- Subd. 1a. Authority to investigate. To carry out the purposes of this chapter and chapters 181, 181A, and 184, and utilizing the enforcement authority of section 175.20, the commissioner is authorized to enter the places of business and employment of any employer in the state to investigate wages, hours, and other conditions and practices of work, collect evidence, and conduct interviews. The commissioner may use investigation methods that include but are not limited to examination, surveillance, transcription, copying, scanning, photographing, audio or video recording, testing, and sampling along with taking custody of evidence. Evidence that may be collected includes but is not limited to documents, records, books, registers, payrolls, electronically and digitally stored information, machinery, equipment, tools, and other tangible items that in any way relate to wages, hours, and other conditions and practices of work. The commissioner may privately interview any individual, including owners, employers, operators, agents, workers, and other individuals who may have knowledge of the conditions and practices of work under investigation.
- Sec. 3. Minnesota Statutes 2018, section 177.27, subdivision 2, is amended to read: 51.21

The commissioner may fine the employer up to \$1,000 for each failure to submit or deliver records as required by this section. This penalty is in addition to any penalties provided under section 177.32, subdivision 1. In determining the amount of a civil penalty under this subdivision, the appropriateness of such penalty to the size of the employer's business and the gravity of the violation shall be considered.

- Sec. 4. Minnesota Statutes 2018, section 177.27, is amended by adding a subdivision to read:
- Subd. 3a. **Penalties.** The commissioner may fine an employer up to \$10,000 for each failure to submit or deliver records as required by this chapter and chapters 181, 181A, and 184. This penalty is in addition to any penalties provided under sections 177.30 and 177.32, subdivision 1. In determining the amount of a civil penalty under this subdivision, the appropriateness of the penalty to the size of the employer's business and the gravity of the violation as provided in section 14.045, subdivision 3, paragraph (a), shall be considered.
- Sec. 5. Minnesota Statutes 2018, section 177.27, subdivision 4, is amended to read:
 - Subd. 4. **Compliance orders.** The commissioner may issue an order requiring an employer to comply with sections 177.21 to 177.435, 181.02, 181.03, 181.031, 181.032, 181.101, 181.11, 181.13, 181.14, 181.145, 181.15, 181.172, paragraph (a) or (d), 181.275, subdivision 2a, 181.722, 181.79, and 181.939 to 181.943, or with any rule promulgated under section 177.28. The commissioner shall issue an order requiring an employer to comply with sections 177.41 to 177.435 if the violation is repeated. For purposes of this subdivision only, a violation is repeated if at any time during the two years that preceded the date of violation, the commissioner issued an order to the employer for violation of sections 177.41 to 177.435 and the order is final or the commissioner and the employer have entered into a settlement agreement that required the employer to pay back wages that were required by sections 177.41 to 177.435. The department shall serve the order upon the employer or the employer's authorized representative in person or by certified mail at the employer's place of business. An employer who wishes to contest the order must file written notice of objection to the order with the commissioner within 15 calendar days after being served with the order. A contested case proceeding must then be held in accordance with sections 14.57 to 14.69. The employer to whom the order is issued and the commissioner, who may designate appropriate representation to appear on behalf of the commissioner in the administrative proceeding, are the parties to the hearing. If, within 15 calendar days after being served with the order, the employer fails to file a written notice of objection with the commissioner, the order becomes a final order of the commissioner.

Sec. 6. Minnesota Statutes 2018, section 177.27, subdivision 7, is amended to read:

SS/EH

Subd. 7. **Employer liability.** If an employer is found by the commissioner to have violated a section identified in subdivision 4, or any rule adopted under section 177.28, and the commissioner issues an order to comply, the commissioner shall order the employer to cease and desist from engaging in the violative practice and to take such affirmative steps that in the judgment of the commissioner will effectuate the purposes of the section or rule violated. The commissioner shall order the employer to pay to the aggrieved parties back pay, wages owed, gratuities received, and compensatory damages, less any amount actually paid to the employee by the employer, and for an additional equal amount as liquidated damages. Any employer who is found by the commissioner to have repeatedly or willfully violated a section or sections identified in subdivision 4, or found to owe to aggrieved parties wages or gratuities in an amount that exceeds \$1,000, shall be subject to a civil penalty of up to \$1,000 \$2,000 for each violation for each employee. In determining the amount of a civil penalty under this subdivision, the appropriateness of such penalty to the size of the employer's business and the gravity of the violation shall be considered. In addition, the commissioner may order the employer to reimburse the department and the attorney general for all appropriate litigation and hearing costs expended in preparation for and in conducting the contested case proceeding, unless payment of costs would impose extreme financial hardship on the employer. If the employer is able to establish extreme financial hardship, then the commissioner may order the employer to pay a percentage of the total costs that will not cause extreme financial hardship. Costs include but are not limited to the costs of services rendered by the attorney general, private attorneys if engaged by the department, administrative law judges, court reporters, and expert witnesses as well as the cost of transcripts. Interest shall accrue on, and be added to, the unpaid balance of a commissioner's order from the date the order is signed by the commissioner until it is paid, at an annual rate provided in section 549.09, subdivision 1, paragraph (c). The commissioner may establish escrow accounts for purposes of distributing damages.

Sec. 7. Minnesota Statutes 2018, section 177.27, subdivision 8, is amended to read:

Subd. 8. Court actions; suits brought by private parties. An employee may bring a civil action seeking redress for a violation or violations of sections 177.21 to 177.44 directly to district court. An employer who pays an employee less than the wages and overtime compensation to which the employee is entitled under sections 177.21 to 177.44 is liable to the employee for the full amount of the wages, gratuities, and overtime compensation, less any amount the employer is able to establish was actually paid to the employee and for an additional equal double the amount as liquidated damages. In addition, in an action under

this subdivision the employee may seek damages and other appropriate relief provided by subdivision 7 and otherwise provided by law. An agreement between the employee and the employer to work for less than the applicable wage is not a defense to the action.

Sec. 8. Minnesota Statutes 2018, section 177.27, is amended by adding a subdivision to read:

Subd. 11. Subpoenas. In order to carry out the purposes of this chapter and chapters 181, 181A, and 184, the commissioner may issue subpoenas to compel persons to appear before the commissioner to give testimony and produce and permit inspection, copying, testing, or sampling of designated documents, records, books, registers, payrolls, electronically and digitally stored information, machinery, equipment, tools, and other tangible items that in any way relate to wages, hours, and other conditions and practices of work in the possession, custody, or control of that person that are deemed necessary or appropriate by the commissioner. A subpoena may specify the form or format in which electronically or digitally stored information is to be produced. Upon the application of the commissioner, a district court shall treat the failure of any person to obey a subpoena lawfully issued by the commissioner under this subdivision as a contempt of court.

Sec. 9. Minnesota Statutes 2018, section 177.27, is amended by adding a subdivision to read:

Subd. 12. Court orders for entrance and inspection. To carry out the purposes of this chapter and chapters 181, 181A, and 184, and utilizing the enforcement authority of section 175.20, the commissioner is authorized to enter places of business and employment of any employer in the state to investigate wages, hours, and other conditions and practices of work, collect evidence, and conduct interviews. The commissioner is authorized to enter the places of business and employment during working hours and without delay. Upon the anticipated refusal based on a refusal to permit entrance on a prior occasion or actual refusal of an employer, owner, operator, or agent in charge of an employer's place of business or employment, the commissioner may apply for an order in the district court in the county in which the place of business or employment is located, to compel an employer, owner, operator, or agent in charge of the place of business or employment to permit the commissioner entry to investigate wages, hours, and other conditions and practices of work, collect evidence, and interview witnesses.

Subd. 13. State licensing or regulatory power. In the case of an employer which is subject to the licensing or regulatory power of the state or any political subdivision or agency thereof, if the commissioner issues an order to comply under subdivision 4, the commissioner may provide the licensing or regulatory agency a copy of the order to comply. Unless the order to comply is reversed in the course of administrative or judicial review, the order to comply is binding on the agency and the agency may take appropriate action, including action related to the eligibility, renewal, suspension, or revocation of a license or certificate of public convenience and necessity if the agency is otherwise authorized to take such action.

