(c) The commissioner may also make a grant to an applicant to fill a site that would represent more than 50 percent of the remaining land in a city suitable for industrial development if it were properly filled. (d) The determination of whether to make a grant for a qualifying site is within the sole discretion of the commissioner, subject to the process provided by this section, and available unencumbered money in the appropriation. Subdivision 1. **Priorities.** (a) The legislature expects that applications for grants will exceed the available appropriations and the agency will be able to provide grants to only some of the applicant development authorities.

(b) If applications for grants for qualified sites exceed the available appropriations, the agency shall make grants for sites that, in the commissioner's judgment, provide the highest return in public benefits for the public costs incurred and that meet all the requirements provided by law. In making this judgment, the commissioner shall consider the following factors:

(1) the recommendations or ranking of projects by the commissioner of the Pollution Control Agency regarding the potential threat to public health and the environment that would be reduced or eliminated by completion of each of the response action plans;

(2) the potential increase in the property tax base of the local taxing jurisdictions, considered relative to the fiscal needs of the jurisdictions, that will result from developments that will occur because of completion of each of the response action plans;

(3) the social value to the community of the cleanup and redevelopment of the site, including the importance of development of the proposed public facilities on each of the sites;

(4) the probability that each site will be cleaned up without use of government money in the reasonably foreseeable future by considering but not limited to the current market value of the site versus the cleanup cost;

(5) the amount of cleanup costs for each site; and

(6) the amount of the commitment of municipal or other local resources to pay for the cleanup costs.

The factors are not listed in a rank order of priority; rather the commissioner may weigh each factor, depending upon the facts and circumstances, as the commissioner considers appropriate. The commissioner may consider other factors that affect the net
return of public benefits for completion of the response action plan. The commissioner, 
notwithstanding the listing of priorities and the goal of maximizing the return of public 
benefits, shall make grants that distribute available money to sites both within and outside 
of the metropolitan area. The commissioner shall provide a written statement of the 
supporting reasons for each grant. Unless sufficient applications are not received for 
qualifying sites outside of the metropolitan area, at least 25% of the money 
provided as grants must be made for sites located outside of the metropolitan area. 

**EFFECTIVE DATE.** This section is effective the day following final enactment.

in effect and is not voided by the withdrawal of the benefit account. A determination of
ineligibility requiring subsequent earnings to satisfy the period of ineligibility under
section 268.095, subdivision 10, applies to the weekly unemployment benefit amount on
the new benefit account.

(d) An application for unemployment benefits is not allowed before the Sunday
following the expiration of the benefit year on a prior benefit account. Except as allowed
under paragraph (b) (c), an applicant may establish only one benefit account each 52
calendar weeks.

Sec. 7. Minnesota Statutes 2008, section 268.085, subdivision 3, is amended to read:

Subd. 3. Payments that delay unemployment benefits. (a) An applicant is not
eligible to receive unemployment benefits for any week with respect to which the applicant
is receiving, has received, or has filed for payment, equal to or in excess of the applicant's
weekly unemployment benefit amount, in the form of:

(1) vacation pay paid upon temporary, indefinite, or seasonal separation. This clause
does not apply to (i) vacation pay paid upon a permanent separation from employment, or
(ii) vacation pay paid from a vacation fund administered by a union or a third party not
under the control of the employer;

(2) severance pay, bonus pay, sick pay, and any other payments, except earnings
under subdivision 5, and back pay under subdivision 6, paid by an employer because of,
upon, or after separation from employment, but only if the payment is considered wages at
the time of payment under section 268.035, subdivision 29; or
(3) pension, retirement, or annuity payments from any plan contributed to by a base period employer including the United States government, except Social Security benefits that are provided for in subdivision 4. The base period employer is considered to have contributed to the plan if the contribution is excluded from the definition of wages under section 268.035, subdivision 29, clause (1).

If the pension, retirement, or annuity payment is paid in a lump sum, an applicant is not considered to have received the lump sum payment if (i) the applicant immediately deposits that payment in a qualified pension plan or account, or (ii) that payment is an early distribution for which the applicant paid an early distribution penalty under the Internal Revenue Code, United States Code, title 26, section 72(t)(1).

(b) This subdivision applies to all the weeks of payment. Payments under paragraph (a), clauses (1) and (2), clause (1), are applied to the period immediately following the last day of employment. The number of weeks of payment is determined as follows:

(1) if the payments are made periodically, the total of the payments to be received is divided by the applicant's last level of regular weekly pay from the employer; or

(2) if the payment is made in a lump sum, that sum is divided by the applicant's last level of regular weekly pay from the employer.

(c) If the payment is less than the applicant's weekly unemployment benefit amount, unemployment benefits are reduced by the amount of the payment. If the computation of reduced unemployment benefits is not a whole dollar, it is rounded down to the next lower whole dollar.

**EFFECTIVE DATE.** This section is effective the day following final enactment and is retroactive to December 1, 2008.
(2) applied to unemployment benefit overpayments resulting from the payment of the back pay; and

(3) credited to the maximum amount of unemployment benefits available to the applicant in a benefit year that includes the weeks for which back pay was deducted.

(c) Unemployment benefits paid the applicant must be removed from the computation of the tax rate for taxpaying employers and removed from the reimbursable account for nonprofit and government employers that have elected to be liable for reimbursements in the calendar quarter the trust fund receives payment.

(d) Payments to the trust fund under this subdivision are considered as made by the applicant.

Sec. 9. Minnesota Statutes 2008, section 268.085, subdivision 15, is amended to read:

Subd. 15. Available for suitable employment defined. (a) "Available for suitable employment" means an applicant is ready and willing to accept suitable employment in the labor market area. The attachment to the work force must be genuine. An applicant may restrict availability to suitable employment, but there must be no other restrictions, either self-imposed or created by circumstances, temporary or permanent, that prevent accepting suitable employment.

(b) To be considered "available for suitable employment," a student must be willing to quit school to accept suitable employment.

(c) An applicant who is absent from the labor market area for personal reasons, other than to search for work, is not "available for suitable employment."

(d) An applicant who has restrictions on the hours of the day or days of the week that the applicant can or will work, that are not normal for the applicant's usual occupation or other suitable employment, is not "available for suitable employment." An applicant must be available for daytime employment, if suitable employment is performed during the daytime, even though the applicant previously worked the night shift.

(e) An applicant must have transportation throughout the labor market area to be considered "available for suitable employment."

Sec. 10. [268.088] BENEFITS PAID DURING CERTAIN VOLUNTARY UNEMPLOYMENT.

(a) An applicant who elects to become temporarily unemployed in order to avoid the layoff of another employee with the applicant's employer due to lack of work is not ineligible for benefits under the leave of absence provisions of section 268.085, subdivision 13a, nor ineligible under the quit provisions of section 268.095, if:
(1) the election is authorized under a collective bargaining agreement or written employer policy;

(2) the employer has accepted the applicant's election;

(3) the employer provides a written certification that is provided to the department that the applicant's election prevented another employee with the employer from being laid off due to lack of work; and

(4) both the applicant and the employer, at the time of the election, expect the applicant's unemployment from the employer to be temporary.

Sec. 11. Minnesota Statutes 2008, section 268.095, subdivision 1, is amended to read:

Subdivision 1. Quit. An applicant who quit employment is ineligible for all unemployment benefits according to subdivision 10 except when:

(1) the applicant quit the employment because of a good reason caused by the employer as defined in subdivision 3;

(2) the applicant quit the employment to accept other covered employment that provided substantially better terms and conditions of employment, but the applicant did not work long enough at the second employment to have sufficient subsequent earnings to satisfy the period of ineligibility that would otherwise be imposed under subdivision 10 for quitting the first employment;

(3) the applicant quit the employment within 30 calendar days of beginning the employment because the employment was unsuitable for the applicant;

(4) the employment was unsuitable for the applicant and the applicant quit to enter reemployment assistance training;

(5) the employment was part time and the applicant also had full-time employment in the base period, from which full-time employment the applicant separated because of reasons for which the applicant was held not to be ineligible, and the wage credits from the full-time employment are sufficient to meet the minimum requirements to establish a benefit account under section 268.07;

(6) the applicant quit because the employer notified the applicant that the applicant was going to be laid off because of lack of work within 30 calendar days. An applicant who quit employment within 30 calendar days of a notified date of layoff because of lack of work is ineligible for unemployment benefits through the end of the week that includes the scheduled date of layoff;
(7) the applicant quit the employment because the applicant's serious illness or injury made it medically necessary that the applicant quit, provided that the applicant inform the employer of the serious illness or injury and request accommodation and no reasonable accommodation is made available.

If the applicant's serious illness is chemical dependency, this exception does not apply if the applicant was previously diagnosed as chemically dependent or had treatment for chemical dependency, and since that diagnosis or treatment has failed to make consistent efforts to control the chemical dependency.

This exception raises an issue of the applicant's being able to work available for suitable employment under section 268.085, subdivision 1, that the commissioner shall determine;

(8) the applicant's loss of child care for the applicant's minor child caused the applicant to quit the employment, provided the applicant made reasonable effort to obtain other child care and requested time off or other accommodation from the employer and no reasonable accommodation is available.

This exception raises an issue of the applicant's availability being available for suitable employment under section 268.085, subdivision 1, that the commissioner shall determine; or

(9) domestic abuse of the applicant or the applicant's minor child, necessitated the applicant's quitting the employment. Domestic abuse must be shown by one or more of the following:

(i) a district court order for protection or other documentation of equitable relief issued by a court;

(ii) a police record documenting the domestic abuse;

(iii) documentation that the perpetrator of the domestic abuse has been convicted of the offense of domestic abuse;

(iv) medical documentation of domestic abuse; or

(v) written statement that the applicant or the applicant's minor child is a victim of domestic abuse, provided by a social worker, member of the clergy, shelter worker, attorney at law, or other professional who has assisted the applicant in dealing with the domestic abuse.

Domestic abuse for purposes of this clause is defined under section 518B.01.

Sec. 12. Minnesota Statutes 2008, section 268.095, subdivision 2, is amended to read:

Subd. 2. Quit defined. (a) A quit from employment occurs when the decision to end the employment was, at the time the employment ended, the employee's.
(b) An employee who has been notified that the employee will be discharged in the future, who chooses to end the employment while employment in any capacity is still available, is considered to have quit the employment.

(c) An employee who seeks to withdraw a previously submitted notice of quitting is considered to have quit the employment if the employer does not agree that the notice may be withdrawn.

(d) An applicant who, within five calendar days after completion of a suitable temporary job assignment from a staffing service employer, (1) fails without good cause to affirmatively request an additional job assignment, or (2) refuses without good cause an additional suitable job assignment offered, or (3) accepts employment with the client of the staffing service, is considered to have quit employment with the staffing service.

Accepting employment with the client of the staffing service meets the requirements of the exception to ineligibility under subdivision 1, clause (2).

This paragraph applies only if, at the time of beginning of employment with the staffing service employer, the applicant signed and was provided a copy of a separate document written in clear and concise language that informed the applicant of this paragraph and that unemployment benefits may be affected.

For purposes of this paragraph, "good cause" is a reason that is significant and would compel an average, reasonable worker, who would otherwise want an additional temporary job assignment with the staffing service employer, (1) to fail to contact the staffing service employer, or (2) to refuse an offered assignment.

For purposes of this paragraph, a "staffing service employer" is an employer whose business involves employing individuals directly for the purpose of furnishing temporary job assignment workers to clients of the staffing service.

Sec. 13. Minnesota Statutes 2008, section 268.103, is amended by adding a subdivision to read:

Subd. 2a. **Employer-agent appeals filed online.** (a) If an agent files an appeal on behalf of an employer, the appeal must be filed online. The appeal must be filed through the electronic address provided on the determination being appealed. Use of another method of filing does not constitute an appeal. This paragraph does not apply to an employee filing an appeal on behalf of an employer.

(b) All information requested when the appeal is filed must be supplied or the communication does not constitute an appeal.

Sec. 14. Minnesota Statutes 2008, section 268.18, subdivision 4a, is amended to read:
Subd. 4a. **Court fees; collection fees.** (a) If the commissioner is required to pay any court fees in an attempt to enforce collection of overpaid unemployment benefits, penalties, or interest, the commissioner may add the amount of the court fees to the total amount due.

(b) If an applicant who has been determined overpaid unemployment benefits because of fraud seeks to have any portion of the debt discharged under the federal bankruptcy code, and the commissioner files an objection in bankruptcy court to the discharge, the commissioner may add the commissioner's cost of any court fees to the debt if the bankruptcy court does not discharge the debt.

(c) If the Internal Revenue Service assesses the commissioner a fee for offsetting from a federal tax refund the amount of any fraud overpayment, including penalties and interest, the amount of the fee may be added to the total amount due. The offset amount must be put in the trust fund and that amount credited to the total amount due from the applicant.

Sec. 15. Minnesota Statutes 2008, section 268.186, is amended to read:

**268.186 RECORDS; AUDITS.**

(a) Each employer must keep true and accurate records for the periods of time and containing the information the commissioner may require by rule. For the purpose of administering this chapter, the commissioner has the power to audit, examine, or cause to be supplied or copied, any books, correspondence, papers, records, or memoranda that are relevant, whether the books, correspondence, papers, records, or memoranda are the property of or in the possession of the employer or any other person at any reasonable time and as often as may be necessary.

(b) Any employer that refuses to allow an audit of its records by the department, or that fails to make all necessary records available for audit in Minnesota upon request of the commissioner, may be assessed an administrative penalty of $500. An employer that fails to provide a weekly breakdown of money earned by an applicant upon request of the commissioner, information necessary for the detection of applicant fraud under section 268.18, subdivision 2, may be assessed an administrative penalty of $100. Any notice requesting a weekly breakdown must clearly state that a $100 penalty may be assessed for failure to provide the information. The penalty collected is credited to the administration account to be used by the commissioner to ensure integrity in the administration of the unemployment insurance program trust fund.

(c) The commissioner may make summaries, compilations, photographs, duplications, or reproductions of any records, or reports that the commissioner considers advisable for the preservation of the information contained therein. Any summaries,
compilations, photographs, duplications, or reproductions is admissible in any proceeding under this chapter. The commissioner may duplicate records, reports, summaries, compilations, instructions, determinations, or any other written or recorded matter pertaining to the administration of this chapter.

