11.20 (1) am at least 16 years old and understand that I must be at least 18 years old to be
11.21 eligible to vote;

11.22 (2) am a citizen of the United States;

11.23 (3) will have maintained residence in Minnesota for 20 days immediately preceding
11.24 election day;

11.25 (4) maintain residence at the address or location given on the registration form;

11.26 (5) am not under court-ordered guardianship in which the court order revokes my right
11.27 to vote;

11.28 (6) have not been found by a court to be legally incompetent to vote;

11.29 (7) am not currently incarcerated for a conviction of a felony offense; and

11.30 (8) have read and understand the following statement: that giving false information is a
11.31 felony punishable by not more than five years imprisonment or a fine of not more than
11.32 \$10,000, or both."

11.33 The certification must include boxes for the voter to respond to the following questions:

12.1 "(1) Are you a citizen of the United States?" and

12.2 "(2) Are you at least 16 years old and will you be at least 18 years old on or before the
12.3 day of the election in which you intend to vote?"

12.4 And the instruction:

12.5 "If you checked 'no' to either of these questions, do not complete this form."

12.6 The form of the voter registration application and the certification of voter eligibility
12.7 must be as provided in this subdivision and approved by the secretary of state. Voter
12.8 registration forms authorized by the National Voter Registration Act must also be accepted
12.9 as valid. The federal postcard application form must also be accepted as valid if it is not
12.10 deficient and the voter is eligible to register in Minnesota.

12.11 An individual may use a voter registration application to apply to register to vote in
12.12 Minnesota or to change information on an existing registration.

12.13 **EFFECTIVE DATE.** This section is effective June 1, 2024.

12.14 Sec. 7. Minnesota Statutes 2022, section 201.071, subdivision 3, is amended to read:

12.15 Subd. 3. **Deficient registration.** No voter registration application is deficient if it contains
12.16 the voter's name, address or location of residence, date of birth, current and valid Minnesota
12.17 driver's license number or Minnesota state identification number, or if the voter has no
12.18 current and valid Minnesota driver's license or Minnesota state identification number, the
12.19 last four digits of the voter's Social Security number, if the voter has been issued a Social
12.20 Security number, prior registration, if any, and signature. The absence of a zip code number
12.21 does not cause the registration to be deficient. Failure to check a box on an application form
12.22 that a voter has certified to be true does not cause the registration to be deficient. The election
12.23 judges shall request an individual to correct a voter registration application if it is deficient
12.24 or illegible. No eligible voter may be prevented from voting unless the voter's registration
12.25 application is deficient or the voter is duly and successfully challenged in accordance with
12.26 section 201.195 or 204C.12.

12.27 A voter registration application accepted prior to August 1, 1983, is not deficient for
12.28 lack of date of birth. The county or municipality may attempt to obtain the date of birth for
12.29 a voter registration application accepted prior to August 1, 1983, by a request to the voter
12.30 at any time except at the polling place. Failure by the voter to comply with this request does
12.31 not make the registration deficient.

13.1 A voter registration application accepted before January 1, 2004, is not deficient for lack
13.2 of a valid Minnesota driver's license or state identification number or the last four digits of
13.3 a Social Security number. A voter registration application submitted by a voter who does
13.4 not have a Minnesota driver's license or state identification number, or a Social Security
13.5 number, is not deficient for lack of any of these numbers.

13.6 A voter registration application submitted electronically through the website of the
13.7 secretary of state prior to April 30, 2014, is not invalid as a result of its electronic submission.

13.8 **EFFECTIVE DATE.** This section is effective June 1, 2024.

13.9 Sec. 8. Minnesota Statutes 2023 Supplement, section 201.091, subdivision 4, is amended
13.10 to read:

13.11 Subd. 4. **Public information lists.** (a) The county auditor shall make available for
13.12 inspection a public information list which must contain the name, address, year of birth,
13.13 and voting history of each registered voter in the county. Data on applicants submitted
13.14 pursuant to section 201.061, subdivision 1b, are not part of the public information list until
13.15 the voter is registered or has voting history. The list must not include the party choice of
13.16 any voter who voted in a presidential nomination primary. The telephone number must be
13.17 included on the list if provided by the voter. The public information list may also include
13.18 information on voting districts. The county auditor may adopt reasonable rules governing
13.19 access to the list.

13.20 (b) No individual inspecting the public information list shall tamper with or alter it in
13.21 any manner. No individual who inspects the public information list or who acquires a list
13.22 of registered voters prepared from the public information list may use any information
13.23 contained in the list for purposes unrelated to elections, political activities, or law
13.24 enforcement. The secretary of state may provide copies of the public information lists and
13.25 other information from the statewide registration system for uses related to elections, political
13.26 activities, or in response to a law enforcement inquiry from a public official concerning a
13.27 failure to comply with any criminal statute or any state or local tax statute.

13.28 (c) Before inspecting the public information list or obtaining a list of voters or other
13.29 information from the list, the individual shall provide identification to the public official
13.30 having custody of the public information list and shall state in writing that any information
13.31 obtained from the list will not be used for purposes unrelated to elections, political activities,
13.32 or law enforcement. Requests to examine or obtain information from the public information
13.33 lists or the statewide registration system must be made and processed in the manner provided
13.34 in the rules of the secretary of state.

14.1 (d) Upon receipt of a statement signed by the voter that withholding the voter's name
14.2 from the public information list is required for the safety of the voter or the voter's family,
14.3 the secretary of state and county auditor must withhold from the public information list the
14.4 name of a registered voter.

14.5 (e) Notwithstanding paragraphs (b) and (c) and regardless of the purpose of the
14.6 publication, a recipient of a public information list must not:

14.7 (1) publish any of the information from the list on the Internet on any list, database, or
14.8 other similar searchable format; or

14.9 (2) sell, loan, provide access to, or otherwise surrender any information obtained from
14.10 the list to any person or entity, except that an individual who obtains the public information
14.11 list on behalf of an organization, entity, or political subdivision may distribute the information
14.12 to the organization's, entity's, or political subdivision's volunteers or employees for purposes
14.13 related to elections, political activities, or law enforcement in the case where the information
14.14 is provided in response to a law enforcement inquiry from a public official concerning a
14.15 failure to comply with any criminal statute or any state or local tax statute. Nothing in this
14.16 section prohibits the preparation, use, or transfer, for purposes related to elections or political
14.17 activities, of a database that includes data obtained from the public information list which
14.18 is aggregated with data obtained from other sources provided that such database is used
14.19 exclusively for purposes related to elections or political activities and no information from
14.20 the list is published on the Internet. The prohibitions of this paragraph do not apply if the
14.21 subject of the information provides express written permission to use the subject's data in
14.22 a manner otherwise prohibited by this paragraph. For purposes of this paragraph, "publish"
14.23 means information is made available to the general public.

14.24 **EFFECTIVE DATE.** This section is effective the day following final enactment.

14.25 Sec. 9. Minnesota Statutes 2022, section 201.13, subdivision 1a, is amended to read:

14.26 Subd. 1a. **Social Security Administration; other reports of deceased residents.** The
14.27 secretary of state ~~may~~ must determine if any of the persons listed on the Social Security
14.28 Death Index or reported as deceased by the vital records department of another state are
14.29 registered to vote and prepare a list of those registrants for each county auditor. The county
14.30 auditor shall change the status of those registrants to "deceased" in the statewide voter
14.31 registration system.

15.1 Sec. 10. Minnesota Statutes 2023 Supplement, section 201.1611, subdivision 1, is amended
15.2 to read:

15.3 Subdivision 1. **Forms.** (a) All postsecondary institutions that enroll students accepting
15.4 state or federal financial aid must provide voter registration forms to each student during
15.5 the fall and spring of each year. In state election years, it must be provided 15 days in
15.6 advance of the deadline for registering to vote for the state general election. If the voter
15.7 registration forms are provided electronically, the electronic message must be devoted
15.8 exclusively to voter registration.

15.9 (b) All school districts must make available paper or electronic voter registration
15.10 applications each May and September to all students registered as students of the school
15.11 district who ~~will be~~ are eligible to register or preregister to vote ~~at the next election after~~
15.12 ~~these months~~. A school district has no obligation to provide voter registration applications
15.13 to students who participate in a postsecondary education option program or who otherwise
15.14 maintain residence in the district but do not attend a school operated by the district. A school
15.15 district fulfills its obligation to a student under this section if it provides a voter registration
15.16 application to the student one time.

15.17 (c) The voter registration forms must contain spaces for the information required in
15.18 section 201.071, subdivision 1, and applicable rules of the secretary of state. The institutions
15.19 and school districts may request these forms from the secretary of state. Institutions must
15.20 consult with their campus student government in determining the most effective means of
15.21 distributing the forms and in seeking to facilitate election day registration of students under
15.22 section 201.061, subdivision 3. School districts must advise students that completion of the
15.23 voter registration application is not a school district requirement.

15.24 (d) The institutions must report to the secretary of state by November 30 of each year
15.25 on their implementation of this section. At a minimum, the report must include how and
15.26 when the forms were distributed and the voter engagement plan under subdivision 3,
15.27 paragraph (b), clause (2). Institutions may include information about methods that were
15.28 effective in increasing student registrations.

15.29 (e) By February 1 of each year, the secretary of state must report to the chairs and ranking
15.30 minority members of the legislative committees with jurisdiction over elections on the
15.31 information under paragraph (d). The secretary must highlight best practices and innovative
15.32 methods that were most effective in registering students to vote.

16.1 Sec. 11. Minnesota Statutes 2023 Supplement, section 203B.04, subdivision 1, is amended
16.2 to read:

16.3 Subdivision 1. **Application procedures.** (a) Except as otherwise allowed by subdivision
16.4 2 or by section 203B.11, subdivision 4, an application for absentee ballots for any election
16.5 may be submitted at any time not less than one day before the day of that election. The
16.6 county auditor shall prepare absentee ballot application forms in the format provided by the
16.7 secretary of state and shall furnish them to any person on request. By January 1 of each
16.8 even-numbered year, the secretary of state shall make the forms to be used available to
16.9 auditors through electronic means. An application submitted pursuant to this subdivision
16.10 shall be in writing. An application may be submitted in person, by electronic facsimile
16.11 device, by electronic mail, or by mail to:

16.12 (1) the county auditor of the county where the applicant maintains residence; or

16.13 (2) the municipal clerk of the municipality, or school district if applicable, where the
16.14 applicant maintains residence.

