17.20 unless the voter has requested that the address printed on the roster be the voter's mailing
17.21 address because the voter is a judge or a law enforcement or corrections officer, or the voter

17.30 to request the date of birth from currently registered voters. The county or municipality
17.31 shall not request the date of birth from currently registered voters by any communication
17.32 other than the prescribed form and the form must clearly indicate that a currently registered
17.33 voter does not lose registration status by failing to provide the date of birth. In accordance

18.1 with section 204B.40, the county auditor shall retain the prescribed polling place rosters
18.2 used on the date of election for 22 months following the election.

18.3 Sec. 17. Minnesota Statutes 2021 Supplement, section 203B.04, subdivision 1, is amended

18.6 2 or by section 203B.11, subdivision 4, an application for absentee ballots for any election

18.8 county auditor shall prepare absentee ballot application forms in the format provided by the
18.9 secretary of state and shall furnish them to any person on request. By January 1 of each
18.10 even-numbered year, the secretary of state shall make the forms to be used available to
18.11 auditors through electronic means. An application submitted pursuant to this subdivision
18.12 shall be in writing. An application may be submitted in person, by electronic facsimile
18.13 device, by electronic mail, or by mail to:

18.14 (1) the county auditor of the county where the applicant maintains residence; or

18.15 (2) the municipal clerk of the municipality, or school district if applicable, where the
18.16 applicant maintains residence.

18.17 For a federal, state, or county election, an absentee ballot application may alternatively be
18.18 submitted electronically through a secure website that shall be maintained by the secretary
18.19 of state for this purpose. Notwithstanding paragraph (b), the secretary of state must require
18.20 applicants using the website to submit the applicant's e-mail address and verifiable Minnesota
18.21 driver's license number, Minnesota state identification card number, voter identification
18.22 card number, or the last four digits of the applicant's Social Security number.

18.23 An application submitted electronically under this paragraph may only be transmitted to
18.24 the county auditor for processing if the secretary of state has verified the application
18.25 information matches the information in a government database associated with the applicant's
18.26 driver's license number, state identification card number, voter identification card number,
18.27 or Social Security number. The secretary of state must review all unverifiable applications
18.28 for evidence of suspicious activity and must forward any such application to an appropriate
18.29 law enforcement agency for investigation.

18.30 (b) An application shall be approved if it is timely received, signed and dated by the

19.5 (c) To be approved, the application must contain an oath that the information contained
19.6 on the form is accurate, that the applicant is applying on the applicant's own behalf, and
19.7 that the applicant is signing the form under penalty of perjury.

19.8 (d) Prior to approval, the county auditor or municipal clerk must verify that the Minnesota
19.9 driver's license number, state identification card number, voter identification card number,
19.10 or the last four digits of the Social Security number submitted by an applicant is valid and
19.11 assigned to that applicant. If a driver's license, identification card number, voter identification
19.12 card number, or the last four digits of a Social Security number is invalid or not assigned
19.13 to the applicant, the county auditor or municipal clerk must reject the application.

19.14 ~~(d)~~ (e) An applicant's full date of birth, Minnesota driver's license or state identification
19.15 number, and the last four digits of the applicant's Social Security number must not be made
19.16 available for public inspection. An application may be submitted to the county auditor or
19.17 municipal clerk by an electronic facsimile device. An application mailed or returned in
19.18 person to the county auditor or municipal clerk on behalf of a voter by a person other than
19.19 the voter must be deposited in the mail or returned in person to the county auditor or
19.20 municipal clerk within ten days after it has been dated by the voter and no later than six
19.21 days before the election. The absentee ballot applications or a list of persons applying for
19.22 an absentee ballot may not be made available for public inspection until the close of voting
19.23 on election day, except as authorized in section 203B.12, and must be available to the public

20.7 identification card number, or the last four digits of the voter's Social Security number, or
20.8 to indicate that the voter does not have one of these numbers. The space must be designed
20.9 to ensure that the voter provides the same type of identification as provided on the voter's
20.10 absentee ballot application for purposes of comparison. The certificate must also contain a
20.11 statement to be signed and sworn by the voter indicating that the voter meets all of the
20.12 requirements established by law for voting by absentee ballot ~~and~~.

