1.6 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

1.7 Section 1. Minnesota Statutes 2016, section 85.012, subdivision 1, is amended to read:

1.8 Subdivision 1. State parks established and confirmed as state parks together with the

1.9 counties in which they are situated are listed in this section and shall be named as indicated

1.10 in this section.

1.11 The lands described in the session laws establishing or changing the boundaries of each

1.12 state park are included in the state parks so established or changed. The commissioner of

1.13 natural resources is authorized to acquire by gift or purchase the lands as described. ~~Any~~

1.14 ~~land which now is or hereafter becomes tax-forfeited land and is located within the described~~

1.15 ~~park boundaries is hereby withdrawn from sale and is transferred from the custody, control,~~

1.16 ~~and supervision of the county board of the county to the commissioner of natural resources,~~

1.17 ~~free from any trust in favor of the interested taxing districts. The commissioner shall execute~~

1.18 ~~a certificate of acceptance of the lands on behalf of the state for such purposes and transmit~~

1.19 ~~the same to the county auditor of the county for record as provided by law in the case of~~

1.20 ~~tax-forfeited land transferred to the commissioner by resolution of the county board for~~

1.21 ~~conservation purposes. Any lands within the described boundaries which may be owned by~~

1.22 the United States and managed by any of its agents may be acquired by land exchange,

1.23 direct transfer, or purchase as federal laws may prescribe. The lands acquired pursuant to

any session laws establishing or changing the boundaries of a state park shall be administered in the manner provided for state parks and shall be perpetually dedicated for such use.

Sec. 2. Minnesota Statutes 2016, section 282.01, subdivision 3, is amended to read:

Subd. 3. Nonconservation lands; appraisal and sale. (a) All parcels of land classified as nonconservation, except those which may be reserved, shall be sold as provided, if it is determined, by the county board of the county in which the parcels lie, that it is advisable to do so, having in mind their accessibility, their proximity to existing public improvements, and the effect of their sale and occupancy on the public burdens. Any parcels of land proposed to be sold shall be first appraised by the county board of the county in which the parcels lie. The parcels may be reappraised whenever the county board deems it necessary to carry out the intent of sections 282.01 to 282.13.

(b) In an appraisal, the value of the land and any standing timber on it ~~shall~~ may be separately determined. No parcel of land containing any standing timber may be sold until the appraised value of the timber on it and the sale of the land have been approved by the ~~commissioner of natural resources~~ county board. ~~The commissioner shall base review of a proposed sale on the policy and considerations specified in subdivision 1. The decision of the commissioner shall be in writing and shall state the reasons for it. The commissioner's decision is exempt from the rulemaking provisions of chapter 14 and section 14.386 does not apply. The county may appeal the decision of the commissioner in accordance with chapter 14.~~

~~(c) In any county in which a state forest or any part of it is located, the county auditor shall submit to the commissioner at least 60 days before the first publication of the list of lands to be offered for sale a list of all lands included on the list which are situated outside of any incorporated municipality. If, at any time before the opening of the sale, the commissioner notifies the county auditor in writing that there is standing timber on any parcel of land, the parcel shall not be sold unless the requirements of this section respecting the separate appraisal of the timber and the approval of the appraisal by the commissioner have been complied with. The commissioner may waive the requirement of the 60-day notice as to any parcel of land which has been examined and the timber value approved as required by this section.~~

~~(d)~~ (c) If any public improvement is made by a municipality after any parcel of land has been forfeited to the state for the nonpayment of taxes, and the improvement is assessed in whole or in part against the property benefited by it, the clerk of the municipality shall certify to the county auditor, immediately upon the determination of the assessments for

the improvement, the total amount that would have been assessed against the parcel of land if it had been subject to assessment; or if the public improvement is made, petitioned for, ordered in or assessed, whether the improvement is completed in whole or in part, at any time between the appraisal and the sale of the parcel of land, the cost of the improvement shall be included as a separate item and added to the appraised value of the parcel of land at the time it is sold. No sale of a parcel of land shall discharge or free the parcel of land from lien for the special benefit conferred upon it by reason of the public improvement until the cost of it, including penalties, if any, is paid. The county board shall determine through an appraisal the amount, if any, by which the value of the parcel was enhanced by the improvement and include the amount as a separate item in fixing the appraised value for the purpose of sale.

Sec. 3. Minnesota Statutes 2016, section 282.011, subdivision 1, is amended to read:

Subdivision 1. **Classification, sale, procedures and conditions.** Any lands which have become the absolute property of the state through forfeiture for nonpayment of taxes and which have been classified by the county board as conservation lands under the provisions of section 282.01, or have been classified as nonagricultural lands under the provisions of section 282.14, or any such lands which shall hereafter be so classified, may be designated by the county board of the county in which such lands lie, by resolution duly adopted, as appropriate and primarily suitable for either specific conservation purposes or for auxiliary forest lands. Any resolution so adopted, together with a list of the lands involved shall be forwarded to the ~~commissioner of natural resources who shall promptly approve or disapprove the whole or any part thereof. The commissioner shall thereupon make a certificate showing the lands approved, transmit the same to the~~ county auditor who shall record the same. Lands so designated ~~and so approved~~ shall thereupon be appraised and the whole, or any part thereof, may be offered for sale and sold in the same manner as provided for the sale of lands classified as nonconservation lands under section 282.01, or as agricultural lands under section 282.14, as the case may be, according to the status of such lands upon forfeiture. The right to a deed of conveyance to such property accorded the purchaser at any such sale ~~shall~~ may be conditioned upon the lands being placed in an auxiliary forest or used for designated conservation purposes as designated by the resolution of the county board.
