"ARTICLE 1

INDIVIDUAL INCOME, CORPORATE FRANCHISE, AND ESTATE TAXES

Section 1. Minnesota Statutes 2010, section 270B.12, is amended by adding a
subdivision to read:

Subd. 14. Wisconsin secretary of revenue; income tax reciprocity benchmark
study. The commissioner may disclose return information to the secretary of revenue
of the state of Wisconsin for the purpose of conducting a joint individual income tax
reciprocity study.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 2. Minnesota Statutes 2010, section 290.01, subdivision 19b, is amended to read:

Subd. 19b. Subtractions from federal taxable income. For individuals, estates,
and trusts, there shall be subtracted from federal taxable income:

(1) net interest income on obligations of any authority, commission, or
instrumentality of the United States to the extent includable in taxable income for federal
income tax purposes but exempt from state income tax under the laws of the United States;

(2) if included in federal taxable income, the amount of any overpayment of income
tax to Minnesota or to any other state, for any previous taxable year, whether the amount
is received as a refund or as a credit to another taxable year's income tax liability;

(3) the amount paid to others, less the amount used to claim the credit allowed under
section 290.0674, not to exceed $1,625 for each qualifying child in grades kindergarten
to 6 and $2,500 for each qualifying child in grades 7 to 12, for tuition, textbooks, and
transportation of each qualifying child in attending an elementary or secondary school
situated in Minnesota, North Dakota, South Dakota, Iowa, or Wisconsin, wherein a
resident of this state may legally fulfill the state's compulsory attendance laws, which
is not operated for profit, and which adheres to the provisions of the Civil Rights Act
of 1964 and chapter 363A. For the purposes of this clause, "tuition" includes fees or
tuition as defined in section 290.0674, subdivision 1, clause (1). As used in this clause,
"textbooks" includes books and other instructional materials and equipment purchased
or leased for use in elementary and secondary schools in teaching only those subjects
legally and commonly taught in public elementary and secondary schools in this state.
Equipment expenses qualifying for deduction includes expenses as defined and limited in
section 290.0674, subdivision 1, clause (3). "Textbooks" does not include instructional
books and materials used in the teaching of religious tenets, doctrines, or worship, the
purpose of which is to instill such tenets, doctrines, or worship, nor does it include books
or materials for, or transportation to, extracurricular activities including sporting events,
musical or dramatic events, speech activities, driver's education, or similar programs. No
deduction is permitted for any expense the taxpayer incurred in using the taxpayer's or
the qualifying child's vehicle to provide such transportation for a qualifying child. For
purposes of the subtraction provided by this clause, "qualifying child" has the meaning
given in section 32(c)(3) of the Internal Revenue Code;
(4) income as provided under section 290.0802;
(5) to the extent included in federal adjusted gross income, income realized on
disposition of property exempt from tax under section 290.491;
(6) to the extent not deducted or not deductible pursuant to section 408(d)(8)(E)
of the Internal Revenue Code in determining federal taxable income by an individual
who does not itemize deductions for federal income tax purposes for the taxable year, an
amount equal to 50 percent of the excess of charitable contributions over $500 allowable
as a deduction for the taxable year under section 170(a) of the Internal Revenue Code,
under the provisions of Public Law 109-1 and Public Law 111-126;
(7) for individuals who are allowed a federal foreign tax credit for taxes that do not
qualify for a credit under section 290.06, subdivision 22, an amount equal to the carryover
of subnational foreign taxes for the taxable year, but not to exceed the total subnational
foreign taxes reported in claiming the foreign tax credit. For purposes of this clause,
"federal foreign tax credit" means the credit allowed under section 27 of the Internal
Revenue Code, and "carryover of subnational foreign taxes" equals the carryover allowed
under section 904(c) of the Internal Revenue Code minus national level foreign taxes to
the extent they exceed the federal foreign tax credit;
(8) in each of the five tax years immediately following the tax year in which an
addition is required under subdivision 19a, clause (7), or 19c, clause (15), in the case
of a shareholder of a corporation that is an S corporation, an amount equal to one-fifth of the delayed depreciation. For purposes of this clause, "delayed depreciation" means the amount of the addition made by the taxpayer under subdivision 19a, clause (7), or subdivision 19c, clause (15), in the case of a shareholder of an S corporation, minus the positive value of any net operating loss under section 172 of the Internal Revenue Code generated for the tax year of the addition. The resulting delayed depreciation cannot be less than zero;

(9) job opportunity building zone income as provided under section 469.316;

(10) to the extent included in federal taxable income, the amount of compensation paid to members of the Minnesota National Guard or other reserve components of the United States military for active service performed in Minnesota, excluding compensation for services performed under the Active Guard Reserve (AGR) program. For purposes of this clause, "active service" means (i) state active service as defined in section 190.05, subdivision 5a, clause (1); (ii) federally funded state active service as defined in section 190.05, subdivision 5b; or (iii) federal active service as defined in section 190.05, subdivision 5c, but "active service" excludes service performed in accordance with section 190.08, subdivision 3;

(11) to the extent included in federal taxable income, the amount of compensation paid to Minnesota residents who are members of the armed forces of the United States or United Nations for active duty performed outside Minnesota under United States Code, title 10, section 101(d); United States Code, title 32, section 101(12); or the authority of the United Nations;

(12) an amount, not to exceed $10,000, equal to qualified expenses related to a qualified donor's donation, while living, of one or more of the qualified donor's organs to another person for human organ transplantation. For purposes of this clause, "organ" means all or part of an individual's liver, pancreas, kidney, intestine, lung, or bone marrow; "human organ transplantation" means the medical procedure by which transfer of a human organ is made from the body of one person to the body of another person; "qualified expenses" means unreimbursed expenses for both the individual and the qualified donor for (i) travel, (ii) lodging, and (iii) lost wages net of sick pay, except that such expenses may be subtracted under this clause only once; and "qualified donor" means the individual or the individual's dependent, as defined in section 152 of the Internal Revenue Code. An individual may claim the subtraction in this clause for each instance of organ donation for transplantation during the taxable year in which the qualified expenses occur;

(13) in each of the five tax years immediately following the tax year in which an addition is required under subdivision 19a, clause (8), or 19c, clause (16), in the case of a
shareholder of a corporation that is an S corporation, an amount equal to one-fifth of the
addition made by the taxpayer under subdivision 19a, clause (8), or 19c, clause (16), in the
case of a shareholder of a corporation that is an S corporation, minus the positive value of
any net operating loss under section 172 of the Internal Revenue Code generated for the
tax year of the addition. If the net operating loss exceeds the addition for the tax year, a
subtraction is not allowed under this clause;

(14) to the extent included in federal taxable income, compensation paid to a service
member as defined in United States Code, title 10, section 101(a)(5), for military service
as defined in the Servicemembers Civil Relief Act, Public Law 108-189, section 101(2);
(15) international economic development zone income as provided under section
469.325;
(16) to the extent included in federal taxable income, the amount of national service
educational awards received from the National Service Trust under United States Code,
title 42, sections 12601 to 12604, for service in an approved Americorps National Service
program; and
(17) to the extent included in federal taxable income, discharge of indebtedness
income resulting from reacquisition of business indebtedness included in federal taxable
income under section 108(i) of the Internal Revenue Code. This subtraction applies only
to the extent that the income was included in net income in a prior year as a result of the
addition under section 290.01, subdivision 19a, clause (16);
(18) to the extent not deducted in computing federal taxable income, charitable
contributions of food inventory as determined under the provisions of section 170(e)(3)(C)
of the Internal Revenue Code, determined without regard to the termination date under
section 170(e)(3)(C)(iv); and
(19) to the extent included in federal taxable income, 55 percent of compensation
received from a pension or other retirement pay from the federal government for service
in the military, as computed under United States Code, title 10, sections 1401 to 1414,
1447 to 1455, and 12733.

EFFECTIVE DATE. Clause (18) is effective for taxable years beginning after
December 31, 2010. Clause (19) is effective for taxable years beginning after December

Sec. 3. Minnesota Statutes 2010, section 290.06, subdivision 2c, is amended to read:
Subd. 2c. Schedules of rates for individuals, estates, and trusts. (a) The income
taxes imposed by this chapter upon married individuals filing joint returns and surviving
spouses as defined in section 2(a) of the Internal Revenue Code must be computed by applying to their taxable net income the following schedule of rates:

(1) On the first $25,680, 5.35 percent;
(2) On all over $25,680, but not over $102,030, 7.05 percent;
(3) On all over $102,030, 7.85 percent.

Married individuals filing separate returns, estates, and trusts must compute their income tax by applying the above rates to their taxable income, except that the income brackets will be one-half of the above amounts.

(b) The income taxes imposed by this chapter upon unmarried individuals must be computed by applying to taxable net income the following schedule of rates:

(1) On the first $17,570, 5.35 percent;
(2) On all over $17,570, but not over $57,710, 7.05 percent;
(3) On all over $57,710, 7.85 percent.

(c) The income taxes imposed by this chapter upon unmarried individuals qualifying as a head of household as defined in section 2(b) of the Internal Revenue Code must be computed by applying to taxable net income the following schedule of rates:

(1) On the first $21,630, 5.35 percent;
(2) On all over $21,630, but not over $86,910, 7.05 percent;
(3) On all over $86,910, 7.85 percent.

(d) In lieu of a tax computed according to the rates set forth in this subdivision, the tax of any individual taxpayer whose taxable net income for the taxable year is less than an amount determined by the commissioner must be computed in accordance with tables prepared and issued by the commissioner of revenue based on income brackets of not more than $100. The amount of tax for each bracket shall be computed at the rates set forth in this subdivision, provided that the commissioner may disregard a fractional part of a dollar unless it amounts to 50 cents or more, in which case it may be increased to $1.

(e) An individual who is not a Minnesota resident for the entire year must compute the individual's Minnesota income tax as provided in this subdivision. After the application of the nonrefundable credits provided in this chapter, the tax liability must then be multiplied by a fraction in which:

(1) the numerator is the individual's Minnesota source federal adjusted gross income as defined in section 62 of the Internal Revenue Code and increased by the additions required under section 290.01, subdivision 19a, clauses (1), (5), (6), (7), (8), (9), (12), (13), (16), and (17), and reduced by the Minnesota assignable portion of the subtraction for United States government interest under section 290.01, subdivision 19b, clause (1), and the subtractions under section 290.01, subdivision 19b, clauses (8), (9), (13), (14).
(15), and (17), (18), and (19), after applying the allocation and assignability provisions of
section 290.081, clause (a), or 290.17; and

(2) the denominator is the individual's federal adjusted gross income as defined in
section 62 of the Internal Revenue Code of 1986, increased by the amounts specified in
section 290.01, subdivision 19a, clauses (1), (5), (6), (7), (8), (9), (12), (13), (16), and (17),
and reduced by the amounts specified in section 290.01, subdivision 19b, clauses (1), (8),
(9), (13), (14), (15), and (17), (18), and (19).

**EFFECTIVE DATE.** This section is effective for taxable years beginning after
December 31, 2010, except that the new references to Minnesota Statutes, section 290.01,
subdivision 19b, clause (19), in paragraph (e), clauses (1) and (2), are effective for taxable
years beginning after December 31, 2012.

Sec. 4. Minnesota Statutes 2010, section 290.0674, subdivision 1, is amended to read:

Subdivision 1. **Credit allowed.** An individual is allowed a credit against the
tax imposed by this chapter in an amount equal to 75 percent of the amount paid for
education-related expenses for a qualifying child in kindergarten through grade 12. For
purposes of this section, "education-related expenses" means:

(1) fees or tuition for instruction by an instructor under section 120A.22, subdivision
10, clause (1), (2), (3), (4), or (5), or a member of the Minnesota Music Teachers
Association, and who is not a lineal ancestor or sibling of the dependent for instruction
outside the regular school day or school year, including tutoring, driver's education
offered as part of school curriculum, regardless of whether it is taken from a public or
private entity or summer camps, in grade or age appropriate curricula that supplement
curricula and instruction available during the regular school year, that assists a dependent
to improve knowledge of core curriculum areas or to expand knowledge and skills under
the required academic standards under section 120B.021, subdivision 1, and the elective
standard under section 120B.022, subdivision 1, clause (2), and that do not include the
teaching of religious tenets, doctrines, or worship, the purpose of which is to instill such
tenets, doctrines, or worship;

(2) expenses for textbooks, including books and other instructional materials and
equipment purchased or leased for use in elementary and secondary schools in teaching
only those subjects legally and commonly taught in public elementary and secondary
schools in this state. "Textbooks" does not include instructional books and materials
used in the teaching of religious tenets, doctrines, or worship, the purpose of which is
to instill such tenets, doctrines, or worship, nor does it include books or materials for
extracurricular activities including sporting events, musical or dramatic events, speech activities, driver's education, or similar programs;

(3) a maximum expense of $200 per family for personal computer hardware, excluding single purpose processors, and educational software that assists a dependent to improve knowledge of core curriculum areas or to expand knowledge and skills under the required academic standards under section 120B.021, subdivision 1, and the elective standard under section 120B.022, subdivision 1, clause (2), purchased for use in the taxpayer's home and not used in a trade or business regardless of whether the computer is required by the dependent's school; and

(4) the amount paid to others for tuition and transportation of a qualifying child attending an elementary or secondary school situated in Minnesota, North Dakota, South Dakota, Iowa, or Wisconsin, wherein a resident of this state may legally fulfill the state's compulsory attendance laws, which is not operated for profit, and which adheres to the provisions of the Civil Rights Act of 1964 and chapter 363A.

For purposes of this section, "qualifying child" has the meaning given in section 32(c)(3) of the Internal Revenue Code.

**EFFECTIVE DATE.** This section is effective for taxable years beginning after December 31, 2012.

Sec. 5. Minnesota Statutes 2010, section 290.068, subdivision 1, is amended to read:

Subdivision 1. Credit allowed. A corporation, partners in a partnership, or shareholders in a corporation treated as an "S" corporation under section 290.9725 are allowed a credit against the tax computed under this chapter for the taxable year equal to:

(a) ten percent of the first $2,000,000 of the excess (if any) of

(1) the qualified research expenses for the taxable year, over

(2) the base amount; and

(b) \( \frac{4.7}{100} \) percent on all of such excess expenses over $2,000,000.

**EFFECTIVE DATE.** This section is effective for taxable years beginning after December 31, 2013.

Sec. 6. Minnesota Statutes 2010, section 290.081, is amended to read:

**290.081 INCOME OF NONRESIDENTS, RECIPROCITY.**

Subdivision 1. Reciprocity with other states. (a) The compensation received for the performance of personal or professional services within this state by an individual whose residence, place of abode, and place customarily returned to at least once a month...
is in another state, shall be excluded from gross income to the extent such compensation is
subject to an income tax imposed by the state of residence; provided that such state allows
a similar exclusion of compensation received by residents of Minnesota for services
performed therein.

(b) When it is deemed to be in the best interests of the people of this state, the
commissioner may determine that the provisions of paragraph (a) shall not apply, as they
relate to all states except Wisconsin. The provisions of paragraph (a) apply with respect
to Wisconsin only for taxable years in which a reciprocity agreement with Wisconsin is
in effect as provided by this section. As long as the provisions of paragraph (a) apply
between Minnesota and Wisconsin, the provisions of paragraph (a) shall apply to any
individual who is domiciled in Wisconsin.

(c) For the purposes of paragraph (a), whenever the Wisconsin tax on Minnesota
residents which would have been paid Wisconsin without paragraph (a) exceeds the
Minnesota tax on Wisconsin residents which would have been paid Minnesota without
paragraph (a), or vice versa, then the state with the net revenue loss resulting from
paragraph (a) must be compensated by the other state as provided in the agreement under
paragraph (d). This provision shall be effective for all years beginning after December 31,
1972. The data used for computing the loss to either state shall be determined on or before
September 30 of the year following the close of the previous calendar year.

(d) Interest is payable on all amounts calculated under paragraph (c) relating to
taxable years beginning after December 31, 2000 and before January 1, 2010. Interest
accrues from July 1 of the taxable year.

(e) The commissioner of revenue is authorized to enter into agreements reciprocity
agreement with the state of Wisconsin specifying the compensation required
under paragraph (b), the one or more reciprocity payment due dates for the revenue
loss relating to each taxable year, with one or more estimated payment due dates in the
same fiscal year in which the revenue loss occurred, and a final payment in the following
fiscal year, conditions constituting delinquency, interest rates, and a method for computing
interest due. Interest is payable from July 1 of the taxable year on final payments made in
the following fiscal year. Calculation of compensation under the agreement must specify
if the revenue loss is determined before or after the allowance of each state's credit for
taxes paid to the other state.

(f) If an agreement cannot be reached as to the amount of the loss, the
commissioner of revenue and the taxing official of the state of Wisconsin shall each
appoint a member of a board of arbitration and these members shall appoint the third
member of the board. The board shall select one of its members as chair. Such board may
administer oaths, take testimony, subpoena witnesses, and require their attendance, require
the production of books, papers and documents, and hold hearings at such places as are
deemed necessary. The board shall then make a determination as to the amount to be paid
the other state which determination shall be final and conclusive.

(4) (a) The commissioner may furnish copies of returns, reports, or other information
to the taxing official of the state of Wisconsin, a member of the board of arbitration, or a
consultant under joint contract with the states of Minnesota and Wisconsin for the purpose
of making a determination as to the amount to be paid the other state under the provisions
of this section. Prior to the release of any information under the provisions of this section,
the person to whom the information is to be released shall sign an agreement which
provides that the person will protect the confidentiality of the returns and information
revealed thereby to the extent that it is protected under the laws of the state of Minnesota.

(b) Any reciprocity agreement entered into under this section continues in effect
until terminated by Minnesota or Wisconsin law. The commissioner may agree to modify
the timing or method of calculating the state payments to be made under the agreement,
consistent with the requirements of paragraphs (c) and (e), but may not terminate the
agreement.

Subd. 2. New reciprocity agreement with Wisconsin. (a) The commissioner of
revenue is directed to initiate negotiations with the secretary of revenue of Wisconsin,
with the objective of entering into an income tax reciprocity agreement effective for tax
years beginning after December 31, 2011. The agreement must satisfy the conditions of
subdivision 1, with one or more estimated payment due dates and a final payment due
date specified so that the state with a net revenue loss as a result of the agreement receives
estimated payments from the other state, in the same fiscal year as that in which the net
revenue loss occurred and a final payment with interest in the following fiscal year.

(b) The commissioner may not enter into an income tax reciprocity agreement
with Wisconsin under this section until after Wisconsin has paid in full with interest the
amount due to Minnesota under the income tax reciprocity agreement in effect for taxable
years beginning before January 1, 2010.

EFFECTIVE DATE. Subdivision 2 is effective the day following final enactment.
The changes to subdivision 1 are effective for taxable years beginning after December 31
of the year of the agreement, contingent upon agreement from the state of Wisconsin to a
reciprocity arrangement in which estimated payments are made in the same fiscal year in
which a change in revenue occurs, and a final payment is made in the following fiscal year.

Sec. 7. Minnesota Statutes 2010, section 290.091, subdivision 2, is amended to read:
Subd. 2. Definitions. For purposes of the tax imposed by this section, the following terms have the meanings given:

(a) "Alternative minimum taxable income" means the sum of the following for the taxable year:

(1) the taxpayer's federal alternative minimum taxable income as defined in section 55(b)(2) of the Internal Revenue Code;

(2) the taxpayer's itemized deductions allowed in computing federal alternative minimum taxable income, but excluding:

1986, as amended through December 31, 2010. Internal Revenue Code also includes any
uncodified provision in federal law that relates to provisions of the Internal Revenue
Code that are incorporated into Minnesota law. When used in this chapter, the reference
to "subtitle A, chapter 1, subchapter N, part 1, of the Internal Revenue Code" is to the
Internal Revenue Code as amended through March 18, 2010.

**EFFECTIVE DATE.** This section is effective the day following final enactment,

Sec. 6. Minnesota Statutes 2010, section 290.06, subdivision 2c, is amended to read:

Subd. 2c. **Schedules of rates for individuals, estates, and trusts.** (a) The income
taxes imposed by this chapter upon married individuals filing joint returns and surviving
spouses as defined in section 2(a) of the Internal Revenue Code must be computed by
applying to their taxable net income the following schedule of rates:

   (1) On the first $25,680, 5.35 percent;
(2) On all over $25,680, but not over $102,030, 7.05 percent;

(3) On all over $102,030, 7.85 percent.

