be prescribed
by the commissioner. The commissioner shall change the net tax capacity, the population,
the population decline, the commercial industrial percentage, and the transformed
population for the annexing jurisdiction only if the annexation information report provides
data the commissioner determines to be reliable for all of these factors used to compute city
revenue need for the annexing jurisdiction. The commissioner shall adjust the pre-1940
housing percentage, the road accidents factor, and household size only if the entire area of
an existing city or town is annexed or consolidated and only if reliable data is available for
all of these factors used to compute city revenue need for the annexing jurisdiction.

The commissioner shall pay for these transcripts and other necessary expenses from county program aid retained by the commissioner of revenue for that purpose under section 477A.0124, subdivision 1, clause (4), or 477A.03, subdivision 2b, paragraph (a).

DEPARTMENT OF REVENUE - TECHNICAL AND POLICY
PROPERTY TAX PROVISIONS

Section 1. Minnesota Statutes 2012, section 270.87, is amended to read:

270.87 CERTIFICATION TO COUNTY ASSESSORS.

After making an annual determination of the equalized fair market value of the
operating property of each company in each of the respective counties, and in the taxing
districts therein, the commissioner shall certify the equalized fair market value to the
county assessor on or before June 30. The equalized fair market value of the operating
property of the railroad company in the county and the taxing districts therein is the value
on which taxes must be levied and collected in the same manner as on the commercial and
industrial property of such county and the taxing districts therein. If the commissioner
determines that the equalized fair market value certified on or before June 30 is in error,
the commissioner may issue a corrected certification on or before August 31. The
commissioner may correct errors that are merely clerical in nature until December 31.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 2. Minnesota Statutes 2012, section 272.029, subdivision 4a, is amended to read:

Subd. 4a. Correction of errors. If the commissioner of revenue determines that
the amount of production tax has been erroneously calculated, the commissioner may
correct the error. The commissioner must notify the owner of the wind energy conversion
system of the correction and the amount of tax due to each county and must certify the
correction to the county auditor of each county in which the system is located on or before
April 1 of the current year. The commissioner may correct errors that are merely clerical
in nature until December 31.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 3. Minnesota Statutes 2012, section 273.01, is amended to read:

273.01 LISTING AND ASSESSMENT, TIME.

All real property subject to taxation shall be listed and at least one-fifth of the parcels
listed shall be appraised each year with reference to their value on January 2 preceding the
assessment so that each parcel shall be reappraised at maximum intervals of five years. All
real property becoming taxable in any year shall be listed with reference to its value on
January 2 of that year. Except as provided in this section and section 274.01, subdivision
1, all real property assessments shall be completed two weeks prior to the date scheduled
for the local board of review or equalization. No changes in valuation or classification
which are intended to correct errors in judgment by the county assessor may be made by
the county assessor after the board of review or the county board of equalization has
adjourned; however, corrections of errors for real or personal property that are merely
clerical in nature or changes that extend homestead treatment to property are permitted
after adjournment until the tax extension date for that assessment year. Any changes made
by the assessor after adjournment must be fully documented and maintained in a file in the
assessor's office and shall be available for review by any person. A copy of any changes
made during this period shall be sent to the county board no later than December 31 of
the assessment year. In the event a valuation and classification is not placed on any real
property by the dates scheduled for the local board of review or equalization the valuation
and classification determined in the preceding assessment shall be continued in effect and
the provisions of section 273.13 shall, in such case, not be applicable, except with respect
to real estate which has been constructed since the previous assessment. Real property
containing iron ore, the fee to which is owned by the state of Minnesota, shall, if leased by
the state after January 2 in any year, be subject to assessment for that year on the value of
any iron ore removed under said lease prior to January 2 of the following year. Personal
property subject to taxation shall be listed and assessed annually with reference to its value
on January 2; and, if acquired on that day, shall be listed by or for the person acquiring it.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 4. Minnesota Statutes 2013 Supplement, section 273.1325, subdivision 1, is
amended to read:

Subdivision 1. **Computation.** The Department of Revenue must annually conduct
an assessment/sales ratio study of the taxable property in each county, city, town, and
school district in accordance with the procedures in subdivisions 2 and 3. Based upon the
results of this assessment/sales ratio study, the Department of Revenue must determine
an equalized net tax capacity for the various classes of taxable property in each taxing
district, the aggregate of which is designated as the adjusted net tax capacity. The adjusted
net tax capacity must be reduced by the captured tax capacity of tax increment districts
under section 469.177, subdivision 2, fiscal disparities contribution tax capacities under
sections 276A.06 and 473F.08, and the tax capacity of transmission lines required to be
subtracted from the local tax base under section 273.425; and increased by fiscal disparities
distribution tax capacities under sections 276A.06 and 473F.08. The adjusted net tax
capacities shall be determined using the net tax capacity percentages in effect for the
assessment year following the assessment year of the study. The Department of Revenue
must make whatever estimates are necessary to account for changes in the classification
system. The Department of Revenue may incur the expense necessary to make the
determinations. The commissioner of revenue may reimburse any county or governmental
official for requested services performed in ascertaining the adjusted net tax capacity. On
or before March 15 annually, the Department of Revenue shall file with the chair of the
Tax Committee of the house of representatives and the chair of the Committee on Taxes
and Tax laws of the senate a report of adjusted net tax capacities for school districts.
On or before June 45 30 annually, the Department of Revenue shall file its final report
on the adjusted net tax capacities for school districts established by the previous year's
assessments and the current year's net tax capacity percentages with the commissioner of
education and each county auditor for those school districts for which the auditor has the
responsibility for determination of local tax rates. A copy of the report so filed shall be
mailed to the clerk of each school district involved and to the county assessor or supervisor
of assessments of the county or counties in which each school district is located.

**EFFECTIVE DATE.** This section is effective January 1, 2014.

Sec. 5. Minnesota Statutes 2012, section 273.33, subdivision 2, is amended to read:

Subd. 2. *Listing and assessment by commissioner.* The personal property,
consisting of the pipeline system of mains, pipes, and equipment attached thereto, of
pipeline companies and others engaged in the operations or business of transporting natural
gas, gasoline, crude oil, or other petroleum products by pipelines, shall be listed with and
assessed by the commissioner of revenue and the values provided to the city or county
assessor by order. This subdivision shall not apply to the assessment of the products
transported through the pipelines nor to the lines of local commercial gas companies
engaged primarily in the business of distributing gas to consumers at retail nor to pipelines
used by the owner thereof to supply natural gas or other petroleum products exclusively
for such owner's own consumption and not for resale to others. If more than 85 percent
of the natural gas or other petroleum products actually transported over the pipeline is
used for the owner's own consumption and not for resale to others, then this subdivision
shall not apply; provided, however, that in that event, the pipeline shall be assessed in
proportion to the percentage of gas actually transported over such pipeline that is not used
for the owner's own consumption. On or before August 1, the commissioner shall certify
to the auditor of each county, the amount of such personal property assessment against
each company in each district in which such property is located. If the commissioner
determines that the amount of personal property assessment certified on or before August
169.11 is in error, the commissioner may issue a corrected certification on or before October 1.

169.2 The commissioner may correct errors that are merely clerical in nature until December 31.

169.3 **EFFECTIVE DATE.** This section is effective the day following final enactment.

169.4 Sec. 6. Minnesota Statutes 2012, section 273.37, subdivision 2, is amended to read:

169.5 Subd. 2. **Listing and assessment by commissioner.** Transmission lines of less
169.6 than 69 kv, transmission lines of 69 kv and above located in an unorganized township,
169.7 and distribution lines, and equipment attached thereto, having a fixed situs outside the
169.8 corporate limits of cities except distribution lines taxed as provided in sections 273.40
169.9 and 273.41, shall be listed with and assessed by the commissioner of revenue in the
169.10 county where situated and the values provided to the city or county assessor by order.
169.11 The commissioner shall assess such property at the percentage of market value fixed by
169.12 law; and, on or before August 1, shall certify to the auditor of each county in which
169.13 such property is located the amount of the assessment made against each company and
169.14 person owning such property. If the commissioner determines that the amount of the
169.15 assessment certified on or before August 1 is in error, the commissioner may issue a
169.16 corrected certification on or before October 1. The commissioner may correct errors that
169.17 are merely clerical in nature until December 31.

169.18 **EFFECTIVE DATE.** This section is effective the day following final enactment.

169.19 Sec. 7. Minnesota Statutes 2012, section 273.3711, is amended to read:

169.20 **273.3711 RECOMMENDED AND ORDERED VALUES.**
169.21 For purposes of sections 273.33, 273.35, 273.36, 273.37, 273.371, and 273.372,
169.22 all values not required to be listed and assessed by the commissioner of revenue are
169.23 recommended values. If the commissioner provides recommended values, the values must
169.24 be certified to the auditor of each county in which the property is located on or before
169.25 August 1. If the commissioner determines that the certified recommended value is in
169.26 error the commissioner may issue a corrected certification on or before October 1. The
169.27 commissioner may correct errors that are merely clerical in nature until December 31.

169.28 **EFFECTIVE DATE.** This section is effective the day following final enactment.

