may refer specifically to this subdivision. If the law contains a specific reference to this
subdivision, as opposed to a general reference to this section:

will be held if 100 or more people request a hearing. The request must be in the manner
specified in section 14.25; and

(2) if 100 or more people submit a written request for a public hearing, the agency
may adopt the rule only after complying with all of the requirements of chapter 14 for rules
adopted after a public hearing.

EFFECTIVE DATE. This section is effective July 1, 2021, and applies to rules proposed
on or after that date.

Sec. 4. Minnesota Statutes 2020, section 16A.06, is amended by adding a subdivision to
read:

Subd. 12. Audit of state's use of federal funds. The commissioner shall contract with

paid by state agencies shall be deposited in the general fund.

Sec. 5. [16A.401] VIRTUAL PAYMENTS AUTHORIZED.

Subdivision 1. Virtual payments. The commissioner may establish a program to issue
virtual payments from the state treasury. Any rebate to the state generated by the program
must be deposited in the general fund unless retained under subdivision 3.

in funds established in the state constitution or protected by federal law must be returned
to the account from which the expenditure originated.

Subd. 3. Rebates retained. The commissioner may retain a portion of rebates for the
administration of this section. Money retained under this subdivision must be deposited in
an account in the special revenue fund and is appropriated to the commissioner for the
purposes of this section.

read:

Subd. 13. Electric vehicle charging. The commissioner shall require that a user of a
charging station located on the State Capitol complex used to charge a private electric
vehicle pay an electric service fee. The commissioner shall set the electric service fee rate
to cover electricity costs for charging an electric vehicle and for the administrative costs
associated with providing electric charging stations.

Sec. 7. [16B.2406] CAPITOL AREA BUILDING ACCOUNT TO ADDRESS
HEALTH, LIFE SAFETY, AND SECURITY NEEDS.

Subdivision 1. Account established; appropriations and use of funds. (a) A Capitol
Area building account is established in the state treasury. The commissioner of management
and budget shall deposit the proceeds from the lease revenue bonds or certificates of
participation received under subdivision 2 to the account. Net income from investment of
the proceeds, as estimated by the commissioner of management and budget, must be credited
to the appropriate accounts in the Capitol Area building account.

(b) Funds in the Capitol Area building account are appropriated to the commissioner of
administration for capital expenditures that address identified critical health, life safety, and
security needs of buildings located on the State Capitol complex that were constructed
before 1940 and for expenditures to ensure the continued operations of affected tenants
while those needs are being addressed. The funds may be used for predesign, design,
construction, equipping, and hazardous materials abatement activities related to these
authorized uses including but not limited to addressing necessary accessibility, infrastructure,
function, and building systems changes. This appropriation may only be used for renovation
or rehabilitation of existing buildings in the State Capitol complex and to expand an existing
building as part of a renovation or rehabilitation project funded under this section. This
appropriation may not be used to demolish an existing building in its entirety.

(c) Amounts necessary for predesign, design, rent loss, and tenant relocation for projects
authorized by this subdivision are appropriated from the general fund to the commissioner
of administration. The predesign must include a needs assessment prepared by an independent
contractor. To prepare the needs assessment, the contractor must consider the needs of all
tenants of the building. The assessment should identify goals to be achieved by the renovation
or rehabilitation project and must address needs for health, life safety, security, and function,
including space and layout needs for each tenant. The commissioner must not prepare final
plans and specifications until the program plan and cost estimates for all elements necessary
to complete the project are approved by the affected building’s primary tenant. The final
plans and specifications must resolve the needs identified in the needs assessment.

(d) The commissioner of administration may not prepare final plans and specifications
for any project authorized by this subdivision until at least 60 days after the commissioner
has submitted the results of the needs assessment to the Capitol Area Architectural and
Planning Board. Projects authorized by this section are exempt from the design competition
requirement of section 15B.10.

Subd. 2. Lease-purchase agreement authorization. (a) The commissioner of
administration may enter into a long-term lease-purchase agreement for a term of up to 25
years for activities authorized by subdivision 1. The commissioner of management and
budget may issue by public or private sale lease revenue bonds or certificates of participation
associated with the lease-purchase agreement. The lease-purchase agreements must not be
terminated except for nonappropriation of money. The lease-purchase agreements must
provide the state with a unilateral right to purchase the leased equipment or premises at
specified times for specified amounts. The lease-purchase agreements are exempt from
section 16B.24, subdivisions 6 and 6a.

(b) The amount needed to make lease payments with respect to a lease-purchase
agreement entered into under this section is appropriated each fiscal year from the general
fund to the commissioner of administration subject to repeal, unallotment under section 16A.152, or cancellation otherwise pursuant to subdivision 4. By January 1 in each odd-numbered year, the commissioner of administration must certify to the chairs and ranking minority members of the committees in the house of representatives and senate with jurisdiction over state government finance the amount of appropriations received by the commissioner under this paragraph during each fiscal year of the fiscal biennium ending June 30 of that year and specify the amount of appropriations anticipated to be received under this paragraph for each year of the fiscal biennium beginning July 1 of that year.

(c) The commissioner of administration may enter into a ground lease for state-owned property on the State Capitol complex in conjunction with the execution of a lease-purchase agreement entered into under this section for any improvements constructed on that site. Notwithstanding the requirements of section 16A.695, subdivision 2, paragraph (b), the ground lease must be for a term equal to the term of the lease-purchase agreement and must include an option to purchase the land at its then fair market value, if the improvements are not purchased by the state at the end of the term of the lease-purchase agreement or at any earlier time that the lease-purchase agreement is terminated.

(d) Certificates of participation or lease revenue bonds may be issued in one or more series on the terms and conditions the commissioner of management and budget determines to be in the best interests of the state, shall be dated and bear interest at a fixed or variable rate, may be includable in or excludable from the gross income of the owners for federal income tax purposes, and may be sold at any price or percentage of par value. Any bid received may be rejected.

(e) At the time of, or in anticipation of, issuing the lease revenue bonds or certificates of participation, and at any time thereafter, so long as the bonds or certificates are outstanding, the commissioner of management and budget may enter into agreements and ancillary arrangements relating to the bonds or certificates, including but not limited to trust indentures, grant agreements, lease or use agreements, operating agreements, management agreements, liquidity facilities, remarketing or dealer agreements, letter of credit agreements, insurance policies, guaranty agreements, reimbursement agreements, indexing agreements, or interest exchange agreements. Any payments made or received according to the agreement or ancillary arrangement shall be made from or deposited as provided in the agreement or ancillary arrangement. The determination of the commissioner of management and budget included in an interest exchange agreement that the agreement relates to a certificate or bond shall be conclusive.
(f) The commissioner of management and budget may enter into written agreements or contracts relating to the continuing disclosure of information necessary to comply with or facilitate the issuance of the lease-purchase agreement and the related lease revenue bonds or certificates of participation in accordance with federal securities laws, rules, and regulations, including Securities and Exchange Commission rules and regulations in Code of Federal Regulations, title 17, section 240.15c 2-12. An agreement may be in the form of covenants with purchasers and holders of certificates or bonds set forth in the order or resolution authorizing the issuance of the certificates or bonds or in a separate document authorized by the order or resolution.