20.13 (b) The certificate must include a space for a statement an oath signed by a person who
20.14 is registered to vote in Minnesota or by a notary public or other individual authorized to
20.15 administer oaths witness stating that:

20.16 (1) the unmarked ballots were displayed to ~~that individual~~ unmarked the witness;

20.17 (2) the voter marked the ballots in ~~that individual's~~ the witness's presence without showing
20.18 how they were marked, or, if the voter was physically unable to mark them, that the voter
20.19 directed another individual to mark them; ~~and~~

20.20 (3) ~~if the voter was not previously registered~~, the voter has ~~provided~~ shown to the witness
20.21 proof of identity and residence as required by section 201.061, subdivision 3 200.035 or

20.26 authorized to administer oaths. The witness must include the witness's driver's license
20.27 number, identification card number, voter identification card number, the last four digits of
20.28 the applicant's Social Security number, or a statement that the witness does not have any of
20.29 these numbers.

21.1 Sec. 20. Minnesota Statutes 2021 Supplement, section 203B.08, subdivision 1, is amended
21.2 to read:

21.3 Subdivision 1. **Marking and return by voter.** (a) An eligible voter who receives absentee
21.4 ballots as provided in this chapter shall mark them in the manner specified in the directions
21.5 for casting the absentee ballots.

21.6 (b) The voter must present proof of identity and residence as described in section 200.035
21.7 to the individual who witnesses the marking of the absentee ballots or execute an affidavit
21.8 described in paragraph (c). If the voter presented documentation of proof of identity and
21.9 residence, the witness must record the type of document that was presented on the witness

21.11 (c) If the voter attempted to procure proof of identity and residence to satisfy the
21.12 requirements of section 200.035 but was unable to do so, the voter may execute a sworn
21.13 affidavit, under the penalty of perjury, that states:

21.14 (1) the voter completing the affidavit is the voter that marked the ballot;

21.15 (2) the voter is eligible to vote, has not voted previously in the same election, and meets
21.16 the criteria for registering to vote in the precinct where the voter is voting;

21.17 (3) the voter attempted to procure proof of identity and residence but was unable to do
21.18 so, and provide an explanation of the reason that the voter was unable to procure the
21.19 necessary proof; and

21.20 (4) that the information on the affidavit is true and accurate.

21.21 The affidavit must be signed in the presence of the witness.

21.22 (d) The return envelope containing marked ballots may be mailed as provided in the
21.23 directions for casting the absentee ballots, may be left with the county auditor or municipal
21.24 clerk who transmitted the absentee ballots to the voter, or may be left in a drop box as
21.25 provided in section 203B.082. If delivered in person, the return envelope must be submitted
21.26 to the county auditor or municipal clerk by 3:00 p.m. on election day.

21.27 ~~(b)~~ (e) The voter may designate an agent to deliver in person the sealed absentee ballot
21.28 return envelope to the county auditor or municipal clerk or to deposit the return envelope
21.29 in the mail. An agent may deliver or mail the return envelopes of not more than three voters
21.30 in any election. Any person designated as an agent who tampers with either the return
21.31 envelope or the voted ballots or does not immediately mail or deliver the return envelope
21.32 to the county auditor or municipal clerk is guilty of a misdemeanor.

22.1 Sec. 21. Minnesota Statutes 2021 Supplement, section 203B.121, subdivision 2, is amended
22.2 to read:

22.3 Subd. 2. **Duties of ballot board; absentee ballots.** (a) The members of the ballot board
22.4 shall take possession of all signature envelopes delivered to them in accordance with section
22.5 203B.08. Upon receipt from the county auditor, municipal clerk, or school district clerk,
22.6 two or more members of the ballot board shall examine each signature envelope and shall
22.7 mark it accepted or rejected in the manner provided in this subdivision. Election judges
22.8 performing the duties in this section must be of different major political parties, unless they
22.9 are exempt from that requirement under section 205.075, subdivision 4, or section 205A.10,
22.10 subdivision 2.

