Sec. 4. Minnesota Statutes 2006, section 290.06, subdivision 2c, is amended to read:

Subd. 2c. **Schedules of rates for individuals, estates, and trusts.** (a) The income taxes imposed by this chapter upon married individuals filing joint returns and surviving spouses as defined in section 2(a) of the Internal Revenue Code must be computed by applying to their taxable net income the following schedule of rates:

(1) On the first $25,680, 5.35 percent;

(2) On all over $25,680, but not over $102,030, 7.05 percent;

(3) On all over $102,030, 7.85 percent.

Married individuals filing separate returns, estates, and trusts must compute their income tax by applying the above rates to their taxable income, except that the income brackets will be one-half of the above amounts.

(b) The income taxes imposed by this chapter upon unmarried individuals must be computed by applying to taxable net income the following schedule of rates:

(1) On the first $17,570, 5.35 percent;

(d) In lieu of a tax computed according to the rates set forth in this subdivision, the tax of any individual taxpayer whose taxable net income for the taxable year is less than an amount determined by the commissioner must be computed in accordance with tables prepared and issued by the commissioner of revenue based on income brackets of not more than $100. The amount of tax for each bracket shall be computed at the rates set forth in this subdivision, provided that the commissioner may disregard a fractional part of a dollar unless it amounts to 50 cents or more, in which case it may be increased to $1.

(e) An individual who is not a Minnesota resident for the entire year must compute the individual's Minnesota income tax as provided in this subdivision. After the application of the nonrefundable credits provided in this chapter, the tax liability must then be multiplied by a fraction in which:

(1) the numerator is the individual's Minnesota source federal adjusted gross income as defined in section 62 of the Internal Revenue Code and increased by the additions required under section 290.01, subdivision 19a, clauses (1), (5), (6), (7), (8), and (9), and reduced by the Minnesota assignable portion of the subtraction for United States government interest under section 290.01, subdivision 19b, clause (1), and the subtractions under section 290.01, subdivision 19b, clauses (9), (10), (14), (15), ~~and~~ (16), <u>and (17),</u> after applying the allocation and assignability provisions of section 290.081, clause (a), or 290.17; and

EFFECTIVE DATE. <u>This section is effective for taxable years beginning after December 31, 2008.</u>

Sec. 5. Minnesota Statutes 2006, section 290.06, is amended by adding a subdivision to read:

<u>Subd. 34.</u> <u>**Certified green business job credit.**</u> <u>A taxpayer that is a certified green business, as defined in section 290.993, subdivision 1, is allowed a credit as determined under section 290.998 against the tax imposed by this chapter.</u>

EFFECTIVE DATE. <u>This section is effective for taxable years beginning after December 31, 2008.</u>

Sec. 6. Minnesota Statutes 2006, section 290.067, subdivision 1, is amended to read:

Subdivision 1. **Amount of credit.** (a) A taxpayer may take as a credit against the tax due from the taxpayer and a spouse, if any, under this chapter an amount equal to the dependent care credit for which the taxpayer is eligible pursuant to the provisions of section 21 of the Internal Revenue Code subject to the limitations provided in subdivision 2 except that in determining whether the child qualified as a dependent, income received as a Minnesota family investment program grant or allowance to or on behalf of the child must not be taken into account in determining whether the child received more than half of the child's support from the taxpayer, and the provisions of section 32(b)(1)(D) of the Internal Revenue Code do not apply.

(b) If a child who has not attained the age of six years at the close of the taxable year is cared for at a licensed family day care home operated by the child's parent, the taxpayer is deemed to have paid employment-related expenses. If the child is 16 months old or younger at the close of the taxable year, the amount of expenses deemed to have been paid equals the maximum limit for one qualified individual under section 21(c) and (d) of the Internal Revenue Code. If the child is older than 16 months of age but has not attained the age of six years at the close of the taxable year, the amount of expenses deemed to have been paid equals the amount the licensee would charge for the care of a child of the same age for the same number of hours of care.

(c) If a married couple:

(1) has a child who has not attained the age of one year at the close of the taxable year;

(2) files a joint tax return for the taxable year; and

(3) does not participate in a dependent care assistance program as defined in section 129 of the Internal Revenue Code, in lieu of the actual employment related expenses paid for that child under paragraph (a) or the deemed amount under paragraph (b), the lesser of (i) the combined earned income of the couple or (ii) the amount of the maximum limit for one qualified individual under section 21(c) and (d) of the Internal Revenue Code will be deemed to be the employment related expense paid for that child. The earned income limitation of section 21(d) of the Internal Revenue Code shall not apply to this deemed amount. These deemed amounts apply regardless of whether any employment-related expenses have been paid.

(d) If the taxpayer is not required and does not file a federal individual income tax return for the tax year, no credit is allowed for any amount paid to any person unless:

(1) the name, address, and taxpayer identification number of the person are included on the return claiming the credit; or

(2) if the person is an organization described in section 501(c)(3) of the Internal Revenue Code and exempt from tax under section 501(a) of the Internal Revenue Code, the name and address of the person are included on the return claiming the credit.

In the case of a failure to provide the information required under the preceding sentence, the preceding sentence does not apply if it is shown that the taxpayer exercised due diligence in attempting to provide the information required.

