5.24 (1) the applicant has secured a surety bond payable to the state, has been issued a letter  
5.25 of credit, or has posted a cash bond in the amount of \$50,000. The security device must be  
5.26 in a form satisfactory to the secretary and must run to the state for the benefit of any payee  
5.27 claimant to secure the faithful performance of the obligation of the structured settlement  
5.28 purchase company under the law, and the secretary shall have no other duty than to receive  
5.29 the sworn certification of surety bond; and

5.30 (2) the applicant shall comply with sections 549.30 to 549.41 when acting as a structured  
5.31 settlement purchase company and filing structured settlement transfer proceedings.

6.1 (b) A surety bond, letter of credit, or cash bond obtained under this section must be  
6.2 effective concurrently with the registration of the applicant and must remain in effect for

6.5 continuously in effect when the registration of the applicant is renewed.

6.6 Subd. 4. **Postjudgment notice.** No later than ten days after a judgment is obtained  
6.7 against a structured settlement purchase company by a payee, the structured settlement  
6.8 purchase company shall file a notice with the secretary and, if applicable, the surety which  
6.9 issued the surety bond used by the structured settlement purchase company to satisfy the  
6.10 requirements under subdivision 3. The notice must contain:

6.11 (1) a copy of the judgment;

6.12 (2) the name and address of the judgment creditor; and

6.13 (3) the status of the matter, including whether the judgment will be appealed or has been

6.17 requirements under subdivision 3 must not be affected by a:

6.24 is not registered as a structured settlement purchase company pursuant to this section at the  
6.25 time the transfer order is signed, the transfer order does not constitute a qualified order  
6.26 under United States Code, title 26, section 5891.

6.27 Subd. 6. **Cancellation or modification.** (a) A surety which issued a surety bond used  
6.28 by a structured settlement purchase company to satisfy the requirements under subdivision  
6.29 3 and the structured settlement purchase company which obtained the surety bond shall not

6.31 the structured settlement purchase company provides written notice to the secretary at least  
6.32 20 days before the effective date of the cancellation or modification.

7.1 (b) If a surety bond used by a structured settlement purchase company to satisfy the  
7.2 requirements of subdivision 3 is modified so as to make the surety bond not comply with  
7.3 any provision of sections 549.30 to 549.41, or the surety bond is canceled, the registration  
7.4 of the structured settlement purchase company expires on the effective date of the  
7.5 modification or cancellation unless a new surety bond, letter of credit, or cash bond which  
7.6 complies with sections 549.30 to 549.41, is filed with the secretary on or before the effective  
7.7 date of the modification or cancellation.

7.8 (c) A modification or cancellation of a surety bond used by a structured settlement  
7.9 purchase company to satisfy the requirements of subdivision 3 does not affect any liability  
7.10 of the bonded surety company incurred before the modification or cancellation of the surety  
7.11 bond.

7.12 Subd. 7. **Exemptions.** (a) An assignee is not required to register as a structured settlement  
7.13 purchase company to acquire structured settlement payment rights or to take security interest  
7.14 in structured settlement payment rights that were transferred by the payee to a structured  
7.15 settlement purchase company.

7.16 (b) An employee of a structured settlement purchase company, if acting on behalf of the  
7.17 structured settlement purchase company in connection with a transfer, is not required to be  
7.18 registered.

7.19 Subd. 8. **Fee.** \$700 shall be paid to the secretary of state at the time of making an initial  
7.20 registration application and \$200 shall be paid for a renewal under this section.

7.21 **EFFECTIVE DATE.** This section is effective January 1, 2023.

7.22 Sec. 22. **[549.36] PROHIBITED PRACTICES; PENALTIES.**

7.23 Subdivision 1. **Prohibited practices.** A transferee or structured settlement purchase  
7.24 company and an employee or other representative of a transferee or structured settlement  
7.25 purchase company shall not engage in the following actions:

7.26 (1) pursue or complete a transfer with a payee without complying with all applicable  
7.27 provisions of sections 549.30 to 549.41;

7.28 (2) refuse or fail to fund a transfer after court approval of the transfer;

7.29 (3) acquire structured settlement payment rights from a payee without complying with  
7.30 all applicable provisions of sections 549.30 to 549.41, including obtaining court approval  
7.31 of the transfer;

