Each person owning property in the proposed district must be given the opportunity to be heard at the hearing. Notice of the hearing must be published on the city's website and in at least two issues of the official newspaper of the city. The two publications must be two weeks apart and the hearing must be held at least three days after the last publication. (1) net tax capacity, as defined under section 273.13, subdivision 21b;

(2) referendum market value, as defined under section 126C.01, subdivision 3;

(3) a tax base consisting of each property's estimated market value excluding the market value attributable to improvements; or

For the purposes of this section, the areawide taxes under chapters 276A and 473F, and the state general levy under section 275.025, are considered to be taxing jurisdictions.

Subd. 2. Final taxation within district. The city must allocate the tax, as determined under subdivision 1, among all properties in the district according to the terms of the ordinance, such that the entire amount of tax payable to each taxing jurisdiction under subdivision 1 is allocated among the properties constituting the district. The city must report the revised property tax amounts for each parcel of property to the county treasurer by April 30 of the year the tax is payable. The city must provide for revised property tax statements to be mailed to all properties within the district by April 30 of the year the tax is payable. Taxpayers must make payments according to the dates specified in section 279.01 as if the property tax statements were mailed 21 days prior to May 15 of the year the taxes are payable.