16.15 ~~For a federal, state, or county election,~~ (b) An absentee ballot application may
16.16 alternatively be submitted electronically through a secure website that shall be maintained
16.17 by the secretary of state for this purpose. Notwithstanding paragraph ~~(b)~~ (d), the secretary
16.18 of state must require applicants using the website to submit the applicant's email address
16.19 and verifiable Minnesota driver's license number, Minnesota state identification card number,
16.20 or the last four digits of the applicant's Social Security number. This paragraph does not
16.21 apply to a town election held in March.

16.22 (c) An application submitted electronically under this paragraph may only be transmitted
16.23 to the county auditor for processing if the secretary of state has verified the application
16.24 information matches the information in a government database associated with the applicant's
16.25 driver's license number, state identification card number, or Social Security number. The
16.26 secretary of state must review all unverifiable applications for evidence of suspicious activity
16.27 and must forward any such application to an appropriate law enforcement agency for
16.28 investigation.

16.29 ~~(b)~~ (d) An application shall be approved if it is timely received, signed and dated by the
16.30 applicant, contains the applicant's name and residence and mailing addresses, date of birth,
16.31 and at least one of the following:

16.32 (1) the applicant's Minnesota driver's license number;

16.33 (2) Minnesota state identification card number;

17.1 (3) the last four digits of the applicant's Social Security number; or

17.2 (4) a statement that the applicant does not have any of these numbers.

17.3 ~~(e)~~ (e) To be approved, the application must contain an oath that the information contained
17.4 on the form is accurate, that the applicant is applying on the applicant's own behalf, and
17.5 that the applicant is signing the form under penalty of perjury.

17.6 ~~(d)~~ (f) An applicant's full date of birth, Minnesota driver's license or state identification
17.7 number, and the last four digits of the applicant's Social Security number must not be made
17.8 available for public inspection. An application may be submitted to the county auditor or
17.9 municipal clerk by an electronic facsimile device. An application mailed or returned in
17.10 person to the county auditor or municipal clerk on behalf of a voter by a person other than
17.11 the voter must be deposited in the mail or returned in person to the county auditor or
17.12 municipal clerk within ten days after it has been dated by the voter and no later than six
17.13 days before the election.

17.14 ~~(e)~~ (g) An application under this subdivision may contain an application under subdivision
17.15 5 to automatically receive an absentee ballot.

17.16 **EFFECTIVE DATE.** This section is effective September 1, 2025, and applies to
17.17 elections occurring on or after November 4, 2025.

17.18 Sec. 12. Minnesota Statutes 2023 Supplement, section 203B.07, subdivision 3, is amended
17.19 to read:

17.20 Subd. 3. **Eligibility certificate.** A certificate of eligibility to vote by absentee ballot
17.21 shall be printed on the back of the signature envelope. The certificate shall contain space
17.22 for the voter's Minnesota driver's license number, state identification number, or the last
17.23 four digits of the voter's Social Security number, or to indicate that the voter does not have
17.24 one of these numbers. The space must be designed to ensure that the voter provides the
17.25 same type of identification as provided on the voter's absentee ballot application for purposes
17.26 of comparison. The certificate must also contain a statement to be signed and sworn by the
17.27 voter indicating that the voter meets all of the requirements established by law for voting
17.28 by absentee ballot and space for a statement signed by a person who is ~~registered to vote in~~
17.29 Minnesota at least 18 years of age on or before the day of the election and a citizen of the
17.30 United States or by a notary public or other individual authorized to administer oaths stating
17.31 that:

17.32 (1) the ballots were displayed to that individual unmarked;

18.1 (2) the voter marked the ballots in that individual's presence without showing how they
18.2 were marked, or, if the voter was physically unable to mark them, that the voter directed
18.3 another individual to mark them; and

18.4 (3) if the voter was not previously registered, the voter has provided proof of residence
18.5 as required by section 201.061, subdivision 3.

18.6 EFFECTIVE DATE. This section is effective for elections for which the absentee
18.7 ballot period begins on or after January 1, 2025.

18.8 Sec. 13. Minnesota Statutes 2023 Supplement, section 203B.081, subdivision 4, is amended
18.9 to read:

18.10 Subd. 4. **Temporary locations.** (a) A county auditor or municipal clerk authorized under
18.11 section 203B.05 to administer voting before election day may designate additional polling
18.12 places with days and hours that differ from those required by section 203B.085. A designation
18.13 authorized by this subdivision must be made at least 47 days before the election. The county
18.14 auditor or municipal clerk must provide notice to the secretary of state at the time that the
18.15 designations are made.

18.16 (b) At the request of a federally recognized Indian Tribe with a reservation in the county,
18.17 the county auditor must establish an additional polling place for at least one day on the
18.18 Indian reservation on a site agreed upon by the Tribe and the county auditor that is accessible
18.19 to the county auditor by a public road.

18.20 (c) At the request of a postsecondary institution or the student government organization
18.21 of a postsecondary institution in the county or municipality, the county auditor or a municipal
18.22 clerk authorized to administer absentee voting under section 203B.05 must establish an
18.23 additional temporary polling place for the state general election or the odd-year city general
18.24 election for at least one day at a location agreed upon by the institution and the county
18.25 auditor or municipal clerk that:

18.26 (1) is accessible to the public;

18.27 (2) satisfies the requirements of state and federal law; and

18.28 (3) is on the institution's campus or is within one-half mile of the institution's campus
18.29 and is reasonably accessible to the institution's students.

18.30 A request must be made no later than May 31 before an election and the request is valid
18.31 only for that election. This paragraph only applies to a postsecondary institution that provides
18.32 on-campus student housing to 100 or more students. Nothing in this paragraph prevents the

19.1 county auditor or municipal clerk from engaging in a dialogue with the entity that made the
19.2 request regarding potential alternative locations for a temporary polling place that does not
19.3 meet the requirements of clause (3). An entity that made a request for a temporary polling
19.4 place may withdraw its request by notifying the county auditor or municipal clerk.

19.5 **EFFECTIVE DATE.** This section is effective January 1, 2025, and applies to elections
19.6 held on or after that date.

19.7 Sec. 14. **[203B.0815] TEMPORARY LOCATIONS REIMBURSEMENTS;**
19.8 **POSTSECONDARY INSTITUTIONS.**

19.9 (a) The secretary of state must reimburse counties and cities that administer absentee
19.10 voting for the actual costs of operating temporary polling locations on postsecondary
19.11 institution campuses that provide on-campus student housing to 100 or more students. The
19.12 reimbursement amount for an individual city or county must not exceed:

19.13 (1) \$5,000 for one polling location the first year it applies for a reimbursement under
19.14 this section;

19.15 (2) \$3,000 for each additional polling location the first year it applies for a reimbursement
19.16 under this section; and

19.17 (3) \$3,000 for each polling location in subsequent years.

19.18 If appropriations available to make reimbursements under this section are insufficient to
19.19 fully make all reimbursements, the secretary must reduce all reimbursements proportionally.
19.20 The unspent balance of an appropriation to make reimbursements under this section in the
19.21 first fiscal year of a biennium may be carried forward into the second year of the biennium.

19.22 (b) Expenses eligible for reimbursement under paragraph (a) include:

19.23 (1) voting equipment purchasing and programming;

19.24 (2) secure storage for voting equipment and supplies;

19.25 (3) staff costs for election administrators, election judges, or other election officials;

19.26 (4) ballot and voting materials printing;

19.27 (5) set-up costs including transportation, parking, and office supplies;

19.28 (6) voting booths; and

19.29 (7) technology necessary to conduct voting at the polling location.

20.1 (c) The secretary of state may make a reimbursement to a county or city only after
20.2 receiving a completed application. The application must be submitted to the secretary of
20.3 state on or before December 15 in the year in which the election was held. At a minimum,
20.4 the application must contain the following information:

20.5 (1) the name and title of the individual preparing the application;

20.6 (2) the date the application is submitted;

20.7 (3) the name of the county or city;

20.8 (4) the following information about each temporary location:

20.9 (i) the name of the postsecondary institution;

20.10 (ii) the temporary location on campus;

20.11 (iii) the date the polling location was open;

20.12 (iv) the number of voters that cast ballots at the temporary location; and

20.13 (v) whether the polling location was requested by the postsecondary institution or the
20.14 student government organization or established by the county or city;

20.15 (5) the total costs and itemized costs of establishing each temporary location; and

20.16 (6) the total amount of the reimbursement requested.

20.17 (d) By February 1 in the year following the election, the secretary of state must determine
20.18 the amount of reimbursement to be made to each eligible county or city. The reimbursements
20.19 must be distributed no later than February 15.

20.20 (e) By February 1 each year, the secretary of state must submit a report to the chairs and
20.21 ranking minority members of the legislative committees with jurisdiction over elections
20.22 policy on the reimbursements awarded under this section. The report must detail each
20.23 reimbursement awarded, including the information in paragraph (c), clauses (2) to (6).

20.24 (f) By June 30 in the second fiscal year of each biennium and after making all eligible
20.25 reimbursements under paragraph (d), the secretary of state must transfer any remaining
20.26 balance of appropriations for that purpose to the voting operations, technology, and election
20.27 resources account established under section 5.305.

21.1 Sec. 15. Minnesota Statutes 2023 Supplement, section 203B.121, subdivision 2, is amended
21.2 to read:

21.3 Subd. 2. **Duties of ballot board; absentee ballots.** (a) The members of the ballot board
21.4 shall take possession of all signature envelopes delivered to them in accordance with section
21.5 203B.08. Upon receipt from the county auditor, municipal clerk, or school district clerk,
21.6 two or more members of the ballot board shall examine each signature envelope and shall
21.7 mark it accepted or rejected in the manner provided in this subdivision. Election judges
21.8 performing the duties in this section must be of different major political parties, unless they
21.9 are exempt from that requirement under section 205.075, subdivision 4, or section 205A.10,
21.10 subdivision 2.

