6.27 which consent may not be unreasonably withheld.

6.28 (4) Notwithstanding the provisions of this paragraph, a consumer may have nonwarranty

6.30 the selling dealer's consent.

6.31 (f) Nothing in this section diminishes the obligations of a manufacturer under an express
6.32 warranty issued by the manufacturer. The express warranties created by this section do not

require a dealer to repair or replace a covered part if the repair or replacement is covered by a manufacturer's new car warranty, or the manufacturer otherwise agrees to repair or replace the part.

(g) The express warranties created by this section do not cover defects or repair problems which result from collision, abuse, negligence, or lack of adequate maintenance following sale to the consumer.

(h) The terms of the express warranty, including the duration of the warranty and the parts covered, must be fully, accurately, and conspicuously disclosed by the dealer on the front of the Buyers Guide.
