and medical benefit insurance account as provided under this chapter to an applicant who
has met each of the following requirements:
(1) the applicant has filed an application for benefits and established a benefit account in accordance with section 268B.04;

(2) the applicant has met all of the ongoing eligibility requirements under section 268B.06;

(3) the applicant does not have an outstanding overpayment of family or medical leave benefits, including any penalties or interest;

(4) the applicant has not been held ineligible for benefits under section 268.07, subdivision 2; and

(5) the applicant is not employed exclusively by a private plan employer and has wage credits during the base year attributable to employers covered under the state family and medical leave program.

Subd. 2. Benefits paid from state funds. Benefits are paid from state funds and are not considered paid from any special insurance plan, nor as paid by an employer. An application for family or medical leave benefits is not considered a claim against an employer but is considered a request for benefits from the family and medical benefit insurance account. The commissioner has the responsibility for the proper payment of benefits regardless of the level of interest or participation by an applicant or an employer in any determination or appeal. An applicant's entitlement to benefits must be determined based upon that information available without regard to a burden of proof. Any agreement between an applicant and an employer is not binding on the commissioner in determining an applicant's entitlement. There is no presumption of entitlement or nonentitlement to benefits.

Sec. 8. [268B.04] BENEFIT ACCOUNT; BENEFITS.

Subdivision 1. Application for benefits; determination of benefit account. (a) An application for benefits may be filed in person, by mail, or by electronic transmission as the commissioner may require. The applicant must include certification supporting a request for leave under this chapter. The applicant must meet eligibility requirements at the time the application is filed and must provide all requested information in the manner required. If the applicant does not meet eligibility at the time of the application or fails to provide all requested information, the communication is not an application for family and medical leave benefits.

(b) The commissioner must examine each application for benefits to determine the base period and the benefit year, and based upon all the covered employment in the base period the commissioner must determine the weekly benefit amount available, if any, and the
maximum amount of benefits available, if any. The determination, which is a document separate and distinct from a document titled a determination of eligibility or determination of ineligibility, must be titled determination of benefit account. A determination of benefit account must be sent to the applicant and all base period employers, by mail or electronic transmission.

(c) If a base period employer did not provide wage detail information for the applicant as required under section 268B.12, the commissioner may accept an applicant certification of wage credits, based upon the applicant's records, and issue a determination of benefit account.

(d) The commissioner may, at any time within 24 months from the establishment of a benefit account, reconsider any determination of benefit account and make an amended determination if the commissioner finds that the wage credits listed in the determination were incorrect for any reason. An amended determination of benefit account must be promptly sent to the applicant and all base period employers, by mail or electronic transmission. This paragraph does not apply to documents titled determinations of eligibility or determinations of ineligibility issued.

(e) If an amended determination of benefit account reduces the weekly benefit amount or maximum amount of benefits available, any benefits that have been paid greater than the applicant was entitled is an overpayment of benefits. A determination or amended determination issued under this section that results in an overpayment of benefits must set out the amount of the overpayment and the requirement that the overpaid benefits must be repaid according to section 268B.185.

Subd. 2. Benefit account requirements. (a) Unless paragraph (b) applies, to establish a benefit account, an applicant must have wage credits of at least 5.3 percent of the state's average annual wage rounded down to the next lower $100.

(b) To establish a new benefit account following the expiration of the benefit year on a prior benefit account, an applicant must have performed actual work in subsequent covered employment and have been paid wages in one or more completed calendar quarters that started after the effective date of the prior benefit account. The wages paid for that employment must be at least enough to meet the requirements of paragraph (a). A benefit account under this paragraph must not be established effective earlier than the Sunday following the end of the most recent completed calendar quarter in which the requirements of paragraph (a) were met. An applicant must not establish a second benefit account as a result of one loss of employment.
Subd. 3. **Weekly benefit amount; maximum amount of benefits available; prorated amount.** (a) Subject to the maximum weekly benefit amount, an applicant's weekly benefit is calculated by adding the amounts obtained by applying the following percentage to an applicant's average typical workweek and weekly wage during the high quarter of the base period:

1. 90 percent of wages that do not exceed 50 percent of the state's average weekly wage;
2. plus
3. 66 percent of wages that exceed 50 percent of the state's average weekly wage but not 100 percent; plus
4. 55 percent of wages that exceed 100 percent of the state's average weekly wage.

(b) The state's average weekly wage is the average wage as calculated under section 268.035, subdivision 23, at the time a benefit amount is first determined.

(c) The maximum weekly benefit amount is the state's average weekly wage as calculated under section 268.035, subdivision 23.

(d) The state's maximum weekly benefit amount, computed in accordance with section 268.035, subdivision 23, applies to a benefit account established effective on or after the last Sunday in October. Once established, an applicant's weekly benefit amount is not affected by the last Sunday in October change in the state's maximum weekly benefit amount.

(e) For an employee receiving family or medical leave, a weekly benefit amount is prorated when:

1. the employee works hours for wages; or
2. the employee uses paid sick leave, paid vacation leave, or other paid time off that is not considered a supplemental benefit payment as defined in section 268B.01, subdivision 37.

Subd. 4. **Timing of payment.** Except as otherwise provided for in this chapter, benefits must be paid weekly.

Subd. 5. **Maximum length of benefits.** (a) Except as provided in paragraph (b), in a single benefit year, an applicant may receive up to 12 weeks of benefits under this chapter related to the applicant's serious health condition or pregnancy and up to 12 weeks of benefits under this chapter for bonding, safety leave, or family care.

(b) An applicant may receive up to 12 weeks of benefits in a single benefit year for leave related to one or more qualifying exigencies.
Subd. 6. Minimum period for which benefits payable. Except for a claim for benefits for bonding leave, any claim for benefits must be based on a single qualifying event of at least seven calendar days. Benefits may be paid for a minimum duration of eight consecutive hours in a week. If an employee on leave claims eight hours at any point during a week, the minimum duration is satisfied.

Subd. 7. Right of appeal. (a) A determination or amended determination of benefit account is final unless an applicant files an appeal within 20 calendar days after the sending of the determination or amended determination. Every determination or amended determination of benefit account must contain a prominent statement indicating in clear language the consequences of not appealing. Proceedings on the appeal are conducted in accordance with section 268B.08.

(b) Any applicant may appeal from a determination or amended determination of benefit account on the issue of whether services performed constitute employment, whether the employment is covered employment, and whether money paid constitutes wages.

Subd. 8. Limitations on applications and benefit accounts. (a) An application for family or medical leave benefits is effective the Sunday of the calendar week that the application was filed. An application for benefits may be backdated one calendar week before the Sunday of the week the application was actually filed if the applicant requests the backdating within seven calendar days of the date the application is filed. An application may be backdated only if the applicant was eligible for the benefit during the period of the backdating. If an individual attempted to file an application for benefits, but was prevented from filing an application by the department, the application is effective the Sunday of the calendar week the individual first attempted to file an application.

(b) A benefit account established under subdivision 2 is effective the date the application for benefits was effective.

(c) A benefit account, once established, may later be withdrawn if:

(1) the applicant has not been paid any benefits on that benefit account; and

(2) a new application for benefits is filed and a new benefit account is established at the time of the withdrawal.

A benefit account may be withdrawn after the expiration of the benefit year, and the new work requirements of subdivision 2, paragraph (b), do not apply if the applicant was not paid any benefits on the benefit account that is being withdrawn.
A determination or amended determination of eligibility or ineligibility issued under section 268B.07 that was sent before the withdrawal of the benefit account, remains in effect and is not voided by the withdrawal of the benefit account.

Sec. 9. [268B.05] CONTINUED REQUEST FOR BENEFITS.

A continued request for family or medical leave benefits is a certification by an applicant, done on a weekly basis, that the applicant is unable to perform usual work due to a qualifying event and meets the ongoing eligibility requirements for benefits under section 268B.06. A continued request must include information on possible issues of ineligibility.

Sec. 10. [268B.06] ELIGIBILITY REQUIREMENTS; PAYMENTS THAT AFFECT BENEFITS.

Subdivision 1. Eligibility conditions.
(a) An applicant may be eligible to receive family or medical leave benefits for any week if:
(1) the applicant has filed a continued request for benefits for that week under section 268B.05;
(2) the week for which benefits are requested is in the applicant's benefit year;
(3) the applicant was unable to perform regular work due to a serious health condition, a qualifying exigency, safety leave, family care, bonding, pregnancy, or recovery from pregnancy for the period required under subdivision 2;
(4) the applicant has sufficient wage credits from an employer or employers as defined in section 268B.01, subdivision 41, to establish a benefit account under section 268B.04; and
(5) an applicant requesting benefits under this chapter must fulfill certification requirements under subdivision 3.
(b) A self-employed individual or independent contractor who has elected and been approved for coverage under section 268B.11 need not fulfill the requirement of paragraph (a), clause (4).

Subd. 2. Seven-day qualifying event.
(a) The period for which an applicant is seeking benefits must be or have been based on a single event of at least seven calendar days' duration related to pregnancy, recovery from pregnancy, family care, a qualifying exigency, safety leave, or the applicant's serious health condition. The days need not be consecutive.
(b) Benefits related to bonding need not meet the seven-day qualifying event requirement.
(c) The commissioner must use the rulemaking authority under section 268B.02, subdivision 3, to adopt rules regarding what serious health conditions and other events are prospectively presumed to constitute seven-day qualifying events under this chapter.

Subd. 3. Certification. (a) Certification for an applicant taking leave related to the applicant's serious health condition shall be sufficient if the certification states the date on which the serious health condition began, the probable duration of the condition, and the appropriate medical facts within the knowledge of the health care provider as required by the commissioner.

(b) Certification for an applicant taking leave to care for a family member with a serious health condition shall be sufficient if the certification states the date on which the serious health condition commenced, the probable duration of the condition, the appropriate medical facts within the knowledge of the health care provider as required by the commissioner, a statement that the family member requires care, and an estimate of the amount of time that the family member will require care.

(c) Certification for an applicant taking leave related to pregnancy shall be sufficient if the certification states the expected due date and recovery period based on appropriate medical facts within the knowledge of the health care provider.