169.29 Sec. 8. Minnesota Statutes 2012, section 274.01, subdivision 1, is amended to read:

169.30 Subdivision 1. **Ordinary board; meetings, deadlines, grievances.** (a) The town
169.31 board of a town, or the council or other governing body of a city, is the board of appeal
and equalization except (1) in cities whose charters provide for a board of equalization or
(2) in any city or town that has transferred its local board of review power and duties to
the county board as provided in subdivision 3. The county assessor shall fix a day and
time when the board or the board of equalization shall meet in the assessment districts
of the county. Notwithstanding any law or city charter to the contrary, a city board of
equalization shall be referred to as a board of appeal and equalization. On or before
February 15 of each year the assessor shall give written notice of the time to the city or
town clerk. Notwithstanding the provisions of any charter to the contrary, the meetings
must be held between April 1 and May 31 each year. The clerk shall give published and
posted notice of the meeting at least ten days before the date of the meeting.

The board shall meet either at a central location within the county or at the office of
the clerk to review the assessment and classification of property in the town or city. No
changes in valuation or classification which are intended to correct errors in judgment by
the county assessor may be made by the county assessor after the board has adjourned
in those cities or towns that hold a local board of review; however, corrections of errors
that are merely clerical in nature or changes that extend homestead treatment to property
are permitted after adjournment until the tax extension date for that assessment year. The
changes must be fully documented and maintained in the assessor's office and must be
available for review by any person. A copy of the changes made during this period in
those cities or towns that hold a local board of review must be sent to the county board no
later than December 31 of the assessment year.

(b) The board shall determine whether the taxable property in the town or city has
been properly placed on the list and properly valued by the assessor. If real or personal
property has been omitted, the board shall place it on the list with its market value, and
correct the assessment so that each tract or lot of real property, and each article, parcel,
or class of personal property, is entered on the assessment list at its market value. No
assessment of the property of any person may be raised unless the person has been
duly notified of the intent of the board to do so. On application of any person feeling
aggrieved, the board shall review the assessment or classification, or both, and correct
it as appears just. The board may not make an individual market value adjustment or
classification change that would benefit the property if the owner or other person having
control over the property has refused the assessor access to inspect the property and the
interior of any buildings or structures as provided in section 273.20. A board member
shall not participate in any actions of the board which result in market value adjustments
or classification changes to property owned by the board member, the spouse, parent,
stepparent, child, stepchild, grandparent, grandchild, brother, sister, uncle, aunt, nephew,
171.1 or niece of a board member, or property in which a board member has a financial interest.
171.2 The relationship may be by blood or marriage.
171.3 (c) A local board may reduce assessments upon petition of the taxpayer but the total
171.4 reductions must not reduce the aggregate assessment made by the county assessor by more
171.5 than one percent. If the total reductions would lower the aggregate assessments made by
171.6 the county assessor by more than one percent, none of the adjustments may be made. The
171.7 assessor shall correct any clerical errors or double assessments discovered by the board
171.8 without regard to the one percent limitation.
171.9 (d) A local board does not have authority to grant an exemption or to order property
171.10 removed from the tax rolls.
171.11 (e) A majority of the members may act at the meeting, and adjourn from day to day
171.12 until they finish hearing the cases presented. The assessor shall attend, with the assessment
171.13 books and papers, and take part in the proceedings, but must not vote. The county assessor,
171.14 or an assistant delegated by the county assessor shall attend the meetings. The board shall
171.15 list separately, on a form appended to the assessment book, all omitted property added
171.16 to the list by the board and all items of property increased or decreased, with the market
171.17 value of each item of property, added or changed by the board, placed opposite the item.
171.18 The county assessor shall enter all changes made by the board in the assessment book.
171.19 (f) Except as provided in subdivision 3, if a person fails to appear in person, by
171.20 counsel, or by written communication before the board after being duly notified of the
171.21 board's intent to raise the assessment of the property, or if a person feeling aggrieved by an
171.22 assessment or classification fails to apply for a review of the assessment or classification,
171.23 the person may not appear before the county board of appeal and equalization for a review
171.24 of the assessment or classification. This paragraph does not apply if an assessment was
171.25 made after the local board meeting, as provided in section 273.01, or if the person can
171.26 establish not having received notice of market value at least five days before the local
171.27 board meeting.
171.28 (g) The local board must complete its work and adjourn within 20 days from the
171.29 time of convening stated in the notice of the clerk, unless a longer period is approved by
171.30 the commissioner of revenue. No action taken after that date is valid. All complaints
171.31 about an assessment or classification made after the meeting of the board must be heard
171.32 and determined by the county board of equalization. A nonresident may, at any time,
171.33 before the meeting of the board file written objections to an assessment or classification
171.34 with the county assessor. The objections must be presented to the board at its meeting by
171.35 the county assessor for its consideration.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Beginning in 2006 2015, this notice must also verify that there was a quorum of voting members at each meeting of the board of appeal and equalization in the current year. A city or town that does not comply with these requirements is deemed to have transferred its board of appeal and equalization powers to the county beginning with the following year's assessment and continuing unless the powers are reinstated under paragraph (c).

(b) The county shall notify the taxpayers when the board of appeal and equalization for a city or town has been transferred to the county under this subdivision and, prior to the meeting time of the county board of equalization, the county shall make available to those taxpayers a procedure for a review of the assessments, including, but not limited to, open book meetings. Provided that, if the total payment to the county pursuant to section 477A.12 is not sufficient to fully fund the distribution provided for in this clause, the amount available shall be distributed to each township and the county general revenue fund on a pro rata basis; and

(e) (3) any remaining funds shall be deposited in the county general revenue fund. Provided that, if the distribution to the county general revenue fund exceeds $35,000, the excess shall be used to provide property tax levy reduction.

FRANCHISE, SALES AND USE, AND MISCELLANEOUS TAX PROVISIONS

Section 1. Minnesota Statutes 2012, section 270C.34, subdivision 2, is amended to read:

Subd. 2. Procedure. (a) A request for abatement of penalty under subdivision 1 or
section 289A.60, subdivision 4, or a request for abatement of interest or additional tax
charge, must be filed with the commissioner within 60 days of the date the notice was
mailed to the taxpayer's last known address, stating that a penalty has been imposed.

(b) If the commissioner issues an order denying a request for abatement of penalty,
interest, or additional tax charge, the taxpayer may file an administrative appeal as
provided in section 270C.35 or appeal to Tax Court as provided in section 271.06.

(c) If the commissioner does not issue an order on the abatement request within
60 days from the date the request is received, the taxpayer may appeal to Tax Court as
provided in section 271.06.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 2. Minnesota Statutes 2012, section 270C.56, subdivision 3, is amended to read:

Subd. 3. Procedure for assessment; claims for refunds. (a) The commissioner
may assess liability for the taxes described in subdivision 1 against a person liable
under this section. The assessment may be based upon information available to the
commissioner. It must be made within the prescribed period of limitations for assessing
the underlying tax, or within one year after the date of an order assessing underlying
tax, or within one year after the date of a final administrative or judicial determination,
whichever period expires later. An order assessing personal liability under this section is reviewable under section 270C.35 and is appealable to Tax Court.

(b) If the time for appealing the order has expired and a payment is made by or collected from the person assessed on the order in excess of the amount lawfully due from that person of any portion of the liability shown on the order, a claim for refund may be made by that person within 120 days after any payment of the liability if the payment is within 3-1/2 years after the date the order was issued. Claims for refund under this paragraph are limited to the amount paid during the 120-day period. Any amounts collected under paragraph (c) after a claim for refund is filed in order to satisfy the unpaid balance of the assessment that is the subject of the claim shall be returned if the claim is allowed. There is no claim for refund available under this paragraph if the assessment has previously been the subject of an administrative or Tax Court appeal, or a denied claim for refund. The taxpayer may contest denial of the refund as provided in the procedures governing claims for refunds under section 289A.50, subdivision 7.

(c) If a person has been assessed under this section for an amount for a given period and the time for appeal has expired, regardless of whether an action contesting denial of a claim for refund has been filed under paragraph (b), or there has been a final determination that the person is liable, collection action is not stayed pursuant to section 270C.33, subdivision 5, for that assessment or for subsequent assessments of additional amounts for the same person for the same period and tax type.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 3. Minnesota Statutes 2012, section 289A.18, subdivision 2, is amended to read:

Subd. 2. Withholding returns, entertainer withholding returns, returns for withholding from payments to out-of-state contractors, and withholding returns from partnerships and S corporations. (a) Withholding returns for the first, second, and third quarters are due on or before the last day of the month following the close of the quarterly period. However, if the return shows timely deposits in full payment of the taxes due for that period, the returns for the first, second, and third quarters may be filed on or before the tenth day of the second calendar month following the period. The return for the fourth quarter must be filed on or before the 28th day of the second calendar month following the period. An employer, in preparing a quarterly return, may take credit for deposits previously made for that quarter. Entertainer withholding tax returns are due within 30 days after each performance. Returns for withholding from payments to out-of-state contractors are due within 30 days after the payment to the contractor. Returns for withholding by partnerships are due on or before the due date specified for filing
partnership returns. Returns for withholding by S corporations are due on or before the due date specified for filing corporate franchise tax returns.

(b) A seasonal employer who provides notice in the form and manner prescribed by the commissioner before the end of the calendar quarter is not required to file a withholding tax return for periods of anticipated inactivity unless the employer pays wages during the period from which tax is withheld. For purposes of this paragraph, a seasonal employer is an employer that regularly, in the same one or more quarterly periods of each calendar year, pays no wages to employees.

**EFFECTIVE DATE.** (a) The amendments in paragraph (a) are effective for returns due after January 1, 2016.

(b) The amendment adding paragraph (b) is effective for wages paid after December 31, 2015.