22.11 (b) The members of the ballot board shall mark the signature envelope "Accepted" and
22.12 initial or sign the signature envelope below the word "Accepted" if a majority of the members
22.13 of the ballot board examining the envelope are satisfied that:

22.14 (1) the voter's name and address on the signature envelope are the same as the information
22.15 provided on the absentee ballot application;

22.16 (2) the voter signed the certification on the envelope;

22.17 (3) the voter's Minnesota driver's license, state identification number, voter identification
22.18 card number, or the last four digits of the voter's Social Security number are the same as a
22.19 number on the voter's absentee ballot application or voter record. If the number does not
22.20 match, the election judges must compare the signature provided by the applicant to determine
22.21 whether the ballots were returned by the same person to whom they were transmitted;

22.22 (4) the voter is registered and eligible to vote in the precinct or has included a properly
22.23 completed voter registration application in the signature envelope;

22.24 (5) the portion of the certificate completed by a witness as required by section 203B.07,
22.25 subdivision 3, paragraph (b), is completed and the document or documents listed that were
22.26 used to prove identity and residence are documents authorized by section 200.035;

22.27 (6) the certificate has been completed as prescribed in the directions for casting an
22.28 absentee ballot; and

22.29 ~~(6)~~ (7) the voter has not already voted at that election, either in person or, if it is after
22.30 the close of business on the seventh day before the election, by absentee ballot.

22.31 The signature envelope from accepted ballots must be preserved and returned to the
22.32 county auditor.

(c)(1) If a majority of the members of the ballot board examining a signature envelope find that an absentee voter has failed to meet one of the requirements provided in paragraph (b), they shall mark the signature envelope "Rejected," initial or sign it below the word "Rejected," list the reason for the rejection on the envelope, and return it to the county auditor. There is no other reason for rejecting an absentee ballot beyond those permitted by this section. Failure to place the ballot within the secrecy envelope before placing it in the outer white envelope is not a reason to reject an absentee ballot.

(2) If an envelope has been rejected at least five days before the election, the envelope must remain sealed and the official in charge of the ballot board shall provide the voter with a replacement absentee ballot and signature envelope in place of the rejected ballot.

(3) If an envelope is rejected within five days of the election, the envelope must remain sealed and the official in charge of the ballot board must attempt to contact the voter by telephone or e-mail to notify the voter that the voter's ballot has been rejected. The official must document the attempts made to contact the voter.

(d) The official in charge of the absentee ballot board must mail the voter a written notice of absentee ballot rejection between six and ten weeks following the election. If the official determines that the voter has otherwise cast a ballot in the election, no notice is required. If an absentee ballot arrives after the deadline for submission provided by this chapter, the notice must be provided between six to ten weeks after receipt of the ballot. A notice of absentee ballot rejection must contain the following information:

(1) the date on which the absentee ballot was rejected or, if the ballot was received after the required deadline for submission, the date on which the ballot was received;

(2) the reason for rejection; and

(3) the name of the appropriate election official to whom the voter may direct further questions, along with appropriate contact information.

(e) An absentee ballot signature envelope marked "Rejected" may not be opened or subject to further review except in an election contest filed pursuant to chapter 209.

All accepted provisional ballot envelopes must be kept together in a secure location. Provisional ballot envelopes must only be opened as provided in subdivision 3.

31.2 from the accepted provisional ballot envelopes in the manner required by section 204C.20,
31.3 subdivision 2. Any discrepancy must be resolved before the provisional ballots from the
31.4 precinct may be counted.

EFFECTIVE DATE. This section is effective June 1, 2023.

Sec. 35. **[357.43] DOCUMENTS REQUIRED FOR VOTER IDENTIFICATION CARD.**

Notwithstanding any provisions to the contrary, no fee shall be charged by the courts for a certified copy of a court order, decree, record, or other document if the applicant attests that the record is needed to obtain a voter identification card issued pursuant to section 171.07, subdivision 3c.

EFFECTIVE DATE. This section is effective June 1, 2023.

36.1 **Sec. 36. PUBLIC EDUCATION CAMPAIGN.**

36.2 The secretary of state must contract with a vendor for the production and implementation
36.3 of a statewide public educational campaign related to the voter identification requirements
36.4 of this article. The campaign must inform voters of the requirements for identification when
36.5 voting, methods of securing sufficient identification, including securing a free voter
36.6 identification card if necessary, and the process for provisional balloting for voters unable
36.7 to meet the identification requirements on election day. The secretary of state may consult
36.8 with the vendor in coordinating material related to the campaign, but the secretary, the
36.9 secretary's staff, and any other documents or materials promoting the Office of the Secretary
36.10 of State may not appear visually or audibly in any advertising or promotional items
36.11 disseminated by the vendor as part of the public education campaign.

