Nothing in this section limits the governor's authority over or command of the National Guard as described in the Military Code, chapters 190 to 192A, and required by the Minnesota Constitution, article V, section 3.

(c) The governor shall not allow a peacetime emergency declaration to expire and declare a new peacetime emergency for the same emergency in an effort to avoid obtaining legislative approval for an extension of a peacetime emergency as provided under this subdivision.

(d) If a peacetime emergency declaration is in effect under this subdivision and the governor determines the need to declare an additional, separate peacetime emergency in response to a different event than the event for which the first emergency was declared, the governor is not required to make an additional declaration under this subdivision for the second peacetime emergency except for purposes of receiving federal aid under section 12.22. A second peacetime emergency declared under this paragraph shall be effective for the duration of the first peacetime emergency declaration. An extension of either the first or second peacetime emergency declaration, or both, under this paragraph is subject to legislative approval as required in paragraph (b).

Sec. 23. Minnesota Statutes 2020, section 13.64, subdivision 3, is amended to read:

Subd. 3. **Unofficial fiscal note.** (a) For purposes of this subdivision, "unofficial fiscal note" means a fiscal note requested by or on behalf of a member of the legislature on draft language for a bill that has not been introduced. Unofficial fiscal notes are public data unless a classification under paragraph (b) applies.

(b) This paragraph applies if a request for an unofficial fiscal note is accompanied by a directive from the requester that the data be classified under this paragraph subdivision.
Government data on the request, the bill draft, and the unofficial fiscal note are private data on individuals or nonpublic data, provided except that the data are accessible to, and may be disclosed by, the requester. If the proposed bill draft used to develop the unofficial fiscal note or an updated version is subsequently used for an introduced bill, or any legislation, including an amendment or a proposed bill, that any member of the legislature offers for consideration by a legislative committee introduced as a bill, included in an introduced bill, offered as an amendment, or otherwise distributed at a public meeting or event, or if an unofficial fiscal note is distributed at a public meeting or event, the fiscal note becomes public data.

(c) An agency must not share data that is classified under this subdivision as nonpublic data or private data on individuals with another agency without authorization from the bill author, as obtained from the director of the Legislative Budget Office. This paragraph supersedes any authorization to share data with the commissioner of management and budget under section 15.08 or 16A.06, subdivision 7, or other applicable law.

Sec. 24. Minnesota Statutes 2020, section 13.64, subdivision 4, is amended to read:

A head or chief administrative officer of a department or agency of the state government, including the supreme court, must provide data that are used to prepare a fiscal note or for the Legislative Budget Office to review the accuracy of fiscal notes on enacted legislation, including data that are not public data under this section to the director of the Legislative Budget Office upon the director's request and consistent with section 3.8853, subdivision 4, unless there are federal laws or regulations that prohibit the provision of the not public data for this purpose. The data must be supplied according to any standards and procedures adopted under section 3.8853, subdivision 3, including any standards and procedures governing timeliness. Notwithstanding section 13.05, subdivision 9, a responsible authority may not require the Legislative Budget Office to pay a cost for supplying data requested under this subdivision.

Sec. 25. Minnesota Statutes 2020, section 14.05, subdivision 1, is amended to read:

If a law authorizing rules is repealed, the rules adopted pursuant to that law are automatically repealed on the effective date of the law's
repeal unless there is another law authorizing the rules. Except as provided in section 14.06 sections 14.388 and 14.3895, sections 14.001 to 14.69 shall not be specific authority for an agency to adopt, amend, suspend, or repeal rules.

**EFFECTIVE DATE.** This section is effective July 1, 2021, and applies to rules adopted on or after that date.

Sec. 26. Minnesota Statutes 2020, section 14.389, subdivision 5, is amended to read:

Subd. 5. **Option.** A law authorizing or requiring rules to be adopted under this section may refer specifically to this subdivision. If the law contains a specific reference to this subdivision, as opposed to a general reference to this section:

1. the notice required in subdivision 2 must include a statement that a public hearing will be held if 400 or more people request a hearing. The request must be in the manner specified in section 14.25; and

2. if 400 or more people submit a written request for a public hearing, the agency may adopt the rule only after complying with all of the requirements of chapter 14 for rules adopted after a public hearing.

**EFFECTIVE DATE.** This section is effective July 1, 2021, and applies to rules proposed on or after that date.

Sec. 27. Minnesota Statutes 2020, section 14.57, is amended to read:

Sec. 29. [15.4442] GEOGRAPHIC DISTRIBUTION OF STATE EMPLOYEE LAYOFFS.

Notwithstanding any law to the contrary, if layoffs of employees of executive branch state agencies are necessary due to an anticipated budget deficit, each executive branch state agency must make personnel reductions so that economies of the state outside of the metropolitan area, as defined in section 473.121, subdivision 2, are not disproportionately affected by the layoffs. "Executive branch state agency" has the meaning given in section 16A.011, subdivision 12a.

Sec. 30. [15.761] SAVI PROGRAM.

Subdivision 1. Program established. The state agency value initiative (SAVI) program is established to encourage state agencies to identify cost-effective and efficiency measures in agency programs and operations that result in cost savings for the state. All state agencies not separately authorized to carry forward operating funds may participate in this program.

Subd. 2. Retained savings. (a) In order to encourage innovation and creative cost savings by state employees, upon approval of the commissioner of management and budget, 50 percent of any appropriations for agency operations that remain unspent at the end of a biennium because of unanticipated innovation, efficiencies, or creative cost-savings may be carried forward and retained by the agency to fund specific agency proposals or projects.
Agencies choosing to spend retained savings funds must ensure that project expenditures do not create future obligations beyond the amounts available from the retained savings. The retained savings must be used only to fund projects that directly support the performance of the agency's duties. This section does not restrict authority granted by other law to carry forward money for a different period or for different purposes.

(b) This section supersedes any contrary provision of section 16A.28.

Sec. 31. LIMITING GROWTH IN STATE EMPLOYMENT BASED ON STATE POPULATION.

The percentage growth of the total number of full-time equivalent positions employed by all executive branch state agencies from one fiscal year to the next must not exceed the percentage growth of the state population during the same time frame, as projected by the state demographer. "Executive branch state agencies" as used in this section has the meaning given for the same term in Minnesota Statutes, section 16A.011, subdivision 12a, and does not include Minnesota State Colleges and Universities.
Sec. 32. Minnesota Statutes 2020, section 16A.06, is amended by adding a subdivision to read:

There is annually appropriated from the general fund to the commissioner an amount sufficient to pay the cost of the annual audit. The cost of the audit shall be billed to the agencies audited during the subsequent fiscal year. Amounts paid by state agencies shall be deposited to the general fund.

Sec. 33. Minnesota Statutes 2020, section 16A.152, subdivision 2, is amended to read:

4. the amount necessary to restore all or a portion of the net aid reductions under section 127A.441 and to reduce the property tax revenue recognition shift under section 123B.75, subdivision 5, by the same amount; and

5. the clean water fund established in section 114D.50 until $22,000,000 has been transferred into the fund; and

6. the amount necessary to increase the Minnesota 21st century fund by not more than the difference between $5,000,000 and the sum of the amounts credited and canceled to it in the previous 12 months under Laws 2020, chapter 71, article 1, section 11, until the
sum of all transfers under this section and all amounts credited or canceled under Laws
2020, chapter 71, article 1, section 11, equals $20,000,000.

(b) The amounts necessary to meet the requirements of this section are appropriated
from the general fund within two weeks after the forecast is released or, in the case of
transfers under paragraph (a), clauses (3) and (4), as necessary to meet the appropriations
schedules otherwise established in statute.

(c) The commissioner of management and budget shall certify the total dollar amount
of the reductions under paragraph (a), clauses (3) and (4), to the commissioner of education.
The commissioner of education shall increase the aid payment percentage and reduce the
property tax shift percentage by these amounts and apply those reductions to the current
fiscal year and thereafter.

(d) Paragraph (a), clause (5), expires after the entire amount of the transfer has been
made.

Sec. 34. Minnesota Statutes 2020, section 16A.28, subdivision 3, is amended to read:

Subd. 3. Lapse. Any portion of any appropriation not carried forward and remaining
unexpended and unencumbered at the close of a fiscal year lapses to the fund from which
it was originally appropriated. Except as provided in section 15.761, any appropriation
amounts not carried forward and remaining unexpended and unencumbered at the close of
a biennium lapse to the fund from which the appropriation was made.

**EFFECTIVE DATE.** This section is effective June 30, 2022.

Sec. 35. [16A.401] VIRTUAL PAYMENTS AUTHORIZED.

The payoff supplement is equal to the difference between the general reserve account at the final closing of a fiscal year and the greater of the stadium-related expenses, or $44,000,000.

(b) By October 1 of each year, the commissioner shall transfer the payoff supplement computed under paragraph (a) to the stadium payoff fund.

Subd. 3. Use of fund. (a) After the date that the appropriation bonds under section 16A.695 become callable, the commissioner must use the amount in the fund to redeem or defease outstanding debt for the stadium appropriation bonds under section 16A.965, to the extent permitted by the bond contract. The money in the fund is appropriated only for this purpose. Notwithstanding sections 16A.66 and 16A.965, refunding bonds issued after redeeming outstanding debt for the stadium authorized under section 473J.03, subdivision 8, using funds from the stadium payoff fund may be issued without regard to whether the interest to be paid on the bonds is includable in gross income for federal tax purposes.

(b) After receiving the written approval of a majority of the senate members and a majority of the house members of the Legislative Advisory Commission, the commissioner may transfer balances in the stadium payoff fund to the general fund to offset a shortfall in revenue collected under section 297A.994.

