Sec. 3. Minnesota Statutes 2006, section 290.06, subdivision 2c, as amended by Laws 2008, chapter 154, article 4, section 6, is amended to read:

Subd. 2c. **Schedules of rates for individuals, estates, and trusts.** (a) The income taxes imposed by this chapter upon married individuals filing joint returns and surviving spouses as defined in section 2(a) of the Internal Revenue Code must be computed by applying to their taxable net income the following schedule of rates:

- (1) On the first \$25,680, 5.35 percent;
- (2) On all over \$25,680, but not over \$102,030, 7.05 percent;
- (3) On all over \$102,030, 7.85 percent.

Married individuals filing separate returns, estates, and trusts must compute their income tax by applying the above rates to their taxable income, except that the income brackets will be one-half of the above amounts.

(b) The income taxes imposed by this chapter upon unmarried individuals must be computed by applying to taxable net income the following schedule of rates:

- (1) On the first \$17,570, 5.35 percent;
- (2) On all over \$17,570, but not over \$57,710, 7.05 percent;
- (3) On all over \$57,710, 7.85 percent.

(c) The income taxes imposed by this chapter upon unmarried individuals qualifying as a head of household as defined in section 2(b) of the Internal Revenue Code must be computed by applying to taxable net income the following schedule of rates:

- (1) On the first \$21,630, 5.35 percent;
- (2) On all over \$21,630, but not over \$86,910, 7.05 percent;
- (3) On all over \$86,910, 7.85 percent.

(d) In lieu of a tax computed according to the rates set forth in this subdivision, the tax of any individual taxpayer whose taxable net income for the taxable year is less than an amount determined by the commissioner must be computed in accordance with tables prepared and issued by the commissioner of revenue based on income brackets of not more than \$100. The amount of tax for each bracket shall be computed at the rates set forth in this subdivision, provided that the commissioner may disregard a fractional part of a dollar unless it amounts to 50 cents or more, in which case it may be increased to \$1.

(e) An individual who is not a Minnesota resident for the entire year must compute the individual's Minnesota income tax as provided in this subdivision. After the

H.F. No. 4208, as introduced - 2007-2008th Legislative Session (2007-2008)

application of the nonrefundable credits provided in this chapter, the tax liability must then be multiplied by a fraction in which:

(1) the numerator is the individual's Minnesota source federal adjusted gross income as defined in section 62 of the Internal Revenue Code and increased by the additions required under section 290.01, subdivision 19a, clauses (1), (5), (6), (7), (8), (9), (11), and (12) and reduced by the Minnesota assignable portion of the subtraction for United States government interest under section 290.01, subdivision 19b, clause (1), and the subtractions under section 290.01, subdivision 19b, clauses (9), (10), (14), (15), and (16), after applying the allocation and assignability provisions of section 290.081, clause (a), or 290.17; and

(2) the denominator is the individual's federal adjusted gross income as defined in section 62 of the Internal Revenue Code of 1986, increased by the amounts specified in section 290.01, subdivision 19a, clauses (1), (5), (6), (7), (8), (9), (11), and (12) and reduced by the amounts specified in section 290.01, subdivision 19b, clauses (1), (9), (10), (14), and (15), ~~and (16)~~.

EFFECTIVE DATE. This section is effective for taxable years beginning after December 31, 2009.

Sec. 4. Minnesota Statutes 2006, section 290.067, subdivision 1, is amended to read:

Subdivision 1. **Amount of credit.** (a) A taxpayer may take as a credit against the tax due from the taxpayer and a spouse, if any, under this chapter an amount equal to the dependent care credit for which the taxpayer is eligible pursuant to the provisions of section 21 of the Internal Revenue Code subject to the limitations provided in subdivision 2 except that in determining whether the child qualified as a dependent, income received as a Minnesota family investment program grant or allowance to or on behalf of the child must not be taken into account in determining whether the child received more than half of the child's support from the taxpayer, and the provisions of section 32(b)(1)(D) of the Internal Revenue Code do not apply.