Sec. 11. Minnesota Statutes 2018, section 177.27, is amended by adding a subdivision to read:

Subd. 14. Public contracts. In the case of an employer that is a party to a public contract, if the commissioner issues an order to comply under subdivision 4, the commissioner may provide a copy of the order to comply to the contract letting agency. Unless the order to comply is reversed in the course of administrative or judicial review, an order to comply is binding on the contract letting agency and the agency may take appropriate administrative action, including the imposition of financial penalties and eligibility for, termination or nonrenewal of a contract, in whole or in part, if the agency is otherwise authorized to take the action.

Sec. 12. Minnesota Statutes 2018, section 177.27, is amended by adding a subdivision to read:

Subd. 15. Notice to employees of compliance orders and citations. In a compliance order or citation issued under this chapter and chapters 181, 181A, and 184, the commissioner may require that the provisions of a compliance order or citation setting out the violations found by the commissioner and any subsequent document setting out the resolution of the compliance order or citation through settlement agreement or other final disposition, upon receipt by the employer, be made available for review by the employees of the employer using the means the employer uses to provide other work-related notices to the employer's employees. The means used by the employer must be at least as effective as the following options for providing notice: (1) posting a copy of the compliance order or citation at each location where employees perform work and where the notice must be readily observed and easily reviewed by all employees performing work; or (2) providing a paper or electronic

copy of the compliance order or citation to employees. Each citation and proposed penalty shall be posted or made available to employees for a minimum period of 20 days. Upon issuance of a compliance order or citation to an employer, the commissioner may also provide the provisions of the compliance order or citation setting out the violations found by the commissioner and any resolution of a compliance order or citation through settlement agreement or other final disposition to the employer's employees who may be affected by the order or citation and how the order or citation and resolution may affect their interests.

- (b) The commissioner may fine an employer up to \$1,000 for each failure to maintain records as required by this section. This penalty is in addition to any penalties provided under section 177.32, subdivision 1. In determining the amount of a civil penalty under this subdivision, the appropriateness of such penalty to the size of the employer's business and the gravity of the violation shall be considered.

In determining the amount of a civil penalty under this subdivision, the appropriateness of such penalty to the size of the employer's business and the gravity of the violation as provided in section 14.045, subdivision 3, paragraph (a), shall be considered. Penalties issued for a de minimis error in making and keeping records required by this chapter and chapters 181, 181A, and 184, shall not exceed \$1,000 for a first finding of violation by the commissioner if the employer immediately corrects the error identified by the commissioner. If an employer fails to make or keep or fails to submit or deliver records as required by this chapter and chapter 181, 181A, or 184, and as a result issues arise as to whether the employer has committed alleged violations, it shall be presumed that the employer has committed the violations alleged and the employer shall bear the burden of rebutting that presumption through clear and convincing evidence. The commissioner may make a determination of wages, salary, earnings, commissions, and gratuities owed based on available evidence and any contemporaneous records maintained by an employee on rates of pay, days and hours worked, work performed and wages, salary, earnings, commissions, and gratuities received by the employee, which shall be given deference in determining wages owed the employee.

The commissioner's final order shall comply with sections 14.61, subdivision 2, and 14.62, subdivisions 1 and 2a, and may be appealed in the manner provided in sections 14.63 to 14.69.

(a) Except as provided in paragraph (b), every employer must pay all wages earned by an employee at least once every 31 16 days on a regular payday designated in advance by the employer regardless of whether the employee requests payment at longer intervals. Unless paid earlier, the wages earned during the first half of the first 31-day pay period become due on the first regular payday following the first day of work. An employer's pay period must be no longer than 16 days. All wages earned in a pay period must be paid to an employee within ten days of the end of that pay period. If wages earned are not paid, the commissioner of labor and industry or the commissioner's representative may serve a demand for payment on behalf of an employee. If payment is not made within ten five days of service of the demand, the commissioner may charge and collect the wages earned and a penalty liquidated damages in the amount of the employee's average daily earnings at the employee's rate agreed upon in the contract of employment, not exceeding 15 days in all, or rates of pay or at the rate or rates required by law, including any applicable statute, regulation, rule, ordinance, government resolution or policy, contract, or other legal authority, whichever rate of pay is greater, for each day beyond the ten-day five-day limit following the demand. - (b) Closure statements issued more than 24 months prior to the park closure must contain a closure date. If the closure does not take place within 24 months and the original statement does not contain a closure date, the statement must be reissued to the commissioners of health and the Housing Finance Agency, the local planning agency, and a resident of each manufactured home where the residential use is being converted.

by the manufactured home owner. The moving or towing contractor may not apply the funds to any other purpose other than relocation of the manufactured home as provided in the contract. A copy of the approval must be forwarded by the neutral third party to the park owner with an invoice for payment of the amount specified in subdivision 12, paragraph (a).