(d) Regardless of any law to the contrary, the commissioner may provide for the destruction of any records, reports, or reproductions, or other papers that are no longer necessary for the administration of this chapter, including any required audit. In addition, the commissioner may provide for the destruction or disposition of any record, report, or other paper from which the information has been electronically captured and stored, or that has been photographed, duplicated, or reproduced.

Sec. 16. ENTREPRENEURSHIP FOR DISLOCATED WORKERS.

Subdivision 1. Authorization. Minnesota has been awarded a federal grant by the United States Department of Labor under the Project GATE (Growing America Through Entrepreneurship) program to assist certain dislocated workers in starting a business.

Providing unemployment benefits while the dislocated worker is receiving services such as entrepreneurial training, business counseling, and technical assistance will assist in the success of this pilot project. In order to provide unemployment benefits, the commissioner of employment and economic development is authorized to waive the availability for suitable employment requirements of Minnesota Statutes, section 268.085, subdivision 1, as well as the earnings deductibility provisions of Minnesota Statutes, section 268.085, subdivision 5, for individuals enrolled in this pilot project.

Subd. 2. Limitations. A maximum of 500 applicants for unemployment benefits are authorized to receive a waiver.

Subd. 3. Expiration date. The authorization under subdivision 1 expires June 30, 2012.

Sec. 17. EFFECTIVE DATE.

Sections 1 to 6, 8 to 12, 14, and 15 are effective August 2, 2009, and apply to all department determinations and unemployment law judge decisions issued on or after that date. Section 13 is effective April 1, 2010, and applies to all department determinations and unemployment law judge decisions issued on or after that date. Section 7 is effective retroactively from December 1, 2008. Section 16 is effective the day following final enactment.
ARTICLE 4
UNEMPLOYMENT INSURANCE TECHNICAL CHANGES

Section 1. Minnesota Statutes 2008, section 268.031, is amended to read:

268.031 STANDARD OF PROOF.

Subdivision 1. Standard of proof. All issues of fact under the Minnesota
Unemployment Insurance Law are determined by a preponderance of the evidence.
Preponderance of the evidence means evidence in substantiation of a fact that, when
weighed against the evidence opposing the fact, is more convincing and has a greater
probability of truth.

Subd. 2. Statutory application. This chapter is remedial in nature and must be
applied in favor of awarding unemployment benefits. Any legal conclusion that results in
an applicant being ineligible for unemployment benefits must be fully supported by the
facts. In determining eligibility or ineligibility for benefits, any statutory provision that
would preclude an applicant from receiving benefits must be narrowly construed.

Sec. 2. [268.034] COMPUTATIONS OF MONEY ROUNDED DOWN.

Computations of money required under this chapter that do not result in a whole
dollar are rounded down to the next lower whole dollar, unless specifically provided
otherwise by law.

Sec. 3. Minnesota Statutes 2008, section 268.035, subdivision 2, is amended to read:

Subd. 2. Agricultural employment. "Agricultural employment" means services:

(1) on a farm, in the employ of any person or family farm corporation in connection
with cultivating the soil, or in connection with raising or harvesting any agricultural or
horticultural commodity, including the raising, shearing, feeding, caring for, training, and
management of livestock, bees, poultry, fur-bearing animals, and wildlife;

(2) in the employ of the owner or tenant or other operator of a farm, in connection
with the operation, management, conservation, improvement, or maintenance of the farm
and its tools and equipment, or in salvaging timber or clearing land of brush and other
debris left by a tornado-like storm, if the major part of the employment is performed
on a farm;

(3) in connection with the production or harvesting of any commodity defined as
an agricultural product in United States Code, title 7, section 1626 of the Agricultural
Marketing Act, or in connection with cotton ginning, or in connection with the operation
or maintenance of ditches, canals, reservoirs, or waterways, not owned or operated for
profit, used exclusively for supplying and storing water for farming purposes;
(4) in the employ of the operator of a farm in handling, planting, drying, packing,
packaging, processing, freezing, grading, storing, or delivering to storage or to market
or to a carrier for transportation to market, in its unmanufactured state, any agricultural
or horticultural commodity; but only if the operator produced more than one-half of
the commodity with respect to which the employment is performed, or in the employ
of a group of operators of farms or a cooperative organization of which the operators
are members, but only if the operators produced more than one-half of the commodity
with respect to which the employment is performed; however, this clause shall not
be applicable to employment performed in connection with commercial canning or
commercial freezing or in connection with any agricultural or horticultural commodity
after its delivery to a terminal market for distribution for consumption; or
(5) on a farm operated for profit if the employment is not in the course of the
employer's trade or business.
For purposes of this subdivision, the term "farm" includes stock, dairy, poultry, fruit,
fur-bearing animals, and truck farms, plantations, ranches, nurseries, orchards, ranges,
greenhouses, or other similar structures used primarily for the raising of agricultural or
horticultural commodities.

Sec. 4. Minnesota Statutes 2008, section 268.035, is amended by adding a subdivision
to read:

Subd. 9a. Construction; independent contractor. For purposes of this chapter,
section 181.723 determines whether a worker is an independent contractor or an employee
when performing public or private sector commercial or residential building construction
or improvement services.

Sec. 5. Minnesota Statutes 2008, section 268.035, is amended by adding a subdivision
to read:

Subd. 12c. Determination. "Determination" means a document sent to an applicant
or employer by mail or electronic transmission that is an initial department ruling on a
specific issue. All documents that are determinations under this chapter use that term in
the title of the document and are appealable to an unemployment law judge under section
268.105, subdivision 1.

Sec. 6. Minnesota Statutes 2008, section 268.035, subdivision 17, is amended to read:
Subd. 17. Filing; filed. "Filing" or "filed" means the personal delivery of any document an application, appeal, or other required action to the commissioner or any of the commissioner's agents, or the depositing of the document if done by mail, deposited in the United States mail properly addressed to the department with postage prepaid, in which case the document is considered filed on the day indicated by the cancellation mark of the United States Postal Service.

If, where allowed, an application, appeal, or other required action is made by electronic transmission, it is considered filed on the day received by the department.

Sec. 7. Minnesota Statutes 2008, section 268.035, is amended by adding a subdivision to read:

Subd. 20a. Preponderance of the evidence. "Preponderance of the evidence" means evidence in substantiation of a fact that, when weighed against the evidence opposing the fact, is more convincing and has a greater probability of truth.

Sec. 8. Minnesota Statutes 2008, section 268.042, subdivision 3, is amended to read:

Subd. 3. Election to have noncovered employment considered covered employment. (a) Any employer that has employment performed for it that is noncovered employment under section 268.035, subdivision 20, may file with the commissioner, by electronic transmission in a format prescribed by the commissioner, an election that all employees in that class of employment, in one or more distinct establishments or places of business, is considered covered employment for not less than two calendar years.

The commissioner has discretion on the approval of any election. Upon the approval of the commissioner, sent by mail or electronic transmission, the employment constitutes covered employment beginning the calendar quarter after the date of approval or beginning a later calendar quarter if requested by the employer. The employment ceases to be considered covered employment as of the first day of January of any calendar year only if at least 30 calendar days before the first day of January the employer has filed with the commissioner, by electronic transmission in a format prescribed by the commissioner, a notice to that effect.

(b) The commissioner must terminate any election agreement under this subdivision upon 30 calendar days' notice sent by mail or electronic transmission, if the employer is delinquent on any taxes due or reimbursements due the trust fund.

Sec. 9. Minnesota Statutes 2008, section 268.043, is amended to read:

268.043 DETERMINATIONS OF COVERAGE.
(a) The commissioner, upon the commissioner's own motion or upon application of a person, shall must determine if that person is an employer or whether services performed for it constitute employment and covered employment, or whether the any compensation for services constitutes wages, and notify the person of the determination. The determination is final unless the person files an appeal within 20 calendar days after sending of the determination the commissioner sends the determination by mail or electronic transmission; files an appeal. Proceedings on the appeal are conducted in accordance with section 268.105.

(b) No person may be initially determined an employer, or that services performed for it were in employment or covered employment, for periods more than four years before the year in which the determination is made, unless the commissioner finds that there was fraudulent action to avoid liability under this chapter.

Sec. 10. Minnesota Statutes 2008, section 268.044, subdivision 2, is amended to read:

Subd. 2. Failure to timely file report; late fees. (a) Any employer that fails to submit the quarterly wage detail report when due must pay a late fee of $10 per employee, computed based upon the highest of:

1. the number of employees reported on the last wage detail report submitted;
2. the number of employees reported in the corresponding quarter of the prior calendar year; or
3. if no wage detail report has ever been submitted, the number of employees listed at the time of employer registration.

The late fee is waived canceled if the wage detail report is received within 30 calendar days after a demand for the report is sent to the employer by mail or electronic transmission. A late fee assessed an employer may not be waived canceled more than twice each 12 months. The amount of the late fee assessed may not be less than $250.

(b) If the wage detail report is not received in a manner and format prescribed by the commissioner within 30 calendar days after demand is sent under paragraph (a), the late fee assessed under paragraph (a) doubles and a renewed demand notice and notice of the increased late fee will be sent to the employer by mail or electronic transmission.

(c) Late fees due under this subdivision may be compromised canceled, in whole or in part, under section 268.067 268.066 where good cause for late submission is found by the commissioner.

Sec. 11. Minnesota Statutes 2008, section 268.047, subdivision 1, is amended to read:
Subdivision 1. **General rule.** Unemployment benefits paid to an applicant, including extended and shared work benefits, will be used in computing the future tax rate of a taxpaying base period employer or charged to the reimbursable account of a base period nonprofit or government employer that has elected to be liable for reimbursements except as provided in subdivisions 2 and 3. The amount of unemployment benefits used in computing the future tax rate of taxpaying employers or charged to the reimbursable account of a nonprofit or government employer that has elected to be liable for reimbursements is the same percentage of the total amount of unemployment benefits paid as the percentage of wage credits from the employer is of the total amount of wage credits from all the applicant's base period employers.

In making computations under this subdivision, the amount of wage credits, if not a whole dollar, must be computed to the nearest whole dollar.

Sec. 12. Minnesota Statutes 2008, section 268.047, subdivision 2, is amended to read:

**Subd. 2. Exceptions for all employers.** Unemployment benefits paid will not be used in computing the future tax rate of a taxpaying base period employer or charged to the reimbursable account of a base period nonprofit or government employer that has elected to be liable for reimbursements when:

(1) the applicant was discharged from the employment because of aggravated employment misconduct as determined under section 268.095. This exception applies only to unemployment benefits paid for periods after the applicant's discharge from employment;

(2) an applicant's discharge from that employment occurred because a law required removal of the applicant from the position the applicant held;

(3) the employer is in the tourist or recreation industry and is in active operation of business less than 15 calendar weeks each year and the applicant's wage credits from the employer are less than 600 times the applicable state or federal minimum wage;

(4) (3) the employer provided regularly scheduled part-time employment to the applicant during the applicant's base period and continues to provide the applicant with regularly scheduled part-time employment during the benefit year of at least 90 percent of the part-time employment provided in the base period, and is an involved employer because of the applicant's loss of other employment. This exception terminates effective the first week that the employer fails to meet the benefit year employment requirements. This exception applies to educational institutions without consideration of the period between academic years or terms;
(4) the employer is a fire department or firefighting corporation or operator of a life-support transportation service, and continues to provide employment for the applicant as a volunteer firefighter or a volunteer ambulance service personnel during the benefit year on the same basis that employment was provided in the base period. This exception terminates effective the first week that the employer fails to meet the benefit year employment requirements;

(5) the applicant's unemployment from this employer was a direct result of the condemnation of property by a governmental agency, a fire, flood, or act of nature, where 25 percent or more of the employees employed at the affected location, including the applicant, became unemployed as a result. This exception does not apply where the unemployment was a direct result of the intentional act of the employer or a person acting on behalf of the employer;

(6) the unemployment benefits were paid by another state as a result of the transferring of wage credits under a combined wage arrangement provided for in section 268.131;

(7) the applicant stopped working because of a labor dispute at the applicant's primary place of employment if the employer was not a party to the labor dispute;

(8) the unemployment benefits were determined overpaid unemployment benefits under section 268.18;

(9) the applicant was employed as a replacement worker, for a period of six months or longer, for an employee who is in the military reserve and was called for active duty during the time the applicant worked as a replacement, and the applicant was laid off because the employee returned to employment after active duty; or

(10) the trust fund was reimbursed for the unemployment benefits by the federal government.

Sec. 13. Minnesota Statutes 2008, section 268.051, subdivision 1, is amended to read:

Subdivision 1. Payments. (a) Unemployment insurance taxes and any special assessments, fees, or surcharges accrue and become payable by each employer for each calendar year on the taxable wages that the employer paid to employees in covered employment, except for:

(1) nonprofit organizations that elect to make reimbursements as provided in section 268.053; and

(2) the state of Minnesota and political subdivisions that make reimbursements, unless they elect to pay taxes as provided in section 268.052.
Each employer must pay taxes quarterly, at the employer's assigned tax rate under subdivision 6, on the taxable wages paid to each employee. The commissioner must compute the tax due from the wage detail report required under section 268.044 and notify the employer of the tax due. The taxes and any special assessments, fees, or surcharges must be paid to the trust fund and must be received by the department on or before the last day of the month following the end of the calendar quarter.

(b) The tax amount computed, if not a whole dollar, is rounded down to the next lower whole dollar.

c If for any reason the wages on the wage detail report under section 268.044 are adjusted for any quarter, the commissioner must recompute the taxes due for that quarter and assess the employer for any amount due or credit the employer as appropriate.

Sec. 14. Minnesota Statutes 2008, section 268.051, subdivision 4, is amended to read:

Subd. 4. Experience rating history transfer. (a) When:

(1) a taxpaying employer acquires all of the organization, trade or business, or workforce of another taxpaying employer; and

(2) there is 25 percent or more common ownership or there is substantially common management or control between the predecessor and successor, the experience rating history of the predecessor employer is transferred to the successor employer.

