6.21 **Sec. 7. [473J.01] PURPOSE.**

6.22 The purpose of this chapter is to provide for the construction, financing, and
6.23 long-term use of a stadium and related stadium infrastructure as a venue for professional
6.24 football and a broad range of other civic, community, athletic, educational, cultural,
6.25 and commercial activities. The legislature finds and declares that the expenditure of
6.26 public money for this purpose is necessary and serves a public purpose, and that property
6.27 acquired by the Minnesota Stadium Authority for the construction of the stadium and
6.28 related stadium infrastructure is acquired for a public use or public purpose under chapter
6.29 117. The legislature further finds and declares that any provision in a lease or use
6.30 agreement with a professional football team that requires the team to play all of its home
6.31 games in a publicly funded stadium for the duration of the lease or use agreement, with the
6.32 occasional exception of a game played elsewhere as set forth in such agreement, serves
6.33 a unique public purpose for which the remedies of specific performance and injunctive
6.34 relief are essential to its enforcement. The legislature further finds and declares that
6.35 government assistance to facilitate the presence of professional football provides to the

7.1 state of Minnesota and its citizens highly valued intangible benefits that are virtually
7.2 impossible to quantify and, therefore, not recoverable even if the government receives
7.3 monetary damages in the event of a team's breach of contract. Minnesota courts are,
7.4 therefore, charged with protecting those benefits through the use of specific performance
7.5 and injunctive relief as provided in this chapter and in the lease and use agreements.

7.6 Sec. 8. [473J.03] DEFINITIONS.

7.7 Subdivision 1. **Application.** For the purposes of this chapter, the terms defined in

10.29 enter into an agreement with the city regarding traffic control for the stadium.

10.30 Subd. 7. **Gifts, grants, loans.** The authority may accept monetary contributions,
10.31 property, services, and grants or loans of money or other property from the United States,
10.32 the state, any subdivision of the state, any agency of those entities, or any person for any
10.33 of its purposes, and may enter into any agreement required in connection with the gifts,
10.34 grants, or loans. The authority shall hold, use, and dispose of the money, property, or
10.35 services according to the terms of the monetary contributions, grant, loan, or agreement.

11.1 Subd. 8. **Use agreements.** The authority may lease, license, or enter into use
11.2 agreements and may fix, alter, charge, and collect rents, fees, and charges for the use,
11.3 occupation, and availability of part or all of any premises, property, or facilities under
11.4 its ownership, operation, or control for purposes that will provide athletic, educational,
11.5 cultural, commercial, or other entertainment, instruction, or activity for the citizens of
11.6 Minnesota and visitors. The use agreements may provide that the other contracting party
11.7 has exclusive use of the premises at the times agreed upon, as well as the right to retain
11.8 some or all revenues from ticket sales, suite licenses, concessions, advertising, naming
11.9 rights, NFL team designated broadcast/media, club seats, signage, and other revenues
11.10 derived from the stadium. The lease or use agreement with an NFL team must provide for
11.11 the payment by the NFL team of an agreed-upon portion of operating and maintenance
11.12 costs and expenses and provide other terms in which the authority and NFL team agree. In
11.13 no case may a lease or use agreement permit smoking in the stadium.

11.14 Subd. 9. **Research.** The authority may conduct research studies and programs;
11.15 collect and analyze data; prepare reports, maps, charts, and tables; and conduct all
11.16 necessary hearings and investigations in connection with its functions.

11.17 Subd. 10. **Insurance.** The authority may require any employee to obtain and file
11.18 with the authority an individual bond or fidelity insurance policy. The authority may
11.19 procure insurance in the amounts the authority considers necessary against liability of the
11.20 authority or its officers and employees for personal injury or death and property damage or
11.21 destruction, consistent with chapter 466, and against risks of damage to or destruction of
11.22 any of its facilities, equipment, or other property.

11.23 Subd. 11. **Exemption from Metropolitan Council review; Business Subsidy Act.**
11.24 The acquisition and betterment of a stadium and stadium infrastructure by the authority
11.25 must be conducted pursuant to this chapter and are not subject to sections 473.165 and
11.26 473.173. Section 116J.994 does not apply to any transactions of the authority or other
11.27 governmental entity related to the stadium or stadium infrastructure or to any tenant or
11.28 other users of the stadium or stadium infrastructure. The Metropolitan Council shall waive
11.29 any sewer access charges or similar fees and charges customarily imposed attributable to
11.30 the design and construction of the stadium and stadium infrastructure.

11.31 Subd. 12. **Incidental powers.** In addition to the powers expressly granted in this
11.32 chapter, the authority has all powers necessary or incidental thereto.

11.33 Subd. 13. **Grants to the Authority.** The commissioner of management and budget
11.34 shall make grants to the authority in amounts equal to the amount deposited in the general
11.35 fund under article 4, section 1, subdivision 3, paragraph (b), clauses (2) and (3).

12.1 Sec. 12. [473J.11] STADIUM DESIGN AND CONSTRUCTION.

12.2 Subdivision 1. Contracts. (a) The design, development, and construction of the
12.3 stadium shall be a collaborative process between the authority and the NFL team. The
12.4 authority and the NFL team shall establish a process to reach consensus on key elements
12.5 of the stadium program and design, development, and construction.

12.6 (b) Unless the authority and the NFL team agree otherwise:

12.7 (1) the authority shall create a stadium design and construction group, including
12.8 representatives of the authority and the NFL team, to manage the design of the stadium
12.9 and oversee construction;

12.10 (2) this group shall engage an owner's representative to act on behalf of the group.
12.11 The cost of the owner's representative shall be a stadium cost; and

12.12 (3) the authority and the NFL team shall enter into a development administration
12.13 agreement providing for rights and responsibilities of the authority and the NFL team, the
12.14 design and construction group, and the owner's representative for design and construction
12.15 of the stadium, including but not limited to establishment of minimum design standards.
12.16 This development administration agreement shall provide for binding arbitration in
12.17 the event that the authority and the NFL team are unable to agree on minimum design
12.18 standards or other material aspects of the design.

12.19 (c) The authority may enter into an agreement with the NFL team and any other
12.20 entity relating to the design, construction, financing, operation, maintenance, and use of
12.21 the stadium and related facilities and stadium infrastructure. The authority may contract
12.22 for materials, supplies, and equipment in accordance with section 471.345, except that
12.23 the authority may employ or contract with persons, firms, or corporations to perform one
12.24 or more or all of the functions of architect, engineer, construction manager, or program
12.25 manager with respect to all or any part of the design, construction, financing, operation,
12.26 maintenance, and use of the stadium and stadium infrastructure under the traditional
12.27 separate design and build, integrated design-build, construction manager at risk, or
12.28 public/private partnership (P3) structures, or in a combination thereof.

