

A bill for an act

relating to commerce; regulating building and construction contracts; requiring retainage to be held in escrow or trust accounts until released; amending Minnesota Statutes 2010, section 337.10, subdivision 4.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

Section 1. Minnesota Statutes 2010, section 337.10, subdivision 4, is amended to read:

Subd. 4. **Progress payments and retainages.** (a) Unless the building and construction contract provides otherwise, the owner or other persons making payments under the contract must make progress payments monthly as the work progresses. Payments shall be based upon estimates of work completed as approved by the owner or the owner's agent. A progress payment shall not be considered acceptance or approval of any work or waiver of any defects therein.

(b) Unless the building and construction contract provides otherwise, an owner or owner's agent may reserve as retainage from any progress payment on a building and construction contract an amount not to exceed five percent of the payment. An owner or owner's agent may reduce the amount of retainage and may eliminate retainage on any monthly contract payment if, in the owner's opinion, the work is progressing satisfactorily. Retainage reserved pursuant to this subdivision must be held in an interest-bearing escrow or trust account with a bank or trust company having its principal place of business in the state. Within 30 days after substantial completion of all work required by the contract, the reserved retainage and interest must be released by the owner or the owner's agent and paid to the persons from whom the retainage was reserved.

(c) This subdivision does not apply to contracts for professional services as defined in sections 326.02 to 326.15.