Married individuals filing separate returns, estates, and trusts must compute their income tax by applying the above rates to their taxable income, except that the income brackets will be one-half of the above amounts.

(b) The income taxes imposed by this chapter upon unmarried individuals must be computed by applying to taxable net income the following schedule of rates:

(1) On the first $17,570, 5.35 percent;

(2) On all over $17,570, but not over $57,710, 7.05 percent;

(d) In lieu of a tax computed according to the rates set forth in this subdivision, the tax of any individual taxpayer whose taxable net income for the taxable year is less than an amount determined by the commissioner must be computed in accordance with tables prepared and issued by the commissioner of revenue based on income brackets of not more than $100. The amount of tax for each bracket shall be computed at the rates set forth in this subdivision, provided that the commissioner may disregard a fractional part of a dollar unless it amounts to 50 cents or more, in which case it may be increased to $1.

(e) An individual who is not a Minnesota resident for the entire year must compute the individual’s Minnesota income tax as provided in this subdivision. After the application of the nonrefundable credits provided in this chapter, the tax liability must then be multiplied by a fraction in which:

(1) the numerator is the individual’s Minnesota source federal adjusted gross income as defined in section 62 of the Internal Revenue Code and increased by the additions required under section 290.01, subdivision 19a, clauses (1), (5), (6), (7), (8), (9), (12), (13), (16), and (17), and (20), and reduced by the Minnesota assignable portion of the subtraction for United States government interest under section 290.01, subdivision 19b, clause (1), and the subtractions under section 290.01, subdivision 19b, clauses (8), (9), (13), (14), (15), and (17), after applying the allocation and assignability provisions of section 290.081, clause (a), or 290.17; and

clauses (1), (8), (9), (13), (14), (15), and (17).

EFFECTIVE DATE. This section is effective for taxable years beginning after

Section 1. Minnesota Statutes 2010, section 289A.20, subdivision 4, is amended to read:

Subd. 4. **Sales and use tax.** (a) The taxes imposed by chapter 297A are due and payable to the commissioner monthly on or before the 20th day of the month following the month in which the taxable event occurred, or following another reporting period as the commissioner prescribes or as allowed under section 289A.18, subdivision 4, paragraph (f) or (g), except that—

(1) use taxes due on an annual use tax return as provided under section 289A.11, subdivision 1, are payable by April 15 following the close of the calendar year; and—

(2) except as provided in paragraph (f), for a vendor having a liability of $120,000 or more during a fiscal year ending June 30, 2009, and fiscal years thereafter, the taxes
imposed by chapter 297A, except as provided in paragraph (b), are due and payable to the
commissioner monthly in the following manner:

(i) On or before the 14th day of the month following the month in which the taxable
event occurred, the vendor must remit to the commissioner 90 percent of the estimated
liability for the month in which the taxable event occurred.

(ii) On or before the 20th day of the month in which the taxable event occurs, the
vendor must remit to the commissioner a prepayment for the month in which the taxable
event occurs equal to 67 percent of the liability for the previous month.

(iii) On or before the 20th day of the month following the month in which the taxable
event occurred, the vendor must pay any additional amount of tax not previously remitted
under either item (i) or (ii) or, if the payment made under item (i) or (ii) was greater than
the vendor's liability for the month in which the taxable event occurred, the vendor may
take a credit against the next month's liability in a manner prescribed by the commissioner.

(iv) Once the vendor first pays under either item (i) or (ii), the vendor is required to
continue to make payments in the same manner, as long as the vendor continues having a
liability of $120,000 or more during the most recent fiscal year ending June 30.

(v) Notwithstanding items (i), (ii), and (iv), if a vendor fails to make the required
payment in the first month that the vendor is required to make a payment under either item
(i) or (ii), then the vendor is deemed to have elected to pay under item (ii) and must make
subsequent monthly payments in the manner provided in item (ii).

(vi) For vendors making an accelerated payment under item (ii), for the first month
that the vendor is required to make the accelerated payment, on the 20th of that month, the
vendor will pay 100 percent of the liability for the previous month and a prepayment for
the first month equal to 67 percent of the liability for the previous month.

(b) Notwithstanding paragraph (a), A vendor having a liability of $120,000 or more

(2) On or before August 20 of the year, the vendor must pay any additional amount
of tax not remitted in June.

(c) A vendor having a liability of:

(1) $10,000 or more, but less than $120,000 during a fiscal year ending June 30, 2009,
and fiscal years thereafter, must remit by electronic means all liabilities on returns
due for periods beginning in the subsequent calendar year on or before the 20th day of

before June 30. The remaining amount of the June liability is due on August 20.

(d) Notwithstanding paragraph (b) or (c), a person prohibited by the person’s
religious beliefs from paying electronically shall be allowed to remit the payment by mail.
The filer must notify the commissioner of revenue of the intent to pay by mail before
doing so on a form prescribed by the commissioner. No extra fee may be charged to a
person making payment by mail under this paragraph. The payment must be postmarked

considered paid on a timely basis.

(e) Whenever the liability is $120,000 or more separately for: (1) the tax imposed
under chapter 297A; (2) a fee that is to be reported on the same return as and paid with the

established in section 16A.152, subdivision 1a, reach the amounts listed in section
16A.152, subdivision 2, paragraph (a), the remittance of the accelerated payments required
under paragraph (a), clause (2), must be suspended. The commissioner of management
and budget shall notify the commissioner of revenue when the accounts have reached
the required amounts. Beginning with the suspension of paragraph (a), clause (2), for a

business, organization, or product. "Product" includes tangible personal property, a digital
product transferred electronically, or a service.

(b) A purchaser of advertising and promotional direct mail that is not a holder of
a direct pay permit shall provide to the seller, in conjunction with the purchase, either a
direct mail form or may provide the seller with either:

purchaser provides one of the exemption certificates indicated in paragraph (b), clauses (1)
and (2), the seller is relieved of all obligations to collect, pay, or remit the applicable tax
and the purchaser is obligated to pay or remit the applicable tax on a direct pay basis. A

information provided by the purchaser.

(b) (e) If the purchaser of direct mail does not have a direct pay permit and does
not provide the seller with either a direct mail form or delivery information, as required
by paragraph (a), the seller shall collect the tax according to any of the items listed in
paragraph (b), the sale shall be sourced under subdivision 2, paragraph (f). Nothing in
direct mail is delivered.
(c) If a purchaser of direct mail provides the seller with documentation of direct
pay authority, the purchaser is not required to provide a direct mail form or delivery
information to the seller.
(f) This subdivision does not apply to printed materials that result from developing
billing information or providing any data processing service that is more than incidental
to producing the printed materials, regardless of whether advertising and promotional
direct mail is included in the same mailing.

direct mail, this subdivision applies only if the primary purpose of the transaction is the sale
of products or services that meet the definition of advertising and promotional direct mail.

Sec. 6. Minnesota Statutes 2010, section 297A.668, is amended by adding a
subdivision to read:

Subd. 7a. Other direct mail. (a) Notwithstanding other subdivisions of this section,
the provisions in paragraphs (b) and (c) apply to the sale of other direct mail. "Other direct
mail" means printed material that is direct mail as defined in section 297A.61, subdivision
35, but is not advertising and promotional direct mail as described in subdivision 7,
regardless of whether advertising and promotional direct mail is included in the same
mailing. Other direct mail includes, but is not limited to:

(1) direct mail pertaining to a transaction between the purchaser and addressee,
where the mail contains personal information specific to the addressee including, but not
limited to, invoices, bills, statements of account, and payroll advices;
(2) any legally required mailings including, but not limited to, privacy notices,
tax reports, and stockholder reports; and
(3) other nonpromotional direct mail delivered to existing or former shareholders,
customers, employees, or agents including, but not limited to, newsletters and

Other direct mail does not include printed materials that result from developing
billing information or providing any data processing service that is more than incidental to
producing the other direct mail.
(b) A purchaser of other direct mail may provide the seller with either a fully completed exemption certificate as described in section 297A.72 indicating that the purchaser is authorized to pay any sales or use tax due on purchases made by the purchaser directly to the commissioner under section 297A.89, or a fully completed exemption certificate claiming an exemption for direct mail. If the purchaser provides one of the exemption certificates listed, then the seller, in the absence of bad faith, is relieved of all obligations to collect, pay, or remit the tax on any transaction involving other direct mail to which the certificate applies. The purchaser shall source the sale to the jurisdictions to which the other direct mail is to be delivered to the recipients of the mail, and shall report and pay any applicable tax due.

(c) If the purchaser does not provide the seller with a fully completed exemption certificate claiming either exemption listed in paragraph (b), the sale shall be sourced according to subdivision 2, paragraph (d).

Sec. 7. Minnesota Statutes 2010, section 297A.68, is amended by adding a subdivision to read:

**Subd. 42. Resold admission tickets.** (a) When a ticket reseller who purchased a ticket from a seller who is in the business of selling tickets resells the ticket, the ticket reseller must charge tax on the total amount for which the ticket is resold and the following rules apply:

(1) if the ticket reseller did not use a fully completed exemption certificate to claim the exemption from tax for resale, but instead paid tax on the original purchase, then the ticket reseller may do one of the following:

(i) seek a refund of that tax under section 289A.50; or

(ii) pass through to the purchaser the amount of the tax the ticket resseller paid on the original purchase, by giving the purchaser credit for the Minnesota state and local tax paid by the ticket resseller on the ticket resseller's original purchase of the ticket. Credit for the tax cannot exceed either the sales tax paid on the original price of the ticket or the sales tax charged by the ticket resseller to the final purchaser;

(2) if the ticket reseller did not pay tax on the original purchase, tax is due on the full amount of the ticket when resold, without a credit given to the final purchaser; or

(3) the ticket reseller must retain records documenting the price and tax paid by the ticket resseller when purchasing the ticket and the price and tax collected when the ticket resells the ticket.
(b) When a ticket reseller who purchased a ticket from a seller who is not in the business of selling tickets resells the ticket, the ticket reseller must charge tax on the total amount for which the ticket is resold and the following rules apply:

(1) the ticket reseller may credit its purchaser an amount equal to the tax the ticket reseller would have paid its seller, had the seller been registered to collect tax on its sale of the ticket to the ticket reseller. Credit for the tax cannot exceed either the sales tax paid on the original price of the ticket or the sales tax charged by the ticket reseller to the final purchaser. It is presumed that the original purchase price of the ticket is the face amount of the ticket;

(2) if no tax was paid on the original purchase, tax is due on the full amount of the ticket when resold, without a credit given to the ticket reseller's purchaser; and

(3) the ticket reseller must retain records documenting the price and tax paid by the ticket reseller when purchasing the ticket and the price and tax collected when the ticket reseller resells the ticket.

(c) For purposes of this subdivision, "ticket reseller" means a person who:

limited to, matching funds for mentoring programs, consulting and technical services, and related activities; 

(2) fund initiatives that retain engineering, science, technology, and mathematical occupations in the state including, but not limited to, internships, mentoring, and support of industry and professional organizations; and

Sec. 8. [116W.32] MINNESOTA SCIENCE AND TECHNOLOGY AUTHORITY; POWERS UNDER FUND. 

Subdivision 1. General powers. The authority shall have all of the powers necessary to carry out the purposes and provisions of sections 116W.26 to 116W.34, including, but not limited to, those provided under section 116W.04 and the following: 

(1) The authority may make awards in the forms of grants or loans, and charge and receive a reasonable interest for the loans, or take an equity position in form of stock, a convertible note, or other securities in consideration of an award. Interests, revenues, or other proceeds received as a result of a transaction authorized by use of this fund shall be deposited to the corpus of the fund and used in the same manner as the corpus of the fund. 

(2) In awarding money from the fund, priority shall be given to proposals from qualified science and technology companies that have demonstrable economic benefit to the state in terms of the formation of a new private sector business entity, the creation of jobs, or the attraction of federal and private funding. 

(3) In awarding money from the fund, priority shall be given to proposals from colleges or universities and nonprofit research institutions that: 

(i) promote collaboration between any combination of colleges or universities, nonprofit research institutions, and private industry;
(ii) enhance existing research superiority by attracting new research entities,
research talent, or resources to the state; and
(iii) create new research superiority that attracts significant researchers and resources
from outside the state.
(4) Subject to the limits in this clause, money within the fund may be used
for reasonable administrative expenses by the authority including staffing and direct
operational expenses, and professional fees for accounting, legal, and other technical
services required to carry out the intent of the program and administration of the fund.
Administrative expenses may not exceed five percent of the first $5,000,000 in the fund
and two percent of any amount in excess of $5,000,000.
(5) Before making an award, the authority shall enter into a written agreement with
the entity receiving the award that specifies the uses of the award.
(6) If the award recipient has not used the award received for the purposes intended,
as of the date provided in the agreement, the recipient shall repay that amount and any
interest applicable under the agreement to the authority. All repayments must be deposited
to the corpus of the fund.

Subd. 2. Rules. The authority may adopt rules to implement the programs
authorized under sections 116W.29 to 116W.31.

Sec. 9. [116W.33] REPAYMENT.
An entity must repay all or a portion of the amount of any award, grant, loan, or
financial assistance of any type paid by the authority under sections 116W.29 to 116W.32
if the entity relocates outside the state or ceases operation in Minnesota within four years
from the date the authority provided the financial award. If the entity relocates outside of
this state or ceases operation in Minnesota within three years of the financial award, the
entity must repay 100 percent of the award. If the entity relocates or ceases operation in
Minnesota after a period of three years but before four years from the date of the financial
award, the entity must repay 75 percent of the financial award.

Sec. 10. [116W.34] EXPIRATION.
Sections 116W.26 to 116W.33 expire on the expiration date of the authority under
section 116W.03, subdivision 7. Any unused money in the fund shall be deposited in the
general fund.

Sec. 11. Minnesota Statutes 2010, section 469.176, subdivision 4c, is amended to read:
Subd. 4c. Economic development districts. (a) Revenue derived from tax
increment from an economic development district may not be used to provide
improvements, loans, subsidies, grants, interest rate subsidies, or assistance in any form
to developments consisting of buildings and ancillary facilities, if more than 15 percent
of the buildings and facilities (determined on the basis of square footage) are used for a
purpose other than:
(1) the manufacturing or production of tangible personal property, including
processing resulting in the change in condition of the property;
(2) warehousing, storage, and distribution of tangible personal property, excluding
retail sales;
(3) research and development related to the activities listed in clause (1) or (2);
(4) telemarketing if that activity is the exclusive use of the property;
(5) tourism facilities;
(6) qualified border retail facilities; or
(7) space necessary for and related to the activities listed in clauses (1) to (6).
(b) Notwithstanding the provisions of this subdivision, revenues derived from tax
increment from an economic development district may be used to provide improvements,
loans, subsidies, grants, interest rate subsidies, or assistance in any form for up to 15,000
square feet of any separately owned commercial facility located within the municipal
jurisdiction of a small city, if the revenues derived from increments are spent only to
assist the facility directly or for administrative expenses, the assistance is necessary to
develop the facility, and all of the increments, except those for administrative expenses,
are spent only for activities within the district.
(c) A city is a small city for purposes of this subdivision if the city was a small city
in the year in which the request for certification was made and applies for the rest of
the duration of the district, regardless of whether the city qualifies or ceases to qualify
as a small city.
(d) Notwithstanding the requirements of paragraph (a) and the finding requirements
of section 469.174, subdivision 12, tax increments from an economic development district
may be used to provide improvements, loans, subsidies, grants, interest rate subsidies, or
assistance in any form to developments consisting of buildings and ancillary facilities, if
all the following conditions are met:
(1) the municipality finds that the project will create or retain jobs in this state,
including construction jobs, and that construction of the project would not have
commenced before July 1, 2012, without the authority providing assistance under
the provisions of this paragraph;
(2) construction of the project begins no later than July 1, 2012; and

(3) the request for certification of the district is made no later than June 30, 2012; and

(4) for development of housing under this paragraph, the construction must begin before January 1, 2012.

The provisions of this paragraph may not be used to assist housing that is developed to qualify under section 469.1761, subdivision 2 or 3, or similar requirements of other law, if construction of the project begins later than July 1, 2011.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 12. Minnesota Statutes 2010, section 469.176, subdivision 4m, is amended to read:

Subd. 4m. Temporary authority to stimulate construction. (a) Notwithstanding the restrictions in any other subdivision of this section or any other law to the contrary, except the requirement to pay bonds to which the increments are pledged and the provisions of subdivisions 4g and 4h, the authority may spend tax increments for one or more of the following purposes:

(1) to provide improvements, loans, interest rate subsidies, or assistance in any form to private development consisting of the construction or substantial rehabilitation of buildings and ancillary facilities, if doing so will create or retain jobs in this state, including construction jobs, and that the construction commences before July 1, 2012, and would not have commenced before that date without the assistance; or

(2) to make an equity or similar investment in a corporation, partnership, or limited liability company that the authority determines is necessary to make construction of a development that meets the requirements of clause (1) financially feasible.

(b) The authority may undertake actions under the authority of this subdivision only after approval by the municipality of a written spending plan that specifically authorizes the authority to take the actions. The municipality shall approve the spending plan only after a public hearing after published notice in a newspaper of general circulation in the municipality at least once, not less than ten days nor more than 30 days prior to the date of the hearing.

(c) The authority to spend tax increments under this subdivision expires December 31, 2014.

(d) For a development consisting of housing, the authority to spend tax increments under this subdivision expires December 31, 2011, and construction must commence before July 1, 2011, except the authority to spend tax increments on market rate housing
developments under this subdivision expires July 31, 2012, and construction must
commence before January 1, 2012.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 13. Minnesota Statutes 2010, section 469.1763, subdivision 2, is amended to read:

Subd. 2. **Expenditures outside district.** (a) For each tax increment financing
district, an amount equal to at least 75 percent of the total revenue derived from tax
increments paid by properties in the district must be expended on activities in the district
or to pay bonds, to the extent that the proceeds of the bonds were used to finance activities
in the district or to pay, or secure payment of, debt service on credit enhanced bonds.
For districts, other than redevelopment districts for which the request for certification
was made after June 30, 1995, the in-district percentage for purposes of the preceding
sentence is 80 percent. Not more than 25 percent of the total revenue derived from tax
increments paid by properties in the district may be expended, through a development fund
or otherwise, on activities outside of the district but within the defined geographic area of
the project except to pay, or secure payment of, debt service on credit enhanced bonds.
For districts, other than redevelopment districts for which the request for certification was
made after June 30, 1995, the pooling percentage for purposes of the preceding sentence is
20 percent. The revenue derived from tax increments for the district that are expended on
costs under section 469.176, subdivision 4h, paragraph (b), may be deducted first before
calculating the percentages that must be expended within and without the district.
(b) In the case of a housing district, a housing project, as defined in section 469.174,
subdivision 11, is an activity in the district.
(c) All administrative expenses are for activities outside of the district, except that
if the only expenses for activities outside of the district under this subdivision are for
the purposes described in paragraph (d), administrative expenses will be considered as
expenditures for activities in the district.
(d) The authority may elect, in the tax increment financing plan for the district,
to increase by up to ten percentage points the permitted amount of expenditures for
activities located outside the geographic area of the district under paragraph (a). As
permitted by section 469.176, subdivision 4k, the expenditures, including the permitted
expenditures under paragraph (a), need not be made within the geographic area of the
project. Expenditures that meet the requirements of this paragraph are legally permitted
expenditures of the district, notwithstanding section 469.176, subdivisions 4b, 4c, and 4j.
To qualify for the increase under this paragraph, the expenditures must:
(1) be used exclusively to assist housing that meets the requirement for a qualified low-income building, as that term is used in section 42 of the Internal Revenue Code; and

(2) not exceed the qualified basis of the housing, as defined under section 42(c) of the Internal Revenue Code, less the amount of any credit allowed under section 42 of the Internal Revenue Code; and

(3) be used to:

(i) acquire and prepare the site of the housing;

(ii) acquire, construct, or rehabilitate the housing; or

(iii) make public improvements directly related to the housing;

(4) be used to develop housing:

(i) if the market value of the housing does not exceed the lesser of:

(A) 150 percent of the average market of single-family homes in that municipality; or

(B) $200,000 for municipalities located in the metropolitan area, as defined in section 473.121, or $125,000 for all other municipalities; and

(ii) if the expenditures are used to pay the cost of site acquisition, relocation, demolition of existing structures, site preparation, and pollution abatement on one or more parcels, if the parcel contains a residence containing one to four family dwelling units that has been vacant for six or more months and is in foreclosure as defined in section 325N.10, subdivision 7, but without regard to whether the residence is the owner’s principal residence, and only after the redemption period stated in the notice provided under section 580.06 has expired.