Subd. 3. Lease-purchase not public debt. A lease-purchase agreement does not constitute or create a general or moral obligation or indebtedness of the state in excess of the money from time to time appropriated or otherwise available for payments or obligations under such agreement. Payments due under a lease-purchase agreement during a current lease term for which money has been appropriated is a current expense of the state. A lease-purchase agreement and the related lease revenue bonds or certificates of participation shall be payable in each fiscal year only from amounts that the legislature may appropriate for debt service for any fiscal year, provided that nothing in this section shall be construed to require the state to appropriate money sufficient to make lease payments with respect to the lease-purchase agreement in any fiscal year. The lease-purchase agreement and the related lease revenue bonds or certificates of participation shall be canceled and shall no longer be outstanding on the earlier of (1) the first day of a fiscal year for which the legislature shall not have appropriated amounts sufficient for lease payments, or (2) the date of final payment of the principal of and interest on the bonds or certificates.

Subd. 4. Refunding certificates. The commissioner of administration from time to time may enter into a new lease-purchase agreement and the commissioner of management and budget may issue and sell lease revenue bonds or certificates of participation for the purpose of refunding any lease-purchase agreement and related lease revenue bonds or certificates of participation then outstanding, including the payment of any redemption premiums, any interest accrued or that is to accrue to the redemption date and costs related to the issuance and sale of such refunding bonds or certificates. The proceeds of any refunding bonds or certificates may, in the discretion of the commissioner of management and budget, be applied to the purchase or payment at maturity of the bonds or certificates to be refunded, to the redemption of outstanding lease-purchase agreements and bonds or certificates on any redemption date, or to pay interest on the refunding lease-purchase agreements and bonds or certificates and may, pending such application, be placed in escrow to be applied to such
purchase, payment, retirement, or redemption. Any escrowed proceeds, pending such use, may be invested and reinvested in obligations that are authorized investments under section 11A.24. The income earned or realized on any authorized investment may also be applied to the payment of the lease-purchase agreements and bonds or certificates to be refunded, to interest or premiums on the refunded bonds or certificates, or to pay interest on the refunding lease-purchase agreements and bonds or certificates. After the terms of the escrow have been fully satisfied, any balance of proceeds and any investment income may be returned to the general fund, or, if applicable, the Capitol Area building account, for use in a lawful manner. All refunding lease-purchase agreements and bonds or certificates issued under the provisions of this subdivision must be prepared, executed, delivered, and secured by appropriations in the same manner as the lease-purchase agreements and bonds or certificates to be refunded.

Subd. 5. **Waiver of immunity.** The waiver of immunity by the state provided for by section 3.751, subdivision 1, shall be applicable to lease revenue bonds or certificates of participation issued under this section and any ancillary contracts to which the commissioner is a party.

Subd. 6. **Collection of rent.** Notwithstanding section 16B.24, subdivision 5, paragraph (d), the commissioner of administration shall not collect rent to recover bond interest costs or building depreciation costs for any projects funded from the Capitol Area building account.

Subd. 7. **Repair and replacement accounts.** Money collected as rent to fund future building repairs must be credited to a segregated account for each building in the special revenue fund and is appropriated to the commissioner to make the repairs. When the lease revenue bonds are paid in full, the account for that building must be abolished and any balance remaining in the account must be transferred to the appropriate asset preservation and replacement account created under section 16B.24, subdivision 5, paragraph (d).

Subd. 8. **Schedule of activities; legislative report.** (a) Consistent with existing requirements of law related to construction and improvement of state buildings, the commissioner must take steps to ensure improvements to address identified critical needs are completed in a timely manner.

(b) The commissioner must submit a report to the speaker of the house, the president of the senate, and the minority leaders of the house of representatives and senate no later than January 1, 2022, detailing the estimated costs and the expected timeline for design, construction, and completion of necessary work to address identified needs.
Subd. 9. **Expiration.** The authority to issue lease revenue bonds or certificates of participation, under subdivision 2, paragraph (a), expires December 31, 2023.

Sec. 8. [43A.231] PROCUREMENT OF A PHARMACY BENEFIT MANAGER AND A PLATFORM TECHNOLOGY VENDOR.

Subdivision 1. **Definitions.** (a) For the purposes of this section, the following terms have the meanings given.

(c) "Pharmacy benefit management services" means:

(1) the procurement of prescription drugs at a negotiated rate for dispensation within the State Employees Group Insurance Program (SEGIP) to enrollees;

(2) the administration and management of the prescription drug benefit under SEGIP;

and

(3) any services defined in section 62W.02, subdivisions 8, 12, and 15, paragraph (a).

(e) "Price" means the projected cost of a bid for providing pharmacy benefit management services over the duration of the contract.

(f) "Reverse auction" means an automated bidding process conducted online that starts with an opening price and allows qualified bidders to counteroffer a lower price for multiple rounds of bidding.

(g) "SEGIP" means the State Employees Group Insurance Program under sections 43A.22 to 43A.31.

Subd. 2. **Purpose.** The purpose of this section is to optimize prescription drug savings in SEGIP through:

(1) contracting with a pharmacy benefit manager to manage and administer the prescription drug benefit for SEGIP;

(2) the adoption of a reverse auction process for the selection of a pharmacy benefit manager;
(3) providing a process for the electronic review and validation of pharmacy benefit manager claims invoices for the purpose of reconciling pharmacy bills;

(4) market checks of the pharmacy benefit manager's prescription drug pricing; and

(5) limiting independent pharmacies from unsustainable reimbursement practices.

Subd. 3. Procurement of a pharmacy benefit manager. (a) Notwithstanding any law to the contrary, the commissioner of management and budget shall procure a contract for the services of a pharmacy benefit manager to administer the prescription drug benefit and pharmacy benefit management services, effective January 1, 2023.

(b) For the contract effective January 1, 2023, the commissioner shall conduct a reverse auction as described in this section to select the pharmacy benefit manager and use a reverse auction for procurement of subsequent pharmacy benefit manager contracts as provided in subdivision 5, paragraph (b).

(c) In consultation with the technology platform vendor selected under subdivision 4, the commissioner shall specify the terms of a participant bidding agreement that all bidders must accept as a prerequisite for participation in the reverse auction process, including:

(1) common definitions;

(2) prescription drug classifications;

(3) retail pricing rules, including maximum allowable cost price lists and dispensing fees; and

(4) any other contract terms the commissioner deems necessary to further the purpose of this section as specified under subdivision 2.

(d) A pharmacy benefit manager who submits a bid under this subdivision must provide the commissioner access to complete pharmacy claims data necessary for the commissioner to conduct the reverse auction and to carry out administrative and management duties.

(e) The terms of a contract entered into under this subdivision shall not be modified by the pharmacy benefit manager except with the approval of the commissioner.

(f) The commissioner may structure the contract awarded under this subdivision to pay the cost of the technology platform and the associated professional services contracted for under this subdivision by assessing a fee per prescription to be paid directly by the pharmacy benefit manager to the technology platform vendor.

