Sec. 9. Minnesota Statutes 2010, section 259.22, subdivision 2, is amended to read:

Subd. 2. Persons who may be adopted. No petition for adoption shall be filed unless the person sought to be adopted has been placed by the commissioner of human services, the commissioner’s agent, or a licensed child-placing agency. The provisions of this subdivision shall not apply if:

(1) the person to be adopted is over 14 years of age;
(2) the child is sought to be adopted by an individual who is related to the child, as defined by section 245A.02, subdivision 13;
(3) the child has been lawfully placed under the laws of another state while the child and petitioner resided in that other state;
(4) the court waives the requirement of this subdivision in the best interests of the child or petitioners, provided that the adoption does not involve a placement as defined in section 259.21, subdivision 8; or
(5) the child has been lawfully placed under section 259.47.

Sec. 10. Minnesota Statutes 2010, section 259.23, subdivision 1, is amended to read:
Subdivision 1. **Venue.** (a) Except as provided in section 260C.101, subdivision 2, the juvenile court shall have original jurisdiction in all adoption proceedings. The proper venue for an adoption proceeding shall be the county of the petitioner's residence, except as provided in paragraph (b) section 260C.621, subdivision 2, for the adoption of children under the guardianship of the commissioner. 

(b) Venue for the adoption of a child committed to the guardianship of the commissioner of human services shall be the county with jurisdiction in the matter. 

(c) Upon request of the petitioner, the court having jurisdiction over the matter under section 260C.317, subdivision 3, may transfer venue of an adoption proceeding involving a child under the guardianship of the commissioner to the county of the petitioner's residence upon determining that:

1. the commissioner has given consent to the petitioner's adoption of the child or that consent is unreasonably withheld;
2. there is no other adoption petition for the child that has been filed or is reasonably anticipated by the commissioner or the commissioner's delegate to be filed; and
3. transfer of venue is in the best interests of the child.

Transfer of venue under this paragraph shall be according to the rules of adoption court procedure.

(d) (b) In all other adoptions under this chapter, if the petitioner has acquired a new residence in another county and requests a transfer of the adoption proceeding, the court in which an adoption is initiated may transfer the proceeding to the appropriate court in the new county of residence if the transfer is in the best interests of the person to be adopted. 

The court transfers the proceeding by ordering a continuance and by forwarding to the court administrator of the appropriate court a certified copy of all papers filed, together with an order of transfer. The transferring court also shall forward copies of the order of transfer to the commissioner of human services and any agency participating in the proceedings. The judge of the receiving court shall accept the order of the transfer and any other documents transmitted and hear the case; provided, however, the receiving court may in its discretion require the filing of a new petition prior to the hearing.

Sec. 11. Minnesota Statutes 2010, section 259.24, subdivision 1, is amended to read:

Subdivision 1. **Exceptions.** (a) No child shall be adopted without the consent of the child's parents and the child's guardian, if there be one, except in the following instances consent is not required of a parent:
(a) Consent shall not be required of a parent (1) who is not entitled to notice of the proceedings;

(b) Consent shall not be required of a parent (2) who has abandoned the child; or of a parent who has lost custody of the child through a divorce decree or a decree of dissolution, and upon whom notice has been served as required by section 259.49; or

(c) Consent shall not be required of a parent (3) whose parental rights to the child have been terminated by a juvenile court or who has lost custody of a child through a final commitment of the juvenile court or through a decree in a prior adoption proceeding.

(d) If there be no parent or guardian qualified to consent to the adoption, the consent shall be given by the commissioner. After the court accepts a parent's consent to the adoption under section 260C.201, subdivision 11, consent by the commissioner or commissioner's delegate is also necessary. Agreement to the identified prospective adoptive parent by the responsible social services agency under section 260C.201, subdivision 11, does not constitute the required consent.

(e) (b) If there is no parent or guardian qualified to consent to the adoption, the commissioner or agency having authority to place a child for adoption pursuant to section 259.25, subdivision 1, shall have the exclusive right to consent to the adoption of such the child. The commissioner or agency shall make every effort to place siblings together for adoption. Notwithstanding any rule to the contrary, the commissioner may delegate the right to consent to the adoption or separation of siblings, if it is in the child's best interest, to a local social services agency.

Sec. 12. Minnesota Statutes 2010, section 259.24, subdivision 3, is amended to read:

Subd. 3. Child. When the child to be adopted is over 14 years of age, the child's written consent to adoption by a particular person is also necessary. A child of any age who is under the guardianship of the commissioner and is legally available for adoption may not refuse or waive the commissioner's agent's exhaustive efforts to recruit, identify, and place the child in an adoptive home required under section 260C.317, subdivision 3, paragraph (b), or sign a document relieving county social services agencies of all recruitment efforts on the child's behalf.

Sec. 13. Minnesota Statutes 2010, section 259.24, subdivision 5, is amended to read:

Subd. 5. Execution. All consents to an adoption shall be in writing, executed before two competent witnesses, and acknowledged by the consenting party. In addition, all consents to an adoption, except those by the commissioner, the commissioner's agent, a licensed child-placing agency, an adult adoptee, or the child's parent in a petition for
adoption by a stepparent, shall be executed before a representative of the commissioner, the commissioner's agent, or a licensed child placing agency. All consents by a parent to adoption under this chapter:

(1) shall contain notice to the parent of the substance of subdivision 6a, providing for the right to withdraw consent unless the parent will not have the right to withdraw consent because consent was executed under section 260C.201, subdivision 11, following proper notice that consent given under that provision is irrevocable upon acceptance by the court as provided in subdivision 6a; and

(2) shall contain the following written notice in all capital letters at least one-eighth inch high:

"This The agency responsible for supervising the adoptive placement of the child will submit your consent to adoption to the court. If you are consenting to adoption by the child's stepparent, the consent will be submitted to the court by the petitioner in your child's adoption. The consent itself does not terminate your parental rights. Parental rights to a child may be terminated only by an adoption decree or by a court order terminating parental rights. Unless the child is adopted or your parental rights are terminated, you may be asked to support the child."

Consents shall be filed in the adoption proceedings at any time before the matter is heard provided, however, that a consent executed and acknowledged outside of this state, either in accordance with the law of this state or in accordance with the law of the place where executed, is valid.

Sec. 14. Minnesota Statutes 2010, section 259.24, subdivision 6a, is amended to read:

Subd. 6a. Withdrawal of consent. Except for consents executed under section 260C.201, subdivision 11, a parent's consent to adoption under this chapter may be withdrawn for any reason within ten working days after the consent is executed and acknowledged. No later than the tenth working day after the consent is executed and acknowledged, written notification of withdrawal of consent must be received by: (1) the agency to which the child was surrendered no later than the tenth working day after the consent is executed and acknowledged; (2) the agency supervising the adoptive placement of the child; or (3) in the case of adoption by a stepparent or any adoption not involving agency placement or supervision, by the district court where the adopting stepparent or parent resides. On the day following the tenth working day after execution and acknowledgment, the consent shall become irrevocable, except upon order of a court of competent jurisdiction after written findings that consent was obtained by fraud. A consent to adopt executed under section 260C.201, subdivision 11, is irrevocable upon
proper notice to both parents of the effect of a consent to adopt and acceptance by the
court, except upon order of the same court after written findings that the consent was
obtained by fraud. In proceedings to determine the existence of fraud, the adoptive parents
and the child shall be made parties. The proceedings shall be conducted to preserve the
confidentiality of the adoption process. There shall be no presumption in the proceedings
favoring the birth parents over the adoptive parents.

Sec. 15. Minnesota Statutes 2010, section 259.24, subdivision 7, is amended to read:
Subd. 7. Withholding consent; reason. Consent to an adoption shall not be
unreasonably withheld by a guardian, who is not a parent of the child, by the commissioner
or by an agency.

Sec. 16. Minnesota Statutes 2010, section 259.29, subdivision 2, is amended to read:
Subd. 2. Placement with relative or friend. The authorized child-placing agency
shall consider placement, consistent with the child's best interests and in the following
order, with (1) a relative or relatives of the child, or (2) an important friend with whom the
child has resided or had significant contact. In implementing this section, an authorized
child-placing agency may disclose private or confidential data, as defined in section 13.02,
to relatives of the child for the purpose of locating a suitable adoptive home. The agency
shall disclose only data that is necessary to facilitate implementing the preference.

If the child's birth parent or parents explicitly request that placement with relatives a
specific relative or important friends friend not be considered, the authorized child-placing
agency shall honor that request if it is consistent with the best interests of the child and
consistent with the requirements of sections 260C.212, subdivision 2, and 260C.221.

If the child's birth parent or parents express a preference for placing the child in an
adoptive home of the same or a similar religious background to that of the birth parent
or parents, the agency shall place the child with a family that meets the birth parent's
religious preference.

This subdivision does not affect the Indian Child Welfare Act, United States
Code, title 25, sections 1901 to 1923, and the Minnesota Indian Family Preservation
Act, sections 260.751 to 260.835.

Sec. 17. Minnesota Statutes 2010, section 260C.193, subdivision 3, is amended to read:
Subd. 3. Best interest of the child in foster care or residential care. (a) The
policy of the state is to ensure that the best interests of children in foster or residential care
are met by requiring individualized determinations under section 260C.212, subdivision 2,
paragraph (b), of the needs of the child and of how the selected placement will serve the
needs of the child in foster care placements.
(b) The court shall review whether the responsible social services agency made
efforts as required under section 260C.212, subdivision 5, 260C.221, and made an
individualized determination as required under section 260C.212, subdivision 2. If
the court finds the agency has not made efforts as required under section 260C.212,
subdivision 5, 260C.221, and there is a relative who qualifies to be licensed to provide
family foster care under chapter 245A, the court may order the child placed with the
relative consistent with the child's best interests.
(c) If the child's birth parent or parents explicitly request that a relative or important
friend not be considered, the court shall honor that request if it is consistent with the
best interests of the child and consistent with the requirements of section 260C.221. If
the child's birth parent or parents express a preference for placing the child in a foster or
adoptive home of the same or a similar religious background to that of the birth parent
or parents, the court shall order placement of the child with an individual who meets the
birth parent's religious preference.
(d) Placement of a child cannot be delayed or denied based on race, color, or national
origin of the foster parent or the child.
(e) Whenever possible, siblings requiring foster care placement should be placed
together unless it is determined not to be in the best interests of a sibling after weighing
the benefits of separate placement against the benefits of sibling connections for each
sibling. If siblings are not placed together according to section 260C.212, subdivision 2,
paragraph (d), the responsible social services agency shall report to the court the efforts
made to place the siblings together and why the efforts were not successful. If the court is
not satisfied with the agency's efforts to place siblings together, the court may order the
agency to make further efforts. If siblings are not placed together the court shall review
the responsible social services agency's plan for visitation among siblings required as part
of the out-of-home placement plan under section 260C.212.
(f) This subdivision does not affect the Indian Child Welfare Act, United States
Code, title 25, sections 1901 to 1923, and the Minnesota Indian Family Preservation
Act, sections 260.751 to 260.835.

Sec. 18. Minnesota Statutes 2010, section 260C.201, subdivision 11a, is amended to
read:
Subd. 11a. Permanency progress review for children under eight in foster care
for six months. (a) If the child was under eight years of age at the time the petition
was filed alleging the child was in need of protection or services, and the

When a child continues in placement out of the home of the parent or guardian from whom the child was removed, no later than six months after the child's placement the court shall conduct a permanency progress hearing to review:

(1) the progress of the case, the parent's progress on the case plan or out-of-home placement plan, and whichever is applicable;

(2) the agency's reasonable, or in the case of an Indian child, active efforts for reunification and its provision of services;

(3) the agency's reasonable efforts to finalize the permanent plan for the child under section 260.012, paragraph (e), and to make a placement as required under section 260C.212, subdivision 2, in a home that will commit to being the legally permanent family for the child in the event the child cannot return home according to the timelines in this section; and

(4) in the case of an Indian child, active efforts to prevent the breakup of the Indian family and to make a placement according to the placement preferences under United States Code, title 25, chapter 21, section 1915.

(b) Based on its assessment of the parent's or guardian's progress on the out-of-home placement plan, the responsible social services agency must ask the county attorney to file a petition for termination of parental rights, a petition for transfer of permanent legal and physical custody to a relative, or the report required under juvenile court rules:

(b) The court shall ensure that notice of the hearing is sent to any relative who:

(1) responded to the agency's notice provided under section 260C.221 indicating an interest in participating in planning for the child or being a permanency resource for the child and who has kept the court apprised of his or her address; or

(2) asked to be notified of court proceedings regarding the child as is permitted in section 260C.152, subdivision 5.

(c)(1) If the parent or guardian has maintained contact with the child and is complying with the court-ordered out-of-home placement plan, and if the child would benefit from reunification with the parent, the court may either:

(i) return the child home, if the conditions which led to the out-of-home placement have been sufficiently mitigated that it is safe and in the child's best interests to return home; or

(ii) continue the matter up to a total of six additional months. If the child has not returned home by the end of the additional six months, the court must conduct a hearing according to subdivision 11.
(2) If the court determines that the parent or guardian is not complying with the
out-of-home placement plan or is not maintaining regular contact with the child as outlined
in the visitation plan required as part of the out-of-home placement plan under section
260C.212, the court may order the responsible social services agency:

(i) to develop a plan for legally permanent placement of the child away from the
parent and:

(ii) to consider, identify, recruit, and support one or more permanency resources
from the child's relatives and foster parent to be the legally permanent home in the event
the child cannot be returned to the parent. Any relative or the child's foster parent may
ask the court to order the agency to consider them for permanent placement of the child
in the event the child cannot be returned to the parent. A relative or foster parent who
wants to be considered under this item shall cooperate with the background study required
under section 245C.08, if the individual has not already done so, and with the home study
process required under chapter 245A for providing child foster care and for adoption
under section 259.41; the home study referred to in this item shall be a single-home study
in the form required by the commissioner of human services or similar study required
by the individual's state of residence when the subject of the study is not a resident of
Minnesota; the court may order the responsible social services agency to make a referral
under the Interstate Compact on the Placement of Children, sections 260.851 et al., when
necessary to obtain a home study for an individual who wants to be considered for transfer
of permanent legal and physical custody or adoption of the child; and

(iii) to file a petition to support an order for the legally permanent placement plan.

(d) Following the review under paragraphs (b) and (c) this subdivision:

(1) if the court has either returned the child home or continued the matter up to a
total of six additional months, the agency shall continue to provide services to support the
child's return home or to make reasonable efforts to achieve reunification of the child and
the parent as ordered by the court under an approved case plan;

(2) if the court orders the agency to develop a plan for the transfer of permanent
legal and physical custody of the child to a relative, a petition supporting the plan shall be
filed in juvenile court within 30 days of the hearing required under this subdivision and a
trial on the petition held within 30 days of the filing of the petition; or

(3) if the court orders the agency to file a termination of parental rights, unless the
county attorney can show cause why a termination of parental rights petition should not be
filed, a petition for termination of parental rights shall be filed in juvenile court within
30 days of the hearing required under this subdivision and a trial on the petition held
within 90 days of the filing of the petition.
Sec. 19. Minnesota Statutes 2010, section 260C.212, subdivision 1, is amended to read:

Subdivision 1. Out-of-home placement; plan. (a) An out-of-home placement plan shall be prepared within 30 days after any child is placed in foster care by court order or a voluntary placement agreement between the responsible social services agency and the child's parent pursuant to subdivision 8 or chapter 260D.

(b) An out-of-home placement plan means a written document which is prepared by the responsible social services agency jointly with the parent or parents or guardian of the child and in consultation with the child's guardian ad litem, the child's tribe, if the child is an Indian child, the child's foster parent or representative of the residential foster care facility, and, where appropriate, the child. For a child in voluntary foster care for treatment under chapter 260D, preparation of the out-of-home placement plan shall additionally include the child's mental health treatment provider. As appropriate, the plan shall be:

(1) submitted to the court for approval under section 260C.178, subdivision 7;

(2) ordered by the court, either as presented or modified after hearing, under section 260C.178, subdivision 7, or 260C.201, subdivision 6; and

(3) signed by the parent or parents or guardian of the child, the child's guardian ad litem, a representative of the child's tribe, the responsible social services agency, and, if possible, the child.

(c) The out-of-home placement plan shall be explained to all persons involved in its implementation, including the child who has signed the plan, and shall set forth:

(1) a description of the residential facility foster care home or facility selected including how the out-of-home placement plan is designed to achieve a safe placement for the child in the least restrictive, most family-like, setting available which is in close proximity to the home of the parent or parents or guardian of the child when the case plan goal is reunification, and how the placement is consistent with the best interests and special needs of the child according to the factors under subdivision 2, paragraph (b);

(2) the specific reasons for the placement of the child in a residential facility foster care, and when reunification is the plan, a description of the problems or conditions in the home of the parent or parents which necessitated removal of the child from home and the changes the parent or parents must make in order for the child to safely return home;

(3) a description of the services offered and provided to prevent removal of the child from the home and to reunify the family including:

(i) the specific actions to be taken by the parent or parents of the child to eliminate or correct the problems or conditions identified in clause (2), and the time period during which the actions are to be taken; and
(ii) the reasonable efforts, or in the case of an Indian child, active efforts to be made to achieve a safe and stable home for the child including social and other supportive services to be provided or offered to the parent or parents or guardian of the child, the child, and the residential facility during the period the child is in the residential facility;

(4) a description of any services or resources that were requested by the child or the child's parent, guardian, foster parent, or custodian since the date of the child's placement in the residential facility, and whether those services or resources were provided and if not, the basis for the denial of the services or resources;

(5) the visitation plan for the parent or parents or guardian, other relatives as defined in section 260C.007, subdivision 27, and siblings of the child if the siblings are not placed together in foster care, and whether visitation is consistent with the best interest of the child, during the period the child is in foster care;

(6) documentation of steps to finalize the adoption or legal guardianship of the child if the court has issued an order terminating the rights of both parents of the child or of the only known, living parent of the child. At a minimum, the documentation must include child-specific recruitment efforts such as relative search and the use of state, regional, and national adoption exchanges to facilitate orderly and timely placements in and outside of the state. A copy of this documentation shall be provided to the court in the review required under section 260C.317, subdivision 3, paragraph (b);

(7) efforts to ensure the child's educational stability while in foster care, including:

(i) efforts to ensure that the child in placement remains in the same school in which the child was enrolled prior to placement or upon the child's move from one placement to another, including efforts to work with the local education authorities to ensure the child's educational stability; or

(ii) if it is not in the child's best interest to remain in the same school that the child was enrolled in prior to placement or move from one placement to another, efforts to ensure immediate and appropriate enrollment for the child in a new school;

(8) the educational records of the child including the most recent information available regarding:

(i) the names and addresses of the child's educational providers;

(ii) the child's grade level performance;

(iii) the child's school record;

(iv) a statement about how the child's placement in foster care takes into account proximity to the school in which the child is enrolled at the time of placement; and

(v) any other relevant educational information;
(9) the efforts by the local agency to ensure the oversight and continuity of health care services for the foster child, including:

(i) the plan to schedule the child's initial health screens;

(ii) how the child's known medical problems and identified needs from the screens, including any known communicable diseases, as defined in section 144.4172, subdivision 2, will be monitored and treated while the child is in foster care;

(iii) how the child's medical information will be updated and shared, including the child's immunizations;

(iv) who is responsible to coordinate and respond to the child's health care needs, including the role of the parent, the agency, and the foster parent;

(v) who is responsible for oversight of the child's prescription medications;

(vi) how physicians or other appropriate medical and nonmedical professionals will be consulted and involved in assessing the health and well-being of the child and determine the appropriate medical treatment for the child; and

(vii) the responsibility to ensure that the child has access to medical care through either medical insurance or medical assistance;

(10) the health records of the child including information available regarding:

(i) the names and addresses of the child's health care and dental care providers;

(ii) a record of the child's immunizations;

(iii) the child's known medical problems, including any known communicable diseases as defined in section 144.4172, subdivision 2;

(iv) the child's medications; and

(v) any other relevant health care information such as the child's eligibility for medical insurance or medical assistance;

(11) an independent living plan for a child age 16 or older who is in placement as a result of a permanency disposition. The plan should include, but not be limited to, the following objectives:

(i) educational, vocational, or employment planning;

(ii) health care planning and medical coverage;

(iii) transportation including, where appropriate, assisting the child in obtaining a driver's license;

(iv) money management, including the responsibility of the agency to ensure that the youth annually receives, at no cost to the youth, a consumer report as defined under section 13C.001 and assistance in interpreting and resolving any inaccuracies in the report;

(v) planning for housing;

(vi) social and recreational skills; and
(vii) establishing and maintaining connections with the child's family and community; and

(12) for a child in voluntary foster care for treatment under chapter 260D, diagnostic and assessment information, specific services relating to meeting the mental health care needs of the child, and treatment outcomes.

(d) The parent or parents or guardian and the child each shall have the right to legal counsel in the preparation of the case plan and shall be informed of the right at the time of placement of the child. The child shall also have the right to a guardian ad litem.

If unable to employ counsel from their own resources, the court shall appoint counsel upon the request of the parent or parents or the child or the child's legal guardian. The parent or parents may also receive assistance from any person or social services agency in preparation of the case plan.

After the plan has been agreed upon by the parties involved or approved or ordered by the court, the foster parents shall be fully informed of the provisions of the case plan and shall be provided a copy of the plan.

Upon discharge from foster care, the parent, adoptive parent, or permanent legal and physical custodian, as appropriate, and the child, if appropriate, must be provided with a current copy of the child's health and education record.

Sec. 20. Minnesota Statutes 2010, section 260C.212, subdivision 2, is amended to read:

Subd. 2. Placement decisions based on best interest of the child. (a) The policy of the state of Minnesota is to ensure that the child's best interests are met by requiring an individualized determination of the needs of the child and of how the selected placement will serve the needs of the child being placed. The authorized child-placing agency shall place a child, released by court order or by voluntary release by the parent or parents, in a family foster home selected by considering placement with relatives and important friends in the following order:

(1) with an individual who is related to the child by blood, marriage, or adoption; or

(2) with an individual who is an important friend with whom the child has resided or had significant contact.

(b) Among the factors the agency shall consider in determining the needs of the child are the following:

(1) the child's current functioning and behaviors;

(2) the medical needs of the child;

(3) the educational needs of the child;

(4) the developmental needs of the child;
21.1 (5) the child's history and past experience;
21.2 (6) the child's religious and cultural needs;
21.3 (7) the child's connection with a community, school, and faith community;
21.4 (8) the child's interests and talents;
21.5 (9) the child's relationship to current caretakers, parents, siblings, and relatives;
21.6 and
21.7 (10) the reasonable preference of the child, if the court, or the child-placing
21.8 agency in the case of a voluntary placement, deems the child to be of sufficient age to
21.9 express preferences.
21.10 (c) Placement of a child cannot be delayed or denied based on race, color, or national
21.11 origin of the foster parent or the child.
21.12 (d) Siblings should be placed together for foster care and adoption at the earliest
21.13 possible time unless it is documented that a joint placement would be contrary to the
21.14 safety or well-being of any of the siblings or unless it is not possible after reasonable
21.15 efforts by the responsible social services agency. In cases where siblings cannot be placed
21.16 together, the agency is required to provide frequent visitation or other ongoing interaction
21.17 between siblings unless the agency documents that the interaction would be contrary to
21.18 the safety or well-being of any of the siblings.
21.19 (e) Except for emergency placement as provided for in section 245A.035, a
21.20 completed background study is required under section 245C.08 before the approval of a
21.21 foster placement in a related or unrelated home.

Sec. 21. Minnesota Statutes 2010, section 260C.212, subdivision 5, is amended to read:
21.23 Subd. 5. Relative search. (a) The responsible social services agency shall exercise
21.24 due diligence to identify and notify adult relatives prior to placement or within 30 days
21.25 after the child's removal from the parent. The county agency shall consider placement
21.26 with a relative under subdivision 2 section 260C.221 without delay. The relative search
21.27 required by this section shall be reasonable and comprehensive in scope and may last up
21.28 to six months or until a fit and willing relative is identified. The relative search required by
21.29 this section shall include both maternal relatives of the child and paternal relatives of the
21.30 child, if paternity is adjudicated. The relatives must be notified:
21.31 (1) of the need for a foster home for the child, the option to become a placement
21.32 resource for the child, and the possibility of the need for a permanent placement for the
21.33 child;
21.34 (2) of their responsibility to keep the responsible social services agency and the court
21.35 informed of their current address in order to receive notice in the event that a permanent
placement is sought for the child and to receive notice of the permanency progress review
hearing under section 260C.204. A relative who fails to provide a current address to the
responsible social services agency and the court forfeits the right to receive notice of
the possibility of permanent placement and of the permanency progress review hearing
under section 260C.204. A decision by a relative not to be a placement resource at the
beginning of the case shall not affect whether the relative is considered for placement of
the child with that relative later;

(3) that the relative may participate in the care and planning for the child, including
that the opportunity for such participation may be lost by failing to respond to the notice
sent under this subdivision; and

(4) of the family foster care licensing requirements, including how to complete an
application and how to request a variance from licensing standards that do not present a
safety or health risk to the child in the home under section 245A.04 and supports that are
available for relatives and children who reside in a family foster home.

(b) A responsible social services agency may disclose private or confidential data,
as defined in section 13.02, to relatives of the child for the purpose of locating a suitable
placement. The agency shall disclose only data that is necessary to facilitate possible
placement with relatives. If the child's parent refuses to give the responsible social
services agency information sufficient to identify the maternal and paternal relatives of the
child, the agency shall ask the juvenile court to order the parent to provide the necessary
information. If a parent makes an explicit request that relatives or a specific relative not
be contacted or considered for placement due to safety reasons including past family or
domestic violence, the agency shall bring the parent's request to the attention of the court
to determine whether the parent's request is consistent with the best interests of the child
and the agency shall not contact relatives or a specific relative unless authorized to do
so by when the juvenile court finds that contacting the specific relative would endanger
the parent, guardian, child, sibling, or any family member.

(c) When the placing agency determines that a permanent placement hearing is
necessary because there is a likelihood that the child will not return to a parent's care, the
agency may send the notice provided in paragraph (d), may ask the court to modify the
requirements of the agency under this paragraph, or may ask the court to completely
relieve the agency of the requirements of this paragraph (d). The relative notification
requirements of this paragraph do not apply when the child is placed with an appropriate
relative or a foster home that has committed to being the permanent legal placement for
the child and the agency approves of that foster home for permanent placement of the
child: The actions ordered by the court under this section must be consistent with the best
interests, safety, and welfare of the child.

(d) Unless required under the Indian Child Welfare Act or relieved of this duty by the
court under paragraph (c), when the agency determines that it is necessary to prepare for
the permanent placement determination hearing, or in anticipation of filing a termination
of parental rights petition, the agency shall send notice to the relatives, any adult with
whom the child is currently residing, any adult with whom the child has resided for one
year or longer in the past, and any adults who have maintained a relationship or exercised
visitation with the child as identified in the agency case plan. The notice must state that a
permanent home is sought for the child and that the individuals receiving the notice may
indicate to the agency their interest in providing a permanent home. The notice must state
that within 30 days of receipt of the notice an individual receiving the notice must indicate
to the agency the individual’s interest in providing a permanent home for the child or that
the individual may lose the opportunity to be considered for a permanent placement.

(e) The Department of Human Services shall develop a best practices guide and
specialized staff training to assist the responsible social services agency in performing and
complying with the relative search requirements under this subdivision.

Sec. 22. Minnesota Statutes 2010, section 260C.212, subdivision 7, is amended to read:

Subd. 7. Administrative or court review of placements. (a) There shall be an
administrative review of the out-of-home placement plan of each child placed in foster
care no later than 180 days after the initial placement of the child in foster care and at least
every six months thereafter if the child is not returned to the home of the parent or parents
within that time. The out-of-home placement plan must be monitored and updated at each
administrative review. The administrative review shall be conducted by the responsible
social services agency using a panel of appropriate persons at least one of whom is not
responsible for the case management of, or the delivery of services to, either the child or
the parents who are the subject of the review. The administrative review shall be open to
participation by the parent or guardian of the child and the child, as appropriate.

(b) As an alternative to the administrative review required in paragraph (a), the court
may, as part of any hearing required under the Minnesota Rules of Juvenile Protection
Procedure, conduct a hearing to monitor and update the out-of-home placement plan
pursuant to the procedure and standard in section 260C.201, subdivision 6, paragraph (d).
The party requesting review of the out-of-home placement plan shall give parties to the
proceeding notice of the request to review and update the out-of-home placement plan.
A court review conducted pursuant to section 260C.193; 260C.201, subdivision 1 or 11;
260C.141, subdivision 2; 260C.317; or 260D.06 shall satisfy the requirement for the
review so long as the other requirements of this section are met.

(c) As appropriate to the stage of the proceedings and relevant court orders, the
responsible social services agency or the court shall review:

(1) the safety, permanency needs, and well-being of the child;

(2) the continuing necessity for and appropriateness of the placement;

(3) the extent of compliance with the out-of-home placement plan;

(4) the extent of progress which has been made toward alleviating or mitigating the
causes necessitating placement in foster care;

(5) the projected date by which the child may be returned to and safely maintained in
the home or placed permanently away from the care of the parent or parents or guardian;
and

(6) the appropriateness of the services provided to the child.

(d) When a child is age 16 or older, in addition to any administrative review
conducted by the agency, at the in-court review required under section 260C.201,
subdivision 11, or 260C.317, subdivision 3, clause (3), the court shall review the
independent living plan required under subdivision 1, paragraph (c), clause (11), and the
provision of services to the child related to the well-being of the child as the child prepares
to leave foster care. The review shall include the actual plans related to each item in the
plan necessary to the child's future safety and well-being when the child is no longer
in foster care.

(1) At the court review, the responsible social services agency shall establish that it
has given the notice required under section 260C.456 or Minnesota Rules, part 9560.0660,
regarding the right to continued access to services for certain children in foster care past
age 18 and of the right to appeal a denial of social services under section 256.045. If the
agency is unable to establish that the notice, including the right to appeal a denial of social
services, has been given, the court shall require the agency to give it.

(2) Consistent with the requirements of the independent living plan, the court shall
review progress toward or accomplishment of the following goals:

(i) the child has obtained a high school diploma or its equivalent;

(ii) the child has completed a driver's education course or has demonstrated the
ability to use public transportation in the child's community;

(iii) the child is employed or enrolled in postsecondary education;

(iv) the child has applied for and obtained postsecondary education financial aid for
which the child is eligible;
(v) the child has health care coverage and health care providers to meet the child's physical and mental health needs;
(vi) the child has applied for and obtained disability income assistance for which the child is eligible;
(vii) the child has obtained affordable housing with necessary supports, which does not include a homeless shelter;
(viii) the child has saved sufficient funds to pay for the first month's rent and a damage deposit;
(ix) the child has an alternative affordable housing plan, which does not include a homeless shelter, if the original housing plan is unworkable;
(x) the child, if male, has registered for the Selective Service; and
(xi) the child has a permanent connection to a caring adult.
(3) The court shall ensure that the responsible agency in conjunction with the placement provider assists the child in obtaining the following documents prior to the child's leaving foster care: a Social Security card; the child's birth certificate; a state identification card or driver's license, green card, or school visa; the child's school, medical, and dental records; a contact list of the child's medical, dental, and mental health providers; and contact information for the child's siblings, if the siblings are in foster care.
(e) When a child is age 17 or older, during the 90-day period immediately prior to the date the child is expected to be discharged from foster care, the responsible social services agency is required to provide the child with assistance and support in developing a transition plan that is personalized at the direction of the child. The transition plan must be as detailed as the child may elect and include specific options on housing, health insurance, education, local opportunities for mentors and continuing support services, and work force supports and employment services. The agency shall ensure that the youth receives, at no cost to the youth, a copy of the youth's consumer credit report as defined in section 13C.001 and assistance in interpreting and resolving any inaccuracies in the report. The county agency shall also provide the individual youth with appropriate contact information if the individual youth needs more information or needs help dealing with a crisis situation through age 21.

Sec. 23. Minnesota Statutes 2010, section 260C.217, is amended to read:

260C.217 SAFE PLACE FOR NEWBORNS.

Subdivision 1. Duty to attempt reunification, duty to search for relatives, and preferences not applicable. A local responsible social service agency taking custody of a child after discharge from a hospital that received a child
under section 145.902 under subdivision 4 is not required to attempt to reunify the child
with the child's parents. Additionally, the agency is not required to search for relatives
of the child as a placement or permanency option under section 260C.212, subdivision
5, or to implement other placement requirements that give a preference to relatives if
the agency does not have information as to the identity of the child, the child's mother,
orp

Subd. 1a. Safe place. For purposes of this section, "safe place" means a hospital
under sections 144.50 to 144.56, health care provider that provides access to urgent care
services, or a sheriff's office during its hours of operation.

Subd. 2. Status of child. For purposes of proceedings under this chapter and,
including adoption proceedings, a newborn left at a hospital safe place or with a 911
responder under section 145.902 subdivision 3 is considered an abandoned child under
section 626.556, subdivision 2, paragraph (c), clause (3). The child is abandoned under
sections 260C.007, subdivision 6, clause (1), and 260C.301, subdivision 1, paragraph
(b), clause (1).

Subd. 3. Relinquish newborn. A mother or any person, with the mother's
permission, may bring a newborn infant to a safe place during its hours of operation
and leave the infant in the care of an employee of the safe place. The mother or person
with the mother's permission may also call 911 and request to have an ambulance or
other emergency responder under section 299J.02, subdivision 6, dispatched to an agreed
upon location to relinquish a newborn infant into the custody of the 911 responder to be
transported to a hospital. A safe place that is not a hospital must relinquish the child in
accordance with section 145.902, subdivision 1, paragraph (d).

Subd. 4. Placement of newborn. A hospital with whom a newborn is left shall,
within 24 hours, report receiving the newborn to the responsible social services agency.
The agency shall have legal responsibility for the placement of the newborn infant in
foster care for 72 hours during which time the agency shall file a petition under section
260C.141 and ask the court to order continued placement of the child in foster care. The
agency shall immediately begin planning for adoptive placement of the newborn.

Subd. 5. Care and treatment. A safe place or 911 responder with whom a newborn
is left may examine the newborn and provide necessary care and treatment, if any is
required, pending assumption of legal responsibility by the responsible social services
agency under subdivision 4.

Subd. 6. Immunity. A safe place or 911 responder with responsibility for
performing duties under this section, and any employee, doctor, or other medical, fire, or
law enforcement professional receiving, handling, treating, caring for, and reporting the
child as required in subdivision 4, are immune from any criminal liability that otherwise
might result from their actions, if they are acting in good faith in receiving a newborn, and
are immune from any civil liability that otherwise might result from merely receiving a
newborn.

Sec. 24. Minnesota Statutes 2010, section 260C.317, subdivision 3, is amended to read:

Subd. 3. Order; retention of jurisdiction. (a) A certified copy of the findings and
the order terminating parental rights, and a summary of the court's information concerning
the child shall be furnished by the court to the commissioner or the agency to which
guardianship is transferred.

(b) The orders shall be on a document separate from the findings. The court shall
furnish the individual to whom guardianship is transferred guardian a copy of the order
terminating parental rights.

(b) (c) When the court orders guardianship pursuant to this section, the court
shall retain jurisdiction in a case where adoption is the intended permanent placement
disposition until the child's adoption is finalized, the child is 18 years of age, or, for
children in foster care beyond age 18 pursuant to section 260C.451, until the individual
becomes 21 years of age according to the provisions set forth in sections 260C.192,
subdivision 6, and 260C.451. The guardian ad litem and counsel for the child shall
continue on the case until an adoption decree is entered. An in-court appearance hearing
must be held every 90 days following termination of parental rights for the court to review
progress toward an adoptive placement and the specific recruitment efforts the agency
has taken to find an adoptive family or other placement living arrangement for the child
and to finalize the adoption or other permanency plan. Review of the progress toward
adoption of a child under guardianship of the commissioner of human services shall be
conducted according to section 260C.607.