Sec. 4. Minnesota Statutes 2013 Supplement, section 290.191, subdivision 5, is amended to read:

Subd. 5. **Determination of sales factor.** For purposes of this section, the following rules apply in determining the sales factor.

(a) The sales factor includes all sales, gross earnings, or receipts received in the ordinary course of the business, except that the following types of income are not included in the sales factor:

(1) interest;

(2) dividends;

(3) sales of capital assets as defined in section 1221 of the Internal Revenue Code;

(4) sales of property used in the trade or business, except sales of leased property of a type which is regularly sold as well as leased; and

(5) sales of debt instruments as defined in section 1275(a)(1) of the Internal Revenue Code or sales of stock.

(b) Sales of tangible personal property are made within this state if the property is received by a purchaser at a point within this state, and the taxpayer is taxable in this state, regardless of the f.o.b. point, other conditions of the sale, or the ultimate destination of the property.

(c) Tangible personal property delivered to a common or contract carrier or foreign vessel for delivery to a purchaser in another state or nation is a sale in that state or nation, regardless of f.o.b. point or other conditions of the sale.

(d) Notwithstanding paragraphs (b) and (c), when intoxicating liquor, wine, fermented malt beverages, cigarettes, or tobacco products are sold to a purchaser who is
licensed by a state or political subdivision to resell this property only within the state of
ultimate destination, the sale is made in that state.

(e) Sales made by or through a corporation that is qualified as a domestic
international sales corporation under section 992 of the Internal Revenue Code are not
considered to have been made within this state.

(f) Sales, rents, royalties, and other income in connection with real property is
attributed to the state in which the property is located.

(g) Receipts from the lease or rental of tangible personal property, including finance
leases and true leases, must be attributed to this state if the property is located in this
state and to other states if the property is not located in this state. Receipts from the
lease or rental of moving property including, but not limited to, motor vehicles, rolling
stock, aircraft, vessels, or mobile equipment are included in the numerator of the receipts
factor to the extent that the property is used in this state. The extent of the use of moving
property is determined as follows:

(1) A motor vehicle is used wholly in the state in which it is registered.

(2) The extent that rolling stock is used in this state is determined by multiplying
the receipts from the lease or rental of the rolling stock by a fraction, the numerator of
which is the miles traveled within this state by the leased or rented rolling stock and the
denominator of which is the total miles traveled by the leased or rented rolling stock.

(3) The extent that an aircraft is used in this state is determined by multiplying the
receipts from the lease or rental of the aircraft by a fraction, the numerator of which is
the number of landings of the aircraft in this state and the denominator of which is the
total number of landings of the aircraft.

(4) The extent that a vessel, mobile equipment, or other mobile property is used in
the state is determined by multiplying the receipts from the lease or rental of the property
by a fraction, the numerator of which is the number of days during the taxable year the
property was in this state and the denominator of which is the total days in the taxable year.

(h) Royalties and other income received for the use of or for the privilege of using
intangible property, including patents, know-how, formulas, designs, processes, patterns,
copyrights, trade names, service names, franchises, licenses, contracts, customer lists, or
similar items, must be attributed to the state in which the property is used by the purchaser.

If the property is used in more than one state, the royalties or other income must be
apportioned to this state pro rata according to the portion of use in this state. If the portion
of use in this state cannot be determined, the royalties or other income must be excluded
from both the numerator and the denominator. Intangible property is used in this state if
the purchaser uses the intangible property or the rights therein in the regular course of its
business operations in this state, regardless of the location of the purchaser's customers.
(i) Sales of intangible property are made within the state in which the property is
used by the purchaser. If the property is used in more than one state, the sales must be
apportioned to this state pro rata according to the portion of use in this state. If the
portion of use in this state cannot be determined, the sale must be excluded from both the
numerator and the denominator of the sales factor. Intangible property is used in this
state if the purchaser used the intangible property in the regular course of its business
operations in this state.
(j) Receipts from the performance of services must be attributed to the state where
the services are received. For the purposes of this section, receipts from the performance
of services provided to a corporation, partnership, or trust may only be attributed to a state
where it has a fixed place of doing business. If the state where the services are received is
not readily determinable or is a state where the corporation, partnership, or trust receiving
the service does not have a fixed place of doing business, the services shall be deemed
to be received at the location of the office of the customer from which the services were
ordered in the regular course of the customer's trade or business. If the ordering office
cannot be determined, the services shall be deemed to be received at the office of the
customer to which the services are billed.
(k) For the purposes of this subdivision and subdivision 6, paragraph (l), receipts
from management, distribution, or administrative services performed by a corporation
or trust for a fund of a corporation or trust regulated under United States Code, title 15,
sections 80a-1 through 80a-64, must be attributed to the state where the shareholder of
the fund resides. Under this paragraph, receipts for services attributed to shareholders are
determined on the basis of the ratio of: (1) the average of the outstanding shares in the
fund owned by shareholders residing within Minnesota at the beginning and end of each
year; and (2) the average of the total number of outstanding shares in the fund at the
beginning and end of each year. Residence of the shareholder, in the case of an individual,
is determined by the mailing address furnished by the shareholder to the fund. Residence
of the shareholder, when the shares are held by an insurance company as a depositor for
the insurance company policyholders, is the mailing address of the policyholders. In
the case of an insurance company holding the shares as a depositor for the insurance
company policyholders, if the mailing address of the policyholders cannot be determined
by the taxpayer, the receipts must be excluded from both the numerator and denominator.
Residence of other shareholders is the mailing address of the shareholder.

(1) deposit the proportion of the collected fees attributable to the prepaid wireless E911 fee in the 911 emergency telecommunications service account in the special revenue fund; and

(2) deposit the proportion of collected fees attributable to the prepaid wireless telecommunications access Minnesota fee in the telecommunications access fund established in section 237.52, subdivision 1.

(b) The department commissioner of revenue may deduct and retain deposit in a special revenue account an amount, not to exceed two percent of collected fees; Money in the account is annually appropriated to the commissioner of revenue to reimburse its direct costs of administering the collection and remittance of prepaid wireless E911 fees and prepaid wireless telecommunications access Minnesota fees.

continue in full force and effect.

273.075 INSTRUCTIONAL COURSES FOR ASSESSORS AND DEPUTIES.  
Personnel employed as assessors or deputies of said assessor may be enrolled in courses  
approved by the commissioner of revenue and have the tuition for such course paid for from  
moneys appropriated by Laws 1971, chapter 931. Such payment shall be made to the University  
of Minnesota or any other college or institution conducting such an accredited course, provided  
that such payment may only be made if the application is made by or approved by the taxing  
district or districts for which the assessor or deputy is employed and the commissioner of revenue.  
Two or more taxing districts may join together in enrolling assessors in such approved  
courses.

273.1103 NET DEBT, TERMINOLOGY OF LAWS OR ChARTERS.  
Net debt incurred by any political subdivision or other public corporation for which any  
law or any charter provision provides a limit expressed as a percentage of the assessed value or  
the full and true value of taxable property (except any adjusted assessed value determined by the
commissioner under section 273.1325) shall not exceed 33-1/3 percent of such limit until and unless such law or charter is amended to provide a different limit.

273.1115 AGGREGATE RESOURCE PRESERVATION PROPERTY TAX LAW.
Subdivision 1. Definitions. For purposes of this section, "commercial aggregate deposit" and "actively mined" have the meanings given them in section 273.13, subdivision 23, paragraph (m).
Subd. 2. Requirement. Real estate is entitled to valuation under this section only if all of the following requirements are met:
(1) the property is classified as class 1a, 1b, 2a, or 2b property under section 273.13, subdivisions 22 and 23, or the property is classified as class 2e under section 273.13, subdivision 23, and immediately before being classified as class 2e was classified as class 1a or 1b;
(2) the property is at least ten contiguous acres, when the application is filed under subdivision 3;
(3) the owner has filed a completed application for deferment as specified in subdivision 3 with the county assessor in the county in which the property is located;
(4) there are no delinquent taxes on the property; and
(5) a covenant on the land restricts its use as provided in subdivision 3, clause (4).
Subd. 3. Application. Application for valuation deferment under this section must be filed by May 1 of the assessment year. Any application filed and granted continues in effect for subsequent years until the property no longer qualifies, provided that supplemental affidavits under subdivision 8 are timely filed. The application must be filed with the assessor of the county in which the real property is located on such form as may be prescribed by the commissioner of revenue. The application must be executed and acknowledged in the manner required by law to execute and acknowledge a deed and must contain at least the following information and any other information the commissioner deems necessary:
(1) the legal description of the area;
(2) the name and address of owner;
(3) a copy of the affidavit filed under section 273.13, subdivision 23, paragraph (m), when property is classified as 2e under section 273.13, subdivision 23, paragraph (m).
In other cases, the application must include a similar document with the same information as contained in the affidavit under section 273.13, subdivision 23, paragraph (m); and
(4) a statement of proof from the owner that the land contains a restrictive covenant limiting its use for the property's surface to that which exists on the date of the application and limiting its future use to the preparation and removal of the commercial aggregate deposit under its surface. To qualify under this clause, the covenant must be binding on the owner or the owner's successor or assignee, and run with the land, except as provided in subdivision 5 allowing for the cancellation of the covenant under certain conditions.
Subd. 4. Determination of value. Upon timely application by the owner as provided in subdivision 3, notwithstanding sections 272.03, subdivision 8, and 273.11, the value of any qualifying land described in subdivision 3 must be valued as if it were agricultural property, using a per acre valuation equal to the current assessment year's average per acre valuation of agricultural land in the county. The assessor shall not consider any additional value resulting from potential alternative and future uses of the property. The buildings located on the land shall be valued by the assessor in the normal manner.
Subd. 5. Cancellation of covenant. The covenant required under subdivision 3 may be canceled in two ways:
(1) by the owner beginning with the next subsequent assessment year provided that the additional taxes as determined under subdivision 7 are paid by the owner at the time of cancellation; or
(2) by the city or town in which the property is located beginning with the next subsequent assessment year, if the city council or town board:
(i) changes the conditional use of the property;
(ii) revokes the mining permit; or
(iii) changes the zoning to disallow mining.
No additional taxes are imposed on the property under this clause.
Subd. 6. County termination. Within two years of May 30, 2008, a county may, following notice and public hearing, terminate application of this section in the county. The termination is effective upon adoption of a resolution of the county board. A county has 60 days from receipt of the first application for enrollment under this section to notify the applicant and any subsequent applicants of the county's intent to begin the process of terminating application of this section in the county. The county must act on the termination within six months. Upon termination by a
vote of the county board, all applications received prior to and during notification of intent to terminate shall be deemed void. If the county board does not act on the termination within six months of notification, all applications for valuation for deferment received shall be deemed eligible for consideration to be enrolled under this section. Following this initial 60-day grace period, a termination applies prospectively and does not affect property enrolled under this section prior to the termination date. A county may reauthorize application of this section by a resolution of the county board revoking the termination.

