

A bill for an act

relating to education; supporting new and existing K-12 world languages programs; appropriating money; proposing coding for new law in Minnesota Statutes, chapter 124D.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

Section 1. **[124D.971] WORLD LANGUAGES PROGRAMS AND AID.**

(a) A qualifying school district or school site's world language aid equals \$50 times the number of pupils enrolled in the school site or district on October 1 of the previous school year.

(b) Interested school sites and school districts must apply to the commissioner in the form and manner the commissioner determines. The applicant must indicate whether the applicant intends to develop and implement a new world languages program or expand an existing world languages program by offering a more intensive program or making an existing program accessible to more students. An applicant must agree to disseminate information about the applicant's world languages program to interested school sites, school districts, parents, and others as a condition of receiving aid under this section.

(c) The commissioner may select applicants that meet the requirements in paragraph (b). To the extent feasible, the commissioner must select qualified applicants on an equitable geographic basis and at least five qualified and selected applicants must intend to develop and implement a new Mandarin Chinese program or expand an existing Mandarin Chinese program. School sites and school districts that receive aid must expend the aid consistent with the content of their application and the terms of this section.

(d) The commissioner must provide for an evaluation of fund recipients to identify exemplary world languages program models and the staff development needs of world