8.1 (4) intentionally file a structured settlement transfer proceeding in any court other than  
8.2 the court specified in section 549.40, unless the transferee is required to file in a different  
8.3 court by applicable law;

8.4 (5) except as otherwise provided in this clause, pay a commission or finder's fee to any  
8.5 person for facilitating or arranging a structured settlement transfer with a payee. The  
8.6 provisions of this clause do not prevent a structured settlement purchase company from  
8.7 paying:

8.8 (i) a salary, commission, or other compensation to a person who is an employee of a  
8.9 structured settlement purchase company; or

8.10 (ii) routine transfer expenses to third parties, including, without limitation, court filing  
8.11 fees, escrow fees, lien recordation fees, judgment and lien search fees, attorney fees, and  
8.12 other similar fees relating to a transfer;

8.13 (6) attempt to coerce, bribe, or intimidate a payee seeking to transfer structured settlement  
8.14 payment rights, including providing any gift, loan, extension of credit, advance, or other  
8.15 forms of consideration paid to or given to the payee as an inducement to enter a transfer  
8.16 agreement;

8.17 (7) attempt to defraud a payee or any party to a structured settlement transfer or any  
8.18 interested party in a structured settlement transfer proceeding by any means, including but  
8.19 not limited to forgery or false identification;

8.20 (8) except as otherwise provided in this clause, intervene in a pending structured  
8.21 settlement transfer proceeding if the transferee or structured settlement purchase company  
8.22 is not a party to the proceeding or an interested party relative to the proposed transfer which  
8.23 is the subject of the pending structured settlement transfer proceeding. The provisions of  
8.24 this clause do not prevent a structured settlement purchase company from intervening in a  
8.25 pending structured settlement transfer proceeding if the payee has signed a transfer agreement  
8.26 with the structured settlement purchase company within 60 days before the filing of the  
8.27 pending structured settlement transfer proceeding and the structured settlement purchase  
8.28 company which filed the pending structured settlement transfer proceeding violated any  
8.29 provision in sections 549.30 to 549.41 in connection with the proposed transfer that is the  
8.30 subject of the pending structured settlement transfer proceeding;

8.31 (9) except as otherwise provided in this clause, knowingly contact a payee who has  
8.32 signed a transfer agreement and is pursuing a proposed transfer with another structured  
8.33 settlement purchase company for the purpose of inducing the payee into canceling the  
8.34 proposed transfer or transfer agreement with the other structured settlement purchase

9.1 company if a structured settlement transfer proceeding has been filed by the other structured  
9.2 settlement purchase company and is pending. The provisions of this clause do not apply if  
9.3 no hearing has been held in the pending structured settlement transfer proceeding within  
9.4 90 days after the filing of the pending structured settlement transfer proceeding;

9.5 (10) fail to dismiss a pending structured settlement transfer proceeding at the request of  
9.6 the payee. A dismissal of a structured settlement proceeding after a structured settlement  
9.7 purchase company has violated the provisions of this clause does not exempt the structured  
9.8 settlement purchase company from any liability under this section;

9.9 (11) solicit a payee or prospective payee through the conveyance of a document that  
9.10 resembles a check or other form of payment;

9.11 (12) provide a transfer agreement or related document that purports to give the transferee  
9.12 the first choice or option to purchase any remaining structured settlement payment rights  
9.13 belonging to the payee that are not subject to the structured settlement transfer proceeding;  
9.14 or

9.15 (13) communicate with a payee, a prospective payee, or a person associated with the  
9.16 payee:

9.17 (i) after the payee, prospective payee, or person associated with the payee has informed  
9.18 the structured settlement purchase company to cease further communication;

9.19 (ii) at any unusual time or at a time that the structured settlement purchase company  
9.20 knows is inconvenient to the consumer. In the absence of the structured settlement purchase  
9.21 company's knowledge of circumstances to the contrary, a time at the consumer's location  
9.22 before 8:00 a.m. and after 9:00 p.m. is inconvenient. This clause shall not apply to a payee,  
9.23 prospective payee, or person associated with the payee who has opted in and agreed to allow  
9.24 the structured settlement purchase company to contact the person when necessary; or

9.25 (iii) repeatedly or continuously with intent to annoy, abuse, or harass a payee, prospective  
9.26 payee, or person associated with the payee.