12.29 (d) The authority and the NFL team shall prepare a request for proposals for one or
12.30 more of the functions described in paragraph (c). The request must be published in the
12.31 State Register and shall include, at a minimum, such requirements that are agreed to by
12.32 the authority and the NFL team. The authority and the NFL team may prequalify offerors
12.33 by issuing a request for qualifications, in advance of the request for proposals, and select a
12.34 short list of responsible offerors prior to discussions and evaluations.

12.35 (e) As provided in the request for proposals, the authority, with the participation of
12.36 the NFL team, may conduct discussions and negotiations with responsible offerors in

S.F. No. 2391, as introduced - 87th Legislative Session (2011-2012) [12-5610]

13.1 order to determine which proposal is most advantageous to the authority and the NFL
13.2 team and to negotiate the terms of an agreement. In conducting discussions, there shall
13.3 be no disclosure of any information derived from proposals submitted by competing
13.4 offerors and the content of all proposals is nonpublic data under chapter 13 until such time
13.5 as a notice to award a contract is given by the authority. The agreement shall be subject
13.6 to the approval of the NFL team.

13.7 (f) Prior to the time the authority enters into a construction contract with a
13.8 construction manager or program manager certifying a maximum price and a completion
13.9 date as provided in paragraph (h), at the request of the NFL team, the authority may
13.10 authorize, such authorization not to be unreasonably withheld or delayed, the NFL team
13.11 to provide for management of the construction of the stadium and related stadium
13.12 infrastructure, in which event the NFL team must assume the role and responsibilities
13.13 of the authority for completion of construction in a manner consistent with the agreed
13.14 minimum design standards and design documents, subject to the terms of this act,
13.15 including responsibility for cost overruns.

13.16 (g) The construction manager or program manager may enter into contracts with
13.17 contractors for labor, materials, supplies, and equipment for the construction of the
13.18 stadium and related stadium infrastructure through the process of public bidding, except
13.19 that the construction manager or program manager may, with the consent of the authority
13.20 or the NFL team if the NFL team has assumed responsibility for construction:

13.21 (1) narrow the listing of eligible bidders to those which the construction manager
13.22 or program manager determines to possess sufficient expertise to perform the intended
13.23 functions;

13.24 (2) award contracts to the contractors that the construction manager or program
13.25 manager determines provide the best value under a request for proposals as described in
13.26 section 16C.28, subdivision 1, paragraphs (a), clause (2), and (c), which are not required
13.27 to be the lowest responsible bidder; and

13.28 (3) for work the construction manager or program manager determines to be critical
13.29 to the completion schedule, award contracts on the basis of competitive proposals, or
13.30 perform work with its own forces without soliciting competitive bids if the construction
13.31 manager or program manager provides evidence of competitive pricing.

13.32 (h) The authority and the NFL team shall require that the construction manager or
13.33 program manager certify, before the contract is signed, a fixed and stipulated construction
13.34 price and completion date to the authority and post a performance bond in an amount
13.35 at least equal to 100 percent of the certified price or such other security satisfactory to
13.36 the authority, to cover any costs which may be incurred in excess of the certified price

14.1 including, but not limited to, costs incurred by the authority or loss of revenues resulting
14.2 from incomplete construction on the completion date. The authority may secure surety
14.3 bonds as provided in section 574.26, securing payment of just claims in connection with
14.4 all public work undertaken by the authority. Persons entitled to the protection of the
14.5 bonds may enforce them as provided in sections 574.28 to 574.32 and are not entitled to a
14.6 lien on any property of the authority under the provisions of sections 514.01 to 514.16.
14.7 The construction of the stadium is a project as that term is defined in section 177.42,
14.8 subdivision 2, and is subject to the prevailing wage law under sections 177.41 to 177.43.

14.9 Subd. 2. **Changes.** Unless otherwise agreed to by the authority and the NFL team, if
14.10 any party requests a change in minimum design standards, and this change is responsible
14.11 for requiring the project to exceed the stated budget, the requesting party is liable for
14.12 any cost overruns or associated liabilities.

14.13 Subd. 3. **Stadium design.** The stadium and stadium infrastructure shall be designed
14.14 and constructed incorporating the following general program and design elements:

14.15 (1) Unless otherwise agreed to by the authority and the NFL team, the stadium
14.16 shall comprise approximately 1,500,000 square feet with approximately 65,000 seats,
14.17 expandable to 72,000, shall meet or exceed NFL program requirements, and include
14.18 approximately 150 suites and approximately 7,500 club seats or other such components as
14.19 agreed to by the authority and the NFL team;

14.20 (2) space for NFL team-related exhibitions and sales, which shall include the
14.21 following: NFL team museum and Hall of Fame, retail merchandise and gift shop retail
14.22 venues, and themed concessions and restaurants;

14.23 (3) year-round space for the NFL team administrative operations, sales, and
14.24 marketing, including a ticket office, team meeting space, locker, and training rooms;

14.25 (4) space for administrative offices of the authority;

14.26 (5) 2,000 parking spaces within one block of the stadium, connected by skyway or
14.27 tunnel to the stadium, and 500 parking spaces within two blocks of the stadium, with a
14.28 dedicated walkway on game days;

14.29 (6) elements sufficient to provide community and civic uses as determined by the
14.30 authority; and

14.31 (7) a roof that is fixed or retractable, provided that if the roof is retractable, it is
14.32 accomplished without any increase to the funding provided by the state or the city.

14.33 Subd. 4. **Cost overruns, savings.** The authority may accept financial obligations
14.34 relating to cost overruns associated with acquisition of the stadium site, stadium
14.35 infrastructure, and stadium design, development, and construction, provided that the
14.36 authority shall not accept responsibility for cost overruns and shall not be responsible for

15.1 cost overruns if the authority has authorized the NFL team to provide for management
15.2 of construction of the stadium under section 473J.11, subdivision 1. Cost savings or
15.3 additional funds obtained by the authority or the NFL team for the stadium or stadium
15.4 infrastructure may be used first to fund additional stadium or stadium infrastructure, and
15.5 then to fund capital reserves as determined by the authority and NFL team.