(d) Certification for an applicant taking bonding leave because of the birth of the applicant's child shall be sufficient if the certification includes either the child's birth certificate or a document issued by the health care provider of the child or the health care provider of the person who gave birth, stating the child's birth date.

(e) Certification for an applicant taking bonding leave because of the placement of a child with the applicant for adoption or foster care shall be sufficient if the applicant provides a document issued by the health care provider of the child, an adoption or foster care agency involved in the placement, or by other individuals as determined by the commissioner that confirms the placement and the date of placement. To the extent that the status of an applicant as an adoptive or foster parent changes while an application for benefits is pending, or while the covered individual is receiving benefits, the applicant must notify the department of such change in status in writing.

(f) Certification for an applicant taking leave because of a qualifying exigency shall be sufficient if the certification includes:

1. a copy of the family member's active-duty orders;
2. other documentation issued by the United States armed forces; or
(3) other documentation permitted by the commissioner.

(g) Certification for an applicant taking safety leave is sufficient if the certification includes a court record or documentation signed by a volunteer or employee of a victim's services organization, an attorney, a police officer, or an antiviolence counselor. The commissioner must not require disclosure of details relating to an applicant's or applicant's family member's domestic abuse, sexual assault, or stalking.

(h) Certifications under paragraphs (a) to (e) must be reviewed and signed by a health care provider with knowledge of the qualifying event associated with the leave.

(i) For a leave taken on an intermittent or reduced-schedule basis, based on a serious health condition of an applicant or applicant's family member, the certification under this subdivision must include an explanation of how such leave would be medically beneficial to the individual with the serious health condition.

Subd. 4. Not eligible. An applicant is ineligible for family or medical leave benefits for any portion of a typical workweek:

(1) that occurs before the effective date of a benefit account;

(2) that the applicant has an outstanding misrepresentation overpayment balance under section 268B.185, subdivision 5, including any penalties and interest;

(3) that the applicant fails or refuses to provide information on an issue of ineligibility required under section 268B.07, subdivision 2; or

(4) for which the applicant worked for pay.

Subd. 5. Vacation, sick leave, and supplemental benefit payments. (a) An applicant is not eligible to receive benefits for any portion of a typical workweek the applicant is receiving, has received, or will receive vacation pay, sick pay, or personal time off pay, also known as "PTO."

(b) Paragraph (a) does not apply:

(1) upon a permanent separation from employment;

(2) to payments from a vacation fund administered by a union or a third party not under the control of the employer; or

(3) to supplemental benefit payments, as defined in section 268B.01, subdivision 37.

(c) Payments under this subdivision are applied to the period immediately following the later of the date of separation from employment or the date the applicant first becomes
Subd. 6. Workers' compensation and disability insurance offset. (a) An applicant is not eligible to receive benefits for any portion of a week in which the applicant is receiving or has received compensation for loss of wages equal to or in excess of the applicant's weekly family or medical leave benefit amount under:

(1) the workers' compensation law of this state;

(2) the workers' compensation law of any other state or similar federal law; or

(3) any insurance or trust fund paid in whole or in part by an employer.

(b) This subdivision does not apply to an applicant who has a claim pending for loss of wages under paragraph (a). If the applicant later receives compensation as a result of the pending claim, the applicant is subject to paragraph (a) and the family or medical leave benefits paid are overpaid benefits under section 268B.185.

(c) If the amount of compensation described under paragraph (a) for any week is less than the applicant's weekly family or medical leave benefit amount, benefits requested for that week are reduced by the amount of that compensation payment.

Subd. 7. Separation, severance, or bonus payments. (a) An applicant is not eligible to receive benefits for any week the applicant is receiving, has received, or will receive separation pay, severance pay, bonus pay, or any other payments paid by an employer because of, upon, or after separation from employment. This subdivision applies if the payment is:

(1) considered wages under section 268B.01, subdivision 43; or

(2) subject to the Federal Insurance Contributions Act (FICA) tax imposed to fund Social Security and Medicare.

(b) Payments under this subdivision are applied to the period immediately following the later of the date of separation from employment or the date the applicant first becomes aware that the employer will be making a payment. The date the payment is actually made or received, or that an applicant must agree to a release of claims, does not affect the application of this paragraph.

(c) This subdivision does not apply to vacation pay, sick pay, personal time off pay, or supplemental benefit payment under subdivision 4.
(d) This subdivision applies to all the weeks of payment.

(e) Under this subdivision, if the payment with respect to a week is equal to or more than the applicant's weekly benefit amount, the applicant is ineligible for benefits for that week. If the payment with respect to a week is less than the applicant's weekly benefit amount, benefits are reduced by the amount of the payment.

Subd. 8. Social Security disability benefits. (a) An applicant who is receiving, has received, or has filed for primary Social Security disability benefits for any week is ineligible for benefits for that week, unless:

(1) the Social Security Administration approved the collecting of primary Social Security disability benefits each month the applicant was employed during the base period; or

(2) the applicant provides a statement from an appropriate health care professional who is aware of the applicant's Social Security disability claim and the basis for that claim, certifying that the applicant is available for suitable employment.

(b) If an applicant meets the requirements of paragraph (a), clause (1) or (2), there is no deduction from the applicant's weekly benefit amount for any Social Security disability benefits.

(c) Information from the Social Security Administration is conclusive, absent specific evidence showing that the information was erroneous.

Sec. 11. [268B.07] DETERMINATION ON ISSUES OF ELIGIBILITY.

Subdivision 1. Employer notification. (a) Upon a determination that an applicant is entitled to benefits, the commissioner must promptly send a notification to each current employer of the applicant, if any, in accordance with paragraph (b).

(b) The notification under paragraph (a) must include, at a minimum:

(1) the name of the applicant;

(2) that the applicant has applied for and received benefits;

(3) the week the benefits commence;

(4) the weekly benefit amount payable; and

(5) the maximum duration of benefits.

Subd. 2. Determination. (a) The commissioner must determine any issue of ineligibility raised by information required from an applicant and send to the applicant and any current
base period employer, by mail or electronic transmission, a document titled a determination of eligibility or a determination of ineligibility, as is appropriate, within two weeks.

(b) If an applicant obtained benefits through misrepresentation, the department is authorized to issue a determination of ineligibility within 48 months of the establishment of the benefit account.

c) If the department has filed an intervention in a worker's compensation matter under section 176.361, the department is authorized to issue a determination of ineligibility within 48 months of the establishment of the benefit account.

d) A determination of eligibility or determination of ineligibility is final unless an appeal is filed by the applicant within 20 calendar days after sending. The determination must contain a prominent statement indicating the consequences of not appealing. Proceedings on the appeal are conducted in accordance with section 268B.08.

e) An issue of ineligibility required to be determined under this section includes any question regarding the denial or allowing of benefits under this chapter.

Subd. 3. Amended determination. Unless an appeal has been filed, the commissioner, on the commissioner's own motion, may reconsider a determination of eligibility or determination of ineligibility that has not become final and issue an amended determination. Any amended determination must be sent to the applicant and any employer in the current base period by mail or electronic transmission. Any amended determination is final unless an appeal is filed by the applicant within 20 calendar days after sending. Proceedings on the appeal are conducted in accordance with section 268B.08.

Subd. 4. Benefit payment. If a determination or amended determination allows benefits to an applicant, the family or medical leave benefits must be paid regardless of any appeal period or any appeal having been filed.

Subd. 5. Overpayment. A determination or amended determination that holds an applicant ineligible for benefits for periods an applicant has been paid benefits is an overpayment of those family or medical leave benefits. A determination or amended determination issued under this section that results in an overpayment of benefits must set out the amount of the overpayment and the requirement that the overpaid benefits must be repaid according to section 268B.185.

Sec. 12. [268B.08] APPEAL PROCESS.

Subdivision 1. Hearing. (a) The commissioner shall designate a chief benefit judge.
(b) Upon a timely appeal to a determination having been filed or upon a referral for
direct hearing, the chief benefit judge must set a time and date for a de novo due-process
hearing and send notice to an applicant and an employer, by mail or electronic transmission,
not less than ten calendar days before the date of the hearing.

(c) The commissioner may adopt rules on procedures for hearings. The rules need not
conform to common law or statutory rules of evidence and other technical rules of procedure.

(d) The chief benefit judge has discretion regarding the method by which the hearing is
conducted.

Subd. 2. Decision. (a) After the conclusion of the hearing, upon the evidence obtained,
the benefit judge must serve by mail or electronic transmission to all parties the decision,
reasons for the decision, and written findings of fact.

(b) Decisions of a benefit judge are not precedential.

Subd. 3. Request for reconsideration. Any party, or the commissioner, may, within
30 calendar days after service of the benefit judge's decision, file a request for reconsideration
asking the judge to reconsider that decision.

Subd. 4. Appeal to court of appeals. Any final determination on a request for
reconsideration may be appealed by any party directly to the Minnesota Court of Appeals.

Subd. 5. Benefit judges. (a) Only employees of the department who are attorneys licensed
to practice law in Minnesota may serve as a chief benefit judge, senior benefit judges who
are supervisors, or benefit judges.

(b) The chief benefit judge must assign a benefit judge to conduct a hearing and may
transfer to another benefit judge any proceedings pending before another benefit judge.

Sec. 13. [268B.085] LEAVE.

Subdivision 1. Right to leave. Ninety calendar days from the date of hire, an employee
has a right to leave from employment for any day, or portion of a day, for which the employee
would be eligible for benefits under this chapter, regardless of whether the employee actually
applied for benefits and regardless of whether the employee is covered under a private plan
or the public program under this chapter.

Subd. 2. Notice to employer. (a) If the need for leave is foreseeable, an employee must
provide the employer at least 30 days' advance notice before leave under this chapter is to
begin. If 30 days' notice is not practicable because of a lack of knowledge of approximately
when leave will be required to begin, a change in circumstances, or a medical emergency,
notice must be given as soon as practicable. Whether leave is to be continuous or to be
taken intermittently or on a reduced-schedule basis, notice need only be given one time, but
the employee must advise the employer as soon as practicable if dates of scheduled leave
change or are extended, or were initially unknown. In those cases where the employee is
required to provide at least 30 days' notice of foreseeable leave and does not do so, the
employee must explain the reasons why notice was not practicable upon request from the
employer.