9.27 **Subd. 2. Prohibitions regarding provision of independent professional advice. (a)**  
9.28 A transferee or structured settlement purchase company and an employee or other  
9.29 representative of a transferee or structured settlement purchase company shall not instruct  
9.30 a payee to hire or directly refer a payee or prospective payee to seek independent professional  
9.31 advice from a specific person, except that a structured settlement purchase company may  
9.32 refer a payee to a state or local referral service, bar association, legal aid, or any other entity  
9.33 unrelated to the structured settlement purchase company.

10.1 (b) A person rendering independent professional advice to a payee or prospective payee  
10.2 is not to be affected by whether a transfer occurs or does not occur and must not in any  
10.3 manner be affiliated with or compensated by the transferee or a structured settlement purchase  
10.4 company unless ordered by the court.

10.5 Subd. 3. **Enforcement; remedies.** (a) A violation of this section is a deceptive practice  
10.6 in violation of section 325F.69.

10.7 (b) A payee may file a motion in the district court in which the structured settlement  
10.8 transfer proceeding was pending alleging a violation of subdivision 1 and may pursue all  
10.9 rights and remedies to which the payee may be entitled pursuant to sections 549.30 to 549.41,  
10.10 or any other applicable law.

10.11 (c) A structured settlement purchase company may file a motion in district court in which  
10.12 the structured settlement transfer proceeding was pending to enforce subdivision 1, clauses  
10.13 (4), (7), and (9) to (11), and may pursue all remedies to which the structured settlement  
10.14 purchase company may be entitled pursuant to sections 549.30 to 549.41, or any other  
10.15 applicable law.

10.16 (d) If a court finds that a structured settlement purchase company or transferee is in  
10.17 violation of subdivision 1, the court may:

10.18 (1) revoke the registration of the structured settlement purchase company;

10.19 (2) suspend the registration of the structured settlement purchase company for a period  
10.20 to be determined at the discretion of the court;

10.21 (3) enjoin the structured settlement purchase company or transferee from filing new  
10.22 structured settlement transfer proceedings in this state or otherwise pursuing transfers in  
10.23 this state; and

10.24 (4) order other equitable relief as determined by the court.

10.25 **Sec. 23. [549.37] REQUIRED DISCLOSURES TO PAYEE.**

10.26 Not less than ten days before the date on which a payee signs a transfer agreement, the  
10.27 transferee shall provide to the payee a separate disclosure statement, in bold type no smaller  
10.28 than 14-point font, setting forth the following:

10.29 (1) the amounts and due dates of the structured settlement payments to be transferred;

10.30 (2) the aggregate amount of such payments;

11.1 (3) the discounted present value of the payments to be transferred, which must be  
11.2 identified as the "calculation of current value of the transferred structured settlement payments

11.4 used in calculating such discounted present value;

11.5 (4) the gross advance amount;

11.6 (5) an itemized list of all applicable transfer expenses, other than attorney fees and related  
11.7 disbursements, payable in connection with the transferee's application for approval of the  
11.8 transfer, and the transferee's best estimate of the amount of any such attorney fees and related  
11.9 disbursements;

11.10 (6) the effective annual interest rate, which must be disclosed in a statement in the  
11.11 following form: "On the basis of the net amount that you will receive from us and the  
11.12 amounts and timing of the structured settlement payments that you are transferring to us,  
11.13 you will, in effect be paying interest to us at a rate of ..... percent per year.";

11.14 (7) the net advance amount;

11.15 (8) the quotient, expressed as a percentage, obtained by dividing the net payment amount

11.17 (9) the amount of any penalties or liquidated damages payable by the payee in the event  
11.18 of any breach of the transfer agreement by the payee;

11.19 (10) that the payee has the right to cancel the transfer agreement, without penalty or  
11.20 further obligation, until the transfer is approved by the court;

11.21 (11) that the payee has the right to seek and receive independent professional advice

11.25 independent professional adviser. We may refer you to a state or local referral service, bar  
11.26 association, legal aid, or any other entity unrelated to us which assists people with locating  
11.27 independent professional advice, if requested; and

11.28 (12) that the payee has the right to seek out and consider additional offers for transferring  
11.29 the structured settlement payment rights and should do so.