36.12 **EFFECTIVE DATE.** This section is effective the day following final enactment.

36.13 **Sec. 37. PROPOSED LEGISLATION.**

36.15 minority members of the legislative committees with jurisdiction over elections on proposed
36.16 legislation to amend matters currently contained in administrative rules as necessary to
36.17 implement this act. To the greatest extent practical, this proposed legislation must propose
36.18 codifying into law matters that otherwise would be adopted through the administrative
36.19 rulemaking process.

36.20 (b) To the extent that codifying matters into law is not practical, the proposed legislation
36.21 must direct, by law, specific changes to be made in administrative rules so that no
36.22 interpretation of the law by the secretary of state would be necessary, and use of the good
36.23 cause rulemaking exemption in Minnesota Statutes, section 14.388, would be appropriate
36.24 if the legislature authorizes use of this process.

36.25 (c) Nothing in this section grants rulemaking authority to the secretary of state.

36.26 **EFFECTIVE DATE.** This section is effective the day following final enactment.

42.21 The appropriate state or local official shall provide security measures to prevent
42.22 unauthorized access to the computerized list established under section 201.021.

42.23 Sec. 11. Minnesota Statutes 2020, section 201.061, subdivision 1, is amended to read:

42.24 Subdivision 1. **Prior to election day.** (a) At any time except during the 20 days
42.25 immediately preceding any regularly scheduled election, an eligible voter or any individual
42.26 who will be an eligible voter at the time of the next election may register to vote in the
42.27 precinct in which the voter maintains residence by completing a voter registration application
42.28 as described in section 201.071, subdivision 1. A completed application may be submitted:

42.29 (1) in person or by mail to the county auditor of that county or to the Secretary of State's
42.30 Office; or

(2) electronically through a secure website that shall be maintained by the secretary of state for this purpose, if the applicant has an e-mail address and provides the applicant's verifiable Minnesota driver's license number, Minnesota state identification card number, voter identification card number, or the last four digits of the applicant's Social Security number.

A registration that is received in person or by mail no later than 5:00 p.m. on the 21st day preceding any election, or a registration received electronically through the secretary of state's secure website no later than 11:59 p.m. on the 21st day preceding any election, shall be accepted. An improperly addressed or delivered registration application shall be forwarded within two working days after receipt to the county auditor of the county where the voter maintains residence. A state or local agency or an individual that accepts completed voter registration applications from a voter must submit the completed applications to the secretary of state or the appropriate county auditor within ten calendar days after the applications are dated by the voter.

(b) An application submitted electronically under paragraph (a), clause (2), may only be transmitted to the county auditor for processing if the secretary of state has verified the application information matches the information in a government database associated with the applicant's driver's license number, state identification card number, voter identification card number, or Social Security number. The secretary of state must review all unverifiable voter registration applications submitted electronically for evidence of suspicious activity and must forward any such application to an appropriate law enforcement agency for investigation.

An individual may not electronically submit a voter registration application on behalf of any other individual.

(c) For purposes of this section, mail registration is defined as a voter registration application delivered to the secretary of state, county auditor, or municipal clerk by the United States Postal Service or a commercial carrier.

Sec. 12. Minnesota Statutes 2020, section 201.061, subdivision 1a, is amended to read:

Subd. 1a. **Incomplete registration by mail.** If the county auditor determines that a voter who has submitted a voter registration application by mail has not previously voted in this state for a federal office and has also not presented a document authorized for election day registration in section 201.061, subdivision 3, to the auditor, and the county auditor is unable to verify the voter's driver's license, state identification, voter identification card, or last four digits of the voter's Social Security number as provided by the voter on the voter

registration application, then the county auditor must notify the voter that the registration is incomplete and to complete registration by using one of the following methods:

(1) presenting to the auditor more than 20 days before the election a document authorized for election day registration in section 201.061, subdivision 3;

(2) registering in person before or on election day;

(3) if voting by absentee ballot or by mail, following election day registration procedures for absentee voters as described in section 203B.04, subdivision 4; or

(4) providing proof of residence by any of the methods authorized for election day registration in section 201.061, subdivision 3.