15.6 Sec. 13. **[473J.112] COMMEMORATIVE BRICKS.**

15.7 The authority shall sell commemorative bricks to be displayed at a prominent
15.8 location in the new stadium, for an amount to be determined by the authority. The
15.9 authority shall work with the commissioner to ensure that purchase of a brick is a tax
15.10 deductible donation on the part of the donating person or organization. Funds raised
15.11 through this section shall be appropriated to the commissioner of management and budget
15.12 for a grant to the Minnesota Stadium Authority.

15.13 **EFFECTIVE DATE.** This section is effective the day following final enactment.

15.14 Sec. 14. **[473J.12] EMPLOYMENT.**

15.15 Subdivision 1. **Hiring and recruitment.** In the design, development, construction,
15.16 management, operation, maintenance and capital repair, replacement and improvement of
15.17 the stadium and stadium infrastructure, the authority shall make every effort to employ,
15.18 and cause the NFL team, the construction manager and other subcontractors, vendors, and
15.19 concessionaires to employ women and members of minority communities when hiring.
15.20 Further, goals for construction contracts to be awarded to women and minority-owned
15.21 businesses will be in a percentage at least equal to the minimum used for city of
15.22 Minneapolis development projects, and the other construction workforce will establish
15.23 workforce utilization goals at least equal to current city goals and include workers from
15.24 city zip codes that have high rates of poverty and unemployment.

15.25 Subd. 2. **Other required agreements.** The NFL team or the authority shall give
15.26 food, beverage, retail, and concession workers presently employed by the NFL team or the
15.27 Minnesota Sports Facilities Commission or its vendors at the existing football stadium the
15.28 opportunity to continue their employment in comparable positions at the new stadium.
15.29 Workers who are presently represented under a collective bargaining agreement may seek
15.30 to continue such representation in the facility and designate such, or another collective
15.31 bargaining unit, as their representative.

15.32 Sec. 15. **[473J.13] STADIUM OPERATIONS; CAPITAL IMPROVEMENTS.**

16.1 Subdivision 1. **Stadium operation.** The stadium shall be operated in a first class
16.2 manner, similar to and consistent with other comparable NFL stadiums, such as the
16.3 stadium currently known as Lucas Oil Field. The authority and the team will mutually
16.4 agree on a third-party management company or individual to manage the stadium and on
16.5 certain major vendors to the stadium. The authority, with the approval of the NFL team,
16.6 may enter into an agreement with a program manager for management of the stadium, for
16.7 a maximum of 30 years.

16.8 Subd. 2. **Operating expenses.** The authority must pay or cause to be paid all
16.9 operating expenses of the stadium. The authority must require in the lease or use
16.10 agreement with the NFL team that the NFL team pay the authority, beginning January
16.11 1, 201., or other date as mutually agreed upon by the parties, toward operating costs of
16.12 the stadium, \$8,500,000 each year, increased by a three percent annual inflation rate.
16.13 Beginning January 1, 201., or other date as mutually agreed upon by the parties, the state
16.14 shall pay the authority toward operating expenses, \$6,000,000 each year, increased by
16.15 an annual adjustment factor. The authority may establish an operating reserve to cover
16.16 operating expense shortfalls and may accept funds from any source for deposit in the
16.17 operating reserve. The establishment or funding of an authority operating reserve must not
16.18 decrease the amounts required to be paid to the authority toward operating costs under
16.19 this subdivision unless agreed to by the authority. The authority will be responsible for
16.20 operating cost overruns. After the joint selection of the third-party manager or program
16.21 manager, the authority may agree with a program manager or other third-party manager
16.22 of the stadium on a fixed cost operating, management, or employment agreement with
16.23 operating cost protections under which the program manager or third-party manager
16.24 assumes responsibility for and will pay when due, stadium operating costs and shortfalls.
16.25 The agreement with the manager must require the manager to prepare an initial and
16.26 ongoing operating plan and operating budgets for approval by the authority in consultation
16.27 with the NFL team. The manager must agree to operate the stadium in accordance with
16.28 the approved operating plan and operating budget.

16.29 Subd. 3. **Public access.** The authority will work to maximize access for public and
16.30 amateur sports, community, and civic events, and other public events in type and on terms
16.31 consistent with those currently held at the existing football stadium, as defined in section
16.32 473.551, subdivision 9. The authority may provide that these events have exclusive use
16.33 of the premises at agreed-upon times subject to the scheduling rights of the NFL team
16.34 under the lease or use agreement.

16.35 Subd. 4. **Capital improvements.** (a) The authority shall establish a capital
16.36 reserve fund. The authority shall be responsible for making, or for causing others to

17.1 make, all capital repairs, replacements, and improvements for the stadium and stadium
17.2 infrastructure. The authority shall maintain, or cause others to maintain, the stadium and
17.3 stadium infrastructure in a safe, clean, attractive, and first class manner so as to cause
17.4 them to remain in a condition comparable to that of other comparable NFL facilities of
17.5 similar design and age. The authority shall make, or cause others to make, all necessary
17.6 or appropriate repairs, renewals, and replacements, whether structural or nonstructural,
17.7 interior or exterior, ordinary or extraordinary, foreseen or unforeseen, in a prompt and
17.8 timely manner. The authority with approval of the NFL team may enter into an agreement
17.9 with a program manager to perform some or all of the responsibilities of the authority in
17.10 this subdivision and to assume and accept financial liability for the cost of performing
17.11 the responsibilities.

17.12 (b) The NFL team must contribute \$1,500,000 each year for the term of the lease or
17.13 use agreement to the reserve fund, increased by a three percent annual inflation rate.

17.14 (c) The state shall contribute \$1,500,000 each year for the term of the lease to
17.15 the reserve fund. The contributions of the state are subject to increase by an annual
17.16 adjustment factor.

17.17 (d) The authority with input from the NFL team shall develop short-term and
17.18 long-term capital funding plans and shall use those plans to guide the future capital needs
17.19 of the stadium and stadium infrastructure. The authority shall make the final determination
17.20 with respect to funding capital needs. Any capital improvement proposed by the NFL
17.21 team intended primarily to provide revenue enhancements to the NFL team shall be paid
17.22 for by the NFL team, unless otherwise agreed to with the authority.

17.23 Subd. 5. **Game day payments.** In addition to operating expense contributions of
17.24 the NFL team under subdivision 2, the NFL team shall pay all game day, NFL sponsored
17.25 major league soccer, and other NFL team event sponsored expenses within the stadium
17.26 and stadium infrastructure.

