1.6	BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:
1.7	Section 1. Minnesota Statutes 2014, section 176.135, is amended by adding a
1.8	subdivision to read:
1.9	Subd. 7a. Electronic transactions. (a) For purposes of this subdivision, the
1.10	following terms have the meanings given:
1.11	(1) "workers' compensation payer" means a workers' compensation insurer and an
1.12	employer, or group of employers, that is self-insured for workers' compensation;
1.13	(2) "clearinghouse" has the meaning given in section 62J.51, subdivision 11a; and
1.14	(3) "electronic transactions" means the health care administrative transactions
1.15	described in section 62J.536.
1.16	(b) In addition to the requirements of section 62J.536, workers' compensation payers
1.17	and health care providers must comply with the requirements in paragraphs (c) to (e) and
1.18	any requirements adopted by rule under paragraph (f).
1.19	(c) No later than January 1, 2016, each workers' compensation payer must place
1.20	the following information in a prominent location on its Web site or otherwise provide
1.21	the information to health care providers:
1.22	(1) the name of each clearinghouse with which the workers' compensation payer has
1.23	an agreement to exchange or transmit electronic transactions, along with the identification
1.24	number each clearinghouse has assigned to the payer in order to route electronic
1.25	transactions through intermediaries or other clearinghouses to the payer;

SS

2.1	(2) information about how a health care provider can obtain the claim number
2.2	assigned by the workers' compensation payer for an employee's claim and how the
2.3	provider should submit the claim number in the appropriate field on the electronic bill to
2.4	the payer; and
2.5	(3) the name, phone number, and e-mail address of contact persons who can answer
2.6	questions related to electronic transactions on behalf of the workers' compensation payer
2.7	and the clearinghouses with which the payer has agreements.
2.8	(d) No later than July 1, 2016:
2.9	(1) health care providers must electronically submit copies of medical records or
2.10	reports that substantiate the nature of the charge and its relationship to the work injury
2.11	using the most recently approved version of the ASC X12N 275 transaction ("Additional
2.12	Information to Support Health Care Claim or Encounter"), according to the requirements
2.13	in the corresponding implementation guide. The ASC X12N 275 transaction is the only
2.14	one that shall be used to electronically submit attachments unless a national standard is
2.15	adopted by federal law or rule. If a new version of the attachment transaction is approved,
2.16	it must be used one year after the approval date;
2.17	(2) workers' compensation payers and all clearinghouses receiving or transmitting
2.18	workers' compensation bills must accept attachments using the ASC X12N 275 transaction

2.20	for the attachment transaction. If a new version of the acknowledgment transaction is
2.21	approved, it must be used one year after the approval date; and
2.22	(3) if a different national claims attachment or acknowledgment requirement is
2.23	adopted by federal law or rule, it will replace the ASC X12N 275 transaction, and the new
2.24	standard must be used on the date that it is required by the federal law or rule.
2.25	(e) No later than September 1, 2015, workers' compensation payers must provide
2.26	the patient's name and patient control number on or with all payments made to a provider
2.27	under this chapter, whether payment is made by check or electronic funds transfer. The
2.28	information provided on or with the payment must be sufficient to allow providers to
2.29	match the payment to specific bills. If a bulk payment is made to a provider for more than
2.30	one patient, the check or electronic funds transfer statement must also specify the amount
2.31	being paid for each patient. For purposes of this paragraph, the patient control number is