(e) For a district created within a biotechnology and health sciences industry zone as defined in section 469.330, subdivision 6, or for an existing district located within such a zone, tax increment derived from such a district may be expended outside of the district but within the zone only for expenditures required for the construction of public infrastructure necessary to support the activities of the zone, land acquisition, and other redevelopment costs as defined in section 469.176, subdivision 4j. These expenditures are considered as expenditures for activities within the district.

(f) The authority under paragraph (d), clause (4), expires on December 31, 2016. Increments may continue to be expended under this authority after that date, if they are used to pay bonds or binding contracts that would qualify under subdivision 3, paragraph (a), if December 31, 2016, is considered to be the last date of the five-year period after certification under that provision.

**EFFECTIVE DATE.** This section is effective for any district that is subject to the provisions of section 469.1763, regardless of when the request for certification of the district was made.
Sec. 14. Laws 2010, chapter 389, article 7, section 22, is amended to read:

Sec. 22. CITY OF RAMSEY; TAX INCREMENT FINANCING DISTRICT;

SPECIAL RULES.

(a) If the city of Ramsey or an authority of the city elects upon the adoption of a tax
increment financing plan for a district, the rules under this section apply to a redevelopment

tax increment financing district established by the city or an authority of the city. The

redevelopment tax increment district includes parcels within the area bounded on the east

by Ramsey Boulevard, on the north by Bunker Lake Boulevard as extended west to Llama

Street, on the west by Llama Street, and on the south by a line running parallel to and

600 feet south of the southerly right-of-way for U.S. Highway 10, but including Parcels

28-32-25-43-0007 and 28-32-25-34-0002 in their entirety, and excluding the Anoka

County Regional Park property in its entirety. A parcel within this area that is included in

a tax increment financing district that was certified before the date of enactment of this act

may be included in the district created under this act if the initial district is decertified.

(b) The requirements for qualifying a redevelopment tax increment district under

Minnesota Statutes, section 469.174, subdivision 10, do not apply to the parcels located

within the district.

(c) In addition to the costs permitted by Minnesota Statutes, section 469.176,

subdivision 4j, does not apply to the district. Eligible expenditures within the district

include but are not limited to (1) the city's share of the costs necessary to provide for

the construction of the Northstar Transit Station and related infrastructure, including

structured parking, a pedestrian overpass, and roadway improvements, (2) the cost of

land acquired by the city or the housing and redevelopment authority in and for the city

of Ramsey within the district prior to the establishment of the district, and (3) the cost

of public improvements installed within the tax increment financing district prior to the

establishment of the district.

(d) The requirement of Minnesota Statutes, section 469.1763, subdivision 3, that

activities must be undertaken within a five-year period from the date of certification of a

tax increment financing district, is considered to be met for the district if the activities

were undertaken within ten years from the date of certification of the district.

(e) Except for administrative expenses, the in-district percentage for purposes of

the restriction on pooling under Minnesota Statutes, section 469.1763, subdivision 2, for

this district is 100 percent.

(f) The requirement of Minnesota Statutes, section 469.177, subdivision 4, does not

after enactment of Laws 2010, chapter 389, article 7, section 22, and prior to adoption of
the tax increment financing plan for the district.

EFFECTIVE DATE. This section is effective upon approval by the governing
body of the city of Ramsey, and upon compliance by the city with Minnesota Statutes,
section 645.021, subdivision 3.

Sec. 15. CITY OF COHASSET; USE OF TAX INCREMENTS.
The authority operating tax increment financing districts No. 2-1 and No. 3-1 in
the city of Cohasset may transfer tax increments from each of those districts to the city
in an amount equal to the advances made by the city from its general fund to finance
expenditures under Minnesota Statutes, section 469.176, subdivision 4, for the benefit
of that district.

EFFECTIVE DATE. This section is effective the day following final enactment,
upon approval by the governing body of the city of Cohasset and compliance with
Minnesota Statutes, section 645.021, subdivision 3.

Sec. 16. CITY OF LINO LAKES; TAX INCREMENT FINANCING.
Subdivision 1. Duration of district. Notwithstanding the provisions of Minnesota
Statutes, section 469.176, subdivision 1b, the city of Lino Lakes may collect tax
increments from tax increment financing district no. 1-10 through December 31, 2023,
subject to the conditions in subdivision 2.

Subd. 2. Conditions for extension. All tax increments remaining in the account
for the district after February 1, 2011, and all tax increments collected thereafter, must
be used only to pay debt service on bonds issued to finance the interchange of Anoka
County Highway 23 and marked Interstate Highway 35W, bonds issued to finance public
improvements serving the development known as Legacy at Woods Edge, and any bonds
issued to refund those bonds. Minnesota Statutes, sections 469.176, subdivision 4c, and
469.1763 do not apply to expenditures made under this section.

EFFECTIVE DATE. This section is effective upon compliance by the governing
body of the city of Lino Lakes with the requirements of Minnesota Statutes, sections

designate all or any part of the city as a border city development zone.

Subd. 2. **Application of general law.** (a) Minnesota Statutes, sections 469.1731 to
469.1735, apply to the border city development zones designated under this section. The
governing body of the city may exercise the powers granted under Minnesota Statutes,
sections 469.1731 to 469.1735, including powers that apply outside of the zones.

(b) The allocation under subdivision 3 for purposes of Minnesota Statutes, section

(b) This allocation may be used for tax reductions provided in Minnesota Statutes,
section 469.1732 or 469.1734, or for reimbursements under Minnesota Statutes, section
469.1735, subdivision 3, but only if the governing body of the city of Taylors Falls
determines that the tax reduction or offset is necessary to enable a business to expand
within the city or to attract a business to the city.

(c) The commissioner of revenue may waive the limit under this subdivision using
the same rules and standards provided in Minnesota Statutes, section 469.169, subdivision
12, paragraph (b).

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 18. **APPROPRIATION.**

This is a onetime appropriation and is not added to the authority's base budget.

**ARTICLE 5**

**LOCAL TAXES**

Section 1. Minnesota Statutes 2010, section 297A.99, subdivision 1, is amended to
read:

Subdivision 1. **Authorization; scope.** (a) A political subdivision of this state may
impose a general sales tax (1) under section 297A.992, (2) under section 297A.993, (3) if
permitted by special law enacted prior to May 20, 2008, or (4) if the political subdivision
enacted and imposed the tax before January 1, 1982, and its predecessor provision.
(b) This section governs the imposition of a general sales tax by the political
subdivision. The provisions of this section preempt the provisions of any special law:
(1) enacted before June 2, 1997, or
(2) enacted on or after June 2, 1997, that does not explicitly exempt the special law
provision from this section's rules by reference.
(c) This section does not apply to or preempt a sales tax on motor vehicles or a
special excise tax on motor vehicles.
(d) Until after May 31, 2010, a political subdivision may not advertise, promote,
expend funds, or hold a referendum to support imposing a local option sales tax unless
it is for extension of an existing tax or the tax was authorized by a special law enacted
prior to May 20, 2008.
(d) A political subdivision may not advertise or expend funds for the promotion of a
referendum to support imposing a local option sales tax. A political subdivision may only
expend funds to conduct the referendum.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 2. Minnesota Statutes 2010, section 297A.99, subdivision 3, is amended to read:

Subd. 3. Requirements for adoption, use, termination. (a) Imposition of a local
sales tax is subject to approval by voters of the political subdivision at a general election.
The election must be conducted before the governing body of the political subdivision
requests legislative approval of the tax.
(b) The proceeds of the tax must be dedicated exclusively to payment of the cost of a
specific capital improvement which is designated at least 90 days before the referendum
on imposition of the tax is conducted.
(c) The tax must terminate after the improvement designated under paragraph (b)
has been completed.
(d) After a sales tax imposed by a political subdivision has expired or been
terminated, the political subdivision is prohibited from imposing a local sales tax for a
period of one year. Notwithstanding subdivision 13, this paragraph applies to all local
sales taxes in effect at the time of or imposed after May 26, 1999.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 3. Minnesota Statutes 2010, section 473.757, subdivision 11, is amended to read:
62.1  **Subd. 11. Uses of tax.** (a) Revenues received from the tax imposed under

62.2 subdivision 10 may be used:

62.3  (1) to pay costs of collection;

62.4  (2) to pay or reimburse or secure the payment of any principal of, premium, or

62.5 interest on bonds issued in accordance with this act;

62.6  (3) to pay costs and make expenditures and grants described in this section, including

62.7 financing costs related to them;

62.8  (4) to maintain reserves for the foregoing purposes deemed reasonable and

62.9 appropriate by the county;

62.10  (5) to pay for operating costs of the ballpark authority other than the cost of

62.11 operating or maintaining the ballpark; and

62.12  (6) to make expenditures and grants for youth activities and amateur sports and

62.13 extension of library hours as described in subdivision 2;

62.14 and for no other purpose.

62.15  (b) Revenues from the tax designated for use under paragraph (a), clause (5), must

62.16 be deposited in the operating fund of the ballpark authority.

62.17  (c) After completion of the ballpark and public infrastructure, the tax revenues not

62.18 required for current payments of the expenditures described in paragraph (a), clauses (1) to

62.19 (6), shall be used to (i) redeem or defease the bonds and (ii) prepay or establish a fund for

62.20 payment of future obligations under grants or other commitments for future expenditures

62.21 which are permitted by this section. Upon the redemption or defeasance of the bonds and

62.22 the establishment of reserves adequate to meet such future obligations, the taxes shall

62.23 terminate and shall not be reimposed. For purposes of this subdivision, "reserves adequate

62.24 to meet such future obligations" means a reserve that does not exceed the net present value

62.25 of the county's obligation to make grants under paragraph (a), clauses (5) and (6), and to

62.26 fund the reserve for capital improvements required under section 473.759, subdivision 3,

62.27 for the 30-year period beginning on the date of the original issuance of the bonds, less

62.28 those obligations that the county has already paid.

62.29 **EFFECTIVE DATE.** This section is effective the day following final enactment.

62.30 Sec. 4. Laws 1996, chapter 471, article 2, section 29, subdivision 1, as amended by

62.32  **Subdivision 1. Sales tax authorized.**  (a) Notwithstanding Minnesota Statutes,

62.33 section 477A.016, or any other contrary provision of law, ordinance, or city charter, the

62.34 city of Hermantown may, by ordinance, impose an additional sales tax of up to one

62.35 percent on sales transactions taxable pursuant to Minnesota Statutes, chapter 297A, that
occur within the city. The proceeds of the tax imposed under this section must be used to
meet the costs of:

(1) extending a sewer interceptor;
(2) construction of a booster pump station, reservoirs, and related improvements
to the water system; and
(3) construction of a building containing a police and fire station and an
administrative services facility.

(b) If the city imposed a sales tax of only one-half of one percent under paragraph
(a), it may increase the tax to one percent to fund the purposes under paragraph (a)
provided it is approved by the voters at a general election held before December 31, 2012.

EFFECTIVE DATE. This section is effective the day following compliance by the
city of Hermantown with Minnesota Statutes, section 645.021, subdivision 3.

Sec. 5. Laws 1998, chapter 389, article 8, section 43, subdivision 3, as amended by
Laws 2005, First Special Session chapter 3, article 5, section 28, is amended to read:

Subd. 3. Use of revenues. (a) Revenues received from the taxes authorized by

authorized in this section may not exceed $28,000,000.

(c) In addition to the projects authorized in paragraph (a) and not subject to the
amount stated in paragraph (b), the city of Rochester may, if approved by the voters at an
election under subdivision 5, paragraph (c), use the revenues received from the taxes and

An election to approve bonds under Minnesota Statutes, section 475.58, in an amount not to exceed $139,500,000 plus an amount equal to the costs of issuance of the bonds, may be held in combination with the election to authorize the extension of the tax under subdivision 5, paragraph (c).

The county may, pursuant to the agreement, issue its general obligation bonds in a principal amount not exceeding the amount authorized by its agreement with the city payable primarily from the sales tax revenues from the city under the agreement. The county's bonds must be issued in accordance with the provisions of Minnesota Statutes, chapter 475, except that no election is required for the issuance of the bonds and the bonds are not included in the net debt of the county.

(c) The issuance of bonds under this subdivision is not subject to Minnesota Statutes, section 275.60.

(d) The bonds are not included in computing any debt limitation applicable to the city, and the levy of taxes under Minnesota Statutes, section 475.61, to pay principal of and interest on the bonds is not subject to any levy limitation.

(e) The aggregate principal amount of bonds, plus the aggregate of the taxes used directly to pay eligible capital expenditures and improvements for projects listed in subdivision 3, paragraph (a), may not exceed $111,500,000, plus an amount equal to the costs related to issuance of the bonds. notices, may make application to the commissioner of revenue to finance such notices.

The commissioner of revenue shall conduct an investigation and, if satisfied that the
assessor does not have the necessary funds, issue a certification to the commissioner
of management and budget of the amount necessary to provide such notices. The
commissioner of management and budget shall issue a warrant for such amount and shall
deduct such amount from any state payment to such county or municipality. The necessary
funds to make such payments are hereby appropriated. Failure to receive the notice shall in
no way affect the validity of the assessment, the resulting tax, the procedures of any board
of review or equalization, or the enforcement of delinquent taxes by statutory means.

**EFFECTIVE DATE.** This section is effective for notifications for taxes payable in
2013 and thereafter.

Sec. 6. Minnesota Statutes 2010, section 273.13, subdivision 25, is amended to read:

Subd. 25. **Class 4.** (a) Class 4a is residential real estate containing four or more
units and used or held for use by the owner or by the tenants or lessees of the owner
as a residence for rental periods of 30 days or more, excluding property qualifying for
class 4d. Class 4a also includes hospitals licensed under sections 144.50 to 144.56, other
than hospitals exempt under section 272.02, and contiguous property used for hospital
purposes, without regard to whether the property has been platted or subdivided. The
market value of class 4a property has a class rate of 1.25 percent.

(b) Class 4b includes:

(1) residential real estate containing less than four units that does not qualify as class
4bb, other than seasonal residential recreational property;

(2) manufactured homes not classified under any other provision;

(3) a dwelling, garage, and surrounding one acre of property on a nonhomestead
farm classified under subdivision 23, paragraph (b) containing two or three units; and

(4) unimproved property that is classified residential as determined under subdivision
33.

The market value of class 4b property has a class rate of 1.25 percent.

(c) Class 4bb includes:

(1) nonhomestead residential real estate containing one unit, other than seasonal
residential recreational property; and

(2) a single family dwelling, garage, and surrounding one acre of property on a
nonhomestead farm classified under subdivision 23, paragraph (b).

Class 4bb property has the same class rates as class 1a property under subdivision 22.

(d) Class 4c property includes:

(1) except as provided in subdivision 22, paragraph (c), real and personal property devoted to commercial temporary and seasonal residential occupancy for recreation purposes, including real and personal property devoted to temporary and seasonal residential occupancy for recreation purposes and not devoted to commercial purposes for not more than 250 days in the year preceding the year of assessment. For purposes of this clause, property is devoted to a commercial purpose on a specific day if any portion of the property is used for residential occupancy, and a fee is charged for residential occupancy. Class 4c property under this clause must contain three or more rental units. A "rental unit" is defined as a cabin, condominium, townhouse, sleeping room, or individual camping site equipped with water and electrical hookups for recreational vehicles. Class 4c property under this clause must provide recreational activities such as renting ice fishing houses, boats and motors, snowmobiles, downhill or cross-country ski equipment, provide marina services, launch services, or guide services, or sell bait and fishing tackle. A camping pad offered for rent by a property that otherwise qualifies for class 4c under this clause is also class 4c under this clause regardless of the term of the rental agreement, as long as the use of the camping pad does not exceed 250 days. In order for a property to be classified as class 4c, seasonal residential recreational for commercial purposes under this clause, either (i) the business located on the property must provide recreational activities at least 40 percent of the annual gross lodging receipts related to the property must be from business conducted during 90 consecutive days and either (i) (A) at least 60 percent of all paid bookings by lodging guests during the year must be for periods of at least two consecutive nights; or (ii) (B) at least 20 percent of the annual gross receipts must be from charges for rental of fish houses, boats and motors, snowmobiles, downhill or cross-country ski equipment, or charges for marina services, launch services, and guide services, or the sale of bait and fishing tackle providing recreational activities, or (ii) the business must contain 20 or fewer rental units, and must be located in a township or a city with a population of 2,500 or less located outside the metropolitan area, as defined under section 473.121, subdivision 2, that contains a portion of a state trail administered by the Department of Natural Resources. For purposes of this determination item (i)(A), a paid booking of five or more nights shall be counted as two bookings. Class 4c property classified under this clause also includes commercial use real property used exclusively for recreational purposes in conjunction with other class 4c property classified under this clause and

Article 6 Sec. 6.
devoted to temporary and seasonal residential occupancy for recreational purposes, up to a
total of two acres, provided the property is not devoted to commercial recreational use for
more than 250 days in the year preceding the year of assessment and is located within two
miles of the class 4c property with which it is used. **Owners of real and personal property**
devoted to temporary and seasonal residential occupancy for recreation purposes and all
or a portion of which was devoted to commercial purposes for not more than 250 days in
the year preceding the year of assessment desiring classification as class 4c. In order for a
property to qualify for classification under this clause, the owner must submit a declaration
to the assessor designating the cabins or units occupied for 250 days or less in the year
preceding the year of assessment by January 15 of the assessment year. Those cabins or
units and a proportionate share of the land on which they are located must be designated
class 4c under this clause as otherwise provided. The remainder of the cabins or units and
a proportionate share of the land on which they are located will be designated as class 3a.
The owner of property desiring designation as class 4c property under this clause must
provide guest registers or other records demonstrating that the units for which class 4c
designation is sought were not occupied for more than 250 days in the year preceding the
assessment if so requested. The portion of a property operated as a (1) restaurant, (2) bar,
(3) gift shop, (4) conference center or meeting room, and (5) other nonresidential facility
operated on a commercial basis not directly related to temporary and seasonal residential
occupancy for recreation purposes does not qualify for class 4c. For the purposes of this
paragraph, "recreational activities" means renting ice fishing houses, boats and motors,
snowmobiles, downhill or cross-country ski equipment; providing marina services, launch
services, or guide services; or selling bait and fishing tackle;

(2) qualified property used as a golf course if:

(i) it is open to the public on a daily fee basis. It may charge membership fees or
dues, but a membership fee may not be required in order to use the property for golfing,
and its green fees for golfing must be comparable to green fees typically charged by
municipal courses; and

(ii) it meets the requirements of section 273.112, subdivision 3, paragraph (d).

A structure used as a clubhouse, restaurant, or place of refreshment in conjunction
with the golf course is classified as class 3a property;

(3) real property up to a maximum of three acres of land owned and used by a
nonprofit community service oriented organization and not used for residential purposes
on either a temporary or permanent basis, provided that:

(i) the property is not used for a revenue-producing activity for more than six days
in the calendar year preceding the year of assessment; or
(ii) the organization makes annual charitable contributions and donations at least
equal to the property's previous year's property taxes and the property is allowed to be
used for public and community meetings or events for no charge, as appropriate to the
size of the facility.

For purposes of this clause,

(A) "charitable contributions and donations" has the same meaning as lawful
gambling purposes under section 349.12, subdivision 25, excluding those purposes
relating to the payment of taxes, assessments, fees, auditing costs, and utility payments;

(B) "property taxes" excludes the state general tax;

(C) a "nonprofit community service oriented organization" means any corporation,
society, association, foundation, or institution organized and operated exclusively for
charitable, religious, fraternal, civic, or educational purposes, and which is exempt from
federal income taxation pursuant to section 501(c)(3), (8), (10), or (19) of the Internal
Revenue Code; and

(D) "revenue-producing activities" shall include but not be limited to property or that
portion of the property that is used as an on-sale intoxicating liquor or 3.2 percent malt
liquor establishment licensed under chapter 340A, a restaurant open to the public, bowling
alley, a retail store, gambling conducted by organizations licensed under chapter 349, an
insurance business, or office or other space leased or rented to a lessee who conducts a
for-profit enterprise on the premises.

Any portion of the property not qualifying under either item (i) or (ii) is class 3a. The use
of the property for social events open exclusively to members and their guests for periods
of less than 24 hours, when an admission is not charged nor any revenues are received by
the organization shall not be considered a revenue-producing activity.