(e) In lieu of collecting a relocation payment from the Minnesota manufactured home relocation trust fund under paragraph (a), the manufactured home owner may collect an amount from the fund after reasonable efforts to relocate the manufactured home have failed due to the age or condition of the manufactured home, or because there are no manufactured home parks willing or able to accept the manufactured home within a 25-mile radius. A manufactured home owner may tender title of the manufactured home in the manufactured home park to the manufactured home park owner, and collect an amount to be determined by an independent appraisal. The appraiser must be agreed to by both the manufactured home park owner and the manufactured home owner. If the appraised market value cannot be determined, the tax market value, averaged over a period of five years, can be used as a substitute. The maximum amount that may be reimbursed under the fund is \$8,000 for a single-section and \$14,500 for a multisection manufactured home. The minimum amount that may be reimbursed under the fund is \$2,000 for a single section and \$4,000 for a multisection manufactured home. The manufactured home owner shall deliver to the manufactured home park owner the current certificate of title to the manufactured home duly endorsed by the owner of record, and valid releases of all liens shown on the certificate of title, and a statement from the county where the manufactured home is located evidencing that the personal property taxes have been paid. The manufactured home owner's application for funds under this paragraph must include a document certifying that the manufactured home cannot be relocated, that the lot rental is current, that the annual \$15 payments to the Minnesota manufactured home relocation trust fund have been paid when due, that the manufactured home owner has chosen to tender title under this section, and that the park owner agrees to make a payment to the commissioner of management and budget in the amount established in subdivision 12, paragraph (a), less any documented costs submitted to the neutral third party, required for demolition and removal of the home, and any debris or refuse left on the lot, not to exceed \$1,000. The manufactured home owner must also provide a copy of the certificate of title endorsed by the owner of record, and certify to the neutral third party, with a copy to the park owner, that none of the exceptions to receipt of compensation under subdivision 12, paragraph (b), clauses (1) to (6), apply to the manufactured home owner, and that the home owner will vacate the home within 60 days

- (f) The Minnesota Housing Finance Agency must make a determination of the amount of payment a manufactured home owner would have been entitled to under a local ordinance in effect on May 26, 2007. Notwithstanding paragraph (a), the manufactured home owner's compensation for relocation costs from the fund under section 462A.35, is the greater of the amount provided under this subdivision, or the amount under the local ordinance in effect on May 26, 2007, that is applicable to the manufactured home owner. Nothing in this paragraph is intended to increase the liability of the park owner.
- (g) Neither the neutral third party nor the Minnesota Housing Finance Agency shall be liable to any person for recovery if the funds in the Minnesota manufactured home relocation trust fund are insufficient to pay the amounts claimed. The Minnesota Housing Finance Agency shall keep a record of the time and date of its approval of payment to a claimant.
- (h) The agency shall report to the chairs of the senate Finance Committee and house of representatives Ways and Means Committee by January 15 of each year on the Minnesota manufactured home relocation trust fund, including the account balance, payments to claimants, the amount of any advances to the fund, the amount of any insufficiencies encountered during the previous calendar year, and any administrative charges or expenses deducted from the trust fund balance. If sufficient funds become available, the Minnesota Housing Finance Agency shall pay the manufactured home owner whose unpaid claim is the earliest by time and date of approval.