12.1 Sec. 24. [549.38] CONDITIONS AND APPROVAL OF TRANSFERS OF  
12.2 STRUCTURED SETTLEMENT PAYMENT RIGHTS AND STRUCTURED  
12.3 SETTLEMENT AGREEMENTS.

12.4 Subdivision 1. Conditions; approval. (a) No direct or indirect transfer of structured  
12.5 settlement payment rights shall be effective and no structured settlement obligor or annuity  
12.6 issuer shall be required to make any payment directly or indirectly to a transferee or assignee  
12.7 of structured settlement payment rights unless the transfer has been approved in advance  
12.8 in a final court order based on express findings by the court that:

12.9 (1) the transfer is in the best interests of the payee, taking into account the welfare and  
12.10 support of the payee's dependents, if any;

12.11 (2) the payee has been advised in writing by the transferee to seek independent  
12.12 professional advice regarding the legal, tax, and financial implications of the transfer and  
12.13 if the payee has knowingly declined advice; and

12.14 (3) the transfer does not contravene an applicable statute or order of a court or other  
12.15 governmental authority.

12.16 (b) In determining whether a proposed transfer is in the best interests of the payee, taking  
12.17 into consideration the payee's dependents, if any, the court shall, among other things, consider  
12.18 the following:

12.19 (1) the reasonable preference of the payee, in light of the payee's age, mental capacity,  
12.20 maturity level, understanding of the terms of the agreement, and stated purpose for the  
12.21 transfer;

12.22 (2) if the periodic payments were intended to cover future income or losses or future  
12.23 medical expenses, whether the payee has means of support aside from the structured  
12.24 settlement to meet those obligations;

12.25 (3) whether the payee can meet the financial needs of, and obligations to, the payee's  
12.26 dependents if the transfer is allowed to proceed, including child support and spousal  
12.27 maintenance;

12.28 (4) whether the payee completed previous transactions involving the payee's structured  
12.29 settlement payment rights and the timing, size, stated purpose, and actual use of the proceeds;

12.30 (5) the impact of the proposed transfer on current or future eligibility of the payee or  
12.31 the payee's dependents for public benefits; and

12.32 (6) any other factors or facts the court determines are relevant and should be considered.

13.1 Subd. 2. Additional conditions for transfer of minor's structured settlement payment  
13.2 rights. No direct or indirect transfer of a minor's structured settlement payment rights by a  
13.3 parent, conservator, or guardian shall be effective and no structured settlement obligor or  
13.4 annuity issuer shall be required to make a payment directly or indirectly to a transferee or  
13.5 assignee of structured settlement payment rights unless, in addition to the findings required  
13.6 under subdivision 1, the court also finds that:

13.7 (1) the proceeds of the proposed transfer would be applied solely for support, care,  
13.8 education, health, and welfare of the minor payee; and

13.9 (2) any excess proceeds would be preserved for the future support, care, education,  
13.10 health, and welfare of the minor payee and transferred to the minor payee upon emancipation.

13.11 Sec. 25. [549.39] EFFECTS OF TRANSFER OF STRUCTURED SETTLEMENT  
13.12 PAYMENT RIGHTS.

13.13 Following a transfer of structured settlement payment rights:

13.14 (1) the structured settlement obligor and the annuity issuer may rely on the court order  
13.15 approving the transfer in redirecting periodic payments to an assignee or transferee in  
13.16 accordance with the order approving the transfer and shall, as to all parties except the  
13.17 transferee or an assignee designated by the transferee, be discharged and released from any  
13.18 and all liability for the redirected payments and such discharge and release shall not be  
13.19 affected by the failure of any party to the transfer to comply with this chapter or with the  
13.20 court order approving the transfer;

13.21 (2) the transferee is liable to the structured settlement obligor and the annuity issuer:

13.22 (i) if the transfer contravenes the terms of the structured settlement, for any taxes incurred  
13.23 by the structured settlement obligor or annuity issuer as a consequence of the transfer; and

13.24 (ii) for any other liabilities or costs, including reasonable costs and attorney fees, arising  
13.25 from compliance by the structured settlement obligor or annuity issuer with the court order  
13.26 or order of the responsible administrative authority approving the transfer or from the failure  
13.27 of any party to the transfer to comply with sections 549.30 to 549.41;

13.28 (3) neither the annuity issuer nor the structured settlement obligor may be required to  
13.29 divide any periodic payment between the payee and any transferee or assignee or between  
13.30 two or more transferees or assignees; and

13.31 (4) any further transfer of structured settlement payment rights by the payee may be  
13.32 made only after compliance with all of the requirements of sections 549.30 to 549.41.