(b) "As soon as practicable" means as soon as both possible and practical, taking into
account all of the facts and circumstances in the individual case. When an employee becomes
aware of a need for leave under this chapter less than 30 days in advance, it should be
practicable for the employee to provide notice of the need for leave either the same day or
the next day, unless the need for leave is based on a medical emergency. In all cases,
however, the determination of when an employee could practicably provide notice must
take into account the individual facts and circumstances.

(c) An employee shall provide at least verbal notice sufficient to make the employer
aware that the employee needs leave allowed under this chapter and the anticipated timing
and duration of the leave. An employer may require an employee giving notice of leave to
include a certification for the leave as described in section 268B.06, subdivision 3. Such
certification, if required by an employer, is timely when the employee delivers it as soon
as practicable given the circumstances requiring the need for leave, and the required contents
of the certification.

(d) An employer may require an employee to comply with the employer's usual and
customary notice and procedural requirements for requesting leave, absent unusual
circumstances or other circumstances caused by the reason for the employee's need for
leave. Leave under this chapter must not be delayed or denied where an employer's usual
and customary notice or procedural requirements require notice to be given sooner than set
forth in this subdivision.

(e) If an employer has failed to provide notice to the employee as required under section
268B.26, paragraph (a), (b), or (e), the employee is not required to comply with the notice
requirements of this subdivision.

Subd. 3. Bonding leave. Bonding leave taken under this chapter begins at a time requested
by the employee. Bonding leave must begin within 12 months of the birth, adoption, or
placement of a foster child, except that, in the case where the child must remain in the
hospital longer than the mother, the leave must begin within 12 months after the child leaves
the hospital.

Subd. 4. **Intermittent or reduced-leave schedule.** (a) Leave under this chapter, based
on a serious health condition, may be taken intermittently or on a reduced-leave schedule
if such leave would be medically beneficial to the individual with the serious health condition.
For all other leaves under this chapter, leave may be taken intermittently or on a
reduced-leave schedule. Intermittent leave is leave taken in separate blocks of time due to
a single, seven-day qualifying event. A reduced-leave schedule is a leave schedule that
reduces an employee's usual number of working hours per workweek or hours per workday.
(b) Leave taken intermittently or on a reduced-schedule basis counts toward the
maximums described in section 268B.04, subdivision 5.

Sec. 14. **[268B.09] EMPLOYMENT PROTECTIONS.**

Subdivision 1. **Retaliation prohibited.** An employer must not retaliate against an
employee for requesting or obtaining benefits, or for exercising any other right under this
chapter.

Subd. 2. **Interference prohibited.** An employer must not obstruct or impede an
application for leave or benefits or the exercise of any other right under this chapter.

Subd. 3. **Waiver of rights void.** Any agreement to waive, release, or commute rights
to benefits or any other right under this chapter is void.

Subd. 4. **No assignment of benefits.** Any assignment, pledge, or encumbrance of benefits
is void. Benefits are exempt from levy, execution, attachment, or any other remedy provided
for the collection of debt. Any waiver of this subdivision is void.

Subd. 5. **Continued insurance.** During any leave for which an employee is entitled to
benefits under this chapter, the employer must maintain coverage under any group insurance
policy, group subscriber contract, or health care plan for the employee and any dependents
as if the employee was not on leave, provided, however, that the employee must continue
to pay any employee share of the cost of such benefits.

Subd. 6. **Employee right to reinstatement.** (a) On return from leave under this chapter,
an employee is entitled to be returned to the same position the employee held when leave
commenced or to an equivalent position with equivalent benefits, pay, and other terms and
conditions of employment. An employee is entitled to reinstatement even if the employee
has been replaced or the employee's position has been restructured to accommodate the
employee's absence.
(b)(1) An equivalent position is one that is virtually identical to the employee's former position in terms of pay, benefits, and working conditions, including privileges, prerequisites, and status. It must involve the same or substantially similar duties and responsibilities, which must entail substantially equivalent skill, effort, responsibility, and authority.

(2) If an employee is no longer qualified for the position because of the employee's inability to attend a necessary course, renew a license, fly a minimum number of hours, or similar condition, as a result of the leave, the employee must be given a reasonable opportunity to fulfill those conditions upon return from leave.

c)(1) An employee is entitled to any unconditional pay increases which may have occurred during the leave period, such as cost of living increases. Pay increases conditioned upon seniority, length of service, or work performed must be granted in accordance with the employer's policy or practice with respect to other employees on an equivalent leave status for a reason that does not qualify for leave under this chapter. An employee is entitled to be restored to a position with the same or equivalent pay premiums, such as a shift differential. If an employee departed from a position averaging ten hours of overtime, and corresponding overtime pay, each week an employee is ordinarily entitled to such a position on return from leave under this chapter.

(2) Equivalent pay includes any bonus or payment, whether it is discretionary or nondiscretionary, made to employees consistent with clause (1). If a bonus or other payment is based on the achievement of a specified goal such as hours worked, products sold, or perfect attendance, and the employee has not met the goal due to leave under this chapter, the payment may be denied, unless otherwise paid to employees on an equivalent leave status for a reason that does not qualify for leave under this chapter.

d) Benefits under this section include all benefits provided or made available to employees by an employer, including group life insurance, health insurance, disability insurance, sick leave, annual leave, educational benefits, and pensions, regardless of whether benefits are provided by a practice or written policy of an employer through an employee benefit plan as defined in section 3(3) of United States Code, title 29, section 1002(3).

(1) At the end of an employee's leave under this chapter, benefits must be resumed in the same manner and at the same levels as provided when the leave began, and subject to any changes in benefit levels that may have taken place during the period of leave affecting the entire workforce, unless otherwise elected by the employee. Upon return from a leave under this chapter, an employee must not be required to requalify for any benefits the employee enjoyed before leave began, including family or dependent coverages.
(2) An employee may, but is not entitled to, accrue any additional benefits or seniority during a leave under this chapter. Benefits accrued at the time leave began must be available to an employee upon return from leave.

(3) With respect to pension and other retirement plans, leave under this chapter must not be treated as or counted toward a break in service for purposes of vesting and eligibility to participate. If the plan requires an employee to be employed on a specific date in order to be credited with a year of service for vesting, contributions, or participation purposes, an employee on leave under this chapter must be treated as employed on that date. Periods of leave under this chapter need not be treated as credited service for purposes of benefit accrual, vesting, and eligibility to participate.

(4) Employees on leave under this chapter must be treated as if they continued to work for purposes of changes to benefit plans. Employees on leave under this chapter are entitled to changes in benefit plans, except those which may be dependent upon seniority or accrual during the leave period, immediately upon return from leave or to the same extent they would have qualified if no leave had been taken.

(e) An equivalent position must have substantially similar duties, conditions, responsibilities, privileges, and status as the employee's original position.

(1) The employee must be reinstated to the same or a geographically proximate worksite from where the employee had previously been employed. If the employee's original worksite has been closed, the employee is entitled to the same rights as if the employee had not been on leave when the worksite closed.

(2) The employee is ordinarily entitled to return to the same shift or the same or an equivalent work schedule.

(3) The employee must have the same or an equivalent opportunity for bonuses, profit-sharing, and other similar discretionary and nondiscretionary payments.

(4) This chapter does not prohibit an employer from accommodating an employee's request to be restored to a different shift, schedule, or position which better suits the employee's personal needs on return from leave, or to offer a promotion to a better position. However, an employee must not be induced by the employer to accept a different position against the employee's wishes.

(f) The requirement that an employee be restored to the same or equivalent job with the same or equivalent pay, benefits, and terms and conditions of employment does not extend to de minimis, intangible, or unmeasurable aspects of the job.
Subd. 7. **Limitations on an employee's right to reinstatement.** An employee has no greater right to reinstatement or to other benefits and conditions of employment than if the employee had been continuously employed during the period of leave under this chapter. An employer must be able to show that an employee would not otherwise have been employed at the time reinstatement is requested in order to deny restoration to employment.

(1) If an employee is laid off during the course of taking a leave under this chapter and employment is terminated, the employer's responsibility to continue the leave, maintain group health plan benefits, and restore the employee cease at the time the employee is laid off, provided the employer has no continuing obligations under a collective bargaining agreement or otherwise. An employer would have the burden of proving that an employee would have been laid off during the period of leave under this chapter and, therefore, would not be entitled to restoration. Restoration to a job slated for layoff when the employee's original position would not meet the requirements of an equivalent position.

(2) If a shift has been eliminated or overtime has been decreased, an employee would not be entitled to return to work that shift or the original overtime hours upon restoration. However, if a position on, for example, a night shift has been filled by another employee, the employee is entitled to return to the same shift on which employed before taking leave under this chapter.

(3) If an employee was hired for a specific term or only to perform work on a discrete project, the employer has no obligation to restore the employee if the employment term or project is over and the employer would not otherwise have continued to employ the employee.

Subd. 8. **Remedies.** (a) In addition to any other remedies available to an employee in law or equity, an employer who violates the provisions of this section is liable to any employee affected for:

(1) damages equal to the amount of:

(i) any wages, salary, employment benefits, or other compensation denied or lost to such employee by reason of the violation, or, in cases in which wages, salary, employment benefits, or other compensation have not been denied or lost to the employee, any actual monetary losses sustained by the employee as a direct result of the violation; and

(ii) reasonable interest on the amount described in item (i); and

(2) such equitable relief as may be appropriate, including employment, reinstatement, and promotion.
(b) An action to recover damages or equitable relief prescribed in paragraph (a) may be
maintained against any employer in any federal or state court of competent jurisdiction by
any one or more employees for and on behalf of:

(1) the employees; or

(2) the employees and other employees similarly situated.

(c) The court in an action under this section must, in addition to any judgment awarded
to the plaintiff or plaintiffs, allow reasonable attorney fees, reasonable expert witness fees,
and other costs of the action to be paid by the defendant.

(d) Nothing in this section shall be construed to allow an employee to recover damages
from an employer for the denial of benefits under this chapter by the department, unless the
employer unlawfully interfered with the application for benefits under subdivision 2.

Sec. 15. [268B.10] SUBSTITUTION OF A PRIVATE PLAN.

