12.1 consent because consent was executed under section 260C.201, subdivision 11, following proper notice that consent given under that provision is irrevocable upon acceptance by the court as provided in subdivision 6a, and

12.2 (2) shall contain the following written notice in all capital letters at least one-eighth inch high:

12.3 "This The agency responsible for supervising the adoptive placement of the child will submit your consent to adoption to the court. If you are consenting to adoption by the child's stepparent, the consent will be submitted to the court by the petitioner in your child's adoption. The consent itself does not terminate your parental rights. Parental rights to a child may be terminated only by an adoption decree or by a court order terminating parental rights. Unless the child is adopted or your parental rights are terminated, you may be asked to support the child."

12.4 Consents shall be filed in the adoption proceedings at any time before the matter is heard provided, however, that a consent executed and acknowledged outside of this state, either in accordance with the law of this state or in accordance with the law of the place where executed, is valid.

12.5 Sec. 15. Minnesota Statutes 2010, section 259.24, subdivision 6a, is amended to read:

12.6 Subd. 6a. Withdrawal of consent. Except for consents executed under section 260C.201, subdivision 11, A parent's consent to adoption under this chapter may be withdrawn for any reason within ten working days after the consent is executed and acknowledged. No later than the tenth working day after the consent is executed and acknowledged, written notification of withdrawal of consent must be received by: (1) the agency to which the child was surrendered no later than the tenth working day after the consent is executed and acknowledged; (2) the agency supervising the adoptive placement of the child; or (3) in the case of adoption by a stepparent or any adoption not involving agency placement or supervision, by the district court where the adopting stepparent or parent resides. On the day following the tenth working day after execution and acknowledgment, the consent shall become irrevocable, except upon order of a court of competent jurisdiction after written findings that consent was obtained by fraud. A consent to adopt executed under section 260C.201, subdivision 11, is irrevocable upon proper notice to both parents of the effect of a consent to adopt and acceptance by the court, except upon order of the same court after written findings that the consent was obtained by fraud. In proceedings to determine the existence of fraud, the adoptive parents and the child shall be made parties. The proceedings shall be conducted to preserve the
confidentiality of the adoption process. There shall be no presumption in the proceedings favoring the birth parents over the adoptive parents.

Sec. 16. Minnesota Statutes 2010, section 259.24, subdivision 7, is amended to read:

Subd. 7. Withholding consent; reason. Consent to an adoption shall not be unreasonably withheld by a guardian, who is not a parent of the child, by the commissioner or by an agency.

The authorized child-placing agency shall consider placement, consistent with the child's best interests and in the following order, with (1) a relative or relatives of the child, or (2) an important friend with whom the child has resided or had significant contact. In implementing this section, an authorized child-placing agency may disclose private or confidential data, as defined in section 13.02, to relatives of the child for the purpose of locating a suitable adoptive home. The agency shall disclose only data that is necessary to facilitate implementing the preference.

If the child's birth parent or parents explicitly request that placement with a specific relative or important friend not be considered, the authorized child-placing agency shall honor that request if it is consistent with the best interests of the child and consistent with the requirements of sections 260C.212, subdivision 2, and 260C.221.

If the child's birth parent or parents express a preference for placing the child in an adoptive home of the same or a similar religious background to that of the birth parent or parents, the agency shall place the child with a family that meets the birth parent's religious preference.

This subdivision does not affect the Indian Child Welfare Act, United States Code, title 25, sections 1901 to 1923, and the Minnesota Indian Family Preservation Act, sections 260.751 to 260.835.

Sec. 18. Minnesota Statutes 2010, section 260C.193, subdivision 3, is amended to read:

Subd. 3. Best interest of the child in foster care or residential care. (a) The policy of the state is to ensure that the best interests of children in foster or residential care are met by requiring individualized determinations under section 260C.212, subdivision 2, paragraph (b), of the needs of the child and of how the selected placement will serve the needs of the child in foster care placements.

(b) The court shall review whether the responsible social services agency made efforts as required under section 260C.212, subdivision 5, and made an
individualized determination as required under section 260C.212, subdivision 2. If the court finds the agency has not made efforts as required under section 260C.212, subdivision 5, 260C.221, and there is a relative who qualifies to be licensed to provide family foster care under chapter 245A, the court may order the child placed with the relative consistent with the child's best interests.

(c) If the child's birth parent or parents explicitly request that a relative or important friend not be considered, the court shall honor that request if it is consistent with the best interests of the child and consistent with the requirements of section 260C.221. If the child's birth parent or parents express a preference for placing the child in a foster or adoptive home of the same or a similar religious background to that of the birth parent or parents, the court shall order placement of the child with an individual who meets the birth parent's religious preference.

(d) Placement of a child cannot be delayed or denied based on race, color, or national origin of the foster parent or the child.

(e) Whenever possible, siblings requiring foster care placement should be placed together unless it is determined not to be in the best interests of a sibling after weighing the benefits of separate placement against the benefits of sibling connections for each sibling. If siblings are not placed together according to section 260C.212, subdivision 2, paragraph (d), the responsible social services agency shall report to the court the efforts made to place the siblings together and why the efforts were not successful. If the court is not satisfied with the agency's efforts to place siblings together, the court may order the agency to make further efforts. If siblings are not placed together the court shall review the responsible social services agency's plan for visitation among siblings required as part of the out-of-home placement plan under section 260C.212.

(f) This subdivision does not affect the Indian Child Welfare Act, United States Code, title 25, sections 1901 to 1923, and the Minnesota Indian Family Preservation Act, sections 260.751 to 260.835.

Sec. 19. Minnesota Statutes 2010, section 260C.201, subdivision 11a, is amended to read:

Subd. 11a. Permanency progress review for children under eight in foster care
for six months. (a) If the child was under eight years of age at the time the petition
was filed alleging the child was in need of protection or services, and the
When a child continues in placement out of the home of the parent or guardian from whom the child
was removed, no later than six months after the child's placement the court shall conduct a
permanency progress hearing to review:
(1) the progress of the case, the parent's progress on the case plan or out-of-home placement plan, and whichever is applicable;

(2) the agency's reasonable, or in the case of an Indian child, active efforts for reunification and its provision of services;

(3) the agency's reasonable efforts to finalize the permanent plan for the child under section 260.012, paragraph (e), and to make a placement as required under section 260C.212, subdivision 2, in a home that will commit to being the legally permanent family for the child in the event the child cannot return home according to the timelines in this section; and

(4) in the case of an Indian child, active efforts to prevent the breakup of the Indian family and to make a placement according to the placement preferences under United States Code, title 25, chapter 21, section 1915.

(b) Based on its assessment of the parent's or guardian's progress on the out-of-home placement plan, the responsible social services agency must ask the county attorney to file a petition for termination of parental rights, a petition for transfer of permanent legal and physical custody to a relative, or the report required under juvenile court rules.

(b) The court shall ensure that notice of the hearing is sent to any relative who:

(1) responded to the agency's notice provided under section 260C.221 indicating an interest in participating in planning for the child or being a permanency resource for the child and who has kept the court apprised of his or her address; or

(2) asked to be notified of court proceedings regarding the child as is permitted in section 260C.152, subdivision 5.

(c)(1) If the parent or guardian has maintained contact with the child and is complying with the court-ordered out-of-home placement plan, and if the child would benefit from reunification with the parent, the court may either:

(i) return the child home, if the conditions which led to the out-of-home placement have been sufficiently mitigated that it is safe and in the child's best interests to return home; or

(ii) continue the matter up to a total of six additional months. If the child has not returned home by the end of the additional six months, the court must conduct a hearing according to subdivision 11.

(2) If the court determines that the parent or guardian is not complying with the out-of-home placement plan or is not maintaining regular contact with the child as outlined in the visitation plan required as part of the out-of-home placement plan under section 260C.212, the court may order the responsible social services agency;
S.F. No. 1675, 1st Engrossment - 87th Legislative Session (2011-2012) [S1675-1]

16.1 (i) to develop a plan for legally permanent placement of the child away from the parent and;

16.2 (ii) to consider, identify, recruit, and support one or more permanency resources from the child's relatives and foster parent to be the legally permanent home in the event the child cannot be returned to the parent. Any relative or the child's foster parent may ask the court to order the agency to consider them for permanent placement of the child in the event the child cannot be returned to the parent. A relative or foster parent who wants to be considered under this item shall cooperate with the background study required under section 245C.08, if the individual has not already done so, and with the home study process required under chapter 245A for providing child foster care and for adoption under section 259.41; the home study referred to in this item shall be a single-home study in the form required by the commissioner of human services or similar study required by the individual's state of residence when the subject of the study is not a resident of Minnesota; the court may order the responsible social services agency to make a referral under the Interstate Compact on the Placement of Children, sections 260.851 et al., when necessary to obtain a home study for an individual who wants to be considered for transfer of permanent legal and physical custody or adoption of the child; and

16.3 (iii) to file a petition to support an order for the legally permanent placement plan.

16.4 (d) Following the review under paragraphs (b) and (c) this subdivision:

16.5 (1) if the court has either returned the child home or continued the matter up to a total of six additional months, the agency shall continue to provide services to support the child's return home or to make reasonable efforts to achieve reunification of the child and the parent as ordered by the court under an approved case plan;

16.6 (2) if the court orders the agency to develop a plan for the transfer of permanent legal and physical custody of the child to a relative, a petition supporting the plan shall be filed in juvenile court within 30 days of the hearing required under this subdivision and a trial on the petition held within 60 days of the filing of the pleadings; or

16.7 (3) if the court orders the agency to file a termination of parental rights, unless the county attorney can show cause why a termination of parental rights petition should not be filed, a petition for termination of parental rights shall be filed in juvenile court within 30 days of the hearing required under this subdivision and a trial on the petition held within 60 days of the filing of the petition.