Subd. 4. Report. By October 15, 2021, and each year thereafter, the commissioner of management and budget must analyze and report to the legislature about the use of the money in the stadium payoff fund, and the amount of the actual and projected payoff balance transfers from the general reserve account. The report should also analyze when the money in the stadium payoff fund will be used to redeem or defease the outstanding debt on the stadium appropriation bonds under section 16A.965. The report must be provided to the chairs and ranking minority members of the house of representatives Committee on Ways and Means and Taxes Committee, and the chairs and ranking minority members of the senate Finance Committee and Taxes Committee.

The commissioner shall assign and reassign office space in the Capitol and state buildings to make an equitable division of available space among agencies. The commissioner shall regularly update the long-range strategic plan for locating agencies and shall follow the plan in assigning and reassigning space to agencies. The plan must include locational and urban design criteria, a cost-analysis method to be used in weighing state ownership against leasing of space in specific instances, and a transportation management plan. If the commissioner determines that a deviation from the plan is necessary or desirable in a specific instance, the commissioner shall provide the legislature with a timely written explanation of the reasons for the deviation. The power granted in this subdivision does not apply to state hospitals or to educational, penal, correctional, or other institutions not enumerated in this subdivision the control of which is vested by law in some other agency.

Sec. 38. Minnesota Statutes 2020, section 16B.24, is amended by adding a subdivision to read:

of Minnesota desires custody of the lands or tracts, it shall submit a written request to the
commissioner, no later than four calendar weeks after mailing of the notice, setting forth
in detail its reasons for desiring to acquire and its intended use of the land or tract. The
commissioner shall then determine whether any of the lands described should be declared
surplus and offered for sale or otherwise disposed of by transferring custodial control to
other requesting state departments or agencies or to the Board of Regents of the University
of Minnesota for educational purposes, provided however that transfer to the Board of
Regents shall not be determinative of tax exemption or immunity. If the commissioner
determines that any of the lands are no longer needed for state purposes, the commissioner
shall make findings of fact, describe the lands, declare the lands to be surplus state land,
and state the reasons for the sale or disposition of the lands.

retired canine.

The transfer must be made to the commissioner for use in the central motor pool. The commissioner shall reimburse an agency whose motor vehicles have been paid for with funds dedicated by the constitution for a special purpose and which are assigned to the central motor pool. The amount of
reimbursement for a motor vehicle is its average wholesale price as determined from the
midwest edition of the National Automobile Dealers Association official used car guide.

If the person's name appears on the list, the election judge must not allow the individual to register or to vote in the polling place. The election judge who registers an individual at the polling place on election day shall not handle that voter's ballots at any time prior to the opening of the ballot box after the voting ends. Registration applications and forms for oaths shall be available at each polling place. The secretary of state may provide copies of the public information lists and other information from the statewide registration system for uses related to elections, political activities, or in response to a law enforcement inquiry from a public official concerning a failure to comply with any criminal statute or any state or local tax statute.

(c) Before inspecting the public information list or obtaining a list of voters or other information from the list, the individual shall provide identification to the public official having custody of the public information list and shall state in writing that any information obtained from the list will not be used for purposes unrelated to elections, political activities, or law enforcement. If the individual requested a review meeting, the named entity must schedule a meeting with the individual within 14 days after receiving the contest petition.
(d) After reviewing the required data, and after the review meeting if one occurred, the named entity must determine whether the data is accurate or should be changed. If the named entity determines that no change to the data is required, the named entity must notify the individual. The certificate shall contain space for the voter's Minnesota driver's license number, state identification number, or the last four digits of the voter's Social Security number, or to indicate that the voter does not have one of these numbers. The space must be designed to ensure that the voter provides the same type of identification as provided on the voter's absentee ballot application for purposes of comparison. The certificate must also contain a statement to be signed and sworn by the voter indicating that the voter meets all of the requirements established by law for voting by absentee ballot and space for a statement signed by a person who is registered to vote in Minnesota or by a notary public or other individual authorized to administer oaths stating that:

(c) After signing the voter's certificate, the voter shall be issued a ballot and immediately
retire to a voting station or other designated location in the polling place to mark the ballot.
The ballot must not be taken from the polling place. If the voter spoils the ballot, the voter

Sec. 20. Minnesota Statutes 2020, section 203B.12, subdivision 7, is amended to read:

Subd. 7. Names of persons; rejected absentee ballots. The names of voters who have submitted an absentee ballot to the county auditor or municipal clerk that has not been accepted may not be made available for public inspection until the close of voting on election day.

After the close of voting on election day, the lists must be available to the public in the same manner as public information lists in section 201.091, subdivisions 4, 5, and 9.

Sec. 21. Minnesota Statutes 2020, section 203B.121, subdivision 2, is amended to read:

Subd. 2. Duties of ballot board; absentee ballots. (a) The members of the ballot board shall take possession of all return signature envelopes delivered to them in accordance with section 203B.08. Upon receipt from the county auditor, municipal clerk, or school district clerk, two or more members of the ballot board shall examine each return signature envelope and shall mark it accepted or rejected in the manner provided in this subdivision. Election judges performing the duties in this section must be of different major political parties, unless they are exempt from that requirement under section 205.075, subdivision 4, or section 205A.10, subdivision 2.

(b) The members of the ballot board shall mark the return signature envelope "Accepted" and initial or sign the return signature envelope below the word "Accepted" if a majority of the members of the ballot board examining the envelope are satisfied that:

(1) the voter's name and address on the return signature envelope are the same as the information provided on the absentee ballot application;

(2) the voter signed the certification on the envelope;

(3) the voter's Minnesota driver's license, state identification number, or the last four digits of the voter's Social Security number are the same as a number on the voter's absentee ballot application or voter record. If the number does not match, the election judges must compare the signature provided by the applicant to determine whether the ballots were returned by the same person to whom they were transmitted;

(4) the voter is registered and eligible to vote in the precinct or has included a properly completed voter registration application in the return envelope;

(5) the certificate has been completed as prescribed in the directions for casting an absentee ballot; and
(6) the voter has not already voted at that election, either in person or, if it is after the
close of business on the seventh day before the election, by absentee ballot.

The return signature envelope from accepted ballots must be preserved and returned to
the county auditor.

c)(1) If a majority of the members of the ballot board examining a return signature
envelope find that an absentee voter has failed to meet one of the requirements provided in
paragraph (b), they shall mark the return signature envelope "Rejected," initial or sign it
below the word "Rejected," list the reason for the rejection on the envelope, and return it
to the county auditor. There is no other reason for rejecting an absentee ballot beyond those
permitted by this section. Failure to place the ballot within the security secrecy envelope
before placing it in the outer white envelope is not a reason to reject an absentee ballot.

(2) If an envelope has been rejected at least five days before the election, the envelope
must remain sealed and the official in charge of the ballot board shall provide the voter with
a replacement absentee ballot and return signature envelope in place of the rejected ballot.

(3) If an envelope is rejected within five days of the election, the envelope must remain
sealed and the official in charge of the ballot board must attempt to contact the voter by
telephone or e-mail to notify the voter that the voter's ballot has been rejected. The official
must document the attempts made to contact the voter.

d) The official in charge of the absentee ballot board must mail the voter a written notice

determines that the voter has otherwise cast a ballot in the election, no notice is required.
If an absentee ballot arrives after the deadline for submission provided by this chapter, the
notice must be provided between six to ten weeks after receipt of the ballot. A notice of
absentee ballot rejection must contain the following information:

(1) the date on which the absentee ballot was rejected or, if the ballot was received after
the required deadline for submission, the date on which the ballot was received;

(2) the reason for rejection; and

(3) the name of the appropriate election official to whom the voter may direct further
questions, along with appropriate contact information.

e) An absentee ballot return signature envelope marked "Rejected" may not be opened
or subject to further review except in an election contest filed pursuant to chapter 209.

**EFFECTIVE DATE.** This section is effective January 1, 2022, and applies to elections
on or after that date.
Sec. 22. Minnesota Statutes 2020, section 203B.121, subdivision 4, is amended to read:

If more than one voted ballot is enclosed in the ballot envelope, the ballots must be returned in the manner provided by section 204C.25 for return of spoiled ballots, and may not be counted.

Sec. 23. Minnesota Statutes 2020, section 203B.24, subdivision 1, is amended to read:

Subdivision 1. Check of voter eligibility; proper execution of certificate. Upon receipt of an absentee ballot returned as provided in sections 203B.16 to 203B.27, the election judges shall compare the voter's name with the names recorded under section 203B.19 in the statewide registration system to insure that the ballot is from a voter eligible to cast an absentee ballot under sections 203B.16 to 203B.27. The election judges shall mark the return signature envelope "Accepted" and initial or sign the return signature envelope below the word "Accepted" if the election judges are satisfied that:

1. the voter's name and address on the return signature envelope appears in substantially the same form as on the application records provided to the election judges by the county auditor;
2. the voter has signed the federal oath prescribed pursuant to section 705(b)(2) of the Help America Vote Act, Public Law 107-252;
3. the voter has set forth the same voter's passport number, or Minnesota driver's license or state identification card number, or the last four digits of the voter's Social Security number as submitted on the application, if the voter has one of these documents;
4. the voter is not known to have died; and
5. the voter has not already voted at that election, either in person or by absentee ballot.

If the identification number described in clause (3) does not match the number as submitted on the application, the election judges must make a reasonable effort to satisfy themselves through other information provided by the applicant, or by an individual authorized to apply on behalf of the voter, that the ballots were returned by the same person to whom the ballots were transmitted.
An absentee ballot cast pursuant to sections 203B.16 to 203B.27 may only be rejected for the lack of one of clauses (1) to (5). In particular, failure to place the ballot within the secrecy envelope before placing it in the outer white envelope is not a reason to reject an absentee ballot.

Election judges must note the reason for rejection on the back of the envelope in the space provided for that purpose.