(b) When:

(1) a taxpaying employer acquires a portion, but less than all, of the organization, trade or business, or workforce of another taxpaying employer; and

(2) there is 25 percent or more common ownership or there is substantially common management or control between the predecessor and successor, the successor employer acquires, as of the date of acquisition, the experience rating history attributable to the portion it acquired, and the predecessor employer retains the experience rating history attributable to the portion that it has retained. If the commissioner determines that sufficient information is not available to substantiate that a distinct severable portion was acquired and to assign the appropriate distinct severable portion of the experience rating history, the commissioner shall must assign the successor employer that percentage of the predecessor employer's experience rating history equal to that percentage of the employment positions it has obtained, and the predecessor employer retains that percentage of the experience rating history equal to the percentage of the employment positions it has retained.
The term "common ownership" for purposes of this subdivision includes ownership by a spouse, parent, grandparent, child, grandchild, brother, sister, aunt, uncle, niece, nephew, or first cousin, by birth or by marriage.

(d) Each successor employer that is subject to paragraph (a) or (b) must notify the commissioner of the acquisition by electronic transmission, in a format prescribed by the commissioner, within 30 calendar days of the date of acquisition. Any successor employer that fails to notify the commissioner is subject to the penalties under section 268.184, subdivision 1a, if the successor's experience rating assigned tax rate under subdivision 2 or 5 was lower than the predecessor's experience rating assigned tax rate at the time of the acquisition. Payments made toward the penalties are credited to the administration account to be used to ensure integrity in the unemployment insurance program.

(e) If the successor employer under paragraphs (a) and (b) had an experience rating at the time of the acquisition, the transferred experience rating history of the predecessor is combined with the successor's experience rating history for purposes of recomputing a tax rate.

(f) If there has been a transfer of an experience rating history under paragraph (a) or (b), employment with a predecessor employer is not considered to have been terminated if similar employment is offered by the successor employer and accepted by the employee.

(g) The commissioner, upon notification of an employer, or upon the commissioner's own motion if the employer fails to provide the required notification, shall must determine if an employer is a successor within the meaning of this subdivision. The commissioner shall must, after determining the issue of succession or nonsuccession, recompute the tax rate under subdivision 6 of all employers affected. The commissioner shall must send the recomputed tax rate to all affected employers by mail or electronic transmission. Any affected employer may appeal the recomputed tax rate in accordance with the procedures in subdivision 6, paragraph (c).

(h) The "experience rating history" for purposes of this subdivision and subdivision 4a means the amount of unemployment benefits paid and the taxable wages that are being used and would be used in computing the current and any future experience rating.

For purposes of this chapter, an "acquisition" means anything that results in the obtaining by the successor employer, in any way or manner, of the organization, trade or business, or workforce of the predecessor employer.

A "distinct severable portion" in paragraph (b) means a location or unit separately identifiable within the employer's wage detail report under section 268.044.

(i) Regardless of the ownership, management, or control requirements of paragraph (a), if there is an acquisition or merger of a publicly held corporation by or with another
publicly held corporation the experience rating histories of the corporations are combined
as of the date of acquisition or merger for the purpose of recomputing a tax rate.

Sec. 15. Minnesota Statutes 2008, section 268.057, subdivision 4, is amended to read:

Subd. 4. Costs. (a) Any person employer, and any applicant subject to section
268.18, subdivision 2, that fails to pay any amount when due under this chapter is liable
for any filing fees, recording fees, sheriff fees, costs incurred by referral to any public
or private collection agency, or litigation costs, including attorney fees, incurred in the
collection of the amounts due.
(b) If any tendered payment of any amount due is not honored when presented to
a financial institution for payment, any costs assessed the department by the financial
institution and a fee of $25 must be assessed to the person.
(c) Costs and fees collected under this subdivision are credited to the administration
account to be used by the commissioner to ensure integrity in the administration of the
unemployment insurance program.

Sec. 16. Minnesota Statutes 2008, section 268.057, subdivision 5, is amended to read:

Subd. 5. Interest on amounts past due. If any amounts due from an employer
under this chapter or section 116L.20, except late fees under section 268.044, are not
received on the date due the unpaid balance bears interest at the rate of one and one-half
percent per month or any part thereof. Interest assessed, if not a whole dollar amount,
is rounded down to the next lower whole dollar. Interest collected is credited to the
contingent account. Interest may be compromised under section 268.067.

Sec. 17. Minnesota Statutes 2008, section 268.0625, subdivision 1, is amended to read:

Subdivision 1. Notice of debt to licensing authority. The state of Minnesota or a
political subdivision may not issue, transfer, or renew, and must revoke a license for the
conduct of any profession, trade, or business, if the commissioner notifies the licensing
authority that the licensee, applicant, or employer owes any amount due under this chapter
or section 116L.20, of $500 or more. A licensing authority that has received such a notice
may issue, transfer, renew, or not revoke the license only if the licensing authority has
received a copy of the debt clearance certificate issued by the commissioner.

Sec. 18. Minnesota Statutes 2008, section 268.069, subdivision 1, is amended to read:

Subdivision 1. Requirements. The commissioner shall must pay unemployment
benefits from the trust fund to an applicant who has met each of the following requirements:
(1) the applicant has filed an application for unemployment benefits and established a benefit account in accordance with section 268.07;
(2) the applicant has not been held ineligible for unemployment benefits under section 268.095 because of a quit or discharge;
(3) the applicant has met all of the ongoing eligibility requirements under sections 268.085 and 268.086;
(4) the applicant does not have an outstanding overpayment of unemployment benefits, including any penalties or interest; and
(5) the applicant has not been held ineligible for unemployment benefits under section 268.182 because of a false representation or concealment of facts.

Sec. 19. Minnesota Statutes 2008, section 268.07, subdivision 1, is amended to read:

Subdivision 1. Application for unemployment benefits; determination of benefit account. (a) An application for unemployment benefits may be filed in person, by mail, or by electronic transmission as the commissioner may require. The applicant must be unemployed at the time the application is filed and must provide all requested information in the manner required. If the applicant is not unemployed at the time of the application or fails to provide all requested information, the communication is not considered an application for unemployment benefits.

(b) The commissioner shall examine each application for unemployment benefits to determine the base period and the benefit year, and based upon all the covered employment in the base period the commissioner shall determine the weekly unemployment benefit amount available, if any, and the maximum amount of unemployment benefits available, if any. The determination is known as the, which is a document separate and distinct from a document titled a determination of eligibility or determination of ineligibility issued under section 268.101, must be titled determination of benefit account. A determination of benefit account must be sent to the applicant and all base period employers, by mail or electronic transmission.

(c) If a base period employer did not provide wage information for the applicant as provided for in section 268.044, or provided erroneous information, the commissioner may accept an applicant certification as to wage credits, based upon the applicant's records, and issue a determination of benefit account.

(d) The commissioner may, at any time within 24 months from the establishment of a benefit account, reconsider any determination of benefit account and make an amended determination if the commissioner finds that the determination was incorrect for any reason. An amended determination of benefit account must be promptly sent
to the applicant and all base period employers, by mail or electronic transmission.

This subdivision does not apply to documents titled determinations of eligibility or
determinations of ineligibility issued under section 268.101.

e) If an amended determination of benefit account reduces the weekly
unemployment benefit amount or maximum amount of unemployment benefits available,
any unemployment benefits that have been paid greater than the applicant was entitled
is considered an overpayment of unemployment benefits. A determination or amended
determination issued under this section that results in an overpayment of unemployment
benefits must set out the amount of the overpayment and the requirement under section
268.18, subdivision 1, that the overpaid unemployment benefits must be repaid.

Sec. 20. Minnesota Statutes 2008, section 268.07, subdivision 2, is amended to read:

Subd. 2. Benefit account requirements and weekly unemployment benefit
amount and maximum amount of unemployment benefits. (a) To establish a benefit
account, an applicant must have:

(1) high quarter wage credits of $1,000 or more; and
(2) wage credits, in other than the high quarter, of $250 or more.

(b) If an applicant has established a benefit account, the weekly unemployment
benefit amount available during the benefit year is the higher of:

(1) 50 percent of the applicant's average weekly wage during the base period, to a
maximum of 66-2/3 percent of the state's average weekly wage; or
(2) 50 percent of the applicant's average weekly wage during the high quarter, to a
maximum of 43 percent of the state's average weekly wage.

The applicant's average weekly wage under clause (1) is computed by dividing
the total wage credits by 52. The applicant's average weekly wage under clause (2) is
computed by dividing the high quarter wage credits by 13.

c) The state's maximum weekly unemployment benefit amount and an applicant's
weekly unemployment benefit amount and maximum amount of unemployment benefits
available is rounded down to the next lower whole dollar. The state's maximum weekly
benefit amount, computed in accordance with section 268.035, subdivision 23, applies
to a benefit account established effective on or after the last Sunday in October. Once
established, an applicant's weekly unemployment benefit amount is not affected by the last
Sunday in October change in the state's maximum weekly unemployment benefit amount.

d) The maximum amount of unemployment benefits available on any benefit
account is the lower of:

(1) 33-1/3 percent of the applicant's total wage credits; or
84.1 (2) 26 times the applicant's weekly unemployment benefit amount.

84.2 Sec. 21. Minnesota Statutes 2008, section 268.07, subdivision 3, is amended to read:

84.3 Subd. 3. **Second benefit account requirements.** To establish a second benefit account following the expiration of a benefit year on a prior benefit account, an applicant must have sufficient wage credits to establish a benefit account under meet the requirements of subdivision 2 and must have performed services in covered employment after the effective date of the prior benefit account. The wages paid for that employment those services must equal not less than be at least eight times the weekly unemployment benefit amount of the prior benefit account. Part of the purpose of reason for this subdivision is to prevent an applicant from establishing more than one benefit account as a result of one loss of employment.

84.4 Sec. 22. Minnesota Statutes 2008, section 268.084, is amended to read:

84.5 **268.084 PERSONAL IDENTIFICATION NUMBER; PRESUMPTION.**

84.6 (a) Each applicant must be issued a personal identification number (PIN) for the purpose of filing continued requests for unemployment benefits, accessing information, and engaging in other transactions with the department.

84.7 (b) If a PIN assigned to an applicant is used in the filing of a continued request for unemployment benefits under section 268.086 268.0865 or any other type of transaction, the applicant is presumed to have been the individual using that PIN and presumed to have received any unemployment benefit payment issued. This presumption may be rebutted by a preponderance of the evidence showing that the applicant assigned the PIN was not the individual who used that PIN in the transaction.

84.8 (c) The commissioner shall must notify each applicant of this section.

84.9 Sec. 23. Minnesota Statutes 2008, section 268.085, subdivision 1, is amended to read:

84.10 Subdivision 1. **Eligibility conditions.** An applicant may be eligible to receive unemployment benefits for any week if:

84.11 (1) the applicant has an active benefit account and has filed a continued request for unemployment benefits for that week under section 268.086 268.0865;

84.12 (2) the week for which unemployment benefits are requested is in the applicant's benefit year;

84.13 (3) the applicant was unemployed as defined in section 268.035, subdivision 26;

84.14 (4) the applicant was able to work and was available for suitable employment, and was actively seeking suitable employment as defined in subdivision 15. The applicant's
weekly unemployment benefit amount is reduced one-fifth for each day the applicant
is unable to work or is unavailable for suitable employment. If the computation of the
reduced unemployment benefits is not a whole dollar, it is rounded down to the next lower
whole dollar. This clause does not apply to an applicant who is in reemployment assistance
training, or each day the applicant is on jury duty or serving as an election judge;
(5) the applicant was actively seeking suitable employment as defined in subdivision
16. This clause does not apply to an applicant who is in reemployment assistance training
or who was on jury duty throughout the week;
(6) the applicant has served a nonpayable waiting period of one week that the
applicant is otherwise entitled to some amount of unemployment benefits. This clause
does not apply if the applicant would have been entitled to federal disaster unemployment
assistance because of a disaster in Minnesota, but for the applicant's establishment of a
benefit account under section 268.07; and
(6) (7) the applicant has been participating in reemployment assistance services,
such as job search and resume writing classes, if the applicant has been determined in
need of reemployment assistance services by the commissioner, unless the applicant
has good cause for failing to participate.

Sec. 24. Minnesota Statutes 2008, section 268.085, subdivision 2, is amended to read:

Subd. 2. Not eligible. An applicant is ineligible for unemployment benefits for
any week:
(1) that occurs before the effective date of a benefit account;
(2) that the applicant, at the beginning of the week, has an outstanding fraud
overpayment balance under section 268.18, subdivision 2, including any penalties and
interest;
(3) that occurs in a period when the applicant is a student in attendance at, or on
vacation from a secondary school including the period between academic years or terms;
(4) that the applicant is incarcerated or performing court-ordered community service. The applicant's weekly unemployment benefit amount is reduced
by one-fifth for each day the applicant is incarcerated or performing court-ordered
court-ordered community service. If the computation of the reduced unemployment
benefits is not a whole dollar, it is rounded down to the next lower whole dollar;
(5) that the applicant fails or refuses to provide information on an issue of
ineligibility required under section 268.101;
(6) that the applicant is performing services 32 hours or more, in employment, covered employment, noncovered employment, volunteer work, or self-employment regardless of the amount of any earnings; or

(7) with respect to which the applicant is receiving, has received, or has filed an application for unemployment benefits under any federal law or the law of any other state. If the appropriate agency finally determines that the applicant is not entitled to the unemployment benefits, this clause does not apply.

Sec. 25. Minnesota Statutes 2008, section 268.085, subdivision 3a, is amended to read:

Subd. 3a. Workers' compensation and disability insurance offset. (a) An applicant is not eligible to receive unemployment benefits for any week in which the applicant is receiving or has received compensation for loss of wages equal to or in excess of the applicant's weekly unemployment benefit amount under:

(1) the workers' compensation law of this state;

(2) the workers' compensation law of any other state or similar federal law; or

(3) any insurance or trust fund paid in whole or in part by an employer.

(b) This subdivision does not apply to an applicant who has a claim pending for loss of wages under paragraph (a); however, before unemployment benefits may be paid when a claim is pending, the issue of the applicant being able to work available for suitable employment, as required under subdivision 1, clause (2) (4), is determined under section 268.101, subdivision 3a. If the applicant later receives compensation as a result of the pending claim, the applicant is subject to the provisions of paragraph (a) and the unemployment benefits paid are subject to recoupment by the commissioner to the extent that the compensation constitutes overpaid unemployment benefits.