Subd. 7. Additional taxes. When real property which has been valued and assessed under this section no longer qualifies, the portion of the land classified under subdivision 2, clause (1), is subject to additional taxes. The additional tax amount is determined by:

(1) computing the difference between (i) the current year's taxes determined in accordance with subdivision 4, and (ii) an amount as determined by the assessor based upon the property's current year's estimated market value of like real estate at its highest and best use and the appropriate local tax rate; and

(2) multiplying the amount determined in clause (1) by the number of years the land was in the program under this section. The current year's estimated market value as determined by the assessor must not exceed the market value that would result if the property was sold in an arms-length transaction and must not be greater than it would have been had the actual bona fide sale price of the property been used in lieu of that market value. The additional taxes must be extended against the property on the tax list for the current year, except that interest or penalties must not be levied on these additional taxes if timely paid. The additional tax under this subdivision must not be imposed on that portion of the property which has actively been mined and has been removed from the program based upon the supplemental affidavits filed under subdivision 8.

Subd. 8. Supplemental affidavits; mining activity on land. When any portion of the property begins to be actively mined, the owner must file a supplemental affidavit within 60 days from the day any aggregate is removed stating the number of acres of the property that is actively being mined. The acres actively being mined shall be (1) valued and classified under section 273.13, subdivision 24, in the next subsequent assessment year, and (2) removed from the aggregate resource preservation property tax program under this section. The additional taxes under subdivision 7 must not be imposed on the acres that are actively being mined and have been removed from the program under this section. Copies of the original affidavit and all supplemental affidavits must be filed with the county assessor, the local zoning administrator, and the Department of Natural Resources, Division of Land and Minerals. A supplemental affidavit must be filed each time a subsequent portion of the property is actively mined, provided that the minimum acreage change is five acres, even if the actual mining activity constitutes less than five acres. Failure to file the affidavits timely shall result in the property losing its valuation deferment under this section, and additional taxes must be imposed as calculated under subdivision 7.

Subd. 9. Lien. The additional tax imposed by this section is a lien upon the property assessed to the same extent and for the same duration as other taxes imposed upon property within this state and, when collected, must be distributed in the manner provided by law for the collection and distribution of other property taxes.

Subd. 10. Continuation of tax treatment upon sale. When real property qualifying under subdivision 2 is sold, additional taxes must not be extended against the property if the property continues to qualify under subdivision 2, and the new owner files an application with the assessor for continued deferment within 30 days after the sale.

273.13 CLASSIFICATION OF PROPERTY.

Subd. 21a. Class rate. In this section, wherever the "class rate" of a class of property is specified without qualification as to whether it is the property's "net class rate" or its "gross class rate," the "net class rate" and "gross class rate" of that property are the same as its "class rate."

273.1383 1997 FLOOD LOSS REPLACEMENT AID.

Subdivision 1. Flood net tax capacity loss. In assessment years 1998, 1999, and 2000, the county assessor of each county listed in section 273.124, subdivision 14, paragraph (d), clause (2), shall compute a hypothetical county net tax capacity based upon market values for the current assessment year and the class rates that were in effect for assessment year 1997. The amount, if any, by which the assessment year 1997 total taxable net tax capacity exceeds the hypothetical taxable net tax capacity shall be known as the county's "flood net tax capacity loss" for the current assessment year. The county assessor of each county whose flood net tax
capacity loss for the current year exceeds five percent of its assessment year 1997 total taxable net tax capacity shall certify its flood net tax capacity loss to the commissioner of revenue by August 1 of the assessment year.

Subd. 2. Flood loss aid. Each year, each county with a flood net tax capacity loss equal to or greater than five percent of its assessment year 1997 total taxable net tax capacity shall be entitled to flood loss aid equal to the flood net tax capacity loss times the county government's average local rate for taxes payable in 1998.

Subd. 3. Duties of commissioner. The commissioner of revenue shall determine each qualifying county's aid amount. If the sum of the aid amounts for all qualifying counties exceeds the appropriation limit, the commissioner shall proportionately reduce each county's aid amount so that the sum of county aid amounts is equal to the appropriation limit. The commissioner shall notify each county of its flood loss aid amount by August 15 of the assessment year. The commissioner shall make payments to each county on or before July 20 of the taxes payable year corresponding to the assessment year.

Subd. 4. Appropriation. An amount necessary to fund the aid amounts under this section is annually appropriated from the general fund to the commissioner of revenue in fiscal years 2000, 2001, and 2002, for calendar years 1999, 2000, and 2001. The maximum amount of the appropriation is limited to $1,700,000 for fiscal year 2000 and $1,500,000 per year for fiscal years 2001 and 2002. In addition, the amount of the appropriation under Laws 1997, Second Special Session chapter 2, section 9, that the commissioner determines will not be spent for the programs under that section is available to pay the aid amounts under this section.

273.1386 2002 FLOOD LOSS; CITY REPLACEMENT AID.

Subdivision 1. Flood net tax capacity loss. The county assessor of each qualified county shall compute a hypothetical city taxable net tax capacity for each city in the county based upon market values for assessment year 2003 and the class rates that were in effect for assessment year 2002. The amount, if any, by which the assessment year 2002 total taxable net tax capacity of the city exceeds the hypothetical taxable net tax capacity of the city is the city's "flood net tax capacity loss." A county assessor of a qualified county that contains a city that has a flood net tax capacity loss that exceeds five percent of its assessment year 2002 total taxable net tax capacity shall certify the city's flood net tax capacity loss to the commissioner of revenue by August 1, 2003.

As used in this section, a "qualified county" is a county located within the area included in DR-1419.

Subd. 2. Flood loss aid. In 2004, each city with a flood net tax capacity loss equal to or greater than five percent of its assessment year 2002 total taxable net tax capacity shall be entitled to flood loss aid equal to the flood net tax capacity loss times the city's average local tax rate for taxes payable in 2003.

Subd. 3. Duties of commissioner. The commissioner of revenue shall determine each city's aid amount under this section. The commissioner shall notify each eligible city of its flood loss aid amount by August 15, 2003. The commissioner shall make payments to each city after July 1, and before July 20, 2004.

Subd. 4. Optional city expenditure. A city that receives aid under this section may choose to expend a portion of the aid received for repair of county roads located within the city.

Subd. 5. Appropriation. The amount necessary to pay the aid amounts under this section in fiscal year 2005, for calendar year 2004, is appropriated to the commissioner of revenue from the general fund.

Subd. 6. Local government aid appropriation reduction. The appropriation under section 477A.03, subdivision 2, paragraph (d), for fiscal year 2005 is reduced by the amount appropriated under subdivision 5. The appropriation under section 477A.03, subdivision 3, paragraph (d), for fiscal year 2006 must be based on the appropriation under that paragraph in the previous year before the reduction under this subdivision.

273.1398 DISPARITY REDUCTION AID AND CREDIT.

Subd. 4b. Court expenditures; maintenance of effort. (a) Until the costs of court administration as defined under section 480.183, subdivision 3, in a county have been transferred to the state, each county in a judicial district transferring court administration costs to state funding after July 1, 2001, shall budget for the funding of these costs an amount at least equal to the certified budget amount for calendar year 2001, increased by six percent for each year from 2001 to 2003 and by eight percent from 2004 to the year of the transfer. The county shall budget, fund, and authorize expenditures not less than the amount calculated under this paragraph.
(h) By July 15, 2001, the court shall certify to each county in the judicial district its cost of court administration as defined under section 480.183, subdivision 3, based on 2001 budgets. In making that determination, the court shall exclude the budget costs of the county for the following categories:

1. rent;
2. examiner of titles;
3. civil court appointed attorneys for civil matters;
4. hospitalization costs; and
5. cost of maintaining vital statistics.