Failure to return unused ballots shall not invalidate a marked ballot, but a ballot shall not be counted if the certificate on the return envelope is not properly executed. In all other respects the provisions of the Minnesota Election Law governing deposit and counting of ballots shall apply. Notwithstanding other provisions of this section, the counting of the absentee ballot of a deceased voter does not invalidate the election.

Sec. 24. Minnesota Statutes 2020, section 204B.09, subdivision 3, is amended to read:

Subd. 3. Write-in candidates. (a) A candidate for county, state, or federal office who wants write-in votes for the candidate to be counted must file a written request with the filing office for the office sought not more than 84 days before the primary and no later than the seventh day before the general election. The filing officer shall provide copies of the form to make the request. No written request shall be accepted later than 5:00 p.m. on the last day for filing a written request.

(b) A candidate for president of the United States who files a request under this subdivision must include the name of a candidate for vice president of the United States, file jointly with another individual seeking nomination as a candidate for vice president of the United States. A candidate for vice president of the United States who files a request under this subdivision must file jointly with another individual seeking nomination as a candidate for president of the United States. The request must also include the name of at least one candidate for presidential elector. The total number of names of candidates for presidential elector on the request may not exceed the total number of electoral votes to be cast by Minnesota in the presidential election.

(c) A candidate for governor who files a request under this subdivision must include the name of a candidate for lieutenant governor, file jointly with another individual seeking nomination as a candidate for lieutenant governor. A candidate for lieutenant governor who files a request under this subdivision must file jointly with another individual seeking nomination as a candidate for governor.
Sec. 25. Minnesota Statutes 2020, section 204B.14, subdivision 3, is amended to read:

Subd. 3. Boundary changes; prohibitions; exception. (a) Notwithstanding other law or charter provisions to the contrary, during the period from January 1 in any year ending in zero to the time when the legislature has been redistricted in a year ending in one or two, no changes may be made in the boundaries of any election precinct except as provided in this subdivision.

(b) If a city annexes an unincorporated area located in the same county as the city and adjacent to the corporate boundary, the annexed area may be included in an election precinct immediately adjacent to it.

(c) A municipality or county may establish new election precincts lying entirely within the boundaries of any existing precinct and shall assign names to the new precincts which include the name of the former precinct.

(d) Precinct boundaries in a city of the first class electing council members by wards may be reestablished within four weeks of the adoption of ward boundaries in a year ending in one, as provided in section 204B.135, subdivision 1. If precinct boundaries are reestablished in a year ending in one, the city council must designate polling places for each election precinct pursuant to section 204B.16, subdivision 1, within 30 days establishing precinct boundaries. The polling place designations are effective for the year ending in one.

(e) Precinct boundaries must be reestablished within 60 days of the time when the legislature has been redistricted, or at least 19 weeks before the state primary election in a year ending in two, whichever comes first. The governing body of each municipality and of each county with precincts in unorganized territory must designate polling places for each election precinct pursuant to section 204B.16, subdivision 1, within 30 days of establishing precinct boundaries or at least 19 weeks before the state primary election in a year ending in two, whichever comes first. The adoption of reestablished precinct boundaries and polling places becomes effective on the date of the state primary election in the year ending in two.

(f) Precincts must be arranged so that no precinct lies in more than one legislative or congressional district.

Sec. 26. Minnesota Statutes 2020, section 204B.16, subdivision 1, is amended to read:

Subdivision 1. Authority; location. By December 31 of each year, the governing body of each municipality and of each county with precincts in unorganized territory must designate by ordinance or resolution a polling place for each election precinct. The polling
places designated in the ordinance or resolution are the polling places for the following calendar year, unless a change is made:

(1) pursuant to section 204B.175;

(2) because a polling place has become unavailable; or

(3) because a township designates one location for all state and federal elections and one location for all township only elections; and

(4) pursuant to section 204B.14, subdivision 3.

(b) Polling places must be designated and ballots must be distributed so that no one is required to go to more than one polling place to vote in a school district and municipal election held on the same day. The polling place for a precinct in a city or in a school district located in whole or in part in the metropolitan area defined by section 200.02, subdivision 24, shall be located within the boundaries of the precinct or within one mile of one of those boundaries unless a single polling place is designated for a city pursuant to section 204B.14, subdivision 2, or a school district pursuant to section 205A.11. The polling place for a precinct in unorganized territory may be located outside the precinct at a place which is convenient to the voters of the precinct. If no suitable place is available within a town or within a school district located outside the metropolitan area defined by section 200.02, subdivision 24, then the polling place for a town or school district may be located outside the town or school district within five miles of one of the boundaries of the town or school district.

Sec. 27. Minnesota Statutes 2020, section 204B.21, is amended by adding a subdivision to read:

Subd. 4. Election judge list; party affiliation. (a) Notwithstanding section 13.43, the municipal clerk or county auditor must submit to the secretary of state a list of each person who served as an election judge for an election. The list must be submitted to the secretary of state within 14 days after an election. The list must include the following information for each election judge:

(1) name;

(2) address;

(3) whether the election judge was appointed from a list provided by a major political party or from another source; if the election judge was appointed from another source, the list must include a description of that source; and
whether the election judge was affiliated with a major political party and, if so, which party.

(b) Notwithstanding section 13.43, the secretary of state must provide a list of politically affiliated election judges to the chair of the respective major political party. The lists must be provided to the chairs between 14 and 21 days after an election. The information on the lists must be used only for purposes related to elections or political activity.

Sec. 28. Minnesota Statutes 2020, section 204B.36, subdivision 2, is amended to read:

Subd. 2. Candidates and offices. The name of each candidate shall be printed at a right angle to the length of the ballot. At a general election the name of the political party or the political principle of each candidate for partisan office shall be printed above or below the name of the candidate. The name of a political party or a political principle shall be printed in capital and lowercase letters of the same type, with the capital letters at least one-half the height of the capital letters used for names of the candidates. At a general or special election, blank lines containing the words "write-in, if any" shall be printed below the name of the last candidate for each office, or below the title of the office if no candidate has filed for that office, so that a voter may write in the names of individuals whose names are not on the ballot. One blank line shall be printed for each officer of that kind to be elected. At a primary election, no blank lines shall be provided for writing in the names of individuals whose names do not appear on the primary ballot.

On the left side of the ballot at the same level with the name of each candidate and each blank line shall be printed an oval or similar target shape in which the voter may designate a vote by filling in the oval or similar mark if a different target shape is used. Each oval or target shape shall be the same size. Above the first name on each ballot shall be instructions for voting. Directly underneath the official title of each office shall be printed the words "Vote for one" or "Vote for up to ..." (any greater number to be elected).

Sec. 29. [204B.50] RANKED-CHOICE VOTING; PROHIBITION.

(a) The following political subdivisions may not adopt or enforce in any manner a rule, resolution, charter provision, or ordinance establishing ranked-choice voting as a method of voting, or any voting method similar to ranked-choice voting, for local offices within the political subdivision:

(1) home rule charter or statutory cities;

(2) counties;
(3) townships; and  
(4) school districts.

(b) For purposes of this section, "ranked-choice voting" means any election method in  
which a voter ranks or assigns a numerical value to candidates for an office in order of the  
voter's preference.

(c) Any rule, resolution, charter provision, or ordinance inconsistent with this section is  
void.

**EFFECTIVE DATE.** This section is effective the day following final enactment and  
applies to elections on or after that date.

Sec. 30. Minnesota Statutes 2020, section 204C.05, subdivision 1a, is amended to read:  

Subd. 1a. **Elections; organized town.** The governing body of a town with less than 500  
inhabitants according to the most recent federal decennial census, which is located outside  
the metropolitan area as defined in section 200.02, subdivision 24, may fix a later time for  
voting to begin at state primary, special, or general elections, if approved by a vote of the  
town electors at the annual town meeting. The question of shorter voting hours must be  
included in the notice of the annual town meeting before the question may be submitted to  
the electors at the meeting. The later time may not be later than 10:00 a.m. for special,  
primary, or general elections. The town clerk shall either post or publish notice of the  
changed hours and notify the county auditor and the secretary of state of the change 30 days  
before the election.

Sec. 31. Minnesota Statutes 2020, section 204C.05, subdivision 1b, is amended to read:  

Subd. 1b. **Elections; unorganized territory.** An unorganized territory or unorganized  
territories which constitute a voting district may have shorter voting hours if at least 20  
percent of the registered voters residing in the voting district sign a petition for shorter hours  
and present it to the county auditor and secretary of state at least 30 days before the election.  
The later time may not be later than 10:00 a.m. for special, primary, or general elections.  
The county auditor shall either post or publish notice of the changed hours, within the voting  
district, 30 days before the election.
Sec. 32. Minnesota Statutes 2020, section 204C.10, is amended to read:

204C.10 POLLING PLACE ROSTER; VOTER SIGNATURE CERTIFICATE; VOTER RECEIPT.

(a) An individual seeking to vote shall sign a polling place roster or voter signature certificate which states that the individual is at least 18 years of age, a citizen of the United States, has resided in Minnesota for 20 days immediately preceding the election, maintains residence at the address shown, is not under a guardianship in which the court order revokes the individual's right to vote, has not been found by a court of law to be legally incompetent to vote or has the right to vote because, if the individual was convicted of a felony, the felony sentence has expired or been completed or the individual has been discharged from the sentence, is registered and has not already voted in the election. The roster must also state: "I understand that deliberately providing false information is a felony punishable by not more than five years imprisonment and a fine of not more than $10,000, or both."

(b) At the presidential nomination primary, the polling place roster must also state: "I am in general agreement with the principles of the party for whose candidate I intend to vote." This statement must appear separately from the statements required in paragraph (a). The felony penalty provided for in paragraph (a) does not apply to this paragraph.