96.28	(2) the latest indication of interest by the apparent owner in the property.
96.29	(b) Under this chapter, an indication of an apparent owner's interest in property includes:

96.31	concerning the property or the account in which the property is held;

97.1	(2) an oral communication by the apparent owner to the holder or agent of the holder
97.2	concerning the property or the account in which the property is held, if the holder or its

97.4	communication;
97.5	(3) presentment of a check or other instrument of payment of a dividend, interest payment,

97.20	holder's representative is not an indication of interest in the property by the apparent owner
97.21	unless a record of the communication evidences the apparent owner's knowledge of a right
97.22	to the property.
97.23	(e) If the insured dies or the insured or beneficiary of an insurance policy otherwise
97.24	becomes entitled to the proceeds before depletion of the cash surrender value of the policy
97.25	by operation of an automatic premium loan provision or other nonforfeiture provision
97.26	contained in the policy, the operation does not prevent the policy from maturing or
97.27	terminating.
97.28	(f) If the apparent owner has other property with the holder to which section 345A.201,
97.29	paragraph (6), applies, the activity directed by the apparent owner toward any other accounts,
97.30	including but not limited to loan accounts, at the financial organization holding an inactive
97.31	account of the apparent owner shall be an indication of interest in all such accounts if:
97.32	(1) the apparent owner engages in one or more of the following activities:

98.1	(A) the apparent owner undertakes one or more of the actions described in subsection
98.2	(b) regarding an account that appears on a consolidated statement with the inactive account;

98.4	the apparent owner has with the financial organization; or
98.5	(C) the apparent owner engages in any other relationship with the financial organization,
98.6	including payment of any amounts due on a loan; and
98.7	(2) the mailing address for the apparent owner in the financial organization's records is
98.8	the same for both the inactive account and the active account.
98.9	Sec. 10. [345A.211] KNOWLEDGE OF DEATH OF INSURED OR ANNUITANT.
98.10	(a) In this section, "death master file" ("DMF") means the United States Social Security
98.11	Administration Death Master File or other database or service that is at least as
98.12	comprehensive as the United States Social Security Administration Death Master File for
98.13	determining that an individual reportedly has died.
98.14	(b) With respect to a life or endowment insurance policy or annuity contract for which
98.15	an amount is owed on proof of death, but which has not matured by proof of death of the
98.16	insured or annuitant, the company has knowledge of the death of an insured or annuitant
98.17	when:
98.18	(1) the company receives a death certificate or court order determining that the insured
98.19	or annuitant has died;
98.20	(2) the company receives notice of the death of the insured or annuitant from the
98.21	administrator or an unclaimed property administrator of another state, a beneficiary, a policy
98.22	owner, a relative of the insured, a representative under the Probate Act of 1975, or an
98.23	executor or other legal representative of the insured's or annuitant's estate and validates the
98.24	death of the insured or annuitant;
98.25	(3) the company conducts a comparison for any purpose between a DMF and the names
98.26	of some or all of the company's insureds or annuitants, finds a match that provides notice
98.27	that the insured or annuitant has died, and validates the death; or
98.28	(4) the administrator or the administrator's agent conducts a comparison for the purpose
98.29	of finding matches during an examination conducted under this chapter between a DMF
98.30	and the names of some or all of the company's insureds or annuitants, and finds a match
98.31	that provides notice that the insured or annuitant has died.

99.1	(c) A holder shall perform a comparison of its insureds' in-force policies, annuity
99.2	contracts, and retained asset accounts against a DMF on at least a semiannual basis by using
99.3	the full DMF once and thereafter using DMF updated files for future comparisons to identify
99.4	potential matches of its insureds.
99.5	(d) A death master file match under subsection (b)(3) or (4) occurs if the criteria for an
99.6	exact or partial match are satisfied.
99.7	(1) an exact match occurs when the Social Security number, first and last name, and
99.8	date of birth contained in the holder's records matches exactly to the data contained in the
99.9	<u>DMF;</u>
99.10	(2) a partial match occurs in any of the following circumstances:
99.11	(A) when the Social Security number contained in the data found in the holder's records
99.12	matches exactly or in accordance with the fuzzy match criteria listed below to the Social
99.13	Security number contained in the DMF, the first and last names match either exactly or in
99.14	accordance with the fuzzy match criteria listed below, and the date of birth matches exactly
99.15	or in accordance with the fuzzy match criteria listed below;
99.16	(B) when the holder's records do not include a Social Security number or where the
99.17	Social Security number is incomplete or otherwise invalid, and there is a first name, last
99.18	name, and date of birth combination in the holder's data that is a match against the data
99.19	contained in the DMF where the first and last names match either exactly or in accordance
99.20	with the fuzzy match criteria listed below and the date of birth matches exactly or in
99.21	accordance with the fuzzy match criteria listed below;
99.22	(C) if there is more than one potentially matched individual returned as a result of the
99.23	process described in paragraphs (A) and (B) above, the holder shall search the Social Security
99.24	numbers obtained from the DMF for the potential matched individuals against Accurint for
99.25	Insurance or an equivalent database. If a search of those databases shows that the DMF
99.26	Social Security number is listed at the address in the holder's records for the insured, a
99.27	partial match will be considered to have been made only for individuals with a matching
99.28	address;
99.29	(D) fuzzy match criteria includes the following:
99.30	(i) a first name fuzzy match includes one or more of the following: a nickname; an initial
99.31	instead of a full first name; accepted industry standard phonetic name-matching algorithm;
99.32	data entry mistakes with a maximum difference of one character with at least five characters
99.33	in length; a first and last name are provided and cannot be reliably distinguished from one