Subdivision 1. Application for substitution. Employers may apply to the commissioner
for approval to meet their obligations under this chapter through the substitution of a private
plan that provides paid family, paid medical, or paid family and medical benefits. In order
to be approved as meeting an employer's obligations under this chapter, a private plan must
confer all of the same rights, protections, and benefits provided to employees under this
chapter, including but not limited to benefits under section 268B.04 and employment
protections under section 268B.09. An employee covered by a private plan under this section
retains all applicable rights and remedies under section 268B.09.

Subd. 2. Private plan requirements; medical benefit program. (a) The commissioner
must approve an application for private provision of the medical benefit program if the
commissioner determines:

(1) all of the employees of the employer are to be covered under the provisions of the
employer plan;

(2) eligibility requirements for benefits and leave are no more restrictive than as provided
under this chapter;

(3) the weekly benefits payable under the private plan for any week are at least equal to
the weekly benefit amount payable under this chapter, taking into consideration any coverage
with respect to concurrent employment by another employer;
(4) the total number of weeks for which benefits are payable under the private plan is at least equal to the total number of weeks for which benefits would have been payable under this chapter;

(5) no greater amount is required to be paid by employees toward the cost of benefits under the employer plan than by this chapter;

(6) wage replacement benefits are stated in the plan separately and distinctly from other benefits;

(7) the private plan will provide benefits and leave for any serious health condition or pregnancy for which benefits are payable, and leave provided, under this chapter;

(8) the private plan will impose no additional condition or restriction on the use of medical benefits beyond those explicitly authorized by this chapter or regulations promulgated pursuant to this chapter;

(9) the private plan will allow any employee covered under the private plan who is eligible to receive medical benefits under this chapter to receive medical benefits under the employer plan; and

(10) coverage will continue under the private plan while an employee remains employed by the employer.

(b) Notwithstanding paragraph (a), a private plan may provide shorter durations of leave and benefit eligibility if the total dollar value of wage replacement benefits under the private plan for an employee for any particular qualifying event meets or exceeds what the total dollar value would be under the public family and medical benefit program.

Subd. 3. Private plan requirements; family benefit program. (a) The commissioner must approve an application for private provision of the family benefit program if the commissioner determines:

(1) all of the employees of the employer are to be covered under the provisions of the employer plan;

(2) eligibility requirements for benefits and leave are no more restrictive than as provided under this chapter;

(3) the weekly benefits payable under the private plan for any week are at least equal to the weekly benefit amount payable under this chapter, taking into consideration any coverage with respect to concurrent employment by another employer;
(4) the total number of weeks for which benefits are payable under the private plan is at least equal to the total number of weeks for which benefits would have been payable under this chapter;

(5) no greater amount is required to be paid by employees toward the cost of benefits under the employer plan than by this chapter;

(6) wage replacement benefits are stated in the plan separately and distinctly from other benefits;

(7) the private plan will provide benefits and leave for any care for a family member with a serious health condition, bonding with a child, qualifying exigency, or safety leave event for which benefits are payable, and leave provided, under this chapter;

(8) the private plan will impose no additional condition or restriction on the use of family benefits beyond those explicitly authorized by this chapter or regulations promulgated pursuant to this chapter;

(9) the private plan will allow any employee covered under the private plan who is eligible to receive medical benefits under this chapter to receive medical benefits under the employer plan; and

(10) coverage will continue under the private plan while an employee remains employed by the employer.

(b) Notwithstanding paragraph (a), a private plan may provide shorter durations of leave and benefit eligibility if the total dollar value of wage replacement benefits under the private plan for an employee for any particular qualifying event meets or exceeds what the total dollar value would be under the public family and medical benefit program.

Subd. 4. Use of private insurance products. Nothing in this section prohibits an employer from meeting the requirements of a private plan through a private insurance product. If the employer plan involves a private insurance product, that insurance product must conform to any applicable law or rule.

Subd. 5. Private plan approval and oversight fee. An employer with an approved private plan is not required to pay premiums established under section 268B.14. An employer with an approved private plan is responsible for a private plan approval and oversight fee equal to $250 for employers with fewer than 50 employees, $500 for employers with 50 to 499 employees, and $1,000 for employers with 500 or more employees. The employer must pay this fee (1) upon initial application for private plan approval, and (2) any time the employer applies to amend the private plan. The commissioner must review and report on
the adequacy of this fee to cover private plan administrative costs annually beginning October 1, 2022, as part of the annual report established in section 268B.21.

Subd. 6. Plan duration. A private plan under this section must be in effect for a period of at least one year and, thereafter, continuously unless the commissioner finds that the employer has given notice of withdrawal from the plan in a manner specified by the commissioner in this section or rule. The plan may be withdrawn by the employer within 30 days of the effective date of any law increasing the benefit amounts or within 30 days of the date of any change in the rate of premiums. If the plan is not withdrawn, it must be amended to conform to provide the increased benefit amount or change in the rate of the employee's premium on the date of the increase or change.

Subd. 7. Appeals. An employer may appeal any adverse action regarding that employer's private plan to the commissioner, in a manner specified by the commissioner.

Subd. 8. Employees no longer covered. (a) An employee is no longer covered by an approved private plan if a leave under this chapter occurs after the employment relationship with the private plan employer ends, or if the commissioner revokes the approval of the private plan.

(b) An employee no longer covered by an approved private plan is, if otherwise eligible, immediately entitled to benefits under this chapter to the same extent as though there had been no approval of the private plan.

Subd. 9. Posting of notice regarding private plan. An employer with a private plan must provide a notice prepared by or approved by the commissioner regarding the private plan consistent with section 268B.26.

Subd. 10. Amendment. (a) The commissioner must approve any amendment to a private plan adjusting the provisions thereof, if the commissioner determines:

(1) that the plan, as amended, will conform to the standards set forth in this chapter; and

(2) that notice of the amendment has been delivered to all affected employees at least ten days before the submission of the amendment.

(b) Any amendments approved under this subdivision are effective on the date of the commissioner's approval, unless the commissioner and the employer agree on a later date.

Subd. 11. Successor employer. A private plan in effect at the time a successor acquires the employer organization, trade, or business, or substantially all the assets thereof, or a distinct and severable portion of the organization, trade, or business, and continues its operation without substantial reduction of personnel resulting from the acquisition, must...
continue the approved private plan and must not withdraw the plan without a specific request
for withdrawal in a manner and at a time specified by the commissioner. A successor may
terminate a private plan with notice to the commissioner and within 90 days from the date
of the acquisition.

Subd. 12. Revocation of approval by commissioner. (a) The commissioner may
terminate any private plan if the commissioner determines the employer:

(1) failed to pay benefits;

(2) failed to pay benefits in a timely manner, consistent with the requirements of this
chapter;

(3) failed to submit reports as required by this chapter or rule adopted under this chapter;
or

(4) otherwise failed to comply with this chapter or rule adopted under this chapter.

(b) The commissioner must give notice of the intention to terminate a plan to the employer
at least ten days before taking any final action. The notice must state the effective date and
the reason for the termination.

(c) The employer may, within ten days from mailing or personal service of the notice,
file an appeal to the commissioner in the time, manner, method, and procedure provided by
the commissioner under subdivision 7.

(d) The payment of benefits must not be delayed during an employer’s appeal of the
revocation of approval of a private plan.

(e) If the commissioner revokes approval of an employer’s private plan, that employer
is ineligible to apply for approval of another private plan for a period of three years, beginning
on the date of revocation.

Subd. 13. Employer penalties. (a) The commissioner may assess the following monetary
penalties against an employer with an approved private plan found to have violated this
chapter:

(1) $1,000 for the first violation; and

(2) $2,000 for the second, and each successive violation.

(b) The commissioner must waive collection of any penalty if the employer corrects the
violation within 30 days of receiving a notice of the violation and the notice is for a first
violation.
(c) The commissioner may waive collection of any penalty if the commissioner determines
the violation to be an inadvertent error by the employer.

(d) Monetary penalties collected under this section shall be deposited in the family and
medical benefit insurance account.

(e) Assessment of penalties under this subdivision may be appealed as provided by the
commissioner under subdivision 7.

Subd. 14. Reports, information, and records. Employers with an approved private
plan must maintain all reports, information, and records as relating to the private plan and
claims for a period of six years from creation and provide to the commissioner upon request.

Subd. 15. Audit and investigation. The commissioner may investigate and audit plans
approved under this section both before and after the plans are approved.

Sec. 16. [268B.11] SELF-EMPLOYED AND INDEPENDENT CONTRACTOR
ELECTION OF COVERAGE.

Subdivision 1. Election of coverage. (a) A self-employed individual or independent
contractor may file with the commissioner by electronic transmission in a format prescribed
by the commissioner an application to be entitled to benefits under this chapter for a period
not less than 104 consecutive calendar weeks. Upon the approval of the commissioner, sent
by United States mail or electronic transmission, the individual is entitled to benefits under
this chapter beginning the calendar quarter after the date of approval or beginning in a later
calendar quarter if requested by the self-employed individual or independent contractor.
The individual ceases to be entitled to benefits as of the first day of January of any calendar
year only if, at least 30 calendar days before the first day of January, the individual has filed
with the commissioner by electronic transmission in a format prescribed by the commissioner
a notice to that effect.

(b) The commissioner may terminate any application approved under this section with
30 calendar days' notice sent by United States mail or electronic transmission if the
self-employed individual is delinquent on any premiums due under this chapter. If an
approved application is terminated in this manner during the first 104 consecutive calendar
weeks of election, the self-employed individual remains obligated to pay the premium under
subdivision 3 for the remainder of that 104-week period.

Subd. 2. Application. A self-employed individual who applies for coverage under this
section must provide the commissioner with (1) the amount of the individual's net earnings
from self-employment, if any, from the two most recent taxable years and all tax documents
necessary to prove the accuracy of the amounts reported, and (2) any other documentation
the commissioner requires. A self-employed individual who is covered under this chapter
must annually provide the commissioner with the amount of the individual's net earnings
from self-employment within 30 days of filing a federal income tax return.