Sec. 20. Minnesota Statutes 2010, section 260C.212, subdivision 1, is amended to read:

As appropriate, the plan shall be:

(1) submitted to the court for approval under section 260C.178, subdivision 7;

c) The out-of-home placement plan shall be explained to all persons involved in its implementation, including the child who has signed the plan, and shall set forth:

(2) the specific reasons for the placement of the child in a residential facility foster care, and when reunification is the plan, a description of the problems or conditions in the home of the parent or parents which necessitated removal of the child from home and the changes the parent or parents must make in order for the child to safely return home;
(3) a description of the services offered and provided to prevent removal of the child from the home and to reunify the family including:

(5) the visitation plan for the parent or parents or guardian, other relatives as defined in section 260C.007, subdivision 27, and siblings of the child if the siblings are not placed together in foster care, and whether visitation is consistent with the best interest of the child, during the period the child is in foster care;

(6) documentation of steps to finalize the adoption or legal guardianship of the child if the court has issued an order terminating the rights of both parents of the child or of the only known, living parent of the child. At a minimum, the documentation must include child-specific recruitment efforts such as relative search and the use of state, regional, and national adoption exchanges to facilitate orderly and timely placements in and outside of the state. A copy of this documentation shall be provided to the court in the review required under section 260C.317, subdivision 3, paragraph (b);

(7) efforts to ensure the child's educational stability while in foster care, including:

(i) efforts to ensure that the child remains in the same school in which the child was enrolled prior to placement or upon the child's move from one placement to another, including efforts to work with the local education authorities to ensure the child's educational stability; or

(v) any other relevant educational information;

(9) the efforts by the local agency to ensure the oversight and continuity of health care services for the foster child, including:

(i) the plan to schedule the child's initial health screens;
(ii) how the child's known medical problems and identified needs from the screens, including any known communicable diseases, as defined in section 144.4172, subdivision 2, will be monitored and treated while the child is in foster care;

(iii) how the child's medical information will be updated and shared, including the child's immunizations;

(iv) who is responsible to coordinate and respond to the child's health care needs, including the role of the parent, the agency, and the foster parent;

(v) who is responsible for oversight of the child's prescription medications;

(vi) how physicians or other appropriate medical and nonmedical professionals will be consulted and involved in assessing the health and well-being of the child and determine the appropriate medical treatment for the child; and

(10) the health records of the child including information available regarding:

(i) the names and addresses of the child's health care and dental care providers;

(d) The parent or parents or guardian and the child each shall have the right to legal
counsel in the preparation of the case plan and shall be informed of the right at the time
of placement of the child. The child shall also have the right to a guardian ad litem.

If unable to employ counsel from their own resources, the court shall appoint counsel
upon the request of the parent or parents or the child or the child's legal guardian. The
parent or parents may also receive assistance from any person or social services agency
in preparation of the case plan.

After the plan has been agreed upon by the parties involved or approved or ordered
by the court, the foster parents shall be fully informed of the provisions of the case plan
and shall be provided a copy of the plan.

Upon discharge from foster care, the parent, adoptive parent, or permanent legal and
physical custodian, as appropriate, and the child, if appropriate, must be provided with
a current copy of the child's health and education record.

Sec. 21. Minnesota Statutes 2010, section 260C.212, subdivision 2, is amended to read:

Subd. 2. Placement decisions based on best interest of the child. (a) The policy
of the state of Minnesota is to ensure that the child's best interests are met by requiring an
individualized determination of the needs of the child and of how the selected placement
will serve the needs of the child being placed. The authorized child-placing agency shall
place a child, released by court order or by voluntary release by the parent or parents, in
a family foster home selected by considering placement with relatives and important
friends in the following order:

(1) with an individual who is related to the child by blood, marriage, or adoption; or
(2) with an individual who is an important friend with whom the child has resided or
had significant contact.

(b) Among the factors the agency shall consider in determining the needs of the
child are the following:

(1) the child's current functioning and behaviors;
(2) the medical needs of the child;
(3) the educational needs of the child;
(4) the developmental needs of the child;
(5) the child's history and past experience;
(6) the child's religious and cultural needs;
(7) the child's connection with a community, school, and faith community;
(8) the child's interests and talents;
(9) the child's relationship to current caretakers, parents, siblings, and relatives;
and
(10) the reasonable preference of the child, if the court, or the child-placing agency in the case of a voluntary placement, deems the child to be of sufficient age to express preferences.
(c) Placement of a child cannot be delayed or denied based on race, color, or national origin of the foster parent or the child.
(d) Siblings should be placed together for foster care and adoption at the earliest possible time unless it is documented that a joint placement would be contrary to the safety or well-being of any of the siblings or unless it is not possible after reasonable efforts by the responsible social services agency. In cases where siblings cannot be placed together, the agency is required to provide frequent visitation or other ongoing interaction between siblings unless the agency documents that the interaction would be contrary to the safety or well-being of any of the siblings.
(e) Except for emergency placement as provided for in section 245A.035, a completed background study is required under section 245C.08 before the approval of a foster placement in a related or unrelated home.

Sec. 22. Minnesota Statutes 2010, section 260C.212, subdivision 5, is amended to read:
Subd. 5. Relative search. (a) The responsible social services agency shall exercise due diligence to identify and notify adult relatives prior to placement or within 30 days after the child's removal from the parent. The county agency shall consider placement with a relative under subdivision 2 section 260C.221 without delay. The relative search required by this section shall be reasonable and comprehensive in scope and may last up to six months or until a fit and willing relative is identified. The relative search required by this section shall include both maternal relatives of the child and paternal relatives of the child, if paternity is adjudicated. The relatives must be notified:
(1) of the need for a foster home for the child, the option to become a placement resource for the child, and the possibility of the need for a permanent placement for the child;
(2) of their responsibility to keep the responsible social services agency and the court informed of their current address in order to receive notice in the event that a permanent placement is sought for the child and to receive notice of the permanency progress review hearing under section 260C.204. A relative who fails to provide a current address to the
responsible social services agency and the court forfeits the right to receive notice of
the possibility of permanent placement and of the permanency progress review hearing
under section 260C.204. A decision by a relative not to be a placement resource at the
beginning of the case shall not affect whether the relative is considered for placement of
the child with that relative later;
(3) that the relative may participate in the care and planning for the child, including
that the opportunity for such participation may be lost by failing to respond to the notice
sent under this subdivision; and
(4) of the family foster care licensing requirements, including how to complete an
application and how to request a variance from licensing standards that do not present a
safety or health risk to the child in the home under section 245A.04 and supports that are
available for relatives and children who reside in a family foster home.
(b) A responsible social services agency may disclose private or confidential data,
as defined in section 13.02, to relatives of the child for the purpose of locating a suitable
placement. The agency shall disclose only data that is necessary to facilitate possible
placement with relatives. If the child's parent refuses to give the responsible social
services agency information sufficient to identify the maternal and paternal relatives of the
child, the agency shall ask the juvenile court to order the parent to provide the necessary
information. If a parent makes an explicit request that relatives or a specific relative not
be contacted or considered for placement due to safety reasons including past family or
domestic violence, the agency shall bring the parent's request to the attention of the court
to determine whether the parent's request is consistent with the best interests of the child
and the agency shall not contact relatives or the specific relative unless authorized to do
so by when the juvenile court finds that contacting the specific relative would endanger
the parent, guardian, child, sibling, or any family member.
(c) When the placing agency determines that a permanent placement hearing is
necessary because there is a likelihood that the child will not return to a parent's care, the
agency may send the notice provided in paragraph (d), may ask the court to modify the
requirements of the agency under this paragraph, or may ask the court to completely
relieve the agency of the requirements of this paragraph. The relative notification
requirements of this paragraph do not apply when the child is placed with an appropriate
relative or a foster home that has committed to being the permanent legal placement for
the child and the agency approves of that foster home for permanent placement of the
child. The actions ordered by the court under this section must be consistent with the best
interests, safety, and welfare of the child.
(d) Unless required under the Indian Child Welfare Act or relieved of this duty by the court under paragraph (c), when the agency determines that it is necessary to prepare for the permanent placement determination hearing, or in anticipation of filing a termination of parental rights petition, the agency shall send notice to the relatives, any adult with whom the child is currently residing, any adult with whom the child has resided for one year or longer in the past, and any adults who have maintained a relationship or exercised visitation with the child as identified in the agency case plan. The notice must state that a permanent home is sought for the child and that the individuals receiving the notice may indicate to the agency their interest in providing a permanent home. The notice must state that within 30 days of receipt of the notice an individual receiving the notice must indicate to the agency the individual’s interest in providing a permanent home for the child or that the individual may lose the opportunity to be considered for a permanent placement.

(e) The Department of Human Services shall develop a best practices guide and specialized staff training to assist the responsible social services agency in performing and complying with the relative search requirements under this subdivision.

Sec. 23. Minnesota Statutes 2010, section 260C.212, subdivision 7, is amended to read:

Subd. 7. Administrative or court review of placements. (a) There shall be an administrative review of the out-of-home placement plan of each child placed in foster care no later than 180 days after the initial placement of the child in foster care and at least every six months thereafter if the child is not returned to the home of the parent or parents within that time. The out-of-home placement plan must be monitored and updated at each administrative review. The administrative review shall be conducted by the responsible social services agency using a panel of appropriate persons at least one of whom is not responsible for the case management of, or the delivery of services to, either the child or the parents who are the subject of the review. The administrative review shall be open to participation by the parent or guardian of the child and the child, as appropriate.