17.27 Subd. 6. **Cooperation with financing.** The authority will cooperate with the
17.28 NFL team to facilitate the financing of the NFL team's contribution. Such agreement to
17.29 cooperate shall not require the authority to incur any additional costs or provide conduit
17.30 financing. The lease, license, and other transaction documents shall include provisions
17.31 customarily required by lenders in stadium financings.

17.32 **Sec. 16. [473J.15] CRITERIA AND CONDITIONS.**

17.33 Subdivision 1. **Binding and enforceable.** In developing the stadium and entering
17.34 into related contracts, the authority must follow and enforce the criteria and conditions in

18.1 this section, provided that a determination by the authority that those criteria or conditions
18.2 have been met under any agreement or otherwise shall be conclusive.

18.3 Subd. 2. **NFL team/private contribution; timing of expenditures.** The NFL
18.4 team/private contribution, including stadium builder license proceeds, for stadium costs
18.5 must be made in cash in the amount of at least \$427,000,000. Prior to the first issuance
18.6 of bonds under section 16A.965, the first portion of the NFL team/private contribution
18.7 in the amount of \$50,000,000 must be deposited to the construction fund to pay for
18.8 the initial stadium costs, as costs are incurred, or the team must provide security or
18.9 other credit worthiness in the amount of \$50,000,000, subject to the satisfaction of the
18.10 authority. After the first \$50,000,000 of stadium costs have been paid from the initial NFL
18.11 team/private contribution, state funds shall be deposited to the construction fund to pay for
18.12 the next \$50,000,000 of costs of the project. Prior to any state funds being deposited in
18.13 the construction fund, the NFL team must provide security or a financing commitment
18.14 reasonably satisfactory to the authority for the balance of the required NFL team/private
18.15 contribution and for payment of cost overruns if the NFL team assumes responsibility
18.16 for stadium construction under section 473J.11. Budgeted project costs shall be borne
18.17 proportionately by the authority and the NFL team/private contribution in the amount of
18.18 56 percent and 44 percent, respectively. In the event the project terminates before the
18.19 initial contributions are expended by the parties under this subdivision, the parties shall be
18.20 reimbursed in the amounts they have deposited to the construction fund proportionate to
18.21 these project funding percentages.

18.22 Subd. 3. **Lease or use agreements; 30-year term.** The authority must enter into
18.23 a long-term lease or use agreement with the NFL team for the NFL team's use of the
18.24 stadium. The NFL team must agree to play all regularly scheduled and postseason home
18.25 games at the stadium, with the occasional exception of a game played elsewhere as agreed
18.26 to in the lease or use agreement. Preseason games may also be scheduled and played at
18.27 the stadium. Training facilities must remain in Minnesota during the term of the lease or
18.28 use agreement. The lease or use agreement must be for a term of at least 30 years from
18.29 the date of substantial completion of the stadium for professional football games. The
18.30 lease or use agreement may provide options for the NFL team to extend the term for up
18.31 to four additional periods of five years. The lease or use agreement must include terms
18.32 for default, termination, and breach of the agreement. Recognizing that the presence of
18.33 professional football provides to the state of Minnesota and its citizens highly valued,
18.34 intangible benefits that are virtually impossible to quantify and, therefore, not recoverable
18.35 in the event of an NFL team owner's breach of contract, the lease and use agreements must
18.36 provide for specific performance and injunctive relief to enforce provisions relating to use

19.1 of the stadium for professional football and must not include escape clauses or buyout
19.2 provisions. The NFL team must not enter into or accept any agreement or requirement
19.3 with or from any entity that is inconsistent with the NFL team's binding commitment
19.4 to the 30-year term of the lease or use agreement or that would in any manner dilute,
19.5 interfere with, or negate the provisions of the lease or use agreement, providing for
19.6 specific performance or injunctive relief. The legislature conclusively determines, as a
19.7 matter of public policy, that the lease or use agreement, and any grant agreement under
19.8 this chapter that includes a specific performance clause:

- 19.9 (1) explicitly authorizes specific performance as a remedy for breach;
19.10 (2) is made for adequate consideration and upon terms which are otherwise fair
19.11 and reasonable;
19.12 (3) has not been included through sharp practice, misrepresentation, or mistake;
19.13 (4) if specifically enforced, does not cause unreasonable or disproportionate hardship
19.14 or loss to the NFL team or to third parties; and
19.15 (5) involves performance in a manner and the rendering of services of a nature and
19.16 under circumstances that the beneficiary cannot be adequately compensated in damages.

19.17 Subd. 4. **Lease or use agreements; revenues, payments.** A lease or use agreement
19.18 shall include rent and other fees and expenses to be paid by the NFL team. The authority
19.19 shall agree to provide in the lease or use agreement for the NFL team to receive all game
19.20 day revenues, including but not limited to, suite revenues, advertising, concessions,
19.21 signage, broadcast and media, and club seat revenue. The agreement shall also provide
19.22 that all naming rights to the stadium are retained by the NFL team, subject to the approval
19.23 of the name or names by the authority consistent with those criteria set out in the lease or
19.24 use agreement. The agreement shall provide for the authority to receive all general ticket
19.25 revenues and other event revenues other than from NFL team games, NFL team owned
19.26 major league soccer games, and other NFL team events agreed to by the authority.

19.27 Subd. 5. **Notice of breach or default.** Until 30 years from the date of stadium
19.28 completion, the NFL team must provide written notice to the authority not less than 180
19.29 days prior to any action, including any action imposed upon the NFL team by the NFL,
19.30 which would result in a breach or default of provisions of the lease or use agreements
19.31 required to be included under subdivision 3. If this notice provision is violated and the
19.32 NFL team has already breached or been in default under the required provisions, the
19.33 authority or the state of Minnesota may specifically enforce the lease or use agreement
19.34 and Minnesota courts shall fashion equitable remedies so that the NFL team fulfills the
19.35 conditions of the lease and use agreements.

20.1 Subd. 6. **Enforceable financial commitments.** The authority must determine before
20.2 stadium construction begins that all public and private funding sources for construction,
20.3 operating expenses, and capital improvements and repairs of the stadium are included in
20.4 written agreements. The committed funds must be adequate to design, construct, furnish,
20.5 and equip the stadium, and pay projected operating expenses and the costs of capital
20.6 improvements and repairs during the term of the lease or use agreement with the NFL
20.7 team. The NFL team must provide the authority access to NFL team financial or other
20.8 information, which the authority deems necessary for such determination. Any financial
20.9 information obtained by the authority under this subdivision is nonpublic data under
20.10 section 13.02, subdivision 9.