(c) The responsible social services agency may make a determination of compelling
reasons for a child to be in long-term foster care when the agency has made exhaustive
efforts to recruit, identify, and place the child in an adoptive home, and the child continues
in foster care for at least 24 months after the court has issued the order terminating
parental rights. A child of any age who is under the guardianship of the commissioner of
the Department of Human Services and is legally available for adoption may not refuse
or waive the commissioner's agent's exhaustive efforts to recruit, identify, and place the
child in an adoptive home required under paragraph (b) or sign a document relieving
county social services agencies of all recruitment efforts on the child's behalf. Upon
approving the agency's determination of compelling reasons, the court may order the child

placed in long-term foster care. At least every 12 months thereafter as long as the child
continues in out of home placement, the court shall conduct an in-court permanency
review hearing to determine the future status of the child using the review requirements of
section 260C.201, subdivision 11, paragraph (g).

(d) Upon terminating parental rights or upon a parent's consent to adoption
under section 260C.201, subdivision 11, resulting in an order for guardianship to the
commissioner of human services, the court shall retain jurisdiction:

(1) until the child is adopted;

(2) through the child's minority in a case where long-term; or

(3) as long as the child continues in or reenters foster care is the permanent
disposition whether under paragraph (e) or section 260C.201, subdivision 11, or, for
children in foster care age 18 or older under section 260C.451, until the individual
becomes 21 years of age according to the provisions in sections 260C.193, subdivision 6,
and 260C.451.

Sec. 25. Minnesota Statutes 2010, section 260C.317, subdivision 4, is amended to read:

Subd. 4. Rights of terminated parent. (a) Upon entry of an order terminating the
parental rights of any person who is identified as a parent on the original birth record of
the child as to whom the parental rights are terminated, the court shall cause written
notice to be made to that person setting forth:

(1) the right of the person to file at any time with the state registrar of vital statistics
a consent to disclosure, as defined in section 144.212, subdivision 11;

(2) the right of the person to file at any time with the state registrar of vital statistics
an affidavit stating that the information on the original birth record shall not be disclosed
as provided in section 144.2252; and

(3) the effect of a failure to file either a consent to disclosure, as defined in section
144.212, subdivision 11, or an affidavit stating that the information on the original birth
record shall not be disclosed.

(b) A parent whose rights are terminated under this section shall retain the ability to
enter into a contact or communication agreement under section 260C.619 if an agreement
is determined by the court to be in the best interests of the child. The agreement shall be
filed with the court at or prior to the time the child is adopted. An order for termination of
parental rights shall not be conditioned on an agreement under section 260C.619.

Sec. 26. Minnesota Statutes 2010, section 260C.325, subdivision 1, is amended to read:
Subdivision 1. Transfer of custody Guardianship. (a) If when the court terminates
parental rights of both parents or of the only known living legal parent, the court shall
order the guardianship and the legal custody of the child transferred to:
(1) the commissioner of human services;
(2) a licensed child-placing agency; or
(3) an individual who is willing and capable of assuming the appropriate duties
and responsibilities to the child.
(b) The court shall order transfer of guardianship and legal custody of a child to
the commissioner of human services only when the responsible county social services
agency had legal responsibility for planning for the permanent placement of the child and
the child was in foster care under the legal responsibility of the responsible county social
services agency at the time the court orders guardianship and legal custody transferred to
the commissioner. The court shall not order guardianship to the commissioner under any
other circumstances, except as provided in subdivision 3.

Sec. 27. Minnesota Statutes 2010, section 260C.325, subdivision 3, is amended to read:
Subd. 3. Both parents deceased. (a) If upon petition to the juvenile court for
guardianship by a reputable person, including but not limited to the responsible social
services agency as agent of the commissioner of human services, and upon hearing in
the manner provided in section 260C.163, the court finds that both parents or the only
known legal parent are or is deceased and no appointment has been made or petition for
appointment filed pursuant to sections 524.5-201 to 524.5-317, the court shall order the
guardianship and legal custody of the child transferred to:
(1) the commissioner of human services; or
(2) a licensed child-placing agency; or
(3) (2) an individual who is willing and capable of assuming the appropriate duties
and responsibilities to the child.
(b) The court shall order transfer of guardianship and legal custody of a child to the
commissioner of human services only if there is no individual who is willing and capable
of assuming the appropriate duties and responsibilities to the child.

Sec. 28. Minnesota Statutes 2010, section 260C.325, subdivision 4, is amended to read:
Subd. 4. Guardian's responsibilities. (a) A guardian appointed under the
provisions of this section has legal custody of a ward unless the court which appoints
the guardian gives legal custody to some other person. If the court awards custody to a
person other than the guardian, the guardian nonetheless has the right and responsibility of
reasonable visitation, except as limited by court order, the child and the right to visit the
child in foster care, the adoptive placement, or any other suitable setting at any time prior
to finalization of the adoption of the child. When the child is under the guardianship of the
commissioner, the responsible social services agency, as agent of the commissioner, has
the right to visit the child.

(b) When the guardian is a licensed child-placing agency, the guardian may shall
make all major decisions affecting the person of the ward child, including, but not limited
to, giving consent (when consent is legally required) to the marriage, enlistment in
the armed forces, medical, surgical, or psychiatric treatment, or adoption of the ward
child. When, pursuant to this section, the commissioner of human services is appointed
guardian, the commissioner may delegate to the responsible social services agency of
the county in which, after the appointment, the ward resides, the authority to act for the
commissioner in decisions affecting the person of the ward, including but not limited
to giving consent to the marriage, enlistment in the armed forces, medical, surgical, or
psychiatric treatment of the ward.

(c) When the commissioner is appointed guardian, the duties of the commissioner of
human services are established under sections 260C.601 to 260C.635.

(d) A guardianship created under the provisions of this section shall not of itself
include the guardianship of the estate of the ward child.

(e) The commissioner of human services, through the responsible social services
agency, or a licensed child-placing agency who is a guardian or who has authority and
responsibility for planning for the adoption of the child under section 259.25 or 259.47,
has the duty to make reasonable efforts to finalize the adoption of the child.

Sec. 29. Minnesota Statutes 2010, section 260C.328, is amended to read:

260C.328 CHANGE OF GUARDIAN; TERMINATION OF GUARDIANSHIP.

(a) Upon its own motion or upon petition of an interested party, the juvenile court
having jurisdiction of the child may, after notice to the parties and a hearing, remove
the guardian appointed by the juvenile court and appoint a new guardian in accordance
with the provisions of section 260C.325, subdivision 1, clause (a), (b), or (c). Upon a
showing that the child is emancipated, the court may discharge the guardianship. Any
child 14 years of age or older who is not adopted but who is placed in a satisfactory foster
home, may, with the consent of the foster parents, join with the guardian appointed by the
juvenile court in a petition to the court having jurisdiction of the child to discharge the
existing guardian and appoint the foster parents as guardians of the child.
(b) The authority of a guardian appointed by the juvenile court terminates when the individual under guardianship is no longer a minor or when guardianship is otherwise discharged, becomes age 18. However, an individual who has been under the guardianship of the commissioner and who has not been adopted may continue in foster care or reenter foster care pursuant to section 260C.451 and the responsible social services agency has continuing legal responsibility for the placement of the individual.

Sec. 30. **[260C.601] ADOPTION OF CHILDREN UNDER GUARDIANSHIP OF COMMISSIONER.**

Subdivision 1. **Review and finalization requirements; adoption procedures.** (a) Sections 260C.601 to 260C.635 establish:

(1) the requirements for court review of children under the guardianship of the commissioner; and

(2) procedures for timely finalizing adoptions in the best interests of children under the guardianship of the commissioner.

(b) Adoption proceedings for children not under the guardianship of the commissioner are governed by chapter 259.

Subd. 2. **Duty of responsible agency.** The responsible social services agency has the duty to act as the commissioner's agent in making reasonable efforts to finalize the adoption of all children under the guardianship of the commissioner pursuant to section 260C.325. In implementing these duties, the agency shall ensure that:

(1) the best interests of the child are met in the planning and granting of adoptions;

(2) a child under the guardianship of the commissioner is appropriately involved in planning for adoption;

(3) the diversity of Minnesota's population and diverse needs including culture, religion, and language of persons affected by adoption are recognized and respected; and

(4) the court has the timely information it needs to make a decision that is in the best interests of the child in reviewing the agency's planning for adoption and when ordering the adoption of the child.

Subd. 3. **Background study.** Consistent with section 245C.33 and United States Code, title 42, section 671, a completed background study is required before the adoptive placement of the child in a related or an unrelated home.

Sec. 31. **[260C.603] DEFINITIONS.**

Subdivision 1. **Scope.** For the purposes of sections 260C.601 to 260C.635, the terms defined in this section have the meanings given them.

The adoptive placement agreement must be in the commissioner's designated format.

Subd. 4. Adoptive parent. "Adoptive parent" has the meaning given in section 259A.01, subdivision 3.

Subd. 5. Adoptive placement. Subd. 8. Prospective adoptive parent. "Prospective adoptive parent" means an individual who may become an adopting parent regardless of whether the individual has an adoption study approving the individual for adoption, but who has not signed an adoption placement agreement.

Sec. 32. [260C.605] REASONABLE EFFORTS TO FINALIZE AN ADOPTION.

Subdivision 1. Requirements. (a) Reasonable efforts to finalize the adoption of a child under the guardianship of the commissioner shall be made by the responsible social services agency responsible for permanency planning for the child.

(b) Reasonable efforts to make a placement in a home according to the placement considerations under section 260C.212, subdivision 2, with a relative or foster parent who will commit to being the permanent resource for the child in the event the child cannot be reunified with a parent are required under section 260.012 and may be made concurrently with reasonable, or if the child is an Indian child, active efforts to reunify the child with the parent.
(c) Reasonable efforts under paragraph (b) must begin as soon as possible when the child is in foster care under this chapter, but not later than the hearing required under section 260C.204.

(d) Reasonable efforts to finalize the adoption of the child include:

(1) using age-appropriate engagement strategies to plan for adoption with the child;

(2) identifying an appropriate prospective adoptive parent for the child by updating the child's identified needs using the factors in section 260C.212, subdivision 2;

(3) making an adoptive placement that meets the child's needs by:

(i) completing or updating the relative search required under section 260C.221 and giving notice of the need for an adoptive home for the child to:

(A) relatives who have kept the agency or the court apprised of their whereabouts and who have indicated an interest in adopting the child; or

(B) relatives of the child who are located in an updated search;

(ii) an updated search is required whenever;

(A) there is no identified prospective adoptive placement for the child notwithstanding a finding by the court that the agency made diligent efforts under section 260C.221, in a hearing required under section 260C.202;

(B) the child is removed from the home of an adopting parent; or

(C) the court determines a relative search by the agency is in the best interests of the child;

(iii) engaging child's foster parent and the child's relatives identified as an adoptive resource during the search conducted under section 260C.221, to commit to being the prospective adoptive parent of the child; or

(iv) when there is no identified prospective adoptive parent:

(A) registering the child on the state adoption exchange as required in section 259.75 unless the agency documents to the court an exemption to placing the child on the state adoption exchange reported to the commissioner;

(B) reviewing all families with approved adoption home studies associated with the responsible social services agency;

(C) presenting the child to adoption agencies and adoption personnel who may assist with finding an adoptive home for the child;

(D) using newspapers and other media to promote the particular child;

(E) using a private agency under grant contract with the commissioner to provide adoption services for intensive child-specific recruitment efforts; and

(F) making any other efforts or using any other resources reasonably calculated to identify a prospective adoption parent for the child;
(4) updating and completing the social and medical history required under sections 259.43 and 260C.609;

(5) making, and keeping updated, appropriate referrals required by section 260.851,
the Interstate Compact on the Placement of Children;

(6) giving notice regarding the responsibilities of an adoptive parent to any
prospective adoptive parent as required under section 259.35;

(7) offering the adopting parent the opportunity to apply for or decline adoption
assistance under chapter 259A;

(8) certifying the child for adoption assistance, assessing the amount of adoption
assistance, and ascertaining the status of the commissioner's decision on the level of
payment if the adopting parent has applied for adoption assistance;

(9) placing the child with siblings. If the child is not placed with siblings, the agency
must document reasonable efforts to place the siblings together, as well as the reason for
separation. The agency may not cease reasonable efforts to place siblings together for final
adoption until the court finds further reasonable efforts would be futile or that placement
together for purposes of adoption is not in the best interests of one of the siblings; and

(10) working with the adopting parent to file a petition to adopt the child and with
the court administrator to obtain a timely hearing to finalize the adoption.

Subd. 2. No waiver. (a) The responsible social services agency shall make
reasonable efforts to recruit, assess, and match an adoptive home for any child under
the guardianship of the commissioner and reasonable efforts shall continue until an
adoptive placement is made and adoption finalized or until the child is no longer under the
guardianship of the commissioner.

(b) A child of any age who is under the guardianship of the commissioner and is
legally available for adoption may not refuse or waive the responsible social services
agency's reasonable efforts to recruit, identify, and place the child in an adoptive home
required under this section. The agency has an ongoing responsibility to work with the
child to explore the child's opportunities for adoption, and what adoption means for the
child, and may not accept a child's refusal to consider adoption as an option.

(c) The court may not relieve or otherwise order the responsible social services
agency to cease fulfilling the responsible social services agency's duty regarding
reasonable efforts to recruit, identify, and place the child in an adoptive home.

Sec. 33. [260C.607] REVIEW OF PROGRESS TOWARD ADOPTION.

Subdivision 1. Review hearings. (a) The court shall conduct a review of the
responsible social services agency's reasonable efforts to finalize adoption for any child
under the guardianship of the commissioner and of the progress of the case toward 
adoption at least every 90 days after the court issues an order that the commissioner is 
the guardian of the child.

(b) The review of progress toward adoption shall continue notwithstanding that an 
appeal is made of the order for guardianship.

(c) The agency's reasonable efforts to finalize the adoption must continue during the 
pendency of the appeal and all progress toward adoption shall continue except that the 
court may not finalize an adoption while the appeal is pending.

Subd. 2. Notice. Notice of review hearings shall be given by the court to:

(1) the responsible social services agency;

(2) the child, if the child is age ten and older;

(3) the child's guardian ad litem;

(4) relatives of the child who have kept the court informed of their whereabouts 
as required in section 260C.221 and who have responded to the agency's notice under 
section 260C.221, indicating a willingness to provide an adoptive home for the child 
unless the relative has been previously ruled out by the court as a suitable foster parent or 
permanency resource for the child;

(5) the current foster or adopting parent of the child;

(6) any foster or adopting parents of siblings of the child; and

(7) the Indian child's tribe.

Subd. 3. Right to participate. Any individual or entity listed in subdivision 2 may 
participate in the continuing reviews conducted under this section. No other individual 
or entity is required to be given notice or to participate in the reviews unless the court 
specifically orders that notice be given or participation in the reviews be required.

Subd. 4. Content of review. (a) The court shall review:

(1) the agency's reasonable efforts under section 260C.605 to finalize an adoption 
for the child as appropriate to the stage of the case; and 

(2) the child's current out-of-home placement plan required under section 260C.212, 
subdivision 1, to ensure the child is receiving all services and supports required to meet 
the child's needs as they relate to the child's:

(i) placement;

(ii) visitation and contact with siblings;

(iii) visitation and contact with relatives;

(iv) medical, mental, and dental health; and

(v) education.
S.F. No. 1675, 3rd Engrossment - 87th Legislative Session (2011-2012) [S1675-3]

(b) When the child is age 16 and older, and as long as the child continues in foster care, the court shall also review the agency's planning for the child's independent living after leaving foster care including how the agency is meeting the requirements of section 260C.212, subdivision 1, paragraph (c), clause (11). The court shall use the review requirements of section 260C.203, in any review conducted under this paragraph.

Subd. 5. Required placement by responsible social services agency. (a) No petition for adoption shall be filed for a child under the guardianship of the commissioner unless the child sought to be adopted has been placed for adoption with the adopting parent by the responsible social services agency. The court may order the agency to make an adoptive placement using standards and procedures under subdivision 6.

(b) Any relative or the child's foster parent who believes the responsible agency has not reasonably considered their request to be considered for adoptive placement as required under section 260C.212, subdivision 2, and who wants to be considered for adoptive placement of the child shall bring their request for consideration to the attention of the court during a review required under this section. The child's guardian ad litem and the child may also bring a request for a relative or the child's foster parent to be considered for adoptive placement. After hearing from the agency, the court may order the agency to take appropriate action regarding the relative's or foster parent's request for consideration under section 260C.212, subdivision 2, paragraph (b).

Subd. 6. Motion and hearing to order adoptive placement. (a) At any time after the district court orders the child under the guardianship of the commissioner of human services, but not later than 30 days after receiving notice required under section 260C.613, subdivision 1, paragraph (c), that the agency has made an adoptive placement, a relative or the child's foster parent may file a motion for an order for adoptive placement of a child who is under the guardianship of the commissioner if the relative or the child's foster parent:

(1) has an adoption home study under section 259.41 approving the relative or foster parent for adoption and has been a resident of Minnesota for at least six months before filing the motion. The court may waive the residency requirement for the moving party if there is a reasonable basis to do so; or

(2) is not a resident of Minnesota, but has an approved adoption home study by an agency licensed or approved to complete an adoption home study in the state of the individual's residence and the study is filed with the motion for adoptive placement.

(b) The motion shall be filed with the court conducting reviews of the child's progress toward adoption under this section. The motion and supporting documents must make a prima facie showing that the agency has been unreasonable in failing to make the
requested adoptive placement. The motion must be served according to the requirements
for motions under the Minnesota Rules of Juvenile Protection Procedure and shall be
made on all individuals and entities listed in subdivision 2.

(c) If the motion and supporting documents do not make a prima facie showing for
the court to determine whether the agency has been unreasonable in failing to make the
requested adoptive placement, the court shall dismiss the motion. If the court determines a
prima facie basis is made, the court shall set the matter for evidentiary hearing.

(d) At the evidentiary hearing the responsible social services agency shall proceed
first with evidence about the reason for not making the adoptive placement proposed by the
moving party. The moving party then has the burden of proving by a preponderance of the
evidence that the agency has been unreasonable in failing to make the adoptive placement.

(e) At the conclusion of the evidentiary hearing, if the court finds that the agency
has been unreasonable in failing to make the adoptive placement and that the relative or
the child's foster parent is the most suitable adoptive home to meet the child's needs
using the factors in section 260C.212, subdivision 2, paragraph (b), the court may order
the responsible social services agency to make an adoptive placement in the home of the
relative or the child's foster parent.

(f) In order to ensure that a timely adoption may occur, when the court orders the
responsible social services agency to make an adoptive placement under this subdivision,
the agency shall:

(1) make reasonable efforts to obtain a fully executed adoption placement agreement;

(2) work with the moving party regarding eligibility for adoption assistance as
required under chapter 259A; and

(3) if the moving party is not a resident of Minnesota, timely refer the matter for
approval of the adoptive placement through the Interstate Compact on the Placement of
Children, section 260.851 et al.

(g) Denial or granting of a motion for an order for adoptive placement after an
evidentiary hearing is an order, which may be appealed by the responsible social services
agency, the moving party, the child, when age ten or over, the child's guardian ad litem,
and any individual who had a fully executed adoption placement agreement regarding
the child at the time the motion was filed if the court's order has the effect of terminating
the adoption placement agreement. An appeal shall be conducted according to the
requirements of the Rules of Juvenile Protection Procedure.

Subd. 7. Changing adoptive plan when parent has consented to adoption.

When the child's parent has consented to adoption under section 260C.515, subdivision 3,
only the person identified by the parent and agreed to by the agency as the prospective
Adoptive parent qualifies for adoptive placement of the child until the responsible social services agency has reported to the court and the court has found in a hearing under this section that it is not possible to finalize an adoption by the identified prospective adoptive parent within 12 months of the execution of the consent to adopt under section 260C.515, subdivision 3, unless the responsible social services agency certifies that the failure to finalize is not due to either an action or a failure to act by the prospective adoptive parent.

Subd. 8. Timing modified. (a) The court may review the responsible social services agency's reasonable efforts to finalize an adoption more frequently than every 90 days whenever a more frequent review would assist in finalizing the adoption.

(b) In appropriate cases, the court may review the responsible social services agency's reasonable efforts to finalize an adoption less frequently than every 90 days. The court shall not find it appropriate to review progress toward adoption less frequently than every 90 days except when:

(1) the court has approved the agency's reasonable efforts to recruit, identify, and place the child in an adoptive home on a continuing basis for at least 24 months after the court has issued the order for guardianship;

(2) the child is at least 16 years old; and

(3) the child's guardian ad litem agrees that review less frequently than every 90 days is in the child's best interests.

(c) In no event shall the court's review be less frequent than every six months.

Sec. 34. [260C.609] SOCIAL AND MEDICAL HISTORY.

(a) The responsible social services agency shall work with the birth family of the child, foster family, medical and treatment providers, and the child's school to ensure there is a detailed, thorough, and currently up-to-date social and medical history of the child as required under section 259.43 on the forms required by the commissioner.

(c) The agency shall thoroughly discuss the child's history with the adopting parent of the child and shall give a copy of the report of the child's social and medical history to the adopting parent. A copy of the child's social and medical history may also be given to the child as appropriate.

(d) The report shall not include information that identifies birth relatives. Redacted copies of all the child's relevant evaluations, assessments, and records must be attached to the social and medical history.
Sec. 35. **[260C.611]** ADOPTION STUDY REQUIRED.

An adoption study under section 259.41 approving placement of the child in the home of the prospective adoptive parent shall be completed before placing any child under the guardianship of the commissioner in a home for adoption. If a prospective adoptive parent has previously held a foster care license or adoptive home study, any update necessary to the foster care license, or updated or new adoptive home study, if not completed by the licensing authority responsible for the previous license or home study, shall include collateral information from the previous licensing or approving agency, if available.

Sec. 36. **[260C.613]** SOCIAL SERVICES AGENCY AS COMMISSIONER'S AGENT.

Subdivision 1. **Adoptive placement decisions.** (a) The responsible social services agency has exclusive authority to make an adoptive placement of a child under the guardianship of the commissioner. The child shall be considered placed for adoption when the adopting parent, the agency, and the commissioner have fully executed an adoption placement agreement on the form prescribed by the commissioner.

(b) The responsible social services agency shall use an individualized determination of the child's current needs pursuant to section 260C.212, subdivision 2, paragraph (b), to determine the most suitable adopting parent for the child in the child's best interests.

(c) The responsible social services agency shall notify the court and parties entitled to notice under section 260C.607, subdivision 2, when there is a fully executed adoption placement agreement for the child.

(d) In the event an adoption placement agreement terminates, the responsible social services agency shall notify the court, the parties entitled to notice under section 260C.607, subdivision 2, and the commissioner that the agreement and the adoptive placement have terminated.

Subd. 2. **Disclosure of data permitted to identify adoptive parent.** The responsible social services agency may disclose private data, as defined in section 13.02, to prospective adoptive parents for the purpose of identifying an adoptive parent willing and able to meet the child's needs as outlined in section 260C.212, subdivision 2, paragraph (b).

Subd. 3. **Siblings placed together.** The responsible social services agency shall place siblings together for adoption according to section 260.012, paragraph (e), clause (4), unless:

1. the court makes findings required under section 260C.617; and
Article 1 Sec. 36.

40.1  (2) the court orders that the adoption or progress toward adoption of the child under
40.2  the court's jurisdiction may proceed notwithstanding that the adoption will result in
40.3  siblings being separated.

40.4  Subd. 4. Other considerations. Placement of a child cannot be delayed or denied
40.5  based on the race, color, or national origin of the prospective parent or the child.

40.6  Subd. 5. Required record keeping. The responsible social services agency
40.7  shall document, in the records required to be kept under section 259.79, the reasons
40.8  for the adoptive placement decision regarding the child, including the individualized
40.9  determination of the child's needs based on the factors in section 260C.212, subdivision
40.10  2, paragraph (b), and the assessment of how the selected adoptive placement meets the
40.11  identified needs of the child. The responsible social services agency shall retain in the
40.12  records required to be kept under section 259.79, copies of all out-of-home placement
40.13  plans made since the child was ordered under guardianship of the commissioner and all
40.14  court orders from reviews conducted pursuant to section 260C.607.

40.15  Subd. 6. Death notification. (a) The agency shall inform the adoptive parents
40.16  that the adoptive parents of an adopted child under age 19 or an adopted person age 19
40.17  or older may maintain a current address on file with the agency and indicate a desire to
40.18  be notified if the agency receives information of the death of a birth parent. The agency
40.19  shall notify the birth parents of the child's death and the cause of death, if known, provided
40.20  that the birth parents desire notice and maintain current addresses on file with the agency.
40.21  The agency shall inform birth parents entitled to notice under section 259.27, that they
40.22  may designate individuals to notify the agency if a birth parent dies and that the agency
40.23  receiving information of the birth parent's death will share the information with adoptive
40.24  parents, if the adopted person is under age 19, or an adopted person age 19 or older who
40.25  has indicated a desire to be notified of the death of a birth parent and who maintains
40.26  a current address on file with the agency.

40.27  (b) Notice to a birth parent that a child has died or to the adoptive parents or an
40.28  adopted person age 19 or older that a birth parent has died shall be provided by an
40.29  employee of the agency through personal and confidential contact, but not by mail.

40.30  Subd. 7. Terminal illness notification. If a birth parent or the child is terminally ill,
40.31  the responsible social services agency shall inform the adoptive parents and birth parents
40.32  of a child who is adopted that the birth parents, the adoptive parents of an adopted person
40.33  under age 19, or an adopted person age 19 or older may request to be notified of the
40.34  terminal illness. The agency shall notify the other parties if a request is received under
40.35  this subdivision and upon a party's request the agency shall share information regarding a

Subd. 8. **Postadoption search services.** The responsible social services agency shall respond to requests from adopted persons aged 19 years and over, adoptive parents of a minor child, and birth parents for: social and medical history and genetic health conditions of the adopted person's birth family and genetic sibling information, according to section 259.83.

Sec. 37. **[260C.615] DUTIES OF COMMISSIONER.**

Subdivision 1. **Duties.** (a) For any child who is under the guardianship of the commissioner, the commissioner has the exclusive rights to consent to:

1. the medical care plan for and treatment of a child who is at imminent risk of death or who has a chronic disease that, in a physician's judgment, will result in the child's death in the near future, including a physician's order not to resuscitate or intubate the child; and

2. the child donating a part of the child's body to another person while the child is living. The decision to donate a body part under this subdivision shall take into consideration the child's wishes and the child's culture.

(b) In addition to the exclusive rights under paragraph (a), the commissioner has a duty to:

1. process any complete and accurate request for home study and placement through the Interstate Compact on the Placement of Children under section 260.851;

2. process any complete and accurate application for adoption assistance forwarded by the responsible social services agency according to chapter 259A;

3. complete the execution of an adoption placement agreement forwarded to the commissioner by the responsible social services agency and return it to the agency in a timely fashion; and

4. maintain records as required in chapter 259.

Subd. 2. **Duties not reserved.** All duties, obligations, and consents not specifically reserved to the commissioner in this section are delegated to the responsible social services agency.

Sec. 38. **[260C.617] SIBLING PLACEMENT.**

(a) The responsible social services agency shall make every effort to place siblings together for adoption.

(b) The court shall review any proposal by the responsible social services agency to separate siblings for purposes of adoption.

(c) If there is venue in more than one county for matters regarding siblings who are under the guardianship of the commissioner, the judges conducting reviews regarding
the siblings shall communicate with each other about the siblings' needs and, where
appropriate, shall conduct review hearings in a manner that ensures coordinated planning
by agencies involved in decision making for the siblings,
(d) After notice to the individuals and entities listed in section 260C.627, the foster
or prospective adoptive parent of the child, and any foster, adopting, or adoptive parents
of the child's siblings, or relatives with permanent legal and physical custody of the
child's sibling, and upon hearing, the court may determine that a child under the court's
jurisdiction may be separated from the child's sibling for adoption when:
(1) the responsible social services agency has made reasonable efforts to place the
siblings together, and after finding reasonable efforts have been made, the court finds
further efforts would significantly delay the adoption of one or more of the siblings and
are therefore not in the best interests of one or more of the siblings; or
(2) the court determines it is not in the best interests of one or more of the siblings to
be placed together after reasonable efforts by the responsible social services agency to
place the siblings together.

Sec. 39. [260C.619] COMMUNICATION AND CONTACT AGREEMENTS.
(a) An adopting parent and a relative or foster parent of the child may enter into an
agreement regarding communication with or contact between the adopted child, adopting
parent, and the relative or foster parent. An agreement may be entered between:
(1) an adopting parent and a birth parent;
(2) an adopting parent and any relative or foster parent with whom the child resided
before being adopted; and
(3) an adopting parent and the parent or legal custodian of a sibling of the child, if
the sibling is a minor, or any adult sibling of the child.
(b) An agreement regarding communication with or contact between the child,
adoptive parents, and a relative or foster parent, is enforceable when the terms of the
agreement are contained in a written court order. The order must be issued before or at the
time of the granting of the decree of adoption. The order granting the communication,
contact, or visitation shall be filed in the adoption file.
(c) The court shall mail a certified copy of the order to the parties to the agreement or
their representatives at the addresses provided by the parties to the agreement. Service shall
be completed in a manner that maintains the confidentiality of confidential information.
(d) The court shall not enter a proposed order unless the terms of the order have been
approved in writing by the prospective adoptive parents, the birth relative, the foster
parent, or the birth parent or legal custodian of the child's sibling who desires to be a party
to the agreement, and the responsible social services agency.

(e) An agreement under this section need not disclose the identity of the parties to be
legally enforceable and when the identity of the parties to the agreement is not disclosed,
data about the identities in the adoption file shall remain confidential.

(f) The court shall not enter a proposed order unless the court finds that the
communication or contact between the minor adoptee, the adoptive parents, and the
relative, foster parents, or siblings as agreed upon and contained in the proposed order,
would be in the child's best interests.

(g) Failure to comply with the terms of an order regarding communication or contact
that has been entered by the court under this section is not grounds for:

(1) setting aside an adoption decree; or

(2) revocation of a written consent to an adoption after that consent has become
irrevocable.

(h) An order regarding communication or contact entered under this section may be
enforced by filing a motion in the existing adoption file with the court that entered the
contact agreement. Any party to the communication or contact order or the child who is
the subject of the order has standing to file the motion to enforce the order. The prevailing
party may be awarded reasonable attorney fees and costs.

(i) The court shall not modify an order under this section unless it finds that the
modification is necessary to serve the best interests of the child, and:

(1) the modification is agreed to by the parties to the agreement; or

(2) exceptional circumstances have arisen since the order was entered that justified
modification of the order.

Sec. 40. [260C.621] JURISDICTION AND VENUE.

Subdivision 1. Jurisdiction. (a) The juvenile court has original jurisdiction for all
adoption proceedings involving the adoption of a child under the guardianship of the
commissioner, including when the commissioner approves the placement of the child
through the Interstate Compact on the Placement of Children under section 260.851 for
adoption outside the state of Minnesota and an adoption petition is filed in Minnesota.

(b) The receiving state also has jurisdiction to conduct an adoption proceeding for a
child under the guardianship of the commissioner when the adopting home was approved
by the receiving state through the interstate compact.
Subd. 2. **Venue.** (a) Venue for the adoption of a child committed to the guardianship of the commissioner of human services shall be the court conducting reviews in the matter according to section 260C.607.

(b) Upon request of the responsible social services agency, the court conducting reviews under section 260C.607 may order that filing an adoption petition involving a child under the guardianship of the commissioner be permitted in the county where the adopting parent resides upon determining that:

(1) there is no motion for an order for adoptive placement of the child that has been filed or is reasonably anticipated by the responsible social services agency to be filed; and

(2) filing the petition in the adopting parent's county of residence will expedite the proceedings and serve the best interests of the child.

(c) When the court issues an order under paragraph (b), a copy of the court order shall be filed together with the adoption petition in the court of the adopting parent's county of residence.

(d) The court shall notify the court conducting reviews under section 260C.607 when the adoption is finalized so that the court conducting reviews under section 260C.607 may close its jurisdiction and the court record, including the court's electronic case record, in the county conducting the reviews, shall reflect that adoption of the child was finalized.

---

Sec. 41. **[260C.623] ADOPTION PETITION.**

Subdivision 1. **Who may petition.** (a) The responsible social services agency may petition for the adopting parent to adopt a child who is under the guardianship of the adopting parent. The petition shall contain or have attached a statement certified by the adopting parent that the adopting parent desires that the relationship of parent and child be established between the adopting parent and the child and that adoption is in the best interests of the child.

(b) The adopting parent may petition the court for adoption of the child.

(c) An adopting parent must be at least 21 years of age at the time the adoption petition is filed unless the adopting parent is an individual related to the child, as defined by section 245A.02, subdivision 13.

(d) The petition may be filed in Minnesota by an adopting parent who resides within or outside the state.

Subd. 2. **Time for filing petition.** (a) An adoption petition shall be filed not later than nine months after the date of the fully executed adoption placement agreement unless the court finds that:
(1) the time for filing a petition be extended because of the child's special needs as defined under title IV-E of the federal Social Security Act, United States Code, title 42, section 672; or

(2) based on a written plan for completing filing of the petition, including a specific timeline, to which the adopting parent has agreed, the time for filing a petition be extended long enough to complete the plan because an extension is in the best interests of the child and additional time is needed for the child to adjust to the adoptive home.

(b) If an adoption petition is not filed within nine months of the execution of the adoption placement agreement as required under section 260C.613, subdivision 1, and after giving the adopting parent written notice of its request together with the date and time of the hearing set to consider its report, the responsible social services agency shall file a report requesting an order for one of the following:

(1) that the time for filing a petition be extended because of the child's special needs as defined under title IV-E of the federal Social Security Act, United States Code, title 42, section 673;

(2) that, based on a written plan for completing filing of the petition, including a specific timeline, to which the adopting parent has agreed, the time for filing a petition can be extended long enough to complete the plan because an extension is in the best interests of the child and additional time is needed for the child to adjust to the adoptive home; or

(3) that the child can be removed from the adopting home.

(c) At the conclusion of the review, the court shall issue findings, appropriate orders for the parties to take action or steps required to advance the case toward a finalized adoption, and set the date and time for the next review hearing.

Subd. 3. **Requirements of petition.** (a) The petition shall be captioned in the legal name of the child as that name is reflected on the child's birth record prior to adoption and shall be entitled "Petition to Adopt Child under the Guardianship of the Commissioner of Human Services." The actual name of the child shall be supplied to the court by the responsible social services agency if unknown to the individual with whom the agency has made the adoptive placement.

(b) The adoption petition shall be verified as required in section 260C.141, subdivision 4, and, if filed by the responsible social services agency, signed and approved by the county attorney.

(c) The petition shall state:

(10) the name and address of:

(i) the child's guardian ad litem;

(ii) the adoptee, if age ten or older;

(iii) the child's Indian tribe, if the child is an Indian child; and

(iv) the responsible social services agency.

(d) A petition may ask for the adoption of two or more children.

(e) If a petition is for adoption by a married person, both spouses must sign the

petition indicating willingness to adopt the child and the petition must ask for adoption by

both spouses unless the court approves adoption by only one spouse when spouses do not

reside together or for other good cause shown.