(c) A judge may, before the applicant signs the roster or voter signature certificate, an election judge must confirm the applicant's name, address, and date of birth. If the voter's registration status is challenged, the voter must not be allowed to sign the polling place roster or a voter signature certificate, but must be allowed to cast an administrative challenged ballot or a verification challenged ballot pursuant to section 204C.136. A voter must be allowed to cast an administrative challenged ballot if the basis of the challenge is:

(1) based on a death reported by the commissioner of health;
(2) a name change recorded with a court in state;
(3) a Minnesota court order revoking the person's right to vote or where the court has found the person to be legally incompetent to vote;
(4) a felony conviction; or
(5) a temporary lawful status in the county based on a person's driver's license status.

A voter must be allowed to cast a verification challenged ballot if the challenge is for any other reason.
(d) After the applicant signs the roster or voter signature certificate, the judge shall give the applicant a voter's receipt. The voter shall deliver the voter's receipt to the judge in charge of ballots as proof of the voter's right to vote, and thereupon the judge shall hand to the voter the ballot. The voters' receipts must be maintained during the time for notice of filing an election contest.

(e) Whenever a challenged status appears on the polling place roster, if a voter has a challenged status in the statewide voter registration system at the time the roster was prepared, the voter's challenged status must be indicated on the roster. The roster must also include the basis for the challenge. An election judge must ensure that the challenge is concealed or hidden from the view of any voter other than the voter whose status is challenged.

**EFFECTIVE DATE.** This section is effective January 1, 2022, and applies to elections on or after that date.

Sec. 33. Minnesota Statutes 2020, section 204C.12, subdivision 2, is amended to read:

Subd. 2. **Statement of grounds; oath.** A challenger must be a resident of this state. The secretary of state shall prepare a form that challengers must complete and sign when making a challenge. The form must include space to state the ground for the challenge, a statement that the challenge is based on the challenger's personal knowledge, and a statement that the challenge is made under oath. The form must include a space for the challenger's printed name, signature, telephone number, and address.

An election judge shall administer to the challenged individual the following oath:

"Do you solemnly swear (or affirm) that you will fully and truly answer all questions put to you concerning your eligibility to vote at this election?"

The election judge shall then ask the challenged individual sufficient questions to test that individual's residence and right to vote.

**EFFECTIVE DATE.** This section is effective January 1, 2022, and applies to elections on or after that date.

Sec. 34. **[204C.135] PROVISIONAL BALLOTS.**

Subdivision 1. **Casting provisional ballots.** (a) A voter who registered on election day pursuant to section 201.061, subdivision 3, is entitled to cast a provisional ballot.

(b) A voter seeking to cast a provisional ballot must sign a provisional ballot roster or a provisional voter signature certificate and complete a voter registration application. The
voter registration application may be completed by an electronic roster and affixed to the
provisional ballot envelope. The voter must also swear or affirm in writing that the voter is
eligible to vote, has not voted previously in the same election, and meets the criteria for
registering to vote in the precinct in which the voter appears.

(c) Once the voter has completed the provisional ballot envelope, the voter must be
allowed to cast a provisional ballot. The provisional ballot must be in the same form as the
official ballot available in the precinct on election day. A completed provisional ballot shall
be sealed in a secrecy envelope. The secrecy envelope shall be sealed inside the voter's
provisional ballot envelope and deposited by the voter in a secure, sealed provisional ballot
box. Completed provisional ballots must not be combined with other voted ballots in the
polling place.

(d) The secretary of state must prescribe the form of the secrecy and provisional ballot
envelopes. The provisional ballot envelope must be a color other than that provided for
absentee ballot envelopes or challenged ballot envelopes and must be prominently labeled
"Provisional Ballot Envelope."

(e) Provisional ballots and related documentation shall be delivered to and securely
maintained by the county auditor or municipal clerk in the same manner as required for
other election materials under sections 204C.27 and 204C.28.

Subd. 2. Accepting or rejecting provisional ballot envelopes. (a) Within seven days
after the election, two or more election judges that are affiliated with different major political
parties must process each applicant's registration application as provided by section 201.121,
subdivisions 1 and 2. If more than two election judges are processing registration applications,
the party balance requirements of section 204B.19, subdivision 5, apply. All election judges
processing voter registration applications must have a major political party affiliation. If
the applicant is registered to vote, then the election judges must determine if the voter's
status is challenged in the statewide voter registration system. If the voter's status is
challenged, the provisional ballot must not be accepted but must be processed as a challenged
ballot as provided in section 204C.136, subdivision 2. If the ballot will be treated as a
verification challenged ballot, the election judges must attempt to contact the voter to inform
the voter they must appear in-person to prove their eligibility to vote before their ballot will
be counted. If the applicant is registered to vote and the voter's status is not challenged in
the statewide voter registration system, that voter's provisional ballot envelope must be
accepted. The election judges must mark the provisional ballot envelope "Accepted" and
initial or sign the envelope below the word "Accepted." If the applicant is not registered to
vote, the provisional ballot envelope must be rejected. If a provisional ballot envelope is
rejected, the election judges must mark the provisional ballot envelope "Rejected," initial or sign it below the word "Rejected," and list the reason for rejection on the envelope. The election judges must promptly record in the statewide voter registration system that a voter's provisional ballot envelope has been accepted or rejected.

(b) The county auditor or municipal clerk must mail the voter a written notice of provisional ballot rejection between six and ten weeks following the election. The notice must include the reason for rejection and the name of the appropriate election official to whom the voter may direct further questions, along with appropriate contact information.

c) A provisional ballot envelope marked "Rejected" may not be opened or subject to further review except in an election contest filed pursuant to chapter 209.

Subd. 3. Provisional ballots; reconciliation. On the seventh day after the election and prior to counting any provisional ballots in the final vote totals from a precinct, the two or more election judges that are affiliated with different major political parties must verify that the number of signatures appearing on the provisional ballot roster from that precinct is equal to or greater than the number of provisional ballots submitted by voters in the precinct on election day. If more than two election judges are reconciling ballots, the party balance requirements of section 204B.19, subdivision 5, apply. All election judges must have a major political party affiliation. Any discrepancy must be resolved before the provisional ballots from the precinct may be counted. Excess provisional ballots must be randomly withdrawn from the accepted provisional ballots in the manner required by section 204C.20, subdivision 2.

Subd. 4. Counting provisional ballots. Once the reconciliation process required by subdivision 3 is completed, accepted provisional ballot envelopes must be opened; duplicated as needed in the manner provided in section 206.86, subdivision 5; initialed by the election judges; and deposited in the appropriate ballot box. If more than one ballot is enclosed in the ballot envelope, the ballots must be spoiled and must not be counted.

EFFECTIVE DATE. This section is effective January 1, 2022, and applies to elections on or after that date.

Sec. 35. [204C.136] CHALLENGED BALLOTS.

Subdivision 1. Casting challenged ballots. (a) A voter whose registration status is challenged is entitled to cast a challenged ballot. A voter must be allowed to cast an administrative challenged ballot if the basis of the challenge is:

(1) based on a death reported by the commissioner of health;
(2) a name change recorded with a court in state;
(3) a Minnesota court order revoking the person's right to vote or where the court has
found the person to be legally incompetent to vote;
(4) a felony conviction; or
(5) a temporary lawful status in the county based on a person's driver's license status.

A voter must be allowed to cast a verification challenged ballot if the challenge is for any
other reason. For purposes of this section, both types of challenged ballots are handled the
in the same manner except where otherwise specified.

(b) A voter seeking to cast a challenged ballot must sign a challenged ballot roster or a
challenged voter signature certificate and complete a challenged ballot envelope. The roster
must indicate whether the voter is provided with an administrative challenged ballot or a
verification challenged ballot. The envelope must contain a space for the voter to list the
voter's name, address of residence, date of birth, voter identification number, and any other
information prescribed by the secretary of state. The voter must also swear or affirm, in
writing, that the voter is eligible to vote, has not voted previously in the same election, and
meets the criteria for registering to vote in the precinct in which the voter appears.

(c) Once the voter has completed the challenged ballot envelope, the voter must be
allowed to cast a challenged ballot. The challenged ballot must be in the same form as the
official ballot available in the precinct on election day. A completed challenged ballot shall
be sealed in a secrecy envelope. The secrecy envelope shall be sealed inside the voter's
challenged ballot envelope and deposited by the voter in a secure, sealed challenged ballot
box. There must be separate ballot boxes for administrative challenged ballot envelopes
and verification challenged ballot envelopes. Completed challenged ballots may not be
combined with other voted ballots in the polling place.

(d) The form of the secrecy and challenged ballot envelopes shall be prescribed by the
secretary of state. The administrative challenged ballot envelopes and verification challenged
ballot envelopes must be different colors and must be a color other than that provided for
absentee ballot envelopes or provisional ballot envelopes and must be prominently labeled
"Administrative Challenged Ballot Envelope" or "Verification Challenged Envelope."

(e) Challenged ballots and related documentation shall be delivered to and securely
maintained by the county auditor or municipal clerk in the same manner as required for
other election materials under sections 204C.27 and 204C.28.
Subd. 2. Accepting or rejecting challenged ballot envelopes. (a) This paragraph applies
to accepting or rejecting administrative challenged ballot envelopes. Before the meeting of
the canvassing board, the two or more election judges that are affiliated with different major
political parties must accept or reject each challenged ballot. If more than two election
judges are processing registration applications, the party balance requirements of section
204B.19, subdivision 5, apply. All election judges processing voter registration applications
must have a major political party affiliation. The election judges must review the information
in the statewide voter registration system, required by section 201.145, subdivision 1,
paragraph (b), for the date of the election. If the information shows that the voter was not
challenged, or should not have been challenged on that date and was otherwise eligible to
vote, that voter's challenged ballot must be accepted. The election judges must mark the
challenged ballot envelope "Accepted" and initial or sign the envelope below the word
"Accepted." If a challenged ballot envelope is not accepted, the election judges must mark
the challenged ballot envelope "Rejected," initial or sign it below the word "Rejected," and
list the reason for the rejection on the envelope. The election judges must promptly record
in the statewide voter registration system that a voter's challenged ballot has been accepted
or rejected.