100.1	another; use of interchanged first name and middle name; a misused compound name; and
100.2	the use of a "Mrs." in conjunction with a spouse's name where the date of birth and Social
100.3	Security number match exactly and the last name matches exactly or in accordance with
100.4	the fuzzy match criteria listed herein;
100.5	(ii) a last name fuzzy match includes one or more of the following: Anglicized forms
100.6	of last names; compound last name; blank spaces in last name; accepted industry standard
100.7	phonetic name-matching algorithm; a first and last name are provided and cannot be reliably
100.8	distinguished from one another; use of apostrophe or other punctuation; data entry mistakes
100.9	with a maximum difference of one character for last name with at least eight characters in
100.10	length; and married female last name variations;
100.11	(iii) a date of birth fuzzy match includes one of the following: two dates with a maximum
100.12	of two digits in difference, but only one entry mistake per full date is allowable; transposition
100.13	of the month and date portion of the date of birth; if the holder's records do not contain a
100.14	complete date of birth, then a fuzzy match date of birth will be found to exist where the data
100.15	available in the holder's records does not conflict with the data contained in the DMF; if
100.16	the holder provided a first and last name match, either exactly or in accordance with the
100.17	fuzzy match criteria herein and the Social Security number matches exactly against the
100.18	DMF, the date of birth is a fuzzy match if the holder provided a date of birth that is within
100.19	two years of the DMF-listed date of birth;
100.20	(iv) a Social Security number fuzzy match includes one of the following: two Social
100.21	Security numbers with a maximum of two digits in difference, any number position; two
100.22	consecutive numbers are transposed; and the Social Security number is less than nine digits
100.23	in length, but at least seven digits, and is entirely embedded within the other Social Security
100.24	number;
100.25	(3) the DMF match does not constitute proof of death for the purpose of submission to
100.26	an insurance company of a claim by a beneficiary, annuitant, or owner of the policy or
100.27	contract for an amount due under an insurance policy or annuity contract;
100.28	(4) the DMF match or validation of the insured's or annuitant's death does not alter the
100.29	requirements for a beneficiary, annuitant, or owner of the policy or contract to make a claim
100.30	to receive proceeds under the terms of the policy or contract;
100.31	(5) an insured or an annuitant is presumed dead if the date of the person's death is
100.32	indicated by the DMF match under either subsection (b)(3) or (4), unless the insurer has
100.33	competent and substantial evidence that the person is living, including but not limited to a
100 34	contact made by the insurer with the person or the person's legal representation

(e) This chapter does not affect the determination of the extent to which an insurance company before the effective date of this chapter had knowledge of the death of an insured or annuitant or was required to conduct a DMF comparison to determine whether amounts owed by the company on a life or endowment insurance policy or annuity contract were presumed abandoned or unclaimed.

Sec. 11. [345A.211] DEPOSIT ACCOUNT FOR PROCEEDS OF INSURANCE POLICY OR ANNUITY CONTRACT.