(b) If a child who has not attained the age of six years at the close of the taxable year is cared for at a licensed family day care home operated by the child's parent, the taxpayer is deemed to have paid employment-related expenses. If the child is 16 months old or younger at the close of the taxable year, the amount of expenses deemed to have been paid equals the maximum limit for one qualified individual under section 21(c) and (d) of the Internal Revenue Code. If the child is older than 16 months of age but has not attained the age of six years at the close of the taxable year, the amount of expenses deemed to have been paid equals the amount the licensee would charge for the care of a child of the same age for the same number of hours of care.

(c) If a married couple:

(1) has a child who has not attained the age of one year at the close of the taxable year;

(2) files a joint tax return for the taxable year; and

(3) does not participate in a dependent care assistance program as defined in section 129 of the Internal Revenue Code, in lieu of the actual employment related expenses paid for that child under paragraph (a) or the deemed amount under paragraph (b), the lesser of (i) the combined earned income of the couple or (ii) the amount of the maximum limit for one qualified individual under section 21(c) and (d) of the Internal Revenue Code will be deemed to be the employment related expense paid for that child. The earned income limitation of section 21(d) of the Internal Revenue Code shall not apply to this deemed amount. These deemed amounts apply regardless of whether any employment-related expenses have been paid.

(d) If the taxpayer is not required and does not file a federal individual income tax return for the tax year, no credit is allowed for any amount paid to any person unless:

(1) the name, address, and taxpayer identification number of the person are included on the return claiming the credit; or

(2) if the person is an organization described in section 501(c)(3) of the Internal Revenue Code and exempt from tax under section 501(a) of the Internal Revenue Code, the name and address of the person are included on the return claiming the credit.

In the case of a failure to provide the information required under the preceding sentence, the preceding sentence does not apply if it is shown that the taxpayer exercised due diligence in attempting to provide the information required.

In the case of a nonresident, part-year resident, or a person who has earned income not subject to tax under this chapter including earned income excluded pursuant to section 290.01, subdivision 19b, clause (10) ~~or (16)~~, the credit determined under section 21 of the Internal Revenue Code must be allocated based on the ratio by which the earned income of the claimant and the claimant's spouse from Minnesota sources bears to the total earned income of the claimant and the claimant's spouse.

For residents of Minnesota, the subtractions for military pay under section 290.01, subdivision 19b, clauses (11) and (12), are not considered "earned income not subject to tax under this chapter."

For residents of Minnesota, the exclusion of combat pay under section 112 of the Internal Revenue Code is not considered "earned income not subject to tax under this chapter."

EFFECTIVE DATE. This section is effective for taxable years beginning after December 31, 2009.

Sec. 5. Minnesota Statutes 2006, section 290.0671, subdivision 1, is amended to read:

(b) For individuals with no qualifying children, the credit equals 1.9125 percent of the first \$4,620 of earned income. The credit is reduced by 1.9125 percent of earned income or adjusted gross income, whichever is greater, in excess of \$5,770, but in no case is the credit less than zero.

(c) For individuals with one qualifying child, the credit equals 8.5 percent of the first \$6,920 of earned income and 8.5 percent of earned income over \$12,080 but less than \$13,450. The credit is reduced by 5.73 percent of earned income or adjusted gross income, whichever is greater, in excess of \$15,080, but in no case is the credit less than zero.

(d) For individuals with two or more qualifying children, the credit equals ten percent of the first \$9,720 of earned income and 20 percent of earned income over \$14,860 but less than \$16,800. The credit is reduced by 10.3 percent of earned income or adjusted gross income, whichever is greater, in excess of \$17,890, but in no case is the credit less than zero.

(e) For a nonresident or part-year resident, the credit must be allocated based on the percentage calculated under section 290.06, subdivision 2c, paragraph (e).

