1.4 1.

1.5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

1.6 Section 1. Minnesota Statutes 2020, section 524.5-118, subdivision 1, is amended to read:

1.7 Subdivision 1. **When required; exception.** (a) The court shall require a background
1.8 study under this section:

1.9 (1) before the appointment of a guardian or conservator, unless a background study has
1.10 been done on the person under this section within the previous five years; and

1.11 (2) once every five years after the appointment, if the person continues to serve as a
1.12 guardian or conservator.

1.13 (b) The background study must include:

1.14 (1) criminal history data from the Bureau of Criminal Apprehension, other criminal
1.15 history data held by the commissioner of human services, and data regarding whether the
1.16 person has been a perpetrator of substantiated maltreatment of a vulnerable adult or minor;

1.17 (2) criminal history data from a national criminal history record check as defined in
1.18 section 245C.02, subdivision 13c; and

1.19 (3) state licensing agency data if a search of the database or databases of the agencies
1.20 listed in subdivision 2a shows that the proposed guardian or conservator has ever held a
1.21 professional license directly related to the responsibilities of a professional fiduciary from
1.22 an agency listed in subdivision 2a that was conditioned, suspended, revoked, or canceled.

2.1 (c) If the guardian or conservator is not an individual, the background study must be
2.2 done on all individuals currently employed by the proposed guardian or conservator who
2.3 will be responsible for exercising powers and duties under the guardianship or
2.4 conservatorship.

2.5 (d) If the court determines that it would be in the best interests of the person subject to
2.6 guardianship or conservatorship to appoint a guardian or conservator before the background
2.7 study can be completed, the court may make the appointment pending the results of the
2.8 study, however, the background study must then be completed as soon as reasonably possible
2.9 after appointment, no later than 30 days after appointment.

2.10 (e) The fee for background studies conducted under this section is specified in section
2.11 245C.10, subdivision 14. The fee for conducting a background study for appointment of a
2.12 professional guardian or conservator must be paid by the guardian or conservator. In other
2.13 cases, the fee must be paid as follows:

2.14 (1) if the matter is proceeding in forma pauperis, the fee is an expense for purposes of
2.15 section 524.5-502, paragraph (a);

2.16 (2) if there is an estate of the person subject to guardianship or conservatorship, the fee
2.17 must be paid from the estate; or

2.18 (3) in the case of a guardianship or conservatorship of the person that is not proceeding
2.19 in forma pauperis, the court may order that the fee be paid by the guardian or conservator
2.20 or by the court.

2.28 guardian has raised the proposed ward until the time the proposed ward entered the facility;
2.29 and

2.30 (ii) counsel appointed for the person proposed to be subject to guardianship or