Subd. 3. **Premium.** A self-employed individual who elects to receive coverage under
this chapter must annually pay a premium equal to one-half the percentage in section
268B.14, subdivision 5, clause (1), times the lesser of:

1. the individual's self-employment premium base; or
2. the maximum earnings subject to the FICA Old-Age, Survivors, and Disability
   Insurance tax.

Subd. 4. **Benefits.** Notwithstanding anything to the contrary, a self-employed individual
who has applied to and been approved for coverage by the commissioner under this section
is entitled to benefits on the same basis as an employee under this chapter, except that a
self-employed individual's weekly benefit amount under section 268B.04, subdivision 1,
must be calculated as a percentage of the self-employed individual's self-employment
premium base, rather than wages.

Sec. 17. [268B.12] WAGE REPORTING.

Subdivision 1. **Wage detail report.** (a) Each employer must submit, under the employer
premium account described in section 268B.13, a quarterly wage detail report by electronic
transmission, in a format prescribed by the commissioner. The report must include for each
employee in covered employment during the calendar quarter, the employee's name, Social
Security number, the total wages paid to the employee, and total number of paid hours
worked. For employees exempt from the definition of employee in section 177.23,
subdivision 7, clause (6), the employer must report 40 hours worked for each week any
duties were performed by a full-time employee and must report a reasonable estimate of
the hours worked for each week duties were performed by a part-time employee. In addition,
the wage detail report must include the number of employees employed during the payroll
period that includes the 12th day of each calendar month and, if required by the
commissioner, the report must be broken down by business location and separate business
unit. The report is due and must be received by the commissioner on or before the last day
of the month following the end of the calendar quarter. The commissioner may delay the
due date on a specific calendar quarter in the event the department is unable to accept wage
detail reports electronically.
(b) The employer may report the wages paid to the next lower whole dollar amount.

(c) An employer need not include the name of the employee or other required information on the wage detail report if disclosure is specifically exempted from being reported by federal law.

(d) A wage detail report must be submitted for each calendar quarter even though no wages were paid, unless the business has been terminated.

Subd. 2. Electronic transmission of report required. Each employer must submit the quarterly wage detail report by electronic transmission in a format prescribed by the commissioner. The commissioner has the discretion to accept wage detail reports that are submitted by any other means or the commissioner may return the report submitted by other than electronic transmission to the employer, and reports returned are considered as not submitted and the late fees under subdivision 3 may be imposed.

Subd. 3. Failure to timely file report; late fees. (a) Any employer that fails to submit the quarterly wage detail report when due must pay a late fee of $10 per employee, computed based upon the highest of:

(1) the number of employees reported on the last wage detail report submitted;

(2) the number of employees reported in the corresponding quarter of the prior calendar year; or

(3) if no wage detail report has ever been submitted, the number of employees listed at the time of employer registration.

The late fee is canceled if the wage detail report is received within 30 calendar days after a demand for the report is sent to the employer by mail or electronic transmission. A late fee assessed an employer may not be canceled more than twice each 12 months. The amount of the late fee assessed may not be less than $250.

(b) If the wage detail report is not received in a manner and format prescribed by the commissioner within 30 calendar days after demand is sent under paragraph (a), the late fee assessed under paragraph (a) doubles and a renewed demand notice and notice of the increased late fee will be sent to the employer by mail or electronic transmission.

(c) Late fees due under this subdivision may be canceled, in whole or in part, under section 268B.16.

Subd. 4. Missing or erroneous information. (a) Any employer that submits the wage detail report, but fails to include all required employee information or enters erroneous
information, is subject to an administrative service fee of $25 for each employee for whom
the information is partially missing or erroneous.

(b) Any employer that submits the wage detail report, but fails to include an employee,
is subject to an administrative service fee equal to two percent of the total wages for each
employee for whom the information is completely missing.

Subd. 5. Fees. The fees provided for in subdivisions 3 and 4 are in addition to interest
and other penalties imposed by this chapter and are collected in the same manner as
delinquent taxes and credited to the family and medical benefit insurance account.

Sec. 18. [268B.13] EMPLOYER PREMIUM ACCOUNTS.

The commissioner must maintain a premium account for each employer. The
commissioner must assess the premium account for all the premiums due under section
268B.14, and credit the family and medical benefit insurance account with all premiums
paid.

Sec. 19. [268B.14] PREMIUMS.

Subdivision 1. Payments. (a) Family and medical leave premiums accrue and become
payable by each employer for each calendar year on the taxable wages that the employer
paid to employees in covered employment.

Each employer must pay premiums quarterly, at the premium rate defined under this
section, on the taxable wages paid to each employee. The commissioner must compute the
premium due from the wage detail report required under section 268B.12 and notify the
employer of the premium due. The premiums must be paid to the family and medical benefit
insurance account and must be received by the department on or before the last day of the
month following the end of the calendar quarter.

(b) If for any reason the wages on the wage detail report under section 268B.12 are
adjusted for any quarter, the commissioner must recompute the premiums due for that quarter
and assess the employer for any amount due or credit the employer as appropriate.

Subd. 2. Payments by electronic payment required. (a) Every employer must make
any payments due under this chapter by electronic payment.

(b) All third-party processors, paying on behalf of a client company, must make any
payments due under this chapter by electronic payment.
(c) Regardless of paragraph (a) or (b), the commissioner has the discretion to accept payment by other means.

**Subd. 3. Employee charge back.** Notwithstanding section 177.24, subdivision 4, or 181.06, subdivision 1, employers and covered business entities may deduct up to 50 percent of annual premiums paid under this section from employee wages. Such deductions for any given employee must be in equal proportion to the premiums paid based on the wages of that employee, and all employees of an employer must be subject to the same percentage deduction. Deductions under this section must not cause an employee's wage, after the deduction, to fall below the rate required to be paid to the worker by law, including any applicable statute, regulation, rule, ordinance, government resolution or policy, contract, or other legal authority, whichever rate of pay is greater.

**Subd. 4. Wages and payments subject to premium.** The maximum wages subject to premium in a calendar year is equal to the maximum earnings in that year subject to the FICA Old-Age, Survivors, and Disability Insurance tax.

**Subd. 5. Annual premium rates.** The employer premium rates for the calendar year beginning January 1, 2023, shall be as follows:

1. for employers participating in both family and medical benefit programs, 0.6 percent;
2. for an employer participating in only the medical benefit program and with an approved private plan for the family benefit program, 0.486 percent; and
3. for an employer participating in only the family benefit program and with an approved private plan for the medical benefit program, 0.114 percent.

**Subd. 6. Premium rate adjustments.** (a) Beginning January 1, 2026, and each calendar year thereafter, the commissioner must adjust the annual premium rates using the formula in paragraph (b).

(b) To calculate the employer rates for a calendar year, the commissioner must:

1. multiply 1.45 times the amount disbursed from the family and medical benefit insurance account for the 52-week period ending September 30 of the prior year;
2. subtract the amount in the family and medical benefit insurance account on that September 30 from the resulting figure;
3. divide the resulting figure by twice the total wages in covered employment of employees of employers without approved private plans under section 268B.10 for either the family or medical benefit program. For employers with an approved private plan for
either the medical benefit program or the family benefit program, but not both, count only
the proportion of wages in covered employment associated with the program for which the
employer does not have an approved private plan; and
(4) round the resulting figure down to the nearest one-hundredth of one percent.
(c) The commissioner must apportion the premium rate between the family and medical
benefit programs based on the relative proportion of expenditures for each program during
the preceding year.
Subd. 7. Deposit of premiums. All premiums collected under this section must be
deposited into the family and medical benefit insurance account.
Subd. 8. Nonpayment of premiums by employer. The failure of an employer to pay
premiums does not impact the right of an employee to benefits, or any other right, under
this chapter.
Sec. 20. [268B.145] INCOME TAX WITHHOLDING.
If the Internal Revenue Service determines that benefits are subject to federal income
tax, and an applicant elects to have federal income tax deducted and withheld from the
applicant's benefits, the commissioner must deduct and withhold the amount specified in
the Internal Revenue Code in a manner consistent with state law.
Sec. 21. [268B.15] COLLECTION OF PREMIUMS.
Subdivision 1. Amount computed presumed correct. Any amount due from an
employer, as computed by the commissioner, is presumed to be correctly determined and
assessed, and the burden is upon the employer to show its incorrectness. A statement by the
commissioner of the amount due is admissible in evidence in any court or administrative
proceeding and is prima facie evidence of the facts in the statement.
Subd. 2. Priority of payments. (a) Any payment received from an employer must be
applied in the following order:
(1) family and medical leave premiums under this chapter; then
(2) interest on past due premiums; then
(3) penalties, late fees, administrative service fees, and costs.
(b) Paragraph (a) is the priority used for all payments received from an employer,
regardless of how the employer may designate the payment to be applied, except when:
(1) there is an outstanding lien and the employer designates that the payment made
should be applied to satisfy the lien;

(2) the payment is specifically designated by the employer to be applied to an outstanding
overpayment of benefits of an applicant;

(3) a court or administrative order directs that the payment be applied to a specific
obligation;

(4) a preexisting payment plan provides for the application of payment; or

(5) the commissioner, under the compromise authority of section 268B.16, agrees to
apply the payment to a different priority.

Subd. 3. Estimating the premium due. Only if an employer fails to make all necessary
records available for an audit under section 268B.21 and the commissioner has reason to
believe the employer has not reported all the required wages on the quarterly wage detail
reports, may the commissioner then estimate the amount of premium due and assess the
employer the estimated amount due.

Subd. 4. Costs. (a) Any employer and any applicant subject to section 268B.185,
subdivision 2, that fails to pay any amount when due under this chapter is liable for any
filing fees, recording fees, sheriff fees, costs incurred by referral to any public or private
collection agency, or litigation costs, including attorney fees, incurred in the collection of
the amounts due.

(b) If any tendered payment of any amount due is not honored when presented to a
financial institution for payment, any costs assessed the department by the financial institution
and a fee of $25 must be assessed to the person.

(c) Costs and fees collected under this subdivision are credited to the enforcement account
under section 268B.185, subdivision 3.

Subd. 5. Interest on amounts past due. If any amounts due from an employer under
this chapter are not received on the date due, the commissioner must assess interest on any
amount that remains unpaid. Interest is assessed at the rate of one percent per month or any
part of a month. Interest is not assessed on unpaid interest. Interest collected under this
subdivision is credited to the enforcement account under section 268B.185, subdivision 3.