20.11 Subd. 7. **Environmental requirements.** The authority must comply with all
20.12 environmental requirements imposed by regulatory agencies for the stadium, site, and
20.13 structure, except as provided by section 473J.09, subdivision 11, or by section 473J.17.

20.14 Subd. 8. **Public share on sale of NFL team.** The lease or use agreement must
20.15 provide that, if the NFL team is sold or an interest in the NFL team is sold after the
20.16 effective date of this chapter, a portion of the sale price must be paid to the authority and
20.17 deposited in a reserve fund for improvements to the stadium or expended as the authority
20.18 may otherwise direct. The portion required to be so paid to the authority is 18 percent
20.19 of the amount in excess of the purchase price of the NFL team by the selling owner or
20.20 owners, declining to zero 15 years after commencement of stadium construction in
20.21 increments of 1.2 percent each year. The agreement must provide exceptions for sales
20.22 to members of the owners' family and entities and trusts beneficially owned by family
20.23 members, sales to employees of equity interests aggregating up to ten percent, sales related
20.24 to capital infusions not distributed to the owners, and sales amongst existing owners not
20.25 exceeding 20 percent equity interest in the NFL team.

20.26 Subd. 9. **Authority's access to NFL team financial information.** A notice
20.27 provision for a material breach shall be agreed to between the authority and the NFL team.
20.28 In the event there is a material breach by the NFL team under the lease or use agreement,
20.29 the lease or use agreement must provide the authority access to audited financial statements
20.30 of the NFL team and other financial information that the authority deems necessary to
20.31 enforce the terms of any lease or use agreements. Any financial information obtained by
20.32 the authority under this subdivision is nonpublic data under section 13.02, subdivision 9.

20.33 Subd. 10. **NFL team name retained.** The lease or use agreement must provide
20.34 that the NFL team and NFL will transfer to the state of Minnesota the Minnesota Vikings'
20.35 heritage and records, including the name, logo, colors, history, playing records, trophies,
20.36 and memorabilia if the NFL team is in violation of the lease or use agreement.

21.1 Subd. 11. **Stadium design.** (a) The authority and the NFL team will strive to build a
21.2 stadium that is environmentally and energy efficient and will make an effort to build a
21.3 stadium that is eligible to receive the Leadership in Energy and Environmental Design
21.4 (LEED) certification for environmental design, and to the extent practicable, will strive to
21.5 make the stadium design architecturally significant.

21.6 (b) The stadium design must, to the extent feasible, follow sustainable building
21.7 guidelines established under section 16B.325.

21.8 (c) The authority and the team must ensure that the stadium be, to the greatest extent
21.9 practicable, constructed of American-made steel.

21.10 Subd. 12. **Necessary approvals.** The authority and the NFL team must secure
21.11 any necessary approvals to the terms of the lease and use agreement and the design and
21.12 construction plans for the stadium, including prior approval of the NFL.

21.13 Subd. 13. **Affordable access.** The lease or use agreement must provide for an
21.14 agreed-upon number of affordable tickets to the professional sporting events held in the
21.15 stadium.

21.16 Subd. 14. **Stadium builder's licenses.** The authority shall own and retain the
21.17 exclusive right to sell stadium builder's licenses in the stadium. The authority will retain
21.18 the NFL team to act as the authority's agent in marketing and selling such licenses.

21.19 Subd. 15. **Major league soccer.** The authority shall, for five years after the first
21.20 NFL team home game is played in the stadium, grant the NFL team the exclusive right to
21.21 establish major league soccer at the stadium. The authority and the NFL team may enter
21.22 into an agreement providing the terms and conditions of such an arrangement, provided:

21.23 (1) if any of the NFL team owners whose family owns at least three percent of
21.24 the NFL team purchases full or partial ownership in a major league soccer franchise,
21.25 such franchise may play in the stadium under a use agreement with similar terms as are
21.26 applicable to the NFL team, including a provision of payment of game day costs and
21.27 reasonable marginal costs incurred by the authority as a result of the major league soccer
21.28 team at no additional rent; and

21.29 (2) capital improvements required by a major league soccer franchise must be
21.30 financed by the owners of the major league soccer team, unless otherwise agreed to by
21.31 the authority.

21.32 Subd. 16. **NFL team-related entities.** Subject to the prior approval of the authority,
21.33 which shall not be unreasonably withheld, any of the obligations by the NFL team may
21.34 be performed by the NFL team, a related entity, or a third party, and the NFL team, any
21.35 entity related to the NFL team or third party may receive any revenues to which the NFL

22.1 team is entitled hereunder; provided, however, the NFL team shall remain liable if any
22.2 obligations are assigned to a related entity or third party.

22.3 Sec. 17. **[473J.17] MUNICIPAL ACTIVITIES.**

22.4 Subdivision 1. **Property acquisition and disposition.** The city may, to the extent
22.5 legally permissible, acquire land, air rights, and other property interests within the
22.6 development area for the stadium site and stadium infrastructure and convey it to the
22.7 authority with or without consideration, prepare a site for development as a stadium, and
22.8 acquire and construct any related stadium infrastructure. To the extent property parcels or
22.9 interests acquired are more extensive than the stadium infrastructure requirements, the city
22.10 may sell or otherwise dispose of the excess.

22.11 Subd. 2. **Claims.** Except as may be mutually agreed to by the city and the authority,
22.12 the city has no interest in or claim to any assets or revenues of the authority.

22.13 Subd. 3. **Environmental; planning and zoning.** The authority is the responsible
22.14 governmental unit for an environmental impact statement for the stadium prepared under
22.15 section 116D.04, if an environmental impact statement is necessary. Notwithstanding
22.16 section 116D.04, subdivision 2b, and implementing rules: (1) the environmental
22.17 impact statement shall not be required to consider alternative stadium sites; and (2) the
22.18 environmental impact statement must be determined to be adequate before commencing
22.19 work on the foundation of the stadium, but the stadium and stadium infrastructure may
22.20 otherwise be started and all preliminary and final government decisions and actions may
22.21 be made and taken including, but not limited to, acquiring land; obtaining financing;
22.22 granting permits or other land use approvals; entering into grant, lease, or use agreements;
22.23 or preparing the site or related stadium infrastructure prior to a determination of the
22.24 adequacy of the environmental impact statement.

22.25 Subd. 4. **Local government expenditure.** The city may make expenditures or
22.26 grants for other costs incidental and necessary to further the purposes of this chapter and
22.27 may, by agreement, reimburse in whole or in part, any entity that has granted, loaned, or
22.28 advanced funds to the city to further the purposes of this chapter. The city may reimburse
22.29 the authority or a local governmental entity or make a grant to the authority or such a
22.30 governmental unit or be reimbursed by the authority or local government entity for site
22.31 acquisition, preparation of the site for stadium development, and stadium infrastructure.