(f) If the petition is for adoption by a person residing outside the state, the adoptive

placement must have been approved by the state where the person is a resident through the

Interstate Compact on the Placement of Children, sections 260.851 to 260.92.

Subd. 4. Attachments to the petition. The following must be filed with the petition:

(1) the adoption study report required under section 259.41;

(2) the social and medical history required under sections 259.43 and 260C.609; and

(3) a document prepared by the petitioner that establishes who must be given notice

the order filed under clause (2) has a copy of the consent attached; and
(6) the postplacement assessment report required under section 259.53, subdivision
2.
(b) The responsible social services agency shall provide any known aliases of the
child to the court.
Sec. 43. [260C.627] NOTICE OF ADOPTION PROCEEDINGS.

terminated must consent to the adoption of the child. A parent may consent to the adoption
of the child under section 260C.515, subdivision 3, and that consent shall be irrevocable
upon acceptance by the court except as otherwise provided in section 260C.515,
subdivision 3, clause (2)(i). A parent of an Indian child may consent to the adoption of
the child according to United States Code, title 25, section 1913, and that consent may be
withdrawn for any reason at any time before the entry of a final decree of adoption.
(b) When the child to be adopted is age 14 years or older, the child's written consent to adoption by the adopting parent is required.

c) Consent by the responsible social services agency or the commissioner is not required because the adoptive placement has been made by the responsible social services agency.

Subd. 2. Required documents. In order to issue a decree for adoption and enter judgment accordingly, the court must have the following documents in the record:

(1) original birth record of the child;

(2) adoption study report including a background study required under section 259.41;

(a) After taking testimony from the responsible social services agency, which may be by telephone or affidavit if the court has transferred venue of the matter to a county, not conducting the posttermination of parental rights reviews under section 260C.607, and the adopting parent, if the court finds that it is in the best interests of the child that the petition be granted, a decree of adoption shall be issued ordering that the child to be adopted shall be the child of the adopting parent. In the decree, the court may change the name of the adopted child, if a name change is requested.

(b) After the decree is granted, the court administrator shall mail a copy of the decree to the commissioner of human services.

Sec. 46. [260C.633] ADOPTION DENIED.

(a) If the court is not satisfied that the proposed adoption is in the best interests of the child to be adopted, the court shall deny the petition, and order the responsible social services agency to take appropriate action for the protection and safety of the child. If venue has been transferred under section 260C.621, subdivision 2, the court denying

(b) The child shall inherit from the adoptive parent and the adoptive parent's relatives the same as though the child were the birth child of the parent, and in case of the child's death intestate, the adoptive parent and the adoptive parent's relatives shall inherit the child's estate as if the child had been the adoptive parent's birth child.

(c) After a decree of adoption is entered, the birth parents or previous legal parents of the child shall be relieved of all parental responsibilities for the child except child support that has accrued to the date of the order for guardianship to the commissioner which continues to be due and owing. Subd. 2. Definitions. As used in this section, the following terms have the meanings given them unless the specific content indicates otherwise:

(a) "Family assessment" means a comprehensive assessment of child safety, risk of subsequent child maltreatment, and family strengths and needs that is applied to a child maltreatment report that does not allege substantial child endangerment. Family assessment does not include a determination as to whether child maltreatment occurred but does determine the need for services to address the safety of family members and the risk of subsequent maltreatment.

(b) "Investigation" means fact gathering related to the current safety of a child and the risk of subsequent maltreatment that determines whether child maltreatment occurred and whether child protective services are needed. An investigation must be used when reports involve substantial child endangerment, and for reports of maltreatment in facilities required to be licensed under chapter 245A or 245B; under sections 144.50 to 144.58 and 241.021; in a school as defined in sections 120A.05, subdivisions 9, 11, and 13, and 124D.10; or in a nonlicensed personal care provider association as defined in sections 256B.04, subdivision 16, and 256B.0625, subdivision 19a.

(5) murder in the first, second, or third degree under section 609.185, 609.19, or 609.195;

(6) manslaughter in the first or second degree under section 609.20 or 609.205;

(10) solicitation of children to engage in sexual conduct under section 609.352;

(11) malicious punishment or neglect or endangerment of a child under section 609.377 or 609.378;

(12) use of a minor in sexual performance under section 617.246; or

(d) "Sexual abuse" means the subjection of a child by a person responsible for the child's care, by a person who has a significant relationship to the child, as defined in section 609.341, or by a person in a position of authority, as defined in section 609.341, subdivision 10, to any act which constitutes a violation of section 609.342 (criminal sexual conduct in the first degree), 609.343 (criminal sexual conduct in the second degree), 609.344 (criminal sexual conduct in the third degree), 609.345 (criminal sexual conduct in the fourth degree), or 609.3451 (criminal sexual conduct in the fifth degree). Sexual abuse also includes any act which involves a minor which constitutes a violation of prostitution offenses under sections 609.321 to 609.324 or 617.246. Sexual abuse includes threatened sexual abuse.

(e) "Person responsible for the child's care" means (1) an individual functioning within the family unit and having responsibilities for the care of the child such as a parent, guardian, or other person having similar care responsibilities, or (2) an individual functioning outside the family unit and having responsibilities for the care of the child such as a teacher, school administrator, other school employees or agents, or other lawful custodian of a child having either full-time or short-term care responsibilities including, but not limited to, day care, babysitting whether paid or unpaid, counseling, teaching, and coaching.
(f) "Neglect" means the commission or omission of any of the acts specified under clauses (1) to (9), other than by accidental means:

(1) failure by a person responsible for a child's care to supply a child with necessary food, clothing, shelter, health, medical, or other care required for the child's physical or mental health when reasonably able to do so;

(2) failure to protect a child from conditions or actions that seriously endanger the child's physical or mental health when reasonably able to do so, including a growth delay, which may be referred to as a failure to thrive, that has been diagnosed by a physician and is due to parental neglect;

(3) failure to provide for necessary supervision or child care arrangements appropriate for a child after considering factors as the child's age, mental ability, physical condition, length of absence, or environment, when the child is unable to care for the child's own basic needs or safety, or the basic needs or safety of another child in their care;

(4) failure to ensure that the child is educated as defined in sections 120A.22 and 260C.163, subdivision 11, which does not include a parent's refusal to provide the parent's child with sympathomimetic medications, consistent with section 125A.091, subdivision 5;

(5) nothing in this section shall be construed to mean that a child is neglected solely because the child's parent, guardian, or other person responsible for the child's care in good faith selects and depends upon spiritual means or prayer for treatment or care of disease or remedial care of the child in lieu of medical care; except that a parent, guardian, or caretaker, or a person mandated to report pursuant to subdivision 3, has a duty to report if a lack of medical care may cause serious danger to the child's health. This section does not impose upon persons, not otherwise legally responsible for providing a child with necessary food, clothing, shelter, education, or medical care, a duty to provide that care;

(6) prenatal exposure to a controlled substance, as defined in section 253B.02, subdivision 2, used by the mother for a nonmedical purpose, as evidenced by withdrawal symptoms in the child at birth, results of a toxicology test performed on the mother at delivery or the child at birth, or medical effects or developmental delays during the child's first year of life that medically indicate prenatal exposure to a controlled substance;

(7) "medical neglect" as defined in section 260C.007, subdivision 6, clause (5);

(8) chronic and severe use of alcohol or a controlled substance by a parent or person responsible for the care of the child that adversely affects the child's basic needs and safety; or

(9) emotional harm from a pattern of behavior which contributes to impaired emotional functioning of the child which may be demonstrated by a substantial and observable effect in the child's behavior, emotional response, or cognition that is not
within the normal range for the child's age and stage of development, with due regard to the child's culture.

(g) "Physical abuse" means any physical injury, mental injury, or threatened injury, inflicted by a person responsible for the child's care on a child other than by accidental means, or any physical or mental injury that cannot reasonably be explained by the child's history of injuries, or any aversive or deprivation procedures, or regulated interventions, that have not been authorized under section 121A.67 or 245.825.

Abuse does not include reasonable and moderate physical discipline of a child administered by a parent or legal guardian which does not result in an injury. Abuse does not include the use of reasonable force by a teacher, principal, or school employee as allowed by section 121A.582. Actions which are not reasonable and moderate include, but are not limited to, any of the following that are done in anger or without regard to the safety of the child:

(1) throwing, kicking, burning, biting, or cutting a child;
(2) striking a child with a closed fist;
(3) shaking a child under age three;
(4) striking or other actions which result in any nonaccidental injury to a child under 18 months of age;
(5) unreasonable interference with a child's breathing;
(6) threatening a child with a weapon, as defined in section 609.02, subdivision 6;
(7) striking a child under age one on the face or head;
(8) purposely giving a child poison, alcohol, or dangerous, harmful, or controlled substances which were not prescribed for the child by a practitioner, in order to control or punish the child; or other substances that substantially affect the child's behavior, motor coordination, or judgment or that results in sickness or internal injury, or subjects the child to medical procedures that would be unnecessary if the child were not exposed to the substances;
(9) unreasonable physical confinement or restraint not permitted under section 609.379, including but not limited to tying, caging, or chaining; or
(10) in a school facility or school zone, an act by a person responsible for the child's care that is a violation under section 121A.58.

(h) "Report" means any report received by the local welfare agency, police department, county sheriff, or agency responsible for assessing or investigating maltreatment pursuant to this section.

(i) "Facility" means:
(1) a licensed or unlicensed day care facility, residential facility, agency, hospital, sanitarium, or other facility or institution required to be licensed under sections 144.50 to 144.58, 241.021, or 245A.01 to 245A.16, or chapter 245B;

(2) a school as defined in sections 120A.05, subdivisions 9, 11, and 13; and

124D.10; or

(3) a nonlicensed personal care provider organization as defined in sections 256B.04, subdivision 16, and 256B.0625, subdivision 19a.

(j) "Operator" means an operator or agency as defined in section 245A.02.

(k) "Commissioner" means the commissioner of human services.

(l) "Practice of social services," for the purposes of subdivision 3, includes but is not limited to employee assistance counseling and the provision of guardian ad litem and parenting time expeditor services.

(m) "Mental injury" means an injury to the psychological capacity or emotional stability of a child as evidenced by an observable or substantial impairment in the child's ability to function within a normal range of performance and behavior with due regard to the child's culture.

(n) "Threatened injury" means a statement, overt act, condition, or status that represents a substantial risk of physical or sexual abuse or mental injury. Threatened injury includes, but is not limited to, exposing a child to a person responsible for the child's care, as defined in paragraph (e), clause (1), who has:

(1) subjected a child to, or failed to protect a child from, an overt act or condition that constitutes egregious harm, as defined in section 260C.007, subdivision 14, or a similar law of another jurisdiction;

(2) been found to be palpably unfit under section 260C.301, paragraph (b), clause (4), or a similar law of another jurisdiction;

(3) committed an act that has resulted in an involuntary termination of parental rights under section 260C.301, or a similar law of another jurisdiction; or

(4) committed an act that has resulted in the involuntary transfer of permanent legal and physical custody of a child to a relative under section 260C.201, subdivision 11, paragraph (d), clause (1), or a similar law of another jurisdiction.

A child is the subject of a report of threatened injury when the responsible social services agency receives birth match data under paragraph (o) from the Department of Human Services.

(o) Upon receiving data under section 144.225, subdivision 2b, contained in a birth record or recognition of parentage identifying a child who is subject to threatened injury under paragraph (n), the Department of Human Services shall send the data to the
responsible social services agency. The data is known as "birth match" data. Unless the
responsible social services agency has already begun an investigation or assessment of the
report due to the birth of the child or execution of the recognition of parentage and the
parent's previous history with child protection, the agency shall accept the birth match
data as a report under this section. The agency may use either a family assessment or
investigation to determine whether the child is safe. All of the provisions of this section
apply. If the child is determined to be safe, the agency shall consult with the county
attorney to determine the appropriateness of filing a petition alleging the child is in need
of protection or services under section 260C.007, subdivision 6, clause (16), in order to
deliver needed services. If the child is determined not to be safe, the agency and the county
attorney shall take appropriate action as required under section 260C.301, subdivision 3.
(о)(p) Persons who conduct assessments or investigations under this section
shall take into account accepted child-rearing practices of the culture in which a child
participates and accepted teacher discipline practices, which are not injurious to the child's
health, welfare, and safety.
(о)(q) "Accidental" means a sudden, not reasonably foreseeable, and unexpected
occurrence or event which:
(1) is not likely to occur and could not have been prevented by exercise of due
care; and
(2) if occurring while a child is receiving services from a facility, happens when the
facility and the employee or person providing services in the facility are in compliance
with the laws and rules relevant to the occurrence or event.
(о)(r) "Nonmal treatment mistake" means:
(1) at the time of the incident, the individual was performing duties identified in the
center's child care program plan required under Minnesota Rules, part 9503.0045;
(2) the individual has not been determined responsible for a similar incident that
resulted in a finding of maltreatment for at least seven years;
(3) the individual has not been determined to have committed a similar
nonmal treatment mistake under this paragraph for at least four years;
(4) any injury to a child resulting from the incident, if treated, is treated only with
remedies that are available over the counter, whether ordered by a medical professional or
not; and
(5) except for the period when the incident occurred, the facility and the individual
providing services were both in compliance with all licensing requirements relevant to the
incident.
This definition only applies to child care centers licensed under Minnesota Rules, chapter 9503. If clauses (1) to (5) apply, rather than making a determination of substantiated maltreatment by the individual, the commissioner of human services shall determine that a nonmaltreatment mistake was made by the individual.

Sec. 53. Minnesota Statutes 2010, section 626.556, subdivision 10f, is amended to read:

Subd. 10f. Notice of determinations. Within ten working days of the conclusion of a family assessment, the local welfare agency shall notify the parent or guardian of the need for services to address child safety concerns or significant risk of subsequent child maltreatment. The local welfare agency and the family may also jointly agree that family support and family preservation services are needed. Within ten working days of the conclusion of an investigation, the local welfare agency or agency responsible for assessing or investigating the report shall notify the parent or guardian of the child, the person determined to be maltreating the child, and if applicable, the director of the facility, of the determination and a summary of the specific reasons for the determination. When the investigation involves a child foster care setting that is monitored by a private licensing agency under section 245A.16, the local welfare agency responsible for assessing or investigating the report shall notify the private licensing agency of the determination and shall provide a summary of the specific reasons for the determination. The notice to the private licensing agency must include identifying private data, but not the identity of the reporter of maltreatment. The notice must also include a certification that the information collection procedures under subdivision 10, paragraphs (h), (i), and (j), were followed and a notice of the right of a data subject to obtain access to other private data on the subject collected, created, or maintained under this section. In addition, the notice shall include the length of time that the records will be kept under subdivision 11c. The investigating agency shall notify the parent or guardian of the child who is the subject of the report, and any person or facility determined to have maltreated a child, of their appeal or review rights under this section or section 256.022. The notice must also state that a finding of maltreatment may result in denial of a license application or background study disqualification under chapter 245C related to employment or services that are licensed by the Department of Human Services under chapter 245A, the Department of Health under chapter 144 or 144A, the Department of Corrections under section 241.021, and from providing services related to an unlicensed personal care provider organization under chapter 256B.

Sec. 54. Minnesota Statutes 2010, section 626.556, subdivision 10i, is amended to read:
Subd. 10i. **Administrative reconsideration; review panel.** (a) Administrative reconsideration is not applicable in family assessments since no determination concerning maltreatment is made. For investigations, except as provided under paragraph (e), an individual or facility that the commissioner of human services, a local social service agency, or the commissioner of education determines has maltreated a child, an interested person acting on behalf of the child, regardless of the determination, who contests the investigating agency's final determination regarding maltreatment, may request the investigating agency to reconsider its final determination regarding maltreatment. The request for reconsideration must be submitted in writing to the investigating agency within 15 calendar days after receipt of notice of the final determination regarding maltreatment or, if the request is made by an interested person who is not entitled to notice, within 15 days after receipt of the notice by the parent or guardian of the child. If mailed, the request for reconsideration must be postmarked and sent to the investigating agency within 15 calendar days of the individual's or facility's receipt of the final determination. If the request for reconsideration is made by personal service, it must be received by the investigating agency within 15 calendar days after the individual's or facility's receipt of the final determination. Effective January 1, 2002, an individual who was determined to have maltreated a child under this section and who was disqualified on the basis of serious or recurring maltreatment under sections 245C.14 and 245C.15, may request reconsideration of the maltreatment determination and the disqualification. The request for reconsideration of the maltreatment determination and the disqualification must be submitted within 30 calendar days of the individual's receipt of the notice of disqualification under sections 245C.16 and 245C.17. If mailed, the request for reconsideration of the maltreatment determination and the disqualification must be postmarked and sent to the investigating agency within 30 calendar days of the individual's receipt of the maltreatment determination and notice of disqualification. If the request for reconsideration is made by personal service, it must be received by the investigating agency within 30 calendar days after the individual's receipt of the notice of disqualification.

(b) Except as provided under paragraphs (e) and (f), if the investigating agency denies the request or fails to act upon the request within 15 working days after receiving the request for reconsideration, the person or facility entitled to a fair hearing under section 256.045 may submit to the commissioner of human services or the commissioner of education a written request for a hearing under that section. Section 256.045 also governs hearings requested to contest a final determination of the commissioner of education. For reports involving maltreatment of a child in a facility, an interested person acting on behalf of the child may request a review by the Child Maltreatment Review Panel under section 256.045, subdivision 2.
256.022 If the investigating agency denies the request or fails to act upon the request, if the interested person contests a reconsidered determination: The investigating agency shall notify persons who request reconsideration of their rights under this paragraph. The request must be submitted in writing to the review panel and a copy sent to the investigating agency within 30 calendar days of receipt of notice of a denial of a request for reconsideration or of a reconsidered determination. The request must specifically identify the aspects of the agency determination with which the person is dissatisfied.

(c) If, as a result of a reconsideration or review, the investigating agency changes the final determination of maltreatment, that agency shall notify the parties specified in subdivisions 10b, 10d, and 10f.

(d) Except as provided under paragraph (f), if an individual or facility contests the investigating agency’s final determination regarding maltreatment by requesting a fair hearing under section 256.045, the commissioner of human services shall assure that the hearing is conducted and a decision is reached within 90 days of receipt of the request for a hearing. The time for action on the decision may be extended for as many days as the hearing is postponed or the record is held open for the benefit of either party.

(e) If an individual was disqualified under sections 245C.14 and 245C.15, on the basis of a determination of maltreatment, which was serious or recurring, and the individual has requested reconsideration of the maltreatment determination under paragraph (a) and requested reconsideration of the disqualification under sections 245C.21 to 245C.27, reconsideration of the maltreatment determination and reconsideration of the disqualification shall be consolidated into a single reconsideration. If reconsideration of the maltreatment determination is denied and the individual remains disqualified following a reconsideration decision, the individual may request a fair hearing under section 256.045. If an individual requests a fair hearing on the maltreatment determination and the disqualification, the scope of the fair hearing shall include both the maltreatment determination and the disqualification.

(f) If a maltreatment determination or a disqualification based on serious or recurring maltreatment is the basis for a denial of a license under section 245A.05 or a licensing sanction under section 245A.07, the license holder has the right to a contested case hearing under chapter 14 and Minnesota Rules, parts 1400.8505 to 1400.8612. As provided for under section 245A.08, subdivision 2a, the scope of the contested case hearing shall include the maltreatment determination, disqualification, and licensing sanction or denial of a license. In such cases, a fair hearing regarding the maltreatment determination and disqualification shall not be conducted under section 256.045. Except for family child care and child foster care, reconsideration of a maltreatment determination as provided...
under this subdivision, and reconsideration of a disqualification as provided under section 245C.22, shall also not be conducted when:

1. a denial of a license under section 245A.05 or a licensing sanction under section 245A.07, is based on a determination that the license holder is responsible for maltreatment or the disqualification of a license holder based on serious or recurring maltreatment;

2. the denial of a license or licensing sanction is issued at the same time as the maltreatment determination or disqualification; and

3. the license holder appeals the maltreatment determination or disqualification, and denial of a license or licensing sanction.

Notwithstanding clauses (1) to (3), if the license holder appeals the maltreatment determination or disqualification, but does not appeal the denial of a license or a licensing sanction, reconsideration of the maltreatment determination shall be conducted under sections 626.556, subdivision 10i, and 626.557, subdivision 9d, and reconsideration of the disqualification shall be conducted under section 245C.22. In such cases, a fair hearing shall also be conducted as provided under sections 245C.27, 626.556, subdivision 10i, and 626.557, subdivision 9d.

If the disqualified subject is an individual other than the license holder and upon whom a background study must be conducted under chapter 245C, the hearings of all parties may be consolidated into a single contested case hearing upon consent of all parties and the administrative law judge.

(g) For purposes of this subdivision, "interested person acting on behalf of the child" means a parent or legal guardian; stepparent; grandparent; guardian ad litem; adult stepbrother, stepsister, or sibling; or adult aunt or uncle; unless the person has been determined to be the perpetrator of the maltreatment.

Sec. 55. Minnesota Statutes 2010, section 626.556, subdivision 11, is amended to read:

Subd. 11. Records. (a) Except as provided in paragraph (b) or (d) and subdivisions 10b, 10d, 10g, and 11b, all records concerning individuals maintained by a local welfare agency or agency responsible for assessing or investigating the report under this section, including any written reports filed under subdivision 7, shall be private data on individuals, except insofar as copies of reports are required by subdivision 7 to be sent to the local police department or the county sheriff. All records concerning determinations of maltreatment by a facility are nonpublic data as maintained by the Department of Education, except insofar as copies of reports are required by subdivision 7 to be sent to the local police department or the county sheriff. Reports maintained by any police department or the county sheriff shall be private data on individuals except the reports...
shall be made available to the investigating, petitioning, or prosecuting authority, including county medical examiners or county coroners. Section 13.82, subdivisions 8, 9, and 14, apply to law enforcement data other than the reports. The local social services agency or agency responsible for assessing or investigating the report shall make available to the investigating, petitioning, or prosecuting authority, including county medical examiners or county coroners or their professional delegates, any records which contain information relating to a specific incident of neglect or abuse which is under investigation, petition, or prosecution and information relating to any prior incidents of neglect or abuse involving any of the same persons. The records shall be collected and maintained in accordance with the provisions of chapter 13. In conducting investigations and assessments pursuant to this section, the notice required by section 13.04, subdivision 2, need not be provided to a minor under the age of ten who is the alleged victim of abuse or neglect. An individual subject of a record shall have access to the record in accordance with those sections, except that the name of the reporter shall be confidential while the report is under assessment or investigation except as otherwise permitted by this subdivision. Any person conducting an investigation or assessment under this section who intentionally discloses the identity of a reporter prior to the completion of the investigation or assessment is guilty of a misdemeanor. After the assessment or investigation is completed, the name of the reporter shall be confidential. The subject of the report may compel disclosure of the name of the reporter only with the consent of the reporter or upon a written finding by the court that the report was false and that there is evidence that the report was made in bad faith. This subdivision does not alter disclosure responsibilities or obligations under the Rules of Criminal Procedure.

(b) Upon request of the legislative auditor, data on individuals maintained under this section must be released to the legislative auditor in order for the auditor to fulfill the auditor's duties under section 3.971. The auditor shall maintain the data in accordance with chapter 13.

(c) The commissioner of education must be provided with all requested data that are relevant to a report of maltreatment and are in possession of a school facility as defined in subdivision 2, paragraph (i), when the data is requested pursuant to an assessment or investigation of a maltreatment report of a student in a school. If the commissioner of education makes a determination of maltreatment involving an individual performing work within a school facility who is licensed by a board or other agency, the commissioner shall provide necessary and relevant information to the licensing entity to enable the entity to fulfill its statutory duties. Notwithstanding section 13.03, subdivision 4, data received by a licensing entity under this paragraph are governed by section 13.41 or other
applicable law governing data of the receiving entity, except that this section applies to the
classification of and access to data on the reporter of the maltreatment.

(d) The investigating agency shall exchange not public data with the Child
Maltreatment Review Panel under section 256.022 if the data are pertinent and necessary
for a review requested under section 256.022. Upon completion of the review, the not
public data received by the review panel must be returned to the investigating agency.

Sec. 56. REPEALER.

Minnesota Statutes 2010, section 256.022, is repealed.

A family's monthly biweekly co-payment fee is the fixed percentage established for the income range multiplied by the highest possible income within that income range.

Sec. 3. Minnesota Statutes 2010, section 119B.12, subdivision 2, is amended to read:

Subd. 2. **Parent fee.** A family must be assessed a parent fee for each service period.

A family's parent fee must be a fixed percentage of its annual gross income. Parent fees
must apply to families eligible for child care assistance under sections 119B.03 and 119B.05. Income must be as defined in section 119B.011, subdivision 15. The fixed percent is based on the relationship of the family's annual gross income to 100 percent of the annual state median income. Parent fees must begin at 75 percent of the poverty level. The minimum parent fees for families between 75 percent and 100 percent of poverty level must be $5 per month $2 per biweekly period. Parent fees must provide for graduated movement to full payment. Payment of part or all of a family's parent fee directly to the family's child care provider on behalf of the family by a source other than the family shall not affect the family's eligibility for child care assistance, and the amount paid shall be excluded from the family's income. Child care providers who accept third-party payments must maintain family specific documentation of payment source, amount, and time period covered by the payment.

Sec. 4. Minnesota Statutes 2010, section 119B.125, subdivision 1a, is amended to read:

Subd. 1a. **Background study required.** This subdivision only applies to legal, nonlicensed family child care providers. Prior to authorization, and as part of each reauthorization required in subdivision 1, the county shall perform a background study on every member of the provider's household who is age 13 and older. The background study shall be conducted according to the procedures under subdivision 2. The county shall also perform a background study on an individual who has reached age ten but is not yet age 13 and is living in the household where the nonlicensed child care will be provided when the county has reasonable cause as defined under section 245C.02, subdivision 15.

Sec. 5. Minnesota Statutes 2010, section 119B.125, subdivision 2, is amended to read:

Subd. 2. **Persons who cannot be authorized.** (a) When any member of the legal, nonlicensed family child care provider's household meets any of the conditions under paragraphs (b) to (n), the provider must not be authorized as a legal nonlicensed family child care provider. To determine whether any of the listed conditions exist, the county must request information about the provider and other household members for whom a background study is required under subdivision 1a from the Bureau of Criminal Apprehension, the juvenile courts, and social service agencies. When one of the listed entities does not maintain information on a statewide basis, the county must contact the entity in the county where the provider resides and any other county in which the provider or any household member previously resided in the past year. For purposes of this subdivision, a finding that a delinquency petition is proven in juvenile court must be considered a conviction in state district court. The provider seeking authorization under
this section shall collect the information required under section 245C.05, subdivision 1, and forward the information to the county agency. The background study must include a review of the information required under section 245C.08, subdivisions 2, 3, and 4, paragraph (b). A nonlicensed family child care provider is not authorized under this section if any household member who is the subject of a background study is determined to have a disqualifying characteristic under paragraphs (b) to (e) or under section 245C.14 or 245C.15. If a county has determined that a provider is able to be authorized in that county, and a family in another county later selects that provider, the provider is able to be authorized in the second county without undergoing a new background investigation unless one of the following conditions exists:

(1) two years have passed since the first authorization;
(2) another person age 13 or older has joined the provider's household since the last authorization;
(3) a current household member has turned 13 since the last authorization; or
(4) there is reason to believe that a household member has a factor that prevents authorization.

up. To the extent possible, the times that the child was dropped off to and picked up from
the child care provider must be entered by the person dropping off or picking up the child.
The daily attendance records must be retained for six years after the date of service.

A county may deny authorization as a child care provider to any applicant or rescind
authorization of any provider when the county knows or has reason to believe that the
provider has not complied with the record-keeping requirement in this subdivision.

Sec. 7. Minnesota Statutes 2011 Supplement, section 119B.13, subdivision 1, is
amended to read:
Subdivision 1. **Subsidy restrictions.** (a) Beginning October 31, 2011, the maximum rate paid for child care assistance in any county or multicounty region under the child care fund shall be the rate for like-care arrangements in the county effective July 1, 2006, decreased by 2.5 percent.

(b) **Every year Biennially, beginning in 2012,** the commissioner shall survey rates charged by child care providers in Minnesota to determine the 75th percentile for like-care arrangements in counties. When the commissioner determines that, using the commissioner's established protocol, the number of providers responding to the survey is too small to determine the 75th percentile rate for like-care arrangements in a county or multicounty region, the commissioner may establish the 75th percentile maximum rate based on like-care arrangements in a county, region, or category that the commissioner deems to be similar.

(c) A rate which includes a special needs rate paid under subdivision 3 or under a school readiness service agreement paid under section 119B.231, may be in excess of the maximum rate allowed under this subdivision.

(d) The department shall monitor the effect of this paragraph on provider rates. The county shall pay the provider's full charges for every child in care up to the maximum established. The commissioner shall determine the maximum rate for each type of care on an hourly, full-day, and weekly basis, including special needs and disability care. The maximum payment to a provider for one day of care must not exceed the daily rate. The maximum payment to a provider for one week of care must not exceed the weekly rate.

(e) Child care providers receiving reimbursement under this chapter must not be paid activity fees or an additional amount above the maximum rates for care provided during nonstandard hours for families receiving assistance.

(f) When the provider charge is greater than the maximum provider rate allowed, the parent is responsible for payment of the difference in the rates in addition to any family co-payment fee.

(g) All maximum provider rates changes shall be implemented on the Monday following the effective date of the maximum provider rate.

Sec. 8. Minnesota Statutes 2010, section 119B.13, subdivision 6, is amended to read:

**Subd. 6. Provider payments.** (a) The provider shall bill for services provided within ten days of the end of the service period. If bills are submitted within ten days of the end of the service period, payments under the child care fund shall be made within 30 days of receiving a bill from the provider. Counties or the state may establish policies that make payments on a more frequent basis.
70.1 (b) If a provider has received an authorization of care and been issued a billing form for an eligible family, the bill must be submitted within 60 days of the last date of service on the bill. A bill submitted more than 60 days after the last date of service must be paid if the county determines that the provider has shown good cause why the bill was not submitted within 60 days. Good cause must be defined in the county's child care fund plan under section 119B.08, subdivision 3, and the definition of good cause must include county error. Any bill submitted more than a year after the last date of service on the bill must not be paid.

70.9 (c) If a provider provided care for a time period without receiving an authorization of care and a billing form for an eligible family, payment of child care assistance may only be made retroactively for a maximum of six months from the date the provider is issued an authorization of care and billing form.

70.13 (d) A county may refuse to issue a child care authorization to a licensed or legal nonlicensed provider, revoke an existing child care authorization to a licensed or legal nonlicensed provider, stop payment issued to a licensed or legal nonlicensed provider, or may refuse to pay a bill submitted by a licensed or legal nonlicensed provider if:

70.17 (1) the provider admits to intentionally giving the county materially false information on the provider's billing forms; or

70.19 (2) a county finds by a preponderance of the evidence that the provider intentionally gave the county materially false information on the provider's billing forms;

70.21 (3) the provider is in violation of licensing or child care assistance program rules and the provider has not corrected the violation;

70.23 (4) the provider submits false attendance reports or refuses to provide documentation of the child's attendance upon request; or

70.25 (5) the provider gives false child care price information.

70.26 (e) A county's payment policies must be included in the county's child care plan under section 119B.08, subdivision 3. If payments are made by the state, in addition to being in compliance with this subdivision, the payments must be made in compliance with section 16A.124.

70.30 Sec. 9. CHILD CARE ASSISTANCE PROGRAM RULE CHANGE.

70.31 The commissioner shall amend Minnesota Rules, part 3400.0035, subpart 2, to remove the requirement that applications must be submitted by mail or delivered to the agency within 15 calendar days after the date of signature. The commissioner shall comply with Minnesota Statutes, section 14.389, in adopting the amendment.

reimbursement of nonrecurring adoption expenses, and may also include financial support
and reimbursement for specific nonmedical expenses provided under agreement with the

emotional, or behavioral disability that the child is at risk of developing. The disability
must manifest during childhood.

Subd. 7. Basic maintenance payment. "Basic maintenance payment" means
the maintenance payment made on behalf of a child to support the costs an adoptive

the administration of the adoption assistance program by conducting assessments,
reassessments, negotiations, and other activities as specified by the requirements and
procedures prescribed by the commissioner.

(e) The child-placing agency shall notify an adoptive parent of a child's eligibility for
Medicaid in the state of residence. In Minnesota, the child-placing agency shall refer the
adoptive parent to the appropriate social service agency in the parent's county of residence
that administers medical assistance. The child-placing agency shall inform the adoptive
parent of the requirement to comply with the rules of the applicable Medicaid program.

assistance in accordance with this section.

program, including informing prospective adoptive parents of eligible children under
guardianship of the commissioner and the availability of adoption assistance.

Sec. 3. \textbf{[259A.10] ELIGIBILITY REQUIREMENTS.}

Subdivision 1. \textbf{General eligibility requirements.} (a) To be eligible for adoption
assistance, a child must:

1) be determined to be a child with special needs, according to subdivision 2;

2) meet the applicable citizenship and immigration requirements in subdivision
3; and

3) meet the criteria outlined in section 473 of the Social Security Act; or

(ii) have had foster care payments paid on the child's behalf while in out-of-home
placement through the county or tribal social service agency and be a child under the
guardianship of the commissioner or a ward of tribal court.

(b) In addition to the requirements in paragraph (a), the child's adoptive parents must
meet the applicable background study requirements outlined in subdivision 4.

Subd. 2. \textbf{Special needs determination.} (a) A child is considered a child with
special needs under this section if all of the requirements in paragraphs (b) to (g) are met:

(b) There has been a determination that the child cannot or should not be returned to
the home of the child's parents as evidenced by:

1) court-ordered termination of parental rights;

2) petition to terminate parental rights;
(3) consent of parent to adoption accepted by the court under chapter 260C;

(4) in circumstances where tribal law permits the child to be adopted without a termination of parental rights, a judicial determination by tribal court indicating the valid reason why the child cannot or should not return home;

(5) voluntary relinquishment under section 259.25 or 259.47 or, if relinquishment occurred in another state, the applicable laws in that state; or

(6) death of the legal parent, or parents if the child has two legal parents.

(c) There exists a specific factor or condition because of which it is reasonable to conclude that the child cannot be placed with adoptive parents without providing adoption assistance as evidenced by:

(1) determination by the Social Security Administration that the child meets all medical or disability requirements of title XVI of the Social Security Act with respect to eligibility for Supplemental Security Income benefits;

(2) documented physical, mental, emotional, or behavioral disability not covered under clause (1);

(3) member in a sibling group being adopted at the same time by the same parent;

(4) adoptive placement in the home of a parent who previously adopted a sibling for whom they receive adoption assistance; or

(5) documentation that the child is an at-risk child.

(d) A reasonable but unsuccessful effort was made to place the child with adoptive parents without providing adoption assistance as evidenced by:

(1) documented search for an appropriate adoptive placement; or

(2) determination by the commissioner that a search under clause (1) is not in the best interests of the child,

(e) The requirement for a documented search for an appropriate adoptive placement under paragraph (d), including the registration of the child with the State Adoption Exchange and other recruitment methods under paragraph (f), must be waived if:

(1) the child is being adopted by a relative and it is determined by the child-placing agency that adoption by the relative is in the best interests of the child;

(2) the child is being adopted by a foster parent with whom the child has developed significant emotional ties while in their care as a foster child and it is determined by the child-placing agency that adoption by the foster parent is in the best interests of the child; or

(3) the child is being adopted by a parent that previously adopted a sibling of the child, and it is determined by the child-placing agency that adoption by this parent is in the best interests of the child.
When the Indian Child Welfare Act applies, a waiver must not be granted unless the child-placing agency has complied with the placement preferences required by the Indian Child Welfare Act according to United States Code, title 25, section 1915(a).