21.11 (b) The members of the ballot board shall mark the signature envelope "Accepted" and
21.12 initial or sign the signature envelope below the word "Accepted" if a majority of the members
21.13 of the ballot board examining the envelope are satisfied that:

21.14 (1) the voter's name and address on the signature envelope are the same as the information
21.15 provided on the absentee ballot application or voter record;

21.16 (2) the voter signed the certification on the envelope;

21.17 (3) the voter's Minnesota driver's license, state identification number, or the last four
21.18 digits of the voter's Social Security number are the same as a number on the voter's absentee
21.19 ballot application or voter record. If the number does not match, the election judges must
21.20 compare the signature provided by the applicant to determine whether the ballots were
21.21 returned by the same person to whom they were transmitted;

21.22 (4) the voter is registered and eligible to vote in the precinct or has included a properly
21.23 completed voter registration application in the signature envelope;

21.24 (5) the certificate has been completed as prescribed in the directions for casting an
21.25 absentee ballot; and

21.26 (6) the voter has not already voted at that election, either in person or, if it is after the
21.27 close of business on the 19th day before the election, as provided by section 203B.081.

21.28 The signature envelope from accepted ballots must be preserved and returned to the
21.29 county auditor.

21.30 (c)(1) If a majority of the members of the ballot board examining a signature envelope
21.31 find that an absentee voter has failed to meet one of the requirements provided in paragraph
21.32 (b), they shall mark the signature envelope "Rejected," initial or sign it below the word
21.33 "Rejected," list the reason for the rejection on the envelope, and return it to the county

22.1 auditor. There is no other reason for rejecting an absentee ballot beyond those permitted by
22.2 this section. Failure to place the ballot within the ballot envelope before placing it in the
22.3 outer white envelope is not a reason to reject an absentee ballot.

22.4 (2) If an envelope has been rejected at least five days before the election, the envelope
22.5 must remain sealed and the official in charge of the ballot board shall provide the voter with
22.6 a replacement absentee ballot and signature envelope in place of the rejected ballot.

22.7 (3) If an envelope is rejected within five days of the election, the envelope must remain
22.8 sealed and the official in charge of the ballot board must attempt to contact the voter to
22.9 notify the voter that the voter's ballot has been rejected. ~~The ballot board must contact the~~
22.10 ~~voter~~ by the method or methods of communication provided by the voter on the voter's
22.11 application for an absentee ballot or voter registration. The official must document the
22.12 attempts made to contact the voter.

22.13 (d) The official in charge of the absentee ballot board must mail the voter a written notice
22.14 of absentee ballot rejection between six and ten weeks following the election. If the official
22.15 determines that the voter has otherwise cast a ballot in the election, no notice is required.
22.16 If an absentee ballot arrives after the deadline for submission provided by this chapter, the
22.17 notice must be provided between six to ten weeks after receipt of the ballot. A notice of
22.18 absentee ballot rejection must contain the following information:

22.19 (1) the date on which the absentee ballot was rejected or, if the ballot was received after
22.20 the required deadline for submission, the date on which the ballot was received;

22.21 (2) the reason for rejection; and

22.22 (3) the name of the appropriate election official to whom the voter may direct further
22.23 questions, along with appropriate contact information.

22.24 (e) An absentee ballot signature envelope marked "Rejected" may not be opened or
22.25 subject to further review except in an election contest filed pursuant to chapter 209.

22.26 Sec. 16. Minnesota Statutes 2023 Supplement, section 204B.06, subdivision 1b, is amended
22.27 to read:

22.28 Subd. 1b. **Address, electronic mail address, and telephone number.** (a) An affidavit
22.29 of candidacy must state a telephone number where the candidate can be contacted. An
22.30 affidavit must also state the candidate's or campaign's nongovernment issued electronic
22.31 mail address or an attestation that the candidate and the candidate's campaign do not possess
22.32 an electronic mail address. An affidavit must also state the candidate's current address of
22.33 residence as determined under section 200.031, or at the candidate's request in accordance

23.1 with paragraph (c), the candidate's campaign contact address. When filing the affidavit, the
 23.2 candidate must present the filing officer with the candidate's valid driver's license or state
 23.3 identification card that contains the candidate's current address of residence, or documentation
 23.4 of proof of residence authorized for election day registration in section 201.061, subdivision
 23.5 3, paragraph (a), clause (2); clause (3), item (ii); or paragraph (d). If the address on the
 23.6 affidavit and the documentation do not match, the filing officer must not accept the affidavit.
 23.7 The form for the affidavit of candidacy must allow the candidate to request, if eligible, that
 23.8 the candidate's address of residence be classified as private data, and to provide the
 23.9 certification required under paragraph (c) for classification of that address.

23.10 (b) If an affidavit for an office where a residency requirement must be satisfied by the
 23.11 close of the filing period is filed as provided by paragraph (c), the filing officer must, within
 23.12 one business day of receiving the filing, determine whether the address provided in the
 23.13 affidavit of candidacy is within the area represented by the office the candidate is seeking.
 23.14 For all other candidates who filed for an office whose residency requirement must be satisfied
 23.15 by the close of the filing period, a registered voter in this state may request in writing that
 23.16 the filing officer receiving the affidavit of candidacy review the address as provided in this
 23.17 paragraph, at any time up to one day after the last day for filing for office. If requested, the
 23.18 filing officer must determine whether the address provided in the affidavit of candidacy is
 23.19 within the area represented by the office the candidate is seeking. If the filing officer
 23.20 determines that the address is not within the area represented by the office, the filing officer
 23.21 must immediately notify the candidate and the candidate's name must be removed from the
 23.22 ballot for that office. A determination made by a filing officer under this paragraph is subject
 23.23 to judicial review under section 204B.44.

23.24 (c) If the candidate requests that the candidate's address of residence be classified as
 23.25 private data, the candidate must list the candidate's address of residence on a separate form
 23.26 to be attached to the affidavit. The candidate must also certify on the affidavit that either:
 23.27 (1) a police report has been submitted, an order for protection has been issued, or the
 23.28 candidate has a reasonable fear in regard to the safety of the candidate or the candidate's
 23.29 family; or (2) the candidate's address is otherwise private pursuant to Minnesota law. The
 23.30 address of residence provided by a candidate who makes a request for classification on the
 23.31 candidate's affidavit of candidacy and provides the certification required by this paragraph
 23.32 is classified as private data, as defined in section 13.02, subdivision 12, but may be reviewed
 23.33 by the filing officer as provided in this subdivision.

23.34 (d) The requirements of this subdivision do not apply to affidavits of candidacy for a
 23.35 candidate for: (1) judicial office; (2) the office of county attorney; or (3) county sheriff.

24.1 **EFFECTIVE DATE.** This section is effective January 1, 2025.

24.2 Sec. 17. Minnesota Statutes 2023 Supplement, section 204B.09, subdivision 3, is amended
24.3 to read:

24.4 Subd. 3. **Write-in candidates.** (a) A candidate for county, state, or federal office who
24.5 wants write-in votes for the candidate to be counted must file a written request with the
24.6 filing office for the office sought not more than 84 days before the primary and no later
24.7 than the seventh day before the general election. The filing officer shall provide copies of
24.8 the form to make the request. The filing officer shall not accept a written request later than
24.9 5:00 p.m. on the last day for filing a written request.

24.10 (b) The governing body of a statutory or home rule charter city may adopt a resolution
24.11 governing the counting of write-in votes for local elective office. The resolution may:

24.12 (1) require the candidate to file a written request with the chief election official no later
24.13 than the seventh day before the city election if the candidate wants to have the candidate's
24.14 write-in votes individually recorded; or

24.15 (2) require that write-in votes for an individual candidate only be individually recorded
24.16 if the total number of write-in votes for that office is equal to or greater than the fewest
24.17 number of non-write-in votes for a ballot candidate.

24.18 If the governing body of the statutory or home rule charter city adopts a resolution authorized
24.19 by this paragraph, the resolution must be adopted and the city clerk must notify the county
24.20 auditor before the first day of filing for office. A resolution adopted under this paragraph
24.21 remains in effect until a subsequent resolution on the same subject is adopted by the
24.22 governing body of the statutory or home rule charter city.

24.23 (c) The governing body of a township, school ~~board~~ district, hospital district, park district,
24.24 soil and water district, or other ancillary elected district may adopt a resolution governing
24.25 the counting of write-in votes for local elective office. The resolution may require that
24.26 write-in votes for an individual candidate only be individually recorded if the total number
24.27 of write-in votes for that office is equal to or greater than the fewest number of non-write-in
24.28 votes for a ballot candidate. If a governing body adopts a resolution authorized by this
24.29 paragraph, the resolution must be adopted and the clerk must notify the county auditor
24.30 before the first day of filing for office. A resolution adopted under this paragraph remains
24.31 in effect until a subsequent resolution on the same subject is adopted by the governing body.

24.32 (d) A candidate for president of the United States who files a request under this
24.33 subdivision must include the name of a candidate for vice president of the United States.

25.1 The request must also include the name of at least one candidate for presidential elector.
25.2 The total number of names of candidates for presidential elector on the request may not
25.3 exceed the total number of electoral votes to be cast by Minnesota in the presidential election.

25.4 (e) A candidate for governor who files a request under this subdivision must file jointly
25.5 with another individual seeking nomination as a candidate for lieutenant governor. A
25.6 candidate for lieutenant governor who files a request under this subdivision must file jointly
25.7 with another individual seeking nomination as a candidate for governor.

25.8 Sec. 18. Minnesota Statutes 2023 Supplement, section 204B.16, subdivision 1, is amended
25.9 to read:

25.10 Subdivision 1. **Authority; location.** (a) By December 31 of each year, the governing
25.11 body of each municipality and of each county with precincts in unorganized territory must
25.12 designate by ordinance or resolution any changes to a polling place location. A polling place
25.13 must be maintained ~~for the following calendar year~~ unless changed in accordance with this
25.14 paragraph, or:

25.15 (1) ~~by ordinance or resolution by December 31 of the previous year;~~

25.16 (2) pursuant to section 204B.175;

25.17 (3) (2) because a polling place has become unavailable;

25.18 (4) (3) because a township designates one location for all state, county, and federal
25.19 elections and one location for all township only elections; ~~and~~ or

25.20 (5) (4) pursuant to section 204B.14, subdivision 3.