22.32 Subd. 5. **Municipal authority.** The legislature intends that, except as expressly
22.33 limited herein, the city may acquire and develop stadium infrastructure, enter into contracts
22.34 with the authority and other governmental or nongovernmental entities, appropriate funds,
22.35 and make employees, consultants, and other revenues available for those purposes.

23.1 Subd. 6. Stadium Implementation Committee; city review. In order to accomplish
23.2 the objectives of this act within the required time frame, it is necessary to establish an
23.3 alternative process for municipal land use and development review. It is hereby found
23.4 and declared that the construction of a stadium within the development area is consistent
23.5 with the adopted area plan, is the preferred stadium location, and is a permitted land use.
23.6 This subdivision establishes a procedure for all land use and development reviews and
23.7 approvals by the city of Minneapolis for the stadium and related stadium infrastructure and
23.8 supersedes all land use and development rules and restrictions and procedures imposed
23.9 by other law, charter, or ordinance, including without limitation section 15.99. No later
23.10 than 30 days after, the city of Minneapolis shall establish a stadium implementation
23.11 committee to make recommendations on the design plans submitted for the stadium, and
23.12 stadium infrastructure, and related improvements. The implementation committee must
23.13 take action to issue its recommendations within the time frames established in the planning
23.14 and construction timetable issued by the authority which shall provide for no less than 60
23.15 days for the committee's review. The recommendations of the implementation committee
23.16 shall be forwarded to the city of Minneapolis Planning Commission for an advisory
23.17 recommendation and then to the city council for final action in a single resolution, which
23.18 final action must be taken within 45 days of the submission of the recommendations to the
23.19 planning commission. The city council shall not impose any unreasonable conditions on
23.20 the recommendations of the implementation committee, nor take any action or impose
23.21 any conditions that will result in delay from the time frames established in the planning
23.22 and construction timetable or in additional overall costs. Failure of the city council to act
23.23 within the 45-day period shall be deemed to be approval. The authority may seek de novo
23.24 review in the district court of any city council action. The district court or any appellate
23.25 court shall expedite review to the maximum extent possible and timely issue relief, orders,
23.26 or opinions as necessary to give effect to the provisions and objectives in this act.

23.27 Sec. 18. **[473J.19] PROPERTY TAX EXEMPTION; SPECIAL ASSESSMENTS.**

23.28 Any real or personal property acquired, owned, leased, controlled, used, or occupied
23.29 by the authority for any of the purposes of this chapter, is acquired, owned, leased,
23.30 controlled, used, and occupied for public, governmental, and municipal purposes. The
23.31 stadium and stadium infrastructure are exempt from ad valorem taxation by the state
23.32 or any political subdivision of the state provided that the properties are subject to
23.33 special assessments levied by a political subdivision for a local improvement in amounts
23.34 proportionate to and not exceeding the special benefit received by the properties from the
23.35 improvement. No possible use of any of the properties in any manner different from their

24.1 use under this chapter may be considered in determining the special benefit received by
24.2 the properties. Notwithstanding section 272.01, subdivision 2, or 273.19, real or personal
24.3 property which is subject to a lease or use agreement between the authority and another
24.4 person for uses related to the purposes of this chapter, including the operation of the
24.5 stadium and related parking facilities, is exempt from taxation regardless of the length of
24.6 the lease or use agreement or the characteristics of the entity leasing or using the property.
24.7 This section, insofar as it provides an exemption or special treatment, does not apply to
24.8 any real property that is leased for residential, business, or commercial development or to
24.9 a restaurant that is open for general business more than 200 days a year, or other purposes
24.10 different from those contemplated in this chapter.

24.11 Sec. 19. **[473J.21] LIQUOR LICENSES.**

24.12 At the request of the authority, the city may issue intoxicating liquor licenses that are
24.13 reasonably requested for the premises of the stadium site. These licenses are in addition to
24.14 the number authorized by law. All provisions of chapter 340A not inconsistent with this
24.15 section apply to the licenses authorized under this section.

24.16 Sec. 20. **[473J.23] LOCAL TAXES.**

24.17 No new or additional local sales or use tax shall be imposed on sales at the
24.18 stadium site unless the tax is applicable throughout the taxing jurisdiction. No new or
24.19 additional local tax shall be imposed on sales of tickets and admissions to NFL team, NFL
24.20 team owned major league soccer, or other team related football events at the stadium,
24.21 notwithstanding any law or ordinance, unless the tax is applicable throughout the taxing
24.22 jurisdiction. The admissions and amusements tax currently imposed by the city of
24.23 Minneapolis pursuant to Laws 1969, chapter 1092, may apply to admissions for football
24.24 and NFL team related events at the stadium.

24.25 Sec. 21. **[473J.25] METROPOLITAN SPORTS FACILITIES COMMISSION**
24.26 **ASSETS; LIABILITIES TO AUTHORITY.**

24.27 Subdivision 1. **Authority expenses.** The Metropolitan Sports Facilities Commission
24.28 shall pay the operating expenses of the authority including salaries, compensation, and
24.29 other personnel, office, equipment, consultant and any other costs, until the commission is
24.30 abolished pursuant to subdivision 3.

24.31 Subd. 2. **Transfer.** Within 90 days of the enactment of this chapter, the Metropolitan
24.32 Sports Facilities Commission shall pay its outstanding obligations, settle its accounts, and
24.33 transfer its remaining assets, liabilities, and obligations to the authority, for its purposes.

25.1 Subd. 3. Metropolitan Sports Facilities Commission abolished. Upon transfer to
25.2 the authority of all remaining assets, liabilities, and obligations of the Metropolitan Sports
25.3 Facilities Commission, in subdivision 1, the Metropolitan Sports Facilities Commission is
25.4 abolished.

25.5 Subd. 4. Employees. Upon transfer of ownership all persons employed by the
25.6 Metropolitan Sports Facilities Commission shall be transferred to the Minnesota Stadium
25.7 Authority without loss of right or privilege. Nothing in this section shall be construed to
25.8 give any such person the right or privilege to continue in the same level or classification
25.9 of employment previously held. The Minnesota Stadium Authority may assign any such
25.10 person to an employment level and classification which it deems appropriate and desirable
25.11 in accordance with its personnel code.