The organization shall maintain records of its charitable contributions and donations
and of public meetings and events held on the property and make them available upon
request any time to the assessor to ensure eligibility. An organization meeting the
requirement under item (ii) must file an application by May 1 with the assessor for
eligibility for the current year's assessment. The commissioner shall prescribe a uniform
application form and instructions;

(4) postsecondary student housing of not more than one acre of land that is owned by
a nonprofit corporation organized under chapter 317A and is used exclusively by a student
cooperative, sorority, or fraternity for on-campus housing or housing located within two
miles of the border of a college campus;

(5) (i) manufactured home parks as defined in section 327.14, subdivision 3,
excluding manufactured home parks described in section 273.124, subdivision 3a, and (ii)
manufactured home parks as defined in section 327.14, subdivision 3, that are described in
section 273.124, subdivision 3a;

   (6) real property that is actively and exclusively devoted to indoor fitness, health,
social, recreational, and related uses, is owned and operated by a not-for-profit corporation,
and is located within the metropolitan area as defined in section 473.121, subdivision 2;

   (7) a leased or privately owned noncommercial aircraft storage hangar not exempt
under section 272.01, subdivision 2, and the land on which it is located, provided that:

      (i) the land is on an airport owned or operated by a city, town, county, Metropolitan
Airports Commission, or group thereof; and

      (ii) the land lease, or any ordinance or signed agreement restricting the use of the
leased premise, prohibits commercial activity performed at the hangar.

If a hangar classified under this clause is sold after June 30, 2000, a bill of sale must
be filed by the new owner with the assessor of the county where the property is located
within 60 days of the sale;

   (8) a privately owned noncommercial aircraft storage hangar not exempt under
section 272.01, subdivision 2, and the land on which it is located, provided that:

      (i) the land abuts a public airport; and

      (ii) the owner of the aircraft storage hangar provides the assessor with a signed
agreement restricting the use of the premises, prohibiting commercial use or activity
performed at the hangar; and

   (9) residential real estate, a portion of which is used by the owner for homestead
purposes, and that is also a place of lodging, if all of the following criteria are met:

      (i) rooms are provided for rent to transient guests that generally stay for periods
of 14 or fewer days;

      (ii) meals are provided to persons who rent rooms, the cost of which is incorporated
in the basic room rate;

      (iii) meals are not provided to the general public except for special events on fewer
than seven days in the calendar year preceding the year of the assessment; and

      (iv) the owner is the operator of the property.

The market value subject to the 4c classification under this clause is limited to five rental
units. Any rental units on the property in excess of five, must be valued and assessed as
class 3a. The portion of the property used for purposes of a homestead by the owner must
be classified as class 1a property under subdivision 22;

   (10) real property up to a maximum of three acres and operated as a restaurant
as defined under section 157.15, subdivision 12, provided it: (A) is located on a lake
as defined under section 103G.005, subdivision 15, paragraph (a), clause (3); and (B)
is either devoted to commercial purposes for not more than 250 consecutive days, or
receives at least 60 percent of its annual gross receipts from business conducted during
four consecutive months. Gross receipts from the sale of alcoholic beverages must be
included in determining the property's qualification under subitem (B). The property's
primary business must be as a restaurant and not as a bar. Gross receipts from gift shop
sales located on the premises must be excluded. Owners of real property desiring 4c
classification under this clause must submit an annual declaration to the assessor by
February 1 of the current assessment year, based on the property's relevant information for
the preceding assessment year; and

(11) lakeshore and riparian property and adjacent land, not to exceed six acres, used
as a marina, as defined in section 86A.20, subdivision 5, which is made accessible to
the public and devoted to recreational use for marina services. The marina owner must
annually provide evidence to the assessor that it provides services, including lake or river
access to the public by means of an access ramp or other facility that is either located on
the property of the marina or at a publicly owned site that abuts the property of the marina.
No more than 800 feet of lakeshore may be included in this classification. Buildings used
in conjunction with a marina for marina services, including but not limited to buildings
used to provide food and beverage services, fuel, boat repairs, or the sale of bait or fishing
tackle, are classified as class 3a property; and

(12) real and personal property devoted to noncommercial temporary and seasonal
residential occupancy for recreation purposes.
Class 4c property has a class rate of 1.5 percent of market value, except that (i)
each parcel of noncommercial seasonal residential recreational property not used for
commercial purposes under clause (12) has the same class rates as class 4bb property, (ii)
manufactured home parks assessed under clause (5), item (i), have the same class rate
as class 4b property, and the market value of manufactured home parks assessed under
clause (5), item (ii), has the same class rate as class 4d property if more than 50 percent
of the lots in the park are occupied by shareholders in the cooperative corporation or
association and a class rate of one percent if 50 percent or less of the lots are so occupied,
(iii) commercial-use seasonal residential recreational property and marina recreational
land as described in clause (11), has a class rate of one percent for the first $500,000 of
market value, and 1.25 percent for the remaining market value, (iv) the market value of
property described in clause (4) has a class rate of one percent, (v) the market value of
property described in clauses (2), (6), and (10) has a class rate of 1.25 percent, and (vi)
that portion of the market value of property in clause (9) qualifying for class 4c property
has a class rate of 1.25 percent.
(e) Class 4d property is qualifying low-income rental housing certified to the assessor by the Housing Finance Agency under section 273.128, subdivision 3. If only a portion of the units in the building qualify as low-income rental housing units as certified under section 273.128, subdivision 3, only the proportion of qualifying units to the total number of units in the building qualify for class 4d. The remaining portion of the building shall be classified by the assessor based upon its use. Class 4d also includes the same proportion of land as the qualifying low-income rental housing units are to the total units in the building.

For all properties qualifying as class 4d, the market value determined by the assessor must be based on the normal approach to value using normal unrestricted rents.

Class 4d property has a class rate of 0.75 percent.

**EFFECTIVE DATE.** This section is effective for taxes payable in 2012 and thereafter.

Sec. 7. Minnesota Statutes 2010, section 273.13, subdivision 34, is amended to read:

Subd. 34. **Homestead of disabled veteran or family caregiver.** (a) All or a portion of the market value of property owned by a veteran or by the veteran and the and serving as the veteran's spouse qualifying for homestead classification under subdivision 22 or 23 under this section is excluded in determining the property's taxable market value if it serves as the homestead of a military veteran, as defined in section 197.447, who has a service-connected disability of 70 percent or more as certified by the United States Department of Veterans Affairs. To qualify for exclusion under this subdivision, the veteran must have been honorably discharged from the United States armed forces, as indicated by United States Government Form DD214 or other official military discharge papers, and must be certified by the United States Veterans Administration as having a service-connected disability.

(b)(1) For a disability rating of 70 percent or more, $150,000 of market value is excluded, except as provided in clause (2); and

(2) for a total (100 percent) and permanent disability, $300,000 of market value is excluded.

(c) If a disabled veteran qualifying for a valuation exclusion under paragraph (b), clause (2), predeceases the veteran's spouse, and if upon the death of the veteran the spouse holds the legal or beneficial title to the homestead and permanently resides there, the exclusion shall carry over to the benefit of the veteran's spouse for one additional assessment year the current taxes payable year and for five additional taxes payable years or until such time as the spouse remarries, or sells, transfers, or otherwise disposes of the
property, whichever comes first. Qualification under this paragraph requires an annual
application under paragraph (h).

(d) If the spouse of a member of any branch or unit of the United States armed
forces who dies due to a service-connected cause while serving honorably in active
service, as indicated on United States Government Form DD1300 or DD2064, holds
the legal or beneficial title to a homestead and permanently resides there, the spouse is
entitled to the benefit described in paragraph (b), clause (2), for five taxes payable years,
or until such time as the spouse remarries or sells, transfers, or otherwise disposes of the
property, whichever comes first.

(e) If a veteran meets the disability criteria of paragraph (a) but does not own
property classified as homestead in the state of Minnesota, then the homestead of the
veteran's primary family caregiver, if any, is eligible for the exclusion that the veteran
would otherwise qualify for under paragraph (b).

(f) In the case of an agricultural homestead, only the portion of the property
consisting of the house and garage and immediately surrounding one acre of land qualifies
for the valuation exclusion under this subdivision.

(g) A property qualifying for a valuation exclusion under this subdivision is not
eligible for the credit under section 273.1384, subdivision 4, market value exclusion under
subdivision 35, or classification under subdivision 22, paragraph (b).

(h) To qualify for a valuation exclusion under this subdivision a property owner
must apply to the assessor by July 1 of each assessment year, except that an annual
reapplication is not required once a property has been accepted for a valuation exclusion
under paragraph (a) and qualifies for the benefit described in paragraph (b), clause (2), and
the property continues to qualify until there is a change in ownership. For an application
received after July 1 of any calendar year, the exclusion shall become effective for the
following assessment year.

(i) A first-time application by a qualifying spouse for the market value exclusion
under paragraph (d) may be made any time within two years of the death of the service
member.

(j) For purposes of this subdivision:

(1) "active service" has the meaning given in section 190.05;
(2) "own" means that the person's name is present as an owner on the property deed;
(3) "primary family caregiver" means a person who is approved by the secretary of
the United States Department of Veterans Affairs for assistance as the primary provider
of personal care services for an eligible veteran under the Program of Comprehensive
Assistance for Family Caregivers, codified as United States Code, title 38, section 1720G;

and

(4) "veteran" has the meaning given the term in section 197.447.

(k) The purpose of this provision of law providing a level of homestead property tax relief for gravely disabled veterans, their primary family caregivers, and their surviving spouses is to help ease the burdens of war for those among our state's citizens who bear those burdens most heavily.

EFFECTIVE DATE. (a) This section is effective for taxes payable in 2012 and thereafter, and applies to homesteads that initially qualified for the exclusion for taxes payable in 2009 and thereafter.

(b) A qualifier under paragraph (c) that would have been eligible for a market value exclusion under this section for taxes payable in 2011, if the change under this section had been effective for that year, shall be eligible to receive the benefit of the exclusion for the remaining number of total taxes payable years provided under paragraph (c).

Sec. 8. Minnesota Statutes 2010, section 274.01, subdivision 1, is amended to read:

Subdivision 1. Ordinary board; meetings, deadlines, grievances. (a) The town board of a town, or the council or other governing body of a city, is the board of appeal and equalization except (1) in cities whose charters provide for a board of equalization or (2) in any city or town that has transferred its local board of review power and duties to the county board as provided in subdivision 3. The county assessor shall fix a day and time when the board or the board of equalization shall meet in the assessment districts of the county. Notwithstanding any law or city charter to the contrary, a city board of equalization shall be referred to as a board of appeal and equalization. On or before February 15 of each year the assessor shall give written notice of the time to the city or town clerk. Notwithstanding the provisions of any charter to the contrary, the meetings must be held between April 1 and May 31 each year, provided that the board may review appeals of denials of green acres treatment as provided in paragraph (h) at any time.

The clerk shall give published and posted notice of the meeting at least ten days before the date of the meeting.

The board shall meet at the office of the clerk to review the assessment and classification of property in the town or city. No changes in valuation or classification which are intended to correct errors in judgment by the county assessor may be made by the county assessor after the board has adjourned in those cities or towns that hold a local board of review; however, corrections of errors that are merely clerical in nature or changes that extend homestead treatment to property are permitted after adjournment until
the tax extension date for that assessment year. The changes must be fully documented and
maintained in the assessor's office and must be available for review by any person. A copy
of the changes made during this period in those cities or towns that hold a local board of
review must be sent to the county board no later than December 31 of the assessment year.

(b) The board shall determine whether the taxable property in the town or city has
been properly placed on the list and properly valued by the assessor. If real or personal
property has been omitted, the board shall place it on the list with its market value, and
correct the assessment so that each tract or lot of real property, and each article, parcel,
or class of personal property, is entered on the assessment list at its market value. No
assessment of the property of any person may be raised unless the person has been
duly notified of the intent of the board to do so. On application of any person feeling
aggrieved, the board shall review the assessment or classification, or both, and correct
it as appears just. The board may not make an individual market value adjustment or
classification change that would benefit the property if the owner or other person having
control over the property has refused the assessor access to inspect the property and the
interior of any buildings or structures as provided in section 273.20. A board member
shall not participate in any actions of the board which result in market value adjustments
or classification changes to property owned by the board member, the spouse, parent,
stepparent, child, stepchild, grandparent, grandchild, brother, sister, uncle, aunt, nephew,
or niece of a board member, or property in which a board member has a financial interest.
The relationship may be by blood or marriage.

(c) A local board may reduce assessments upon petition of the taxpayer but the total
reductions must not reduce the aggregate assessment made by the county assessor by more
than one percent. If the total reductions would lower the aggregate assessments made by
the county assessor by more than one percent, none of the adjustments may be made. The
assessor shall correct any clerical errors or double assessments discovered by the board
without regard to the one percent limitation.

(d) A local board does not have authority to grant an exemption or to order property
removed from the tax rolls.

(e) A majority of the members may act at the meeting, and adjourn from day to day
until they finish hearing the cases presented. The assessor shall attend, with the assessment
books and papers, and take part in the proceedings, but must not vote. The county assessor,
or an assistant delegated by the county assessor shall attend the meetings. The board shall
list separately, on a form appended to the assessment book, all omitted property added
to the list by the board and all items of property increased or decreased, with the market
value of each item of property, added or changed by the board, placed opposite the item.

The county assessor shall enter all changes made by the board in the assessment book.

(f) Except as provided in subdivision 3, if a person fails to appear in person, by
counsel, or by written communication before the board after being duly notified of the
board's intent to raise the assessment of the property, or if a person feeling aggrieved by an
assessment or classification fails to apply for a review of the assessment or classification,
the person may not appear before the county board of appeal and equalization for a review
of the assessment or classification. This paragraph does not apply if an assessment was
made after the local board meeting, as provided in section 273.01, or if the person can
establish not having received notice of market value at least five days before the local
board meeting.

(g) The local board must complete its work and adjourn within 20 days from the
time of convening stated in the notice of the clerk, unless a longer period is approved by
the commissioner of revenue. No action taken after that date is valid. All complaints
about an assessment or classification made after the meeting of the board must be heard
and determined by the county board of equalization. A nonresident may, at any time,
before the meeting of the board file written objections to an assessment or classification
with the county assessor. The objections must be presented to the board at its meeting by
the county assessor for its consideration.

(h) The local board may, but is not required to, review appeals from property owners
of denials by assessors of applications for valuation under section 273.111. If it intends
to exercise the authority provided in this paragraph, the board must pass a resolution
stating that it will do so, and must then review all such appeals until it passes a subsequent
resolution stating that it will not review such appeals.

**EFFECTIVE DATE.** This section is effective for appeals denied after June 30,
2011.

Sec. 9. Minnesota Statutes 2010, section 275.025, subdivision 1, is amended to read:

Subdivision 1. **Levy amount.** The state general levy is levied against
commercial-industrial property and seasonal residential recreational property, as defined
in this section. The state general levy base amount for commercial-industrial property
is $592,000,000 $739,000,000 for taxes payable in 2002 2012. The state general
levy base amount for seasonal recreational property is $40,600,000 for taxes payable
in 2012. For taxes payable in subsequent years 2013, the each levy base amount
is increased each year by multiplying the levy base amount for the prior year taxes
payable in 2012 by the sum of one plus the rate of increase, if any, in the implicit
price deflator for government consumption expenditures and gross investment for state and local governments prepared by the Bureau of Economic Analysis of the United States Department of Commerce for the 12-month period ending March 31 of the year prior to the year the taxes are payable. For taxes payable in 2012, the state general levy is $743,000,000 for commercial-industrial property and $40,500,000 for seasonal residential recreational property. For taxes payable in 2016, the state general levy is $668,700,000 for commercial-industrial property and $36,450,000 for seasonal residential recreational property. For taxes payable in 2017, the state general levy is $594,400,000 for commercial-industrial property and $32,400,000 for seasonal recreational property. For taxes payable in 2018, the state general levy is $520,100,000 for commercial-industrial property and $28,350,000 for seasonal recreational property. For taxes payable in 2019, the state general levy is $445,800,000 for commercial-industrial property and $24,300,000 for seasonal recreational property. For taxes payable in 2020, the state general levy is $371,500,000 for commercial-industrial property and $20,250,000 for seasonal residential recreational property. For taxes payable in 2021, the state general levy is $297,200,000 for commercial-industrial property and $16,200,000 for seasonal residential recreational property. For taxes payable in 2022, the state general levy is $222,900,000 for commercial-industrial property and $12,150,000 for seasonal residential recreational property. For taxes payable in 2023, the state general levy is $148,600,000 for commercial-industrial property and $8,100,000 for seasonal residential recreational property. For taxes payable in 2024, the state general levy is $74,300,000 for commercial-industrial property and $4,050,000 for seasonal residential recreational property. The tax under this section is not treated as a local tax rate under section 469.177 and is not the levy of a governmental unit under chapters 276A and 473F.

The commissioner shall increase or decrease the preliminary or final rate for a year as necessary to account for errors and tax base changes that affected a preliminary or final rate for either of the two preceding years. Adjustments are allowed to the extent that the necessary information is available to the commissioner at the time the rates for a year must be certified, and for the following reasons:

1. an erroneous report of taxable value by a local official;
2. an erroneous calculation by the commissioner; and
3. an increase or decrease in taxable value for commercial-industrial or seasonal recreational property reported on the abstracts of tax lists submitted under section 275.29 that was not reported on the abstracts of assessment submitted under section 270C.89 for the same year.
The commissioner may, but need not, make adjustments if the total difference in the tax levied for the year would be less than $100,000.

**EFFECTIVE DATE.** This section is effective for taxes payable in 2012 and thereafter.

Sec. 10. Minnesota Statutes 2010, section 275.025, subdivision 3, is amended to read:

Subd. 3. **Seasonal residential recreational tax capacity.** For the purposes of this section, "seasonal residential recreational tax capacity" means the tax capacity of tier III of class 1c under section 273.13, subdivision 22, and all class 4c(1), 4c(3)(ii), and 4c(12) property under section 273.13, subdivision 25, except that the first $76,000 of market value of each noncommercial class 4c(1) 4c(12) property has a tax capacity for this purpose equal to 40 percent of its tax capacity under section 273.13.

**EFFECTIVE DATE.** This section is effective for taxes payable in 2012 and thereafter.

Sec. 11. Minnesota Statutes 2010, section 275.025, subdivision 4, is amended to read:

Subd. 4. **Apportionment and levy of state general tax.** Ninety-five percent of The state general tax must be levied by applying a uniform rate to all commercial-industrial tax capacity and five percent of the state general tax must be levied by applying a uniform rate to all seasonal residential recreational tax capacity. On or before October 1 each year, the commissioner of revenue shall certify the preliminary state general levy rates to each county auditor that must be used to prepare the notices of proposed property taxes for taxes payable in the following year. By January 1 of each year, the commissioner shall certify the final state general levy rate rates to each county auditor that shall be used in spreading taxes.