Sec. 13. Minnesota Statutes 2020, section 201.071, subdivision 1, is amended to read:

Subdivision 1. **Form.** Both paper and electronic voter registration applications must contain the same information unless otherwise provided by law. A voter registration application must contain spaces for the following required information: voter's first name, middle name, and last name; voter's previous name, if any; voter's current address; voter's previous address, if any; voter's date of birth; voter's municipality and county of residence; voter's telephone number, if provided by the voter; date of registration; current and valid Minnesota driver's license number ~~or~~, Minnesota state identification number, voter identification card number, or if the voter has no current and valid Minnesota driver's license ~~or~~, Minnesota state identification, or voter identification card, the last four digits of the voter's Social Security number; and voter's signature. The paper registration application may include the voter's e-mail address, if provided by the voter. The electronic voter registration application must include the voter's e-mail address. The registration application may include the voter's interest in serving as an election judge, if indicated by the voter. The application must also contain the following certification of voter eligibility:

"I certify that I:

(1) will be at least 18 years old on election day;

(2) am a citizen of the United States;

(3) will have resided in Minnesota for 20 days immediately preceding election day;

(4) maintain residence at the address given on the registration form;

(5) am not under court-ordered guardianship in which the court order revokes my right to vote;

(6) have not been found by a court to be legally incompetent to vote;

(7) have the right to vote because, if I have been convicted of a felony, my felony sentence has expired (been completed) or I have been discharged from my sentence; and

(8) have read and understand the following statement: that giving false information is a felony punishable by not more than five years imprisonment or a fine of not more than \$10,000, or both."

The certification must include boxes for the voter to respond to the following questions:

"(1) Are you a citizen of the United States?" and

"(2) Will you be 18 years old on or before election day?"

And the instruction:

"If you checked 'no' to either of these questions, do not complete this form."

The form of the voter registration application and the certification of voter eligibility must be as provided in this subdivision and approved by the secretary of state. Voter registration forms authorized by the National Voter Registration Act must also be accepted as valid. The federal postcard application form must also be accepted as valid if it is not deficient and the voter is eligible to register in Minnesota.

An individual may use a voter registration application to apply to register to vote in Minnesota or to change information on an existing registration.

Sec. 14. Minnesota Statutes 2021 Supplement, section 201.071, subdivision 2, is amended to read:

Subd. 2. **Instructions.** (a) A registration application shall be accompanied by instructions specifying the manner and method of registration, the qualifications for voting, the penalties for false registration, and the availability of registration and voting assistance for elderly and disabled individuals and residents of health care facilities and hospitals.

(b) The instructions must indicate that the voter must provide a valid Minnesota driver's license or identification card number, voter identification card, or the last four digits of the voter's Social Security number, unless the voter has not been issued one of those numbers.

(c) If, prior to election day, a person requests the instructions in Braille, audio format, or in a version printed in 16-point bold type with 24-point leading, the county auditor shall provide them in the form requested. The secretary of state shall prepare Braille and audio copies and make them available.

Sec. 15. Minnesota Statutes 2020, section 201.071, subdivision 3, is amended to read:

Subd. 3. **Deficient registration.** No voter registration application is deficient if it contains the voter's name, address, date of birth, current and valid Minnesota driver's license number ~~or~~, Minnesota state identification number, or voter identification card number, or if the voter has no current and valid Minnesota driver's license ~~or~~, Minnesota state identification number, or voter identification card number, the last four digits of the voter's Social Security number, if the voter has been issued a Social Security number, prior registration, if any, and signature. The absence of a zip code number does not cause the registration to be deficient. Failure to check a box on an application form that a voter has certified to be true does not cause the registration to be deficient. The election judges shall request an individual to correct a voter registration application if it is deficient or illegible. No eligible voter may be prevented from voting unless the voter's registration application is deficient or the voter is duly and successfully challenged in accordance with section 201.195 or 204C.12.

A voter registration application accepted prior to August 1, 1983, is not deficient for lack of date of birth. The county or municipality may attempt to obtain the date of birth for a voter registration application accepted prior to August 1, 1983, by a request to the voter at any time except at the polling place. Failure by the voter to comply with this request does not make the registration deficient.

A voter registration application accepted before January 1, 2004, is not deficient for lack of a valid Minnesota driver's license or state identification number or the last four digits of a Social Security number. A voter registration application submitted by a voter who does not have a Minnesota driver's license or state identification number, or a Social Security number, is not deficient for lack of any of these numbers.

A voter registration application submitted electronically through the website of the secretary of state prior to April 30, 2014, is not invalid as a result of its electronic submission.

