Subdivision 1. Establishment. (a) The arts and cultural heritage fund is established in
the Minnesota Constitution, article XI, section 15. All money earned by the fund must be
credited to the fund.

(b) Beginning in fiscal year 2020, 40 percent of the money deposited into this fund is
annually appropriated from the arts and cultural heritage fund to the Department of Education

history and cultural heritage. A project or program receiving funding from the arts and
cultural heritage fund must include measurable outcomes, and a plan for measuring and
evaluating the results. A project or program must be consistent with current scholarship, or
best practices, when appropriate and must incorporate state-of-the-art technology when appropriate.

(b) Funding from the arts and cultural heritage fund under subdivision 1, paragraph (c), may be granted for an entire project or for part of a project so long as the recipient provides a description and cost for the entire project and can demonstrate that it has adequate resources to ensure that the entire project will be completed.

(c) Money from the arts and cultural heritage fund under subdivision 1, paragraph (c), shall be expended for benefits across all regions and residents of the state.

(d) A state agency or other recipient of a direct appropriation from the arts and cultural heritage fund must compile and submit all information for funded projects or programs, including the proposed measurable outcomes and all other items required under section 3.303, subdivision 10, to the Legislative Coordinating Commission as soon as practicable or by January 15 of the applicable fiscal year, whichever comes first. The Department of Education must file its report of school site activities with the Legislative Coordinating Commission by January 15 of each year. The Legislative Coordinating Commission must post submitted information on the website required under section 3.303, subdivision 10, as soon as it becomes available.

rules, or regulations in this section or other laws applicable to the recipient, the recipient
must be listed in an annual report to the legislative committees with jurisdiction over the
legacy funds. The list must be publicly available. The legislative auditor shall remove a
recipient from the list upon determination that the recipient is in compliance. A recipient
on the list is not eligible for future funding from the arts and cultural heritage fund until the
recipient demonstrates compliance to the legislative auditor.

cultural heritage fund according to subdivision 1, paragraph (c), must inform the house of

substitution for any previous funding that was not from a legacy fund and was used for the
same purpose.

Subd. 3. Special review. For a project receiving an appropriation or appropriations from
the arts and cultural heritage fund totaling $10,000,000 or more in a biennium, the attorney