(c) If the amount of compensation described under paragraph (a) for any week is less than the applicant's weekly unemployment benefit amount, unemployment benefits requested for that week are reduced by the amount of that compensation payment.

Sec. 26. Minnesota Statutes 2008, section 268.085, subdivision 4, is amended to read:

Subd. 4. Social Security benefits. (a) Any applicant aged 62 or over is required to state when filing an application for unemployment benefits and when filing continued requests for unemployment benefits if the applicant is receiving, has filed for, or intends to file for, primary Social Security old age benefits for any week during the benefit year.

If the effective date of the applicant's Social Security claim for old age benefits is, or will be, after the start of the base period, there must be deducted from an applicant's weekly unemployment benefit amount Unless paragraph (b) applies, 50 percent of the
weekly equivalent of the primary Social Security old age benefit the applicant has
received, has filed for, or intends to file for, with respect to that week must be deducted
from an applicant's weekly unemployment benefit amount.

(b) If the effective date all of the applicant's wage credits were earned while the
applicant was claiming Social Security claim for old age benefits is before the start of the
base period, there is no deduction from the applicant's weekly unemployment benefit
amount. The purpose of this paragraph is to ensure that an applicant who is claiming
Social Security benefits has demonstrated a desire and ability to work.

(b) (c) An applicant who is receiving, has received, or has filed for primary Social
Security disability benefits for any week during the benefit year must be determined
unable to work and unavailable for suitable employment for that week, unless:

(1) the Social Security Administration approved the collecting of primary Social
Security disability benefits each month the applicant was employed during the base
period; or

(2) the applicant provides a statement from an appropriate health care professional
who is aware of the applicant's Social Security disability claim and the basis for that claim,
certifying that the applicant is able to work and available for suitable employment.

If an applicant meets the requirements of clause (1) there is no deduction from the
applicant's weekly benefit amount for any Social Security disability benefits. If only
clause (2) applies, then there must be deducted from the applicant's weekly unemployment
benefit amount 50 percent of the weekly equivalent of the primary Social Security
disability benefits the applicant is receiving, has received, or has filed for, with respect
to that week; provided, however, that if the Social Security Administration determines
that an individual is not entitled to receive primary Social Security disability benefits for
any week the applicant has applied for those benefits, the 50 percent deduction does not
apply to that week.

(d) Information from the Social Security Administration is considered conclusive,
absent specific evidence showing that the information was erroneous.

(e) If the computation of the reduced unemployment benefits is not a whole dollar, it
is rounded down to the next lower whole dollar.

(e) This subdivision does not apply to Social Security survivor benefits.

Sec. 27. Minnesota Statutes 2008, section 268.085, subdivision 5, is amended to read:

Subd. 5. **Deductible earnings.** (a) If the applicant has earnings, including holiday
pay, with respect to any week, from employment, covered employment, noncovered
employment, self-employment, or volunteer work, equal to or in excess of the applicant's
weekly unemployment benefit amount, the applicant is ineligible for unemployment
benefits for that week.

(b) If the applicant has earnings, with respect to any week, that is less than
the applicant's weekly unemployment benefit amount, from employment, covered
employment, noncovered employment, self-employment, or volunteer work, 55 percent of
the earnings are deducted from the weekly unemployment benefit amount.

The resulting unemployment benefit, if not a whole dollar, is rounded down to the
next lower whole dollar.

(c) No deduction is made from an applicant's weekly unemployment benefit amount
for earnings from service in the National Guard or a United States military reserve unit or
from direct service as a volunteer firefighter or volunteer ambulance service personnel.
This exception to paragraphs (a) and (b) does not apply to on-call or standby pay provided
to a volunteer firefighter or volunteer ambulance service personnel. No deduction is made
for jury duty pay or for pay as an election judge.

(d) The applicant may report deductible earnings on continued requests for
unemployment benefits at the next lower whole dollar amount.

(e) Deductible earnings does not include any money considered a deductible
payment under subdivision 3, but includes all compensation considered wages under
section 268.035, subdivision 29, and any other compensation considered earned income
under state and federal law for income tax purposes.

Sec. 28. [268.0865] CONTINUED REQUEST FOR UNEMPLOYMENT

BENEFITS.

Subdivision 1. Continued request for unemployment benefits defined. A
continued request for unemployment benefits is a certification by an applicant, done
on a weekly basis, that the applicant is unemployed and meets the ongoing eligibility
requirements for unemployment benefits under section 268.085. A continued request
must include information on possible issues of ineligibility in accordance with section
268.101, subdivision 1, paragraph (c).

Subd. 2. Filing continued requests for unemployment benefits. (a) The
commissioner must designate to each applicant one of the following methods for filing a
continued request:

1. by electronic transmission under subdivision 3; or
2. by mail under subdivision 4.

(b) The method designated by the commissioner is the only method allowed for
filing a continued request by that applicant. An applicant may ask that the other allowed

Article 4 Sec. 28. 88
method be designated and the commissioner must consider inconvenience to the applicant
as well as administrative capacity in determining whether to allow an applicant to change
the designated method for filing a continued request for unemployment benefits.

Subd. 3. Continued request for unemployment benefits by electronic
transmission. (a) A continued request for unemployment benefits by electronic
transmission must be filed to that electronic mail address, telephone number, or Internet
address prescribed by the commissioner for that applicant. In order to constitute a
continued request, all information asked for, including information authenticating that the
applicant is sending the transmission, must be provided in the format required. If all of the
information asked for is not provided, the communication does not constitute a continued
request for unemployment benefits.

(b) The electronic transmission communication must be filed on the date and during
the time of day designated for the applicant for filing a continued request by electronic
transmission.

(c) If the electronic transmission continued request is not filed on the date and
during the time of day designated, a continued request by electronic transmission must be
accepted if the applicant files the continued request by electronic transmission within two
calendar weeks following the week in which the date designated occurred. If the continued
request by electronic transmission is not filed within two calendar weeks following the
week in which the date designated occurred, the electronic continued request will not be
accepted and the applicant is ineligible for unemployment benefits for the period covered
by the continued request, unless the applicant shows good cause for failing to file the
continued request by electronic transmission within the time period required.

Subd. 4. Continued request for unemployment benefits by mail. (a) A
continued request for unemployment benefits by mail must be on a form prescribed by
the commissioner. The form, in order to constitute a continued request, must be totally
completed and signed by the applicant. The form must be filed on the date required for
the applicant for filing a continued request by mail, in an envelope with postage prepaid,
and sent to the address designated.

(b) If the mail continued request for unemployment benefits is not filed on the date
designated, a continued request must be accepted if the form is filed by mail within two
calendar weeks following the week in which the date designated occurred. If the form
is not filed within two calendar weeks following the week in which the date designated
occurred, the form will not be accepted and the applicant is ineligible for unemployment
benefits for the period covered by the continued request for unemployment benefits,
unless the applicant shows good cause for failing to file the form by mail within the time
period required.

(c) If the applicant has been designated to file a continued request for unemployment
benefits by mail, an applicant may submit the form by facsimile transmission on the day
otherwise required for mailing, or within two calendar weeks following the week in which
the date designated occurred. A form submitted by facsimile transmission must be sent
only to the telephone number assigned for that purpose.

(d) An applicant who has been designated to file a continued request by mail may
personally deliver a continued request form only to the location to which the form was
otherwise designated to be mailed.

Subd. 5. Good cause defined. (a) "Good cause" for purposes of this section is a
compelling substantial reason that would have prevented a reasonable person acting with
due diligence from filing a continued request for unemployment benefits within the time
periods required.

(b) "Good cause" does not include forgetfulness, loss of the continued request form
if filing by mail, having returned to work, having an appeal pending, or inability to file a
continued request for unemployment benefits by the method designated if the applicant
was aware of the inability and did not make diligent effort to have the method of filing a
continued request changed by the commissioner. "Good cause" does not include having
previously made an attempt to file a continued request for unemployment benefits but
where the communication was not considered a continued request because the applicant
failed to submit all required information.

Sec. 29. Minnesota Statutes 2008, section 268.095, subdivision 10, is amended to read:

Subd. 10. Ineligibility duration. (a) Ineligibility from the payment of all
unemployment benefits under subdivisions 1 and 4 is for the duration of the applicant's
unemployment and until the end of the calendar week that the applicant had total earnings
in subsequent covered employment of eight times the applicant's weekly unemployment
benefit amount.

(b) Ineligibility imposed under subdivisions 1 and 4 begins on the Sunday of the
week that the applicant became separated from employment.

(c) In addition to paragraph (a), if the applicant was discharged from employment
because of aggravated employment misconduct, wage credits from that employment are
canceled and cannot be used for purposes of a benefit account under section 268.07,
subdivision 2.
Sec. 30. Minnesota Statutes 2008, section 268.095, subdivision 11, is amended to read:

Subd. 11. Application. (a) This section and section 268.085, subdivision 13c, 
and this section apply to all covered employment, full time or part time, temporary or of limited duration, permanent or of indefinite duration, that occurred in Minnesota during the base period, the period between the end of the base period and the effective date of the benefit account, or the benefit year, except as provided for in subdivision 1, clause (5).

(b) Paragraph (a) also applies to employment covered under an unemployment insurance program of any other state or established by an act of Congress.

Sec. 31. Minnesota Statutes 2008, section 268.101, subdivision 1, is amended to read:

Subdivision 1. Notification. (a) In an application for unemployment benefits, each applicant must report the name and the reason for no longer working for the applicant's most recent employer, as well as the names of all employers and the reasons for no longer working for all employers during the six calendar months before the date of the application. If the reason reported for no longer working for any of those employers is other than a layoff because of lack of work, that raises an issue of ineligibility that the department must determine. An applicant must report any offers of employment refused during the eight calendar weeks before the date of the application for unemployment benefits and the name of the employer that made the offer. An applicant's failure to report the name of an employer, or giving an incorrect reason for no longer working for an employer, or failing to disclose an offer of employment that was refused, is a violation of section 268.182, subdivision 2.

In an application, the applicant must also provide all information necessary to determine the applicant's eligibility for unemployment benefits under this chapter. If the applicant fails or refuses to provide information necessary to determine the applicant's eligibility for unemployment benefits, the applicant is ineligible for unemployment benefits under section 268.085, subdivision 2, until the applicant provides this required information.

(b) Upon establishment of a benefit account under section 268.07, subdivision 2, the commissioner shall notify, by mail or electronic transmission, all employers the applicant was required to report on the application and all base period employers and determined successors to those employers under section 268.051, subdivision 4, in order to provide the employer an opportunity to raise, in a manner and format prescribed by the commissioner, any issue of ineligibility. An employer must be informed of the effect that failure to raise an issue of ineligibility as a result of a quit or discharge of the applicant,
within ten calendar days after sending of the notice, as provided for under subdivision 2, paragraph (b), may have on the employer under section 268.047.

(c) Each applicant must report any employment, and loss of employment, and offers of employment refused, during those weeks the applicant filed continued requests for unemployment benefits under section 268.086. Each applicant who stops filing continued requests during the benefit year and later begins filing continued requests during that same benefit year must report the name of any employer the applicant worked for during the period between the filing of continued requests and the reason the applicant stopped working for the employer. The applicant must report any offers of employment refused during the period between the filing of continued requests for unemployment benefits. Those employers from which the applicant has reported a loss of employment under this paragraph must be notified by mail or electronic transmission and provided an opportunity to raise, in a manner prescribed by the commissioner, any issue of ineligibility. An employer must be informed of the effect that failure to raise an issue of ineligibility as a result of a quit or a discharge of the applicant may have on the employer under section 268.047.

(d) The purpose for requiring the applicant to report the name of employers and the reason for no longer working for those employers, or offers of employment refused, under paragraphs (a) and (c) is for the commissioner to obtain information from an applicant raising all issues that may result in the applicant being ineligible for unemployment benefits under section 268.095, because of a quit or discharge, or the applicant being ineligible for unemployment benefits under section 268.085, subdivision 13c. If the reason given by the applicant for no longer working for an employer is other than a layoff because of lack of work, that raises an issue of ineligibility and the applicant is required, as part of the determination process under subdivision 2, paragraph (a), to state all the facts about the cause for no longer working for the employer, if known. If the applicant fails or refuses to provide any required information, the applicant is ineligible for unemployment benefits under section 268.085, subdivision 2, until the applicant provides this required information.

Sec. 32. Minnesota Statutes 2008, section 268.101, subdivision 2, is amended to read:

Subd. 2. **Determination.** (a) The commissioner **shall** must determine any issue of ineligibility raised by information required from an applicant under subdivision 1, paragraph (a) or (c), and send to the applicant and any involved employer, by mail or electronic transmission, a document titled a determination of eligibility or a determination of ineligibility, as is appropriate. The determination on an issue of ineligibility as a result
of a quit or a discharge of the applicant must state the effect on the employer under section 268.047. A determination must be made in accordance with this paragraph even if a notified employer has not raised the issue of ineligibility.

(b) The commissioner must determine any issue of ineligibility raised by an employer and send to the applicant and that employer, by mail or electronic transmission, a document titled a determination of eligibility or a determination of ineligibility as is appropriate. The determination on an issue of ineligibility as a result of a quit or discharge of the applicant must state the effect on the employer under section 268.047.

If a base period employer:

(1) was not the applicant's most recent employer before the application for unemployment benefits;

(2) did not employ the applicant during the six calendar months before the application for unemployment benefits; and

(3) did not raise an issue of ineligibility as a result of a quit or discharge of the applicant within ten calendar days of notification under subdivision 1, paragraph (b); then any exception under section 268.047, subdivisions 2 and 3, begins the Sunday two weeks following the week that the issue of ineligibility as a result of a quit or discharge of the applicant was raised by the employer.

A communication from an employer must specifically set out why the applicant should be determined ineligible for unemployment benefits for that communication to be considered to have raised an issue of ineligibility for purposes of this section. A statement of "protest" or a similar term without more information does not constitute raising an issue of ineligibility for purposes of this section.

(c) Subject to section 268.031, an issue of ineligibility is determined based upon that information required of an applicant, any information that may be obtained from an applicant or employer, and information from any other source, without regard to any burden of proof.