(b) This paragraph applies to accepting or rejecting verification challenged ballot
envelopes. A voter who casts a verification challenged ballot may personally appear at the
office of the county auditor or municipal clerk no later than seven calendar days following
the election to prove that the voter's challenged ballot should be counted. The county auditor's
office and the city clerk's office must be open for approving verification challenged ballots
on the Saturday following the election for the hours prescribed in section 203B.085. The
voter must provide proof of eligibility to vote in the precinct where the voter cast the
verification challenged ballot. Two or more election judges that are affiliated with different
major political parties must review the voter's proof of eligibility. If more than two election
judges are reviewing eligibility, the party balance requirements of section 204B.19,
subdivision 5, apply. All election judges processing voter registration applications must
have a major political party affiliation. The election judges must accept a challenged ballot
if the voter is able to provide satisfactory proof of the voter's eligibility. The election judges
must mark the challenged ballot envelope "Accepted" and initial or sign the envelope below
the word "Accepted." If a challenged ballot envelope is not accepted, the election judges
must mark the challenged ballot envelope "Rejected," initial or sign it below the word
"Rejected," and list the reason for the rejection on the envelope. The election judges must
promptly record in the statewide voter registration system that a voter's challenged ballot
has been accepted or rejected.
(c) The county auditor or municipal clerk must mail the voter a written notice of challenged ballot rejection between six and ten weeks following the election. The notice must include the reason for rejection and the name of the appropriate election official to whom the voter may direct further questions, along with appropriate contact information.

(d) A challenged ballot envelope marked "Rejected" may not be opened or subject to further review except in an election contest filed pursuant to chapter 209.

Subd. 3. Challenged ballots; reconciliation. Prior to counting any challenged ballots in the final vote totals from a precinct, the two or more election judges that are affiliated with different major political parties must verify that the number of signatures appearing on the challenged ballot roster from that precinct is equal to or greater than the number of challenged ballots submitted by voters in the precinct on election day. If more than two election judges are reconciling ballots, the party balance requirements of section 204B.19, subdivision 5, apply. All election judges must have a major political party affiliation. Any discrepancy must be resolved before the challenged ballots from the precinct may be counted. Excess challenged ballots to be counted must be randomly withdrawn in the manner required by section 204C.20, subdivision 2.

Subd. 4. Counting challenged ballots. Accepted challenged ballot envelopes must be opened, duplicated as needed in the manner provided in section 206.86, subdivision 5, initialed by the election judges, and deposited in the appropriate ballot box. If more than one ballot is enclosed in the ballot envelope, the ballots must be spoiled and must not be counted.

EFFECTIVE DATE. This section is effective January 1, 2022, and applies to elections on or after that date.

Sec. 36. [204C.137] PROVISIONAL AND CHALLENGED BALLOTS; PUBLIC INFORMATION LISTS.

On the eighth day after the election, the following information must be made available for public inspection:

(1) the names of all voters who cast provisional ballots;

(2) the names of all voters whose provisional ballots were rejected;

(3) the names of all voters who cast challenged ballots and whether the ballot was an administrative challenged ballot or a verification challenged ballot; and

(4) the names of all voters whose challenged ballots were rejected.
This information must be available to the public in the same manner as public information lists in section 201.091, subdivisions 4, 5, and 9.

Sec. 37. Minnesota Statutes 2020, section 204C.21, subdivision 1, is amended to read:

Subdivision 1. Method. The election judges shall take all the ballots of the same kind and count the votes cast for each office or question, beginning with the first office or question on the ballot. They shall make one pile of the ballots for each candidate who received votes for that office, or one pile for the "Yes" votes and one pile for the "No" votes on a question.

They shall make a pile of totally defective ballots and a pile of totally blank ballots. They shall make a pile of ballots that are not totally defective but are defective with respect to the office or question being counted and a pile of ballots that are not totally blank but are blank with respect to the office or question being counted. After the separation into piles, the election judges shall examine each pile and remove and place in the proper pile any ballots that are found in the wrong pile. The election judges shall count the totally blank and totally defective ballots and set them aside until the counting is over for that ballot. In conducting the count of blank ballots, election judges may presume that the total count provided for sealed prepackaged ballots is correct. The election judges may pile ballots crosswise in groups of 25 in the same pile to facilitate counting. When their counts agree, the election judges shall announce the number of ballots in each pile, and shall write the number in the proper place on the summary statements.

The election judges shall then return all the counted ballots, and all the partially defective or partially blank ballots, to the original pile to be separated and counted in the same manner for the next office or question.

Sec. 38. Minnesota Statutes 2020, section 204C.24, is amended by adding a subdivision to read:

Subd. 3. Copy to candidates. Upon request of a candidate or a candidate's representative, an election judge must provide a copy of the summary statement or printed tape results to the candidate or representative.

Sec. 39. Minnesota Statutes 2020, section 204C.27, is amended to read:

204C.27 DELIVERY OF RETURNS TO COUNTY AUDITORS.

One or more of the election judges in each precinct shall deliver two sets one set of summary statements; all spoiled ballots; and the envelopes containing the ballots either directly to the municipal clerk for transmittal to the county auditor's office or directly to the
county auditor’s office as soon as possible after the vote counting is completed but no later
than 24 hours after the end of the hours for voting. One or more election judges shall deliver
the remaining set of summary statements and returns, all unused and spoiled municipal and
school district ballots, the envelopes containing municipal and school district ballots, and
all other things furnished by the municipal or school district clerk, to the municipal or school
district clerk's office within 24 hours after the end of the hours for voting. The municipal
or school district clerk shall return all polling place rosters and completed voter registration
cards to the county auditor within 48 hours after the end of the hours for voting.

Sec. 40. Minnesota Statutes 2020, section 204C.32, is amended to read:

204C.32 CANVASS OF STATE PRIMARIES.

Subdivision 1. County canvass. The county canvassing board shall meet at the county
auditor's office on either the second or third (or the tenth) day following the state primary. After
taking the oath of office, the canvassing board shall publicly canvass the election returns
delivered to the county auditor. The board shall complete the canvass by the third (or the tenth) day
following the state primary and shall promptly prepare and file with the county auditor a
report that states:

(a) the number of individuals voting at the election in the county, and in each precinct;

(b) the number of individuals registering to vote on election day and the number of
individuals registered before election day in each precinct;

(c) for each major political party, the names of the candidates running for each partisan
office and the number of votes received by each candidate in the county and in each precinct;

(d) the names of the candidates of each major political party who are nominated; and

The result of write-in votes cast on the general election ballots must be compiled by the county auditor before the county canvass, except that write-in votes for a candidate for federal, state, or county office must not be counted unless the candidate has timely filed a request under section 204B.09, subdivision 3. The county auditor shall arrange for each municipality to provide an adequate number of election judges to perform this duty or the county auditor may appoint additional election judges for this purpose. The county auditor may open the envelopes or containers in which the voted ballots have been sealed in order to count and record the write-in votes and must reseal the voted ballots at the conclusion of this process. (b) A losing candidate for nomination or election to a county, municipal, or school district office may request a recount of the votes cast for nomination or election to that office if the difference between the votes cast for that candidate and for a winning candidate for nomination or election is less than one-half of one percent, and the total number of votes cast for the nomination or election of all candidates is more than 400 but less than 50,000. In cases of offices where two or more seats are being filled from among all the candidates for the office, the one-half of one percent difference is between the elected candidate with the fewest votes and the candidate with the most votes from among the candidates who were not elected.

(c) A losing candidate for nomination or election to a county, municipal, or school district office may request a recount of the votes cast for nomination or election to that office if the difference between the vote cast for that candidate and for a winning candidate for nomination or election is ten votes or less, and the total number of votes cast for the nomination or election of all candidates is no more than 400. In cases of offices where two or more seats are being filled from among all the candidates for the office, the ten vote difference is between the elected candidate with the fewest votes and the candidate with the most votes from among the candidates who were not elected.
(d) Candidates for county offices shall file a written request for the recount with the county auditor. Candidates for municipal or school district offices shall file a written request with the municipal or school district clerk as appropriate. Sec. 54. Minnesota Statutes 2020, section 206.805, subdivision 1, is amended to read:

Subdivision 1. Contracts required. (a) The secretary of state, with the assistance of the
commissioner of administration, must establish one or more state voting systems contracts.
The contracts should, if practical, include provisions for maintenance of the equipment
purchased. The voting systems contracts must address precinct-based optical scan voting
equipment, assistive voting technology, automatic tabulating equipment, and electronic
roster equipment. The contracts must give the state a perpetual license to use and modify
the software. The contracts must include provisions to escrow the software source code
provided in subdivision 2. Bids for voting systems and related election services must be
solicited from each vendor selling or leasing voting systems that have been certified for use
by the secretary of state. Bids for electronic roster equipment, software, and related services
must be solicited from each vendor selling or leasing electronic roster equipment that meets
the requirements of section 201.225, subdivision 2. The contracts must be renewed from
time to time.

(b) Counties and municipalities may purchase or lease voting systems and obtain related
election services from the state contracts. All counties and municipalities are members of
the cooperative purchasing venture of the Department of Administration for the purpose of
this section. For the purpose of township elections, counties must aggregate orders under
contracts negotiated under this section for products and services and may apportion the
130.1 costs of those products and services proportionally among the townships receiving the
130.2 products and services. The county is not liable for the timely or accurate delivery of those
130.3 products or services.