(g) The commissioner must perform annual market checks on pharmacy benefit manager services performed by the pharmacy benefit manager during the term of the contract. A
market check performed under this paragraph may include an evaluation of the effect of
alternative drug pricing metrics, such as the national average drug acquisition cost and
average wholesale price, on the cost of prescription drugs and savings to the state.

(h) The commissioner shall make regular, periodic payment of invoices within the time
periods specified in the contract based on the automated adjudication of invoiced claims
using the technology platform to validate that claims payments comply with the terms of
the contract.

(i) The joint labor-management committee on health plans shall assist in the process
through which the commissioner conducts the reverse auction, evaluation, and comparison
of the competing pharmacy benefit manager bids for award of the contract.

Subd. 4. Technology platform. (a) At least three months before the reverse auction
process is scheduled to be completed, the commissioner shall procure through a competitive
bidding process a contract with a professional services vendor for a technology platform
and any associated professional services necessary to operate the platform to:

(1) evaluate the qualifications of prospective pharmacy benefit manager bidders for the
pharmacy benefit manager procurement;

(2) automatically adjudicate prescription drug claims; and

(3) collect data on pharmacy reimbursement.

(b) The platform procured under paragraph (a) must have the following capabilities to
ensure optimal performance of the reverse auction and security of data:

(1) host and conduct an online automated reverse auction:

(i) using a software application and high-performance data infrastructure to intake,
cleanse, and normalize pharmacy benefit manager data; and

(ii) with development methods and information security standards that have been validated
by receiving Service Organization Control 2 (SOC 2) and National Institute of Standards
and Technology certification;

(2) automate repricing of diverse and complex pharmacy benefit manager prescription
drug pricing proposals to enable direct comparisons of the price of bids using all annual
claims data available for the program using code-based classification or prescription drugs
from nationally accepted drug sources;

(3) simultaneously evaluate, within six hours, diverse and complex multiple proposals
from full-service pharmacy benefit managers that shall include at least guaranteed net cost,
32.1 Average Wholesale Price and National Average Drug Acquisition Cost (NADAC) pricing models, as well as proposals from pharmacy benefit administrators and specialty drug and rebate carve-out services providers;

32.4 (4) produce an automated report and analysis of bids, including ranking of bids on the comparative costs and qualitative aspects of the costs within six hours after the close of each round of reverse auction bidding; and

32.7 (5) after the close of the reverse auction process, perform an electronic, line-by-line, claim-by-claim review of all invoiced pharmacy benefit manager claims within six hours of receipt that allows for an online comparison of pharmacy benefit manager invoices and identifies all deviations from the specific terms of the services contract resulting from the reverse auction.

32.12 (c) The commissioner may require additional capabilities or more rigorous standards than those specified in paragraph (b).

32.14 (d) The commissioner shall not award the platform technology vendor contract under this subdivision to:

32.16 (1) a pharmacy benefit manager;

32.17 (2) a subsidiary or affiliate of a pharmacy benefit manager; or

32.18 (3) a vendor who is managed by a pharmacy benefit manager or who receives, directly or indirectly, remuneration from a pharmacy benefit manager for aggregating clients into a contractual relationship with a pharmacy benefit manager.

32.21 (e) The vendor who is awarded the contract under this subdivision must not subcontract any part of the reverse auction process or the review described under paragraph (b), clause (5).

32.24 Subd. 5. Report; savings determination; process for selecting successor pharmacy benefit manager. (a) The commissioner of management and budget, with the assistance of an actuarial consultant, shall compare the following: (1) actual, electronically adjudicated prescription drug costs under the first two years of the contract that begins on January 1, 2023, with a pharmacy benefit manager that was selected by the reverse auction; and (2) a projection of what prescription drug costs would have been for those same two years under the pharmacy benefit manager contract in effect from 2018 to 2022, with appropriate adjustment for any adopted formulary or beneficiary utilization changes. The projection must use industry-recognized data sources. The commissioner of management and budget shall report the results of the comparison to the legislative auditor and to the chairs and...
ranking minority members of the committees in the senate and house of representatives
with jurisdiction over state government finance and policy by March 1, 2025.

(b) The commissioner of management and budget must require the actuarial consultant
to take appropriate measures to ensure that the consultant's work is not compromised by a
conflict of interest.

(c) By April 1, 2025, the legislative auditor shall provide a report to the commissioner
of management and budget and to the chairs and ranking minority members of the committees
in the senate and house of representatives with jurisdiction over state government finance
and policy. The legislative auditor's report must make a determination as to whether the
commissioner's report accurately performs the comparison required under paragraph (a).

(d) The technology platform vendor shall provide to the commissioner of management
and budget and to the legislative auditor the electronically adjudicated prescription drug
data and any other support or assistance required by the commissioner of management and
budget to prepare a report and for the legislative auditor to validate the accuracy of the
commissioner's results of the comparison, by deadlines established by the commissioner of
management and budget and the legislative auditor. Individual-identifying data received
from the technology platform vendor is private data on individuals, as defined by section
13.02, subdivision 12.

(e) If the commissioner of management and budget determines that savings on
prescription drug costs were not achieved, based on the comparison required under paragraph
(a), with appropriate adjustment for any adopted formulary or beneficiary utilization changes,
the commissioner may forego the use of a reverse auction for procurement of a successor
pharmacy benefit manager contract. If the commissioner of management and budget
determines that savings have been achieved, the commissioner must select the successor
pharmacy benefit manager contract using the reverse auction process described in this
section. If the commissioner's comparison in paragraph (a) finds that savings are not achieved,
the commissioner's report under paragraph (a) must include the commissioner's findings
that support a determination that savings were not achieved, analysis of the factors that
caused a failure to achieve savings, and recommendations for how savings could be achieved
in the next contract with a pharmacy benefit manager.

Subd. 6. Data protections. The commissioner of management and budget may only
enter into an agreement with a technology platform vendor if the agreement provides privacy
protections for data collected and maintained by the technology platform vendor, including:

(1) procedures for the prevention of unauthorized access or use;
(2) a prohibition on the sale of data collected and maintained as provided in the agreement; and

(3) a prohibition on dissemination of data unless authorized by state or federal law or the agreement.

Sec. 9. Minnesota Statutes 2020, section 138.38, is amended to read:

138.38 REPORTS OF STATE ARCHAEOLOGIST.

The state archaeologist shall consult with and keep the Indian Affairs Council, the director of the historical society, and the State Historic Preservation Office informed as to significant field archaeology, projected or in progress, and as to significant discoveries made. domiciliary and nursing care residents. The amount charged each resident for maintenance,
if anything, must be based on the appropriate average cost of care calculation and the assets
and income of the resident but must not exceed the appropriate average cost of care.

(b) Beginning July 1, 2021, the Personal Needs Allowance (PNA) for domiciliary
residents must be based on the Minnesota Department of Human Services’ (DHS) most
recent General Assistance program PNA and is in effect the same date as the DHS PNA is
in effect. Thereafter, the PNA for domiciliary residents must be adjusted and put into effect
each year or each time DHS adjusts the General Assistance program PNA.

