126C.13 GENERAL EDUCATION AID.

Subd. 3a. **Student achievement rate.** The commissioner must establish the student achievement rate by September 30 of each year for levies payable in the following year. The student achievement rate must be a rate, rounded up to the nearest hundredth of a percent, that, when applied to the adjusted net tax capacity for all districts, raises the amount specified in this subdivision. The student achievement rate must be the rate that raises \$20,000,000 for fiscal year 2015, 2016, and 2017 and \$10,000,000 for fiscal year 2018. The student achievement rate may not be changed due to changes or corrections made to a district's adjusted net tax capacity after the rate has been established.

Subd. 3b. **Student achievement levy.** To obtain general education revenue, a district may levy an amount not to exceed the student achievement rate times the adjusted net tax capacity of the district for the preceding year. If the amount of the student achievement levy would exceed the general education revenue, the student achievement levy must be determined according to subdivision 3c.

Subd. 3c. **Student achievement levy; districts off the formula.** (a) If the amount of the student achievement levy for a district exceeds the district's general education revenue, excluding operating capital revenue, equity revenue, and transition revenue, the amount of the student achievement levy must be limited to the district's general education revenue, excluding operating capital revenue, equity revenue, and transition revenue.

(b) A levy made according to this subdivision shall also be construed to be the levy made according to subdivision 3b.