(f) To meet the requirement of a documented search for an appropriate adoptive placement under paragraph (d), clause (1), the child-placing agency minimally must:

1. conduct a relative search as required by section 260C.212, subdivision 5, and give consideration to placement with a relative as required by section 260C.212, subdivision 2;

2. comply with the adoptive placement preferences required under the Indian Child Welfare Act when the Indian Child Welfare Act, United States Code, title 25, section 1915(a), applies;

3. locate prospective adoptive families by registering the child on the State Adoption Exchange, as required under section 259.75; and

4. if registration with the State Adoption Exchange does not result in the identification of an appropriate adoptive placement, the agency must employ additional recruitment methods, as outlined in requirements and procedures prescribed by the commissioner.

(g) Once the child-placing agency has determined that placement with an identified parent is in the child's best interest and has made full written disclosure about the child's social and medical history, the agency must ask the prospective adoptive parent if they are willing to adopt the child without adoption assistance. If the identified parent is either unwilling or unable to adopt the child without adoption assistance, the child-placing agency must provide documentation as prescribed by the commissioner to fulfill the requirement to make a reasonable effort to place the child without adoption assistance. If the identified parent desires to adopt the child without adoption assistance, the parent must provide a written statement to this effect to the child-placing agency and the statement must be maintained in the permanent adoption record of the child-placing agency. For children under guardianship of the commissioner, the child-placing agency shall submit a copy of this statement to the commissioner to be maintained in the permanent adoption record.

Subd. 3. Citizenship and immigration status. (a) A child must be a citizen of the United States or otherwise eligible for federal public benefits according to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, as amended, in order to be eligible for title IV-E Adoption Assistance Program.

(b) A child must be a citizen of the United States or meet the qualified alien requirements as defined in the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, as amended, in order to be eligible for state-funded adoption assistance.
Subd. 4. **Background study.** (a) A background study under section 259.41 must be completed on each prospective adoptive parent. An adoptive parent is prohibited from receiving adoption assistance on behalf of an otherwise eligible child if the background study reveals:

1. a felony conviction at any time for:
   1. child abuse or neglect;
   2. spousal abuse;
   3. a crime against children, including child pornography; or
   4. a crime involving violence, including rape, sexual assault, or homicide, but not including other physical assault or battery; or
2. a felony conviction within the past five years for:
   1. physical assault;
   2. battery; or
   3. a drug-related offense.

Subd. 5. **Responsibility for determining adoption assistance eligibility.** The state will determine eligibility for:

1. a Minnesota child under the guardianship of the commissioner who would otherwise remain in foster care;
2. a child who is not under the guardianship of the commissioner who meets title IV-E eligibility defined in section 473 of the Social Security Act and no state agency has legal responsibility for placement and care of the child;
3. a Minnesota child under tribal jurisdiction who would otherwise remain in foster care; and
4. an Indian child being placed in Minnesota who meets title IV-E eligibility defined in section 473 of the Social Security Act. The agency or entity assuming responsibility for the child is responsible for the nonfederal share of the adoption assistance payment.

Subd. 6. **Exclusions.** The commissioner shall not enter into an adoption assistance agreement with:

1. a child's biological parent or step parent;
2. a child's relative, according to section 260C.007, subdivision 27, with whom the child resided immediately prior to child welfare involvement unless:
   1. the child was in the custody of a Minnesota county or tribal agency pursuant to an order under chapter 260C or equivalent provisions of tribal code and the agency had placement and care responsibility for permanency planning for the child; and
   2. the child is under guardianship of the commissioner of human services according to the requirements of section 260C.325, subdivision 1, paragraphs (a) and (b), or
subdivision 3, paragraphs (a) and (b), or is a ward of a Minnesota tribal court after
termination of parental rights, suspension of parental rights, or a finding by the tribal court
that the child cannot safely return to the care of the parent;
(3) a child's legal custodian or guardian who is now adopting the child;
(4) an individual adopting a child who is the subject of a direct adoptive placement
under section 259.47 or the equivalent in tribal code; or
(5) an individual who is adopting a child who is not a citizen or resident of the
United States and was either adopted in another country or brought to this country for
the purposes of adoption.

Sec. 4. [259A.15] ESTABLISHMENT OF ADOPTION ASSISTANCE
ELIGIBILITY.
Subdivision 1. Adoption assistance certification. (a) The child-placing agency
shall certify a child as eligible for adoption assistance according to requirements and
procedures, and on forms prescribed by the commissioner. Documentation from a
qualified expert must be provided to verify that a child meets the special needs criteria in
section 259A.10, subdivision 2.
(b) Expert documentation of a disability is limited to evidence deemed appropriate
by the commissioner and must be submitted with the certification. Examples of appropriate
documentation include, but are not limited to, medical records, psychological assessments,
educational or early childhood evaluations, court findings, and social and medical history.
(c) Documentation that the child is an at-risk child must be submitted according to
requirements and procedures prescribed by the commissioner.

Subd. 2. Adoption assistance agreement. (a) An adoption assistance agreement
is a binding contract between the adopting parent, the child-placing agency, and the
commissioner. The agreement outlines the benefits to be provided on behalf of an eligible
child.
(b) In order to receive adoption assistance benefits, a written agreement on a form
prescribed by the commissioner must be signed by the parent, an approved representative
from the child-placing agency, and the commissioner prior to the effective date of the
adoption decree. No later than 30 days after the parent is approved for the adoptive
placement, the agreement must be negotiated with the parent as required in section
259A.25, subdivision 1. Adoption assistance must be approved or denied by the
commissioner no later than 15 business days after the receipt of a complete adoption
assistance application prescribed by the commissioner. A fully executed copy of the
signed agreement must be given to each party. Termination or disruption of the adoptive
placement preceding adoption finalization makes the agreement with that parent void.
(c) The agreement must specify the following:
(1) duration of the agreement;
(2) the nature and amount of any payment, services, and assistance to be provided
under the agreement;
(3) the child's eligibility for Medicaid services;
(4) the terms of the payment;
(5) eligibility for reimbursement of nonrecurring expenses associated with adopting
the child, to the extent that the total cost does not exceed $2,000 per child;
(6) that the agreement will remain in effect regardless of the state in which the
adoptive parent resides at any given time;
(7) provisions for modification of the terms of the agreement; and
(8) the effective date of the agreement.
Subd. 3. Assessment tool. An assessment tool prescribed by the commissioner
must be completed for any child who has a documented disability that necessitates care,
supervision, and structure beyond that ordinarily provided in a family setting to children
of the same age. This assessment tool must be submitted with the adoption assistance
certification and establishes eligibility for the amount of assistance requested.

Sec. 5. [259A.20] BENEFITS AND PAYMENTS.
Subdivision 1. General information. (a) Payments to parents under adoption
assistance must be made monthly.
(b) Payments must commence when the commissioner receives the adoption decree
from the court, the child-placing agency, or the parent. Payments must be made according
to requirements and procedures prescribed by the commissioner.
(c) Payments shall only be made to the adoptive parent specified on the agreement.
If there is more than one adoptive parent, both parties must be listed as the payee unless
otherwise specified in writing according to requirements and procedures prescribed by
the commissioner.
(d) Payment must be considered income and resource attributable to the child.
Payment must not be assigned or transferred to another party. Payment is exempt from
garnishment, except as permissible under the laws of the state where the child resides.
Subd. 2. Medical assistance eligibility. Eligibility for medical assistance for
children receiving adoption assistance is as specified in section 256B.055.
Subd. 3. Payments. (a) The basic maintenance payments must be made according to the following schedule for all children except those eligible for adoption assistance based on being an at-risk child:

84.6 Age 12 through age 14 up to $307 per month
84.7 Age 15 and older up to $337 per month

A child must receive the maximum payment amount for the child's age, unless a lesser amount is negotiated with and agreed to by the prospective adoptive parent.

(b) Supplemental needs payments, in addition to basic maintenance payments, are available based on the severity of a child's disability and the level of parenting required to care for the child, and must be made according to the following amounts:

84.13 Level I up to $150 per month
84.14 Level II up to $275 per month
84.15 Level III up to $400 per month
84.16 Level IV up to $500 per month

A child's level shall be assessed on an assessment tool prescribed by the commissioner. A child must receive the maximum payment for the child's assessed level, unless a lesser amount is negotiated with and agreed to by the prospective adoptive parent.

Subd. 4. Reimbursement for special nonmedical expenses. (a) Reimbursement for special nonmedical expenses is available to children, except those eligible for adoption assistance based on being an at-risk child.

(b) Reimbursements under this paragraph shall be made only after the adoptive parent documents that the requested service was denied by the local social service agency, community agencies, local school district, local public health department, the parent's insurance provider, or the child's program. The denial must be for an eligible service or qualified item under the program requirements of the applicable agency or organization.

(c) Reimbursements must be previously authorized, adhere to the requirements and procedures prescribed by the commissioner, and be limited to:

(1) child care for a child age 12 and younger, or for a child age 13 or 14 who has a documented disability that requires special instruction for and services by the child care provider. Child care reimbursements may be made if all available adult caregivers are employed or attending educational or vocational training programs. If a parent is attending an educational or vocational training program, child care reimbursement is limited to no more than the time necessary to complete the credit requirements for an associate or baccalaureate degree as determined by the educational institution. Child
care reimbursement is not limited for an adoptive parent completing basic or remedial
education programs needed to prepare for postsecondary education or employment;
(2) respite care provided for the relief of the child's parent up to 504 hours of respite
care annually;
(3) camping up to 14 days per state fiscal year for a child to attend a special needs
camp. The camp must be accredited by the American Camp Association as a special needs
camp in order to be eligible for camp reimbursement;
(4) postadoption counseling to promote the child's integration into the adoptive
family that is provided by the placing agency during the first year following the date of the
adoption decree. Reimbursement is limited to 12 sessions of postadoption counseling;
(5) family counseling that is required to meet the child's special needs.
Reimbursement is limited to the prorated portion of the counseling fees allotted to the
family when the adoptive parent's health insurance or Medicaid pays for the child's
counseling but does not cover counseling for the rest of the family members;
(6) home modifications to accommodate the child's special needs upon which
eligibility for adoption assistance was approved. Reimbursement is limited to once every
five years per child;
(7) vehicle modifications to accommodate the child's special needs upon which
eligibility for adoption assistance was approved. Reimbursement is limited to once every
five years per family; and
(8) burial expenses up to $1,000, if the special needs, upon which eligibility for
adoption assistance was approved, resulted in the death of the child.
(d) The adoptive parent shall submit statements for expenses incurred between July
1 and June 30 of a given fiscal year to the state adoption assistance unit within 60 days
after the end of the fiscal year in order for reimbursement to occur.

Sec. 6. [259A.25] DETERMINATION OF ADOPTION ASSISTANCE BENEFITS

AND PAYMENT.

Subdivision 1. Negotiation of adoption assistance agreement. (a) A monthly
payment is provided as part of the adoption assistance agreement to support the care of
a child who has manifested special needs. The amount of the payment made on behalf
of a child eligible for adoption assistance is determined through negotiation between
the adoptive parent and the child-placing agency on behalf of the commissioner. The
negotiation shall take into consideration the circumstances of the adopting parent and the
needs of the child being adopted. The income of the adoptive parent must not be taken
into consideration when determining eligibility for adoption assistance or the amount of
the payments under section 259A.20. At the written request of the adoptive parent, the
amount of the payment in the agreement may be renegotiated when there is a change in
the child's needs or the family's circumstances.

(b) The adoption assistance agreement of a child who is identified as an at-risk child
must not include a monthly payment unless and until the potential disability upon which
the eligibility for the agreement was based has manifested during childhood.

Subd. 2. Renegotiation of adoption assistance agreement. (a) An adoptive
parent of a child with an adoption assistance agreement may request renegotiation of the
agreement when there is a change in the needs of the child or in the family's circumstances.
When an adoptive parent requests renegotiation of the agreement, a reassessment of the
child must be completed by: (1) the responsible social services agency in the child's county
of residence; or (2) the child-placing agency that facilitated the adoption when the child's
residence is out of state. If the reassessment indicates that the child's needs have changed,
the child-placing agency, on behalf of the commissioner and the parent, shall renegotiate
the agreement to include a payment of the level determined appropriate through the
reassessment process using the assessment tool prescribed by the commissioner according
to section 259A.15, subdivision 3. The agreement must not be renegotiated unless the
commissioner and the parent mutually agree to the changes. The effective date of any
renegotiated agreement must be determined according to requirements and procedures
prescribed by the commissioner.

(b) An adoptive parent of a child with an adoption assistance agreement based on
the child being an at-risk child may request renegotiation of the agreement to include a
monthly payment. The parent must have written documentation from a qualified expert
that the potential disability upon which eligibility for adoption assistance was approved
has manifested. Documentation of the disability must be limited to evidence deemed
appropriate by the commissioner. Prior to renegotiating the agreement, a reassessment of
the child must be conducted using an assessment tool prescribed by the commissioner
according to section 259A.15, subdivision 3. The reassessment must be used to renegotiate
the agreement to include an appropriate monthly payment. The agreement must not be
renegotiated unless the commissioner and the adoptive parent mutually agree to the
changes. The effective date of any renegotiated agreement must be determined according
to requirements and procedures prescribed by the commissioner.

Subd. 3. Child income or income attributable to the child. No income received
by a child will be considered in determining a child's adoption assistance payment
amount. If a child for whom a parent is receiving adoption assistance is also receiving
Supplemental Security Income (SSI) or Retirement, Survivors, Disability Insurance
87.1 (RSDI), the certifying agency shall inform the adoptive parent that the child's adoption assistance must be reported to the Social Security Administration.

87.3 Sec. 7. [259A.30] REPORTING RESPONSIBILITIES.

87.4 Subdivision 1. Notification of change. (a) An adoptive parent who has an adoption assistance agreement shall keep the agency administering the program informed of changes in status or circumstances that would make the child ineligible for the payments or eligible for payments in a different amount.

87.7 (b) As long as the agreement is in effect, the adoptive parent agrees to notify the agency administering the program in writing within 30 days of the following changes:

87.9 (1) the child's or adoptive parent's legal name;
87.11 (2) the family's address;
87.12 (3) the child's legal custody status;
87.13 (4) the child's completion of high school, if this occurs after the child attains age 18;
87.14 (5) the end of an adoptive parent's legal responsibility to support the child based on termination of parental rights of the adoptive parent, transfer of guardianship to another person, or transfer of permanent legal and physical custody to another person;
87.16 (6) the end of an adoptive parent's financial support of the child;
87.18 (7) the death of the child;
87.19 (8) the death of the adoptive parent;
87.20 (9) the child enlists in the military;
87.21 (10) the child gets married;
87.22 (11) the child becomes an emancipated minor through legal action;
87.23 (12) the adoptive parents separate or divorce;
87.24 (13) the child is residing outside the adoptive home for a period of more than 30 consecutive days; and
87.25 (14) the child's status upon which eligibility for extension under section 259A.45, subdivision 2 or 3, was based.

87.28 Subd. 2. Correct and true information. If the adoptive parent reports information the adoptive parent knows is untrue, the adoptive parent fails to notify the commissioner of changes that may affect eligibility, or the agency administering the program receives information the adoptive parent did not report, the adoptive parent may be investigated for theft and, if charged and convicted, shall be sentenced under section 609.52, subdivision 3, clauses (1) to (5).

87.34 Sec. 8. [259A.35] TERMINATION OF AGREEMENT.
Subdivision 1. **Reasons for termination.** (a) An adoption assistance agreement shall terminate in any of the following circumstances:

1. the child has attained the age of 18, or up to age 21, when the child meets a condition for extension as outlined in section 259A.45, subdivision 1;
2. the child has not attained the age of 18, but the commissioner determines the adoptive parent is no longer legally responsible for support of the child;
3. the commissioner determines the adoptive parent is no longer providing financial support to the child up to age 21;
4. the death of the child; or
5. the adoptive parent requests in writing termination of the adoption assistance agreement.

(b) An adoptive parent is considered no longer legally responsible for support of the child in any of the following circumstances:

1. parental rights to the child are legally terminated or a court accepted the parent's consent to adoption under chapter 260C;
2. permanent legal and physical custody or guardianship of the child is transferred to another individual;
3. death of adoptive parent;
4. child enlists in the military;
5. child gets married; or
6. child is determined an emancipated minor through legal action.

Subd. 2. **Death of adoptive parent or adoption dissolution.** The adoption assistance agreement ends upon death or termination of parental rights of both adoptive parents in the case of a two-parent adoption, or the sole adoptive parent in the case of a single-parent adoption. The child's adoption assistance eligibility may be continued according to section 259A.40.

Subd. 3. **Termination notice for parent.** The commissioner shall provide the child's parent written notice of termination of payment. Termination notices must be sent according to the requirements and procedures prescribed by the commissioner.

Sec. 9. [259A.40] **ASSIGNMENT OF ADOPTION ASSISTANCE AGREEMENT.**

Subdivision 1. **Continuing child's eligibility for title IV-E adoption assistance in a subsequent adoption.** (a) The child maintains eligibility for title IV-E adoption assistance in a subsequent adoption if the following criteria are met:

1. the child is determined to be a child with special needs as outlined in section 259A.10, subdivision 2; and
(2) the subsequent adoptive parent resides in Minnesota.

(b) If the child had a title IV-E adoption assistance agreement prior to the death of
the adoptive parent or dissolution of the adoption, and the subsequent adoptive parent
resides outside of Minnesota, the state is not responsible for determining whether the child
meets the definition of special needs, entering into the adoption assistance agreement, and
making any adoption assistance payments outlined in the new agreement unless a state
agency in Minnesota has responsibility for placement and care of the child at the time of
the subsequent adoption. If there is no state agency in Minnesota that has responsibility
for placement and care of the child at the time of the subsequent adoption, it is the public
child welfare agency in the subsequent adoptive parent's residence that is responsible for
determining whether the child meets the definition of special needs and entering into the
adoption assistance agreement.

Subd. 2. Assigning a child's adoption assistance to a court-appointed guardian.

(a) State-funded adoption assistance may be continued with the written consent of the
commissioner to an individual who is a guardian appointed by a court for the child upon
the death of both the adoptive parents in the case of a two-parent adoption, or the sole
adoptive parent in the case of a single-parent adoption, unless the child is under the
custody of a child-placing agency.

(b) Temporary assignment of adoption assistance may be approved by the
commissioner for a maximum of six consecutive months from the death of the parent
or parents and must adhere to the requirements and procedures prescribed by the
commissioner. If, within six months, the child has not been adopted by a person agreed
upon by the commissioner, or if a court has not appointed a legal guardian under either
section 260C.325 or 524.5-313, or similar law of another jurisdiction, the adoption
assistance shall terminate. Upon assignment of payments pursuant to this subdivision,
funding shall be from state funds only.

Sec. 10. [259A.45] EXTENSION OF ADOPTION ASSISTANCE AGREEMENT.

Subdivision 1. General requirements. (a) Under certain limited circumstances a
child may qualify for extension of the adoption assistance agreement beyond the date the
child attains age 18, up to the date the child attains the age of 21.

(b) A request for extension of the adoption assistance agreement must be completed
in writing and submitted, including all supporting documentation, by the adoptive parent
at least 60 calendar days prior to the date that the current agreement will terminate.

(c) A signed amendment to the current adoption assistance agreement must be
fully executed between the adoptive parent and the commissioner at least ten business
days prior to the termination of the current agreement. The request for extension and the
fully executed amendment must be made according to the requirements and procedures
prescribed by the commissioner, including documentation of eligibility, and on forms
prescribed by the commissioner.
(d) If a child-placing agency is certifying a child for adoption assistance and
the child will attain the age of 18 within 60 calendar days of submission, the request
for extension must be completed in writing and submitted, including all supporting
documentation, with the adoption assistance application.
Subd. 2 Extension past age 18 for child adopted after 16th birthday. A child
who has attained the age of 16 prior to finalization of the child's adoption is eligible for
extension of the adoption assistance agreement up to the date the child attains age 21
if the child is:
(1) dependent on the adoptive parent for care and financial support; and
(2)(i) completing a secondary education program or a program leading to an
equivalent credential;
(ii) enrolled in an institution that provides postsecondary or vocational education;
(iii) participating in a program or activity designed to promote or remove barriers to
employment;
(iv) employed for at least 80 hours per month; or
(v) incapable of doing any of the activities described in clauses (i) to (iv) due to
a medical condition where incapability is supported by documentation from an expert
according to the requirements and procedures prescribed by the commissioner.
Subd. 3 Extension past age 18 for child adopted prior to 16th birthday. A child
who has not attained the age of 16 prior to finalization of the child's adoption is eligible
for extension of the adoption assistance agreement up to the date the child attains the
age of 21 if the child is:
(1) dependent on the adoptive parent for care and financial support; and
(2)(i) enrolled in a secondary education program or a program leading to the
equivalent; or
(ii) incapable of sustaining employment because of the continuation of a physical or
mental disability, upon which eligibility for adoption assistance was approved.
Sec. 11. [259A.50] OVERPAYMENTS OF ADOPTION ASSISTANCE.
An amount of adoption assistance paid to an adoptive parent in excess of the
payment that was actually due is recoverable by the commissioner, even when the
overpayment was caused by agency error or circumstances outside the responsibility and

Article 4 Sec. 11. 90
control of the parent or provider. Adoption assistance amounts covered by this section
include basic maintenance needs payments, monthly supplemental maintenance needs
payments, reimbursement of nonrecurring adoption expenses, reimbursement of special
nonmedical costs, and reimbursement of medical costs.

Sec. 12. [259A.55] APPEALS AND FAIR HEARINGS.

Subdivision 1. Appeals for denials, modifications, or terminations. An adoptive
parent or a prospective adoptive parent has the right to appeal to the commissioner under
section 256.045, for reasons including, but not limited to: when eligibility for adoption
assistance is denied, when a specific payment or reimbursement is modified or denied,
and when the agreement for an eligible child is terminated. A prospective adoptive parent
who disagrees with a decision by the commissioner prior to finalization of the adoption
may request review of the decision by the commissioner, or may appeal the decision
under section 256.045.

Subd. 2. Extenuating circumstances. (a) An adoption assistance agreement must
be signed and fully executed prior to the court order that finalizes the adoption. An
adoptive parent who believes that extenuating circumstances exist, as to why the adoption
was finalized prior to fully executing an adoption assistance agreement, may request
a fair hearing. The parent has the responsibility to prove the existence of extenuating
circumstances, such as:

(1) relevant facts regarding the child were known by the child-placing agency and
not presented to the parent prior to finalization of the adoption; or

(2) the child-placing agency failed to advise a potential parent about the availability
of adoption assistance for a child in the county-paid foster care system.

(b) If an appeals judge finds through the fair hearing process that extenuating
circumstances existed and that the child met all eligibility criteria at the time the adoption
was finalized, the effective date and any associated federal financial participation shall
be retroactive to the date of the request for a fair hearing.

Sec. 13. [259A.65] INTERSTATE COMPACT ON ADOPTION AND MEDICAL
ASSISTANCE.

Subdivision 1. Purpose. It is the purpose and policy of the state of Minnesota to:

(1) enter into interstate agreements with agencies of other states to safeguard and
protect the interests of children covered by an adoption assistance agreement when they
are adopted across state lines or move to another state after adoption finalization; and
(2) provide a framework for uniformity and consistency in administrative procedures
when a child with special needs is adopted by a family in another state and for children
adopted in Minnesota who move to another state.

Subd. 2. Definitions. For the purposes of this section, the terms defined in this
subdivision have the meanings given them, unless the context clearly indicates otherwise.

(1) "Adoption assistance state" means the state that certifies eligibility for Medicaid
in an adoption assistance agreement.

(2) "Resident state" is the state where the adopted child is a resident.

(3) "State" means a state of the United States, the District of Columbia,
the Commonwealth of Puerto Rico, the United States Virgin Islands, Guam, the
Commonwealth of the Northern Mariana Islands, or a territory or possession of the
United States.

Subd. 3. Compacts authorized. The commissioner is authorized to develop,
negotiate, and enter into one or more interstate compacts on behalf of this state with other
states to implement Medicaid for children with adoption assistance agreements.

Subd. 4. Contents of compacts. (a) A compact must include:

(1) a provision allowing all states to join the compact;

(2) a provision for withdrawal from the compact upon written notice to the parties,
effective one year after the notice is provided;

(3) a requirement that the protections afforded under the compact continue in force
for the duration of the adoption assistance from a party state other than the one in which
the adopted child is a resident;

(4) a requirement that each instance of adoption assistance to which the compact
applies be covered by an adoption assistance agreement in writing between the adoptive
parent and the state child welfare agency of the state that provides the adoption assistance,
and that the agreement be expressly for the benefit of the adopted child and enforceable by
the adoptive parent and the state agency providing the adoption assistance; and

(5) other provisions necessary and appropriate for the proper administration of the
compact.

(b) A compact may contain provisions establishing requirements and entitlements to
medical, developmental, child care, or other social services for the child under state law,
even though the child and the adoptive parent are in a state other than the one responsible
for or providing the services or funds to pay part or all of the costs.

Subd. 5. Duties of commissioner of human services regarding medical
assistance. (a) The commissioner of human services shall:
(1) provide Minnesota medical assistance for an adopted child who is title IV-E eligible;

(2) provide Minnesota medical assistance for an adopted child who is not title IV-E eligible who:

(i) was determined to have a special need for medical or rehabilitative care;

(ii) is living in another state; and

(iii) is covered by an adoption assistance agreement made by the commissioner for medical coverage or benefits when the child is not eligible for Medicaid in the child's residence state;

(3) consider the holder of a medical assistance identification card under this subdivision as any other recipient of medical assistance under chapter 256B; and

(4) process and make payments on claims for the recipient in the same manner as for other recipients of medical assistance.

(b) Coverage must be limited to providers authorized by Minnesota's medical assistance program, and according to Minnesota's program requirements.

Subd. 6. Cooperation with Medicaid. The adoptive parent shall cooperate with and abide by the Medicaid program requirements and procedures of the state which provides medical coverage.

Subd. 7. Federal participation. The commissioner shall apply for and administer all relevant aid in accordance with state and federal law.

Sec. 14. [259A.70] REIMBURSEMENT OF NONRECURRING ADOPTION EXPENSES.

(a) The commissioner of human services shall provide reimbursement to an adoptive parent for costs incurred in an adoption of a child with special needs according to section 259A.10, subdivision 2. Reimbursement shall be made for expenses that are reasonable and necessary for the adoption to occur, subject to a maximum of $2,000. The expenses must directly relate to the legal adoption of the child, not be incurred in violation of state or federal law, and must not have been reimbursed from other sources or funds.

(b) Children who have special needs but are not citizens or residents of the United States and were either adopted in another country or brought to this country for the purposes of adoption are categorically ineligible for this reimbursement program, except if the child meets the eligibility criteria after the dissolution of the international adoption.

(c) An adoptive parent, in consultation with the responsible child-placing agency, may request reimbursement of nonrecurring adoption expenses by submitting a complete
application, according to the requirements and procedures and on forms prescribed by
the commissioner.

(d) The commissioner shall determine the child's eligibility for adoption expense
reimbursement under title IV-E of the Social Security Act, United States Code, title 42,
sections 670 to 676. If determined eligible, the commissioner of human services shall
sign the agreement for nonrecurring adoption expense reimbursement, making this a
fully executed agreement. To be eligible, the agreement must be fully executed prior to
the child's adoption finalization.

(e) An adoptive parent who has an adoption assistance agreement under section
259A.15, subdivision 2, is not required to make a separate application for reimbursement
of nonrecurring adoption expenses for the child who is the subject of that agreement.

(f) If determined eligible, the adoptive parent shall submit reimbursement requests
within 21 months of the date of the child's adoption decree, and according to requirements
and procedures prescribed by the commissioner.

Sec. 15. [259A.75] REIMBURSEMENT OF CERTAIN AGENCY COSTS;
PURCHASE OF SERVICE CONTRACTS.

Subdivision 1. General information. (a) Subject to the procedures required by
the commissioner and the provisions of this section, a Minnesota county or tribal social
services agency shall receive a reimbursement from the commissioner equal to 100
percent of the reasonable and appropriate cost for contracted adoption placement services
identified for a specific child that are not reimbursed under other federal or state funding
sources.

(b) The commissioner may spend up to $16,000 for each purchase of service
contract. Only one contract per child per adoptive placement is permitted. Funds
encumbered and obligated under the contract for the child remain available until the terms
of the contract are fulfilled or the contract is terminated.

(c) The commissioner shall set aside an amount not to exceed five percent of the
total amount of the fiscal year appropriation from the state for the adoption assistance
program to reimburse placing agencies for child-specific adoption placement services.
When adoption assistance payments for children's needs exceed 95 percent of the total
amount of the fiscal year appropriation from the state for the adoption assistance program,
the amount of reimbursement available to placing agencies for adoption services is
reduced correspondingly.

Subd. 2. Child eligibility criteria. (a) A child who is the subject of a purchase
of service contract must:
(1) have the goal of adoption, which may include an adoption in accordance with tribal law;
(2) be under the guardianship of the commissioner of human services or be a ward of tribal court pursuant to section 260.755, subdivision 20; and
(3) meet all of the special needs criteria according to section 259A.10, subdivision 2.
(b) A child under the guardianship of the commissioner must have an identified adoptive parent and a fully executed adoption placement agreement according to section 260C.613, subdivision 1, paragraph (a).
Subd. 3. Agency eligibility criteria. (a) A Minnesota county or tribal social services agency shall receive reimbursement for child-specific adoption placement services for an eligible child that it purchases from a private adoption agency licensed in Minnesota or any other state or tribal social services agency.
(b) Reimbursement for adoption services is available only for services provided prior to the date of the adoption decree.
Subd. 4. Application and eligibility determination. (a) A county or tribal social services agency may request reimbursement of costs for adoption placement services by submitting a complete purchase of service application, according to the requirements and procedures and on forms prescribed by the commissioner.
(b) The commissioner shall determine eligibility for reimbursement of adoption placement services. If determined eligible, the commissioner of human services shall sign the purchase of service agreement, making this a fully executed contract. No reimbursement under this section shall be made to an agency for services provided prior to the fully executed contract.
(c) Separate purchase of service agreements shall be made, and separate records maintained, on each child. Only one agreement per child per adoptive placement is permitted. For siblings who are placed together, services shall be planned and provided to best maximize efficiency of the contracted hours.
Subd. 5. Reimbursement process. (a) The agency providing adoption services is responsible to track and record all service activity, including billable hours, on a form prescribed by the commissioner. The agency shall submit this form to the state for reimbursement after services have been completed.
(b) The commissioner shall make the final determination whether or not the requested reimbursement costs are reasonable and appropriate and if the services have been completed according to the terms of the purchase of service agreement.
Subd. 6. Retention of purchase of service records. Agencies entering into purchase of service contracts shall keep a copy of the agreements, service records, and all
applicable billing and invoicing according to the department's record retention schedule.

Agency records shall be provided upon request by the commissioner.

ARTICLE 5

CHILD PROTECTION

Section 1. Minnesota Statutes 2010, section 260.012, is amended to read:

260.012 DUTY TO ENSURE PLACEMENT PREVENTION AND FAMILY REUNIFICATION; REASONABLE EFFORTS.

(a) Once a child alleged to be in need of protection or services is under the court's jurisdiction, the court shall ensure that reasonable efforts, including culturally appropriate services, by the social services agency are made to prevent placement or to eliminate the need for removal and to reunite the child with the child's family at the earliest possible time, and the court must ensure that the responsible social services agency makes reasonable efforts to finalize an alternative permanent plan for the child as provided in paragraph (e). In determining reasonable efforts to be made with respect to a child and in making those reasonable efforts, the child's best interests, health, and safety must be of paramount concern. Reasonable efforts to prevent placement and for rehabilitation and reunification are always required except upon a determination by the court that a petition has been filed stating a prima facie case that:

(1) the parent has subjected a child to egregious harm as defined in section 260C.007, subdivision 14;

(2) the parental rights of the parent to another child have been terminated involuntarily;

(3) the child is an abandoned infant under section 260C.301, subdivision 2, paragraph (a), clause (2);

(4) the parent's custodial rights to another child have been involuntarily transferred to a relative under section 260C.201, subdivision 11, paragraph (d), clause (1), or a similar law of another jurisdiction; or

(5) the parent has committed sexual abuse as defined in section 626.556, subdivision 2, against the child or another child of the parent;

(6) the parent has committed an offense that requires registration as a predatory offender under section 243.166, subdivision 1b, paragraph (a) or (b); or

(7) the provision of services or further services for the purpose of reunification is futile and therefore unreasonable under the circumstances.
(b) When the court makes one of the prima facie determinations under paragraph (a),
either permanency pleadings under section 260C.201, subdivision 11, or a termination
of parental rights petition under sections 260C.141 and 260C.301 must be filed. A
permanency hearing under section 260C.201, subdivision 11, must be held within 30
days of this determination.
(c) In the case of an Indian child, in proceedings under sections 260B.178 or
260C.178, 260C.201, and 260C.301 the juvenile court must make findings and conclusions
consistent with the Indian Child Welfare Act of 1978, United States Code, title 25, section
1901 et seq., as to the provision of active efforts. In cases governed by the Indian Child
Welfare Act of 1978, United States Code, title 25, section 1901, the responsible social
services agency must provide active efforts as required under United States Code, title
25, section 1911(d).
(d) "Reasonable efforts to prevent placement" means:
(1) the agency has made reasonable efforts to prevent the placement of the child in
foster care by working with the family to develop and implement a safety plan; or
(2) given the particular circumstances of the child and family at the time of the
child's removal, there are no services or efforts available which could allow the child to
safely remain in the home.
(e) "Reasonable efforts to finalize a permanent plan for the child" means due
diligence by the responsible social services agency to:
(1) reunify the child with the parent or guardian from whom the child was removed;
(2) assess a noncustodial parent's ability to provide day-to-day care for the child and,
where appropriate, provide services necessary to enable the noncustodial parent to safely
provide the care, as required by section 260C.212, subdivision 4;
(3) conduct a relative search to identify and provide notice to adult relatives as
required under section 260C.212, subdivision 5;
(4) place siblings removed from their home in the same home for foster care or
adoption, or transfer permanent legal and physical custody to a relative. Visitation
between siblings who are not in the same foster care, adoption, or custodial placement or
facility shall be consistent with section 260C.212, subdivision 2; and
(5) when the child cannot return to the parent or guardian from whom the child was
removed, to plan for and finalize a safe and legally permanent alternative home for the
child, and considers permanent alternative homes for the child inside or outside of the
state, preferably through adoption or transfer of permanent legal and physical custody of
the child.
(f) Reasonable efforts are made upon the exercise of due diligence by the responsible social services agency to use culturally appropriate and available services to meet the needs of the child and the child's family. Services may include those provided by the responsible social services agency and other culturally appropriate services available in the community. At each stage of the proceedings where the court is required to review the appropriateness of the responsible social services agency's reasonable efforts as described in paragraphs (a), (d), and (e), the social services agency has the burden of demonstrating that:

(1) it has made reasonable efforts to prevent placement of the child in foster care;

(2) it has made reasonable efforts to eliminate the need for removal of the child from the child's home and to reunify the child with the child's family at the earliest possible time;

(3) it has made reasonable efforts to finalize an alternative permanent home for the child, and considers permanent alternative homes for the child inside or outside of the state; or

(4) reasonable efforts to prevent placement and to reunify the child with the parent or guardian are not required. The agency may meet this burden by stating facts in a sworn petition filed under section 260C.141, by filing an affidavit summarizing the agency's reasonable efforts or facts the agency believes demonstrate there is no need for reasonable efforts to reunify the parent and child, or through testimony or a certified report required under juvenile court rules.