(d) Regardless of the requirements of this subdivision, the commissioner is not required to send to an applicant a copy of the determination where the applicant has satisfied a period of ineligibility because of a quit or a discharge under section 268.095, subdivision 10.

(e) The commissioner may issue a determination on an issue of ineligibility at any time within 24 months from the establishment of a benefit account based upon information from any source, even if the issue of ineligibility was not raised by the applicant or an employer. This paragraph does not prevent the imposition of a penalty on an applicant under section 268.18, subdivision 2, or 268.182.
(f) A determination of eligibility or determination of ineligibility is final unless an appeal is filed by the applicant or notified employer within 20 calendar days after sending. The determination must contain a prominent statement indicating the consequences of not appealing. Proceedings on the appeal are conducted in accordance with section 268.105.

(g) An issue of ineligibility required to be determined under this section includes any question regarding the denial or allowing of unemployment benefits under this chapter except for issues under section 268.07. An issue of ineligibility for purposes of this section includes any question of effect on an employer under section 268.047.

(h) Except for issues of ineligibility as a result of a quit or discharge of the applicant, the employer will be (1) sent a copy of the determination of eligibility or a determination of ineligibility, or (2) considered an involved employer for purposes of an appeal under section 268.105, only if the employer raised the issue of ineligibility.

Sec. 33. Minnesota Statutes 2008, section 268.103, subdivision 1, is amended to read:

Subdivision 1. In commissioner's discretion. (a) The commissioner shall have the discretion to may allow an appeal to be filed by electronic transmission. If the commissioner allows an appeal to be filed by electronic transmission, that must be clearly set out on the determination or decision subject to appeal.

(b) The commissioner may restrict the manner, and format, and conditions under which an appeal by electronic transmission may be filed. Any Restrictions as to days; hours; a specific telephone number; or electronic address; or other conditions; must be clearly set out on the determination or decision subject to appeal.

(c) All information requested by the commissioner when an appeal is filed by electronic transmission must be supplied or the communication does not constitute an appeal.

(d) Subject to subdivision 2, this section applies to requests for reconsideration under section 268.105, subdivision 2.

Sec. 34. Minnesota Statutes 2008, section 268.105, subdivision 1, is amended to read:

Subdivision 1. Evidentiary hearing by unemployment law judge. (a) Upon a timely appeal having been filed, the department must send, by mail or electronic transmission, a notice of appeal to all involved parties that an appeal has been filed, and that a de novo due process evidentiary hearing will be scheduled, and that the parties have certain. The notice must set out the parties' rights and responsibilities regarding the hearing. The notice must explain that the facts will be determined by the unemployment law judge based upon a preponderance of the evidence. The notice must explain in clear
and simple language the meaning of the term "preponderance of the evidence." The department must set a time and place for a de novo due process evidentiary hearing and send notice to any involved applicant and any involved employer, by mail or electronic transmission, not less than ten calendar days before the date of the hearing.

(b) The evidentiary hearing is conducted by an unemployment law judge without regard to any burden of proof as an evidence gathering inquiry and not an adversarial proceeding. At the beginning of the hearing the unemployment law judge must fully explain how the hearing will be conducted, that the applicant has the right to request that the hearing be rescheduled so that documents or witnesses can be subpoenaed, that the facts will be determined based on a preponderance of the evidence, and, in clear and simple language, the meaning of the term "preponderance of the evidence."

The unemployment law judge must ensure that all relevant facts are clearly and fully developed. The department may adopt rules on evidentiary hearings. The rules need not conform to common law or statutory rules of evidence and other technical rules of procedure. The department has discretion regarding the method by which the evidentiary hearing is conducted. A report of any employee of the department, except a determination, made in the regular course of the employee's duties, is competent evidence of the facts contained in it. An affidavit or written statement based on personal knowledge and signed under penalty of perjury is competent evidence of the facts contained in it; however, the veracity of statements contained within the document or the credibility of the witness making the statement may be disputed with other documents or testimony and production of such documents or testimony may be compelled by subpoena.

(c) After the conclusion of the hearing, upon the evidence obtained, the unemployment law judge must make findings of fact and decision and send those, by mail or electronic transmission, to all involved parties. When the credibility of an involved party or witness testifying in an evidentiary hearing has a significant effect on the outcome of a decision, the unemployment law judge must set out the reason for crediting or discrediting that testimony. The unemployment law judge's decision is final unless a request for reconsideration is filed under subdivision 2.

(d) Regardless of paragraph (c), if the appealing party fails to participate in the evidentiary hearing, the unemployment law judge has the discretion to dismiss the appeal by summary order. By failing to participate, the appealing party is considered to have failed to exhaust available administrative remedies unless the appealing party files a request for reconsideration under subdivision 2 and establishes good cause for failing to participate in the evidentiary hearing under subdivision 2, paragraph (d). Submission
of a written statement does not constitute participation. The applicant must participate personally and appearance solely by a representative does not constitute participation.

(e) Only employees of the department who are attorneys licensed to practice law in Minnesota may serve as the chief unemployment law judge, senior unemployment law judges who are supervisors, or unemployment law judges. The commissioner must designate a chief unemployment law judge. The chief unemployment law judge may transfer to another unemployment law judge any proceedings pending before an unemployment law judge.

Sec. 35. Minnesota Statutes 2008, section 268.105, subdivision 2, is amended to read:

Subd. 2. Request for reconsideration. (a) Any involved applicant, involved employer, or the commissioner may, within 20 calendar days of the sending of the unemployment law judge's decision under subdivision 1, file a request for reconsideration asking the unemployment law judge to reconsider that decision. Section 268.103 applies to a request for reconsideration. If a request for reconsideration is timely filed, the unemployment law judge must issue an order:

(1) modifying the findings of fact and decision issued under subdivision 1;
(2) setting aside the findings of fact and decision issued under subdivision 1 and directing that an additional evidentiary hearing be conducted under subdivision 1; or
(3) affirming the findings of fact and decision issued under subdivision 1.

(b) Upon a timely request for reconsideration having been filed, the department must send a notice, by mail or electronic transmission, to all involved parties that a request for reconsideration has been filed. The notice must inform the involved parties:

(1) of the opportunity to provide comment on the request for reconsideration, and the right under subdivision 5 to obtain a copy of any recorded testimony and exhibits offered or received into evidence at the evidentiary hearing;
(2) that providing specific comments as to a perceived factual or legal error in the decision, or a perceived error in procedure during the evidentiary hearing, will assist the unemployment law judge in deciding the request for reconsideration;
(3) of the right to obtain any comments and submissions provided by the other involved party regarding the request for reconsideration; and
(4) of the provisions of paragraph (c) regarding additional evidence.

This paragraph does not apply if paragraph (d) is applicable.

(c) In deciding a request for reconsideration, the unemployment law judge must not, except for purposes of determining whether to order an additional evidentiary hearing,
consider any evidence that was not submitted at the evidentiary hearing conducted under subdivision 1.

The unemployment law judge must order an additional evidentiary hearing if an involved party shows that evidence which was not submitted at the evidentiary hearing:

(1) would likely change the outcome of the decision and there was good cause for not having previously submitted that evidence; or (2) would show that the evidence that was submitted at the evidentiary hearing was likely false and that the likely false evidence had an effect on the outcome of the decision.

(d) If the involved applicant or involved employer who filed the request for reconsideration failed to participate in the evidentiary hearing conducted under subdivision 1, an order setting aside the findings of fact and decision and directing that an additional evidentiary hearing be conducted must be issued if the party who failed to participate had good cause for failing to do so. In the notice that a request for reconsideration has been filed, the party who failed to participate must be informed of the requirement, and provided the opportunity, to show good cause for failing to participate. If the unemployment law judge determines that good cause for failure to participate has not been shown, the unemployment law judge must state that in the order issued under paragraph (a).

Submission of a written statement at the evidentiary hearing under subdivision 1 does not constitute participation for purposes of this paragraph.

All involved parties must be informed of this paragraph with the notice of appeal and notice of hearing provided for in subdivision 1.

"Good cause" for purposes of this paragraph is a reason that would have prevented a reasonable person acting with due diligence from participating at the evidentiary hearing.

(e) A request for reconsideration must be decided by the unemployment law judge who issued the findings of fact and decision under subdivision 1 unless that unemployment law judge: (1) is no longer employed by the department; (2) is on an extended or indefinite leave; (3) has been disqualified from the proceedings on the judge's own motion; or (4) has been removed from the proceedings as provided for under subdivision 1 or applicable rule by the chief unemployment law judge.

(f) The unemployment law judge must send to any involved applicant or involved employer, by mail or electronic transmission, the order issued under this subdivision. An order modifying the previously issued findings of fact and decision or an order affirming the previously issued findings of fact and decision is the final department decision on the matter and is final and binding on the involved applicant and involved employer unless judicial review is sought under subdivision 7.
Sec. 36. Minnesota Statutes 2008, section 268.105, subdivision 3a, is amended to read:

Subd. 3a. **Decisions.** (a) If an unemployment law judge's decision or order allows unemployment benefits to an applicant, the unemployment benefits must be paid regardless of any request for reconsideration or any appeal to the Minnesota Court of Appeals having been filed.

(b) If an unemployment law judge's decision or order modifies or reverses a determination, or prior decision of the unemployment law judge, allowing unemployment benefits to an applicant, any benefits paid in accordance with the determination, or prior decision of the unemployment law judge, is considered an overpayment of those unemployment benefits. A decision or order issued under this section that results in an overpayment of unemployment benefits must set out the amount of the overpayment and the requirement under section 268.18, subdivision 1, that the overpaid unemployment benefits must be repaid.

(c) If an unemployment law judge's order under subdivision 2 allows unemployment benefits to an applicant under section 268.095 because of a quit or discharge and the unemployment law judge's decision is reversed by the Minnesota Court of Appeals or the Supreme Court of Minnesota, the applicant cannot be held ineligible for any of the unemployment benefits paid the applicant and it is not considered an overpayment of those unemployment benefits under section 268.18, subdivision 1. The effect of the court's reversal is the application of section 268.047, subdivision 3, in computing the future tax rate of the employer.

(d) If an unemployment law judge, under subdivision 2, orders the taking of additional evidence, the unemployment law judge's prior decision must continue to be enforced until new findings of fact and decision are made by the unemployment law judge.

Sec. 37. Minnesota Statutes 2008, section 268.105, subdivision 4, is amended to read:

Subd. 4. **Oaths; subpoenas.** An unemployment law judge has authority to administer oaths and affirmations, take depositions, and issue subpoenas to compel the attendance of witnesses and the production of documents and other personal property considered necessary as evidence in connection with the subject matter of an evidentiary hearing.

The unemployment law judge must give full consideration to a request for a subpoena and must not unreasonably deny a request for a subpoena. If a subpoena request is initially denied, the unemployment law judge must, on the unemployment law judge's own motion, reconsider that request during the evidentiary hearing and rule on whether the request was properly denied. If the request was not properly denied, the evidentiary hearing...
Hearing must be continued for issuance of the subpoena. The subpoenas are enforceable through the district court in Ramsey County. Witnesses subpoenaed, other than an involved applicant or involved employer or officers and employees of an involved employer, must be paid by the department the same witness fees as in a civil action in district court.

Sec. 38. Minnesota Statutes 2008, section 268.105, subdivision 5, is amended to read:

Subd. 5. Use of evidence; data privacy. (a) All testimony at any evidentiary hearing conducted under subdivision 1 must be recorded. A copy of any recorded testimony and exhibits offered or received into evidence at the hearing must, upon request, be furnished to a party at no cost during the time period for filing a request for reconsideration or while a request for reconsideration is pending.

(b) Regardless of any provision of law to the contrary, if recorded testimony and exhibits received into evidence at the evidentiary hearing are not requested during the time period for filing a request for reconsideration, or while a request for reconsideration is pending, during the time for filing any appeal under subdivision 7, or during the pendency thereof, that testimony and other evidence may later be made available only under a district court order. A subpoena is not considered a district court order.

(c) Testimony obtained under subdivision 1, may not be used or considered for any purpose, including impeachment, in any civil, administrative, or contractual proceeding, except by a local, state, or federal human rights agency with enforcement powers, unless the proceeding is initiated by the department.

Sec. 39. Minnesota Statutes 2008, section 268.115, subdivision 5, is amended to read:

Subd. 5. Maximum amount of extended unemployment benefits. The maximum amount of extended unemployment benefits available to an applicant is 50 percent of the maximum amount of regular unemployment benefits available in the benefit year, rounded down to the next lower whole dollar. If the total rate of unemployment computed under subdivision 1, clause (2)(ii), equaled or exceeded eight percent, the maximum amount of extended unemployment benefits available is 80 percent of the maximum amount of regular unemployment benefits available in the benefit year.

Sec. 40. Minnesota Statutes 2008, section 268.125, subdivision 5, is amended to read:

Subd. 5. Maximum amount of unemployment benefits. The maximum amount of additional unemployment benefits available in the applicant's benefit year is one-half of the applicant's maximum amount of regular unemployment benefits available under section 268.07, subdivision 2, rounded down to the next lower whole dollar. Extended
Article 41. Minnesota Statutes 2008, section 268.135, subdivision 4, is amended to read:

(b) The deductible earnings provisions of section 268.085, subdivision 5, not apply to earnings from the shared work plan of an applicant eligible for shared work benefits unless the resulting amount would be less than the regular weekly unemployment benefit amount multiplied by the nearest full percentage of reduction of the applicant's regular weekly earnings.

Sec. 42. Minnesota Statutes 2008, section 268.145, subdivision 1, is amended to read:

Subdivision 1. Notification. (a) Upon filing an application for unemployment work benefits, the applicant must be informed that the applicant is not eligible for shared work benefits for any week that an employment is performed for the shared work employer in excess of the reduced hours set forth in the plan.

(4) If the applicant elects to have federal income tax withheld, the applicant may, in addition, elect to have Minnesota state income tax withheld. Any amounts deducted for state income tax must be deducted from the amount resulting from the reduction of earned income required by subdivision 5. If an applicant elects to have Minnesota state income tax withheld, the commissioner must make an additional five percent deduction for state income tax from the earnings subject to federal income tax and subtract the federal withholding tax from the remaining earnings. Any amounts deducted from the applicant's earnings for state income tax must be deducted from the amount resulting from the reduction of earned income required by subdivision 5.