The amount of funding provided by a county for courts that is increased by the maintenance of effort requirement may not be used by a county to pay the costs described in clauses (1) to (5).

273.80 DISTRESSED HOMESTEAD REINVESTMENT EXEMPTION.

Subdivision 1. Definitions. (a) For purposes of this section, the following terms shall have the meanings given.

(b) "Substantially condition deficient" means that repairs estimated to cost at least $20,000 are necessary to restore a house to sound operating condition, according to prevailing costs of home improvements for the area.

(c) "Sound operating condition" means that a home meets minimal health and safety standards for residential occupancy under applicable housing or building codes.

d) "Residential rehabilitation consultant" means a person who is employed by a housing services organization recognized by resolution of the city council of the city in which the property is located, and who has been trained in residential housing rehabilitation.

(e) "Census tract" means a tract defined for the 1990 federal census.

Subd. 2. Eligibility. An owner-occupied, detached, single-family dwelling is eligible for treatment under this section if it:

1. is located in a city of the first class;
2. is located in a census tract where the median value of owner-occupied homes is less than 80 percent of the median value of owner-occupied homes for the entire city, according to the 1998 assessment;
3. has an estimated market value less than 60 percent of the median value of owner-occupied homes for the entire city, according to the 1998 assessment; and
4. has been declared to be substantially condition deficient, by a residential rehabilitation consultant.

Subd. 3. Qualification. A home which meets the eligibility requirements of subdivision 2 before May 1, 2003, qualifies for the property tax exemption under subdivision 4 after a residential rehabilitation consultant certifies that the home is in sound operating condition, and that all permits necessary to make the repairs were obtained. An owner need not occupy the dwelling while the necessary repairs are being done, provided that the property is occupied prior to granting the exemption under subdivision 4. All or a part of the repairs necessary to restore the house to sound operating conditions may be done prior to the owner purchasing the property, if those repairs are done by or for a 501(c)(3) nonprofit organization.

Subd. 4. Property tax exemption. A home qualifying under subdivision 3 is exempt from all property taxes on the land and buildings for taxes payable for five consecutive years following its certification under subdivision 3, if the property is owned and occupied by the same person who owned it when the home was certified as substantially condition deficient or by the first purchaser from the 501(c)(3) nonprofit organization that repaired the property. To be effective beginning with taxes payable in the following year, the certification must be made by September 1.

Subd. 5. Assessment; record. The assessor may require whatever information is necessary to determine eligibility for the tax exemption under this section. During the time that the property is exempt, the assessor shall continue to value the property and record its current value on the tax rolls.

275.77 TEMPORARY SUSPENSION OF NEW OR INCREASED MAINTENANCE OF EFFORT AND MATCHING FUND REQUIREMENTS.

Subdivision 1. Definitions. For purposes of this section, the following terms have the meanings given them:

APPENDIX
Repealed Minnesota Statutes: H3167-1

(2) "matching fund requirement" means a requirement imposed on a political subdivision by state law to fund a portion of a program or service but does not mean required nonstate contributions to state capital funded projects or other nonstate contributions required in order to receive a grant or loan the political subdivision has requested or applied for; and

(3) "political subdivision" means a county, town, or statutory or home rule charter city.

Subd. 2. Temporary suspension. (a) Notwithstanding any other provision of law to the contrary, any new maintenance of effort or matching fund requirement enacted after January 1, 2009, that will require spending by a political subdivision shall not be effective until July 1, 2011.

(b) Notwithstanding any other provision of law to the contrary, any changes to existing maintenance of effort or matching fund requirement enacted after January 1, 2009, that will require new spending by a political subdivision shall not be effective until July 1, 2011.

(c) The suspension of changes to existing maintenance of effort and matching fund requirements under paragraph (b) does not apply if the spending is required by federal law and there would be a cost to the state budget without the change.

279.32 DELINQUENT TAXES; ENTRY OF JUDGMENT IN CERTAIN CASES.
Where lands bid in for the state for delinquent taxes between the passage of Laws 1933, chapter 366, and the passage of Laws 1935, chapter 278, have not been assigned to actual purchasers, the county board of the county in which such lands are located may, at any time prior to February 1, 1945, adopt a resolution instructing the county auditor to list such lands as delinquent for taxes for 1942 and to file and docket such list with the court administrator of the district court as though said taxes for 1942 were the first delinquent taxes against said lands and judgment shall be entered and proceedings taken with reference to such lands as though the delinquent taxes for the year 1942 constituted the first instance of real estate tax delinquency with respect thereto; provided, that nothing herein contained shall impair the right of the state to enforce any lien in its favor which has accrued by reason of the delinquency or nonpayment of taxes for any year prior to the year 1942.

281.173 FIVE-WEEK REDEMPTION PERIOD FOR CERTAIN ABANDONED PROPERTIES.
Subd. 8. Effective date. This section shall apply only to tax judgment sales occurring on and after April 13, 1996.

Any such state assignment certificate may, after April 6, 1979, be recorded in the office of the proper county recorder or registrar of titles.

Subd. 2. Applicability. Nothing herein contained shall affect any action now pending to determine the validity of any instrument validated by this section.

282.10 REIMBURSEMENT OF PURCHASE PRICE IN CERTAIN CASES.
When, prior to the passage of Laws 1939, chapter 328, the forfeiture to the state for taxes of any parcel of land heretofore sold pursuant to Laws 1935, chapter 386, has been invalidated in a proceeding in court, the purchaser from the state, or the purchaser's assigns, shall be reimbursed out of any money in the forfeited tax sale fund for the amount of the purchase price or the portion thereof actually paid, with interest at four percent. Application for such reimbursement shall be made to the county auditor of the county where such parcel is located and shall be accompanied by a certified copy of the judgment or decree invalidating such forfeiture and a quitclaim deed

9R
from the purchaser, or the purchaser's assignee, running to the state in trust for its interested taxing districts as grantee. The county auditor shall present the instruments herein referred to, to the county attorney and, after receiving an opinion, in writing, from the county attorney that the applicant is entitled to reimbursements under this section, shall draw an order upon the county treasurer in favor of the applicant for the sum to which the applicant is entitled, which shall be paid by the treasurer out of the moneys in the forfeited tax sale fund. If there are not sufficient moneys in the fund to pay the order, money to care for the deficiency shall be temporarily transferred from the general revenue fund of the county. After such refundment is made any taxes or assessments heretofore canceled shall be reinstated and the amount of taxes and assessments that would have been levied subsequent to the date of the supposed forfeiture shall be assessed and levied against the land as omitted taxes, and the lien of the state for any such taxes or assessments may be enforced as in other cases where taxes are delinquent.

282.23 SALE OF CERTAIN LANDS FORFEITITED FOR TAXES IN 1926 AND 1927. In every case where the owner of a tract of land forfeited to the state for taxes for 1926 or 1927 has transferred, or shall hereafter transfer, to the state or to any municipal subdivision thereof all right, title, and interest in such tract of land, the same shall be subject to sale in the usual manner provided by law for the sale of land acquired by the state for taxes.

The county board may provide rules for the use of such a machine, supervise its operation and provide for the payment of the tax on any deed or document so stamped.

289A.56 INTEREST ON OVERPAYMENTS. Subd. 7. Biotechnology and health sciences industry zone refunds. Notwithstanding subdivision 3, for refunds payable under section 297A.68, subdivision 38, interest is computed from 90 days after the refund claim is filed with the commissioner.

290.01 DEFINITIONS. Subd. 4b. Mutual property and casualty insurance company. "Mutual property and casualty insurance company" includes a property and casualty insurance company that was converted to a stock company after December 31, 1987, and before January 1, 1994, if the company was controlled on the date of conversion by a mutual life insurance company and so long as the company continues to be controlled by a mutual life insurance company.

Subd. 19e. Depreciation modifications for corporations. In the case of corporations, a modification shall be made for the accelerated cost recovery system. The allowable deduction for the accelerated cost recovery system is the same amount as provided in section 168 of the Internal Revenue Code with the following modifications. The modifications apply to taxable years beginning after December 31, 1986, and to property for which deductions under the Tax Reform Act of 1986, Public Law 99-514, are elected or apply. The modifications in paragraphs (a) and (c) do not apply to taxable years beginning after December 31, 2000.

(a) For property placed in service after December 31, 1980, and before January 1, 1987, 40 percent of the allowance pursuant to section 168 of the Internal Revenue Code of 1954, as amended through December 31, 1985, for 15-, 18-, or 19-year real property shall not be allowed and for all other property 20 percent shall not be allowed.

(b) For property placed in service after December 31, 1987, no modification shall be made.

(c) For property placed in service after July 31, 1986, and before January 1, 1987, for which the taxpayer elects the deduction pursuant to section 203 of the Tax Reform Act of 1986, Public Law 99-514, and for property placed in service after December 31, 1986, and before January 1, 1988, 15 percent of the allowance pursuant to section 168 of the Internal Revenue Code shall not be allowed.
APPENDIX
Repealed Minnesota Statutes: H3167-1

(d) For property placed in service after December 31, 1980, and before January 1, 1987, for which the taxpayer elects to use the straight line method provided in section 168(b)(3), (f)(12), or (j)(11) or a method provided in section 168(e)(2) of the Internal Revenue Code, as amended through December 31, 1986, but excluding property for which the taxpayer elects the deduction pursuant to section 203 of the Tax Reform Act of 1986, Public Law 99-514, the modifications provided in paragraph (a) do not apply.