(g) Once the court determines that reasonable efforts for reunification are not required because the court has made one of the prima facie determinations under paragraph (a), the court may only require reasonable efforts for reunification after a hearing according to section 260C.163, where the court finds there is not clear and convincing evidence of the facts upon which the court based its prima facie determination. In this case when there is clear and convincing evidence that the child is in need of protection or services, the court may find the child in need of protection or services and order any of the dispositions available under section 260C.201, subdivision 1. Reunification of a surviving child with a parent is not required if the parent has been convicted of:

(1) a violation of, or an attempt or conspiracy to commit a violation of, sections 609.185 to 609.20; 609.222, subdivision 2; or 609.223 in regard to another child of the parent;

(2) a violation of section 609.222, subdivision 2; or 609.223, in regard to the surviving child; or

(3) a violation of, or an attempt or conspiracy to commit a violation of, United States Code, title 18, section 1111(a) or 1112(a), in regard to another child of the parent.
(4) committing sexual abuse as defined in section 626.556, subdivision 2, against
the child or another child of the parent; or

(5) an offense that requires registration as a predatory offender under section
243.166, subdivision 1b, paragraph (a) or (b).

(h) The juvenile court, in proceedings under sections 260B.178 or 260C.178,
260C.201, and 260C.301 shall make findings and conclusions as to the provision of
reasonable efforts. When determining whether reasonable efforts have been made, the
court shall consider whether services to the child and family were:

(1) relevant to the safety and protection of the child;

(2) adequate to meet the needs of the child and family;

(3) culturally appropriate;

(4) available and accessible;

(5) consistent and timely; and

(6) realistic under the circumstances.

In the alternative, the court may determine that provision of services or further
services for the purpose of rehabilitation is futile and therefore unreasonable under the
circumstances or that reasonable efforts are not required as provided in paragraph (a).

(i) This section does not prevent out-of-home placement for treatment of a child with
a mental disability when it is determined to be medically necessary as a result of the child's
diagnostic assessment or individual treatment plan indicates that appropriate and necessary
treatment cannot be effectively provided outside of a residential or inpatient treatment
program and the level or intensity of supervision and treatment cannot be effectively and
safely provided in the child's home or community and it is determined that a residential
treatment setting is the least restrictive setting that is appropriate to the needs of the child.

(j) If continuation of reasonable efforts to prevent placement or reunify the child
with the parent or guardian from whom the child was removed is determined by the court
to be inconsistent with the permanent plan for the child or upon the court making one of
the prima facie determinations under paragraph (a), reasonable efforts must be made to
place the child in a timely manner in a safe and permanent home and to complete whatever
steps are necessary to legally finalize the permanent placement of the child.

(k) Reasonable efforts to place a child for adoption or in another permanent
placement may be made concurrently with reasonable efforts to prevent placement or to
reunify the child with the parent or guardian from whom the child was removed. When
the responsible social services agency decides to concurrently make reasonable efforts for
both reunification and permanent placement away from the parent under paragraph (a), the
agency shall disclose its decision and both plans for concurrent reasonable efforts to all

Article 5 Section 1.
parties and the court. When the agency discloses its decision to proceed on both plans for
reunification and permanent placement away from the parent, the court's review of the
agency's reasonable efforts shall include the agency's efforts under both plans.

Sec. 2. Minnesota Statutes 2010, section 260C.001, is amended to read:

260C.001 TITLE, INTENT, AND CONSTRUCTION.
Subdivision 1. Citation; scope. (a) Sections 260C.001 to 260C.451 may
be cited as the child juvenile protection provisions of the Juvenile Court Act.
(b) Juvenile protection proceedings include:
(1) a child in need of protection or services matters;
(2) permanency matters, including termination of parental rights;
(3) postpermanency reviews under sections 260C.521 and 260C.317; and
(4) adoption matters including posttermination of parental rights proceedings that
review the responsible social services agency's reasonable efforts to finalize adoption.
Subd. 2. Child in need of juvenile protection services proceedings. (a) The
paramount consideration in all juvenile protection proceedings concerning a child alleged
or found to be in need of protection or services is the health, safety, and best interests
of the child. In proceedings involving an American Indian child, as defined in section
260.755, subdivision 8, the best interests of the child must be determined consistent with
sections 260.751 to 260.835 and the Indian Child Welfare Act, United States Code, title
25, sections 1901 to 1923.

(b) The purpose of the laws relating to juvenile court protection proceedings is:
(1) to secure for each child alleged or adjudicated in need of protection or services
and under the jurisdiction of the court, the care and guidance, preferably in the child's own
home, as will best serve the spiritual, emotional, mental, and physical welfare of the child;
(2) to provide judicial procedures which protect the welfare of the child;
(3) to preserve and strengthen the child's family ties whenever possible and in the
child's best interests, removing the child from the custody of parents only when the child's
welfare or safety cannot be adequately safeguarded without removal;
(4) to ensure that when removal from the child's own family is necessary and in the
child's best interests, the responsible social services agency has legal responsibility for
the child removal either:
(i) pursuant to a voluntary placement agreement between the child's parent or
guardian or the child, when the child is over age 18, and the responsible social services
agency; or
(ii) by court order pursuant to section 260C.151, subdivision 6; 260C.178; or 260C.178; 260C.201; 260C.325; or 260C.515;

(5) to ensure that, when placement is pursuant to court order, the court order removing the child or continuing the child in foster care contains an individualized determination that placement is in the best interests of the child that coincides with the actual removal of the child; and

(6) to ensure that when the child is removed, the child's care and discipline is, as nearly as possible, equivalent to that which should have been given by the parents and is either in:

(i) the home of a noncustodial parent pursuant to section 260C.178 or 260C.201, subdivision 1, paragraph (a), clause (1);

(ii) the home of a relative pursuant to emergency placement by the responsible social services agency under chapter 245A; or

(iii) a foster home licensed under chapter 245A; and

(7) to ensure appropriate permanency planning for children in foster care including:

(i) unless reunification is not required under section 260.012, developing a permanency plan for the child that includes a primary plan for reunification with the child's parent or guardian and a secondary plan for an alternative, legally permanent home for the child in the event reunification cannot be achieved in a timely manner;

(ii) identifying, locating, and assessing both parents of the child as soon as possible and offering reunification services to both parents of the child as required under section 260.012 and 260C.219;

(iii) identifying, locating, and notifying relatives of both parents of the child according to section 260.221;

(iv) making a placement with a family that will commit to being the legally permanent home for the child in the event reunification cannot occur at the earliest possible time while at the same time actively supporting the reunification plan; and

(v) returning the child home with supports and services, as soon as return is safe for the child, or when safe return cannot be timely achieved, moving to finalize another legally permanent home for the child.

Subd. 3. Permanency and termination of parental rights, and adoption. The purpose of the laws relating to permanency and termination of parental rights, and children who come under the guardianship of the commissioner of human services is to ensure that:

(1) when required and appropriate, reasonable efforts have been made by the social services agency to reunite the child with the child's parents in a home that is safe and permanent; and
(2) if placement with the parents is not reasonably foreseeable, to secure for the child a safe and permanent placement according to the requirements of section 260C.212, subdivision 2, preferably with adoptive parents or, if that is not possible or in the best interests of the child, a fit and willing relative through transfer of permanent legal and physical custody to that relative; and

(3) when a child is under the guardianship of the commissioner of human services, reasonable efforts are made to finalize an adoptive home for the child in a timely manner.

Nothing in this section requires reasonable efforts to prevent placement or to reunify the child with the parent or guardian to be made in circumstances where the court has determined that the child has been subjected to egregious harm, when the child is an abandoned infant, the parent has involuntarily lost custody of another child through a proceeding under section 260C.201, subdivision 11, 260C.515, subdivision 4, or similar law of another state, the parental rights of the parent to a sibling have been involuntarily terminated, or the court has determined that reasonable efforts or further reasonable efforts to reunify the child with the parent or guardian would be futile.

The paramount consideration in all proceedings for permanent placement of the child under section 260C.201, subdivision 11, sections 260C.503 to 260C.521, or the termination of parental rights is the best interests of the child. In proceedings involving an American Indian child, as defined in section 260.755, subdivision 8, the best interests of the child must be determined consistent with the Indian Child Welfare Act of 1978, United States Code, title 25, section 1901, et seq.

Subd. 4. Construction. The laws relating to the child protection provisions of the juvenile courts protection proceedings shall be liberally construed to carry out these purposes.

Sec. 3. Minnesota Statutes 2010, section 260C.007, subdivision 4, is amended to read:

Subd. 4. Child. "Child" means an individual under 18 years of age. For purposes of this chapter and chapter 260D, child also includes individuals under age 21 who are in foster care pursuant to section 260C.451.

Sec. 4. Minnesota Statutes 2010, section 260C.007, is amended by adding a subdivision to read:

Subd. 26a. Putative father. "Putative father" has the meaning given in section 259.21, subdivision 12.

The motion shall be brought in an existing juvenile protection proceeding and may be brought by any party, a putative father, or the county attorney representing the responsible social services agency.

(c) Notwithstanding any other provisions of law, a motion to establish parentage under this section, and any related documents or orders, are not confidential and are accessible to the public according to the provisions of the Minnesota Rules of Juvenile Protection Procedure. Any hearings related to establishment of paternity under this section are accessible to the public according to the Minnesota Rules of Juvenile Protection Procedure.

(d) The court may order genetic testing of any putative father or any man presumed to be father of a child who is the subject of a juvenile protection matter unless paternity of the child has already been adjudicated under the Minnesota Parentage Act or if a recognition of parentage has been fully executed and filed under section 257.75 when the recognition of parentage has the force and effect of a judgment or order determining the existence of the parent and child relationship under section 257.66. Sec. 10. Minnesota Statutes 2010, section 260C.163, subdivision 1, is amended to read:
Subdivision 1. General. (a) Except for hearings arising under section 260C.425,
hearings on any matter shall be without a jury and may be conducted in an informal
manner. In all adjudicatory proceedings involving a child alleged to be in need of
protection or services regarding juvenile protection matters under this chapter, the court
shall admit only evidence that would be admissible in a civil trial. To be proved at trial,
allegations of a petition alleging a child to be in need of protection or services must be
proved by clear and convincing evidence.

(b) Except for proceedings involving a child alleged to be in need of protection or
services and petitions for the termination of parental rights, hearings may be continued or
adjourned from time to time. In proceedings involving a child alleged to be in need of
protection or services and petitions for the termination of parental rights, hearings may not
be continued or adjourned for more than one week unless the court makes specific findings
that the continuance or adjournment is in the best interests of the child. If a hearing is held
on a petition involving physical or sexual abuse of a child who is alleged to be in need of
protection or services or neglected and in foster care, the court shall file the decision with
the court administrator as soon as possible but no later than 15 days after the matter is
submitted to the court. When a continuance or adjournment is ordered in any proceeding,
the court may make any interim orders as it deems in the best interests of the minor in
accordance with the provisions of sections 260C.001 to 260C.424, this chapter.

(c) Absent exceptional circumstances, hearings under this chapter, except hearings
in adoption proceedings, are presumed to be accessible to the public, however the court
may close any hearing and the records related to any matter as provided in the Minnesota
(d) Adoption hearings shall be conducted in accordance with the provisions of laws relating to adoptions are closed to the public and all records related to an adoption are inaccessible except as provided in the Minnesota Rules of Adoption Procedure.

(e) In any permanency hearing, including the transition of a child from foster care to independent living, the court shall ensure that its consult with the child during the hearing is in an age-appropriate manner.

Sec. 11. Minnesota Statutes 2010, section 260C.163, subdivision 4, is amended to read:

Subd. 4. County attorney. Except in adoption proceedings, the county attorney shall present the evidence upon request of the court. In representing the responsible social services agency, the county attorney shall also have the responsibility for advancing the public interest in the welfare of the child.

Sec. 12. Minnesota Statutes 2010, section 260C.178, subdivision 1, is amended to read:

Subdivision 1. Hearing and release requirements. (a) If a child was taken into custody under section 260C.175, subdivision 1, clause (1) or (2), item (ii), the court shall hold a hearing within 72 hours of the time the child was taken into custody, excluding Saturdays, Sundays, and holidays, to determine whether the child should continue in custody.

(b) Unless there is reason to believe that the child would endanger self or others or not return for a court hearing, or that the child's health or welfare would be immediately endangered, the child shall be released to the custody of a parent, guardian, custodian, or other suitable person, subject to reasonable conditions of release including, but not limited to, a requirement that the child undergo a chemical use assessment as provided in section 260C.157, subdivision 1.

(c) If the court determines there is reason to believe that the child would endanger self or others or not return for a court hearing, or that the child's health or welfare would be immediately endangered if returned to the care of the parent or guardian who has custody and from whom the child was removed, the court shall order the child into foster care under the legal responsibility of the responsible social services agency or responsible probation or corrections agency for the purposes of protective care as that term is used in the juvenile court rules or into the home of a noncustodial parent and order the noncustodial parent to comply with any conditions the court determines to be appropriate to the safety and care of the child, including cooperating with paternity establishment proceedings in the case of a man who has not been adjudicated the child's father. The court shall not give the responsible social services legal custody and order a trial home
visit at any time prior to adjudication and disposition under section 260C.201, subdivision 1, paragraph (a), clause (3), but may order the child returned to the care of the parent or guardian who has custody and from whom the child was removed and order the parent or guardian to comply with any conditions the court determines to be appropriate to meet the safety, health, and welfare of the child.

(d) In determining whether the child's health or welfare would be immediately endangered, the court shall consider whether the child would reside with a perpetrator of domestic child abuse.

(e) The Court, before determining whether a child should be placed in or continue in foster care under the protective care of the responsible agency, shall also make a determination, consistent with section 260.012 as to whether reasonable efforts were made to prevent placement or whether reasonable efforts to prevent placement are not required.

In the case of an Indian child, the court shall determine whether active efforts, according to the Indian Child Welfare Act of 1978, United States Code, title 25, section 1912(d), were made to prevent placement. The court shall enter a finding that the responsible social services agency has made reasonable efforts to prevent placement when the agency establishes either:

1. that it has actually provided services or made efforts in an attempt to prevent the child's removal but that such services or efforts have not proven sufficient to permit the child to safely remain in the home; or

2. that there are no services or other efforts that could be made at the time of the hearing that could safely permit the child to remain home or to return home. When reasonable efforts to prevent placement are required and there are services or other efforts that could be ordered which would permit the child to safely return home, the court shall order the child returned to the care of the parent or guardian and the services or efforts put in place to ensure the child's safety. When the court makes a prima facie determination that one of the circumstances under paragraph (g) exists, the court shall determine that reasonable efforts to prevent placement and to return the child to the care of the parent or guardian are not required.

If the court finds the social services agency's preventive or reunification efforts have not been reasonable but further preventive or reunification efforts could not permit the child to safely remain at home, the court may nevertheless authorize or continue the removal of the child.

(f) The Court may not order or continue the foster care placement of the child unless the court makes explicit, individualized findings that continued custody of the child by
the parent or guardian would be contrary to the welfare of the child and that placement is
in the best interest of the child.

(g) At the emergency removal hearing, or at any time during the course of the
proceeding, and upon notice and request of the county attorney, the court shall determine
whether a petition has been filed stating a prima facie case that:

(1) the parent has subjected a child to egregious harm as defined in section

260C.007, subdivision 14;

(2) the parental rights of the parent to another child have been involuntarily

terminated;

(3) the child is an abandoned infant under section 260C.301, subdivision 2,

paragraph (a), clause (2);

(4) the parents' custodial rights to another child have been involuntarily transferred
to a relative under Minnesota Statutes 2010, section 260C.201, subdivision 11, paragraph
(e), clause (1); section 260C.515, subdivision 4, or a similar law of another jurisdiction; or

(5) the parent has committed sexual abuse as defined in section 626.556, subdivision

2, against the child or another child of the parent;

(6) the parent has committed an offense that requires registration as a predatory

offender under section 243.166, subdivision 1b, paragraph (a) or (b); or

(7) the provision of services or further services for the purpose of reunification is

futile and therefore unreasonable.

(h) When a petition to terminate parental rights is required under section 260C.301,

subdivision 3 or 4, but the county attorney has determined not to proceed with a

termination of parental rights petition, and has instead filed a petition to transfer permanent

legal and physical custody to a relative under section 260C.201, subdivision 1; 260C.507,

subdivision 4, the court shall schedule a permanency hearing within 30 days of the filing

of the petition.

(i) If the county attorney has filed a petition under section 260C.307, the court shall

schedule a trial under section 260C.163 within 90 days of the filing of the petition except

when the county attorney determines that the criminal case shall proceed to trial first under

section 260C.201, subdivision 3 260C.503, subdivision 2, paragraph (c).

(j) If the court determines the child should be ordered into foster care and the child's

parent refuses to give information to the responsible social services agency regarding the

child's father or relatives of the child, the court may order the parent to disclose the names,

addresses, telephone numbers, and other identifying information to the responsible social

services agency for the purpose of complying with the requirements of sections 260C.151,

(k) If a child ordered into foster care has siblings, whether full, half, or step, who are also ordered into foster care, the court shall inquire of the responsible social services agency of the efforts to place the children together as required by section 260C.212, subdivision 2, paragraph (d), if placement together is in each child's best interests, unless a child is in placement for treatment or a child is placed with a previously noncustodial parent who is not a parent to all siblings. If the children are not placed together at the time of the hearing, the court shall inquire at each subsequent hearing of the agency's reasonable efforts to place the siblings together, as required under section 260.012. If any sibling is not placed with another sibling or siblings, the agency must develop a plan to facilitate visitation or ongoing contact among the siblings as required under section 260C.212, subdivision 1, unless it is contrary to the safety or well-being of any of the siblings to do so.

(l) When the court has ordered the child into foster care or into the home of a noncustodial parent, the court may order a chemical dependency evaluation, mental health evaluation, medical examination, and parenting assessment for the parent as necessary to support the development of a plan for reunification required under subdivision 7 and section 260C.212, subdivision 1, or the child protective services plan under section 626.556, subdivision 10 and Minnesota Rules, part 9560.0228.

Sec. 13. Minnesota Statutes 2010, section 260C.178, subdivision 7, is amended to read:

Subd. 7. Out-of-home placement plan. (a) An out-of-home placement plan required under section 260C.212 shall be filed with the court within 30 days of the filing of a juvenile protection petition alleging the child to be in need of protection or services under section 260C.141, subdivision 1, when the court orders emergency removal of the child under this section, or filed with the petition if the petition is a review of a voluntary placement under section 260C.141, subdivision 2.

(b) Upon the filing of the out-of-home placement plan which has been developed jointly with the parent and in consultation with others as required under section 260C.212, subdivision 1, the court may approve implementation of the plan by the responsible social services agency based on the allegations contained in the petition and any evaluations, examinations, or assessments conducted under subdivision 1, paragraph (l). The court shall send written notice of the approval of the out-of-home placement plan to all parties and the county attorney or may state such approval on the record at a hearing. A parent may agree to comply with the terms of the plan filed with the court.

(c) The responsible social services agency shall make reasonable attempts efforts to engage a parent both parents of the child in case planning. If the parent refuses to cooperate in the development of the out of home placement plan or disagrees with the
services recommended by the agency shall note such refusal or disagreement for the court. The agency shall notify the court of the services it will provide or efforts it will attempt under the plan notwithstanding the parent's refusal to cooperate or disagreement with the services. The parent may ask the court to modify the plan to require different or additional services requested by the parent, but which the agency refused to provide. The court may approve the plan as presented by the agency or may modify the plan to require services requested by the parent. The court's approval shall be based on the content of the petition.

(d) Unless the parent agrees to comply with the terms of the out-of-home placement plan, the court may not order a parent to comply with the provisions of the plan until the court finds the child is in need of protection or services and orders disposition under section 260C.201, subdivision 1. However, the court may find that the responsible social services agency has made reasonable efforts for reunification if the agency makes efforts to implement the terms of an out-of-home placement plan approved under this section.

Sec. 14. Minnesota Statutes 2010, section 260C.193, subdivision 3, is amended to read:

Subd. 3. **Best interest of the child in foster care or residential care.** (a) The policy of the state is to ensure that the best interests of children in foster or residential care, who experience transfer of permanent legal and physical custody to a relative under section 260C.515, subdivision 4, or adoption under chapter 259 are met by requiring individualized determinations under section 260C.212, subdivision 2, paragraph (b), of the needs of the child and of how the selected placement will serve the needs of the child in foster care placements.

(b) No later than three months after a child is ordered removed from the care of a parent in the hearing required under section 260C.202, the court shall review and enter findings regarding whether the responsible social services agency made:

1. diligent efforts to identify and search for relatives as required under section 260C.212, subdivision 5; 260C.221; and made
2. an individualized determination as required under section 260C.212, subdivision 2, to select a home that meets the needs of the child.

(c) If the court finds the agency has not made efforts as required under section 260C.212, subdivision 5; 260C.221, and there is a relative who qualifies to be licensed to provide family foster care under chapter 245A, the court may order the child placed with the relative consistent with the child's best interests.
(d) If the agency's efforts under section 260C.221 are found to be sufficient, the court shall order the agency to continue to appropriately engage relatives who responded to the notice under section 260C.221 in placement and case planning decisions and to appropriately engage relatives who subsequently come to the agency's attention.

(e) (e) If the child's birth parent or parents explicitly request that a relative or important friend not be considered, the court shall honor that request if it is consistent with the best interests of the child. If the child's birth parent or parents express a preference for placing the child in a foster or adoptive home of the same or a similar religious background to that of the birth parent or parents, the court shall order placement of the child with an individual who meets the birth parent's religious preference.

(f) Placement of a child cannot be delayed or denied based on race, color, or national origin of the foster parent or the child.

(g) Whenever possible, siblings should be placed together unless it is determined not to be in the best interests of a sibling siblings. If siblings are not placed together according to section 260C.212, subdivision 2, paragraph (d), the responsible social services agency shall report to the court the efforts made to place the siblings together and why the efforts were not successful. If the court is not satisfied with that the agency's efforts are reasonable efforts to place siblings together, the court may order the agency to make further reasonable efforts. If siblings are not placed together the court shall review the responsible social services agency's efforts to implement the plan for visitation among siblings required as part of the out-of-home placement plan under section 260C.212.

(h) This subdivision does not affect the Indian Child Welfare Act, United States Code, title 25, sections 1901 to 1923, and the Minnesota Indian Family Preservation Act, sections 260.751 to 260.835.
section 260C.451 asks to leave foster care or actually leaves foster care, the court may
terminate its jurisdiction.

(b) Except when a court order is necessary for a child to be in foster care or when
continued review under (1) section 260C.212, subdivision 7, paragraph (d), or 260C.201,
subdivision 11, paragraph (d), and (2) section 260C.317, subdivision 3, is required for a
child in foster care under section 260C.451. The court may terminate jurisdiction on its
own motion or the motion of any interested party upon a determination that jurisdiction is
no longer necessary to protect the child's best interests except when:

(1) a court order is necessary for a child to be in foster care; or

(2) continued review under section 260C.203, 260C.515, subdivision 5 or 6, or

(c) Unless terminated by the court, and except as otherwise provided in this
subdivision, the jurisdiction of the court shall continue until the child becomes 18 years
of age. The court may continue jurisdiction over an individual and all other parties to
the proceeding to the individual's 19th birthday when continuing jurisdiction is in the
individual's best interest in order to:

(1) protect the safety or health of the individual;

(2) accomplish additional planning for independent living or for the transition out of
foster care; or

(3) support the individual's completion of high school or a high school equivalency
program.

Sec. 16. Minnesota Statutes 2010, section 260C.201, subdivision 2, is amended to read:

Subd. 2. Written findings. (a) Any order for a disposition authorized under this
section shall contain written findings of fact to support the disposition and case plan
ordered and shall also set forth in writing the following information:

(1) why the best interests and safety of the child are served by the disposition and
case plan ordered;

(2) what alternative dispositions or services under the case plan were considered by
the court and why such dispositions or services were not appropriate in the instant case;

(3) when legal custody of the child is transferred, the appropriateness of the
particular placement made or to be made by the placing agency using the factors in section
260C.212, subdivision 2, paragraph (b);

(4) whether reasonable efforts to finalize the permanent plan for the child consistent
with section 260.012 were made including reasonable efforts:
(i) to prevent or eliminate the necessity of the child's removal placement and to reunify the family after removal of the child with the parent or guardian from whom the child was removed at the earliest time consistent with the child's safety. The court's findings must include a brief description of what preventive and reunification efforts were made and why further efforts could not have prevented or eliminated the necessity of removal or that reasonable efforts were not required under section 260.012 or 260C.178, subdivision 1;

(ii) to identify and locate any noncustodial or nonresident parent of the child and to assess such parent's ability to provide day-to-day care of the child, and, where appropriate, provide services necessary to enable the noncustodial or nonresident parent to safely provide day-to-day care of the child as required under section 260C.219, unless such services are not required under section 260.012 or 260C.178, subdivision 1;

(iii) to make the diligent search for relatives and provide the notices required under section 260C.221; a finding made pursuant to a hearing under section 260C.202 that the agency has made diligent efforts to conduct a relative search and has appropriately engaged relatives who responded to the notice under section 260C.221 and other relatives, who came to the attention of the agency after notice under section 260C.221 was sent, in placement and case planning decisions fulfills the requirement of this item;

(iv) to identify and make a foster care placement in the home of an unlicensed relative, according to the requirements of section 245A.035, a licensed relative, or other licensed foster care provider who will commit to being the permanent legal parent or custodian for the child in the event reunification cannot occur, but who will actively support the reunification plan for the child;

(v) to place siblings together in the same home or to ensure visitation is occurring when siblings are separated in foster care placement and visitation is in the siblings' best interests under section 260C.212, subdivision 2, paragraph (d); and

(i) whether the child has mental health needs that must be addressed by the case plan;

(ii) what consideration was given to the diagnostic and functional assessments performed by the child's mental health professional and to health and mental health care professionals' treatment recommendations;

(iii) what consideration was given to the requests or preferences of the child's parent or guardian with regard to the child's interventions, services, or treatment; and
(iv) what consideration was given to the cultural appropriateness of the child's
treatment or services.

(b) If the court finds that the social services agency's preventive or reunification
efforts have not been reasonable but that further preventive or reunification efforts could
not permit the child to safely remain at home, the court may nevertheless authorize or
continue the removal of the child.

(c) If the child has been identified by the responsible social services agency as the
subject of concurrent permanency planning, the court shall review the reasonable efforts
of the agency to recruit, identify, and make a placement in a home where the foster parent
or relative that has committed to being the legally permanent home for the child in the
event reunification efforts are not successful, develop a permanency plan for the child that
includes a primary plan which is for reunification with the child's parent or guardian and a
secondary plan which is for an alternative, legally permanent home for the child in the
event reunification cannot be achieved in a timely manner.

Sec. 17. Minnesota Statutes 2010, section 260C.201, subdivision 10, is amended to
read:

Subd. 10. Court review of foster care. (a) If the court orders a child placed
in foster care, the court shall review the out-of-home placement plan and the child's
placement at least every 90 days as required in juvenile court rules to determine whether
continued out-of-home placement is necessary and appropriate or whether the child should
be returned home. This review is not required if the court has returned the child home,
ordered the child permanently placed away from the parent under subdivision 11, or
terminated rights under section 260C.301. Court review for a child permanently placed
away from a parent, including where the child is under guardianship and legal custody of
the commissioner, shall be governed by subdivision 11 or section 260C.217, subdivision
3, whichever is applicable 260C.607.

(b) No later than six three months after the child's placement in foster care, the court
shall review agency efforts pursuant to section 260C.212 260C.221, subdivision 2, and
order that the efforts continue if the agency has failed to perform the duties under that
section. The court must order the agency to continue to appropriately engage relatives
who responded to the notice under section 260C.221 in placement and case planning
decisions and to engage other relatives who came to the agency's attention after notice
under section 260C.221 was sent.

(c) The court shall review the out-of-home placement plan and may modify the plan
as provided under subdivisions 6 and 7.
(d) When the court orders transfer of custody to a responsible social services agency resulting in foster care or protective supervision with a noncustodial parent under subdivision 1, the court shall notify the parents of the provisions of subdivisions 11 and subdivision 11a and sections 260C.503 to 260C.521, as required under juvenile court rules.

(e) When a child remains in or returns to foster care pursuant to section 260C.451 and the court has jurisdiction pursuant to section 260C.193, subdivision 6, paragraph (c), the court shall at least annually conduct the review required under subdivision 11, paragraph (d), or sections 260C.212, subdivision 7, and 260C.317, subdivision 3, section 260C.203.

Sec. 18. Minnesota Statutes 2010, section 260C.212, subdivision 5, is amended to read:

Subd. 5. Relative search. (a) The responsible social services agency shall exercise due diligence to identify and notify adult relatives prior to placement or within 30 days after the child's removal from the parent. The county agency shall consider placement with a relative under subdivision 2 without delay and whenever the child must move from or be returned to foster care. The relative search required by this section shall be reasonable and comprehensive in scope and may last up to six months or until a fit and willing relative is identified. After a finding that the agency has made reasonable efforts to conduct the relative search under this paragraph, the agency has the continuing responsibility to appropriately involve relatives, who have responded to the notice required under this paragraph, in planning for the child and to continue to consider relatives according to the requirements of section 260C.212, subdivision 2. At any time during the course of juvenile protection proceedings, the court may order the agency to reopen its search for relatives when it is in the child's best interest to do so. The relative search required by this section shall include both maternal relatives of the child and paternal relatives of the child; if paternity is adjudicated, the search shall also include getting information from the child in an age appropriate manner about who the child considers to be family members and important friends with whom the child has resided or had significant contact. The relative search required under this section must fulfill the agency's duties under the Indian Child Welfare Act regarding active efforts to prevent the breakup of the Indian family under United States Code, title 25, section 1912(d) and to meet placement preferences under United States Code, title 25, section 1915. The relatives must be notified:

1. of the need for a foster home for the child, the option to become a placement resource for the child, and the possibility of the need for a permanent placement for the child;

2. of their responsibility to keep the responsible social services agency informed of their current address in order to receive notice in the event that a permanent placement is
sought for the child. A relative who fails to provide a current address to the responsible
social services agency forfeits the right to notice of the possibility of permanent placement.
A decision by a relative not to be identified as a potential permanent placement resource
or participate in planning for the child at the beginning of the case shall not affect whether
the relative is considered for placement of the child with that relative later;
(3) that the relative may participate in the care and planning for the child, including
that the opportunity for such participation may be lost by failing to respond to the notice;
"Participate in the care and planning" includes, but is not limited to, participation in case
planning for the parent and child, identifying the strengths and needs of the parent and
child, supervising visits, providing respite and vacation visits for the child, providing
transportation to appointments, suggesting other relatives who might be able to help
support the case plan, and to the extent possible, helping to maintain the child's familiar
and regular activities and contact with friends and relatives; and
(4) of the family foster care licensing requirements, including how to complete an
application and how to request a variance from licensing standards that do not present a
safety or health risk to the child in the home under section 245A.04 and supports that are
available for relatives and children who reside in a family foster home; and
(5) of the relatives' right to ask to be notified of any court proceedings regarding
the child, to attend the hearings, and of a relative's right or opportunity to be heard by the
court as required under section 260C.152, subdivision 5.
(b) A responsible social services agency may disclose private or confidential data,
as defined in section sections 13.02 and 626.556, to relatives of the child for the purpose
of locating and assessing a suitable placement and may use any reasonable means of
identifying and locating relatives including the Internet or other electronic means of
conducting a search. The agency shall disclose only data that is necessary to facilitate
possible placement with relatives and to ensure that the relative is informed of the needs
of the child so the relative can participate in planning for the child and be supportive of
services to the child and family. If the child's parent refuses to give the responsible social
services agency information sufficient to identify the maternal and paternal relatives of the
child, the agency shall ask the juvenile court to order the parent to provide the necessary
information. If a parent makes an explicit request that relatives or a specific relative not be
contacted or considered for placement, the agency shall bring the parent's request to the
attention of the court to determine whether the parent's request is consistent with the best
interests of the child and the agency shall not contact relatives or a specific relative unless
authorized to do so by the juvenile court.
(c) At a regularly scheduled hearing not later than three months after the child's placement in foster care and as required in section 260C.202, the agency shall report to the court:

(1) its efforts to identify maternal and paternal relatives of the child, to engage the relatives in providing support for the child and family, and document that the relatives have been provided the notice required under paragraph (a); and

(2) its decision regarding placing the child with a relative as required under section 260C.212, subdivision 2, and to ask relatives to visit or maintain contact with the child in order to support family connections for the child, when placement with a relative is not possible or appropriate.

(d) Notwithstanding chapter 13, the agency shall disclose data about particular relatives identified, searched for, and contacted for the purposes of the court's review of the agency's due diligence.

(e) When the court is satisfied that the agency has exercised due diligence to identify relatives and provide the notice required in paragraph (a), the court may find that reasonable efforts have been made to conduct a relative search to identify and provide notice to adult relatives as required under section 260.012, paragraph (e), clause (3). If the court is not satisfied that the agency has exercised due diligence to identify relatives and provide the notice required in paragraph (a), the court may order the agency to continue its search and notice efforts and to report back to the court.

(f) When the placing agency determines that a permanent placement hearing is proceedings are necessary because there is a likelihood that the child will not return to a parent's care, the agency may send the notice provided in paragraph (d) (g), may ask the court to modify the requirements duty of the agency under this paragraph to send the notice required in paragraph (g), or may ask the court to completely relieve the agency of the requirements of this paragraph (g). The relative notification requirements of this paragraph (g) do not apply when the child is placed with an appropriate relative or a foster home that has committed to being adopting the child or taking permanent legal placement for and physical custody of the child and the agency approves of that foster home for permanent placement of the child. The actions ordered by the court under this section must be consistent with the best interests, safety, permanency, and welfare of the child.

(g) Unless required under the Indian Child Welfare Act or relieved of this duty by the court under paragraph (c) (e), when the agency determines that it is necessary to prepare for the permanent placement determination hearing proceedings, or in anticipation of filing a termination of parental rights petition, the agency shall send notice to the
relatives, any adult with whom the child is currently residing, any adult with whom the child has resided for one year or longer in the past, and any adults who have maintained a relationship or exercised visitation with the child as identified in the agency case plan. The notice must state that a permanent home is sought for the child and that the individuals receiving the notice may indicate to the agency their interest in providing a permanent home. The notice must state that within 30 days of receipt of the notice an individual receiving the notice must indicate to the agency the individual's interest in providing a permanent home for the child or that the individual may lose the opportunity to be considered for a permanent placement.

(c) The Department of Human Services shall develop a best practices guide and specialized staff training to assist the responsible social services agency in performing and complying with the relative search requirements under this subdivision.

the child's siblings, to be in need of protection or services accompanied by a case plan
prepared by the responsible social services agency documenting a compelling reason why
filing a termination of parental rights petition would not be in the best interests of the child.

Subd. 3. Calculating time to required permanency proceedings. (a) For
purposes of this section, the date of the child's placement in foster care is the earlier of
the first court-ordered placement or 60 days after the date on which the child has been
voluntarily placed in foster care by the child's parent or guardian. For purposes of this
section, time spent by a child in the home of the noncustodial parent pursuant to court
order under section 260C.178 or under the protective supervision of the responsible
social services agency in the home of the noncustodial parent pursuant to an order under
section 260C.201, subdivision 1, counts towards the requirement of a permanency hearing
under this section. Time spent on a trial home visit counts towards the requirement of a
permanency hearing under this section and the permanency progress review required
under section 260C.204.