Sec. 11. [198.45] **REPORT ON VETERANS HOMES.**

No later than January 15, 2022, and biennially on January 15 thereafter, the commissioner
must submit a report to the chairs and ranking minority members of the legislative committees
with jurisdiction over veterans affairs and state government finance on reserve amounts
maintained in the veterans homes special revenue account. The report must detail current
and historical amounts maintained as a reserve and uses of those amounts. The report must
also include data on the use of existing veterans homes, including current and historical bed
capacity and usage, staffing levels and staff vacancy rates, and staff-to-resident ratios.
Sec. 12. Minnesota Statutes 2020, section 609.095, is amended to read:

609.095 LIMITS OF SENTENCES.

(a) The legislature has the exclusive authority to define crimes and offenses and the range of the sentences or punishments for their violation. No other or different sentence or punishment shall be imposed for the commission of a crime than is authorized by this chapter or other applicable law.

(b) Except as provided in section 152.18 or 609.1056, 609.375, or upon agreement of the parties, a court may not refuse to adjudicate the guilt of a defendant who tenders a guilty plea in accordance with Minnesota Rules of Criminal Procedure, rule 15, or who has been found guilty by a court or jury following a trial. A decision by the court to issue a stay of adjudication under this paragraph for a charge of violating section 243.166, 609.342, 609.343, 609.344, 609.345, 609.3451, subdivision 3, or 609.3453, must be justified in writing and on the record.

(c) Paragraph (b) does not supersede Minnesota Rules of Criminal Procedure, rule 26.04.

Sec. 13. [609.1056] MILITARY VETERANS; CRIMES COMMITTED BECAUSE OF CONDITIONS RESULTING FROM SERVICE; DISCHARGE AND DISMISSAL.

Subdivision 1. Definitions. As used in this section, the following terms have the meanings given:

(1) "applicable condition" means sexual trauma, traumatic brain injury, posttraumatic stress disorder, substance abuse, or a mental health condition;

(2) "eligible offense" means any misdemeanor or gross misdemeanor, and any felony that is ranked at severity level 7 or lower or D7 or lower on the Sentencing Guidelines grid; and

(3) "veterans treatment court program" means a program that has the following essential characteristics:

(i) the integration of services in the processing of cases in the judicial system;

(ii) the use of a nonadversarial approach involving prosecutors and defense attorneys to promote public safety and to protect the due process rights of program participants;

(iii) early identification and prompt placement of eligible participants in the program;

(iv) access to a continuum of alcohol, controlled substance, mental health, and other related treatment and rehabilitative services;
(v) careful monitoring of treatment and services provided to program participants;
(vi) a coordinated strategy to govern program responses to participants’ compliance;
(vii) ongoing judicial interaction with program participants;
(viii) monitoring and evaluation of program goals and effectiveness;
(ix) continuing interdisciplinary education to promote effective program planning,
implementation, and operations;
(x) development of partnerships with public agencies and community organizations,
including the United States Department of Veterans Affairs; and
(xi) inclusion of a participant's family members who agree to be involved in the treatment
and services provided to the participant under the program.

Subd. 2. Deferred prosecution. (a) The court shall defer prosecution for an eligible
offense committed by a defendant who was, or currently is, a member of the United States
military as provided in this subdivision. The court shall defer prosecution at the request of
the defendant upon a finding of guilty after trial or upon a guilty plea.

(b) A defendant who requests to be sentenced under this section shall release or authorize
access to military service reports and records relating to an alleged applicable condition
stemming from service in the United States military. The court must file the records as
confidential, and the records must remain sealed, except as provided in this paragraph. The
defendant, through existing records or licensed professional evaluation, shall establish the
diagnosis of the applicable condition and its connection to military service. The court, on
its motion or the prosecutor's motion with notice to defense counsel, may order the defendant
to furnish to the court for in-camera review or to the prosecutor copies of all medical and
military service reports and records previously or subsequently made concerning the
defendant's condition and its connection to service.

(c) Based on the record, the court shall determine, by clear and convincing evidence,
whether the defendant suffers from an applicable condition, whether that condition stems
from service in the United States military, and whether the offense was committed as a
result of the applicable condition. Within 15 days of the court's findings, either party may
file a challenge to the findings and demand a hearing on the defendant's eligibility under
this section.

(d) If the court makes the determination described in paragraph (c), the court shall,
without entering a judgment of guilty, defer further proceedings and place the defendant
on probation upon such reasonable conditions as it may require and for a period not to
exceed the maximum period provided by law. A court may extend a defendant's term of
probation pursuant to section 609.135, subdivision 2, paragraphs (g) and (h). Conditions
ordered by the court must include treatment, services, rehabilitation, and education sufficient
so that if completed, the defendant would be eligible for discharge and dismissal under
subdivision 3. If the court determines that a defendant suffers from a substance use disorder,
the court shall order a Rule 25 assessment under Minnesota Rules, part 9530.6615, and
order the defendant to follow the recommendations contained in the assessment. If the court
determines that a defendant suffers from posttraumatic stress disorder, sexual trauma,
traumatic brain injury, or other mental health conditions, the court shall order a mental
health assessment conducted by a licensed mental health professional and follow the
recommendations contained in the examiner's report.

(e) If the court determines that the defendant is eligible for a deferred sentence but the
defendant has previously received a deferred sentence for a felony offense under this
subdivision, the court may, but is not required to, impose a deferred sentence. If the court
does not impose a deferred sentence, the court may sentence the defendant as otherwise
provided in law, including as provided in subdivision 4.

(f) Upon violation of a condition of probation, the court may enter an adjudication of
guilt and proceed as otherwise provided in law, including as provided in subdivision 4.

(g) As a condition of probation, the court may order the defendant to attend a local, state,
federal, or private nonprofit treatment program for a period not to exceed the maximum
period for which the defendant could have been incarcerated.

(h) The court, when issuing an order under this subdivision that a defendant attend an
established treatment program, shall give preference to a treatment program that has a history
of successfully treating veterans who suffer from applicable conditions caused by military
service, including but not limited to programs operated by the United States Department of
Defense or Veterans Affairs.

(i) The court and any assigned treatment program shall collaborate with, when available,
the county veterans service officer and the United States Department of Veterans Affairs
to maximize benefits and services provided to the defendant. If an appropriate treatment
provider is not available in the defendant's county of residence or public funding is not
available, the Minnesota Department of Veterans Affairs shall coordinate with the United
States Department of Veterans Affairs to locate an appropriate treatment program and
sources to fund the cost of the defendant's participation in the program.
(j) If available in the county or judicial district having jurisdiction over the case, the defendant may be supervised by a veterans treatment court program under subdivision 5. If there is a veterans treatment court that meets the requirements of subdivision 5 in the county in which the defendant resides or works, supervision of the defendant may be transferred to that county or judicial district veterans treatment court program. Upon the defendant's successful or unsuccessful completion of the program, the veterans treatment court program shall communicate this information to the court of original jurisdiction for further action.

(k) Sentencing pursuant to this subdivision waives any right to administrative review pursuant to section 169A.53, subdivision 1, or judicial review pursuant to section 169A.53, subdivision 2, for a license revocation or cancellation imposed pursuant to section 169A.52, and also waives any right to administrative review pursuant to section 171.177, subdivision 10, or judicial review pursuant to section 171.177, subdivision 11, for a license revocation or cancellation imposed pursuant to section 171.177, if that license revocation or cancellation is the result of the same incident for which the defendant is being sentenced.