25.21 (b) Polling places must be designated and ballots must be distributed so that no one is
25.22 required to go to more than one polling place to vote in a school district and municipal
25.23 election held on the same day. The polling place for a precinct in a city or in a school district
25.24 located in whole or in part in the metropolitan area defined by section 200.02, subdivision
25.25 24, shall be located within the boundaries of the precinct or within one mile of one of those
25.26 boundaries unless a single polling place is designated for a city pursuant to section 204B.14,
25.27 subdivision 2, or a school district pursuant to section 205A.11. The polling place for a
25.28 precinct in unorganized territory may be located outside the precinct at a place which is
25.29 convenient to the voters of the precinct. If no suitable place is available within a town or
25.30 within a school district located outside the metropolitan area defined by section 200.02,
25.31 subdivision 24, then the polling place for a town or school district may be located outside
25.32 the town or school district within five miles of one of the boundaries of the town or school
25.33 district.

26.1 Sec. 19. Minnesota Statutes 2023 Supplement, section 204B.295, subdivision 1, is amended
26.2 to read:

26.3 Subdivision 1. **Duty.** The secretary of state or county auditor must use the Office of
26.4 Enterprise Translation established in section 16B.373 or must contract with a translator
26.5 certified by the American Translators Association to develop voting instructions and sample
26.6 ballots in languages other than English, to be made available in polling places during elections
26.7 as required by this section. At a minimum, the secretary of state must prepare voting
26.8 instructions and make the instructions available in polling places in the three most commonly
26.9 spoken non-English languages in the state as determined by the state demographer for the
26.10 previous calendar year. For state elections, the secretary of state must prepare and provide
26.11 example ballots to county auditors and post voting instructions in print, electronic, and
26.12 audio-visual formats, on the secretary of state's website in at least the three most commonly
26.13 spoken non-English languages in the state as determined by the state demographer for the
26.14 previous calendar year.

26.15 **EFFECTIVE DATE.** This section is effective June 1, 2024.

26.16 Sec. 20. Minnesota Statutes 2023 Supplement, section 204B.295, subdivision 2, is amended
26.17 to read:

26.18 Subd. 2. **Designation of language minority districts.** ~~No later than 90 days before an~~
26.19 ~~election~~ By January 1 of each year, the secretary of state or county auditor, in consultation
26.20 with the state demographer, must determine the percentage of residents in each census tract
26.21 who are members of a language minority and who lack sufficient skills in English to vote
26.22 without assistance. Language minority districts will be designated if three percent or more
26.23 of the population in a corresponding census tract speak English "less than very well"
26.24 according to the most recent census data. The secretary of state must maintain the list of
26.25 designated language minority districts on its website. The state demographer must consider
26.26 the identified margin of error in the census data when identifying census tracts. Designations
26.27 made in January apply to elections for which absentee balloting begins on or after January
26.28 1 of each year and continue through the end of the calendar year.

26.29 **EFFECTIVE DATE.** This section is effective June 1, 2024.

26.30 Sec. 21. Minnesota Statutes 2023 Supplement, section 204B.295, subdivision 3, is amended
26.31 to read:

26.32 Subd. 3. **Translation required; interpreter required.** (a) If the number of residents
26.33 determined under subdivision 2 equals three percent or more of a census tract, or if interested

27.1 citizens or organizations provide information that gives the secretary of state or county
27.2 auditor sufficient reason to believe a need exists, at least two copies of the translated voting
27.3 instructions and sample ballots must be provided to each precinct in that district during any
27.4 regular or special state election conducted in that district. If more than one language is
27.5 represented in three percent or more of residents as determined in subdivision 2, translated
27.6 materials must be provided in, at minimum, the highest determined language and any
27.7 language representing three percent or more of a census tract.

27.8 (b) If the number of residents determined under subdivision 2 equals 20 percent or more
27.9 of the population of a census tract, or if interested citizens or organizations provide
27.10 information that gives the secretary of state or county auditor sufficient reason to believe a
27.11 need exists, at least four copies of the translated voting instructions and sample ballots must
27.12 be provided to each precinct in that district during any regular or special state election
27.13 conducted in that district. If more than one language is represented in the 20 or more percent
27.14 of residents as determined in subdivision 2, translated materials must be provided in, at
27.15 minimum, the highest determined language and any language representing three percent or
27.16 more of a census tract. In these precincts, the county auditor or municipal clerk must appoint
27.17 at least one interpreter to translate in a specified language if ten or more registered voters
27.18 in the precinct file a request for interpretive services for that language with the secretary of
27.19 state or county auditor at least 30 days prior to the date of the election. This interpreter must
27.20 wear a name tag or other badge indicating the interpreter's language certification. For
27.21 purposes of section 204C.06 and any other applicable law, an interpreter appointed under
27.22 this section is considered an election official and may be present in a polling place for the
27.23 purpose of conducting duties assigned by the county auditor or municipal clerk.

27.24 (c) The county auditor must maintain a list of the designated language minority districts
27.25 on its website, including the precinct name, languages that materials will be provided in,
27.26 and, if applicable, where interpreters will be provided and the language they speak. This
27.27 list must be posted no later than 90 days after receiving language minority district
27.28 designations under subdivision 2 and must be updated as it is determined that materials or
27.29 interpreters will be provided for additional districts.

27.30 **EFFECTIVE DATE.** This section is effective June 1, 2024.

27.31 Sec. 22. Minnesota Statutes 2023 Supplement, section 204B.295, is amended by adding
27.32 a subdivision to read:

27.33 **Subd. 5. Sample ballot format requirements.** For the purposes of this section, sample
27.34 ballots must accurately reflect the offices, candidates, and rotation sequence on the ballots

28.1 used in that polling place. Sample ballots may deviate from other ballot formatting
28.2 requirements to the extent required to accommodate the translated content.

28.3 **EFFECTIVE DATE.** This section is effective June 1, 2024.

28.4 Sec. 23. Minnesota Statutes 2023 Supplement, section 204B.46, is amended to read:

28.5 **204B.46 MAIL ELECTIONS; QUESTIONS.**

28.6 A county, municipality, or school district submitting questions to the voters at a special
28.7 election may conduct an election by mail with no polling place other than the office of the
28.8 auditor or clerk. No offices may be voted on at a mail election, except in overlapping school
28.9 and municipal jurisdictions, where a mail election may include an office when one of the
28.10 jurisdictions also has a question on the ballot. Notice of the election must be given to the
28.11 county auditor at least ~~74~~ 84 days prior to the election. This notice shall also fulfill the
28.12 requirements of Minnesota Rules, part 8210.3000. The special mail ballot procedures must
28.13 be posted at least six weeks prior to the election. Not more than 46 nor later than 14 days
28.14 prior to the election, the auditor or clerk shall mail ballots by nonforwardable mail to all
28.15 voters registered in the county, municipality, or school district. No later than 14 days before
28.16 the election, the auditor or clerk must make a subsequent mailing of ballots to those voters
28.17 who register to vote after the initial mailing but before the 20th day before the election.
28.18 Eligible voters not registered at the time the ballots are mailed may apply for ballots pursuant
28.19 to chapter 203B. The auditor or clerk must appoint a ballot board to examine the mail and
28.20 absentee ballot return envelopes and mark them "Accepted" or "Rejected" within three days
28.21 of receipt if there are 14 or fewer days before election day, or within five days of receipt if
28.22 there are more than 14 days before election day. The board may consist of deputy county
28.23 auditors, deputy municipal clerks, or deputy school district clerks who have received training
28.24 in the processing and counting of mail ballots, who need not be affiliated with a major
28.25 political party. Election judges performing the duties in this section must be of different
28.26 major political parties, unless they are exempt from that requirement under section 205.075,
28.27 subdivision 4, or section 205A.10. If an envelope has been rejected at least five days before
28.28 the election, the ballots in the envelope must remain sealed and the auditor or clerk must
28.29 provide the voter with a replacement ballot and return envelope in place of the spoiled ballot.
28.30 If the ballot is rejected within five days of the election, the envelope must remain sealed
28.31 and the official in charge of the ballot board must attempt to contact the voter by telephone
28.32 or email to notify the voter that the voter's ballot has been rejected. The official must
28.33 document the attempts made to contact the voter.

29.1 If the ballot is accepted, the county auditor or municipal clerk must mark the roster to
29.2 indicate that the voter has already cast a ballot in that election. After the close of business
29.3 on the 19th day before the election, the ballots from return envelopes marked "Accepted"
29.4 may be opened, duplicated as needed in the manner provided by section 206.86, subdivision
29.5 5, initialed by the ballot board, and deposited in the appropriate ballot box.

29.6 In all other respects, the provisions of the Minnesota Election Law governing deposit
29.7 and counting of ballots apply.

29.8 The mail and absentee ballots for a precinct must be counted together and reported as
29.9 one vote total. No vote totals from ballots may be made public before the close of voting
29.10 on election day.

29.11 Sec. 24. Minnesota Statutes 2022, section 204C.06, subdivision 1, is amended to read:

29.12 Subdivision 1. **Persons allowed near polling place.** An individual shall be allowed to
29.13 go to and from the polling place for the purpose of voting without unlawful interference.
29.14 No one except an election official or an individual who is waiting to register or to vote or
29.15 an individual who is conducting exit polling shall stand within 100 feet of the building in
29.16 which a polling place is located. ~~"Exit polling" is defined as approaching voters in a
29.17 predetermined pattern as they leave the polling place after they have voted and asking voters
29.18 to fill out an anonymous, written questionnaire.~~

29.19 Sec. 25. Minnesota Statutes 2022, section 204C.06, is amended by adding a subdivision
29.20 to read:

29.21 Subd. 1a. **Exit polling.** (a) "Exit polling" is defined as approaching voters in a
29.22 predetermined pattern as they leave the polling place after they have voted and asking voters
29.23 to fill out an anonymous, written questionnaire.

29.24 (b) An individual conducting exit polling must present photo identification to the head
29.25 judge upon arrival at the polling place, along with a letter or credential from the news media.

29.26 (c) A person must not conduct exit polling in a manner that unlawfully interferes with
29.27 a person going to or from the polling place or allows any person to view another person's
29.28 responses to the poll.