(b) For the purposes of this section, 12 months is calculated as follows:
(1) during the pendency of a petition alleging that a child is in need of protection
or services, all time periods when a child is placed in foster care or in the home of a
noncustodial parent are cumulated;

(2) if a child has been placed in foster care within the previous five years under one
or more previous petitions, the lengths of all prior time periods when the child was placed
in foster care within the previous five years are cumulated. If a child under this clause
has been in foster care for 12 months or more, the court, if it is in the best interests of the
child and for compelling reasons, may extend the total time the child may continue out
of the home under the current petition up to an additional six months before making a
permanency determination.

(c) If the child is on a trial home visit 12 months after the child was placed in foster
care or in the care of a noncustodial parent, the responsible social services agency may file
a report with the court regarding the child's and parent's progress on the trial home visit and
the agency's reasonable efforts to finalize the child's safe and permanent return to the care
of the parent in lieu of filing the petition required under section 260C.505. The court shall
make findings regarding the reasonable efforts of the agency to finalize the child's return
home as the permanency disposition order in the best interests of the child. The court may
continue the trial home visit to a total time not to exceed six months as provided in section
260C.201, subdivision 1, paragraph (a), clause (3). If the court finds the agency has not
made reasonable efforts to finalize the child's return home as the permanency disposition
order in the child's best interests, the court may order other or additional efforts to support
the child remaining in the care of the parent. If a trial home visit ordered or continued at
permanency proceedings under sections 260C.503 to 260C.521 terminates, the court shall
commence or recommence permanency proceedings under this chapter no later than 30
days after the child is returned to foster care or to the care of a noncustodial parent.

Sec. 27. [260C.505] PETITION.

(a) A permanency or termination of parental rights petition must be filed at or
prior to the time the child has been in foster care or in the care of a noncustodial or
nonresident parent for 11 months or in the expedited manner required in section 260C.503,
subdivision 2, paragraph (a). The court administrator shall serve the petition as required
in the Minnesota Rules of Juvenile Protection Procedure and section 260C.152 for the
admit-deny hearing on the petition required in section 260C.507.
(b) A petition under this section is not required if the responsible social services
agency intends to recommend that the child return to the care of the parent from whom
the child was removed at or prior to the time the court is required to hold the admit-deny
hearing required under section 260C.507.

Sec. 28. [260C.507] ADMIT-DENY HEARING.

(a) An admit-deny hearing on the permanency or termination of parental rights
petition shall be held not later than 12 months from the child's placement in foster care or
an order for the child to be in the care of a noncustodial or nonresident parent.

(b) An admit-deny hearing on the termination of parental rights or transfer of
permanent legal and physical custody petition required to be immediately filed under
section 260C.503, subdivision 2, paragraph (a), shall be within ten days of the filing
of the petition.

(c) At the admit-deny hearing, the court shall determine whether there is a prima
facie basis for finding that the agency made reasonable efforts, or in the case of an Indian
child active efforts, for reunification as required or that reasonable efforts for reunification
are not required under section 260.012 and proceed according to the Minnesota Rules of
Juvenile Protection Procedure.

Sec. 29. [260C.509] TRIAL.

The permanency proceedings shall be conducted in a timely fashion including
that any trial required under section 260C.163 shall be commenced within 60 days of
the admit-deny hearing required under section 260C.507. At the conclusion of the
permanency proceedings, the court shall:

(1) order the child returned to the care of the parent or guardian from whom the
child was removed; or

(2) order a permanency disposition under section 260C.515 or termination of
parental rights under sections 260C.301 to 260C.328 if a permanency disposition order or
termination of parental rights is in the child's best interests.

Sec. 30. [260C.511] BEST INTERESTS OF THE CHILD.

(a) The "best interests of the child" means all relevant factors to be considered
and evaluated.

(b) In making a permanency disposition order or termination of parental rights,
the court must be governed by the best interests of the child, including a review of the
relationship between the child and relatives and the child and other important persons with
whom the child has resided or had significant contact.

Sec. 31. [260C.513] PERMANENCY DISPOSITIONS WHEN CHILD CANNOT
RETURN HOME.
(a) Termination of parental rights and adoption, or guardianship to the commissioner
of human services through a consent to adopt are preferred permanency options for a
child who cannot return home. If the court finds that termination of parental rights and
guardianship to the commissioner is not in the child's best interests, the court may transfer
permanent legal and physical custody of the child to a relative when that order is in the
child's best interests.

(b) When the court has determined that permanent placement of the child away from
the parent is necessary, the court shall consider permanent alternative homes that are
available both inside and outside the state.

Sec. 32. [260C.515] PERMANENCY DISPOSITION ORDERS.
Subdivision 1. Court order required. If the child is not returned to the home at or
before the conclusion of permanency proceedings under sections 260C.503 to 260C.521,
the court must order one of the permanency dispositions in this section.

Subd. 2. Termination of parental rights. The court may order:
(1) termination of parental rights when the requirements of sections 260C.301 to
260C.328 are met; or
(2) the responsible social services agency to file a petition for termination of
parental rights in which case all the requirements of sections 260C.301 to 260C.328
remain applicable.

Subd. 3. Guardianship; commissioner. The court may order guardianship to the
commissioner of human services under the following procedures and conditions:
(1) there is an identified prospective adoptive parent agreed to by the responsible
social services agency having legal custody of the child pursuant to court order under this
chapter and that prospective adoptive parent has agreed to adopt the child;
(2) the court accepts the parent's voluntary consent to adopt in writing on a form
prescribed by the commissioner, executed before two competent witnesses and confirmed
by the consenting parent before the court or executed before court. The consent shall
contain notice that consent given under this chapter:
(i) is irrevocable upon acceptance by the court unless fraud is established and an
order issues permitting revocation as stated in clause (9) unless the matter is governed by
the Indian Child Welfare Act, United States Code, title 25, section 1913(c); and
(ii) will result in an order that the child is under the guardianship of the commissioner
of human services;
(3) a consent executed and acknowledged outside of this state, either in accordance
with the law of this state or in accordance with the law of the place where executed, is
valid;
(4) the court must review the matter at least every 90 days under section 260C.317;
(5) a consent to adopt under this subdivision vests guardianship of the child with
the commissioner of human services and makes the child a ward of the commissioner of
human services under section 260C.325;
(6) the court must forward to the commissioner a copy of the consent to adopt,
together with a certified copy of the order transferring guardianship to the commissioner;
(7) if an adoption is not finalized by the identified prospective adoptive parent within
six months of the execution of the consent to adopt under this clause, the responsible
social services agency shall pursue adoptive placement in another home unless the court
finds in a hearing under section 260C.317 that the failure to finalize is not due to either an
action or a failure to act by the prospective adoptive parent;
(8) notwithstanding clause (7), the responsible social services agency must pursue
adoptive placement in another home as soon as the agency determines that finalization
of the adoption with the identified prospective adoptive parent is not possible, that the
identified prospective adoptive parent is not willing to adopt the child, or that the identified
prospective adoptive parent is not cooperative in completing the steps necessary to finalize
the adoption;
(9) unless otherwise required by the Indian Child Welfare Act, United States Code,
title 25, section 1913(c), a consent to adopt executed under this section shall be irrevocable
upon acceptance by the court except upon order permitting revocation issued by the same
court after written findings that consent was obtained by fraud.

Subd. 4. Custody to relative. The court may order permanent legal and physical
custody to a relative in the best interests of the child according to the following conditions:
(1) an order for transfer of permanent legal and physical custody to a relative shall
only be made after the court has reviewed the suitability of the prospective legal and
physical custodian;
(2) in transferring permanent legal and physical custody to a relative, the juvenile

court shall follow the standards applicable under this chapter and chapter 260, and the

procedures in the Minnesota Rules of Juvenile Protection Procedure;

(3) a transfer of legal and physical custody includes responsibility for the protection,
education, care, and control of the child and decision making on behalf of the child;

(4) a permanent legal and physical custodian may not return a child to the permanent
care of a parent from whom the court removed custody without the court's approval and

without notice to the responsible social services agency;

(5) the social services agency may file a petition naming a fit and willing relative as

a proposed permanent legal and physical custodian;

(6) another party to the permanency proceeding regarding the child may file a

petition to transfer permanent legal and physical custody to a relative, but the petition must

be filed not later than the date for the required admit/deny hearing under section 260C.507;

or if the agency's petition is filed under section 260C.503, subdivision 2, the petition must

be filed not later than 30 days prior to the trial required under section 260C.509; and

(7) the juvenile court may maintain jurisdiction over the responsible social services

agency, the parents or guardian of the child, the child, and the permanent legal and

physical custodian for purposes of ensuring appropriate services are delivered to the child

and permanent legal custodian for the purpose of ensuring conditions ordered by the court

related to the care and custody of the child are met.

Subd. 5. Permanent custody to agency. The court may order permanent custody to

the responsible social services agency for continued placement of the child in foster care

but only if it approves the responsible social services agency's compelling reasons that no

other permanency disposition order is in the child's best interests, and:

(1) the child has reached age 12;

(2) the child is a sibling of a child described in clause (1) and the siblings have a

significant positive relationship and are ordered into the same foster home;

(3) the responsible social services agency has made reasonable efforts to locate and

place the child with an adoptive family or a fit and willing relative who would either agree

to adopt the child or to a transfer of permanent legal and physical custody of the child, but

these efforts have not proven successful; and

(4) the parent will continue to have visitation or contact with the child and will

remain involved in planning for the child.

Subd. 6. Temporary legal custody to agency. The court may order temporary legal

custody to the responsible social services agency for continued placement of the child in

foster care for a specified period of time according to the following conditions:
(1) the sole basis for an adjudication that the child is in need of protection or services
is the child's behavior;
(2) the court finds that foster care for a specified period of time is in the best interests
of the child;
(3) the court approves the responsible social services agency's compelling reasons
that neither an award of permanent legal and physical custody to a relative, nor termination
of parental rights is in the child's best interests; and
(4) the order specifies that the child continue in foster care no longer than one year.

Sec. 33. [260C.517] FINDINGS AND CONTENT OF ORDER FOR
PERMANENCY DISPOSITION.
(a) Except for an order terminating parental rights, an order permanently placing
a child out of the home of the parent or guardian must include the following detailed
findings:
(1) how the child's best interests are served by the order;
(2) the nature and extent of the responsible social services agency's reasonable
efforts, or, in the case of an Indian child, active efforts to reunify the child with the parent
or guardian where reasonable efforts are required;
(3) the parent's or parents' efforts and ability to use services to correct the conditions
which led to the out-of-home placement; and
(4) that the conditions which led to the out-of-home placement have not been
corrected so that the child can safely return home.
(b) The court shall issue an order required under section 260C.515 and this section
within 15 days of the close of the proceedings. The court may extend issuing the order
an additional 15 days when necessary in the interests of justice and the best interests of
the child.

Sec. 34. [260C.519] FURTHER COURT HEARINGS.
Once a permanency disposition order has been made, further court hearings are
necessary if:
(1) the child is ordered on a trial home visit or under the protective supervision
of the responsible social services agency;
(2) the child continues in foster care;
(3) the court orders further hearings in a transfer of permanent legal and physical
custody matter including if a party seeks to modify an order under section 260C.521,
subdivision 2;
(4) an adoption has not yet been finalized; or

(5) the child returns to foster care after the court has entered an order for a permanency disposition under this section.

Sec. 35. [260C.521] COURT REVIEWS AFTER PERMANENCY DISPOSITION

ORDER.

Subdivision 1. Child in permanent custody of responsible social services agency.

(a) Court reviews of an order for permanent custody to the responsible social services agency for placement of the child in foster care must be conducted at least yearly at an in-court appearance hearing.

(b) The purpose of the review hearing is to ensure:

(1) the order for permanent custody to the responsible social services agency for placement of the child in foster care continues to be in the best interests of the child and that no other permanency disposition order is in the best interests of the child;

(2) that the agency is assisting the child to build connections to the child's family and community; and

(3) that the agency is appropriately planning with the child for development of independent living skills for the child, and as appropriate, for the orderly and successful transition to independent living that may occur if the child continues in foster care without another permanency disposition order.

(c) The court must review the child's out-of-home placement plan and the reasonable efforts of the agency to finalize an alternative permanent plan for the child including the agency's efforts to:

(1) ensure that permanent custody to the agency with placement of the child in foster care continues to be the most appropriate legal arrangement for meeting the child's need for permanency and stability or, if not, to identify and attempt to finalize another permanency disposition order under this chapter that would better serve the child's needs and best interests;

(2) identify a specific foster home for the child, if one has not already been identified;

(3) support continued placement of the child in the identified home, if one has been identified;

(4) ensure appropriate services are provided to address the physical health, mental health, and educational needs of the child during the period of foster care and also ensure appropriate services or assistance to maintain relationships with appropriate family members and the child's community; and
(5) plan for the child's independence upon the child's leaving foster care living as required under section 260C.212, subdivision 1.

(d) The court may find that the agency has made reasonable efforts to finalize the permanent plan for the child when:

(1) the agency has made reasonable efforts to identify a more legally permanent home for the child than is provided by an order for permanent custody to the agency for placement in foster care; and

(2) the agency's engagement of the child in planning for independent living is reasonable and appropriate.

Subd. 2. Modifying an order for permanent legal and physical custody to a relative. An order for a relative to have permanent legal and physical custody of a child may be modified using standards under sections 518.18 and 518.185. The social services agency is a party to the proceeding and must receive notice.

Subd. 3. Modifying order for permanent custody to agency for placement in foster care. (a) A parent may seek modification of an order for permanent custody of the child to the responsible social services agency for placement in foster care upon motion and a showing by the parent of a substantial change in the parent's circumstances such that the parent could provide appropriate care for the child and that removal of the child from the permanent custody of the agency and the return to the parent's care would be in the best interests of the child.

(b) The responsible social services agency may ask the court to vacate an order for permanent custody to the agency upon a petition and hearing pursuant to section 260C.163 establishing the basis for the court to order another permanency disposition under this chapter, including termination of parental rights based on abandonment if the parent has not visited the child, maintained contact with the child, or participated in planning for the child as required under section 260C.515, subdivision 5. The responsible social services agency must establish that the proposed permanency disposition order is in the child's best interests. Upon a hearing where the court determines the petition is proved, the court may vacate the order for permanent custody and enter a different order for a permanent disposition that is in the child's best interests. The court shall not require further reasonable efforts to reunify the child with the parent or guardian as a basis for vacating the order for permanent custody to the agency and ordering a different permanency disposition in the child's best interests. The county attorney must file the petition and give notice as required under the Minnesota Rules of Juvenile Protection Procedure in order to modify an order for permanent custody under this subdivision.
ARTICLE 6

CHILD SUPPORT

Section 1. Minnesota Statutes 2011 Supplement, section 256.01, subdivision 14b, is amended to read:

Subd. 14b. American Indian child welfare projects. (a) The commissioner of human services may authorize projects to test tribal delivery of child welfare services to American Indian children and their parents and custodians living on the reservation. The commissioner has authority to solicit and determine which tribes may participate in a project. Grants may be issued to Minnesota Indian tribes to support the projects. The commissioner may waive existing state rules as needed to accomplish the projects. Notwithstanding section 626.556, the commissioner may authorize projects to use alternative methods of investigating and assessing reports of child maltreatment, provided that the projects comply with the provisions of section 626.556 dealing with the rights of individuals who are subjects of reports or investigations, including notice and appeal rights and data practices requirements. The commissioner may seek any federal approvals necessary to carry out the projects as well as seek and use any funds available to the commissioner, including use of federal funds, foundation funds, existing grant funds, and other funds. The commissioner is authorized to advance state funds as necessary to operate the projects. Federal reimbursement applicable to the projects is appropriated to the commissioner for the purposes of the projects. The projects must be required to address responsibility for safety, permanency, and well-being of children.

(b) For the purposes of this section, "American Indian child" means a person under 18 years of age 21 years old and who is a tribal member or eligible for membership in one of the tribes chosen for a project under this subdivision and who is residing on the reservation of that tribe.

(c) In order to qualify for an American Indian child welfare project, a tribe must:

(1) be one of the existing tribes with reservation land in Minnesota;

(2) have a tribal court with jurisdiction over child custody proceedings;

(3) have a substantial number of children for whom determinations of maltreatment have occurred;

(4) have capacity to respond to reports of abuse and neglect under section 626.556;

(5) provide a wide range of services to families in need of child welfare services; and

(6) have a tribal-state title IV-E agreement in effect.
(d) Grants awarded under this section may be used for the nonfederal costs of providing child welfare services to American Indian children on the tribe's reservation, including costs associated with:

(1) assessment and prevention of child abuse and neglect;
(2) family preservation;
(3) facilitative, supportive, and reunification services;
(4) out-of-home placement for children removed from the home for child protective purposes; and
(5) other activities and services approved by the commissioner that further the goals of providing safety, permanency, and well-being of American Indian children.

(e) When a tribe has initiated a project and has been approved by the commissioner to assume child welfare responsibilities for American Indian children of that tribe under this section, the affected county social service agency is relieved of responsibility for responding to reports of abuse and neglect under section 626.556 for those children during the time within which the tribal project is in effect and funded. The commissioner shall work with tribes and affected counties to develop procedures for data collection, evaluation, and clarification of ongoing role and financial responsibilities of the county and tribe for child welfare services prior to initiation of the project. Children who have not been identified by the tribe as participating in the project shall remain the responsibility of the county. Nothing in this section shall alter responsibilities of the county for law enforcement or court services.

(f) Participating tribes may conduct children's mental health screenings under section 245.4874, subdivision 1, paragraph (a), clause (14), for children who are eligible for the initiative and living on the reservation and who meet one of the following criteria:

(1) the child must be receiving child protective services;
(2) the child must be in foster care; or
(3) the child's parents must have had parental rights suspended or terminated.

Tribes may access reimbursement from available state funds for conducting the screenings. Nothing in this section shall alter responsibilities of the county for providing services under section 245.487.

(g) Participating tribes may establish a local child mortality review panel. In establishing a local child mortality review panel, the tribe agrees to conduct local child mortality reviews for child deaths or near-fatalities occurring on the reservation under subdivision 12. Tribes with established child mortality review panels shall have access to nonpublic data and shall protect nonpublic data under subdivision 12, paragraphs (c) to (e). The tribe shall provide written notice to the commissioner and affected counties.
when a local child mortality review panel has been established and shall provide data upon
request of the commissioner for purposes of sharing nonpublic data with members of the
state child mortality review panel in connection to an individual case.

(h) The commissioner shall collect information on outcomes relating to child safety,
permanency, and well-being of American Indian children who are served in the projects.
Participating tribes must provide information to the state in a format and completeness
deemed acceptable by the state to meet state and federal reporting requirements.

(i) In consultation with the White Earth Band, the commissioner shall develop
and submit to the chairs and ranking minority members of the legislative committees
with jurisdiction over health and human services a plan to transfer legal responsibility
for providing child protective services to White Earth Band member children residing in
Hennepin County to the White Earth Band. The plan shall include a financing proposal,
definitions of key terms, statutory amendments required, and other provisions required to
implement the plan. The commissioner shall submit the plan by January 15, 2012.

Sec. 2. Minnesota Statutes 2010, section 257.75, subdivision 7, is amended to read:

Subd. 7. Hospital and Department of Health distribution of educational
materials; recognition form. Hospitals that provide obstetric services and the state
registrar of vital statistics shall distribute the educational materials and recognition
of parentage forms prepared by the commissioner of human services to new parents;
and shall assist parents in understanding the recognition of parentage form, including
following the provisions for notice under subdivision 5; shall aid new parents in properly
completing the recognition of parentage form, including providing notary services; and
shall timely file the completed recognition of parentage form with the office of the state
registrar of vital statistics. On and after January 1, 1994, hospitals may not distribute the
declaration of parentage forms.

Sec. 3. Minnesota Statutes 2010, section 518C.205, is amended to read:

518C.205 CONTINUING, EXCLUSIVE JURISDICTION.

(a) A tribunal of this state issuing a support order consistent with the law of this state
has continuing, exclusive jurisdiction over a child support order unless:

(1) as long as this state remains no longer the residence of the obligor, the
individual obligee, or the child for whose benefit the support order is issued; or

(2) until all of the parties who are individuals have filed written consents with
the tribunal of this state for a tribunal of another state to modify the order and assume
continuing, exclusive jurisdiction.
(b) A tribunal of this state issuing a child support order consistent with the law of this state may not exercise its continuing jurisdiction to modify the order if the order has been modified by a tribunal of another state pursuant to this chapter or a law substantially similar to this chapter.

c) If a child support order of this state is modified by a tribunal of another state pursuant to this chapter or a law substantially similar to this chapter, a tribunal of this state loses its continuing, exclusive jurisdiction with regard to prospective enforcement of the order issued in this state, and may only:

1. enforce the order that was modified as to amounts accruing before the modification;
2. enforce nonmodifiable aspects of that order; and
3. provide other appropriate relief for violations of that order which occurred before the effective date of the modification.

d) A tribunal of this state shall recognize the continuing, exclusive jurisdiction of a tribunal of another state which has issued a child support order pursuant to this chapter or a law substantially similar to this chapter.

e) A temporary support order issued ex parte or pending resolution of a jurisdictional conflict does not create continuing, exclusive jurisdiction in the issuing tribunal.

(f) A tribunal of this state issuing a support order consistent with the law of this state has continuing, exclusive jurisdiction over a spousal support order throughout the existence of the support obligation. A tribunal of this state may not modify a spousal support order issued by a tribunal of another state having continuing, exclusive jurisdiction over that order under the law of that state.

Sec. 4. RECIPROCAL AGREEMENT; CHILD SUPPORT ENFORCEMENT.

The commissioner of human services shall initiate procedures no later than July 1, 2012, to enter into a reciprocal agreement with Bermuda for the establishment and enforcement of child support obligations pursuant to United States Code, title 42, section 659a(d).

EFFECTIVE DATE. This section is effective upon Bermuda's written acceptance and agreement to enforce Minnesota child support orders. If Bermuda does not accept and declines to enforce Minnesota orders, this section expires December 31, 2013.
ARTICLE 7

TECHNICAL AND CONFORMING AMENDMENTS

Section 1. Minnesota Statutes 2010, section 257.01, is amended to read:

257.01 RECORDS REQUIRED.

Each person or authorized child-placing agency permitted by law to receive children, secure homes for children, or care for children, shall keep a record containing the name, age, former residence, legal status, health records, sex, race, and accumulated length of time in foster care, if applicable, of each child received; the name, former residence, occupation, health history, and character, of each birth parent; the date of reception, placing out, and adoption of each child, and the name, race, occupation, and residence of the person with whom a child is placed; the date of the removal of any child to another home and the reason for removal; the date of termination of the guardianship; the history of each child until the child reaches the age of 18 years, is legally adopted, or is discharged according to law; and further demographic and other information as is required by the commissioner of human services.

Sec. 2. Minnesota Statutes 2010, section 259.69, is amended to read:

259.69 TRANSFER OF FUNDS.

The commissioner of human services may transfer funds into the subsidized adoption assistance account when a deficit in the subsidized adoption assistance program occurs.

Sec. 3. Minnesota Statutes 2010, section 259.73, is amended to read:

259.73 REIMBURSEMENT OF NONRECURRING ADOPTION EXPENSES.

The commissioner of human services shall provide reimbursement of up to $2,000 to the adoptive parent or parents for costs incurred in adopting a child with special needs. The commissioner shall determine the child's eligibility for adoption expense reimbursement under title IV-E of the Social Security Act, United States Code, title 42, sections 670 to 676. To be reimbursed, costs must be reasonable, necessary, and directly related to the legal adoption of the child. An individual may apply for reimbursement for costs incurred in an adoption of a child with special needs under section 259A.70.

Sec. 4. Minnesota Statutes 2010, section 260C.301, subdivision 1, is amended to read:

Subdivision 1. Voluntary and involuntary. The juvenile court may upon petition, terminate all rights of a parent to a child:
(a) with the written consent of a parent who for good cause desires to terminate
parental rights; or

(b) if it finds that one or more of the following conditions exist:

(1) that the parent has abandoned the child;

(2) that the parent has substantially, continuously, or repeatedly refused or neglected
to comply with the duties imposed upon that parent by the parent and child relationship,
including but not limited to providing the child with necessary food, clothing, shelter,
education, and other care and control necessary for the child's physical, mental, or
emotional health and development, if the parent is physically and financially able, and
either reasonable efforts by the social services agency have failed to correct the conditions
that formed the basis of the petition or reasonable efforts would be futile and therefore
unreasonable;

(3) that a parent has been ordered to contribute to the support of the child or
financially aid in the child's birth and has continuously failed to do so without good cause.
This clause shall not be construed to state a grounds for termination of parental rights of a
noncustodial parent if that parent has not been ordered to or cannot financially contribute
to the support of the child or aid in the child's birth;

(4) that a parent is palpably unfit to be a party to the parent and child relationship
because of a consistent pattern of specific conduct before the child or of specific conditions
directly relating to the parent and child relationship either of which are determined by
the court to be of a duration or nature that renders the parent unable, for the reasonably
foreseeable future, to care appropriately for the ongoing physical, mental, or emotional
needs of the child. It is presumed that a parent is palpably unfit to be a party to the parent
and child relationship upon a showing that the parent's parental rights to one or more other
children were involuntarily terminated or that the parent's custodial rights to another child
have been involuntarily transferred to a relative under section 260C.201, subdivision 11,
paragraph (e), clause (1), or a similar law of another jurisdiction;

(5) that following the child's placement out of the home, reasonable efforts, under the
direction of the court, have failed to correct the conditions leading to the child's placement.
It is presumed that reasonable efforts under this clause have failed upon a showing that:

(i) a child has resided out of the parental home under court order for a cumulative
period of 12 months within the preceding 22 months. In the case of a child under age eight
at the time the petition was filed alleging the child to be in need of protection or services,
the presumption arises when the child has resided out of the parental home under court
order for six months unless the parent has maintained regular contact with the child and
the parent is complying with the out-of-home placement plan;
(ii) the court has approved the out-of-home placement plan required under section 260C.212 and filed with the court under section 260C.178;

(iii) conditions leading to the out-of-home placement have not been corrected. It is presumed that conditions leading to a child's out-of-home placement have not been corrected upon a showing that the parent or parents have not substantially complied with the court's orders and a reasonable case plan; and

(iv) reasonable efforts have been made by the social services agency to rehabilitate the parent and reunite the family.

This clause does not prohibit the termination of parental rights prior to one year, or in the case of a child under age eight, prior to six months after a child has been placed out of the home.

It is also presumed that reasonable efforts have failed under this clause upon a showing that:

(A) the parent has been diagnosed as chemically dependent by a professional certified to make the diagnosis;

(B) the parent has been required by a case plan to participate in a chemical dependency treatment program;

(C) the treatment programs offered to the parent were culturally, linguistically, and clinically appropriate;

(D) the parent has either failed two or more times to successfully complete a treatment program or has refused at two or more separate meetings with a caseworker to participate in a treatment program; and

(E) the parent continues to abuse chemicals.

(6) that a child has experienced egregious harm in the parent's care which is of a nature, duration, or chronicity that indicates a lack of regard for the child's well-being, such that a reasonable person would believe it contrary to the best interest of the child or of any child to be in the parent's care;

(7) that in the case of a child born to a mother who was not married to the child's father when the child was conceived nor when the child was born the person is not entitled to notice of an adoption hearing under section 259.49 and the person has not registered with the fathers' adoption registry under section 259.52;

(8) that the child is neglected and in foster care; or

(9) that the parent has been convicted of a crime listed in section 260.012, paragraph (g), clauses (1) to (3) (5).
In an action involving an American Indian child, sections 260.751 to 260.835 and the Indian Child Welfare Act, United States Code, title 25, sections 1901 to 1923, control to the extent that the provisions of this section are inconsistent with those laws.

Sec. 5. Minnesota Statutes 2010, section 260D.08, is amended to read:

260D.08 ANNUAL REVIEW.

(a) After the court conducts a permanency review hearing under section 260D.07, the matter must be returned to the court for further review of the responsible social services reasonable efforts to finalize the permanent plan for the child and the child's foster care placement at least every 12 months while the child is in foster care. The court shall give notice to the parent and child, age 12 or older, and the foster parents of the continued review requirements under this section at the permanency review hearing.

(b) Every 12 months, the court shall determine whether the agency made reasonable efforts to finalize the permanency plan for the child, which means the exercise of due diligence by the agency to:

(1) ensure that the agreement for voluntary foster care is the most appropriate legal arrangement to meet the child's safety, health, and best interests and to conduct a genuine examination of whether there is another permanency disposition order under chapter 260C, including returning the child home, that would better serve the child's need for a stable and permanent home;

(2) engage and support the parent in continued involvement in planning and decision making for the needs of the child;

(3) strengthen the child's ties to the parent, relatives, and community;

(4) implement the out-of-home placement plan required under section 260C.212, subdivision 1, and ensure that the plan requires the provision of appropriate services to address the physical health, mental health, and educational needs of the child; and

(5) ensure appropriate planning for the child's safe, permanent, and independent living arrangement after the child's 18th birthday.

Sec. 6. 611.012 DISPOSITION OF CHILD OF PARENT ARRESTED.

A peace officer who arrests a person accompanied by a child of the person may release the child to any person designated by the parent unless it is necessary to remove the child under section 260C.175 because the child is found in surroundings or conditions which endanger the child's health or welfare or which the peace officer reasonably believes will endanger the child's health or welfare. An officer releasing a child under this section to a person designated by the parent has no civil or criminal liability for the child's release.
Sec. 7. Minnesota Statutes 2010, section 626.556, subdivision 2, is amended to read:

Subd. 2. Definitions. As used in this section, the following terms have the meanings given them unless the specific content indicates otherwise:

(a) "Family assessment" means a comprehensive assessment of child safety, risk of subsequent child maltreatment, and family strengths and needs that is applied to a child maltreatment report that does not allege substantial child endangerment. Family assessment does not include a determination as to whether child maltreatment occurred but does determine the need for services to address the safety of family members and the risk of subsequent maltreatment.

(b) "Investigation" means fact gathering related to the current safety of a child and the risk of subsequent maltreatment that determines whether child maltreatment occurred and whether child protective services are needed. An investigation must be used when reports involve substantial child endangerment, and for reports of maltreatment in facilities required to be licensed under chapter 245A or 245B; under sections 144.50 to 144.58 and 241.021; in a school as defined in sections 120A.05, subdivisions 9, 11, and 13, and 124D.10; or in a nonlicensed personal care provider association as defined in sections 256B.04, subdivision 16, and 256B.0625, subdivision 19a.

(c) "Substantial child endangerment" means a person responsible for a child's care, and in the case of sexual abuse includes a person who has a significant relationship to the child as defined in section 609.341, or a person in a position of authority as defined in section 609.341, who by act or omission commits or attempts to commit an act against a child under their care that constitutes any of the following:

(1) egregious harm as defined in section 260C.007, subdivision 14;
(2) sexual abuse as defined in paragraph (d);
(3) abandonment under section 260C.301, subdivision 2;
(4) neglect as defined in paragraph (f), clause (2), that substantially endangers the child's physical or mental health, including a growth delay, which may be referred to as failure to thrive, that has been diagnosed by a physician and is due to parental neglect;
(5) murder in the first, second, or third degree under section 609.185, 609.19, or 609.195;
(6) manslaughter in the first or second degree under section 609.20 or 609.205;
(7) assault in the first, second, or third degree under section 609.221, 609.222, or 609.223;
(8) solicitation, inducement, and promotion of prostitution under section 609.322;
(9) criminal sexual conduct under sections 609.342 to 609.3451;
(10) solicitation of children to engage in sexual conduct under section 609.352;
(11) malicious punishment or neglect or endangerment of a child under section 609.377 or 609.378;

(12) use of a minor in sexual performance under section 617.246; or

(13) parental behavior, status, or condition which mandates that the county attorney file a termination of parental rights petition under section 260C.301, subdivision 3, paragraph (a).

(d) "Sexual abuse" means the subjectation of a child by a person responsible for the child's care, by a person who has a significant relationship to the child, as defined in section 609.341, or by a person in a position of authority, as defined in section 609.341, subdivision 10, to any act which constitutes a violation of section 609.342 (criminal sexual conduct in the first degree), 609.343 (criminal sexual conduct in the second degree), 609.344 (criminal sexual conduct in the third degree), 609.345 (criminal sexual conduct in the fourth degree), or 609.3451 (criminal sexual conduct in the fifth degree). Sexual abuse also includes any act which involves a minor which constitutes a violation of prostitution offenses under sections 609.321 to 609.324 or 617.246. Sexual abuse includes threatened sexual abuse which includes the status of a parent or household member who has committed a violation which requires registration as an offender under section 243.166, subdivision 1b, paragraph (a) or (b), or required registration under section 243.166, subdivision 1b, paragraph (a) or (b).

(e) "Person responsible for the child's care" means (1) an individual functioning within the family unit and having responsibilities for the care of the child such as a parent, guardian, or other person having similar care responsibilities, or (2) an individual functioning outside the family unit and having responsibilities for the care of the child such as a teacher, school administrator, other school employees or agents, or other lawful custodian of a child having either full-time or short-term care responsibilities including, but not limited to, day care, babysitting whether paid or unpaid, counseling, teaching, and coaching.

(f) "Neglect" means the commission or omission of any of the acts specified under clauses (1) to (9), other than by accidental means:

(1) failure by a person responsible for a child's care to supply a child with necessary food, clothing, shelter, health, medical, or other care required for the child's physical or mental health when reasonably able to do so;

(2) failure to protect a child from conditions or actions that seriously endanger the child's physical or mental health when reasonably able to do so, including a growth delay, which may be referred to as a failure to thrive, that has been diagnosed by a physician and is due to parental neglect;
(3) failure to provide for necessary supervision or child care arrangements appropriate for a child after considering factors as the child's age, mental ability, physical condition, length of absence, or environment, when the child is unable to care for the child's own basic needs or safety, or the basic needs or safety of another child in their care;

(4) failure to ensure that the child is educated as defined in sections 120A.22 and 260C.163, subdivision 11, which does not include a parent's refusal to provide the parent's child with sympathomimetic medications, consistent with section 125A.091, subdivision 5;

(5) nothing in this section shall be construed to mean that a child is neglected solely because the child's parent, guardian, or other person responsible for the child's care in good faith selects and depends upon spiritual means or prayer for treatment or care of disease or remedial care of the child in lieu of medical care; except that a parent, guardian, or caretaker, or a person mandated to report pursuant to subdivision 3, has a duty to report if a lack of medical care may cause serious danger to the child's health. This section does not impose upon persons, not otherwise legally responsible for providing a child with necessary food, clothing, shelter, education, or medical care, a duty to provide that care;

(6) prenatal exposure to a controlled substance, as defined in section 253B.02, subdivision 2, used by the mother for a nonmedical purpose, as evidenced by withdrawal symptoms in the child at birth, results of a toxicology test performed on the mother at delivery or the child at birth, or medical effects or developmental delays during the child's first year of life that medically indicate prenatal exposure to a controlled substance, or the presence of a fetal alcohol spectrum disorder;

(7) "medical neglect" as defined in section 260C.007, subdivision 6, clause (5);

(8) chronic and severe use of alcohol or a controlled substance by a parent or person responsible for the care of the child that adversely affects the child's basic needs and safety; or

(9) emotional harm from a pattern of behavior which contributes to impaired emotional functioning of the child which may be demonstrated by a substantial and observable effect in the child's behavior, emotional response, or cognition that is not within the normal range for the child's age and stage of development, with due regard to the child's culture.