In the case of a nonresident, part-year resident, or a person who has earned income not subject to tax under this chapter including earned income excluded pursuant to section 290.01, subdivision 19b, clause (10) ~~or~~, (16), or (17), the credit determined under section 21 of the Internal Revenue Code must be allocated based on the ratio by which the earned income of the claimant and the claimant's spouse from Minnesota sources bears to the total earned income of the claimant and the claimant's spouse.

For residents of Minnesota, the subtractions for military pay under section 290.01, subdivision 19b, clauses (11) and (12), are not considered "earned income not subject to tax under this chapter."

For residents of Minnesota, the exclusion of combat pay under section 112 of the Internal Revenue Code is not considered "earned income not subject to tax under this chapter."

EFFECTIVE DATE. This section is effective for taxable years beginning after December 31, 2008.

Subdivision 1. **Credit allowed.** (a) An individual is allowed a credit against the tax imposed by this chapter equal to a percentage of earned income. To receive a credit, a taxpayer must be eligible for a credit under section 32 of the Internal Revenue Code.

(b) For individuals with no qualifying children, the credit equals 1.9125 percent of the first $4,620 of earned income. The credit is reduced by 1.9125 percent of earned income or adjusted gross income, whichever is greater, in excess of $5,770, but in no case is the credit less than zero.

(c) For individuals with one qualifying child, the credit equals 8.5 percent of the first $6,920 of earned income and 8.5 percent of earned income over $12,080 but less than $13,450. The credit is reduced by 5.73 percent of earned income or adjusted gross income, whichever is greater, in excess of $15,080, but in no case is the credit less than zero.

(d) For individuals with two or more qualifying children, the credit equals ten percent of the first $9,720 of earned income and 20 percent of earned income over

$14,860 but less than $16,800. The credit is reduced by 10.3 percent of earned income or adjusted gross income, whichever is greater, in excess of $17,890, but in no case is the credit less than zero.

(e) For a nonresident or part-year resident, the credit must be allocated based on the percentage calculated under section 290.06, subdivision 2c, paragraph (e).

(f) For a person who was a resident for the entire tax year and has earned income not subject to tax under this chapter, including income excluded under section 290.01, subdivision 19b, clause (10) ~~or~~, (16), or (17), the credit must be allocated based on the ratio of federal adjusted gross income reduced by the earned income not subject to tax under this chapter over federal adjusted gross income. For purposes of this paragraph, the subtractions for military pay under section 290.01, subdivision 19b, clauses (11) and (12), are not considered "earned income not subject to tax under this chapter."

For the purposes of this paragraph, the exclusion of combat pay under section 112 of the Internal Revenue Code is not considered "earned income not subject to tax under this chapter."

(g) For tax years beginning after December 31, 2001, and before December 31, 2004, the $5,770 in paragraph (b), the $15,080 in paragraph (c), and the $17,890 in paragraph (d), after being adjusted for inflation under subdivision 7, are each increased by $1,000 for married taxpayers filing joint returns.

(h) For tax years beginning after December 31, 2004, and before December 31, 2007, the $5,770 in paragraph (b), the $15,080 in paragraph (c), and the $17,890 in paragraph (d), after being adjusted for inflation under subdivision 7, are each increased by $2,000 for married taxpayers filing joint returns.

(i) For tax years beginning after December 31, 2007, and before December 31, 2010, the $5,770 in paragraph (b), the $15,080 in paragraph (c), and the $17,890 in paragraph (d), after being adjusted for inflation under subdivision 7, are each increased by $3,000 for married taxpayers filing joint returns. For tax years beginning after December 31, 2008, the $3,000 is adjusted annually for inflation under subdivision 7.

(j) The commissioner shall construct tables showing the amount of the credit at various income levels and make them available to taxpayers. The tables shall follow the schedule contained in this subdivision, except that the commissioner may graduate the transition between income brackets.

EFFECTIVE DATE. This section is effective for taxable years beginning after December 31, 2008.

(b) For the repayment of taxes imposed under chapter 297B, a business must pay any taxes required to be repaid to the motor vehicle registrar, as agent for the commissioner of revenue, within 30 days after ceasing to do business in the zone.

(e) If a property tax is not repaid under paragraph (c), the county treasurer shall add the amount required to be repaid to the property taxes assessed against the property for payment in the year following the year in which the treasurer discovers that the business ceased to operate in the zone.

(f) For determining the tax required to be repaid, a tax reduction is deemed to have been received on the date that the tax would have been due if the taxpayer had not been entitled to the exemption or on the date a refund was issued for a refundable tax credit.

(g) The commissioner may assess the repayment of taxes under paragraph (d) any time within two years after the business ceases to operate in the zone, or within any period of limitations for the assessment of tax under section 289A.38, whichever period is later.

Subd. 5. **Waiver authority.** The commissioner may waive all or part of a repayment, if the commissioner, in consultation with the commissioner of employment and economic development and appropriate officials from the local government units in which the qualified business is located if the local government imposed a local sales tax or granted a property tax reduction, determines that requiring repayment of the tax is not in the best interest of the state or the local government units and the business ceased operating as a result of circumstances beyond its control including, but not limited to:

(1) a natural disaster;

(2) unforeseen industry trends; or

(3) loss of a major supplier or customer.

Subd. 6. **Reconciliation.** Where this section is inconsistent with section 116J.994, subdivision 3, paragraph (e); or subdivision 6, or other provisions of sections 116J.993 to 116J.995, this section prevails.
