- (c) Restriction of a person's rights under paragraph (a), clauses (13) to (16), or paragraph (b) is allowed only if determined necessary to ensure the health, safety, and well-being of the person. Any restriction of those rights must be documented in the person's coordinated service and support plan or coordinated service and support plan addendum. The restriction must be implemented in the least restrictive alternative manner necessary to protect the person and provide support to reduce or eliminate the need for the restriction in the most integrated setting and inclusive manner. The documentation must include the following information:
- (1) the justification for the restriction based on an assessment of the person's vulnerability related to exercising the right without restriction;
 - (2) the objective measures set as conditions for ending the restriction;
- (3) a schedule for reviewing the need for the restriction based on the conditions for ending the restriction to occur semiannually from the date of initial approval, at a minimum, or more frequently if requested by the person, the person's legal representative, if any, and case manager; and
- (4) signed and dated approval for the restriction from the person, or the person's legal representative, if any. A restriction may be implemented only when the required approval has been obtained. Approval may be withdrawn at any time. If approval is withdrawn, the right must be immediately and fully restored.
- Sec. 3. Minnesota Statutes 2018, section 245D.071, subdivision 3, is amended to read:
 - Subd. 3. **Assessment and initial service planning.** (a) Within 15 days of service initiation the license holder must complete a preliminary coordinated service and support plan addendum based on the coordinated service and support plan.
 - (b) Within the scope of services, the license holder must, at a minimum, complete assessments in the following areas before the 45-day planning meeting:
 - (1) the person's ability to self-manage health and medical needs to maintain or improve physical, mental, and emotional well-being, including, when applicable, allergies, seizures, choking, special dietary needs, chronic medical conditions, self-administration of medication or treatment orders, preventative screening, and medical and dental appointments;

(2) the person's ability to self-manage personal safety to avoid injury or accident in the service setting, including, when applicable, risk of falling, mobility, regulating water temperature, community survival skills, water safety skills, and sensory disabilities; and (3) the person's ability to self-manage symptoms or behavior that may otherwise result in an incident as defined in section 245D.02, subdivision 11, clauses (4) to (7), suspension or termination of services by the license holder, or other symptoms or behaviors that may jeopardize the health and welfare of the person or others. Assessments must produce information about the person that describes the person's overall strengths, functional skills and abilities, and behaviors or symptoms. Assessments must be 6.10 based on the person's status within the last 12 months at the time of service initiation. Assessments based on older information must be documented and justified. Assessments 6.11 must be conducted annually at a minimum or within 30 days of a written request from the 6.12 person or the person's legal representative or case manager. The results must be reviewed 6.13 by the support team or expanded support team as part of a service plan review. 6.14 (c) Within 45 days of service initiation, the license holder must meet with the person, 6.15 the person's legal representative, the case manager, and other members of the support team 6.16 or expanded support team to determine the following based on information obtained from 6.17 the assessments identified in paragraph (b), the person's identified needs in the coordinated 6.18 service and support plan, and the requirements in subdivision 4 and section 245D.07, 6.19 subdivision 1a: 6.20 (1) the scope of the services to be provided to support the person's daily needs and 6.21 activities; 6.22 (2) the person's desired outcomes and the supports necessary to accomplish the person's 6.23 desired outcomes; 6.24 (3) the person's preferences for how services and supports are provided, including how 6.25 the provider will support the person to have control of the person's schedule; 6.26 (4) whether the current service setting is the most integrated setting available and 6.27

- (5) (9) how services must be coordinated across other providers licensed under this chapter serving the person and members of the support team or expanded support team to ensure continuity of care and coordination of services for the person.
- (d) A discussion of how technology might be used to meet the person's desired outcomes must be included in the 45-day planning meeting. The coordinated service and support plan or support plan addendum must include a summary of this discussion. The summary must include a statement regarding any decision that is made regarding the use of technology and a description of any further research that needs to be completed before a decision regarding the use of technology can be made. Nothing in this paragraph requires that the coordinated service and support plan include the use of technology for the provision of services.
- Sec. 4. Minnesota Statutes 2018, section 245F.02, subdivision 7, is amended to read:
- Subd. 7. Clinically managed program. "Clinically managed program" means a residential setting with staff comprised of a medical director and a licensed practical nurse. A licensed practical nurse must be on site 24 hours a day, seven days a week. A qualified medical professional licensed practitioner must be available by telephone or in person for consultation 24 hours a day. Patients admitted to this level of service receive medical observation, evaluation, and stabilization services during the detoxification process; access to medications administered by trained, licensed staff to manage withdrawal; and a comprehensive assessment pursuant to section 245G.05 245F.06.
- 7.25 Sec. 5. Minnesota Statutes 2018, section 245F.02, subdivision 14, is amended to read:
 - Subd. 14. **Medically monitored program.** "Medically monitored program" means a residential setting with staff that includes a registered nurse and a medical director. A registered nurse must be on site 24 hours a day. A medical director licensed practitioner must be on site available seven days a week, and patients must have the ability to be seen by a medical director licensed practitioner within 24 hours. Patients admitted to this level of service receive medical observation, evaluation, and stabilization services during the detoxification process; medications administered by trained, licensed staff to manage