(f) For a person who was a resident for the entire tax year and has earned income not subject to tax under this chapter, including income excluded under section 290.01, subdivision 19b, clause (10) ~~or (16)~~, the credit must be allocated based on the ratio of federal adjusted gross income reduced by the earned income not subject to tax under this chapter over federal adjusted gross income. For purposes of this paragraph, the subtractions for military pay under section 290.01, subdivision 19b, clauses (11) and (12), are not considered "earned income not subject to tax under this chapter."

For the purposes of this paragraph, the exclusion of combat pay under section 112 of the Internal Revenue Code is not considered "earned income not subject to tax under this chapter."

(g) For tax years beginning after December 31, 2001, and before December 31, 2004, the \$5,770 in paragraph (b), the \$15,080 in paragraph (c), and the \$17,890 in paragraph (d), after being adjusted for inflation under subdivision 7, are each increased by \$1,000 for married taxpayers filing joint returns.

H.F. No. 4208, as introduced - 2007-2008th Legislative Session (2007-2008)

(h) For tax years beginning after December 31, 2004, and before December 31, 2007, the \$5,770 in paragraph (b), the \$15,080 in paragraph (c), and the \$17,890 in paragraph (d), after being adjusted for inflation under subdivision 7, are each increased by \$2,000 for married taxpayers filing joint returns.

(i) For tax years beginning after December 31, 2007, and before December 31, 2010, the \$5,770 in paragraph (b), the \$15,080 in paragraph (c), and the \$17,890 in paragraph (d), after being adjusted for inflation under subdivision 7, are each increased by \$3,000 for married taxpayers filing joint returns. For tax years beginning after December 31, 2008, the \$3,000 is adjusted annually for inflation under subdivision 7.

(j) The commissioner shall construct tables showing the amount of the credit at various income levels and make them available to taxpayers. The tables shall follow the schedule contained in this subdivision, except that the commissioner may graduate the transition between income brackets.

EFFECTIVE DATE. This section is effective for taxable years beginning after December 31, 2009.

289A.08 FILING REQUIREMENTS FOR INDIVIDUAL INCOME, FIDUCIARY INCOME, CORPORATE FRANCHISE, MINING COMPANY, AND ENTERTAINMENT TAXES.

Subd. 3. **Corporations.** A corporation that is subject to the state's jurisdiction to tax under section 290.014, subdivision 5, must file a return, except that a foreign operating corporation as defined in section 290.01, subdivision 6b, is not required to file a return. The commissioner shall adopt rules for the filing of one return on behalf of the members of an affiliated group of corporations that are required to file a combined report. All members of an affiliated group that are required to file a combined report must file one return on behalf of the members of the group under rules adopted by the commissioner. If a corporation claims on a return that it has paid tax in excess of the amount of taxes lawfully due, that corporation must include on that return information necessary for payment of the tax in excess of the amount lawfully due by electronic means.

289A.26 PAYMENT OF ESTIMATED TAX BY CORPORATIONS.

Subdivision 1. **Minimum liability.** A corporation subject to taxation under chapter 290 (excluding section 290.92) or an entity subject to taxation under section 290.05, subdivision 3, must make payment of estimated tax for the taxable year if its tax liability so computed can reasonably be expected to exceed \$500, or in accordance with rules prescribed by the commissioner for an affiliated group of corporations filing one return under section 289A.08, subdivision 3.

Subd. 2. **Amount and time for payment of installments.** The estimated tax payment required under subdivision 1 must be paid in four equal installments on or before the 15th day of the third, sixth, ninth, and 12th month of the taxable year.

Subd. 2a. **Electronic payments.** If the aggregate amount of estimated tax payments made is:

- (1) \$20,000 or more in the fiscal year ending June 30, 2005; or
 - (2) \$10,000 or more in the fiscal year ending June 30, 2006, and fiscal years thereafter,
- all estimated tax payments in the subsequent calendar year must be paid by electronic means.

Subd. 3. **Short taxable year.** (a) An entity with a short taxable year of less than 12 months, but at least four months, must pay estimated tax in equal installments on or before the 15th day of the third, sixth, ninth, and final month of the short taxable year, to the extent applicable based on the number of months in the short taxable year.