**EFFECTIVE DATE.** This section is effective for taxes payable in 2012 and thereafter.

Sec. 12. Minnesota Statutes 2010, section 275.70, subdivision 5, is amended to read:

Subd. 5. **Special levies.** "Special levies" means those portions of ad valorem taxes levied by a local governmental unit for the following purposes or in the following manner:

(1) to pay the costs of the principal and interest on bonded indebtedness or to reimburse for the amount of liquor store revenues used to pay the principal and interest due on municipal liquor store bonds in the year preceding the year for which the levy limit is calculated;
(2) to pay the costs of principal and interest on certificates of indebtedness issued for any corporate purpose except for the following:

(i) tax anticipation or aid anticipation certificates of indebtedness;
(ii) certificates of indebtedness issued under sections 298.28 and 298.282;
(iii) certificates of indebtedness used to fund current expenses or to pay the costs of extraordinary expenditures that result from a public emergency; or
(iv) certificates of indebtedness used to fund an insufficiency in tax receipts or an insufficiency in other revenue sources, provided that nothing in this subdivision limits the special levy authorized under section 475.755;

(3) to provide for the bonded indebtedness portion of payments made to another political subdivision of the state of Minnesota;

(4) to fund payments made to the Minnesota State Armory Building Commission under section 193.145, subdivision 2, to retire the principal and interest on armory construction bonds;

(5) property taxes approved by voters which are levied against the referendum market value as provided under section 275.61;

(6) to fund matching requirements needed to qualify for federal or state grants or programs to the extent that either (i) the matching requirement exceeds the matching requirement in calendar year 2001, or (ii) it is a new matching requirement that did not exist prior to 2002;

(7) to pay the expenses reasonably and necessarily incurred in preparing for or repairing the effects of natural disaster including the occurrence or threat of widespread or severe damage, injury, or loss of life or property resulting from natural causes, in accordance with standards formulated by the Emergency Services Division of the state Department of Public Safety, as allowed by the commissioner of revenue under section 275.74, subdivision 2;

(8) pay amounts required to correct an error in the levy certified to the county auditor by a city or county in a levy year, but only to the extent that when added to the preceding year's levy it is not in excess of an applicable statutory, special law or charter limitation, or the limitation imposed on the governmental subdivision by sections 275.70 to 275.74 in the preceding levy year;

(9) to pay an abatement under section 469.1815;

(10) to pay any costs attributable to increases in the employer contribution rates under chapter 353, or locally administered pension plans, that are effective after June 30, 2001;

For purposes of this clause, a district court order is not a rule, minimum requirement, minimum standard, or directive of the Department of Corrections. If the county utilizes this special levy, except to pay operating or maintenance costs of a new regional jail facility under sections 641.262 to 641.264 which will not replace an existing jail facility, any amount levied by the county in the previous levy year for the purposes specified under this clause and included in the county's previous year's levy limitation computed under section 275.71, shall be deducted from the levy limit base under section 275.71, subdivision 2, when determining the county's current year levy limitation. The county shall provide the necessary information to the commissioner of revenue for making this determination;

(12) to pay for operation of a lake improvement district, as authorized under section 103B.555. If the county utilizes this special levy, any amount levied by the county in the previous levy year for the purposes specified under this clause and included in the county's previous year's levy limitation computed under section 275.71 shall be deducted from the levy limit base under section 275.71, subdivision 2, when determining the county's current year levy limitation. The county shall provide the necessary information to the commissioner of revenue for making this determination;

(13) to repay a state or federal loan used to fund the direct or indirect required spending by the local government due to a state or federal transportation project or other state or federal capital project. This authority may only be used if the project is not a local government initiative;

(14) to pay for court administration costs as required under section 273.1398, subdivision 4b, less the (i) county's share of transferred fines and fees collected by the district courts in the county for calendar year 2001 and (ii) the aid amount certified to be paid to the county in 2004 under section 273.1398, subdivision 4c; however, for taxes levied to pay for these costs in the year in which the court financing is transferred to the state, the amount under this clause is limited to the amount of aid the county is certified to receive under section 273.1398, subdivision 4a;

(15) to fund a police or firefighters relief association as required under section 69.77 to the extent that the required amount exceeds the amount levied for this purpose in 2001;
(16) for purposes of a storm sewer improvement district under section 444.20;

(17) to pay for the maintenance and support of a city or county society for the prevention of cruelty to animals under section 343.11, but not to exceed in any year $4,800 or the sum of $1 per capita based on the county's or city's population as of the most recent federal census, whichever is greater. If the city or county uses this special levy, any amount levied by the city or county in the previous levy year for the purposes specified in this clause and included in the city's or county's previous year's levy limit computed under section 275.71, must be deducted from the levy limit base under section 275.71, subdivision 2, in determining the city's or county's current year levy limit;

(18) for counties, to pay for the increase in their share of health and human service costs caused by reductions in federal health and human services grants effective after September 30, 2007;

(19) for a city, for the costs reasonably and necessarily incurred for securing, maintaining, or demolishing foreclosed or abandoned residential properties, as allowed by the commissioner of revenue under section 275.74, subdivision 2. A city must have either (i) a foreclosure rate of at least 1.4 percent in 2007, or (ii) a foreclosure rate in 2007 in the city or in a zip code area of the city that is at least 50 percent higher than the average foreclosure rate in the metropolitan area, as defined in section 473.121, subdivision 2, to use this special levy. For purposes of this paragraph, "foreclosure rate" means the number of foreclosures, as indicated by sheriff sales records, divided by the number of households in the city in 2007;

(20) for a city, for the unreimbursed costs of redeployed traffic-control agents and lost traffic citation revenue due to the collapse of the Interstate 35W bridge, as certified to the Federal Highway Administration;

(21) to pay costs attributable to wages and benefits for sheriff, police, and fire personnel. If a local governmental unit did not use this special levy in the previous year its levy limit base under section 275.71 shall be reduced by the amount equal to the amount it levied for the purposes specified in this clause in the previous year;

(22) an amount equal to any reductions in the certified aids or credit reimbursements payable under sections 477A.011 to 477A.014, and section 273.1384, due to unallotment under section 16A.152 or reductions under another provision of law. The amount of the levy allowed under this clause for each year is limited to the amount unallotted or reduced from the aids and credit reimbursements certified for payment in the year following the calendar year in which the tax levy is certified unless the unallotment or reduction amount is not known by September 1 of the levy certification year, and the local government has...
94.1 not adjusted its levy under section 275.065, subdivision 6, or 275.07, subdivision 6, in
94.2 which case that unallotment or reduction amount may be levied in the following year;
94.3 (23) to pay for the difference between one-half of the costs of confining sex offenders
94.4 undergoing the civil commitment process and any state payments for this purpose pursuant
94.5 to section 253B.185, subdivision 5;
94.6 (24) for a county to pay the costs of the first year of maintaining and operating a new
94.7 facility or new expansion, either of which contains courts, corrections, dispatch, criminal
94.8 investigation labs, or other public safety facilities and for which all or a portion of the
94.9 funding for the site acquisition, building design, site preparation, construction, and related
94.10 equipment was issued or authorized prior to the imposition of levy limits in 2008. The
94.11 levy limit base shall then be increased by an amount equal to the new facility's first full
94.12 year's operating costs as described in this clause; and
94.13 (25) for the estimated amount of reduction to market value credit reimbursements
94.14 under section 273.1384 for credits payable in the year in which the levy is payable, except
94.15 for a reduction due to the repeal of section 273.1384, subdivision 1; and
94.16 (26) for the reduction in the county share of payments to the county under sections
94.17 97A.061 and 477A.11 to 477A.17 between payments certified in calendar year 2011 and
94.18 the estimated amount of the county share in the year in which the levy is payable provided
94.19 the reduction is at least one percent of the county's total payable 2011 certified levy.

**EFFECTIVE DATE.** This section is effective for taxes levied in 2011 and 2012.

94.20 Sec. 13. Minnesota Statutes 2010, section 275.71, subdivision 2, is amended to read:
94.21 Subd. 2. **Levy limit base.** (a) The levy limit base for a local governmental unit for
94.22 taxes levied in 2008 is its levy aid base from the previous year, subject to any adjustments
94.23 under section 275.72. For taxes levied in 2009 and 2010 through 2012, the levy limit base
94.24 for a local governmental unit is its adjusted levy limit base in the previous year, subject
94.25 to any adjustments under section 275.72.

**EFFECTIVE DATE.** This section is effective for taxes levied in 2011 and 2012.

94.27 Sec. 14. Minnesota Statutes 2010, section 275.71, subdivision 4, is amended to read:
94.28 Subd. 4. **Adjusted levy limit base.** (a) For taxes levied in 2008 through 2010, the
94.29 adjusted levy limit base is equal to the levy limit base computed under subdivision 2
94.30 or section 275.72, multiplied by:
94.31 (1) one plus the percentage growth in the implicit price deflator, but the percentage
94.32 shall not be less than zero or exceed 3.9 percent;
(2) one plus a percentage equal to 50 percent of the percentage increase in the number
of households, if any, for the most recent 12-month period for which data is available; and
(3) one plus a percentage equal to 50 percent of the percentage increase in the
taxable market value of the jurisdiction due to new construction of class 3 property, as
defined in section 273.13, subdivision 4, except for state-assessed utility and railroad
property, for the most recent year for which data is available.

(b) If a city decertifies a tax increment finance district in the year in which the levy is
set, the base amount determined under paragraph (a) is increased by an amount equal to
the city's current year tax rate multiplied by the retained captured value for the district for
the year prior to the year in which the levy is set, as reported on the TIF supplement to
the abstract of tax lists.

EFFECTIVE DATE. This section is effective for taxes levied in 2011 and 2012.

Sec. 15. Minnesota Statutes 2010, section 275.71, subdivision 5, is amended to read:

Subd. 5. Property tax levy limit. (a) For taxes levied in 2008 through 2010, 2012,
the property tax levy limit for a local governmental unit is equal to its adjusted levy limit
base determined under subdivision 4 plus any additional levy authorized under section
275.73, which is levied against net tax capacity, reduced by the sum of (i) the total amount
of aids and reimbursements that the local governmental unit is certified to receive under
sections 477A.011 to 477A.014, (ii) taconite aids under sections 298.28 and 298.282
including any aid which was required to be placed in a special fund for expenditure in
the next succeeding year, (iii) estimated payments to the local governmental unit under
section 272.029, adjusted for any error in estimation in the preceding year, and (iv) aids
under section 477A.16.

(b) If an aid, payment, or other amount used in paragraph (a) to reduce a local
government unit's levy limit is reduced by an unallotment under section 16A.152, the
amount of the aid, payment, or other amount prior to the unallotment is used in the
computations in paragraph (a). In order for a local government unit to levy outside of its
limit to offset the reduction in revenues attributable to an unallotment, it must do so under,
and to the extent authorized by, a special levy authorization.

EFFECTIVE DATE. This section is effective for taxes levied in 2011 and 2012.

Sec. 16. [275.761] MAINTENANCE OF EFFORT REQUIREMENTS

SUSPENDED.
(a) Notwithstanding any law to the contrary and except as provided in paragraphs
(b) and (c), all maintenance of effort requirements for counties, including but not limited
to those under sections 116L.872, 134.34, 245.4835, 245.4932, 245.714, 256F.10, and
256F.13, are suspended.
(b) This section does not permit a county to suspend compliance with maintenance
of effort requirements to the extent that the suspension would:
(1) require the state to expend additional money or incur additional costs; or
(2) cause a reduction in the receipt by the state or the county of federal funds.
(c) The commissioner of management and budget may determine the maintenance
of effort requirements that are not permitted, in whole or in part, to be suspended under
paragraph (b). The commissioner shall publish these determinations on the department's
Web site and no county may suspend compliance with a maintenance of effort requirement
that the commissioner determines is not subject to suspension.
(d) Notwithstanding any law to the contrary, all statutory and home rule charter cities
are exempt from the maintenance of effort requirements under section 134.34.

EFFECTIVE DATE. This section is effective for maintenance of effort
requirements in calendar years 2012 and 2013.

Sec. 17. REPEALER.
Minnesota Statutes 2010, section 275.025, is repealed.

EFFECTIVE DATE. This section is effective for taxes levied in 2024, payable
in 2025, and thereafter.

ARTICLE 7

AIDS, CREDITS, PAYMENTS, AND REFUNDS

Section 1. Minnesota Statutes 2010, section 88.49, subdivision 5, is amended to read:

Subd. 5. Cancellation. Upon the failure of the owner faithfully to fulfill and
perform such contract or any provision thereof, or any requirement of sections 88.47 to
88.53, or any rule adopted by the commissioner thereunder, the commissioner may cancel
the contract in the manner herein provided. The commissioner shall give to the owner, in
the manner prescribed in section 88.48, subdivision 4, 60 days' notice of a hearing thereon
at which the owner may appear and show cause, if any, why the contract should not be
canceled. The commissioner shall thereupon determine whether the contract should be
canceled and make an order to that effect. Notice of the commissioner's determination
and the making of the order shall be given to the owner in the manner provided in section
88.48, subdivision 4. On determining that the contract should be canceled and no appeal therefrom be taken, the commissioner shall send notice thereof to the auditor of the county and to the town clerk of the town affected and file with the recorder a certified copy of the order, who shall forthwith note the cancellation upon the record thereof, and thereupon the land therein described shall cease to be an auxiliary forest and, together with the timber thereon, become liable to all taxes and assessments that otherwise would have been levied against it had it never been an auxiliary forest from the time of the making of the contract, any provisions of the statutes of limitation to the contrary notwithstanding, less the amount of taxes paid under the provisions of section 88.51, subdivision 1, together with interest on such taxes and assessments at six percent per annum, but without penalties.

The commissioner may in like manner and with like effect cancel the contract upon written application of the owner.

The commissioner shall cancel any contract if the owner has made successful application under sections 290C.01 to 290C.11, the Sustainable Forest Incentive Act, and has paid to the county treasurer the difference between the amount which would have been paid had the land under contract been subject to the Minnesota Tree Growth Tax Law and the Sustainable Forest Incentive Act from the date of the recording of the contract and the amount actually paid under section 88.51, subdivisions 1 and 2. This tax difference must be calculated based on the years the lands would have been taxed under the Tree Growth Tax Law and the Sustainable Forest Incentive Act. The sustainable forest tax difference is net of the incentive payment of section 290C.07. If the amount which would have been paid, had the land under contract been under the Minnesota Tree Growth Tax Law and the Sustainable Forest Incentive Act from the date of the filing of the contract, is less than the amount actually paid under the contract, the cancellation shall be made without further payment by the owner.

When the execution of any contract creating an auxiliary forest shall have been procured through fraud or deception practiced upon the county board or the commissioner or any other person or body representing the state, it may be canceled upon suit brought by the attorney general at the direction of the commissioner. This cancellation shall have the same effect as the cancellation of a contract by the commissioner.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 2. Minnesota Statutes 2010, section 88.49, subdivision 9a, is amended to read:

Subd. 9a. **Land trades with governmental units.** Notwithstanding subdivisions 6 and 9, or section 88.491, subdivision 2, if an owner trades land under auxiliary forest contract for land owned by a governmental unit and the owner agrees to use the land
received in trade from the governmental unit for the production of forest products, upon
resolution of the county board, no taxes and assessments shall be levied against the land
traded, except that any current or delinquent annual taxes or yield taxes due on that land
while it was under the auxiliary forest provision must be paid prior to the land exchange.
The land received from the governmental unit in the land trade automatically qualifies for
inclusion in the Sustainable Forest Incentive Act.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

---

Sec. 3. Minnesota Statutes 2010, section 97A.061, subdivision 1, is amended to read:

Subdivision 1. **Applicability; amount.** (a) The commissioner shall annually make a
payment to each county having public hunting areas and game refuges. Money to make
the payments is annually appropriated for that purpose from the general fund. Except as
provided in paragraph (b), this section does not apply to state trust fund land and other
state land not purchased for game refuge or public hunting purposes. Except as provided
in paragraph (b), the payment shall be the greatest of:

1. **30.8** percent of the gross receipts from all special use permits and leases of
   land acquired for public hunting and game refuges;
2. **44** cents per acre on land purchased actually used for public hunting or game
   refuges; or
3. three-fourths of **66** percent of the appraised value of purchased land actually
   used for public hunting and game refuges.

(b) The payment shall be 50 percent of the dollar amount adjusted for inflation as
determined under section 477A.12, subdivision 1, paragraph (a), clause (1), multiplied
by the number of acres of land in the county that are owned by another state agency for
military purposes and designated as a game refuge under section 97A.085.

(c) The payment must be reduced by the amount paid under subdivision 3 for
croplands managed for wild geese.

(d) The appraised value is the purchase price for five years after acquisition.
The appraised value shall be determined by the county assessor every five years after
acquisition.

**EFFECTIVE DATE.** This section is effective for aids payable in calendar year
2011 and thereafter.

Sec. 4. Minnesota Statutes 2010, section 97A.061, subdivision 3, is amended to read:
Subd. 3. Goose management croplands. (a) The commissioner shall make a
taxation on July 1 of each year to each county where the state owns more than 1,000 acres
of crop land, for wild goose management purposes. The payment shall be equal to 88
percent of the taxes assessed on comparable, privately owned, adjacent land. Money to
make the payments is annually appropriated for that purpose from the general fund. The
county treasurer shall allocate and distribute the payment as provided in subdivision 2.

(b) The land used for goose management under this subdivision is exempt from
taxation as provided in sections 272.01 and 273.19.

EFFECTIVE DATE. This section is effective for aids payable in calendar year
2011 and thereafter.

Sec. 5. Minnesota Statutes 2010, section 126C.01, subdivision 3, is amended to read:
Subd. 3. Referendum market value. "Referendum market value" means the market
value of all taxable property, excluding property classified as class 2, noncommercial
4c(1), or 4c(4) under section 273.13. The portion of class 2a property consisting of the
house, garage, and surrounding one acre of land of an agricultural homestead is included
in referendum market value. For the purposes of this subdivision, in the case of class 1a,
1b, or 2a property, "market value" means the value prior to the exclusion under section
273.13, subdivision 35. Any class of property, or any portion of a class of property, that
is included in the definition of referendum market value and that has a class rate of less
than one percent under section 273.13 shall have a referendum market value equal to its
net tax capacity market value times its class rate, multiplied by 100.

EFFECTIVE DATE. This section is effective for taxes payable in 2012 and
thereafter.

Sec. 6. Minnesota Statutes 2010, section 270A.03, subdivision 7, is amended to read:
Subd. 7. Refund. "Refund" means an individual income tax refund or political
contribution refund, pursuant to chapter 290, or a property tax credit or refund, pursuant to
chapter 290A, or a sustainable forest tax payment to a claimant under chapter 290C.

For purposes of this chapter, lottery prizes, as set forth in section 349A.08,
subdivision 8, and amounts granted to persons by the legislature on the recommendation
of the joint senate-house of representatives Subcommittee on Claims shall be treated
as refunds.

In the case of a joint property tax refund payable to spouses under chapter 290A,
the refund shall be considered as belonging to each spouse in the proportion of the total
refund that equals each spouse's proportion of the total income determined under section

290A.03, subdivision 3. In the case of a joint income tax refund under chapter 289A, the
refund shall be considered as belonging to each spouse in the proportion of the total
refund that equals each spouse's proportion of the total taxable income determined under
section 290.01, subdivision 29. The commissioner shall remit the entire refund to the
claimant agency, which shall, upon the request of the spouse who does not owe the debt,
determine the amount of the refund belonging to that spouse and refund the amount to
that spouse. For court fines, fees, and surcharges and court-ordered restitution under
section 611A.04, subdivision 2, the notice provided by the commissioner of revenue under
section 270A.07, subdivision 2, paragraph (b), serves as the appropriate legal notice
to the spouse who does not owe the debt.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 7. Minnesota Statutes 2010, section 273.114, subdivision 2, as amended by Laws
2011, chapter 13, section 2, is amended to read:

Subd. 2. Requirements. Class 2b property that had been properly enrolled under
section 273.111 for taxes payable in 2008, or that is part of an agricultural homestead
under section 273.13, subdivision 23, paragraph (a), at least a portion of which is enrolled
under section 273.111, is entitled to valuation and tax deferment under this section if:

(1) the property is contiguous to class 2a property enrolled under section 273.111
under the same ownership;

(2) there are no delinquent property taxes on the land; and

(3) the property is not also enrolled for valuation and deferment under section
273.111 or 273.112, or chapter 290E or 473H.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 8. Minnesota Statutes 2010, section 273.13, subdivision 23, is amended to read:

Subd. 23. Class 2. (a) An agricultural homestead consists of class 2a agricultural
land that is homesteaded, along with any class 2b rural vacant land that is contiguous to
the class 2a land under the same ownership. The market value of the house and garage
and immediately surrounding one acre of land has the same class rates as class 1a or 1b
property under subdivision 22. The value of the remaining land including improvements
up to the first tier valuation limit of agricultural homestead property has a net class rate
of 0.5 percent of market value. The remaining property over the first tier has a class rate
of one percent of market value. For purposes of this subdivision, the "first tier valuation
limit of agricultural homestead property" and "first tier" means the limit certified under section 273.11, subdivision 23.

(b) Class 2a agricultural land consists of parcels of property, or portions thereof, that are agricultural land and buildings. Class 2a property has a net class rate of one percent of market value, unless it is part of an agricultural homestead under paragraph (a). Class 2a property must also include any property that would otherwise be classified as 2b, but is interspersed with class 2a property, including but not limited to sloughs, wooded wind shelters, acreage abutting ditches, ravines, rock piles, land subject to a setback requirement, and other similar land that is impractical for the assessor to value separately from the rest of the property or that is unlikely to be able to be sold separately from the rest of the property.

An assessor may classify the part of a parcel described in this subdivision that is used for agricultural purposes as class 2a and the remainder in the class appropriate to its use.

