need analysis. For dependent students, the assigned family responsibility is 79 percent of the parental contribution. If the parental contribution is less than \$0, the assigned family responsibility is 100 percent of the parental contribution. For independent students with dependents other than a spouse, the assigned family responsibility is 71 percent of the student contribution. For independent students without dependents other than a spouse, the assigned family responsibility is 35 percent of the student contribution. If the student contribution is less than \$0, the assigned family responsibility is 100 percent of the student contribution. For a student registering for less than full time, the office shall prorate the assigned family responsibility using the ratio of the number of credits the student is enrolled in to the number of credits for full-time enrollment.

- Sec. 3. Minnesota Statutes 2022, section 136A.101, subdivision 7, is amended to read:
- Subd. 7. **Student.** "Student" means a person who is enrolled for at least three credits one credit per term, in a program or course of study that applies to a degree, diploma, or certificate. Credit equivalencies assigned by an institution that are applicable to federal Pell grant calculations shall be counted as part of a student's credit load.
- Sec. 4. Minnesota Statutes 2022, section 136A.121, subdivision 6, is amended to read:
- Subd. 6. **Cost of attendance.** (a) The recognized cost of attendance consists of: (1) an allowance specified in law for living and miscellaneous expenses, and (2) an allowance for tuition and fees equal to the lesser of the average tuition and fees charged by the institution, or a tuition and fee maximum if one is established in law. If no living and miscellaneous expense allowance is established in law, the allowance is equal to  $\frac{109}{130}$  percent of the federal poverty guidelines for a one person household in Minnesota for nine months. If no tuition and fee maximum is established in law, the allowance for tuition and fees is equal to the lesser of: (1) the average tuition and fees charged by the institution, and (2) for two-year programs, an amount equal to the highest tuition and fees charged at a public two-year institution, or for four-year programs, an amount equal to the highest tuition and fees charged at a public university.
- (b) For a student registering for less than full time, the office shall prorate the cost of attendance to the actual number of credits for which the student is enrolled using the ratio of the number of credits the student is enrolled in to the number of credits for full-time enrollment.

- (c) The recognized cost of attendance for a student who is confined to a Minnesota correctional institution shall consist of the tuition and fee component in paragraph (a), with no allowance for living and miscellaneous expenses.
- (d) For the purpose of this subdivision, "fees" include only those fees that are mandatory and charged to full-time resident students attending the institution. Fees do not include charges for tools, equipment, computers, or other similar materials where the student retains ownership. Fees include charges for these materials if the institution retains ownership. Fees do not include optional or punitive fees.
- Sec. 5. Minnesota Statutes 2022, section 136A.121, subdivision 9, is amended to read:
  - Subd. 9. **Awards.** An undergraduate student who meets the office's requirements is eligible to apply for and receive a grant in any year of undergraduate study unless the student has obtained a baccalaureate degree or previously has been enrolled full time or the equivalent for eight semesters or the equivalent previously has received a state grant award for 180 credits or the equivalent, excluding (1) courses taken from a Minnesota school or postsecondary institution which is not participating in the state grant program and from which a student transferred no credit, and (2) courses taken that qualify as developmental education or below college-level. A student enrolled in a two-year program at a four-year institution is only eligible for the tuition and fee maximums established by law for two-year institutions.
- Sec. 6. Minnesota Statutes 2022, section 136A.121, subdivision 13, is amended to read:
- Subd. 13. **Deadline.** The deadline for the office to accept applications for state grants for a term is 30 days after the start of that term June 30 of the fiscal year for which the student applies for a grant.
- Sec. 7. Minnesota Statutes 2022, section 136A.1241, subdivision 5, is amended to read:
- Subd. 5. **Foster grant amount; payment; opt-out.** (a) Each student shall be awarded a foster grant based on the federal need analysis. Applicants are encouraged to apply for all other sources of financial aid. The amount of the foster grant must be equal to the applicant's recognized cost of attendance after deducting accounting for:
- 24.29 (1) the student aid index as calculated by results of the federal need analysis;
- 24.30 (2) the amount of a federal Pell Grant award for which the applicant is eligible;
- 24.31 (3) the amount of the state grant;

