## 19.7 **ARTICLE 5**

### 19.8 **EFFICIENCY MEASURES**

19.9 Section 1. **[161.225] LOANS FOR LAND ACQUISITION FOR HIGHWAY**  
 19.10 **PROJECTS.**

19.11 Subdivision 1. **Account established.** The state right-of-way acquisition loan  
 19.12 account is created in the trunk highway fund for the purposes specified in this section.  
 19.13 Money in the account is annually appropriated to the commissioner and does not lapse.  
 19.14 Interest from the investment of money in this account must be deposited in the state  
 19.15 right-of-way acquisition loan account.

19.16 Subd. 2. **Loans.** (a) The commissioner may make loans to counties, towns, and  
 19.17 statutory and home rule charter cities for the purchase of property within the right-of-way  
 19.18 of a state trunk highway shown on an official map adopted pursuant to section 394.361 or  
 19.19 462.359, or for the purchase of property within the proposed right-of-way of a principal  
 19.20 or intermediate arterial highway. The loans shall be made from the fund established  
 19.21 pursuant to this subdivision for purchases approved by the commissioner. The loans  
 19.22 shall bear no interest.

19.23 (b) The commissioner shall make loans only:

19.24 (1) to accelerate the acquisition of primarily undeveloped property when there  
 19.25 is a reasonable probability that the property will increase in value before highway  
 19.26 construction, and to update an expired environmental impact statement on a project for  
 19.27 which the right-of-way is being purchased;

19.28 (2) to avert the imminent conversion or the granting of approvals which would allow  
 19.29 the conversion of property to uses which would jeopardize its availability for highway  
 19.30 construction;

19.31 (3) to advance planning and environmental activities on highest priority major  
 19.32 metropolitan river crossing projects under the transportation development guide chapter  
 19.33 policy plan; or

20.1 (4) to take advantage of open market opportunities when developed properties  
20.2 become available for sale, provided all parties involved are agreeable to the sale and  
20.3 funds are available.

20.4 (c) The commissioner shall not make loans for the purchase of property at a price  
20.5 which exceeds the fair market value of the property or which includes the costs of  
20.6 relocating or moving persons or property. The eminent domain process may be used to  
20.7 settle differences of opinion as to fair market value, provided all parties agree to the process.

20.8 (d) A private property owner may elect to receive the purchase price either  
20.9 in a lump sum or in not more than four annual installments without interest on the  
20.10 deferred installments. If the purchase agreement provides for installment payments,  
20.11 the commissioner shall make the loan in installments corresponding to those in the  
20.12 purchase agreement. The recipient of an acquisition loan shall convey the property for the  
20.13 construction of the highway at the same price which the recipient paid for the property. The  
20.14 price may include the costs of preparing environmental documents that were required for  
20.15 the acquisition and that were paid for with money that the recipient received from the loan  
20.16 fund. Upon notification by the commissioner that the plan to construct the highway has been  
20.17 abandoned or the anticipated location of the highway has changed, the recipient shall sell  
20.18 the property at market value in accordance with the procedures required for the disposition  
20.19 of the property. All rents and other money received because of the recipient's ownership  
20.20 of the property and all proceeds from the conveyance or sale of the property shall be paid  
20.21 to the commissioner. If a recipient is not permitted to include in the conveyance price the  
20.22 cost of preparing environmental documents that were required for the acquisition, then the  
20.23 recipient is not required to repay the commissioner an amount equal to 40 percent of the  
20.24 money received from the loan fund and spent in preparing the environmental documents.

20.25 (e) For administration of the loan program, the commissioner may expend from the  
20.26 fund each year an amount no greater than three percent of the amount of the proceeds for  
20.27 that year.

20.28 **Subd. 3. Loans for acquisition and relocation.** (a) The commissioner may  
20.29 make loans to acquiring authorities within the metropolitan area to purchase homestead  
20.30 property located in a proposed state trunk highway right-of-way or project, and to provide  
20.31 relocation assistance. Acquiring authorities are authorized to accept the loans and to  
20.32 acquire the property. Except as provided in this subdivision, the loans shall be made as  
20.33 provided in subdivision 2. Loans shall be in the amount of the fair market value of the  
20.34 homestead property plus relocation costs and less salvage value. Before construction of  
20.35 the highway begins, the acquiring authority shall convey the property to the commissioner

21.1 at the same price it paid, plus relocation costs and less its salvage value. Acquisition and  
 21.2 assistance under this subdivision must conform to sections 117.50 to 117.56.

21.3 (b) The commissioner may make loans only when:

21.4 (1) the owner of affected homestead property requests acquisition and relocation  
 21.5 assistance from an acquiring authority;

21.6 (2) federal or state financial participation is not available;

21.7 (3) the owner is unable to sell the homestead property at its appraised market value  
 21.8 because the property is located in a proposed state trunk highway right-of-way or project as  
 21.9 indicated on an official map or plat adopted under section 160.085, 394.361, or 462.359; and

21.10 (4) the commissioner agrees to and approves the fair market value of the homestead  
 21.11 property, which approval shall not be unreasonably withheld.