If proceeds payable under a life or endowment insurance policy or annuity contract are deposited into an account with check or draft-writing privileges for the beneficiary of the policy or contract and, under a supplementary contract not involving annuity benefits other 101.10 than death benefits, the proceeds are retained by the insurance company or the financial 101.11 organization where the account is held, the policy or contract includes the assets in the account. 101.13

- (1) The last known address of an apparent owner is any description, code, or other 101.20 indication of the location of the apparent owner which identifies the state, even if the 101.21 description, code, or indication of location is not sufficient to direct the delivery of first-class 101.22 United States mail to the apparent owner. 101.23
- 101.24 (2) If the United States postal zip code associated with the apparent owner is for a post office located in this state, this state is deemed to be the state of the last known address of 101.25 the apparent owner unless other records associated with the apparent owner specifically 101.26 identify the physical address of the apparent owner to be in another state. 101.27

 for an apparent owner and this state is the state of the last known address, this state may
 take custody of property presumed abandoned, whether located in this state or another state.
- (b) If it appears from records of the holder that the last known address of the apparent owner under subsection (a) is a temporary address and this state is the state of the next most recently recorded address that is not a temporary address, this state may take custody of the property presumed abandoned.

102.20 Sec. 4. **[345A.304] HOLDER DOMICILED IN THIS STATE.**

- 102.21 (a) Except as provided in subsection (b) or section 345A.302 or 345A.303, the

 102.29 person entitled to the property does not provide for custodial taking of the property.

102.3

103.2	property is specifically exempt from custodial taking under the law of this state, another
103.3	state, or foreign country of the last known address of the apparent owner.
103.4	(c) If a holder's state of domicile has changed since the time the property was presumed
103.5	abandoned, the holder's state of domicile in this section is deemed to be the state where the
103.6	holder was domiciled at the time the property was presumed abandoned.
103.7	Sec. 5. [345A.305] CUSTODY IF TRANSACTION TOOK PLACE IN THIS STATE.

- (A) the total value of property received by the administrator during the preceding 108.9 12-month period, taken from the reports under section 345A.401;
- 108.10 (B) the total value of claims paid by the administrator during the preceding 12-month period;

 website when:
- (A) no owner name was reported;
- (B) a claim has been initiated or is pending for the property;
- 108.25 (C) the administrator has made direct contact with the apparent owner of the property;
 108.26 and

 instructions for its use.

(d) In addition to giving notice under subsection (b), publishing the information under 109.1 subsection (b)(1), and maintaining the website or database under subsection (b)(2), the 109.2 109.3 administrator may use other printed publication, telecommunication, the Internet, or other media to inform the public of the existence of unclaimed property held by the administrator. 109.4 **ARTICLE 18** 109.5 UNCLAIMED PROPERTY; TAKING CUSTODY OF PROPERTY BY 109.6 **ADMINISTRATOR** 109.7 Section 1. [345A.601] DORMANCY CHARGE. 109.8 (a) A holder may deduct a dormancy charge from property required to be paid or delivered 109.9 to the administrator if: 109.10 109.11 (1) a valid contract between the holder and the apparent owner authorizes imposition of the charge for the apparent owner's failure to claim the property within a specified time; 109.12 109.13 and (2) the holder regularly imposes the charge and regularly does not reverse or otherwise 109.14 109.15 cancel the charge. (b) The amount of the deduction under subsection (a) is limited to an amount that is not 109.16 unconscionable considering all relevant factors, including the marginal transactional costs 109.17 incurred by the holder in maintaining the apparent owner's property and any services received 109.18 by the apparent owner. 109.19 (c) A holder may not deduct an escheat fee or impose other charges solely by virtue of 109.20 property being reported as presumed abandoned. Sec. 2. [345A.602] PAYMENT OR DELIVERY OF PROPERTY TO 109.22 ADMINISTRATOR. 109.23 (a) Except as otherwise provided in this section, on filing a report under section 345A.401, 109.24 the holder shall pay or deliver to the administrator the property described in the report. 109.25 (b) If property in a report under section 345A.401 is an automatically renewable deposit 109.26 and a penalty or forfeiture in the payment of interest would result from paying the deposit 109.27 to the administrator at the time of the report, the date for payment of the property to the 109.28 109.29 administrator is extended until a penalty or forfeiture no longer would result from payment, 109.30 if the holder informs the administrator of the extended date. (c) Tangible property in a safe deposit box may not be delivered to the administrator 109 31

until 60 days after filing the report under section 345A.401.