25.12 Sec. 22. **EFFECTIVE DATE.**

25.13 Except as otherwise provided, this article is effective the day following final
25.14 enactment.

25.15 **ARTICLE 2**

25.16 **STATE STADIUM FUNDING**

25.17 Section 1. **[16A.965] STADIUM APPROPRIATION BONDS.**

25.18 Subdivision 1. Definitions. (a) The definitions in this subdivision and in chapter

25.21 payable during a biennium from one or more of the following sources:

25.22 (1) money appropriated by law from the general fund, including, without limitation,
25.23 revenues deposited in the general fund as provided in articles 4 and 5, in any biennium for
25.24 debt service due with respect to obligations described in subdivision 2, paragraph (b);

25.25 (2) proceeds of the sale of obligations described in subdivision 2, paragraph (b);

25.26 (3) payments received for that purpose under agreements and ancillary arrangements

25.30 if any, and interest on appropriation bonds.

25.31 Subd. 2. Authorization to issue appropriation bonds. (a) Subject to the limitations
25.32 of this subdivision, the commissioner may sell and issue appropriation bonds of the state
25.33 under this section for public purposes as provided by law, including, in particular, the
25.34 financing of all or a portion of the acquisition, construction, improving, and equipping

S.F. No. 2391, as introduced - 87th Legislative Session (2011-2012) [12-5610]

26.1 of the stadium project of the Minnesota Stadium Authority as provided by chapter 473J.
26.2 Proceeds of the appropriation bonds must be credited to a special appropriation stadium
26.3 bond proceeds fund in the state treasury. Net income from investment of the proceeds,
26.4 as estimated by the commissioner, must be credited to the special appropriation stadium
26.5 bond proceeds fund.

26.6 (b) Appropriation bonds may be sold and issued in amounts that, in the opinion of
26.7 the commissioner, are necessary to provide sufficient funds, not to exceed \$548,000,000
26.8 net of costs of issuance, deposits for debt service reserve funds, and costs of credit
26.9 enhancement for achieving the purposes authorized as provided under paragraph (a), and
26.10 pay debt service, pay costs of issuance, make deposits to reserve funds, pay the costs
26.11 of credit enhancement, or make payments under other agreements entered into under
26.12 paragraph (d); provided, however, that appropriation bonds issued and unpaid shall not
26.13 exceed \$650,000,000 in principal amount, excluding refunding bonds sold and issued
26.14 under subdivision 4.

26.15 (c) Appropriation bonds may be issued from time to time in one or more series on
26.16 the terms and conditions the commissioner determines to be in the best interests of the
26.17 state, but the term on any series of appropriation bonds may not exceed 30 years. The
26.18 appropriation bonds of each issue and series thereof shall be dated and bear interest,
26.19 and may be includable in or excludable from the gross income of the owners for federal
26.20 income tax purposes.

26.21 (d) At the time of, or in anticipation of, issuing the appropriation bonds, and at any
26.22 time thereafter, so long as the appropriation bonds are outstanding, the commissioner may
26.23 enter into agreements and ancillary arrangements relating to the appropriation bonds,
26.24 including but not limited to trust indentures, grant agreements, lease or use agreements,
26.25 operating agreements, management agreements, liquidity facilities, remarketing or
26.26 dealer agreements, letter of credit agreements, insurance policies, guaranty agreements,
26.27 reimbursement agreements, indexing agreements, or interest exchange agreements. Any
26.28 payments made or received according to the agreement or ancillary arrangement shall be
26.29 made from or deposited as provided in the agreement or ancillary arrangement. The
26.30 determination of the commissioner included in an interest exchange agreement that the
26.31 agreement relates to an appropriation bond shall be conclusive.

26.32 (e) The commissioner may enter into written agreements or contracts relating to the
26.33 continuing disclosure of information necessary to comply with, or facilitate the issuance
26.34 of appropriation bonds in accordance with federal securities laws, rules, and regulations,
26.35 including Securities and Exchange Commission rules and regulations in Code of Federal
26.36 Regulations, title 17, section 240.15c 2-12. An agreement may be in the form of covenants

S.F. No. 2391, as introduced - 87th Legislative Session (2011-2012) [12-5610]

27.1 with purchasers and holders of appropriation bonds set forth in the order or resolution
27.2 authorizing the issuance of the appropriation bonds, or a separate document authorized
27.3 by the order or resolution.

27.4 (f) The appropriation bonds are not subject to chapter 16C.

27.5 Subd. 3. **Form; procedure.** (a) Appropriation bonds may be issued in the form
27.6 of bonds, notes, or other similar instruments, and in the manner provided in section
27.7 16A.672. In the event that any provision of section 16A.672 conflicts with this section,
27.8 this section shall control.

27.9 (b) Every appropriation bond shall include a conspicuous statement of the limitation
27.10 established in subdivision 6.

27.11 (c) Appropriation bonds may be sold at either public or private sale upon such terms
27.12 as the commissioner shall determine are not inconsistent with this section and may be sold
27.13 at any price or percentage of par value. Any bid received may be rejected.

27.14 (d) Appropriation bonds must bear interest at a fixed or variable rate.

27.15 (e) Notwithstanding any other law, appropriation bonds issued under this section
27.16 shall be fully negotiable.

27.17 Subd. 4. **Refunding bonds.** The commissioner from time to time may issue
27.18 appropriation bonds for the purpose of refunding any appropriation bonds then
27.19 outstanding, including the payment of any redemption premiums on the bonds, any
27.20 interest accrued or to accrue to the redemption date, and costs related to the issuance and
27.21 sale of the refunding bonds. The proceeds of any refunding bonds may, in the discretion of
27.22 the commissioner, be applied to the purchase or payment at maturity of the appropriation
27.23 bonds to be refunded, to the redemption of the outstanding appropriation bonds on any
27.24 redemption date, or to pay interest on the refunding bonds and may, pending application,
27.25 be placed in escrow to be applied to the purchase, payment, retirement, or redemption. Any
27.26 escrowed proceeds, pending such use, may be invested and reinvested in obligations that
27.27 are authorized investments under section 11A.24. The income earned or realized on the
27.28 investment may also be applied to the payment of the appropriation bonds to be refunded
27.29 or interest or premiums on the refunded appropriation bonds, or to pay interest on the
27.30 refunding bonds. After the terms of the escrow have been fully satisfied, any balance of the
27.31 proceeds and any investment income may be returned to the general fund or, if applicable,
27.32 the special appropriation stadium bond proceeds fund for use in any lawful manner. All
27.33 refunding bonds issued under this subdivision must be prepared, executed, delivered, and
27.34 secured by appropriations in the same manner as the appropriation bonds to be refunded.