Subd. 3. Discharge and dismissal. (a) Upon the expiration of the period of the defendant's probation, the court shall hold a hearing to discharge the defendant from probation and determine whether to dismiss the proceedings against a defendant who received a deferred sentence under subdivision 2. The hearing shall be scheduled so that the parties have adequate time to prepare and present arguments regarding the issue of dismissal. The parties may submit written arguments to the court prior to the date of the hearing and may make oral arguments before the court at the hearing. The defendant must be present at the hearing unless excused under Minnesota Rules of Criminal Procedure, rule 26.03, subdivision 1, clause (3).

(b) The court shall provide notice to any identifiable victim of the offense at least 15 days before the hearing is held. Notice to victims of the offense under this subdivision must specify the time of the hearing describing the harm suffered by the victim as a result of the crime and the victim's recommendation on whether dismissal should be granted or denied. The judge shall consider the victim's statement when making a decision. If a victim notifies the prosecutor of an objection to dismissal and is not present at the hearing, the prosecutor shall make the objections known to the court.

(c) The court shall dismiss proceedings against a defendant if the court finds by clear and convincing evidence that the defendant:
(1) is in compliance with the conditions of probation;

(2) has successfully completed court-ordered treatment and services to address the applicable condition caused by military service;

(3) does not represent a danger to the health or safety of victims or others; and

(4) has demonstrated significant benefit from court-ordered education, treatment, or rehabilitation to clearly show that a discharge and dismissal under this subdivision is in the interests of justice.

(d) In determining the interests of justice, the court shall consider, among other factors, all of the following:

(1) the defendant's completion and degree of participation in education, treatment, and rehabilitation as ordered by the court;

(2) the defendant's progress in formal education;

(3) the defendant's development of career potential;

(4) the defendant's leadership and personal responsibility efforts;

(5) the defendant's contribution of service in support of the community;

(6) the level of harm to the community from the offense;

(7) the level of harm to the victim from the offense with the court's determination of harm guided by the factors for evaluating injury and loss contained in the applicable victim's rights provisions of chapter 611A; and

(8) the statement of the victim, if any.

(e) If the court finds that the defendant does not qualify for discharge and dismissal under paragraph (c), the court shall enter an adjudication of guilt and proceed as otherwise provided in law, including as provided in subdivision 4.

(f) Discharge and dismissal under this subdivision shall be without court adjudication of guilt, but a not public record of the discharge and dismissal shall be retained by the Bureau of Criminal Apprehension for the purpose of use by the courts in determining the merits of subsequent proceedings against the defendant. The not public record may also be opened only upon court order for purposes of a criminal investigation, prosecution, or sentencing. Upon request by law enforcement, prosecution, or corrections authorities, the bureau shall notify the requesting party of the existence of the not public record and the right to seek a court order to open the not public record under this paragraph. The court shall forward a
record of any discharge and dismissal under this subdivision to the bureau, which shall
make and maintain the not public record of the discharge and dismissal. The discharge and
dismissal shall not be deemed a conviction for purposes of disqualifications or disabilities
imposed by law upon conviction of a crime or for any other purpose. For purposes of this
paragraph, "not public" has the meaning given in section 13.02, subdivision 8a.

Subd. 4. Sentencing departure; waiver of mandatory sentence. (a) This subdivision
applies to defendants who plead or are found guilty of any criminal offense except one for
which registration is required under section 243.166, subdivision 1b.

(b) Prior to sentencing, a defendant described in paragraph (a) may present proof to the
court that the defendant has, since the commission of the offense, engaged in rehabilitative
efforts consistent with those described in this section. If the court determines that the
defendant has engaged in substantial rehabilitative efforts and the defendant establishes by
clear and convincing evidence that:

(1) the defendant suffered from an applicable condition at the time of the offense;
(2) the applicable condition was caused by service in the United States military; and
(3) the offense was committed as a result of the applicable condition;
the court may determine that the defendant is particularly amenable to probation and order
a mitigated durational or dispositional sentencing departure or a waiver of any statutory
mandatory minimum sentence applicable to the defendant.

Subd. 5. Optional veterans treatment court program; procedures for eligible
defendants. A county or judicial district may supervise probation under this section through
a veterans treatment court using county veterans service officers appointed under sections
197.60 to 197.606, United States Department of Veterans Affairs veterans justice outreach
specialists, probation agents, and any other rehabilitative resources available to the court.

Subd. 6. Creation of county and city diversion programs; authorization. Any county
or city may establish and operate a veterans pretrial diversion program for defendants eligible
under subdivision 1 without penalty under section 477A.0175. "Pretrial diversion" means
the decision of a prosecutor to refer a defendant to a diversion program on the condition
that the criminal charges against the defendant shall be dismissed after a specified period
of time or the case shall not be charged, if the defendant successfully completes the program
of treatment recommended by the United States Department of Veterans Affairs or a local,
state, federal, or private nonprofit treatment program.
Subd. 7. **Exception.** This section does not apply to a person charged with an offense for which registration is required under section 243.166, subdivision 1b.

**EFFECTIVE DATE.** This section is effective August 1, 2021.

**Sec. 14. COST OF CARE; TEMPORARY SUSPENSION OF RULE.**

Notwithstanding Minnesota Rules, part 9050.0500, subparts 1, 2 and 3, the commissioner of veterans affairs is not required to perform the annual calculation of costs of care for veterans homes in fiscal year 2022. For fiscal year 2022, the commissioner may apply the cost of care established for fiscal year 2021. The commissioner may only suspend application of Minnesota Rules, part 9050.0500, subparts 1, 2, and 3, in fiscal year 2022. This section expires on June 30, 2022.

**EFFECTIVE DATE.** This section is effective July 1, 2021.

**Sec. 15. REVISOR INSTRUCTION.**

The revisor of statutes must renumber the provisions of Minnesota Statutes listed in column A to the references listed in column B. The revisor must also make necessary cross-reference changes in Minnesota Statutes and Minnesota Rules consistent with the renumbering.

The secretary of state shall prepare Braille and audio copies and make them available.

Sec. 2. Minnesota Statutes 2020, section 201.121, subdivision 3, is amended to read:

Subd. 3. Postelection sampling. (a) Within ten days after an election, the county auditor shall send the notice required by subdivision 2 to a random sampling of the individuals registered on election day. The random sampling shall be determined in accordance with the rules of the secretary of state. As soon as practicable after the election, the county auditor shall mail the notice required by subdivision 2 to all other individuals registered on election day. If a notice is returned as not deliverable, the county auditor shall attempt to determine the reason for the return. A county auditor who does not receive or obtain satisfactory proof of an individual's eligibility to vote shall immediately notify the county attorney of all of the relevant information. The county auditor must notify the secretary of state of the following information for each election held in the previous year by each precinct:

(1) the total number of all notices that were returned as nondeliverable;

(2) the total number of nondeliverable notices that the county auditor was able to determine the reason for the return along with the reason for each return; and

(3) the total number of individuals for whom the county auditor does not receive or obtain satisfactory proof of an individual's eligibility to vote.