110.1	(d) If property reported to the administrator under section 345A.401 is a security, the
110.2	administrator may:
110.3	(1) make an endorsement, instruction, or entitlement order on behalf of the apparent
110.4	owner to invoke the duty of the issuer, its transfer agent, or the securities intermediary to
110.5	transfer the security; or
110.6	(2) dispose of the security under section 345A.702.
110.7	(e) If the holder of property reported to the administrator under section 345A.401 is the
110.8	issuer of a certificated security, the administrator may obtain a replacement certificate in
110.9	physical or book-entry form under section 336.8-405. An indemnity bond is not required.
110.10	(f) The administrator shall establish procedures for the registration, issuance, method

110.14	and must be indemnified by the state against, a claim arising with respect to property after
110.15	the property has been delivered to the administrator.
110.16	(h) A holder is not required to deliver to the administrator a security identified by the
110.17	holder as a nonfreely transferable security. If the administrator or holder determines that a
110.18	security is no longer a nonfreely transferable security, the holder shall deliver the security
110.19	on the next regular date prescribed for delivery of securities under this chapter. The holder
110.20	shall make a determination annually whether a security identified in a report filed under
110.21	section 345A.401 as a nonfreely transferable security is no longer a nonfreely transferable
110.22	security.
110.23	Sec. 3. [345A.603] EFFECT OF PAYMENT OR DELIVERY OF PROPERTY TO
110.24	ADMINISTRATOR.
110.21	
110.25	On payment or delivery of property to the administrator under this chapter, the
110.26	administrator, as agent for the state, assumes custody and responsibility for safekeeping the
110.27	property. A holder that pays or delivers property to the administrator in good faith and
110.28	substantially complies with sections 345A.501 and 345A.502 is relieved of liability which
110.29	may arise thereafter with respect to the property so paid or delivered.

Sec. 4. [345A.604] RECOVERY OF PROPERTY BY HOLDERS FROM

 evidence sufficient to establish that the apparent owner has claimed the property from the
 holder or that the property was delivered by the holder to the administrator in error.

Sec. 5. [345A.605] CREDITING INCOME OR GAIN TO OWNER'S ACCOUNT.

If property other than money is delivered to the administrator, the owner is entitled to 111.12 receive from the administrator income or gain realized or accrued on the property before 111.13 the property is sold. If the property was interest-bearing, the administrator shall pay interest 111.14 at the lesser of the rate of the weekly average one-year constant maturity treasury yield, as published by the Board of Governors of the Federal Reserve System, for the calendar week preceding the beginning of the fiscal quarter in which the property was sold or the rate the 111.17 property earned while in the possession of the holder. Interest begins to accrue when the 111.18 property is delivered to the administrator and ends on the earlier of the expiration of ten 111.19 111.20 years after its delivery or the date on which payment is made to the owner.

111.21 Sec. 6. [345A.606] ADMINISTRATOR'S OPTIONS AS TO CUSTODY.

- (a) The administrator may decline to take custody of property reported under section 345A.401 if the administrator determines that:

- (2) taking custody of the property would be unlawful.
- 111.27 (b) A holder may pay or deliver property to the administrator before the property is
 111.28 presumed abandoned under this chapter if the holder:
- (1) sends the apparent owner of the property notice required by section 345A.501 and provides the administrator evidence of the holder's compliance with this paragraph;

112.1	(2) includes with the payment or delivery a report regarding the property conforming to
112.2	section 345A.402; and

112.4	(c) A holder's request for the administrator's consent under subsection (b)(3) must be in
112.5	a record. If the administrator fails to respond to the request not later than 30 days after
112.6	receipt of the request, the administrator is deemed to consent to the payment or delivery of
112.7	the property and the payment or delivery is considered to have been made in good faith.
112.8	(d) On payment or delivery of property under subsection (b), the property is presumed
112.9	abandoned.

117.2	345.31 to 345.60. the records are reasonably necessary to determine whether the person has
117.3	complied with this chapter. The administrator may issue an administrative subpoena requiring
117.4	the person or agent of the person to make records available for examination, and bring an

117.24	(3) to the person that administers the unclaimed property law of another state, if the

 whether the decision complies with the requirements of this chapter.
- (c) At the administrator's discretion, a hearing may be based upon written submissions, and nothing contained in this section requires the observance of formal rules of pleading or evidence.
- (d) The administrator shall commence a hearing within 45 days after receipt of the request and shall give not less than 15 days' written notice of the hearing.