29.29 Sec. 26. Minnesota Statutes 2022, section 204C.19, subdivision 3, is amended to read:

29.30 Subd. 3. **Premature disclosure of count results.** No count results from any precinct
29.31 shall be disclosed by any election judge or other individual until all count results from that

30.1 precinct are available, nor shall the public media disclose any count results from any precinct
30.2 before the time when voting is scheduled to end in the state. Count results from absentee
30.3 ballots received by the county after 3:00 p.m. on election day may be added to the total
30.4 count results after the initial results reporting of the precinct. If the precinct results do not
30.5 include all absentee ballots, the county must report to the secretary of state and on the
30.6 county's website the number of absentee ballots remaining to be processed. After processing
30.7 the remaining ballots, the county must post on the county's website how many of the
30.8 remaining ballots were accepted and added to the totals and how many were rejected and
30.9 therefore not counted.

30.10 Sec. 27. Minnesota Statutes 2022, section 204C.20, subdivision 1, is amended to read:

30.11 Subdivision 1. **Determination of proper number.** The election judges shall determine
30.12 the number of ballots to be counted by ~~adding the number of return envelopes from accepted~~
30.13 ~~absentee ballots to~~ tallying the number of signed voter's certificates; or ~~to~~ the number of
30.14 names entered in the election register. The election judges shall then remove all the ballots
30.15 from the box. Without considering how the ballots are marked, the election judges shall
30.16 ascertain that each ballot is separate and shall count them to determine whether the number
30.17 of ballots in the box corresponds with the number of ballots to be counted.

30.18 **EFFECTIVE DATE.** This section is effective June 1, 2024.

30.19 Sec. 28. Minnesota Statutes 2022, section 204C.20, is amended by adding a subdivision
30.20 to read:

30.21 **Subd. 5. Precincts with ballot tabulators.** In precincts using ballot tabulators, once the
30.22 final count of ballots agrees with the number of ballots to be counted, election judges must
30.23 immediately prepare the summary statement in accordance with section 204C.24 and seal
30.24 the ballots in accordance with section 204C.25 for return to the county auditor.

30.25 **EFFECTIVE DATE.** This section is effective June 1, 2024.

30.26 Sec. 29. Minnesota Statutes 2023 Supplement, section 204C.24, subdivision 1, is amended
30.27 to read:

30.28 Subdivision 1. **Information requirements.** Precinct summary statements shall be
30.29 submitted by the election judges in every precinct. For all elections, the election judges
30.30 shall complete three or more copies of the summary statements, and each copy shall contain
30.31 the following information for each kind of ballot:

31.1 (1) the number of ballots delivered to the precinct as adjusted by the actual count made
31.2 by the election judges, the number of unofficial ballots made, and the number of absentee
31.3 ballots delivered to the precinct;

31.4 (2) the number of votes each candidate received or the number of yes and no votes on
31.5 each question, the number of undervotes, the number of overvotes, and the number of
31.6 defective ballots with respect to each office or question;

31.7 (3) the number of spoiled ballots, the number of duplicate ballots made, the number of
31.8 absentee ballots rejected, and the number of unused ballots, presuming that the total count
31.9 provided on each package of unopened prepackaged ballots is correct;

31.10 (4) the number of voted ballots indicating only a voter's choices as provided by section
31.11 206.80, paragraph (b), clause (2), item (ii), in precincts that use an assistive voting device
31.12 that produces this type of ballot;

31.13 (5) the number of individuals who voted at the election in the precinct which must equal
31.14 the total number of ballots cast in the precinct, as required by sections 204C.20 and 206.86,
31.15 subdivision 1;

31.16 (6) the number of voters registering on election day in that precinct;

31.17 (7) the signatures of the election judges who counted the ballots certifying that all of the
31.18 ballots cast were properly piled, checked, and counted; and that the numbers entered by the
31.19 election judges on the summary statements correctly show the number of votes cast for each
31.20 candidate and for and against each question;

31.21 (8) the number of election judges that worked in that precinct on election day; and

31.22 (9) the number of voting booths used in that precinct on election day.

31.23 At least two copies of the summary statement must be prepared for elections not held
31.24 on the same day as the state elections.

31.25 Sec. 30. Minnesota Statutes 2022, section 204C.33, subdivision 1, is amended to read:

31.26 Subdivision 1. **County canvass.** The county canvassing board shall meet at the county
31.27 auditor's office between the third and ~~tenth~~ eighth days following the state general election.
31.28 After taking the oath of office, the board shall promptly and publicly canvass the general
31.29 election returns delivered to the county auditor. Upon completion of the canvass, the board
31.30 shall promptly prepare and file with the county auditor a report which states:

31.31 (a) the number of individuals voting at the election in the county and in each precinct;

32.1 (b) the number of individuals registering to vote on election day and the number of
32.2 individuals registered before election day in each precinct;

32.3 (c) the names of the candidates for each office and the number of votes received by each
32.4 candidate in the county and in each precinct;

32.5 (d) the number of votes counted for and against a proposed change of county lines or
32.6 county seat; and

32.7 (e) the number of votes counted for and against a constitutional amendment or other
32.8 question in the county and in each precinct.

32.9 The result of write-in votes cast on the general election ballots must be compiled by the
32.10 county auditor before the county canvass, except that write-in votes for a candidate for
32.11 federal, state, or county office must not be counted unless the candidate has timely filed a
32.12 request under section 204B.09, subdivision 3. The county auditor shall arrange for each
32.13 municipality to provide an adequate number of election judges to perform this duty or the
32.14 county auditor may appoint additional election judges for this purpose. The county auditor
32.15 may open the envelopes or containers in which the voted ballots have been sealed in order
32.16 to count and record the write-in votes and must reseal the voted ballots at the conclusion of
32.17 this process. The county auditor must prepare a separate report of votes received by precinct
32.18 for write-in candidates for federal, state, and county offices who have requested under
32.19 section 204B.09 that votes for those candidates be tallied.

32.20 Upon completion of the canvass, the county canvassing board shall declare the candidate
32.21 duly elected who received the highest number of votes for each county and state office voted
32.22 for only within the county. The county auditor shall transmit a certified copy of the county
32.23 canvassing board report for state and federal offices to the secretary of state by messenger,
32.24 express mail, or similar service immediately upon conclusion of the county canvass.

43.30 affidavit of the person who sent a copy of the notice to the contestee by certified mail are
43.31 sufficient to confer jurisdiction upon the court to decide the contest.

44.31 to it, but if a contestant succeeds in a contest where there is no question as to which of the

45.1 candidates received the highest number of votes cast at the election, the contestant is not,
45.2 by reason of the disqualification of the contestee, entitled to the certificate of election.

45.3 Subd. 2. **Defective ballots.** In a contested election, if the court decides that a serious
45.4 and material defect in the ballots used changed the outcome of the election, the election
45.5 must be declared invalid.

45.6 Subd. 3. **Costs of contest.** If the contestee succeeds, costs of the contest must be paid
45.7 by the contestant. If the contestant succeeds, costs of the contest must be paid by the
45.8 contestee, except that if the contestee loses because of an error in the counting of ballots or
45.9 canvass of the returns or because of any other irregularity in the election procedure, costs

53.16 form was printed or provided to the voter prior to the effective date of any modification
53.17 required by this act. Beginning on the effective date of a modification required by this act,
53.18 an election official must not print or copy a blank voter registration application that does
53.19 not include the required modification.

53.20 **EFFECTIVE DATE.** This section is effective June 1, 2024.

53.21 Sec. 80. **REVISOR INSTRUCTION.**

53.22 The revisor of statutes must title Minnesota Statutes, chapter 209A, "Election Contests
53.23 - Presidential Elections."

53.24 Sec. 81. **REPEALER.**

53.25 (a) Minnesota Statutes 2022, section 383B.031, is repealed.

53.26 (b) Minnesota Statutes 2023 Supplement, section 243.205, subdivision 3, is repealed.

54.1 **ARTICLE 3**

54.2 **VOTING RIGHTS ACT**

54.3 Section 1. **[200.50] MINNESOTA VOTING RIGHTS ACT.**

54.4 Sections 200.50 to 200.59 may be cited as the "Minnesota Voting Rights Act."

54.5 **EFFECTIVE DATE.** This section is effective the day following final enactment.

54.6 Sec. 2. **[200.52] DEFINITIONS.**

54.7 Subdivision 1. **Application.** As used in sections 200.50 to 200.59, the terms as defined
54.8 in this section have the meanings given.

54.9 Subd. 2. **Government official.** "Government official" means any individual who is
54.10 elected or appointed to an office in this state or a political subdivision or who is authorized
54.11 to act in an official capacity on behalf of the state or a political subdivision.

54.12 Subd. 3. **Language minority group.** "Language minority group" means a language
54.13 minority group as that term is defined in the federal Voting Rights Act of 1965, as amended,
54.14 as of the effective date of this act.

54.15 Subd. 4. **Method of election.** (a) "Method of election" means the method by which
54.16 candidates are elected to the legislative body of a political subdivision, and includes at-large
54.17 method of election, district-based method of election, or any alternative method of election.
54.18 Method of election also includes the districting or redistricting plan used to elect candidates
54.19 to the legislative body of a political subdivision.

54.20 (b) "At-large method of election" means a method of electing candidates to the legislative
54.21 body of a political subdivision in which candidates are voted on by all voters of the political
54.22 subdivision or that combines at-large with district-based methods of elections. At-large
54.23 method of election does not include any alternative method of election.

54.24 (c) "District-based method of election" means a method of electing candidates to the
54.25 legislative body of a political subdivision in which, for political subdivisions divided into
54.26 districts, a candidate for any district is required to reside in the district and candidates
54.27 representing or seeking to represent the district are voted on by only the voters who reside
54.28 in the district. District-based method of election does not include any alternative method of
54.29 election.

54.30 (d) "Alternative method of election" means a method of electing candidates to the
54.31 legislative body of a political subdivision other than an at-large method of election or a

55.1 district-based method of election and includes but is not limited to cumulative voting, limited
55.2 voting, and proportional ranked choice voting.