(c) For taxable years beginning before January 1, 2001, for property subject to the modifications contained in paragraphs (a) and (c) and Minnesota Statutes 1986, section 290.09, subdivision 7, clause (c), the following modification shall be made after the entire amount of the allowable deduction has been allowed for federal tax purposes for that property under the provisions of section 168 of the Internal Revenue Code. The remaining depreciable basis in those assets for Minnesota purposes, including the amount of any basis reduction to reflect the investment tax credit for federal purposes under sections 48(q) and 49(d) of the Internal Revenue Code, shall be a depreciation allowance computed using the straight line method over the following number of years:

(1) three-year property, one year;
(2) five-year and seven-year property, two years;
(3) ten-year property, five years; and
(4) all other property, seven years.

(f) For taxable years beginning after December 31, 2000, the amount of any remaining modification made under paragraph (a) or (c) or Minnesota Statutes 1986, section 290.09, subdivision 7, clause (c), not previously deducted under paragraph (e), including the amount of any basis reduction to reflect the federal investment tax credit for federal purposes under sections 48(q) and 49(d) of the Internal Revenue Code, is a depreciation allowance in the first taxable year after December 31, 2000.

(g) For taxable years beginning before January 1, 2001, and for property placed in service after December 31, 1987, the remaining depreciable basis for Minnesota purposes that is attributable to the basis reduction for federal purposes to reflect the investment tax credit under sections 48(q) and 49(d) of the Internal Revenue Code, shall be allowed as a deduction in the first taxable year after the entire amount of the allowable deduction for that property under the provisions of section 168 of the Internal Revenue Code, has been allowed, except that where the straight line method provided in section 168(b)(3) is used, the deduction provided in this clause shall be allowed in the last taxable year in which an allowance for depreciation is allowed for that property.

(h) For qualified timber property for which the taxpayer made an election under section 194 of the Internal Revenue Code, the remaining depreciable basis for Minnesota purposes is allowed as a deduction in the first taxable year after the entire allowable deduction has been allowed for federal tax purposes.

(i) The basis of property to which section 168 of the Internal Revenue Code applies is its basis as provided in this chapter including the modifications provided in this subdivision and in Minnesota Statutes 1986, section 290.09, subdivision 7, paragraph (c). The recapture tax provisions provided in sections 1245 and 1250 of the Internal Revenue Code apply but must be calculated using the basis provided in the preceding sentence.

(j) The basis of an asset acquired in an exchange of assets, including an involuntary conversion, is the same as its federal basis under the provisions of the Internal Revenue Code, except that the difference in basis due to the modifications in this subdivision and in Minnesota Statutes 1986, section 290.09, subdivision 7, paragraph (c), is a deduction as provided in paragraph (e).

Subd. 20e. Modification in computing taxable income of the estate of a decedent.
Amounts allowable under section 2053 or 2054 of the Internal Revenue Code of 1954 in computing federal estate tax liability shall not be allowed as a deduction (or as an offset against the sales price of property in determining gain or loss) in computing the taxable income of the estate or any person unless an election is made for federal income tax purposes under section 642(g) of the Internal Revenue Code of 1954. The election made for federal tax purposes under section 642(g) of the Internal Revenue Code of 1954 is binding for Minnesota tax purposes.

(e) The designation of the zones takes effect January 1, 2004.
(f) Additional zones may be designated in later years, only after the commissioner of employment and economic development has established criteria for expanding the number of zones. The criteria must limit designating a new zone to a community that has adequate resources and infrastructure to support biotechnology, including postsecondary institutions, strong health care systems, and existing bioscience companies. It must also require that a new zone be located on a transportation corridor.

469.335 APPLICATION FOR TAX BENEFITS.
(a) To claim a tax credit or exemption against a state tax under section 469.336, a business must apply to the commissioner for a tax credit certificate. As a condition of its application, the business must agree to furnish information to the commissioner that is sufficient to verify the eligibility for any credits or exemptions claimed. The total amount of the state tax credits and exemptions allowed for the specified period may not exceed the amount of the tax credit certificates provided by the commissioner to the business. The commissioner must verify to the commissioner of revenue the amount of tax exemptions or credits for which each business is eligible.
(b) A tax credit certificate issued under this section may specify the particular tax exemptions or credits against a state tax that the qualified business is eligible to claim under section 469.336, and the amount of each exemption or credit allowed.
(c) The commissioner may issue $1,000,000 of tax credits or exemptions in fiscal year 2004. Any tax credits or exemptions not awarded in fiscal year 2004 may be awarded in fiscal year 2005.

(a) A qualified business is exempt from taxation under section 290.02, the alternative minimum tax under section 290.0921, and the minimum fee under section 290.0922, on the portion of its income attributable to operations of a qualified business within the biotechnology and health sciences industry zone. This exemption is determined as follows:

(b) No subtraction is allowed under this section in excess of 20 percent of the sum of the corporation's biotechnology and health sciences industry zone payroll and the adjusted basis of the property at the time that the property is first used in the biotechnology and health sciences industry zone by the corporation.

(c) No reduction in tax is allowed in excess of the amount allocated under section 469.335.

469.338 JOBS CREDIT.
Subdivision 1. Credit allowed. A qualified business is allowed a credit against the taxes imposed under chapter 290.

(ii) total Minnesota payroll for the taxable year, less total Minnesota payroll for the base year; minus

(2) $30,000 multiplied by the number of full-time equivalent employee positions that the qualified business employs in the biotechnology and health sciences industry zone for the taxable year, minus the number of full-time equivalent employees the business employed in the zone in the base year, but not less than zero.

Subdivision 1. Credit allowed. A corporation, other than a corporation treated as an "S" corporation under section 290.9725, is allowed a credit against the portion of the franchise tax computed under section 290.06, subdivision 1, for the taxable year equal to:

Subd. 4. Partnerships. For partnerships, the credit is allocated in the same manner provided by section 41(f)(2) of the Internal Revenue Code.

Subd. 5. Adjustments; acquisitions and dispositions. Subd. 6. Interaction; regular research credit. Any amount used to calculate a credit under this section may not be used to generate a credit under section 290.068.

469.340 REPAYMENT OF TAX BENEFITS.

Subdivision 1. Repayment obligation. A business must repay the amount of the tax reduction listed in section 469.336 and any refunds under sections 469.338 and 469.339 in excess of tax liability, received during the two years immediately before it ceased to operate in the zone, if the business:

1) received tax reductions authorized by section 469.336; and

2)(i) did not meet the goals specified in an agreement entered into with the applicant that states any obligation the qualified business must fulfill in order to be eligible for tax benefits. The commissioner of employment and economic development may extend for up to one year the period for meeting any goals provided in an agreement. The applicant may extend the period for meeting other goals by documenting in writing the reason for the extension and attaching a copy of the document to its next annual report to the commissioner of employment and economic development; or

(ii) ceased to operate its facility located within the biotechnology and health sciences industry zone or otherwise ceases to be or is not a qualified business.

Subd. 2. Definitions. (a) For purposes of this section, the following terms have the meanings given:

(b) "Business" means any person who received tax benefits enumerated in section 469.336.

(c) "Commissioner" means the commissioner of revenue.

Subd. 3. Disposition or repayment. The repayment must be paid to the state to the extent it represents a state tax reduction and to the county to the extent it represents a property tax reduction. Any amount repaid to the state must be deposited in the general fund. Any amount repaid to the county for the property tax exemption must be distributed to the local governments with authority to levy taxes in the zone in the same manner provided for distribution of payment of delinquent property taxes. Any repayment of local sales taxes must be repaid to the city or county imposing the local sales tax.

Subd. 4. Repayment procedures. (a) For the repayment of taxes imposed under chapter 290 or 297A or local taxes collected pursuant to section 297A.99, a business must file an amended return with the commissioner of revenue and pay any taxes required to be repaid within 30 days after ceasing to do business in the zone. The amount required to be repaid is determined by calculating the tax for the period or periods for which repayment is required without regard to the exemptions and credits allowed under section 469.336.

(b) For the repayment of property taxes, the county auditor shall prepare a tax statement for the business, applying the applicable tax extension rates for each payable year and provide a copy to the business. The business must pay the taxes to the county treasurer within 30 days after receipt of the tax statement. The taxpayer may appeal the valuation and determination of the property tax to the Tax Court within 30 days after receipt of the tax statement.

(c) The provisions of chapters 270C and 289A relating to the commissioner's authority to audit, assess, and collect the tax and to hear appeals are applicable to the repayment required under paragraph (a). The commissioner may impose civil penalties as provided in chapter
imposed the amount 289A, the exemption, within government whichever plan biotechnology and prescribe:

(d) If a property tax is not repaid under paragraph (b), the county treasurer shall add the amount required to be repaid to the property taxes assessed against the property for payment in the year following the year in which the treasurer discovers that the business ceased to operate in the biotechnology and health sciences industry zone.

(e) For determining the tax required to be repaid, a tax reduction is deemed to have been received on the date that the tax would have been due if the taxpayer had not been entitled to the exemption, or on the date a refund was issued for a refundable credit.

(f) The commissioner may assess the repayment of taxes under paragraph (c) any time within two years after the business ceases to operate in the biotechnology and health sciences industry zone, or within any period of limitations for the assessment of tax under section 289A.38, whichever period is later.