(b) As an alternative to the administrative review required in paragraph (a), the court may, as part of any hearing required under the Minnesota Rules of Juvenile Protection Procedure, conduct a hearing to monitor and update the out-of-home placement plan pursuant to the procedure and standard in section 260C.201, subdivision 6, paragraph (d). The party requesting review of the out-of-home placement plan shall give parties to the proceeding notice of the request to review and update the out-of-home placement plan. A court review conducted pursuant to section 260C.193; 260C.201, subdivision 1 or 11; 260C.141, subdivision 2; 260C.317; or 260D.06 shall satisfy the requirement for the review so long as the other requirements of this section are met.
(c) As appropriate to the stage of the proceedings and relevant court orders, the responsible social services agency or the court shall review:

1. the safety, permanency needs, and well-being of the child;
2. the continuing necessity for and appropriateness of the placement;
3. the extent of compliance with the out-of-home placement plan;
4. the extent of progress which has been made toward alleviating or mitigating the causes necessitating placement in foster care;
5. the projected date by which the child may be returned to and safely maintained in the home or placed permanently away from the care of the parent or parents or guardian; and
6. the appropriateness of the services provided to the child.

(d) When a child is age 16 or older, in addition to any administrative review conducted by the agency, at the in-court review required under section 260C.201, subdivision 11, or 260C.317, subdivision 3, clause (3), the court shall review the independent living plan required under subdivision 1, paragraph (c), clause (11), and the provision of services to the child related to the well-being of the child as the child prepares to leave foster care. The review shall include the actual plans related to each item in the plan necessary to the child's future safety and well-being when the child is no longer in foster care.

1. At the court review, the responsible social services agency shall establish that it has given the notice required under section 260C.456 or Minnesota Rules, part 9560.0660, regarding the right to continued access to services for certain children in foster care past age 18 and of the right to appeal a denial of social services under section 256.045. If the agency is unable to establish that the notice, including the right to appeal a denial of social services, has been given, the court shall require the agency to give it.

2. Consistent with the requirements of the independent living plan, the court shall review progress toward or accomplishment of the following goals:

   i. the child has obtained a high school diploma or its equivalent;
   ii. the child has completed a driver's education course or has demonstrated the ability to use public transportation in the child's community;
   iii. the child is employed or enrolled in postsecondary education;
   iv. the child has applied for and obtained postsecondary education financial aid for which the child is eligible;
   v. the child has health care coverage and health care providers to meet the child's physical and mental health needs;
(vi) the child has applied for and obtained disability income assistance for which the child is eligible;
(vii) the child has obtained affordable housing with necessary supports, which does not include a homeless shelter;
(viii) the child has saved sufficient funds to pay for the first month's rent and a damage deposit;
(ix) the child has an alternative affordable housing plan, which does not include a homeless shelter, if the original housing plan is unworkable;
(x) the child, if male, has registered for the Selective Service; and
(xi) the child has a permanent connection to a caring adult.

(3) The court shall ensure that the responsible agency in conjunction with the placement provider assists the child in obtaining the following documents prior to the child's leaving foster care: a Social Security card; the child's birth certificate; a state identification card or driver's license, green card, or school visa; the child's school, medical, and dental records; a contact list of the child's medical, dental, and mental health providers; and contact information for the child's siblings, if the siblings are in foster care.

e) When a child is age 17 or older, during the 90-day period immediately prior to the date the child is expected to be discharged from foster care, the responsible social services agency is required to provide the child with assistance and support in developing a transition plan that is personalized at the direction of the child. The transition plan must be as detailed as the child may elect and include specific options on housing, health insurance, education, local opportunities for mentors and continuing support services, and work force supports and employment services. The agency shall ensure that the youth receives, at no cost to the youth, a copy of the youth's consumer credit report as defined in section 13C.001 and assistance in interpreting and resolving any inaccuracies in the report. The county agency shall also provide the individual youth with appropriate contact information if the individual youth needs more information or needs help dealing with a crisis situation through age 21.

Sec. 24. Minnesota Statutes 2010, section 260C.217, is amended to read:

260C.217 SAFE PLACE FOR NEWBORNS.
Subdivision 1. Duty to attempt reunification, duty to search for relatives, and preferences not applicable. A local responsible social service agency taking custody of a child after discharge from a hospital that received a child under section 145.902, subdivision 4 is not required to attempt to reunify the child with the child's parents. Additionally, the agency is not required to search for relatives
of the child as a placement or permanency option under section 260C.212, subdivision 5, or to implement other placement requirements that give a preference to relatives if the agency does not have information as to the identity of the child, the child's mother, or the child's father.

Subd. 1a. **Safe place.** For purposes of this section, "safe place" means a hospital, health care provider that provides access to urgent care services, or a sheriff's department during its hours of operation.

Subd. 2. **Status of child.** For purposes of proceedings under this chapter and including adoption proceedings, a newborn left at a hospital safe place or with a 911 responder under section 145.902 subdivision 3 is considered an abandoned child under section 626.556, subdivision 2, paragraph (c), clause (3). The child is abandoned under sections 260C.007, subdivision 6, clause (1), and 260C.301, subdivision 1, paragraph (b), clause (1).

Subd. 3. **Relinquish newborn.** A mother or any person, with the mother's permission, may bring a newborn infant to a safe place during its hours of operation and leave the infant in the care of an employee of the safe place. The mother or person with the mother's permission may also call 911 and request to have an ambulance or other emergency responder under section 299J.02, subdivision 6, dispatched to an agreed upon location to relinquish a newborn infant into the custody of the 911 responder.

Subd. 4. **Placement of newborn.** A safe place or 911 responder with whom a newborn is left shall, within 24 hours, report receiving the newborn to the responsible social services agency. The agency shall have legal responsibility for the placement of the newborn infant in foster care for 72 hours during which time the agency shall file a petition under section 260C.141 and ask the court to order continued placement of the child in foster care. The agency shall immediately begin planning for adoptive placement of the newborn.

Subd. 5. **Care and treatment.** A safe place or 911 responder with whom a newborn is left may examine the newborn and provide necessary care and treatment, if any is required, pending assumption of legal responsibility by the responsible social services agency under subdivision 4. A safe place or 911 responder with whom a newborn is left may transport a newborn to a hospital for care, if appropriate under the circumstances.

Subd. 6. **Immunity.** A safe place or 911 responder with responsibility for performing duties under this section, and any employee, doctor, or other medical, fire, or law enforcement professional receiving, handling, treating, caring for, and reporting the child as required in subdivision 4, are immune from any criminal liability that otherwise might result from their actions, if they are acting in good faith in receiving a newborn, and
are immune from any civil liability that otherwise might result from merely receiving a newborn.

Sec. 25. Minnesota Statutes 2010, section 260C.317, subdivision 3, is amended to read:

Subd. 3. Order; retention of jurisdiction. (a) A certified copy of the findings and the order terminating parental rights, and a summary of the court's information concerning the child shall be furnished by the court to the commissioner or the agency to which guardianship is transferred.

(b) The orders shall be on a document separate from the findings. The court shall furnish the individual to whom guardianship is transferred guardian a copy of the order terminating parental rights.

(b) (c) When the court orders guardianship pursuant to this section, the court shall retain jurisdiction in a case where adoption is the intended permanent placement disposition until the child's adoption is finalized, the child is 18 years of age, or, for children in foster care beyond age 18 pursuant to section 260C.451, until the individual becomes 21 years of age according to the provisions set forth in sections 260C.193, subdivision 6, and 260C.451. The guardian ad litem and counsel for the child shall continue on the case until an adoption decree is entered. An in-court appearance hearing must be held every 90 days following termination of parental rights for the court to review progress toward an adoptive placement and the specific recruitment efforts the agency has taken to find an adoptive family or other placement living arrangement for the child and to finalize the adoption or other permanency plan. Review of the progress toward adoption of a child under guardianship of the commissioner of human services shall be conducted according to section 260C.607.

(c) The responsible social services agency may make a determination of compelling reasons for a child to be in long-term foster care when the agency has made exhaustive efforts to recruit, identify, and place the child in an adoptive home, and the child continues in foster care for at least 24 months after the court has issued the order terminating parental rights. A child of any age who is under the guardianship of the commissioner of the Department of Human Services and is legally available for adoption may not refuse or waive the commissioner's agent's exhaustive efforts to recruit, identify, and place the child in an adoptive home required under paragraph (b) or sign a document relieving county social services agencies of all recruitment efforts on the child's behalf. Upon approving the agency's determination of compelling reasons, the court may order the child placed in long-term foster care. At least every 12 months thereafter as long as the child continues in out-of-home placement, the court shall conduct an in-court permanency
review hearing to determine the future status of the child using the review requirements of
section 260C.201, subdivision 11, paragraph (g):

(d) Upon terminating parental rights or upon a parent's consent to adoption

under section 260C.201, subdivision 11, resulting in an order for guardianship to the
commissioner of human services, the court shall retain jurisdiction:

(1) until the child is adopted;

(2) through the child's minority in a case where long-term; or

(3) as long as the child continues in or reenters foster care in the permanent
disposition whether under paragraph (e) or section 260C.201, subdivision 11, or, for
children in foster care age 18 or older under section 260C.451, until the individual
becomes 21 years of age according to the provisions in sections 260C.193, subdivision 6,
and 260C.451.

Sec. 26. Minnesota Statutes 2010, section 260C.317, subdivision 4, is amended to read:

Subd. 4. Rights of terminated parent. (a) Upon entry of an order terminating the
parental rights of any person who is identified as a parent on the original birth record of

(1) the right of the person to file at any time with the state registrar of vital statistics
a consent to disclosure, as defined in section 144.212, subdivision 11;

(2) the right of the person to file at any time with the state registrar of vital statistics
an affidavit stating that the information on the original birth record shall not be disclosed
as provided in section 144.2252; and

(3) the effect of a failure to file either a consent to disclosure, as defined in section
144.212, subdivision 11, or an affidavit stating that the information on the original birth
record shall not be disclosed.