28.1 Subd. 5. **Appropriation bonds as legal investments.** Any of the following entities
28.2 may legally invest any sinking funds, money, or other funds belonging to them or under
28.3 their control in any appropriation bonds issued under this section:

28.4 (1) the state, the investment board, public officers, municipal corporations, political
28.5 subdivisions, and public bodies;

28.6 (2) banks and bankers, savings and loan associations, credit unions, trust companies,
28.7 savings banks and institutions, investment companies, insurance companies, insurance
28.8 associations, and other persons carrying on a banking or insurance business; and

28.9 (3) personal representatives, guardians, trustees, and other fiduciaries.

28.10 Subd. 6. **No full faith and credit; state not required to make appropriations.**

28.11 The appropriation bonds are not public debt of the state, and the full faith, credit, and
28.12 taxing powers of the state are not pledged to the payment of the appropriation bonds or to
28.13 any payment that the state agrees to make under this section. Appropriation bonds shall
28.14 not be obligations paid directly, in whole or in part, from a tax of statewide application
28.15 on any class of property, income, transaction, or privilege. Appropriation bonds shall be
28.16 payable in each fiscal year only from amounts that the legislature may appropriate for debt
28.17 service for any fiscal year, provided that nothing in this section shall be construed to
28.18 require the state to appropriate funds sufficient to make debt service payments with respect
28.19 to the appropriation bonds in any fiscal year. Appropriation bonds shall be canceled and
28.20 shall no longer be outstanding on the earlier of (1) the first day of a fiscal year for which
28.21 the legislature shall not have appropriated amounts sufficient for debt service, or (2) the
28.22 date of final payment of the principal of and interest on the appropriation bonds.

28.23 Subd. 7. **Appropriation of proceeds.** The proceeds of appropriation bonds and
28.24 interest credited to the special appropriation stadium bond proceeds fund are appropriated
28.25 to the commissioner for payment of capital expenses, debt service on outstanding
28.26 indebtedness of the state, operating and capital reserves of the authority, and the funding
28.27 of debt service reserves for the appropriation bonds, each as permitted by state and federal
28.28 law, and nonsalary expenses incurred in conjunction with the sale of the appropriation
28.29 bonds, and such proceeds may be granted, loaned, or otherwise provided to the authority
28.30 for the public purpose provided by subdivision 2, paragraph (a).

28.31 Subd. 8. **Commissioner; determination of available revenues.** (a) By March 15
28.32 of each fiscal year, the commissioner, in consultation with the commissioner of revenue,
28.33 shall determine the estimated increase in revenues received from taxes imposed under
28.34 chapter 297E over the estimated revenues under the February 2012 revenue forecast for
28.35 that fiscal year. For fiscal years after fiscal year 2015, the commissioner shall use the

S.F. No. 2391, as introduced - 87th Legislative Session (2011-2012) [12-5610]

29.1 February 2012 revenue forecast for fiscal year 2015 as the baseline. All calculations under
29.2 this paragraph must be made net of estimated refunds of the taxes required to be paid.

29.3 (b) Available revenues for purposes of subdivision 9 and section 297E.02,
29.4 subdivision 12, equal the amount determined under paragraph (a), less the following
29.5 amounts for the fiscal year:

29.6 (1) the appropriation to principal and interest on appropriation bonds under
29.7 paragraph (a);

29.8 (2) the appropriation to make the payments required under section 473J.13,
29.9 subdivision 2;

29.10 (3) the appropriation to make the payments required under section 473J.13,
29.11 subdivision 4, paragraph (c);

29.12 (4) the appropriations under article 5, section 40, paragraph (a), for administration
29.13 and any successor appropriation;

29.14 (5) the reduction in revenues resulting from the sales tax exemptions under section
29.15 297A.68, subdivision 43;

29.16 (6) reimbursements authorized by section 473J.15, subdivision 2; and

29.17 (7) payment of compulsive gambling appropriations under article 5, section 40,
29.18 paragraph (b), and any successor appropriation.

29.19 (c) Available revenues, as determined under paragraph (b), are allocated:

29.20 (1) .. percent to be used for appropriations under paragraph (b); and

29.21 (2) .. percent for payment of gambling tax rebates or gambling tax reductions under
29.22 chapter 297E.

29.23 (d) The provisions of this subdivision apply only after the issuance of appropriation
29.24 bonds under subdivision 2.

29.25 Subd. 9. **Appropriation for debt service and other purposes.** (a) The amount
29.26 needed to pay principal and interest on appropriation bonds issued under this section is
29.27 appropriated each year from the general fund to the commissioner, subject to repeal,
29.28 unallotment under section 16A.152, or cancellation otherwise pursuant to subdivision 6,
29.29 for deposit into the bond payment accounts established for such purpose in the special
29.30 appropriation stadium bond proceeds fund.

29.31 (b) To the extent the commissioner determines revenues are available under the
29.32 provisions of subdivision 8, paragraph (b), for the fiscal year, the following amounts
29.33 are appropriated from the general fund:

29.34 (1) to replenish the amount on deposit in any debt service reserve account established
29.35 with respect to the appropriation bonds to the debt service reserve requirement amount as
29.36 determined by order of the commissioner; and

30.1 (2) to the extent not required under clause (1), for deposit to any general reserve
30.2 account established by order of the commissioner for application against any shortfall in
30.3 the amounts deposited to the general fund pursuant to article 4, section 1, subdivision 3,
30.4 paragraph (b), clauses (1), (2), (3), and (4).

30.5 Subd. 10. **Waiver of immunity.** The waiver of immunity by the state provided for
30.6 by section 3.751, subdivision 1, shall be applicable to the appropriation bonds and any
30.7 ancillary contracts to which the commissioner is a party.

30.8 Subd. 11. **Validation.** (a) Appropriation bonds issued under this section may be
30.9 validated in the manner provided by this subdivision. If comparable appropriation bonds
30.10 are judicially determined to be valid, nothing in this subdivision shall be construed
30.11 to prevent the sale or delivery of any appropriation bonds or notes without entry of a
30.12 judgment of validation by the Minnesota Supreme Court pursuant to this subdivision with
30.13 respect to the appropriation bonds authorized under this section.

30.14 (b) Any appropriation bonds issued under this section that are validated shall be
30.15 validated in the manner provided by this subdivision.

30.16 (c) The Minnesota Supreme Court shall have original jurisdiction to determine the

53.21 section may also be licensed as a linked bingo game provider under section 349.1635.