Subd. 5. Waiver authority. The commissioner may waive all or part of a repayment, if the commissioner, in consultation with the commissioner of employment and economic development and appropriate officials from the local government units in which the business is located, determines that requiring repayment of the tax is not in the best interest of the state or the local government units and the business ceased operating as a result of circumstances beyond its control including, but not limited to:

(1) a natural disaster;
(2) unforeseen industry trends; or
(3) loss of a major supplier or customer.

469.341 ZONE PERFORMANCE; REMEDIES.
Subdivision 1. Reporting requirement. (3) the information required to be included in the report.

Subd. 3. Remedies. If the commissioner determines, based on a report filed under subdivision 1 or other available information, that a zone or subzone is failing to meet its performance goals, the commissioner may take any actions the commissioner determines appropriate, including modification of the boundaries of the zone or a subzone or termination of the zone or a subzone. Before taking any action, the commissioner shall consult with the applicant and the affected local government units, including notifying them of the proposed actions to be taken. The commissioner shall publish any order modifying a zone in the State Register and on the Internet. The applicant may appeal the commissioner's order under the contested case procedures of chapter 14.

Subd. 4. Existing businesses. (a) An action to remove area from a zone or to terminate a zone under this section does not apply to:

(1) the property tax on improvements constructed before the first January 2 following publication of the commissioner's order;

Subdivision 1. **Certain defects.** In all cases where the plats, or what purports to be plats, of any portion of the lands contained within any additions to or subdivisions of any town or city, situated in any county having less than 15 full and fractional congressional townships, having less than 15,000 inhabitants according to the 1940 federal census, and having an assessed value of more than $7,500,000 and less than $8,500,000, exclusive of money and credits which have been executed and filed in an office of any county recorder previous to January 1, 1915, (1) fail to identify or correctly describe the land to be so platted or to show correctly upon their face the tract of land intended or purported to be platted thereby, or (2) are defective by reason of the plat and the description of the land purported to be so platted thereby being inconsistent or incorrect, or (3) there exists a defect in the execution of said plats on the part of the grantors thereof, the governing board or council of the municipality containing land so platted or purported to be so platted may authorize, within two years from April 21, 1951, referring by the record book and page of such plat or plats in the office of the county recorder to the plat or plats to be corrected, the making of one or more plats which shall correctly show on the face thereof and by description of the land intended to be platted, which plat or plats may vary from the original plats in description as to lots and blocks to suit the best purpose and secure the best results. Such plat or plats, in a declaration thereon, shall recite such resolution and shall identify each separate tract of land described therein with such tract of land in the purported plat or plats intended to be corrected thereby, and shall be certified by the proper officers of the municipality as to authorization and by an engineer or surveyor as to correctness, and the signatures of such persons shall be acknowledged in like manner as a deed.  

Subd. 2. **Corrected plat to be prima facie evidence.** Such plat or plats when so certified and acknowledged may be filed in the office of the county recorder and the declaration therein may be recorded at length in a "Book of Plat Certificates"; and when so filed and recorded such plat or plats and declaration together with the record thereof shall be prima facie evidence in all matters shown or stated therein as to the lands covered thereby.

Subd. 2. **Use of revenues.** Revenues received from taxes authorized under subdivision 1 must be dedicated by the city to pay the cost of collecting the tax and to pay all or part of the expenses of the construction of a sewer system in the city, including payment of principal and interest on loans received by the city to construct the sewer system.

Subd. 3. **Enforcement; collection; and administration of taxes.** (a) The city may provide for collection and enforcement of the tax by ordinance or the city may enter into an agreement with the commissioner of revenue, providing for collection of the tax.

(b) If the city enters an agreement with the commissioner of revenue for collection of the tax, the sales tax imposed under this section must be reported and paid to the commissioner of revenue with the state sales taxes, and be subject to the same penalties, interest, and enforcement provisions. The proceeds of the tax, less refunds and a proportionate share of the cost of collection, shall be remitted at least quarterly to the city. The commissioner shall deduct from the proceeds remitted an amount that equals the indirect statewide cost as well as the direct and indirect department costs necessary to administer, audit, and collect the tax.

Subd. 4. **Expiration of taxing authority.** The authority granted by this section to the city of Garrison to impose a sales tax expires when the principal and interest on any bonds or obligations issued to finance the construction of the sewer system have been paid, or at an earlier time as the city shall, by resolution, determine. Any funds remaining after completion of the improvements and retirement or redemption of the bonds may be placed in the general fund of the city.

Subd. 5. **Referendum.** The city may impose the tax under this section only after approval by the voters in a referendum held at a special or general election in the city.

8002.0200 MINNESOTA GROSS INCOME FOR INDIVIDUALS WHO ARE PART-YEAR RESIDENTS OR NONRESIDENTS OF MINNESOTA (FEDERAL ADJUSTED GROSS INCOME).

Subp. 8. **Net operating loss carried back or forward.** The amount of a net operating loss that may be carried back or carried forward shall be the same dollar amount allowed in the determination of federal adjusted gross income. Adjustments must be made in the net operating loss for income and losses which are not assignable to Minnesota and for any changes in the computation of federal adjusted gross income which have not been adopted by the Minnesota Legislature in a law updating the reference to the Internal Revenue Code. A taxpayer may make an adjustment to federal adjusted gross income for the modifications that affect shareholders of a small business corporation which has made an election for federal purposes but not for Minnesota purposes as provided in Minnesota Statutes, section 290.01, subdivision 20c.

The net operating loss carryback or carryover applied as a deduction in the taxable year to which the net operating loss is carried back or carried over shall be equal to the net operating loss carryback or carryover applied in the taxable year in arriving at federal adjusted gross income subject to the following modifications:

A. Increase the amount of carryback or carryover applied in the taxable year by the amount of losses and expenses not assignable to Minnesota incurred in the taxable year.

B. Decrease the amount of carryback or carryover applied in the taxable year by the amount of income not assignable to Minnesota earned in the taxable year and the amount of federal jobs credit or WIN credit earned in the taxable year.

C. A taxpayer who is not a resident of Minnesota during any part of the taxable year and who has no income assignable to Minnesota during the taxable year shall apply no net operating loss carryback or carryover in the taxable year.

The net operating loss carryback or carryover to the next consecutive taxable year shall be the net operating loss carryback or carryover as calculated in this subpart less the amount applied in the taxable year(s) as above. No additional net operating loss carryback or carryover shall be allowed if the entire amount has been used to offset Minnesota income in a year earlier than was possible on the federal return. A net operating loss carryback or carryover that was allowed to offset federal income in a year earlier than was possible on the Minnesota return shall still be allowed to offset Minnesota income.

8007.0200 CHANGE IN ACCOUNTING METHODS.

The taxpayer must secure permission from the commissioner to change the taxpayer's method of accounting or in reporting income and deductions. Such application must be filed within 90 days after the beginning of the taxable year to be covered by the return. A statement must be attached to the application setting forth in detail the variation in treatment of classes of items on the old and new basis. A change in the method of accounting or basis of reporting income and deductions means any change in the treatment of items of income and deductions such as change from cash receipts and disbursements basis to the accrual basis or vice versa; a change in the method of inventory valuations; or a change permitted by the commissioner involving any other specialized method of accounting for income and deductions.

8100.0800 PHASE-IN.

Subpart 1. **Phase-in of valuation changes.** Any change in valuation is phased in over three years. For assessment years 2007, 2008, and 2009, each utility property must be valued both under the valuation process of current Minnesota Rules, chapter 8100, ("current rules") and under the valuation process of Minnesota Rules 2005, chapter 8100, as amended through March 2, 2000, ("old rules"). The difference, either positive or negative, between the value derived under the current rules and the value derived under old rules is incrementally added to the value derived under the old rules as follows:

For assessment year 2007, 20 percent of the difference is added to the value derived under the old rules; this amount is the assessed value for 2007.

For assessment year 2008, 50 percent of the difference is added to the value derived under the old rules; this amount is the assessed value for 2008.

For assessment year 2009, and all subsequent assessment years, the full value derived under the current rules is the assessed value.
Subp. 2. **Examples of phase-in valuations.** The following example illustrates a valuation when the value derived using the old rules exceeds the value derived using the current rules:

1. **Value for Assessment Year 2007**
   - Value under current rules: $10,750,000
   - Value under old rules: $12,000,000
   - Difference between old and current value: $1,250,000
   - 20% of difference: $250,000
   - Assessed Value: $11,750,000

2. **Value for Assessment Year 2008**
   - Value under current rules: $10,900,000
   - Value under old rules: $12,750,000
   - Difference between old and current values: $1,850,000
   - 50% of difference: $925,000
   - Assessed Value: $11,825,000

3. **Value for Assessment Year 2009**
   - Value under current rules: $11,750,000
   - Assessed Value: $11,750,000

The following example illustrates a valuation when the value derived using the old rules is less than the value derived using the current rules:

1. **Value for Assessment Year 2007**
   - Value under current rules: $15,000,000
   - Value under old rules: $13,500,000
   - Difference between old and current values: $1,500,000
   - 20% of difference: $300,000
   - Assessed Value: $13,800,000

2. **Value for Assessment Year 2008**
   - Value under current rules: $15,250,000
   - Value under old rules: $14,250,000
   - Difference between old and current values: $1,000,000
   - 50% of difference: $500,000
   - Assessed Value: $14,750,000

3. **Value for Assessment Year 2009**
   - Value under current rules: $16,600,000
   - Assessed Value: $16,600,000

8130.7500 RETURNS AND RECORDS.

Subp. 7. **Records; microfilm.** Microfilm reproductions of general books of account, such as cash books, journals, voucher registers, ledgers, etc., are not acceptable in lieu of original records. However, microfilm reproductions of supporting records of details, such as sales invoices, purchase invoices, credit memoranda, etc., may be maintained providing the following conditions are met:

A. appropriate facilities are provided for preservation of the films for periods required;
B. microfilm rolls are indexed, cross-referenced, labeled to show beginning and ending numbers or beginning and ending alphabetical listing of documents included, and are systematically filed;
C. the taxpayer agrees to provide transcriptions of any information contained on microfilm which may be required for purposes of verification of tax liability; and
D. proper facilities are provided for the ready inspection and location of the particular records including modern projectors for viewing and copying the records.