(b) A parent whose rights are terminated under this section shall retain the ability to
enter into a contact or communication agreement under section 260C.619 if an agreement
is determined by the court to be in the best interests of the child. The agreement shall be
filed with the court at or prior to the time the child is adopted. An order for termination of
parental rights shall not be conditioned on an agreement under section 260C.619.

Sec. 27. Minnesota Statutes 2010, section 260C.325, subdivision 1, is amended to read:

Subdivision 1. Transfer of custody Guardianship. (a) When the court terminates
parental rights of both parents or of the only known living legal parent, the court shall
order the guardianship and the legal custody of the child transferred to:
(1) the commissioner of human services;
(2) a licensed child-placing agency; or
(3) an individual who is willing and capable of assuming the appropriate duties and responsibilities to the child.

(b) The court shall order transfer of guardianship and legal custody of a child to the commissioner of human services only when the responsible county social services agency had legal responsibility for planning for the permanent placement of the child and the child was in foster care under the legal responsibility of the responsible county social services agency at the time the court orders guardianship and legal custody transferred to the commissioner. The court shall not order guardianship to the commissioner under any other circumstances, except as provided in subdivision 3.

Sec. 28. Minnesota Statutes 2010, section 260C.325, subdivision 3, is amended to read:

Subd. 3. **Both parents deceased.** (a) If upon petition to the juvenile court for guardianship by a reputable person, including but not limited to the responsible social services agency as agent of the commissioner of human services, and upon hearing in the manner provided in section 260C.163, the court finds that both parents or the only known legal parent are or is deceased and no appointment has been made or petition for appointment filed pursuant to sections 524.5-201 to 524.5-317, the court shall order the guardianship and legal custody of the child transferred to:

(1) the commissioner of human services; or
(2) a licensed child-placing agency; or
(3) (2) an individual who is willing and capable of assuming the appropriate duties and responsibilities to the child.

(b) The court shall order transfer of guardianship and legal custody of a child to the commissioner of human services only if there is no individual who is willing and capable of assuming the appropriate duties and responsibilities to the child.

Sec. 29. Minnesota Statutes 2010, section 260C.325, subdivision 4, is amended to read:

Subd. 4. **Guardian's responsibilities.** (a) A guardian appointed under the provisions of this section has legal custody of a ward unless the court which appoints the guardian gives legal custody to some other person. If the court awards custody to a person other than the guardian, the guardian nonetheless has the right and responsibility of reasonable visitation, except as limited by court order, the child and the right to visit the child in foster care, the adoptive placement, or any other suitable setting at any time prior to finalization of the adoption of the child. When the child is under the guardianship of the
commissioner, the responsible social services agency, as agent of the commissioner, has
the right to visit the child.

(b) When the guardian is a licensed child-placing agency, the guardian may shall
make all major decisions affecting the person of the ward child, including but not limited
to giving consent, (when consent is legally required), to the marriage, enlistment in
the armed forces, medical, surgical, or psychiatric treatment, or adoption of the ward
child. When, pursuant to this section, the commissioner of human services is appointed
guardian, the commissioner may delegate to the responsible social services agency of
the county in which, after the appointment, the ward resides, the authority to act for the
commissioner in decisions affecting the person of the ward, including but not limited
to giving consent to the marriage, enlistment in the armed forces, medical, surgical, or
psychiatric treatment of the ward.

(c) When the commissioner is appointed guardian, the duties of the commissioner of
human services are established under sections 260C.601 to 260C.635.

(e) (d) A guardianship created under the provisions of this section shall not of itself
include the guardianship of the estate of the ward child.

(e) The commissioner of human services, through the responsible social services
agency, or a licensed child-placing agency who is a guardian or who has authority and
responsibility for planning for the adoption of the child under section 259.25 or 259.47,
has the duty to make reasonable efforts to finalize the adoption of the child.

Sec. 30. Minnesota Statutes 2010, section 260C.328, is amended to read:

260C.328 CHANGE OF GUARDIAN; TERMINATION OF GUARDIANSHIP.

(a) Upon its own motion or upon petition of an interested party, the juvenile court
having jurisdiction of the child may, after notice to the parties and a hearing, remove
the guardian appointed by the juvenile court and appoint a new guardian in accordance
with the provisions of section 260C.325, subdivision 1, clause (a), (b), or (c). Upon a
showing that the child is emancipated, the court may discharge the guardianship. Any
child 14 years of age or older who is not adopted but who is placed in a satisfactory foster
home, may, with the consent of the foster parents, join with the guardian appointed by the
juvenile court in a petition to the court having jurisdiction of the child to discharge the
existing guardian and appoint the foster parents as guardians of the child.

(b) The authority of a guardian appointed by the juvenile court terminates when the
individual under guardianship is no longer a minor or when guardianship is otherwise
discharged, becomes age 18. However, an individual who has been under the guardianship
of the commissioner and who has not been adopted may continue in foster care or reenter
foster care pursuant to section 260C.451 and the responsible social services agency has
continuing legal responsibility for the placement of the individual.

Subd. 2. Duty of responsible agency. The responsible social services agency has
the duty to act as the commissioner's agent in making reasonable efforts to finalize the

in planning for adoption;
(3) the diversity of Minnesota's population and diverse needs including culture,
religion, and language of persons affected by adoption are recognized and respected; and

concurrently with reasonable, or if the child is an Indian child, active efforts to reunify
the child with the parent.

(c) Reasonable efforts under paragraph (b) must begin as soon as possible when the
child is in foster care under this chapter, but not later than the hearing required under
section 260C.204.

(d) Reasonable efforts to finalize the adoption of the child include:
(1) using age-appropriate engagement strategies to plan for adoption with the child;
(2) identifying an appropriate prospective adoptive parent for the child by updating
the child's identified needs using the factors in section 260C.212, subdivision 2;
(3) making an adoptive placement that meets the child's needs by:

giving notice of the need for an adoptive home for the child to:
      (A) relatives who have kept the agency or the court apprised of their whereabouts
      and who have indicated an interest in adopting the child; or

      (ii) an updated search is required whenever;
      (A) there is no identified prospective adoptive placement for the child
      notwithstanding a finding by the court that the agency made diligent efforts under section
      260C.221, in a hearing required under section 260C.202;
      (B) the child is removed from the home of an adopting parent; or

(10) working with the adopting parent to file a petition to adopt the child and with the court administrator to obtain a timely hearing to finalize the adoption.

Subd. 2. No waiver. (a) The responsible social services agency shall make reasonable efforts to recruit, assess, and match an adoptive home for any child under the guardianship of the commissioner and reasonable efforts shall continue until an adoptive placement is made and adoption finalized or until the child is no longer under the guardianship of the commissioner.

(b) A child of any age who is under the guardianship of the commissioner and is legally available for adoption may not refuse or waive the responsible social services agency's reasonable efforts to recruit, identify, and place the child in an adoptive home required under this section. The agency has an ongoing responsibility to work with the child to explore the child's opportunities for adoption, and what adoption means for the child, and may not accept a child's refusal to consider adoption as an option.

(c) The court may not relieve or otherwise order the responsible social services agency to cease fulfilling the responsible social services agency's duty regarding reasonable efforts to recruit, identify, and place the child in an adoptive home.

Sec. 34. [260C.607] REVIEW OF PROGRESS TOWARD ADOPTION.

Subdivision 1. Review hearings. (a) The court shall conduct a review of the responsible social services agency's reasonable efforts to finalize adoption for any child under the guardianship of the commissioner and of the progress of the case toward adoption at least every 90 days after the court issues an order that the commissioner is the guardian of the child.
(b) The review of progress toward adoption shall continue notwithstanding that an
appeal is made of the order for guardianship.
(c) The agency's reasonable efforts to finalize the adoption must continue during the
pendency of the appeal and all progress toward adoption shall continue except that the
court may not finalize an adoption while the appeal is pending.

Subd. 2. Notice. Notice of review hearings shall be given by the court to:
(1) the responsible social services agency;
(2) the child, if the child is age ten and older;
(3) the child's guardian ad litem;
(4) relatives of the child who have kept the court informed of their whereabouts
as required in section 260C.221 and who have responded to the agency's notice under
section 260C.221, indicating a willingness to provide an adoptive home for the child
unless the relative has been previously ruled out by the court as a suitable foster parent or
permanency resource for the child;
(5) the current foster or adopting parent of the child;
(6) any foster or adopting parents of siblings of the child; and
(7) the Indian child's tribe.

Subd. 3. Right to participate. Any individual or entity listed in subdivision 2 may
participate in the continuing reviews conducted under this section. No other individual
or entity is required to be given notice or to participate in the reviews unless the court
specifically orders that notice be given or participation in the reviews be required.

Subd. 4. Content of review. (a) The court shall review:
(1) the agency's reasonable efforts under section 260C.605 to finalize an adoption
for the child as appropriate to the stage of the case; and
(2) the child's current out-of-home placement plan required under section 260C.212,
subdivision 1, to ensure the child is receiving all services and supports required to meet
the child's needs as they relate to the child's:
(i) placement;
(ii) visitation and contact with siblings;
(iii) visitation and contact with relatives;
(iv) medical, mental, and dental health; and
(v) education.
(b) When the child is age 16 and older, and as long as the child continues in foster
care, the court shall also review the agency's planning for the child's independent living
after leaving foster care including how the agency is meeting the requirements of section
260C.212, subdivision 1, paragraph (c), clause (11). The court shall use the review requirements of section 260C.203, in any review conducted under this paragraph.