(b) An entity is not required to make estimated tax payments for a short taxable year unless its tax liability before the first day of the last month of the taxable year can reasonably be expected to exceed \$500.

(c) No payment is required for a short taxable year of less than four months.

Subd. 4. **Underpayment of estimated tax.** If there is an underpayment of estimated tax by a corporation, there shall be added to the tax for the taxable year an amount determined at the rate in section 270C.40 on the amount of the underpayment, determined under subdivision 5, for the period of the underpayment determined under subdivision 6. This subdivision does not apply in the first taxable year that a corporation is subject to the tax imposed under section 290.02.

Subd. 5. **Amount of underpayment.** For purposes of subdivision 4, the amount of the underpayment is the excess of

- (1) the required installment, over
- (2) the amount, if any, of the installment paid on or before the last date prescribed for payment.

Subd. 6. **Period of underpayment.** The period of the underpayment runs from the date the installment was required to be paid to the earlier of the following dates:

- (1) the 15th day of the third month following the close of the taxable year for corporations, and the 15th day of the fifth month following the close of the taxable year for entities subject to tax under section 290.05, subdivision 3; or
- (2) with respect to any part of the underpayment, the date on which that part is paid. For purposes of this clause, a payment of estimated tax shall be credited against unpaid required installments in the order in which those installments are required to be paid.

Subd. 7. **Required installments.** (a) Except as otherwise provided in this subdivision, the amount of a required installment is 25 percent of the required annual payment.

(b) Except as otherwise provided in this subdivision, the term "required annual payment" means the lesser of:

APPENDIX
Repealed Minnesota Statutes: 08-6948

(1) 100 percent of the tax shown on the return for the taxable year, or, if no return is filed, 100 percent of the tax for that year; or

(2) 100 percent of the tax shown on the return of the entity for the preceding taxable year provided the return was for a full 12-month period, showed a liability, and was filed by the entity.

(c) Except for determining the first required installment for any taxable year, paragraph (b), clause (2), does not apply in the case of a large corporation. The term "large corporation" means a corporation or any predecessor corporation that had taxable net income of \$1,000,000 or more for any taxable year during the testing period. The term "testing period" means the three taxable years immediately preceding the taxable year involved. A reduction allowed to a large corporation for the first installment that is allowed by applying paragraph (b), clause (2), must be recaptured by increasing the next required installment by the amount of the reduction.

(d) In the case of a required installment, if the corporation establishes that the annualized income installment is less than the amount determined in paragraph (a), the amount of the required installment is the annualized income installment and the recapture of previous quarters' reductions allowed by this paragraph must be recovered by increasing later required installments to the extent the reductions have not previously been recovered.

(e) The "annualized income installment" is the excess, if any, of:

(1) an amount equal to the applicable percentage of the tax for the taxable year computed by placing on an annualized basis the taxable income:

(i) for the first two months of the taxable year, in the case of the first required installment;

(ii) for the first two months or for the first five months of the taxable year, in the case of the second required installment;

(iii) for the first six months or for the first eight months of the taxable year, in the case of the third required installment; and

(iv) for the first nine months or for the first 11 months of the taxable year, in the case of the fourth required installment, over

(2) the aggregate amount of any prior required installments for the taxable year.

(3) For the purpose of this paragraph, the annualized income shall be computed by placing on an annualized basis the taxable income for the year up to the end of the month preceding the due date for the quarterly payment multiplied by 12 and dividing the resulting amount by the number of months in the taxable year (2, 5, 6, 8, 9, or 11 as the case may be) referred to in clause (1).

(4) The "applicable percentage" used in clause (1) is:

For the following required installments:	The applicable percentage is:
1st	25
2nd	50
3rd	75
4th	100

(f)(1) If this paragraph applies, the amount determined for any installment must be determined in the following manner:

(i) take the taxable income for the months during the taxable year preceding the filing month;

(ii) divide that amount by the base period percentage for the months during the taxable year preceding the filing month;

(iii) determine the tax on the amount determined under item (ii); and

(iv) multiply the tax computed under item (iii) by the base period percentage for the filing month and the months during the taxable year preceding the filing month.

