(8) staff responsibilities related to prohibited procedures under section 245D.06, subdivision 5, or successor provisions, why such procedures are not effective for reducing or eliminating symptoms or undesired behavior, and why such procedures are not safe;

(9) basic first aid; ~~and~~

(10) strategies to minimize the risk of sexual violence, including concepts of healthy relationships, consent, and bodily autonomy of people with disabilities; and

(11) other topics as determined necessary in the person's coordinated service and support plan by the case manager or other areas identified by the license holder.

Sec. 3. Minnesota Statutes 2018, section 245D.09, subdivision 4a, is amended to read:

Subd. 4a. **Orientation to individual service recipient needs.** (a) Before having unsupervised direct contact with a person served by the program, or for whom the staff person has not previously provided direct support, or any time the plans or procedures identified in paragraphs (b) to (f) are revised, the staff person must review and receive

3.1 instruction on the requirements in paragraphs (b) to (f) as they relate to the staff person's
3.2 job functions for that person.

3.3 (b) For community residential services, training and competency evaluations must include
3.4 the following, if identified in the coordinated service and support plan:

3.5 (1) appropriate and safe techniques in personal hygiene and grooming, including hair
3.6 care; bathing; care of teeth, gums, and oral prosthetic devices; and other activities of daily
3.7 living (ADLs) as defined under section 256B.0659, subdivision 1;

3.8 (2) an understanding of what constitutes a healthy diet according to data from the Centers
3.9 for Disease Control and Prevention and the skills necessary to prepare that diet; and

3.10 (3) skills necessary to provide appropriate support in instrumental activities of daily
3.11 living (IADLs) as defined under section 256B.0659, subdivision 1.

3.12 (c) The staff person must review and receive instruction on the person's coordinated
3.13 service and support plan or coordinated service and support plan addendum as it relates to
3.14 the responsibilities assigned to the license holder, and when applicable, the person's individual
3.15 abuse prevention plan, to achieve and demonstrate an understanding of the person as a
3.16 unique individual, and how to implement those plans.

3.17 (d) The staff person must review and receive instruction on medication setup, assistance,
3.18 or administration procedures established for the person when assigned to the license holder
3.19 according to section 245D.05, subdivision 1, paragraph (b). Unlicensed staff may perform
3.20 medication setup or medication administration only after successful completion of a
3.21 medication setup or medication administration training, from a training curriculum developed
3.22 by a registered nurse or appropriate licensed health professional. The training curriculum
3.23 must incorporate an observed skill assessment conducted by the trainer to ensure unlicensed
3.24 staff demonstrate the ability to safely and correctly follow medication procedures.

3.25 Medication administration must be taught by a registered nurse, clinical nurse specialist,
3.26 certified nurse practitioner, physician assistant, or physician if, at the time of service initiation
3.27 or any time thereafter, the person has or develops a health care condition that affects the
3.28 service options available to the person because the condition requires:

3.29 (1) specialized or intensive medical or nursing supervision; and

3.30 (2) nonmedical service providers to adapt their services to accommodate the health and
3.31 safety needs of the person.

3.32 (e) The staff person must review and receive instruction on the safe and correct operation
3.33 of medical equipment used by the person to sustain life or to monitor a medical condition

that could become life-threatening without proper use of the medical equipment, including but not limited to ventilators, feeding tubes, or endotracheal tubes. The training must be provided by a licensed health care professional or a manufacturer's representative and incorporate an observed skill assessment to ensure staff demonstrate the ability to safely and correctly operate the equipment according to the treatment orders and the manufacturer's instructions.

(f) The staff person must review and receive instruction on mental health crisis response, de-escalation techniques, and suicide intervention when providing direct support to a person with a serious mental illness.

(g) In the event of an emergency service initiation, the license holder must ensure the training required in this subdivision occurs within 72 hours of the direct support staff person first having unsupervised contact with the person receiving services. The license holder must document the reason for the unplanned or emergency service initiation and maintain the documentation in the person's service recipient record.

(h) License holders who provide direct support services themselves must complete the orientation required in subdivision 4, clauses (3) to ~~(10)~~ (11).

Sec. 4. Minnesota Statutes 2019 Supplement, section 245D.09, subdivision 5, is amended to read:

Subd. 5. **Annual training.** A license holder must provide annual training to direct support staff on the topics identified in subdivision 4, clauses (3) to ~~(10)~~ (11). If the direct support staff has a first aid certification, annual training under subdivision 4, clause (9), is not required as long as the certification remains current.