Subd. 5. Required placement by responsible social services agency. (a) No petition for adoption shall be filed for a child under the guardianship of the commissioner unless the child sought to be adopted has been placed for adoption with the adopting parent by the responsible social services agency. The court may order the agency to make an adoptive placement using standards and procedures under subdivision 6.

(b) Any relative or the child's foster parent who believes the responsible agency has not reasonably considered their request to be considered for adoptive placement as required under section 260C.212, subdivision 2, and who wants to be considered for adoptive placement of the child shall bring their request for consideration to the attention of the court during a review required under this section. The child's guardian ad litem and the child may also bring a request for a relative or the child's foster parent to be considered for adoptive placement. After hearing from the agency, the court may order the agency to take appropriate action regarding the relative's or foster parent's request for consideration under section 260C.212, subdivision 2, paragraph (b).

Subd. 6. Motion and hearing to order adoptive placement. (a) At any time after the district court orders the child under the guardianship of the commissioner of human services, but not later than 30 days after receiving notice required under section 260C.613, subdivision 1, paragraph (c), that the agency has made an adoptive placement, a relative or the child's foster parent may file a motion for an order for adoptive placement of a child who is under the guardianship of the commissioner if the relative or the child's foster parent:

(1) has an adoption home study under section 259.41 approving the relative or foster parent for adoption and has been a resident of Minnesota for at least six months before filing the motion. The court may waive the residency requirement for the moving party if there is a reasonable basis to do so; or

(2) is not a resident of Minnesota, but has an approved adoption home study by an agency licensed or approved to complete an adoption home study in the state of the individual's residence and the study is filed with the motion for adoptive placement.

(b) The motion shall be filed with the court conducting reviews of the child's progress toward adoption under this section. The motion and supporting documents must make a prima facie showing that the agency has been unreasonable in failing to make the requested adoptive placement. The motion must be served according to the requirements for motions under the Minnesota Rules of Juvenile Protection Procedure and shall be made on all individuals and entities listed in subdivision 2.
(c) If the motion and supporting documents do not make a prima facie showing for
the court to determine whether the agency has been unreasonable in failing to make the
requested adoptive placement, the court shall dismiss the motion. If the court determines a
prima facie basis is made, the court shall set the matter for evidentiary hearing.
(d) At the evidentiary hearing the responsible social services agency shall proceed
first with evidence about the reason for not making the adoptive placement proposed by the
moving party. The moving party then has the burden of proving by a preponderance of the
evidence that the agency has been unreasonable in failing to make the adoptive placement.
(e) At the conclusion of the evidentiary hearing, if the court finds that the agency
has been unreasonable in failing to make the adoptive placement and that the relative or
the child's foster parent is the most suitable adoptive home to meet the child's needs
using the factors in section 260C.212, subdivision 2, paragraph (b), the court may order
the responsible social services agency to make an adoptive placement in the home of the
relative or the child's foster parent.
(f) In order to ensure that a timely adoption may occur, when the court orders the
responsible social services agency to make an adoptive placement under this subdivision,
the agency shall:
   (1) make reasonable efforts to obtain a fully executed adoption placement agreement;
   (2) work with the moving party regarding eligibility for adoption assistance as
required under chapter 259A; and
   (3) if the moving party is not a resident of Minnesota, timely refer the matter for
approval of the adoptive placement through the Interstate Compact on the Placement of
Children, section 260.851 et al.
(g) Denial or granting of a motion for an order for adoptive placement after an
evidentiary hearing is an order, which may be appealed by the responsible social services
agency, the moving party, the child, when age ten or over, the child's guardian ad litem,
and any individual who had a fully executed adoption placement agreement regarding
the child at the time the motion was filed if the court's order has the effect of terminating
the adoption placement agreement. An appeal shall be conducted according to the
requirements of the Rules of Juvenile Protection Procedure.

Subd. 7. Changing adoptive plan when parent has consented to adoption.
When the child's parent has consented to adoption under section 260C.515, subdivision 3,
only the person identified by the parent and agreed to by the agency as the prospective
adoptive parent qualifies for adoptive placement of the child until the responsible social
services agency has reported to the court and the court has found in a hearing under this
section that it is not possible to finalize an adoption by the identified prospective adoptive

parent within 12 months of the execution of the consent to adopt under section 260C.515.
subdivision 3, unless the responsible social services agency certifies that the failure to
finalize is not due to either an action or a failure to act by the prospective adoptive parent.

Subd. 8. Timing modified. (a) The court may review the responsible social services
agency's reasonable efforts to finalize an adoption more frequently than every 90 days
whenever a more frequent review would assist in finalizing the adoption.

(b) In appropriate cases, the court may review the responsible social services
agency's reasonable efforts to finalize an adoption less frequently than every 90 days. The
court shall not find it appropriate to review progress toward adoption less frequently
than every 90 days except when:

(1) the court has approved the agency's reasonable efforts to recruit, identify, and
place the child in an adoptive home on a continuing basis for at least 24 months after the
court has issued the order for guardianship;

(2) the child is at least 16 years old; and

(3) the child's guardian ad litem agrees that review less frequently than every 90
days is in the child's best interests.

(c) In no event shall the court's review be less frequent than every six months.

Sec. 35. [260C.609] SOCIAL AND MEDICAL HISTORY.

(a) The responsible social services agency shall work with the birth family of the
child, foster family, medical and treatment providers, and the child's school to ensure there
is a detailed, thorough, and currently up-to-date social and medical history of the child as
required under section 259.43 on the forms required by the commissioner.

(b) When the child continues in foster care, the agency's reasonable efforts to
complete the history shall begin no later than the permanency progress review hearing
required under section 260C.204 or six months after the child's placement in foster care.

(c) The agency shall thoroughly discuss the child's history with the adopting parent
of the child and shall give a copy of the report of the child's social and medical history
to the adopting parent. A copy of the child's social and medical history may also be
given to the child as appropriate.

(d) The report shall not include information that identifies birth relatives. Redacted
copies of all the child's relevant evaluations, assessments, and records must be attached
to the social and medical history.

Sec. 36. [260C.611] ADOPTION STUDY REQUIRED.
An adoption study under section 259.41 approving placement of the child in the
home of the prospective adoptive parent shall be completed before placing any child
under the guardianship of the commissioner in a home for adoption. If a prospective
adoptive parent has previously held a foster care license or adoptive home study, any
update necessary to the foster care license, or updated or new adoptive home study, if not
completed by the licensing authority responsible for the previous license or home study,
shall include collateral information from the previous licensing or approving agency, if
available.

Sec. 37. [260C.613] SOCIAL SERVICES AGENCY AS COMMISSIONER'S
AGENT.

Subdivision 1. Adoptive placement decisions. (a) The responsible social services
agency has exclusive authority to make an adoptive placement of a child under the
guardianship of the commissioner. The child shall be considered placed for adoption when
the adopting parent, the agency, and the commissioner have fully executed an adoption
placement agreement on the form prescribed by the commissioner.

(b) The responsible social services agency shall use an individualized determination
of the child's current needs pursuant to section 260C.212, subdivision 2, paragraph (b), to
determine the most suitable adopting parent for the child in the child's best interests.

(c) The responsible social services agency shall notify the court and parties entitled
to notice under section 260C.607, subdivision 2, when there is a fully executed adoption
placement agreement for the child.

(d) In the event an adoption placement agreement terminates, the responsible
social services agency shall notify the court, the parties entitled to notice under section
260C.607, subdivision 2, and the commissioner that the agreement and the adoptive
placement have terminated.

Subd. 2. Disclosure of data permitted to identify adoptive parent. The
responsible social services agency may disclose private data, as defined in section 13.02, to
prospective adoptive parents for the purpose of identifying an adoptive parent willing and
able to meet the child's needs as outlined in section 260C.212, subdivision 2, paragraph (b).

Subd. 3. Siblings placed together. The responsible social services agency shall
place siblings together for adoption according to section 260.012, paragraph (e), clause
(4), unless:

(1) the court makes findings required under section 260C.617; and
(2) the court orders that the adoption or progress toward adoption of the child under
the court's jurisdiction may proceed notwithstanding that the adoption will result in
siblings being separated.

Subd. 4. Other considerations. Placement of a child cannot be delayed or denied
based on the race, color, or national origin of the prospective parent or the child.

Subd. 5. Required record keeping. The responsible social services agency
shall document, in the records required to be kept under section 259.79, the reasons
for the adoptive placement decision regarding the child, including the individualized
determination of the child's needs based on the factors in section 260C.212, subdivision
2, paragraph (b), and the assessment of how the selected adoptive placement meets the
identified needs of the child. The responsible social services agency shall retain in the
records required to be kept under section 259.79, copies of all out-of-home placement
plans made since the child was ordered under guardianship of the commissioner and all
court orders from reviews conducted pursuant to section 260C.607.

Subd. 6. Death notification. (a) The agency shall inform the adoptive parents
that the adoptive parents of an adopted child under age 19 or an adopted person age 19
or older may maintain a current address on file with the agency and indicate a desire to
be notified if the agency receives information of the death of a birth parent. The agency
shall notify the birth parents of the child's death and the cause of death, if known, provided
that the birth parents desire notice and maintain current addresses on file with the agency.
The agency shall inform birth parents entitled to notice under section 259.27, that they
may designate individuals to notify the agency if a birth parent dies and that the agency
receiving information of the birth parent's death will share the information with adoptive
parents, if the adopted person is under age 19, or an adopted person age 19 or older who
has indicated a desire to be notified of the death of a birth parent and who maintains
a current address on file with the agency.