(2) For purposes of this paragraph:

(i) the "base period percentage" for a period of months is the average percent that the taxable income for the corresponding months in each of the three preceding taxable years bears to the taxable income for the three preceding taxable years;

(ii) the term "filing month" means the month in which the installment is required to be paid;

(iii) this paragraph only applies if the base period percentage for any six consecutive months of the taxable year equals or exceeds 70 percent; and

(iv) the commissioner may provide by rule for the determination of the base period percentage in the case of reorganizations, new corporations, and other similar circumstances.

(3) In the case of a required installment determined under this paragraph, if the entity determines that the installment is less than the amount determined in paragraph (a), the amount of the required installment is the amount determined under this paragraph and the recapture of

APPENDIX

Repealed Minnesota Statutes: 08-6948

previous quarters' reductions allowed by this paragraph must be recovered by increasing later required installments to the extent the reductions have not previously been recovered.

Subd. 8. **Definition of tax.** The term "tax" as used in this section means the tax imposed by chapter 290.

Subd. 9. **Failure to file an estimate.** In the case of an entity that fails to file an estimated tax for a taxable year when one is required, the period of the underpayment runs from the four installment dates in subdivision 2 or 3, whichever applies, to the earlier of the periods in subdivision 6, clauses (1) and (2).

Subd. 10. **Payment on account.** Payment of the estimated tax or any installment of it shall be considered payment on account of the taxes imposed by chapter 290, for the taxable year.

Subd. 11. **Overpayment of estimated tax installment.** If the amount of an installment payment of estimated tax exceeds the amount determined to be the correct amount of the installment payment, the overpayment must be credited against the unpaid installments, if any.

An annual franchise tax on the exercise of the corporate franchise to engage in contacts with this state that produce gross income attributable to sources within this state is imposed upon every corporation that so exercises its franchise during the taxable year.

Contacts within this state do not include transportation in interstate or foreign commerce, or both, by means of ships navigating within or through waters that are made international for navigation purposes by any treaty or agreement to which the United States is a party.

The tax so imposed is measured by the corporations' taxable income and alternative minimum taxable income for the taxable year for which the tax is imposed, and computed in the manner and at the rates provided in this chapter.

290.06 RATES OF TAX; CREDITS.

Subdivision 1. **Computation, corporations.** The franchise tax imposed upon corporations shall be computed by applying to their taxable income the rate of 9.8 percent.

290.0921 CORPORATE ALTERNATIVE MINIMUM TAX AFTER 1989.

- (1) 5.8 percent of Minnesota alternative minimum taxable income; over
- (2) the tax imposed under section 290.06, subdivision 1, without regard to this section.

Subd. 2. **Definitions.** (a) For purposes of this section, the following terms have the meanings given them.

The commissioner of revenue shall, on the corporate tax return, notify filers of their right to designate that a portion of their tax return be paid into the nongame wildlife management account for the protection of endangered natural resources. All interest earned on money accrued, gifts to the program, contributions to the program, and reimbursements of expenditures in the nongame wildlife management account shall be credited to the account by the commissioner of finance, except that gifts or contributions received directly by the commissioner of natural resources and directed by the contributor for use in specific nongame field projects or geographic areas shall be handled according to section 84.085, subdivision 1. The commissioner of natural resources shall submit a work program for each fiscal year to the Legislative-Citizen Commission on Minnesota Resources in the form determined by the commission. None of the money provided in this section may be spent unless the commission has approved the work program.

The state pledges and agrees with all corporate contributors to the nongame wildlife account to use the funds contributed solely for the nongame wildlife program and further agrees that it will not impose additional conditions or restrictions that will limit or otherwise restrict the ability of the commissioner of natural resources to use the available funds for the most efficient and effective management of those programs.