(b) By March 1 of every odd-numbered year, the secretary of state shall report to the chair and ranking minority members of the legislative committees with jurisdiction over elections the following information for each election held in the previous year by each precinct and each county:

(3) the total number of individuals for whom the county auditor does not receive or obtain satisfactory proof of an individual's eligibility to vote.
Sec. 3. Minnesota Statutes 2020, section 203B.08, subdivision 1, is amended to read:

Subdivision 1. **Marking and return by voter.** (a) An eligible voter who receives absentee ballots as provided in this chapter shall mark them in the manner specified in the directions for casting the absentee ballots. The return envelope containing marked ballots may be mailed as provided in the directions for casting the absentee ballots or may be left with the county auditor or municipal clerk who transmitted the absentee ballots to the voter, or may be left in a drop box as provided in section 203B.082. If delivered in person, the return envelope must be submitted to the county auditor or municipal clerk by 3:00 p.m. on election day.

(b) The voter may designate an agent to deliver in person the sealed absentee ballot return envelope to the county auditor or municipal clerk or to deposit the return envelope in the mail. An agent may deliver or mail the return envelopes of not more than three voters in any election. Any person designated as an agent who tampers with either the return envelope or the voted ballots or does not immediately mail or deliver the return envelope to the county auditor or municipal clerk is guilty of a misdemeanor.

Sec. 4. Minnesota Statutes 2020, section 203B.08, subdivision 3, is amended to read:

Subd. 3. **Procedures on receipt of ballots.** When absentee ballots are returned to a county auditor or municipal clerk, that official shall stamp or initial and date the return envelope and place it in a secure location locked ballot container or other secured and locked space with other return envelopes received by that office. Within five days after receipt, the county auditor or municipal clerk shall deliver to the ballot board all ballots received, except that during the 14 days immediately preceding an election, the county auditor or municipal clerk shall deliver all ballots received to the ballot board within three days. Ballots received on election day either (1) after 3:00 p.m., if delivered in person; or (2) after 8:00 p.m., if delivered by mail or a package delivery service, shall be marked as received late by the county auditor or municipal clerk, and must not be delivered to the ballot board.

Sec. 5. **[203B.082] ABSENTEE BALLOT DROP BOXES; SECURITY AND INTEGRITY.**

Subdivision 1. **Definition.** As used in this section, "drop box" means a secure receptacle or container established to receive completed absentee ballots 24 hours per day. Drop box does not include a receptacle or container maintained by the United States Postal Service, or a location at which a voter or an agent may return a completed absentee ballot by providing it directly to an employee of the county auditor or municipal clerk.
Subd. 2. Minimum security and integrity standards. The county auditor or municipal clerk may provide locations at which a voter may deposit a completed absentee ballot enclosed in the completed signature envelope in a secure drop box, consistent with the following security and integrity standards:

1. (1) each drop box must be continually recorded during the absentee voting period;
2. (2) each drop box must be designed to prevent an unauthorized person from moving, removing, or tampering with the drop box;
3. (3) each drop box placed in an outdoor location must be fastened to a building, bolted to a concrete pad, or otherwise attached to a similarly secure structure;
4. (4) ballots deposited in a drop box must be secured against access by any unauthorized person, and in the case of a drop box located in an outdoor location, the drop box must be secured against damage due to weather or other natural conditions;
5. (5) each drop box must contain signage or markings that:
   i. clearly identifies the drop box as an official absentee ballot return location; and
   ii. include the location and hours where an agent may return an absentee ballot;
6. (6) deposited ballots must be collected at least once per business day during the absentee voting period by the county auditor, municipal clerk, or an elections official trained by the county auditor or municipal clerk in the proper maintenance and handling of absentee ballots and absentee ballot drop boxes, and in the security measures used to protect absentee ballots; and
7. (7) ballots collected from each drop box must be properly date-stamped and stored in a locked ballot container or other secured and locked space consistent with any applicable laws governing the collection and storage of absentee ballots.

Subd. 3. Publication of locations required. (a) The county auditor or municipal clerk must provide a list of designated absentee ballot drop box locations to the secretary of state no later than 40 days prior to the start of the absentee voting period at every regularly scheduled primary or general election. The list must be published on the website of the county or municipality and on the website of the secretary of state at least 35 days prior to the start of the absentee voting period.

(b) The county auditor or municipal clerk must provide an updated list of designated absentee ballot drop box locations to the secretary of state no later than 20 days prior to the start of the absentee voting period at every regularly scheduled primary or general election.
if any locations have changed or been added since submission of the list under paragraph 59.2 (a). The list must be published on the website of the county or municipality and on the website of the secretary of state at least 15 days prior to the start of the absentee voting period.

Subd. 4. Electioneering prohibited. Section 211B.11 applies to conduct within 100 feet of an absentee ballot drop box established under this section.

Sec. 6. Minnesota Statutes 2020, section 203B.121, subdivision 1, is amended to read:

Subdivision 1. Establishment; applicable laws. (a) The governing body of each county, municipality, and school district with responsibility to accept and reject absentee ballots must, by ordinance or resolution, establish a ballot board. The board must consist of a sufficient number of election judges trained in the handling of absentee ballots and appointed as provided in sections 204B.19 to 204B.22. The board may include deputy county auditors or deputy city clerks who have received training in the processing and counting of absentee ballots. Each member of the ballot board must be provided adequate training on the processing and counting of absentee ballots, including but not limited to instruction on accepting and rejecting absentee ballots, storage of absentee ballots, timelines and deadlines, the role of the ballot board, procedures for opening absentee ballot envelopes, procedures for counting absentee ballots, and procedures for reporting absentee ballot totals.

(b) Each jurisdiction must pay a reasonable compensation to each member of that jurisdiction's ballot board for services rendered during an election.

(c) Except as otherwise provided by this section, all provisions of the Minnesota Election Law apply to a ballot board.

Sec. 7. Minnesota Statutes 2020, section 204B.14, subdivision 3, is amended to read:

Subd. 3. Boundary changes; prohibitions; exception. (a) Notwithstanding other law or charter provisions to the contrary, during the period from January 1 in any year ending in zero to the time when the legislature has been redistricted in a year ending in one or two, no changes may be made in the boundaries of any election precinct except as provided in this subdivision.

(b) If a city annexes an unincorporated area located in the same county as the city and adjacent to the corporate boundary, the annexed area may be included in an election precinct immediately adjacent to it.
A municipality or county may establish new election precincts lying entirely within the boundaries of any existing precinct and shall assign names to the new precincts which include the name of the former precinct.

Precinct boundaries in a city of the first class electing council members by wards may be reestablished within four weeks of the adoption of ward boundaries in a year ending in one, as provided in section 204B.135, subdivision 1. If precinct boundaries are reestablished in a year ending in one, the city council must designate polling places for each election precinct pursuant to section 204B.16, subdivision 1, within 30 days establishing precinct boundaries. The polling place designations are effective for the year ending in one.