(g) "Physical abuse" means any physical injury, mental injury, or threatened injury, inflicted by a person responsible for the child's care on a child other than by accidental means, or any physical or mental injury that cannot reasonably be explained by the child's history of injuries, or any aversive or deprivation procedures, or regulated interventions, that have not been authorized under section 121A.67 or 245.825.
Abuse does not include reasonable and moderate physical discipline of a child administered by a parent or legal guardian which does not result in an injury. Abuse does not include the use of reasonable force by a teacher, principal, or school employee as allowed by section 121A.582. Actions which are not reasonable and moderate include, but are not limited to, any of the following that are done in anger or without regard to the safety of the child:

1. throwing, kicking, burning, biting, or cutting a child;
2. striking a child with a closed fist;
3. shaking a child under age three;
4. striking or other actions which result in any nonaccidental injury to a child under 18 months of age;
5. unreasonable interference with a child's breathing;
6. threatening a child with a weapon, as defined in section 609.02, subdivision 6;
7. striking a child under age one on the face or head;
8. purposely giving a child poison, alcohol, or dangerous, harmful, or controlled substances which were not prescribed for the child by a practitioner, in order to control or punish the child; or other substances that substantially affect the child's behavior, motor coordination, or judgment or that results in sickness or internal injury, or subjects the child to medical procedures that would be unnecessary if the child were not exposed to the substances;
9. unreasonable physical confinement or restraint not permitted under section 609.379, including but not limited to tying, caging, or chaining; or
10. in a school facility or school zone, an act by a person responsible for the child's care that is a violation under section 121A.58.

(h) "Report" means any report received by the local welfare agency, police department, county sheriff, or agency responsible for assessing or investigating maltreatment pursuant to this section.

(i) "Facility" means:

1. a licensed or unlicensed day care facility, residential facility, agency, hospital, sanitarium, or other facility or institution required to be licensed under sections 144.50 to 144.58, 241.021, or 245A.01 to 245A.16, or chapter 245B;
2. a school as defined in sections 120A.05, subdivisions 9, 11, and 13; and
3. 124D.10; or
4. a nonlicensed personal care provider organization as defined in sections 256B.04, subdivision 16, and 256B.0625, subdivision 19a.

(j) "Operator" means an operator or agency as defined in section 245A.02.
(k) "Commissioner" means the commissioner of human services.

(l) "Practice of social services," for the purposes of subdivision 3, includes but is not limited to employee assistance counseling and the provision of guardian ad litem and parenting time expeditor services.

(m) "Mental injury" means an injury to the psychological capacity or emotional stability of a child as evidenced by an observable or substantial impairment in the child's ability to function within a normal range of performance and behavior with due regard to the child's culture.

(n) "Threatened injury" means a statement, overt act, condition, or status that represents a substantial risk of physical or sexual abuse or mental injury. Threatened injury includes, but is not limited to, exposing a child to a person responsible for the child's care, as defined in paragraph (e), clause (1), who has:

(1) subjected a child to, or failed to protect a child from, an overt act or condition that constitutes egregious harm, as defined in section 260C.007, subdivision 14, or a similar law of another jurisdiction;

(2) been found to be palpably unfit under section 260C.301, paragraph (b), clause (4), or a similar law of another jurisdiction;

(3) committed an act that has resulted in an involuntary termination of parental rights under section 260C.301, or a similar law of another jurisdiction; or

(4) committed an act that has resulted in the involuntary transfer of permanent legal and physical custody of a child to a relative under section 260C.201, subdivision 11, paragraph (d), clause (1), or a similar law of another jurisdiction.

(o) Persons who conduct assessments or investigations under this section shall take into account accepted child-rearing practices of the culture in which a child participates and accepted teacher discipline practices, which are not injurious to the child's health, welfare, and safety.

(p) "Accidental" means a sudden, not reasonably foreseeable, and unexpected occurrence or event which:

(1) is not likely to occur and could not have been prevented by exercise of due care; and

(2) if occurring while a child is receiving services from a facility, happens when the facility and the employee or person providing services in the facility are in compliance with the laws and rules relevant to the occurrence or event.

(q) "Nonmaltreatment mistake" means:

(1) at the time of the incident, the individual was performing duties identified in the center's child care program plan required under Minnesota Rules, part 9503.0045;
(2) the individual has not been determined responsible for a similar incident that resulted in a finding of maltreatment for at least seven years;

(3) the individual has not been determined to have committed a similar nonmaltreatment mistake under this paragraph for at least four years;

(4) any injury to a child resulting from the incident, if treated, is treated only with remedies that are available over the counter, whether ordered by a medical professional or not; and

(5) except for the period when the incident occurred, the facility and the individual providing services were both in compliance with all licensing requirements relevant to the incident.

This definition only applies to child care centers licensed under Minnesota Rules, chapter 9503. If clauses (1) to (5) apply, rather than making a determination of substantiated maltreatment by the individual, the commissioner of human services shall determine that a nonmaltreatment mistake was made by the individual.

Sec. 8. Minnesota Statutes 2010, section 626.556, subdivision 10, is amended to read:

Subd. 10. Duties of local welfare agency and local law enforcement agency upon receipt of report. (a) Upon receipt of a report, the local welfare agency shall determine whether to conduct a family assessment or an investigation as appropriate to prevent or provide a remedy for child maltreatment. The local welfare agency:

(1) shall conduct an investigation on reports involving substantial child endangerment;

(2) shall begin an immediate investigation if, at any time when it is using a family assessment response, it determines that there is reason to believe that substantial child endangerment or a serious threat to the child's safety exists;

(3) may conduct a family assessment for reports that do not allege substantial child endangerment. In determining that a family assessment is appropriate, the local welfare agency may consider issues of child safety, parental cooperation, and the need for an immediate response; and

(4) may conduct a family assessment on a report that was initially screened and assigned for an investigation. In determining that a complete investigation is not required, the local welfare agency must document the reason for terminating the investigation and notify the local law enforcement agency if the local law enforcement agency is conducting a joint investigation.

If the report alleges neglect, physical abuse, or sexual abuse by a parent, guardian, or individual functioning within the family unit as a person responsible for the child's
care, or sexual abuse by a person with a significant relationship to the child when that
to person resides in the child's household or by a sibling, the local welfare agency shall
immediately conduct a family assessment or investigation as identified in clauses (1) to
(4). In conducting a family assessment or investigation, the local welfare agency shall
gather information on the existence of substance abuse and domestic violence and offer
services for purposes of preventing future child maltreatment, safeguarding and enhancing
the welfare of the abused or neglected minor, and supporting and preserving family
life whenever possible. If the report alleges a violation of a criminal statute involving
sexual abuse, physical abuse, or neglect or endangerment, under section 609.378, the
local law enforcement agency and local welfare agency shall coordinate the planning and
execution of their respective investigation and assessment efforts to avoid a duplication of
fact-finding efforts and multiple interviews. Each agency shall prepare a separate report of
the results of its investigation. In cases of alleged child maltreatment resulting in death,
the local agency may rely on the fact-finding efforts of a law enforcement investigation
to make a determination of whether or not maltreatment occurred. When necessary the
local welfare agency shall seek authority to remove the child from the custody of a parent,
guardian, or adult with whom the child is living. In performing any of these duties, the
local welfare agency shall maintain appropriate records.

If the family assessment or investigation indicates there is a potential for abuse of
alcohol or other drugs by the parent, guardian, or person responsible for the child's care,
the local welfare agency shall conduct a chemical use assessment pursuant to Minnesota
Rules, part 9530.6615.

(b) When a local agency receives a report or otherwise has information indicating
that a child who is a client, as defined in section 245.91, has been the subject of physical
abuse, sexual abuse, or neglect at an agency, facility, or program as defined in section
245.91, it shall, in addition to its other duties under this section, immediately inform the
ombudsman established under sections 245.91 to 245.97. The commissioner of education
shall inform the ombudsman established under sections 245.91 to 245.97 of reports
regarding a child defined as a client in section 245.91 that maltreatment occurred at a
school as defined in sections 120A.05, subdivisions 9, 11, and 13, and 124D.10.

(c) Authority of the local welfare agency responsible for assessing or investigating
the child abuse or neglect report, the agency responsible for assessing or investigating
the report, and of the local law enforcement agency for investigating the alleged abuse or
neglect includes, but is not limited to, authority to interview, without parental consent,
the alleged victim and any other minors who currently reside with or who have resided
with the alleged offender. The interview may take place at school or at any facility or
other place where the alleged victim or other minors might be found or the child may be
transported to, and the interview conducted at, a place appropriate for the interview of a
child designated by the local welfare agency or law enforcement agency. The interview
may take place outside the presence of the alleged offender or parent, legal custodian,
guardian, or school official. For family assessments, it is the preferred practice to request
a parent or guardian's permission to interview the child prior to conducting the child
interview, unless doing so would compromise the safety assessment. Except as provided in
this paragraph, the parent, legal custodian, or guardian shall be notified by the responsible
local welfare or law enforcement agency no later than the conclusion of the investigation
or assessment that this interview has occurred. Notwithstanding rule 32 of the Minnesota
Rules of Procedure for Juvenile Courts, the juvenile court may, after hearing an ex parte
motion by the local welfare agency, order that, where reasonable cause exists, the agency
withhold notification of this interview from the parent, legal custodian, or guardian. If the
interview took place or is to take place on school property, the order shall specify that
school officials may not disclose to the parent, legal custodian, or guardian the contents
of the notification of intent to interview the child on school property, as provided under
this paragraph, and any other related information regarding the interview that may be a
part of the child's school record. A copy of the order shall be sent by the local welfare or
law enforcement agency to the appropriate school official.

(d) When the local welfare, local law enforcement agency, or the agency responsible
for assessing or investigating a report of maltreatment determines that an interview should
take place on school property, written notification of intent to interview the child on school
property must be received by school officials prior to the interview. The notification
shall include the name of the child to be interviewed, the purpose of the interview, and
a reference to the statutory authority to conduct an interview on school property. For
interviews conducted by the local welfare agency, the notification shall be signed by the
chair of the local social services agency or the chair's designee. The notification shall be
private data on individuals subject to the provisions of this paragraph. School officials
may not disclose to the parent, legal custodian, or guardian the contents of the notification
or any other related information regarding the interview until notified in writing by the
local welfare or law enforcement agency that the investigation or assessment has been
concluded, unless a school employee or agent is alleged to have maltreated the child.
Until that time, the local welfare or law enforcement agency or the agency responsible
for assessing or investigating a report of maltreatment shall be solely responsible for any
disclosures regarding the nature of the assessment or investigation.
Except where the alleged offender is believed to be a school official or employee, the time and place, and manner of the interview on school premises shall be within the discretion of school officials, but the local welfare or law enforcement agency shall have the exclusive authority to determine who may attend the interview. The conditions as to time, place, and manner of the interview set by the school officials shall be reasonable and the interview shall be conducted not more than 24 hours after the receipt of the notification unless another time is considered necessary by agreement between the school officials and the local welfare or law enforcement agency. Where the school fails to comply with the provisions of this paragraph, the juvenile court may order the school to comply. Every effort must be made to reduce the disruption of the educational program of the child, other students, or school staff when an interview is conducted on school premises.

(e) Where the alleged offender or a person responsible for the care of the alleged victim or other minor prevents access to the victim or other minor by the local welfare agency, the juvenile court may order the parents, legal custodian, or guardian to produce the alleged victim or other minor for questioning by the local welfare agency or the local law enforcement agency outside the presence of the alleged offender or any person responsible for the child's care at reasonable places and times as specified by court order.

(f) Before making an order under paragraph (e), the court shall issue an order to show cause, either upon its own motion or upon a verified petition, specifying the basis for the requested interviews and fixing the time and place of the hearing. The order to show cause shall be served personally and shall be heard in the same manner as provided in other cases in the juvenile court. The court shall consider the need for appointment of a guardian ad litem to protect the best interests of the child. If appointed, the guardian ad litem shall be present at the hearing on the order to show cause.

(g) The commissioner of human services, the ombudsman for mental health and developmental disabilities, the local welfare agencies responsible for investigating reports, the commissioner of education, and the local law enforcement agencies have the right to enter facilities as defined in subdivision 2 and to inspect and copy the facility's records, including medical records, as part of the investigation. Notwithstanding the provisions of chapter 13, they also have the right to inform the facility under investigation that they are conducting an investigation, to disclose to the facility the names of the individuals under investigation for abusing or neglecting a child, and to provide the facility with a copy of the report and the investigative findings.

(h) The local welfare agency responsible for conducting a family assessment or investigation shall collect available and relevant information to determine child safety, risk of subsequent child maltreatment, and family strengths and needs and share not public
information with an Indian's tribal social services agency without violating any law of the
state that may otherwise impose duties of confidentiality on the local welfare agency in
order to implement the tribal state agreement. The local welfare agency or the agency
responsible for investigating the report shall collect available and relevant information
to ascertain whether maltreatment occurred and whether protective services are needed.
Information collected includes, when relevant, information with regard to the person
reporting the alleged maltreatment, including the nature of the reporter's relationship to the
child and to the alleged offender, and the basis of the reporter's knowledge for the report;
the child allegedly being maltreated; the alleged offender; the child's caretaker; and other
collateral sources having relevant information related to the alleged maltreatment. The
local welfare agency or the agency responsible for assessing or investigating the report
may make a determination of no maltreatment early in an assessment investigation, and
close the case and retain immunity, if the collected information shows no basis for a
full assessment or investigation.

Information relevant to the assessment or investigation must be asked for, and
may include:

(1) the child's sex and age, prior reports of maltreatment, information relating
to developmental functioning, credibility of the child's statement, and whether the
information provided under this clause is consistent with other information collected
during the course of the assessment or investigation;

(2) the alleged offender's age, a record check for prior reports of maltreatment, and
criminal charges and convictions. The local welfare agency or the agency responsible for
assessing or investigating the report must provide the alleged offender with an opportunity
to make a statement. The alleged offender may submit supporting documentation relevant
to the assessment or investigation;

(3) collateral source information regarding the alleged maltreatment and care of the
child. Collateral information includes, when relevant: (i) a medical examination of the
child; (ii) prior medical records relating to the alleged maltreatment or the care of the
child maintained by any facility, clinic, or health care professional and an interview with
the treating professionals; and (iii) interviews with the child's caretakers, including the
child's parent, guardian, foster parent, child care provider, teachers, counselors, family
members, relatives, and other persons who may have knowledge regarding the alleged
maltreatment and the care of the child; and

(4) information on the existence of domestic abuse and violence in the home of
the child, and substance abuse.
Nothing in this paragraph precludes the local welfare agency, the local law enforcement agency, or the agency responsible for assessing or investigating the report from collecting other relevant information necessary to conduct the assessment or investigation. Notwithstanding sections 13.384 or 144.291 to 144.298, the local welfare agency has access to medical data and records for purposes of clause (3). Notwithstanding the data's classification in the possession of any other agency, data acquired by the local welfare agency or the agency responsible for assessing or investigating the report during the course of the assessment or investigation are private data on individuals and must be maintained in accordance with subdivision 11. Data of the commissioner of education collected or maintained during and for the purpose of an investigation of alleged maltreatment in a school are governed by this section, notwithstanding the data's classification as educational, licensing, or personnel data under chapter 13.

In conducting an assessment or investigation involving a school facility as defined in subdivision 2, paragraph (i), the commissioner of education shall collect investigative reports and data that are relevant to a report of maltreatment and are from local law enforcement and the school facility.

(i) Upon receipt of a report, the local welfare agency shall conduct a face-to-face contact with the child reported to be maltreated and with the child's primary caregiver sufficient to complete a safety assessment and ensure the immediate safety of the child. The face-to-face contact with the child and primary caregiver shall occur immediately if substantial child endangerment is alleged and within five calendar days for all other reports. If the alleged offender was not already interviewed as the primary caregiver, the local welfare agency shall also conduct a face-to-face interview with the alleged offender in the early stages of the assessment or investigation. At the initial contact, the local child welfare agency or the agency responsible for assessing or investigating the report must inform the alleged offender of the complaints or allegations made against the individual in a manner consistent with laws protecting the rights of the person who made the report. The interview with the alleged offender may be postponed if it would jeopardize an active law enforcement investigation.

(j) When conducting an investigation, the local welfare agency shall use a question and answer interviewing format with questioning as nondirective as possible to elicit spontaneous responses. For investigations only, the following interviewing methods and procedures must be used whenever possible when collecting information:

(1) audio recordings of all interviews with witnesses and collateral sources; and

(2) in cases of alleged sexual abuse, audio-video recordings of each interview with the alleged victim and child witnesses.
(k) In conducting an assessment or investigation involving a school facility as defined in subdivision 2, paragraph (i), the commissioner of education shall collect available and relevant information and use the procedures in paragraphs (i), (k), and subdivision 3d, except that the requirement for face-to-face observation of the child and face-to-face interview of the alleged offender is to occur in the initial stages of the assessment or investigation provided that the commissioner may also base the assessment or investigation on investigative reports and data received from the school facility and local law enforcement, to the extent those investigations satisfy the requirements of paragraphs (i) and (k), and subdivision 3d.

Sec. 9. Minnesota Statutes 2010, section 626.556, subdivision 10e, is amended to read:

Subd. 10e. Determinations. (a) The local welfare agency shall conclude the family assessment or the investigation within 45 days of the receipt of a report. The conclusion of the assessment or investigation may be extended to permit the completion of a criminal investigation or the receipt of expert information requested within 45 days of the receipt of the report.

(b) After conducting a family assessment, the local welfare agency shall determine whether services are needed to address the safety of the child and other family members and the risk of subsequent maltreatment.

(c) After conducting an investigation, the local welfare agency shall make two determinations: first, whether maltreatment has occurred; and, second, whether child protective services are needed. No determination of maltreatment shall be made when the alleged perpetrator is a child under the age of ten.

(d) If the commissioner of education conducts an assessment or investigation, the commissioner shall determine whether maltreatment occurred and what corrective or protective action was taken by the school facility. If a determination is made that maltreatment has occurred, the commissioner shall report to the employer, the school board, and any appropriate licensing entity the determination that maltreatment occurred and what corrective or protective action was taken by the school facility. In all other cases, the commissioner shall inform the school board or employer that a report was received, the subject of the report, the date of the initial report, the category of maltreatment alleged as defined in paragraph (f), the fact that maltreatment was not determined, and a summary of the specific reasons for the determination.

(e) When maltreatment is determined in an investigation involving a facility, the investigating agency shall also determine whether the facility or individual was responsible, or whether both the facility and the individual were responsible for the
maltreatment using the mitigating factors in paragraph (i). Determinations under this subdivision must be made based on a preponderance of the evidence and are private data on individuals or nonpublic data as maintained by the commissioner of education.

(f) For the purposes of this subdivision, "maltreatment" means any of the following acts or omissions:

(1) physical abuse as defined in subdivision 2, paragraph (g);
(2) neglect as defined in subdivision 2, paragraph (f);
(3) sexual abuse as defined in subdivision 2, paragraph (d);
(4) mental injury as defined in subdivision 2, paragraph (m); or
(5) maltreatment of a child in a facility as defined in subdivision 2, paragraph (i).

(g) For the purposes of this subdivision, a determination that child protective services are needed means that the local welfare agency has documented conditions during the assessment or investigation sufficient to cause a child protection worker, as defined in section 626.559, subdivision 1, to conclude that a child is at significant risk of maltreatment if protective intervention is not provided and that the individuals responsible for the child's care have not taken or are not likely to take actions to protect the child from maltreatment or risk of maltreatment.

(h) This subdivision does not mean that maltreatment has occurred solely because the child's parent, guardian, or other person responsible for the child's care in good faith selects and depends upon spiritual means or prayer for treatment or care of disease or remedial care of the child, in lieu of medical care. However, if lack of medical care may result in serious danger to the child's health, the local welfare agency may ensure that necessary medical services are provided to the child.

(i) When determining whether the facility or individual is the responsible party, or whether both the facility and the individual are responsible for determined maltreatment in a facility, the investigating agency shall consider at least the following mitigating factors:

(1) whether the actions of the facility or the individual caregivers were according to, and followed the terms of, an erroneous physician order, prescription, individual care plan, or directive; however, this is not a mitigating factor when the facility or caregiver was responsible for the issuance of the erroneous order, prescription, individual care plan, or directive or knew or should have known of the errors and took no reasonable measures to correct the defect before administering care;

(2) comparative responsibility between the facility, other caregivers, and requirements placed upon an employee, including the facility's compliance with related regulatory standards and the adequacy of facility policies and procedures, facility training,
an individual's participation in the training, the caregiver's supervision, and facility staffing
levels and the scope of the individual employee's authority and discretion; and

(3) whether the facility or individual followed professional standards in exercising
professional judgment.

The evaluation of the facility's responsibility under clause (2) must not be based on the
completeness of the risk assessment or risk reduction plan required under section 245A.66,
but must be based on the facility's compliance with the regulatory standards for policies
and procedures, training, and supervision as cited in Minnesota Statutes and Minnesota
Rules.

(j) Notwithstanding paragraph (i), when maltreatment is determined to have been
committed by an individual who is also the facility license holder, both the individual and
the facility must be determined responsible for the maltreatment, and both the background
study disqualification standards under section 245C.15, subdivision 4, and the licensing
actions under sections 245A.06 or 245A.07 apply.

(k) Individual counties may implement more detailed definitions or criteria that
indicate which allegations to investigate, as long as a county's policies are consistent
with the definitions in the statutes and rules and are approved by the county board. Each
local welfare agency shall periodically inform mandated reporters under subdivision 3
who work in the county of the definitions of maltreatment in the statutes and rules and any
additional definitions or criteria that have been approved by the county board.

Sec. 10. Minnesota Statutes 2010, section 626.556, subdivision 10f, is amended to read:

Subd. 10f. Notice of determinations. Within ten working days of the conclusion
of a family assessment, the local welfare agency shall notify the parent or guardian
of the child of the need for services to address child safety concerns or significant risk
of subsequent child maltreatment. The local welfare agency and the family may also
jointly agree that family support and family preservation services are needed. Within ten
working days of the conclusion of an investigation, the local welfare agency or agency
responsible for assessing or investigating the report shall notify the parent or guardian
of the child, the person determined to be maltreating the child, and if applicable, the
director of the facility, of the determination and a summary of the specific reasons for
the determination. When the investigation involves a child foster care setting that is
monitored by a private licensing agency under section 245A.16, the local welfare agency
responsible for assessing or investigating the report shall notify the private licensing
agency of the determination and shall provide a summary of the specific reasons for
the determination. The notice to the private licensing agency must include identifying
private data, but not the identity of the reporter of maltreatment. The notice must also include a certification that the information collection procedures under subdivision 10, paragraphs (h), (i), and (j), were followed and a notice of the right of a data subject to obtain access to other private data on the subject collected, created, or maintained under this section. In addition, the notice shall include the length of time that the records will be kept under subdivision 11c. The investigating agency shall notify the parent or guardian of the child who is the subject of the report, and any person or facility determined to have maltreated a child, of their appeal or review rights under this section or section 256.022. The notice must also state that a finding of maltreatment may result in denial of a license application or background study disqualification under chapter 245C related to employment or services that are licensed by the Department of Human Services under chapter 245A, the Department of Health under chapter 144 or 144A, the Department of Corrections under section 241.021, and from providing services related to an unlicensed personal care provider organization under chapter 256B.

Sec. 11. Minnesota Statutes 2010, section 626.556, subdivision 10i, is amended to read:

Subd. 10i. Administrative reconsideration; review panel. (a) Administrative reconsideration is not applicable in family assessments since no determination concerning maltreatment is made. For investigations, except as provided under paragraph (e), an individual or facility that the commissioner of human services, a local social service agency, or the commissioner of education determines has maltreated a child, an interested person acting on behalf of the child, regardless of the determination, who contests the investigating agency's final determination regarding maltreatment, may request the investigating agency to reconsider its final determination regarding maltreatment. The request for reconsideration must be submitted in writing to the investigating agency within 15 calendar days after receipt of notice of the final determination regarding maltreatment or, if the request is made by an interested person who is not entitled to notice, within 15 days after receipt of the notice by the parent or guardian of the child. If mailed, the request for reconsideration must be postmarked and sent to the investigating agency within 15 calendar days of the individual's or facility's receipt of the final determination. If the request for reconsideration is made by personal service, it must be received by the investigating agency within 15 calendar days after the individual's or facility's receipt of the final determination. Effective January 1, 2002, an individual who was determined to have maltreated a child under this section and who was disqualified on the basis of serious or recurring maltreatment under sections 245C.14 and 245C.15, may request reconsideration of the maltreatment determination and the disqualification. The request for reconsideration
of the maltreatment determination and the disqualification must be submitted within 30
calendar days of the individual's receipt of the notice of disqualification under sections
245C.16 and 245C.17. If mailed, the request for reconsideration of the maltreatment
determination and the disqualification must be postmarked and sent to the investigating
agency within 30 calendar days of the individual's receipt of the maltreatment
determination and notice of disqualification. If the request for reconsideration is made by
personal service, it must be received by the investigating agency within 30 calendar days
after the individual's receipt of the notice of disqualification.

(b) Except as provided under paragraphs (e) and (f), if the investigating agency
denies the request or fails to act upon the request within 15 working days after receiving
the request for reconsideration, the person or facility entitled to a fair hearing under
section 256.045 may submit to the commissioner of human services or the commissioner
of education a written request for a hearing under that section. Section 256.045 also
governs hearings requested to contest a final determination of the commissioner of
education. For reports involving maltreatment of a child in a facility, an interested person
acting on behalf of the child may request a review by the Child Maltreatment Review
Panel under section 256.022 if the investigating agency denies the request or fails to act
upon the request or if the interested person contests a reconsidered determination. The
investigating agency shall notify persons who request reconsideration of their rights under
this paragraph. The request must be submitted in writing to the review panel and a copy
sent to the investigating agency within 30 calendar days of receipt of notice of a denial
of a request for reconsideration or of a reconsidered determination. The request must
specifically identify the aspects of the agency determination with which the person is
dissatisfied. The hearings specified under this section are the only administrative appeal of
a decision issued under paragraph (a). Determinations under this section are not subject to
accuracy and completeness challenges under section 13.04.

(c) If, as a result of a reconsideration or review, the investigating agency changes
the final determination of maltreatment, that agency shall notify the parties specified in
subdivisions 10b, 10d, and 10f.

(d) Except as provided under paragraph (f), if an individual or facility contests the
investigating agency's final determination regarding maltreatment by requesting a fair
hearing under section 256.045, the commissioner of human services shall assure that the
hearing is conducted and a decision is reached within 90 days of receipt of the request for
a hearing. The time for action on the decision may be extended for as many days as the
hearing is postponed or the record is held open for the benefit of either party.
(e) If an individual was disqualified under sections 245C.14 and 245C.15, on the basis of a determination of maltreatment, which was serious or recurring, and the individual has requested reconsideration of the maltreatment determination under paragraph (a) and requested reconsideration of the disqualification under sections 245C.21 to 245C.27, reconsideration of the maltreatment determination and reconsideration of the disqualification shall be consolidated into a single reconsideration. If reconsideration of the maltreatment determination is denied and the individual remains disqualified following a reconsideration decision, the individual may request a fair hearing under section 256.045. If an individual requests a fair hearing on the maltreatment determination and the disqualification, the scope of the fair hearing shall include both the maltreatment determination and the disqualification.

(f) If a maltreatment determination or a disqualification based on serious or recurring maltreatment is the basis for a denial of a license under section 245A.05 or a licensing sanction under section 245A.07, the license holder has the right to a contested case hearing under chapter 14 and Minnesota Rules, parts 1400.8505 to 1400.8612. As provided for under section 245A.08, subdivision 2a, the scope of the contested case hearing shall include the maltreatment determination, disqualification, and licensing sanction or denial of a license. In such cases, a fair hearing regarding the maltreatment determination and disqualification shall not be conducted under section 256.045. Except for family child care and child foster care, reconsideration of a maltreatment determination as provided under this subdivision, and reconsideration of a disqualification as provided under section 245C.22, shall also not be conducted when:

(1) a denial of a license under section 245A.05 or a licensing sanction under section 245A.07, is based on a determination that the license holder is responsible for maltreatment or the disqualification of a license holder based on serious or recurring maltreatment;

(2) the denial of a license or licensing sanction is issued at the same time as the maltreatment determination or disqualification; and

(3) the license holder appeals the maltreatment determination or disqualification, and denial of a license or licensing sanction.

Notwithstanding clauses (1) to (3), if the license holder appeals the maltreatment determination or disqualification, but does not appeal the denial of a license or a licensing sanction, reconsideration of the maltreatment determination shall be conducted under sections 626.556, subdivision 10i, and 626.557, subdivision 9d, and reconsideration of the disqualification shall be conducted under section 245C.22. In such cases, a fair hearing shall also be conducted as provided under sections 245C.27, 626.556, subdivision 10i, and 626.557, subdivision 9d.
If the disqualified subject is an individual other than the license holder and upon
whom a background study must be conducted under chapter 245C, the hearings of all
parties may be consolidated into a single contested case hearing upon consent of all parties
and the administrative law judge.

(g) For purposes of this subdivision, "interested person acting on behalf of the
child" means a parent or legal guardian; stepparent; grandparent; guardian ad litem; adult
stepbrother, stepsister, or sibling; or adult aunt or uncle; unless the person has been
determined to be the perpetrator of the maltreatment.

Sec. 12. Minnesota Statutes 2010, section 626.556, subdivision 10k, is amended to
read:

Subd. 10k. Release of certain assessment or investigative records to other
counties. Records maintained under subdivision 11c, paragraph (a), may be shared with
another local welfare agency that requests the information because it is conducting an
assessment or investigation under this section of the subject of the records.

Sec. 13. REVISOR'S INSTRUCTION.

(a) The revisor of statutes shall renumber each section of Minnesota Statutes listed
in column A with the number listed in column B.

256.022 CHILD MALTREATMENT REVIEW PANEL.

256.022 CHILD MALTREATMENT REVIEW PANEL.
Subdivision 1. Creation. The commissioner of human services shall establish a review panel for purposes of reviewing investigating agency determinations regarding maltreatment of a child in a facility in response to requests received under section 626.556, subdivision 10i, paragraph (b). The review panel consists of the commissioners of health; human services; education; public safety; and corrections; and the ombudsman for mental health and developmental disabilities; or their designees.

Subd. 2. Review procedure. (a) The panel shall hold quarterly meetings for purposes of conducting reviews under this section. If an interested person acting on behalf of a child requests a review under this section, the panel shall review the request at its next quarterly meeting. If the next quarterly meeting is within ten days of the panel's receipt of the request for review, the review may be delayed until the next subsequent meeting. The panel shall review the request and the final determination regarding maltreatment made by the investigating agency and may review any other data on the investigation maintained by the agency that are pertinent and necessary to its review of the determination. If more than one person requests a review under this section with respect to the same determination, the review panel shall combine the requests into one review. Upon receipt of a request for a review, the panel shall notify the alleged perpetrator of maltreatment that a review has been requested and provide an approximate timeline for conducting the review.

(b) Within 30 days of the review under this section, the panel shall notify the investigating agency and the interested person who requested the review as to whether the panel agrees with the determination or whether the investigating agency must reconsider the determination. If the panel determines that the agency must reconsider the determination, the panel must make specific investigative recommendations to the agency. Within 30 days the investigating agency shall conduct a review and report back to the panel with its reconsidered determination and the specific rationale for its determination.

Subd. 3. Report. By January 15 of each year, the panel shall submit a report to the committees of the legislature with jurisdiction over section 626.556 regarding the number of requests for review it receives under this section, the number of cases where the panel requires the investigating agency to reconsider its final determination, the number of cases where the final determination is changed, and any recommendations to improve the review or investigative process.

Subd. 4. Data. Data of the review panel created as part of a review under this section are private data on individuals as defined in section 13.02.

256.022 CHILD MALTREATMENT REVIEW PANEL.
Subdivision 1. Creation. The commissioner of human services shall establish a review panel for purposes of reviewing investigating agency determinations regarding maltreatment of a child in a facility in response to requests received under section 626.556, subdivision 10i, paragraph (b). The review panel consists of the commissioners of health; human services; education; public safety; and corrections; and the ombudsman for mental health and developmental disabilities; or their designees.

Subd. 2. Review procedure. (a) The panel shall hold quarterly meetings for purposes of conducting reviews under this section. If an interested person acting on behalf of a child requests a review under this section, the panel shall review the request at its next quarterly meeting. If the next quarterly meeting is within ten days of the panel's receipt of the request for review, the review may be delayed until the next subsequent meeting. The panel shall review the request and the final determination regarding maltreatment made by the investigating agency and may review any other data on the investigation maintained by the agency that are pertinent and necessary to its review of the determination. If more than one person requests a review under this section with respect to the same determination, the review panel shall combine the requests into one review. Upon receipt of a request for a review, the panel shall notify the alleged perpetrator of maltreatment that a review has been requested and provide an approximate timeline for conducting the review.

(b) Within 30 days of the review under this section, the panel shall notify the investigating agency and the interested person who requested the review as to whether the panel agrees with the determination or whether the investigating agency must reconsider the determination. If the panel determines that the agency must reconsider the determination, the panel must make specific investigative recommendations to the agency. Within 30 days the investigating agency
shall conduct a review and report back to the panel with its reconsidered determination and the specific rationale for its determination.

Subd. 3. **Report.** By January 15 of each year, the panel shall submit a report to the committees of the legislature with jurisdiction over section 626.556 regarding the number of requests for review it receives under this section, the number of cases where the panel requires the investigating agency to reconsider its final determination, the number of cases where the final determination is changed, and any recommendations to improve the review or investigative process.

Subd. 4. **Data.** Data of the review panel created as part of a review under this section are private data on individuals as defined in section 13.02.

**259.67 ADOPTION ASSISTANCE PROGRAM.**

Subdivision 1. **Adoption assistance.** (a) The commissioner of human services shall enter into an adoption assistance agreement with an adoptive parent or parents of an eligible child. To be eligible for adoption assistance a child must:

1. be determined to be a child with special needs, according to subdivision 4; and
2. meet the criteria outlined in section 473 of the Social Security Act; or
3. have had foster care payments paid on the child's behalf while in out-of-home placement through the county or tribe, and be either under the guardianship of the commissioner or under the jurisdiction of a Minnesota tribe, with adoption in accordance with tribal law as the child's documented permanency plan.

(b) Notwithstanding any provision to the contrary, no child on whose behalf federal title IV-E adoption assistance payments are to be made may be placed in an adoptive home unless a criminal background check under section 259.41, subdivision 3, paragraph (b), has been completed on the prospective adoptive parents and no disqualifying condition exists. A disqualifying condition exists if:

1. a criminal background check reveals a felony conviction for child abuse; for spousal abuse; for a crime against children (including child pornography); or for a crime involving violence, including rape, sexual assault, or homicide, but not including other physical assault or battery; or
2. a criminal background check reveals a felony conviction within the past five years for physical assault, battery, or a drug-related offense.

(c) A child must be a citizen of the United States or otherwise eligible for federal public benefits according to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, as amended, in order to be eligible for title IV-E adoption assistance. A child must be a citizen of the United States or meet the qualified alien requirements as defined in the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, as amended, in order to be eligible for state-funded adoption assistance.

(d) Subject to commissioner approval, the legally responsible agency shall make a title IV-E adoption assistance eligibility determination for each child. Children who meet all eligibility criteria except those specific to title IV-E adoption assistance shall receive adoption assistance paid through state funds.

(e) Payments for adoption assistance shall not be made to a biological parent of the child who later adopts the same child. Direct placement adoptions under section 259.47 or the equivalent in tribal code are not eligible for state-funded adoption assistance. A child who is adopted by the child's legal custodian or guardian is not eligible for state-funded adoption assistance. A child who is adopted by the child's legal custodian or guardian may be eligible for title IV-E adoption assistance if all required eligibility factors are met. International adoptions are not eligible for adoption assistance unless the adopted child has been placed into foster care through the public child welfare system subsequent to the failure of the adoption and all required eligibility factors are met.