Subd. 6. Interest on judgments. Regardless of section 549.09, if a judgment is entered
upon any past due amounts from an employer under this chapter, the unpaid judgment bears
interest at the rate specified in subdivision 5 until the date of payment.
Subd. 7. Credit adjustments; refunds. (a) If an employer makes an application for a credit adjustment of any amount paid under this chapter within four years of the date that the payment was due, in a manner and format prescribed by the commissioner, and the commissioner determines that the payment or any portion thereof was erroneous, the commissioner must make an adjustment and issue a credit without interest. If a credit cannot be used, the commissioner must refund, without interest, the amount erroneously paid. The commissioner, on the commissioner's own motion, may make a credit adjustment or refund under this subdivision.

(b) Any refund returned to the commissioner is considered unclaimed property under chapter 345.

(c) If a credit adjustment or refund is denied in whole or in part, a determination of denial must be sent to the employer by mail or electronic transmission. The determination of denial is final unless an employer files an appeal within 20 calendar days after sending. Proceedings on the appeal are conducted in accordance with section 268B.08.

(d) If an employer receives a credit adjustment or refund under this section, the employer must determine the amount of any overpayment attributable to a deduction from employee wages under section 268B.14, subdivision 3, and return any amount erroneously deducted to each affected employee.

Subd. 8. Priorities under legal dissolutions or distributions. In the event of any distribution of an employer's assets according to an order of any court, including any receivership, assignment for benefit of creditors, adjudicated insolvency, or similar proceeding, premiums then or thereafter due must be paid in full before all other claims except claims for wages of not more than $1,000 per former employee, earned within six months of the commencement of the proceedings. In the event of an employer's adjudication in bankruptcy under federal law, premiums then or thereafter due are entitled to the priority provided in that law for taxes due in any state.

Sec. 22. [268B.155] CHILD SUPPORT DEDUCTION FROM BENEFITS.

Subdivision 1. Definitions. As used in this section:

(1) "child support agency" means the public agency responsible for child support enforcement, including federally approved comprehensive Tribal IV-D programs; and

(2) "child support obligations" means obligations that are being enforced by a child support agency in accordance with a plan described in United States Code, title 42, sections 454 and 455 of the Social Security Act that has been approved by the secretary of health.
and human services under part D of title IV of the Social Security Act. This does not include
any type of spousal maintenance or foster care payments.

Subd. 2. Notice upon application. In an application for family or medical leave benefits,
the applicant must disclose if child support obligations are owed and, if so, in what state
and county. If child support obligations are owed, the commissioner must, if the applicant
establishes a benefit account, notify the child support agency.

Subd. 3. Withholding of benefit. The commissioner must deduct and withhold from
any family or medical leave benefits payable to an applicant who owes child support
obligations:

(1) the amount required under a proper order of a court or administrative agency; or

(2) if clause (1) is not applicable, the amount determined under an agreement under
United States Code, title 42, section 454 (20)(B)(i), of the Social Security Act; or

(3) if clause (1) or (2) is not applicable, the amount specified by the applicant.

Subd. 4. Payment. Any amount deducted and withheld must be paid to the child support
agency, must for all purposes be treated as if it were paid to the applicant as family or
medical leave benefits and paid by the applicant to the child support agency in satisfaction
of the applicant's child support obligations.

Subd. 5. Payment of costs. The child support agency must pay the costs incurred by
the commissioner in the implementation and administration of this section and sections
518A.50 and 518A.53.

Sec. 23. [268B.16] COMPROMISE.

(a) The commissioner may compromise in whole or in part any action, determination,
or decision that affects only an employer and not an applicant. This paragraph applies if it
is determined by a court of law, or a confession of judgment, that an applicant, while
employed, wrongfully took from the employer $500 or more in money or property.

(b) The commissioner may at any time compromise any premium or reimbursement due
from an employer under this chapter.

(c) Any compromise involving an amount over $10,000 must be authorized by an attorney
licensed to practice law in Minnesota who is an employee of the department designated by
the commissioner for that purpose.

(d) Any compromise must be in the best interest of the state of Minnesota.
Sec. 24. [268B.17] ADMINISTRATIVE COSTS.

From July 1, 2023, through December 31, 2023, the commissioner may spend up to seven percent of premiums collected under section 268B.15 for administration of this chapter. Beginning January 1, 2024, and each calendar year thereafter, the commissioner may spend up to seven percent of projected benefit payments for that calendar year for the administration of this chapter. The department may enter into interagency agreements with the Department of Labor and Industry, including agreements to transfer funds, subject to the limit in this section, for the Department of Labor and Industry to fulfill its enforcement authority of this chapter.

Sec. 25. [268B.18] PUBLIC OUTREACH.

Beginning in fiscal year 2023, the commissioner must use at least 0.5 percent of revenue collected under this chapter for the purpose of outreach, education, and technical assistance for employees, employers, and self-employed individuals eligible to elect coverage under section 268B.11. The department may enter into interagency agreements with the Department of Labor and Industry, including agreements to transfer funds, subject to the limit in section 268B.17, to accomplish the requirements of this section. At least one-half of the amount spent under this section must be used for grants to community-based groups.

Sec. 26. [268B.185] BENEFIT OVERPAYMENTS.

Subdivision 1. Repaying an overpayment. (a) Any applicant who (1) because of a determination or amended determination issued under this chapter, or (2) because of a benefit law judge's decision under section 268B.08, has received any family or medical leave benefits that the applicant was held not entitled to, is overpaid the benefits and must promptly repay the benefits to the family and medical benefit insurance account.

(b) If the applicant fails to repay the benefits overpaid, including any penalty and interest assessed under subdivisions 2 and 4, the total due may be collected by the methods allowed under state and federal law.

Subd. 2. Overpayment because of misrepresentation. (a) An applicant has committed misrepresentation if the applicant is overpaid benefits by making a false statement or representation without a good faith belief as to the correctness of the statement or representation.
(b) After the discovery of facts indicating misrepresentation, the commissioner must issue a determination of overpayment penalty assessing a penalty equal to 20 percent of the amount overpaid. This penalty is in addition to penalties under section 268B.19.

(c) Unless the applicant files an appeal within 20 calendar days after the sending of a determination of overpayment penalty to the applicant by mail or electronic transmission, the determination is final. Proceedings on the appeal are conducted in accordance with section 268B.08.

(d) A determination of overpayment penalty must state the methods of collection the commissioner may use to recover the overpayment, penalty, and interest assessed. Money received in repayment of overpaid benefits, penalties, and interest is first applied to the benefits overpaid, second to the penalty amount due, and third to any interest due.

(e) The department is authorized to issue a determination of overpayment penalty under this subdivision within 48 months of the establishment of the benefit account upon which the benefits were obtained through misrepresentation.

Subd. 3. **Family and medical benefit insurance enforcement account created.** The family and medical benefit insurance enforcement account is created in the state treasury. Any penalties and interest collected under this section shall be deposited into the account under this subdivision and shall be used only for the purposes of administering and enforcing this chapter. Only the commissioner may authorize expenditures from the account under this subdivision.

Subd. 4. **Interest.** For any family and medical leave benefits obtained by misrepresentation, and any penalty amounts assessed under subdivision 2, the commissioner must assess interest on any amount that remains unpaid beginning 30 calendar days after the date of a determination of overpayment penalty. Interest is assessed at the rate of one percent per month or any part of a month. A determination of overpayment penalty must state that interest will be assessed. Interest is not assessed on unpaid interest. Interest collected under this subdivision is credited to the family and medical benefit insurance enforcement account.

Subd. 5. **Offset of benefits.** The commissioner may offset from any future family and medical leave benefits otherwise payable the amount of a nonmisrepresentation overpayment. Except when the nonmisrepresentation overpayment resulted because the applicant failed to report deductible earnings or deductible or benefit delaying payments, no single offset may exceed 50 percent of the amount of the payment from which the offset is made.
Subd. 6. Cancellation of overpayments. (a) If family and medical leave benefits overpaid for reasons other than misrepresentation are not repaid or offset from subsequent benefits within six years after the date of the determination or decision holding the applicant overpaid, the commissioner must cancel the overpayment balance, and no administrative or legal proceedings may be used to enforce collection of those amounts.

(b) If family and medical leave benefits overpaid because of misrepresentation including penalties and interest are not repaid within ten years after the date of the determination of overpayment penalty, the commissioner must cancel the overpayment balance and any penalties and interest due, and no administrative or legal proceeding may be used to enforce collection of those amounts.

(c) The commissioner may cancel at any time any overpayment, including penalties and interest that the commissioner determines is uncollectible because of death or bankruptcy.

Subd. 7. Court fees; collection fees. (a) If the department is required to pay any court fees in an attempt to enforce collection of overpaid family and medical leave benefits, penalties, or interest, the amount of the court fees may be added to the total amount due.

(b) If an applicant who has been overpaid family and medical leave benefits because of misrepresentation seeks to have any portion of the debt discharged under the federal bankruptcy code, and the department files an objection in bankruptcy court to the discharge, the cost of any court fees may be added to the debt if the bankruptcy court does not discharge the debt.

(c) If the Internal Revenue Service assesses the department a fee for offsetting from a federal tax refund the amount of any overpayment, including penalties and interest, the amount of the fee may be added to the total amount due. The offset amount must be put in the family and medical benefit insurance enforcement account and that amount credited to the total amount due from the applicant.

Subd. 8. Collection of overpayments. (a) The commissioner has discretion regarding the recovery of any overpayment for reasons other than misrepresentation. Regardless of any law to the contrary, the commissioner is not required to refer any overpayment for reasons other than misrepresentation to a public or private collection agency, including agencies of this state.

(b) Amounts overpaid for reasons other than misrepresentation are not considered a "debt" to the state of Minnesota for purposes of any reporting requirements to the commissioner of management and budget.
83.1 (c) A pending appeal under section 268B.08 does not suspend the assessment of interest, penalties, or collection of an overpayment.

83.3 (d) Section 16A.626 applies to the repayment by an applicant of any overpayment, penalty, or interest.