- 25.1 (4) the Federal Supplemental Educational Opportunity Grant;
- 25.2 (5) the sum of all Tribal scholarships;
- 25.3 (6) the amount of any other state and federal gift aid;
- 25.4 (7) the Education and Training Voucher Program;
- 25.5 (8) extended foster care benefits under section 260C.451;
- 25.6 (9) the amount of any private grants or scholarships, excluding grants and scholarships 25.7 provided by the private institution of higher education in which the eligible student is 25.8 enrolled; and
- 25.9 (10) for public institutions, the sum of all institutional grants, scholarships, tuition waivers, and tuition remission amounts.
- 25.11 (b) The foster grant shall be paid directly to the eligible institution where the student is enrolled.
  - (c) An eligible private institution may opt out of participating in the foster grant program established under this section. To opt out, the institution shall provide notice to the office by September 1 for the next academic year.
- 25.16 (d) An eligible private institution that does not opt out under paragraph (c) and accepts
  25.17 the student's application to attend the institution must provide institutional grants,
  25.18 scholarships, tuition waivers, or tuition remission in an amount equal to the difference
  25.19 between:
- 25.20 (1) the institution's cost of attendance as calculated under subdivision 4, paragraph (b), clause (1); and
- 25.22 (2) the sum of the foster grant under this subdivision and the sum of the amounts in paragraph (a), clauses (1) to (9).
  - (e) An undergraduate student who is eligible may apply for and receive a foster grant in any year of undergraduate study unless the student has obtained a baccalaureate degree or previously has been enrolled full time as defined in section 136A.101, subdivision 7a, or the equivalent for eight semesters or the equivalent, or received a foster grant for five years, whichever occurs first. A foster grant must not be awarded to a student for more than three years for a two-year degree, certificate, or diploma, or five years for a four-year undergraduate degree.

the office must use the same calculation it would for any other term.

- Sec. 8. Minnesota Statutes 2022, section 136A.125, subdivision 4, is amended to read:
- Subd. 4. Amount and length of grants. (a) The maximum award to the applicant shall be \$6,500 for each eligible child per academic year, except that the campus financial aid officer may apply to the office for approval to increase grants by up to ten percent to compensate for higher market charges for infant care in a community.
- (b) Applicants with expected family contributions at or below the qualifying expected family contribution as determined by the federal need analysis for the federal Pell Grant, as determined by the commissioner, qualify for the maximum award. Applicants with expected family contributions as determined by the federal need analysis exceeding that threshold but less than 200 percent of the qualifying expected family contribution receive an amount proportional to their expected family contribution as determined by the commissioner.
- (c) The academic year award amount must be disbursed by academic term using the following formula:
  - (1) the academic year amount described in paragraph (a);
- (2) divided by the number of terms in the academic year; and
- 26.20 (3) multiplied by the applicable enrollment factor:
  - (i) 1.00 for undergraduate students enrolled in 12 or more semester credits or the equivalent or for graduate students enrolled in six or more semester credits or the equivalent;
  - (ii) 0.75 for undergraduate students enrolled in nine, ten, or 11 semester credits or the equivalent or for graduate students enrolled in five semester credits or the equivalent;
- (iii) 0.50 for undergraduate students enrolled in six, seven, or eight semester credits or 26.25 the equivalent or for graduate students enrolled in three or four semester credits or the 26.26 equivalent; and 26.27
- (iv) 0.25 for undergraduate students enrolled in at least one but less than six semester 26.28 credits or the equivalent or for graduate students enrolled in one or two semester credits or 26.29 26.30 the equivalent.