21.12 (c) For purposes of this subdivision, the following terms have the meanings given  
 21.13 them.

21.14 (1) "Acquiring authority" means counties, towns, and statutory and home rule  
 21.15 charter cities.

21.16 (2) "Homestead property" means: (i) a single-family dwelling occupied by the  
 21.17 owner, and the surrounding land, not exceeding a total of ten acres; or (ii) a manufactured  
 21.18 home, as defined in section 327B.01, subdivision 13.

21.19 (3) "Salvage value" means the probable sale price of the dwelling and other property  
 21.20 that is severable from the land if offered for sale on the condition that it be removed from  
 21.21 the land at the buyer's expense, allowing a reasonable time to find a buyer with knowledge  
 21.22 of the possible uses of the property, including separate use of serviceable components and  
 21.23 scrap when there is no other reasonable prospect of sale.

21.24 **EFFECTIVE DATE.** This section is effective January 1, 2015.

21.25 Sec. 2. **[174.53] FEDERAL FUND FLEXIBILITY PROGRAM.**

21.26 The commissioner shall establish a program to allow greater flexibility and  
 21.27 efficiency in the allocation of federal funds for state-aid transportation projects. The  
 21.28 commissioner shall:

21.29 (1) establish and administer selection criteria and a process under which a local unit  
 21.30 of government that would otherwise receive federal funds for a local transportation project  
 21.31 would be able to finance the project with state funds instead of federal funds;

21.32 (2) redirect the unused federal funds to transportation projects for which federal  
 21.33 funds could be utilized by the state more efficiently and productively;

21.34 (3) achieve a reasonable degree of equity among the department districts in  
 21.35 distributing funds under the program; and

22.1 (4) ensure that the state's receipt of federal funds for transportation projects is not  
 22.2 jeopardized by the program.

22.3 **EFFECTIVE DATE.** This section is effective the day following final enactment.

22.4 Sec. 3. Minnesota Statutes 2012, section 473.167, is amended to read:

22.5 **473.167 HIGHWAY AND TRANSIT PROJECTS.**

22.6 Subd. 2. **Loans for acquisition.** (a) The council may make loans to counties, towns,  
 22.7 and statutory and home rule charter cities within the metropolitan area for the purchase of  
 22.8 property within the right-of-way of a state trunk highway shown on an official map adopted  
 22.9 pursuant to section 394.361 or 462.359 ~~or~~ for the purchase of property within the proposed  
 22.10 right-of-way of a principal or intermediate arterial highway designated by the council as a  
 22.11 part of the metropolitan highway system plan and approved by the council pursuant to  
 22.12 section 473.166, or for the purchase of property needed for proposed transit-related capital  
 22.13 improvements, including transitways designated in the council's most recent transportation  
 22.14 policy plan. The loans shall be made by the council, from the fund established pursuant to  
 22.15 this subdivision, for purchases approved by the council. The loans shall bear no interest.

22.16 (b) The council shall make loans only:

22.17 (1) to accelerate the acquisition of primarily undeveloped property when there  
 22.18 is a reasonable probability that the property will increase in value before highway or  
 22.19 transit-related construction, and to update an expired environmental impact statement on  
 22.20 a project for which the right-of-way is being purchased;

22.21 (2) to avert the imminent conversion or the granting of approvals which would allow  
 22.22 the conversion of property to uses which would jeopardize its availability for highway or  
 22.23 transit-related construction;

22.24 (3) to advance planning and environmental activities on highest priority major  
 22.25 metropolitan river crossing projects, under the transportation development guide  
 22.26 chapter/policy plan; or

22.27 (4) to take advantage of open market opportunities when developed properties  
 22.28 become available for sale, provided all parties involved are agreeable to the sale and  
 22.29 funds are available.

22.30 (c) The council shall not make loans for the purchase of property at a price which  
 22.31 exceeds the fair market value of the property or which includes the costs of relocating or  
 22.32 moving persons or property. The eminent domain process may be used to settle differences  
 22.33 of opinion as to fair market value, provided all parties agree to the process.

23.1 (d) A private property owner may elect to receive the purchase price either in a  
23.2 lump sum or in not more than four annual installments without interest on the deferred  
23.3 installments. If the purchase agreement provides for installment payments, the council  
23.4 shall make the loan in installments corresponding to those in the purchase agreement. The  
23.5 recipient of an acquisition loan shall convey the property for the construction of the highway  
23.6 at the same price which the recipient paid for the property. The price may include the costs  
23.7 of preparing environmental documents that were required for the acquisition and that were  
23.8 paid for with money that the recipient received from the loan fund. Upon notification by  
23.9 the council that the plan to construct the highway or transit project has been abandoned or  
23.10 the anticipated location of the highway or transit project changed, the recipient shall sell  
23.11 the property at market value in accordance with the procedures required for the disposition  
23.12 of the property. All rents and other money received because of the recipient's ownership  
23.13 of the property and all proceeds from the conveyance or sale of the property shall be paid  
23.14 to the council. If a recipient is not permitted to include in the conveyance price the cost  
23.15 of preparing environmental documents that were required for the acquisition, then the  
23.16 recipient is not required to repay the council an amount equal to 40 percent of the money  
23.17 received from the loan fund and spent in preparing the environmental documents.