14.1 Sec. 26. **[549.40] PROCEDURE FOR APPROVAL OF TRANSFERS.**

14.2 **Subdivision 1. Application; proof of registration.** An application under sections 549.30  
14.3 to 549.41 for approval of a transfer of structured settlement payment rights must be made  
14.4 by the transferee. The application must be brought in the district court of the county in which  
14.5 the payee is domiciled, except that the application may be brought in the court in the state  
14.6 that approved the structured settlement agreement if the structured settlement agreement  
14.7 requires the application be brought in that court. For applications made under this section  
14.8 on or after January 1, 2023, the application of the transferee must include evidence that the  
14.9 transferee is registered to do business in this state as a structured settlement purchase  
14.10 company pursuant to section 549.35.

14.11 **Subd. 2. Hearing.** A timely hearing must be held on an application for approval of a  
14.12 transfer of structured settlement payment rights. The payee must appear in person at the  
14.13 hearing, unless the court determines that good cause exists to excuse the payee from  
14.14 appearing in person.

14.15 **Subd. 3. Notice.** Not less than 20 days before the scheduled hearing on any application  
14.16 for approval of a transfer of structured settlement payment rights pursuant to sections 549.30  
14.17 to 549.41, the transferee shall file with the court and serve on all interested parties a notice  
14.18 of the proposed transfer and application for authorization, including with such notice:

14.19 (1) a copy of the transferee's application;

14.20 (2) a copy of the transfer agreement;

14.21 (3) a copy of the disclosure statement required by section 549.37;

14.22 (4) the payee's name, age, county of domicile, and the number and ages of each of the  
14.23 payee's dependents;

14.24 (5) a summary of:

14.25 (i) any prior transfers by the payee to the transferee or an affiliate, or through the  
14.26 transferee or an affiliate to an assignee, and any proposed transfers by the payee to the  
14.27 transferee or an affiliate, or through the transferee or an affiliate, applications for approval  
14.28 of which were denied; and

14.29 (ii) any prior transfers by the payee to any person or entity other than the transferee or  
14.30 an affiliate or an assignee of the transferee or an affiliate and any prior proposed transfers  
14.31 by the payee to any person or entity other than the transferee or an affiliate or an assignee  
14.32 of a transferee or affiliate, applications for approval of which were denied, following a  
14.33 reasonable search including the measures taken to identify all prior transfers to the extent

15.1 that the transfers or proposed transfers have been disclosed to the transferee by the payee  
15.2 in a sworn affidavit or otherwise are actually known to the transferee;

15.3 (6) notification that any interested party is entitled to support, oppose, or otherwise  
15.4 respond to the transferee's application, either in person or by counsel, by submitting written  
15.5 comments to the court or by participating in the hearing; and

15.6 (7) notification of the time and place of the hearing and notification of the manner in  
15.7 which and the date by which written responses to the application must be filed to be  
15.8 considered by the court, which must not be less than five days before the hearing.

15.9 Subd. 4. **Dismissal.** If the payee cancels a transfer agreement or if the transfer agreement  
15.10 otherwise terminates, after an application for approval of a transfer of structured settlement  
15.11 payment rights has been filed and before it has been granted or denied, the transferee must  
15.12 promptly request the dismissal of the application.

15.13 Sec. 27. **[549.405] APPOINTMENT OF ATTORNEY ADVISER.**

15.14 Subdivision 1. **Discretionary appointment.** The court is authorized and may, in its  
15.15 discretion, appoint an attorney to make an independent assessment and advise the court  
15.16 whether the proposed transfer is in the best interest of the payee, taking into consideration  
15.17 the payee's dependents, if any. The attorney may consult with a certified public accountant,  
15.18 actuary, or other licensed professional adviser, if necessary. All costs and reasonable fees  
15.19 for the appointed attorney shall be borne by the transferee, not to exceed \$2,000. The fee  
15.20 shall be deposited with and disbursed by the court to the attorney adviser.