(b) Notice to a birth parent that a child has died or to the adoptive parents or an
adopted person age 19 or older that a birth parent has died shall be provided by an
employee of the agency through personal and confidential contact, but not by mail.

Subd. 7. Terminal illness notification. If a birth parent or the child is terminally ill,
the responsible social services agency shall inform the adoptive parents and birth parents
of a child who is adopted that the birth parents, the adoptive parents of an adopted person
under age 19, or an adopted person age 19 or older may request to be notified of the
terminal illness. The agency shall notify the other parties if a request is received under
this subdivision and upon a party's request the agency shall share information regarding a
terminal illness with the adoptive or birth parents or an adopted person age 19 or older.
Subd. 8. Postadoption search services. The responsible social services agency shall respond to requests from adopted persons aged 19 years and over, adoptive parents of a minor child, and birth parents for: social and medical history and genetic health conditions of the adopted person's birth family and genetic sibling information, according to section 259.83.

Sec. 38. [260C.615] DUTIES OF COMMISSIONER.
Subdivision 1. Duties. (a) For any child who is under the guardianship of the commissioner, the commissioner has the exclusive rights to consent to:

(1) the medical care plan for and treatment of a child who is at imminent risk of death or who has a chronic disease that, in a physician's judgment, will result in the child's death in the near future, including a physician's order not to resuscitate or intubate the child; and

(2) the child donating a part of the child's body to another person while the child is living. The decision to donate a body part under this subdivision shall take into consideration the child's wishes and the child's culture.

(b) In addition to the exclusive rights under paragraph (a), the commissioner has a duty to:

(1) process any complete and accurate request for home study and placement through the Interstate Compact on the Placement of Children under section 260.851;

(2) process any complete and accurate application for adoption assistance forwarded by the responsible social services agency according to chapter 259A;

(3) complete the execution of an adoption placement agreement forwarded to the commissioner by the responsible social services agency and return it to the agency in a timely fashion; and

(4) maintain records as required in chapter 259.

Subd. 2. Duties not reserved. All duties, obligations, and consents not specifically reserved to the commissioner in this section are delegated to the responsible social services agency.

Sec. 39. [260C.617] SIBLING PLACEMENT.

(a) The responsible social services agency shall make every effort to place siblings together for adoption.

(b) The court shall review any proposal by the responsible social services agency to separate siblings for purposes of adoption.

(c) If there is venue in more than one county for matters regarding siblings who are under the guardianship of the commissioner, the judges conducting reviews regarding
the siblings shall communicate with each other about the siblings' needs and, where
appropriate, shall conduct review hearings in a manner that ensures coordinated planning
by agencies involved in decision making for the siblings.

(d) After notice to the individuals and entities listed in section 260C.627, the foster
or prospective adoptive parent of the child, and any foster, adopting, or adoptive parents
of the child's siblings, or relatives with permanent legal and physical custody of the
child's sibling, and upon hearing, the court may determine that a child under the court's
jurisdiction may be separated from the child's sibling for adoption when:

(1) the responsible social services agency has made reasonable efforts to place the
siblings together, and after finding reasonable efforts have been made, the court finds
further efforts would significantly delay the adoption of one or more of the siblings and
are therefore not in the best interests of one or more of the siblings; or

(2) the court determines it is not in the best interests of one or more of the siblings to
be placed together after reasonable efforts by the responsible social services agency to
place the siblings together.

Sec. 40. [260C.619] COMMUNICATION AND CONTACT AGREEMENTS.

(a) An adopting parent and a relative or foster parent of the child may enter into an
agreement regarding communication with or contact between the adopted child, adopting
parent, and the relative or foster parent. An agreement may be entered between:

(1) an adopting parent and a birth parent;

(2) an adopting parent and any relative or foster parent with whom the child resided
before being adopted; and

(3) an adopting parent and the parent or legal custodian of a sibling of the child, if
the sibling is a minor, or any adult sibling of the child.

(b) An agreement regarding communication with or contact between the child,
adoptive parents, and a relative or foster parent, is enforceable when the terms of the
agreement are contained in a written court order. The order must be issued before or at the
time of the granting of the decree of adoption. The order granting the communication,
contact, or visitation shall be filed in the adoption file.

(c) The court shall mail a certified copy of the order to the parties to the agreement or
their representatives at the addresses provided by the parties to the agreement. Service shall
be completed in a manner that maintains the confidentiality of confidential information.

(d) The court shall not enter a proposed order unless the terms of the order have been
approved in writing by the prospective adoptive parents, the birth relative, the foster
parent, or the birth parent or legal custodian of the child's sibling who desires to be a party to the agreement, and the responsible social services agency.

(e) An agreement under this section need not disclose the identity of the parties to be legally enforceable and when the identity of the parties to the agreement is not disclosed, data about the identities in the adoption file shall remain confidential.

(f) The court shall not enter a proposed order unless the court finds that the communication or contact between the minor adoptee, the adoptive parents, and the relative, foster parents, or siblings as agreed upon and contained in the proposed order, would be in the child's best interests.

(g) Failure to comply with the terms of an order regarding communication or contact that has been entered by the court under this section is not grounds for:

(1) setting aside an adoption decree; or

(2) revocation of a written consent to an adoption after that consent has become irrevocable.

(h) An order regarding communication or contact entered under this section may be enforced by filing a motion in the existing adoption file with the court that entered the contact agreement. Any party to the communication or contact order or the child who is the subject of the order has standing to file the motion to enforce the order. The prevailing party may be awarded reasonable attorney fees and costs.

(i) The court shall not modify an order under this section unless it finds that the modification is necessary to serve the best interests of the child, and:

(1) the modification is agreed to by the parties to the agreement; or

(2) exceptional circumstances have arisen since the order was entered that justified modification of the order.

Sec. 41. [260C.621] JURISDICTION AND VENUE.

Subdivision 1. Jurisdiction. (a) The juvenile court has original jurisdiction for all adoption proceedings involving the adoption of a child under the guardianship of the commissioner, including when the commissioner approves the placement of the child through the Interstate Compact on the Placement of Children under section 260.851 for adoption outside the state of Minnesota and an adoption petition is filed in Minnesota.

(b) The receiving state also has jurisdiction to conduct an adoption proceeding for a child under the guardianship of the commissioner when the adopting home was approved by the receiving state through the interstate compact.
Subd. 2. Venue. (a) Venue for the adoption of a child committed to the guardianship
of the commissioner of human services shall be the court conducting reviews in the matter
according to section 260C.607.
(b) Upon request of the responsible social services agency, the court conducting
reviews under section 260C.607 may order that filing an adoption petition involving a
child under the guardianship of the commissioner be permitted in the county where the
adopter's parent resides upon determining that:
(1) there is no motion for an order for adoptive placement of the child that has been
filed or is reasonably anticipated by the responsible social services agency to be filed; and
(2) filing the petition in the adopting parent's county of residence will expedite the
proceedings and serve the best interests of the child.
(c) When the court issues an order under paragraph (b), a copy of the court order
shall be filed together with the adoption petition in the court of the adopting parent's
county of residence.
(d) The court shall notify the court conducting reviews under section 260C.607
when the adoption is finalized so that the court conducting reviews under section 260C.607
may close its jurisdiction and the court record, including the court's electronic case record,
in the county conducting the reviews, shall reflect that adoption of the child was finalized.

Sec. 42. [260C.623] ADOPTION PETITION.
Subdivision 1. Who may petition. (a) The responsible social services agency may
petition for the adopting parent to adopt a child who is under the guardianship of the
commissioner. The petition shall contain or have attached a statement certified by the
adopter that the adopting parent desires that the relationship of parent and child
be established between the adopting parent and the child and that adoption is in the best
interests of the child.
(b) The adopting parent may petition the court for adoption of the child.
(c) An adopting parent must be at least 21 years of age at the time the adoption
petition is filed unless the adopting parent is an individual related to the child, as defined
by section 245A.02, subdivision 13.
(d) The petition may be filed in Minnesota by an adopting parent who resides within
or outside the state.
Subd. 2. Time for filing petition. (a) An adoption petition shall be filed not later
than nine months after the date of the fully executed adoption placement agreement unless
the court finds that:
(1) the time for filing a petition be extended because of the child's special needs as defined under title IV-E of the federal Social Security Act, United States Code, title 42, section 672; or

(2) based on a written plan for completing filing of the petition, including a specific timeline, to which the adopting parent has agreed, the time for filing a petition be extended long enough to complete the plan because an extension is in the best interests of the child and additional time is needed for the child to adjust to the adoptive home.

(b) If an adoption petition is not filed within nine months of the execution of the adoption placement agreement as required under section 260C.613, subdivision 1, and after giving the adopting parent written notice of its request together with the date and time of the hearing set to consider its report, the responsible social services agency shall file a report requesting an order for one of the following:

(1) that the time for filing a petition be extended because of the child's special needs as defined under title IV-E of the federal Social Security Act, United States Code, title 42, section 673;

(2) that, based on a written plan for completing filing of the petition, including a specific timeline, to which the adopting parent has agreed, the time for filing a petition can be extended long enough to complete the plan because an extension is in the best interests of the child and additional time is needed for the child to adjust to the adoptive home; or

(3) that the child can be removed from the adopting home.

(c) At the conclusion of the review, the court shall issue findings, appropriate orders for the parties to take action or steps required to advance the case toward a finalized adoption, and set the date and time for the next review hearing.

Subd. 3. Requirements of petition. (a) The petition shall be captioned in the legal name of the child as that name is reflected on the child's birth record prior to adoption and shall be entitled "Petition to Adopt Child under the Guardianship of the Commissioner of Human Services." The actual name of the child shall be supplied to the court by the responsible social services agency if unknown to the individual with whom the agency has made the adoptive placement.

