

A bill for an act

relating to education; requiring child care facilities to provide influenza information; amending Minnesota Statutes 2006, section 121A.15, by adding a subdivision.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

Section 1. Minnesota Statutes 2006, section 121A.15, is amended by adding a subdivision to read:

Subd. 1a. **Influenza information.** By November 1 of each year, every child care facility shall provide information published by the Department of Health on the risks of influenza, how it is spread, and on the availability and effectiveness of any vaccine to the parents and guardians of each child up to the age of 59 months who is enrolled in the facility. The child care facility must distribute the information, either in an electronic or paper format. Compliance with this section is not a condition of licensing.