Sec. 16. Minnesota Statutes 2020, section 201.091, subdivision 9, is amended to read:

Subd. 9. **Restricted data.** A list provided for public inspection or purchase, or in response to a law enforcement inquiry, must not include a voter's date of birth or any part of a voter's Social Security number, driver's license number, identification card number, voter identification card number, military identification card number, or passport number.

47.1 Sec. 17. Minnesota Statutes 2020, section 201.121, subdivision 1, is amended to read:

47.2 Subdivision 1. **Entry of registration information.** (a) At the time a voter registration
47.3 application is properly completed, submitted, and received in accordance with sections
47.4 201.061 and 201.071, the county auditor shall enter the information contained on it into the
47.5 statewide registration system. Voter registration applications completed before election day
47.6 must be entered into the statewide registration system within ten days after they have been
47.7 submitted to the county auditor. Voter registration applications completed on election day
47.8 must be entered into the statewide registration system within 42 days after the election,
47.9 unless the county auditor notifies the secretary of state before the deadline has expired that
47.10 the deadline will not be met. Upon receipt of a notification under this paragraph, the secretary
47.11 of state must extend the deadline for that county auditor by an additional 28 days. The
47.12 secretary of state may waive a county's obligations under this paragraph if, on good cause
47.13 shown, the county demonstrates its permanent inability to comply.

47.14 The secretary of state must post data on each county's compliance with this paragraph on
47.15 the secretary of state's website including, as applicable, the date each county fully complied
47.16 or the deadline by which a county's compliance must be complete.

47.17 (b) Upon receiving a completed voter registration application, the secretary of state may
47.18 electronically transmit the information on the application to the appropriate county auditor
47.19 as soon as possible for review by the county auditor before final entry into the statewide
47.20 registration system. The secretary of state may mail the voter registration application to the
47.21 county auditor.

47.22 (c) Within ten days after the county auditor has entered information from a voter
47.23 registration application into the statewide registration system, the secretary of state shall
47.24 compare the voter's name, date of birth, and driver's license number, state identification
47.25 number, voter identification card number, or the last four digits of the Social Security number
47.26 with the same information contained in the Department of Public Safety database.

47.27 (d) The secretary of state shall provide a report to the county auditor on a weekly basis
47.28 that includes a list of voters whose name, date of birth, or identification number have been
47.29 compared with the same information in the Department of Public Safety database and cannot
47.30 be verified as provided in this subdivision. The report must list separately those voters who
47.31 have submitted a voter registration application by mail and have not voted in a federal
47.32 election in this state.

47.33 (e) The county auditor shall compile a list of voters for whom the county auditor and
47.34 the secretary of state are unable to conclude that information on the voter registration

48.1 application and the corresponding information in the Department of Public Safety database

48.14 applied to the Department of Public Safety for a replacement driver's license ~~or~~ state
48.15 identification card, or voter identification card with a different address, and a list of
48.16 individuals for whom the Department of Public Safety received notification of a driver's

48.21 (b) If the address is changed to another address in this state, the secretary of state shall
48.22 locate the precinct in which the voter resides, if possible. If the secretary of state is able to
48.23 locate the precinct in which the voter resides, the secretary must transmit the information
48.24 about the changed address by electronic means to the county auditor of the county in which
48.25 the new address is located. For addresses for which the secretary of state is unable to
48.26 determine the precinct, the secretary may forward information to the appropriate county
48.27 auditors for individual review. If the voter has not voted or submitted a voter registration
48.28 application since the address change, upon receipt of the information, the county auditor
48.29 shall update the voter's address in the statewide voter registration system. The county auditor
48.30 shall mail to the voter a notice stating the voter's name, address, precinct, and polling place,

48.32 change, incompetence, or a court's revocation of voting rights of individuals under
48.33 guardianship, in which case the auditor must not mail the notice. The notice must advise
48.34 the voter that the voter's voting address has been changed and that the voter must notify the

county auditor within 21 days if the new address is not the voter's address of residence. The notice must state that it must be returned if it is not deliverable to the voter at the named address.