(b) The adoption petition shall be verified as required in section 260C.141, subdivision 4, and, if filed by the responsible social services agency, signed and approved by the county attorney.

(c) The petition shall state:

   (iv) the responsible social services agency.
   (d) A petition may ask for the adoption of two or more children.
   (e) If a petition is for adoption by a married person, both spouses must sign the petition indicating willingness to adopt the child and the petition must ask for adoption by both spouses unless the court approves adoption by only one spouse when spouses do not reside together or for other good cause shown.
   (f) If the petition is for adoption by a person residing outside the state, the adoptive placement must have been approved by the state where the person is a resident through the Interstate Compact on the Placement of Children, sections 260.851 to 260.92.

Subd. 4. Attachments to the petition. The following must be filed with the petition:
(1) the adoption study report required under section 259.41;

and the adopting parent, if the court finds that it is in the best interests of the child that
the petition be granted, a decree of adoption shall be issued ordering that the child to be

(g) "Physical abuse" means any physical injury, mental injury, or threatened injury,
inflicted by a person responsible for the child's care on a child other than by accidental
means, or any physical or mental injury that cannot reasonably be explained by the child's

that have not been authorized under section 121A.67 or 245.825.

Abuse does not include reasonable and moderate physical discipline of a child
administered by a parent or legal guardian which does not result in an injury. Abuse does
not include the use of reasonable force by a teacher, principal, or school employee as

to the substances;
9. unreasonable physical confinement or restraint not permitted under section
609.379, including but not limited to tying, caging, or chaining; or
10. in a school facility or school zone, an act by a person responsible for the child's

(h) "Report" means any report received by the local welfare agency, police
department, county sheriff, or agency responsible for assessing or investigating
maltreatment pursuant to this section.

(i) "Facility" means:
(1) a licensed or unlicensed day care facility, residential facility, agency, hospital, sanitarium, or other facility or institution required to be licensed under sections 144.50 to 144.58, 241.021, or 245A.01 to 245A.16, or chapter 245B;

(n) "Threatened injury" means a statement, overt act, condition, or status that represents a substantial risk of physical or sexual abuse or mental injury. Threatened injury includes, but is not limited to, exposing a child to a person responsible for the child's care, as defined in paragraph (e), clause (1), who has:
(1) subjected a child to, or failed to protect a child from, an overt act or condition that constitutes egregious harm, as defined in section 260C.007, subdivision 14, or a similar law of another jurisdiction;
(2) been found to be palpably unfit under section 260C.301, paragraph (b), clause (4), or a similar law of another jurisdiction;
(3) committed an act that has resulted in an involuntary termination of parental rights under section 260C.301, or a similar law of another jurisdiction; or
(4) committed an act that has resulted in the involuntary transfer of permanent legal and physical custody of a child to a relative under section 260C.201, subdivision 11, paragraph (d), clause (1), or a similar law of another jurisdiction.
A child is the subject of a report of threatened injury when the responsible social services agency receives birth match data under paragraph (o) from the Department of Human Services.
(o) Upon receiving data under section 144.225, subdivision 2b, contained in a birth record or recognition of parentage identifying a child who is subject to threatened injury under paragraph (n), the Department of Human Services shall send the data to the
responsible social services agency. The data is known as "birth match" data. Unless the
responsible social services agency has already begun an investigation or assessment of the
report due to the birth of the child or execution of the recognition of parentage and the
parent's previous history with child protection, the agency shall accept the birth match
data as a report under this section. The agency may use either a family assessment or
investigation to determine whether the child is safe. All of the provisions of this section
apply. If the child is determined to be safe, the agency shall consult with the county
attorney to determine the appropriateness of filing a petition alleging the child is in need
of protection or services under section 260C.007, subdivision 6, clause (16), in order to
deliver needed services. If the child is determined not to be safe, the agency and the county
attorney shall take appropriate action as required under section 260C.301, subdivision 3.

(5) Persons who conduct assessments or investigations under this section
shall take into account accepted child-rearing practices of the culture in which a child
participates and accepted teacher discipline practices, which are not injurious to the child's
health, welfare, and safety.

"Accidental" means a sudden, not reasonably foreseeable, and unexpected
occurrence or event which:
1. is not likely to occur and could not have been prevented by exercise of due
care; and
2. if occurring while a child is receiving services from a facility, happens when the
facility and the employee or person providing services in the facility are in compliance
with the laws and rules relevant to the occurrence or event.

"Nonmaltreatment mistake" means:
1. at the time of the incident, the individual was performing duties identified in the
center's child care program plan required under Minnesota Rules, part 9503.0045;
2. the individual has not been determined responsible for a similar incident that
resulted in a finding of maltreatment for at least seven years;
3. the individual has not been determined to have committed a similar
nonmaltreatment mistake under this paragraph for at least four years;
4. any injury to a child resulting from the incident, if treated, is treated only with
remedies that are available over the counter, whether ordered by a medical professional or
not; and
5. except for the period when the incident occurred, the facility and the individual
providing services were both in compliance with all licensing requirements relevant to the
incident.
This definition only applies to child care centers licensed under Minnesota Rules, chapter 9503. If clauses (1) to (5) apply, rather than making a determination of substantiated maltreatment by the individual, the commissioner of human services shall determine that a nonmaltreatment mistake was made by the individual.

Sec. 54. Minnesota Statutes 2010, section 626.556, subdivision 10f, is amended to read:

Subd. 10f. Notice of determinations. Within ten working days of the conclusion of a family assessment, the local welfare agency shall notify the parent or guardian of the child of the need for services to address child safety concerns or significant risk of subsequent child maltreatment. The local welfare agency and the family may also jointly agree that family support and family preservation services are needed. Within ten working days of the conclusion of an investigation, the local welfare agency or agency responsible for assessing or investigating the report shall notify the parent or guardian of the child, the person determined to be maltreating the child, and if applicable, the director of the facility, of the determination and a summary of the specific reasons for the determination. When the investigation involves a child foster care setting that is monitored by a private licensing agency under section 245A.16, the local welfare agency responsible for assessing or investigating the report shall notify the private licensing agency of the determination and shall provide a summary of the specific reasons for the determination. The notice to the private licensing agency must include identifying private data, but not the identity of the reporter of maltreatment. The notice must also include a certification that the information collection procedures under subdivision 10, paragraphs (h), (i), and (j), were followed and a notice of the right of a data subject to obtain access to other private data on the subject collected, created, or maintained under this section. In addition, the notice shall include the length of time that the records will be kept under subdivision 11c. The investigating agency shall notify the parent or guardian of the child who is the subject of the report, and any person or facility determined to have maltreated a child, of their appeal or review rights under this section or section 256.022. The notice must also state that a finding of maltreatment may result in denial of a license application or background study disqualification under chapter 245C related to employment or services that are licensed by the Department of Human Services under chapter 245A, the Department of Health under chapter 144 or 144A, the Department of Corrections under section 241.021, and from providing services related to an unlicensed personal care provider organization under chapter 256B.

Sec. 55. Minnesota Statutes 2010, section 626.556, subdivision 10i, is amended to read:
Subd. 10i. **Administrative reconsideration; review panel.** (a) Administrative reconsideration is not applicable in family assessments since no determination concerning maltreatment is made. For investigations, except as provided under paragraph (e), an individual or facility that the commissioner of human services, a local social service agency, or the commissioner of education determines has maltreated a child, an interested person acting on behalf of the child, regardless of the determination, who contests the investigating agency's final determination regarding maltreatment, may request the investigating agency to reconsider its final determination regarding maltreatment. The request for reconsideration must be submitted in writing to the investigating agency within 15 calendar days after receipt of notice of the final determination regarding maltreatment or, if the request is made by an interested person who is not entitled to notice, within 15 days after receipt of the notice by the parent or guardian of the child. If mailed, the request for reconsideration must be postmarked and sent to the investigating agency within 15 calendar days of the individual's or facility's receipt of the final determination. If the request for reconsideration is made by personal service, it must be received by the investigating agency within 15 calendar days after the individual's or facility's receipt of the final determination. Effective January 1, 2002, an individual who was determined to have maltreated a child under this section and who was disqualified on the basis of serious or recurring maltreatment under sections 245C.14 and 245C.15, may request reconsideration of the maltreatment determination and the disqualification. The request for reconsideration of the maltreatment determination and the disqualification must be submitted within 30 calendar days of the individual's receipt of the notice of disqualification under sections 245C.16 and 245C.17. If mailed, the request for reconsideration of the maltreatment determination and the disqualification must be postmarked and sent to the investigating agency within 30 calendar days of the individual's receipt of the maltreatment determination and notice of disqualification. If the request for reconsideration is made by personal service, it must be received by the investigating agency within 30 calendar days after the individual's receipt of the notice of disqualification.

(b) Except as provided under paragraphs (e) and (f), if the investigating agency denies the request or fails to act upon the request within 15 working days after receiving the request for reconsideration, the person or facility entitled to a fair hearing under section 256.045 may submit to the commissioner of human services or the commissioner of education a written request for a hearing under that section. Section 256.045 also governs hearings requested to contest a final determination of the commissioner of education. For reports involving maltreatment of a child in a facility, an interested person acting on behalf of the child may request a review by the Child Maltreatment Review Panel under section...
S.F. No. 1675, 1st Engrossment - 87th Legislative Session (2011-2012) [S1675-1]

256.022 If the investigating agency denies the request or fails to act upon the request or if the interested person contests a reconsidered determination, the investigating agency shall notify persons who request reconsideration of their rights under this paragraph. The request must be submitted in writing to the review panel and a copy sent to the investigating agency within 30 calendar days of receipt of notice of a denial of a request for reconsideration or of a reconsidered determination. The request must specifically identify the aspects of the agency determination with which the person is dissatisfied.