Section 268.155, subdivision 1, is amended to read:

An amount equal to the regular weekly unemployment benefit amount is paid to the applicant who is eligible for shared work benefits and an amount equal to the applicant's regular weekly earnings multiplied by the nearest full percentage of reduction of the applicant's regular weekly earnings are deducted. Remaining amounts paid during the year from the applicant's earnings are subject to federal and state income tax.

The deductible earnings cannot exceed the regular weekly unemployment benefit amount. The applicant who is eligible for shared work benefits may elect to receive the entire amount subject to federal and state income tax or may elect to receive a lesser amount. The election must be made at the time of filing the application for unemployment work benefits or at the time of the filing of the current year's federal income tax return. The election is irrevocable for the remainder of the calendar year. If the applicant elects to receive a lesser amount, the election cannot be revoked; however, the lesser amount cannot exceed the regular weekly unemployment benefit amount.

The applicant who is eligible for shared work benefits and elects to receive the entire amount subject to federal and state income tax may elect to receive a lesser amount. The election must be made at the time of filing the application for unemployment work benefits or at the time of the filing of the current year's federal income tax return. The election is irrevocable for the remainder of the calendar year. The election must be made at the time of filing the application for unemployment work benefits or at the time of the filing of the current year's federal income tax return. The election is irrevocable for the remainder of the calendar year. If the applicant elects to receive a lesser amount, the election cannot be revoked; however, the lesser amount cannot exceed the regular weekly unemployment benefit amount.

The applicant who is eligible for shared work benefits and elects to receive the entire amount subject to federal and state income tax may elect to receive a lesser amount. The election must be made at the time of filing the application for unemployment work benefits or at the time of the filing of the current year's federal income tax return. The election is irrevocable for the remainder of the calendar year. If the applicant elects to receive a lesser amount, the election cannot be revoked; however, the lesser amount cannot exceed the regular weekly unemployment benefit amount.

The applicant who is eligible for shared work benefits and elects to receive the entire amount subject to federal and state income tax may elect to receive a lesser amount. The election must be made at the time of filing the application for unemployment work benefits or at the time of the filing of the current year's federal income tax return. The election is irrevocable for the remainder of the calendar year. If the applicant elects to receive a lesser amount, the election cannot be revoked; however, the lesser amount cannot exceed the regular weekly unemployment benefit amount.

The applicant who is eligible for shared work benefits and elects to receive the entire amount subject to federal and state income tax may elect to receive a lesser amount. The election must be made at the time of filing the application for unemployment work benefits or at the time of the filing of the current year's federal income tax return. The election is irrevocable for the remainder of the calendar year. If the applicant elects to receive a lesser amount, the election cannot be revoked; however, the lesser amount cannot exceed the regular weekly unemployment benefit amount.

The applicant who is eligible for shared work benefits and elects to receive the entire amount subject to federal and state income tax may elect to receive a lesser amount. The election must be made at the time of filing the application for unemployment work benefits or at the time of the filing of the current year's federal income tax return. The election is irrevocable for the remainder of the calendar year. If the applicant elects to receive a lesser amount, the election cannot be revoked; however, the lesser amount cannot exceed the regular weekly unemployment benefit amount.

The applicant who is eligible for shared work benefits and elects to receive the entire amount subject to federal and state income tax may elect to receive a lesser amount. The election must be made at the time of filing the application for unemployment work benefits or at the time of the filing of the current year's federal income tax return. The election is irrevocable for the remainder of the calendar year. If the applicant elects to receive a lesser amount, the election cannot be revoked; however, the lesser amount cannot exceed the regular weekly unemployment benefit amount.
(c) An election to have income tax withheld may not be retroactive and only applies
to unemployment benefits paid after the election.

Sec. 43. Minnesota Statutes 2008, section 268.18, subdivision 1, is amended to read:

Subdivision 1. Nonfraud overpayment. (a) Any applicant who (1) because of a
determination or amended determination issued under section 268.07 or 268.101, or any
other section of this chapter, or (2) because of an appeal decision or order under section
268.105, has received any unemployment benefits that the applicant was held not entitled
to, must promptly repay the unemployment benefits to the trust fund.

(b) If the applicant fails to repay the unemployment benefits overpaid, the
commissioner may offset from any future unemployment benefits otherwise payable the
amount of the overpayment. Except when the overpayment resulted because the applicant
failed to report deductible earnings or deductible or benefit delaying payments, no single
offset may exceed 50 percent of the amount of the payment from which the offset is made.
The overpayment may also be collected by the same methods as delinquent payments
from an employer allowed under state and federal law.

(c) If an applicant has been overpaid unemployment benefits under the law of
another state, because of a reason other than fraud, and that state certifies that the applicant
is liable under its law to repay the unemployment benefits and requests the commissioner
to recover the overpayment, the commissioner may offset from future unemployment
benefits otherwise payable the amount of overpayment, except that no single offset may
exceed 50 percent of the amount of the payment from which the offset is made.

(d) If under paragraph (b) or (c) the reduced unemployment benefits as a result of
a 50 percent offset is not a whole dollar amount, it is rounded down to the next lower
whole dollar.

Sec. 44. Minnesota Statutes 2008, section 268.18, subdivision 2, is amended to read:

Subd. 2. Overpayment because of fraud. (a) Any applicant who receives
unemployment benefits by knowingly misrepresenting, misstating, or failing to disclose
any material fact, or who makes a false statement or representation without a good faith
belief as to the correctness of the statement or representation, has committed fraud. After
the discovery of facts indicating fraud, the commissioner shall must make a determination
that the applicant obtained unemployment benefits by fraud and that the applicant must
promptly repay the unemployment benefits to the trust fund. In addition, the commissioner
shall must assess a penalty equal to 40 percent of the amount fraudulently obtained. This
penalty is in addition to penalties under section 268.182.
(b) Unless the applicant files an appeal within 20 calendar days after the sending
of the determination of overpayment by fraud to the applicant by mail or electronic
transmission, the determination is final. Proceedings on the appeal are conducted in
accordance with section 268.105.

(c) If the applicant fails to repay the unemployment benefits, penalty, and interest
assessed, the total due may be collected by the same methods as delinquent payments
from an employer allowed under state and federal law. A determination of overpayment
by fraud must state the methods of collection the commissioner may use to recover the
overpayment. Money received in repayment of fraudulently obtained unemployment
benefits, penalties, and interest is first applied to the unemployment benefits overpaid, then
to the penalty amount due, then to any interest due. 62.5 percent of the payments made
toward the penalty are credited to the contingent account and 37.5 percent credited to the
administration account for deterring, detecting, or collecting overpayments.

(d) If an applicant has been overpaid unemployment benefits under the law of
another state because of fraud and that state certifies that the applicant is liable to repay
the unemployment benefits and requests the commissioner to recover the overpayment,
the commissioner may offset from future unemployment benefits otherwise payable the
amount of overpayment.

(e) Unemployment benefits paid for weeks more than four years before the date of a
determination of overpayment by fraud issued under this subdivision are not considered
overpaid unemployment benefits.

Sec. 45. Minnesota Statutes 2008, section 268.196, subdivision 1, is amended to read:

Subdivision 1. **Administration account.** (a) There is created in the state treasury a
special account to be known as the administration account. All money that is deposited
or paid into this account is continuously available to the commissioner for expenditure to
administer the Minnesota unemployment insurance program, and does not lapse at any
time. The administration account consists of:

(1) all money received from the federal government to administer the Minnesota
unemployment insurance program, any federal unemployment insurance program, or
assistance provided to any other state to administer that state's unemployment insurance
program;

(2) five percent of any money recovered on overpaid unemployment benefits as
provided for in section 268.194, subdivision 1, clause (7), which must be used for
deterring, detecting, and collecting overpaid unemployment benefits;
(3) any money received as compensation for services or facilities supplied to the
federal government or any other state;
(4) any money credited to this account under this chapter;
(5) any amounts received for losses sustained by this account or by reason of
damage to equipment or supplies; and
(6) any proceeds from the sale or disposition of any equipment or supplies that
may no longer be necessary for the proper administration of those sections.
(b) All money in this account must be deposited, administered, and disbursed in the
same manner and under the same conditions and requirements as are provided by law for
the other special accounts in the state treasury. The commissioner of finance, as treasurer
and custodian of this account, is liable for the faithful performance of duties in connection
with this account.
(c) All money in this account must be spent for the purposes and in the amounts
found necessary by the United States Secretary of Labor for the proper and efficient
administration of the Minnesota unemployment insurance program.

Sec. 46. Minnesota Statutes 2008, section 268.196, subdivision 2, is amended to read:
Subd. 2. State to replace money wrongfully used. If any money received under
United States Code, title 42, section 501 of the Social Security Act or the Wagner-Peyser
Act, is found by the United States Secretary of Labor to have been spent for purposes
other than, or in amounts in excess of, those necessary for the proper administration of the
Minnesota unemployment insurance program, the commissioner may replace the money
from the contingent account. If the money is not replaced from the contingent account,
it is the policy of this state that the money be replaced by money appropriated for that
purpose from the general funds of this state. If not replaced from the contingent account,
the commissioner shall, at the earliest opportunity, submit to the legislature a request
for the appropriation of that amount.

Sec. 47. Minnesota Statutes 2008, section 268.199, is amended to read:

268.199 CONTINGENT ACCOUNT.

(a) There is created in the state treasury a special account, to be known as the
contingent account, that does not lapse nor revert to any other fund or account. This
account consists of all money appropriated by the legislature, all money collected under
this chapter that is required to be placed in this account; and any interest earned on the
account. All money in this account is supplemental to all federal money available to the
commissioner. Money in this account is appropriated to the commissioner and is available
to the commissioner for administration of the Minnesota unemployment insurance
program unless otherwise appropriated by session law.

(b) All money in this account must be deposited, administered, and disbursed in the
same manner and under the same conditions and requirements as is provided by law for
the other special accounts in the state treasury. On June 30 of each year, all amounts in
excess of $200,000 in this account must be paid over to the trust fund.

Sec. 48. Minnesota Statutes 2008, section 268.211, is amended to read:

268.211 UNEMPLOYMENT INSURANCE BENEFITS TELEPHONE
SYSTEM.
The commissioner must ensure that the any automated telephone system used
for unemployment insurance benefits provides an option for any caller to speak to an
unemployment insurance specialist. An individual who calls any of the publicized
telephone numbers seeking information about applying for unemployment benefits or on
the status of a claim benefit account must have the option to speak on the telephone to a
specialist who can provide direct assistance or can direct the caller to the person individual
or office that is able to respond to the caller's needs.

Sec. 49. UNEMPLOYMENT LAW JUDGES.
It is in the public interest, as well as the interest of applicants and employees, that
an unemployment law judge conducting contested unemployment insurance hearings
should be an experienced attorney with a background in civil, criminal, or administrative
proceedings. An unemployment law judge should have a level of skill equal to that of a
workers' compensation judge. In order to recruit and retain individuals with the appropriate
skills, the pay of an unemployment law judge should be commensurate with that of a
workers' compensation judge, but should also take into account the less formal nature of
an unemployment insurance hearing. Before October 1, 2009, the commissioner of finance
is directed, in consultation with the deputy commissioner of employment and economic
development and the chief unemployment law judge, to determine and implement the
appropriate pay level, with no more than two pay steps, for unemployment law judges,
giving consideration only to the pay level provided to workers' compensation judges, but
taking into account the less formal nature of an unemployment insurance hearing.

Sec. 50. REVISOR'S INSTRUCTION.
In Minnesota Statutes, chapter 268, the revisor shall change "shall" to "must," except
in Minnesota Statutes, sections 268.035 and 268.103.
Sec. 51. REPEALER.

Minnesota Statutes 2008, sections 268.085, subdivision 14; and 268.086, subdivisions 1, 2, 3, 5, 6, 7, 8, and 9, are repealed.

Sec. 52. EFFECTIVE DATE.

Sections 1 to 48 and 50 are effective August 2, 2009, and apply to all department determinations and unemployment law judge decisions issued on or after that date.

ARTICLE 5
LABOR STANDARDS AND WAGES; LICENSING AND FEES

Section 1. Minnesota Statutes 2008, section 16C.28, is amended by adding a subdivision to read:

Subd. 6. Contract awards. When prevailing wage laws apply, an agency shall not be liable for costs under section 177.43, subdivision 3, if it has included language in its contracts which requires vendors and contractors to comply with prevailing wage laws and the contract also contains the following elements:

1. a description of the prevailing wage laws and a citation to relevant statutes;

2. contact details for further information from the Department of Labor and Industry; and

3. a statement of contractor and subcontractor liability for failure to adhere to prevailing wage laws.

Sec. 2. Minnesota Statutes 2008, section 177.27, subdivision 4, is amended to read:

Subd. 4. Compliance orders. The commissioner may issue an order requiring an employer to comply with sections 177.21 to 177.435, 181.02, 181.03, 181.031, 181.032, 181.101, 181.11, 181.12, 181.13, 181.14, 181.145, 181.15, 181.275, subdivision 2a, and 181.79, or with any rule promulgated under section 177.28. The commissioner shall issue an order requiring an employer to comply with sections 177.41 to 177.435 if the violation is repeated. For purposes of this subdivision only, a violation is repeated if at any time during the two years that preceded the date of violation, the commissioner issued an order to the employer for violation of sections 177.41 to 177.435 and the order is final or the commissioner and the employer have entered into a settlement agreement that required the employer to pay back wages that were required by sections 177.41 to 177.435. The department shall serve the order upon the employer or the employer's authorized representative in person or by certified mail at the employer's place of business.

An employer who wishes to contest the order must file written notice of objection to the
order with the commissioner within 15 calendar days after being served with the order.

A contested case proceeding must then be held in accordance with sections 14.57 to 14.69. If, within 15 calendar days after being served with the order, the employer fails to file a written notice of objection with the commissioner, the order becomes a final order of the commissioner.