130.4 Sec. 55. Minnesota Statutes 2020, section 206.89, subdivision 4, is amended to read:

130.5 Subd. 4. Standard of acceptable performance by voting system. A comparison of the
130.6 results compiled by the voting system with the postelection review described in this section
130.7 must show that the results of the electronic voting system differed by no more than one-half
130.8 of one percent from the manual count of the offices reviewed by no more than two votes in
130.9 a precinct where fewer than 1,200 voters cast ballots, three votes in a precinct where between
130.10 1,200 and 1,599 voters cast ballots, four votes in a precinct where between 1,600 and 1,999
130.11 voters cast ballots, or five votes in a precinct where 2,000 or more voters cast ballots. Valid
130.12 votes that have been marked by the voter outside the vote targets or using a manual marking
130.13 device that cannot be read by the voting system must not be included in making the
130.14 determination whether the voting system has met the standard of acceptable performance
130.15 for any precinct.

130.16 Sec. 56. Minnesota Statutes 2020, section 206.89, subdivision 5, is amended to read:

130.17 Subd. 5. Additional review. (a) If the postelection review in one of the reviewed precincts
130.18 reveals a difference greater than one-half of one percent, or greater than two votes in a
130.19 precinct where 400 or fewer voters cast ballots the thresholds specified in subdivision 4,
130.20 the postelection review official must, within two days, conduct an additional review of the
130.21 races indicated in subdivision 3 in at least three precincts in the same jurisdiction where the
130.22 discrepancy was discovered. If all precincts in that jurisdiction have been reviewed, the
130.23 county auditor must immediately publicly select by lot at least three additional precincts
130.24 for review. The postelection review official must complete the additional review within two
130.25 days after the precincts are selected and report the results immediately to the county auditor.
130.26 If the second review in any of the reviewed precincts also indicates a difference in the vote
130.27 totals compiled by the voting system that is greater than one-half of one percent from the
130.28 result indicated by the postelection review, or greater than two votes in a precinct where
130.29 400 or fewer voters cast ballots the thresholds specified in subdivision 4, the county auditor
130.30 must conduct a review of the ballots from all the remaining precincts in the county for the
130.31 races indicated in subdivision 3. This review must be completed and the results must be
130.32 reported to the secretary of state within one week after the second review was completed.
If the results from the countywide reviews from one or more counties comprising in the aggregate more than ten percent of the total number of persons voting in the election clearly indicate that an error in vote counting has occurred, the secretary of state must notify the postelection review official of each county in the district that they must conduct manual recounts of all the ballots in the district for the affected office using the procedure outlined in section 204C.35. The recount must be completed and the results reported to the appropriate canvassing board within two weeks after the postelection review official received notice from the secretary of state.

Sec. 57. Minnesota Statutes 2020, section 206.90, subdivision 6, is amended to read:

Subd. 6. Ballots. In precincts using optical scan voting systems, a single ballot card on which all ballot information is included must be printed in black ink on white colored material except that marks not to be read by the automatic tabulating equipment may be printed in another color ink. In state elections, a single ballot title must be used, as provided in sections 204D.08, subdivision 6, and 204D.11, subdivision 1. In odd-numbered years when both municipal and school district offices or questions appear on the ballot, the single ballot title "City (or Town) and School District Ballot" must be used.

On the front of the ballot must be printed the words "Official Ballot" and the date of the election and lines for the initials of at least two election judges.

When optical scan ballots are used, the offices to be elected must appear in the following order: federal offices; state legislative offices; constitutional offices; proposed constitutional amendments; county offices and questions; municipal offices and questions; school district offices and questions; special district offices and questions; and judicial offices.

On optical scan ballots, the names of candidates and the words "yes" and "no" for ballot questions must be printed as close to their corresponding vote targets as possible.

The line on an optical scan ballot for write-in votes must contain the words "write-in, if any."

If a primary ballot contains both a partisan ballot and a nonpartisan ballot, the instructions to voters must include a statement that reads substantially as follows: "This ballot card contains a partisan ballot and a nonpartisan ballot. On the partisan ballot you are permitted to vote for candidates of one political party only." If a primary ballot contains political party columns on both sides of the ballot, the instructions to voters must include a statement that reads substantially as follows: "Additional political parties are printed on the other side of this ballot. Vote for one political party only." At the bottom of each political party column.
on the primary ballot, the ballot must contain a statement that reads substantially as follows:

"Continue voting on the nonpartisan ballot." The instructions in section 204D.08, subdivision 4, do not apply to optical scan partisan primary ballots. Electronic ballot displays and audio ballot readers must follow the order of offices and questions on the optical scan or paper ballot used in the same precinct, or the sample ballot posted for that precinct.

Sec. 58. [206.93] AUDIT LOGS.

(a) For purposes of this section, "audit log" means recorded information that allows a person to see each action of the equipment, including transmitting data in any manner, in a way that allows the person to verify or reconstruct the steps followed without compromising the ballot or voter secrecy.

(b) Each ballot tabulator used in the state must maintain an audit log. A full copy of each tabulator's audit log must be printed after the tabulation of election results on election night. The printed copy of the log must be retained in the county auditor or municipal clerk's office as provided in section 204B.40.

(c) Within 30 days of the state general election, the county auditor or municipal clerk must provide to the secretary of state copies of the audit log from each tabulator used in the state primary or the state general election. The secretary of state must compile the audit logs and transmit them to the legislature by January 1 of each odd-numbered year.

Sec. 59. Minnesota Statutes 2020, section 207A.13, is amended to read:

207A.13 FORM OF BALLOTS; CANDIDATES ON BALLOT.

Subdivision 1. Form. (a) Except as provided by law, presidential nomination primary ballots shall be printed in the same manner as state primary ballots as far as practicable. A sufficient number of each ballot shall be printed for each precinct and ward in the state.

(b) There must be separate ballots for the names of the candidates of each participating political party. Each ballot must be headed by the words "Presidential Nomination Primary Ballot." The heading must also indicate the party that appears on the ballot.

(c) If requested by a party chair, the ballot for that participating party must contain a place for a voter to indicate a preference for having delegates to the party's national convention remain uncommitted. If requested by a party chair, the ballot for that participating party must contain a blank line printed below the other choices on the ballot so that a voter may write in the name of a person who is not listed on the ballot. A request under this
paragraph must be submitted to the secretary of state no later than 63 days before the presidential nomination primary.

Subd. 2. Candidates on the ballot. (a) Each party participating in the presidential nomination primary must determine which candidates are to be placed on the presidential nomination primary ballot for that party. The chair of each participating party must submit to the secretary of state the names of the candidates to appear on the ballot for that party no later than 63 days before the presidential nomination primary. Once submitted, changes must not be made to the candidates that will appear on the ballot.

(b) No later than the seventh day before the presidential nomination primary, the chair of each participating party must submit to the secretary of state the names of write-in candidates, if any, to be counted for that party.

Sec. 60. Minnesota Statutes 2020, section 207A.14, subdivision 3, is amended to read:

Subd. 3. Notice of primary to public. At least 15 days before the date of the presidential nomination primary, each municipal clerk shall post a public notice stating the date of the presidential nomination primary, the location of each polling place in the municipality, the hours during which the polling places in the municipality will be open, and information about the requirements of section 207A.12, paragraph (b), including a notice that the voter’s choice of a political party’s ballot will be recorded and is public information. The county auditor shall post a similar notice in the auditor’s office with information for any polling places in unorganized territory in the county. The governing body of a municipality or county may publish the notice in addition to posting it. Failure to give notice does not invalidate the election.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 61. Minnesota Statutes 2020, section 208.03, is amended to read:

208.03 NOMINATION OF PRESIDENTIAL ELECTORS AND ALTERNATES.

At least 71 days before the general election day the chair of the major political party shall certify to the secretary of state the names of the persons nominated as presidential electors, the names of persons nominated as alternate presidential electors, and
the names of the party candidates for president and vice president. For each person nominated as an elector or alternate elector, the chair shall indicate whether the person is nominated as an at-large elector or is nominated to represent a congressional district. If the person is nominated to represent a congressional district, the chair must indicate the congressional district number for each nominee. The chair shall also certify that the party candidates for president and vice president have no affidavit on file as a candidate for any office in this state at the ensuing general election.

Sec. 62. Minnesota Statutes 2020, section 208.05, is amended to read:

208.05 STATE CANVASSING BOARD.

The State Canvassing Board at its meeting on the date provided in section 204C.33 shall open and canvass the returns made to the secretary of state for presidential electors and alternates, prepare a statement of the number of votes cast for the persons receiving votes for these offices statewide and within each congressional district, and declare the person or persons receiving the highest number of votes for each office duly elected, as follows:

(1) the statewide vote totals must be used to determine the persons elected to serve as electors under the at-large designation; and

(2) the vote totals within each congressional district must be used to determine the person elected to serve as an elector representing that district.

When it appears that more than the number of persons to be elected as presidential electors or alternates have the highest and an equal number of votes, the secretary of state, in the presence of the board shall decide by lot which of the persons shall be declared elected. The governor shall transmit to each person declared elected a certificate of election, signed by the governor, sealed with the state seal, and countersigned by the secretary of state.

Sec. 63. Minnesota Statutes 2020, section 367.25, subdivision 1, is amended to read:

Sec. 64. Minnesota Statutes 2020, section 412.02, subdivision 2a, is amended to read:

In case of a tie vote in the council, the mayor shall make the appointment. If the vacancy occurs before the first day to file affidavits of candidacy for the next regular city election and more than two years remain in the unexpired term, a special election shall be held at or before the next regular city election and the appointed person shall serve until the qualification of a successor elected at a special election to fill the unexpired portion of the term. If the vacancy occurs on or after the first day to file affidavits of candidacy for the regular city election or when less than two years remain in the unexpired term, there need not be a special election to fill the vacancy and the appointed person shall serve until the qualification of a successor. The council must specify by ordinance under what circumstances it will hold a special election to fill a vacancy other than a special election held at the same time as the regular city election.