Precinct boundaries must be reestablished within 60 days of the time when the legislature has been redistricted, or at least 19 weeks before the state primary election in a year ending in two, whichever comes first. The governing body of each municipality and of each county with precincts in unorganized territory must designate polling places for each election precinct pursuant to section 204B.16, subdivision 1, within 30 days of establishing precinct boundaries or at least 19 weeks before the state primary election in a year ending in two, whichever comes first. The adoption of reestablished precinct boundaries and polling places becomes effective on the date of the state primary election in the year ending in two.

Precincts must be arranged so that no precinct lies in more than one legislative or congressional district.

Sec. 8. Minnesota Statutes 2020, section 204B.16, subdivision 1, is amended to read:

Subdivision 1. Authority; location. By December 31 of each year, the governing body of each municipality and of each county with precincts in unorganized territory must designate by ordinance or resolution a polling place for each election precinct. The polling places designated in the ordinance or resolution are the polling places for the following calendar year, unless a change is made:

(1) pursuant to section 204B.175;

(2) because a polling place has become unavailable;

(3) because a township designates one location for all state and federal elections and one location for all township only elections; and

(4) pursuant to section 204B.14, subdivision 3.
(b) Polling places must be designated and ballots must be distributed so that no one is required to go to more than one polling place to vote in a school district and municipal election held on the same day. The polling place for a precinct in a city or in a school district located in whole or in part in the metropolitan area defined by section 200.02, subdivision 24, shall be located within the boundaries of the precinct or within one mile of one of those boundaries unless a single polling place is designated for a city pursuant to section 204B.14, subdivision 2, or a school district pursuant to section 205A.11. The polling place for a precinct in unorganized territory may be located outside the precinct at a place which is convenient to the voters of the precinct. If no suitable place is available within a town or within a school district located outside the metropolitan area defined by section 200.02, subdivision 24, then the polling place for a town or school district may be located outside the town or school district within five miles of one of the boundaries of the town or school district.

Sec. 9. Minnesota Statutes 2020, section 204B.18, subdivision 1, is amended to read:

Subdivision 1. Booths; voting stations. (a) Each polling place must contain a number of voting booths or voting stations in proportion to the number of individuals eligible to vote in the precinct. The booth or station shall permit the voter to vote privately and independently.

(b) Each polling place must have at least one accessible voting booth or other accessible voting station and beginning with federal and state elections held after December 31, 2005, and county, municipal, and school district elections held after December 31, 2007, one voting system that conforms to section 301(a)(3)(B) of the Help America Vote Act, Public Law 107-252.

(c) Local jurisdictions must make accessible voting stations purchased with funds provided from the Help America Vote Act account available to other local jurisdictions holding stand-alone elections. The jurisdiction providing the equipment may require the jurisdiction using the equipment to reimburse any direct actual costs incurred as a result of the equipment's use and any prorated indirect costs of maintaining and storing the equipment. A rental or other similar use fee may not be charged.

Any funds received under this paragraph for expenses incurred by that local jurisdiction as a direct result of making the equipment available that were not paid for in whole or in part with funds from the Help America Vote Act account are not program income under the Help America Vote Act, Public Law 107-252.
Any funds received by a local jurisdiction making the equipment available as reimbursement for expenses as defined as "operating costs" under Laws 2005, chapter 162, section 34, subdivision 1, paragraph (b), and paid for in whole or in part with funds from the Help America Vote Act account must be treated as program income and deposited into the jurisdiction's Help America Vote Act account in the direct proportion that funds from the Help America Vote Act account were used to pay for those "operating costs."

(d) All booths or stations must be constructed so that a voter is free from observation while marking ballots. During the hours of voting, the booths or stations must have instructions, a pencil or other marking device suitable for the voting system being used, and other supplies needed to mark the ballots. A chair must be provided for elderly voters and voters with disabilities to use while voting or waiting to vote. Stable flat writing surfaces must also be made available to voters who are completing election-related forms.

(e) All ballot boxes, voting booths, voting stations, and election judges must be in open public view in the polling place.

(f) The jurisdiction providing supplies must only provide pens or marking devices suitable for the voting system being used.

Sec. 10. Minnesota Statutes 2020, section 204B.40, is amended to read:

**204B.40 BALLOTS; ELECTION RECORDS AND OTHER MATERIALS; DISPOSITION; INSPECTION OF BALLOTS.**

The county auditors, municipal clerks, and school district clerks shall retain all election materials returned to them after any election for at least 22 months from the date of that election. All records and materials must be stored in a locked container or other secured and locked space. All election materials involved in a contested election must be retained for 22 months or until the contest has been finally determined, whichever is later. Abstracts filed by canvassing boards shall be retained permanently by any officer with whom those abstracts are filed. Election materials no longer required to be retained pursuant to this section shall be disposed of in accordance with sections 138.163 to 138.21. Sealed envelopes containing voted ballots must be retained unopened, except as provided in this section, in a secure location. The county auditor, municipal clerk, or school district clerk shall not permit any voted ballots to be tampered with or defaced.

After the time for filing a notice of contest for an election has passed, the secretary of state may, for the purpose of monitoring and evaluating election procedures: (1) open the sealed ballot envelopes and inspect the ballots for that election maintained by the county...
auditors, municipal clerks, or school district clerks; (2) inspect the polling place rosters and completed voter registration applications; or (3) examine other forms required in the Minnesota election laws for use in the polling place. No inspected ballot or document may be marked or identified in any manner. After inspection, all ballots must be returned to the ballot envelope and the ballot envelope must be securely resealed. Any other election materials inspected or examined must be secured or resealed. No polling place roster may be inspected until the voting history for that precinct has been posted. No voter registration application may be inspected until the information on it has been entered into the statewide registration system.

Sec. 11. Minnesota Statutes 2020, section 204C.13, subdivision 3, is amended to read:

Subd. 3. Marking ballots. (a) The voter shall mark each ballot in the following manner:

(b) The voter shall fill in the oval or similar mark if a different target shape is used, opposite the printed name of each candidate for whom the individual desires to vote, and in the oval or other target shape before the "Yes" or "No" if the individual desires to vote for or against a question.

(c) The voter may write in other names on the lines provided under the printed names of the candidates, except that no names shall be written in on primary ballots.

(d) At a state primary an individual may vote for candidates of only one major political party on the partisan primary ballot. If a partisan primary ballot contains votes for the candidates of more than one major political party, the ballot is totally defective and no vote on the partisan section of the ballot shall be counted.

(e) An individual who spoils a ballot may return it to the election judges and receive another.

Sec. 12. Minnesota Statutes 2020, section 204C.35, is amended by adding a subdivision to read:

Subd. 2a. Constitutional amendment recount. In a state general election when the difference between the number of "yes" votes cast on ratification of a proposed constitutional amendment is within one-quarter percent of the number of all other ballots cast at the election, the canvassing board shall manually recount the votes on that question, including the number of "yes" or "no" votes on the question, and the number of ballots that did not
cast a vote on the question. The results of the recount must be certified by the canvassing
board as soon as possible.

Sec. 13. Minnesota Statutes 2020, section 204C.35, subdivision 3, is amended to read:

Subd. 3. **Scope of recount.** A recount conducted as provided in this section is limited
in scope to the determination of the number of votes validly cast for the office or question
to be recounted. Only the ballots cast in the election and the summary statements certified
by the election judges may be considered in the recount process. Original ballots that have
been duplicated under section 206.86, subdivision 5, are not within the scope of a recount
and must not be examined except as provided by a court in an election contest under chapter
209.