Sec. 3. Minnesota Statutes 2008, section 177.30, is amended to read:

177.30 KEEPING RECORDS; PENALTY.

(a) Every employer subject to sections 177.21 to 177.44 must make and keep a record of:

1. the name, address, and occupation of each employee;
2. the rate of pay, and the amount paid each pay period to each employee;
3. the hours worked each day and each workweek by the employee;
4. for each employer subject to sections 177.41 to 177.44, and while performing work on public works projects funded in whole or in part with state funds, the employer shall furnish under oath signed by an owner or officer of an employer to the contracting authority and the project owner every two weeks, a certified payroll report with respect to the wages and benefits paid each employee during the preceding weeks specifying for each employee: name; identifying number; prevailing wage master job classification of each employee working on the project for each hour; hours worked each day; total hours; rate of pay; gross amount earned; each deduction for taxes; total deductions; net pay for week; dollars contributed per hour for each benefit, including name and address of administrator; benefit account number; and telephone number for health and welfare, vacation or holiday, apprenticeship training, pension, and other benefit programs; and

Sec. 33. Minnesota Statutes 2008, section 327B.04, subdivision 8, is amended to read:

Subd. 8. Limited dealer's license. The commissioner shall issue a limited dealer's license to an owner of a manufactured home park authorizing the licensee as principal only to engage in the sale, offering for sale, soliciting, or advertising the sale of used manufactured homes located in the owned manufactured home park. The licensee must be the title holder of the homes and may engage in no more than ten sales annually during each year of the two-year licensure period. An owner may, upon payment of the applicable fee and compliance with this subdivision, obtain a separate license for each owned manufactured home park and is entitled to sell up to ten 20 homes per license period provided that only one limited dealer license may be issued for each park. The license shall be issued after:

1. receipt of an application on forms provided by the commissioner containing the following information:
   1.1 the identity of the applicant;
   1.2 the name under which the applicant will be licensed and do business in this state;
   1.3 the name and address of the owned manufactured home park, including a copy of the park license, serving as the basis for the issuance of the license;
   1.4 the name, home, and business address of the applicant;
   1.5 the name, address, and telephone number of one individual that is designated by the applicant to receive all communications and cooperate with all inspections and investigations of the commissioner pertaining to the sale of manufactured homes in the manufactured home park owned by the applicant;
   1.6 whether the applicant or its designated individual has been convicted of a crime within the previous ten years that is either related directly to the business for which the license is sought or involved fraud, misrepresentation or misuse of funds, or has suffered a...
judgment in a civil action involving fraud, misrepresentation, or conversion within the
previous five years or has had any government license or permit suspended or revoked
as a result of an action brought by a federal or state governmental agency in this or any
other state within the last five years; and

(vii) the applicant's qualifications and business history, including whether the
applicant or its designated individual has ever been adjudged bankrupt or insolvent, or has
any unsatisfied court judgments outstanding against it or them;

(2) payment of a $100 annual the license fee established by subdivision 7a; and

The applicant need not comply with section 327B.04, subdivision 4, paragraph (e).
The holding of a limited dealer's license does not satisfy the requirement contained in
section 327B.04, subdivision 4, paragraph (e), for the licensee or salespersons with respect
to obtaining a dealer license. The commissioner may, upon application for a renewal of
a license, require only a verification that copies of sales documents have been retained

Subd. 6. St. Paul RiverCentre Arena 65,000,000

This appropriation is from the general fund to the commissioner of finance for a loan to the city of St. Paul to demolish the existing St. Paul RiverCentre Arena and to design, construct, furnish, and equip a new arena. This appropriation is not available until the lessee to whom the city has leased the arena has agreed to make rental or other payments to the city under the terms set forth in this subdivision. The loan is repayable solely from and secured by the payments made to the city by the lessee. The loan is not a public debt and the full faith, credit, and taxing powers of the city are not pledged for its repayment.

(a) $48,000,000 $15,250,000 of the loan must be repaid to the commissioner, without interest, within 20 12 years from the date of substantial completion of the arena in accordance with the following schedule:

(1) no repayments are due in the first two years from the date of substantial completion;

(2) in each of the years three to five, the lessee must pay $1,250,000;

(3) in each of the years six to ten, the lessee must pay $1,500,000; and

(4) in each of the years 11 to 13, the lessee must pay $2,000,000.
(5) in year 14, the lessee must pay $3,000,000;

(6) in year 15, the lessee must pay $4,000,000; and

(7) in each of the years 16 to 20, the lessee must pay $4,750,000.

(b) The commissioner must deposit the repayments in the state treasury and credit them to the general fund.

(c) The loan may not be made until the commissioner has entered into an agreement with the city of St. Paul identifying the rental or other payments that will be made and establishing the dates on and the amounts in which the payments will be made to the city and by the city to the commissioner. The payments may include operating revenues and additional payments to be made by the lessee under agreements to be negotiated between the commissioner, the city, and the lessee. Those agreements may include, but are not limited to, an agreement whereby the lessee pledges to provide each year a letter of credit sufficient to guarantee the payment of the amount due for the next succeeding year; an agreement whereby the lessee agrees to maintain a net worth, certified each year by a financial institution or accounting firm satisfactory to the commissioner, that is greater than the balance due under the payment schedule in paragraph (a); and any other agreements the commissioner may deem necessary to ensure that the payments are made as scheduled. Payments made by the lessee under the lease in amounts equal to...
the amount of the loan forgiven after year 12

must be used solely by the city to pay for or

finance the design, acquisition, construction,

and equipping of a public facility to be

located within the block 39/arena tax

increment district.

d) The agreements must provide that the

failure of the lessee to make a payment due

to the city under the agreement is an event

of default under the lease between the city

and the lessee and that the state is entitled to

enforce the remedies of the lessor under the

lease in the event of default. Those remedies

must include, but need not be limited to, the

obligation of the lessee to pay the balance due

for the remainder of the payment schedule

in the event the lessee ceases to operate a

National Hockey League team in the arena.

e) By January 1, 1999, the commissioner

shall report to the chair of the senate

committee on state government finance

and the chair of the house committee on

ways and means the terms of an agreement

between the lessee and the amateur sports

commission whereby the lessee agrees to

make the facilities of the arena available to

the commission on terms satisfactory to the

commission for amateur sports activities

consistent with the purposes of Minnesota

Statutes, chapter 240A, each year during the

time the loan is outstanding. The amateur

sports commission must negotiate in good

faith and may be required to pay no more

than actual out-of-pocket expenses for the

time it uses the arena. The agreement may

not become effective before February 1,
1999. During any calendar year after 1999
that an agreement under this paragraph is
not in effect and a payment is due under
the schedule, the lessee must pay to the
commissioner a penalty of $750,000 for that
year. If the amateur sports commission has
not negotiated in good faith, no penalty is
due.

(iii) Money distributed in 2008 to the fund established under this section that exceeds ten cents per ton is available to qualifying producers under paragraph (a) on a pro rata basis.

If 2008 H.F. No. 1812 is enacted and includes a provision that amends this section in a manner that is different from the amendment in this section, the amendment in this section supersedes the amendment in 2008 H.F. No. 1812, notwithstanding section 645.26. (c) Repayment or transfer of money to the taconite environmental protection fund under paragraph (b), item (ii), must be allocated by the Iron Range Resources and Rehabilitation Board for public works projects in house legislative districts in the same proportion as taxable tonnage of production in 2007 in each house legislative district, for distribution in 2008, bears to total taxable tonnage of production in 2007, for distribution in 2008. Notwithstanding any other law to the contrary, expenditures under this paragraph do not require approval by the governor. For purposes of this paragraph, "house legislative districts" means the legislative districts in existence on the effective date of this section.

ARTICLE 8
HOUSING FINANCE AGENCY

Section 1. Minnesota Statutes 2008, section 327C.03, is amended by adding a subdivision to read:

Subd. 6. Payment to the Minnesota manufactured home relocation trust fund.

In the event a park owner has been assessed under section 327C.095, subdivision 12, paragraph (c), the park owner may collect the $12 annual payment required by section 327C.095, subdivision 12, for participation in the relocation trust fund, as a lump sum or, along with monthly lot rent, a fee of no more than $1 per month to cover the cost of participating in the relocation trust fund. The $1 fee must be separately itemized and clearly labeled "Minnesota manufactured home relocation trust fund."

Sec. 2. Minnesota Statutes 2008, section 327C.095, subdivision 12, is amended to read:

Subd. 12. Payment to the Minnesota manufactured home relocation trust fund.

(a) If a manufactured home owner is required to move due to the conversion of all or a portion of a manufactured home park to another use, the closure of a park, or cessation of use of the land as a manufactured home park, the manufactured park owner shall, upon the change in use, pay to the commissioner of finance for deposit in the Minnesota manufactured home relocation trust fund under section 462A.35, the lesser amount of the actual costs of moving or purchasing the manufactured home approved by the neutral third party and paid by the Minnesota Housing Finance Agency under subdivision 13, paragraph (a) or (e), or $3,250 for each single section manufactured home, and $6,000 for each multi-section manufactured home, for which a manufactured home owner has made application for payment of relocation costs under subdivision 13, paragraph (c). The manufactured home park owner shall make payments required under this section to the Minnesota manufactured home relocation trust fund within 60 days of receipt of invoice from the neutral third party.

(b) A manufactured home park owner is not required to make the payment prescribed under paragraph (a), nor is a manufactured home owner entitled to compensation under subdivision 13, paragraph (a) or (e), if:

(1) the manufactured home park owner relocates the manufactured home owner to another space in the manufactured home park or to another manufactured home park at the park owner's expense;
(2) the manufactured home owner is vacating the premises and has informed the
manufactured home park owner or manager of this prior to the mailing date of the closure
statement under subdivision 1;

(3) a manufactured home owner has abandoned the manufactured home, or the
manufactured home owner is not current on the monthly lot rental, personal property
taxes, or has failed to pay the annual $12 payments to the Minnesota manufactured home
relocation trust fund when due;

(4) the manufactured home owner has a pending eviction action for nonpayment of
lot rental amount under section 327C.09, which was filed against the manufactured home
owner prior to the mailing date of the closure statement under subdivision 1, and the writ
of recovery has been ordered by the district court;

(5) the conversion of all or a portion of a manufactured home park to another use,
the closure of a park, or cessation of use of the land as a manufactured home park is the
result of a taking or exercise of the power of eminent domain by a governmental entity
or public utility; or

(6) the owner of the manufactured home is not a resident of the manufactured home
park, as defined in section 327C.01, subdivision 9, or the owner of the manufactured home
is a resident, but came to reside in the manufactured home park after the mailing date of
the closure statement under subdivision 1.

(c) Owners of manufactured homes who rent lots in a manufactured home park shall
make annual payments to the park owner, to be deposited in the Minnesota manufactured
home relocation trust fund under section 462A.35, in the amount of $12 per year, per
manufactured home, payable on August 15 of each year. On or before July 15 of each
year, the commissioner of finance shall prepare and post on the department's Web site a
generic invoice and cover letter explaining the purpose of the Minnesota manufactured
home relocation trust fund, the obligation of each manufactured home owner to make an
annual $12 payment into the fund, the due date, and the need to pay to the park owner for
collection, and a warning, in 14-point font, that if the annual payments are not made when
due, the manufactured home owner will not be eligible for compensation from the fund if
the manufactured home park closes. The park owner shall receive, record, and commingle
the payments and forward the payments to the commissioner of finance by September 15
of each year, with a summary by the park owner, certifying the name, address, and payment
amount of each remitter, and noting the names and address of manufactured home owners
who did not pay the $12 annual payment, sent to both the commissioner of finance and the
commissioner of the Minnesota Housing Finance Agency. The commissioner of finance
shall deposit the payments in the Minnesota manufactured home relocation trust fund.
The commissioner of finance shall annually assess each manufactured home park owner
by mail the total amount of $12 for each licensed lot in their park, payable on or before
September 15 of each year. The commissioner of finance shall deposit the payments in the
Minnesota manufactured home relocation trust fund. On or before July 15 of each year,
the commissioner of finance shall prepare and distribute to park owners a letter explaining
the collection, an invoice for all licensed lots, and a sample form for the park owners to
collect information on which park residents have been accounted for. The park owner may
recoup the cost of the $12 assessment as a lump sum or as a monthly fee of no more than
$1 collected from park residents together with monthly lot rent as provided in section
327C.03, subdivision 6. Park owners may adjust payment for lots in their park that are
vacant or otherwise not eligible for contribution to the trust fund under section 327C.095,
subsection 12, paragraph (b), and deduct from the assessment, accordingly.
(d) This subdivision and subdivision 13, paragraph (c), clause (5), are enforceable by
the neutral third party, on behalf of the Minnesota Housing Finance Agency, or by action
in a court of appropriate jurisdiction. The court may award a prevailing party reasonable
attorney fees, court costs, and disbursements.

Sec. 3. Minnesota Statutes 2008, section 327C.095, subdivision 13, is amended to read:

Subd. 13. Change in use, relocation expenses; payments by park owner. (a)
If a manufactured home owner is required to relocate due to the conversion of all or a
portion of a manufactured home park to another use, the closure of a manufactured home
park, or cessation of use of the land as a manufactured home park under subdivision
1, and the manufactured home owner complies with the requirements of this section,
the manufactured home owner is entitled to payment from the Minnesota manufactured
home relocation trust fund equal to the manufactured home owner's actual relocation
costs for relocating the manufactured home to a new location within a 25-mile radius
of the park that is being closed, up to a maximum of $4,000 for a single-section and
$8,000 for a multisection manufactured home. The actual relocation costs must include
the reasonable cost of taking down, moving, and setting up the manufactured home,
including equipment rental, utility connection and disconnection charges, minor repairs,
modifications necessary for transportation of the home, necessary moving permits and
insurance, moving costs for any appurtenances, which meet applicable local, state, and
federal building and construction codes.

(b) A manufactured home owner is not entitled to compensation under paragraph (a)
if the manufactured home park owner is not required to make a payment to the Minnesota
manufactured home relocation trust fund under subdivision 12, paragraph (b).
(c) Except as provided in paragraph (e), in order to obtain payment from the Minnesota manufactured home relocation trust fund, the manufactured home owner shall submit to the neutral third party and the Minnesota Housing Finance Agency, with a copy to the park owner, an application for payment, which includes:

(1) a copy of the closure statement under subdivision 1;

(2) a copy of the contract with a moving or towing contractor, which includes the relocation costs for relocating the manufactured home;

(3) a statement with supporting materials of any additional relocation costs as outlined in subdivision 1;

(4) a statement certifying that none of the exceptions to receipt of compensation under subdivision 12, paragraph (b), apply to the manufactured home owner;

(5) a statement from the manufactured park owner that the lot rental is current and that the annual $12 payments to the Minnesota manufactured home relocation trust fund have been paid when due; and

(6) a statement from the county where the manufactured home is located certifying that personal property taxes for the manufactured home are paid through the end of that year.