All of the provisions of the Minnesota Election Law are applicable to special elections as far as practicable.

Sec. 65. AUDIT OF ELECTION EQUIPMENT.

(a) For purposes of this section, "election equipment means" electronic poll books, tabulating equipment, electronic voting systems, and assistive voting technology.

(b) The legislative auditor must conduct an audit of election equipment and related software as described in this section. The auditor must complete the audit by February 1, 2022. The auditor may contract with a vendor to complete any or all of the requirements of this section. At a minimum, the audit must include eight cities or counties in the metropolitan area, as defined by Minnesota Statutes, section 473.121, subdivision 2, and eight cities or counties outside of the metropolitan area. To the extent possible, the auditor must select cities and counties so as to examine at least one of each model of tabulator used in the state and at least one of each model of assistive voting equipment used in the state.

(c) The auditor must review all elections policies, procedures, and practices, for:

(1) selecting and procuring election equipment and related software; and

(2) for updating or maintaining election equipment and related software.

The auditor must determine whether the policies, procedures, and practices are consistent with state law.
(d) The auditor must examine election equipment and related software that was used in the 2020 general election. At a minimum, the auditor must:

1. specify the brand, model, and year of manufacture for each piece of election equipment;
2. specify the brand and version of each type of software used;
3. determine whether any software updates or other changes were made to the equipment after completion of the testing required by Minnesota Statutes, section 206.83, and if so, the purpose of the updates or changes;
4. whether the equipment is capable of connecting to the internet or is otherwise capable of transmitting data;
5. review the incident logs from each polling place to identify incidents related to equipment or software and determine the cause of the incident and how it was resolved; and
6. review the source code to determine whether the code functioned as represented by the vendor and that the code was free from defects.

Upon request, the secretary of state must provide a copy of the source code to the auditor.

(e) For each piece of equipment that is capable of connecting to the internet or otherwise capable of transmitting data, the auditor must:

1. determine the manner of connecting to the internet and any security or encryption measures in place; and
2. review any audit log or other similar data to determine each time the equipment was connected to the internet since September 18, 2020, and if possible, determine the purpose of the connection.

(f) The auditor must examine each ballot tabulator or central count machine or the related software to determine the accuracy of the machine. For the 2020 general election results, the auditor must also examine whether the tape from the tabulator or machine accurately reflects the ballots counted by the machine.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 66. PUBLIC AWARENESS CAMPAIGN; SECRETARY OF STATE.

The secretary of state must contract with a vendor to conduct a public awareness campaign to encourage people to register to vote prior to election day. At a minimum, the vendor must
conduct the public awareness campaign in each even-numbered year from June 1 until the voter registration period ends prior to the state general election. The secretary of state may consult with the vendor in coordinating material related to the campaign, but the secretary, the secretary's staff, and any other documents or materials promoting the Office of the Secretary of State may not appear visually or audibly in any advertising or promotional items disseminated by the vendor as part of the public awareness campaign.

**EFFECTIVE DATE.** This section is effective January 1, 2022, and applies to elections on or after that date.

Each year in conjunction with this observance, the commissioner of veterans affairs shall coordinate activities that raise awareness of, and promote the prevention of, veteran suicides.

Sec. 2. Minnesota Statutes 2020, section 15.057, is amended to read:

No state department, bureau, or division, whether the same operates on funds appropriated or receipts or fees of any nature whatsoever, except the Department of Veterans Affairs, the Department of Transportation, the Department of Employment and Economic Development, the Game and Fish Division, State Agricultural Society, and Explore Minnesota Tourism shall use any of such funds for the payment of the salary or expenses of a publicity representative. The head of any such department, bureau, or division shall be personally...
liable for funds used contrary to this provision. This section shall not be construed, however,
as preventing any such department, bureau, or division from sending out any bulletins or
other publicity required by any state law or necessary for the satisfactory conduct of the
business for which such department, bureau, or division was created.

Sec. 3. [16B.276] CAPITOL FLAG PROGRAM.

Subdivision 1. Definitions. (a) The terms used in this section have the meanings given
them.

(b) "Active service" has the meaning given in section 190.05, subdivision 5.

(c) "Eligible family member" means a surviving spouse, parent or legal guardian, child,
or sibling of (1) a public safety officer killed in the line of duty, or (2) a person who has
died while serving honorably in active service in the United States armed forces. For purposes
of this section, an eligibility relationship may be established by birth or adoption.

(d) "Killed in the line of duty" has the meaning given in section 299A.41, subdivision
3.

(e) "Public safety officer" has the meaning given in section 299A.41, subdivision 4.

program is to make a Minnesota state flag and an American flag that were flown over the
Minnesota State Capitol available to the family members of a public safety officer killed
in the line of duty or a member of the United States armed forces who died while in active
service. In addition to appropriations provided by law, the commissioner of management
and budget may receive gifts to support the program as authorized in sections 16A.013 to
16A.016. The program established by this section is required only to the extent that sufficient
funds are available through appropriations or gifts to support its operations.

Subd. 3. Submission of request; presentation. (a) A flag request may only be made
by a legislator or state constitutional officer on behalf of an eligible family member after
verification of the family member's eligibility under the procedures adopted under subdivision
4. The request must be made to the commissioner of administration, and must indicate the
type of flag requested, a certification that the family member's eligibility has been verified,
special requests for the date the flag is requested to be flown over the Capitol, and the
method of presentation. The commissioner may adopt a form to be used for this purpose.
With at least 30 days' notice, the commissioner must honor a request that a flag be flown
on a specific commemorative date.
(b) Upon receipt of a request, the commissioner shall deliver the requested flags to the requesting legislator or constitutional officer for coordination of a later presentment ceremony. If relevant information is made available, the commissioner shall provide a certificate memorializing the details of the occasion and the date the flag was flown with each flag presented.

Subd. 4. Verification of eligibility. The house of representatives, the senate, and each constitutional officer must adopt procedures for the administration of flag requests received from eligible family members, including a procedure for verification of a family member's eligibility to receive a flag.

Subd. 5. Eligibility; fees. (a) For deaths that occur on or after August 1, 2021, the family of a public safety officer killed in the line of duty or service member of the United States armed forces who died in active service is entitled to receive one United States flag and one Minnesota state flag free of charge under this section. If multiple flags of the same type are requested to be flown in honor of the same decedent, the commissioner may charge a reasonable fee that does not exceed the actual cost of flying each flag and preparing a certificate memorializing the occasion.

(b) For deaths that occurred before August 1, 2021, the family of a public safety officer killed in the line of duty or service member of the United States armed forces who died in active service may receive a Minnesota state flag and a United States flag for a fee, unless there are donated, nonstate funds available to provide a flag without a fee. If payment of a fee is required under this paragraph, the commissioner may charge an eligible family an amount that does not exceed the actual cost of flying each flag and preparing a certificate memorializing the occasion.

EFFECTIVE DATE. This section is effective August 1, 2021.

However, the adjutant general may not be promoted to the rank of major general without having at least 20 years service in the Minnesota National Guard, at least one of which has been in the rank of brigadier general. At the time of appointment and in accordance with the authorities governing federal recognition of officers, the adjutant general is authorized to wear the rank of major general.

Subd. 3. **Term.** The term of the adjutant general is for a single term of seven years from the date of appointment. Section 15.06, subdivisions 3, 4, and 5, governs filling of vacancies in the Office of Adjutant General. Subd. 4. **Vacancy; acting or temporary adjutant general.** In the event of a vacancy of the adjutant general, the governor may appoint a person qualified under subdivision 1 as an acting adjutant general. If the governor does not appoint an acting adjutant general, the deputy adjutant general as defined in section 190.09, subdivision 1, shall become temporary adjutant general without further official action. (1) members of the Minnesota Interagency Council on Homelessness; and
(2) Homeless Veteran Registry partners to address a veteran's episode of homelessness or maintain a veteran's housing plan through Department of Veterans Affairs funded programs.

(c) For purposes of this section, "homelessness" means that a veteran lacks a fixed, nighttime residence.

Sec. 6. Minnesota Statutes 2020, section 197.791, subdivision 4, is amended to read:

Subd. 4. Eligibility. (a) A person is eligible for educational assistance under subdivisions subdivision 5 and 5a if:

(1) the person is:

(i) a veteran who is serving or has served honorably in any branch or unit of the United States armed forces at any time;

(ii) a nonveteran who has served honorably for a total of five years or more cumulatively as a member of the Minnesota National Guard or any other active or reserve component of the United States armed forces, and any part of that service occurred on or after September 11, 2001;

(iii) the surviving spouse or child of a person who has served in the military and who has died as a direct result of that military service, only if the surviving spouse or child is eligible to receive federal education benefits under United States Code, title 38, chapter 33, as amended, or United States Code, title 38, chapter 35, as amended; or

(vi) has completed the Free Application for Federal Student Aid (FAFSA).

(b) A person's eligibility terminates when the person becomes eligible for benefits under section 135A.52.

(c) To determine eligibility, the commissioner may require official documentation, including the person's federal form DD-214 or other official military discharge papers; correspondence from the United States Veterans Administration; birth certificate; marriage certificate; proof of enrollment at an eligible institution; signed affidavits; proof of residency; proof of identity; or any other official documentation the commissioner considers necessary to determine eligibility.