55.3 Subd. 5. **Political subdivision.** "Political subdivision" means a county, city, town, or
55.4 school district.

55.5 Subd. 6. **Politically cohesive.** "Politically cohesive" means that members of a group
55.6 tend to prefer the same candidates, electoral choices, or policies.

55.7 Subd. 7. **Protected class.** "Protected class" means a class of citizens who are members
55.8 of a racial, color, or language minority group, or who are members of a federally recognized
55.9 Indian Tribe, including a class of two or more such groups.

55.10 Subd. 8. **Polarized voting.** "Polarized voting" means voting in which the candidate or
55.11 electoral choice preferred by a protected class diverges from the candidate or electoral choice
55.12 preferred by other voters.

55.13 Subd. 9. **Vote; voting.** "Vote" or "voting" includes any action necessary to cast a ballot
55.14 and make that ballot count in any election, including but not limited to: registering to vote;
55.15 applying for an absentee ballot; and any other action required by law as a prerequisite to
55.16 casting a ballot and having that ballot counted, canvassed, certified, and included in the
55.17 appropriate totals of votes cast with respect to an election.

55.18 Subd. 10. **Voting eligible population.** "Voting eligible population" means those
55.19 individuals who are eligible to register and vote, regardless of whether the individuals are
55.20 registered to vote.

55.21 **EFFECTIVE DATE.** This section is effective the day following final enactment.

55.22 Sec. 3. **[200.53] CONSTRUCTION AND USE OF AUTHORITY.**

55.23 A law, rule, local law, charter provision, local ordinance, or local code relating to the
55.24 right to vote, or which grants authority to prescribe or maintain voting or elections policies
55.25 and practices, must be construed or applied liberally in favor of a voter's exercise of the
55.26 right of suffrage. To the extent a court is afforded discretion on an issue, including but not
55.27 limited to discovery, procedure, admissibility of evidence, or remedies, the court must
55.28 exercise that discretion and weigh other equitable discretion in favor of this right.

55.29 **EFFECTIVE DATE.** This section is effective the day following final enactment.

56.1 **Sec. 4. [200.54] VOTER SUPPRESSION AND VOTE DILUTION PROHIBITED.**

56.2 **Subdivision 1. Voter suppression.** (a) A political subdivision or any other government
56.3 official or entity responsible for election administration must not adopt or apply a
56.4 qualification for eligibility to vote or other prerequisite to voting; adopt or apply any law,
56.5 ordinance, rule, standard, practice, procedure, or policy regarding the administration of
56.6 elections; or take any other action or fail to take any action that results in, is likely to result
56.7 in, or is intended to result in a denial or abridgement of the right to vote by a member of a
56.8 protected class.

56.9 (b) A violation of this subdivision may be established if it is shown that the challenged
56.10 qualification, law, ordinance, rule, standard, practice, procedure, policy, or action results
56.11 in a disparate burden on members of a protected class and the burden is, under the totality
56.12 of the circumstances, related to social and historical conditions affecting members of the
56.13 protected class.

56.14 **Subd. 2. Vote dilution.** (a) A political subdivision or any other government official or
56.15 entity responsible for election administration must not adopt or enforce any method of
56.16 election, or cause an annexation, incorporation, dissolution, consolidation, or division of a
56.17 political subdivision, that has the effect of impairing the equal opportunity or ability of
56.18 members of a protected class to nominate or elect candidates of their choice as a result of
56.19 diluting the vote of members of that protected class.

56.20 (b) A violation of paragraph (a) exists when it is shown that:

56.21 (1) either:

56.22 (i) elections in a political subdivision exhibit polarized voting resulting in an impairment
56.23 of the equal opportunity or ability of protected class members to nominate or elect candidates
56.24 of their choice; or

56.25 (ii) based on the totality of the circumstances, the equal opportunity or ability of protected
56.26 class members to nominate or elect candidates of their choice is impaired; and

56.27 (2) one or more new methods of election or changes to the existing method of election
56.28 exist that the court could order pursuant to section 200.58 would likely mitigate the
56.29 impairment.

56.30 (c) To the extent that a new method of election or change to the existing method of
56.31 election that is presented under paragraph (b), clause (2), is a proposed district-based plan
56.32 that provides protected class members with one or more reasonably configured districts in
56.33 which the protected class members would have an equal opportunity or ability to nominate

57.1 or elect candidates of the protected class members' choice, it is not necessary to show that
57.2 members of a protected class comprise a majority of the total population, voting age
57.3 population, voting eligible population, or registered voter population in any such district or
57.4 districts.

57.5 (d) The fact that members of a protected class are not geographically compact does not
57.6 preclude a finding of a violation of this subdivision but may be a factor in determining
57.7 whether an appropriate remedy exists that would likely mitigate the impairment.

57.8 (e) For claims brought on behalf of a protected class, including one consisting of two
57.9 or more racial, color, Tribal, or language minority groups that are politically cohesive in
57.10 the political subdivision, the court shall consider only the combined electoral preferences
57.11 of those racial, color, Tribal, or language minority groups in determining whether voting
57.12 by the protected class is polarized from other voters. It is not necessary to demonstrate that
57.13 voting by members of each racial, color, Tribal, or language minority group within a protected
57.14 class, or by any subgroup within a racial, color, or language minority group, is separately
57.15 polarized from other voters.

57.16 (f) Evidence concerning the causes of, or the reasons for, the occurrence of polarized
57.17 voting is not relevant to the determination of whether polarized voting occurs, or whether
57.18 candidates or electoral choices preferred by a protected class would usually be defeated.
57.19 Evidence concerning alternate explanations for polarized voting patterns or election
57.20 outcomes, including but not limited to partisan explanations, must not be considered.

57.21 (g) Evidence concerning projected changes in population or demographics may only be
57.22 considered when determining whether an appropriate remedy exists that would likely mitigate
57.23 the impairment.

57.24 **EFFECTIVE DATE.** This section is effective the day following final enactment.

57.25 Sec. 5. **[200.55] RELEVANT FACTORS FOR DETERMINING VIOLATION.**

57.26 Subdivision 1. **Factors established.** In determining whether, under the totality of the
57.27 circumstances, a violation of section 200.54 has occurred with respect to a protected class,
57.28 a court may consider any of the following factors:

57.29 (1) the history of discrimination affecting members of the protected class;

57.30 (2) the extent to which members of the protected class are disadvantaged, or otherwise
57.31 bear the effects of past public or private discrimination, in any areas that may hinder their
57.32 ability to participate effectively in the political process, including education, employment,
57.33 health, criminal justice, housing, transportation, land use, or environmental protection;

- 58.1 (3) whether members of the protected class vote at a lower rate than other voters;
- 58.2 (4) the use of overt or subtle racial appeals in political campaigns or by government
58.3 officials;
- 58.4 (5) the extent to which members of the protected class have been elected to office;
- 58.5 (6) the extent to which candidates who are members of the protected class have faced
58.6 barriers with respect to accessing the ballot, receiving financial support, or receiving any
58.7 other support for their candidacies for elective office;
- 58.8 (7) the extent to which candidates who are members of a protected class face hostility
58.9 or barriers while campaigning due to the protected class membership;
- 58.10 (8) the extent of polarized voting;
- 58.11 (9) the use of any standard, practice, procedure, or policy that may enhance the dilutive
58.12 effects of a challenged method of election;
- 58.13 (10) the lack of responsiveness by elected officials to the particularized needs of protected
58.14 class members or a community of protected class members;
- 58.15 (11) whether the challenged method of election, ordinance, resolution, rule, policy,
58.16 standard, regulation, procedure, or law was designed to advance, and does materially advance,
58.17 a compelling state interest that is substantiated and supported by evidence; and
- 58.18 (12) other factors the court may deem relevant.
- 58.19 Subd. 2. **Necessity of factors.** No one factor in subdivision 1 is dispositive or necessary
58.20 to establish the existence of a violation of section 200.54, nor shall any specified number
58.21 or combination of factors be required in establishing that such a violation has occurred. The
58.22 court shall consider a particular factor only if and to the extent evidence pertaining to that
58.23 factor is introduced. The absence of evidence as to any particular factor does not preclude
58.24 a finding of a violation of section 200.54.
- 58.25 Subd. 3. **Claims involving a political subdivision.** To the extent a claim concerns a
58.26 political subdivision, evidence of the factors in subdivision 1 is most probative if the evidence
58.27 relates to the political subdivision in which the alleged violation occurred, but still holds
58.28 probative value if the evidence relates to the geographic region in which that political
58.29 subdivision is located or to this state.
- 58.30 Subd. 4. **Evidence of intent.** Evidence concerning the intent of voters, elected officials,
58.31 or the political subdivision to discriminate against members of a protected class is not
58.32 required to find a violation of section 200.54.

59.1 Subd. 5. **Factors that must be excluded.** In determining whether a violation of section
59.2 200.54 has occurred, a court shall not consider any of the following:

59.3 (1) the number of protected class members not burdened by the challenged qualification,
59.4 prerequisite, standard, practice, or procedure;

59.5 (2) the degree to which the challenged qualification, prerequisite, standard, practice, or
59.6 procedure has a long pedigree or was in widespread use at some earlier date;

59.7 (3) the use of an identical or similar qualification, prerequisite, standard, practice, or
59.8 procedure in other states or jurisdictions;

59.9 (4) the availability of other forms of voting unimpacted by the challenged qualification,
59.10 prerequisite, standard, practice, or procedure to all members of the electorate, including
59.11 members of the protected class;

59.12 (5) an impact on potential criminal activity by individual voters, if those crimes have
59.13 not occurred in the political subdivision in substantial numbers, or if the connection between
59.14 the challenged policy and any claimed prophylactic effect is not supported by substantial
59.15 evidence; or

59.16 (6) mere invocation of interests in voter confidence or prevention of fraud.

59.17 **EFFECTIVE DATE.** This section is effective the day following final enactment.

59.18 Sec. 6. **[200.56] PRESUIT NOTICE.**

59.19 Subdivision 1. **Notice required.** (a) Except as provided in this section, before filing an
59.20 action a prospective plaintiff shall send a notice letter to the political subdivision identifying
59.21 the potential violation, the affected protected class, and the type of remedy the potential
59.22 plaintiff believes may address the potential violation. The party may not file an action related
59.23 to the violations described in the notice letter until its receipt of a written denial by the
59.24 political subdivision or within 60 days after sending the letter, whichever is earlier.