(c) Class 2b rural vacant land consists of parcels of property, or portions thereof, that are unplatted real estate, rural in character and not used for agricultural purposes, including land used for growing trees for timber, lumber, and wood and wood products, that is not improved with a structure. The presence of a minor, ancillary nonresidential structure as defined by the commissioner of revenue does not disqualify the property from classification under this paragraph. Any parcel of 20 acres or more improved with a structure that is not a minor, ancillary nonresidential structure must be split-classified, and ten acres must be assigned to the split parcel containing the structure. Class 2b property has a net class rate of one percent of market value unless it is part of an agricultural homestead under paragraph (a), or qualifies as class 2c under paragraph (d).

(d) Class 2c managed forest land consists of no less than 20 and no more than 1,920 acres statewide per taxpayer that is being managed under a forest management plan that meets the requirements of chapter 290C, but is not enrolled in the sustainable forest resource management incentive program. It has a class rate of .65 percent, provided that the owner of the property must apply to the assessor in order for the property to initially qualify for the reduced rate and provide the information required by the assessor to verify that the property qualifies for the reduced rate. If the assessor receives the application and information before May 1 in an assessment year, the property qualifies beginning with that assessment year. If the assessor receives the application and information after April 30 in an assessment year, the property may not qualify until the next assessment year. The commissioner of natural resources must concur that the land is qualified. The commissioner of natural resources shall annually provide county assessors verification information on a timely basis. The presence of a minor, ancillary
nonresidential structure as defined by the commissioner of revenue does not disqualify
the property from classification under this paragraph. For purposes of this paragraph,
a "forest management plan" means a written document providing a framework for
site-specific healthy, productive, and sustainable forest resources. A forest management
plan must include at least the following: (i) forest management goals for the land; (ii) a
reliable field inventory of the individual forest cover types, their age, and density; (iii) a
description of the soil type and quality; (iv) an aerial photo and/or map of the vegetation
and other natural features of the land clearly indicating the boundaries of the land and of
the forest land; (v) the proposed future conditions of the land; (vi) prescriptions to meet
proposed future conditions of the land; (vii) a recommended timetable for implementing
the prescribed activities; and (viii) a legal description of the land encompassing the
parcels included in the plan. All management activities prescribed in a plan must be in
accordance with the recommended timber harvesting and forest management guidelines.
The commissioner of natural resources shall provide a framework for plan content and
updating and revising plans.

(e) Agricultural land as used in this section means contiguous acreage of ten
acres or more, used during the preceding year for agricultural purposes. "Agricultural
purposes" as used in this section means the raising, cultivation, drying, or storage of
agricultural products for sale, or the storage of machinery or equipment used in support
of agricultural production by the same farm entity. For a property to be classified as
agricultural based only on the drying or storage of agricultural products, the products
being dried or stored must have been produced by the same farm entity as the entity
operating the drying or storage facility. "Agricultural purposes" also includes enrollment
in the Reinvest in Minnesota program under sections 103F.501 to 103F.535 or the federal
Conservation Reserve Program as contained in Public Law 99-198 or a similar state
or federal conservation program if the property was classified as agricultural (i) under
this subdivision for the assessment year 2002 or (ii) in the year prior to its enrollment.
Agricultural classification shall not be based upon the market value of any residential
structures on the parcel or contiguous parcels under the same ownership.

(f) Real estate of less than ten acres, which is exclusively or intensively used for
raising or cultivating agricultural products, shall be considered as agricultural land. To
qualify under this paragraph, property that includes a residential structure must be used
intensively for one of the following purposes:

(i) for drying or storage of grain or storage of machinery or equipment used to
support agricultural activities on other parcels of property operated by the same farming
entity;
(ii) as a nursery, provided that only those acres used to produce nursery stock are considered agricultural land;

(iii) for livestock or poultry confinement, provided that land that is used only for pasturing and grazing does not qualify; or

(iv) for market farming; for purposes of this paragraph, "market farming" means the cultivation of one or more fruits or vegetables or production of animal or other agricultural products for sale to local markets by the farmer or an organization with which the farmer is affiliated.

(g) Land shall be classified as agricultural even if all or a portion of the agricultural use of that property is the leasing to, or use by another person for agricultural purposes.

Classification under this subdivision is not determinative for qualifying under section 273.111.

(h) The property classification under this section supersedes, for property tax purposes only, any locally administered agricultural policies or land use restrictions that define minimum or maximum farm acreage.

(i) The term "agricultural products" as used in this subdivision includes production for sale of:

(1) livestock, dairy animals, dairy products, poultry and poultry products, fur-bearing animals, horticultural and nursery stock, fruit of all kinds, vegetables, forage, grains, bees, and apiary products by the owner;

(2) fish bred for sale and consumption if the fish breeding occurs on land zoned for agricultural use;

(3) the commercial boarding of horses, which may include related horse training and riding instruction, if the boarding is done on property that is also used for raising pasture to graze horses or raising or cultivating other agricultural products as defined in clause (1);

(4) property which is owned and operated by nonprofit organizations used for equestrian activities, excluding racing;

(5) game birds and waterfowl bred and raised for use on a shooting preserve licensed under section 97A.115;

(6) insects primarily bred to be used as food for animals;

(7) trees, grown for sale as a crop, including short rotation woody crops, and not sold for timber, lumber, wood, or wood products; and

(8) maple syrup taken from trees grown by a person licensed by the Minnesota Department of Agriculture under chapter 28A as a food processor.

(j) If a parcel used for agricultural purposes is also used for commercial or industrial purposes, including but not limited to:
(1) wholesale and retail sales;
(2) processing of raw agricultural products or other goods;
(3) warehousing or storage of processed goods; and
(4) office facilities for the support of the activities enumerated in clauses (1), (2), and (3),

the assessor shall classify the part of the parcel used for agricultural purposes as class
1b, 2a, or 2b, whichever is appropriate, and the remainder in the class appropriate to its
use. The grading, sorting, and packaging of raw agricultural products for first sale is
considered an agricultural purpose. A greenhouse or other building where horticultural
or nursery products are grown that is also used for the conduct of retail sales must be
classified as agricultural if it is primarily used for the growing of horticultural or nursery
products from seed, cuttings, or roots and occasionally as a showroom for the retail sale of
those products. Use of a greenhouse or building only for the display of already grown
horticultural or nursery products does not qualify as an agricultural purpose.

(k) The assessor shall determine and list separately on the records the market value
of the homestead dwelling and the one acre of land on which that dwelling is located. If
any farm buildings or structures are located on this homesteaded acre of land, their market
value shall not be included in this separate determination.

(l) Class 2d airport landing area consists of a landing area or public access area of
a privately owned public use airport. It has a class rate of one percent of market value.
To qualify for classification under this paragraph, a privately owned public use airport
must be licensed as a public airport under section 360.018. For purposes of this paragraph,
"landing area" means that part of a privately owned public use airport properly cleared,
regularly maintained, and made available to the public for use by aircraft and includes
runways, taxiways, aprons, and sites upon which are situated landing or navigational aids.
A landing area also includes land underlying both the primary surface and the approach
surfaces that comply with all of the following:

(i) the land is properly cleared and regularly maintained for the primary purposes of
the landing, taking off, and taxiing of aircraft; but that portion of the land that contains
facilities for servicing, repair, or maintenance of aircraft is not included as a landing area;
(ii) the land is part of the airport property; and
(iii) the land is not used for commercial or residential purposes.
The land contained in a landing area under this paragraph must be described and certified
by the commissioner of transportation. The certification is effective until it is modified,
or until the airport or landing area no longer meets the requirements of this paragraph.
For purposes of this paragraph, "public access area" means property used as an aircraft
parking ramp, apron, or storage hangar, or an arrival and departure building in connection
with the airport.

(m) Class 2e consists of land with a commercial aggregate deposit that is not actively
being mined and is not otherwise classified as class 2a or 2b, provided that the land is not
located in a county that has elected to opt-out of the aggregate preservation program as
provided in section 273.1115, subdivision 6. It has a class rate of one percent of market
value. To qualify for classification under this paragraph, the property must be at least
ten contiguous acres in size and the owner of the property must record with the county
recorder of the county in which the property is located an affidavit containing:

(1) a legal description of the property;

(2) a disclosure that the property contains a commercial aggregate deposit that is not
actively being mined but is present on the entire parcel enrolled;

(3) documentation that the conditional use under the county or local zoning
ordinance of this property is for mining; and

(4) documentation that a permit has been issued by the local unit of government
or the mining activity is allowed under local ordinance. The disclosure must include a
statement from a registered professional geologist, engineer, or soil scientist delineating
the deposit and certifying that it is a commercial aggregate deposit.

For purposes of this section and section 273.1115, "commercial aggregate deposit"
means a deposit that will yield crushed stone or sand and gravel that is suitable for use
as a construction aggregate; and "actively mined" means the removal of top soil and
overburden in preparation for excavation or excavation of a commercial deposit.

(n) When any portion of the property under this subdivision or subdivision 22 begins
to be actively mined, the owner must file a supplemental affidavit within 60 days from
the day any aggregate is removed stating the number of acres of the property that is
actively being mined. The acres actively being mined must be (1) valued and classified
under subdivision 24 in the next subsequent assessment year, and (2) removed from the
aggregate resource preservation property tax program under section 273.1115, if the
land was enrolled in that program. Copies of the original affidavit and all supplemental
affidavits must be filed with the county assessor, the local zoning administrator, and the
Department of Natural Resources, Division of Land and Minerals. A supplemental
affidavit must be filed each time a subsequent portion of the property is actively mined,
provided that the minimum acreage change is five acres, even if the actual mining activity
constitutes less than five acres.
(o) The definitions prescribed by the commissioner under paragraphs (c) and (d) are not rules and are exempt from the rulemaking provisions of chapter 14, and the provisions in section 14.386 concerning exempt rules do not apply.

**EFFECTIVE DATE.** This section is effective for taxes levied in 2011, payable in 2012, and thereafter.

Sec. 9. Minnesota Statutes 2010, section 273.13, is amended by adding a subdivision to read:

**Subd. 35. Homestead market value exclusion.** (a) Prior to determining a property's net tax capacity under this section, property classified as class 1a or 1b under subdivision 22, and the portion of property classified as class 2a under subdivision 23 consisting of the house, garage, and surrounding one acre of land, shall be eligible for a market value exclusion as determined under paragraph (b).

(b) For a homestead valued at $76,000 or less, the exclusion is 40 percent of market value. For a homestead valued between $76,000 and $413,800, the exclusion is $30,400 minus nine percent of the valuation over $76,000. For a homestead valued at $413,800 or more, there is no valuation exclusion. The valuation exclusion shall be rounded to the nearest whole dollar, and may not be less than zero.

(c) Any valuation exclusions or adjustments under section 273.11 shall be applied prior to determining the amount of the valuation exclusion under this subdivision.

(d) In the case of a property that is classified as part homestead and part nonhomestead, (i) the exclusion shall apply only to the homestead portion of the property, but (ii) if a portion of a property is classified as nonhomestead solely because not all the owners occupy the property, not all the owners have qualifying relatives occupying the property, or solely because not all the spouses of owners occupy the property, the exclusion amount shall be initially computed as if that nonhomestead portion were also in the homestead class and then prorated to the owner-occupant's percentage of ownership.

For the purpose of this section, when an owner-occupant's spouse does not occupy the property, the percentage of ownership for the owner-occupant spouse is one-half of the couple's ownership percentage.

**EFFECTIVE DATE.** This section is effective for taxes payable in 2012 and thereafter.

Sec. 10. Minnesota Statutes 2010, section 273.1384, subdivision 3, is amended to read:
Subd. 3. Credit reimbursements. The county auditor shall determine the tax reductions allowed under this section subdivision 2 within the county for each taxes payable year and shall certify that amount to the commissioner of revenue as a part of the abstracts of tax lists submitted by the county auditors under section 275.29. Any prior year adjustments shall also be certified on the abstracts of tax lists. The commissioner shall review the certifications for accuracy, and may make such changes as are deemed necessary, or return the certification to the county auditor for correction. The credits credit under this section must be used to proportionately reduce the net tax capacity-based property tax payable to each local taxing jurisdiction as provided in section 273.1393.

**EFFECTIVE DATE.** This section is effective for taxes payable in 2012 and thereafter.

Sec. 11. Minnesota Statutes 2010, section 273.1384, subdivision 4, is amended to read:

Subd. 4. Payment. (a) The commissioner of revenue shall reimburse each local taxing jurisdiction, other than school districts, for the tax reductions granted under this section subdivision 2 in two equal installments on October 31 and December 26 of the taxes payable year for which the reductions are granted, including in each payment the prior year adjustments certified on the abstracts for that taxes payable year. The reimbursements related to tax increments shall be issued in one installment each year on December 26.

(b) The commissioner of revenue shall certify the total of the tax reductions granted under this section subdivision 2 for each taxes payable year within each school district to the commissioner of the Department of Education and the commissioner of education shall pay the reimbursement amounts to each school district as provided in section 273.1392.

**EFFECTIVE DATE.** This section is effective for taxes payable in 2012 and thereafter.

Sec. 12. Minnesota Statutes 2010, section 273.1393, is amended to read:

**273.1393 COMPUTATION OF NET PROPERTY TAXES.**

Notwithstanding any other provisions to the contrary, "net" property taxes are determined by subtracting the credits in the order listed from the gross tax:

1. disaster credit as provided in sections 273.1231 to 273.1235;
2. powerline credit as provided in section 273.42;
3. agricultural preserves credit as provided in section 473H.10;
4. enterprise zone credit as provided in section 469.171;
(5) disparity reduction credit;
(6) conservation tax credit as provided in section 273.119;
(7) homestead and agricultural credits as provided in section 273.1384;
(8) taconite homestead credit as provided in section 273.135;
(9) supplemental homestead credit as provided in section 273.1391; and
(10) the bovine tuberculosis zone credit, as provided in section 273.113.

The combination of all property tax credits must not exceed the gross tax amount.

**EFFECTIVE DATE.** This section is effective for taxes payable in 2012 and thereafter.

Sec. 13. Minnesota Statutes 2010, section 273.1398, subdivision 3, is amended to read:

Subd. 3. *Disparity reduction aid.* The amount of disparity aid certified in 2012 and subsequent years for each taxing school district within each unique taxing jurisdiction for taxes payable in the prior year shall be multiplied by the ratio of (1) the jurisdiction’s tax capacity using the class rates for taxes payable in the year for which aid is being computed, to (2) its tax capacity using the class rates for taxes payable in the year prior to that for which aid is being computed, both based upon market values for taxes payable in the year prior to that for which aid is being computed. If the commissioner determines that insufficient information is available to reasonably and timely calculate the numerator in this ratio for the first taxes payable year that a class rate change or new class rate is effective, the commissioner shall omit the effects of that class rate change or new class rate when calculating this ratio for aid payable in that taxes payable year. For aid payable in the year following a year for which such omission was made, the commissioner shall use in the denominator for the class that was changed or created, the tax capacity for taxes payable two years prior to that in which the aid is payable, based on market values for taxes payable in the year prior to that for which aid is being computed is equal to the amount certified for aid payable in 2011.

**EFFECTIVE DATE.** This section is effective for aid payable in 2012 and thereafter.

Sec. 14. Minnesota Statutes 2010, section 276.04, subdivision 2, is amended to read:

Subd. 2. *Contents of tax statements.* (a) The treasurer shall provide for the printing of the tax statements. The commissioner of revenue shall prescribe the form of the property tax statement and its contents. The tax statement must not state or imply that property tax credits are paid by the state of Minnesota. The statement must contain a tabulated statement of the dollar amount due to each taxing authority and the amount
of the state tax from the parcel of real property for which a particular tax statement is prepared. The dollar amounts attributable to the county, the state tax, the voter approved school tax, the other local school tax, the township or municipality, and the total of the metropolitan special taxing districts as defined in section 275.065, subdivision 3, paragraph (i), must be separately stated. The amounts due all other special taxing districts, if any, may be aggregated except that any levies made by the regional rail authorities in the county of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, or Washington under chapter 398A shall be listed on a separate line directly under the appropriate county's levy. If the county levy under this paragraph includes an amount for a lake improvement district as defined under sections 103B.501 to 103B.581, the amount attributable for that purpose must be separately stated from the remaining county levy amount. In the case of Ramsey County, if the county levy under this paragraph includes an amount for public library service under section 134.07, the amount attributable for that purpose may be separated from the remaining county levy amount. The amount of the tax on homesteads qualifying under the senior citizens' property tax deferral program under chapter 290B is the total amount of property tax before subtraction of the deferred property tax amount. The amount of the tax on contamination value imposed under sections 270.91 to 270.98, if any, must also be separately stated. The dollar amounts, including the dollar amount of any special assessments, may be rounded to the nearest even whole dollar. For purposes of this section whole odd-numbered dollars may be adjusted to the next higher even-numbered dollar. The amount of market value excluded under section 273.11, subdivision 16, if any, must also be listed on the tax statement.

(b) The property tax statements for manufactured homes and sectional structures taxed as personal property shall contain the same information that is required on the tax statements for real property.

(c) Real and personal property tax statements must contain the following information in the order given in this paragraph. The information must contain the current year tax information in the right column with the corresponding information for the previous year in a column on the left:

1. the property's estimated market value under section 273.11, subdivision 1;
2. the property's homestead market value exclusion under section 273.13, subdivision 35;
3. (3) the property's taxable market value after reductions under section 273.11, subdivisions 1a and 16, and 273.13, subdivision 35;
4. (4) the property's gross tax, before credits;
(4) (5) for homestead residential and agricultural properties, the credits credit under section 273.1384;

(5) (6) any credits received under sections 273.119; 273.1234 or 273.1235; 273.135;

273.1391; 273.1398, subdivision 4; 469.171; and 473H.10, except that the amount of credit received under section 273.135 must be separately stated and identified as "taconite tax relief"; and

(6) (7) the net tax payable in the manner required in paragraph (a).

(d) If the county uses envelopes for mailing property tax statements and if the county agrees, a taxing district may include a notice with the property tax statement notifying taxpayers when the taxing district will begin its budget deliberations for the current year, and encouraging taxpayers to attend the hearings. If the county allows notices to be included in the envelope containing the property tax statement, and if more than one taxing district relative to a given property decides to include a notice with the tax statement, the county treasurer or auditor must coordinate the process and may combine the information on a single announcement.

**EFFECTIVE DATE.** This section is effective for taxes payable in 2012 and thereafter.

Sec. 15. Minnesota Statutes 2010, section 289A.50, subdivision 1, is amended to read:

Subdivision 1. General right to refund. (a) Subject to the requirements of this section and section 289A.40, a taxpayer who has paid a tax in excess of the taxes lawfully due and who files a written claim for refund will be refunded or credited the overpayment of the tax determined by the commissioner to be erroneously paid.

(b) The claim must specify the name of the taxpayer, the date when and the period for which the tax was paid, the kind of tax paid, the amount of the tax that the taxpayer claims was erroneously paid, the grounds on which a refund is claimed, and other information relative to the payment and in the form required by the commissioner. An income tax, estate tax, or corporate franchise tax return, or amended return claiming an overpayment constitutes a claim for refund.

(c) When, in the course of an examination, and within the time for requesting a refund, the commissioner determines that there has been an overpayment of tax, the commissioner shall refund or credit the overpayment to the taxpayer and no demand is necessary. If the overpayment exceeds $1, the amount of the overpayment must be refunded to the taxpayer. If the amount of the overpayment is less than $1, the commissioner is not required to refund. In these situations, the commissioner does not have to make written findings or serve notice by mail to the taxpayer.
(d) If the amount allowable as a credit for withholding, estimated taxes, or dependent
care exceeds the tax against which the credit is allowable, the amount of the excess is
considered an overpayment. The refund allowed by section 290.06, subdivision 23, is also
considered an overpayment. The requirements of section 270C.33 do not apply to the
refunding of such an overpayment shown on the original return filed by a taxpayer.
(e) If the entertainment tax withheld at the source exceeds by $1 or more the taxes,
penalties, and interest reported in the return of the entertainment entity or imposed by
section 290.9201, the excess must be refunded to the entertainment entity. If the excess is
less than $1, the commissioner need not refund that amount.
(f) If the surety deposit required for a construction contract exceeds the liability of
the out-of-state contractor, the commissioner shall refund the difference to the contractor.
(g) An action of the commissioner in refunding the amount of the overpayment does
not constitute a determination of the correctness of the return of the taxpayer.
(h) There is appropriated from the general fund to the commissioner of revenue the
amount necessary to pay refunds allowed under this section.