(d) The commissioner may deny eligibility or terminate benefits under this section to any person who has not provided sufficient documentation to determine eligibility for the program. An applicant may appeal the commissioner's eligibility determination or termination of benefits in writing to the commissioner at any time. The commissioner must rule on any application or appeal within 30 days of receipt of all documentation that the commissioner requires. The decision of the commissioner regarding an appeal is final. However, an applicant whose appeal of an eligibility determination has been rejected by the commissioner may submit an additional appeal of that determination in writing to the commissioner at any time that the applicant is able to provide substantively significant additional information regarding the applicant's eligibility for the program. An approval of an applicant's eligibility by the commissioner following an appeal by the applicant is not retroactively effective for more than one year or the semester of the person's original application, whichever is later.

(e) Upon receiving an application with insufficient documentation to determine eligibility, the commissioner must notify the applicant within 30 days of receipt of the application that the application is being suspended pending receipt by the commissioner of sufficient documentation from the applicant to determine eligibility.
Sec. 7. Minnesota Statutes 2020, section 197.791, subdivision 5, is amended to read:

The minimum award for undergraduate and graduate students is $50 per term.

Sec. 11. [609.1056] MILITARY VETERAN OFFENDERS RESTORATIVE JUSTICE SENTENCE.

Subdivision 1. Offenses as a result of military service; presentence supervision procedures. (a) Except as provided for in subdivision 2, paragraph (f), in the case of a person charged with a criminal offense that is either Severity Level 7, D7, or lower in the Minnesota Sentencing Guidelines, including misdemeanor or gross misdemeanor offenses, who could otherwise be sentenced to county jail or state prison and who alleges that the offense was committed as a result of sexual trauma, traumatic brain injury, posttraumatic stress disorder, substance abuse, or mental health conditions stemming from service in the United States military, the court shall, prior to entering a plea of guilty, make a determination as to whether the defendant was, or currently is, a member of the United States military and
whether the defendant may be suffering from sexual trauma, traumatic brain injury, posttraumatic stress disorder, substance abuse, or mental health conditions as a result of that person's service. The court may request, through existing resources, an assessment to aid in that determination.

(b) A defendant who requests to be sentenced under this section shall release or authorize access to military service reports and records relating to the alleged conditions stemming from service in the United States military. The records shall be filed as confidential and remain sealed, except as provided for in this paragraph. The defendant, through existing records or licensed professional evaluation, shall establish the diagnosis of the condition and its connection to military service. The court, on the prosecutor's motion with notice to defense counsel, may order the defendant to furnish to the court for in camera review or to the prosecutor copies of all medical and military service reports and records previously or subsequently made concerning the defendant's condition and its connection to service. Based on the record, the court shall make findings on whether, by clear and convincing evidence, the defendant suffers from a diagnosable condition and whether that condition stems from service in the United States military. Within 15 days of the court's findings, either party may file a challenge to the findings and demand a hearing on the defendant's eligibility under this section.

If the court determines that a defendant suffers from a substance abuse disorder, the court shall order a Rule 25 assessment under Minnesota Rules, part 9530.6615, and follow the recommendations contained in the assessment. If the court determines that a defendant suffers from posttraumatic stress disorder, traumatic brain injury, or other mental health conditions, the court shall order a mental health assessment conducted by a licensed mental health professional and follow the recommendations contained in the examiner's report.

(c) If the court concludes that a defendant who entered a plea of guilty to a criminal offense is a person described in this subdivision or the parties stipulate to eligibility, and if the defendant is otherwise eligible for probation, the court shall, upon the defendant entering a plea of guilty, without entering a judgment of guilty and with the consent of the defendant, prosecutor, and victim, defer further proceedings and place the defendant on probation upon such reasonable conditions as it may require and for a period not to exceed the maximum sentence provided for the violation unless extended by the court to complete treatment as per section 609.135, subdivision 2, paragraph (h). If the veteran has previously received a stay of adjudication for a felony offense under this section, the court may in its discretion sentence consistent with this section or deny the use of this section on subsequent felony offenses. If the court denies a stay of adjudication on this basis, the court may sentence
pursuant to the guidelines, application or waiver of statutory mandatory minimums, or a
departure pursuant to subdivision 2, paragraph (d).

(d) Upon violation of a condition of the probation, the court may enter an adjudication
of guilt and proceed as otherwise provided by law, including sentencing pursuant to the
guidelines, application or waiver of statutory mandatory minimums, or a departure pursuant
to subdivision 2, paragraph (d).

(e) As a condition of probation, the court may order the defendant to attend a local, state,
federal, or private nonprofit treatment program for a period not to exceed that period which
the defendant would have served in state prison or county jail, provided the court determines
that an appropriate treatment program exists. Pursuant to section 609.135, subdivision 2,
paragraph (h), the court may extend an offender's probation if the offender has not completed
court-ordered treatment.

(f) The court, in making an order under this section to order a defendant to attend an
established treatment program, shall give preference to a treatment program that has a history
of successfully treating veterans who suffer from sexual trauma, traumatic brain injury,
posttraumatic stress disorder, substance abuse, or mental health conditions as a result of
that service, including but not limited to programs operated by the United States Department
of Defense or Veterans Affairs. If an appropriate treatment provider is not available in the
offender's county of residence or public funding is not available, the Minnesota Department
of Veterans Affairs shall coordinate with the United States Department of Veterans Affairs
to locate an appropriate treatment program and sources to fund the cost of the offender's
participation in the program.

(g) The court and the assigned treatment program shall, when available, collaborate with
the county veterans service officer and the United States Department of Veterans Affairs
to maximize benefits and services provided to the veteran.

(h) If available in the county or judicial district having jurisdiction over the case, the
defendant may be supervised by the veterans treatment court program under subdivision 3.
If there is a veterans treatment court that meets the requirements of subdivision 3 in the
county in which the defendant resides or works, supervision of the defendant may be
transferred to that county or judicial district veterans treatment court program. If the defendant
successfully completes the veterans treatment court program in the supervising jurisdiction,
that jurisdiction shall sentence the defendant under this section. If the defendant is
unsuccessful in the veterans treatment court program, the defendant's supervision shall be
returned to the jurisdiction that initiated the transfer for standard sentencing.
(i) Sentencing pursuant to this section waives any right to administrative review pursuant to section 169A.53, subdivision 1, or judicial review pursuant to section 169A.53, subdivision 2, for a license revocation or cancellation imposed pursuant to section 169A.52, and also waives any right to administrative review pursuant to section 171.177, subdivision 10, or judicial review pursuant to section 171.177, subdivision 11, for a license revocation or cancellation imposed pursuant to section 171.177, if that license revocation or cancellation is the result of the same incident that is being sentenced.

Subd. 2. Restorative justice for military veterans; dismissal of charges. (a) It is in the interest of justice to restore a defendant who acquired a criminal record due to a mental health condition stemming from service in the United States military to the community of law-abiding citizens. The restorative provisions of this subdivision apply to cases in which a court monitoring the defendant's performance of probation under this section finds by clear and convincing evidence at a public hearing, held after not less than 15 days' notice to the prosecution, the defense, and any victim of the offense, that all of the following describe the defendant:

(1) the defendant was granted probation and was a person eligible under subdivision 1 at the time that probation was granted;

(2) the defendant is in compliance with the conditions of that probation;

(3) the defendant has successfully completed court-ordered treatment and services to address the sexual trauma, traumatic brain injury, posttraumatic stress disorder, substance abuse, or mental health conditions stemming from military service;

(4) the defendant does not present a danger to the health and safety of others including any victims; and

(5) the defendant has demonstrated significant benefit from court-ordered education, treatment, or rehabilitation to clearly show that granting restorative relief pursuant to this subdivision would be in the interest of justice.

(b) When determining whether granting restorative relief under this subdivision is in the interest of justice, the court may consider, among other factors, all of the following:

(1) the defendant's completion and degree of participation in education, treatment, and rehabilitation as ordered by the court;

(2) the defendant's progress in formal education;

(3) the defendant's development of career potential;
(4) the defendant's leadership and personal responsibility efforts;
(5) the defendant's contribution of service in support of the community;
(6) the level of harm to the community from the offense; and
(7) the level of harm to the victim from the offense with the court's determination of
harm guided by the factors for evaluating injury and loss contained in the applicable victim's
rights provisions of chapter 611A.

(c) If the court finds that a case satisfies each of the requirements described in paragraph
(a), then upon expiration of the period of probation the court shall discharge the defendant
and dismiss the proceedings against that defendant. Discharge and dismissal under this
subdivision shall be without court adjudication of guilt. The court shall maintain a public
record of the discharge and dismissal.

(d) If the court finds that a defendant placed on probation under subdivision 1 does not
satisfy each of the requirements described in paragraph (a), the court shall enter an
adjudication of guilt and proceed as otherwise provided by law, including sentencing pursuant
to the guidelines, application or waiver of statutory mandatory minimums, or a departure
pursuant to paragraph (e).

(e) If the charge to which the defendant entered a plea of guilty is listed under subdivision
1, paragraph (a), and is for an offense that is a presumptive commitment to state
imprisonment, the court may use the factors of paragraph (a) to justify a dispositional
departure or any appropriate sentence, including the application or waiver of statutory
mandatory minimums. If the court finds that paragraph (a), clauses (1) to (5), factors, the
defendant is presumed amenable to probation.

(f) This subdivision does not apply to an offense for which registration is required under
section 243.166, subdivision 1b, a crime of violence as defined in section 624.712,
subdivision 5, or a gross misdemeanor or felony-level domestic violence offense.

outreach specialists, probation agents, and any other rehabilitative resources available to
the court.

(b) "Veterans treatment court program" means a program that has the following essential
characteristics:
(1) the integration of services in the processing of cases in the judicial system;

promote public safety and to protect the due process rights of program participants;
(3) early identification and prompt placement of eligible participants in the program;

the decision of a prosecutor to refer an offender to a diversion program on condition that
the criminal charges against the offender shall be dismissed after a specified period of time,