59.25 (b) A notice letter required by paragraph (a) must identify a potential violation of section
59.26 200.54 with specificity, including whether the prospective plaintiff believes the potential
59.27 violation constitutes voter suppression under section 200.54, subdivision 1, vote dilution
59.28 under section 200.54, subdivision 2, or both. The letter must include the relevant facts and
59.29 evidence that the prospective plaintiff relied upon when evaluating whether a potential
59.30 violation of section 200.54 exists.

59.31 Subd. 2. **When presuit notice is not required.** Notwithstanding subdivision 1, a notice
59.32 letter is not required if:

60.1 (1) the party is seeking preliminary relief with respect to an upcoming election in
60.2 accordance with section 200.57;

60.3 (2) the party is seeking to intervene in or join an existing action; or

60.4 (3) following the party's submission of a notice letter, the political subdivision enacted
60.5 a remedy that would not remedy the violation identified in the letter.

60.6 Subd. 3. **Responsibility of parties.** The political subdivision shall respond in writing
60.7 to a notice letter submitted under subdivision 1 within 60 days. If the political subdivision
60.8 does not deny the potential violation, it must work in good faith with the party that submitted
60.9 the letter to explore and implement any mutually agreed upon remedies to cure the potential
60.10 violation. If the political subdivision adopts a resolution within 60 days of the filing of the
60.11 letter identifying a remedy, affirming its intent to enact and implement a remedy, and
60.12 establishing a timeline and specific steps it will take to do so, the political subdivision shall
60.13 have 150 days from the submission of the letter to enact and implement a remedy, during
60.14 which time the party who sent the letter may not file an action related to those violations
60.15 against that political subdivision. A statement, action, or decision of a political subdivision
60.16 under this subdivision does not constitute an admission by the political subdivision of its
60.17 liability or establish the existence of a violation of section 200.54.

60.18 Subd. 4. **Approval of remedies.** If the political subdivision lacks authority to enact or
60.19 implement an identified remedy, the political subdivision may nonetheless enact and
60.20 implement the remedy upon approval by the district court. To seek approval, the political
60.21 subdivision must file a petition in district court that identifies with specificity the law or
60.22 other authority that prevents the remedy from being enacted or implemented. The venue
60.23 for a petition under this subdivision is in the district court of the county where the challenged
60.24 act or practice occurred, or in the District Court of Ramsey County. The district court may
60.25 authorize the political subdivision to implement or enact the identified remedy
60.26 notwithstanding the applicable law or authority to the contrary, if the court determines that
60.27 the prospective plaintiff is likely to succeed in a lawsuit on the merits of the alleged violation;
60.28 that the proposed remedy would address the alleged violation; and that the proposed remedy
60.29 is narrowly tailored to that purpose.

60.30 Subd. 5. **Cost sharing.** (a) If a political subdivision enacts or implements a remedy in
60.31 response to a notice letter submitted under subdivision 1, the political subdivision and the
60.32 party who sent the notice letter must mutually agree on a reimbursement amount to be paid
60.33 by the political subdivision to that party. The reimbursement amount must reflect the

61.1 reasonable costs associated with producing and sending the letter and any accompanying
61.2 evidence, subject to the limitations of this subdivision.

61.3 (b) To be eligible for a reimbursement, the party who submitted the notice letter must
61.4 submit a request to the political subdivision in writing. The request must:

61.5 (1) be received by the political subdivision within 30 days of its enactment or adoption
61.6 of the remedy; and

61.7 (2) be substantiated with financial documentation including, as applicable, detailed
61.8 invoices for expert analysis and reasonable attorney fees.

61.9 (c) The cumulative amount of reimbursements to all parties must not exceed \$30,000.
61.10 Reimbursement amounts for attorney fees are limited to amounts calculated using a lodestar
61.11 methodology.

61.12 (d) To the extent a party requests reimbursement for a purported notice letter that fails
61.13 to comply with the requirements in subdivision 1, or the request fails to comply with this
61.14 subdivision, the political subdivision may dismiss the request. If the request is dismissed,
61.15 the political subdivision must notify the party in writing of the reasons for the dismissal.

61.16 **EFFECTIVE DATE.** This section is effective the day following final enactment.

61.17 **Sec. 7. [200.57] RIGHT OF ACTION; VENUE; PRELIMINARY RELIEF.**

61.18 Subdivision 1. **Right of action.** (a) The attorney general, a county attorney, any individual
61.19 aggrieved by a violation of this act, any entity whose membership includes individuals
61.20 aggrieved by a violation of this act, any entity whose mission would be frustrated by a
61.21 violation of this act, or any entity that would expend resources in order to fulfill its mission
61.22 as a result of a violation of this act, may file an action in the district court for the county
61.23 where the challenged act or practice has occurred, or in the district court of Ramsey County.
61.24 Actions brought under this act are subject to expedited pretrial and trial proceedings and
61.25 must receive an automatic calendar preference. The state is a necessary party in any action
61.26 in which an alleged violation is based on a political subdivision's implementation of a state
61.27 law, if the state law does not afford discretion to the political subdivision in its
61.28 implementation of the law.

61.29 (b) In an action related to a districting or redistricting plan, any individual with standing
61.30 to challenge any single district shall be deemed to have standing to challenge the districting
61.31 or redistricting plan as a whole.

62.1 Subd. 2. Preliminary relief prior to election. In any action seeking a temporary
62.2 injunction or other preliminary relief under this act before an election, the court shall grant
62.3 relief if warranted based on the factors considered in seeking a temporary injunction or
62.4 preliminary relief under Minnesota law, except that if the court determines that it is possible
62.5 to implement appropriate relief that would address an alleged violation before an election,
62.6 such relief shall not be denied on the basis that the election is close in time or that the relief
62.7 could result in voter confusion.

62.8 EFFECTIVE DATE. This section is effective the day following final enactment.

62.9 Sec. 8. [200.58] REMEDIES.

62.10 Notwithstanding any other law, if the court finds a violation of any provision of section
62.11 200.54, the court has authority to order remedies that are tailored to best mitigate the
62.12 violation. Any remedy ordered by the court must be constructed liberally in favor of a voter's
62.13 exercise of the right of suffrage. The court may consider, among others, any remedy that
62.14 has been ordered by a federal court or the court of another state jurisdiction, including
62.15 through a court-approved consent decree or settlement adopted in the context of similar
62.16 facts or to remedy a similar violation. The court shall consider remedies proposed by any
62.17 party and may consider remedies proposed by interested nonparties. The court may not
62.18 provide deference or priority to a proposed remedy offered by a defendant or political
62.19 subdivision simply because the remedy has been proposed by the defendant or political
62.20 subdivision.

62.21 EFFECTIVE DATE. This section is effective the day following final enactment.

62.22 Sec. 9. [200.59] FEES AND COSTS.

62.23 In any action brought under this act, the court, in its discretion, may allow the prevailing
62.24 party costs and reasonable attorney fees. If a party prevails on only a portion of their action,
62.25 the court may award costs and attorney fees attributable to that portion of the action. If the
62.26 party against whom the action was filed prevails in the action, the court shall not award that
62.27 party any costs or attorney fees unless the court finds the action is frivolous.

62.28 EFFECTIVE DATE. This section is effective the day following final enactment.

62.29 Sec. 10. [200.60] VOTING RIGHTS ACT COST SHARING ACCOUNT.

62.30 Subdivision 1. Special revenue fund account established. A Voting Rights Act cost
62.31 sharing account is established in the special revenue fund. Money in the account is
62.32 appropriated to the secretary of state for the purpose of reimbursing political subdivisions

63.1 for presuit notice cost sharing expenses agreed to under section 200.56, subdivision 4, as
63.2 authorized by this section. The secretary of state may retain up to five percent of the total
63.3 cost of a reimbursement for administrative costs associated with processing the
63.4 reimbursement.

63.5 Subd. 2. **Eligibility for reimbursement; application and approval.** (a) A political
63.6 subdivision that implements a remedy in response to a presuit notice letter submitted under
63.7 section 200.56 and pays a cost sharing amount under that section may apply to the secretary
63.8 of state for reimbursement of the paid amount.

63.9 (b) The secretary of state must establish a form to be used by a political subdivision
63.10 when applying for the reimbursement. The secretary of state must approve a submitted
63.11 application, so long as the information provided by the political subdivision demonstrates
63.12 that the expenses paid are eligible under section 200.56 and that sufficient funds are available
63.13 in the Voting Rights Act cost sharing account to make the reimbursement payment. The
63.14 secretary of state must review, approve, and distribute a reimbursement to an eligible political
63.15 subdivision within 45 days of receiving its application.

63.16 Sec. 11. Minnesota Statutes 2022, section 204B.175, is amended to read:

63.17 **204B.175 CHANGE OF POLLING PLACE IN AN EMERGENCY.**

63.18 Subdivision 1. **Application.** When an emergency occurs after the deadline to designate
63.19 a polling place for the purpose of absentee or early voting pursuant to section 203B.081, or
63.20 after the deadline to designate a polling place pursuant to section 204B.16 but before the
63.21 polls close on election day, a new polling place may be designated ~~for that election~~ pursuant
63.22 to this section. For purposes of this section, an emergency is any situation that prevents the
63.23 safe, secure, and full operation of a polling place, or when required to remedy a potential
63.24 violation of section 200.54.

63.25 Subd. 2. **Changing polling place.** If a local election official determines that an emergency
63.26 has occurred or is imminent, the local election official must procure a polling place that is
63.27 as near the designated polling place as possible and that complies with the requirements of
63.28 section 204B.16, subdivisions 4 and 5. If it is not possible to locate a new polling place in
63.29 the precinct, the polling place may be located outside of the precinct without regard to the
63.30 distance limitations in section 204B.16, subdivision 1. If a polling place location is changed
63.31 to remedy a potential violation of section 200.54, the location of the polling place must be
63.32 selected to remedy the violation. The local election official must certify to the appropriate
63.33 governing body the expenses incurred because of the change. These expenses shall be paid
63.34 as part of the expenses of the election.