15.21 Subd. 2. **Mandatory appointment.** The court shall appoint an attorney in any case  
15.22 involving:

15.23 (1) a proposed transfer of a minor's structured settlement payment rights by a parent or  
15.24 guardian where the attorney must advise the court on whether the proposed transfer is of  
15.25 direct benefit to the minor; or

15.26 (2) a proposed transfer of structured settlement payment rights involving a payee if it  
15.27 appears to the court that the payee may suffer from a mental or cognitive impairment.

15.28 Subd. 3. **Required motion; mental or cognitive impairment of payee.** (a) The transferee  
15.29 shall file a motion for the appointment of an attorney prior to a hearing on the proposed  
15.30 transfer if the transferee:

16.1 (1) is aware that the underlying structured settlement arose from a case in which a finding  
16.2 was made in a court record of a mental or cognitive impairment on the part of the payee;  
16.3 or

16.4 (2) is aware of any other case in which a finding was made in a court record of a mental  
16.5 or cognitive impairment on the part of the payee.

16.6 (b) In conjunction with the motion, the transferee shall provide to the court, either in  
16.7 camera or as directed by the court in a way to protect the privacy of the payee, any such  
16.8 findings known to the transferee that describe the nature, extent, or consequences of the  
16.9 payee's mental or cognitive impairment.

16.10 Subd. 4. **Attorney adviser report.** The attorney appointed by the court must report to  
16.11 the court the attorney's assessment and advice at the hearing required under section 549.40,  
16.12 subdivision 2, or at another time as directed by the court.

16.13 Subd. 5. **Applicability of other law.** Nothing in sections 549.30 to 549.41 affects the  
16.14 applicability of sections 524.5-101 to 524.5-903 or the rights and protections of persons  
16.15 subject to guardianship or conservatorship under those sections.

16.16 Sec. 28. **[549.41] GENERAL PROVISIONS; CONSTRUCTION.**

16.17 Subdivision 1. **Waiver prohibited.** The provisions of sections 549.30 to 549.41 may  
16.18 not be waived by a payee.

16.19 Subd. 2. **Choice of law; venue.** Any transfer agreement entered into by a payee who is  
16.20 domiciled in this state must provide that dispute under the transfer agreement, including  
16.21 any claims that the payee has breached the agreement, and must be determined in and under  
16.22 the laws of this state. No such transfer agreement shall authorize the transferee or any other  
16.23 party to confess judgment or consent to entry of judgment against the payee.

16.24 Subd. 3. **Life-contingent payments.** No transfer of structured settlement payment rights  
16.25 shall extend to any payments that are life contingent unless, prior to the date on which the  
16.26 payee signs the transfer agreement, the transferee has established and has agreed to maintain  
16.27 procedures reasonably satisfactory to the annuity issuer and the structured settlement obligor  
16.28 (1) periodically confirms the payee's survival, and (2) gives the annuity issuer and the  
16.29 structured settlement obligor prompt written notice in the event of the payee's death.

16.30 Subd. 4. **Liability.** (a) No payee who proposes to make a transfer of structured settlement  
16.31 payment rights shall incur any penalty, forfeit any application fee or other payment, or  
16.32 otherwise incur any liability to the proposed transferee or any assignee based on any failure  
16.33 of such transfer to satisfy the conditions of sections 549.30 to 549.41.

17.1 (b) Compliance with the requirements set forth in sections 549.30 to 549.41 are solely  
17.2 the responsibility of the transferee in any transfer of structured settlement payment rights  
17.3 and neither the structured settlement obligor nor the annuity issuer, if any, has any  
17.4 responsibility for, or any liability arising from, noncompliance with such requirements or  
17.5 failure to fulfill such conditions.

17.6 Subd. 5. **Construction.** (a) Nothing contained in sections 549.30 to 549.41 shall be  
17.7 construed to authorize the transfer of workers' compensation payment rights in contravention  
17.8 of applicable law or to give effect to the transfer of workers' compensation payment rights  
17.9 that is invalid under applicable law.