Sec. 6. Minnesota Statutes 2018, section 245F.06, subdivision 2, is amended to read:

- Subd. 2. Comprehensive assessment and assessment summary. (a) Prior to a medically stable discharge, but not later than 72 hours following admission, a license holder must provide a comprehensive assessment and assessment summary according to sections 245.4863, paragraph (a), and 245G.05, for each patient who has a positive screening for a substance use disorder. If a patient's medical condition prevents a comprehensive assessment from being completed within 72 hours, the license holder must document why the assessment was not completed. The comprehensive assessment must include documentation of the appropriateness of an involuntary referral through the civil commitment process.
- (b) If available to the program, a patient's previous comprehensive assessment may be used in the patient record. If a previously completed comprehensive assessment is used, its contents must be reviewed to ensure the assessment is accurate and current and complies with the requirements of this chapter. The review must be completed by a staff person qualified according to section 245G.11, subdivision 5. The license holder must document that the review was completed and that the previously completed assessment is accurate and current, or the license holder must complete an updated or new assessment.
- Sec. 7. Minnesota Statutes 2018, section 245F.12, subdivision 2, is amended to read:
- 8.20 Subd. 2. **Services provided at clinically managed programs.** In addition to the services listed in subdivision 1, clinically managed programs must:
 - (1) have a licensed practical nurse on site 24 hours a day and a medical director;
- 8.23 (2) provide an initial health assessment conducted by a nurse upon admission;
- 8.24 (3) provide daily on-site medical evaluation by a nurse;
- 8.25 (4) have a registered nurse available by telephone or in person for consultation 24 hours 8.26 a day;
 - (5) have a qualified medical professional <u>licensed practitioner</u> available by telephone or in person for consultation 24 hours a day; and
- 8.29 (6) have appropriately licensed staff available to administer medications according to prescriber-approved orders.

- Subd. 3. **Services provided at medically monitored programs.** In addition to the services listed in subdivision 1, medically monitored programs must have a registered nurse on site 24 hours a day and a medical director. Medically monitored programs must provide intensive inpatient withdrawal management services which must include:
 - (1) an initial health assessment conducted by a registered nurse upon admission;
- (2) the availability of a medical evaluation and consultation with a registered nurse 24 hours a day;
 - (3) the availability of a qualified medical professional licensed practitioner by telephone or in person for consultation 24 hours a day;
 - (4) the ability to be seen within 24 hours or sooner by a qualified medical professional licensed practitioner if the initial health assessment indicates the need to be seen;
 - (5) the availability of on-site monitoring of patient care seven days a week by a qualified medical professional licensed practitioner; and
 - (6) appropriately licensed staff available to administer medications according to prescriber-approved orders.
- 9.17 Sec. 9. Minnesota Statutes 2018, section 245G.02, subdivision 2, is amended to read:
 - Subd. 2. Exemption from license requirement. This chapter does not apply to a county or recovery community organization that is providing a service for which the county or recovery community organization is an eligible vendor under section 254B.05. This chapter does not apply to an organization whose primary functions are information, referral, diagnosis, case management, and assessment for the purposes of client placement, education, support group services, or self-help programs. This chapter does not apply to the activities of a licensed professional in private practice. An individual referred to a licensed nonresidential substance use disorder treatment program after a positive screen for alcohol or substance misuse when receiving the initial set of substance use disorder services allowable under section 254A.03, subdivision 3, paragraph (c), is exempt from sections 245G.05; 245G.06, subdivisions 1, 2, and 4; 245G.07, subdivisions 1, paragraph (a), clauses (2) to (4), and 2, clauses (1) to (7); and 245G.17.

Subdivision 1. Client records required. (a) A license holder must maintain a file of current and accurate client records on the premises where the treatment service is provided or coordinated. For services provided off site, client records must be available at the program and adhere to the same clinical and administrative policies and procedures as services provided on site. The content and format of client records must be uniform and entries in each record must be signed and dated by the staff member making the entry. Client records must be protected against loss, tampering, or unauthorized disclosure according to section 254A.09, chapter 13, and Code of Federal Regulations, title 42, chapter 1, part 2, subpart B, sections 2.1 to 2.67, and title 45, parts 160 to 164.