64.1 Subd. 2a. **Designation of additional polling places.** A local election official may
64.2 designate additional polling places, notwithstanding the deadlines in section 203B.081, if
64.3 additional designations are required to remedy a potential violation of section 200.54. The
64.4 local election official must certify to the appropriate governing body the expenses incurred
64.5 because of the change. These expenses shall be paid as part of the expenses of the election.

64.6 Subd. 3. **Notice.** (a) Upon making the determination to relocate a polling place, the local
64.7 election official must immediately notify the county auditor and the secretary of state. The
64.8 notice must include the reason for the relocation and the reason for the location of the new
64.9 polling place. As soon as possible, the local election official must also post a notice stating
64.10 the reason for the relocation and the location of the new polling place. The notice must also
64.11 be posted on the website of the public body, if there is one. The local election official must
64.12 also notify the election judges and request that local media outlets publicly announce the
64.13 reason for the relocation and the location of the polling place. If the relocation occurs more
64.14 than 14 days prior to the election, the local election official must mail a notice to the impacted
64.15 voters of the reason for the relocation and the location of the polling place.

64.16 (b) On election day, the local election official must post a notice in large print in a

64.22 include a statement that the polling place hours at the new polling place will be extended
64.23 until the specified time.

64.24 **EFFECTIVE DATE.** This section is effective the day following final enactment.

64.25 Sec. 12. Minnesota Statutes 2022, section 412.02, subdivision 6, is amended to read:

64.26 Subd. 6. **Council increased or reduced.** The council may by ordinance adopted at least
64.27 60 days before the next regular city election submit to the voters of the city the question of
64.28 whether the city council should be increased or reduced to seven or five members. The
64.29 ordinance shall include a schedule of elections and terms and ward boundary changes, if
64.30 applicable, to accomplish the change. The proposal shall be voted on at the next city general
64.31 election and, if approved by a majority of those voting on the question, go into effect in
64.32 accordance with the schedule and ward boundaries, if applicable.

64.33 **EFFECTIVE DATE.** This section is effective the day following final enactment.

65.1 Sec. 13. Minnesota Statutes 2022, section 412.02, is amended by adding a subdivision to
65.2 read:

65.3 Subd. 7. **Wards.** (a) A city may adopt an ordinance to elect its city council members by
65.4 ward in the following circumstances:

65.5 (1) if the ordinance is submitted to the voters of the city for approval at a regular or
65.6 special election, and the ordinance is adopted at least 180 days before that election; or

65.7 (2) when approved or ordered to do so by a court of competent jurisdiction acting in
65.8 response to a challenge to the city's method of conducting elections.

65.9 (b) If the city is petitioned by at least 15 percent of the electors voting at the last previous
65.10 city election asking that the question of city council member election by ward be put to the
65.11 voters of the city, the city must adopt an ordinance for that purpose and submit the ordinance
65.12 to the voters of the city for approval at a regular or special election.

65.13 (c) An ordinance must designate the boundaries of the wards. The ordinance must also
65.14 state whether the city will otherwise operate as a statutory standard plan city or statutory
65.15 optional plan city, subject to voter approval as may be required under this chapter. If
65.16 submitted to the voters by ballot question, the ordinance shall go into effect at the next
65.17 regular city election if it is approved by a majority of those voting on the question. Except
65.18 as provided by this subdivision, section 205.10 applies to a ballot question submitted to the
65.19 voters at a special election under this subdivision.

65.20 (d) A city that elects its council members by ward is subject to the requirements of
65.21 sections 204B.135 and 205.84.

65.22 **EFFECTIVE DATE.** This section is effective the day following final enactment.

65.23 Sec. 14. **LEGISLATIVE FINDINGS.**

65.24 (a) The legislature finds that election practices, procedures, and methods that deny or
65.25 impair the equal opportunity of racial, color, or language minority groups and Tribal
65.26 communities to participate in the political process or elect candidates of their choice are
65.27 inconsistent with the fundamental right to vote, and the rights and privileges guaranteed by
65.28 the Minnesota Constitution as well as protections found in the Fourteenth and Fifteenth
65.29 Amendments to the United States Constitution.

65.30 (b) The legislature finds that there is a history in Minnesota, as in the United States
65.31 overall, of discrimination based on race, color, language-minority status, and Tribal
65.32 membership, including in access to the political process. For example, that:

66.1 (1) the state constitution of 1857 limited the right to vote to white residents and Native
66.2 American voters "who have adopted the customs and habits of civilization," and invoked a
66.3 cultural purity test for Native American residents, requiring only Native American applicants
66.4 to appear before a district court to determine whether each individual was "capable of
66.5 enjoying the rights of citizenship within the State";

66.6 (2) Minnesota voters twice rejected expanding suffrage to Black residents, voting down
66.7 proposed constitutional amendments to do so in 1865 and again in 1867, and only granted
66.8 nonwhite men the right to vote in 1868, three years after the end of the Civil War;

66.9 (3) civil rights plaintiffs and the federal government have filed litigation and taken other
66.10 action against political subdivisions in Minnesota under the Federal Voting Rights Act of
66.11 1965, as amended, alleging violations of section 2 of that act;

66.12 (4) individuals who are members of racial, color, or language minority groups have
66.13 faced voter intimidation and disinformation in Minnesota, and that, for example, voters of
66.14 color in 2020 in the cities of Minneapolis and St. Paul were targeted by a plan to hire and
66.15 deploy armed paramilitia to polling locations, an attempt that was enjoined by a federal
66.16 district court judge; and

66.17 (5) the history of discrimination in Minnesota further includes but is not limited to
66.18 discrimination in housing, including the use of redlining, racially restrictive covenants on
66.19 housing deeds, and predatory lending practices; education; employment; health; criminal
66.20 justice; public works; transportation; land use; environmental protection; and other areas
66.21 of life.

66.22 (c) As a result of this history and persistent discrimination and socioeconomic inequities
66.23 that bear on the right to vote, members of racial, color, or language minority groups and
66.24 Tribal communities continue to face unequal barriers in exercising the franchise and
66.25 participating effectively in the political process.

66.26 (d) In light of these conditions, it is the legislature's intent by this act to encourage
66.27 participation in the elective franchise by all eligible voters and to provide voters in this state
66.28 with a means to secure their constitutional right to vote free from discrimination.

66.29 **EFFECTIVE DATE.** This section is effective the day following final enactment.

67.1 **ARTICLE 4**

74.20 any time during the electioneering communication period identified in subdivision 6,

74.25 (c) A determination that a communication ~~can be received by 10,000 or more individuals~~
74.26 is targeted to the relevant electorate based on the application of the formula in this section
74.27 shall create a rebuttable presumption that may be overcome by demonstrating that:

74.28 (1) one or more cable or satellite systems did not carry the network on which the
74.29 communication was publicly distributed at the time the communication was publicly
74.30 distributed; and

75.1 (2) applying the formula to the remaining cable and satellite systems results in a
75.2 determination that the cable network or systems upon which the communication was publicly
75.3 distributed could not be received by 10,000 individuals or more.

75.4 **EFFECTIVE DATE.** This section is effective January 1, 2025, and applies to

86.6 format and technical guidelines to be used in collecting addresses from incarcerated persons.
86.7 The commissioner must use this format and follow the guidelines in collecting addresses.
86.8 The commissioner and the director may enter a memorandum of understanding detailing
86.9 the additional details regarding the methodology to be used and the format and manner in
86.10 which the data will be provided. Notwithstanding any law to the contrary, the commissioner
86.11 must provide the director with access to the best available data necessary to conduct the
86.12 reallocations and exclusions required by this section.

86.13 (c) Prior to reallocating and excluding incarcerated persons, the director must geocode
86.14 addresses received from the commissioner. When geocoding addresses, the director must
86.15 accept an address that is an exact match or is approximated to the street level and reject any
86.16 address that is approximated to the center of a zip code, city, county, or state. The director
86.17 must only reallocate those addresses that are accepted pursuant to this paragraph. The
86.18 director must not reallocate any person at an address that was rejected but must instead
86.19 count that person as part of the statewide population total.

86.20 (d) The director must not disseminate data received pursuant to this section in any
86.21 manner, except as explicitly required by state or federal law.

86.22 **EFFECTIVE DATE.** This section is effective January 1, 2030, and applies to population
86.23 counts used for redistricting conducted on or after that date.

86.24 Sec. 3. **[241.062] COLLECTION OF INCARCERATED PERSON'S ADDRESS.**

86.25 (a) As part of an incarcerated person's intake process, the commissioner of corrections
86.26 must make all reasonable efforts to ensure that the information listed in section 2.93,
86.27 subdivision 3, clauses (1) to (5), is collected and recorded. The information must be collected
86.28 in compliance with the format and guidelines developed pursuant to section 2.93, subdivision
86.29 5. An incarcerated person who was participating in the Safe at Home program established
86.30 in chapter 5B, who has safety concerns about providing a last residential address, or who
86.31 has safety concerns for people residing at that address may decline to provide an address.

87.1 (b) The incarcerated person's last residential address and the information listed in section
87.2 2.93, subdivision 3, clauses (1) to (5), collected on intake and maintained by the
87.3 commissioner are private data on individuals as defined in section 13.02, subdivision 12.

87.4 (c) Beginning in 2030, the commissioner must provide the information described in this
87.5 section electronically to the director of the Legislative Coordinating Commission as required
87.6 in section 2.93.

87.7 **Sec. 4. COLLECTION OF CURRENT INCARCERATED PERSON'S ADDRESS.**

87.8 Prior to April 1, 2030, the commissioner of corrections must make reasonable efforts to
87.9 collect from or confirm with each incarcerated person the following information:

87.10 (1) the residential address of the person immediately prior to incarceration or, if the
87.11 person resided in an area lacking a specific physical address immediately prior to
87.12 incarceration, a description of the physical location where the person regularly stayed
87.13 immediately prior to being incarcerated; and

87.14 (2) the following demographic information: the racial and ethnic information collected
87.15 by the census and whether the person is over the age of 18.

87.16 This section only applies to an incarcerated person who was incarcerated prior to the date
87.17 the commissioner started routinely collecting the information in clauses (1) and (2) as part
87.18 of the intake process."