17.10 (b) Nothing contained in sections 549.30 to 549.41 shall:

17.11 (1) be construed to authorize any transfer of structured settlement payment rights in  
17.12 contravention of any applicable law or to imply that any transfer under a transfer agreement  
17.13 entered into before August 1, 2022, is valid or invalid; or

17.14 (2) affect the validity of any transfer of structured settlement payment rights, whether  
17.15 under a transfer agreement entered into or filed before August 1, 2022, in which the structured  
17.16 settlement obligor and annuity issuer waived or has not asserted their rights under terms of  
17.17 the structured settlement prohibiting or restricting the sale, assignment, or encumbrance of  
17.18 the structured settlement payment rights.

17.19 Subd. 6. **Application.** Sections 549.30 to 549.41 apply to any transfer of structured  
17.20 settlement payment rights filed on or after August 1, 2022.

17.21 Sec. 29. **APPROPRIATION.**

17.22 \$19,000 in fiscal year 2023 is appropriated from the general fund to the secretary of  
17.23 state for the purposes outlined in section 549.35. The base in fiscal years 2024 and 2025 is  
17.24 \$3,000.

17.25 Sec. 30. **REPEALER.**

17.26 Minnesota Statutes 2020, sections 549.30, subdivision 3; 549.31; 549.32; 549.33; and  
17.27 549.34, are repealed.

17.28 Sec. 31. **EFFECTIVE DATE.**

17.29 Sections 1 to 20 and 22 to 30 are effective August 1, 2022, and apply to transfers of  
17.30 structured settlement payment rights filed on or after that date.

**549.30 DEFINITIONS.**

Subd. 3. **Applicable law.** "Applicable law" means: (1) the laws of the United States; (2) the laws of this state, including principles of equity applied in the courts of this state; and (3) the laws of any other jurisdiction: (i) which is the domicile of the payee or any other interested party; (ii) under whose laws a structured settlement agreement was approved by a court or responsible administrative authority; or (iii) in whose courts a settled claim was pending when the parties entered into a structured settlement agreement.

**549.31 CONDITIONS TO TRANSFERS OF STRUCTURED SETTLEMENT PAYMENT RIGHTS AND STRUCTURED SETTLEMENT AGREEMENTS.**

Subdivision 1. **Generally.** No direct or indirect transfer of structured settlement payment rights is effective and no structured settlement obligor or annuity issuer is required to make a payment directly or indirectly to a transferee of structured settlement payment rights unless the transfer has been authorized in advance in a final order of a court of competent jurisdiction or responsible administrative authority, based on the court's or responsible administrative authority's written express findings that:

(a) the transfer complies with the requirements of sections 549.31 to 549.34 and will not contravene other applicable law;

(b) not less than ten days before the date on which the payee first incurred an obligation with respect to the transfer, the transferee has provided to the payee a disclosure statement in bold type, no smaller than 14 points, specifying:

(1) the amounts and due dates of the structured settlement payments to be transferred;

(2) the aggregate amount of the payments;

(3) the discounted present value of the payments, together with the discount rate used in determining the discounted present value;

(4) the gross amount payable to the payee in exchange for the payments;

(5) an itemized listing of all brokers' commissions, service charges, application fees, processing fees, closing costs, filing fees, referral fees, administrative fees, legal fees, notary fees, and other commissions, fees, costs, expenses, and charges payable by the payee or deductible from the gross amount otherwise payable to the payee;

(6) the net amount payable to the payee after deduction of all commissions, fees, costs, expenses, and charges described in clause (5);

(7) the quotient, expressed as a percentage, obtained by dividing the net payment amount by the discounted present value of the payments; and

(8) the amount of any penalty and the aggregate amount of any liquidated damages, including penalties, payable by the payee in the event of a breach of the transfer agreement by the payee;

(c) the payee has established that the transfer is in the best interests of the payee and the payee's dependents;

(d) the payee has received independent professional advice regarding the legal, tax, and financial implications of the transfer;

(e) the transferee has given written notice of the transferee's name, address, and taxpayer identification number to the annuity issuer and the structured settlement obligor and has filed a copy of the notice with the court or responsible administrative authority; and

(f) that the transfer agreement provides that any disputes between the parties will be governed, interpreted, construed, and enforced in accordance with the laws of this state and that the domicile state of the payee is the proper place of venue to bring any cause of action arising out of a breach of the agreement. The transfer agreement must also provide that the parties agree to the jurisdiction of any court of competent jurisdiction located in this state.