- (b) The program must have a policy and procedure that identifies how the program will track and record client attendance at treatment activities, including the date, duration, and nature of each treatment service provided to the client.
- (c) The program must identify in the client record designation of an individual who is receiving services under section 254A.03, subdivision 3, including the start date and end date of services eligible under section 254A.03, subdivision 3. The requirements of sections 245G.05 and 245G.06 become effective upon the end date identified.
- Sec. 11. Minnesota Statutes 2019 Supplement, section 254A.03, subdivision 3, is amended to read:
 - Subd. 3. Rules for substance use disorder care. (a) The commissioner of human services shall establish by rule criteria to be used in determining the appropriate level of chemical dependency care for each recipient of public assistance seeking treatment for substance misuse or substance use disorder. Upon federal approval of a comprehensive assessment as a Medicaid benefit, or on July 1, 2018, whichever is later, and notwithstanding the criteria in Minnesota Rules, parts 9530.6600 to 9530.6655, an eligible vendor of comprehensive assessments under section 254B.05 may determine and approve the appropriate level of substance use disorder treatment for a recipient of public assistance. The process for determining an individual's financial eligibility for the consolidated chemical dependency treatment fund or determining an individual's enrollment in or eligibility for a publicly subsidized health plan is not affected by the individual's choice to access a comprehensive assessment for placement.
 - (b) The commissioner shall develop and implement a utilization review process for publicly funded treatment placements to monitor and review the clinical appropriateness and timeliness of all publicly funded placements in treatment.

(c) If a screen result is positive for alcohol or substance misuse, a brief screening for alcohol or substance use disorder that is provided to a recipient of public assistance within a primary care clinic, hospital, or other medical setting or school setting establishes medical necessity and approval for an initial set of substance use disorder services identified in section 254B.05, subdivision 5. The initial set of services approved for a recipient whose screen result is positive may include any combination of up to four hours of individual or group substance use disorder treatment, two hours of substance use disorder treatment coordination, or two hours of substance use disorder peer support services provided by a qualified individual according to chapter 245G. A recipient must obtain an assessment pursuant to paragraph (a) to be approved for additional treatment services. Minnesota Rules, parts 9530.6600 to 9530.6655, and a comprehensive assessment pursuant to section 245G.05 are not applicable to the initial set of services allowed under this subdivision. A positive screen result establishes eligibility for the initial set of services allowed under this subdivision.

- Sec. 12. Minnesota Statutes 2019 Supplement, section 254B.05, subdivision 1, is amended to read:
- Subdivision 1. **Licensure required.** (a) Programs licensed by the commissioner are eligible vendors. Hospitals may apply for and receive licenses to be eligible vendors, notwithstanding the provisions of section 245A.03. American Indian programs that provide substance use disorder treatment, extended care, transitional residence, or outpatient treatment services, and are licensed by tribal government are eligible vendors.
- (b) A licensed professional in private practice <u>as defined in section 245G.01, subdivision 17,</u> who meets the requirements of section 245G.11, subdivisions 1 and 4, is an eligible vendor of a comprehensive assessment and assessment summary provided according to section 245G.05, and treatment services provided according to sections 245G.06 and 245G.07, subdivision 1, paragraphs (a), clauses (1) to (4), and (b); and subdivision 2.
- (c) A county is an eligible vendor for a comprehensive assessment and assessment summary when provided by an individual who meets the staffing credentials of section 245G.11, subdivisions 1 and 5, and completed according to the requirements of section 245G.05. A county is an eligible vendor of care coordination services when provided by an individual who meets the staffing credentials of section 245G.11, subdivisions 1 and 7, and provided according to the requirements of section 245G.07, subdivision 1, paragraph (a), clause (5).

- (5) requires psychiatric residential treatment under the direction of a physician to improve the individual's condition or prevent further regression so that services will no longer be needed;
- (6) utilized and exhausted other community-based mental health services, or clinical evidence indicates that such services cannot provide the level of care needed; and
- (7) was referred for treatment in a psychiatric residential treatment facility by a qualified mental health professional licensed as defined in section 245.4871, subdivision 27, clauses (1) to (6).
- (b) A mental health professional making a referral shall submit documentation to the state's medical review agent containing all information necessary to determine medical necessity, including a standard diagnostic assessment completed within 180 days of the individual's admission. Documentation shall include evidence of family participation in the individual's treatment planning and signed consent for services.
- Sec. 15. Minnesota Statutes 2018, section 256B.0941, subdivision 3, is amended to read:
- Subd. 3. **Per diem rate.** (a) The commissioner shall establish a statewide per diem rate for psychiatric residential treatment facility services for individuals 21 years of age or younger. The rate for a provider must not exceed the rate charged by that provider for the same service to other payers. Payment must not be made to more than one entity for each individual for services provided under this section on a given day. The commissioner shall set rates prospectively for the annual rate period. The commissioner shall require providers to submit annual cost reports on a uniform cost reporting form and shall use submitted cost reports to inform the rate-setting process. The cost reporting shall be done according to federal requirements for Medicare cost reports.
 - (b) The following are included in the rate:
- (1) costs necessary for licensure and accreditation, meeting all staffing standards for participation, meeting all service standards for participation, meeting all requirements for