#### Sec. 9. [136A.1251] STUDENT-PARENT SUPPORT INITIATIVE.

- Subdivision 1. Grants. (a) To address the needs and support the educational goals of expectant and parenting college students across Minnesota, the commissioner shall award grants and provide support services to institutions and partnering entities that assist expectant parents and parents of young children. Grants shall be awarded to postsecondary institutions, professional organizations, community-based organizations, or other applicants deemed appropriate by the commissioner. Grants must be used to offer services to support the academic goals, health, and well-being of student parents. Services and costs eligible for grant funding include but are not limited to:
- 27.13 (1) program development costs;
- (2) costs related to the start-up of on-campus child care; 27.14
- 27.15 (3) evaluation and data collection; and
- (4) direct assistance to student parents including: 27.16
- (i) scholarships; 27.17
- (ii) basic needs support; and 27.18
- (iii) expenses related to child care. 27.19
- (b) Postsecondary institutions may act as the fiscal agents in partnership with a local 27.20 nongovernmental agency, childcare center, or other organization that serves student parents. 27.21
- Subd. 2. Application process. The commissioner shall develop a grant application 27.22 process. The commissioner shall support projects in a manner that attempts to ensure eligible 27.23 students throughout the state have access to program services. 27.24
- Subd. 3. **Health-related supports.** The commissioner, in partnership with the Department 27.25 of Health, shall provide health-related supports. Activities for health-related supports include: 27.26
- (1) ensuring programs, services, and materials are medically accurate, age appropriate, 27.27 culturally and linguistically appropriate, and inclusive of all populations; 27.28
- 27.29 (2) working with community health care providers and other service support organizations that serve the target population for this program; and 27.30

28.11	Subd. 4. Award amount. (a) Each student shall be awarded a scholarship based on the
28.12	federal need analysis. Applicants are encouraged to apply for all other sources of financial
28.13	aid. The amount of the award must not exceed the applicant's cost of attendance, as defined
28.14	in subdivision 3, after deducting accounting for:
28.15	(1) the expected family contribution as calculated by results of the federal need analysis;
28.16	(2) the amount of a federal Pell Grant award for which the applicant is eligible;

28.22	(7) the amount of any other state and federal gift aid; and
28.23	(8) the amount of any private grants or scholarships.
28.24	(b) The award shall be paid directly to the postsecondary institution where the student
28.25	receives federal financial aid.
28.26	(c) Awards are limited as follows:
28.27	(1) the maximum award for an undergraduate is \$4,000 per academic year;
28.28	(2) the maximum award for a graduate student is \$6,000 per academic year; and
28.29	(3) the minimum award for all students is \$100 per academic year.

- (d) Scholarships may not be given to any Indian student for more than three years of study for a two-year degree, certificate, or diploma program or five years of study for a four-year degree program at the undergraduate level and for more than five years at the graduate level. Students may acquire only one degree per level and one terminal graduate degree. Scholarships may not be given to any student for more than ten years including five years of undergraduate study and five years of graduate study.
- (e) Scholarships may be given to an eligible student for four quarters, three semesters, or the equivalent during the course of a single fiscal year. In calculating the award amount, the office must use the same calculation it would for any other term.
- Sec. 11. Minnesota Statutes 2022, section 136A.1312, is amended to read:

#### 136A.1312 FINANCIAL AID ADMINISTRATOR, PROFESSIONAL JUDGMENT.

- Nothing in this chapter or in the office's rules shall be interpreted as limiting the ability of student financial aid administrators, on the basis of adequate documentation, to make necessary adjustments to the cost of attendance and expected family contribution emputations adjust a student's dependency status or elements of a student's cost of attendance for federal needs analysis calculation to allow for treatment of individual students with special circumstances, with the exception of the cost of attendance defined under section 136A.121, subdivision 6. In addition, nothing in this chapter or in the office's rules shall be interpreted as limiting the ability of the student financial aid administrator to use supplementary information about the financial status of eligible applicants with special circumstances in selecting recipients of state financial aid and determining the amount of awards. Nothing in this section precludes a financial aid administrator from establishing an appeals process for other extenuating circumstances.
- Sec. 12. Minnesota Statutes 2022, section 136A.1796, is amended to read:

(c) "Nonbeneficiary student" means a resident of Minnesota who is enrolled <u>in a certificate</u>, <u>diploma</u>, <u>or degree program</u> in a Tribally controlled college but is not an enrolled member of a federally recognized Indian Tribe.