(d) If the neutral third party has acted reasonably and does not approve or deny payment within 45 days after receipt of the information set forth in paragraph (c), the payment is deemed approved. Upon approval and request by the neutral third party, the Minnesota Housing Finance Agency shall issue two checks in equal amount for 50 percent of the contract price payable to the mover and towing contractor for relocating the manufactured home in the amount of the actual relocation cost, plus a check to the home owner for additional certified costs associated with third-party vendors, that were necessary in relocating the manufactured home. The moving or towing contractor shall receive 50 percent upon execution of the contract and 50 percent upon completion of the relocation and approval by the manufactured home owner. The moving or towing contractor may not apply the funds to any other purpose other than relocation of the manufactured home as provided in the contract. A copy of the approval must be forwarded by the neutral third party to the park owner with an invoice for payment of the amount specified in subdivision 12, paragraph (a).

(e) In lieu of collecting a relocation payment from the Minnesota manufactured home relocation trust fund under paragraph (a), the manufactured home owner may collect an amount from the fund after reasonable efforts to relocate the manufactured home have failed due to the age or condition of the manufactured home, or because there are no manufactured home parks willing or able to accept the manufactured home within a
25-mile radius. A manufactured home owner may tender title of the manufactured home in the manufactured home park to the manufactured home park owner, and collect an amount to be determined by an independent appraisal. The appraiser must be agreed to by both the manufactured home park owner and the manufactured home owner. The amount that may be reimbursed under the fund is a maximum of $5,000 for a single section and $9,000 for a multisection manufactured home. The manufactured home owner shall deliver to the manufactured home park owner the current certificate of title to the manufactured home duly endorsed by the owner of record, and valid releases of all liens shown on the certificate of title, and a statement from the county where the manufactured home is located evidencing that the personal property taxes have been paid. The manufactured home owner's application for funds under this paragraph must include a document certifying that the manufactured home cannot be relocated, that the lot rental is current, that the annual $12 payments to the Minnesota manufactured home relocation trust fund have been paid when due, that the manufactured home owner has chosen to tender title under this section, and that the park owner agrees to make a payment to the commissioner of finance in the amount established in subdivision 12, paragraph (a), less any documented costs submitted to the neutral third party, required for demolition and removal of the home, and any debris or refuse left on the lot, not to exceed $1,000. The manufactured home owner must also provide a copy of the certificate of title endorsed by the owner of record, and certify to the neutral third party, with a copy to the park owner, that none of the exceptions to receipt of compensation under subdivision 12, paragraph (b), clauses (1) to (6), apply to the manufactured home owner, and that the home owner will vacate the home within 60 days after receipt of payment or the date of park closure, whichever is earlier, provided that the monthly lot rent is kept current.

(f) The Minnesota Housing Finance Agency must make a determination of the amount of payment a manufactured home owner would have been entitled to under a local ordinance in effect on May 26, 2007. Notwithstanding paragraph (a), the manufactured home owner's compensation for relocation costs from the fund under section 462A.35, is the greater of the amount provided under this subdivision, or the amount under the local ordinance in effect on May 26, 2007, that is applicable to the manufactured home owner. Nothing in this paragraph is intended to increase the liability of the park owner.

(g) Neither the neutral third party nor the Minnesota Housing Finance Agency shall be liable to any person for recovery if the funds in the Minnesota manufactured home relocation trust fund are insufficient to pay the amounts claimed. The Minnesota Housing Finance Agency shall keep a record of the time and date of its approval of payment to a claimant.
(h) The agency shall report to the chairs of the senate Finance Committee and
the house of representatives Ways and Means Committee by January 15 of each year on
the Minnesota manufactured home relocation trust fund, including the account balance,
payments to claimants, the amount of any advances to the fund, and the amount of any
insufficiencies encountered during the previous calendar year, and any administrative
charges or expenses deducted from the trust fund balance. If sufficient funds become
available, the Minnesota Housing Finance Agency shall pay the manufactured home
owner whose unpaid claim is the earliest by time and date of approval.

Sec. 4. Minnesota Statutes 2008, section 462A.05, subdivision 14, is amended to read:

Subd. 14. Rehabilitation loans. It may agree to purchase, make, or otherwise
participate in the making, and may enter into commitments for the purchase, making, or
participation in the making, of eligible loans for rehabilitation, with terms and conditions
as the agency deems advisable, to persons and families of low and moderate income, and
to owners of existing residential housing for occupancy by such persons and families,
for the rehabilitation of existing residential housing owned by them. The loans may be
insured or uninsured and may be made with security, or may be unsecured, as the agency
deems advisable. The loans may be in addition to or in combination with long-term
eligible mortgage loans under subdivision 3. They may be made in amounts sufficient
to refinance existing indebtedness secured by the property, if refinancing is determined
by the agency to be necessary to permit the owner to meet the owner's housing cost
without expending an unreasonable portion of the owner's income thereon. No loan for
rehabilitation shall be made unless the agency determines that the loan will be used
primarily to make the housing more desirable to live in, to increase the market value of the
housing, for compliance with state, county or municipal building, housing maintenance,
fire, health or similar codes and standards applicable to housing, or to accomplish energy
conservation related improvements. In unincorporated areas and municipalities not
having codes and standards, the agency may, solely for the purpose of administering
the provisions of this chapter, establish codes and standards. Except for accessibility
improvements under this subdivision and subdivisions 14a and 24, clause (1), no secured
loan for rehabilitation of any owner-occupied property shall be made in an amount which,
with all other existing indebtedness secured by the property, would exceed 110 percent
of its market value, as determined by the agency. No loan under this subdivision for the
rehabilitation of owner-occupied housing shall be denied solely because the loan will not

agency determines that financing is not otherwise available, in whole or in part, from
private lenders upon equivalent terms and conditions. Accessibility rehabilitation loans
authorized under this subdivision may be made to eligible persons and families without
limitations relating to the maximum incomes of the borrowers if:

(1) the borrower or a member of the borrower's family requires a level of care
provided in a hospital, skilled nursing facility, or intermediate care facility for persons
with developmental disabilities;

(2) home care is appropriate; and

(3) the improvement will enable the borrower or a member of the borrower's family
to reside in the housing.

The agency may waive any requirement that the housing units in a residential housing
development be rented to persons of low and moderate income if the development consists
of four or less dwelling units, one of which is occupied by the owner.

Sec. 5. Minnesota Statutes 2008, section 462A.05, subdivision 14a, is amended to read:

will be used primarily for rehabilitation work necessary for health or safety, essential
accessibility improvements, or to improve the energy efficiency of the dwelling. No
loan for rehabilitation of owner occupied residential housing shall be denied solely
because the loan will not be used for placing the residential housing in full compliance
with all state, county or municipal building, housing maintenance, fire, health or similar
codes and standards applicable to housing. The amount of any loan shall not exceed the
lesser of (a) a maximum loan amount determined under rules adopted by the agency
not to exceed $20,000, or (b) the actual cost of the work performed, or (c) that
portion of the cost of rehabilitation which the agency determines cannot otherwise be
paid by the person or family without the expenditure of an unreasonable portion of the
income of the person or family. Loans made in whole or in part with federal funds may
exceed the maximum loan amount to the extent necessary to comply with federal lead
abatement requirements prescribed by the funding source. In making loans, the agency
shall determine the circumstances under which and the terms and conditions under which
all or any portion of the loan will be repaid and shall determine the appropriate security
for the repayment of the loan. Loans pursuant to this subdivision may be made with
or without interest or periodic payments.

(c) A certification by the city that a targeted revitalization program has been approved by the city council for the targeted neighborhood community must be provided to the commissioner together with a copy of the program. A copy of the program must also be provided to the Minnesota Housing Finance Agency and the commissioner of employment and economic development.

(d) A targeted revitalization program for the city may be modified at any time by the city council after a public hearing, notice of which is published in a newspaper of general circulation in the city and in the targeted neighborhood at least ten days nor more than 30 days before the date of the hearing. If the city council determines that the proposed modification is a significant modification to the program originally certified under paragraph (c), the city council shall implement the targeted revitalization program approval and certification process of this subdivision for the proposed modification.

The notice shall be published only once.

Subd. 2. Postponement by mortgagor or owner. (a) If all or a part of the property to be sold is classified as homestead under section 273.124 and contains one to four dwelling units, the mortgagor or owner may postpone the sale to the first date that is not
a Saturday, Sunday, or legal holiday and is five months after the originally scheduled
182.2 date of sale in the manner provided in this subdivision. To postpone a foreclosure sale
182.3 pursuant to this subdivision, at any time after the first publication of the notice of mortgage
182.4 foreclosure sale under section 580.03 but at least 15 days prior to the scheduled sale date
182.5 specified in that notice, the mortgagor shall: (1) execute a sworn affidavit in the form set

182.11 automatically reduce the mortgagor's redemption period under section 580.23 to five
182.12 weeks. The postponement of a foreclosure sale pursuant to this subdivision does not
182.13 require any change in the contents of the notice of sale, service of the notice of sale if the
182.14 occupant was served with the notice of sale prior to postponement under this subdivision,
182.15 or publication of the notice of sale if publication was commenced prior to postponement
182.16 under this subdivision, notwithstanding the service and publication time periods specified
182.17 in section 580.03, but the sheriff's certificate of sale shall indicate the actual date of the
182.18 foreclosure sale and the actual length of the mortgagor's redemption period. No notice
182.19 of postponement need be published. An affidavit complying with subdivision 3 shall be
182.20 prima facie evidence of the facts stated therein, and shall be entitled to be recorded. The
182.21 right to postpone a foreclosure sale pursuant to this subdivision may be exercised only
182.22 once, regardless whether the mortgagor reinstates the mortgage prior to the postponed
182.23 mortgage foreclosure sale.
182.24 (b) If the automatic stay under United States Code, title 11, section 362, applies
182.25 to the mortgage foreclosure after a mortgagor or owner requests postponement of the
182.26 sheriff's sale under this section, then when the automatic stay is no longer applicable, the
182.27 mortgagor's or owner's election to shorten the redemption period to five weeks under this
182.28 section remains applicable to the mortgage foreclosure.
182.29 Subd. 3. Affidavit form. The affidavit referred to in subdivision 2 shall be in

An applicant shall identify any nonstate funding sources available to match state funds distributed under subdivision 5.

Subd. 5. Fund distribution. In distributing funds, the commissioner shall consider the types of businesses affected by the eligible transportation project and shall balance funding between eligible transportation projects within the seven-county metropolitan area and eligible transportation projects outside of the seven-county metropolitan area.

ARTICLE 9
MINNESOTA HERITAGE

Section 1. Minnesota Statutes 2008, section 129D.13, subdivision 1, is amended to read:

Subdivision 1. Distribution. The commissioner shall distribute the money provided by sections 129D.11 to 129D.13. Twice annually the commissioner shall make block grants which shall be distributed in equal amounts to public stations for operational costs. The commissioner shall allocate money appropriated for the purposes of sections 129D.11
to 129D.13 in such a manner that each eligible public station receives a block grant. In addition, the commissioner shall make matching grants to public stations. Matching grants shall be used for operational costs and shall be allocated using the procedure developed for distribution of state money under this section for grants made in fiscal year 1979. No station's matching grant in any fiscal year shall exceed the amount of Minnesota-based contributions received by that station in the previous fiscal year. Grants made pursuant to this subdivision may only be given to those federally licensed stations that are certified as eligible for community service grants through the Corporation for Public Broadcasting. Grant funds not expended by a station during the first year of the biennium do not cancel and may be carried over into the second fiscal year.

Sec. 2. Minnesota Statutes 2008, section 129D.13, subdivision 2, is amended to read:

Subd. 2. Exclusions from contribution amount. In calculating the amount of contributions received by a public station pursuant to subdivision 1, there shall be excluded: contributions, whether monetary or in kind, from the Corporation for Public Broadcasting; tax generated funds, including payments by public or private elementary and secondary schools; that portion of any foundation or corporation donation in excess of $500 from any one contributor in a calendar the previous station fiscal year; contributions from any source if made for the purpose of capital expenditures; and contributions from all sources based outside the state.

Each educational station receiving a grant shall annually report by July 1 annually by August 1 to the commissioner the purposes for which the money was used in the past fiscal year and the anticipated use of the money in the next fiscal year. The report shall be certified by an independent auditor or a certified public accountant. This report shall be submitted along with a new grant request submission. If the report is not submitted by September, the commissioner may withhold from the educational station 45 percent of the amount to which it was entitled based upon the contribution of the previous fiscal year, and may redistribute that money to other educational stations.

Sec. 4. Minnesota Statutes 2008, section 129D.14, subdivision 4, is amended to read:

To be eligible for a grant under this section, a licensee shall submit an application to the commissioner within the deadline prescribed by the commissioner according to state grant policies. Each noncommercial radio station receiving a grant shall report annually within the deadline prescribed by August 1 to the
commissioner the purposes for which the money was used in the past fiscal year and the anticipated use of the money for the next fiscal year. This report shall be submitted along with a new grant request submission. If the application and report are not submitted within the deadline prescribed by the commissioner, the grant may be redistributed to the other noncommercial radio stations eligible for a grant under this section.

Sec. 5. Minnesota Statutes 2008, section 129D.14, subdivision 5, is amended to read:

Subd. 5. **State community service block grants.** (a) The commissioner shall determine eligibility for block grants and the allocation of block grant money on the basis of audited financial records of the station to receive the block grant funds for the station's fiscal year preceding the year in which the grant is made, as well as on the basis of the other requirements set forth in this section. The commissioner shall annually distribute block grants equally to all stations that comply with the eligibility requirements and for which a licensee applies for a block grant. Grant funds not expended by a station during the first year of the biennium do not cancel and may be carried over into the second fiscal year. The commissioner may promulgate rules to implement this section.

(b) A station may use grant money under this section for any radio station expenses.