A posting reference must be on each invoice. Credit memoranda must carry a reference to the documents evidencing the original transaction. Documents necessary to support claimed exemptions from tax liability, such as bills of lading and purchase orders, must be maintained in an order by which they readily can be related to the transactions for which exemption is sought.

8130.8900 FLORISTS AND NURSERIES.

Subp. 3. Telegraphic orders. When florists or nurseries conduct transactions through a florist telegraphic delivery association, or otherwise by telephone, telegraph, or other means of communication with other florists or nurseries, the following rules apply in the application of the tax:

A. Where an order for flowers, wreaths, or other tangible personal property is taken from a customer by a Minnesota florist or nursery and transmitted to another florist or nursery located within or outside of Minnesota for delivery, the florist or nursery which initially takes the order from the customer is required to collect the tax.

B. Minnesota florists or nurseries who receive orders from other florists or nurseries, whether located within or outside this state, for delivery of flowers, wreaths, or other tangible personal property to locations either within or outside of Minnesota, are not required to collect the tax.

C. The sales tax does not apply to telegraph or telephone charges if such charges are separately stated from the price of the flowers or other tangible personal property ordered by the customer.

However, the tax does apply to relay or handling charges paid to the florist or nursery which sends an order whether these charges are separately stated or not.

The sales tax does not apply to transportation charges to the extent they are separately stated and the transportation occurs after the retail sale.

A. Where an order for flowers, wreaths, or other tangible personal property is taken from a customer by a Minnesota florist or nursery and transmitted to another florist or nursery located within or outside of Minnesota for delivery, the florist or nursery which initially takes the order from the customer is required to collect the tax.

B. Minnesota florists or nurseries who receive orders from other florists or nurseries, whether located within or outside this state, for delivery of flowers, wreaths, or other tangible personal property to locations either within or outside of Minnesota, are not required to collect the tax.

C. The sales tax does not apply to telegraph or telephone charges if such charges are separately stated from the price of the flowers or other tangible personal property ordered by the customer.

However, the tax does apply to relay or handling charges paid to the florist or nursery which sends an order whether these charges are separately stated or not.

The sales tax does not apply to transportation charges to the extent they are separately stated and the transportation occurs after the retail sale.

8130.9500 AIRCRAFT REGISTRATION.

Subpart 1. In general. Minnesota Statutes, section 297A.255, requires persons who wish to license or register an aircraft in Minnesota to furnish proof to the Minnesota Department of Transportation, Office of Aeronautics, that the Minnesota sales or use tax has been paid, or that the purchase or acquisition of the aircraft was not subject to the Minnesota sales or use tax. The seller of the aircraft may furnish proof that the Minnesota sales or use tax has been paid as the agent of the purchaser of the aircraft. This law imposes a use tax on an occasional or isolated sale of an aircraft or an interest in an aircraft by persons not in the business of selling aircraft.
The necessary forms (form UT-1 and form ST-24) for reporting and paying the use tax or for claiming exemption are available upon request from the Minnesota Department of Revenue or the Minnesota Department of Transportation, Office of Aeronautics.

This statute does not affect the exemption provided by Minnesota Statutes, section 297A.25, subdivision 14, for purchases of airflight equipment by airline companies taxed under Minnesota Statutes, sections 270.071 to 270.079.

When the sales tax has not been paid to the dealer as set forth in subpart 2, item A, the Department of Revenue will forward a completed certificate of tax payment or exemption, form ST-24, to the Department of Transportation, Office of Aeronautics.

8130.9500 AIRCRAFT REGISTRATION.

Subpart 1. In general. Minnesota Statutes, section 297A.255, requires persons who wish to license or register an aircraft in Minnesota to furnish proof to the Minnesota Department of Transportation, Office of Aeronautics, that the Minnesota sales or use tax has been paid, or that the purchase or acquisition of the aircraft was not subject to the Minnesota sales or use tax. The seller of the aircraft may furnish proof that the Minnesota sales or use tax has been paid as the agent of the purchaser of the aircraft. This law imposes a use tax on an occasional or isolated sale of an aircraft or an interest in an aircraft by persons not in the business of selling aircraft.

The necessary forms (form UT-1 and form ST-24) for reporting and paying the use tax or for claiming exemption are available upon request from the Minnesota Department of Revenue or the Minnesota Department of Transportation, Office of Aeronautics.

This statute does not affect the exemption provided by Minnesota Statutes, section 297A.25, subdivision 14, for purchases of airflight equipment by airline companies taxed under Minnesota Statutes, sections 270.071 to 270.079.

When the sales tax has not been paid to the dealer as set forth in subpart 2, item A, the Department of Revenue will forward a completed certificate of tax payment or exemption, form ST-24, to the Department of Transportation, Office of Aeronautics.

Subp. 2. Registration of aircraft by purchasers. When the sales tax is paid or not paid:

A. Minnesota sales tax paid to dealer. When a purchaser pays the Minnesota sales tax for the purchase of an aircraft or an interest in an aircraft to a Minnesota aircraft dealer who holds a Minnesota sales and use tax permit, the dealer shall furnish the purchaser with a statement showing that the sales tax has been paid. The aircraft dealer must report and pay the sales tax to the Minnesota Department of Revenue. If a dealer licensed by the Office of Aeronautics states to the Office of Aeronautics that sales tax was collected, it is not necessary for the purchaser of the aircraft to obtain a certificate of tax payment or exemption, form ST-24, from the Minnesota Department of Revenue. The purchaser or the purchaser's agent, for example the licensed dealer, should present the statement, which the purchaser or purchaser's agent received from the aircraft dealer, directly to the Department of Transportation, Office of Aeronautics, in order to license or register the aircraft.
B. No Minnesota sales tax paid to seller. When the purchaser does not pay a Minnesota sales tax to the seller on the purchase of an aircraft or an interest in an aircraft, the purchaser must obtain a certificate of tax payment or exemption, form ST-24, from the Minnesota Department of Revenue. If a use tax is due, the purchaser must complete a consumer's use tax return, form UT-1, and file it along with the purchaser's tax payment when applying for the certificate form ST-24. If the purchaser claims exemption from the tax, the purchaser must furnish proof showing that the purchaser is entitled to the exemption when applying for the certificate. Illustrative exemptions include purchases by organizations that are organized and operated exclusively for charitable, religious, or educational purposes; purchases of aircraft outside Minnesota by a nonresident and later brought into Minnesota for use; and aircraft purchased for resale or lease.

Subp. 3. Registration of aircraft by dealers who are licensed in accordance with Minnesota Statutes, section 360.63. When a licensed dealer purchases an aircraft for resale, no certificate of tax payment or exemption is required. When a licensed dealer puts an aircraft to commercial use, the dealer is required to pay a use tax on the dealer's purchase price of the aircraft unless the dealer makes application to the commissioner of revenue for an aircraft commercial use permit, on form ST-22, and pays a $20 fee (see Minnesota Statutes, section 360.654). By obtaining an aircraft commercial use permit from the commissioner, a licensed dealer may purchase an aircraft for resale and put it to commercial use for up to one year without paying a sales or use tax on the dealer's purchase. While the aircraft commercial use permit is in effect, use tax is imposed on the fair market value of the commercial use. When the dealer sells the aircraft, the dealer is required to collect a sales tax. If the dealer keeps the aircraft for more than one year after purchase or makes personal use of the aircraft, a use tax is also due on the purchase price. If the sole use by the dealer of the aircraft that is exempt from use tax is leasing the aircraft while holding it for sale, sales tax is due on the taxable rent and lease payments.

Subp. 4. Registration by dealers who are not licensed in accordance with Minnesota Statutes, section 360.63. A dealer who is not licensed in accordance with Minnesota Statutes, section 360.63, is required to file form ST-24, which indicates the aircraft was purchased for resale or lease by the holder of a Minnesota sales and use tax permit. The dealer is further required to provide evidence that the dealer conducts business regularly selling or leasing aircraft. When a lessee registers an aircraft in the lessee's name, the lessee must furnish his or her sales and use tax account number when applying for the certificate of tax payment or exemption, form ST-24, and claim exemption for resale. Leases are defined as resales. The lessee must collect and remit sales tax on lease payments the lessee receives. The lessee must report all lease payments received as gross sales and collect and remit tax on all sales, net of exempt sales. An example of an exempt sale is the lease of an aircraft to a fixed base operator who rents the aircraft to others at retail.

When a lessee registers an aircraft in the lessee's name, and the lessor does not hold a Minnesota sales and use tax permit, the lessee is required to obtain a permit. If the lessee is leasing the same aircraft to others, the lessee must also obtain a permit, file returns, and pay the sales and use tax in the same manner as all other Minnesota permit holders.