Sec. 27. [268B.19] APPLICANT ADMINISTRATIVE PENALTIES.

83.5 Sec. 27. [268B.19] APPLICANT ADMINISTRATIVE PENALTIES.

83.6 (a) Any applicant who makes a false statement or representation without a good faith belief as to the correctness of the statement or representation in order to obtain or in an attempt to obtain benefits may be assessed, in addition to any other penalties, an administrative penalty of being ineligible for benefits for 13 to 104 weeks.

83.9 (b) A determination of ineligibility setting out the weeks the applicant is ineligible must be sent to the applicant by mail or electronic transmission. The department is authorized to issue a determination of ineligibility under this subdivision within 48 months of the establishment of the benefit account upon which the benefits were obtained, or attempted to be obtained. Unless an appeal is filed within 20 calendar days of sending, the determination is final. Proceedings on the appeal are conducted in accordance with section 268B.08.

Sec. 28. [268B.20] EMPLOYER MISCONDUCT; PENALTY.

83.17 (a) The commissioner must penalize an employer if that employer or any employee, officer, or agent of that employer is in collusion with any applicant for the purpose of assisting the applicant in receiving benefits fraudulently. The penalty is $500 or the amount of benefits determined to be overpaid, whichever is greater.

83.20 (b) The commissioner must penalize an employer if that employer or any employee, officer, or agent of that employer:

83.23 (1) made a false statement or representation knowing it to be false;

83.24 (2) made a false statement or representation without a good-faith belief as to the correctness of the statement or representation; or

83.26 (3) knowingly failed to disclose a material fact.

83.27 (c) The penalty is the greater of $500 or 50 percent of the following resulting from the employer's action:

83.29 (1) the amount of any overpaid benefits to an applicant;

83.30 (2) the amount of benefits not paid to an applicant that would otherwise have been paid; or
(3) the amount of any payment required from the employer under this chapter that was not paid.

(d) Penalties must be paid within 30 calendar days of issuance of the determination of penalty and credited to the family and medical benefit insurance account.

(e) The determination of penalty is final unless the employer files an appeal within 30 calendar days after the sending of the determination of penalty to the employer by United States mail or electronic transmission.

Sec. 29. [268B.21] RECORDS; AUDITS.

Subdivision 1. Employer records; audits. (a) Each employer must keep true and accurate records on individuals performing services for the employer, containing the information the commissioner may require under this chapter. The records must be kept for a period of not less than four years in addition to the current calendar year.

(b) For the purpose of administering this chapter, the commissioner has the power to audit, examine, or cause to be supplied or copied, any books, correspondence, papers, records, or memoranda that are the property of, or in the possession of, an employer or any other person at any reasonable time and as often as may be necessary. Subpoenas may be issued under section 268B.22 as necessary, for an audit.

(c) An employer or other person that refuses to allow an audit of its records by the department or that fails to make all necessary records available for audit in the state upon request of the commissioner may be assessed an administrative penalty of $500. The penalty collected is credited to the family and medical benefit insurance account.

(d) An employer, or other person, that fails to provide a weekly breakdown of money earned by an applicant upon request of the commissioner, information necessary for the detection of applicant misrepresentation under section 268B.185, subdivision 2, may be assessed an administrative penalty of $100. Any notice requesting a weekly breakdown must clearly state that a $100 penalty may be assessed for failure to provide the information. The penalty collected is credited to the family and medical benefit insurance account.

Subd. 2. Department records; destruction. (a) The commissioner may make summaries, compilations, duplications, or reproductions of any records pertaining to this chapter that the commissioner considers advisable for the preservation of the information.

(b) Regardless of any law to the contrary, the commissioner may destroy any records that are no longer necessary for the administration of this chapter. In addition, the
commissioner may destroy any record from which the information has been electronically captured and stored.

Sec. 30. [268B.22] SUBPOENAS; OATHS.

(a) The commissioner or benefit judge has authority to administer oaths and affirmations, take depositions, certify to official acts, and issue subpoenas to compel the attendance of individuals and the production of documents and other personal property necessary in connection with the administration of this chapter.

(b) Individuals subpoenaed, other than applicants or officers and employees of an employer that is the subject of the inquiry, are paid witness fees the same as witness fees in civil actions in district court. The fees need not be paid in advance.

(c) The subpoena is enforceable through the district court in Ramsey County.

Sec. 31. [268B.23] LIEN; LEVY; SETOFF; AND CIVIL ACTION.

Subdivision 1. Lien. (a) Any amount due under this chapter, from an applicant or an employer, becomes a lien upon all the property, within this state, both real and personal, of the person liable, from the date of assessment. For the purposes of this section, "date of assessment" means the date the obligation was due.

(b) The lien is not enforceable against any purchaser, mortgagee, pledgee, holder of a Uniform Commercial Code security interest, mechanic's lien, or judgment lien creditor, until a notice of lien has been filed with the county recorder of the county where the property is situated, or in the case of personal property belonging to a nonresident person in the Office of the Secretary of State. When the notice of lien is filed with the county recorder, the fee for filing and indexing is as provided in sections 272.483 and 272.484.

(c) Notices of liens, lien renewals, and lien releases, in a form prescribed by the commissioner, may be filed with the county recorder or the secretary of state by mail, personal delivery, or electronic transmission into the computerized filing system of the secretary of state. The secretary of state must, on any notice filed with that office, transmit the notice electronically to the appropriate county recorder. The filing officer, whether the county recorder or the secretary of state, must endorse and index a printout of the notice as if the notice had been mailed or delivered.

(d) County recorders and the secretary of state must enter information on lien notices, renewals, and releases into the central database of the secretary of state. For notices filed electronically with the county recorders, the date and time of receipt of the notice and county...
recorder's file number, and for notices filed electronically with the secretary of state, the
secretary of state's recording information, must be entered into the central database before
the close of the working day following the day of the original data entry by the commissioner.

(c) The lien imposed on personal property, even though properly filed, is not enforceable
against a purchaser of tangible personal property purchased at retail or personal property
listed as exempt in sections 550.37, 550.38, and 550.39.

(f) A notice of lien filed has priority over any security interest arising under chapter 336,
article 9, that is perfected prior in time to the lien imposed by this subdivision, but only if:

1) the perfected security interest secures property not in existence at the time the notice
of lien is filed; and

2) the property comes into existence after the 45th calendar day following the day the
notice of lien is filed, or after the secured party has actual notice or knowledge of the lien
filing, whichever is earlier.

(g) The lien is enforceable from the time the lien arises and for ten years from the date
of filing the notice of lien. A notice of lien may be renewed before expiration for an additional
ten years.

(h) The lien is enforceable by levy under subdivision 2 or by judgment lien foreclosure
under chapter 550.

(i) The lien may be imposed upon property defined as homestead property in chapter
510 but may be enforced only upon the sale, transfer, or conveyance of the homestead
property.

(j) The commissioner may sell and assign to a third party the commissioner's right of
redemption in specific real property for liens filed under this subdivision. The assignee is
limited to the same rights of redemption as the commissioner, except that in a bankruptcy
proceeding, the assignee does not obtain the commissioner's priority. Any proceeds from
the sale of the right of redemption are credited to the family and medical benefit insurance
account.

Subd. 2. Levy. (a) If any amount due under this chapter, from an applicant or an employer,
is not paid when due, the amount may be collected by the commissioner by direct levy upon
all property and rights of property of the person liable for the amount due except property
exempt from execution under section 550.37. For the purposes of this section, "levy" includes
the power of distraint and seizure by any means.
(b) In addition to a direct levy, the commissioner may issue a warrant to the sheriff of any county who must proceed within 60 calendar days to levy upon the property or rights to property of the delinquent person within the county, except property exempt under section 550.37. The sheriff must sell that property necessary to satisfy the total amount due, together with the commissioner's and sheriff's costs. The sales are governed by the law applicable to sales of like property on execution of a judgment.

(c) Notice and demand for payment of the total amount due must be mailed to the delinquent person at least ten calendar days before action being taken under paragraphs (a) and (b).

(d) If the commissioner has reason to believe that collection of the amount due is in jeopardy, notice and demand for immediate payment may be made. If the total amount due is not paid, the commissioner may proceed to collect by direct levy or issue a warrant without regard to the ten calendar day period.

(e) In executing the levy, the commissioner must have all of the powers provided in chapter 550 or any other law that provides for execution against property in this state. The sale of property levied upon and the time and manner of redemption is as provided in chapter 550. The seal of the court is not required. The levy may be made whether or not the commissioner has commenced a legal action for collection.

(f) Where any assessment has been made by the commissioner, the property seized for collection of the total amount due must not be sold until any determination of liability has become final. No sale may be made unless a portion of the amount due remains unpaid for a period of more than 30 calendar days after the determination of liability becomes final.

Seized property may be sold at any time if:

(1) the delinquent person consents in writing to the sale; or

(2) the commissioner determines that the property is perishable or may become greatly reduced in price or value by keeping, or that the property cannot be kept without great expense.

(g) Where a levy has been made to collect the amount due and the property seized is properly included in a formal proceeding commenced under sections 524.3-401 to 524.3-505 and maintained under full supervision of the court, the property may not be sold until the probate proceedings are completed or until the court orders.

(h) The property seized must be returned if the owner:
(1) gives a surety bond equal to the appraised value of the owner's interest in the property, as determined by the commissioner; or

(2) deposits with the commissioner security in a form and amount the commissioner considers necessary to insure payment of the liability.

(i) If a levy or sale would irreparably injure rights in property that the court determines superior to rights of the state, the court may grant an injunction to prohibit the enforcement of the levy or to prohibit the sale.

(j) Any person who fails or refuses to surrender without reasonable cause any property or rights to property subject to levy is personally liable in an amount equal to the value of the property or rights not so surrendered, but not exceeding the amount due.

(k) If the commissioner has seized the property of any individual, that individual may, upon giving 48 hours notice to the commissioner and to the court, bring a claim for equitable relief before the district court for the release of the property upon terms and conditions the court considers equitable.

(l) Any person in control or possession of property or rights to property upon which a levy has been made who surrenders the property or rights to property, or who pays the amount due is discharged from any obligation or liability to the person liable for the amount due with respect to the property or rights to property.