If the transfer would contravene the terms of the structured settlement, upon the filing of a written objection by any interested party and after considering the objection and any response to it, the court or responsible administrative authority may grant, deny, or impose conditions upon the proposed transfer as the court or responsible administrative authority deems just and proper under the facts and circumstances in accordance with established principles of law. Any order approving a transfer must require that the transferee indemnify the annuity issuer and the structured settlement

obligor for any liability including reasonable costs and attorney fees arising from compliance by the issuer or obligor with the order of the court or responsible administrative authority.

Subd. 2. **Unenforceable confessions of judgment.** A provision in a transfer agreement giving a transferee power to confess judgment against a payee is unenforceable to the extent the amount of the judgment would exceed the amount paid by the transferee to the payee, less any payments received from the structured settlement obligor or the payee.

Subd. 3. **Initial disclosure of structured settlement terms.** In negotiating a structured settlement of claims brought by or on behalf of a claimant who is domiciled in this state, the structured settlement obligor shall disclose in writing to the claimant or the claimant's legal representative all of the following information that is not otherwise specified in the structured settlement agreement:

(1) the amounts and due dates of the periodic payments to be made under the structured settlement agreement. In the case of payments that will be subject to periodic percentage increases, the amounts of future payments may be disclosed by identifying the base payment amount, the amount and timing of scheduled increases, and the manner in which increases will be compounded;

(2) the amount of the premium payable to the annuity issuer;

(3) the discounted present value of all periodic payments that are not life-contingent, together with the discount rate used in determining the discounted present value;

(4) the nature and amount of any cost that may be deducted from any of the periodic payments;

(5) where applicable, that any transfer of the periodic payments is prohibited by the terms of the structured settlement and may otherwise be prohibited or restricted under applicable law; and

(6) that any transfer of the periodic payments by the claimant may subject the claimant to serious adverse tax consequences.

**549.32 JURISDICTION; PROCEDURE FOR APPROVAL OF TRANSFERS.**

Subdivision 1. **Jurisdiction.** The district court has nonexclusive jurisdiction over an application for authorization under section 549.31 of a transfer of structured settlement payment rights.

Subd. 2. **Notice.** Not less than 20 days before the scheduled hearing on an application for authorization of a transfer of structured settlement payment rights under section 549.31, the transferee shall file with the court or responsible administrative authority and serve on: any other government authority that previously approved the structured settlement; and all interested parties, a notice of the proposed transfer and the application for its authorization. The notice must include:

(1) a copy of the transferee's application to the court or responsible administrative authority;

(2) a copy of the transfer agreement;

(3) a copy of the disclosure statement required under section 549.31, subdivision 1, paragraph (b);

(4) notification that an interested party is entitled to support, oppose, or otherwise respond to the transferee's application, either in person or by counsel, by submitting written comments to the court or responsible administrative authority or by participating in the hearing;

(5) notification of the time and place of the hearing and notification of the manner in which and the time by which written responses to the application must be filed, in order to be considered by the court or responsible administrative authority. Written responses to the application must be filed within 15 days after service of the transferee's notice; and

(6) notification of the date and judicial district of any prior application for transfer filed by the transferee relating to a prior proposed transfer with the payee, including whether the prior application was granted or denied. If any prior application was granted, the notice shall provide the amount and due dates of any structured settlement payments that were transferred, the aggregate amount of the payments, the discounted present value of the payments, and the gross amount that was payable to the payee in exchange for the payments.

**549.33 NO WAIVER; NO PENALTIES.**

Subdivision 1. **No waiver.** The provisions of sections 549.30 to 549.34 may not be waived.

Subd. 2. **No penalty.** No payee who proposes to make a transfer of structured settlement payment rights shall incur a penalty, forfeit an application fee or other payment, or otherwise incur any

liability to the proposed transferee based on the failure of the transfer to satisfy the conditions of section 549.31.

**549.34 CONSTRUCTION.**

Nothing contained in sections 549.30 to 549.34 may be construed to authorize the transfer of workers' compensation payment rights in contravention of applicable law or to give effect to the transfer of workers' compensation payment rights that is invalid under applicable law.