23.18 (e) The proceeds of the tax authorized by subdivision 3, all money paid to the  
23.19 council by recipients of loans, and all interest on the proceeds and payments shall be  
23.20 maintained as a separate fund. For administration of the loan program, the council may  
23.21 expend from the fund each year an amount no greater than three percent of the amount of  
23.22 the proceeds for that year.

23.23 Subd. 2a. **Loans for acquisition and relocation.** (a) The council may make loans  
23.24 to acquiring authorities within the metropolitan area to purchase homestead property  
23.25 located in a proposed state trunk highway right-of-way or project or transit-related project,  
23.26 and to provide relocation assistance. Acquiring authorities are authorized to accept the  
23.27 loans and to acquire the property. Except as provided in this subdivision, the loans shall  
23.28 be made as provided in subdivision 2. Loans shall be in the amount of the fair market  
23.29 value of the homestead property plus relocation costs and less salvage value. Before  
23.30 construction of the highway or transit-related project begins, the acquiring authority shall  
23.31 convey the property to the commissioner of transportation or council at the same price it  
23.32 paid, plus relocation costs and less its salvage value. Acquisition and assistance under this  
23.33 subdivision must conform to sections 117.50 to 117.56.

23.34 (b) The council may make loans only when:

23.35 (1) the owner of affected homestead property requests acquisition and relocation  
23.36 assistance from an acquiring authority;

24.1 (2) federal or state financial participation is not available;

24.2 (3) the owner is unable to sell the homestead property at its appraised market  
24.3 value because the property is located in a proposed state trunk highway right-of-way or  
24.4 project as indicated on an official map or plat adopted under section 160.085, 394.361,  
24.5 or 462.359, or transit-related project; and

24.6 (4) the council agrees to and approves the fair market value of the homestead  
24.7 property, which approval shall not be unreasonably withheld.

24.8 (c) For purposes of this subdivision, the following terms have the meanings given  
24.9 them.

24.10 (1) "Acquiring authority" means counties, towns, and statutory and home rule  
24.11 charter cities in the metropolitan area.

24.12 (2) "Homestead property" means: (i) a single-family dwelling occupied by the  
24.13 owner, and the surrounding land, not exceeding a total of ten acres; or (ii) a manufactured  
24.14 home, as defined in section 327B.01, subdivision 13.

24.15 (3) "Salvage value" means the probable sale price of the dwelling and other property  
24.16 that is severable from the land if offered for sale on the condition that it be removed from  
24.17 the land at the buyer's expense, allowing a reasonable time to find a buyer with knowledge  
24.18 of the possible uses of the property, including separate use of serviceable components and  
24.19 scrap when there is no other reasonable prospect of sale.

24.20 Subd. 3. **Tax.** The council may levy a tax on all taxable property in the metropolitan  
24.21 area, as defined in section 473.121, to provide funds for loans made pursuant to  
24.22 subdivisions 2 and 2a. This tax for the right-of-way acquisition loan fund shall be certified  
24.23 by the council, levied, and collected in the manner provided by section 473.13. The tax  
24.24 shall be in addition to that authorized by section 473.249 and any other law and shall not  
24.25 affect the amount or rate of taxes which may be levied by the council or any metropolitan  
24.26 agency or local governmental unit. The amount of the levy shall be as determined and  
24.27 certified by the council, provided that the tax levied by the Metropolitan Council for the  
24.28 right-of-way acquisition loan fund shall not exceed ~~\$2,828,379 for taxes payable in 2004~~  
24.29 ~~and \$2,828,379 for taxes payable in 2005~~. The amount of the levy for taxes payable in  
24.30 ~~2006 and subsequent years shall not exceed~~ the product of (1) the Metropolitan Council's  
24.31 property tax levy limitation under this subdivision for the previous year, multiplied by  
24.32 (2) one plus a percentage equal to the growth in the implicit price deflator as defined  
24.33 in section 275.70, subdivision 2.

24.34 Subd. 4. **State review.** The commissioner of revenue shall certify the council's levy  
24.35 limitation under this section to the council by August 1 of the levy year. The council must  
24.36 certify its proposed property tax levy to the commissioner of revenue by September 1 of

25.1 the levy year. The commissioner of revenue shall annually determine whether the property  
 25.2 tax for the right-of-way acquisition loan fund certified by the Metropolitan Council for  
 25.3 levy following the adoption of its proposed budget is within the levy limitation imposed  
 25.4 by this section. The determination must be completed prior to September 10 of each year.  
 25.5 If current information regarding market valuation in any county is not transmitted to the  
 25.6 commissioner in a timely manner, the commissioner may estimate the current market  
 25.7 valuation within that county for purposes of making the calculation.

25.8 **EFFECTIVE DATE.** This section is effective the day following final enactment.

25.9 Sec. 4. **APPROPRIATION.**

25.10 \$..... is appropriated from the trunk highway fund to the commissioner of