EFFECTIVE DATE. This section is effective for refund claims based on
contributions made after June 30, 2011.

Sec. 16. Minnesota Statutes 2010, section 290.01, subdivision 6, is amended to read:
Subd. 6. Taxpayer. The term "taxpayer" means any person or corporation subject to
a tax imposed by this chapter. For purposes of section 290.06, subdivision 23, the term
"taxpayer" means an individual eligible to vote in Minnesota under section 201.014.

EFFECTIVE DATE. This section is effective for refund claims based on
contributions made after June 30, 2011.

Sec. 17. Minnesota Statutes 2010, section 290A.03, subdivision 11, is amended to read:
Subd. 11. Rent constituting property taxes. "Rent constituting property taxes"
means 
15 percent of the gross rent actually paid in cash, or its equivalent, or the portion
of rent paid in lieu of property taxes, in any calendar year by a claimant for the right
of occupancy of the claimant's Minnesota homestead in the calendar year, and which
rent constitutes the basis, in the succeeding calendar year of a claim for relief under this
chapter by the claimant.

EFFECTIVE DATE. This section is effective for claims based on rent paid in
2010 and thereafter.
Sec. 18. Minnesota Statutes 2010, section 290A.03, subdivision 13, is amended to read:

Subd. 13. **Property taxes payable.** "Property taxes payable" means the property tax exclusive of special assessments, penalties, and interest payable on a claimant's homestead after deductions made under sections 273.135, 273.1384, 273.1391, 273.42, subdivision 2, and any other state paid property tax credits in any calendar year, and after any refund claimed and allowable under section 290A.04, subdivision 2h, that is first payable in the year that the property tax is payable. In the case of a claimant who makes ground lease payments, "property taxes payable" includes the amount of the payments directly attributable to the property taxes assessed against the parcel on which the house is located.

No apportionment or reduction of the "property taxes payable" shall be required for the use of a portion of the claimant's homestead for a business purpose if the claimant does not deduct any business depreciation expenses for the use of a portion of the homestead in the determination of federal adjusted gross income. For homesteads which are manufactured homes as defined in section 273.125, subdivision 8, and for homesteads which are park trailers taxed as manufactured homes under section 168.012, subdivision 9, "property taxes payable" shall also include 49.15 percent of the gross rent paid in the preceding year for the site on which the homestead is located. When a homestead is owned by two or more persons as joint tenants or tenants in common, such tenants shall determine between them which tenant may claim the property taxes payable on the homestead. If they are unable to agree, the matter shall be referred to the commissioner of revenue whose decision shall be final. Property taxes are considered payable in the year prescribed by law for payment of the taxes.

In the case of a claim relating to "property taxes payable," the claimant must have owned and occupied the homestead on January 2 of the year in which the tax is payable and (i) the property must have been classified as homestead property pursuant to section 273.124, on or before December 15 of the assessment year to which the "property taxes payable" relate; or (ii) the claimant must provide documentation from the local assessor that application for homestead classification has been made on or before December 15 of the year in which the "property taxes payable" were payable and that the assessor has approved the application.

**EFFECTIVE DATE.** This section is effective for claims based on rent paid in 2010 and following years.

Sec. 19. Minnesota Statutes 2010, section 290A.04, subdivision 2, is amended to read:

Subd. 2. **Homeowners.** A claimant whose property taxes payable are in excess of the percentage of the household income stated below shall pay an amount equal to
the percent of income shown for the appropriate household income level along with the
percent to be paid by the claimant of the remaining amount of property taxes payable.
The state refund equals the amount of property taxes payable that remain, up to the state
refund amount shown below.

Sec. 22. Minnesota Statutes 2010, section 290A.04, subdivision 4, is amended to read:

Subd. 4. Inflation adjustment. (a) Beginning for property tax refunds payable in calendar year 2002, the commissioner shall annually adjust the dollar amounts of the income thresholds and the maximum refunds under subdivisions subdivision 2 and 2a for inflation. The commissioner shall make the inflation adjustments in accordance with section 1(f) of the Internal Revenue Code, except that for purposes of this subdivision the percentage increase shall be determined from the year ending on June 30, 2000 2011, to the year ending on June 30 of the year preceding that in which the refund is payable.

(b) The commissioner shall use the appropriate percentage increase to annually adjust the income thresholds and maximum refunds under subdivisions subdivision 2 and 2a for inflation without regard to whether or not the income tax brackets are adjusted for inflation in that year. The commissioner shall round the thresholds and the maximum amounts, as adjusted to the nearest $10 amount. If the amount ends in $5, the commissioner shall round it up to the next $10 amount.

(c) The commissioner shall annually announce the adjusted refund schedule at the same time provided under section 290.06. The determination of the commissioner under this subdivision is not a rule under the Administrative Procedure Act.

EFFECTIVE DATE. The changes to this section relating to refunds under subdivision 2 are effective beginning for refunds based on taxes payable in 2013 and the changes relating to refunds under subdivision 2a are effective beginning for refunds based on rent paid in 2011.

Sec. 23. [373.51] ALTERNATIVE PROCESS FOR CONSOLIDATION.

Notwithstanding the provisions relating to petitions in sections 371.02 and 371.03, two or more counties may begin the process for consolidation by filing with the secretary of state a resolution unanimously adopted by the board of each affected county to seek voter approval for consolidation of the counties following the procedures in chapter 371.

Sec. 24. Minnesota Statutes 2010, section 477A.011, is amended by adding a subdivision to read:

Subd. 1c. First class city. "First class city" means a city of the first class as of 2009 as defined in section 410.01.
EFFECTIVE DATE. This section is effective for aids payable in calendar year 2011 and thereafter.

Sec. 25. Minnesota Statutes 2010, section 477A.011, subdivision 20, is amended to read:

Subd. 20. City net tax capacity. "City net tax capacity" means (1) the net tax capacity computed using the net tax capacity rates in section 273.13 for taxes payable in the year of the aid distribution, and the market values, after the exclusion in section 273.13, subdivision 35, for taxes payable in the year prior to the aid distribution plus (2) a city's fiscal disparities distribution tax capacity under section 276A.06, subdivision 2, paragraph (b), or 473F.08, subdivision 2, paragraph (b), for taxes payable in the year prior to that for which aids are being calculated. The market value utilized in computing city net tax capacity shall be reduced by the sum of (1) a city's market value of commercial industrial property as defined in section 276A.01, subdivision 3, or 473F.02, subdivision 3, multiplied by the ratio determined pursuant to section 276A.06, subdivision 2, paragraph (a), or 473F.08, subdivision 2, paragraph (a), (2) the market value of the captured value of tax increment financing districts as defined in section 469.177, subdivision 2, and (3) the market value of transmission lines deducted from a city's total net tax capacity under section 273.425. The city net tax capacity will be computed using equalized market values.

EFFECTIVE DATE. This section is effective for aids payable in calendar year 2013 and thereafter.

Sec. 26. Minnesota Statutes 2010, section 477A.0124, is amended by adding a subdivision to read:

Subd. 6. Aid payments in 2011 and 2012. Notwithstanding total aids calculated or certified for 2011 under subdivisions 3, 4, and 5, for 2011 and 2012, each county shall receive an aid distribution under this section equal to the lesser of (1) the total amount of aid it received under this section in 2010 after the reductions under sections 477A.0133 and 477A.0134, or (2) the total amount the county is certified to receive in 2011 under subdivisions 3 to 5.

EFFECTIVE DATE. This section is effective for aids payable in calendar year 2011 and 2012.

Sec. 27. Minnesota Statutes 2010, section 477A.013, subdivision 8, is amended to read:
Subd. 8. City formula aid. The formula aid for a city is equal to the sum of (1) its
city jobs base, (2) its small city aid base, and (3) the need increase percentage multiplied
by the average of its unmet need for the most recently available two years.

No city may have a formula aid amount less than zero. The need increase percentage must
be the same for all cities. For first class cities, the formula aid is 25 percent of its base
aid as defined in subdivision 11, paragraph (a), for aids payable in 2013 and zero for aids
payable in 2014 and thereafter.

The applicable need increase percentage must be calculated by the Department of
Revenue so that the total of the aid under subdivision 9 equals the total amount available
for aid under section 477A.03. Data used in calculating aids to cities under sections
477A.011 to 477A.013 shall be the most recently available data as of January 1 in the
year in which the aid is calculated except that the data used to compute "net levy" in
subdivision 9 is the data most recently available at the time of the aid computation.

**EFFECTIVE DATE.** This section is effective for aids payable in calendar year
2013 and thereafter.

Sec. 28. Minnesota Statutes 2010, section 477A.013, subdivision 9, is amended to read:

Subd. 9. City aid distribution. (a) In calendar year 2009 and thereafter, each
city shall receive an aid distribution equal to the sum of (1) the city formula aid under
subdivision 8, and (2) its city aid base.

(b) For aids payable in 2014 only, the total aid in the previous year for any
city shall mean the amount of aid it was certified to receive for aids payable in 2010
under this section minus the amount of its aid reduction under section 477A.0134
subdivision 11. For aids payable in 2012 2014 and thereafter, the total aid in the previous
year for any city means the amount of aid it was certified to receive under this section in
the previous payable year.

(c) For aids payable in 2010 and thereafter, the total aid for any city shall not exceed
the sum of (1) ten percent of the city's net levy for the year prior to the aid distribution
plus (2) its total aid in the previous year. For aids payable in 2009 and thereafter, the total
aid for any city with a population of 2,500 or more may not be less than its total aid under
this section in the previous year minus the lesser of $10 multiplied by its population, or ten
percent of its net levy in the year prior to the aid distribution.

(d) For aids payable in 2010 and thereafter, the total aid for a city with a population
less than 2,500 must not be less than the amount it was certified to receive in the
previous year minus the lesser of $10 multiplied by its population, or five percent of its
2003 certified aid amount. For aids payable in 2009 only, the total aid for a city with a
population less than 2,500 must not be less than what it received under this section in the
previous year unless its total aid in calendar year 2008 was aid under section 477A.011,
subdivision 36, paragraph (s), in which case its minimum aid is zero.
(e) A city's aid loss under this section may not exceed $300,000 in any year in
which the total city aid appropriation under section 477A.03, subdivision 2a, is equal or
greater than the appropriation under that subdivision in the previous year, unless the
city has an adjustment in its city net tax capacity under the process described in section
469.174, subdivision 28.
(f) If a city's net tax capacity used in calculating aid under this section has decreased
in any year by more than 25 percent from its net tax capacity in the previous year due to
property becoming tax-exempt Indian land, the city's maximum allowed aid increase
under paragraph (c) shall be increased by an amount equal to (1) the city's tax rate in the
year of the aid calculation, multiplied by (2) the amount of its net tax capacity decrease
resulting from the property becoming tax exempt.
(g) Notwithstanding paragraphs (a) to (f), the total aid for a first class city is its
formula aid under subdivision 8.

EFFECTIVE DATE. This section is effective for aids payable in calendar year
2013 and thereafter.

Sec. 29. Minnesota Statutes 2010, section 477A.013, is amended by adding a
subdivision to read:

Subd. 11. Aid payments in 2011 and 2012. (a) For purposes of this subdivision,
"base aid" means the lesser of (1) the total amount of aid it received under this section
in 2010, after the reductions under sections 477A.0133 and 477A.0134 and reduced by
the amount of payments under section 477A.011, subdivision 36, paragraphs (y) and (z),
or (2) the amount it was certified to receive in 2011 under subdivision 9. In 2011 only,
a city that qualifies for the aid base adjustment under section 477A.011, subdivision 36,
paragraph (aa), shall receive the amount that it was certified to receive in 2011. In 2012,
a city that qualifies for the aid base adjustment under section 477A.011, subdivision 36,
paragraph (aa), shall receive the amount that it was certified to receive in 2011, minus the
aid base adjustment provided under section 477A.011, subdivision 36, paragraph (aa).
(b) Notwithstanding aids calculated or certified for aids payable in 2011 under
subdivision 9, in 2011 each city shall receive an aid distribution under this section as
follows:
(1) for a first class city, 75 percent of its base aid as defined in paragraph (a); and
(2) for any other city, its base aid as determined under paragraph (a).
(c) Notwithstanding aids calculated or certified for aids payable in 2012 under subdivision 9, in 2012 each city shall receive an aid distribution under this section as follows:

(1) for a first class city, 50 percent of its base aid as defined in paragraph (a); and

(2) for any other city, its base aid as defined under paragraph (a).

**EFFECTIVE DATE.** This section is effective for aids payable in calendar years 2011 and 2012.

Subd. 2b. **Counties.** (a) For aids payable in 2013 and thereafter, the total aid payable under section 477A.0124, subdivision 3, is $96,395,000 $78,218,000. Each calendar year, $500,000 shall be retained by the commissioner of revenue to make reimbursements to the commissioner of management and budget for payments made under section 611.27. For calendar year 2004, the amount shall be in addition to the payments authorized under section 477A.0124, subdivision 1. For calendar year 2005 and subsequent years; The amount shall be deducted from the appropriation under this paragraph. The reimbursements shall be to defray the additional costs associated with court-ordered counsel under section 611.27. Any retained amounts not used for reimbursement in a year shall be included in the next distribution of county need aid that is certified to the county auditors for the purpose of property tax reduction for the next taxes payable year.

(b) For aids payable in 2013 and thereafter, the total aid under section 477A.0124, subdivision 4, is $101,399,575 $83,133,000. land or, at the county's option three-fourths of one 0.66 percent of the appraised value of
all acquired natural resources land in the county, whichever is greater;

(2) 75 cents, as adjusted for inflation under section 477A.145, 477A.145; $1.129 multiplied by
the number of acres of county-administered other natural resources land;

(3) 75 cents, as adjusted for inflation under section 477A.145, 477A.145; $1.129 multiplied by
the total number of acres of land utilization project land; and

(4) 37.5 cents, as adjusted for inflation under section 477A.145, 477A.145; 56.5 cents multiplied
by the number of acres of commissioner-administered other natural resources land located
in each county as of July 1 of each year prior to the payment year.

(b) The amount determined under paragraph (a), clause (1), is payable for land
that is acquired from a private owner and owned by the Department of Transportation
for the purpose of replacing wetland losses caused by transportation projects, but only
if the county contains more than 500 acres of such land at the time the certification is
made under subdivision 2.

EFFECTIVE DATE. This section is effective for aids payable in calendar year
2011 and thereafter.

Sec. 33. Minnesota Statutes 2010, section 477A.14, subdivision 1, is amended to read:
Subdivision 1. General distribution. Except as provided in subdivision 2 or in
section 97A.061, subdivision 5, 40 percent of the total payment to the county shall be
deposited in the county general revenue fund to be used to provide property tax levy
reduction. The remainder shall be distributed by the county in the following priority:

(a) 37.5 cents, as adjusted for inflation under section 477A.145, $56.5 cents for
each acre of county-administered other natural resources land shall be deposited in a
resource development fund to be created within the county treasury for use in resource
development, forest management, game and fish habitat improvement, and recreational
development and maintenance of county-administered other natural resources land. Any
county receiving less than $5,000 annually for the resource development fund may elect to
deposit that amount in the county general revenue fund;

(b) From the funds remaining, within 30 days of receipt of the payment to the
county, the county treasurer shall pay each organized township 30 cents, as adjusted for
inflation under section 477A.145, $45.2 cents for each acre of acquired natural resources
land and each acre of land described in section 477A.12, subdivision 1, paragraph (b), and
7.5 cents, as adjusted for inflation under section 477A.145, $11.3 cents for each acre of
other natural resources land and each acre of land utilization project land located within its
boundaries. Payments for natural resources lands not located in an organized township
shall be deposited in the county general revenue fund. Payments to counties and townships
pursuant to this paragraph shall be used to provide property tax levy reduction, except
that of the payments for natural resources lands not located in an organized township, the
county may allocate the amount determined to be necessary for maintenance of roads in
unorganized townships. Provided that, if the total payment to the county pursuant to
section 477A.12 is not sufficient to fully fund the distribution provided for in this clause,
the amount available shall be distributed to each township and the county general revenue
fund on a pro rata basis; and

(c) Any remaining funds shall be deposited in the county general revenue fund.

Provided that, if the distribution to the county general revenue fund exceeds $35,000, the
excess shall be used to provide property tax levy reduction.
EFFECTIVE DATE. This section is effective for aids payable in calendar year 2011 and thereafter.

Sec. 34. Minnesota Statutes 2010, section 477A.17, is amended to read:

477A.17 LAKE VERMILION STATE PARK AND SOUDAN UNDERGROUND MINE STATE PARK; ANNUAL PAYMENTS.

(a) Beginning in fiscal year 2012, in lieu of the payment amount provided under section 477A.12, subdivision 1, clause (1), the county shall receive an annual payment for land acquired for Lake Vermilion State Park, established in section 85.012, subdivision 38a, and land within the boundary of Soudan Underground Mine State Park, established in section 85.012, subdivision 53a, equal to $1.32 percent of the appraised value of the land.

(b) For the purposes of this section, the appraised value of the land acquired for Lake Vermilion State Park for the first five years after acquisition shall be the purchase price of the land, plus the value of any portion of the land that is acquired by donation. The appraised value must be redetermined by the county assessor every five years after the land is acquired.

(c) The annual payments under this section shall be distributed to the taxing jurisdictions containing the property as follows: one-third to the school districts; one-third to the town; and one-third to the county. The payment to school districts is not a county apportionment under section 127A.34 and is not subject to aid recapture. Each of those taxing jurisdictions may use the payments for their general purposes.

(d) Except as provided in this section, the payments shall be made as provided in sections 477A.11 to 477A.13.

EFFECTIVE DATE. This section is effective for aids payable in calendar year 2011 and thereafter.

Sec. 35. ADMINISTRATION OF PROPERTY TAX REFUND CLAIMS; 2011.

In administering this bill for claims for refunds submitted using 19 percent of gross rent as rent constituting property taxes under prior law, the commissioner shall recalculate and pay the refund amounts using 15 percent of gross rent, subject to the reduced maximum income limits, maximum refunds, and increased copayment percentages in this bill. The commissioner shall notify the claimant that the recalculation was mandated by action of the 2011 Legislature.

EFFECTIVE DATE. This section is effective the day following final enactment.
Sec. 36. CREDIT REDUCTIONS AND LIMITATION; COUNTIES AND CITIES.

In 2011, the market value credit reimbursement payment to each county and city authorized under Minnesota Statutes, section 273.1384, subdivision 4, may not exceed the reimbursement payment received by the county or city for taxes payable in 2010.

EFFECTIVE DATE. This section is effective for credit reimbursements in 2011.

Sec. 37. PROPERTY TAX STATEMENT FOR TAXES PAYABLE IN 2012 ONLY.

For the purposes of the property tax statements required under Minnesota Statutes, section 276.04, subdivision 2, for taxes payable in 2012 only, the gross tax amount shown for the previous year is the gross tax minus the residential homestead market value credit.

EFFECTIVE DATE. This section is effective for taxes payable in 2012 only.

Sec. 38. REPORT ON PAYMENT IN LIEU OF TAXES FOR STATE NATURAL RESOURCE LANDS.

By December 1, 2011, the commissioner of natural resources, after consultation with the commissioners of revenue and management and budget, and stakeholders, including representatives from affected local units of government and other interested parties, shall report to the chairs and ranking minority caucus members of the senate and house of representatives natural resources and tax policy and finance committees with recommended changes to payment in lieu of taxes for natural resource lands under Minnesota Statutes, sections 97A.061 and 477A.11 to 477A.145. The report shall include an analysis of the current payment and distribution system, and any recommended changes to:

(1) the purpose of the payment system and the criteria for payments;
(2) the rate of payments for specific classes of natural resource lands;
(3) the formula for distribution of the payments to local units of government; and
(4) recognition in the amount of the payments of the tax capacity foregone by the local government due to the loss of the future development potential of the land.

Sec. 39. COOPERATION AND CONSOLIDATION GRANTS.

Subdivision 1. Definition. For the purposes of this section, "local government" means a town, county, or home rule charter or statutory city.

Subd. 2. Grants. The commissioner of administration may make a cooperation and consolidation grant to a local government that is participating with at least one other
local government in planning for or implementing provision of services cooperatively or
in planning and implementing consolidation of services, functions, or governance. The
grants shall be made on a first-come first-served basis. The commissioner shall determine
the form and content of the application and grant agreements. At a minimum, an
application must contain a resolution adopted by the governing body of each participating
local government supporting the cooperation or consolidation effort that identifies the
services and functions the local government is considering providing cooperatively with
one or more other local governments or that identifies the functions the local governments
seek to consolidate. The maximum grant amount is $100,000 per local government.