(c) If the change of permanent address is to an address outside this state, the secretary of state shall notify by electronic means the auditor of the county where the voter formerly resided that the voter has moved to another state. If the voter has not voted or submitted a voter registration application since the address change, the county auditor shall promptly mail to the voter at the voter's new address a notice advising the voter that the voter's status in the statewide voter registration system will be changed to "inactive" unless the voter notifies the county auditor within 21 days that the voter is retaining the former address as the voter's address of residence, except that if the voter's record is challenged due to a felony conviction, noncitizenship, name change, incompetence, or a court's revocation of voting rights of individuals under guardianship, the auditor must not mail the notice. If the notice is not received by the deadline, the county auditor shall change the voter's status to "inactive" in the statewide voter registration system.

Except as otherwise provided in this subdivision, when data is shared with the secretary of state by another state, the secretary of state must maintain the same data classification that the data had while it was in the possession of the state providing the data.

57.31 same election or elections;

(5) a statement that the voter personally marked the ballots without showing them to anyone, or if physically unable to mark them, that the voter directed another individual to mark them; and

(6) the same voter's passport number, Minnesota driver's license ~~or~~ state identification card number, or voter identification card, or the last four digits of the voter's Social Security number as provided on the absentee ballot application; if the voter does not have access to any of these documents, the voter may attest to the truthfulness of the contents of the certificate under penalty of perjury.

The certificate shall also contain a signed oath in the form required by section 705 of the Help America Vote Act, Public Law 107-252, which must read:

"I swear or affirm, under penalty of perjury, that:

I am a member of the uniformed services or merchant marine on active duty or an eligible spouse or dependent of such a member; a United States citizen temporarily residing outside the United States; or other United States citizen residing outside the United States; and I am a United States citizen, at least 18 years of age (or will be by the date of the election), and I am eligible to vote in the requested jurisdiction; I have not been convicted of a felony, or other disqualifying offense, or been adjudicated mentally incompetent, or, if so, my voting rights have been reinstated; and I am not registering, requesting a ballot, or voting in any other jurisdiction in the United States except the jurisdiction cited in this voting form. In voting, I have marked and sealed my ballot in private and have not allowed any person to observe the marking of the ballot, except for those authorized to assist voters under state or federal law. I have not been influenced.

The information on this form is true, accurate, and complete to the best of my knowledge. I understand that a material misstatement of fact in completion of this document may constitute grounds for a conviction for perjury."

Sec. 30. Minnesota Statutes 2021 Supplement, section 203B.24, subdivision 1, is amended to read:

Subdivision 1. Check of voter eligibility; proper execution of certificate. Upon receipt of an absentee ballot returned as provided in sections 203B.16 to 203B.27, the election judges shall compare the voter's name with the names recorded under section 203B.19 in the statewide registration system to insure that the ballot is from a voter eligible to cast an absentee ballot under sections 203B.16 to 203B.27. The election judges shall mark the

signature envelope "Accepted" and initial or sign the signature envelope below the word "Accepted" if the election judges are satisfied that:

(1) the voter's name and address on the signature envelope appears in substantially the same form as on the application records provided to the election judges by the county auditor;

(2) the voter has signed the federal oath prescribed pursuant to section 705(b)(2) of the Help America Vote Act, Public Law 107-252;

(3) the voter has set forth the same voter's passport number, or Minnesota driver's license ~~or~~, state identification card number, or voter identification card number, or the last four digits of the voter's Social Security number as submitted on the application, if the voter has one of these documents;

(4) the voter is not known to have died; and

(5) the voter has not already voted at that election, either in person or by absentee ballot.

If the identification number described in clause (3) does not match the number as submitted on the application, the election judges must make a reasonable effort to satisfy themselves through other information provided by the applicant, or by an individual authorized to apply on behalf of the voter, that the ballots were returned by the same person to whom the ballots were transmitted.

An absentee ballot cast pursuant to sections 203B.16 to 203B.27 may only be rejected for the lack of one of clauses (1) to (5). In particular, failure to place the ballot within the secrecy envelope before placing it in the outer white envelope is not a reason to reject an absentee ballot.

Election judges must note the reason for rejection on the back of the envelope in the space provided for that purpose.

Failure to return unused ballots shall not invalidate a marked ballot, but a ballot shall not be counted if the certificate on the return envelope is not properly executed. In all other respects the provisions of the Minnesota Election Law governing deposit and counting of ballots shall apply. Notwithstanding other provisions of this section, the counting of the absentee ballot of a deceased voter does not invalidate the election.

Sec. 31. **EFFECTIVE DATE.**