(m) The notice of any levy may be served personally or by mail.

(n) The commissioner may release the levy upon all or part of the property or rights to property levied upon if the commissioner determines that the release will facilitate the collection of the liability, but the release does not prevent any subsequent levy. If the commissioner determines that property has been wrongfully levied upon, the commissioner must return:

(1) the specific property levied upon, at any time; or

(2) an amount of money equal to the amount of money levied upon, at any time before the expiration of nine months from the date of levy.

(o) Regardless of section 52.12, a levy upon a person's funds on deposit in a financial institution located in this state, has priority over any unexercised right of setoff of the financial institution to apply the levied funds toward the balance of an outstanding loan or loans owed by the person to the financial institution. A claim by the financial institution that it exercised its right to setoff before the levy must be substantiated by evidence of the date of the setoff, and verified by an affidavit from a corporate officer of the financial
institution. For purposes of determining the priority of any levy under this subdivision, the
levy is treated as if it were an execution under chapter 550.

Subd. 3. Right of setoff. (a) Upon certification by the commissioner to the commissioner
of management and budget, or to any state agency that disburses its own funds, that a person,
applicant, or employer has a liability under this chapter, and that the state has purchased
personal services, supplies, contract services, or property from that person, the commissioner
of management and budget or the state agency must set off and pay to the commissioner an
amount sufficient to satisfy the unpaid liability from funds appropriated for payment of the
obligation of the state otherwise due the person. No amount may be set off from any funds
exempt under section 550.37 or funds due an individual who receives assistance under
chapter 256.

(b) All funds, whether general or dedicated, are subject to setoff.

(c) Regardless of any law to the contrary, the commissioner has first priority to setoff
from any funds otherwise due from the department to a delinquent person.

Subd. 4. Collection by civil action. (a) Any amount due under this chapter, from an
applicant or employer, may be collected by civil action in the name of the state of Minnesota.
Civil actions brought under this subdivision must be heard as provided under section 16D.14.
In any action, judgment must be entered in default for the relief demanded in the complaint
without proof, together with costs and disbursements, upon the filing of an affidavit of
default.

(b) Any person that is not a resident of this state and any resident person removed from
this state, is considered to appoint the secretary of state as its agent for the acceptance of
process in any civil action. The commissioner must file process with the secretary of state,
together with a payment of a fee of $15 and that service is considered sufficient service and
has the same force and validity as if served personally within this state. Notice of the service
of process, together with a copy of the process, must be sent by certified mail to the person's
last known address. An affidavit of compliance with this subdivision, and a copy of the
notice of service must be appended to the original of the process and filed in the court.

(c) No court filing fees, docketing fees, or release of judgment fees may be assessed
against the state for actions under this subdivision.

Subd. 5. Injunction forbidden. No injunction or other legal action to prevent the
determination, assessment, or collection of any amounts due under this chapter, from an
applicant or employer, are allowed.
Sec. 32. [268B.24] CONCILIATION SERVICES.

The Department of Labor and Industry may offer conciliation services to employers and employees to resolve disputes concerning alleged violations of employment protections identified in section 268B.09.

Sec. 33. [268B.25] ANNUAL REPORTS.

(a) Beginning on or before December 1, 2023, the commissioner must annually report to the Department of Management and Budget and the house of representatives and senate committee chairs with jurisdiction over this chapter on program administrative expenditures and revenue collection for the prior fiscal year, including but not limited to:

1. total revenue raised through premium collection;
2. the number of self-employed individuals or independent contractors electing coverage under section 268B.11 and amount of associated revenue;
3. the number of covered business entities paying premiums under this chapter and associated revenue;
4. administrative expenditures including transfers to other state agencies expended in the administration of the chapter;
5. summary of contracted services expended in the administration of this chapter;
6. grant amounts and recipients under sections 268B.29 and 268B.18;
7. an accounting of required outreach expenditures;
8. summary of private plan approvals including the number of employers and employees covered under private plans; and
9. adequacy and use of the private plan approval and oversight fee.

(b) Beginning on or before December 1, 2023, the commissioner must annually publish a publicly available report providing the following information for the previous fiscal year:

1. total eligible claims;
2. the number and percentage of claims attributable to each category of benefit;
3. claimant demographics by age, gender, average weekly wage, occupation, and the type of leave taken;
4. the percentage of claims denied and the reasons therefor, including but not limited to insufficient information and ineligibility and the reason therefor;
91.1 (5) average weekly benefit amount paid for all claims and by category of benefit;
91.2 (6) changes in the benefits paid compared to previous fiscal years;
91.3 (7) processing times for initial claims processing, initial determinations, and final
decisions;
91.4 (8) average duration for cases completed; and
91.5 (9) the number of cases remaining open at the close of such year.

Sec. 34. [268B.26] NOTICE REQUIREMENTS.

(a) Each employer must post in a conspicuous place on each of its premises a workplace
notice prepared or approved by the commissioner providing notice of benefits available
under this chapter. The required workplace notice must be in English and each language
other than English which is the primary language of five or more employees or independent
contractors of that workplace, if such notice is available from the department.

(b) Each employer must issue to each employee not more than 30 days from the beginning
date of the employee's employment, or 30 days before premium collection begins, whichever
is later, the following written information provided or approved by the department in the
primary language of the employee:

(1) an explanation of the availability of family and medical leave benefits provided under
this chapter, including rights to reinstatement and continuation of health insurance;

(2) the amount of premium deductions made by the employer under this chapter;

(3) the employer's premium amount and obligations under this chapter;

(4) the name and mailing address of the employer;

(5) the identification number assigned to the employer by the department;

(6) instructions on how to file a claim for family and medical leave benefits;

(7) the mailing address, e-mail address, and telephone number of the department; and

(8) any other information required by the department.

Delivery is made when an employee provides written acknowledgment of receipt of the
information, or signs a statement indicating the employee's refusal to sign such
acknowledgment.

(c) Each employer shall provide to each independent contractor with whom it contracts,
at the time such contract is made or, for existing contracts, within 30 days of the effective
date of this section, the following written information provided or approved by the department in the self-employed individual's primary language:

(1) the address and telephone number of the department; and

(2) any other information required by the department.

(d) An employer that fails to comply with this subdivision may be issued, for a first violation, a civil penalty of $50 per employee and per independent contractor with whom it has contracted, and for each subsequent violation, a civil penalty of $300 per employee or self-employed individual with whom it has contracted. The employer shall have the burden of demonstrating compliance with this section.

(e) Employer notice to an employee under this section may be provided in paper or electronic format. For notice provided in electronic format only, the employer must provide employee access to an employer-owned computer during an employee's regular working hours to review and print required notices.

Sec. 35. [268B.27] RELATIONSHIP TO OTHER LEAVE; CONSTRUCTION.

Subdivision 1. Concurrent leave. An employer may require leave taken under this chapter to run concurrently with leave taken for the same purpose under section 181.941 or the Family and Medical Leave Act, United States Code, title 29, sections 2601 to 2654, as amended.

Subd. 2. Construction. Nothing in this chapter shall be construed to:

(1) allow an employer to compel an employee to exhaust accumulated sick, vacation, or personal time before or while taking leave under this chapter;

(2) except as provided under section 268B.01, subdivision 37, prohibit an employer from providing additional benefits, including but not limited to covering the portion of earnings not provided under this chapter during periods of leave covered under this chapter; or

(3) limit the parties to a collective bargaining agreement from bargaining and agreeing with respect to leave benefits and related procedures and employee protections that meet or exceed, and do not otherwise conflict with, the minimum standards and requirements in this chapter.
Sec. 36. [268B.28] SEVERABLE.

If the United States Department of Labor or a court of competent jurisdiction determines that any provision of the family and medical benefit insurance program under this chapter is not in conformity with, or is inconsistent with, the requirements of federal law, the provision has no force or effect. If only a portion of the provision, or the application to any person or circumstances, is determined not in conformity, or determined inconsistent, the remainder of the provision and the application of the provision to other persons or circumstances are not affected.

Sec. 37. [268B.29] SMALL BUSINESS ASSISTANCE GRANTS.

(a) Employers with 50 or fewer employees may apply to the department for grants under this section.

(b) The commissioner may approve a grant of up to $3,000 if the employer hires a temporary worker to replace an employee on family or medical leave for a period of seven days or more.

(c) For an employee's family or medical leave, the commissioner may approve a grant of up to $1,000 as reimbursement for significant additional wage-related costs due to the employee's leave.

(d) To be eligible for consideration for a grant under this section, the employer must provide the department written documentation showing the temporary worker hired or significant wage-related costs incurred are due to an employee's use of leave under this chapter.

(e) The grants under this section may be funded from the family and medical benefit insurance account.

(f) For the purposes of this section, the commissioner shall average the number of employees reported by an employer over the last four completed calendar quarters to determine the size of the employer.

(g) An employer who has an approved private plan is not eligible to receive a grant under this section.

(h) The commissioner may award grants under this section only up to a maximum of $5,000,000 per calendar year.

ARTICLE 4
FAMILY AND MEDICAL LEAVE BENEFIT AS EARNINGS

Section 1. Minnesota Statutes 2020, section 256J.561, is amended by adding a subdivision to read:

Subd. 4. Parents receiving family and medical leave benefits. A parent who meets the criteria under subdivision 2 and who receives benefits under chapter 268B is not required to participate in employment services.

Sec. 2. Minnesota Statutes 2020, section 256J.95, subdivision 3, is amended to read:

Subd. 3. Eligibility for diversionary work program. (a) Except for the categories of family units listed in clauses (1) to (8), all family units who apply for cash benefits and who meet MFIP eligibility as required in sections 256J.11 to 256J.15 are eligible and must participate in the diversionary work program. Family units or individuals that are not eligible for the diversionary work program include:

(1) child only cases;

(2) single-parent family units that include a child under 12 months of age. A parent is eligible for this exception once in a parent's lifetime;

(3) family units with a minor parent without a high school diploma or its equivalent;

(4) family units with an 18- or 19-year-old caregiver without a high school diploma or its equivalent who chooses to have an employment plan with an education option;

(5) family units with a caregiver who received DWP benefits within the 12 months prior to the month the family applied for DWP, except as provided in paragraph (c);