Subd. 3. Report. The commissioner of administration must report to the governor
and legislative committees with jurisdiction over local government governance and local
government taxes and finance on the cooperation and consolidation grants made and
how the money was used, what services and functions have been provided by local
governments in cooperation with each other, what programs or governance structures have
been proposed for consolidation or consolidated, and what impediments remain that
prevent cooperation, consolidation, and service innovation. An interim report is due
February 1, 2012, and a final report is due December 15, 2012.

Subd. 4. Appropriation. $1,000,000 in fiscal year 2012, and $2,500,000 in fiscal
year 2013, are appropriated from the general fund to the commissioner of administration
to make grants to counties as provided in this section.

Sec. 40. SUSTAINABLE FOREST INCENTIVE ACT REPEAL; TRANSITION
PAYMENTS: APPROPRIATION.
(a) Given the limits on state budgetary resources for the coming and future fiscal
biennia, the projected cost of the sustainable forest resource management incentive
program under Minnesota Statutes, chapter 290C, of over $31,000,000 for the fiscal 2012
and 2013 biennium, and the minimal amount of tangible public benefits of that program,
the legislature determines that it is prudent and necessary to repeal that program effective
immediately to help balance the state budget for the fiscal 2012 and 2013 biennium and to
help provide permanent structural balance to the state budget. The legislature takes notice
of and finds that many of the eligibility requirements for participants in the sustainable
forest incentive program are in the participants' own financial interests, determined without
regard to whether they receive state payments for doing so, and that the participants with
the largest amounts of acreage in the program do follow and would likely continue to
follow similar or more stringent management practices, regardless of whether the program
exists. The legislature further finds that the modification of the sustainable forest incentive
program made by Laws 2009, chapter 88, article 10, section 16, increased the per acre
payments made to program claimants for fiscal year 2011 by approximately 80 percent.
even though it was intended by the 2009 legislature to have little or no effect on the per
acre amount of the payments. As a result, this legislative change provided unintended and
windfall benefits to almost all the claimants.

(b) On or before October 1, 2011, the commissioner of revenue shall pay to:
(1) each claimant whose fiscal year 2011 payment was $100,000 under Laws 2010,
First Special Session chapter 1, article 13, section 4, subdivision 3, a transition payment
equal to one-twelveth for each month, or part of a month, of calendar year 2011 in which the
claimant's covenant was in effect, multiplied by $100,000, except that this payment must
be reduced, but not below zero, by the increase, if any, in the claimant's 2010 total payment
resulting from the increase in the per acre payment rates between 2009 and 2010; and
(2) each claimant who was eligible for a payment in calendar year 2011 and who
received no payment for calendar year 2010, a transition payment of $3.75 per acre of land
enrolled in the program, but not to exceed the amount allowed per claimant to claimants
receiving payments under clause (1).
Because claimants not covered by clauses (1) or (2) received much larger per acre
payments than intended for calendar year 2010, no transition payments are provided
to them.
For purposes of this paragraph (b), "claimant" refers to each Social Security number
or state or federal business tax identification number.
(c) An amount sufficient to make the transition payments required under paragraph
(b) is appropriated to the commissioner of revenue from the general fund.
(d) Land that had been enrolled in the sustainable forest incentive program on May
1, 2011, may be reclassified as class 2(c) managed forest land for taxes payable in 2012
if the owner applies to the assessor for the reclassification before September 1, 2011,
notwithstanding the application date in Minnesota Statutes, section 273.13, subdivision
23, paragraph (d).

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 41. **REPEALER.**
(a) Minnesota Statutes 2010, sections 10A.322, subdivision 4; and 13.4967,
subdivision 2, are repealed.
(b) Minnesota Statutes 2010, section 290.06, subdivision 23, is repealed.
(c) Minnesota Statutes 2010, sections 275.295; and 477A.145, are repealed.
(d) Minnesota Statutes 2010, section 273.1384, subdivisions 1 and 6, are repealed.
(e) Minnesota Statutes 2010, sections 13.4967, subdivision 2b; 290C.01; 290C.02;
290C.03; 290C.04; 290C.05; 290C.055; 290C.06; 290C.07; 290C.08; 290C.09; 290C.10;
290C.11; 290C.12; and 290C.13, are repealed.

**EFFECTIVE DATE.** Paragraph (a) is effective the day following final enactment.

Paragraph (b) is effective for refund claims based on contributions made after June 30,
2011. Paragraph (c) is effective for aids payable in 2011 and thereafter. Paragraph (d)
is effective for taxes payable in 2012 and thereafter. Paragraph (e) is effective the day
following final enactment, and the covenants under the program are void on that date. No
later than 90 days after enactment of this section, the commissioner of revenue shall issue
a document to each enrollee releasing the land from the covenant as provided in Minnesota
Statutes 2010, section 290C.04, paragraph (e), effective the day following final enactment.

**ARTICLE 8**

**MINERALS**

Section 1. Minnesota Statutes 2010, section 272.02, is amended by adding a
subdivision to read:

**Subd. 95. Property used in the business of mining subject to the net proceeds**

tax. The following property used in the business of mining that is subject to the net
proceeds tax under section 298.015 is exempt:

- (1) deposits of ores, metals, and minerals and the lands in which they are contained;
- (2) all real and personal property used in mining, quarrying, producing, or refining
ores, minerals, or metals, including lands occupied by or used in connection with the
mining, quarrying, production, or ore refining facilities; and
- (3) concentrate or direct reduced ore.

This exemption applies for each year that a person subject to tax under section
298.015 uses the property for mining, quarrying, producing, or refining ores, metals, or
minerals.

**EFFECTIVE DATE.** This section is effective for taxes payable in 2012 and
thereafter.

Sec. 2. Minnesota Statutes 2010, section 290.05, subdivision 1, is amended to read:

Subdivision 1. **Exempt entities.** The following corporations, individuals, estates,
trusts, and organizations shall be exempted from taxation under this chapter, provided
that every such person or corporation claiming exemption under this chapter, in whole
or in part, must establish to the satisfaction of the commissioner the taxable status of
any income or activity:

(a) corporations, individuals, estates, and trusts engaged in the business of mining or
producing iron ore and mining, producing, or refining other ores, metals, and minerals,

(b) the United States of America, the state of Minnesota or any political subdivision
of either agencies or instrumentalities, whether engaged in the discharge of governmental
or proprietary functions; and

(c) any insurance company.

**EFFECTIVE DATE.** This section is effective for taxable years beginning after
December 31, 2010.

Sec. 3. Minnesota Statutes 2010, section 298.001, is amended by adding a subdivision
to read:

**Subd. 10. Refining.** "Refining" means and is limited to refining:

(1) of ores, metals, or mineral products, the mining, extraction, or quarrying of
which were subject to tax under section 298.015; and

(2) carried out by the entity, or an affiliated entity, that mined, extracted, or quarried
the metal or mineral products.

**EFFECTIVE DATE.** This section is effective for taxable years beginning after
December 31, 2010.

Sec. 4. Minnesota Statutes 2010, section 298.01, subdivision 3, is amended to read:

**Subd. 3. Occupation tax; other ores.** Every person engaged in the business of
mining, refining, or producing ores, metals, or minerals in this state, except iron ore or
taconite concentrates, shall pay an occupation tax to the state of Minnesota as provided
in this subdivision. For purposes of this subdivision, mining includes the application
of hydrometallurgical processes. The tax is determined in the same manner as the tax
imposed by section 290.02, except that sections 290.05, subdivision 1, clause (a), 290.17,
subdivision 4, and 290.191, subdivision 2, do not apply, and the occupation tax must
be computed by applying to taxable income the rate of 2.45 percent. A person subject
to occupation tax under this section shall apportion its net income on the basis of the
percentage obtained by taking the sum of:

(1) 75 percent of the percentage which the sales made within this state in connection
with the trade or business during the tax period are of the total sales wherever made in
connection with the trade or business during the tax period;

(2) 12.5 percent of the percentage which the total tangible property used by the
taxpayer in this state in connection with the trade or business during the tax period is of
the total tangible property, wherever located, used by the taxpayer in connection with the
trade or business during the tax period; and

(3) 12.5 percent of the percentage which the taxpayer's total payrolls paid or incurred
in this state or paid in respect to labor performed in this state in connection with the trade
or business during the tax period are of the taxpayer's total payrolls paid or incurred in
connection with the trade or business during the tax period.

The tax is in addition to all other taxes.

EFFECTIVE DATE. This section is effective for taxable years beginning after
December 31, 2010.

Sec. 5. Minnesota Statutes 2010, section 298.01, subdivision 3a, is amended to read:

Subd. 3a. Gross income. (a) For purposes of determining a person's taxable income
under subdivision 3, gross income is determined by the amount of gross proceeds from
mining in this state under section 298.016 and includes any gain or loss recognized
from the sale or disposition of assets used in the business in this state. If more than one
ore, mineral, or metal, or energy resource referred to in section 298.016 is mined and
processed at the same mine and plant, a gross income for each ore, mineral, or metal, or
energy resource must be determined separately. The gross incomes may be combined on
one occupation tax return to arrive at the gross income of all production.

(b) In applying section 290.191, subdivision 5, transfers of ores, metals, or minerals
that are subject to tax under this chapter are deemed to be sales in this state.

EFFECTIVE DATE. This section is effective for taxable years beginning after
December 31, 2010.

Sec. 6. Minnesota Statutes 2010, section 298.015, subdivision 1, is amended to read:

Subdivision 1. Tax imposed. A person engaged in the business of mining shall pay
to the state of Minnesota for distribution as provided in section 298.018 a net proceeds tax
equal to two percent of the net proceeds from mining in Minnesota. The tax applies to all mineral and energy resources ores, metals, and minerals mined or, extracted, produced, or refined within the state of Minnesota except for sand, silica sand, gravel, building stone, crushed rock, limestone, granite, dimension granite, dimension stone, horticultural peat, clay, soil, iron ore, and taconite concentrates. The tax is in addition to all other taxes provided for by law.

**EFFECTIVE DATE.** This section is effective for taxable years beginning after December 31, 2010.

Sec. 7. Minnesota Statutes 2010, section 298.015, subdivision 2, is amended to read:

Subd. 2. **Net proceeds.** For purposes of this section, the term "net proceeds" means the gross proceeds from mining, as defined in section 298.016, less the deductions allowed in section 298.017 for purposes of determining taxable income under section 298.01, subdivision 3b, applied to the mining, production, processing, beneficiation, smelting, or refining of metal or mineral products. No other credits or deductions shall apply to this tax except for those provided in section 298.017.

**EFFECTIVE DATE.** This section is effective for taxes payable in 2012 and thereafter.

Sec. 8. Minnesota Statutes 2010, section 298.016, subdivision 4, is amended to read:

Subd. 4. **Definitions Metal or mineral products; definition.** For the purposes of sections 298.015 and 298.017 this section, the terms defined in this subdivision have the meaning given them unless the context clearly indicates otherwise:

(a) "metal or mineral products" means all those mineral and energy resources ores, metals, and minerals subject to the tax provided in section 298.015.

(b) "Exploration" means activities designed and engaged in to ascertain the existence, location, extent, or quality of any deposit of metal or mineral products prior to the development of a mining site.

(c) "Development" means activities designed and engaged in to prepare or develop a potential mining site for mining after the existence of metal or mineral products in commercially marketable quantities has been disclosed including, but not limited to, the clearing of forestation, the building of roads, removal of overburden, or the sinking of shafts.
(d) "Research" means activities designed and engaged in to create new or improved methods of mining, producing, processing, beneficiating, smelting, or refining metal or mineral products:

**EFFECTIVE DATE.** This section is effective for taxable years beginning after December 31, 2010.

Sec. 9. Minnesota Statutes 2010, section 298.225, subdivision 1, is amended to read:

Subdivision 1. Guaranteed distribution. (a) The distribution of the taconite production tax as provided in section 298.28, subdivisions 3 to 5, 6, paragraph (b), and 7, and (ii), shall equal the lesser of the following amounts:

1. The amount distributed pursuant to this section and section 298.28, with respect to 1983 production if the production for the year prior to the distribution year is no less than 42,000,000 taxable tons. If the production is less than 42,000,000 taxable tons, the amount of the distributions shall be reduced proportionately at the rate of two percent for each 1,000,000 tons, or part of 1,000,000 tons by which the production is less than 42,000,000 tons; or

2. (i) for the distributions made pursuant to section 298.28, subdivisions 4, paragraphs (b) and (c), and 6, paragraph (c), 31.2 percent of the amount distributed pursuant to this section and section 298.28, with respect to 1983 production;

   (ii) for the distributions made pursuant to section 298.28, subdivision 5, paragraphs (b) and (d), 75 percent of the amount distributed pursuant to this section and section 298.28, with respect to 1983 production.

(b) The distribution of the taconite production tax as provided in section 298.28, subdivision 2, shall equal the following amount:

1. If the production for the year prior to the distribution year is at least 42,000,000 taxable tons, the amount distributed pursuant to this section and section 298.28 with respect to 1999 production; or

2. If the production for the year prior to the distribution year is less than 42,000,000 taxable tons, the amount distributed pursuant to this section and section 298.28 with respect to 1999 production, reduced proportionately at the rate of two percent for each 1,000,000 tons or part of 1,000,000 tons by which the production is less than 42,000,000 tons.

**EFFECTIVE DATE.** This section is effective for distributions in 2012 and thereafter.

Sec. 10. Minnesota Statutes 2010, section 298.24, subdivision 1, is amended to read:
Subdivision 1. **Imposed; calculation.** (a) For concentrate produced in 2001, 2002, and 2003 2011 and 2012, there is imposed upon taconite and iron sulphides, and upon the mining and quarrying thereof, and upon the production of iron ore concentrate therefrom, and upon the concentrate so produced, and upon other iron-bearing material, a tax of $2.103 $2.380 per gross ton of merchantable iron ore concentrate produced therefrom.

For concentrates produced in 2005, the tax rate is the same rate imposed for concentrates produced in 2004. For concentrates produced in 2009 and subsequent years, the tax is also imposed upon other iron-bearing material.

(b) For concentrates produced in 2006 2013 and subsequent years, the tax rate shall be equal to the preceding year's tax rate plus an amount equal to the preceding year's tax rate multiplied by the percentage increase in the implicit price deflator from the fourth quarter of the second preceding year to the fourth quarter of the preceding year. "Implicit price deflator" means the implicit price deflator for the gross domestic product prepared by the Bureau of Economic Analysis of the United States Department of Commerce.

(c) An additional tax is imposed equal to three cents per gross ton of merchantable iron ore concentrate for each one percent that the iron content of the product exceeds 72 percent, when dried at 212 degrees Fahrenheit.

(d) The tax on taconite and iron sulphides shall be imposed on the average of the production for the current year and the previous two years. The rate of the tax imposed will be the current year's tax rate. This clause shall not apply in the case of the closing of a taconite facility if the property taxes on the facility would be higher if this clause and section 298.25 were not applicable. The tax on other iron-bearing material shall be imposed on the current year production.

(e) If the tax or any part of the tax imposed by this subdivision is held to be unconstitutional, a tax of $2.103 $2.380 per gross ton of merchantable iron ore concentrate produced shall be imposed.

(f) Consistent with the intent of this subdivision to impose a tax based upon the weight of merchantable iron ore concentrate, the commissioner of revenue may indirectly determine the weight of merchantable iron ore concentrate included in fluxed pellets by subtracting the weight of the limestone, dolomite, or olivine derivatives or other basic flux additives included in the pellets from the weight of the pellets. For purposes of this paragraph, "fluxed pellets" are pellets produced in a process in which limestone, dolomite, olivine, or other basic flux additives are combined with merchantable iron ore concentrate. No subtraction from the weight of the pellets shall be allowed for binders, mineral and chemical additives other than basic flux additives, or moisture.
(g)(1) Notwithstanding any other provision of this subdivision, for the first two years of a plant's commercial production of direct reduced ore from ore mined in this state, no tax is imposed under this section. As used in this paragraph, "commercial production" is production of more than 50,000 tons of direct reduced ore in the current year or in any prior year, "noncommercial production" is production of 50,000 tons or less of direct reduced ore in any year, and "direct reduced ore" is ore that results in a product that has an iron content of at least 75 percent. For the third year of a plant's commercial production of direct reduced ore, the rate to be applied to direct reduced ore is 25 percent of the rate otherwise determined under this subdivision. For the fourth commercial production year, the rate is 50 percent of the rate otherwise determined under this subdivision; for the fifth commercial production year, the rate is 75 percent of the rate otherwise determined under this subdivision; and for all subsequent commercial production years, the full rate is imposed.

(2) Subject to clause (1), production of direct reduced ore in this state is subject to the tax imposed by this section, but if that production is not produced by a producer of taconite, iron sulfides, or other iron-bearing material, the production of taconite, iron sulfides, or other iron-bearing material, that is consumed in the production of direct reduced iron in this state is not subject to the tax imposed by this section on taconite, iron sulfides, or other iron-bearing material.

(3) Notwithstanding any other provision of this subdivision, no tax is imposed on direct reduced ore under this section during the facility's noncommercial production of direct reduced ore. The taconite or iron sulphides consumed in the noncommercial production of direct reduced ore is subject to the tax imposed by this section on taconite and iron sulphides. Three-year average production of direct reduced ore does not include production of direct reduced ore in any noncommercial year. Three-year average production for a direct reduced ore facility that has noncommercial production is the average of the commercial production of direct reduced ore for the current year and the previous two commercial years.

(4) This paragraph applies only to plants for which all environmental permits have been obtained and construction has begun before July 1, 2008.

**EFFECTIVE DATE.** This section is effective for production in 2011 and thereafter.

Sec. 11. Minnesota Statutes 2010, section 298.28, subdivision 3, is amended to read:

Subd. 3. **Cities; towns.** (a) **12.2** cents per taxable ton, less any amount distributed under subdivision 8, and paragraph (b), must be allocated to the taconite municipal aid account to be distributed as provided in section 298.282.
(b) An amount must be allocated to towns or cities that is annually certified by the county auditor of a county containing a taconite tax relief area as defined in section 273.134, paragraph (b), within which there is (1) an organized township if, as of January 2, 1982, more than 75 percent of the assessed valuation of the township consists of iron ore or (2) a city if, as of January 2, 1980, more than 75 percent of the assessed valuation of the city consists of iron ore.

(c) The amount allocated under paragraph (b) will be the portion of a township's or city's certified levy equal to the proportion of (1) the difference between 50 percent of January 2, 1982, assessed value in the case of a township and 50 percent of the January 2, 1980, assessed value in the case of a city and its current assessed value to (2) the sum of its current assessed value plus the difference determined in (1), provided that the amount distributed shall not exceed $55 per capita in the case of a township or $75 per capita in the case of a city. For purposes of this limitation, population will be determined according to the 1980 decennial census conducted by the United States Bureau of the Census. If the current assessed value of the township exceeds 50 percent of the township's January 2, 1982, assessed value, or if the current assessed value of the city exceeds 50 percent of the city's January 2, 1980, assessed value, this paragraph shall not apply. For purposes of this paragraph, "assessed value," when used in reference to years other than 1980 or 1982, means the appropriate net tax capacities multiplied by 10.2.

(d) In addition to other distributions under this subdivision, three cents per taxable ton for distributions in 2009 must be allocated for distribution to towns that are entirely located within the taconite tax relief area defined in section 273.134, paragraph (b). For distribution in 2010 and subsequent years, the three-cent amount must be annually increased in the same proportion as the increase in the implicit price deflator as provided in section 298.24, subdivision 1. The amount available under this paragraph will be distributed to eligible towns on a per capita basis, provided that no town may receive more than $50,000 in any year under this paragraph. Any amount of the distribution that exceeds the $50,000 limitation for a town under this paragraph must be redistributed on a per capita basis among the other eligible towns, to whose distributions do not exceed $50,000.

Sec. 12. REPEALER.

(a) Minnesota Statutes 2010, section 298.28, subdivisions 8 and 9c, are repealed.

(b) Minnesota Statutes 2010, section 298.285, is repealed.

(c) Minnesota Statutes 2010, section 298.017, is repealed.
EFFECTIVE DATE. Paragraph (a) is effective for distributions in 2012 and
thereafter of taxes on production in 2011 and thereafter. Paragraph (b) is effective June 30, 2011. Paragraph (c) is effective for taxable years beginning after December 31, 2010.