(c) If, as a result of a reconsideration or review, the investigating agency changes the final determination of maltreatment, that agency shall notify the parties specified in subdivisions 10b, 10d, and 10f.

(d) Except as provided under paragraph (f), if an individual or facility contests the investigating agency's final determination regarding maltreatment by requesting a fair hearing under section 256.045, the commissioner of human services shall assure that the hearing is conducted and a decision is reached within 90 days of receipt of the request for a hearing. The time for action on the decision may be extended for as many days as the hearing is postponed or the record is held open for the benefit of either party.

(e) If an individual was disqualified under sections 245C.14 and 245C.15, on the basis of a determination of maltreatment, which was serious or recurring, and the individual has requested reconsideration of the maltreatment determination under paragraph (a) and requested reconsideration of the disqualification under sections 245C.21 to 245C.27, reconsideration of the maltreatment determination and reconsideration of the disqualification shall be consolidated into a single reconsideration. If reconsideration of the maltreatment determination is denied and the individual remains disqualified following a reconsideration decision, the individual may request a fair hearing under section 256.045. If an individual requests a fair hearing on the maltreatment determination and the disqualification, the scope of the fair hearing shall include both the maltreatment determination and the disqualification.

(f) If a maltreatment determination or a disqualification based on serious or recurring maltreatment is the basis for a denial of a license under section 245A.05 or a licensing sanction under section 245A.07, the license holder has the right to a contested case hearing under chapter 14 and Minnesota Rules, parts 1400.8505 to 1400.8612. As provided for under section 245A.08, subdivision 2a, the scope of the contested case hearing shall include the maltreatment determination, disqualification, and licensing sanction or denial of a license. In such cases, a fair hearing regarding the maltreatment determination and disqualification shall not be conducted under section 256.045. Except for family child care and child foster care, reconsideration of a maltreatment determination as provided
under this subdivision, and reconsideration of a disqualification as provided under section 245C.22, shall also not be conducted when:

(1) a denial of a license under section 245A.05 or a licensing sanction under section 245A.07, is based on a determination that the license holder is responsible for maltreatment or the disqualification of a license holder based on serious or recurring maltreatment;

(2) the denial of a license or licensing sanction is issued at the same time as the maltreatment determination or disqualification; and

(3) the license holder appeals the maltreatment determination or disqualification, and denial of a license or licensing sanction.

Notwithstanding clauses (1) to (3), if the license holder appeals the maltreatment determination or disqualification, but does not appeal the denial of a license or a licensing sanction, reconsideration of the maltreatment determination shall be conducted under sections 626.556, subdivision 10i, and 626.557, subdivision 9d, and reconsideration of the disqualification shall be conducted under section 245C.22. In such cases, a fair hearing shall also be conducted as provided under sections 245C.27, 626.556, subdivision 10i, and 626.557, subdivision 9d.

If the disqualified subject is an individual other than the license holder and upon whom a background study must be conducted under chapter 245C, the hearings of all parties may be consolidated into a single contested case hearing upon consent of all parties and the administrative law judge.

(g) For purposes of this subdivision, "interested person acting on behalf of the child" means a parent or legal guardian; stepparent; grandparent; guardian ad litem; adult stepbrother, stepsister, or sibling; or adult aunt or uncle; unless the person has been determined to be the perpetrator of the maltreatment.

Sec. 56. Minnesota Statutes 2010, section 626.556, subdivision 11, is amended to read:

Subd. 11. Records. (a) Except as provided in paragraph (b) or (d) and subdivisions 10b, 10d, 10g, and 11b, all records concerning individuals maintained by a local welfare agency or agency responsible for assessing or investigating the report under this section, including any written reports filed under subdivision 7, shall be private data on individuals, except insofar as copies of reports are required by subdivision 7 to be sent to the local police department or the county sheriff. All records concerning determinations of maltreatment by a facility are nonpublic data as maintained by the Department of Education, except insofar as copies of reports are required by subdivision 7 to be sent to the local police department or the county sheriff. Reports maintained by any police department or the county sheriff shall be private data on individuals except the reports...
shall be made available to the investigating, petitioning, or prosecuting authority, including county medical examiners or county coroners. Section 13.82, subdivisions 8, 9, and 14, apply to law enforcement data other than the reports. The local social services agency or agency responsible for assessing or investigating the report shall make available to the investigating, petitioning, or prosecuting authority, including county medical examiners or county coroners or their professional delegates, any records which contain information relating to a specific incident of neglect or abuse which is under investigation, petition, or prosecution and information relating to any prior incidents of neglect or abuse involving any of the same persons. The records shall be collected and maintained in accordance with the provisions of chapter 13. In conducting investigations and assessments pursuant to this section, the notice required by section 13.04, subdivision 2, need not be provided to a minor under the age of ten who is the alleged victim of abuse or neglect. An individual subject of a record shall have access to the record in accordance with those sections, except that the name of the reporter shall be confidential while the report is under assessment or investigation except as otherwise permitted by this subdivision. Any person conducting an investigation or assessment under this section who intentionally discloses the identity of a reporter prior to the completion of the investigation or assessment is guilty of a misdemeanor. After the assessment or investigation is completed, the name of the reporter shall be confidential. The subject of the report may compel disclosure of the name of the reporter only with the consent of the reporter or upon a written finding by the court that the report was false and that there is evidence that the report was made in bad faith. This subdivision does not alter disclosure responsibilities or obligations under the Rules of Criminal Procedure.

(b) Upon request of the legislative auditor, data on individuals maintained under this section must be released to the legislative auditor in order for the auditor to fulfill the auditor's duties under section 3.971. The auditor shall maintain the data in accordance with chapter 13.

(c) The commissioner of education must be provided with all requested data that are relevant to a report of maltreatment and are in possession of a school facility as defined in subdivision 2, paragraph (i), when the data is requested pursuant to an assessment or investigation of a maltreatment report of a student in a school. If the commissioner of education makes a determination of maltreatment involving an individual performing work within a school facility who is licensed by a board or other agency, the commissioner shall provide necessary and relevant information to the licensing entity to enable the entity to fulfill its statutory duties. Notwithstanding section 13.03, subdivision 4, data received by a licensing entity under this paragraph are governed by section 13.41 or other
applicable law governing data of the receiving entity, except that this section applies to the
classification of and access to data on the reporter of the maltreatment.

(d) The investigating agency shall exchange not public data with the Child
Maltreatment Review Panel under section 256.022 if the data are pertinent and necessary
for a review requested under section 256.022. Upon completion of the review, the not
public data received by the review panel must be returned to the investigating agency.

Sec. 57. REPEALER.

Minnesota Statutes 2010, section 256.022, is repealed.

must apply to families eligible for child care assistance under sections 119B.03 and
119B.05. Income must be as defined in section 119B.011, subdivision 15. The fixed
percent is based on the relationship of the family's annual gross income to 100 percent
of the annual state median income. Parent fees must begin at 75 percent of the poverty
level. The minimum parent fees for families between 75 percent and 100 percent of
poverty level must be $5 per month $2 per biweekly period. Parent fees must provide
for graduated movement to full payment. Payment of part or all of a family's parent
fee directly to the family's child care provider on behalf of the family by a source other
than the family shall not affect the family's eligibility for child care assistance, and the
amount paid shall be excluded from the family's income. Child care providers who accept

amount, and time period covered by the payment.

Sec. 4. Minnesota Statutes 2010, section 119B.125, subdivision 1a, is amended to read:

Subd. 1a. Background study required. This subdivision only applies to legal,
nonlicensed family child care providers. Prior to authorization, and as part of each
reauthorization required in subdivision 1, the county shall perform a background study on
every member of the provider's household who is age 13 and older. The background study
shall be conducted according to the procedures under subdivision 2. The county shall also
perform a background study on an individual who has reached age ten but is not yet age
13 and is living in the household where the nonlicensed child care will be provided when
the county has reasonable cause as defined under section 245C.02, subdivision 15.

Sec. 5. Minnesota Statutes 2010, section 119B.125, subdivision 2, is amended to read:

legal, nonlicensed family child care provider's household meets any of the conditions
under paragraphs (b) to (n), the provider must not be authorized as a legal nonlicensed
family child care provider. To determine whether any of the listed conditions exist, the
county must request information about the provider and other household members for
whom a background study is required under subdivision 1a from the Bureau of Criminal
Apprehension, the juvenile courts, and social service agencies. When one of the listed
entities does not maintain information on a statewide basis, the county must contact
the entity in the county where the provider resides and any other county in which the
provider or any household member previously resided in the past year. For purposes of
this subdivision, a finding that a delinquency petition is proven in juvenile court must be
considered a conviction in state district court. The provider seeking authorization under
this section shall collect the information required under section 245C.05, subdivision 1, and forward the information to the county agency. The background study must include a review of the information required under section 245C.08, subdivisions 2, 3, and 4, paragraph (b). Any bill submitted more than a year after the last date of service on the bill must not be paid.

(c) If a provider provided care for a time period without receiving an authorization of care and a billing form for an eligible family, payment of child care assistance may only be made retroactively for a maximum of six months from the date the provider is issued an authorization of care and billing form.

(d) A county may refuse to issue a child care authorization to a licensed or legal nonlicensed provider, revoke an existing child care authorization to a licensed or legal nonlicensed provider, stop payment issued to a licensed or legal nonlicensed provider, or may refuse to pay a bill submitted by a licensed or legal nonlicensed provider if:

The commissioner shall comply with Minnesota Statutes, section 14.389, in adopting the amendment.