- (e) (d) "Tribally controlled college" means an accredited institution of higher education located in this state that is formally controlled by or has been formally sanctioned or chartered by the governing body of a federally recognized Indian Tribe, or a combination of federally recognized Indian Tribes. Tribally controlled college does not include any institution or campus subject to the jurisdiction of the Board of Trustees of the Minnesota State Colleges and Universities or the Board of Regents of the University of Minnesota.
- Subd. 2. **Eligibility; grant assistance.** (a) A Tribally controlled college is eligible to receive supplemental grant assistance from the office, as provided in this section, for beneficiary and nonbeneficiary student enrollment if the college is not otherwise eligible to receive federal grant funding for those students under United States Code, title 25, section 1808.
- (b) The office shall make grants to Tribally controlled colleges to defray the costs of education associated with the enrollment of <u>beneficiary and nonbeneficiary students</u>. Grants made pursuant to this section must be provided directly to the recipient college.
- Subd. 3. **Grant application.** To receive a grant under this section, a Tribally controlled college must submit an application in the manner required by the office. Upon submission of a completed application indicating that the Tribally controlled college is eligible, the office shall distribute to the college, during each year of the biennium, a grant of \$5,300 equal to the highest tuition and fees charged at a public two-year institution for each beneficiary and nonbeneficiary student on a full-time equivalent basis. If the amount appropriated for grants under this section is insufficient to cover the total amount of grant eligibility, the office shall distribute a prorated amount per beneficiary and nonbeneficiary student on a full-time equivalent basis.
- Subd. 4. **Reporting by recipient institutions.** Each Tribally controlled college receiving a grant under this section shall provide to the office, on an annual basis, an accurate and detailed account of the expenditures of the grant funds received by the college, and a copy of the college's most recent audit report and documentation of the enrollment status and ethnic status of each <u>beneficiary and</u> nonbeneficiary student for which grant assistance is sought under this section.

equal dollar amount of grants for training for employees whose work site is projected to be outside the metropolitan area as defined in section 473.121, subdivision 2, as for employees

whose work site is projected to be within the metropolitan area.

- (b) In determining the award of grants, the commissioner must consider, among other 31.6 factors: 31.7
- (1) the aggregate state and regional need for employees with the competency to be 31.8 trained; 31.9
- (2) the competency standards developed by the commissioner of labor and industry as 31.10 part of the Minnesota PIPELINE Project dual-training pipeline program; 31.11

### Sec. 16. [136A.84] DIRECT ADMISSIONS PROGRAM.

Subdivision 1. **Authorization.** The commissioner shall administer the direct admissions program in consultation with stakeholders, including Minnesota State Colleges and Universities, the University of Minnesota, the Student Advisory Council under section 136A.031, the Minnesota Department of Education, the Minnesota Association of Secondary School Principals, and the Minnesota School Board Association, to automatically offer conditional admission into Minnesota public colleges and universities to Minnesota high school seniors based on a student's high school grade point average, high school and college transcript information, standardized tests, statewide assessments, and other measures as determined by stakeholders.

Subd. 2. Implementation. The program shall establish and, to the extent feasible, implement a process for leveraging existing kindergarten through grade 12 and higher education student information systems to automate the admissions process for students. The program must specifically evaluate the impact this process has on outcomes for students with lower levels of college knowledge, low-income students, and students from populations underserved in higher education. The office shall attempt to achieve statewide representation and may prioritize program participants to include high schools with a significant number of students of color, low-income students, or both.

Subd. 3. **Report.** Annually, by February 1, the Office of Higher Education shall report to the legislative committees with jurisdiction over kindergarten through grade 12 education finance and policy and higher education on activities occurring under this section. The report must include but is not limited to information about implementation, recommendations, and outcomes.

## Sec. 17. STATE GRANT FISCAL YEAR 2024 AND 2025 LIVING AND

#### MISCELLANEOUS EXPENSES.

Notwithstanding Minnesota Statutes, section 136A.121, subdivision 7a, the living and miscellaneous expense allowance for fiscal years 2024 and 2025 is equal to 120 percent of the federal poverty guidelines for a one-person household in Minnesota for nine months.