Subd. 2. **Adoption assistance agreement.** The placing agency shall certify a child as eligible for adoption assistance according to rules promulgated by the commissioner. The placing agency shall not certify a child who remains under the jurisdiction of the sending agency pursuant to section 260.851, article 5, for state-funded adoption assistance when Minnesota is the receiving state. Not later than 30 days after a parent or parents are found and approved for adoptive placement of a child certified as eligible for adoption assistance, and before the final decree of adoption is issued, a written agreement must be entered into by the commissioner, the adoptive parent or parents, and the placing agency. The written agreement must be fully completed by the placing agency and in the form prescribed by the commissioner and must set forth the responsibilities of all parties, the anticipated duration of the adoption assistance
agreement, the nature and amount of any payment, services, and assistance to be provided under such agreement, the child's eligibility for Medicaid services, eligibility for reimbursement of nonrecurring expenses associated with adopting the child, to the extent that total cost does not exceed $2,000 per child, provisions for modification of the terms of the agreement, the effective date of the agreement, that the agreement must remain in effect regardless of the state of which the adoptive parents are residents at any given time, and the payment terms. The agreement is effective the date of the adoption decree. The adoption assistance agreement shall be subject to the commissioner's approval, which must be granted or denied not later than 15 days after the agreement is entered. The agreement must be negotiated with the adoptive parent or parents. A monthly payment is provided as part of the adoption assistance agreement to support the care of a child who has manifested special needs.

The amount of adoption assistance shall be determined through agreement with the adoptive parents. The agreement shall take into consideration the circumstances of the adopting parent or parents, the needs of the child being adopted and may provide ongoing monthly assistance, supplemental maintenance expenses related to the child's special needs, nonmedical expenses periodically necessary for purchase of services, items, or equipment related to the special needs, and medical expenses. The placing agency or the adoptive parent or parents shall provide written documentation to support the need for adoption assistance payments. The commissioner may require periodic reevaluation of adoption assistance payments. The amount of ongoing monthly adoption assistance granted may in no case exceed the payment schedule outlined in subdivision 2a and, for state-funded cases, is subject to the availability of state funds.

Subd. 2a. Benefits and payments. (a) Eligibility for medical assistance for children receiving adoption assistance is as specified in section 256B.055.

(b) Basic maintenance payments are available for all children eligible for adoption assistance except those eligible solely based on high risk of developing a disability. Basic maintenance payments must be made according to the following schedule:

<table>
<thead>
<tr>
<th>Age Category</th>
<th>Maximum Payment</th>
</tr>
</thead>
<tbody>
<tr>
<td>Birth through age five</td>
<td>up to $247 per month</td>
</tr>
<tr>
<td>Age six through age 11</td>
<td>up to $277 per month</td>
</tr>
<tr>
<td>Age 12 through age 14</td>
<td>up to $307 per month</td>
</tr>
<tr>
<td>Age 15 and older</td>
<td>up to $337 per month</td>
</tr>
</tbody>
</table>

A child must receive the maximum payment amount for the child's age, unless a lesser amount is negotiated with and agreed to by the prospective adoptive parent.

(c) Supplemental adoption assistance needs payments, in addition to basic maintenance payments, are available for a child whose disability necessitates care, supervision, and structure beyond that ordinarily provided in a family setting to persons of the same age. These payments are related to the severity of a child's disability and the level of parenting required to care for the child, and must be made according to the following schedule:

<table>
<thead>
<tr>
<th>Level</th>
<th>Maximum Payment</th>
</tr>
</thead>
<tbody>
<tr>
<td>Level I</td>
<td>up to $150 per month</td>
</tr>
<tr>
<td>Level II</td>
<td>up to $275 per month</td>
</tr>
<tr>
<td>Level III</td>
<td>up to $400 per month</td>
</tr>
<tr>
<td>Level IV</td>
<td>up to $500 per month</td>
</tr>
</tbody>
</table>

A child's level shall be assessed on a supplemental maintenance needs assessment form prescribed by the commissioner. A child must receive the maximum payment amount for the child's assessed level, unless a lesser amount is negotiated with and agreed to by the prospective adoptive parent.

Subd. 3. Modification, termination, or extension of adoption assistance agreement. The adoption assistance agreement shall continue in accordance with its terms as long as the need for adoption assistance continues and the adopted child is the legal or financial dependent of the adoptive parent or parents or guardian or conservator and is under 18 years of age. If the commissioner determines that the adoptive parents are no longer legally responsible for support of the child or are no longer providing financial support to the child, the agreement shall terminate. Under certain limited circumstances, the adoption assistance agreement may be extended to age 22 as allowed by rules adopted by the commissioner. An application for extension must be completed and submitted by the adoptive parent prior to the date the child attains age 18. The application for extension must be made according to policies and procedures prescribed by the commissioner, including documentation of eligibility, and on forms prescribed by the commissioner. Termination or modification of the adoption assistance agreement may be
requested by the adoptive parents or subsequent guardian or conservator at any time. When an adoptive parent requests modification of the adoption assistance agreement, a reassessment of the child must be completed consistent with subdivision 2a. If the reassessment indicates that the child's level has changed or, for a high-risk child, that the potential disability upon which eligibility for the agreement was based has manifested itself, the agreement shall be renegotiated to include an appropriate payment, consistent with subdivision 2a. The agreement must not be modified unless the commissioner and the adoptive parent mutually agree to the changes. When the commissioner determines that a child is eligible for extension of title IV-E adoption assistance under section 473 of the Social Security Act, the commissioner shall require the adoptive parents to submit the necessary documentation in order to obtain the funds under that act.

Subd. 3a. Recovery of overpayments. An amount of adoption assistance paid to an adoptive parent in excess of the payment due is recoverable by the commissioner, even when the overpayment was caused by agency error or circumstances outside the responsibility and control of the family or provider. Adoption assistance amounts covered by this subdivision include basic maintenance needs payments, monthly supplemental maintenance needs payments, reimbursement of nonrecurring adoption expenses, reimbursement of special nonmedical costs, and reimbursement of medical costs.

Subd. 3b. Extension; adoption finalized after age 16. A child who has attained the age of 16 prior to finalization of the child's adoption is eligible for extension of the adoption assistance agreement to the date the child attains age 21 if the child is:

   (1) completing a secondary education program or a program leading to an equivalent credential;
   (2) enrolled in an institution which provides postsecondary or vocational education;
   (3) participating in a program or activity designed to promote or remove barriers to employment;
   (4) employed for at least 80 hours per month; or
   (5) incapable of doing any of the activities described in clauses (1) to (4) due to a medical condition which incapability is supported by regularly updated information in the case plan of the child.

Subd. 4. Special needs determination. (a) A child is considered a child with special needs under this section if the following criteria are met:

   (1) Due to the child's characteristics or circumstances it would be difficult to provide the child an adoptive home without adoption assistance.
   (2)(i) A placement agency has made reasonable efforts to place the child for adoption without adoption assistance, but has been unsuccessful;
      (ii) the child's licensed foster parents desire to adopt the child and it is determined by the placing agency that the adoption is in the best interest of the child;
      (iii) the child's relative, as defined in section 260C.007, subdivision 27, desires to adopt the child, and it is determined by the placing agency that the adoption is in the best interest of the child; or
      (iv) for a non-Indian child, the family that previously adopted a child of the same mother or father desires to adopt the child, and it is determined by the placing agency that the adoption is in the best interest of the child.

   (3) There has been a determination that the child cannot or should not be returned to the home of the child's parents as evidenced by:
      (i) a court-ordered termination of parental rights;
      (ii) a petition to terminate parental rights;
      (iii) a consent to adopt accepted by the court under sections 259.24 and 260C.201, subdivision 11;
      (iv) in circumstances where tribal law permits the child to be adopted without a termination of parental rights, a judicial determination by tribal court indicating the valid reason why the child cannot or should not return home;
      (v) a voluntary relinquishment under section 259.25 or 259.47 or, if relinquishment occurred in another state, the applicable laws in that state; or
      (vi) the death of the legal parent.

(b) The characteristics or circumstances that may be considered in determining whether a child meets the requirements of paragraph (a), clause (1), or section 473(c)(2)(A) of the Social Security Act, are the following:

   (1) The child is a member of a sibling group to be adopted at the same time by the same parent.
(2) The child has been determined by the Social Security Administration to meet all medical or disability requirements of title XVI of the Social Security Act with respect to eligibility for Supplemental Security Income benefits.

(3) The child has documented physical, mental, emotional, or behavioral disabilities not covered under clause (2).

(4) The child has a high risk of developing physical, mental, emotional, or behavioral disabilities.

(5) The child is five years of age or older.

(6) The child is placed for adoption in the home of a parent who previously adopted another child born of the same mother or father for whom they receive adoption assistance.

(c) When a child's eligibility for adoption assistance is based upon the high risk of developing physical, mental, emotional, or behavioral disabilities, payments shall not be made under the adoption assistance agreement unless and until the potential disability upon which eligibility for the agreement was based manifests itself as documented by an appropriate professional.

(d) Documentation must be provided to verify that a child meets the special needs criteria in this subdivision. Documentation is limited to evidence deemed appropriate by the commissioner.

Subd. 5. Determination of residency. A child placed in the state from another state or a tribe outside of the state is not eligible for state-funded adoption assistance through the state. A child placed in the state from another state or a tribe outside of the state may be eligible for title IV-E adoption assistance through the state of Minnesota if all eligibility factors are met and there is no state agency that has responsibility for placement and care of the child. A child who is a resident of any county in this state when eligibility for adoption assistance is certified shall remain eligible and receive adoption assistance in accordance with the terms of the adoption assistance agreement, regardless of the domicile or residence of the adopting parents at the time of application for adoptive placement, legal decree of adoption, or thereafter.

Subd. 6. Right of appeal. (a) The adoptive parents have the right to appeal to the commissioner pursuant to section 256.045, when the commissioner denies, discontinues, or modifies the agreement.

(b) Adoptive parents who believe that their adopted child was incorrectly denied adoption assistance, or who did not seek adoption assistance on the child's behalf because of being provided with inaccurate or insufficient information about the child or the adoption assistance program, may request a hearing under section 256.045. Notwithstanding subdivision 2, the purpose of the hearing shall be to determine whether, under standards established by the federal Department of Health and Human Services, the circumstances surrounding the child's adoption warrant making an adoption assistance agreement on behalf of the child after the final decree of adoption has been issued. The commissioner shall enter into an adoption assistance agreement on the child's behalf if it is determined that:

1. at the time of the adoption and at the time the request for a hearing was submitted the child was eligible for adoption assistance under United States Code, title 42, chapter 7, subchapter IV, part E, sections 670 to 679a, at the time of the adoption or for state funded adoption assistance under subdivision 4; and

2. an adoption assistance agreement was not entered into on behalf of the child before the final decree of adoption because of extenuating circumstances as the term is used in the standards established by the federal Department of Health and Human Services. An adoption assistance agreement made under this paragraph shall be effective the date the request for a hearing was received by the commissioner or the local agency.

Subd. 7. Reimbursement of costs. (a) Subject to rules of the commissioner, and the provisions of this subdivision a child-placing agency licensed in Minnesota or any other state, or local or tribal social services agency shall receive a reimbursement from the commissioner equal to 100 percent of the reasonable and appropriate cost of providing child-specific adoption services. Adoption services under this subdivision may include child-specific recruitment, training, and home studies for prospective adoptive parents, and placement services.

(b) An eligible child must have a goal of adoption, which may include an adoption in accordance with tribal law, and meet one of the following criteria:

1. is a ward of the commissioner of human services or a ward of tribal court pursuant to section 260.755, subdivision 20, who meets one of the criteria in subdivision 4, paragraph (a), clause (3), and one of the criteria in subdivision 4, paragraph (b); or

2. is under the guardianship of a Minnesota-licensed child-placing agency who meets one of the criteria in subdivision 4, paragraph (b), clause (1), (2), (3), (5), or (6).
(c) A child-placing agency licensed in Minnesota or any other state shall receive reimbursement for adoption services it purchases for or directly provides to an eligible child. Tribal social services shall receive reimbursement for adoption services it purchases for or directly provides to an eligible child. A local social services agency shall receive reimbursement only for adoption services it purchases for an eligible child.

Before providing adoption services for which reimbursement will be sought under this subdivision, a reimbursement agreement, on the designated format, must be entered into with the commissioner. No reimbursement under this subdivision shall be made to an agency for services provided prior to entering a reimbursement agreement. Separate reimbursement agreements shall be made for each child and separate records shall be kept on each child for whom a reimbursement agreement is made. Reimbursement shall not be made unless the commissioner agrees that the reimbursement costs are reasonable and appropriate. The commissioner may spend up to $16,000 for each purchase of service agreement. Only one agreement per child is allowed, unless an exception is granted by the commissioner and agreed to in writing by the commissioner prior to commencement of services. Funds encumbered and obligated under such an agreement for the child remain available until the terms of the agreement are fulfilled or the agreement is terminated.

The commissioner shall make reimbursement payments directly to the agency providing the service if direct reimbursement is specified by the purchase of service agreement, and if the request for reimbursement is submitted by the local or tribal social services agency along with a verification that the service was provided.

Subd. 8. Indian children. The commissioner is encouraged to work with American Indian organizations to assist in the establishment of American Indian child adoption organizations able to be licensed as child-placing agencies. Children certified as eligible for adoption assistance under this section who are protected under the federal Indian Child Welfare Act of 1978 should, whenever possible, be served by the tribal governing body, tribal courts, or a licensed Indian child-placing agency.

Subd. 9. Effect on other aid. Adoption assistance payments received under this section shall not affect eligibility for any other financial payments to which a person may otherwise be entitled.

Subd. 10. Rules. The commissioner shall promulgate rules necessary to implement this section and to comply with the adoption assistance requirements of the Social Security Act to qualify for funds available under the act.

Subd. 11. Promotion of programs. The commissioner or the commissioner's designee shall actively seek ways to promote the adoption assistance program, including information to prospective adoptive parents of eligible children under the commissioner's guardianship of the availability of adoption assistance. All families who adopt children under the commissioner's guardianship must also be informed as to the adoption tax credit.

259.71 INTERSTATE ADOPTION COMPACTS; SERVICE PAYMENTS.

Subdivision 1. Purpose. It is the purpose and policy of the state of Minnesota to:

(a) Enter into interstate agreements with agencies of other states for the protection of children for whom the commissioner is providing adoption assistance.

(b) Provide procedures for interstate assistance payments, including medical payments, for eligible children who are adopted interstate and for children adopted in Minnesota who move to another state.

Subd. 2. Definitions. For the purposes of this section, the terms defined in this subdivision shall have the meanings given them, unless the context clearly indicates otherwise.

(a) "Adoption assistance state" means the state that signs an adoption assistance agreement in a particular case.

(b) "Commissioner" means the commissioner of human services of the state of Minnesota.

(c) "Resident state" means the state of which the child is a resident because of the residence of the adoptive parents.

(d) "State" means a state of the United States, the District of Columbia, the commonwealth of Puerto Rico, the Virgin Islands, Guam, the commonwealth of the Northern Mariana Islands, or a territory or possession of the United States.

Subd. 3. Compacts authorized. The commissioner is authorized to develop, negotiate and enter into one or more interstate compacts on behalf of this state with other states to implement the purposes of Laws 1984, chapter 422. When entered into, the compact will have the force and effect of law.

Subd. 4. Contents of compacts. A compact entered into under Laws 1984, chapter 422, must include:

(a) a provision allowing all states to join the compact;
(b) a provision for withdrawal from the compact upon written notice to the parties. The provision must require a period of one year between the date of the notice and the effective date of the withdrawal;

(c) a requirement that the protections afforded under the compact continue in force for the duration of the adoption assistance from a party state other than the one in which the adoptive parents and the child are resident;

(d) a requirement that each instance of adoption assistance to which the compact applies be covered by an adoption assistance agreement in writing between the adoptive parents and the state child welfare agency of the state which provides the adoption assistance, and that the agreement be expressly for the benefit of the adopted child and enforceable by the adoptive parents and the state agency providing the adoption assistance; and

(e) other provisions necessary and appropriate for the proper administration of the compact.

A compact entered into under Laws 1984, chapter 422, may contain provisions establishing procedures and entitlements to medical, developmental, child care, or other social services for the child under state law, even though the child and the adoptive parents are in a state other than the one responsible for or providing the services or funds to pay part of or all of the costs.

Subd. 5. Medical assistance; duties of the commissioner of human services. The commissioner of human services shall:

(a) Issue a medical assistance identification card to any child with special needs who is title IV-E eligible, or who is not title IV-E eligible but was determined by another state to have a special need for medical or rehabilitative care, and who is a resident in this state and is the subject of an adoption assistance agreement with another state when a certified copy of the adoption assistance agreement obtained from the adoption assistance state has been filed with the commissioner. The adoptive parents shall be required at least annually to show that the agreement is still in force or has been renewed.

(b) Consider the holder of a medical assistance identification card under this subdivision as any other recipient of medical assistance under chapter 256B; process and make payment on claims for the recipient in the same manner as for other recipients of medical assistance.

(c) Provide coverage and benefits for a child who is title IV-E eligible or who is not title IV-E eligible but was determined to have a special need for medical or rehabilitative care and who is in another state and who is covered by an adoption assistance agreement made by the commissioner for the coverage or benefits, if any, which is not provided by the resident state. The adoptive parents acting for the child may submit evidence of payment for services or benefit amounts not payable in the resident state and shall be reimbursed. However, there shall be no reimbursement for services or benefit amounts covered under any insurance or other third-party medical contract or arrangement held by the child or the adoptive parents.

(d) Publish rules implementing this subdivision. Such rules shall include procedures to be followed in obtaining prior approvals for services which are required for the assistance.

Subd. 6. Penalties for false claims. Any person who submits a claim or makes a statement for payment or reimbursement for services or benefits under subdivision 5 which the maker or claimant knows or should know to be false, misleading, or fraudulent is guilty of perjury. That person shall also be subject to a fine of not more than $5,000 or imprisonment for not more than three years, or both.

Subd. 7. Federal participation. Consistent with federal law, the commissioner shall, in connection with the administration of Laws 1984, chapter 422, and any compact under Laws 1984, chapter 422, include in any state plan made under the Adoption Assistance and Child Welfare Act of 1980, Titles IV(e) and XIX of the Social Security Act, and any other applicable federal laws, the provision of adoption assistance and medical assistance for which the federal government pays some or all of the cost. The commissioner shall apply for and administer all relevant aid in accordance with state and federal law.

260C.201 DISPOSITIONS; CHILDREN IN NEED OF PROTECTION OR SERVICES OR NEGLECTED AND IN FOSTER CARE.

Subd. 11. Review of court-ordered placements; permanent placement determination. (a) This subdivision and subdivision 11a do not apply to cases where the child is in foster care for treatment of the child's developmental disability or emotional disturbance under chapter 260D. Foster care placements of children for treatment are governed by chapter 260D. In all other cases where the child is in foster care or in the care of a noncustodial parent under subdivision 1, the court shall commence proceedings to determine the permanent status of a child not later than 12 months after the child is placed in foster care or in the care of a noncustodial parent. At the admit-deny hearing commencing such proceedings, the court shall determine whether there
is a prima facie basis for finding that the agency made reasonable efforts, or in the case of an Indian child active efforts, required under section 260.012 and proceed according to the rules of juvenile court.

For purposes of this subdivision, the date of the child's placement in foster care is the earlier of the first court-ordered placement or 60 days after the date on which the child has been voluntarily placed in foster care by the child's parent or guardian. For purposes of this subdivision, time spent by a child under the protective supervision of the responsible social services agency in the home of a noncustodial parent pursuant to an order under subdivision 1 counts towards the requirement of a permanency hearing under this subdivision or subdivision 11a. Time spent on a trial home visit counts towards the requirement of a permanency hearing under this subdivision and a permanency review for a child under eight years of age under subdivision 11a.

For purposes of this subdivision, 12 months is calculated as follows:

1. during the pendency of a petition alleging that a child is in need of protection or services, all time periods when a child is placed in foster care or in the home of a noncustodial parent are cumulated;
2. if a child has been placed in foster care within the previous five years under one or more previous petitions, the lengths of all prior time periods when the child was placed in foster care within the previous five years are cumulated. If a child under this clause has been in foster care for 12 months or more, the court, if it is in the best interests of the child and for compelling reasons, may extend the total time the child may continue out of the home under the current petition up to an additional six months before making a permanency determination.

(b) Unless the responsible social services agency recommends return of the child to the custodial parent or parents, not later than 30 days prior to the admit-deny hearing required under paragraph (a) and the rules of juvenile court, the responsible social services agency shall file pleadings in juvenile court to establish the basis for the juvenile court to order permanent placement of the child, including a termination of parental rights petition, according to paragraph (d). Notice of the hearing and copies of the pleadings must be provided pursuant to section 260C.152.

(c) The permanency proceedings shall be conducted in a timely fashion including that any trial required under section 260C.163 shall be commenced within 60 days of the admit-deny hearing required under paragraph (a). At the conclusion of the permanency proceedings, the court shall:

1. order the child returned to the care of the parent or guardian from whom the child was removed; or
2. order a permanent placement or termination of parental rights if permanent placement or termination of parental rights is in the child's best interests. The "best interests of the child" means all relevant factors to be considered and evaluated. Transfer of permanent legal and physical custody, termination of parental rights, or guardianship and legal custody to the commissioner through a consent to adopt are preferred permanency options for a child who cannot return home.

(d) If the child is not returned to the home, the court must order one of the following dispositions:

1. permanent legal and physical custody to a relative in the best interests of the child according to the following conditions:
   i. an order for transfer of permanent legal and physical custody to a relative shall only be made after the court has reviewed the suitability of the prospective legal and physical custodian;
   ii. in transferring permanent legal and physical custody to a relative, the juvenile court shall follow the standards applicable under this chapter and chapter 260, and the procedures set out in the juvenile court rules;
   iii. an order establishing permanent legal and physical custody under this subdivision must be filed with the family court;
   iv. a transfer of legal and physical custody includes responsibility for the protection, education, care, and control of the child and decision making on behalf of the child;
   v. the social services agency may bring a petition or motion naming a fit and willing relative as a proposed permanent legal and physical custodian. The commissioner of human services shall annually prepare for counties information that must be given to proposed custodians about their legal rights and obligations as custodians together with information on financial and medical benefits for which the child is eligible; and
   vi. the juvenile court may maintain jurisdiction over the responsible social services agency, the parents or guardian of the child, the child, and the permanent legal and physical custodian for purposes of ensuring appropriate services are delivered to the child and permanent legal custodian or for the purpose of ensuring conditions ordered by the court related to the care and custody of the child are met;
APPENDIX
Repealed Minnesota Statutes: S1675-3

(2) termination of parental rights when the requirements of sections 260C.301 to 260C.328 are met or according to the following conditions:

(i) order the social services agency to file a petition for termination of parental rights in which case all the requirements of sections 260C.301 to 260C.328 remain applicable; and

(ii) an adoption completed subsequent to a determination under this subdivision may include an agreement for communication or contact under section 259.58;

(3) long-term foster care according to the following conditions:

(i) the court may order a child into long-term foster care only if it approves the responsible social service agency's compelling reasons that neither an award of permanent legal and physical custody to a relative, nor termination of parental rights is in the child's best interests;

(ii) further, the court may only order long-term foster care for the child under this section if it finds the following:

(A) the child has reached age 12 and the responsible social services agency has made reasonable efforts to locate and place the child with an adoptive family or with a fit and willing relative who will agree to a transfer of permanent legal and physical custody of the child, but such efforts have not proven successful; or

(B) the child is a sibling of a child described in subitem (A) and the siblings have a significant positive relationship and are ordered into the same long-term foster care home; and

(iii) at least annually, the responsible social services agency reconsiders its provision of services to the child and the child's placement in long-term foster care to ensure that:

(A) long-term foster care continues to be the most appropriate legal arrangement for meeting the child's need for permanency and stability, including whether there is another permanent placement option under this chapter that would better serve the child's needs and best interests;

(B) whenever possible, there is an identified long-term foster care family that is committed to being the foster family for the child as long as the child is a minor or under the jurisdiction of the court;

(C) the child is receiving appropriate services or assistance to maintain or build connections with the child's family and community;

(D) the child's physical and mental health needs are being appropriately provided for; and

(E) the child's educational needs are being met;

(4) foster care for a specified period of time according to the following conditions:

(i) foster care for a specified period of time may be ordered only if:

(A) the sole basis for an adjudication that the child is in need of protection or services is the child's behavior;

(B) the court finds that foster care for a specified period of time is in the best interests of the child; and

(C) the court approves the responsible social services agency's compelling reasons that neither an award of permanent legal and physical custody to a relative, nor termination of parental rights is in the child's best interests;

(ii) the order does not specify that the child continue in foster care for any period exceeding one year; or

(5) guardianship and legal custody to the commissioner of human services under the following procedures and conditions:

(i) there is an identified prospective adoptive home agreed to by the responsible social services agency having legal custody of the child pursuant to court order under this section that has agreed to adopt the child and the court accepts the parent's voluntary consent to adopt under section 259.24, except that such consent executed by a parent under this item, following proper notice that consent given under this provision is irrevocable upon acceptance by the court, shall be irrevocable unless fraud is established and an order issues permitting revocation as stated in item (vi);

(ii) if the court accepts a consent to adopt in lieu of ordering one of the other enumerated permanency dispositions, the court must review the matter at least every 90 days. The review will address the reasonable efforts of the agency to achieve a finalized adoption;

(iii) a consent to adopt under this clause vests all legal authority regarding the child, including guardianship and legal custody of the child, with the commissioner of human services as if the child were a state ward after termination of parental rights;

(iv) the court must forward a copy of the consent to adopt, together with a certified copy of the order transferring guardianship and legal custody to the commissioner, to the commissioner;

(v) if an adoption is not finalized by the identified prospective adoptive parent within 12 months of the execution of the consent to adopt under this clause, the commissioner of human services or the commissioner's delegate shall pursue adoptive placement in another home unless
the commissioner certifies that the failure to finalize is not due to either an action or a failure to act by the prospective adoptive parent;

(vi) notwithstanding item (v), the commissioner of human services or the commissioner's designee must pursue adoptive placement in another home as soon as the commissioner or commissioner's designee determines that finalization of the adoption with the identified prospective adoptive parent is not possible, that the identified prospective adoptive parent is not willing to adopt the child, that the identified prospective adoptive parent is not cooperative in completing the steps necessary to finalize the adoption, or upon the commissioner's determination to withhold consent to the adoption.

(vii) unless otherwise required by the Indian Child Welfare Act, United States Code, title 25, section 1913, a consent to adopt executed under this section, following proper notice that consent given under this provision is irrevocable upon acceptance by the court, shall be irrevocable upon acceptance by the court upon order permitting revocation issued by the same court after written findings that consent was obtained by fraud.

(c) In ordering a permanent placement of a child, the court must be governed by the best interests of the child, including a review of the relationship between the child and relatives and the child and other important persons with whom the child has resided or had significant contact. When the court has determined that permanent placement of the child away from the parent is necessary, the court shall consider permanent alternative homes that are available both inside and outside the state.

(f) Once a permanent placement determination has been made and permanent placement has been established, further court reviews are necessary if:

(1) the placement is long-term foster care or foster care for a specified period of time;
(2) the court orders further hearings because it has retained jurisdiction of a transfer of permanent legal and physical custody matter;
(3) an adoption has not yet been finalized; or
(4) there is a disruption of the permanent or long-term placement.

(g) Court reviews of an order for long-term foster care, whether under this section or section 260C.317, subdivision 3, paragraph (d), must be conducted at least yearly at an in-court appearance hearing and must review the child's out-of-home placement plan and the reasonable efforts of the agency to finalize the permanent plan for the child including the agency's efforts to:

(1) ensure that long-term foster care continues to be the most appropriate legal arrangement for meeting the child's need for permanency and stability or, if not, to identify and attempt to finalize another permanent placement option under this chapter that would better serve the child's needs and best interests;
(2) identify a specific long-term foster home for the child, if one has not already been identified;
(3) support continued placement of the child in the identified home, if one has been identified;
(4) ensure appropriate services are provided to address the physical health, mental health, and educational needs of the child during the period of long-term foster care and also ensure appropriate services or assistance to maintain relationships with appropriate family members and the child's community; and
(5) plan for the child's independence upon the child's leaving long-term foster care living as required under section 260C.212, subdivision 1.

(h) In the event it is necessary for a child that has been ordered into foster care for a specified period of time to be in foster care longer than one year after the permanency hearing held under this section, not later than 12 months after the time the child was ordered into foster care for a specified period of time, the matter must be returned to court for a review of the appropriateness of continuing the child in foster care and of the responsible social services agency's reasonable efforts to finalize a permanent plan for the child; if it is in the child's best interests to continue the order for foster care for a specified period of time past a total of 12 months, the court shall set objectives for the child's continuation in foster care, specify any further amount of time the child may be in foster care, and review the plan for the safe return of the child to the parent.

(i) An order permanently placing a child out of the home of the parent or guardian must include the following detailed findings:

(1) how the child's best interests are served by the order;
(2) the nature and extent of the responsible social service agency's reasonable efforts, or, in the case of an Indian child, active efforts to reunify the child with the parent or guardian where reasonable efforts are required;
(3) the parent's or parents' efforts and ability to use services to correct the conditions which led to the out-of-home placement; and

APPENDIX
Repealed Minnesota Statutes: S1675-3
(4) that the conditions which led to the out-of-home placement have not been corrected so that the child can safely return home.

(j) An order for permanent legal and physical custody of a child may be modified under sections 518.18 and 518.185. The social services agency is a party to the proceeding and must receive notice. A parent may only seek modification of an order for long-term foster care upon motion and a showing by the parent of a substantial change in the parent's circumstances such that the parent could provide appropriate care for the child and that removal of the child from the child's permanent placement and the return to the parent's care would be in the best interest of the child. The responsible social services agency may ask the court to vacate an order for long-term foster care upon a prima facie showing that there is a factual basis for the court to order another permanency option under this chapter and that such an option is in the child's best interests. Upon a hearing where the court determines that there is a factual basis for vacating the order for long-term foster care and that another permanent order regarding the placement of the child is in the child's best interests, the court may vacate the order for long-term foster care and enter a different order for permanent placement that is in the child's best interests. The court shall not require further reasonable efforts to reunify the child with the parent or guardian as a basis for vacating the order for long-term foster care and ordering a different permanent placement in the child's best interests. The county attorney must file pleadings and give notice as required under the rules of juvenile court in order to modify an order for long-term foster care under this paragraph.

(k) The court shall issue an order required under this section within 15 days of the close of the proceedings. The court may extend issuing the order an additional 15 days when necessary in the interests of justice and the best interests of the child.

(l) This paragraph applies to proceedings required under this subdivision when the child is on a trial home visit:

(1) if the child is on a trial home visit 12 months after the child was placed in foster care or in the care of a noncustodial parent as calculated in this subdivision, the responsible social services agency may file a report with the court regarding the child's and parent's progress on the trial home visit and its reasonable efforts to finalize the child's safe and permanent return to the care of the parent in lieu of filing the pleadings required under paragraph (b). The court shall make findings regarding reasonableness of the responsible social services efforts to finalize the child's return home as the permanent order in the best interests of the child. The court may continue the trial home visit to a total time not to exceed six months as provided in subdivision 1. If the court finds the responsible social services agency has not made reasonable efforts to finalize the child's return home as the permanent order in the best interests of the child, the court may order other or additional efforts to support the child remaining in the care of the parent; and

(2) if a trial home visit ordered or continued at proceedings under this subdivision terminates, the court shall recommence proceedings under this subdivision to determine the permanent status of the child not later than 30 days after the child is returned to foster care.

260C.215 WELFARE OF CHILDREN.

Subd. 2. Duties of commissioner. The commissioner of human services shall:

(1) in cooperation with child-placing agencies, develop a cost-effective campaign using radio and television to recruit adoptive and foster families that reflect the ethnic and racial diversity of children in the state for whom adoptive and foster homes are needed; and

(2) require that agency staff people who work in the area of adoption and foster family recruitment participate in cultural competency training.

Upon the request of a person, at any time, between the ages of 18 and 21 who had been receiving foster care benefits in the six consecutive months prior to the person's 18th birthday, or who was discharged while on runaway status after age 15, the local agency shall develop, in conjunction with the person and other appropriate parties, a specific plan related to that person's vocational, educational, social, or maturational needs and, to the extent funds are available, shall ensure that any foster care, housing, or counseling benefits are tied to that plan. Youth who left foster care while under state guardianship as dependent or neglected retain their ability to return to foster care for placement at any time between the ages of 18 and 21.
9560.0071 APPLICABILITY AND PURPOSE.

Subpart 1. Applicability. Parts 9560.0071 to 9560.0102 establish the procedures and standards for determining a child’s eligibility for an adoption subsidy and the terms of the adoption subsidy.

Subp. 2. Purpose. The purpose of the adoption subsidy program is to make possible adoptive placement of children whose special needs prevent adoption without subsidy assistance.

9560.0082 CERTIFICATION.

Subpart 1. Certification criteria. A child is eligible for certification for an adoption subsidy if the child:

A. is a Minnesota resident;
B. is under the legal guardianship of the commissioner or of a Minnesota licensed child placing agency; and
C. has special needs that prevent adoptive placement without an adoption subsidy.

Subp. 2. Certification criteria for foster children. A child whose foster parents desire to adopt the child is eligible for certification for an adoption subsidy if:

A. the child meets the requirements of subpart 1;
B. the placing agency determines that adoption by the child’s foster parents is in the best interest of the child according to part 9560.0050; and
C. the child’s special needs make it difficult to provide the child an adoptive home without subsidy.

Subp. 3. Eligibility period. A child is not eligible for certification after a final decree of adoption has been issued for the child.

Subp. 4. Certification by placing agency. A child is certified as eligible for an adoption subsidy by the placing agency. The placing agency shall certify a child as eligible if:

A. the child meets the certification criteria in subpart 1 or 2; and
B. the placing agency has made reasonable efforts without success to place the child in an adoptive home without an adoption subsidy. These efforts must include:

1. registration of the child with the state adoption exchange;
2. contact with Hennepin, Ramsey, and St. Louis counties and Minnesota licensed child placing agencies for potential adoptive homes;
3. at least one additional special effort to locate an adoptive home, such as use of photo listing services, newsletters, or adoption exchange services.

The requirements in item B may be waived by the state adoption unit if an eligible child's specific condition requires recruitment of a particular family able to care for that child, or if the child is in a foster home and will be adopted by the foster parents.

Subp. 5. Written certification statement. The placing agency shall certify a child’s eligibility for an adoption subsidy in writing in the format prescribed by the commissioner. The certification statement must include:

A. a description of the special needs of the child upon which eligibility is based;

Subpart 1. [Repealed, L 2009 c 163 art 2 s 39]
Subp. 2. **Identification of alternative resources.** The placing agency must identify resources available to meet the child's special needs before the amount of adoption subsidy payment is determined. Available resources include public income support programs, medical assistance, health insurance coverage, services available through community resources, and any other private or public benefits or resources available to the family or to the child to meet the child's special needs.

Subp. 3. **Basis for subsidy.** The amount of an adoption subsidy is based on the special needs of the child and the determination that other resources to meet those special needs are not available.

Subp. 4. **Payment limit.** The amount of a monthly subsidy payment must not exceed the monthly foster care maintenance payment rate and difficulty of care payment that would be allowable for the child.