**ARTICLE 5**

**FEDERAL FUNDS**

Section 1. Laws 2020, Fifth Special Session chapter 3, article 9, section 13, is amended
to read:

Sec. 13. **FUND MAXIMIZATION.**

On or after December 31, 2020, the commissioner of management and budget is
authorized to use best efforts to maximize the use of federal CARES Act funding, consistent
with applicable federal guidance, and to use any unobligated amounts to fund eligible state
activities appropriated for. The commissioner may reduce general fund appropriations and
transfers in Laws 2020, chapters chapter 66, 70, 71, 74, or 81, or Laws 2020, Seventh Special
Session chapter 2, and corresponding funding amounts are appropriated from the federal
coronavirus relief fund up to the unobligated balance of the fund.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 2. **COVID-19 FLEXIBLE RESPONSE ACCOUNT.**

Subdivision 1. **Account created.** The COVID-19 flexible response account is created
within the state fiscal recovery federal fund in the state treasury to pay expenditures eligible
under federal guidance for the state fiscal recovery federal fund. $425,000,000 is transferred
from the state fiscal recovery federal fund to the COVID-19 flexible response account and
is appropriated to the commissioner of management and budget. The commissioner may
transfer funds appropriated under this subdivision to state agencies as necessary. This is a
onetime appropriation. Any money in the account that remains unallocated on July 1, 2022,
cancels to the state fiscal recovery federal fund. Allocated funds are available until June 30, 2023.

Subd. 2. Legislative COVID-19 Response Commission review. (a) The Legislative COVID-19 Response Commission established under Laws 2020, chapter 71, article 1, section 7, will review proposed allocations from the COVID-19 flexible response account.

(b) The commissioner of management and budget must submit proposed single expenditures from the COVID-19 flexible response account that exceed $2,500,000 to the Legislative COVID-19 Response Commission for its review and recommendations. The submission must include the total amount of the proposed expenditure, the purpose of the proposed expenditure, the time period of the proposed expenditure, and any additional information the commissioner of management and budget determines necessary to properly document the proposed expenditure. Upon receiving a submission, the commission has three days after the request is submitted to review the proposed expenditures submitted under this subdivision.

(c) Commission members may make a positive recommendation, a negative recommendation, or no recommendation on a proposed expenditure. If a majority of the commission members from the senate and a majority of the commission members from the house of representatives make a negative recommendation on a proposed expenditure, the commissioner is prohibited from expending the money. If a majority of the commission members from the senate and a majority of the commission members from the house of representatives do not make a negative recommendation, or if the commission makes no recommendation, the commissioner may expend the money.

(d) The commission may hold a public meeting to approve or disapprove a proposed expenditure from the COVID-19 flexible response account. Notwithstanding Minnesota Statutes, section 3.055, the commission may conduct a public meeting remotely. The commission may approve or disapprove proposed expenditures without a public meeting. The commission members may approve or disapprove proposed expenditures via written communication sent to the commissioner of management and budget.

Subd. 3. Monthly expenditure report. The commissioner of management and budget must provide reports on the spending from the COVID-19 flexible response account to the Legislative COVID-19 Response Commission on the last day of each month. The report must include the total amount of each expenditure, the purpose of each expenditure, and any additional information the commissioner of management and budget determines is necessary to properly document each expenditure.
EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 3. REVENUE REPLACEMENT; AMERICAN RESCUE PLAN ACT STATE FISCAL RECOVERY FEDERAL FUND.

Subdivision 1. Transfer. $633,100,000 in fiscal year 2023 and $550,000,000 in fiscal year 2024 are transferred from the state fiscal recovery federal fund to the general fund for the provision of government services. The fiscal year 2024 transfer must occur prior to December 15, 2024. The transfers in this subdivision are onetime.

Subd. 2. State appropriation alternative. (a) If the commissioner of management and budget determines that the transfers in subdivision 1 are ineligible uses of the state fiscal recovery federal fund, the transfers in subdivision 1 are canceled, and $633,100,000 is appropriated from the state fiscal recovery federal fund in fiscal year 2022 to the commissioner of management and budget to replace eligible general fund appropriations in the biennium beginning July 1, 2021. Money appropriated to the commissioner of management and budget is available in either year of the biennium and may be disbursed or transferred to state agencies as necessary. The general fund appropriations being replaced are canceled. The commissioner of management and budget must determine eligible appropriations consistent with Public Law 117-2, and its corresponding guidance for use of the state fiscal recovery federal fund. For purposes of this subdivision, an ineligible use includes one that violates a maintenance of effort requirement.

(b) If the commissioner of management and budget implements the appropriations in paragraph (a), the commissioner must cancel $550,000,000 of the forecasted general fund appropriations in the biennium beginning July 1, 2023, that are eligible to be replaced with the state fiscal recovery federal fund, under Public Law 117-2, and its corresponding guidance consistent with the method used in paragraph (a). The commissioner must allocate $550,000,000 from the state fiscal recovery federal fund from the biennium beginning July 1, 2023, to replace the canceled general fund appropriations. The allocations made by the commissioner are appropriated in fiscal year 2024 from the state fiscal recovery federal fund and are available in either year of the biennium, but must be obligated by December 31, 2024. This is a onetime appropriation.

(c) Prior to implementing any appropriations or planning estimates under this subdivision, the commissioner of management and budget must submit the proposed appropriation and planning estimate changes to the Legislative Advisory Commission for review. Legislative Advisory Commission members have up to ten days to submit any recommendations regarding the appropriations to the commissioner.
Subd. 3. **General fund restoration.** If general fund appropriations in subdivisions 2 and 3 are reduced or replaced with state fiscal recovery federal fund appropriations, those state fiscal recovery federal fund appropriations are onetime for those years indicated, and the general fund appropriation base amounts are reinstated in subsequent fiscal years.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 4. **Suspension of Statutory Appropriation; American Rescue Plan Act State Fiscal Recovery Federal Fund.**

(a) Notwithstanding Minnesota Statutes, sections 3.3005 and 4.07, $1,150,000,000 of the federal funds received by the state of Minnesota from its state fiscal recovery federal fund allocation under Public Law 117-2, must not be spent except pursuant to a direct appropriation by law.

(b) If the funds in this section are not appropriated by the expiration of paragraph (a), the remaining funds in paragraph (a) are appropriated to the commissioner of management and budget. The commissioner of management and budget may transfer funds appropriated under this paragraph to state agencies as necessary. Before spending federal funds appropriated in this section, the commissioner of management and budget shall report allocations of funds appropriated under this section and their intended purpose to the Legislative Advisory Commission, consistent with the urgent federal funds request procedure under Minnesota Statutes, section 3.3005, subdivisions 4 and 5.

**EFFECTIVE DATE.** Paragraph (a) is effective the day following final enactment and is retroactive to May 17, 2021. Paragraph (a) expires June 15, 2022. Paragraph (b) is effective the day following final enactment.
